PERON'S MOMENT IN HISTORY

The 10-year dictatorship of Juan Peron in Argentina seems to have ended with his resignation on September 19. No one knows what events will take from this point in the disturbed country. It may be assumed that leading nations on both sides of the iron curtain will keep a sharp scrutiny on happenings for the next few days. Whether one approves of Peron's government or not, it was a government and did keep order of a sort. In the present disturbance the Communists, who have long tried to dominate Argentina, have an opportunity to come forward with some sort of "solution," and in their bewilderment the people could be taken in.

Peron's dictatorship was a miniature version of the great dictatorships of history. It has all the classic lines of the big empires of old which went and came. About ten years ago the personable and forceful Peron first came to power in the strength of a junta in the army. He managed to win the support of labor, then married a beautiful and magnetic woman who, like him, was a natural leader. From then on, it was Peron and Eva. Their followers were the Peronistas. Eva kept the women organized and working for the party; Juan looked after the men. It was a good combination and it worked.

In late years the government of the United States, seeking to keep peace in the hemisphere and realizing that peace demands someone in charge, has not opposed the Peron government. Peron was not too unhappy over this hands-off policy of the United States; and, after all, he was a duly elected President.

But the opposition piled up against Peron in the ten years of his rule finally got stronger than his own power.

Once again the old lessons of history about the government of men are reviewed, lest we forget them. Let us review a few points briefly.

First, dictators go into power on a wave of resentment against some wrong done the common people. So did Peron. The Castillo government, which he displaced, apparently had not helped the working men of Argentina. Peron had a program for the working man, or said he had. Point one, therefore, is that there can be no dictatorship except where there is an injustice which the government cannot or will not correct.

The second lesson is that dictatorships are in themselves wrong, therefore cannot last. In one confident moment Hitler declared his Nazi Germany would last "a thousand years." In a matter of months it fell. Although Peron came to power on the injustice of his predecessor, what he stood for is also wrong. It is not right in the sight of God for one man to control and use another, even for the other's own "good," and whatever is not right is doomed. This is a moral world, both as to persons and as to nations.

Peron will be replaced by someone else. Whether the power that replaced him will be that of another strong man, or a group, or the power of the whole people, we may be fairly sure will be thoroughly human. And, being human, it will be fallible. The facts will fall short of the need.

Even in this country where our rulers are chosen by the people in free elections, we turn from one party to another, from one program to another, looking for the ideal. We never find it. We never will.

The Christian faith holds that the Kingdom of God is the only answer to the quest for a perfect order. A government based upon men will always fall short. But when men are disciplined enough and motivated by unselfish reasons to the point where they will cherish and exercise their proper freedom, but at the same time vote

Troy Teague Gets Four-Year Term On Forgery Count

Henry Russell Draws 5-Years Probation For Theft

Troy K. Teague, indicted by the Crockett county grand jury impaneled Monday morning by District Judge Jim C. Langdon, pleaded guilty to a charge of forgery and passing a forged instrument and was sentenced to four years in the state penitentiary. The sentence will be added to four concurrent terms of three years each assessed against Teague on similar charges in district court at Fort Stockton.

Teague was charged in connection with a forged check given here in payment for a mechanical refrigerator. Teague will be taken by officers at Sherman to face similar charges there. Sheriff V. O. Earnest said. Charges are also said to be pending against the man in Beaumont and Midland.

Henry Russell, indicted at the April term of court on charges of theft of oil field equipment, entered a plea of guilty and was given a five-year term under the adult probation and parole law.

Serving on the grand jury for the September term of district court were Clay Adams, Hugh Childress, Jr., Mrs. S. M. Harvick, Miss Wanda Watson, J. J. Marley, Jr., Bill Seahorn, O. R. Henderson, Mrs. J. H. Gray, O. Q. Alford, Beecher Montgomery, Boyd Clayton and Chas. E. Davidson, Jr.

The grand jury reduced an assault to murder charge to aggravated assault a charge filed against Rene Tambungo. The action will put the case into county court for trial.

Spot Locations For Two Wildcats In Vaughn Field

Southland To Deepen Shallow Failure In Todd Area

J. C. Gas Co., Lockhart, has filed application to drill two 2,000-foot rotary wildcats in the Vaughn field of Crockett County, 14 miles northwest of Ozona.

The No. 3-C Isabel Vaughan, will be drilled 330 feet from the south and west lines of the northeast quarter of 6-UV-GC&SF.

The No. 7-B Isabel Vaughan will be drilled 1,650 feet from the south and 330 feet from the west lines of the east half of the northwest quarter of 6-UV-GC&SF.

The Vaughn field produces from the Grayburg at 1,230 feet and the Ellenburger at 7,600 feet. Southland Royalty Co. has filed application to deepen to 7,500 feet to test the Ellenburger at its No. 1-50 J. S. Todd, 2,944-foot Crockett County failure located 27 miles north of Ozona.

The project was originally scheduled to drill to 2,500 feet. Location, on a 240-acre, is 2,310 feet from the east and 2,326 feet from the north lines of 50-WX-GC&SF.

Limited Amount Of Salk Vaccine Now Available In Ozona

A limited amount of Salk polio vaccine has been received and is available for commercial distribution in Ozona.

Because of the limited amount available, the vaccine will be limited to children 5 to 9 years of age inclusive. The vaccine is available through local physicians on prescription.

J. A. Pelto, chairman, and Frankie Jones, composing the Homecoming parade committee, have requested all groups or firms planning to enter floats in the homecoming parade to notify either of them by October 1 of the entry

Suit Over Disputed Land Strip Halted By Legal Technicality

A law suit involving two neighbors and a strip of land ten feet wide between their respective lots came to an abrupt halt before it got fairly started in 112th district court here this week.

Because of legal technicalities involving procedure, the plaintiff took "non-suit" in the case of Tom V. Allen vs. Mrs. R. P. Carson, et al. The suit involved a dispute over ownership of the strip of land between the Allen home and that of Mr. and Mrs. Taylor Word.

District Judge Jim C. Langdon disposed of four other civil cases on his docket at the brief session of court, all without jury. Settlement was written in the case of Vernon W. Orebough vs. Amy A. Evans, et al, a suit for partition of property. Maudie Weekley was granted divorce and custody of 7-months old child from Alva Weekley. The court ordered dismissed on motion of plaintiff the suit of Willie Earlene Mayfield vs. Robert B. Mayfield for divorce and granted the plaintiff divorce in the case of Disidro Lugo vs. Refugio Lugo.

Funeral for Mother Of Ira Carson Held Tuesday In Burnet

Mrs. J. M. Carson, 87, of Burnet, mother of Ira Carson, Ozona ranchman died at 12:15 p. m. Sunday at Burnet.

Funeral services were held Tuesday, September 20, at 2:30 p. m. from the First Baptist Church in Burnet.

Survivors include six sons, Ira Carson of Ozona, E. B. Carson of Fort Stockton, H. K. Carson of Burnet, Thad Carson of Briggs, Leslie and Gratton Carson of Lampasas, and one daughter, Mrs. L. B. Everett of Fort Worth. Twenty-three grandchildren and 24 great grandchildren also survive.

School Enrollment Up 20 Since Opening

Total enrollment figures for the Ozona school system have been revised upward since the opening day totals. Supt. L. B. T. Sikes said this week. A net gain of 20 pupils has been registered since the opening, the superintendent said.

High school enrollment now stands at 163; Junior High, 130; North Elementary, 301; South Elementary 245, and Lockett school, 27.

Court Accepts Hospital Plans; Ask Bids Nov. 2

Hospital Board, Commissioners Examine Final Plans

After approval by members of the hospital board, with minor changes suggested, the Crockett County Commissioners Court Wednesday examined and approved final plans for the new Crockett County 20-bed hospital and asked Architect John Linn Scott of Austin to prepare final specifications and plans for awarding of the construction contracts.

The court set November 2 at 2 p. m. as the time it will receive bids on the hospital construction. The architect will require a few days to make the final changes in plans and prepare specifications and it was estimated that the required time for advertising for bids, three weeks, can be met in time for the letting on that date.

The hospital, to be built from the proceeds of a \$200,000 bond issue voted for that purpose, will be located on a plot of ground made available to the county by Dick Henderson just north of the north swimming pool. The site will be across the street from a small residential addition which is being developed on Henderson land to the west.

Hospital board members and commissioners were highly pleased with the architect's plans, said Judge Houston Smith, who expressed hope that the hospital can be erected as projected with funds available from the bond issue. The plans will provide a modern and well arranged hospital of which the community will be proud, was the opinion of board members and the court.

Methodist Membership In Meeting Sunday To Decide Parsonage Plan

A meeting of the adult members of the Ozona Methodist Church will be held Sunday night, September 25, at 8 o'clock p. m. in the church sanctuary to discuss whether or not the church will go into a building program for a new parsonage at this time.

A committee of 12 persons, appointed by the Official Board, will recommend the building of a new parsonage on land just behind, to the north, of the church, and the sale of the present parsonage and lot.

If the majority of the congregation votes approval of the project, plans likely will be developed at once for the new building.

School Cafeteria To Be Ready To Serve First Meal October 3

Satisfactory progress is being made on construction of the beautiful new school cafeteria building now nearing completion on the school ground north of the junior high building. Supt. L. B. T. Sikes said this week.

Mrs. Gus Maxwell, former cafeteria manager at Abilene, who will direct the local addition to school facilities, is here laying plans for the cafeteria operation. Mrs. Maxwell is now receiving applications for positions as assistants in the cafeteria. Anyone interested in employment at the cafeteria may arrange an interview by calling the high school building.

Meals are to be served to high school and junior high students in the cafeteria and hot meals are to be transported in special containers to the elementary schools where they will be served to the students.

Telephone Facilities Being Expanded For Better Local Service

A major telephone expansion project involving the addition of two switchboard positions and 40 lines of equipment is underway in Ozona.

The two-position board here will be replaced with a four-position board and the present 460-line equipment will be replaced with a unit of 500-line equipment. Ted Maxwell, district manager for General Telephone Company of the Southwest, explained.

Maxwell estimated the project will cost over \$31,000 and will be completed in late October.

"The addition of this equipment not only will result in better service for Ozona, but will provide the necessary equipment for the Company to provide expanded service to many areas where facilities for service are now limited," he stated. "It is part of General's program of progress, designed to provide the best service possible to all our subscribers."

Baseball, Football Games On Tap For TV Viewers Saturday

Ozona TV viewers will have a feast of baseball and football Saturday.

The big league baseball Game of the Week will be on TV screens starting at 12 noon and immediately following, at 2 p. m., will be a live television pickup of the T. C. U.-Texas Tech football game on station KTXL-TV, San Angelo. WOAI-TV, San Antonio, also will carry the football game.

Judge Appoints County Auditor For Crockett Co.

Dick Kirby Fills New Office At Salary of \$6,750 Annually

A new county office, that of county auditor, made mandatory in this county by an act of the 54th legislature, was created this week with the appointment of R. C. (Dick) Kirby of Ozona to the position.

The appointment, as required by the legislative act, was made by District Judge Jim C. Langdon of McCamey. Judge Langdon set the salary of the new official at \$6,750 per annum, payable monthly. This salary is equal to that of the sheriff, assessor and collector of taxes, and of the county and district clerk.

The recent legislature passed Senate Bill No. 316 which made mandatory the employment of a county auditor in counties with \$15 million or more of taxable valuations or within certain population limits. Larger counties in the state had previously been required to have such an officer but it was optional in the smaller counties. The law was the outgrowth of revelations in the Duval county investigations and under its provisions appointment of the county auditor was placed in the hands of the district judge and the officer made responsible to him.

The appointment of Kirby was made for a term of two years commencing October 1. A bond of \$5,000 conditioned on the faithful performance of the duties of the office will be required.

In addition to the cash bond and the official oath, the district judge required of the appointee that he make "an additional one in writing stating that he is in every way qualified under the provisions and requirements of this title and giving fully the positions of private and public trust he has heretofore held and the length of service under each. He shall further include in his oath that he will not be personally interested in any contracts with the county."

The county auditor's duties will be concerned with county and school finances, with the accounting of funds and their expenditure. He will be required to approve all county purchases and audit all county funds.

Lions Gobble Up Coahoma 19-6 For Second In a Row

Sparkling Runs, Spirited Defense Marks Lions Play

By Ernie Boyd

In a game marked by long runs and spirited defensive stands, the Ozona Lions downed the Coahoma Bulldogs on their own field 19 to 6 last Friday night.

Freshman Bobby Sutton and senior Mike Clayton were the big guns in the Lion attack as they plunged and sprinted for 205 yards rushing and picked up 43 more on pass receptions.

The Coahoma team, seeking revenge for last year's loss, was in the game until late in the fourth quarter, largely due to the quick and powerful running of 185 pound fullback Don Kenemer. The ever-present Bulldog threat kept a large group of Ozona partisans on the edge of their seats until the Lions third touchdown finally put the game out of reach.

As was the case last week the Lion forward wall was full of stars. Roy Glen Sutton, Juan Delgado, Luis Vela, Jerry Beasley, Jake Young and Jess Marley were all mixed up in putting up a stout defense. Jimmy Brown came in for two defensive plays and got tackles on both plays. Bobby Martinez and Lloyd West both did a good job of backing the line when called on.

EDITORIAL

Hello again, everyone, from the "Lion's Roar" staff! We are looking forward to a great year serving you with high school news. In every way we will try to have a better paper than ever before. Our only hope is that you will enjoy reading the "Lions Roar" as much as we enjoy writing it.

Along with our new reporters this year, we have a new sponsor, Mr. F. A. Moody. It takes a great staff to make a great paper and that is what we are working toward. Hope you like it.

NEWS IN A NUTSHELL

Mr. Leath has announced that the Senior play will start production in about two weeks. He has also announced that both Seniors and Juniors are eligible for parts.

We want to congratulate the Lions on their playing Friday night against Coahoma. We are very proud of our team, and we wish them luck throughout the season.

The opening of our new cafeteria is scheduled around the 3rd of October. We are very proud of the new building and know it will be a credit to our school and to our community.

We want to extend a very hearty welcome to the nine new students this year in Ozona High School.

The photographer from Fox Studios in San Antonio will be in Ozona to take school pictures the 11th and 12th of October.

Homecoming has been set for the 7th and 8th of October. For further details read the Lions Roar next week.

sponsors, room mothers, and committees have been chosen. The Senior officers are Carl Conklin, President; Carol Blackstone, Vice President; Sarah Hicks, Secretary; Janie Adams, Treasurer; and Darlyne Alford, Reporter. Carolyn Stuart and Earl Deland were elected representatives for the Student Council.

Instead of having individual room mothers this year, the class decided to let all mothers act as room mothers and among themselves they could elect a chairman etc.

Two main committees have been chosen. One was to check on all obligations concerning a float for the Homecoming Parade. Members of this committee are Brock Jones, Roy Mann, Janice Spencer, Ann Baggett, Carolyn Stuart, and Darlyne Alford. The other consists of Earl Deland, Carl Conklin, Roy Mann, and Mr. Brentz, who are to transfer two coke machines to the football field for the concession stands.

The Seniors invite everyone to the concession stand Friday night!

JUNIORS

Tuesday September 5, the Junior Class met and elected their class officers for the year. They are as follows: President, Erby Chandler; Vice President, Jimmy Brown; Secretary, Elizabeth Pearson; and Reporter, Beverly Killingsworth. The Student Council Representatives are Cecilia Cooke and Jesse Marley.

Class Sponsors were also elected. Mr. Claud Leath and Mr. Vernon Harlan were the ones who got the honors.

SOPHOMORES

Elected in the Sophomore class for the 1955-56 school term are Stanley Williams, President; Wanda McCaleb, Secretary-Treasurer; and Gwynel Walker, Reporter. Genelle Childress and Clayton Friend are elected as Student Council Representatives.

Room mothers are Mrs. J. T. Hickman, Mrs. B. E. Ingham and Mrs. Batta Friend. The class sponsors are Mrs. J. B. Hull and Mr. F. A. Moody.

FRESHMEN

In the Freshman class of 51 students, elections have taken place and the class officers are: Bobby Sutton, President; Alleane Young, Vice President; David Sikes, Secretary-Treasurer; and Diane Phillips, Reporter. The Student Council representatives are Johnny Cooper and Tommy Spurgers. The room mothers are Mrs. Jake Young, Mrs. H. B. Tandy, Mrs. Arthur Phillips and Mrs. Bill Childress. Sponsors are Mr. James Rollins and Mr. M. A. Barber.

A committee has been appointed and is working on plans for a home-coming float.

WHO'S WHO ON THE SIDELINES

Twirlers for the 1955-56 football season are: Mary Lou Johnigan, Beverly Killingsworth, Elizabeth Pearson and Alleane Young. The drum majorette is Carolyn Stuart. The band has really done a fine job and we expect big things from them this year.

Cheerleaders for this year are: Ann Baggett, Carol Friend, Martha Bailey, Wanda Armstrong, and

Susie Schneemann, head cheerleader. These girls want the support of everyone for a fine football season.

FADS AND FASHIONS

Here we are back in school once more. One of the things we look forward to most of all is the different fashions of each year.

It seems that one of the most popular colors of the year is avocado. Many of the girls seem to have cotton skirts of this color in solid or prints. As always the wide belts are still in fashion, winter or summer. They are to match either the blouse or the skirts.

Some of the fads are changing while some are staying the same year after year. One of these seems to be the little girls' pinafore. Wanda Armstrong has a red, white, and blue candy striped one that is very sporty looking while Janice Spencer has one of powder blue twill, with a blouse trimmed in lace that gives it that baby doll look.

Some of the girls have already come out in their winter skirts with cotton blouses. Suzann Dale and Cecilia Cooke look like twins in their wool tweed skirts, dark blouses and bouquets of flowers.

Of course one of the prettiest new sets of suits around the school seems to be the new purple felt majorette suits and the white wool skirts and blouses belonging to the cheerleaders.

Remember the styles are changing so change with them.

STUDENT COUNCIL OFFICERS

The Student Council officers have been elected to serve for the 1955-56 school term. They are as follows: Carl Conklin, President; Mary Jo Ward, Vice President; and Carol Friend, Secretary-Treasurer. The Ozona High School Student Council has always done

a very good job in governing the student body. We know that this year will be a continuation of this. We wish them all the luck in the world for a successful year.

SPORTS

By John Hickman

Ozona's roaring Lions, 1955 edition, have opened the football season with two consecutive victories. In the opening game Big Lake was defeated 25-0 with the Lions displaying mid-season blocking and tackling.

The entire scoring took place in the second quarter and Big Lake's offense failed to develop against Ozona's hard-charging line.

Journeying to Coahoma the following Friday, the Lions pounded out a 19-6 win over a previously undefeated Coahoma "II".

After a 6-6 score at half-time

the Lions came back for 13 points in the second half for victory number two.

Tomorrow night the Lions will be host to Melvin in their bid for three straight and Coaches Hickman and Cleere will probably stay with their original lineup for tomorrow night.

Game time is 8:00 p. m.

One look tells everyone you've graduated from the low-price field

Yet you can own a big super-powered Mercury for less than 13 models of the low-price 3*

The neighbors will think that you got a raise—when actually you'll be saving money!

For example, on first cost. You can buy a big 188-horsepower Mercury Custom 6-passenger Sedan for less than 13 models in the so-called low-price field.* And that's only the beginning of what you save...

Our record sales mean record allowances. Mercury is one of the year's hottest cars. Our quick turnover, high volume, lets us give you more for your present car.

You save on future resale value. Mercury consistently leads its field for resale value according to independent market reports.

Remember, too, that Mercury's famous economy and stamina keep operating costs low—help make Mercury one of the lowest-cost cars in its class to own.

In Mercury's lowest-cost Custom series you've got 4 models to choose from. For a few dollars more you have your choice of 7 more models in the Monterey and 198-horsepower Montclair series.

We invite you to stop in at our showroom to see and try the model that fits your needs and budget best.

*Based on comparison of manufacturers' suggested list or factory retail prices, using a Mercury Custom 2-door Sedan (not illustrated).

NO OTHER CAR OFFERS YOU BIGGER REASONS FOR BUYING IT

- Exclusive styling shared by no other car
- New SUPER-TORQUE V-8 engines on every model (188 or 198 horsepower)—backed by Mercury's record of producing V-8 engines exclusively
- 4-barrel vacuum carburetor on every model at no extra cost
- Dual exhausts at no extra cost on all Montclairs and Montneys
- Ball-joint front suspension for easier handling
- Unique anti-fouling high-compression spark plugs
- Consistently highest resale value in its field

Oberkamp, local furniture, plumbing, and gift dealer, left Sunday for Dallas, Antonio and other points on shopping tour with the avowed purpose of laying in one of the largest and most beautiful assortments of furniture and Christmas goods ever carried in Ozona.

G. L. Coates, County Health Officer, urged immediate immunization of all Ozona residents against typhoid fever. A thorough check of all premises where typhoid have been found, was ordered by the health officer.

County oil develop-

ments perked up considerably with the bringing in this week of the Gulf No. 1 Thompson, on the George Thompson ranch across the Pecos from the rich Yates field.

The sale of 40,000 acres of West Texas ranch land brought approximately \$325,000 last week when Harris Brothers of San Angelo bought a 32,000 acre ranch near Uvalde, and Walter Lee sold his Mertzon place of 2610 acres and bought a ranch near Sterling City of 5375 acres.

Harrison L. Hamer has resigned his position as special officer and inspector for the Sheep and Goat Raiser's Association. He was appointed last winter and has been working since that time. No successor to Mr. Hamer has yet been appointed by the association.

Trading has been active in Crockett County livestock sales lately, according to Otho Adams of the T. L. Benson Commission Company of San Angelo. Sales reported were: J. W. Henderson, Sr.,

to Perry Edges of Bangs, Texas, 600 head of yearling steers, Roy Henderson to Sam Ross of San Angelo, 300 head of cows and calves, Sid Slaughter of San Angelo to Judge Montgomery of Ozona, 850 head of yearling ewes, and Lawrence MaGrader of San Angelo to Boswell, Kane and Wamble 840 head of yearlings ewes.

W. A. Adams, Crockett County ranchman for thirteen years and in the ranching business continuously for the last 29 years, has leased his eight-section ranch northeast of Ozona, and sold all of his stock on the ranch to Walter Childress of Ozona.

Miss Thelma Oliphant of Marshall, Mo., and Roy Chandler, young ranchman living near Sheffield, were quietly married in San Angelo Thursday, September 1. The couple visited friends and relatives in Abilene and Sonora before returning to Mr. Chandler's ranch to make their home.

Mrs. Nelson Hawkins and Miss

Emma Phillips gave a bridge and forty-two party of thirteen tables in honor of Mrs. Hillery Phillips, Saturday afternoon at the Hotel Ozona. Refreshments of ice cream and cake were served.

Miss Mary Kincaid has returned to Dallas to resume her studies at Hockaday.

Miss Jean Henderson has gone to Oakland, Calif., where she will enter Mills College.

Mrs. Albert Bailey entertained the Sunflower Club at her ranch home Friday. A two-course luncheon was served. Mrs. Hillery Phillips won high score for the women, and Boyd Clayton won high for the men.

Miss Nancy Perdue, Bride-to-Be, Honored At Kitchen Shower

Miss Nancy Perdue, bride elect of Billy A. Hall of San Angelo, was honored with a surprise kitchen shower Saturday, September 17, at 10 a. m. in the home of Mrs. J. W. Powers. Hostesses were Mrs. Powers, Miss Alena Faye Powers and Miss Pat Cooper.

The wedding ceremony will be held in the home of the bride's parents, Mr. and Mrs. Doyle Perdue on October 2.

Pink Roses were used as decorations, and cookies and coffee were served to the following guests who attended, Mrs. Tom Powers, Mrs. A. D. Bledsoe, Sr., Mrs. Chas. Butterfield, Mrs. Dub Petit, Mrs. F. M. Cooper, Mrs. Elmo Wallace, Mrs. Buck Williams, Mrs. Joan Williamson, Mrs. Ben Williams, Mrs. Dillion Merritt, Miss Myrtle Mae Everett, and the honoree's mother, Mrs. Perdue.

Visitor Honored

Mrs. Max Schneemann, Sr., honored her daughter, Mrs. Clyde Sikes of Calif., with a bridge party in her home last Thursday. Mrs. Taylor Deaton won high score and Mrs. Hillery Phillips, Jr., won low. A gift was presented to the honoree. Guests attending were: Mrs. Jack Brewer, Mrs. Joe Bean, Mrs. Max Schneemann, Jr., Mrs. P. C. Perner, Mrs. Taylor Deaton, Mrs. Hillery Phillips, Jr., and Mrs. James Chapman.

Machine Invented By Ozona Student Used In Classroom Here

An electric question and answer machine was put into use in the South Elementary School this morning, for the first time any invention of this type has ever been tried in the school system.

Joe Bailey, son of Mr. and Mrs. T. J. Bailey, a senior at the University of Texas, majoring in Nuclear Physics, invented the machine. Mrs. Bailey will use it in her class room work. At the present time the machine will be used for mathematical instruction, but can be changed for use in English, History, Geography, or any other desired subject.

This machine is mounted on a Masonite board, measuring 45 by 72 inches, supported by a wooden frame. On the left side of the board are numbers ranging from 1 to 15, with 5 questions to each number. On the right hand side are the corresponding answer to each question. In the center front are two electric plugs which the student uses to select his question and answer. For example, if the question should be — "What is four times two", and the student thinks the answer is ten, he plugs in that number, presses a button; if the answer is wrong, a buzzer sounds. If he is right, a light will shine. All of these numbers are arranged so that the questions and answers cannot be memorized.

On the back of the board, is a small 5 by 10 inch box, which contains all of the intricate wiring. On top of this box is a knob, which is a selector for any set of the five groups of questions and answers. The machine operates on a small battery, also mounted on the back. It can be used on direct current or alternating current.

With a total of 75 questions and answers arranged in the proper sequence, Joe has spent a lot of time in planning and constructive thought, in order for the machine to be accurate. Joe has been offered a position as Assistant Professor of Mathematics at the University of Texas, and for his efforts so far, congratulations are in order.

Junior High Squad Edges Big Lake 6-0 In Season Opener

Coach Caick Womack's Junior High Cubs stopped the highly favored Big Lake Junior High 6 to 0 last Thursday night to open their 1955 season with a victory.

The Cubs jumped into the six point lead early in the first quarter when Bob Meinecke threw a beautiful pass to David Sikes good with the run for 43 yards.

From the time the Cubs tallied until the final whistle the bigger invaders marched up and down the field only to stall when they got near the Ozona goal line.

Heading the tough Ozona defense was E. B. Ingham. The big youngster, playing his first football, proved to be quick and rugged as he not only stopped the plays up the middle but broke through to spill the runners and would-be passers when they attempted to go elsewhere.

Alonzo Galindo, Bud Dale, and Johnny Cooper all contributed some fine defensive work. Regulars Jim Williams and Dicky Flannigan missed most of the contest due to illness and injuries.

In the offensive department, Johnny Jones, David Sikes, Bob Meinecke and Kenneth Deland carried most of the load with Bob's brother Bill turning in a good defensive linebacking job.

Extension To World Field In Crockett Flows 123 Bbls. Oil

A 3/4-mile northeast extension to the World, West (Strawn) field of Crockett County has been assured with flowing of 123 barrels of 48.9 gravity oil in two hours on a drillstem test at Cities Service Oil Co. No. 5-C Shannon, in 19-Q-EL&RR, 15 miles southwest of Big Lake.

On the two-hour and 10-minute test in the Strawn between 8,040-8,125 feet, using 1 by 3/4-inch chokes, gas surfaced in two minutes, mud in eight minutes and oil in 10 minutes, flowing the above gauge.

The project was bottomed at 8,125 feet in lime.

P. T. A. Hold First Meeting Of Year

The Ozona P. T. A. held its first meeting of the 1955-56 school year in the auditorium of the North Elementary School on Monday night, September 19. The meeting was called to order by the president, Mrs. James Baggett. Following the invocation by James Rollins, the room count was taken. Miss Marbeth Stubblefield's secretary grade won the prize for having the greatest percentage of parents.

L. B. T. Sikes announced that the new cafeteria would begin serving meals on October 3 and that the price charged for the meals would be 30 cents for elementary children and 35 cents for junior high school and high school students. Mr. Sikes invited the parents to pay a visit to the new cafeteria after its opening, but announced that it would not serve meals to the general public.

Frank Janes, Roy Killingsworth, and P. O. Hatley then introduced their respective faculties. After the introduction of the high school faculty, Mr. Hatley reviewed the course of study offered at Ozona High School and commended the graduates of the school attending colleges and universities throughout the country for the fine record they are making. The meeting was then adjourned and refreshments were served to the record-breaking group in attendance.

L. B. T. Sikes, superintendent of Ozona Schools was principal speaker recently in Sonora at the Lion's Club P. T. A. Barbecue for teachers. Mr. Sikes spoke on the necessity of a good community relationship with the school and a better understanding and cooperation with service clubs and PTA for a better school system. About 250 attended the program.

Miss Lois Erwin and Miss Peggy Moore attended the presentation of the musical "Annie Get Your Gun", Saturday night in San Angelo.

From where I sit... by Joe Marsh

...Makes a Man Healthy, Wealthy—and Tired!

Sandy Peterson's nephew Pete has gone back to college. He worked on Sandy's farm a couple of months last summer to get hardened up for football.

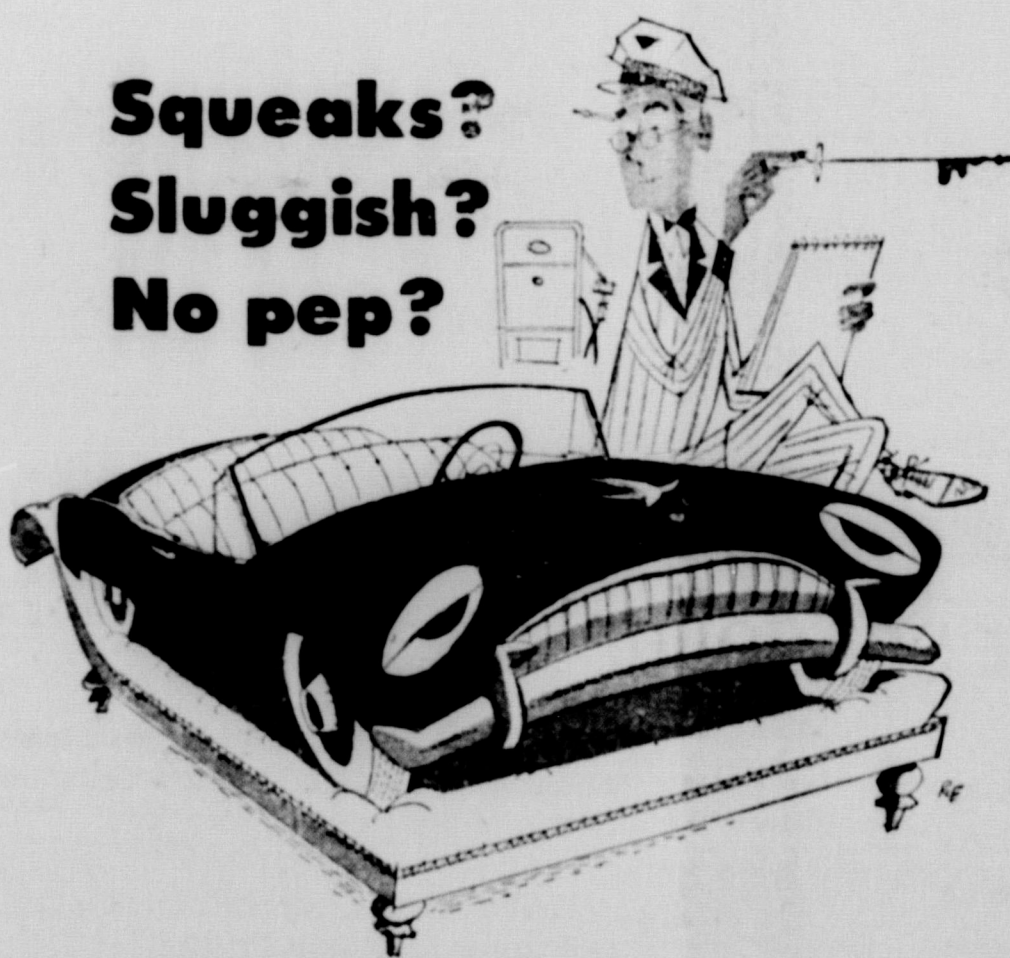

He seemed to enjoy farm life all right—but like most city kids it took him some time to get used to a farmer's schedule.

Sandy claims that when he went in to wake Pete on the first morning—the boy looked up startled and asked what time it was. Sandy replied it was four-fifteen. "Gee," Pete murmured, "if we're going to do a day's work tomorrow you'd better get to bed!"

From where I sit, we must have heard a million stories like that. But they show how some people assume their customs are the only proper ones. To most city folks getting up at 4:15 seems odd, because they don't do it. Just like some people don't think enjoying a glass of beer is "right" ... because they happen to prefer another beverage and haven't waked up to the fact that everyone has a right to his own choice.

Gobble Up

...the strong south wind as kicked in the first quarter. The Bulldogs put two running backs together for a pass which the Lions stiffened and forced Coahoma to kick. The Bulldogs one-upped Coahoma and a 16-yard run by Clayton and a 16-yard run by Sutton on the outside...

rush in the third period and after Clayton picked up four yards off left tackle, Bobby Sutton swung wide and went 66 yards for the Lions second tally. This time Clayton sliced into the end zone for the extra point.

With White and Kennemer carrying most of the load the Bulldogs moved to the Ozona fifteen following the kickoff, but here Luis Vela broke through to spill Kennemer, and Jimmy Brown and Juan Delgado stopped White for no gain. On third down Kennemer went wide to his right and Jake Young dumped him for an eight yard loss.

The Lions got out of the hole when Mike Clayton boomed out a 47 yard boot that found the Lions swarming the receiver in his tracks. Three plays and some twenty-four yards back Don White kicked for the Bulldogs only to see Bobby Sutton race the ball back 47 yards behind a wall of blockers.

The Bulldogs pulled up into a virtual 11-man line in an effort to stop the Lions assault but a 15-yard penalty put the Lions in business when it looked like they were stalled.

With second down and six yards to go, Sutton took a handoff and ran into trouble before he got to the line of scrimmage, however, he broke loose and hit for the sidelines where he encountered a bevy of defenders, apparently stopped, the elusive Lion back hit the cluster like an artillery shell and glanced into the end zone. The try for extra point by running failed and for all intent the game was over.

On this occasion the statistics gave a true picture of the game. In the first down department the Lions picked up eleven as compared to six for Coahoma. In yardage the Lions picked up 229 rushing and 43 passing for a total of 263.

Coahoma picked up 118 rushing and 23 passing for a total of 141. The Lions went into the air five times with two being complete and none being intercepted. The Bulldogs threw four times completing two and also had no interceptions.

Ozoma kicked once for 47 yards while Coahoma kicked four times for 119 yards or a 27.5 average, these figures do not take into consideration run backs.

Coahoma and Ozoma broke even in the penalty department each drawing forty yards for rules infractions.

Mike Clayton picked up 94 yards on 22 carries while Bobby Sutton got 111 yards on 13 trips. Orville Paulk, who saw limited duty due to an injury, got 8 yards on six carries and Juan Delgado got 17 yards on three carries.

NOTES FROM JUNIOR HI

An election was held recently for the Student Council of Junior Hi, with Roy Neil Killingsworth elected as President, Johnny Jones as Vice President, and Sally Baggett, Secretary. Representatives from each room were also selected to serve on the Council.

The Junior Hi Football squad will go to Rankin Thursday afternoon to play at 4:30. The Cubs won over Big Lake last week. Also on schedule in Junior Hi will be a game in Rocksprings next Tuesday afternoon at 4:30, between the "B" teams. Coach Womack will play only the members of the team who are not used on the "A" team. This game might show where the big ones come from.

The Junior Hi Students have also elected their Cheer Leaders for this year. They are Sally Baggett, Linda Millsbaugh, June Bunker, Tommy Chandler, Camille Adams, and Betsy Sikes as Mascot.

Baptist Set Sunday For Promotion Day

Sunday will be promotion day as well as high attendance day at the First Baptist church. Every department from Nursery through Intermediate will promote those who have reached the required age. The Superintendent of the various departments are urging every member to be present for this occasion.

Certificates of Promotion will be given those being promoted. The enrollment of the Sunday school is the goal for attendance. Many new officers and teachers will go into their new departments this Sunday preparatory to starting the new Sunday school year on October 2.

OZONA COMMUNITY HOUSE NEWS

The September Board Meeting was made especially interesting by a report from Mrs. Ted White on a course on teaching Mexican children that she studied at Sul Ross this past summer.

Our new yearly program is nicely started. Some of the groups have received new impetus incited by volunteer help.

Thirty-three members of the Youth Department of the Angelo Heights Methodist Church, San Angelo, visited us Sunday afternoon. We enjoyed this enthusiastic group of gals and guys. We showed them our plant, gave a showing of colored slides showing our people and their activities at the Community House. A little Folk Dancing was the last interest of the afternoon.

We are looking forward to a visit from the Rochelle Church Saturday, September 24.

"TEST SHOWED 28 Times More Profit WITH PURINA STEER FATENA"

STEER FATENA

SINGLE-SOURCE PROTEIN

NO SUPPLEMENT

R. E. Spangler, Assistant Manager, PURINA RESEARCH FARM

"In one of our tests with 160 steers, the lot on Steer Fatena returned 28 times more profit than those fed no supplement. The Steer Fatena lot made 6 times more profit than a group fed a single-source protein. All steers in this 195-day test got the same quality hay and were fed Livestock Mineral free-choice.

"Purina Steer Fatena did a better job, because it stimulated bacterial activity in the rumen . . . used grain and roughage to better advantage. The Steer Fatena steers carried more weight, better finish . . . brought more money."

Whether you feed light cattle or heavy cattle, whether your roughage is of good or poor quality, there's a Steer Fatena to help you get the most beef from your grain and roughage. Come in. Let us help you work out a profitable feeding program.

Annual Carnival Of PTA Draws Big Crowd

The annual P. T. A. Carnival was held in the park Tuesday night, September 20. The gaily decorated booths attracted large crowds throughout the evening. Perhaps the most popular event of the evening was the side show which sported musicians, dancers, twirler, and wrestlers. Mrs. James Baggett, president, and Mrs. Elie Hagelstein, carnival chairman, wish to express their appreciation to all who helped to make the event the success that it was.

The tabulation of receipts had not been completed this morning and no announcement of the profit on the venture, the only money raising event of the P. T. A., was available.

TRUCK LINE MANAGER

Harry Joslin of Ozona has been named local manager for the Curry Motor Lines local terminal. Mr. Joslin replaces G. L. Newman who was recently called up for Army service.

Farmer Field Gets Extension; Outpost To Elkhorn Spotted

The Farmer (San Andres) field of Crockett County has been extended 3/8-mile southeast with the completion of Slick Oil Co. No. 1-A University, in 11-50-University, 18 miles northwest of Ozona.

It was completed for a daily flowing potential of 163.44 barrels of 30.5 gravity oil, with gas-oil ratio 560-1.

Production was through a 3/4-inch choke and perforations between 2,668-684 feet in 5 1/2-inch casing set at 2,727 feet on total depth of 2,730 feet. Pay section was acidized with 500 gallons.

Top of pay was picked at 2,668 feet on derrick floor elevation of 2,575 feet.

Tubing pressure was 325 pounds, casing pressure, 650 pounds.

J. M. Huber Corp. has filed application to drill the No. 1 Atlantic-University, 1/2-mile northwest outpost to production in the Elkhorn field, 17 miles northwest of Ozona.

It will be drilled to 7,600 feet with rotary. Elevation is 2,625 feet.

Location, on a 340.7-acre lease, is 330 feet from the south and 2-310 feet from the south lines of 24-46-University.

Mr. and Mrs. Bud Mayes spent last week end in Lubbock visiting their daughter and son-in-law, Mr. and Mrs. Max Wilson and family. Their grandson, Charley, returned with them to spend a week.

Willis Johnson, father of Mrs. B. B. Ingham, Jr., who has been seriously ill in the Maxfield Clinic in Dallas, is reported to be im-

proved and responding to treatment this week. Mr. Johnson ranches in New Mexico and at Mc-Camey.

Joe Bailey, son of Mr. and Mrs. T. J. Bailey, and Kenneth Parker, son of Mr. and Mrs. Gus Parker are among Ozona students who

left last week to resume college work. Both re-stant at the University of Texas in tin.

NOTHING IN ITS FIELD CAN MATCH CHEVROLET FOR ACCELERATION!

Great Features back up Chevrolet Performance: Anti-Dive Braking—Ball-Race Steering—Out-rigger Rear Springs—Body by Fisher—12-Volt Electrical System—Nine Engine-Drive Choices.

When you need a quick sprint for safer passing, this V8 delivers! It's pure dynamite, and you have to go way, way up the price ladder before you ever find its equal.

The proof was burned into the sands of Daytona Beach at the NASCAR® trials earlier this year. In acceleration tests, Chevrolet walked away from everything else in its field. Plus all the high-priced cars except one!

It's the big reason Chevrolet's been taking all comers in short track stock car events this season. Sizzling acceleration along with handling ease and cornering ability—things that mean safer, happier highway driving. Come on in and let a new Chevrolet show you what we mean.

Drive with care... EVERYWHERE!
