**New Officers For Ozona Woman's Club Installed At Meet**

"Facing New Fronts in Music Appreciation" was the subject of the Ozona Woman's Club program at its regular meeting Tuesday at the House of Flowers. Mrs. O. D. West and Mrs. A. C. Hoover were hostesses.

Mrs. Max Schneemann, president, presided at a business session. Annual reports were read and accepted by the club. The reports recorded a very active club year. Many civic projects were sponsored and an enjoyable social year.

Mrs. Paul Jacobs of Big Lake acted as installing officer at the installation of new officers of the club for the next year. The service was entitled "Going the Second Mile".

The following new officers for the 1955-56 club year were installed: Mrs. L. B. Cox, Jr., president; Mrs. Frank McMullan, first vice president; Mrs. Ben Lemmons, second vice president; Mrs. O. D. West, recording secretary; Mrs. S. M. Harvick, corresponding secretary; Mrs. Taylor Wood, treasurer; Mrs. Hilbery Phillips, historian; Mrs. Max Schneemann, parliamentarian.

Mrs. Cox gave a stirring acceptance address. She has issued a call for a membership meeting May 16, at 8 p. m. at the Max Schneemann home. This will be a very important meeting for future planning and all members are urged to attend.

Present were Misses Iva Carson, Max Schneemann, P. T. Robison, O. D. West, Joe Pierce, Jr., J. A. Fussell, Charles Williams, Sr., Hilbery Phillips, Ben Lemmons, P. O. Haller, H. E. Tandy, A. C. Hoover, Neal Hannah, Stephen Perner, Taylor Wood, Mrs. D. B. Pettit and the guest speaker, Mrs. Paul Jacobs of Big Lake.

**Four Couples Attend State Convention Of ESA In San Antonio**

Attending the Epsilon Sigma Alpha State Convention, in San Antonio, May 6, 7, and 8, were Mr. and Mrs. Charles S. Ratliff, Mr. and Mrs. Aaron Bledsoe, Jr., Mr. and Mrs. James Isbell, and Mrs. Wayne E. West of Ozona. Mrs. Ratliff, President-elect was delegate from the Ozona chapter, Beta Rho. Mrs. Bledsoe local corresponding secretary, Mrs. Isbell, Vice-President-elect of District 7, Mrs. West, Historian elect of District 7.

Registration was on Friday morning. Workshops began at 1:30 p. m. and were attended by the entire Ozona delegation. They consisted of rushing and social, education, finance, philanthropic, history, home board and parliamentary procedure. A highlight of this period was a film on polio showing the rocking-beds and respirators in action. Rocking beds were the State project of Texas E. S. A. Chapter this year. A goal of \$2,000 was set to purchase four rocking beds for hospital throughout the State last fall. The sorority was ever the goal and was able to purchase five beds. Rock-

ing beds are used to make the diaphragm work immediately after the patient is removed from the iron lung.

Beta Rho has donated \$25.00 to the State project and \$213.76 to the local March of Dimes this year. They also gave \$10.00 for a T. V. antenna for a Brownwood child paralyzed by polio, which was the District Project.

Saturday, the delegation participated in the general assembly. A luncheon and style show was held on the North Terrace of the Gunter Hotel. At 6:30 a formal banquet was held. The guest speaker was Mrs. R. O. Pearson of Abilene, Texas, honorary member of E. S. A. and National Foundation for Infantile Paralysis State Advisor on Women's Activities.

Saturday night a formal dance was held in Gunter Hotel Ballroom with music by Larry Herman and his orchestra. Mrs. Ray Williams was crowned Queen of the Convention by the San Antonio Chief of Police. She was selected by Joe Reichman, international Band leader and entertainer from entries submitted from all State Chapters.

A breakfast was held Sunday morning with General assembly following. A memorial service for

three District 7 members was held by Mrs. Mary Paul Long, Lubbock, State Chaplain. Mrs. Long gave a lovely service in memory of Mrs. Maurice Lemmons, Ozona and a candle was lighted for her by Mrs. James Isbell, Ozona.

**Social Security Representative To Be Here Friday**

Holly Rees, field representative of the San Angelo social security office will be in Ozona next Friday, May 13. He will be in the District Courtroom at 9:00 a. m.

Dependent survivors of working people and servicemen who died after 1939 and before September 1, 1950, may now be eligible for social security benefits. The new law has reduced the amount of time required in work under social security to one and a half years for those who died before September 1950. This time may be anytime after 1936. If you are a survivor who was not eligible for social security payments under the old law, you may be eligible now. Check with the social security representative if you think you are eligible. No payments can be made for months before September 1954.

**FORUM GAME CLUB**

Mr. and Mrs. C. O. Walker and Mr. and Mrs. Jack Williams were host to the Night game Club of the Ozona Woman's Forum Thursday night at the Country Club. Mr. and Mrs. R. E. Ramsey were guests.

Prizes went to Mr. Ramsey and Mrs. James Childress, high; James A. Harvick and Mrs. Dempster Jones, second high; and James Childress and Mrs. Fred Hagelstein won bingo.

HIGHLIGHTS AND SIDELIGHTS From State Capitol

By Vern Sanford Texas Press Association

Austin Texas — Right down to the wire, the Legislature fought out the battle of taxation.

Pay of the Legislators — \$25 per day — stopped May 10. So there was all the more reason, from their point of view, that the toughest, most complex and controversial problem of the session be solved as soon as possible.

First, the House passed a tax bill, increasing or putting new levies on gasoline, cigarettes, snuff, tobacco, natural gas, trading stamps, uranium, and wine and beer dealers.

When this bill went to the Senate, amendments were introduced to tax auto storage and parking lots, jewelry, furs, and clothing, storage warehouses, airlines, real estate brokers, chemical manufacturers, hotels, tourist lodges, department stores, and chain stores.

Committee Hearings Senator Dorsey Hardeman, chairman of the Senate State Affairs, Committee, scheduled hearings almost as fast as amendments were introduced.

First witness was E. H. Thornton Jr., chairman of the State Highway Commission. He asked that the state tax on gasoline be set at six cents per gallon instead of the present four cents. (The House bill increased the gasoline tax to five cents.)

Gov. Allan Shivers had advocated a two-cent increase in the gasoline tax to provide for the state's highway needs.

He continues to express the hope that there be no income or sales tax.

That the Legislators will complete the tax bill and adjourn within two weeks is Shivers' guess.

Big question is whether the House will accept what the Senate does — especially if it changes the gas levy.

Political Aspect While they were discharging

their legislative duties, some members were thinking seriously about the political campaigns of a year hence.

Mentioned often as potential candidates for Governor have been John Ben Shepperd, U. S. Sen. Price Daniel, Lt. Gov. Ben Ramsey and Sen. Jimmy Phillips.

But a new face entered the picture this week when Sen Ottis Lock of Lufkin was approached by friends who urged him to give serious consideration to the race for Governor in 1956.

Shivers Returns Gov. Allan Shivers brought much news back with him from Washington.

In a long press conference he made the flat assertion that the Democratic Party cannot nominate another left-wing candidate and win.

He repeated that he did not intend to support Adlai Stevenson as the nominee for President next year.

He praised the work of U. S. Sen. Lyndon Johnson as Senate majority leader.

He stated that he had started negotiations with U. S. Interior Secretary McKay, looking to the solution of technical problems in solving control of tidelands oil and gas leasing — and he expressed the opinion that Texas' tideland problems were more technical than legal.

SMOOTHS THE ROAD... LEVELS THE LOAD — Automatically

the New PACKARD with Torsion-Level Ride

A truly distinctive fine car — the new Packard. Distinctive in having exclusive Torsion-Level suspension... providing a ride so smooth, so level, so comfortable on any road it has created a higher concept of motoring pleasure. Distinctive in its quiet magnificence, with color harmonies both refreshing and sophisticated and interiors designed for your personal luxury. Torsion-Level Ride — Packard's newest achievement in creative engineering leadership — eliminates conventional coil and leaf springs. In other cars, twisting forces due to wheel shock are transmitted to the frame with resulting pitch and bounce of passengers and warping of car body and frame. With the new Packard these same twisting forces are transmitted along the new torsion bar system and absorbed before they can reach frame or passengers. Distinctive, too, are Packard's new "free-breathing" V-8 engine, developing up to 87.5 horsepower... and the agile automatic response of Packard's two-in-one Twin Ultramatic Transmission. Here, in all its distinction, is a fine new car with a fine old name. Ask the Man Who Owns One.

**EDITORIAL**  
By Susie Schneemann

It is hard for us to realize that the end of school has rolled around. This is the last week of school to run on its regular schedule. Next week we will be taking finals and then we are through!

Due to the fact that we are having finals and we want all the paper staff to do real good this is the last week, we are going to put out a Lions Roar. We have written up a few articles in advance so you will know what will be happening.

We hope you have enjoyed the paper this year. From the paper staff here is hoping you a nice summer without too much water. Until next year — Good-bye for now!

### GOSSIP

Dear Wanda,  
From what I hear this past week-end must have really been heaven for the townspeople. Almost all high-school was out of town one way or another. The seniors were in Galveston, most of the juniors were at Carolyn's ranch, and the rest were in San Angelo. All you hear is "Don't touch my back" "Get your hand off my arm". Almost everyone is cooked to a beet red. There just might be some peeling backs for the Commencement dance, suppose?

When the seniors got in Sunday night it looked like all the town had come to welcome them. But it turned out there were just a few steadies greeting their other half. We saw Jan, Buskie and Roy and Pat W. and of course a couple of dozen parents. Freddy was really getting in a hurry to get off that bus when he saw the school buildings. He grabbed a little black teddy bear and was already off the bus by the time everyone else was just realizing it had stopped.

Have you heard about Nancy Perdue's ring. She is engaged to Bill Hall. She got her ring the day before she left for Galveston. It really is pretty. We asked her if she didn't hate to go off and leave him right after getting the ring but she said that she figured he'd be here when she got back and if he wasn't well she had the ring to console her. But she was just kidding, really. She was in just as big a hurry to get off that bus as Freddy.

Elizabeth Ann Pearson is back in school today. She's been absent so long it's almost like getting a new student. Everyone's glad she is back but I imagine she's twice as glad.

Now that the end of school is coming everyone is talking about their summer plans. Here are a few of the ones we've heard. Sandra is going to Dallas to visit her cousin, Martha is leaving on the 28th for Jackson to see Rosie, Tom is going to see Betty at the same time, Charles and John Sowders are going to work, Pat and Aleatha are just going to stay home and try and get Kent and Roy to come see them. Of course more people have more plans but this is all we've heard.

I guess this is about the last letter you'll be having from us. Now that's school is almost out and those final exams are upon us we'll probably be pretty busy.

Barbara and Sandra  
P.S. We've enjoyed writing these letters and we hope you've enjoyed reading them.

You want to double your wealth without gambling or stock-jobbing, share it. Whether it be material or intellectual, its rapid increase will amaze you. What would the sun have been, had he folded himself up in darkness? Surely he would have gone out.

**MONDAY, MAY 2**

As a send-off to Galveston, the seniors were honored by Mr. and Mrs. Ken Cody and Mr. and Mrs. Aaron Bledsoe. Delicious homemade ice cream and assorted cookies were served to members of the seniors class and the sponsors and their wives. Assisting with the serving were Mr. and Mrs. Dub Pettit, Mrs. A. D. Bledsoe Sr. and Mrs. Howard Mock.

**THANKS TO THE RAY DUNLAPS!**  
Cecilia Cooke

Friday afternoon at four-thirty three cars pulled out of town headed for the Pecos River on the Ray Dunlap's ranch. Those who went down on Friday were Jan Jones, Joyce Henderson, Carolyn Stuart, Cecilia Cooke, Jerry Beasley, Buskey Halydier, Carol Friend, Martha Bailey, Jess Marley, and Kent Babb. When we arrived we had a wonderful wiener roast waiting for us.

Saturday morning early after eating breakfast we all headed for the river. The complete day was spent in fishing, swimming, and boating with one exception. We paused long enough for a wonderful dinner which hit the spot.

Saturday afternoon late Dwight Odom came down in his little 'ol' car bringing some more with him that could not come down Friday. These were Erbie Chandler, Carl Conklin, Benny Friend, Ann Baggett, Brock Jones.

Saturday night was spent by listening to the Louisiana Hayride on the radio and talking in between.

Sunday morning we were given another wonderful meal which was eaten by everyone without a word. It seemed everyone was hungry. After breakfast Jess, Martha, Carol, Kent, Cecilia, Joyce, Jerry, and Buskey came home. It seems that these were a few among this lunch who came home for church. The rest stayed and fished and came home Sunday afternoon late.

Some tanned some blistered but everyone had a wonderful time.

We want to express our appreciation to Carolyn, Wanda Stuart, and the Ray Dunlaps for an enjoyable weekend.

Thanks again!  
**FUTURE FOR SENIORS**  
Darlyne Alford

Believe it or not, life doesn't really end when the Seniors graduate. In fact, life is really just beginning. Since this is the last "Lions Roar" of the year we have decided to take time out to interview the Seniors and see what the future contains for them. Of course, most of the future plans college but some don't and you always want to know where the "exes" are during the school term.

Let us begin with the officers and go from there. The President, Lynn Parker is going to SAC and then transfer to the University. The Vice President, Pat Cooper is going to North Texas in Denton. Secretary Barbara Fields plans to enter Sul Ross in Alpine, and reporter Sonny Henderson is going to Texas Tech in Lubbock. Sandra Brewer is going to T. C. U. Patty Hardesty, Guadalupe de la Rosa, Robert Freeman, and Sammie Houston all plan to enter Draughon's Business College. Charles Goodman and Aleatha Brown are entering Abilene Christian College. Sam Martinez and Ronnie McMullan are going to A&M. Fred Shoubrouek hasn't quite made up his mind but it is going to the University of Oklahoma or A&M Brothers always stick together seems to be a true saying when it comes to Charles and John Sowders. They are going to Farleton College. Kent Chapman is going to Denton and Johnny Butterfield is entering San Angelo. Ann Ratliff and Herman Carroll are going to Texas University and Charlie Black is going to San Angelo or Sul Ross while Earl Berry plans on entering University of Houston. Hugh Russell is going to Texas Tech and Jody Jones is plain undecided. Myrtle Everett is undecided. Nancy Perdue is getting married and Della Mason is living in Pecos with her husband. She will be back to graduate with Ozona. Antonio Rodriguez is going to Sul Ross. Serafin Maskill is joining the Marines and Hilda and Lucretia Montes are going to just stay home and Sberald Brownrigg plans to study electronic engineering but doesn't know where.

Well, that's all for now, so will see you next year.

**BACCALAUREATE SERVICES**

At baccalaureate Sunday, May 15 the speaker will be Rev. Troy Hickman of the Ozona Methodist Church. Services begin at 11:00.

The speaker for commencement exercises Friday, May 20 at 8:00 will Dr. Wood of the Presbyterian Church of San Angelo.

### Facts About Figures

Cecilia Cooke

This is our last paper for the year. I hope you have enjoyed it as much as we have enjoyed bringing it to you.

For my last personage this year I chose a freshman. These are a few facts on her.

The girl is Gwynel Walker. She was born in Staford, Texas on August 14, 1940.

She now stands five feet and one half inches and weights hundred fifteen pounds. Her eyes and hair are both brown.

Grade school and junior high were attended in Ozona. While in junior high, she played volleyball and softball. Her other activities were piano and choral club.

This year, her freshmen year, she is very active. These are some of her activities besides studying band, H. E. Choral Club, student Council, and piano.

Gwynel's ambition is to go to college. This summer she is planning to catch up on her sleep and go fishing.

Here are a few of Gwynel's favorites:

- Food — Fried Chicken
- Color — All of Them
- Subject — Math
- Teacher — Mr. Brentz
- Sport — Volleyball
- Season — Summer
- Holiday — Christmas
- Pastime — Getting rid of the measles!
- Book — "Legacy"
- Movie — "The Last Time I Saw Paris"
- Magazine — Seventeen

### From The Headliner

Dear Kids,  
When we come to the end of a perfect year, we find it hard to say good-by. (Or do we). Anyway it does leave a kinda empty feeling when you see the Seniors

walk out for the last time as students and when you, yourself, will be another year older and a year higher in school next year.

As we look back, this has been a very good year. In fact, it has been the best year of snooping I've ever had. Maybe it's because I've been putting my finds on paper. Nevertheless, I find it a little disheartening when I realize I must spend the next three months

all by myself. But you all have a grand summer!!!!

And in case I have forgotten sometime during the year, I'll sum it all up now. Congratulations to everyone, everywhere, for everything they have done for which they should be congratulated.

So, until next year, I remain —  
Roaringly,  
Headliner

combined with T. V. Kitting room, and bedroom. Shimmers and a plate glass overlooking the beach. After getting located, everyone hurried to the pool. Those that didn't like the pool, swam in the beautiful hotel. The pool is entirely made of brick, with a diving bridge going across the mountains spurting out in a kidney shaped pool. Last night the seniors were out everywhere. Some of the amusement park and the Blue Room, at Murphys was a nice place over the moonlight ocean, with a dance for dancing. Afternoon the sponsors took a boat ride out into the ocean. The waves were high which made the trip more enjoyable, the boys were putting on a show they dive gracefully in the water for fish. This trip was so much that some of the boys went back Sat. morning to sea fishing. The boys in Galveston were as happy as we strolled a-

long the Sea Wall overlooking the ocean, watching the tide come and go. The nights were a little cool for swimming on the beach, but made a lovely view. Everyone really did enjoy this trip and we all hope the seniors next year have as much fun as we did.

The seniors would like to thank our sponsors Mr. Leath, and Mr. Harlan for putting up with us during the school year and for being such wonderful sponsors. Also we would like to thank Mr. and Mrs. Frankie Jones, Mrs. Leath and Mrs. Harlan who made our trip a wonderful one.

**SCHOOL PICNIC**

**Genelle Childress**

Early last Saturday the high school students, loaded down with swim-suits and out-door clothes boarded our two school buses and we were on our way to Benficklen Park at San Angelo, for an all day school picnic. We had a lot of fun on the way up there with everyone in the gayest of spirits. As soon as we got there everyone turned to the water, some swimming and some boat riding, and some just enjoying the shade along the river bank.

The boys got a whole lot of

fun out of swinging from a chain high above the water and then dropping into the water. Two girls tried it but I don't think they did it twice.

About 12 Sam's Chicken House brought over wonderful chicken lunches for everyone. The juke box was going full force but everyone just listened because the food was so good and there was so much of it.

About an hour after we had eaten we all went back in swimming or boat riding a lot of people got rubber rafts which were lots of fun!

Around 3 we climbed back into the buses and started back. Everyone was very tired, and I may as well add very sunburned. But it was a wonderful picnic and we all want to thank Mr. Sikes and our sponsors for taking us!

**SWIMMING POOL**

Boy, if you have ever seen any cooked geese, you'll certainly be able to this week-end. The reason being, of course, the opening of the swimming pool. The eventful day is Wednesday, May 12. On school days, the pool will be open from 4:00 to 6:00. But on Saturday, The hours are 2:00 to 7:00. This year, Mr. Cleere will be the

manager, replacing Mr. Leath who was manager last year. Have fun kids!

**Fads and Fashions**  
**Ann Ratlif**

Just as we started the year we're ending it with bright cottons, open sandals, and short hair or pony tails.

It has been fun watching the different seasons, styles, and looks.

The nicest part of the whole year has been the continuous neatness of everyone, as though they wanted to look pretty and spent some time trying and, of course they succeeded.

Whenever I see a little lamb, Which is only a few hours old, It draws my mind far back in life

When I was tiny and bold.

I try and try to remember The time I just toddled about; But all that seems to come to me Are the times when I would pout.

When I become fully conscious And look at that little lamb, It seems he is just a little better And more superior than I am.

He never finds any time to pout Or get angry at anyone.

His mind is completely free of sin.

But he still has a surplus of fun.

4-lb. bird—5¢ saved

FEEDING METHOD	AVERAGE WEIGHT 10 WEEKS	FEED CONVERSION	% MORTALITY
Mash 0-10 weeks . . . . .	3.88	2.71	2.3
Mash 0-4 weeks and small pellets 4-10 weeks . .	4.31	2.48	3.0

This test was run on cockerels and is one of three independent tests that have all shown real savings on small pellets over all-mash feeding. Our Purina customers in Maine and Delmarva, where Purina Bite-Size Checkers were first introduced, have found such worth-while savings that they have gone almost 100% for this new feed. Your birds will change quickly to Bite-Size Checkers at any age after 3 weeks old. Why don't you see your Purina Dealer about changing over your flock right now? *Are More Important Today Than Ever*

Government regulations and heavy tax programs are destined to be a part of the American way of doing business for a long time. For that reason, it is more important today that every business keep accurate records of its operations.

The ranch business is no exception. With the stiff federal taxes, you will want to take advantage of every saving item in your expense account and at the same time have clear and convincing records available for inspection by tax agents to prove up any item on your income tax return.

Start now to keep a complete record covering all operations in your business with the Stockman's RANCH RECORD BOOK. Your cancelled checks or your present records can be transcribed to this handy record book, together with your income and inventory records and you can have your entire record in a simplified form contained in one volume.

To any Sheriff or any Constable within the State of Texas —

**GREETINGS:**  
You are hereby commanded to cause to be published once each week for four consecutive weeks, the first publication to be at least twenty-eight days before the return day hereof, in a newspaper printed in Crockett County, Texas, the accompanying citation, of which the herein below following is a true copy.

**CITATION BY PUBLICATION**  
**THE STATE OF TEXAS**

To: Amy A. Evans, Emile Aicher Broughton and James A. Montagu, and should Frances A. Montagu be deceased, then the unknown heirs of Frances A. Montagu, or her legal representatives, and Matilda Jane Zaumseil, and should Matilda Jane Zaumseil be deceased, then the unknown heirs of Matilda Jane Zaumseil, or her legal representative, Defendants, Greeting:

**YOU ARE HEREBY COMMANDED** to appear before the Honorable District Court 112th Judicial District of Crockett County at the Courthouse thereof, in Ozona, Texas, by filing a written answer at or before 10 o'clock A. M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 27 day of June A. D. 1955, to Plaintiff's First Amended Original Petition filed in said court, on the 9th day of May A. D. 1955, in this cause, numbered 2065 on the docket of said court and styled **VERNON WYLEY OREBAUGH, Plaintiff, vs. AMY A EVANS, ET AL, Defendants.**

A brief statement of the nature of this suit is as follows, to-wit: To partition all of Survey 63, T C RR Co Block MM, Aset. 3406, Cert. 1254, Crockett County, Texas, either in kind or by sale and distribution of proceeds, as is more fully shown by Plaintiff's First Amended Original Petition on file in this suit.

If this citation is not served within ninety days after the date of its issuance, it shall be returned unserved.

The officer executing this writ shall promptly serve the same according to requirements of law, and the mandates hereof, and make due return as the law directs.

Issued and given under my hand and the seal of said court at Ozona, Texas, this the 10th day of May A. D. 1955.

**In Music Club Program**

Negro spirituals and folk music were featured in the program of the Ozona Music Club in its regular meeting Thursday night in the fellowship hall of the Methodist Church. Mrs. Ted White, club president, presided at a short business meeting.

Miss Cleona Quiett, program coordinator, spoke on "The Contribution of the Negro to American Music." Jim Harvie sang "Steel Away to Jesus," and "Go Down Moses." Jan Pridemore played "Nobody Knows de Trouble I See" and "Frolic" by Burleigh. Mrs. L. B. Cox, III, played "Juba Dance" by Dett. Mr. and Mrs. James Rollins played a piano duet and the Ozona Volunteer Fire Department band played "St. Louis Blues," "Mobile" and "Basin Street Blues."

Hosts for the social hour were Mr. and Mrs. R. A. Harrell, Mr. and Mrs. Ken Cody, Mr. and Mrs. W. P. Conklin and Mr. and Mrs. James Rollins.

**BUY NEW MACHINE**

A new photostat machine for the county Clerk's office was ordered purchased by the Commissioners Court here this week. The machine was purchased on a bid of \$6,130.

Two-way radio equipment for the sheriff's department, including a portable set for use in airplanes or other vehicles in case of need, was also provided by the court. Dick Henderson paid a part on the cost of the portable set and a receiver for the water department truck was paid for by that division, which with the allowance made by the Civil Defense Administration, covered the cost of the equipment, with the county being out nothing in the deal.

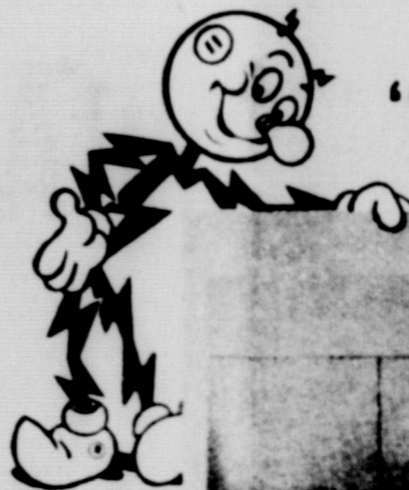

If you are interested in becoming a Royal Ambassador come to the Baptist Church at 7:30 p. m. on Tuesday.

**Business Spurt All Records In Months of '55**

Texas — January-March business activity exceeded, annual margin, any previous in the state's business. The University of Texas Business Research

index averaged percent of the 1947-49 base, 8 per cent above the base and 12 per cent higher than the index for the first quarter of 1954. During the past months, the level of Texas has registered a 16 per cent increase, one of the sharpest since the index of activity has been compiled.

S. Stockton, Bureau Research director, says he predicted that the index now under way will

continue into 1956. This expectation is reflected in plans for capital expansion of business concerns, which in general look for an increase of 15 to 20 per cent in total output within the next four years.

By PRICE DANIEL  
U. S. Senator

In record time the Senate passed a three-year extension of the Reciprocal Trade Act last week. The debate lasted only three days. The Senate followed its Finance Committee in strengthening the escape clause and other provisions designed to protect domestic industry and to provide for actual reciprocity in trade rather than a one-way street whereby our markets are flooded with foreign imports for the purpose of additional financial aid to foreign countries.

A special provision was placed in the bill authorizing the President to limit foreign oil imports and other commodities essential to the national defense whenever it is found that they are damaging the domestic industry to the extent of endangering the national security. This is of particular significance with reference to oil, because the President's cabinet advisory committee has already reported that oil imports in excess of the 1954 ratio between imports and domestic production would endanger the national security. Administration officials have assured members of Congress that they will use the authority written into this bill by the Senate Finance Committee to keep foreign oil imports in line with the 1954 ratio.

**Farm Price Supports**  
By a vote of 206 to 201, the House last week passed a bill which would restore farm price supports of 90% of parity for the basic commodities. The measure now goes to the Senate Agriculture Committee, which may not complete action on the bill at this session. Some committee members who opposed Secretary

Benson's flexible support bill last year think it should have a fair test before returning to rigid supports. However, if farm conditions do not improve, there will be a strong effort in the Senate to agree with the House on restoring 90% of parity.

**Business Disaster Loans**  
Hearings have been held before the Small Business Subcommittee of the Senate Banking and Currency Committee on a bill introduced by Senator Johnson and the writer authorizing the Small Business Administration to make emergency loans to small businesses adversely affected in drought areas. Although it has been argued that the Small Business Administration has had this authority under existing law, the present administrators have taken the position that loans of this type cannot be made without amending the present law. Judge Edgar Taylor of Snyder and Judge Milton Ramsey of Andrews testified before the committee in behalf of the bill.

**Chevrolet "Turbo-Fire V8"!**

This is the engine that's writing a whole new chapter in the book of automobile performance records. This is the engine that has stock car timers doing a "double take" at their stop-watches wherever experts gather to compare the abilities of the 1955 cars.

For example, in the recent NASCAR stock car competition at Daytona Beach, Florida, Chevrolet literally ran away from every other car in its class — and a raft of others besides. In the one-mile straightaway run for low-priced cars, the first two places — and six of the first ten — went to Chevrolets. And in acceleration runs from a standing start against all comers, the Motoramic Chevrolet beat all other low-priced cars — and every high-priced car except one!

What's behind this blazing performance? A compact honey of a V8 that only the world's leading producer of valve-in-head engines can build. Chevrolet's new "Turbo-Fire V8".

It puts a new kind of fun in your driving life. You're in charge of 162 high-spirited horsepower — or if you're looking for even more excitement, the new "Super Turbo-Fire V8" (optional at extra cost) puts 180 h.p. under your toe!

Pick the one you'd rather have fun with, then come in and get behind the wheel. You'll see why the Motoramic Chevrolet is showing its heels to every one else on the road!

National Association for Stock Car Auto Racing.

Combine your new Chevrolet purchase with your vacation plans!  
Order a new Chevrolet through us, then pick it up at the plant in Flint, Michigan, see Chevrolet built, if you like, and drive your home. Chances are, you'll save a substantial share of your vacation travel costs!

**CCC Wool Stockpile Not To Be Dumped On Market At Cut Price**

San Angelo — The U. S. Department of Agriculture has announced that the present minimum selling price for wool owned by the Commodity Credit Corporation will be continued until November 1, according to a wire received by R. W. Hodge, President, Texas Sheep and Goat Raisers' Association.

"This is a policy that we and the National Wool Growers Association have been working for since it was announced that the Defense Department would not use any of these wools for use in manufacture and storing of cloth" Hodge added.

"It is hoped that this announcement will tend to help the wool market in general as the 1955 clip is now moving into the warehouses in Texas. These CCC wools have been hanging over the market and naturally depress it."

Penrose B. Metcalfe, Vice-president of the National Wool Growers Association and a past president of the TS&GRA, spent considerable time in Washington in April with other officers of the National Wool Growers Association on this problem, Hodge said.

New Dodge Custom Royal Lancer in dramatic three-tone styling.

So head for your Dodge Dealer . . . and take your pick!

The moment the new Dodge hit dealers' showrooms, the "rush" was on. New car buyers had struck gold . . . and they knew it! Actual sales figures throughout the country show that sales have doubled over last year as America goes for "The Big One!" And why not? In the new Dodge you'll find "solid gold" luxury and value—for only a few dollars a month

more than you'd pay for one of the "low price three." In its class, it actually costs less than cars up to 9 inches shorter. And its *flair-fashioned* styling is stealing the "Oh's" from cars costing a thousand dollars more. The rush is on . . . with 17 magnificent new Dodge models to choose from.
