Here and There

By J. Troy Hickman

ANCHORS OF THE SOUL

The storm had pounded the little ship for 14 days and nights. Everything possible had been done to save it. Cargo and tackle were thrown overboard. The sailors had given up hope.

Despair reached its depth late in the night. Without light, the danger was that they should run up on a rocky reef. Paul, a prisoner on the boat, offered a word of assurance, but the frightened sailors did not believe him.

Luke, writing the story, said, "fearing that we might run on the rocks, they let out four anchors from the stern, and prayed for the day to come." Acts 27: 1-29.

Later the ship did break up, but it was daytime and they were near land. All on board were saved. The zero hour had been passed that dark night when they feared the rocks, let out anchors, and prayed for light to dawn. That was all they could do. When you and I are in trouble, sometimes the best we can do is throw out soul anchors and pray for the day to come.

There are four great anchors of the soul. The first is hope in God. When trouble comes, we do all that is humanly possible for ourselves. When we have done our best and the storm still blows, we can give up and go down. Many a soul has broken up on the rocks of despair.

But we don't have to give up and go down. We can hope in God, as Eddie Rickenbacker and his men did on their raft at sea. Food and drinking water were gone. The spark of life was faint in them. "If we are saved now," said Captain Rickenbacker, "God will have to do it."

They were not praying men, but they prayed. Before long an exhausted seagull perched on the raft. They seized it, drank its blood and ate it raw. Other little miracles happened, and the men came out alive. Without this hope in God to cling to, Rickenbacker says they would not have survived.

The second anchor that holds the soul steady until daylight comes is discipline. Discipline is the control we have of ourselves from within. In time of trouble, we are all afraid. Desperation may cause us to do the wrong thing. The dark hour of trouble is no time to make a decision; it may be a foolish one. Disciplining is the power that bids us wait a while, hang on a little longer.

In times of danger crews at sea have been known to mutiny against the captain's orders. Panic follows, the ship and crew may be lost. Discipline is the force that makes us stay by the captain's orders.

If you and I are in the habit of obeying the Captain of our souls in good times, we shall have the self-control to obey him in the crisis. And in this obedience we may be saved from the rocks.

A third anchor of the soul is fellowship of other people who have come through trouble successfully. There is nothing like a good example to cheer one in straits.

Some early believer, writing to his persecuted brethren in the days when Rome was murdering Christians, sought to encourage them by recalling the Hebrew saints who had come through great dangers victoriously. He told of Abraham and Sarah, of Isaac and Jacob, of Joseph who triumphed over slavery and became the prime minister of Egypt, of Moses who opposed Pharaoh, and of the warriors, Gideon and Joshua. "And now," he said, "since we are surrounded by such a cloud of men and women who dared, suffered, and prevailed, let us lay aside every weight that hinders, and run with patience the race of life, looking to Jesus, the pioneer of our faith, who triumphed even over death on the cross."

In one's hour of need, instead of withdrawing from fellowship in to his own fears and doubts, he needs to draw nearer to the company of those who have come through the same trial.

(Continued on Last Page)

More Pitting Equipment For Soil District

Two More Tractors, 3 Plows Ordered for Rancher Use

So impressed were members of the board of supervisors of the Crockett County Soil Conservation District with results of range pitting after an inspection on the Dick Henderson ranch Friday, the board approved a petition of a group of ranchmen asking that more equipment be purchased to broaden the scope of the water saving practice on ranches in the county.

After receiving the ranchers' petition, Board Chairman Chas. E. Davidson, Jr., and members Bascomb Cox, Troy Williams and Bill Clegg, with soil conservationist, Bob Scott, went to the Henderson ranch north of Ozona to observe the result of pitting which Mr. Henderson has done since late summer and this fall. Some of the pitting was done before the August rains in this area and board members were able to observe the results of slowing down rain runoff and opening the top crust on the land to allow absorption of water. Pitted areas showed remarkable progress toward recovery from the blight of drought.

One tractor and pitting plow, with attached seeder, is already in operation in the conservation district, which embraces all of Crockett county. The board, upon petition of the required number of ranchmen, ordered two more tractors and three additional pitting plows, the extra plow to be made available to those ranchmen who have tractors or other means of towing the plow. The equipment is being loaned out at an hourly rate which is sufficient to maintain it and provide a replacement fund.

Members of the board of supervisors of the district include Chas. E. Davidson, Jr., chairman; Bascomb Cox, vice chairman; R. A. Harrell, secretary-treasurer; Troy Williams and Bill Clegg. Bascomb Cox was recently re-elected for another two-year term as representative of Sub-Division No. 5.

Ozona Band To Perform At SAC Football Game

Half-Time Skit to Be Presented at Saturday Night Game

San Angelo College has invited the Ozona School Band to appear at their home game with Compton College on Saturday night, October 17. The band will appear at half-time in a skit based on the song "Frankie and Johnny". The school drama department, directed by Haskell Leath, will work with the band in presenting this skit. In addition to their half-time performance the band will provide music both before and during the game.

Before the game each of the Ozona twirlers will present a solo routine in twirling in front of the grandstands. The head twirler is Shirley Kost, the other twirlers are Ann Ratliff, Billie Larvin, Carolyn Stuart, and Jan Jones. Last year the Ozona band won top honors in all three events at the state contest. They were awarded first place in concert playing, marching and sight reading.

The band plays at all football games, pep rallies, makes various out-of-town trips, gives several concerts each year, and participates in the state music contests. The marching contest will be held in San Angelo on December 5. The concert and sight reading contest will be held in San Angelo during the early part of April.

Corbett Smith, band director, reports that the band now has a record membership of eighty six members. The drum major is Jeannene Thompson and the flag bearer is Barbara Fields.

\$767 Net Receipts From PTA Carnival For School Projects

A net total of \$767 was added to the Ozona Parent-Teacher Association fund for school improvement projects as a result of the annual carnival held in the city park Monday night. The sum is somewhat under previous years but PTA officials were well pleased with the result.

More than 100 PTA members and school patrons operated the concession stands in the carnival area and an estimated 1200 persons crowded the area to patronize the various games and entertainment features.

Mrs. E. H. Chandler, general chairman of the carnival, and Mrs. A. O. Fields, PTA president, each expressed the organizations thanks to the many workers who made the carnival a success and to Ozona people who patronized the event so liberally.

The annual carnival is the only money-raising event sponsored by the PTA. The organization recently appropriated a sufficient fund to provide a public address system and new lighting for the high school auditorium.

Dr. Casey to Speak At Methodist Layman Day Service Sunday

Dr. Clifford B. Casey of Sul Ross College will speak at The Ozona Methodist Church Sunday, October 18, at 11 a. m., on "A Religious Code For Laymen," according to the pastor, J. Troy Hickman.

P. O. Hatley, Principal of the Ozona High School, will speak at 7:30 p. m. on "Christ Calls Men." Mr. Hickman pointed out that these services are planned in observance of Layman's Day, a nationwide Protestant event which emphasizes the place of Laymen in the church.

A number of local members will take parts in the services, said Mr. Hickman. Bill Cooper will preside at the morning service and Arthur Kyle has charge of the evening hour. Scripture readings and prayers will be given by Ted White, L. D. Kirby, L. B. T. Sikes, and Roy Killingsworth.

Corbett Smith will direct the singing at both meetings. Mrs. Alvin Harrell will serve as organist for the morning service and Mrs. Ken Cody for the evening service. The Men's Bible Class Meeting at 9:45 a. m. will be taught by L. B. T. Sikes. Gerald Stockard will lead the Bible Study for the Youth Meeting at 6 p. m.

Val Verde Road Engineer Named to Crockett County Post

J. E. Chance, for several years road overseer in the Pandale precinct of Val Verde county, has accepted the position as county road engineer for Crockett county, effective November 15.

Mr. Chance will succeed Damon Davis, who has resigned to operate the new Humble filling station now being erected by Judge Houston Smith on Highway 290 west of the draw for lease to the Humble company.

Mr. Chance has had many years of experience as a road engineer and comes highly recommended to the Commissioners Court here, Judge Houston Smith said.

Ozona Students Attend Sul Ross

Alpine, Texas—Santiago M. Rodriguez, son of Martin Rodriguez, Ozona, has completed registration for the fall semester at Sul Ross State College. Rodriguez, a history major, is a graduate of Ozona High School. He formerly attended South West Texas State College.

Raul R. Machado, son of Mr. and Mrs. Rodrigo Machado, Ozona, also has enrolled at Sul Ross State College. Machado is a music major.

Mrs. Bill Melton and son, Larry are here for a visit with Mrs. Melton's mother, Mrs. Coralie Meindecke.

50-Year Pins Awarded Five By Masonic Lodge

Rev. Fred Brucks Is Speaker at Program Tuesday Night

What is believed will stand as a record for a lodge the size of Ozona's was set Tuesday night when the Ozona Masonic lodge honored five of its members who have completed fifty years of Masonic membership in the local lodge.

These five men, all pioneer tanchmen of Crockett county, were presented handsome Masonic pins in recognition of a half century of service to the lodge by each and their long adherence to the tenets of the order drew eulogies from speakers on the occasion.

Honored at a covered dish supper in the lodge, with more than forty members and visiting Masons in attendance, were W. R. Baggett, J. M. Baggett and E. B. Baggett, Jr., all of Ozona, Frank Friend and W. E. Friend, Sr., both Ozona residents before their retirement, now living in San Angelo.

Rev. Fred Brucks of San Angelo, district superintendent of the Methodist Churches in the San Angelo district, was the evening's speaker. Rev. Brucks offered his "salute to these pioneers who laid the foundation for the rich heritage we enjoy today."

Another group of long-time members of the lodge were recognized on the occasion. They included Fleet Coates, Hugh Childress, Sr., N. W. Graham, Dr. J. A. Fussell, Rev. J. H. Meredith of San Antonio, and Houston Smith, Rev. Meredith, former Ozona pastor, a life member of the Ozona lodge, returned to attend the special service honoring the five old timers. Mr. Meredith has been a Mason 58 years, starting his Masonic work in Illinois.

Judge Houston S. Smith acted as master of ceremonies after the lodge Master, Nip Blackstone, had opened the meeting and welcomed visitors. An interesting bit of local Masonic history was added by Judge Smith in a closing talk when he read a brief history of the lodge written by the late S. E. Couch, Crockett county rancher and civic leader and one of the most earnest workers in the Masonic lodge. Mr. Couch recorded steps in the process of organizing the lodge which was chartered in 1893 and traced briefly its growth and development to the time of the writing. Mr. Smith preserves the historic document in his own files.

W. E. Friend, Jr., presented the 50-year pin to his father, W. E. Friend, Sr., and to his uncle, Frank Friend. Billy Baggett presented pins to his father, W. R. Baggett, and uncle, J. M. Baggett. E. B. Baggett, Jr., had received his pin at a presentation a few weeks ago.

Ozona Service Man Attends Ranger School

Fort Benning, Ga.—Adrian A. Haire, son of Mr. and Mrs. J. D. Haire of Ozona, Texas, has been placed on special duty with the Ranger School for thirty days.

Pfc. Haire, a rifleman, is assigned to Company B of the 508th Airborne Regimental Combat Team, one of only two airborne regimental combat teams in the Army.

He participated as a member of an airborne "Aggressor" force in tactical training operations against students of the Army's Ranger School in Florida during the month of October.

SWEET SALE NOV. 10

A sweet sale, with home made pies, cakes, cookies and candies for sale, will be held at the Ratliff Hardware and Furniture store all day Tuesday, November 10. The sale is sponsored by the Band Boosters Club and proceeds will go toward the band uniform fund. Persons who will prepare sweets for the sale are asked to call Mrs. Charlie Black or Mrs. Ralph Jones. Cakes will be priced from \$2 to \$4.

Lions to Crane in Last Practice Tilt Before District Play

Coaches Larry Wilkins and J. A. Pelto will take their Ozona High School Lions to Crane Friday night for the last practice game of the season before launching into district play the following week-end at Menard. The Crane Golden Cranes are said to be stout this year but the Ozona lads have been getting better as the season progresses and nobody here is conceding the Cranes a win yet.

Friday night, Oct. 23, in Menard the Lions will be playing for keeps. That's the opening game of a five-game district schedule. The next home game will be against Eldorado on October 30. From then the Lions go on the road against Junction and Eden in succession and play their final game of the season on their own ground against the Sonora Broncs on Nov. 20.

Music Club Presents Miss Dorothy White In Program Oct. 22

Ozona music lovers, old and young, will enjoy a program unique in the entertainment field next Thursday evening, October 22, when Miss Dorothy White, gifted and nationally known artist, appears here under auspices of the Ozona Music Club.

Miss White is the originator of the program "Fun With Music!" For several seasons she has been engaged for the entire series of programs for children, offered each year at the Brooklyn Institute of Arts and Sciences. In New York city she has appeared in concert at Carl Fischer Hall, as guest artist with the National String Festival, in New York Federation of Music Club conventions and in private schools.

Miss White has appeared as soloist with such well-known symphony orchestras as the Chicago, Rochester, Connecticut and San Antonio. Her "Fun With Music!" program is a participation program which includes the entire audience.

Midland Men Spot Crockett Wildcat

John L. and P. D. Moore of Midland have filed application to drill a shallow cable tool wildcat, their I-P Shannon, in Crockett County, 22 miles south of Big Lake in Reagan County.

Operations on the test will begin at once. The project will be drilled to 2,000 feet.

Location, on a 20-acre tract, is 990 feet from the north and 330 feet from the east lines of 11-9-DS&E.

The prospector is 1/2 mile west and slightly south of Wagner I-B J. M. Shannon, wildcat failure abandoned April 8 at 6,520 feet on derrick floor elevation of 2,531 feet. It is also 1 1/4 miles north of production in the Todd (multipay) field, but separated by dry holes.

Texas Hunters Bring Back Much Game From Hunt In Northwest

A party of six from South Texas came through Ozona Tuesday returning from a hunting trip to Newcastle and Jackson's Hole, Wyo.

They had killed 10 antelope, 8 elk, a cow moose and a mule deer. Their meat had been frozen and packed down in dry ice. They had two trailer loads of it.

They reported fair weather, no snow except on the peaks, and lots of game.

Among them was Martin Roe, an architect from Edinburg, Texas who is a brother of Mrs. J. Troy Hickman of Ozona.

SHEFFIELD MAN COMPLETES AIR TRAINING IN FLORIDA

Jacksonville, Fla. — While in training here as an aviation ground crewman, Marine Pfc. Mercedes M. Galindo, son of Mrs. Manuella M. Galindo, of Sheffield, Texas, recently completed Airman Preparatory School at the Naval Air Technical Training Center.

Game Violator Eludes Officers After Fast Chase

Odessa Abandons Car, and Relatives After 60-Mile Race

After outrunning Game Warden John Lockett and Deputy Sheriff Billy Mills in a wild chase which started at the Hudspeth ranch south of Ozona, an Odessa man, wanted on a game violation charge quit his car and took to the pasture about three or four miles south of Barnhart Sunday night and at last reports had successfully eluded officers throughout West Texas who have been alerted to be on the lookout for him.

Riding with the man in the car during a 90-mile-an-hour chase from the Hudspeth ranch to near Barnhart, and left sitting in the car on the highway, its motor still running, were the man's wife and his uncle and aunt. When pursuing officers caught up, they found the man had snatched the car keys and when the officers finally got the car's trunk opened, they found carcasses of a buck deer and a fawn.

O. C. Mixon of Odessa paid a fine of \$100 and costs in justice court here on a charge of illegally possessing a deer. Charges of hunting out of season, killing deer out of season, killing a fawn illegally, hunting at night with a spotlight, resisting an officer, speeding, reckless driving and possibly a number of other charges may be filed against the man who bailed out and took to the pasture after the wild chase along Highway 163.

Warden Lockett gave chase when he saw the car stop on the highway and put a spotlight in use. When he failed to overhaul the car, he radioed ahead to Deputy Mills to stop the car, a 1953 Chevrolet. Deputy Mills gave chase when the car sped through Ozona at an 85-mile-an-hour clip. The speeding car outdistanced the Ozona officer and he in turn radioed to Deputy Sheriff Floyd Burks at Barnhart. Burks set up a road block, but the car stopped short of the spot where the deputy was waiting, and the driver took to his heels.

Overseas Christmas Parcel Mailing Must Be Made Before Nov. 15

Postmaster Floyd Hokit reminded this week that the deadline for parcel post mailing of Christmas packages to overseas service personnel is November 15 if delivery by Christmas is to be assured. Deadline for air parcel post is Nov. 25. Limit for the latter type of package is 2 pounds in weight and not over 30 inches in combined length and girth.

Regular parcel post packages are not to exceed 50 pounds, the postmaster said, and addresses should be typed or printed in ink. It is preferable that addresses be written directly on the wrapping rather than gummed labels.

Sealed parcels of fourth class matter must bear the inscription, "Contents merchandise — May be opened for postal inspection."

Christmas cards at regular postage rates must be mailed by Nov. 15, air mail by Dec. 1.

Dr. Gustavus Speaks At S. Elementary PTA

Dr. H. A. Gustavus, Ozona dentist, presented a lecture on care of the teeth, with illustrating slides, at a meeting of the South Elementary P. T. A. last Thursday night.

The group, with about 40 present, voted to buy glasses for those children who need them and whose parents are unable to provide them. Telebinocular eye examinations are to be made in the school soon under sponsorship of the Ozona Woman's Forum.

Mrs. Lowell Littleton presided in the absence of the president, Mrs. Juan Delgado.

OZONA STOCKMAN

THURSDAY, OCT. 15, 1953

Progress Reported in Woman's Forum Plans

The Woman's Forum met Thursday, October 8, in the home of Mrs. Ele Hagelstein with Mrs. John Coates as co-hostess.

Rev. J. Troy Hickman, guest speaker, spoke on Faith in Our Homes.

Mrs. Beecher Montgomery, president, stated that a box of school supplies was sent to Boys' Ranch prior to the opening of school.

Mrs. John Coates, safety chairman, told of the bicycle safety campaign. The students will be asked to sign pledge cards to ride carefully and obey traffic regulations. A film on bicycle safety, to be shown in the schools, is expected this month.

Education chairman, Mrs. C. O. Walker, said members had been conducting the Telebinocular Eye Survey in the North Elementary School the last few weeks. This week tests will start in South Elementary, to be followed by a survey in Junior and Senior High.

Mrs. Joe Clayton, Americanism chairman, reported that the Forum and the Woman's Club are sponsoring an essay contest in Junior and Senior High Schools. The subject is "What America

Means to Me." Mrs. Clayton also said that a donation had been sent to the G. F. W. C. project for restoration of Independence Hall.

Public welfare chairman, Mrs. Charles Williams, Jr., reported a box of clothing had been sent, and a year's spending money to a local handicapped child. Mrs. Williams also said the drapes donated to the hospital by the Forum and other local clubs had been hung.

Members present at the meeting were: Mmes. Boyd Baker, Charlie Black, Jr., Nip Blackstone, II, Joe Clayton, James Childress, Bill Clegg, John Coates, H. A. Gutavus, Ele Hagelstein, Fred Hagelstein, Martin Harvick, B. B. Ingham, Jr., Pete Jacoby, Dempster Jones, Jess Marley, Austin Mills-paugh, Beecher Montgomery, Joe Sellers, Pierce, III, W. T. Stokes, C. O. Walker, Charles Williams, Jr., and Jack Williams.

LADIES GOLF ASSN.

Dorothy Montgomery's team evened the count Tuesday by winning over a team captained by Lillie Baggett. The Baggett team won last week. Next week will be the final and deciding match between the two teams.

On this week's winning team were Dorothy Montgomery, Jean Scheuber, Donna Beth Davidson, Katy Jones and Velma Marley. On the other team are Lillie Baggett, Gladys Pierce, Dorothy Pierce, Marge McMullan, Pauline Montgomery and Jonsey Williams.

Winners on blind bogey holes were Lillie Baggett, Dorothy Pierce, Jean Scheuber and Dorothy Montgomery.

Coffee and doughnuts will be served next Tuesday morning before golfers tee off at 8:30.

Miss Louise Wood And Donald Duggan Wed in Rising Star

Miss Louise Wood, daughter of Mr. and Mrs. James D. Wood of Sonora, became the bride of Donald Clayton Duggan, son of Mr. and Mrs. J. R. Duggan of Rising Star, in a ceremony at Rising Star on October 3. The ceremony was performed by the minister of the Rising Star Church of Christ at the parsonage.

Mrs. Duggan was graduated from Ozona High School and attended North Texas State College at Denton. Mr. Duggan was graduated from Rising Star High School and is employed in Ozona with the Aztec Drilling Co. The couple will live in Ozona.

Statement of the Ownership, Management, Circulation, etc., required by the Act of Congress of August 24, 1912, and March 3, 1933.

Of The Ozona Stockman, published weekly at Ozona, Texas, for October, 1953.

Patricia Ruth Cooke Weds Cpl. Badger in Goodfellow Chapel

Miss Patricia Ruth Cooke, daughter of Mrs. Nora Cooke of San Angelo and Arch Cooke of Ozona, became the bride of Cpl. Bernard M. Badger, son of Mrs. and Mrs. M. H. Badger of San Angelo Oct. 4 in the Goodfellow Air Force Base Chapel.

The Rev. Robert Howard of Austin, cousin of the bridegroom, read the wedding vows before an altar flanked with gladioli in fall shades.

Mr. Cooke gave his daughter in marriage. She wore a gray sharkskin suit and white tissue crepe shoes featuring a beaded necklace. Her hat of winter rose felt was trimmed with sequins and matching leaves. She wore an orchid corsage.

Mrs. Garland Allen of Ozona, sister of the bride, was matron of honor. She wore a gray suit with pink roses.

John W. Stiles of Fort Worth, cousin of the bridegroom, was best man.

A reception was held in the R. B. Wesley home, 208 Greer. The table was centered with yellow chrysanthemums and brass candelabras holding lighted tapers. The yellow wedding cake was topped with matching chrysanthemums. The table was laid with a cut-glass linen cloth.

Miss Chatelyn Chapman served and Miss Millie Hawkins presided at the punch service. Guests were registered by Misses Kay and Ann Sullivan of Gainesville.

The couple left for a wedding trip.

Mrs. Badger was graduated from Ozona High School and Shannon School of Nursing. She attended San Angelo College where she received her degree of social arts and was a member of Epsilon Sigma Alpha Sorority.

Mr. Badger was graduated from San Angelo High School and attended San Angelo College and Texas A&M College at College Station. He is stationed at Gary Air Force Base at San Marcos.

Out-of-town guests included Judge and Mrs. C. F. Sullivan and Bill Sullivan of Gainesville, Mr. and Mrs. John Stiles of Fort Worth, Mr. and Mrs. Malcolm Leble of Snyder, the Rev. and Mrs. Robert Howard of Austin, Mrs. Maelyn K. Jank of Rome, Italy, Mrs. W. T. Goodson, Mrs.

Effie Williams, Mr. and Mrs. Garland Allen of Ozona.

Judge and Mrs. Sullivan were hosts at a rehearsal dinner in the Marion Badger home, south of San Angelo.

The table was laid with a handmade cutwork cloth and was centered with a bouquet of fall flowers flanked with brass candelabras holding green tapers. The mantel held a cornucopia arrangement of fruit.

Among pre-nuptial parties honoring the bride was a tea given by Mrs. Edward E. Francis and Mrs. Jim Dawson at the Dawson home.

The table was laid with a quaker lace cloth and was centered with yellow and white chrysanthemums and a bridal couple.

Guests were Shannon Hospital nurses.

SUNSHINE CIRCLE

Mrs. Joe Pierce, Jr., was hostess to members of the Sunshine Circle of the Methodist WSCS meeting Wednesday morning. Mrs. Charles Williams, Jr., gave the devotional.

Mrs. Ele Hagelstein discussed the program topic, "Where There Is Life," and Mrs. Lindsey Hicks talked on "Foreign Mission Work." Mrs. Hugh Childress, Jr., developed the topic, "Christianity Among Youth" and Mrs. Joe Pierce, III, talked on "World Brotherhood." Mrs. T. A. Kincaid, Jr., study leader, brought the lesson on the current study, "That The World May Know."

Present were Meses. Hugh Childress, Jr., B. B. Ingham, Sr., L. D. Kirby, Charles Williams, Jr., Fred Schoubrouck, L. B. Cox, III, Ele Hagelstein, Joe Pierce, Jr., J. S. Pierce, III, Paul Perner and Mrs. Will Drake, a visitor from San Angelo.

If football's here-is winter far behind?

Football games... falling leaves... birds heading south—they're all sure signs that winter will soon be here. If you want to have a warm, comfortable winter—act now! We've been working all summer so that we'll be ready to bring you winter comfort—we compete for your business by offering you top-flight service—the kind of service America's progressive oil industry is famous for. Our automatic delivery system helps us do our job. Inquire about it if you are not getting automatic delivery now.

Here are 4 helpful hints on how you can save money, save fuel oil!

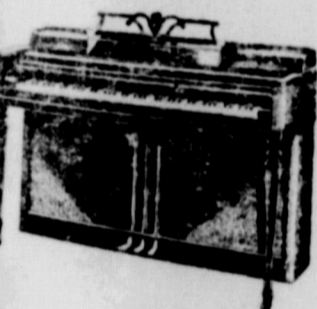

1. Have your heating system checked regularly to be sure you're getting the most efficient use of your fuel oil.
2. Install storm windows and insulation to keep heat in... cold out.
3. Keep doors and windows closed, close off rooms not in use and draw shades at night.
4. Keep room temperature at moderate level—turn thermostat down at night.

House Numbering, Pool Beautification Are Literary Club Plans

Street marking and house numbering and beautification of the swimming pools were projects pushed at the regular meeting of the Ozona Literary Club at the North Elementary school Tuesday.

Mrs. W. H. Stockard was named chairman and Mrs. Haskell Leath, Mrs. Ivy Smith, Jr., and Mrs. George Hester, members of a committee to investigate the project of beautification of the Ozona swimming pools.

Another committee, with Mrs. Clifford Tubbs as chairman, Mrs. Bill Holden, Mrs. Billy Mills and Mrs. C. A. Woody, members, was named to explore the club's project of marking streets and numbering houses in Ozona.

Mrs. Bill Adams was guest speaker. Mrs. Adams spoke on flower arrangements and demonstrated the points of her talk. Hostesses for the day were Mrs. Warren Talliaferro and Mrs. Douglas Green.

At a business meeting, various money-raising plans were discussed and the club voted to have a talent show at an early date.

The club will present a program for the school assembly hour on March 18 and a committee was named to plan the event. Mrs. Ken Cody is chairman. Other members are Miss Genna Knox, Miss Lucille Farmer and Mrs. Bill Claxton.

Mrs. Haskell LeLath won the attendance prize, an arrangement of pink carnations used by Mrs. Adams in her demonstration. Refreshments were served to thirteen members and Mrs. Adams, a

guest.

RUPTURE SHIELD EXPERT HERE

H. M. Sheevnan, widely known expert of Chicago, will personally be at the Cactus Hotel San Angelo Friday and Saturday only October 23 and 24.

Mr. Sheevnan says: The Zoetic Shield is a tremendous improvement over all former methods, effecting immediate results. It will not only hold the rupture perfectly no matter the size or location but it will increase the circulation, strengthen the weakened parts, and thereby close the opening in ten days on the average case, regardless of heavy lifting, straining or any position the body may assume. A nationally known scientific method. No under straps or cumbersome arrangements and absolutely no medicines or medical treatments.

Mr. Sheevnan will be glad to demonstrate without charge 6509 N. Artesian Ave., Chicago 45 Large incisional hernia or rupture following surgical operation especially solicited.

FORUM BRIDGE CLUB

Mr. and Mrs. Joe Clayton and Mr. and Mrs. Pleas Childress entertained the Woman's Forum night bridge club Friday evening with a Mexican supper at the Ozona Country Club.

Mr. and Mrs. C. O. Walker won high score award for the club and Mr. and Mrs. Charles Raliff high guest. Mr. and Mrs. Charlie Black won low score trophy and Mr. and Mrs. Beecher Montgomery and Mr. and Mrs. T. J. Bailey were bingo winners.

Others present were Mr. and Mrs. Fred ley, Mr. and Mrs. W. H. Whitaker, guests Mr. and Mrs. Gene Williams Mrs. Pete Jacoby, Mr. and Mrs. Hagelestein, Mr. and Mrs. Jessa Marland and Mr. and Mrs. Bill Clegg, and and Mr. and Mrs. McConnell.

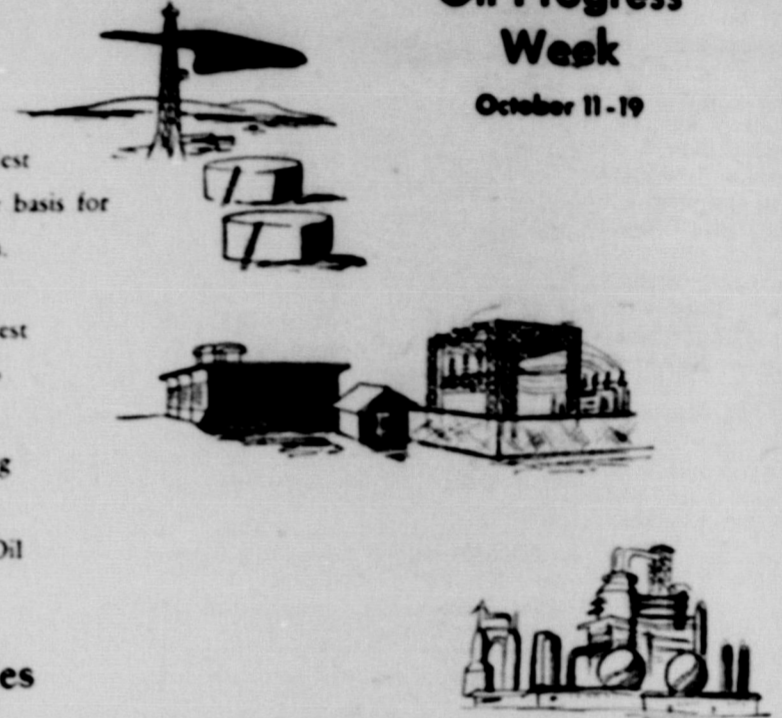

"From Production to Marketing — We're Proud to Serve the Great West Texas Oil Industry"

NATIONAL Oil Progress Week October 11-19

From production to marketing, dependable electric power is a working partner of the West Texas Oil Industry — an industry which is the basis for the continued growth and prosperity of the area.

A pioneer in serving the Oil Industry, the West Texas Utilities Company has recently put into service — as a part of a \$40,000,000 construction program — new electric generating facilities providing an additional 95,000 horsepower of electrical energy to serve the Oil Industry and West Texas.

THE LION'S ROAR

PUBLISHED BY STUDENTS OF THE JOURNALISM DEPARTMENT—OZONA HIGH SCHOOL

Learn From the Test Tube

Jerry Currier

Oh, oh, better not say Hack will flunk me in the test tube and I. We are to inform you loving fans, go mad, simply mad, every you read this column (?), science. If this is science, ain't an idiot. (Knew it all along)

Looks like when a weather forecasts hail, he's always right. (Be nice if they could do same with rain. What is rain?) I am going to ask a very silly question. Prepare yourself for a test. Get the smelling salts! Sit down! Are you ready? Sit. You must have. It seems I was going to ask.

That way, before you get up from your chair to brain me with the smelling salts bottle, remember you may have a wart on your foot. Down, boy! Down! I mean it. You must have. It seems Drs. E. C. Branson and R. L. Jr. of Fifth General Hospital, U. S. Army, have found a cure for warts on your feet. There's a cure, there's a cure, there's a cure. And if there's any, then somebody had better grow some, fast.

Do you have a king cobra crawling around the house that's a terrible need of a meal? If you just grab a white rat, rub with a rattlesnake, and the cobra will gladly eat this snakey rat. The rat!

Do you have a flower that's wilting down with a broken leaf, faded petal, concussion of the corns on the foot? If you go to the University of California established a "flower clinic" with "pick" plants. Cost: 1000 Radio controlled pillars. Use: To clip lawns, trees, etc. In this week's News Letter, it says that wonderful little monster, the pillar, ought to be used for things. Can't you just imagine a bunch of caterpillars cutting your lawn and clipping your hair? Just think, in time, they even put barbers out of business. Instead of barber shops you'd be "catershops." Oh, here come our "fans" with smelling salts bottles. So —

SPORTS

Since the Lions had an open date this week I will bring you some of the scores of games around this district. To start it off, Sonora romped over Lake View 49 to 13. In another 6A game, Menard slid by Fredericksburg 13 to 9. Junction, defending champion of district 6A, blanked Peacock Military 40 to 0. Eden slowed down a bit this week and lost to Mason 25 to 0. Eldorado also had an open date along with Ozona.

A general rundown on the teams favored to win (according to the honorable sports writers of the San Angelo Standard-Times, are: Sonora — Their main threat is George Wright who spearheads the Sonora backfield. Wright threw quite a few passes to Jim Skinner who seems to be his favorite receiver.

Junction — They boast quite a big line along with some fast backfield men. Stanley Brite and W. A. Wilson make up the scoring threat.

Menard — All that this corner knows about Menard is that they have got 5 all-district men on the line back from last year.

One thing that the Angelo sports writers forget is a little team named Ozona who, we think, is going to go a long way in district competition.

Friday night almost everyone in Ozona went out to town to see other teams play ball. For myself, I went to see the Odessa-Lubbock game. Lubbock, who had a 2-9 game winning streak, was thrown up against a stone wall. Odessa turned them every way but loose. Odessa, compared to the rest of the IAAAA teams, had a small line as well as a small backfield. But fight and desire carried them over the twice State champions of Lubbock. By the way, Lubbock scored in the last 1:52 of the last quarter, while Odessa scored in the first, second and two tallies in the fourth.

This week, the Lions journey to Crane, who is supposed to have a very good team. But with the backing the Ozona people give the Lions, we should beat Crane in good style.

GLAMORENE, the Rug-Cleaning Miracle, on sale at Ratliff

Dear Mae:

We are all O. K. here in OHS. Liz P. has changed the yells a little. This is one: "Yea Tadpole! Let's go Tadpole!" I think something ails "Deadwood." He keeps winking at five certain freshman girls. It seems that "Jack," Jesse, Judy and Roy Glenn have been passing some pretty "Cool" notes in 6th period study hall. Anyone would think that is impossible with Mr. Pelto around, but they do it somehow. Someone found a picture of Mr. Pelto in a Gen Sci. book. It was very becoming. Maybe someday we'll show it to you.

Jacquelyn is pretty mad because Jesse had been asking Mary Lou for dates. Let's hope she doesn't get too mad.

Beverly Killingsworth has inherited a new name from 5th period Algebra class... "Brains". Some people call her "Killer". Liz P. is giving Brock the "eye". They would make a cute couple but she has to make up her mind. Will it be Tadpole or Brock?

I think some of the girls are pretty glad Buddy is back in school. Especially Carol F. Jean P. sure did have a cute boy with her at the Jr. Hi ball game last Thursday night. I wonder who it was, Mae.

Say—I bet you didn't know we had a Perry Como running loose in our school, did you Mae? It's Roy Mann. He can really sing!

Alena and Mike must be "bitting it off" just fine. They have sure been seen together a lot lately.

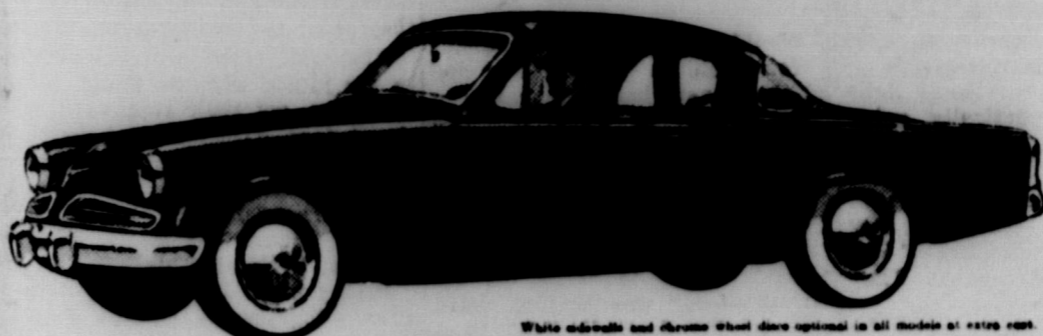

Last Friday night there were a few dates. Among the more fortunate ones were Vivian-Jody,

Martha - Brock, Peggy - George, Joyce-Erbie, Beverly-Wayne, Liz-R. J. and Alena -Mike. Cecilia and Jerry went to Sonora for the Lakeview-Sonora game.

Saturday afternoon I saw Kenneth P., Buddy, Rosie, Carol, and Billie L. riding around together. They sure looked like they were having a great time.

Tomorrow night, as you probably know Mae, our football boys go to Crane for a game. I want to wish them all the good luck in the (Continued On Page 6)

When you want to GO You want DYNAFLOW*

(We mean T.T. Dynaflo!)

WORLD'S ONLY VERTICAL VALVE V8

THE GREATEST **BUICK** IN 50 GREAT YEARS

No doubt about it—as thousands of prideful owners will tell you.

When you press the pedal of a 1953 Buick with Dynaflo, you *move*.

You move with instantly responsive getaway, with great quiet, with truly infinite smoothness. You move in this special and spirited and soul-satisfying manner because you're bossing *Twin-Turbine Dynaflo*—where two turbines, instead of one, now turn out the magic.

We can put pictures before you to show how *TT Dynaflo* delivers its sensational performance and flowing-oil smoothness. And we will, if you ask.

But surely you ought to take the wheel of a 1953 Buick with this big-thrill wonder drive and let your own sensations tell you how wonderful it is. You ought to try it for getaway, for cruising, for

suave deceleration—for the sheer and restful comfort it gives you every step of the way.

And, very definitely, you ought to try it for the power that goes with it...

For the highest horsepower and compression ratios, Series for Series, ever placed in a Buick—including the power of the world's newest V8 engine in every *SUPER* and *ROADMASTER*.

Why not come in and try out this terrific performance team of Buick power and *TT Dynaflo*?

We're ready, willing and eager to show you what you've been missing—and how easy it is, price-wise, to have it. Can you drop in on us for a no-obligation sampling—this week?

MILTON BERLE stars for BUICK —in the *BUICK-BERLE SHOW* on TV Tuesday evenings. Also, every Saturday, tune in The TV Football Game of the Week—a "GM" Key Event

*Standard on Roadmaster, optional at extra cost on other Series

Lions Roar

(Continued From Page 5)

world. I know the whole town is behind them.

Ann and Benny had a date Sunday night. It's sure nice to see them back together again.

Saturday night Sarah and Peggy went to the drive-in together. I wonder where all the boys were.

I guess Kent, Janice, Lynn and Susie really had a great time in Dallas. I'll bet everyone else who went did too.

Robbie went to Lubbock again this weekend. I'm sure she and Lavon had a good time.

There must be some cute girls at Marfa. At least Tom Robinson think so. In a letter he wrote to Peggy he said there was one he especially liked. Her name is Nelle and they are practically going steady.

Sunday night Vivian-Ronnie, Billie L. and Charles were seen at the drive-in together. Bet they had fun. I guess "Jack" and "Jerry" had fun Friday night. They won't tell tho.

"Blondie" and "Liz" seem to be bored in Gen. Sci. from the looks of all the notes they write. (Interesting, I bet.)

Boys! Boys! Boys! That's all we think of (naturally), but around here that's all there is to think of. I think Jean has another date with that "cute boy" James M. Thursday. (I hope she has fun). Oh, yes Mae, speaking of cute boys—Roy Mann is going to get his little ole head chopped off if he doesn't quit putting chalk on Jean's arm in Algebra class.

It seems that Pat C. has been making goo-goo eyes at "Scooter." I didn't think anyone could get as silly as "Jack" but I guess "Pony Express" is a good runner up. If you happen to be about a half mile from O.H.S., Mae, and hear some gasping for breath, it's either one of two things: Mike C. trying to do push-ups or the girls (Senior, Junior, Soph, and Freshmen) swooning over "Hot Lips" alias Buddy Gibbs. Some of these days Miss Vilha is gonna forget she's a lady and clobber somebody over the head with an English book.

I don't guess "Jack" had much fun Monday—Jesse wasn't there and she didn't have anyone to pass notes to.

Wonder why Jack, Judy and Yvonne don't like spice cake anymore. I guess maybe it is because of the one Judy won at the P. T. A. carnival, they ate all they could and let the boys have the crumbs.

Well, I have to go now Mrs. Hull is watching me.

Lots of Love,
"Lizzie"

Fads and Fooie

By Kenneth Phillips

It looks like the start of another dull week again. And speaking of dull reminds me of a lazy person... and speaking of a lazy person reminds me of Ronnie. Did you know that he is the only person in High School whose self-winding watch is always running down? Now don't get the idea that our little Captain is loafing around. He utilizes every minute of his spare time either begging Rosie for one more chance, or picking ear wax! Never let it be said that a Junior, any Junior was a dull! Besides the truth hurts...

You know, I am a lucky fellow. During the month of September I was fortunate enough to win some of those "Robert Cox Theatre Bonds". You know, the ones that in just Fifty years will be worth two \$0.44 tickets, plus a pair of 3-D glasses! Ah yes, I have advanced far in this old world.

Yesterday I saw a funny sight coming down the hall... It was Jane Adams. (No relationship to Martha) Anyway, let me describe it for you. I am stumbling along minding my own business, when this mummy with a crew cut comes up to me, and asks me for a pencil. Oh! goodness... was I shocked to learn how my dear cousin had been "put to the torch," by Ratliff.

Would you like to hear about a few fashions? Vivian has one of those new hair-cuts called a "duck's end" or something like that. She said that she got her idea from Gibbs! It seems that all the "odd-wads" in San Angelo have one.

Speaking of Gibbs, and that's a nasty thing to speak of, old "twinkle-toes" was playing coach over at the football field Monday, when that great lineman, McMullan mistook one of his crutches for Stiney on a downfield block and made us all some tooth pucks! You should have seen the hurt expression on his face... there he was. One minute a happy young man, doing nothing (favorite pastime) to anyone, when along comes a mean old boy, and ruins one of his artificial legs. What's this world coming to? This I can't answer cause its time for me to drift.

But before I go, there is one more word of warning... DRACK will fly at 11:00 o'clock Saturday night... beware. Sleep with a hammer, and a wooden spike. So till next week I guess that about winds up shop. Take care of yourself till then. BEAT CRANE!!

BAND NEWS

Last week at the Junior High game the band was there with bells on (but not uniforms.) We played until and during the half. We enjoyed it and from what I hear, so did the spectators.

The band is planning a trip to Angelo this Saturday to play at the Ram and Compton game.

The twirlers will do some solos and the band will march at the halftime. We will do a repeat performance on the "Frankie and Johnny" show.

Song Dedications

1. Bobo to Lightning — I'll Walk Alone.
2. Myrtle Mae to ??? — You, You, You.
3. George to Pergy — Oh!
4. Erbie to Alma — Butterfly Love.
5. Benny to Ann — Unforgettable.
6. Vivian to Ronnie — Looking at the Moon and Wishing on a Star.
7. Carl to Beverly K. — I'll See You in My Dreams.
8. Sandra to Charles — Just Out of Reach.
9. Carol to Buddy — My Foolish Heart.
10. Wanda to Benny — You Done Me Wrong.
11. Sonny to Rosie — Can't I?
12. Mike to Alena — North Wind.
13. Betty to Tom — There's a Rainbow in Every Teardrop.

Dates and Doin's

Everything was rather quiet over the week-end since there wasn't a ball game this week and it seems that nearly everyone left town.

Shirley and Wanda went to Lubbock Saturday. Wanda went with Shirley's cousin, Clark, Jr., and Shirley had a blind date. She hasn't said much about him, except that he is a band director. Also in Lubbock were Jane, Robbie and Ann, who reported they had a good time.

Janice, Susie, Lynn and Kent went to the State Fair and there seemed to be some trouble about where they were to stay — but they went say exactly what.

Thursday night everyone went to the junior high ballgame and, of course, got their suppers from the seniors. Afterwards at the M. & M. Cafe, Wanda and Tadpole, Billie Larvin and Don T. were seen. Also together that night were: Sandra - Charles, Jane-Graham, Vivian-Ronnie.

Friday night Billie L. and Don T. were together again, with Rosie

and Charlie—Tadpole was along again, but this time with Carolyn Stuart.

Jan J. and John T. were seen together Saturday night; they seem to be getting along just fine. If you don't believe it just ask Jan, Billie Larvin and Kenneth P., Georgiana B. and Benny Bradford were also dating Saturday night.

Sunday night brought Cecelia C. and Jerry B. together again. Others were: Betty W. and Benny B., Rosie W. and Sonny H., Carol F. and Buddy G., Joyce H. and Irbie C. took our suggestion and were seen at the drive-in. Charles and Ronnie were at the drive-in, too, but we couldn't see who their dates were. Charles has certainly been playing the field.

Jane insisted that we not mention her and Graham this week so... Jody is getting bolder all the time. He even made a gentlemanly offer to keep Rosie warm. Betty W. is going to see Tom soon and is counting the days. Vivian and Susie are very excited over one of Bill's letters. It must be starting again.

Don't forget to go to Crane and

help the boys win another game.

Fads and Fashions

By Jane Adams

Fads grow fast and then they are gone; fashions grow slowly, then stay important for a long time. Two years ago a few people had full skirts of tweed, or maybe, printed or woven to look like tweed. The difference was the bright colors. This year they will be one of our most important fashions. Carol has a pink tweed one that she wore with a bright pink belt and a sleeveless shift. Wanda wears a blue and orange one with an orange jersey. Jeanne's is aqua and brown and very full.

Every year (in spite of those horrible war-with-Russia predictions) our fabrics get more beautiful, even if the world is in a mess, our fashion industry keeps getting better. When suede cloth was first introduced a few years ago it did resemble suede but the pile was not too deep and the colors didn't have too much depth. Now, it is deep and velvety, the colors very

rich and bright. For the Tech-A&M football game last week-end Robbie Kuykendall wore a pleated suede cloth skirt and weskit that buckled at the back of the waist.

So, this winter we will be better dressed than ever. Some of the Just-in-our-school fads and fashions will be: Bright felt skirts, white skirts (Sandra is already making a white corduroy one, bulky sweaters that have a hand knit look (some of them may really be; we are having a unit in knitting in homemaking), big handsome belts (every year they get more important; now they are almost as essential as white wool socks), and for dances we bet that there will be less completely strapless dresses.

P. T. A. CARNIVAL
By Elizabeth Pearson

As everyone knows there was a P.T.A. Carnival Monday night, and it was really swell. Everyone who helped in fixing it should take a bow!

It seemed like the "Fortune Tel. (Continued On Page Eight)

Your progress and oil progress go hand in hand

● Have you ever thought how much Oil Progress means in your daily life? It means better gasolines and lubricants for your car, improved heating fuels for your home, more power for farm and ranch, quick, safe transportation on land, sea and air—and it means a constant flow of new oil products... all designed to bring you better living.

This has come about because the thousands of companies that make up America's oil industry are constantly competing for your business by trying to reach you first with the newest, most improved oil products and the finest services possible. Here's our promise that, as part of this progressive industry, we'll continue to serve you and the nation well.

NORTH ELEMENTARY DOINGS

Written By The Students of North Elementary School

TH ELEMENTARY DOINGS

With their series squared away we win and one loss to each of our opponents. Sutton's Bears and Elmore's Longhorns have been getting in their sessions of practice.

The Bear's line, anchored by Albers, Art Kyle and Mark Pett, has shown a vast improvement. Bill Tom Gustavus is as firm as a brick wall on the line. Their backfield of Deeny, Jimmy Sutton, L. D. Long, Sonny Ball is working well in the backfield. They are running a short punt formation and the spread on several plays.

The Longhorns, Bobby Bice showing much promise as a defensive end and an end on offense. Billy Semmler has been moved to a guard position and Arrick has been moved from center to fill in for the injured Richard Sikes. Jimmy Freeman, Loy Elmore, Bobby Childress, Carl Montgomery make up the backfield. Bobby Tabb is moved from a guard position to backfield when needed. The Longhorns are using the single and T formations.

BERGARTEN MRS. GOTTSCHEW AND MRS. McCONNELL

learned a new song called "The Elephant." We have finished making our elephant. He is big enough to sit on. Miss North has been taking his picture. Everyone says he looks just like a real elephant.

heard a story called "Peter and the Owl on Halloween." Mrs. Bill Baggett has been singing for Mrs. Gotcher.

WILLING WORKERS CIRCLE

Members of the Willing Workers Circle of the Methodist WSCS met Tuesday morning in the home of George Harrell. Mrs. Charles Harrell, Sr., gave the devotional. Lessons from the study "That The Lord May Know" were given by Monte Johnson and Mrs. E. White. The Circle will meet on October 28.

Present were Mrs. Stephen Perdue, Mrs. Nip Blackstone, Mrs. T. Stokes, Mrs. J. A. Fussell, M. B. Flippen, Mrs. Floyd Peterson, Mrs. Charles Williams, Mrs. Evert White, Mrs. S. M. Wick, Mrs. Monte Johnson and Griff Pittman.

SORORITY BUSINESS MEET

The Rho chapter of Epsilon Sigma Alpha sorority held a business meeting Tuesday night at the Country Club. A demonstration on the application of cosmetics was given by Mrs. J. T. Keeton. A committee was appointed to plan Girl Scout projects. Several social activities were planned for the first a progressive dinner to be held Oct. 27.

Present were Joyce Terry, Tom Clark, Gusie Schneider, Fae Pitt, Barbara Earnest, Nan Jeanette Trotter, Eye Lemmon, Greta Isbell, LaRue Schneer, Mary Deaton, Gloria Jenkinson, Carolyn Smith, Sue Hoover, Lou Lilly, Baby Harrison.

FIRE

doesn't care about today's high prices! Since 1940, building costs have more than doubled, and home furnishings costs have nearly doubled. Inventory your belongings. Ask for State Farm's Inventory Folder and list everything in your home, furnishings and wearing apparel at today's values — then compare with the amount of fire insurance you now have.

Would you sell your home or furnishings for the amount of fire insurance you have today?

Yours without obligation!

We told how boys and girls have fun on Halloween and then drew free-hand pictures about Halloween. These were used in decorating our room. If you want to get scared, just poke your head into our room.

Also, this week, we read from our first textbook. It is called TIP. It is about a dog.

SECOND GRADE MRS. ODOM

This six weeks has passed very fast. We elected new officers for our room. They are Paul Perner, President; Sherry Pittman-Vice President; Shelia Townsend-Reporter; and William Pearce and Bruce Thomas-student council.

In science we have studied about mammals and insects. We have two charts filled with pictures of them.

We are making our room look like witches and black cats live with us.

MRS. RAGLAND'S THIRD GRADE

Judy Williams is back from Raleigh Mississippi where she attended the funeral of her grandfather.

Robin Jones spent the week-end in San Angelo visiting her grandmother.

Ernie Hanson spent the week-end in Ft. Stockton. Patricia Rogers visited the Boys Ranch near Mason. Brent Moore spent the week-end visiting on his grandmothers ranch.

Four SW Conference Games This Week-End

Humble Oil and Refining Company football broadcast Saturday will feature four games played by Southwest Conference teams.

Kern Tips and Alec Chesser will describe the TCU-Texas A.M. game from TCU Stadium in Ft. Worth. Radio time will be 1:50 p. m. over WFF-WBAP-820, Dallas-Ft. Worth; KTSB, San Antonio; The Conference game between Arkansas and Texas will be announced direct from Fayetteville, Ark., by John Ferguson and Eddie Barker. The broadcast will begin at 1:50 p. m. over KRLD, Dallas; KTRH, Houston.

The Baylor-Vanderbilt game will be brought to radio listeners direct from Waco by Bob Walker and Jerry Doggett. Radio time will be 1:50 p. m. over KFJZ, Ft. Worth; WRR, Dallas; KTHT, Houston.

Action from the SMU-Rice game will be described from the Cotton Bowl by Ves Box and Eddie Hill. Radio time for the game is 8 p. m.

over KPRC, Houston; WFAA-WBAP-570, Dallas-Ft. Worth; WOAI San Antonio.

WANTED—A lease for Fishing men. Write O. H. Dick, Box 29, Eastland, Texas. 25-4c

bringing the world to your doorstep...

Wherever you see him working, America is on the march. Building, growing, progressing!

He's a General Telephone lineman... part of the privately owned and operated telephone industry that brings you the finest, most economical service on earth.

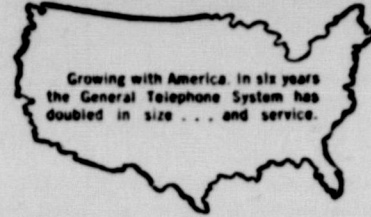

That's a point to remember when someone suggests public ownership "might do it better."

General Telephone Company of the Southwest

One of the Great Telephone Systems Serving America

Growing with America. In six years the General Telephone System has doubled in size... and service.

Most-liked low-priced car

... among people who want more for their money when they buy... and more money when they sell!

There's a big reason why more folks are buying more Fords than ever before. No other low-priced car offers so many of the things people want and need for today's driving. In fact, to get such "Worth More" Ford features as a V-8 engine, completely automatic transmission and fine-car power steering in any other car, you'd have to step well up from the low-price field.

Of course, Ford owners will discover that Ford's worth more when they sell it, too. Surveys of used car prices show year-old Fords returning a higher proportion of their original cost than any other car.

because it's most like high-priced cars

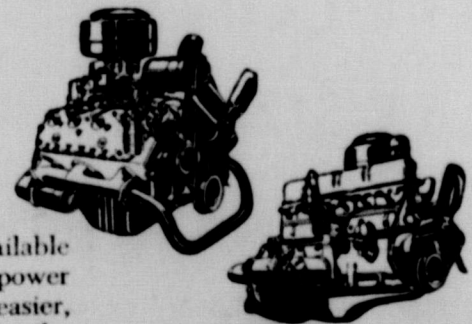

... more and more people are considering Ford as the one fine car in the low-price field!

It's hard to believe that a car which is built like the finest still sells in the low-price field. Yet a Ford with its hightight Crestmark body, its Full-Circle Visibility (most in its field), its new fine car ride and roomy luggage locker (roomiest in its field) delivers at a figure that keeps it right down in its price class.

Ford's the only low-priced car which offers you a choice of a completely automatic transmission (Fordomatic), Overdrive or Conven-

tional Drive. And Ford Master-Guide, available on all V-8 models, is the last word in power steering... makes turning up to 75% easier, yet retains the natural feel of the wheel on the straightaway.

See... Value Check... Test Drive the Ford of your choice at your Ford Dealer's. Find out why Ford is America's "Worth More" car.

Ford's V-8 is the same type of engine powering America's finest (and costliest) cars. And Ford's Mileage Maker Six is the most modern Six in the industry.

through the fire alive. Christian fellowship strengthens us. It is an anchor of the soul.

The fourth anchor of the soul was suggested by the words, "they prayed for the day to come." Sometimes prayer is all that's left. Every avenue of deliverance has been tried and found closed. The storm increases, night comes on. As Erastus Johnson put it long ago.

"O sometimes the shadows are deep,

And rough seems the path to the goal,

And sorrows, sometimes how they sweep

Like tempests down over the soul!

O then to the Rock let me fly.

To the rock that is higher than I!"

A friend of my childhood days had a framed picture hanging in his home. It was years ago that I saw it, but I remember it well. In the picture, a dark sea raged. Waves tossed. In the midst of the water was a rock. Set in the rock was a cross. A lone woman, seeking to escape the clutching fingers of the sea, held frantically to the base of the cross. The scene was suggested to the artist by these words:

"Jesus, Lover of my soul,

Let me to thy bosom fly,

While the nearer waters roll,

While the tempest still is high:

Hide me, O my Savior, hide

Till the storm of life is past;

Safe into the haven guide;

O receive my soul at last!"

Sooner or later, each one of us feels the storm and fears the rocks.

Against that day the soul needs anchors of hope, discipline, fellowship, and prayer.

Mr. and Mrs. Hubert Baker left last week on a vacation trip and visit with relatives in Dallas, Jackson, Tenn., Washington, D. C., and Poughkeepsie, N. Y. They will return the latter part of this month.

Mr. Baker will become manager of the local Joseph's Department Store beginning Nov. 1 and Mrs. Baker will be employed at Smith Drug.

My home in Ozona for sale. See Jack Williams at the Flying W Lodge.

Lion Roar

(Continued from Page Six)

ler" and the "Bingo" was where everyone was.

It seems funny the boys would not have their fortunes told. They decided no one but Marilyn Monroe could get them in a spooky place like that. But the "Gypsy" who told the fortunes knew more than the people who were having their fortunes told. (Maybe that's why the boys wouldn't go in there.)

The "Shooting Gallery" was a crowded place too. Everyone was trying to show everyone else how good they could shoot.

The "Bingo" was really crowded! Even our friend Mr. Pelto was there! The prizes were practical and pretty. It seemed that when a little girl won a "red teddy bear" just about everyone left.

The "Cake Walk" had some delicious looking cakes.

Mr. Hatley was seen at the "Cat Stand". There were three little cats and you had to knock them down or you wouldn't get a prize. There were really some sights there!

That delicious smell everyone was the "Food"! After shooting and going through the experienced of having your fortune told it was really nice to have some delicious food.

Well, as I said before everyone that helped on the Carnival should take a bow! Because we really enjoyed it!

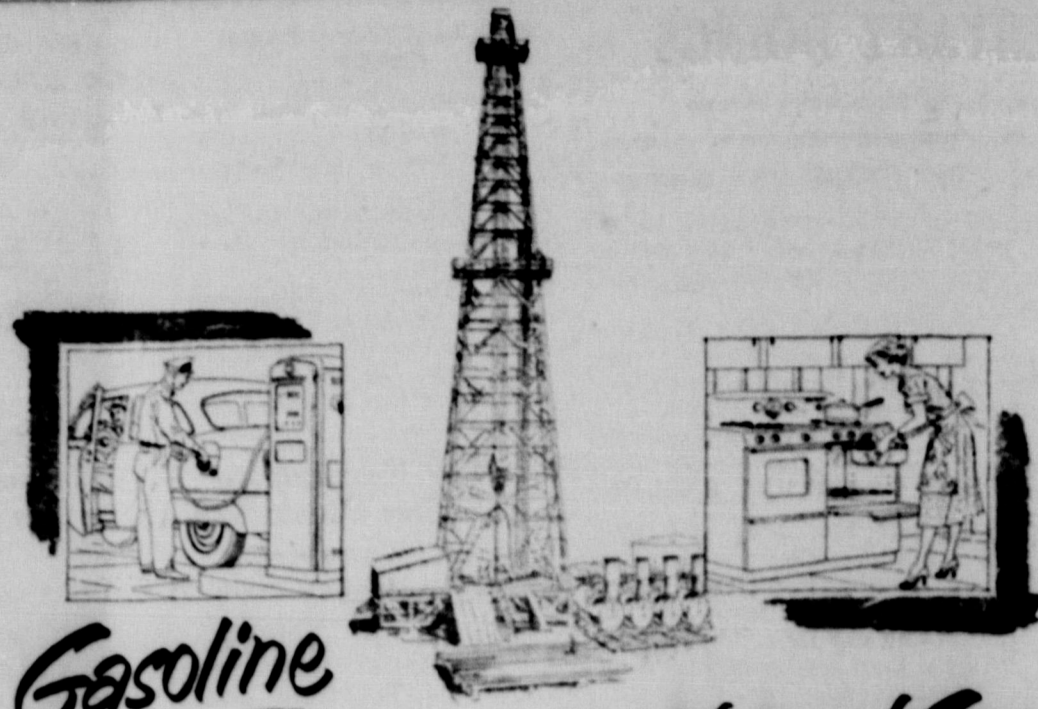

FRESHMAN CLASS NEWS

The Freshman Class met Tuesday. Peggy Trotter, one of our Student Council representatives, told us what the Student Council did.

Our Vice President, Cecilia Cook called for volunteers to plan our program. Mary Lou Johnigan and Peggy Trotter will plan our program for October 20, George Bunker and Jesse Marley for October 27. Reporter Lou Nelle Beall

FOR SALE — 1940 model Ford. New paint, motor first class condition. Good rubber, new battery. See Chas. Goodman, Phone 361-W 28-2p

Gasoline
for Sunday driving... or **Natural Gas**
to cook next Sunday's roast?

Most people think only of gasolines, lubricants, and fuel oils when the petroleum industry is mentioned. The fact is, practically all oil producers are also natural gas producers. So today the driller of a wildcat, or exploratory well, calls his venture successful if the well discovers either oil or gas.

If it is an oil well, then he has helped to supply the country's increasing needs for oil and oil products; if it is a gas well, he has discovered additional supplies of an efficient, economical fuel for household and industrial use.

The petroleum industry's development and conservation of the country's natural gas resources is a practical demonstration of the progress to which Oil Progress Week invites attention.

Beginning with the location of the well, advanced geological and geophysical studies of underground formations aid in the selection of likely oil or gas producing

areas, but still the odds against a wildcat well producing either gas or oil are eight to one.

If a natural gas field is discovered, reservoir engineers immediately begin their studies to determine the best producing methods to conserve the underground energy and to obtain the maximum production for the longest possible time.

If the gas that is discovered is "wet," it is processed in gasoline plants which remove the liquid parts and send them to refineries for further processing into motor fuels and aviation gasolines, or to petrochemical plants to be converted into a long list of useful chemical products, among which are the plastics and synthetic fabrics with which you are so familiar. "Dry" gas, the residue from gasoline plants, and sometimes produced direct from the gas field, is the natural gas that burns in literally millions of homes throughout America and under the boilers of thousands of American industries.

So, whether a wildcat well discovers oil for gasoline or natural gas for the kitchen stove, it adds to the available energy resources of the most highly mechanized nation on earth; it supplies products essential for today's and tomorrow's high living standards; it gives additional strength to measures for National defense.
