THE WELFARE COUNCIL

The people of the United States as a group are generous. Hundreds of thousands of dollars are poured each year into the various organizations that make a business of relieving human need.

It is a pity that a few people are willing to exploit this generous impulse for their own private gain. It is also something of a pity that so many of us do not bother to study the situation and put our money into the more deserving agencies, but simply pitch a quarter or a dollar into whatever hat is thrust at us.

A few so-called charity groups are plain money-making schemes. Others are wasteful. Many seek to duplicate work which is being done better by others. A few of the best known national groups have set up too many high-salaried executives.

One thing seems clear. Human needs can be met most economically and effectively on a local level. Relief ought to be administered by people who know the recipients well.

Even Crockett County, where the level of prosperity is fairly high, now and then has people who need help. Some of them live here. Others come in from somewhere else.

Usually—but not always—people who get in a place where they need help are in some measure to blame. They have not done their best for themselves. They have not planned wisely. They have not managed their resources well.

That does not necessarily mean they deserve no consideration. None of us is perfect. We all make mistakes and fall short somewhere.

Sometimes helpless people are involved. Not long ago a man came by the Methodist Church asking for a little money for gasoline and food. It was a cold day. He was headed somewhere—he said to take a new job. He was stranded here, so he said, I had no doubt that he was the type who would often or always be asking help. But in the car was a wife and several small children. The kids were cold and hungry.

In a case like that, what can you do but try to help?

Pastors of churches and county officials get a good many calls like that. Some of them just can't be turned away with a good conscience.

No one individual or official should try to represent the entire community in this matter. The burden is unfair, if a few carry it alone. It is a load that belongs rightly to all men and women of good will in the town.

A group of local people met at the courthouse the other day to find a way to solve this problem as a community. We organized The Crockett County Local Welfare Council. That's a pretty long name, but we'll call it "The Council," and soon we hope all will know what The Council is.

The purpose of The Council is to help people who need help. It will be emergency help only, temporary help only. The Council will not undertake to give any pensions or get under any long-time obligations.

Any citizen of Crockett County who will give as much as \$5 to the Council's working fund may be a member. Any church, lodge, club, or other local organization may belong by contributing not less than \$25 in a year and enrolling as a member. Each such group may elect one of its members to represent it on the Council.

All Council business will be done in open meeting by simple majority vote. Each Council member, whether an individual member or a group representative, has one vote, regardless of the size of the group he represents or size of his or its contribution.

The organizers of the Council are all local people. No one gets any salary. On the contrary, each one of the original organizers has already made a contribution. No

Final Plans For 7th Annual 4-H Stock Show Made

Wool & Mohair Warehouse Site For Saturday Show

At a final planning meeting of the 4-H Club Show Committee Monday night, E. H. Chandler was named General Superintendent and Hugh Childers, Jr., assistant General Superintendent of the Seventh Annual Crockett County 4-H Club Show set for Saturday of this week at the Ozona Wool & Mohair Co. warehouse.

The change of show site from the 4-H Club barn to the wool company warehouse was made during the past week in order to provide more comfortable quarters for show participants in case of bad weather as well as providing more room for show visitors and the livestock. The facilities of the warehouse were offered to the committee by Beall Barbee, owner of the wool and mohair company.

The seventh annual show will get under way at 9 a. m. with the judging of fat lambs by James A. Gray of San Angelo, sheep and goat specialist with the A&M Extension Service.

A barbecue dinner will be served to all visitors at the noon hour by the Ozona Butane Company, Sherman Taylor and Taylor Deaton, proprietors.

The auction of fat lambs and ram lambs is scheduled to begin at 2 p. m. with Lem Jones of Junction crying the sale.

Charles E. Davidson and James Baggett are superintendents of the lamb show. Others serving on the show committee will be Ashby McMullan, Dempster Jones, Eugene Miller, P. L. Childers, Ted White, R. J. Everett, Ele Hagelstein and Bill Baggett.

The concession stand committee will be Ashby McMullan, Gene Thomas and George Bunger.

The photo committee will be Dempster Jones, Tommy Newton and R. J. Everett.

The sales committee will be Bill Baggett, Ted White and W. P. Conklin.

On the chair committee to provide seating are Brock Jones and Pleas Childers.

The host committee includes the show judge, Pleas Childers sales auctioneer, George Bunger.

B. C. Scott, Barnhart Drug Store Operator, Former Ozonan, Dies

B. C. Scott, 42, operator of the Barnhart Drug Store, and a resident of Ozona for nearly three years, died at 5:30 a. m. last Thursday in the Crockett County Hospital after suffering a heart attack at 4 o'clock Wednesday afternoon in the store at Barnhart.

Mr. Scott was pharmacist-clerk at the Ozona Drug Store here from 1949 until 1952 when he moved to Barnhart to take over operation of the Barnhart Drug. He was born in Noble, Okla.

Funeral services were held at 3 o'clock Friday in the Barnhart Methodist Church, with the Rev. J. Troy Hickman, pastor of the Ozona Methodist Church conducting the service. The body was sent to Norman, Okla., for burial.

Pallbearers were Vernon Ratliff, Gordon Aikman, Truman Jacobs and Ralph Jones, all of Ozona, Bode Owens and B. S. Etheridge of Barnhart.

Surviving are the widow, Mrs. Marguerite Scott; his mother, Mrs. S. C. Scott of Norman; one son, Larry Bertrand Scott, a student at the University of Oklahoma; and one sister, Mrs. Joe Penick of Augusta, Kans.

Improved Lion Cagers Crowd Big Lake Owls But Drop Contest 42-37

A vastly improved Lion basketball crew crowded the fast Big Lake Owls to the last in the second meeting of the two teams on the Ozona court Tuesday night but came out losers by a count of 42 to 37. In their earlier meeting, the Owls had swamped the Lions by more than twenty points.

Martin of Big Lake, recognized in area competition as one of the better pivot men, and who single handedly scored more points in the first meeting of the teams than the entire Ozona five, was held in strict check here Tuesday night. Charles Garlitz of Ozona outscored the Big Lake ace 16 to 13.

The evening's curtain raiser was an overtime thriller between the Ozona and Big Lake B squads, the Owl second stringers nosing out the Ozonans 31-30 in an extra period sizzler.

Bank Deposits Here Drop Half Million In Year

Strong Financial Condition Remains Despite Drouth

Bank deposits in Ozona have dropped approximately a half million dollars since the first of last year, but the community remains in a strong financial condition despite the fact that the county is going into its fourth year of severe drouth.

Statement of the Ozona National Bank at the close of business on the last day of 1953 showed deposits totalling \$5,488,921.65 against the same day a year earlier of \$6,082,956.29. The deposit figure stood at \$5,520,408.40 at the end of September last year.

The bank's loan account shows a rise of a little less than \$100,000 in the year's period, rising from \$1,141,512.60 a year ago to \$1,283,408.40 at the end of 1953.

Even though it may be surmised that some of the bank's deposits represent "livestock in the bank" or sale of breeding herds because of drouth, the bank's figures show that the livestock industry is weathering remarkably well, so far, the most disastrous drouth in this state's history. Whether the worst of the drouth is over, or whether another year will make further tests of the industry's ability to ride it out, is a secret locked in the unwritten pages of 1954's history. Crockett county ranchmen are still feeding and hoping.

March of Dimes Campaign Opens In Crockett Co.

GG Vaccine Tests To Spur National Polio Campaign

With the already partly proved success of gamma globulin in preventing polio and plans for a tremendous field test of a trial vaccine set for this winter and spring, a new impetus is given the annual March of Dimes campaign for support of the National Foundation for Infantile Paralysis and local chapters.

The annual January drive for funds with which to carry on research looking toward prevention of polio and for assistance in treating victims of the dread disease is being launched here this week under the direction of Frank James, county March of Dimes chairman.

A national goal of 75 million dollars has been announced in the 1954 March of Dimes campaign, the sum needed to finance the new program of Polio Prevention and to support existing programs of research, patient aid and professional education in the coming year.

The new program of Polio Prevention will require vastly more money than was ever dreamed of in early years, Basil O'Connor, national Foundation president, has announced.

For the first time in its 16 years of fighting polio, the National Foundation will move from defense to attack by allocating \$26,500,000 to Polio Prevention in 1954. Of this amount, \$7,500,000 will pay for mass testing of a trial polio vaccine and \$19,000,000 will provide more than 2,000,000 inoculations of gamma globulin.

To assure the Polio Prevention fund, one-third of the net proceeds of this year's March of Dimes campaign will go to the National Foundation. After setting aside this one-third, campaign directors then will divide the balance as in former years, fifty percent staying in the local chapter treasury and the balance being sent to the National Foundation for support of its regular program.

Since the need is greater and the budget larger than ever before, Chairman James is hopeful that last year's total contribution can be surpassed this year. Last year's quota was around \$3,000 and local workers hope to raise at least \$4,000 in the month long campaign.

Cooperation of all organized groups and individuals is solicited in reaching this big quota. Benefit affairs, entertainments, etc. the March of Mothers in the closing days of the drive and every other means will be used to raise the needed amount, Mr. James said.

Individuals so far designated to receive voluntary contributions are Mr. James; Lowell Littleton at the Ozona National Bank; Jack Wilkins, president of the Lions Club; Postmaster Floyd Hokit, and County Agent Pete W. Jacoby.

Test On Holt Ranch To Plug Back In Try To Complete Gasser

La Groce Oil Co. and Garlitz-Howell 1 Jack Holt, Crockett County Ellenburger wildcat one mile east of production in the Vaughn (Grayburg and San Andres) field will be plugged back to 1,400 feet for attempted completion in the San Andres as a gas well.

On an earlier test in the San Andres, the project flowed gas at the rate of 3,786,000 cubic feet daily while drilling with cable tools. The section was described as having good porosity and good permeability. The San Andres was topped at 1,295 feet, plus datum point of 1,300 feet.

The project was bottomed at 8,012 feet. The Ellenburger was topped at 7,830 feet where it made salt water, with no shows of oil or gas.

Location is in 62-OP-GC&SF, 11 miles north-northwest of Ozona.

Federal Court Sets Bond For Youth Held Here For Car Theft

Bond of \$1,000 was set in federal court in San Angelo Wednesday for James Lawrence Gates, 18, who waived hearing before U. S. Commissioner Jesse T. Couch on a charge of transporting a stolen automobile across a state line.

Gates is the youth charged here with theft of a car belonging to Hilton North. The young man is alleged to have stolen a car in Tucson, Ariz. He drove to Ozona where he left the car at a local garage for repairs. He was arrested a few days later in Houston still driving the North car, which was recovered.

Gates is charged with the North car theft here. His bond was set at \$3,000 and he was turned over to federal officers for prosecution on the Dyer act charges.

Woman's Forum Is First Contributor to Welfare Council Fund

The Ozona Woman's Forum anticipated by a month the organization of the Crockett County Local Welfare Council and in early December earmarked a \$25 contribution for the welfare fund from proceeds of its game party held December 3.

The Forum, one of the most progressive groups in Ozona, realized a net of around \$80 from the game party of which \$50 was earmarked for the March of Dimes campaign and \$25 for the welfare fund.

Ozona organizations are being invited to become members of the Welfare Council with a contribution of \$25 or more, and individuals may become members with a contribution of \$5 or more.

Second Oiler Finaled In Noelke 3565 Field In Far West Crockett

The Noelke 3565 field of Crockett County, eight miles southeast of Iraan, has gained its second producer and a 1/2-mile southeast extension with the completion of Ledge Petroleum Co. Inc. 1-B Bouscaren for a daily flowing potential of 141.51 barrels of 43.4 gravity oil, no water, with gas-oil ratio of 1,640-1.

Production was through a 3/4-inch choke and perforations between 3,612 1/2-3,628 feet opposite the Clearfork in 7-inch casing cemented at 2,630 feet, the total depth. Top of pay was picked at 3,612 feet on derrick floor elevation of 2,529 feet. Completion was natural.

Tubing pressure was 1,300 pounds; casing pressure, 1,475 pounds.

Location is in 29-GG-HE&WT. The opener of the field, the same operator's 1-A Bouscaren Heirs, was finaled July 1, 1952 for a daily flowing potential of 60.01 barrels of 41.6 gravity (corrected) oil, no water, with gas-oil ratio of 900-1. Production was from between 3,565-580 feet in the Clearfork, topped at 3,656 feet on elevation of 2,507 feet.

Ledge Petroleum Co., Inc. of Dallas has filed application to drill its No. 2 Noelke one location west of production in the two-well Noelke 3565 field of Crockett County. Contract depth is 5,800 feet. Rotary drilling, on the 256-acre, will begin Jan. 8.

Location is 1,456 feet from the north and 330 feet from the east lines of 56-GG-TCRR.

SNOW PICTURES ON DISPLAY

On the window of the Stockman office is a mounted display of pictures of Ozona homes and scenes taken during the recent snow fall in Ozona.

The pictures were snapped by Rev. J. Troy Hickman and developed in his own darkroom. The snow topped houses and smooth white lawns made some pretty pictures. Rev. Hickman says that owners of any of the homes shown in the pictures may have the pictures of their homes any time after January 12.

Local Welfare Council Formed By Citizen Group

Contributors Sought To Build Local Relief Fund

Organization of a local Welfare Council to better coordinate all local emergency relief work in the future was perfected at a meeting of interested citizens Monday morning in the office of Sheriff V. O. Earnest.

Purpose of the organization is to provide a fund from local voluntary contributions which is to be administered by an executive officer of the Council under supervision of a Board of Managers for meeting local emergency relief needs.

Formation of the Council as a central agency for handling all requests for emergency aid was prompted by the experience of many persons in Ozona such as the clergy, public officials, business men and those connected with existing charity organizations. Frequent requests for emergency aid, both from local people and from transients, reach such persons, many of them with no funds available except their own personal funds to meet any such request. Also, many times, transients will solicit help from a number of persons or organizations, and sometimes get help from more than one.

A business-like administration of the fund is promised by its organizers, through a system of central administration supervised by a Board of Managers, Sheriff V. O. Earnest, who in the past has received many of the local calls for help, has been named Council Secretary and will be the investigating and disbursing officer, with the help of an investigating committee to be named from the membership of the Board of Managers. With this organization functioning, all requests for aid can be channeled by citizens to the sheriff's office.

The fund from which aid is to be granted through the Council will be made up of voluntary contributions from Ozona citizens. Membership on the Council will be earned by individuals with a contribution of \$5 or more in a year and by organizations with a contribution of \$25 or more. Meetings of the Council will be held twice a year and a simple majority vote will decide issues and policies. Regular financial and audit reports will be made.

Rev. J. Troy Hickman, pastor of the Ozona Methodist Church, was elected Council Chairman. Organizing members voted to meet again next Monday, Jan. 11, for the purpose of completing the organization, naming a Board of Managers and investigating committees and beginning a drive for funds.

The Council already has a start on its fund with contributions made by all the organizing members at the initial meeting. The sheriff's office and the Ozona National Bank were designated as receiving points to accept contributions to the fund. All Ozonans are invited to become charter members of the Council by making a contribution of \$5 or more during the year 1954.

Organizing members present for the Monday meeting were Rev. Hickman, Erza Trotter, Mrs. S. M. Harvick, Mrs. Max Schneemann, Mrs. Hubert Baker, Mrs. Beecher Montgomery, Mrs. Charles Williams, Jr., and Sheriff V. O. Earnest.

A fuller discussion of the aims and method of operation of the Council will be found in this week's "Here and There" column written by Rev. Troy Hickman on the front page of this issue of The Stockman. Also, elsewhere in the paper is the full text of the statement of rules and regulations under which the Council will operate as prepared and approved by the organizing group.

Example of the 1954 Buick's year-to-year styling in this stunning new Series Riviera

THE instant you see these 1954 Buicks, you'll know that something sensational has happened in automobile styling.

Here is vastly more than the usual model changeover. Here is vastly more than could be done just by warming over what Buick had before. Here is something accomplished by going far beyond artful face-lifting.

Here is that rarity of rarities—a completely new line of automobiles.

But Buick didn't stop with the bolder, fresher, swifter-lined beauty you see in raised and lengthened fender sweep—in the huge and back-swept expanse of windshield—in the lowered roofline—in the host more glamor features of exterior modernity.

They upped all horsepower to the highest in Buick history.

They engineered a new V8 for the SPECIAL—and in the process came up with new Power-Head Pistons that boost gasoline mileage in every engine.

BUICK the beautiful buy

They brought to market a sparkling newcomer with a famous name, the Buick CENTURY—a car with phenomenal horsepower for its weight and price—a car with more pure thrill per dollar than any Buick ever built.

And they did all this without change of the price structure which, for years, has made Buick the most popular car at its price in the world.

We invite you to come in and inspect these great beauties, these great performers, these great buys. Then you'll see why the Detroit previewers are already saying, "Buick's the beautiful buy!"

When better automobiles are built Buick will build them

THE CROCKETT COUNTY LOCAL WELFARE COUNCIL ("THE COUNCIL")

— A Statement Of The Original Organization, Policies And Basis Of Action.

Organization

1. The citizens of Crockett County, Texas, whose names are signed hereto as Organizing Members do hereby create and define The Crockett County Local Welfare Council (to be known as "The Council") with the powers and duties described below.

Purpose

2. The purpose of the Council is to provide a united county-wide approach and resource for giving TEMPORARY EMERGENCY help to certain persons whose situations and needs fall within the Council's aims.

3. The Council shall grant no aid in cases where the person is being aided by some other agency, or contract any indebtedness, or make any commitments for the future.

Policies

4. The Council is a voluntary private organization. It shall accept funds from private (non-governmental) sources only, and it shall accept no funds from any source with any condition attached, or share its authority to give or refuse aid with any person or agency.

Membership

5. Any adult citizen of Crockett County may become a member of the Council by enrolling as a member and contributing not less than \$5 to the Council's Fund for the year of his membership.

6. Any group within the county, such as a church, lodge, club, etc., may become a group-member of the Council by enrolling as a group-member and contributing not less than \$25 for the year of its membership, provided that individual members of the member-group do not thereby become members of the council.

7. Each member-group may elect one of its number to be its representative on the council. Each member-group shall be entitled to one representative, regardless of the size of the member-group or of its contribution.

8. Each member of the Council shall be entitled to one vote.

9. The Council reserves the right to reject the membership application of any individual or group and to refuse the contribution of any individual or group.

10. Those present and qualifying as members at the meetings of January 4 and 11, 1954 shall be listed as Organizing Members.

11. Those qualifying for membership before the last day of 1954 shall be listed as Charter Members.

12. All who become members for the first time after the last day of 1954 shall be listed as Members.

13. A contribution made during any Council year shall qualify the person or group for membership only for the remainder of that Council year, and additional contributions shall not confer membership rights beyond the Council year in which they were made.

Vote

14. All issues before the Council shall be disposed of by simple majority vote. For this purpose a majority shall be one vote more than half of the votes cast.

15. In the case of a tie vote, the presiding official may cast the deciding vote.

16. At the beginning of each meeting the Secretary shall call the roll of all members and mark each present or absent.

17. There shall be no voting in absentia or by proxy. A member must be present at the time the vote is called for, if he is to vote.

18. No family may hold more than one membership in the Council in any one year. For this purpose a family is defined as a man and wife and their unmarried children, or any one household.

19. In order that all members may have the right to be heard but none may have the power to delay the meeting, the simple rules of parliamentary procedure commonly used in small group meetings shall be followed in all meetings of the Council and Board of Managers.

20. The Secretary or someone elected by the Council shall keep a minute record of all motions voted on in the Council and Board of Managers meetings.

21. Any duly called meeting of the Council may revoke, change or add to any action taken or proposed by any previous meeting of the Council, including the provisions of this written statement, provided that such changes shall be included in the minutes of the meeting and in the revised versions of this written statement. A simple majority vote shall suffice for such action. The same provisions shall apply to decisions made and actions taken by the Board of Managers, provided that all actions of the Board of Managers shall be subject to approval by the Council.

22. The Council shall elect a Chairman, a Secretary and a Board of Managers. These shall be elected at each April meeting of the Council and shall hold office until the election the following April.

Officials

23. The Chairman and Secretary of the Council shall also be the Chairman and Secretary of the Board of Managers.

24. The Board of Managers shall include not fewer than 5 or more than 9 members of the Council including the Chairman and Secretary not more than three-fifths or four-sevenths or five-ninths of whom shall be of the same sex, in the event the Board has 5, 7, or 9 members respectively.

25. If there should be a vacancy in the office of the Chairman, the Secretary, the Board of Managers or the Secretary's Committee, the Council may fill the vacancy for the remainder of the term for which such official was elected, provided that the Board of Managers may fill a vacancy

in the membership of that group for the remainder of the current Council year, unless the vacancy should involve the office of the Chairman or Secretary.

26. If the Chairman, Secretary, or any member of the Board of Managers or the Secretary's Committee should fail or refuse to function to the satisfaction of the Council, the Council may declare such office vacant and proceed to elect another official at any time.

27. The duties of the Chairman shall be those commonly exercised by the chairman of a group, including that of presiding at meetings of the Council and or the Board of Managers.

Board of Managers

28. The Board of Managers shall be the executive group of the Council, provided that their actions shall be amenable to the Council.

28. The Board of Managers shall meet once a month at a time and place to be agreed on by them.

29. The Secretary shall make a report to the Board of Managers at each regular meeting on funds received and disbursed, members added or dropped, and any other relevant matter. This report shall be in writing and shall become a part of the minutes of the meeting.

30. Special meetings of the Board of Managers may be called by the Chairman, as needed.

The Secretary

31. The Secretary shall be the executive officer of the Council and the Board of Managers. He shall

a. Keep an accurate membership roll of the Council.

b. Receive and dispose of requests for help, subject to the stated policies of the Council and or Board of Managers.

c. Receive and record contributions to the Council's Fund.

d. Keep the Council's funds in an account at the local bank in the Council's name.

e. Make a written report to each regular meeting of the Council and Board of Managers.

f. Perform such other duties as the Council or Board of Managers may direct.

32. The Council may elect two of its members, one man and one woman, to serve with the Secretary as an investigating committee. The Secretary shall be the Chairman of this group and may call them to meet at will. The concurrence of any two shall decide any issue rightly before this committee.

33. The Secretary shall make all disbursements from the Council's funds by check, showing the name of the person to whom the payment was made, for what purpose, and on whose behalf.

34. Prior to the last Council meeting or the last Board of Managers meeting in each Council year the Secretary shall submit his books for audit by a person or group named by the Managers, and a copy of the auditor's report shall be included in the minutes of this meeting.

35. The Secretary may reimburse himself for the actual and necessary expenses of his office, including such items as cost of mailing meeting notices, costs of accounting, and the salary of a helper to keep his records; provided that the salary of the helper shall not exceed \$10 a month; and provided that the Secretary shall sign all checks in person.

Council Meetings

36. The Council shall hold 2 public meetings each year. One shall be between the 1st and 15th of April and the other in the month of December. These meetings shall be open to the public, but only Council members may vote.

37. A special meeting of the Council may be called in any of the following ways:

a. On notice of the Chairman, made by mail direct to the members, through the local newspaper, or by telephone, provided that the notice shall be given not less than two days before the day of the meeting.

b. By a majority of the Board of Managers, with the same notice requirements as above.

c. By joint action of not less than half the Council members, with the same notice requirements as above.

38. No action may be taken at a special meeting on any issue which was not included in the notice of the meeting.

Fund Drive

39. At each December meeting the Council shall plan and provide for a drive for funds and members at a time and in a manner to be decided by the Council. It shall make or cause to be made a statement to the public through the local press or otherwise informing the people of its needs and program and inviting members and contributions.

40. This statement shall include a report of the total number of persons aided through the Council, the total amount spent for aid, the total number of members in the Council, and the total amount collected by the Council since the last report.

Tenure Limit

41. No official of the Council or member of the Board of Managers may hold the same office for more than two consecutive years or fractions thereof, except the Secretary.

ADOPTED BY UNANIMOUS VOTE OF THE FOLLOWING ORGANIZING MEMBERS ON JANUARY 4, 1954:

J. Troy Hickman, Ezra Trotter, Mrs. S. M. Harvick, Mrs. Max Schneemann, Mrs. Hubert Baker, Mrs. Beecher Montgomery, Mrs. Charles Williams, Jr., and V. O. Earnest.

Announcing for '54 NEW FORD TRUCKS with TRIPLE ECONOMY!

NOW! 5 Ford engines offer the mightiest concentration of power per cubic inch ever in any truck line! V-8 and SIX!

For the power they develop, the engines in the 1954 Ford Truck line have less cubic inch displacement than engines in other-make lines. For example, Ford's 239 cu. in. Power King V-8 develops its 130 h.p. on as much as 43 cu. in. less displacement. Smaller-displacement engines normally need less gas! That's one big reason why Ford concentrated power offers greater economy!

Ford takes the lead in ALL 3 vital factors that make for lower-cost trucking!

1. Now, only in Ford Trucks—gas-saving, LOW-FRICTION, high-compression, overhead-valve, deep-block engines in all truck models! 115- to 170-h.p.!
2. New Driverized Cabs, Master-Guide Power Steering, Power Brakes, Fordomatic Drive for faster control!
3. New greater capacity! New Factory-Built "6-wheelers," gross up to 48% more!

See them TODAY!

Lions Put Up Best Battle In Narrow Loss To Big Lake

By Larry Lewis
The Reagan County Owls won two close games last Tuesday night before a screaming Ozona crowd.

The Owls "B" team squeezed by the Lion "B" squad 31-30 in a very thrilling overtime game. Hugh Russell was high for Ozona with 12 points.

The Owls "A" team saw a new brand of basketball put on by the Lions. In the last Owl-Lion ballgame, Reagan County stomped Ozona by more than 20 points. The hustling Lions were ahead 8-7 at the end of the first period. The Owls then came back to make it 18-17 at the half. The last half was very close with the Lions trailing at all times within 3 points. Then the visitors' shots started hitting where the Lions would roll out or bounce off. The Owls, going into the last three minutes, were ahead 8 points when the Lions suddenly came within 3 points again.

Charles Garlitz was high for the Lions with 16 points. Charles Martin hit 13 points for the winners.

The game ended with the Owls on top 42-37.

For the first game and only one practice the Lions did remarkably well. They will journey to Rankin this Friday and then to Del Rio the following night. Good Luck Lions!

Dear Mae:

Well, I guess everyone had a nice time over the holidays! I know I did! We are sure glad to have "Liz" Pearson back with us. Judy Patterson made two wonderful New Year's Resolutions—(1) Not to look at another boy and (2) to have her head examined for making the first one! She's already broken the first one. I haven't made any so far, but maybe I'll get around to it one of these days. Maybe I can get Jacquelyn not to cut off any more cat's tails! Poor pussy cat!

I don't think Carolyn S. had much fun at the show Sunday. She took her little brother with her. I don't know which one to feel sorry for, him or Carolyn. I know all the H. E. girls are glad to get into the new H. E. Home. It really is pretty too!

Oh, say have you heard the new song "Jingle Bells"? It's really a cutter! It's a new version of "Jingle Bells". I have to go now and finish my 42 Algebra problems, Mae. We're reviewing for midterm exams now. Lot of good that will do me!

Lots of Love,
Lizzie

JUNIOR CLASS NEWS

By Sonny Henderson
The Class met Tuesday to vote on the five most handsome boys and five most beautiful girls. Everyone cast their vote and the Junior-Senior Banquet was discussed. This banquet is to be March 13. We discussed what the theme would be for the banquet. It is to be decided at the next class meeting.

Heard From the Test Tube

By Jerry Currier

Happy New Year!! Here we are in 1954 and poor little me and the ol' testtube haven't noticed any change. Same teachers, same books, same ugly number, faces.

I have been looking through science news letter to see if I could find anything new. I did, so here goes.

There's an electronic brain that flies unbuilt planes. The question is just who wants to fly them, since they aren't built. How do they fly the darn contraptions as a matter of fact?

I guess it just goes to show you that those electronic brains can do anything.

The Testtube tells me that his dear friend Albert Einstein has revised his theory of gravitational forces. Why, I don't know. After all no one knew what he was talking about anyway so why should he revise it? If he keeps this up even he won't be able to understand it. I wonder if he does now?

The California Department of Agriculture has stated it has found a beetle that's been hiding out for 8 years. Not only that but its larvae are white with orange hairs. I wonder if it killed its wife or robbed a bank? Billy the Beetle of the Buggy Brothers. Another great outlaw.

The Testtube says that the centipede doesn't live up to his name. In fact, the centipede usually has only 30 legs, although some have 44. I have enough trouble with two legs. Wonder what a centipede would look like if he really had (poor thing) a hundred legs.

It seems that there is a monkey, a squirrel monkey by name that has more brains than a man. If they were using Phillips as a comparison it wouldn't take too much to do the trick. But he doesn't have the same amount of intelligence.

The testtube is dry so we'll be back next week maybe.

Nominees Chosen For Most Beautiful Girl, And Handsomest Boy

Most beautiful girls and most handsome boys were voted on this week by the students of Ozona High School.

The nominees for most beautiful girl were: Sandra Brewer, Jan Jones, Ann Ratliff, Wanda Carden, Carol Friend, Georgiana Ball, Wanda Armstrong, Carolyn Stuart, Barbara Fields and Jeannene Thompson.

There were many more nominees but these girls were the top ten. There will be another run-off among the ten girls so that there will be only five girls left. The five girls pictures will be sent to North Texas State Teachers College to be judged by the Annual Staff there.

A counting of the most handsome boys was just completed. The top ten in the run-off are Charles Garlitz, Buddy Gibbs, Ronnie McMullan, Jody Jones, Sonny Henderson, Sammy Martinez, Mike Clayton, Benny Friend, Jerry Beasley, and Erbie Chandler.

Fads and Fooie

By Kenneth Phillips

Greetings you all! That's how the draft board put it to me! I hope that each one of you had a cool yule, and a frantic first!

There were several things happening over the holidays. . . big game hunting trips and then there were all the dances. . . Rosalie had a cute little whing-ding, then there was the New Year's ankle-scraps. I didn't do much to see the New Year. . . I started to go down to the Ranch Drug, and see in person, that famous jerk, soda jerk that is, Robert Cox. But I decided against it. . . I should save my eyesight for one of those wonderful 12-D pictures they have down there. (12-D four 3-D shows)

Oh girls. . . listen have you heard the latest fad? How would you like to be one of the members in an exciting new club that has recently been started. You ask, "What's the name of this thing already?" What else but, "The Ozona Chapter of the Female A. A." Pressure from the danger of being run over keeps me from telling you more, but if you're really interested you can contact me at locker 209. If I'm not there come to the Principal's office, and knock I'll be around somewhere!

Santa Baby was real nice to me this year. . . he brought me the other sock to match the one he left me last year. I received quite a shock during the holidays. . . I got up one morning, and that pastel blue package of power, my "88" wasn't in the driveway.

But did I panic? Did I go into hysterics, did I just walk around

the house wondering what happened to my pride, and joy? ?? Yes I did, but after a few minutes of raving I remembered. . . it was time for mother to go stock up on spam! Soon she would return with my little home on wheels, and I would once more go zooming happily down the highway. Joyfully breathing lungfull, after lungfull of carbon monoxide! Hoping that I would make it over the next hill, and then come to rest on my side in the barditch!

Yes. . . my Christmas vacation was rather uneventful, the only thing I can say that I got out of this year was, learning how to Bop. . . and that my friends is a nasty old college thing done in public only by such ruffians, as Red Raiders, and Ronnie McMullan, so till next week, drop dead.

HOLIDAZE

During the holidays this year everything seemed to have been fun and everyone seemed to enjoy the dances. Besides all the dances here in Ozona some went to out-of-town dances.

Del Rio had a dance the 23rd. Those that went from Ozona were Sonny-Carol, Ann B-Benny F., Sandra - Bill Schneemann, Wanda - Mike. Everyone reported a good time.

Another out of town dance was the Aggie Dance in San Angelo on the 28th. Ann R. was the representative duchess from Ozona. Her escort was Jimmie McMullan. Others who attended the Aggie dance were Ronnie - Rosie, Barbara F. - Graham and Buddy Gibbs, Sandra Brewer.

Besides out of town dances, Jane A. left this little town to visit an old friend Janet from Ft. Stockton. Charles A. left to spend his holidays with his family. Another person who left was Billie Ann Larvin, she went to Palestine for Christmas.

Freshmen Hosts At New Years Eve Dance

New Year Eve the freshman class gave a dance. The dance was at the North Elementary at 9:00 p. m., formal.

We danced from 9:00 until about 11:00, then refreshments were served. We had doughnuts, hot cheese spread with tortillas and cheese crackers. It tasted good about that time.

We danced until 12:00 o'clock then Alena Powers burst a large paper bag filled with confetti and hundreds of balloons. Thus the New Year started!

To let you in on some of the style news, I'll tell you about some of the formals. Robbie K. had a lovely light blue formal with ruffles all over it. In fact, it seems like her dress was one big ruffle. Janis Spencer also had on a ruffly dress.—only, it was yellow. Alena Powers had on a pretty aqua-green dress. Beverley Killingsworth wore a light green formal which looked very pretty. The color of Patti Hardesty's dress was a baby blue. There were many more pretty dresses—this is only a few.

Wilburn Conklin, Don Cooper, and La Von Henderson (some ole ex'es) were there acting as silly as ever. Seems they were trying to "Bop". I know that everyone there had a nice time, and we are all looking forward to the Valentine Dance.

Fads and Fashions

By Jane Adams

Always welcome and usually received at Christmas: presents that can be worn. Some of them are Jeannene's link bracelet dangling a fob and studded with stones. . . The smooth gold links decorated with only one initial belonging to

Shirley and Wanda. . . Barbara's plain, tan, beautifully stitched belt. Billie Ann's belt that is white and scalloped and buckled with gold. . . The good looking leather that Santa brought to Shirley (rust colored), Jeannene (bright aqua) and Liz (blue). . . Vivian's mobile earrings with stars jangling from the mobile. . . Miss North's yellow apron decorated with metallic rick rack (she didn't wear it to school just told us about it). . . Tylene's beaded sweater. . . Wanda's Can-Can petticoat. . . Ann Ratliff's compact that plays "The Eyes of Texas" when the lid is raised.

H. A. Gustavus Is Honored At Farewell Party By Baptists

Dr. H. A. Gustavus, Ozona dentist who leaves today to report active service in the U. S. Army as a major in the dental corps, was honored at a farewell party

by the congregation of the First Baptist Church here Monday night. Supper was served to the group after which a radio skit, entitled "This Is Your Life," modeled after the radio show of the same name and written by Mrs. Blake Woolbright, was enacted with a selected cast. Dr. Gustavus attended Hardin-

Simmons University in Abilene and was a member of the Cowboy Band which toured Europe in his senior year. With Ted Lewis in French horn, that phase of Dr. Gustavus' life was recalled. With Mrs. Pleas Childress in the role of Virginia (Mrs. Gustavus) the beginning of their courtship was

re-enacted. An incident in which a former Ozona Baptist minister, Rev. Clyde Childers, had an unfortunate experience while on a bird hunt with Dr. Gustavus, was recalled in a portion of the skit acted by T. J. Bailey, Blake Woolbright and Roy Thompson,

the minister picking bird shot from under his hide after the outing. Others having parts in the amusing skit were Ben Williams, Stanley Williams, Larry Lewis, Q. A. Brentz and Roy Mann.

Mrs. J. W. Young had as New Year week-end guests her son and daughter-in-law, Mr. and Mrs. Walter Young and son, Louis, Mr. and Mrs. Jack Buster and children, Debora Ann and Walt, and Mrs. Don Buster, all of San Angelo.

Methodist Church Is Setting For Wedding Of Miss Rosalie Friend And Glen Clay Richardson Solemnized Here At 4 o'clock Tues. Afternoon

Miss Rosalie Friend, daughter of Mr. and Mrs. W. E. Friend, Jr., of Ozona, became the bride of Glen Clay Richardson, son of Mr. and Mrs. O. L. Richardson of Sonora Tuesday, Jan. 5th, in a double-ring ceremony performed at the Ozona Methodist Church at 4 o'clock in the afternoon, with the Rev. Troy Hickman, pastor of the church officiating.

Miss Friend was given in marriage by her father. She wore a gown of white nylon tulle over satin. The bodice featured an elongated torso, delicately traced with hand run Alencon lace, and was fashioned with a wide decollete neckline, filled in with an illusion yoke, outlined by shirred tulle, interwoven with large lace appliques. Long fitted tulle sleeves tapered to petal points over her hands, and were fastened at the wrist with tiny buttons. Covered buttons extended down the back of the tightly moulded bodice. The

extremely bouffant layered tulle skirt swept to a wide fan-shaped Chapel train.

Her veil of imported silk illusion extended in misty folds beyond her fingertips from a pointed hand-run Alencon Lace Calot, intricately re-embroidered with tiny seed pearls and iridescent paillettes. She carried a white Bible gift of her father when she was 10, which was topped with a white orchid, in a bouquet of stephanotis, a shower of pearls and satin.

Miss Carol Friend, sister of the bride was maid of honor. Mrs. Wesley Johnson, Austin, was matron of honor. Bridesmaids were Miss Tibba McMullan, Ozona, Miss Joan Holt, Ozona, Mrs. Ulmer Busby, Brownfield, Mrs. Bill Melton, Serafina, New Mex., and Mrs. Jack Brewer, Ozona. They were identically attired in bouffant royal blue nylon tulle gowns. These had a softly draped bodice, accented by a wide Fascia of ice blue satin. A panel of the satin extend-

ed to the floor, and formed a shoulder stole that draped gracefully to cover their shoulders. They wore matching blue hats, and carried cascade bouquets of white silver-glittered carnations, and silver leaves.

The groom was attended by O. L. Richardson, Jr., of Sonora, his brother, as best man; Bill Shurley, Marfa; Rod Richardson, his cousin, from Iraan; Gene Shurley, Sonora; R. W. Wallace, Sonora; B. W. Halbert III, Sonora; and George Wallace, of Wolfe City. Martin Harvick and C. E. Davidson, III, both of Ozona, were ushers. Micheal Richardson, nephew of the groom was ring-bearer.

Mrs. Batts Friend was organist, playing traditional wedding marches, and background music of "Clair de Lune", Leibstraum, "Ave Maria" and "Going Home".

Jim Ad Harvick was vocalist, singing "Thine Alone", "At dawn- ing", and "The Lord's Prayer."

The bride's mother wore a street-length dress of burgundy brocade. The groom's mother wore a dress of rose colored lace.

A white and green motif was carried out in the church decorations. The altar rail was entire-

ly topped with white tapers; ropes of white-sprayed spruce were draped in loops over the walls of the choir boxes, with white carnations in the center of each loop. Seven-branch candleabra holding white tapers were placed from the altar to the back of the church. Baskets of white stock and white carnations were used, also.

The bride is a graduate of Ozona High School, and of Hockaday Junior College, Dallas, and attended the University of Colorado at Boulder, Colo.

The groom is a graduate of Sonora High School, and of Texas A&M College, and served in the Navy.

Mr. Richardson is ranching between Sonora and Rocksprings, and after a wedding trip, the couple will be at home there.

A reception was held after the ceremony at the Church Reception Hall. The wedding and reception was attended by approximately 300 guests coming from Ozona and Sonora and many surrounding towns to wish the newlyweds happiness.

Mr. and Mrs. Friend, parents of the bride, were hosts at a supper before the rehearsal on Mon-

day, Jan. 4th, at the Ozona Country Club. Relatives of the couple, the wedding attendants, and other friends attended.

Many lovely parties have been given the couple during the weeks preceding their marriage. The latest was a breakfast given Miss Kay Kirby on Dec. 30 at the House of Flowers Tea Room.

For going away the bride wore a charcoal sharkskin suit, a hat of hummingbird green felt, and was wearing a corsage of a white orchid.

RALPH CARDEN WINS SCHOLASTIC HONORS

Ralph Carden, Ozona student at Texas University, was recently honored by election to Beta Gamma Sigma, highest scholastic society in the University's College of Business Administration. A BBA graduate in 1953, Ralph is now in the U. T. Law School. His parents are Lt. Col. and Mrs. Henry H. Carden. He returned to Austin Sunday after spending the holidays in the home of his grandparents, Mr. and Mrs. Ralph Watson.

GRASS ROOTS OPINION

Newman Grove, Neb., Reporter: "The communist sympathizers in high office who are wailing so loudly over the exposing of spies in the government and saying that the unfavorable publicity reflects against the national honor should consider gravely how much the cause for this investigation has brought disgrace to the nation. No festering sore on the body politic has ever been helped by covering it up."

Wilmington, N. C. Morning Star: "Walter Reuther, president of the CIO, addressing the organization's annual convention, said the new Republican administration has sold out to big business and is putting 'profits before people'."

"Mr. Reuther does not seriously attempt to document his charge, for he must understand that it would not be easy to do. What laws safeguarding the people's welfare have been repealed since last January 20? What new laws have been passed which permit mistreatment of the poor?"

Presenting the mighty aristocrat of light-duty trucks—

the 1954 GMC

GMC's HUSKY NEW STANDARD PICKUP, powered with 125-horsepower engine—most powerful standard six in the field. A de luxe model with chrome grille and trim, two-tone exterior paint and cab rear corner windows is available at extra cost.

GMC HYDRA-MATIC TRUCKS

Here is the most extraordinary light-duty truck ever built.

It has the smart styling of a fine passenger car to give its owners distinction and prestige.

A sweeping grille of modern design—a panoramic one-piece windshield—two-tone interiors with harmonizing upholstery—these are some of the luxury features that will make you proud to be seen in it.

But its practical side—its capacity for work—is even more exceptional.

It hasn't just more power than any truck in its class. It has a whopping 125-horsepower engine—more powerful than many trucks with a two-ton rating.

The Pickup—one of 19 models—has a box that holds up to 11 more cubic feet than last year's capacious model. Its tail gate is grain-tight—and sand-tight.

The dials on its handsome instrument panel are clustered. They can be read at one swift glance through the open top-half of a smart tri-spoke wheel.

And—a truck feature pioneered by GMC—it offers the driversaving, moneysaving advantages of Truck Hydra-Matic Drive*.

One final and surprising point. The price of the GMC, value for value, is unsurpassed anywhere on the truck market.

That's the story. The next move is yours. Come in and see "the world's most modern truck." And—make it soon. *Optional at extra cost.

S. KILLINGSWORTH'S FIRST GRADE (By Len Merritt)

We are happy to be back in school after a very nice vacation. Santa Claus was very nice to all of us. Several pupils have moved since dismissed for Christmas. Dennis Ball and Betty Hall moved to San Angelo and Keith is moving to Big Lake. Barbara Clay and Ann Long are students council members for January.

MISS ROGERS' FIRST GRADE (By Janis Walker)

We are all happy to be back in school after a very enjoyable Christmas holiday. We are all back with the exception of Jill Graves and Mike Harmon. We have resolved to be very good boys and girls and to study hard in the New Year.

SECOND GRADE MRS. ALLEN

Monday morning each child in the room told some of the things they got for Christmas. Ora Sparks got to Corpus Christi over the holidays. She found a star fish. There are five children absent today. We hope most of them will be back tomorrow. Douglas Moore has chicken pox.

FOURTH GRADE MISS GARD (By Charlotte Johnigan)

Monday morning a new pupil started to school here. Her name is Ray Beth Franklin. We are glad to have her. We now have 25 pupils. Everybody had a big Christmas and enjoyed the snow.

Epiphany is Devotional Theme At WSCS Meet

The Woman's Society of Christian Service met Wednesday morning in the Methodist Church for the monthly business and devotional program.

The devotional was "My Gift At Epiphany," with a theme so beautiful and full of symbolism as the story of the Three Wise Men, whose visit to the Christ Child is commemorated in the church calendar by the observance of Epiphany on Jan. 6. Every variety of approach has been made in painting and literature to portray this Biblical revelation. The devotional was given by Mrs. Joe Pierce.

A skit, "The Solution," was given by the Literature and Publicity Committee, Mrs. Dempster Jones, Mrs. Oscar Kost, Mrs. Bill Cooper, Mrs. Dub Stokes and Mrs. J. A. Fussell.

The business meeting was led by the president, Mrs. Paul Perner. The society voted to renew the subscription to the World Outlook for all five school libraries and the hospital.

Miss Ralston, of the Latin-American Center is asking for rummage for the rummage sales at the Center on Saturdays. They need children's clothes especially, but any kind will be gladly accepted.

The Bible study on "Jeremiah," which will be taught by Rev. Troy Hickman, will commence next Wednesday at 9 a. m., at the church. All members and others are urged to attend.

Those present were Mrs. Chas. Williams, Sr., Mrs. F. L. Henderson, Mrs. Taylor Word, Mrs. Bill Cooper, Mrs. H. B. Tandy, Mrs. R. A. Harrell, Mrs. J. S. Pierce III, Mrs. B. C. Flowers, Mrs. E. B. Ingram, Sr., Mrs. George Harrell, Mrs. Madden Read, Mrs. L. B. Cox, Jr., Mrs. Dempster Jones, Mrs. Oscar Kost, Mrs. Joe Pierce, Mrs. Paul Perner, Miss Mildred Ralston, Mrs. C. V. Tubbs, Mrs. W. T. Stokes, Mrs. J. A. Fussell and Mrs. L. B. Cox, III.

Fort Worth — Fed steers and yearlings and heavy weight calves were fully 50 cents and most late sales \$1 lower at Fort Worth Monday. The pressure on beef cattle followed the reports of heavy cattle runs over the nation. The 12 major markets reported 6,000 more cattle than a week ago and 12,000 cattle more than on the same date a year ago. Fed steers predominated in the runs at all markets.

At Fort Worth cows were mostly steady, and bulls sold at fully steady prices. Stocker cattle and calves of good and choice quality were steady, but those of less quality were dull and usually sold at

their butcher value. Slaughter calves drew weak to 50 cents lower prices, some heavyweights off more.

Hog prices dropped sharply. Butcher hogs were 50 cents to mostly \$1 lower, and top hogs sold at \$24 to \$24.50. Sows were \$1 to \$1.50 lower at \$22 down.

Slaughter lambs were highly uneven. Some sales of fat lambs were steadily, while others were 50 cents lower. Fat lambs topped at \$18.50. Feeder lambs were strong to 50 cents higher or more higher. Some shearing type feeder lambs topped at \$18.75. Old sheep and yearlings sold at strong prices.

Good and choice fed steers and yearlings cashed at \$16 to \$21, a few higher. Common and medium slaughter steers and yearlings cashed at \$10 to \$15, with cutter grades from \$8 to \$10. Fat steers were sold Monday at prices in accord with the low time in the pre-Christmas trade.

Fat cows sold from \$9 to \$11, a few heiferish kinds to \$12. Canners and cutters cashed at \$6 to \$9.50, with some thin, emaciated lightweight canners down to \$5. Bulls sold from \$8 to \$13, individuals up to \$13.50.

Good and choice fat calves sold from \$15 to \$19, a few tippy heavyweights to \$20 and above. One load of 564-lbs. calves sold at \$20.50. Common and medium slaughter calves drew \$10 to \$14, and culls sold from \$8 to \$10.

Good and choice steer calves cleared at \$14 to \$19. Stocker and feeder steers and steer yearlings sold from \$13 to \$17.50. Stocker

cows cashed at \$9 to \$13.

Good and choice fat lambs sold at \$17 to \$18.50, both woolled lambs and shorn lambs at the top figures. Cull, common and medium slaughter lambs sold from \$10 to \$16. Stocker and feeder lambs sold from \$15 to \$18, with some woolled shearing lambs of around 90 pounds at \$18.75. Ewes sold at \$6 to \$8. Stocker ewes sold at \$10 down. Yearlings drew \$12 to \$15. Old wethers sold from \$8 to \$10.

The greatest engine advances since the original FORD V-8
 BOTH NEW 1954 Ford engines... the Y-block V-8 and the I-block Six... have overhead valves for most efficient high-compression operation on today's fuels. Valves are free-breathing to give you the most GO... free-turning to seat tightly and maintain high compression. Both engines have a deep-cast block with skirt that extends well below the crankshaft for greater strength and rigidity... smoother, quieter performance and extra-long engine life. Their modern short-stroke, low-friction design cuts friction losses... gives you more usable horsepower, more miles per gallon of gasoline. New high-turbulence combustion chambers assure a more thorough mixing of fuel and air for faster, more efficient combustion. Plan to Test Drive a '54 Ford. You'll find these new Ford power plants are the greatest engine advances since the original Ford V-8.

Plus five optional power assists* you might find only in America's costliest cars

- Master-Guide Power Steering**: It does up to 75% of your steering work for you, makes parking a pleasure, leaves you with the normal feel of steering on the straightaways.
- Self-Set Power Brakes**: Power does up to one-third of the work of stopping for you! You are less fatigued, more relaxed, in the stop and go driving of congested traffic.
- Power-Lift Windows**: Windows open or close at the touch of a button under each window or on left front door. Driver may operate any of the four Power-Lift Windows.
- 4-Way Power Seat**: Push one of two controls and the front seat goes up or down... push the other and it goes forward or back. It's a real convenience and comfort feature.
- Fordomatic Drive**: You get the smoothness of a fluid torque converter plus the constant "go" of an automatic intermediate gear. Ford also offers gas-saving Overdrive.

 OZONA — TEXAS

Here and There
By J. Troy Hickman

(Continued From Page One)

one can be a member who isn't also a contributor. None of the fund will be sent out of town to any district or national office. This is a local agency run by local people and financed by local people for the benefit of local people.

The Council reserves the right to refuse to accept any member or his contribution, or to refuse to accept the contribution of any group or to seat its representative. No gifts will be taken with strings attached. No County or government money of any kind will ever be taken. It is purely a private voluntary undertaking.

Our written statement of purpose and basis of action is as democratic as we can make it. Officials are elected once a year. No official can hold office longer than two years. No faction can possibly get the control of the Council away from the whole group. If an official does not function, he can be replaced anytime.

The whole Council will meet twice a year and is open to the public. In the interim between Council meetings, the project is directed by a Board of Managers elected by the Council to meet monthly. A Council Secretary is the executive officer, receiving funds and disbursing them under the eye of the Managers and the Council. Men and Women are equally represented on the Board.

Records are always open for inspection. Books are audited once a year. All contributions are kept in writing, all are payments made by check that shows why and who. The council has rules to protect itself from favoritism, axe-grinding, and will have no time for long talkers or sentimentalists. No person or faction will monopolize or delay the proceedings. We are set up for business, and business only.

The organizers believe that Ozona wants and needs this agency. We are confident that it will be supported generously. We will strive to earn the town's confidence and to keep it.

V. O. Earnest has been selected as the first Secretary. The funds will go through his hands, subject to the conditions stated above. His

office is a public place. People seeking help have already learned to go there. He sometimes knows more about people than the rest of us know. He knows their records. We believe that he is a wise choice for the office and that he has shown a commendable spirit in accepting the responsibility.

We meet again next Monday, January 11, in the Sheriff's office at 9 o'clock a. m. You are welcome to meet with us, subject to the aims of the group. Bring your checkbook. Make any contribution you want to make. If it is as much as \$5 for the year 1954, you are a member and have the same vote the rest of us have.

Certain details will be completed at that meeting, a Board of Managers elected, and two members to help the secretary with his investigations. If you are a member by the time the meeting begins, you can help us get things going. Go by the courthouse and leave your check and your name as a member. Do it anytime. If you find the bank more convenient, do the same thing there. These two places are the official receiving stations for the Council. Please don't offer money to any other member of the Council or leave it anywhere else.

It may not be necessary to have a drive in the usual sense of the word. We have some money already. It is hoped that the mere announcement of this thing will be enough to bring in what is needed.

Elsewhere in this issue of The Stockman the text of the Council's written basis of action will be published in whole or in part. If in part, then later issues of The Stockman will complete the text of the whole thing. Take time to read it. If you believe in it and want to help, pitch in!

We elected officers at our meeting Jan. 4. The new officers are President, Janice Semmler; vice president, Mary Sue Trotter; secretary, Sandra Wilkin; treasurer, Kathy Williams, and social chairman, Margo Pogue.

Janice Chesnutt spent the holidays with her family in Aransas Pass.

TO THE EDITOR AND STAFF OF THE STOCKMAN

The members of the Marine Reserve and the Regular Marines in the area wish to extend their wholehearted thanks to you for your enthusiastic and consistent cooperation in keeping the readers of your paper informed of the activities of this very essential national service. Many people are familiar with the fact that the Marine Corps and the Marine Corps Reserve are continually trying to maintain their contribution to national preparedness in a most outstanding manner at the most reasonable cost. Korea has been a recent reminder that it is better to be prepared than be sorry. Had we been properly prepared at that time it is very unlikely that the communists would have dared such a venture. It is like a casual meeting with the world's heavyweight boxing champion. If you know that he is not going to strike you, you do not worry. In the same respect, it is also improbable that you will pick a fight with him.

Colonel Stickney, assistant director of the entire Marine Corps Reserve, noted on a recent inspection tour of San Angelo that it is not enough to have a strong Reserve or Regular establishment, it is equally important that Marine enjoy the respect and support of the entire community. The simple fact that the Marine Reserve in San Angelo has grown faster than any like unit in the country, and that the Regular Recruiter has enlisted more men in 1953 than in 1951 and 1952 combined, signifies to all, the spirit and determination of the people of West Texas to support and defend our national heritage.

Thank you again for your cooperation.

Yours very truly,
Rod Eddy
