## Teachers In System Re-Elected For 1955-56 Term

### \$3,600 Salary Minimum Set; Plan Program For Next Year

Teachers in the Ozona school system were re-elected and details of program plans for the 1955-56 term were discussed at the regular meeting of the school board Tuesday night.

The teacher salary scale was set at a minimum of \$3,600 per year for beginning teachers, a raise of \$3,300, putting the local system in a position to compete with schools in seeking the best teacher talent.

The following present members of the teaching staff were offered contracts for the coming year: High School — P. O. Hatley, principal, Q. A. Brentz, Byron E. Harlan, V. M. Harlan, Mrs. Janie Hall, Miss Geneva Knox, C. H. Killingsworth, Mrs. J. A. James Rollins, Mrs. Louise Schaffer, Miss Harriette Schaffer, R. K. Wimberley, Miss Peggy Ann Moore, Byron E. Cleere and Ed Hickman.

Junior High — Johnny Clark, principal, James Coker, J. B. Cushman, Miss Judy White, Mrs. Betty Killingsworth, Mrs. Oma Odom, Miss Marbeth Stubblefield, Miss Arel Shahan, Mrs. Elaine Mills, Mrs. Georgia Harlan, Mrs. Edene Whitaker, Mrs. Margaret Whittaker, Mrs. Jane Womack, Miss Thelma Thompson, Miss Lucille Green and Mrs. Clovis Green.

South Elementary: E. M. Boyd, principal, Miss Alberta Ross, Mrs. Lee Harlan, Mrs. P. O. Hatley, Mrs. Stephen Perner, Mrs. Horne Davenport, Mrs. Juanita Little, Mrs. Jewel Bailey, Miss Cora Anderson, Clifford V. Tubbs, John Laugh, Mrs. Lucille Littleton, Mrs. Nell Smith and Douglas Green.

## Baseball Field To Be Lighted For Night Play

### Schools And County Cooperate In Improvement Plan

A lighted baseball field, suitable for Little League, Pony League or regular baseball play will be available for this summer's baseball program at Powell athletic field.

Through the cooperation of the county and schools, a plan for installing a lighting system and making needed repairs on the grandstand at the Powell field park was adopted this week and installation of the lights will begin in a few days.

Eight new 60-foot poles holding light fixtures each will be installed, with the maximum depth of the outfield made usable with the new lighting system. With this plan, the field may be used both for Little League and regular baseball play. The portable fence, necessary for regulation Little League field dimensions, will be moved from the Lion Club field to the new field for use of the Little League this summer.

In addition to the lighting of the field, a complete overhaul is being given the old grandstand, with bracing to be reinforced, new flooring where needed, showers and toilets put in good working order and a new paint job for the bleachers.

## FOR SCHNEEMANN

Mr. and Mrs. Max Schneemann, of Big Lake are the parents of a daughter born March 9 in the Big Lake hospital. The baby, named Sheryl, weighed 7½ pounds. She is the granddaughter of Mr. and Mrs. Max Schneemann of Ozona and Mr. and Mrs. Buster Tolson of Colorado Springs, Colo.

## Achievement Awards To Be Presented 4-H Club Members Apr. 5

Crockett County 4-H Club members and their supporters will be honored at the first annual Achievement Program to be held on April 5th. County Agent Pete Jacoby announced this week. The event will be at night, beginning around 7:00 p. m., with a barbecue supper at the girls' gym in the High School followed by the awards program. During the program outstanding 4-H members will be awarded medals and trophies for their achievements of the past year.

Some of the outstanding awards to be presented will be the Gold Star Award, Achievement and Production Awards, plaques to outstanding adult leaders and boosters of 4-H club work, and presentation of the coveted Mother Davidson Trophy to the all-around outstanding 4-H club member.

## Television Cable System Completed To All Sections of City

Last links in the cable system which brings television reception to Ozona homes was completed this week and the signal service became available to any home in Ozona except in the Latin-American section, which will be wired later.

Approximately ten miles of coaxial cable transmits the signal from television stations in San Angelo, Midland and San Antonio to homes in Ozona from antennas mounted atop the 400-foot tower on Tandy hill. Connections are now being made from cable to homes and satisfactory television reception is now available for the first time in Ozona.

## Large Delegation May Attend Del Rio P.T.A. Conference

A large delegation representing Ozona Parent-Teachers Assn., is expected to attend the 34th Annual Conference of P. T. A. to be held in Del Rio March 29 and 30. Mrs. James Baggett, president of the local P. T. A., said this week.

The local organization is entitled to one delegate for each ten members and it is hoped that as many as possible will go from here, Mrs. Baggett said. If there are a sufficient number to go, plans are being considered to go in a school bus. The delegates will leave here Wednesday morning, March 30. Registration for the convention will open at 8 a. m. and the meeting will be concluded by 4 p. m.

Any member who can make the trip is asked to call Mrs. Baggett as soon as possible.

## Soil Dist. Supervisors Join ASC Committee In Study of 1956 Program

The Crockett Soil Conservation District Supervisors held their regular meeting Thursday, March 10, at the Crockett county court house. Present were: Charles E. Davidson Jr., R. A. Harrell, and Bill Clegg, all members of the Board. Also present was SCS representative, Bob Scott and County Agent Pete Jacoby.

After a short docket of business was handled, the Board of Supervisors joined the ACP Committee in the ACP office for a joint meeting with that committee concerning the 1956 ACP Program.

## Location Made For Crockett Prospector

Robert T. Brown, Dallas has filed application to change location on the I-C University, one mile west outpost to production in the Howard Draw field of Crockett County, 22 miles west of Ozona.

The project will be drilled with cable tools to 1,400 feet. Operations were to have begun March 2. Location is 1,650 feet from the north and 330 feet from the east lines of 24-30-University. Original application was filed as 2,310 feet from the north and 330 from the east lines.

Mrs. H. W. Baker

## Mrs. H. W. Baker Is Guest Speaker At Woman's Forum

Mrs. H. W. Baker, Sixth District Chairman of Indian Affairs, TFWC, was guest speaker at the Ozona Woman's Forum's Texas Day program. Her topic was the Alabama Indians of East Texas.

The 400 Alabama Coshatta Indians living on the only reservation in Texas, last year observed their 100th year of living on the reservation in Texas, the speaker recounted. They occupy 4,280 acres of pine forest land in Polk County, 96 miles northeast of Houston, near the county seat of Livingston. Sam Houston was in the Senate of Texas when the land was deeded to the tribe in 1854. Tradition says that when Houston presented the land to them, he told them "never let the sun set with a white man on their land." Only one exception has been made to this, Dr. Chambers, a missionary, lives there after his home burned. They have kept their own language and have never intermarried during this time.

In 1931 an act was passed by the state to purchase 3,071 of better farming land for them. It was at this time that the Texas Federation of Women's Clubs became interested and acquainted the public with the situation. A scholarship fund has been set up with the objectives being: To help improve Indian standards of living to provide opportunities whereby Indians can obtain better jobs, better health, better homes and schools, and equality of civil rights.

Mrs. Martin Harvick, program leader, introduced the speaker and showed an Indian exhibit. Mrs. (Continued on Last Page)

## Slick Oil Finals Well In Crockett

The Farmers (San Andres) field of Crockett County has been extended one location south and west with the completion of Slick Oil Co. Ltd. No. 2 University, in 8-50-University Lands Survey, 18 miles north of Ozona.

It finished for a daily flowing potential of 65.04 barrels of 29.9 gravity oil, plus 14 per cent water with gas-oil ratio of 576.

Production was through a 3-1/2-inch choke and perforations between 2,492-509 feet in 5½-inch casing set at 2,671 feet on total depth of 2,705 feet.

Tubing pressure was 125 pounds casing pressure, 575 pounds.

The top and base of the Grayburg was 2,492-506 feet.

## 4-H Members Start Calf Feeding Projects

Calf feeding projects for 4-H club members got off to an early start this past week when two new 4-H members placed three Hereford steer calves on feed. Jacklyn and Billy Troy Williams have placed on feed and nurse cows, calves from their father's registered herd.

Several other 4-H members are trying to locate suitable calves to place on feed. Calves must be started soon if they are to reach prime show condition by show time next year.

This year will mark the first calf feeding projects in about five years in Crockett County. Quite a few calves have been fed out in previous years but were discontinued during the drought.

## Woman's Forum Style Show Set Saturday At 3

### Spring Fashions To Be Modeled At Annual Event

Members of the Ozona Woman's Forum will present their annual spring style show Saturday afternoon March 19, at 3 p. m. at the Ozona Country Club.

The combination tea and style show will be titled "Lilac Time" and will feature the latest in spring fashions. Models are club members and guests from other organizations. There will be children and teenagers to represent the younger set.

Mrs. Brock Jones and Mrs. L. B. Cox, III, will provide the music for the afternoon. Mrs. Joe Williams and Mrs. Bryon Williams will be the vocalists to set the opening with songs from the stage show "Lilac Time".

Fashions for the show are furnished by the Maurice Shop, Martha's Kiddie Shop, and Florence's Hat Shop, all of San Angelo and Jewelry will be from Nathan's in San Angelo and Wesley Sawyer Jewelry of Ozona.

Models include Mrs. Carl Appel, Mrs. T. J. Bailey, Mrs. Boyd Baker, Mrs. L. E. Cox, III, Mrs. Charlie Elack, Mrs. Fred Hagelstein, Mrs. Pete W. Jacoby, Mrs. Austin Mills, Mrs. Beecher Montgomery, Mrs. Marshall Montgomery, Mrs. Jess Marley, Mrs. Jess Odom, Mrs. W. T. Stokes, Mrs. P. C. Perner, Mrs. W. H. Whitaker, Mrs. Jack Williams, Mrs. Charles Williams, Jr., Mrs. Ralph Jones and Mrs. Joe Tom Davidson.

Guest models are Mrs. Max Schneemann and Mrs. Hillary Phillips, Mrs. Sam Fitzhugh, Mrs. Aaron Bledsoe, Miss Peggy Moore and Miss Lois Erwin.

Teenage models are Martha Bailey, Genelle Childress, Becky Davidson, Gwynel Walker, Jane Odom, Jan Jones and Sandra Whitaker.

Modeling styles for children are James A. Harvick, Carmen Childress, Judy Black, Cynthia Appel, Peggy Harvick, Melissa Harvick, Jordice Harvick, Lucille Childress, Cheryl Clayton, Chris Clegg, Lynn Cox, Barbara Joan Davidson, Robin Jones, Janice Walker and Vicki Lynn Montgomery.

Mrs. Beecher Montgomery is general chairman and Mrs. Pleas Childress will be commentator.

## One-Act Play To Be Presented For P.T.A. Program Monday Night

Members of the Ozona Parent-Teachers Assn. will have an opportunity to see the first presentation of the one-act play which Ozona High School students are rehearsing in preparation for competition in the Interscholastic League one-act play contest this year when the play is presented as the PTA program feature next Monday night. The play is being directed by Haskell Leath.

The PTA meeting is set for 7:30 Monday evening in the high school auditorium. All parents and friends are cordially invited to attend.

## Conoco Completes Ranch Field Strike For 722 Bbls. Daily

The Ranch (Strawn) field of Crockett County has gained its fifth producer and ½-mile north and east extension with the completion of Continental Oil Co. No. 2-D-C, T. Harris in BB-2-C, T. Harris, 13 miles south of Texas, for a calculated daily flowing potential of 722 barrels of 48 gravity oil.

Potential was based on an actual 11-hour flow of 331.33 barrels of oil through an 18-64-inch choke and perforations between 8,182-192 feet in 5½-inch casing cemented at 8,238 feet, the total depth. Top of pay was picked at 8,173 feet on derrick floor elevation of 2,880 feet.

Tubing pressure was 1,500 pounds; casing pressure, 750 pounds. Pay section was acidized with 500 gallons.

## Sheep Shearing And Wool Preparation Demonstration Set

A demonstration in the proper methods of sheep shearing and wool preparation will be staged at the Ozona Wool & Mohair Co. warehouse here on Saturday, April 16, Beall Barbee, warehouse manager, announced this week.

J. A. Gray of San Angelo, sheep and wool specialist with the A&M Extension Service, will be in charge of the demonstration and will explain to ranchmen, sheep shearers, captains and others interested, the best shearing methods and how fleeces should be prepared to command the best prices in the wool market.

The demonstration will start at 1:30 p. m. and a cordial invitation is extended to all ranchmen and others interested to attend.

## Location Changed On Crockett Test

J. C. Striklin, Monahans, will drill a 1,600-foot cable tool wildcat in Crockett County, 12 miles northwest of Ozona. It will be drilled as the No. 2 Holt.

Operations are to begin at once. Location, on an 80-acre lease, is 990 feet from the north and 330 feet from the west lines of 63-OP-GC&SF.

The prospector is ½-mile north of the Pure-Bean field, but separated by a dry hole. It is also ¾-mile south of a San Andres gas discovery.

## Mrs. Forest Dudley Guest Speaker For Methodist W. S. C. S.

Mrs. Forest Dudley of Pittsburg, Texas, secretary of Spiritual Life for the South Central Jurisdiction of the Woman's Society of Christian Service of the Methodist Church, was guest speaker at a meeting of the Ozona WSCS Wednesday.

A covered dish luncheon in the fellowship hall of the church was given in Mrs. Dudley's honor. Following the luncheon, the visiting official spoke to the group on the subject of Spiritual Cultivation. She was introduced by Mrs. R. A. Harrell, local Spiritual Life chairman. While here Mrs. Dudley was a guest of her sister-in-law, Mrs. B. B. Ingham, Sr. A gift from the Society was presented to Mrs. Dudley by Mrs. Joe Pierce, Jr.

Mrs. W. T. Stokes, WSCS president, presided over the meeting. A solo, "My Faith In Thee" was sung by Mrs. H. B. Tandy.

Guests were here from Sonora, Sheffield and Sweetwater. From Sonora were Meses, E. E. Sawyer, Tom Davis, L. Epps, J. F. Howell, Alvis Johnson, W. H. Marshall, O. G. Glasscock, and B. W. Hutcheson. Mrs. Roger Dudley, Jr., of Sheffield and Mrs. Nelson Boothe of Sweetwater were also guests.

Members attending included Meses, L. D. West, N. W. Graham, B. B. Ingham, Sr., Joe Pierce, Paul Perner, Chas. Williams, Sr., J. A. Fussell, George Harrell, L. D. Kirby, Pete Jacoby, Victor Pierce, R. A. Harrell, L. B. Cox, S. M. Harvick, Troy Hickman, Batts Friend, Howard Lemmons, M. J. Read, Joe Clayton, H. B. Tandy, Taylor Word, J. W. Henderson, W. D. Cooper, Floyd Henderson, and Meses Mildred Ralston and Isidra Verver.

Next week will be the annual Conference meeting of the WSCS in San Angelo. There will be no meeting of the local Society. All members are urged to attend the meeting in San Angelo March 22-25.

## Rotary Club Hosts To Basketball Squad At Barbecue Supper

Ozona Rotary Club members will be hosts to the Ozona High School basketball squad and their coaches at a barbecue supper to be staged next Tuesday night, March 22.

The supper will be on the high school grounds, weather permitting, and an interesting program is being arranged for the occasion.

## Ozona To Host Second Annual Volleyball Meet

### Junior High and High School Teams Play In Meet Mar. 19

On Saturday, March 19th, the first round of the junior high and high school division of the second annual Ozona Girls' Invitational Volleyball tournament will get under way at 9 a. m.

The Ozona girls meet Big Lake for the opening game in Davidson Memorial Gym. London and Menard will be battling at 10, Ozona "B", who are filling in the vacant spot in the bracket and getting some good experience, will go against Eldorado at 11 and Iraan and Junction will wind up the first round of play in the high school division when they play at 12. Iraan won the first tourney last year and will be back to try for a repeat.

Iraan and London open the junior division play in the girls' gym with Eldorado and Big Lake falling in line at 10. Fort Stockton will play the winner of the Iraan-London game at 11 and Ozona will play the winner of the Eldorado-Big Lake game at 12.

High School play will be resumed at 1:30 with the first game of the consolation route, followed by winners of the 9 and 10 o'clock games at 2:30. The losers of the 11 and 12 o'clock games will be playing at 3:30 for the last chance to stay in the race and the winners of the 11 and 12 o'clock games will play at 4:30.

Junior division play won't be resumed until 2:30 when the loser of the 10 and 11 o'clock games play for a chance at the finals. At 3:30 the losers of the 9 and 12 o'clock games will play for other places in the finals.

All finals will be played in the Davidson Memorial Gym.

Junior Division Consolation winner will be determined with the 6 p. m. game, and the Champion and Runner-up winners with the 7 p. m. game. The High School Division Consolation winner will be determined by the game at 8 p. m. and the Champion and Runner-up winners by the final game at 9 p. m.

Trophies will be given to the winners in each division. An outstanding player and six all-tournament players will be chosen in the high school division. Each player selected will receive miniature volleyballs.

Miss Geneva Knox, Girls' physical education teacher and volleyball coach, will be the tournament director. Johnny Clark, Jr. High school principal, will officiate for the high school division and in the Saturday night final games in both divisions. Roy Killingsworth will do the officiating in the Junior High School division games to be played in the girls' gym. Supt. L. B. T. Sikes will award the trophies at the tournament's conclusion.

## New Ellenburger Producer Completed Northeast of Ozona

A Crockett County Ellenburger discovery, Earle M. Craig Jr. No. 1 Melissa Childress Smith, in 16-AB-University, located 11 miles northeast of Ozona, has been completed for a daily flowing potential of 213 barrels of oil, no water, with gas-oil ratio of 1,499-1.

Production was through a ¼-inch choke from open hole between 8,140 feet and 8,162 feet. The Ellenburger was topped at 7,975 feet on elevation of 2,510 feet. Completion was natural.

Tubing pressure was 1,100 pounds; casing pressure, 600 pounds. Gravity of the oil was 44.1 feet.

The nearest Ellenburger production is six miles to the west in the two-well Ozona, North field.

## LIONS ROAR

Sponsor Mrs. Schuman  
Editor Susie Schneemann

### Fads and Fashions

Ann Ratliff

Looking just like a page from "Seventeen", Jan Jones and Martha Bailey playing tennis in Bermuda shorts with matching knee socks and striped blouses. Jan's were bright red and Martha's avocado, both made of sailcloth. They found that they could wear the shirts and socks with levis, too although it wasn't quite so unusual.

We like: Suzann Dale's skirt, topped with cumerbund with pockets on it; Sandra Brewer's white shirt that laces up one shoulder; Martha Flowers' white bolero sweater; Carol Friend's white dress embroidered with pastel safety pins; Barbara Field's lavender t.v. pants, trimmed in black; and the way the North Elementary auditorium can be dressed up to provide a background for pretty girls in evening dresses that seem to float.

### JUNIOR SENIOR BANQUET

By Susie Schneemann

March 12, 1955, everyone was real excited and there is no wonder. Of course it was because of the Junior-Senior Banquet and Dance.

As the old custom goes only Juniors and Seniors could attend that banquet but all of high school could go to the dance.

The banquet was first so that is where we will start. At 7 p. m. everyone was at the Methodist Church looking at the beautifully decorated hall and waiting for the banquet to start. The tables were together in a U-shape. There was a big half moon with roses climbing around it, to carry out the theme of Moon Light and Roses, as a centerpiece at the head of the table. For smaller centerpieces there were smaller bunches of roses around the table. There were tall white candles with white angel hair around them which created a heavenly look. When we arrived, there was a shrimp cocktail and a congealed fruit salad waiting to be eaten. On the side of the plate by the shrimp cocktail there was a small rose for little favors.

Carol Blackstone, master of ceremonies, started the program off by introducing Roy Mann to give the invocation. Benny Friend welcomed the Senior Class and commented on how they were in a bed of roses and ran everything. Lynn Parker gave the response and told the Juniors that they would find out it was a rock garden because "Seniors got blamed for everything".

There was a quartet consisting of Sozeida Machado, Jean Price, Janie Ruth Adams, Naomi McElvaney, accompanied by Mr. Rollins, singing "Moonlight and Roses".

The speaker of the night was Mr. L. B. T. Sikes and he gave advice from "An Experienced Gardener." The banquet was closed with everyone singing the school song led by Martha Bailey, Ann Baggett, and Susie Schneemann.

Of course, the most important thing of the banquet was the food, which was wonderful. The main course was a turkey plate with all the trimmings. This was prepared and served by the Junior Mothers and our thanks go to them.

Everyone then adjourned to the dance held at the North Elementary. As you entered the dance hall there was a huge arch with roses around it. Scattered around the floor were small brick walls with roses growing on them. In one corner there was a special feature which was a bubbling fountain. In another corner there was a wishing well, with the "Man in the Moon" shining above it. While couples were dancing to the heavenly music of Sul Ross Dance Band, bubbles were blown out on the dance floor.

Juniors and Seniors alike want to send out special thanks to Miss North who has given us our evening in pictures for our remembrance through the years.

With the help everyone so generously gave us we think we had the most beautiful banquet and dance yet.

### FOOD FOR THOUGHT

The beauty seen is partly in him who sees it.  
— Bovee

### From The Headliner—

Hi There,

Just look all around you — that is if you can open your eyes long enough. What do you see? Trees in bloom, people sleeping, students loafing, women cleaning, love-bugs biting, and exactly nothing being accomplished. What does all of this mean? Spring has sprung!! Tennis and track have replaced football and basketball. Shorts have replaced wool skirts. Cotton shirts have replaced football-jackets. Poor grades are replacing good grades. In general, life has changed. Or should I say existence has changed, because there certainly isn't much life around.

Then, of course, there is a horrible epidemic of that dread disease, "Spring Fever". How is it cured? No one knows. There is not even a wonder drug that can cure it. If you already have it, please accept my deepest sympathy. If you do not, then stay on

your toes, like me and don't let it get you down, too.

(Yawn) I want to con- (Yawn) congratulate our boys (Yawn) on their track (Yawn). I've got to quit, folks sorry, (Yawn) I can't seem to (Yawn) keep awake any longer.

Roaringly, Healioner

### VOLLEYBALL NEWS

Darlyne Alford

Saturday, March 19, is the big day. Yes, the girls volleyball tournament is here. Also on the same day there will be a Junior High tournament in the girls' gym. In the Senior Tournament there are 8 teams competing. They are Big Lake, Ozona, Menard, London, Ozona "B", Eldorado, Iraan, and Junction. The first game begins at 9:00 a. m. between Big Lake and Ozona, and the championship game will be at 9:00 p. m.

We want to see a lot of backers out Saturday so don't dissappoint us. Don't forget — volleyball can be exciting too — so, we

hope to see you Saturday.

### GOSSIP

Dear Rosie and Betty:

The main event of this week of course was the Junior-Senior Banquet. Everyone really did have a good time. The decorations were very pretty with the bubbling fountain and the moon, and of course the stars and roses that carried out the theme of Moonlight and Roses. The Sul Ross Band played for the dance, and everybody especially liked the music. Kent C. couldn't exactly find words to tell anybody how much he did like the band, and the one number that resembled an African beat.

Just to let the lower classmen know what the banquet was like, the Juniors served turkey-dressing, sweet potatoes, asparagus, giblet gravy, shrimp cocktail, lemon tarts, a jello salad, assorted nuts, and iced tea. The speeches were very good, and everyone seemed to get a big kick out of the Prophecy, especially the part where Charles Sowers was the gift to every woman's heart, by ordering through Clint, Texas.

Some of the surprise couples at the dance were: Elizabeth-Johnny B., Earl B.-Jean P., Ann R.-

Jimmy, Sonny-Carol, and Benny-Martha. But they looked like they were having a good time.

After the dance Saturday night, a few of the girls had a slumber party at the Silver Spur Motel. The girls who attended were Janice, Peggy, Ann R. Carolyn, Patty, Wanda, Barbara, Ann, and Sandra.

We've heard a lot about the girl that Hugh R. has been dating but we've never had a chance to meet her, until Saturday night when Hugh showed up at the dance with her. Her name is Jackie and she comes from Sonora. She sure is

cute, Hugh.

Well that is about all the gossip for now, we will see you next week. Barbara and Sandra

### ASSEMBLY PROGRAM

Beverly Killingsworth  
Maybe you didn't know we had some very good amateur performers in both Jr. High and High school. Well, they proved it to us last Wednesday in assembly. There was a quartet from Jr. high composed of Scotty Moore, Clarinet; Joe Beckman, Clarinet; Diana (Continued on Page Five)

## Don't say you can't afford a Mercury before you check the price of this one

Mercury's lowest-priced car—the 188-hp Custom 2-door 6-passenger Sedan—is shown above. Other models in the Custom series are: a 4-door Sedan, a hardtop Coupe, and a new 4-door all-metal 8-passenger Station Wagon.

Mercury's prices start below **13** models in the low-price field\*

\*Based on comparison of manufacturers' suggested list or factory retail prices.

### AND LOOK AT THE EXTRA SIZE, BEAUTY, POWER, AND VALUE YOU GET

- Mercury is bigger than the "low-price" cars . . . in length, width, and wheelbase.
- You get exclusive styling—Mercury's stand-out styling is shared by no other car.
- You get high horsepower plus SUPER-TORQUE V-8 performance in every Mercury. (There is 188 horsepower in the Customs and Montneys, 198 horsepower in the ultra-smart Montclairs).
- There's a 4-barrel vacuum-operated carburetor standard on every model at no extra cost. You enjoy 2-barrel economy for normal driving, 4-barrel pickup for fast getaways and safer passing.
- Revolutionary new high-compression spark plugs provide top performance at all speeds —help prevent fouling and pre-ignition.
- You save when you buy. Compare our allowance on your present car. It's based on high-volume sales. We can be generous.
- You protect future trade-in value. Mercury consistently leads its field for resale value.

IT PAYS TO OWN A **MERCURY** FOR FUTURE STYLING, SUPER POWER

**ABOUT THE 1955**

## POLIO VACCINE

**PLANS**

### TARGET DATE — April, 1955

This is the month when the evaluation report on the Salk polio vaccine will be issued by the Poliomyelitis Vaccine Evaluation Center directed by Dr. Thomas Francis Jr. at the University of Michigan. Carefully checked records of 1,830,000 school children who participated in the nationwide field trial sponsored by the National Foundation for Infantile Paralysis last year will show if the vaccinated children escaped paralytic polio attack.

### WHAT THEN?

If it works and is licensed by the Federal Government the vaccine will be offered immediately to about 9,000,000 school children throughout the nation before the polio season begins. The National Foundation has contracted for enough vaccine for this purpose. It will be supplied to State Health Departments without charge for the product. State and local health officials will administer the program, which will be one of the largest public health projects ever undertaken in this country. Manufacturers will make available additional supplies of vaccine for purchase, to be given by physicians to others. Of course, if the vaccine is not licensed, it will not be used.

### WHO WILL GET IT?

Children in test groups who did not receive vaccine in last year's field trials and all children in the first and second grade of public, private and parochial schools in the United States, Alaska and Hawaii, will receive vaccine, if it is licensed and their parents request it. These children were selected because of high polio incidence in their age group, and because of their accessibility at schools. Vaccine clinics will be set up in schools in most areas, but arrangements will depend on state and local situations. Since three shots are required over a five-week period, the time element underscores the need for early planning.

**This Page Sponsored in the Public Interest By**

**THE OZONA LIONS CLUB & THE OZONA ROTARY CLUB**

### WHO WILL GIVE IT?

Health officials in cooperation with the local medical profession will be in charge of the vaccine program in each community.

### WHAT NOW?

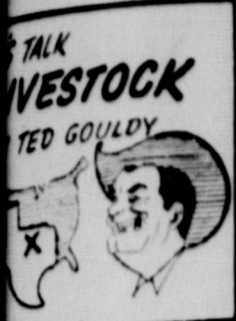

All communities must make ready for this vaccine program now if we are to protect as many children as possible before the polio season begins. Plans must be drawn, understood and publicly accepted **before we know whether the vaccine works**. It takes from two to four months to manufacture and distribute vaccine. Only by being ready to go ahead if the green light flashes can we hope to move swiftly into action. **This projected vaccine program will not be another test**. It will be the first use of a newly established preventive measure.

### WILL VOLUNTEERS BE NEEDED?

In most areas volunteers recruited by your National Foundation Chapter and health officials will be welcome and needed to do a wide variety of jobs depending upon the local situation. Health and school authorities will require assistance on conducting community information programs, distributing educational leaflets, keeping records, providing transportation for personnel and supplies, and aiding in handling the children in the clinics.

### WHERE CAN VOLUNTEERS APPLY?

Ask your local Chapter of the National Foundation for Infantile Paralysis, if you wish to help, or notify Dr. H. B. Tandy, County health officer, or L. B. T. Sikes, superintendent of schools.

Fed steers and we were weak to 50 cents... also sold around... lower at Fort Worth... Yearlings and heifers... Fat cows were under... than boning clas... trade gained strength... greening pastures and... and older replacement

cattle were calling actively at strong to 50 cents higher prices. Bulls sold steady.

The feature of the day's trade at Fort Worth Monday was the fed steers from Dickens County 4-H and FFA boys which topped at \$25. Commercially fattened cattle sold from \$23 down. Common, medium and fairly good butcher cattle sold from \$12 to \$20.

Fat cows sold from \$11 to \$12.50 with canners and cutters \$7 to \$11. Bulls sold from \$10 to \$13.50.

Stocker calves of the better kinds sold at \$20 to \$22, and steer yearlings mostly \$21 down. Fat calves scored \$17 to \$21 in a fully steady trade.

One of the largest runs since early Summer was at hand Monday in the sheep barns at Fort Worth and prices held steady. Top milk fat lambs topped at \$23.50, and old crop shorn fat lambs sold from \$20.50 down. Woolled fat lambs

topped at \$21, and feeders cashed at \$16 to \$20. Slaughter ewes sold for \$6 to \$9, and old bucks sold from \$5 to \$6. Slaughter yearlings were quotable from \$12 to \$17, and old wethers at 10 to \$14.

USDA announced last week that wool growers could assign their incentive payments to financing and marketing agencies, and thus get funds for current operations pending government payment. It requires that growers make only one assignment, and that a record of it must be filed with the growers county Agricultural Stabilization and Conservation office.

SINGING CONVENTION

The Crockett County Singing Convention will meet Sunday, Mar. 20, at 2 p. m. at the North Elementary school auditorium. Everybody is invited.

Are you a "Do-It-Yourself" Driver?  
Or would you rather be waited on hand and foot?

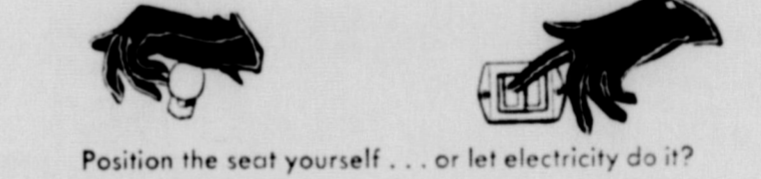

Rather shift for yourself... or let Powerglide do it?  
Shifting's smooth and easy with Chevrolet's new and finer Synchro-Mesh transmission. A flick of your wrist is all it takes to shift gears.  
Powerglide, too, is better than ever this year. Even smoother and sturdier. It's the most popular automatic transmission\* in Chevrolet's field!

Want standard steering... or extra-easy Power Steering?  
Try this easy new Chevrolet steering. Only Chevrolet and some higher-priced cars use a ball bearing system to cut friction to a minimum.  
There's nothing quite so easy as Power Steering, of course. Good news; Chevrolet's new linkage-type Power Steering\* carries a reduced price!

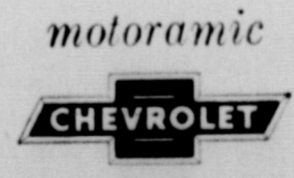

Apply the brakes like this... or have power make it easier?  
Improved brakes and new swing-type pedals make stopping a cinch. And Chevrolet's exclusive Anti-Dive control gives you "heads up" stops!  
Chevrolet Power Brakes\* are better than ever this year—let you stop by a simple pivot of your foot from accelerator to swing-type brake pedal.

Position the seat yourself... or let electricity do it?  
Chevrolet's big, beautifully upholstered front seat moves up and forward or down and back into your most comfortable driving position.  
No worry about your battery in a new Chevrolet. It's the only car in its field with the reserve power of a 12-volt electrical system!

Automatically—

Chevrolet's stealing the thunder from the high-priced cars! What's a high-priced car got that Chevrolet hasn't? Not automatic power features. Not style—just look below. Not performance—just try out Chevrolet's new V8 or one of the new 6's. Not ride —perhaps the thing that will surprise you most is Chevrolet's fine, solid feel on the road. Come put it to the test. See how Chevrolet's stealing the thunder from the high-priced cars in every way!

COMPLETE and OFFICIAL figures show that again in 1954 — for the 19th straight year — MORE PEOPLE BOUGHT CHEVROLETS THAN ANY OTHER CAR!

North Motor Co.  
OZONA, TEXAS

1955  
AUTO LICENSE PLATES  
NOW ON SALE  
Auto and truck license Plates for 1955 are now on sale and may be put on your car immediately.  
PLEASE PRESENT TITLE CERTIFICATE AND 1954 LICENSE RECEIPT  
To facilitate issuance of new plates, please bring your certificate of title or application and your 1954 license receipt.  
If your papers were lost in the flood, please check with the office during the month of February in order to have plenty of time to get duplicate papers before the deadline on April 1.  
If your car has out of state plates on it and you wish to register it in Texas for 1955, please check with the office during the month of February to see that you have all the papers required by the State to obtain a Texas title and 1955 license plates.

Crockett County Sheriff, Tax Assessor & Collector

**Woman's Forum —**

(Continued from page one)

Nip Blackstone led the club in group singing of Texas songs.

Mrs. W. T. Stokes, projects committee chairman, gave her report for the year as follows: The Americanism Projects — that we answer roll call that we paid poll tax and voted. The Federation Projects — we have contributed to the scholarship funds and other funds recommended by the Federation. Youth Conservation — we sent the Boys' Ranch the school supplies, gave them gifts at Christmas. It was recommended to the school board that Driver Education be made available to all. The children in the schools were checked for inoculations, and had their eyes and ears checked, also there is a school nurse. The committee is working on the best citizen plaque to be given to a high school student at the close of the school year. The \$50.00 that Maurice Shop gave to the Forum was donated to the North Elementary school to replace the flood-damaged library books. The doll was dressed and sold at Christmas for Boy's Ranch. The stores are cooperating with the committee's request that they not sell undesirable comic books here. Mrs. Stokes reported that members of the Forum are serving on the disaster committees of the town. The Style Show will be Saturday March 19. Mrs. Joe Clayton reported at the last meeting the progress being made in getting additional highway patrol units here. The Chest X-Ray unit has not come yet, but the club plans to assist with the program.

Present were: Mrs. T. J. Bailey, Mrs. Boyd Baker, Mrs. Charlie Black, Jr., Mrs. Nip Blackstone, Mrs. Hugh Childress, Mrs. Joe Clayton, Mrs. Joe Tom Davidson, Mrs. Martin Harvick, Mrs. Pete Jacoby, Mrs. Brock Jones, Mrs. Beecher Montgomery, Mrs. Marshall Montgomery, Mrs. Joe Sellers Pierce, III, Mrs. W. T. Stokes, Mrs. C. O. Walker, Mrs. Jack Williams, Mrs. Dempster Jones, and Mrs. Charles Williams Jr. Mrs. Fred Hagelstein and Mrs. Ele Hagelstein were hostess in the Ele Hagelstein home.

**LEGAL NOTICE**

IN THE ESTATES OF JOHN LEE HENDERSON, JR., ET AL, MINORS; NO. 199, IN THE PROBATE COURT OF CROCKETT COUNTY, TEXAS

I, Mrs. Lucille Henderson Russell, as Guardian of the Estate of John Lee Henderson, Jr., and Helen Henderson, Minors, have filed an application in the County Court of Crockett County, Texas, praying for authority to execute oil, gas and mineral leases covering

the undivided interests of said Minors in the following described lands situated in Crockett County, Texas, to wit:  
SW/4 of section 19, Block LJ, Certificate 4/1500, issued in the name of GC&SF Ry. Co.;  
N 2 of section 20, Block LJ, Certificate 4/1500, in the name of GC&SF Ry. Co.;  
NE 4 of Section 22, Block LJ, Certificate 4/1499, in the name of GC&SF Ry. Co.;  
All of Section 30, Block KL, Certificate 550, T. C. Ry. Co.;

and the County Judge of Crockett County, Texas has by an Order set the hearing on said application for the 30th day of March, 1955, at 9:00 o'clock a. m., at the Court-house of said County; and this Notice of said application and said hearing is given pursuant to Article 4192 of the Revised Civil Statutes of Texas, as amended by Chapter 34, Section 1, of the Acts of 1951 of the Legislature of Texas.

Mrs. Lucille Henderson Russell, Guardian.
