Big Lake Owls Overcome Lions In Season Opener

More Experienced Owls Capitalize On Green Ozona Crew

By Ernie Boyd

The Ozona Lions opened their 1953 season at Lions Field Friday night by taking a 13 to 0 pasting at the hands of a bigger and more experienced Big Lake Owl team. Kenneth Keener, a 160 pound halfback, sparked the Owl attack which rolled through a leaky Lion line for 313 yards and two touchdowns. Keener accounted for both Owl scores with scampers of 36 and 27 yards to mark up one score and set up the other. In addition to the scoring gallops Keener stepped off a 65-yard gainer that was halted by the last Lion defender.

The Lions, sparked by quarterback Charles Garlitz, almost matched the Owl output of first downs but could get nothing like a drive started as mistake after mistake blunted the Lion scoring thrusts. The Lions rolled up 172 yards and despite the fact that the Owls got 313 yards, the first downs were only 11 to 9 in favor of Big Lake.

The game which was unreelied before a crowd of nearly 1000 was not long in seeing the season's first score. After two fumbles and three penalties the Owls took advantage of a Lion failure to make a first down on fourth try and moved to the Lion 36 where Keener bounced through a big hole, rolled off two tacklers and raced over the goal. Jack Holmes' conversion try was wide.

The Owls made another serious threat in the second quarter when Keener popped through a gaping hole in the Lion line and raced 65 yards before being hauled in by Tadpole Hale. The Owl threat was halted cold on the Lion eleven when Sam Martinez and Benny Friend collaborated on two tackles and Hale snared a desperation fourth down pass on the goal line.

The Lions came back in the second half and completed three passes as Charles Garlitz and Ronnie McMullan turned in some fine runs to chalk up three first downs but the drive fizzled and the balance of the quarter saw-sawed back and forth about even.

Midway in the last period Keener broke through a bevy of Ozona tacklers and rolled to the two before being hauled in. Two downs later quarterback Charles Martin cracked over from the half yard line and this time Holmes' kick was good.

The Lions weren't quite through and Don Taylor broke through to block an Owl punt and Jody Jones covered the ball on the Owl eleven. Garlitz picked up six on a sweep but the Lions busted two plays and had a pass fail to end the threat.

The green Lion line played spottily and the backfield played in the same manner. Garlitz picked up 85 yards rushing and threw 19 passes of which five were complete and two were intercepted. The Lion air defense remained untouched as they broke up every Owl effort and snagged two of the enemy heaves.

Both clubs jumped the gun, fumbled and looked confused from time to time in true early season form. The Owls drew 90 yards in penalties while the Lions were caught for 15 yards.

In addition to Keener the Owl backfield was sparked by Jack Holmes and Don Meroney while for the Lion offense Ronnie McMullan and Charles Garlitz showed best. In the defense department Jacobs, Dedecker and Warner showed well while for Ozona Garlitz, Martinez, Hale and Childress showed fine form at times.

Veterinarian To Make Monthly Visit Here To Serve Crockett Co.

Arrangements have been made by the county agent to have Dr. Chas. W. Koberg, Veterinarian, of San Angelo to come to Ozona one day each month to render veterinary service in Crockett County. Probable date will be the first or second Monday of each month. A definite date will be set soon and the public notified through the Ozona Stockman.

Anyone having livestock or pets needing veterinary service should contact County Agent Pete Jacoby as the veterinarian will work through the county agent's office on his one day visits to the county.

Civil Service Exam For Ozona Postmaster One of 1700 in U. S.

The first examination for Postmaster at Ozona, Texas, \$4870 a year, under new, more exacting eligibility requirements recently agreed upon by the U. S. Civil Service Commission and the Post Office Department will be open for receipt of application until Oct. 6, 1953, the Commission announced today.

All previously existing postmaster examinations for first, second, and third-class post offices and lists of eligibles were cancelled recently. Higher standards of eligibility were prescribed for the filling of the more than 1,700 vacant positions throughout the country.

The Commission is taking all possible steps through special publicity to civic and other community organizations to encourage well qualified persons to apply for the examination.

Competitors for the postmaster vacancy in this city must have at least two years of experience showing that they have the ability to conduct and manage the community's postal business efficiently and to supervise employees so that customers are satisfied with the service.

Competitors must show that they can deal with the public agreeably and effectively and that are reliable citizens who would command the respect and confidence of patrons of the post office.

Applicants must take a written test. Those who pass will be assigned final ratings on the basis of this test and on their experience ability, and character. There is a one-year residence requirement and applicants must be at least 25 years of age and must not have passed their sixty-third birthday.

Complete information about the examination requirements and instructions for filing applications may be obtained at the post office for which this examination is being announced. Application forms must be received in the U. S. Civil Service Commission, Washington 25, D. C. not later than the closing date.

Conoco Completes Elkhorn Extender; 786 Barrels Daily

The Elkhorn (Ellenburger) field of Crockett County has been extended 1/2-mile north and west with completion of Continental Oil Co. 3-27 University for a calculated daily flowing potential of 786 barrels of oil, no water.

The potential was based on an actual eight-hour flow of 262 barrels of oil through a 30-64-inch choke and perforations between 7,394-7,416 feet. The section was treated with 500 gallons of acid.

Mrs. Birdie Estes, Ozonan 41 Years, Buried Saturday

Long Time Resident Died Friday Morning At Home Here

Funeral services were held at 4 o'clock Saturday afternoon from the Church of Christ in Ozona for Mrs. Birdie Estes, 71, a resident of Ozona 41 years, who died at her home here at 8:30 o'clock Friday morning.

Services were conducted by Ed Steph, minister of the Church of Christ, assisted by J. E. L. Harrison, former minister here, now at Liberty Hill, Texas. Burial was in Cedar Hill Cemetery, with Cody Funeral Home of Ozona in charge of arrangements.

Pallbearers were Rob Miller, Roy Miller, Ed Cranfill, L. A. Greer, V. O. Earnest, J. A. Sparks, Hugh Gray and Carl Thurman, all of Ozona.

Mrs. Estes was born in December, 1881, the daughter of Mr. and Mrs. J. B. Murray. She was married to Floyd Estes in LaSalle county in 1904. The couple moved to Sonora where they lived until 1912 when they moved to Ozona. Mr. Estes died here in 1924.

Surviving are two daughters, Mrs. Johnny Hokit and Mrs. Ross Huffstetter, both of Ozona; three sisters, Mrs. Sally Laxson of Ozona, Mrs. Bill Purcell of Christoval and Miss Jenny Murray; one brother, Joe Murray of Ozona; five grandchildren and one great-grandchild.

Baptist Plan Study Course In Preparation For Membership Drive

In keeping with the emphasis which is being promoted throughout the Southern Baptist Convention, the First Baptist Church of Ozona will have a special effort of study and preparation next week, September 20-27, Rev. Blake Woolbright, pastor announced this week. The goal for the entire Southern Baptist Convention in enrollment gains is "One Million More in '54." Hence it is that each church will have to do its individual part in the reaching of its goals.

Based on a membership percentage the Baptist Church here in Ozona will seek to enroll seventy-five more people in 1954. The study course week, taught by the pastor, will be a booklet entitled "The Pull of the People," by Dr. J. N. Barnett, the secretary of promotion of the Southern Baptist Convention.

Each officer and teacher for the coming church year and every other church member is urged to present each evening at 7:30. Special arrangements will be made for the Friday evening teaching period because of the local ball game.

Local Artist's Work To Be Exhibited Under Sponsorship of E.S.A.

Epsilon Sigma Alpha Sorority will sponsor an art exhibition of paintings and drawings by Mrs. Nan Tandy West in the basement of the Junior High School Sunday, September 27, through Saturday, October 3.

Formal opening of the exhibition will be at 2 o'clock Sunday afternoon. The exhibition will be open to the public each week day through the week from 3 to 5 p. m. in the afternoon and from 7 to 9 in the evening.

One of the artist's works, entitled "Shearing Scene" won honorable mention in 1951 exhibition of the San Angelo Art Club. Another, "Loading Pens," was hung in the Sun Carnival of 1952 and the Clouderoft Art Exhibition, 1952. "Emergence of Two Forms," also to be seen in the local exhibition, won the \$25 Joske award in the San Antonio exhibition by the Texas Watercolor Society.

Mrs. James Chapman of Hobbs, N. M. is here for a visit with her parents, Mr. and Mrs. Jack Brewer.

Ozona Students Compete In Oil Essay Contest

\$35 In Local Prizes, Scholarship Awards For Region Winners

A \$1,000 essay contest for high school seniors on the subject, "What the Oil Industry Means to West Texas," was announced today by the Oil Industry Information Committee for this area.

Area OHC Chairman of Midland disclosed the fact that the contest, which is open to all West Texas schools, is already underway and that the winning essays will be announced during Oil Progress Week, October 11 to 17.

The Permian Basin Oil Show in Odessa, which last year supported a similar contest, is again contributing the prize awards for this year's areawide contest, Dickerson said.

Ozona High School is among the nearly two dozen schools expected to participate in the contest, according to Ray Piner, local OHC chairman.

Prize money will be distributed in three scholarship awards of \$500, \$300 and \$200, according to rules for the contest prepared by an OHC Essay Committee headed by J. M. Sappington of Big Lake, Reagan County OHC chairman. The prize money will be presented to the winners upon their enrollment in an accredited two or four-year college.

In addition to the area prizes, awards of \$25.00 Bond for 1st prize and \$10.00 cash for second prize will be made for outstanding essays submitted from Ozona High School, according to Mr. Piner.

Essays are to be from 350 to 750 words in length and no more names will appear on the students' papers in order to insure that all judging is done impartially. Dickerson pointed out.

The contest deadline is September 30, and each school participating in the program may submit up to ten papers to the local OHC committee for judging. The local OHC in turn will score the papers and submit the best essays to the area Essay Committee.

Schools of less than 500 enrollment will be allowed two essays in the finals; those with between 500 and 1,000 students, three essays; and those with enrollments over 1,000, four papers.

Final judging of the papers will be made by a committee which will include representatives of schools and the oil industry.

4-Game Schedule Matched For 'B' Team Football

Two Games Each With Big Lake, Lakeview On 'B' Slate

Four games have been matched for Ozona High School's B team, Coach Larry Wilkins announced this week.

Opponents will be Big Lake and Lakeview, on a home and home basis. The first game will be played on Lions Field here Saturday night of this week, Sept. 19, against the Big Lake B team.

The following Saturday night, Sept. 26, the Ozona team will go to Lakeview school in San Angelo. On October 15, the Lions B crew will play a return match with Big Lake in Big Lake and will entertain the Lakeview second team here the night of October 24.

Midland Man to Drill Wildcat on W. R. Baggett Ranch

Harry J. Russell of Midland has filed application to drill a shallow wildcat, his 1-A W. R. Baggett, seven miles north of Ozona in Crockett county.

The test will be drilled with cable tools to 2,000 feet. Operations on the test began September 14.

Location, on a 320-acre tract, is 330 feet from the south and west lines of 16-OP-GC&SF.

The prospector is 3 3/4 miles southeast of Russell 1 Martin, opener and lone producer in the Dry Creek 1150 field, finished July 2 for a daily pumping potential of 7.5 barrels of 31 gravity oil plus 65 per cent water. Production was from between 1,149-181 feet in the Grayburg.

It is also 2 1/4 miles west and slightly north of Humble 1 Harvick, plugged and abandoned Dec. 23, 1944, at 8,160 feet. The San Andres was topped at 1,030 feet on elevation of 2,505 feet.

Deep Rock Purchases Six Wells In Noelke Pool In Crockett Co.

Four oil producers and two gas wells on a 640-acre lease in the Noelke pool of Crockett County have been purchased by Deep Rock Oil Corporation from Sandor Petroleum Company, Abilene. Consideration was not disclosed.

Deep Rock plans to drill four more wells on the lease in section 29, HE&WT survey, two of them offsets to a Clear Fork producer.

Two of the oil wells produce from the 2,000-foot Queen's sand and the other pair from the Strawn reef lime at 4,400 feet. The gas wells produced from the 1,500-foot Soma sand. The sale was effective Sept. 1.

Highlights of 1952 Southwest Football To Show Here Sept. 24

Ozonans will have an opportunity to see the Humble Oil & Refining Co. "Highlights of 1952" football review of the Southwest Conference when the film is to shown here Thursday afternoon, Sept. 24, at the Ranch Theatre.

The film will provide the day's program for the Ozona Lions Club on that day. The film will be shown starting at 1 p. m. and members of the Lions Club will adjourn their luncheon for the day to witness the showing. The public is invited to witness the film.

Other programs booked by the Lions Club include one set for October 1 when Champ Rainwater of Big Spring, with the Empire Southern Gas Co., will bring a film on natural gas for showing. On Oct. 8, during Oil Progress Week, a special speaker and film on the oil industry will be presented at the club luncheon.

Mixed Feeds Again In Drought Program

Corn and cottonseed meal will be made available to feed mixers and distributors at prices that will enable them to sell mixed feed to eligible farmers and ranchers in designated drought disaster areas at reduced price, State Chairman Claude K. McCan said September 2.

This puts back in operation a program announced in July but rescinded in August when CCC was informed that the 50% freight reduction allowed farmers on CCC-owned corn, wheat, oats and cottonseed meal and pellets would not apply to any shipments of these commodities to feed mixers.

Under the renewed program the mixer pays the full freight tariff, with the freight costs in effect

shared by feed mixers and CCC by a reduction in CCC's price to mixers.

State Chairman McCan also clarified basic responsibility for direction of the drought program. "The responsibility for the direction of the program is in the hands of PMA Administrator Howard H. Gordon," said Chairman McCan. "The program is coordinated in the PMA commodity offices. In the field the program is carried on by PMA county committees under the supervision of the State committees."

'BUT DON'T I GET ENOUGH VITAMINS FROM MY FOOD?'

To this often asked question . . . the answer is "not always." Most persons are careless in selection of diet, but even a carefully planned diet does not always provide sufficient amounts of all the vitamins and minerals needed for optimal health and function.

Why You May Need a Nutritional Supplement:

BECAUSE widespread depletion of important nutritional elements in the soil results in crops poor in certain vitamins and minerals.

BECAUSE storing, transportation, processing of foods further reduce their vitamin and mineral content.

BECAUSE common methods of food preparation, cooking, home storage, etc., cause losses in vitamins and minerals.

BECAUSE numerous authoritative surveys show the average American diet does not provide recommended quantities of all important vitamins and minerals.

RANCH RECORDS

Are More Important Today Than Ever

Government regulations and heavy tax programs are destined to be a part of the American way of doing business for a long time. For that reason, it is more important today that every business keep accurate records of its operations.

The ranch business is no exception. With the stiff federal taxes, you will want to take advantage of every saving item in your expense account and at the same time have clear and convincing records available for inspection by tax agents to prove up any item on your income tax return.

Start now to keep a complete record covering all operations in your business with the Stockman's RANCH RECORD BOOK. Your cancelled checks or your present records can be transcribed to this handy record book, together with your income and inventory records and you can have your entire record in a simplified form contained in one volume.

Miss Eunice Barge of Chicago Becomes Bride Of Dr. Joe Max Word of Ozona In Rites Sept. 6

In a candle light ceremony at 8 o'clock Sunday evening, September 6th in the St. Paul's Lutheran church of Emerson Nebraska, Miss Eunice Barge of Chicago, daughter of Emil Barge of Emerson, became the bride of Dr. Joe Max Word of Kansas City, Mo. son of Mr. and Mrs. Taylor Word of Ozona.

The Rev. Daniel Schroeder, pastor, read the double ring vows before a background of fall garden flowers, palms, fern and tall candleabrae holding white tapers.

Miss Wilma Schorman played traditional wedding music and accompanied Mrs. Clifford Cadwaller of Homer, Neb. who sang "A Perfect Day" and "The Lord's Prayer."

Candles were lighted by Miss Nancy Simmons of Oakland, Neb. and Chuck Kempf of Emerson. Nancy wore a floor length gown of white taffeta and nylon net with a skirt of tiered ruffles.

The bride, given in marriage by her Uncle, Harry Denker, wore a gown designed by Cahill, of imported hand clipped Chantilly lace and candlelight nylon tulle. The tightly fitted bodice featured a portrait neckline finished with soft folds of tulle. The long fitted sleeves and bodice were of lace. Layers of satin and tulle formed the very bouffant skirt with a deep flounce of lace around the hemline which extended into a wide fan shaped chapel train. Her finger tip veil of two tiered french illusion was caught to a coronet of seed pearls. Her cascade arrangement was a white orchid encircled with white rose buds and stephanotis. She wore a pair of cultured pearl ear screws, a gift of the groom.

Mrs. LeRoy Fusher, sister of the bride, was Matron of Honor. Brides maids were Mrs. Delmar Schwanen of Emerson, and Mrs. Gerald Jansen of Kansas City. Jeane Gering of Wakefield cousin of the bride, was junior bridesmaid. The attendants were gowned in iridescent gold taffeta ballerina length dresses, fashioned with full skirts and fitted tucked bodices. Their landeaux were of small matching flowers and their cascade arrangements were of deep yellow mums, gold net and satin streamers.

Flower girls were Linda Bottger of Emerson and Jeane Colburn of Lincoln, niece of the bride. They scattered rose petals down the aisle and wore floor length gowns of candlelight satin and nylon

tulle, with matching head pieces. Ronnie Bottger was ring bearer and wore a white suit.

Tom Harris of Wichita Falls was best man. Ushers and groomsmen were Dr. Gerald Jansen of Kansas City and Jack Colburn, of Lincoln, Neb., brother-in-law of the bride. Junior groomsmen were Wesley Barge, brother of the bride. Mrs. Mary Denker, grandmother of the bride, wore a dress of ice blue with a corsage of yellow rosebuds. Mrs. Word, mother of the groom wore a dress of deep purple taffeta with an orchid corsage.

Following the wedding, a reception was held in the church parlor. The serving table was centered with a four tiered cake trimmed with rosebuds and wedding bells. Mrs. Harry Denker and Mrs. Herman Bottger served cake. Mrs. Elmer Denker and Mrs. Ervin Lubberstedt poured coffee. Guests were registered by Mrs. John Colburn of Lincoln, Neb. Mrs. Vernon Karlberg of Allen and Mrs. Roland Barge of Wakefield were in the gift room.

The couple left for a three-weeks trip to Canada. For traveling the bride wore a redingote of green faille tweed over a pale green taffeta dress with brown alligator accessories and a white orchid corsage.

Mrs. Word was graduated from Emerson High School and Cen-

tral Radio and Television School of Kansas City, Mo. She has since been employed with Delta C & S Airlines in Chicago, Ill.

Dr. Word attended Arlington State College, at Arlington, Texas, for one year and was graduated from Texas A & M where he received his Doctor's Degree in Veterinary Medicine. He is now with the Veterinary Corp of the Army, stationed at Kansas City, Mo. The couple will be at home at 7033 Riggs Road, Overland Park, Kan.

FRIDAY BRIDGE CLUB

Mrs. Early Baggett entertained the bridge club Friday afternoon in her home.

High score went to Mrs. Joe Pierce, low to Mrs. H. B. Tandy and bingos to Mrs. Hillery Phillips, Mrs. Hudson Mayes and Mrs. Will Baggett. Other guests present were Mrs. Tom Harris, Mrs. Lee Childress, Mrs. Alma O. Roach, Mrs. S. M. Harvick, Mrs. J. M. Baggett, Mrs. Stephen Perner, Mrs. George Harrell and Mrs. Bland of Abilene.

Second Lieutenant Joe A. Perry, son of Mrs. Gertrude Perry of Ozona, has recently complete an infantry refresher course at Fort Benning, Ga., and has been transferred to Fort Bragg, N. C., where he begins a new training course. Lt. Perry was graduated from A & M College in 1951 and spent nearly two years in special government service in Washington and Germany.

Come in and see... value check... and test drive a Ford today!

No doubt about it... Ford's the one fine car in the low-price field!

Feature after feature... part after part... Ford is as fine as the finest... yet it's priced with the lowest.

No car ever built has won such enthusiastic and growing preference as the '53 Ford... and no wonder. For no other car with such a wealth of fine-car features costs so little as Ford.

Yes, Ford, with all its fine-car quality, is offered at a price that's easy to pay.

You can have a Ford with a V-8 engine—the same type of engine that powers America's most expensive cars—for hundreds less than many Six-cylinder

cars. And a Ford powered with the high-compression Mileage Maker Six costs even less.

Then, too, Ford's body is built like the best, with steel body panels of the same quality and thickness as in the most expensive cars.

Ford also proves that a car doesn't need to carry gas-thirsty extra weight to "gentle" you over the bumpiest roads! For Ford's smooth, level ride blocks out the bumps... cuts front end road shock alone up to 80%!

Also, you can have your Ford V-8 with Master-Guide, the last word in power steering. Master-Guide cuts up to 75% of turning

effort yet it leaves you with the natural "feel" of steering on the straightaway.

There are many other fine-car features, too! Ford Full-Circle Visibility... foam-rubber cushioned seats front and rear on all models... finishes that are baked on over a complete rust-proofing treatment... to mention a few.

It takes all these features to make a fine car truly fine... worth more when you buy it... and in resale, too! A survey of used cars lots proves that people are willing to pay a larger percentage of the original cost for year-old Fords than for any other used cars. No doubt about it, Ford's your best buy!

Worth more when you buy it... worth more when you sell it!

If you're interested in used cars, be sure to see our selections!

erated Women's Clubs Sponsor mericanism Week Observance In Texas

Mrs. Van Hooks Stubbs, Worth, President of the Texas Federation of Women's Clubs, Mrs. Florence Johnson Scott, Rio Grande, Chairman of the Americanism Week witness Governor Allan Shivers' signature to the Proclamation of Americanism in Texas.

GREETINGS: Americanism has been the topic emphasized in recent years by the General Federation of Women's Clubs, the Governor's proclamation read. "The Texas Federation of Women's Clubs, as an integral part of the national organization, likewise has been stressing this patriotic theme. Americanism campaign sponsored by these women has three objectives:

"To acquaint our citizens with the challenge to our way of life which exists on the world scene today, both outside and within our nation.

"To remind Americans of the pioneer spirit and aims of our forefathers who established a new form of government in this country, dedicated to the principles of

freedom.

"To increase the participation of citizens in the activities of all levels of government and to spread factual information that will lead to more intelligent activity.

"NOW, THEREFORE, I, Allan Shivers, as Governor of Texas, do hereby designate the week of September 13-19, 1953 as AMERICANISM WEEK in TEXAS and call upon all citizens to join in the patriotic endeavors of the Texas Federation of Women's Clubs in order that more Texans may appreciate the need for alert attention to the responsibilities of life in a free country."

Mrs. Stubbs, Governor Shivers, Mrs. Scott and Mrs. Waters officially opened Americanism Week, Saturday, September 12th with a broadcast over the Texas Quality Network.

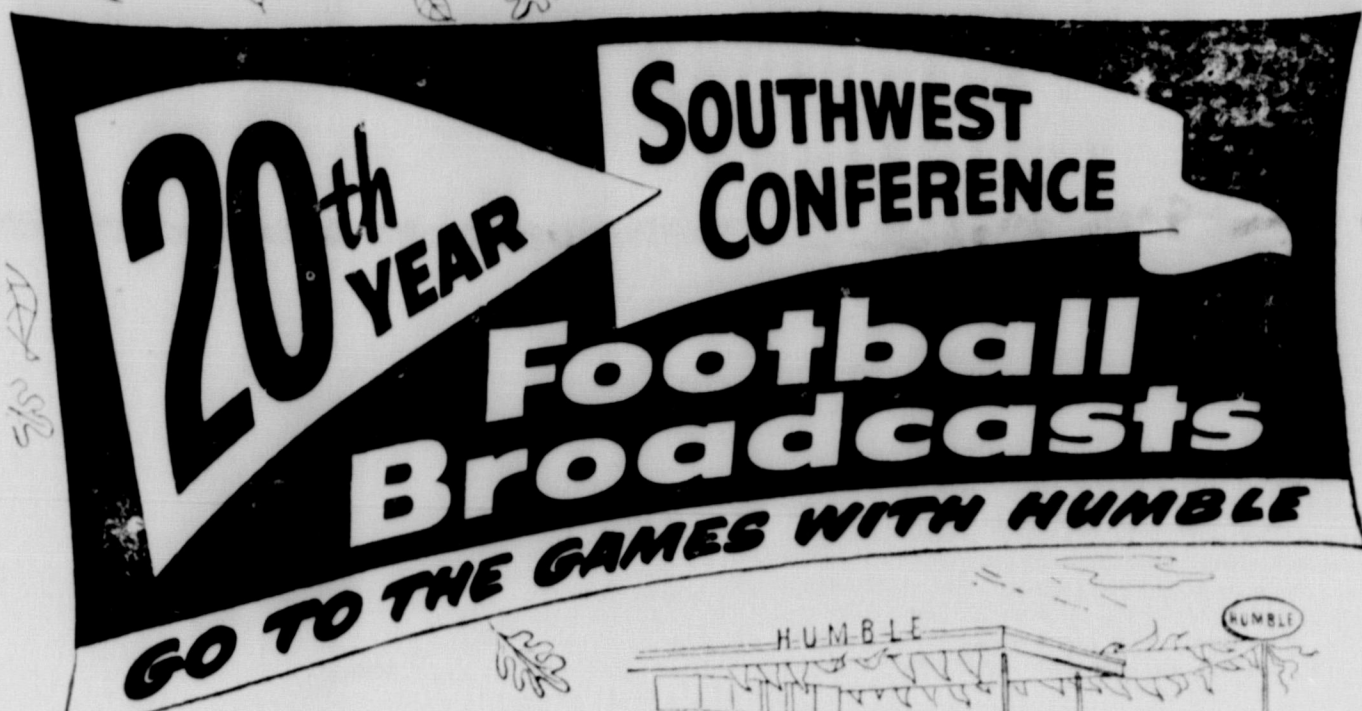

Mr. and Mrs. Clay Adams honored their daughter, Jane, with a barbecue supper in the garden at their home Tuesday evening. The occasion was Jane's 17th birthday. Members of the Senior Class of Ozona High School were guests.

Three Ozona students have returned to resume their studies at

Why just look and sigh—and pass up so much real automobile? Why—when this big and beautiful new Buick SPECIAL delivers for a figure you'd pay for a "six"?

Could be you're one of those folks who still don't believe that the price of a Buick really is just a few dollars more than that of the so-called "low-priced" cars. So we'll show you the price tag to prove it.

But beyond that—what you get in this great Buick, for so small a step-up in what you pay, is plenty.

More power. Fireball 8 power. The highest horsepower and compression ratio ever placed in a Buick SPECIAL.

More room. Real six-passenger room—even by man-size measurement.

More comfort. The solid comfort of Buick's Million Dollar Ride—with coil-spring cushioning on all four wheels, wide-tread stability, torque-tube steadiness.

More pleasure. The pleasure of high visibility, of luxurious fabrics and fittings, of superbly easy handling—and the deep satisfaction of bossing a big and able and stunningly styled automobile that does you proud wherever you go.

Why not drop in on us and see things for yourself?

That way you'll also learn about the long list of "extras" you get at no extra cost in this spirited new 1953 Buick SPECIAL—things that most other cars of similar price charge for as extras. Can you make it this week?

Big Lake Owls Win Season Grid Opener

By Larry Lewis

The Reagan County Owls of Big Lake defeated the Ozona Lions in a nonconference tussle last Friday night by a score of 18 to 0. The Owls boasted a 140 pound line average against the Lions 163. The main difference was a boy named K. Keener who got off some very good runs including 65 and 50 yard jaunts.

Charles Hale played a bang-up defensive ball game. Tadpole stopped Keener on the long run that he made. But that was only one of the good tackles that Tadpole did. Our Co-Captain Charles Garlitz played a good ball game defensively and offensively, bringing down quite a number of Big Lake players and getting off a few good runs. Our other Co-Captain

Ronnie McMullan was right along side Garlitz in carrying the ball and stopping the Owls on defense. These three boys were on the All-District ball clubs last year as you all know.

The Lions, with only six returning lettermen, spent most of the game in the Dutch Meyer Spread with a lot of the ball game being in the "T" formation. Big Lake used the "T" all through the game.

The Owls scored in the latter part of the first quarter and again in the fourth quarter with the kick for extra point being good with the last score.

This week the Lions' journey to McCamey to play the Badgers there. The Badgers, one of the 5A favorites, is slated to have a good team. But with hard blocking and good tackling the Lions should turn in a creditable performance.

The Lions appreciated the fans backing them all the way through

the game and we hope that the Ozonans will be behind us all through the season the way you were Friday.

Dates and Doin's

Martha Bailey had a dance Friday night after the game. Everyone was there and had a good time. Jan seemed to be walking on a cloud; she had a date with Sonny Henderson. Della and Kent, whom we haven't seen together in a long time, were there. Since Mike and his date never did show up at the dance, it was decided that he is either a very slow worker or maybe a very fast one. Ann E. was a little put out with Benny's lack of tact and Graham was finding it difficult to dance cheek to cheek with Billie Larvin; but Wanda and George had an especially good time and so did everyone else.

Shirley was in Slaton over the weekend. How was Gene, Shirley? Vivian and Jody were seen together over the weekend. Seeing the drive-in Sunday night were Betty and Tom, who is leaving soon. Robby and Benny, Wanda and Charlie and Ann R. and Scott. And Sunday night must have been an off one for Alena Faye — because she couldn't even find anyone who could understand her meaning of a kleenex.

Rosie and Ronnie, Carol and Charles took Jim back to A & M. Sunday—and seemed to enjoy the trips.

Around the halls we often hear remarks about how cute the freshmen girls are. Barbara Fields is quite excited about a new boy who is starting to school Wednesday. Brock Jones has a new gold tooth and it would be nice if the girls thought it was as cute as he does. Cecelia and Jerry are still seeing a lot of each other, and we wish Erbie C. and Joyce H. might see a lot of each other, since they make such a cute couple.

Pat Cooper seems to have a new admirer, but we can't decide which brother it is.

Patty Hardesty, a junior from Sonora, is said to have reported that boys are not for her. She had one and doesn't need any more.

We wonder if Wanda C. might have more reasons than one for taking speech. And why does Larry L. take band?? Perhaps he decided that since there are fewer boys in band maybe there would be more opportunities for him.

In Algebra II, fifth period, Kenneth P. is quite unhappy. Janice S. is out-talking two words to his one.

Everyone seems to be having trouble with Typing II, in fact Sandra Brewer even considered dropping it—and I bet Carolyn S. wishes she could drop Algebra.

The speech class had a few days of recording everyone's voice but none could believe that was the way they really sounded.

Everyone remember the ball game in McCamey tomorrow night and lets really show the boys some backing.

Fads and Fashions

By Jane Adams

Out of shorts and bathing suits and back to skirts, mostly cotton, a few that are wool because after all the calendar says it's fall even if it is steamy hot. Some are: That goodlooking wool plaid skirt of Susie's, very straight with a burst of pleats on the side. The aqua and brown tweed skirt Jeannene wore with a scooped out sweater to the after football game party. Carol Blackstone's red suede cloth skirt with bright appliques.

The beginnings of a goodlooking fad: Mobile earrings. Lucretia Montes has some—that revolve. Sandra's and Barbara's are a series of circles.

More newness: Vivian's short, starched skirts; Carolyn Stuart's square vamped Capezio's; Billie Larvin's yellow loafers; Rosie's short, bright hair cut; the new belts with no tooling except the name that so many of the boys are beginning to wear.

New fall materials: Corduroy that looks like tweed or a print; rayon and orlon woven to imitate wool; felt; a new kind of winter cotton. Mrs. Hull told the H. E. girls to make whatever they needed most in their wardrobe right now and mostly they are making skirts from these new materials.

What If?

We didn't beat McCamey?
The Seniors had money for their rings?

Ratliff went to A & M?
Janice got lockjaw? (Oh, joy!)

Vivian quit writing nasty things on her notebook?
They found somebody who could write this thing?

The Senior Class (Yea) has gotten some new members . . . two people, and Gibbs. Anyway, it looks like it's gonna be a good year. Except for one reason . . . Brock

FORT WORTH. — Cattle and calf prices broke sharply at all major market centers Monday as the season's largest offering, nearly 150,000 cattle, arrived. Grassers, fat cows and stockers suffered the biggest declines.

The downward swing of prices followed the sharp rise of the previous week when virtual starvation runs of livestock brought about by the Labor Day holiday had lifted prices sharply in all categories.

Suspension of the drought disaster feed program in many counties last week helped crystallize the thinking of many cattle owners that it was time to put some cattle in the bank.

Many well informed people in the livestock and packing business are anxiously watching the percentages of slaughter of cows and heifers and expressing concern.

They feel that no real inroads have been made into the big numbers of cattle and that on the basis of present slaughter figures, the cattle population is still rising.

State PMA Boss Claude McCan gave a fair indication of the change of climate in PMA and the Department of Agriculture generally with his statement last week on the drought disaster program. He said: "This is a disaster program, not one aimed at giving people some cheap food." McCan says what he thinks every time, as many of the members of the livestock industry know from past experience. Such frank expressions are entirely new to government programs.

At Fort Worth Monday, good and choice fed cattle were scarce, selling from \$18 to \$21.50, with plain and medium grassers largely from \$10 to \$15.50 and some dairy breeds down to \$8. Fat cows \$9 to \$11.50, and canners and cutters \$6 to \$9.50, some high yielding brahmas and Western cutters at the higher figure. Bulls drey \$8 to \$12.

Good and choice fat calves \$13 to \$17, few heavies \$17.50. Plain and medium butchers \$10 to \$13, culls \$7 to \$10. Stocker steer calves mostly \$10 to \$16.50, few \$17-25. Stocker steers and yearlings \$10 to \$15.50. Replacement cows \$8 to \$12.

Time changes everything. Long cussed and discussed as the scourge of the pork industry — lard is now a hero! Seems the hungry Germans under the Communist heel really love the lard the United States is giving them. USDA has asked bid: on around 15 million more pounds. Late purchase at near 16 cents per pound highest in some time for lard. They do say the East Germans dare death or torture to get a couple of pounds of pure lard.

Hogs climbed 75 cents at Fort Worth Monday. Topped at \$26. Sows again selling at season's high of \$23 to \$24. (Lots of lard in those packing sows.) Some sows up to 600 pounds sell to \$22-50 or better.

Sheep and lambs active and fully steady at Fort Worth Monday. Advances of last week were held in the strong trade. Fat lambs \$15 to \$18, lower grades \$8 to \$15. Stocker and feeder lambs cashed at \$10 to \$15. Slaughter yearlings sold from \$10 to \$13. Old wethers drew \$6 to \$7. Slaughter ewes sold from \$5 to \$6. Many sheep and cattle men are anxiously awaiting developments on wheat field pas-

tures. Looks like lots of wheat will get up but grazing will depend on whether more rains come or not. stock feed in the wheat belt if this month. There could be lots of moisture conditions improve.

Ozonia Music Club Begins 26th Year At Welcome Breakfast

The Ozonia Music Club, organized in 1917, opened the new club year with a Welcome Breakfast Saturday morning at the House of Flowers.

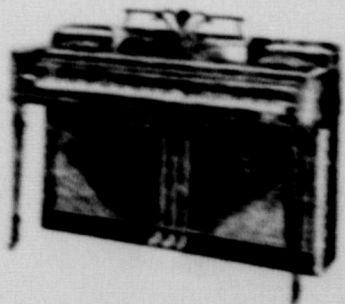

Mrs. George Russell, Jr., president, opened the program with a welcome to members and guests. A review of special days to be observed by the club during the year was given by Mrs. Ted White. The first of these special events will be The Fine Arts program to be observed October 22 when Miss Dorothy White, nationally known for her unique musical program, will present her program on "Family Fun With Music" in the high school auditorium.

Miss Cleona Quist outlined the course of study for the year, based on "Music and Literature" by Calvin S. Brown.

The next meeting of the club will be October 8 with Miss Wanda Watson and Miss Cleona Quist as hostesses. Scheduled to be on the program at that meeting are Mrs. Ken Coffey, Mrs. H. E. Tandy and Mrs. Ted White.

Guests present for the breakfast were Misses Geneva Knox and Lucille Farmer, Mrs. L. B. T. Sikes, Mrs. C. Y. Tabbe and Mrs. R. L. Sland of Abilene.

Lin Hicks, son of Mr. and Mrs. Lindsay Hicks of Ozonia, sailed last Saturday from the west coast with an Army unit destined for service in Japan and Korea.

Walt Disney Adds Magic To 'Peter Pan' In Lavish Production

Capturing the bright landscape of fantasy and the atmosphere of imperishable youth, Walt Disney's current production is an all-animation treatment of J. M. Barrie's "Peter Pan", showing at the Triangle Drive-In here Sunday, Monday and Tuesday, Sept. 20-21 and 22.

In color by Technicolor, the famed story of "the boy who would not grow up" enlists the talents of such popular players as Bobby Driscoll, Kathryn Beaumont, Hans Conried, Bill Thompson, Heather Angel, Paul Collins, Tommy Luske, Candy Candido and Tom Conway whose voices lend the Disney personalities vocal chords.

They cheerfully take 2nd place to such people as imaginative Wendy; Nana, the patient canine nursemaid; Mr. and Mrs. Darling; the terrible tempered Captain Hook; the ticking Crocodile with his constant longing for another bite of the not-so-excellent Cap'n; the bumbling Smee; the roistering pirate crew; small John with his terrible logic; and smaller Michael with his appalling determination. And running through the story like a bright golden thread are the antics of the incredibly lovely and highly tempered Tinker Bell, dainty messenger and boon companion to the irrepressible Peter Pan.

Playwright Barrie himself was always experimenting to expand the limits of the stage. When the play was launched in London's Duke of York theatre on December 27, 1904 it met instant success.

Now almost half a century later, Walt Disney, a man of a different generation, knowing as much as Barrie himself about the Never Land of pure fantasy, has garbed the playwright's delightful work with the modern magic of animation synchronized to music, with Technicolor, with all the flexibility of the camera happily married to the Disney brand of artistry.

The results are a sparkling interpretation of a beloved play, a vast production which offers top cartoon skills, a splendid cast of off-stage voices and a sum total of incomparable entertainment.
