Here and There

By J. Troy Hickman

THE TIMES THAT TRY MEN'S SOULS

Not in the memory of living men have there been as many causes of uneasiness as now. We have a conflict within and tension without. And there is no sign of relief. Last week was a jittery one for part of the world. The attempted conference at Geneva collapsed. The main French stronghold in Indo-China fell to the Reds, leaving them free to begin a new aggression elsewhere in Asia.

In Washington news leaked out of still greater atomic weapons are in the hands of Russia, others in our own camp. It is as though two halves of the world stand poised, ready at the fall of a hat spring at each other's throats, perhaps tumble grappling over the same brink together.

What has happened to the human race? After all these centuries of so-called civilization, after all this education, the culture we have had, after two centuries of professed Christianity in a large part of the world, what has come over us now?

As if these things are not enough anxiety, we have here at home a silly and wholly unjustified "parade" of hate called an "investigation" going on in a subcommittee of the Senate. And as one listens to the nightly monitorings of proceedings, he feels somehow that this is a grudge fight of long standing, principally between two men, and involving countless others. He feels as he listens to the testimony that both sides are sincere, both sides are lying, and each is willing to waste any amount of public money to accomplish his miserable objective of hurting the other. The hearing day, in the end, turn up some little scrap of useful information, but surely it will not justify the cost either in the national morale or the public welfare.

Add to this the fact that as a people we are all buttered up through our government we are the owners of 360 million pounds of butter. Some of it must be purchased by now. They started buying it long ago, to hold the price. First we had to pay more for what we did buy, then through the wheat raising contingent got about this year. How much longer will the government under the power of taxation will go on robbing so many for the benefit of the few who can say:

"This dangerous idea is getting around. Other groups now clamor for their products also to be 'upheld' artificially by public money, and a good many are succeeding. The wheat raising contingent got about this year. How much longer will the government under the power of taxation will go on robbing so many for the benefit of the few who can say:

"We are faced with a big decision in the world front. Simplified, it looks about like this,—shall we go on forever trying to play politics all around the world, and hope at the end fall exhausted on our faces, or shall we make ourselves as strong as possible on this continent and wait for the enemy to attack us here?"

And there isn't any sure or quick answer, Lyndon Johnson to the contrary notwithstanding. The man who has the best chance to know the most about it at Washington seem to feel that it is better to fight Russia in Asia than to fight her on U. S. soil. This sounds reasonable, provided one remembers that Asia is a big place and the oceans of manpower that we get have.

We also seem to be following the practice of buying our friends with American dollars. One can hope that we do not discover some future time of need that a dollar bought with a dollar is no good once the dollar is gone. Well, as Tom Paine said a long time ago, "These are times that test men's souls." And yet, we go on living from day to day. We are being born, marrying, and dying as if there were no crisis. We eat, work, play and sleep. There's plenty of food, jobs for those who can and will work, and

(Continued on Last Page)

S. M. Harvick, 68, Ozonan 48 Years, Died Here Monday

Heart Attack Fatal To Ranchman; Funeral Tuesday

Funeral services were held at 10:30 Tuesday morning from the Ozona Methodist Church for Stricklin Martin Harvick, 68, a resident of Ozona 48 years, who died at his home here Monday morning at 5:30 as the result of a heart attack.

Services were conducted by the Rev. J. Troy Hickman, pastor, assisted by the Rev. W. T. Gigstad, pastor of the Lutheran Church at Clifton, Texas. Burial was in Cedar Hill Cemetery, with Cody Funeral Home in charge of arrangements. Pallbearers were L. J. C. Holland and Dr. Otis Parish of San Angelo, Jim Dudley, Frank James, Bill Seaborn, Wayne E. West, Lowell Littleton and Pascal Northcut.

Strick Harvick was born in San Saba county May 27, 1885, the son of the late Mr. and Mrs. Adam Stricklin Harvick, pioneer San Saba county residents.

When barely 21 years of age, he first came to Ozona to work on ranches, including the Robert Massey, S. E. Couch and Sol Mayer ranches. He served for a time as deputy sheriff, as deputy county clerk and in tax collector and treasurer offices. He was an inspector for the Texas Livestock Sanitary Commission during the time of cattle tick eradication. In his youth he worked in silver mines in New Mexico and worked with the construction of the original grade for the Sonora-San Angelo rail line. He graduated from Tyler Commercial College and held jobs in Dallas.

On October 29, 1918, he married the former Miss Edna (Brownie) Kincaid and the couple engaged in ranching 35 miles south of Ozona until about three years ago when Mr. Harvick retired from active ranch work to live in Ozona.

Surviving are the widow; two daughters, Mrs. Donald W. Dwyer of San Antonio, and Mrs. Ulmer Busby of Fort Stockton; two sons, Martin and Jim Ad Harvick of Ozona; four sisters, Mrs. Carl Jones and Mrs. Jim Hamrick of San Saba, Mrs. Louisa Murray of Colorado City and Mrs. W. J. Beasley of Belton, and seven grandchildren.

Baccalaureate Services Sunday In Auditorium

Rev. Steph To Preach Sermon To Graduating Class

Baccalaureate services for the graduating class of Ozona High School will be held next Sunday morning, May 16, in the High School auditorium at 11 o'clock.

E. M. Steph, minister of the Church of Christ in Ozona, will deliver the sermon to the graduates this year. His sermon topic will be "What We Make It." All the churches will join in the services.

The processional "Triumphal March" by Craig, will be played by Miss Cleona Quiett. "Holy, Holy, Holy" will be sung by the congregation and the invocation will be pronounced by the Rev. Blake Woolbright, pastor of the First Baptist Church.

Two numbers will be sung by the choir, directed by Jack Kay, music director of the First Baptist Church, the first "Send Out Thy Light" by Gounod and "The Lord Bless You and Keep You" by Lutkin. Mr. Kay will sing a tenor solo, "If With All Your Heart," by Mendelssohn.

After the benediction by the Rev. Troy Hickman, pastor of the Methodist Church, the recessional, "March of the Priests" by Mendelssohn, will be played by Miss Quiett.

Belated Red Cross Drive To Be Made Here Starting Monday

Because of many conflicts and consequent difficulties in lining up a crew of solicitors, the 1954 Red Cross drive in Ozona is still incomplete and Chairman Bill Cooper has announced that solicitors will be out next Monday morning in an effort to wind up the quota in a day-long drive.

Five local organizations have consented to furnish volunteers to aid in completing the fund drive and presidents of these organizations will meet with Mr. Cooper Friday afternoon to map plans for the campaign. Cooperating organizations are the Ozona Rotary Club, the Lions Club, the Woman's Forum, the Ozona Literary Club and Epsilon Sigma Alpha sorority.

The local Red Cross chapter had originally set a total goal of \$960, of which \$560 was for the National Red Cross quota and \$400 for the local fund. Since the Welfare Council has had a recent fund drive and its organization is functioning to meet local needs, Red Cross chapter officials have decided to top off the projected local fund quota and strive only for the National quota of \$560. Approximately \$75 has already been donated.

Ozona Winners In Contest Get Awards

Four Ozona students, winners in regional competition in an essay writing contest sponsored by the Fort Worth Press on the subject of soil conservation, will receive regional awards at Alpine Saturday, May 29.

The four students, more regional winners than produced by any other town in the West Texas area, are Jane Adams, Carol Blackstone, Joe Clayton, Jr., and Genelle Childress.

Ten local winners out of approximately 100 participating were selected for cash awards under sponsorship of the Crockett Soil Conservation District in the essay contest. These ten winners were entered in regional competition and the four named above were chosen for regional awards. The essay topic was "What I can do about Soil Conservation."

The awards meeting in Alpine is sponsored by the Big Bend Soil Conservation District and the Alpine Chamber of Commerce. Winners and sponsor representatives will register at the Holland Hotel from 10 a. m. to 12 noon and a barbecue dinner will be served at Kokernot Lodge during the noon hour, with the awards meeting set for 1:30 p. m. at the lodge. For those who wish to take part, there will be an all-day tour of Big Bend park on Sunday beginning at 8 a. m.

Uvalde Livestock Sales Co. Adopts New Schedule Of Sales

Roy M. Kothman of the Uvalde Sales Company announces a change in days for livestock auction sales. Cattle sales will be held every Thursday, beginning June 3. Sheep, goat and hog sales will be held every Friday, beginning June 4. Saturday sales will be discontinued at that time.

In Pearland, the Frio Livestock Auction Sales will be held each Wednesday, beginning June 2, replacing the regular Thursday sale. Kothman states that the changes in dates have been made in response to numerous requests from producers and marketers in this area.

"The changes in dates," he says, "are to meet their convenience, and we are happy to do this in order to serve them better. Personnel and other policies of the company will not be affected."

Blackstone Named School Board Prexy

N. D. Blackstone was elected president of the new district school board in its organization meeting Tuesday night. Dick Henderson was named vice president and Joe Tom Davidson, secretary. Other members of the board are Jake Miller, Dempster Jones, Ezra Trotter and Hartley Johnigan.

15 Graduates To Get Diplomas At Exercises May 21

Dr. Bryan Wildenthal To Deliver Address To Class

Fifteen Ozona High School Seniors will reach the end of their high school careers Friday night, May 21, when graduation exercises marking the end of the 1953-54 school session are held in the high school auditorium.

Dr. Bryan Wildenthal, president of Sul Ross College at Alpine and former president of San Angelo College, will deliver the commencement address to graduates.

The graduation exercises will begin at 8 p. m. Processional and recessional marches will be played by Miss Cleona Quiett, and the invocation will be by the Rev. Troy Hickman, pastor of the Methodist Church. The salutatory address will be given by Graham Childress and two musical numbers by members of the class, a piano solo, "Impromptu in C Sharp Minor" by Reinhold, played by Shirley Kost.

The valedictory address will be given by Wanda Carden. Class awards will be presented by P. O. Hatley, high school principal, and the class will be presented for graduation by Supt. L. B. T. Sikes. Diplomas will be presented by N. D. Blackstone, president of the school board. The benediction will be pronounced by the Rev. Blake Woolbright, pastor of the First Baptist Church.

The graduates are Jane Adams, Barbara Bonn, Wanda Carden, Graham Childress, Charles Garza, Buddy Gibbs, Johnny Hedrick, Shirley Kost, Billie Ann Larkin, Larry Lewis, Kenneth Phillips, Alena Powers, Donald Taylor, Jeannene Thompson and Vivian Trotter.

1,680-Bbl. Well Finaled In N'west Crockett County

Big Producer Extends Tippet Field To Southeast

Bankline Oil Co. and Hurt Oil Co., Ltd. No. 1-41 Renee Mayberry Forristal, recently completed 75-miles southeast extension of the Tippet lower (Wolfcamp) field of Crockett County, located 11 miles southeast of McCombs, has been dually completed as an upper Wolfcamp discovery.

It was finalized for a calculated daily flowing potential of 1,680 barrels of oil, cut 2.8 per cent with mud. Gravity of the oil was unreported. Gas-oil ratio of 92.1. There was no water.

The potential was based on an actual two-hour and 15-minute flow through a choke of unreported size and perforations between 6,187-6,217 feet in 5 1/2-inch casing cemented at 6,510 feet on the total depth of 6,517 feet. Operator will file application for discovery allowable and for rights to dually produce the well from separate pays.

The well was finalized April 30 for a potential of 1,440 barrels of 29 gravity oil, with gas-oil ratio of 1,000-1. Production was through perforations between 6,294-6,330 feet in the lower Wolfcamp. Location is in 41-31-H&TC.

Reagan Sheriff Posse Sponsors Roping Set.

Reagan County Sheriff's Posse will sponsor a 4-calf matched roping for girls next Saturday, May 15, at Big Lake. Ten to fifteen of the top girl ropers of the Southwest are expected to be entered.

A six-calf matched roping between Marjory Yates of Van Horn and Wanda Harper of Mason, two top-notch girl ropers, will be a feature of the afternoon's program.

In addition to the matched roping for girls, there will be barrel racing and an open jackpot roping for men.

Two Big Lake Men Held In Theft Of Oilfield Equipment

Two Big Lake men are being held in lieu of bonds fixed in justice court on charges of theft and burglary filed here Friday by Sheriff V. O. Earnest in connection with the theft of a quantity of oil field equipment from a drilling rig located northwest of Ozona.

Charged are Billie O. Williams and Melvin West. Among articles recovered are 10 automobiles batteries, all in serviceable condition, two identified as belonging to the Makin Drilling Co., now on location northwest of Ozona. The drilling company reported the loss of approximately 100 pair of protectors for 9 1/2 inch drill pipe and 20 pairs of protectors for 13 1/2 inch pipe. Sale of these protectors was traced to a buyer in Big Lake. Also reported missing from the Makin rig were three Hughes drill bits. These have not yet been located Sheriff Earnest said.

Eighth Grade Promotion Set For Next Week

S. Elementary Program May 19; Jr. Hi Thurs. May 20

Promotion programs for the eighth grades, marking the completion of the elementary grades and graduation into high school, will precede the graduation exercises for the high school, the final event in next week's programs which will bring to a close the 1953-54 school session in Ozona.

South Elementary School's graduation program will be held Wednesday night, May 19, and the Junior High School program will be on Thursday night, May 20, both programs in the high school auditorium and both starting at 8 p. m. There are 27 pupils to be promoted in the South Elementary class and 75 in the Junior High School, a total of 62 to be added to next year's high school enrollment.

South Elementary exercises will open with music by Mrs. Lowell Littleton, who will play the processional and recessional marches. Invocation will be by Hermina Delgado. "Keep on Hoping" will be by the class. Delma Martinez will play a piano solo and Eva Montes will give the class prophecy. The parting song will be by Josephine Vela and the class will sing "I've Done My Work," by Mary Lara will be the closing number of the class program.

Awards will be presented by W. H. Stockard, principal, and diplomas will be presented by Supt. L. B. T. Sikes. "A Perfect Day" will be sung by the class and the benediction will be pronounced by Mary Lara.

South Elementary graduates include Juanita Borrego, Margarita Borrego, Hermina Delgado, Urbano Fierro, Graciela Galvan, Ismael Gonzales, Mary Lara, Elia Landin, Augustine Luna, Anita Maskill, Delma Martinez, Estrella Morin, Eva Montes, Mercedes Nervaiz, Elena Perez, Cecilia Ramirez, Jesus Ramos, Bobby Rivera, Alisia Rodriguez, Juan Rodriguez, Nilda Rodriguez, Odilia de la Rosa, Nato Tambunga, Alma Vargas, Bobby Vargas, Lape Vargas and Josephine Vela.

The Junior High exercises will open with the processional played by Alleane Young. The salutatory address will be by Wanda McCaleb the class history by Stanley Williams, the class will be given by Genelle Childress, the class poem by Helen Clark, and the class prophecy by Gwynel Walker. Musical numbers on the program include a clarinet solo by Jackie Young, a piano solo by Mark White and a piano solo by Martha Flowers. "An Appreciation" will be given by Pat Woodall and the valedictory address will be by Mary Jo Ward.

Principal J. T. Clark will present class awards and Supt. L. B. T. Sikes will present diplomas. Acceptance of diplomas will be by

Drouth Emergency Feed Program Is Ordered Halted

State Committee Rules Conditions Improved To Erase Need

While the most severely blighted drouth area of Texas, the extreme southwest and west sections, were being missed by the bountiful rains that drenched the northern half of Texas early this week, telegrams were going to all formerly designated drouth stricken counties announcing the state Drouth Emergency Committee's decision that the drouth is over and that the emergency feed program has been halted in all counties as of May 11.

The telegram was received May 12 in the local Agricultural Stabilization and Conservation office, through which the emergency feed program was being administered.

"Due to improved conditions in the drouth area" the telegram stated, "the drouth emergency feed program is being suspended in all counties effective May 11." The local office was ordered by the state committee not to process any more feed orders after the effective date and advised that orders in process would be completed and delivered.

Sunday Is Promotion Day For Methodist Sunday School Dept.

Next Sunday will be Promotion Day in the Methodist Sunday School, the pastor, Rev. Troy Hickman announced this week.

The promotion program will begin at 9:45 o'clock a. m. and be concluded by 10:30. Bibles will be presented to all pupils graduating from the Junior Department and certificates will be given all others promoted. The program will be in the fellowship hall of the church and all parents are cordially invited.

The Methodist church will have no services at the regular church hour, the congregation joining in the baccalaureate service to be held in the high school auditorium at 11 a. m.

Wants Information On Swimming Classes

Mrs. Taylor Deaton, local Red Cross water safety chairman, would like to have information on how many persons will be interested in having swimming lessons here this summer. If enough are interested classes will be organized early in June.

Mrs. Taylor also announced that a water safety and life saving course for instructors will be given June 8-18 at TSCW in Denton and anyone interested in taking this course is invited to call Mrs. Deaton.

McCamey Invitational Tourney May 14 - 16

The third annual Grass Green Invitational Golf Tournament at McCamey Country Club will get underway Friday, May 14, with qualifying rounds. Play will begin Saturday morning at around 6 and continue through Sunday, May 16th.

There will be 54 hole medal play for Championship and First Flight. Match play will decide the other flights.

If a large field is entered, it may become necessary to reduce the match play to nine holes in order to get the schedule completed.

Medalist prize will be awarded to low qualifying player Friday. There will be a barbecue held Friday afternoon followed by Calcutta Pool. A dance will be given in the Club House on Saturday night.

Mrs. Karl Kreamer of Houston has returned to her home after a visit here with her mother, Mrs. W. H. Augustine, who has been ill. Another daughter, Mrs. Helen Williams, also of Houston, remained for a further visit.

A BUCK WITH A MESSAGE

Few people think of a dollar bill as a piece of paper with a message printed on it. But there is a picture story on the back side that suggests the need for keeping eternal vigilance over the union of states. Observe the unfinished pyramid and the eye above. The pyramid represents the growing of the union, and the eye, its guardian.

With the national debt almost at the present legal limit, and with government spending still exceeding income, it's high time we thought seriously of guarding the union from financial chaos. And to do that we must not only demand economy in government, but must cheerfully accept the effects of economy on ourselves.

T-H HASN'T HURT WORKER

Many labor leaders are still singing their old song to the effect that the Taft-Hartley Act is a "slave labor law", which was designed to destroy the unions and place helpless workers at the mercy of rapacious employers.

Last year a Congressional Committee conducted an exhaustive hearing on the law. The record ran to some 7,000 pages. And according to David Guntert, a Los Angeles attorney and student of labor policy, this vast accumulation of facts and opinions "does not contain a single bit of concrete evidence that the Taft-Hartley Act has ever injured an individual workingman or woman, or in fact interfered in any way with the legitimate activities of labor unions."

The main thing Taft-Hartley has done is to protect workers against certain forms of coercion by unions—which must be the reason labor bosses are so strongly against it.

Mother Goose In Texas

By Ray Wood

Peckerwood a-peekin';
Chips a-flyin';
Old folks a-fussin';
Young-uns a-cryin'!

When Mother Goose came to America she found subjects for child rhymes never dreamed of in old country and it was only natural that pioneer children should seek to add to the slender store of rhymes brought over in the memories of early colonists.

Among the most charming of early American children are those about "critters", to whom pioneers attributed intelligence and actions. Among the foremost of these are Jaybird and Peckerwood (alright-woodpecker if you insist). To them nothing was impossible:

"Jaybird pulls the turnin' plow,
Sparrow, why not you?"
"My legs' so long and spindlin'
I'm feared they'll break in two."

Such rhymes have that nonsensical aimlessness which is the most endearing quality of good folklore—nothing pointed—just good fun.

Often the Jaybird and the Peckerwood must co-operate, as in this rhyme:

Peckerwood pecked on a sycamore tree;
Stuck his bill in for to see;
Lizard grabbed him by the snout;

Jaybird had to pull him out.
Next Week: The "Possum and the Raccoon".

Variants of these or similar rhymes will be recorded in the permanent collection of Mother Goose in Texas, if sent to Ray Wood at Raywood, Texas. Copyright 1954, by Ray Wood.

DIFFERENT STORY

We've all heard the argument that only government can provide so-called financial "security" for the people—that they are incapable of doing it for themselves.

The facts tell a different story. In 1952, according to Insurance Economics Survey, some \$27,000,000,000 of the national income went into four basic mediums of family and individual protection. There are: Life insurance and annuities; pension and retirement funds; long-range savings in banks saving and loan associations, and in U. S. bonds; and insurance of one kind or another to help meet costs of medical care and loss of income resulting from illness and accident.

It is estimated that the 1953 investment for these purposes was more than \$30,000,000,000. The American people are hardly lacking in thrift, foresight and responsibility as the advocates of ever-bigger, ever-more-powerful, and ever-more-costly government would have us believe.

**For Travel Comfort This Summer
 Equip Your Car With a New
 CAR - TRUCK**

Air Conditioner

**PLUGS INTO CIGARETTE LIGHTER
 Trouble Free — No Installation Cost**

These new car air conditioners are the answer to the problem of summer motoring comfort. Just plug into the cigarette lighter and turn it on. Fill with water, automatic pump keeps pads wet and two-speed motor with directional control, and you are ready to enjoy a comfortable journey.

There is no installation cost and no complicated drive system to cause trouble. Adjustable legs fit any car or truck—both 6-volt and 12-volt models. Small but powerful motor, two speeds, will not cause undue battery strain.

From where I sit ... by Joe Marsh

The "Write" Prescription

Noticed three half-finished letters lying on the counter down at Jones' Drug Store last week. "Writing three at once, Doc?" I asked.
 "No," Doc said, "you are—you and the rest of the town. Those are for the boys from our town who are at the National Guard encampment."
 "Everyone who comes in adds a line or two, and when a couple of pages are filled, I mail them. That way the boys hear from folks who might not write otherwise. They sure do enjoy it."

From where I sit, little things can add up pretty big. A few short notes make a letter. Boys from our little town help build up a strong National Guard to protect our freedom. Even freedom is made up of a lot of things—living where we like, voting the way we think is right, choosing between coffee, tea, or beer at dinner. And anything that adds up to freedom gets my stamp of approval.

Joe Marsh

"The man who's always boasting about his ancestors makes you wonder if his family's not better dead than alive."

**IT'S AMERICA'S
 "BEST SELLER"**

Because it's America's Best Buy

Ford has pioneered in bringing the most worth-while things to the most people... and more and more people are now buying Fords

FOR A LONG TIME, people have recognized that Ford is the "Worth More" car. And they have been expressing their preference in a great and growing volume of purchases.

The reason is simple. More and more people have found in Ford everything they want and need.

If you're in the market for any new car, Test Drive a Ford and find out what a brilliant performer it is and you'll really understand why Ford is America's Best Seller and America's Best Buy.

In the first place: Ford offers the two most modern engines in the industry: a new 130-h.p. Y-block V-8 and 115-h.p. I-block Six.

As for comfort—Ford is the only car in its field with Ball-Joint Front Suspension for handling and riding ease.

Choice, too, is a department where Ford excels. You'll find just exactly the car for you among the 14 body styles and more than 100 body color and upholstery combinations in Ford's three great lines.

Ford is a completely modern car. The advanced fine-car features that make it "Worth More" when you buy it, will also make it "Worth More" to someone else when you sell it.

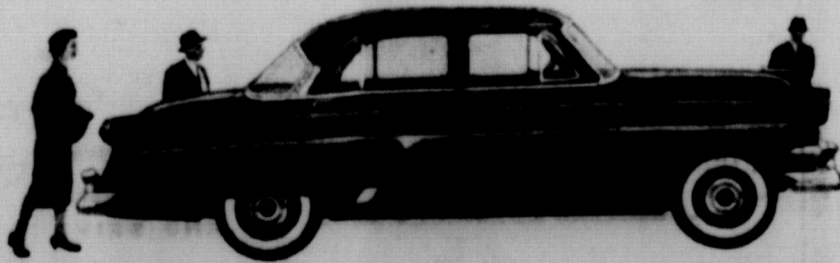

Why not accept our invitation to Test Drive a '54 Ford... and see why America's best seller is your best buy!

The Ozona Stockman

LET'S TALK LIVESTOCK BY TED GOULDY

Fort Worth — When the trading got underway at Fort Worth Monday the buyers of slaughter cattle were bidding sharply lower. They

had seen that whopping run of over 103,000 cattle and over 9,300 calves—about 22,000 more cattle and calves than the 12 major markets had reported a week ago.

About this same time, it began raining hard and then harder. This did not change the lower bids until word began coming in from West Texas, Oklahoma and East Texas that heavy rains were tumbling down in those parts of the territory covered by the Fort Worth livestock market.

By midmorning, the gloomy skies had a silver lining. The buyers were practically stepping on each other's heels trying to "get in" somewhere where they could pay stronger prices.

Instead of a lower market, all cattle and calves drew strong prices.

It was one of the quickest recoveries—caused by a rain—that anyone had seen in a long, long time.

Best fed steers and yearlings drew \$20 to \$24 and fat cows drew \$11.50 to \$15, with canners and cutters \$8 to \$11.50. Bulls \$10 to \$15.

Good choice fat calves \$18 to \$22, and stocker calves and yearlings \$17 to \$21.

With an estimated 18,000 sheep and lambs on hand at Fort Worth Monday, there were some fears that a break in prices was due. However, trading started off on the opening gong in snappy fashion and it was soon apparent why.

New York sources reported dressed lamb was \$1 to \$3 per hundred higher than Friday's close. This added to the \$3 to \$5 that lamb gained last week—made it obvious why lambs were in strong demand.

With packers and order buyers active in the trade, milk fat Spring lambs sold from \$22 to \$26, when good to choice. There were some wet fleeces to be considered in the trading as some of the later arrivals got soaked by the rains.

However, some of the choice lambs that were marked down to \$25, instead of the \$26 they would have brought if dry—were not penalized much if any. It is safe to say that a lamb in full fleece will hold from 6 to 8 or more pounds of water in his wool. At 25 cents a pound that is not hurting!

Medium and lower grade lambs mostly \$12 to \$20, and feeders \$17 down. Shorn fat lambs of good and choice kinds drew \$19 to \$21.50, the latter figure paid for some heavies.

Medium and low grade clippers sold from \$10 to \$18. Stockers and feeders sold from \$13 to \$17. Some two-year-olds sold from \$12 to \$15, and old wethers at \$9 to \$12. Slaughter ewes \$5 to \$6. Old bucks \$4 to \$5.

Lt. Carden Assigned to Wright-Patterson AFB

Wright-Patterson Air Force Base, Ohio, May 7, 1954—Second Lieutenant Ralph H. Carden, son of Lt. Col. and Mrs. Henry H. Carden of Ozona, Texas, is serving as an assistant of the headquarters commandant at the Headquarters, Air Material Command, here.

Lt. Carden is a native of Belton, Texas, and a graduate of the Ozona High school in 1948. He received his bachelor of business administration degree with honors from the University of Texas in 1954. He was commissioned as a reserve officer in January, 1954, and entered into active service here in April.

With his mother, the former Gussie Watson of Ozona, the lieutenant is living at the York Hotel, Fairborn, Ohio, near this base.

Robert Neal of Junction, former Ozonan, is reported in critical condition in a Junction clinic following a heart attack suffered last week. Mrs. Neal is the former Clara Mae Dunlap, daughter of Earnest Dunlap of Ozona. Mr. and Mrs. Dunlap went to Junction on learning of Mr. Neal's illness.

THE LION'S ROAR

PUBLISHED BY STUDENTS OF THE JOURNALISM DEPARTMENT—OZONA HIGH SCHOOL

Most Beautiful Girl and Handsomest Boy Chosen By Judges

Word was received from The Staff of North Texas State on Tuesday that the "Difficult but pleasant" task of selecting the most beautiful girl and handsomest boy of O. H. S. had been completed.

After much study and consideration their choice for the Most Beautiful Girl was Wanda Armbrister and the Most Handsome was Buddy Gibbs. Others in running for the selection made the task especially difficult. These were Charles Garlitz, Ronnie McMan, Sonny Henderson and Jody Jones for the boys and Sandra Brennan, Ann Ratliff and Wanda Carden for the girls. Any girl would have been an honor for old OHS.

OFTA CLUB

By Soveida Machado
The Ofta Club held its final meeting of the year at activity period on Monday, May 10. The minutes of the past meeting were read and approved. Naomi McElvaney, Gene Galbraith and Janice were installed as new officers. Everyone was urged to bring dues for this second semester to Beverly Day or Mrs. Cody so that all business would be complete and in order to begin next year. The rest of the period was spent listening to selections from the My Hand which were by Mrs. Cody.

What If?

This was Sept. 1, 1953. People could be satisfied. There wasn't so much red-tape in school.

Everybody stayed home during the summer.

Everybody went on the school trips.

John S. wasn't going to Angelo Saturday.

People voted Ozona wet.

All Juniors went to class meeting.

Charlie B. didn't read certain books.

Charlie and Herman could re-route the Garner Park road through Bandera.

Charlene returned! What would Stein do?

Duck hid Rat on the bus to New Orleans.

Martha B. wasn't so old.

The Freshmen didn't skip study hall!

Larry Lewis had a girl friend.

The Sophomores could make up their mind.

Big Phil was the Valedictorian.

Charles S. didn't work so late at night.

Everybody passed.

All classes would go to a different place on their class trip.

Phillips was going to graduate.

You could buy Algebra at the Drug Store.

The C-Bomb blows up the world.

The Volleyball jackets got in.

School lasted for three more months.

Sammie Houston came to school more often.

Kent, Sonny, and Jane H. weren't two year lettermen in Algebra.

Seniors Present 'Our Miss Brooks' In Two-Night Showing

By Larry Lewis

The Senior Play, of "Our Miss Brooks" was presented Monday and Tuesday nights of this week. Those of you who missed it missed the greatest play ever put on by Seniors of any class.

"Our Miss Brooks" was a laugh-filled comedy which starred Wanda Carden as Miss Brooks, Jane Adams as Miss Finch, Chas. Garlitz as Ted, Billie Larvin as Jane, Buddy Gibbs as Hugo Longacre. More good parts were Vivian Trotter as Miss Audobon, Graham Childress as Mr. Wadsworth, and Shirley Kost as Mrs. Allen. Students in the play were Jeannene Thompson, Ann Baggett Beverly Day, Donald Taylor, Sandra Brewer, Janice Spencer, Barbara Fields, Barbara Bonn, Larry Lewis and the star of all stars, "Big Phil".

The play went off very well and we of the Senior class wish to thank everyone that came out to see the play. Also we wish to thank the ushers who were Alena Faye Powers, Ann Ratliff, Betty Walley, and Patty Hardesty. We must go on to thank Coach Wilkins and Mr. Hatley for selling tickets and everyone else that contributed something.

We wish to especially thank our wonderful director, Claude Leath, for working so hard with us and Jerry Currier who was the assistant director.

Fads and Fooie

By "Big Phil, the answer to every girl's dream, the perfect specimen!"

You know, in our High School we have several music lovers then there's people like Mr. Childress. His favorite orchestra isn't big enough for an off-key quartet... let alone an orchestra. I believe they call them selves the Maddox Brothers' and Blossom!

Oops! pardon me. After looking in my files of things to stay away from I see that isn't Blossom after all, it's Rose! There is an old saying that a rose by any name would smell the same, here is where mother nature got the screw thrown to her. You know, for a while I couldn't tell the difference between the Maddox Brothers and Rose apart from Homer and Jethroe! But I finally found a way to distinguish between them, Jethroe has a better voice than Rose.

Once again Cupid has been stooped, and shot an arrow of passion into one of the enterprising juniors. This time Stiney was the target. And after having several close talks with Mr. Bones, I came to a final decision. Yes, this time, (not like the last 7) it's true love it must be. After all, if it wasn't why would he drive halfway around the world to Midway Lane to get his little mate? And what other boy would give up coffin-nails while his woman was in the car? Yea, this time it's really it.

I asked Boney how he felt in his own words, and do you know what he said? "Well Phil, it's this way. I think I'll sell all of my roping stock, buy me a new car and settle down. I feel that she's the only one for me, we both wear the same size clothes, and look at the money we'll save buying blue jeans!"

As you all know, everything the Seniors touch usually turns to gold, and with our play this year it was the same. And to show our appreciation to Mr. Hack for struggling with us, and directing our hilarious comedy, we gave him a new opium pipe, and a marrywanna bush so he could grow his own tobacco. (so I spelled it wrong, write your congressman!) I think it's time that I told you a little about this year's wonderful group that will soon be leaving these dust-covered old halls... with the exception of one! Who this one is I can reveal to the public, but a certain prof. from the dairylands of Minnesota is giving him a batch of trouble. This year our class consists of 7 of the most handsome boys I've ever known, 8 of the most beautiful girls I've ever laid eyes upon, and our one drawback Larry Lewis. But I suppose in every organization there must be a few failures. First in mind I have that well known bellhop from the Hotel Ozonie. Better known as "Little Bill, Duck, and just plain (Censored). Duck has had his ups, and downs this year. After falling madly in love with most of this year's twirlers, and getting the boot from all of them he is about ready to pine away, but I hear in New Orleans he will approach the one twirler he has overlooked this year. Yes, Shirley will soon be wooed Dogpatch style.

Next comes this year's best prospect for a painless dentist, H. C. Gibbs. Ah, Yea, old Harold, As big and strong as a frame house. (with rotten 2X4's) Buddy has been working hard this year with his weight lifting and now is working on something else, putting some weights on the bar! I have hopes though. Maybe Big Bud will fit into the pants that he gave away recently if he keeps working hard. (85% burning desire)

Next on my list is a boy who we all love. I will give you a few hints on this character before I come out with his identity. Several of us laughing call him pet names such as "Spider legs, Dowell and Slim" He was voted most popular - - - - and is currently going with - - - - and is planning to go to - - - - after graduation. By now you know of whom I speak so kindly, yea, it's the Seniors' safest driver, Graham Childress.

But I mustn't say too much about one person, we should progress further. Next I run over the shop (Continued on Page Seven)

You'll never know how easy driving can be... UNTIL YOU TRY A MERCURY

COME IN...DISCOVER MERCURY'S NEW 161-HORSEPOWER ENGINE, BALL-JOINT SUSPENSION, MERC-O-MATIC DRIVE AND EASY POWER FEATURES

It's an entirely different feeling from any car you've ever driven. So effortless and sure-footed you won't believe it until you try it. The first thing you notice is the easy passing power that comes from Mercury's entirely new overhead valve V-8 engine. The secret is Mercury's new four-barrel carburetor with the two rear barrels vacuum-operated. These rear barrels deliver extra power at the precise second you need it. Coupled with this new passing power is the biggest improvement in front-end design in many years—revolutionary new ball-joint suspension that lets you take every corner, every curve more smoothly—easier than you ever thought

possible. Two simple ball-and-socket joints replace old-fashioned kingpins that tend to bind and make steering stiff. These smooth-operating ball-joints give you a new feeling of road stability... of extra highway safety.

But you can make your driving still easier with Mercury's 5 easy power features.* Power steering, power brakes, a 4-way power seat, smooth, no-shift Merc-O-Matic Drive... even electric window lifts.

Come in and let us show you how easy driving can be—and why it will pay you to own America's fastest growing car. Take a demonstration drive in a Mercury today!

IT PAYS TO OWN AMERICA'S FASTEST GROWING CAR...

A Hydra-Matic GMC pays you back 6 ways

SURE, GMC's Truck Hydra-Matic Drive costs extra on some light-duty models. But man—how it pays you back!

You save gasoline—because GMC Hydra-Matic cuts the high consumption of fuel in stop-go use.

You save tires—because GMC Hydra-Matic's velvet-smooth getaways prolong tire life—by as much as three times in some operations.

You save maintenance—because GMC Hydra-Matic ends all clutch costs—prevents shock-loading damage.

You save time—because at every start, GMC Hydra-Matic ends shifting lags, gets up to road speed quicker.

You save yourself—because GMC Hydra-Matic frees you of all clutching and shifting chores. And being fresher, more alert, you're quicker to avoid hazards that could be costly.

You save at trade-in time—because a Hydra-Matic GMC will rate a higher price than old-type hand-shifted trucks.

Are you a shrewd buyer? Then drop in at our showroom. We'll prove that a Hydra-Matic GMC is your best truck investment.

Get a modern truck!

Stockman anyway. But no foolin', I've sure enjoyed staying up late writing the column, falling behind in my studies, writing Sports instead of studying for a test (and flunking it), and a few dozen more odds and ends.

At least one other person besides me read my column. Ronnie McMullan always read it because it usually had his name in it and he just ate that up. But I've got to hand it to Ronnie, he's my buddy. Why he always comes up to me and slaps me on the back, offers to buy me a coke, shakes my hand, and then asks me if his name is going to be in next week's column.

Then there's Duck, he used to always come to me on Mondays after football games and say, "Ernie Boyd said I was great in his column, why don't you?" I never had the nerve to tell him.

Big Phil never did ask me one time to put his name in my column, he just TOLD me too. You can still see the scars on me from the time I told him that he flubbed in a game.

But it's been a nice year, and I enjoyed every moment of it. And thank you very, very much for reading my columns, I wish to thank Mrs. Janes for letting me write the column and Mr. White for printing it. Thank you.

Fashion Wishing Well Is H. E. Style Show

The annual style show given by the H. E. department with garments of their own making was held Thursday night in the High School auditorium. The stage was set as a garden with a woodland backdrop, wrought iron furniture, a bubbling pool, and a wishing well. Jane Adams was commentator.

"The Wishing Well of Fashion" began with Junior High and progressed through High School to show the steps of clothing construction ability.

A feature of the show was the clothes made by recent graduates for their own young children, modeled by the children. Some of the older girls had also made clothes for young friends of theirs. There were Ruth Sparks Snyder with her son, Mike; Betty Maddoux Hoover and son, David; Leona Cunningham Armentrout and son, Jim; Marilyn Hubbard Ashby and son, Chick; Shirley Kost and Cora Kay and Dinah Faye Coates; Myrtle Mae Everett and Deborah Mills and Ruth Ann Moss, Sarah Hicks and Jane Nobles; Gearl Long and her sister Ann; Susie Schneemann and Max Schneemann, III.

The show covered everything from the most casual of cotton dresses to fabulous formals. There were 80 girls modeling, from the 7th to the Seniors. The girls presented Mrs. Hull with a silver tray as an appreciation present.

Girls Presented Sweater Awards

Thursday morning during activity period the volley ball, cheerleaders, and twirling sweaters were given to the girls.

The sweaters are white wool with a white "O" trimmed in purple. The sweaters are very dressy looking.

The girls who received sweaters on the B string in volleyball were Peggy Trotter, Mary Lou Johnigan, Robbie Kuykendall, Beverly Day, and Tonia Ortiz. The cheerleaders who received sweaters were Vivian Trotter, Betty Walley, Martha Bailey, and Rosie Walley. The twirlers who received one were Jan Jones, Shirley Kost, Billy Larvin, and Jeanne Thompson. The flag bearer Barbara Fields received one too.

The A string volleyball jackets have not come in yet. We are hoping they come before school is

out. The girls who will receive a jacket are Carolyn Stuart, Ann Ratliff, Barbara Bonn, Cecilia

Cooke, Alena Powers, Sarah Hicks, Darlene Alford, Carol Friend and Sandra Brewer.

These girls have worked hard and they really deserve an award. Till next year!

part-by-part proof...

Plymouth

is your "best buy" in the lowest-price field!

Recently a 1954 Plymouth and current models of the other two best-known low-price cars were taken apart by Plymouth engineers and compared, part by part. Standard "stock" models were used. We've listed some typical findings below.

Plymouth is "best buy" in many ways. Here are just a few!

Front Wheel Brakes
Plymouth engineers provide two hydraulic brake cylinders in each front wheel to ensure smooth stops without "grabbing." The other two low-price cars have only one.

Seat Springs
Plymouth uses coil seat springs for longer lasting support. The "other two" have a zigzag platform type. Also, Plymouth's "springs-on-springs" design adds more comfort.

Piston Rings
Plymouth has four rings on each piston; the "other two" have three. Result: decreased carbon deposit, more consistent power output, increased oil economy, too!

Micronic Oil Filter
Standard on most Plymouth models. Keeps abrasive dirt out of the engine, reducing wear and achieving greater oil economy. Extra cost on the other two low-price cars.

And dozens of other part-by-part comparisons prove Plymouth is your "best buy"! See us today... and get the facts!

Ask us for the big illustrated booklet that shows how Plymouth leads in frame construction... engine design... performance... economy... comfort... safety.

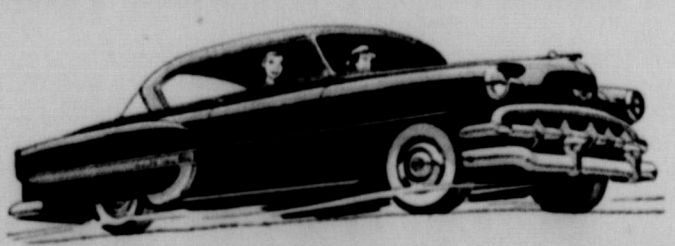

Go for a drive in America's "best-buy" low-price car!

BUY A NEW CHEVROLET—TODAY'S BEST BUY IN PERFORMANCE!

highest compression power

OF ANY LEADING LOW-PRICED CAR

TRY IT AND YOU'LL TELL US THAT YOU GET THE BEST OF ALL 3—PERFORMANCE, ECONOMY, PRICE

The modern trend in engine design is to higher and higher compression. That's to wring more work out of less gas. Chevrolet gives you the highest compression of any leading low-priced car. Come in, get the facts and a demonstration. We're sure you'll tell us that Chevrolet out-performs and out-saves its field!

Only Chevrolet in the low-price field gives you all these "Best Buy" values

Here and There
By J. Troy Hickman
(Continued from Page One)

the sun comes up nearly every morning.

Perhaps what we need to do is read the paper less and garden more, abandon the radio and go fishing, or just forget the whole thing.

One suspects that since God has been at the wheel of this silly old world He has seen it in a mess many a time. But He seems not to have given it up. And if He doesn't why should we?

Although most of us will not live to see it, it seems certain from the standpoint of faith that in the end what God wants done will be done, and everything else will simply fizzle out.

Eighth Grade —

“Best Seller” for 3 good reasons

CAN YOU SEE • STEER • STOP SAFELY?
CHECK YOUR CAR — CHECK ACCIDENTS

Buick now outsells all other cars in its price class and above

YOU'VE probably noticed it right in your own neighborhood.

Bright new Buicks appearing here, there, everywhere. And more and more of them in recent weeks.

Know what's happening?

Folks in growing numbers — (and maybe you'll be joining them soon!) — are finding Buick styling, performance and value far too wonderful to pass up.

So Buick is selling at a record pace—outselling all other cars in its price class and above.

Matter of fact, latest figures for the first quarter of 1954 show that, in total national volume, *Buick is outselling every other car in America except two of the so-called “low-price three.”*

A look and a ride and a peek at the price tag will be all you'll need to know what's back of this best-selling success.

There's styling in Buick that's the greatest beauty advance in years — the very look of tomorrow—and with the spectacular panoramic windshield that's part and parcel of this dream-car look.

There's performance in Buick as never before — with record-high V8 power, with the sensationally smooth

whip of Twin-Turbine Dynaflo,* with the buoyant ride of all-coil-springing, with a new precision of control and handling.

And there's value in Buick that's hard to match — with prices starting near the “low-price three” — prices that buy more Buick beauty and power and thrill and sheer automobile than smart money ever bought before.

How about you?

Are you ready, willing and waiting to be shown that this best seller called Buick is the buy of the year for you, too? Drop in this week, or give us a call, and we'll arrange a demonstration.

*Standard on ROADMASTER, optional at extra cost on other Series.
