Here and There

By J. Troy Hickman

FREEDOM

If the Korean Truce holds up—and we trust that it will—it will be the third great effort made in this century to uphold human freedom. The first and second world wars were essentially resistance to the encroachments of groups who had the "let's-conquer-and-rule" idea.

Ever since there have been men in the world, some have wanted to control others. The story of mankind has been a long history of the robbery of the weak by the strong, of the simple by the clever. Men have been robbed by other men of their goods, their lands, their houses, and their liberties. They have been robbed of their self-respect sometimes, and even of their lives.

Out of this vast experience of oppression has come a mighty yearning that has circled the earth—the love of freedom.

The desire for freedom is a silent thing. It flies no banners. It says nothing until it is violated. Then it strikes back with a terrible vengeance. There are signs in the news today that a few people in the Russian satellite nations are at last beginning to understand the real evil of the Russian system of enslavement. At least one "informer observer" said the other day that a big revolution against Russian tyranny was now in the making in Europe. Perhaps in Asia, too. The Communist premises are wearing thin in spots. The old devices are getting tiresome. The old lies are becoming obvious.

Surely every person of good will can only trust that the Russian state will finally get the defeat it so richly deserves, and at the same time we may wish that every subsequent enemy of human freedom will be defeated, until the time comes when people will let each other alone.

But even if we should reach a golden age where no man sought to steal another's freedom or possessions, we should still not be entirely free. The most enduring bondage of all is the bondage to self. As long as you and I have ourselves on our hands, we shall not be quite free.

We are captives of our desires. We are the slaves of our whims. We are the prisoners of our ideas, right or wrong. We are the servants of our ideals. We are subject to our consciences, our prejudices, our attitudes, and to the demands of our way of life.

Sometimes when we try to escape from one bondage, we fall into another. A man, for instance, who thinks of his work as bondage may manage somehow to evade it. He may then find himself becoming a slave to boredom and the tyranny of too much leisure time.

Another who frets under the yoke of social customs, may revolt against convention and take up some sort of personal indulgence, only to find himself after a while bound hand and foot by the power of the sin he has chosen.—sick of it but powerless to do anything. As Jesus said, "He who commits sin is the servant of sin."

This same Christ pointed out that freedom cannot come by exchanging one selfish yoke for another, but by taking God's Yoke. "If you continue as my disciples," he promised, "you shall know the truth, and the truth shall make you free."

In a sense there is no such thing as being free in this world. We have no choice between bondage and freedom, but only a choice of what sort of bondage we will accept. The Christian Way of Life merged all lessers and unworthy enslavements into one Master Yoke. If one of us makes the Will of God his way of life, he begins to get free of the old chains.

Political freedom is important. Men have died for it. But personal freedom is a much deeper thing. And personal freedom is found only in obedience to God's Will.

Conoco To Drill Three Wildcats On U. T. Acreage

2 More Deep Tests On Blocks 12 Miles W. Of Ozona

Continental Oil Co. has filed application to drill three deep wildcats in Crockett County, deeper of which is Continental 1 University 32-13, 12 miles west-southwest of Ozona.

Rotary drilling to 9,500 feet will begin when permit is received.

It will be drilled on a block of 2,560-acres for which W. J. Weaver paid \$275,000 at the University land auction June 19.

Location is 660 feet from the north and east lines of 13-32-University.

The prospector is four miles northwest of Gulf and Glasco 1 Couch, plugged and abandoned Dec. 19, 1949, at 9,368 feet.

Continental 1 University 55-8 will be drilled in northeastern Crockett County 3/4-mile west of the Schleicher County line and 15 miles southeast of Barnhart, in Irion County.

Rotary drilling to 9,000 feet will begin when permit is approved.

It will be drilled on a block of 2,688.51 acres for which Continental paid \$475,000 at June 19 auction of University lands.

Location is 660 feet from the south and east lines of 8-55-U.

It is 4 1/4 miles east of Tide Water and Bay & Vicker. 1 University, plugged and abandoned April 7, 1949 at 8,500 feet.

It is seven miles northwest of Sinclair 1-191 University, a Schleicher County Ellenburger discovery finalized February 7 for a daily flowing potential of 342 barrels of 40.5 gravity oil plus 40 barrels of acid water.

Continental 1 University, 31-36 will be drilled 12 miles west-northwest of Ozona.

Rotary drilling to 8,500 feet will begin when permit is received.

It is on a 2,560-acre block for which Roger B. Owings paid \$14,000 at the June 19 auction of University lands.

Location is 1,980 feet from the north and 660 feet from the west lines of 36-31-University.

The nearest Ellenburger production is in the Wyatt field 5 1/2 miles to the north. Lion Oil Co. 1 Shannon, opener and lone producer, was finalized July 6, 1952, for a daily flowing potential of 192.50 barrels of 38.4 gravity oil, no water, with gas-oil ratio of 365-1. Production was from between 7,380-413 feet. Top of pay was picked at 6,936 feet on derrick floor elevation of 2,660 feet.

Oil Logged In Elkhorn Link Test

Continental Oil Co. 5-D J. M. Shannon, 20-UV-GC&SF, Crockett County Elkhorn (Ellenburger) field link test, has logged oil and gas.

On a three-hour drillstem test between 7,305-54 feet in Ellenburger dolomite and lime, gas surfaced in 65 minutes.

Recovery was 380 feet of free oil and 120 feet of heavily oil and gas-cut mud. Flowing pressure was zero; shutin pressure, time unreported, 1,050 pounds.

Sample top of the Ellenburger was called at 7,255 feet on elevation of 2,599 feet.

At total depth of 7,354 feet, the project was preparing to drillstem test.

North Outpost To Elkhorn Logs Show

A 3/8-mile north outpost to production in the Elkhorn (Ellenburger) field of Crockett County, Superior Oil Co. 1-27 University, located in 27-46-University, cut a core between 7,061-98 feet.

Recovery was 37 feet. Thirty-five feet was dolomite, highly fractured and bleeding oil. Two feet was chert and dolomite with a fair odor.

Operator then cut a core between 7,098-7,126 feet and was pulling to check recovery.

Eleven Persons In Two Cars Escape Injury In Collision Near Here

A two-car collision involving a total of eleven persons, occupants of the two cars, resulted in no injuries and only minor damage to the cars about two miles west of Ozona Saturday.

G. C. Williams of El Paso, driving a Hudson car with six Negro service men as passengers, failed to make the curve in the highway at the west roadside park and overtook a car driven by Robert Cook of Beaumont on the wrong side. Williams' car brushed the right front fender of the Cook car as he attempted to pull the vehicle back on the highway. Cook swerved to the left in an effort to avoid the careening Hudson and his car left the highway, ploughed through the right-of-way fence and came to rest 50 yards inside the pasture. Two tires were blown out in the wild ride through the boulder strewn bar ditch.

Williams finally fought his car to a stop after swerving from side to side. Williams was fined on a charge of reckless driving in justice court here.

Mr. Cook was accompanied by his wife and two children. None was injured.

Drive-In Theatre Is Reopened After Damage By Storm

Freak Blow Wrecked Screen Two Weeks After Opening

Damage to the screen at the Triangle Drive-In theatre a mile north of Ozona, resulting from a freak storm three weeks ago, has been partly repaired to permit reopening of the theatre last night. W. V. Adwell, owner, announced this week.

Workers have completed installation of a new screen and in a few more days the job of boxing in the front will be completed. Meanwhile, regular programs will be shown nightly at the drive-in.

The big screen was wrecked two weeks after the new theatre was opened in a late afternoon thunderstorm which dumped a torrential rain in the area and kicked up what is believed to have been a small twister. The screen was virtually exploded in all directions, resulting in several thousand dollars in damage. Entrance sign panels, ticket booth and the snackbar and projection building were untouched.

The reopening program, showing again tonight, is "Pleasure Island." Friday and Saturday the picture will be "Fair Winds to Java" with Fred McMurray and Vera Ralston and the Martin and Lewis show, "Scared Stiff," will open Sunday for a three-day showing.

Two Ozonans On Coop Board Of Directors

John Childress of Ozona was elected a new member and six men were re-elected to the board of directors of the Southwest Texas Electric Cooperative at its annual meeting in Eldorado Tuesday.

Childress will replace J. V. Drisdale of Juno, who did not seek re-election. Other members are W. W. Sheen of Fort McKavett, J. Forrest Range of Christoval, Joe B. Edens of Eldorado, Frank Bond of Sonora, E. L. Tankersley of Mertzon and R. A. Harrell of Ozona. Officers will be named Aug. 20.

The cooperative has 1,269 miles of line, serving 776 meters, with consumption ranging from the minimum of 40 kilowatt hours to a maximum of 5,500. There were only 38, or 4 per cent, of all consumers who used the minimum in July. Don McCormick said, while a number of meters showed more than 2,000.

Lost: Small black Cocker Spaniel. Answers to name of Joe-Boy. Has on collar and registration tag. Any one seeing him please call Douglas Moore. 283 or 406. 1p

Dutch Meyer To Speak At Posse Football Party

Ozona Gridders To Be Honored At Annual Program Sept. 8

Dutch Meyer, TCU's famed football coach and now athletic director for that institution, will be the guest speaker when the Crockett County Sheriff's Posse entertains the Ozona High School football squad with its annual barbecue supper, set this year for September 8.

Coach Meyer was one of the most colorful coaches in football. Under his brilliant leadership, T. C. U.'s football fortunes soared and his teams were always to be reckoned with in Southwest Conference play. He is being given a free hand in selection of subject matter for his talk here and the sponsoring organization feels that from his wealth of experience in leadership of boys he will prove an inspiration to this year's grid squad members.

Guests of the Sheriff's Posse at the annual pre-season barbecue supper include members of the football squad, their managers and coaches, their fathers and men of the school faculty. The supper is served in the girls' gymnasium of the high school, with the program following in the auditorium if a football movie is shown. It is not known at this time whether or not a picture will be shown as a part of this year's program.

Sorority To Sponsor Book Review Benefit For Girl Scout Troop

Beta Rho chapter of Epsilon Sigma Alpha sorority met Tuesday evening at the country club for a business meeting. The sorority will sponsor a Girl Scout troop this year and as a means of raising money for the venture will present Mrs. Sherman Taylor in a book review at the High School auditorium Friday afternoon, August 21.

Mrs. Taylor will review Rosemary Taylor's "Harem Scarem," beginning at 2:30 p. m. Admission will be 75 cents.

Present for the sorority business meeting were Greta Isbell, Sue Hoover, Carolyn Smith, Baby Harrison, Jimmie Swearingen, Mary Lou Lilly, Eve Lemmons, Jeanette Trotter, Rosalie Friend, Barbara Earnest, Tommy Clark and Mary Deaton.

Shallow Wildcat Set Northeast of Ozona; New Field Designated

David L. Collins et al of San Angelo have filed application to drill a shallow cable tool wildcat, their 1 Mrs. Alfred Luckett, 10 miles northeast of Ozona in Crockett County.

Operations on the project will begin immediately.

Location on an 80-acre tract, is 330 feet from the south and east lines of 7-CD-BBB&C.

The prospector is 2 1/4 miles northeast of Thomas 1 Luckett, plugged and abandoned at 1,298 feet. The test logged good shows in the Toborg while drilling. The Toborg was topped at 735 feet on elevation of 2,510.8 feet.

It is also 1 1/2 miles south of Powell & McFarland 1 Luckett, abandoned at 1,552 feet, elevation unreported. Operator reported no top and no shows.

The Texas Railroad Commission, Oil and Gas Division, has announced the designation of a new Crockett County field.

It is the Ranch (strawn) field. Discovery well is Continental Oil Co. 2-C Harris which was finalized July 24 for a daily flowing potential of 363.78 barrels of 47 gravity oil plus 31.71 barrels of water.

Production was from between 8,171-91 feet Gas-oil ratio of 2,592-1. Gas volume was 943,000 cubic feet daily.

Location is 1,980 feet from the south and east lines of 4-BB2-Francis Boren survey, 12 1/2 miles south of Texon in Reagan County.

KIDS CAN ONLY LOOK Pools Opening Still Uncertain As Financial Strymie Unbroken

A stymie in plans for opening Ozona's new swimming pools, developing when the Texas Pool Corporation, pool builders, failed to make satisfactory settlements in a number of accounts for materials and services used in constructing the pools, seemed no nearer to a break this morning.

The county can not accept the pools and release contractors and bondsmen until all financial obligations have been met. Such obligations of the contractors are being retired piecemeal but until funds are forthcoming in sufficient amount to provide a safe margin for the county, the situation remains with the city's youngsters looking longingly through a wire fence at two completed, ultramodern and dazzlingly beautiful swimming pools that nobody can use.

Don Cooke, Veteran Of Korea, Promoted To Staff Sgt. In Marines

MARINE CORPS AIR STATION, EL TORO, Calif.—Marine Staff Sergeant Don E. Cooke, 22, son of E. D. Cooke Sr., of Ozona, was recently promoted to his present rank of staff sergeant at the Marine Corps Air Station, El Tero, Calif.

He is at present serving with Marine Tactical Air Control Squadron Three, Marine Air Control Group Three.

The 1948 Ozona High School graduate attended Texas Agriculture and Mechanical college (College Station, Texas,) before entering the Marine Corps in 1951 at San Antonio, Texas.

He served in Korea with Marine Ground Control Intercept Squadron Three, Marine Air Control Group Two, First Marine Air Wing from February, 1952, to January, 1953.

At El Tero Staff Sergeant Cooke has been assigned to Close Air Support duty.

P.M.A. Committee To Be Elected Here August 24

Ballots May Be Cast By Mail Or In Person at Office

Rancher committeemen ballots must be mailed to the county PMA office at Ozona not later than Aug. 24, Chairman W. P. Seahorn today advised eligible rancher voters. August 24 is committee election day and votes may be cast in person in the PMA office on that date or by mail.

"Ballots will be mailed to all Crockett County Rancher who are known to be eligible to vote in these elections. Ranchers, in order to have their votes counted in this year's important election, must mark them and mail them so they bear a postmark not later than August 24," The Chairman said.

"If you are eligible to vote and have not received a ballot, write, phone or call at the PMA office and you will get your ballot promptly," he advised.

"You are eligible to vote if you are an owner, operator, tenant, or sharecropper of a farm and are participating in or carrying out practices in accordance with programs administered by the PMA committees. The ballots are prepared to permit voting for three to serve as members of the county committee, and two alternates.

The new committee will take office September 1. The chairman of the committee will also serve as chairman of the Drouth Emergency committee which is handling the emergency feed program in the county.

Lin Hicks, stationed at Fort Sill, Okla., is spending a ten-day leave with his parents, Mr. and Mrs. Lindsey Hicks. Young Hicks expects to be shipped for duty in Korea on his return from the present leave.

Ozona Teenleague Winners Play In B'wood State Meet

Locals Cinch Title In Victory Over McCamey Sat. Night

Ozona's Teenage baseball team will leave Sunday for Brownwood where they will compete in the State Teenage League tournament where a winner will be picked to represent Texas in the National Teen tournament.

The Ozona team, coached by Byron Stuart and sponsored by the North Motor Co. and the Lions Club summer recreation program, clinched the league title with a 19-4 victory over McCamey in McCamey Saturday night.

Coach Stuart will entertain boys of his club with a barbecue supper at his home Saturday night before leaving at 8 a. m. Sunday for Brownwood. The city of Brownwood will entertain the thirteen teams entered in the state tourney, and their coaches at a barbecue supper and swimming party Sunday night.

Drawings for tournament play, scheduled Monday, Tuesday and Wednesday, will be held Sunday afternoon. Teams entered represent 13 Teenage districts all over the state. Several teams from the Houston area, from Port Arthur, Waco and Brownwood will compose the tournament entries. The Ozona team is the farthest western entry. Reservations have been made for the Ozona team at the Hotel Brownwood.

Ace Pitcher Wayne Hicks was stung with base hits allowed the McCamey crew in the season's finale Saturday night. Meanwhile his teammates were sprinkling the outergardens and over the fence with hits. Spanky Best, speedy little catcher, thumped out two home runs among his sackful of hits. Other circuits clouts were by Jody Jones, Lloyd West and Tommy Bennett.

The Ozona team roster includes Wayne Hicks, pitcher; Jody Jones, p. lb and c; Leon (Spanky) Best, c & p; Tommy Bennett, 2b; Bobby Lee Payne 3b; Jerry Beasley, ss; Robert Freeman, lf; Francisco Cervantez, cf & p; Jackie Young, c & f; Bobby Hicks, 1b & f; Roy Glenn Sutton, p & f; Tomas Lopez, Tony Gomez and Brock Jones, f. Jackie Adwell, who suffered an ankle injury early in the season and is ineligible to play in the Brownwood tourney, will accompany the team, as will Charlie Gotcher who has been assisting Stuart as coach.

W. E. Aikman, Father Of Ozonans, Dies In Angelo; Burial In Okla.

Funeral services were held at 2 p. m. Saturday at Memorial Park Oklahoma City, for W. E. Aikman, 93, father of Gordon G. Aikman, Ozona druggist, who died Thursday night in a San Angelo hospital after an illness of two weeks.

Mr. Aikman, whose home was Wewoka, Okla., became ill while on a fishing trip to Aransas Pass and was brought to San Angelo for treatment.

Surviving are four sons, Gordon Aikman of Ozona, Claud Aikman of San Angelo, Norman Aikman of Corpus Christi and A. H. Aikman of Taft, Texas; two daughters, Mrs. J. K. Tackitt of Wewoka, Okla., and Mrs. F. R. Barnett of McCamey.

Attendance Increase Sunday School Goal For Baptist Church

As its part in the Southland goal of "A Million More in '54," Sunday School workers in the First Baptist Church of Ozona are laying plans to attain at least a 20 percent increase in membership in the 1953-54 church year.

Plans are underway for an enlarged program of teacher training, less improvement and visitation in the coming months. The goal calls for searching out and enlisting at least 72 more persons in the church year.

THURSDAY, AUGUST 13, 1953

HELP WHEN NEEDED

At the request of the President, the Western railroads reduced their rates by 50 per cent on livestock feed moving from their territory to the Southwest drought area.

The cost to the railroads is upwards of \$800,000 a month—and this loss is being taken voluntarily at a time when railroad earnings in general are running at levels which many authorities regard as being much too low.

Some have questioned whether the owners of one business should be called upon to make so heavy a sacrifice on behalf of the owners of another. But, aside from that, this is a splendid example of one industry's willingness to help in an emergency, as a matter of enlightened self-interest, if nothing else.

Take as a matter of contrast, the attitude of the feed manufacturers and dealers. Their first effort was to "get in on it" by proposing a deal to mix some of their own ingredients and make a pro-

fit on these materials and the mixing. (No 50 percent reduction there.)

And then when the railroads refused to allow reduced rates so the feed dealers could make a profit out of the emergency, the head of the Texas feed manufacturers association issued unsupported rumors that some ranchmen are offering the feed for sale at a profit, or that they drive up in new Cadillacs to place their orders. Maybe there are some abuses, but it is difficult to imagine a ranchman who has stock in the drought area wanting to sell his emergency feed. Furthermore, we don't recall having heard the feed dealers screaming over other "abuses" with government funds in the past two decades—five percenters, mink coats and all.

52nd Annual Reunion Of Cunningham Family Is Held In Comanche

Approximately 175 descendants of the late Capt. and Mrs. James Cunningham of Comanche met Sunday for their 52nd annual reunion.

The first reunion, held in 1889, was attended by the Captain, his wife, and their nine sons and three daughters. In 1901 the sons and daughters brought their families to the old homestead on Big Mountain Creek and planned future gatherings to be held the middle of August each year. The date now established is the second Sunday in August.

Capt. James, an early-day settler of Comanche County, was born in 1817 in Warren County, Tenn. He was married to Miss Sussanah Tate Feb. 14, 1835. He was a Baptist deacon, captain of the Texas Rangers, Indian fighter, and a soldier in the Florida War.

His 12 sons and daughters are now deceased but there are 827 living descendants.

Among those attending were Mr. and Mrs. Dick Henson, Mr. and Mrs. Lee Roy Stery and Charlotte Jo, Arch Lewis and Mr. and

Mrs. Arch E. Lewis, all of San Angelo; M. and Mrs. Earl C. Cunningham, F. C. Cunningham, Mr. and Mrs. Bruce Mayfield and sons and Mr. and Mrs. Lonnie Smith and sons, all of Ozona.

Stricklins Hosts At Barbecued Chicken Supper For Class

The Young Adult Training Union class of the First Baptist Church met Monday evening at the home of Mr. and Mrs. J. C. Stricklin for a barbecued chicken supper in the garden. A lot of games were played and a lot of chicken was eaten and an enjoyable program was reported.

Present were Mr. and Mrs. Ivy Smith, Jr., Mr. and Mrs. Gerald Vest and family, Mr. and Mrs. G. G. Allen, Rev. and Mrs. Blake Woolbright and family, Mr. and Mrs. Frank Noe and family, Mr. and Mrs. Coy Whisenant and family, Mr. and Mrs. Ben Williams, Mr. and Mrs. A. E. Gilliam and daughter, Mr. and Mrs. Tommy Gould and family, Mr. and Mrs. Clarence Oster and daughter, Mr. and Mrs. Bill Holden and family, Dewey Foglar and Richard Bronson.

Every Texas County To Get Piece of Alamo

Austin, Texas — Every Texas county will have a bit of the Alamo as a result of plans being made at the University of Texas.

The Texas Memorial Museum, located on the University campus and the Texas Heritage Foundation will send each county a piece of stone from the famed San Antonio site where 155 outnumbered Texans, commanded by Colonel W. B. Travis, fought in 1836 until death rather than surrender to Mexican forces.

Facsimile copies of a Travis letter in which he wrote, "We shall never surrender or retreat," will be sent with the stone pieces. Museum History Curator A. Garland Adair said.

Texas Farm Income Drops 18 Percent First Half Of 1953

Austin, Texas — Texas farm and ranch income for the first half of 1953 was 18 per cent less than in the same period last year, the University of Texas Bureau of Business Research reports.

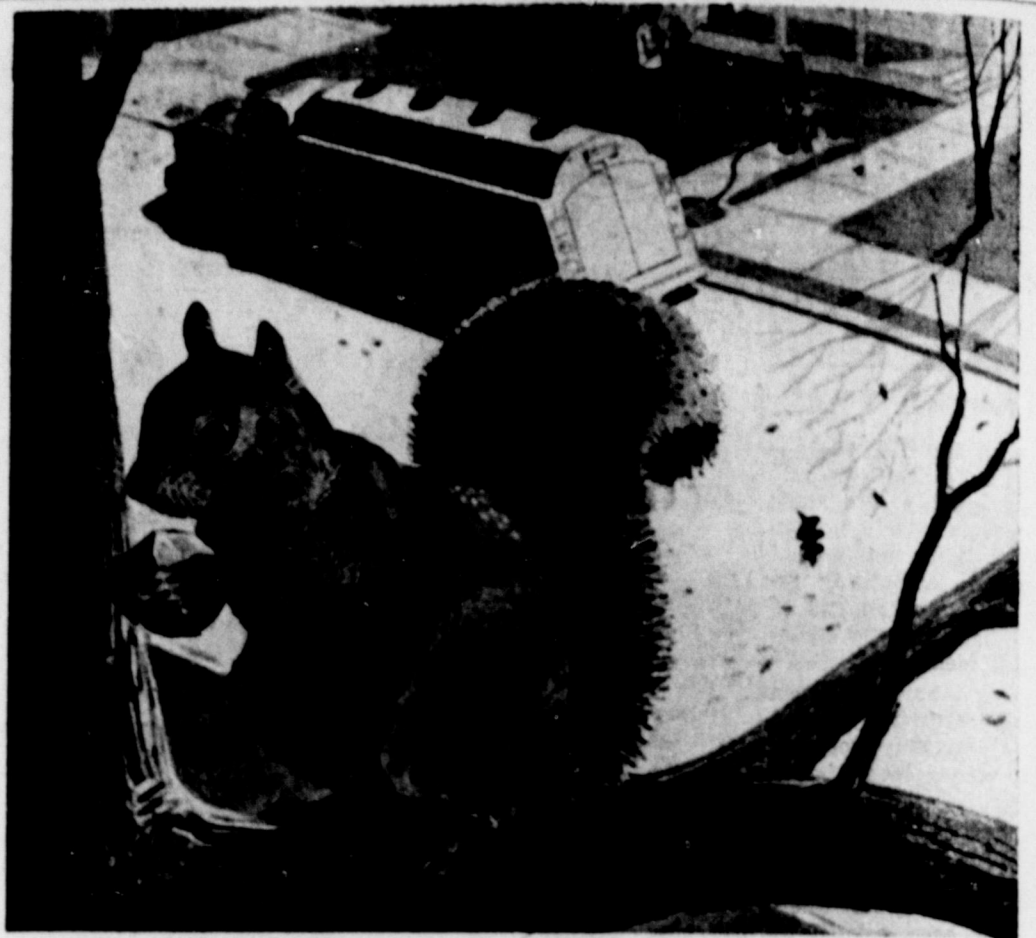

The total brought in by the state's 331,000 farms and ranches was \$648,000,000. That's \$122,400,000 less than last year. Big-

gest reductions came in incomes from cottonseed (down 80 per cent), grain sorghum (64 per cent) and wheat (46 per cent). In dollars, cotton income was down \$77,000,000, and cattle in-

come, \$82,000,000.

This demonstration showed me the way to a better deal!

I'd been planning to buy a higher-priced car until I found out all Chevrolet offered—and how much I could save!

You get more power on less gas

That's because Chevrolet's two great valve-in-head engines are high-compression engines. In Powerglide* models, you get the most powerful engine in Chevrolet's field—the new 115-h.p. "Blue-Flame." Gearshift models offer the advanced 108-h.p. "Thrift-King" engine.

And it's the lowest-priced line

A demonstration will show you that Chevrolet offers just about everything you could want. Yet it's the lowest-priced line in the low-price field.

*Combination of Powerglide automatic transmission and 115-h.p. "Blue-Flame" engine optional on "Two-Ten" and Bel Air models at extra cost.

You're "sitting pretty" behind the wheel

Take this Bel Air model. First thing you'll notice is the quality of the interior. Rich-looking appointments. Roomy seats with foam rubber cushions. Turn the key to start the engine and you're ready to go.

You can see all around

You look out and down through a wide, curved, one-

piece windshield. The panoramic rear window and big side windows provide a clear view in all directions.

Biggest brakes for smoother, easier stops

An easy nudge on the pedal brings smooth, positive response—right now! Chevrolet's improved brakes are the largest in the low-price field.

It's heavier for better roadability

You're in for a pleasant surprise at the smooth, steady, big-car ride of this new Chevrolet. One reason is that, model for model, Chevrolet will weigh up to 200 pounds more than the other low-priced cars.

You get greater getaway with the new Powerglide*

A lot finer performance on a lot less gas. That's what you get with the new Powerglide automatic transmission. There's no more advanced automatic transmission at any price.

Let us demonstrate all the advantages of buying a Chevrolet now!

MORE PEOPLE BUY CHEVROLETS THAN ANY OTHER CAR!

LET'S TALK LIVESTOCK
BY TED GOULDY

Fort Worth — While it appears that accusations of chiseling on the drought relief program, et cetera, will occupy the headlines for some time to come—the basic program will remain.

Government authorities are watching very closely the percentages of cows and heifers being marketed each day. Until such time as the slaughter of females reaches 50 percent of the kill—then the cattle population is still swelling.

Many observers feel that huge cattle numbers, rather than drought, are responsible for the current low prices and the disastrous declines of the past year or so. Many sections of the southwest not in the drought areas, are heavily overpopulated with cattle at this time.

Most observers in the Southwest hope that surplus cattle here can be moved before the heavy grass and rain runs from midwest and western ranges hit the markets later this summer and in the fall. Chaotic conditions could result if shipments are delayed in the Southwest and South.

Slaughter steers and yearlings brought firm to strong prices at Fort Worth Monday. Several loads of well finished cattle in the \$21-\$22.50 bracket. Common and medium kinds sold from \$10 to \$17. Cows were steady at \$9.50 to \$12.50, and canners and cutters \$5 to 50 cents higher at \$7 to \$9.50.

Hills ruled steady at \$8.00-13.50. Good and choice fat calves were bid at \$14.00-18.00, and killing calves generally ruled weak to 50 cents lower. Cull, common and medium butchers sold from \$10-\$14.

Good and choice stocker steers drew \$14.00-20.50, with heifer calves \$18.50 down, the top prices paid for a load of Montague county calves from S. D. Howard. Stocker steer yearlings drew \$12-\$10. Replacement cows cleared

at \$10.00-15.00. Slaughter lambs weak to 50 cents lower at Fort Worth Monday. Other sheep and stockers and feeders steady. Active demand for stockers and feeders.

Better kinds of fat lambs \$18-20.00, quotable \$1 or so above that on the strictly choice kinds. Feeders lambs \$13.00-15.00. Old that on the strictly choice kinds. Wethers \$7 to \$10. Slaughter yearlings \$10.00-15.00, feeder yearlings \$13.00 down. Two-year-olds \$10-12.00. Slaughter ewes \$5 to \$6.50. Solid mouthed ewes from \$7.00 to \$10.00.

Miss Rosalie Friend To Represent Ozona In Miss Wool Contest

San Angelo — Ozona will be represented in the 1953 "Miss Wool" contest by 21-year Rosalie Friend, who will compete with other Texas girls for the title and a host of prizes that go with it.

"Miss Wool" will win a 33-piece-all-wool wardrobe valued at \$5,000 a set of matched luggage, and a tour of the style centers of America. She will be crowned at Fashion Revue and Fiesta in San Angelo in September.

Miss Friend is a graduate of Ozona High School. She attended Hockaday Junior College in Dallas for two years and has attended Colorado University a half-year, majoring in primary education.

A blonde with gray eyes, Miss Friend is 5 feet, 7 inches tall with 34-23½-33½ measurements. She is a native Ozona.

Her "Miss Wool" application pictures, along with others from girls throughout the state, were sent this week to New York City's John Robert Powers who will select eleven finalists from the pictures.

Each finalist will then be the guest of the Texas Sheep and Goat Raisers' Association and its Women's Auxiliary for the state fashion revue here September 3, 4 and 5.

"Miss Wool" will be chosen from the finalists and crowned by the 1952 wool queen, Janet Lee of Austin. The coronation ceremony follows parades, receptions, parties, and all the other festive events connected with the annual wool fiesta.

Phone News to the Stockman

Fathers After Aug. 25 May Not Be Deferred

AUSTIN, Texas, August 10 — Any young married man registered with a draft board had better be on the alert about reporting children in his family or expected birth of a child.

On August 25th and thereafter, fathers are not deferrable because of their children. Draft boards have this new regulation following an executive order of President Eisenhower.

Those who now have children, and those who are expecting birth of a child, are deferrable; likewise, those who become fathers or expectant fathers before midnight, August 24th.

But these men who are fathers and expectant fathers before August 25th must act at once to advise their draft boards in writing.

If they fail to perform this important duty required by draft regulation, they will be liable for the draft simply because they

failed to advise their boards. In the case of expectant fathers, certificate from a licensed physician must be secured, stating that

the child has been conceived, probable date of delivery, and evidence upon which positive diagnosis of pregnancy is based.

WHY MUST I HAVE A PRESCRIPTION

That slip of paper is a message from your physician to your pharmacist. When you bring it here, it passes on to us the responsibility for preparing the medicine especially for you. Your physician has determined your needs, and we welcome the responsibility of interpreting and fulfilling them.

We maintain an extensive stock of hundreds of products to fill any prescription you may bring us. Combined with this extensive stock is an up-to-date scientific knowledge of all kinds of drugs and pharmaceuticals. We are trained to know how much of each type medicine should be given to people of different ages . . . which substances are harmful or ineffective when mixed with others . . . which products may not be sold legally without a prescription to protect you.

We relieve your physician of these tasks and allow him more time for personal attention to you — time he would not have if he had to prepare your medicine whenever you went to see him.

Shallow Gasser Logged In Crockett Wildcat

Brown & Thorp Drilling Co. and W. C. Warren of McCamey Brown & Thorp Drilling Co. and Warren-Shannon, Crockett County wildcat in 2-J. Wiley Heirs, 10 miles east of Iraan, has logged gas in an unidentified formation.

This project, when it reached total depth of 2,222 feet in lime, began flowing at an estimated rate of 10 million cubic feet of gas daily.

The project has been shut in until a pipeline outlet is available. El Paso Natural Gas Company's line extended to the Clara Couch field, 12 miles from the discovery.

Miss Mable Woodard, Charles S. Ratliff Wed In San Angelo

A morning ceremony Saturday united in marriage Miss Mable Woodard, daughter of Mr. and Mrs. William Newton Woodard, 630 E. 28th, San Angelo, and Charles Sanders Ratliff, son of the Rev. John L. Ratliff of San Angelo and late Mrs. Ratliff.

The Rev. Ratliff, retired Baptist minister, performed the single-ring ceremony in the Immanuel Baptist Church before a background of white gladioli. Organist was Miss Loy Dean Bateman.

The bride was given in marriage by her brother, Bill Woodard. Her full-skirted pink rosemont lace dress featured a rounded neckline with small shawl collar. The skirt was pleated in back. Her crushed pink velvet hat was trimmed with rhinestones and pearls. She wore an orchid corsage.

Miss Mable Lee Herrin of Lubbock, niece of the bride, was maid of honor. She wore a two piece blue taffeta dress and carried pink carnations.

Aaron Bledsoe of Ozona was best man. Ushers were Jesse Woodard, brother of the bride, and Robert Herrin of Lubbock, nephew of the bride.

The bride chose a pleated beige dress with brown accessories for traveling. After a ten-day trip to New Mexico and Colorado, the couple will reside in Ozona.

Mrs. Ratliff, a graduate of Angelo High School, attended San Angelo College where she was a member of Sigma Alpha Chi Sorority. Mr. Ratliff is a graduate of Eldorado High School and the University of Texas.

Out-of-town guests for the wedding included Mr. and Mrs. Carrol Ratliff and daughter, Mr. and Mrs. Jack Ratliff and sons, Eldorado; Mr. and Mrs. Tom Ratliff and sons, Sonora; Mr. and Mrs. Vernon Ratliff and daughters, Ozona; Mr. and Mrs. Glenn Ratliff and sons, Monahans; Mr. and Mrs. Albert Schwartz and daughters, Slaton and Miss Mildred Herrin and Gene Woodard, Lubbock.

LADIES GOLF CLUB

Last Thursday was regular play for the Ladies Golf Club. Match winners were Alice McMullan, Jonsey Williams, Wilma Friend, Gladys Pierce, Jean Scheuber, Jeanie Williams, and Marge Ramsey. Blind bogey winners were Wilma Friend, Jeanie Williams and Jean Scheuber. Hostess for the day was Marge McMullan.

The Club met this week on

Tuesday afternoon for refreshments and play, with Katy Jones as hostess for the day.

Match winners were Marge McMullan, Alice McMullan, Katy Jones and Gladys Pierce. Blind bogey winners were Marge McMullan and Gladys Pierce.

Next Tuesday, August 18, play will start at 4 p. m. Members will entertain their husbands that evening at 7:30 p. m. in the club house. All members are urged to attend.

Mr. and Mrs. J. M. Baggett are enjoying a vacation trip to New Mexico and Colorado.

Mr. and Mrs. C. O. Walker and children visited relatives in Oklahoma last week.

GOP Budget Savings To Net Taxpayers of Texas \$538 Millions

The West Texas Chamber of Commerce has estimated that Texas taxpayers will save \$538,020,000 in Federal taxes that they will not have to pay because of the \$12.6 billion in appropriations cut by the Administration and Congress from the Truman budget.

Calculating that Texas taxpayers bear 4.27 per cent of all Federal taxes, the Regional Chamber applied this percentage to the \$12.6 billion figure to derive its estimate.

The West Texas Chamber of Commerce said, "In cutting \$12.6 billion of appropriations from the Truman Budget for 1954, the Administration and the Congress paved the way to substantial tax savings in the next few years."

The Chamber added that the cut in appropriations "cannot be expected to produce a similar reduction in Federal expenditures in 1954 from the Truman estimate of \$76.6 billion." It explained.

OZONA LODGE NO. 747
A. F. & A. M.
Regular meeting on 1st Monday of each month.

"The main reason for this is the fact that a large part of the appropriations cut from the Truman Budget by the new Administration and the Congress, such as for aircraft and other hard goods, were scheduled for actual expenditure in 1955 and later rather than in 1954. Consequently the savings from those cuts will not appear until 1955 or later."

The WTOC estimated that Federal spending in 1954 would total \$72 billion which is \$4.5 billion below the Truman estimate.

Letters TO THE EDITOR

"Just Ozona people that moved away "is the way I. G. Rape, former Ozona druggist, puts it in a letter to the Stockman this week. Mr. and Mrs. Rape are now living in Fort Worth.

The nostalgic note is more a greeting to the Ozona friends of the Rapes than business and we reproduce the letter below:

"Please find enclosed check for the Stockman which we, Mrs. Rape and I, appreciate so much. Makes us very happy to see so many of the young people there taking so much interest in education, ranching and everything that tends to make them useful citizens. Of course, most of them were small children when we left, but we remember them and know them by their given names.

"Really enjoy Kenneth Phillips' and Rev. Hickman's columns. Also the oil and hospital news. But

it is with a sad tinge of regret we read of the passing of some of those good old people that pioneered that section of our state.

"We, all of us, are still just Ozona people that moved away, and there is not, and never will be another place like Ozona and Ozona people to us.

"Thanking you for having sent us the Stockman, which is our way of keeping up with old friends, we are

Very truly yours,
The Rapes

The Summer Stooze

By Kenneth Phillips

Another new woman has hit town— She was last seen selling cokes at the Dairy King! This gal is a niece to Mr. and Mrs. West. So . . . If you want a drink with a smile, run down to the nearest Dairy King and blow your dough. Ask Licky what he thinks about soft-drinks!

Last Tuesday night there was a little dance, and party down at my house, for Georgia. She is now an old maid of fifteen! We had a cute way rigged up to get her down here, Larry planted beer-cans (empty of course) in our car. So after the show the nightwatchman just happened to hear that we were loaded down with brew, so he stopped us.

After finding the "evidence" he told me that I could go tell the warden that I was gonna be the county's guest for the night— here is when George turned a cute white! I had no fear though, I knew she would stick with me through thick, or thicker— but any one can make a mistake.

After Billy Mills got back in his car she uttered the brave words, "Take me home, if you're dumb enough to be caught in a rap like this, I'll turn state evidence." I knew she would stick with me all the way.

Her presents were a over-sized Panda, a blouse from Cooper and La Von.

Couples at the dance were; La Von and Billo, Rubby and Sandra, "The worm" and Jan, Whitley and Vivian, Ronnie and Rosie, Charlie and Bagz, then I look George.

There was also cake so you could expect Schneemann, Cooper, Larry, and Hicky was home from his oil-well! My mother and Mr. and Mrs. Ball gave the party.

Helen and Bloody were seen haunting the old spots recently. Ah yea, ain't love grand?

Also on the night of the 11th was a slumber party up at Martha's house. I think about every girl in Ozonia was there.

I know that this may come as a shock to you but I am gonna let you alone. So till next week, go eat worms and die!

Oh yea, I want to thank Billy Mills, and Mr Earnest for helping me age George ten years!

OZONANS ENTERTAIN

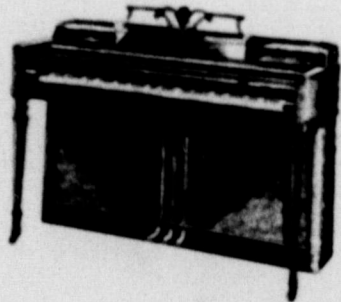

ROCKSPRINGS, Aug. 10 (SC)— After rehearsal for the Erekson-Dunbar wedding Saturday night at the Rocksprings First Methodist Church, Mr. and Mrs. Frank McMullan Jr. of Ozona were hosts at a lawn supper at the Frank Adams home. They were assisted by Mrs. McMullan's parents, Mr. and Mrs. Lowell F. Hankins.

The serving table was centered with pastel flowers. Quartet tables for the buffet supper were centered with hurricane lamps.

Out-of-town guests were Mr. and Mrs. Robert E. Erekson and Pat of Refugio, Mr. and Mrs. Nolan Clark of San Antonio, Misses Tibba McMullan and Dixie McMullan of Ozona.

Cherry To Drill Shallow Wildcat In Northern Crockett

A. W. Cherry of Lubbock has filed application to drill a 3,000-foot wildcat, his 1 M. A. Shannon, in northern Crockett County, 15 miles south of Big Lake.

Rotary drilling, on the 360-acre tract, was to have begun Aug. 12.

Location is 330 feet from the south and east lines of the north-west quarter of the southeast quarter of 28-BB-ELRR.

The prospector is 3½ miles south-southeast of the world field, which produces from the Grayburg at 2,621 feet and the Strawn at 8,088 feet.

It is 2½ miles north and slightly west of Continental 1-E Shannon, plugged and abandoned at 9,933 feet. Operator reported the top of the Grayburg at 2,210 feet and the Strawn at 8,041 feet on elevation of 2,633 feet.

It is also 1¼ miles southeast of Magnolia 1 Shannon, plugged and abandoned June 30, 1946, at 2,675 feet. The Yates was topped at 1,410 feet and the San Andres at 2,375 feet on elevation of 2,607 feet.

David L. Collins of San Angelo has filed application to amend location of his 1 Mrs. Alfred P. Luckett, a 1,800-foot cable tool wildcat 10 miles northeast of Ozona.

Operations on the prospector will begin immediately. Elevation is 2,537.5 feet.

Location, on a 80-acre tract, is 660 feet from the south and 330

feet from the east lines of 7-CD-BBB&C.

Royal Service Program At Baptist WMS Meet

Mrs. Blake Woolbright conducted the Royal Service program when the Baptist Woman's Missionary Society met Wednesday at the church. Assisting in the program presentation were Mrs. H. A. Gustavus, Mrs. Clarence Oster, Mrs. Tommy Gould, Mrs. J. C. Stricklin, Mrs. H. R. Mock and Mrs. Bill Holden.

The program topic was Missionaries to the Indians. Mrs. Ben Williams gave the Indian equivalent of the Lord's Prayer.

Mrs. Woolbright served refreshments to the following: Mrs. Mock, Gould, Stricklin, Oster, Gustavus, Holden, G. G. Allen, S. L. Butler, O. C. Webb, Ben Williams and Halbert.

The next meeting of the Society will be next Wednesday, August 20.

GLAMORENE, the Rug-Cleaning Miracle, on sale at Baptist

From where I sit ... by Joe Marsh

Harvesting a Better America

Rubbed my eyes yesterday when I saw Hap Jackson's truck in Biff Morgan's alfalfa field . . . helping Biff get in his cutting.

Since they've been carrying on a friendly argument for years (over how much fertilizer to use per acre of alfalfa), I had to ask Hap what was going on.

"Got my own crop in safely last week," he says. "And since Biff's boy is at the summer encampment of the National Guard, I figured the least I could do was to help him out. After all," Hap went on, "there's no argument

over how important the National Guard is to all of us."

From where I sit, a fellow like me, who's too old to get in the Guard, can still vote, do a turn at jury duty, and respect others' rights. Even a little thing like respecting a neighbor's right to have, say, beer or buttermilk at dinner is important if we want to keep America strong. We have to be on "guard" in more ways than one these days!

Joe Marsh

Copyright, 1953, United States Brewers Foundation

In every way, more car for your money!

Ford gives you V-8 power like that of costly cars . . . fine car build . . . fine car ride and "at-home-everywhere" good looks - but the price tag never moves out of the low-price field

Everywhere you go people are making the swing to Ford. And can you blame them? Many cars costing over \$1000 more offer no more of the things you need and want. Here are some of Ford's "Worth More" features . . . but to get the full Ford "Worth More" story, Test Drive a new Ford today!

Less front-end road shock. The kind of shock you feel most is reduced up to 80% with Ford's new ride. You get a smoother, more balanced, more comfortable ride all around!

Suspended pedals are designed to work easier and make foot space of your Ford's entire floor area. Suspended pedals are also a "keep out" sign to dirt and drabs . . . make it easier to keep the floor clean!

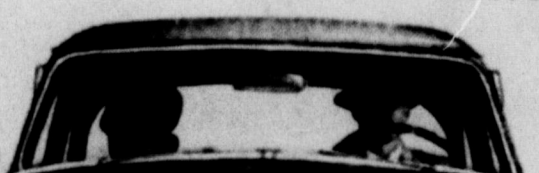

Smooth V-8 power is exclusive to Ford in its field. And Ford's Mileage Maker is the most modern Six you can own! Both the V-8 and Six-cylinder power plants deliver their hill-leveling "go" on regular gas—and not much of that, thanks to Ford's Automatic Power Pilot!

An extra suitcase will fit into Ford's luggage compartment—the roomiest in the low-price field. In fact, Ford's combined luggage and passenger space is the greatest in the low-price field . . . compares with that of many cars of higher price.

Center-Fill Fueling permits filling your Ford from either side . . . saves you time when refueling . . . and puts an end to hose scratches on your fender!

Curved one-piece windshield (below) and large picture windows, give Ford the most "look out" area in the low-price field . . . another reason your Ford is worth more when you buy it . . . worth more when you sell it!

See it . . . Value Check it . . . Test Drive it . . .
