Crockett 4-H Club Makes Good Record In Shows

17 Places Won in Ft. Worth and Houston Big Time Shows

Crockett county 4-H Club members didn't win any championships but they nevertheless turned in a good record against stiff competition in two big-time shows, Fort Worth and Houston, in which they showed lambs last week and the week before.

The Ozona feeders won seventeen places in the two shows, competing at the Houston show against a total of 900 entries in the sheep show.

Seven Crockett county 4-H feeders showed 15 fat lambs at the Fort Worth show and placed eleven of them. None were sifted from the showing.

Scott Hickman placed his two fine wool lambs 23rd and 37th. Bill Schneemann placed 31st and 36th with his two fine wool lambs. Graham Childress showed two fine wool lambs to 35th and 38th. In the crossbred class, Ronnie McMullan placed 15th, Joe McMullan, 16th and 34th, Jimmy McMullan 41st and Scott Hickman 42nd.

All of the 15 lambs were sold at auction at Fort Worth on February 6th, bringing the boys 26 cents per pound.

Fifty-four Crockett lambs were exhibited in the Houston show Feb. 4. With over 900 lambs in the show, competition was keen.

Tommy Sue Chandler placed second in open class competition with her pen of three crossbreds and placed 4th in singles.

Sonny Henderson placed 25th with his fine wool lamb in a class of 312 entries. In the crossbred class where some 275 lambs were exhibited, Erbie Chandler placed 11th and Jody Jones 33rd. In the Southdown class of about 250 entries, Jody Jones placed 19th and Erbie Chandler 24th.

Lambs in the Houston show were sold at auction Feb. 5 and brought the youthful exhibitors 32 to 34 cents a pound.

All boys entering lambs in the Fort Worth show were present at the showing. Also attending were County Agent Pete Jacoby, Mrs. Ashby McMullan and Tommy Newton.

At the Houston show were Ronnie McMullan, Sonny Henderson, Charlie Black, Jody Jones, Gary Thomas, Roy Robbie and Jimmy Sutton, R. J. and Joe Everett, Erbie Chandler, Pleas Childress, Billy Jacoby, Carl Conklin, George Bunker, Jr., and Mr. and Mrs. Frankie Jones, Mr. and Mrs. Bill Conklin, Mr. and Mrs. Pleas Childress, Mr. and Mrs. George Bunker and June, and Mr. and Mrs. Pete W. Jacoby.

Mr. Jacoby and Mr. Newton took the Crockett lambs to Fort Worth in pick-ups. The lambs destined to Houston were taken by truck driven by Coon Chandler, with Erbie Chandler and R. J. Everett, Jr., accompanying him. Most of the boys went to Houston by train from Del Rio, accompanied by Mrs. Bill Conklin.

The group left Houston Friday for home while County Agent Jacoby stayed until Sunday and returned with all the club equipment after lambs were released to the buyers.

Literary Club Plans Sweet Sale Saturday

Plans for a money raising sweet sale were discussed when the Ozona Literary Club met Tuesday in the home of Mrs. Robert Levo. Mrs. J. P. Pogue assisted Mrs. Levo as hostess.

The sweet sale will be held Saturday morning at the Ratliff Hardware and Furniture Co. store in the home of Mrs. Robert Levo. Hostesses served refreshments of coffee and cake to the following members present for the Tuesday meeting: Mmes. Ken Cody, Dillon Merritt, J. B. Monroe, Warren Taliaferro, Larry Wilkins, Clovis Womack, Charles Womack, Glen Hicks, Johnny Clark, Robert Levo and J. P. Pogue and Misses Marie Williams and Mary Koepf.

Linda Carol Allen, 2-year-old daughter of Mr. and Mrs. Lester Allen of Ozona, died at 3:30 o'clock Wednesday afternoon in the Crockett County Hospital. The child had been ill several months.

Graveside funeral rites were scheduled for 4 o'clock this afternoon at Cedar Hill Cemetery, Cody Funeral Home in charge of arrangements. J. E. L. Harrison, minister of the Church of Christ in Big Lake and a former pastor here, will conduct the services.

Surviving are the parents, a sister, Bobbie Joann; two brothers, Walter Melton and Thomas Wayne; the maternal grandparents, Mr. and Mrs. W. J. Baker of Vernon, and the paternal grandparents, Mr. and Mrs. S. A. Allen of Vernon. Lester Allen is employed as foreman on the R. A. Harrell ranch.

Sinclair To Drill Deep Wildcat In Northern Crockett

University Test Will Test Ellenburger; Sandor To Deepen

Sinclair Oil and Gas Co. has filed application to drill its 1-112 University Crockett, a wildcat in northern Crockett county and 9 1/2 miles southwest of Big Lake

The test will be drilled with rotary to 9,000 feet to test the Ellenburger. Drilling will begin as soon as permit is approved.

Location, on a 319.75-acre tract, is 660 feet from the north and west lines of the southwest quarter of 24-7-University.

The prospector is 2 3/4-miles east of Sinclair 1 University, plugged and abandoned May 29, 1951, at 9,131 feet. The Ellenburger was topped by samples at 8,972 feet on elevation of 2,837 feet.

It is two miles north of the World field which produces from the Grayburg at about an average depth of 3,695 feet.

Sandor Petroleum Co. has filed application to reenter 2 Bouscaren heirs, a shallow producer in the Noelke field, and try to complete from another pay.

The test will be drilled with cable tools to 4,620 feet. Drilling will begin immediately. Elevation is 2,883 feet.

Location, on a 360-acre tract, is 1,980 feet from the north and west lines of 29-GG-HE&WT. It is six miles east of Iran.

The project was originally drilled as M&M Producing Co. 2-B Bouscaren heirs.

It is 3/4-mile northwest of Sandor 1 Bouscaren, a shutin gas well reentered and recently completed as a Pennsylvania discovery for a daily flowing potential of 242.16 barrels of 51 gravity oil, no water, with a gas-oil ratio of 1,140-1. Production was from between 4-430-40 feet.

The Noelke field produces from the Seven-Rivers of the Permian at about an average depth of 1,321 feet.

Houston Oil Co. of Texas 1 Mrs. Margaret Shannon et al, wildcat, in Richard Pillow survey, was waiting on storage tanks to complete.

Bones of Prehistoric Monster Found Here

Well preserved bones of some huge prehistoric monster were found the first of this week in a gravel pit in John-on draw where workmen were digging.

The bones, which appear to be leg bones and one possibly a pelvic bone or shoulder blade, were unearthed by Dudley McCarey. Size of the bones indicated that the animal was as large or possibly larger than an elephant. Mr. McCarey said he planned to give the bones to the local museum.

Don Cooke, who has spent nearly a year in Korea as a radar operator with the Marine Corps Air Wing, is home for a visit with his family on leave.

County Collects 98.2 Per Cent Of 1952 Tax Bills

County's Revenue Is \$229,985; Schools Get \$324,171

Another almost perfect tax collection year has been recorded for Crockett county. Property owners in the county paid in an actual cash total of \$640,945.14, or 98.2 per cent of the total tax assessment for the year.

The above cash total represents \$674,763.46 of the total assessment of \$686,463.83, the difference being the discounts granted early taxpayers and the fees of office deducted from the actual revenue figures, as announced from the office of the tax assessor and collector by Mrs. Gertrude Perry, deputy.

Of the total cash collection, the county's revenue for county purposes was \$229,985.81. Schools received for maintenance and bond retirement a total of \$324,171.74 and the state received \$86,787.59.

The collections were based on the maximum rate of \$1.50 for schools, for maintenance and bond retirement, \$1.05 county rate, and 42 cents for the state.

A total of 718 poll taxes were issued from the collector's office before the January 31 deadline. Of these 705 are regular voting polls, 7 aliens and 6 exemptions.

New Continental Producer Extends Elkhorn Field South

The Elkhorn (Ellenburger) field of Crockett county has been extended 1/4-mile south on the south side with the completion of Continental Oil Co. 32-A Shannon.

The oiler was finished for a daily pumping potential of 222.20 barrels of pipeline oil.

Production was from perforations between 7,364-82 feet and 7,392-241 feet in 5 1/2-inch casing set at 7,442 feet on total depth of 7,443 feet.

Location is 2,000 feet from the north and 2,069 feet from the east lines of 23-UV-GC&SF.

Conoco 2-D Shannon, 20-UV-GC&SF, Elkhorn field was drilling below 6,634 feet in lime and shale.

Conoco 3-D Shannon, 20-UV-GC&SF, Elkhorn field, was drilling below 4,343 feet in shale.

Lions Boom On Toward Unmarred Dist. Championship

Menard and Eldorado Mowed Down in Order During Week

Ozona's championship-bound Lions engers boomed on down the undefeated championship trail during the week by racking up their sixth and seventh victories of the current season in district play and their fifteenth and sixteenth consecutive district wins in a period extending back through three seasons.

The Menard Yellowjackets, sure fire runner-up in the 1953 case season, suffered their second defeat of the season at the hands of the Lions here Friday night. The score was 53 to 23. And Tuesday night of this week, the Eldorado Eagles were overcome by the Lion dreadnaught guided by Coach J. A. Pelto, by a score of 64 to 42.

The Lions have three more hurdles in district play, and if they take these, and the chance of a slipup seems remote, they will have gone through a second successive undefeated season in district play. The locals meet the Sonora Bronchos on the Davidson Memorial gym floor Friday night in the last home game of the season. Tuesday night of next week they play in Junction and end the season Friday night of next week in Eden.

Ozona Firemen Win Two Seconds, A First In Ballinger Races

Ozona Volunteer Firemen won a first in the one-man hose race and won second in the six-man race and also in the three-man race in the competition at the semi-annual convention of the Hill Country Firemen's Association held in Ballinger Tuesday.

James Semmler topped other entries with a time of 19.6 seconds in the one-man hose race. Sonora was second with 20 seconds and Eldorado was third with 20.7 seconds.

The Ozona delegation entered the six-man hose race with only five men and emerged in second place. Eden won first with a time of 24.6, Ozona's time was 25.6 for second place and third went to Sonora with 27 seconds. Ozona entries in the six-man race were Charles Ratliff, James Isbell, Cleophas Cooke, James Semmler and Gene Williams.

A Junction team won the three-man hose race with a time of 16.4 seconds. Ozona was second with 16.8 and Eden third with 17.3. Composing the Ozona three-man team were Gene Williams, James Isbell and Charles Ratliff.

The summer convention of the Association will be held in Eden.

Bowl Game, Safety Film To Be Shown Public Here Soon

Two films, one of the New Years Day bowl games, and a safety film shown recently to the schools here through the cooperation of the Department of Public Safety, will be shown soon to the general public, Sheriff V. O. Earnest announced this week.

The date for the showing has not been set pending advice as to availability of the films but will be announced soon, the sheriff said. The public is urged to see these films when the showing is arranged.

Penn. Discovery In West Crockett Flows 242 Bbls.

Shannon Land Discovery Also from Penn. Swabs New Oil

Sander Petroleum Co. 1 Bouscaren heirs, Pennsylvania discovery six miles east of Iran in Crockett County, has been completed for calculated daily flowing potential of 242.16 barrels of 51 gravity oil, no water, with gas-oil ratio of 1,140-1.

Potential was based on an actual 12-hour flow through a 32-64inch tubing choke from perforations between 4,430-40 feet in 4 1/2-inch casing cemented at 4,866 feet, the total depth. Top of pay was picked at 4,378 feet on elevation of 2,882 feet. Pay section was acidized with 500 gallons.

Tubing pressure was 290 pounds with packer on casing.

Location is 2,490 feet from the north and west lines of 29-GG-HE&WT.

Houston Oil Co. of Texas 1 Mrs. Margaret A. Shannon estate et al, Crockett County Pennsylvania discovery 34 miles north-northwest of Ozona, swabbed 100 barrels of new oil, cut 2 per cent with acid water, in 20 hours.

Recovery was from perforations between 6-608-18 feet and 6,624-48 feet, which had been treated with 500 gallons of mud acid and 1,000 gallon of regular acid.

Earlier, it kicked off and flowed at the rate of 9.4 barrels of fluid hourly for one hour. The flow was through a 3/4-inch choke Shakeout was 5 to 10 per cent acid water, the remainder of the fluid was 42.1 gravity oil. Flowing pressure was 150-175 pounds.

The project was waiting on storage tanks to complete.

Location is in Richard Pillow survey 1. Mrs. P. T. Robison, who recently underwent surgery in a Houston hospital, returned to her home here this week.

Court Invites Citizen Meet On Swimming Pools

Representative to Tell Of Famous Paddock Pool Process

Members of the Ozona Woman's Forum civic committee, leaders in a movement for construction of swimming pools in Ozona, and other citizens interested in providing swimming facilities for the youth of Ozona and the adults as well, have been invited by the Commissioners Court to a hearing in the courthouse at 8 o'clock Thursday night of this week.

Committee members met with the court Monday and arrangements were made for the hearing tonight.

Harry L. Yates, representative of Texas Pool Corporation, Texas affiliate of Paddock of California, builders of the nationally publicized Paddock pools which have been built by an exclusive granite process all over California and in recent years in Texas, Louisiana and Alabama, will be here to explain to the Court and to the citizen group the process and plans of pool construction by this company, whose business is exclusively swimming pool construction. Mr. Yates recently conferred with members of the Forum committee and gave estimates and plans on construction of two pools in Ozona, under the Paddock plan which has proved uniformly successful and economical.

The Thursday night conference with the Court is an outgrowth of effort on the part of the Forum committee to bring about an election to issue bonds for pool construction, the year's project adopted by the group at the opening of its season's activities last fall. Mrs. Joe Clayton heads the committee, assisted by Mrs. Chas. Black, Jr., Mrs. Beecher Montgomery, Mrs. Chas. Black, Jr., Mrs. James Childress, Mrs. Dempster Jones, Mrs. Ele Hagelstein, Mrs. C. O. Walker, Mrs. James A. Harvick, Mrs. Pleas Childress, Mrs. Jess Odum, Mrs. W. T. Stokes and Mrs. Pete W. Jacoby. All citizens interested in the project are invited to attend.

Builders of the Paddock pools, written up recently in a national magazine, give a turnkey construction job, Mr. Yates told the committee in a recent conference, which includes the completed pool equipped with health department approved chlorination and filtration systems which preclude the necessity for ever draining the pools, necessary ladders, diving boards, vacuum cleaning equipment, underwater pool lighting system for greater safety and added attraction for night swimming, tile rim and scum gutter, concrete deck areas around the pool, a protective wall, wading pool and even bath houses completely equipped.

Licensed contractors for the Gunite type of blown on concrete construction inside the excavation shaped to pool dimensions are numerous in Texas and in other states and many of these will be available for bidding, along with the parent company, for construction contracts, Mr. Yates said. The parent company will furnish plans and specifications and engineering service for the Paddock pools, and make the two-year guarantee in the event any of these licensed contractors are awarded the contract, charging the usual engineering fees for such service, the representative told the committee.

DAUGHTER TO SMITHS

Mr. and Mrs. Carlton Smith of Marfa are the parents of a daughter born Tuesday night, Feb. 10, in a Marfa hospital. The baby weighed 7 1/2 pounds but had not been named when the Ozona grandparents, Mr. and Mrs. Ivy Smith, Sr., were notified of her arrival. Maternal grandparents are Mr. and Mrs. Melvin Cox of San Juan, Texe. Carlton Smith is assistant athletic coach at Marfa High School.

Non-Paying Subscriber Chides "Edator" For Hinting Cagers "Loaf"

It was just a mild hint that maybe the white-hot Ozona High School basketball team had just sorta taken it easy in their game of the week against Eden. But maybe it was the size of the headline in last week's Stockman that inspired an "ardent non-paying subscriber" to write a protest letter to the "Edator" — you "addicted readers" can say that out loud and know what he means.

The headline's mild, very mild hint, in our best — and biggest — type, merely recited "Lions Loaf to 5th District Win Over Weak Eden." We didn't just come out and say the Lions should have scored 100 points in the first quarter and then put the second team in to keep up the Lions' season average of 56.8 points in each of the remaining three quarters. We didn't say that — we just hinted — that there was some laxity of effort.

But the story brought the following protest letter to the edi-

tor, which from the very apparent anguish in its tone, to say nothing of the spelling and grammar — remember, that phrase, we "say nothing" — one would conclude at once that it must have been written by a coach — and certain "woids" used have a strong Minnesota accent.

"Dear Edator —
"Dis is in protest fer you-all in yer cherce of woids. I (in the name of suffering coaches) am referring to an obvious misuse of the word LOAF.

"Hoping you can see fit to correct said misuse by next week, I remain your ardent
Non-Paying Subscriber"

Masquerade Party Date Is February 14

The big day has almost arriv-
ed. Yes, the masquerade party
sponsored by the Freshman and
Sophomore classes, will be held
Saturday night, 8:00-12:00 in
the girls' gym. All high school
students are invited; there will
be no admission charge, but in
order to gain admittance, you
must wear a costume. The theme
will be in keeping with the Mar-
di Gras, with decorations to
match.

There will be games and danc-
ing. Music will be furnished by
George Senne and his orchestra.
Prizes will be awarded for the
best costumes.

The Freshmen and Sophomores
wish to stress the point that no
dates are required for this par-
ty. If you are without, come on
anyway to enjoy the fun!

You could chew gum in algebra
class?

All the girls had dates to the
masquerade dance?

Ann R. was in the All-state
Band?

Don C. didn't have so many
girl friends?

Benny treated Ann like she was
half way human?

Charles and Sandra went steady
for two weeks?

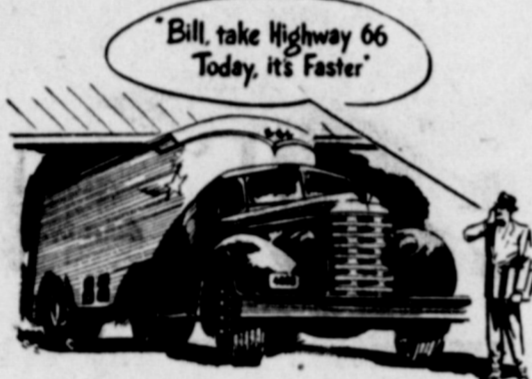

The volleyball team could play
volleyball?

Mr. Wagner hadn't blown a fuse
in chemistry class?

Shirley didn't like boys?

Mary Beth didn't have troubles?
Somebody cared about Larry
Lewis?

There wasn't going to be a Val-
entine party?

Long Distance Service Also Moves Faster When You CALL BY NUMBER

Truckers travel faster when they know the right
highways. And your long distance calls go through
faster when you call by number. This faster service
is possible because most telephone companies can
now use the inter-connected coast-to-coast dialing
system. So for better service, call by number.

DEAR MAE:
Dear Mae:

It seems a lot of the steadies with other people over the week-
broke down and actually went (Continued on Page Four)

What every girl should know about COOKING...

It's so easy to bake, roast or broil with an Electric Range...
no flame, less shrinkage of roasts, cleaner cooking, and a
cleaner kitchen.

You can plug in the coffee-maker the night before,
set the automatic clock timer, and coffee's ready
when you get up in the morning — you can plug
in the toaster or other appliances, too.

The deep-well cooker has many uses, not only for
meals — but many other things — to make large
quantities of coffee or cocoa at party time, to ster-
ilize baby's bottles — and even to pop corn!

DID YOU KNOW with an Electric Range you can:

Keep foods warm for long periods
on low, gentle heat of surface
units... prepare jams and pre-
serves under broiler unit... use
controlled, measured heat to cook
frozen vegetables and fish with-
out water, in aluminum foil on sur-
face units... "prove" yeast dough
in warming oven... freshen rolls
by wrapping in aluminum foil and
placing on surface unit on low heat
for a few minutes?

"Yes, Judy, an Electric Range takes the guess work
out of cooking and practically does the job itself. You
can call it 'cooking without looking' because you put
a meal in the oven, set the automatic controls, and
forget it while you're doing something else.

"Another thing I like is the way you can cook on
the surface units. Set the switch for the heat you
want and you get it.

"Cook cheaper cuts of meat in the deep-well cooker,
and you get delicious meals. Cakes and pies come out
right every time. Broiling's a delight. You cook veget-
ables with so little water they retain both their
flavor and their healthful vitamins."

"You're sort of fond of your Electric Range, Mom
— and I understand why!"

MOTHER KNOWS BEST...

of course, it's *Electric!*

end. Jan Jones had a party and everyone (eleven girls and their dates had a wonderful time: Jan and Scott, Georgiana and Charles, Rose and Ronnie, Ann and Benny, Martha and Brock, Beverly and Kenneth P., Susie and Carl, Carol B. and Tadpole, Carolyn S. and Dwight, also Eda Ann. They all had a wonderful time. (So I heard)

Jane A. also had a slumber party Saturday night. Sandra, Jane, Viv, Barbara, F., and Shirley counted stars and hunted booger bears all night. They finally retired at 6 o'clock a.m.

Kenneth P. also had a party. It was after the basketball game Friday night. The couples there were: Scott and Shirley, Wayne and Alena, Graham and Jane, Charles and Sandra, Georgiana and Kenneth, Rose and Ron, Viv and Jody and last but not least, Tom and Betty.

So, Mae, you can see it has been a lively ole town this last weekend. I wish I had a boy friend! Do you think the Lonely Hearts Club could help me?

Some of those cute Sonora boys decided to paint up our "Water Works Hill." Somebody saw them and V. O. got 'um. I was hoping they'd get put in the clink so I could go see 'um but sure enough, true to fate, they didn't.

Susie's simply been having fits over a Menard boy. I think it's Johnny W. I sure envy her. (Some people have all the luck!)

Alena Faye is seen a lot with Buster. He's been telling people he's going to the Army Feb. 30th! Guess what! There's not a Feb. 30th.

Some certain boy has called Ann R." Annie Mae." I can't imagine what for. I want to see Sonny M. and find out.

There's nothing really going on this week so I'll close for now.
Love,
Dot.

FROM THE EDITOR'S BOX

"A paper is only as good as those who write for it." Now that sounds logical.

For example — A certain school paper in a certain town started the year off with a bang. The weekly paper was filled with interesting varieties — sports, current school news and humorous articles. You couldn't walk down the hall without someone's commenting on how good the paper was. The newspaper staff walked around on clouds with pride swelled hearts. Yes, they were proud of their paper, but who wouldn't be?

Then one day, some dark clouds crowded over their sunny world. Each week it was harder and harder to get the material together for the paper. What had happened to this success? It seems as if the reporters — from the editor on down, had let down on their job. The new had worn off the reporting business.

But this paper didn't go back to seed — no sir. That paper staff was a smart one. They realized that "a newspaper is only as good as those who write for it."

Two OHS Students to Try for State Band

By Kent Chapman
Our two candidates for the All-State Band clinic, Marion Mock and Jimmie McMullan, left for Galveston Wednesday for the try-outs that afternoon.

Out of approximately one hundred fifty students about ninety will be selected for the All-State Band. The rest will be in classes under special instructors.

Wednesday night, rehearsals will begin and there will be rehearsals all Thursday and Friday, at morning, afternoon and night.

Marion was in the All-State Band last year and she said she really profited from it.

When the five students, Kay Simmons, Dwight Odum, Carolyn Stuart, Marion Mock and Jimmie McMullan went to the tryouts for the Regional Band, Dwight Odum made the Regional Band, but didn't get to go on to State.

Mr. Smith, Mr. Bray, Mrs. Mock, Jimmie and Marion are going to Galveston. They will return Saturday. Good luck, kids!

Girls, you've been wishing some new boys would come here. Your wish has been granted; at least one has come, Phillip Wilson, in case any of you don't know.

Phillip comes from Lameas. He is 17 years old and a sophomore. His favorite sport is football. He likes fried chicken and his favorite, subject, girls, is girls. Isn't that everything you could hope for?

Don't Miss the Play, Who Wouldn't Be Crazy

By Kent Chapman

Starring: Jack, Charles Garlitz; Lois, (the girl on the receiving end of Jack's ardent admiration); Inmate No. 1, ?; Inmate No. 2, ??; E Pluribus Unum Worthington, Kenny Phillips; Appendicitis, Vivian Trotter; Reggie Mortimer, Kent Chapman; The Villian, ?

Be sure and see this play of plays, this zacky wacky madhouse. For entertainment plus, be sure and be at the auditorium this Monday night, the 16th. It's strictly for the birds. "Who Wouldn't Be Crazy" is really sumpin'.

When Speedy goes after his kidnapped girl friend and Reggie is falsely arrested and dragged from a motorcycle, with a little more lovin' on the side from Pendie and Pluribus, the play goes into a riotous ending. Oh, well, "Who Wouldn't Be Crazy?"

DAFFINITIONS

Chair — To pull out from under someone, to scrape off the floor or fall over in the dark.

Tables in library — To scratch names on or put chewing gum under.

Algebra — Greek writings for Mr. Pelto to translate.

Clock — For Mr. Smith to see if someone is late.

Well — A deep subject. Let's don't go into it.

Notebook paper — Something "else" for Kenneth P. to borrow.

High heels — So Miss Koepf can reach the blackboard.

Whiskers — Something Rosie Walley lost last week.

Hair — What Mr. Leath doesn't have on his head.

English class — For Ann and Kay to draw cartoons and get into trouble in!

Look younger pills — Things that I suggest to Mr. Pelto. (No offense, please!)

SOPHOMORE CLASS MEETING

By Lynn Parker

The Sophomore class held a meeting last Wednesday at 12:45. The meeting was called in order to plan the assembly program the Sophomores are giving the latter part of this month.

At the meeting we decided on putting on a quiz show. Several different committees were selected to plan different parts of the program and will meet again soon to make further plans.

We are looking forward to giving the program and hope you enjoy it.

OFTA CLUB MEETING

By Susie Schneemann

The Ofta Club members were served cokes and cookies last Friday afternoon at 2:40. Of course, they had a meeting, too. There is always a catch to it. The members decided their flower was to be carnation and the colors are, of course, red and white. Their motto is, "Wisdom, Guide Us," a good one for future teachers.

A proposed Smile Week was discussed in which the entire student body would be asked to participate

A committee was appointed to select a desirable week sometime in March or April. All students should be prepared to put on an Ipana smile soon!

VOLLEYBALL GIRLS TO PLAY

Mrs. Ann Mayes, girls' volleyball coach, has announced the date of the first girls' volleyball game this year. It will be held

Ozona Dumps Menard To Take 2-Game Lead

By Tom Piner

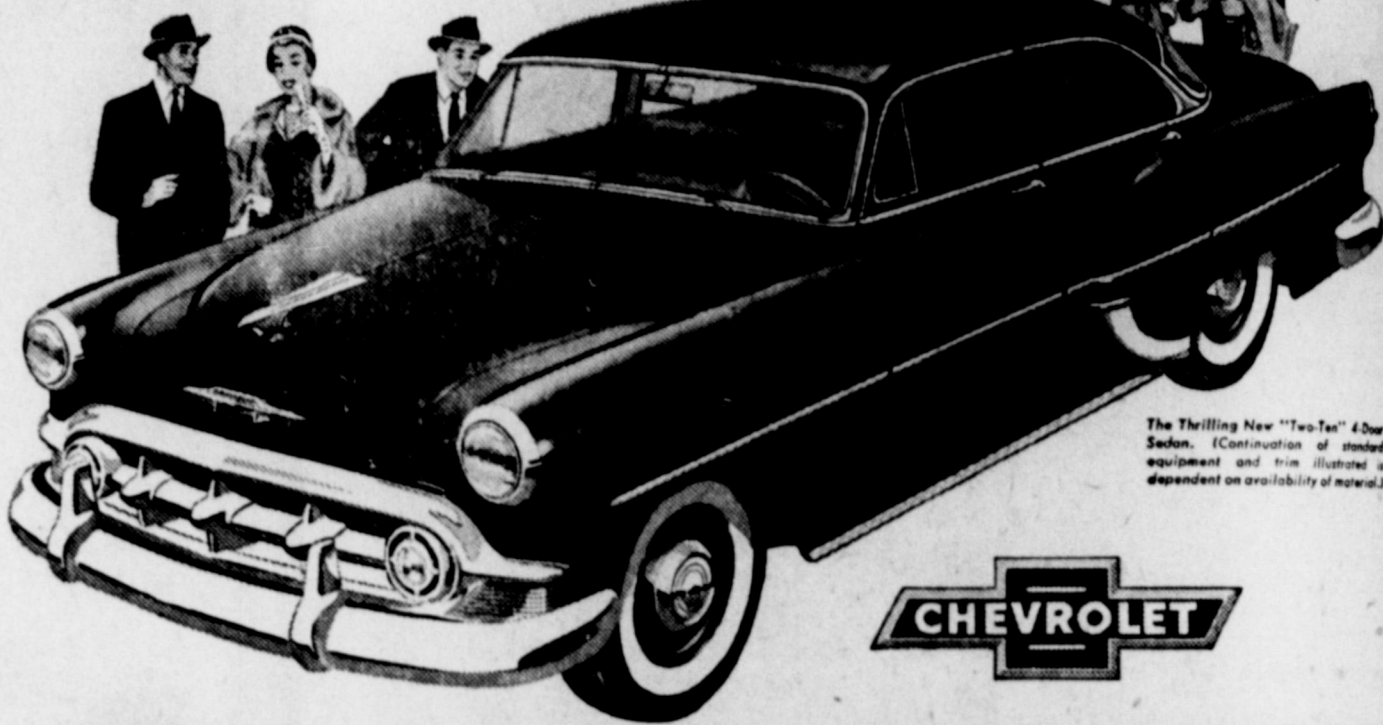

The Ozona Lions bested the second place Menard Yellow Jackets here Friday to make 6 straight

district wins against the Yellow Jackets. Trailing 6 to 0 at the end of the first quarter the Lions made a 25 to 14 half time lead and went on to win the ball game 33.

Bill Schneemann capped scoring honors with 12 points. Tom Piner netted 10. The Lions made 9 for Menard. The win increased Ozona's strict winning streak to 15 wins.

OF THE 3 LEADING MAKES, ONLY DODGE TRUCKS ARE "Job-Rated" TO GIVE YOU THESE AND MANY MORE ADVANTAGES

7 POWERFUL ENGINES, more than is offered by the other 2 leading truck manufacturers, to assure you of the right power. 3 engines brand-new.

TRUCK-O-MATIC TRANSMISSION, with gýrol Fluid Drive, for the best in shift-free driving. Available in 1/2- and 3/4-ton models.

SUPER-SAFE BRAKES of the advanced dual-primary type in 1- through 4-ton trucks. Of the "big 3," only Dodge offers these up-to-date brakes.

GREATEST MANEUVERABILITY of the 3 leaders—saves you time and effort.

Greatest vision area of the "big 3" lets you see more . . . increases safety, handling ease.

Widest seat of the 3 leading makes.

More power in the 1 1/2- and 2-ton ranges, than the other 2 leading makes.

More pick-up bodies than the other 2 leaders, including new 116" wheelbase 1/2-ton pick-up.

Greatest 1/2-ton panel payload and capacity of the 3 leaders.

2 fuel filters on all models to assure cleaner fuel and a cleaner engine.

Floating oil intake selects clean oil at top, avoids sediment at bottom of crankcase.

Water distributing tube on all models directly cools valve seats . . . means longer valve life.

4-ring pistons on all engines save oil, upkeep.

Independent parking brake on all models is simple, efficient, powerful.

Rivetless Cyclebond brake linings last longer, can't score brake drums . . . linings are tapered and molded on many models for quiet stops.

Oriflow shock absorbers on 1/2-, 3/4- and 1-ton models give smoother riding, greater driver control on roughest roads.

Better-balanced weight distribution for extra payload.

Dodge pioneers . . . others follow! Many features—just adopted by other leading makes—have been standard on Dodge trucks for years! For example: chrome-plated top piston rings in complete line, spark-plug covers, 45-ampere generators, short wheelbase.

Mahon Speaks to Woman's Club on Wills and Estates

G. Dixon Mahon, county attorney, was guest speaker at the Woman's Club meeting Tuesday in the home of Mrs. Hillery Phillips. Mrs. Hubert Baker was assisting hostess.

Mr. Mahon spoke to the group on the subject of wills and estates. He pointed out that although most people are reluctant to consider having an attorney draw their will, they actually owed their families a duty to do so. He stressed the advantage of making a will and the financial saving that may be accomplished by a properly drawn will.

NEWS AND VIEWS OF CROCKETT COUNTY HOSPITAL

By C. A. Woody, Administrator

We are quite proud to acknowledge the fact that the old stork did make his arrival, in fact, three times since I last wrote this article.

Mr. and Mrs. J. A. Harvick became the proud parents of a little girl, at 5:25 p.m. on Feb. 10; Mr. and Mrs. A. C. Delgado announced the arrival of their new baby girl on Feb. 8 at 11:20 a.m.; and Mr. and Mrs. Ovidio Perez were presented with a new baby girl at 9:40 p.m., Feb. 10. So you can see that the stork has been a very busy person and, of course, we helped him some, too.

Mrs. S. B. Phillips is still with us and certainly enjoys visits from her friends and thanks those who have brought candy, flowers and other gifts of which she has been so proud. She is certainly a fine lady.

Patients admitted: Miss Linda Carroll Allen, Miss Alicia Stephens, Mrs. A. C. Delgado, Mrs. T. R. Stacy, Mrs. Ovidio Perez, Josephina Costello, H. Taylor, George Brown, Gerald McCormick, Ted Hillard and Mrs. Jim Ad Harvick.

Patients dismissed: Mrs. O. S. Wills, Mrs. G. G. Williams, Mrs. Corbett Smith, R. S. Young, James Burton, Sylvia Chisum, Bradley Harris, Mrs. Jose Leal, Patricia Carbell, Clayton McMillan, Josewina Costillo, H. Taylor, Mrs. A. C. Delgado, George Brown.

The Action Car for Active Americans

A "Road Test Ride" will convince you that the '53 Dodge is the most completely new car on the road. Its amazing nimbleness and maneuverability, its roomy comfort and flashing performance will change your ideas about how much solid enjoyment a car can offer. And with all this, you get the deep-down dependability that has been a Dodge buy-word for thirty-nine years. Dodge stands for dependability; Dependability stands for Dodge. You'll know what this means when you own one.
