Ladies Auxiliary To Volunteer Fire Dept. is Organized Here

Organization of a Ladies Auxiliary to the Ozona Volunteer Fire Department was perfected at a meeting at the fire station here Friday night.

Mrs. Lee Patrick of Sonora and Mrs. Palmer West of Eldorado, both members of Ladies Auxiliary groups in those two towns, were present to assist the local ladies in organizing. Mrs. Patrick presided as temporary chairman and Mrs. West as temporary secretary.

Mrs. Velma Lee Cooke was named president of the newly organized auxiliary. Mrs. Donna Beth Davidson was elected vice president, and Mrs. Elizabeth Applewhite, secretary-treasurer.

The next meeting of the group will be at 8 o'clock Tuesday evening, July 17, at the home of Mrs. Donna Beth Davidson. Charter memberships in the Auxiliary will remain open for several more weeks, it was announced.

Others present for the organization meeting were Meses, Gladine Kost, Myrtis Semmler, Nelda Montya and Dorothy Friend.

Ellen. Discovery Assured In Pure Block 44 Strike

Well Flows 124 Bbls., Testing Continues; New Location Set

Crockett County was assured a flowing Ellenburger discovery, a shallow wildcat was staked and an undesignated field gained its third producer.

Pure Oil Co. No. 1-D University, in 11-44 University, Ellenburger discovery located 8½ miles southwest of Barnhart and between the shallow Block 44 and 47 fields, flowed 124.3 barrels of oil, plus 1 per cent acid water, in 24 hours.

Flow was through a 24-64-inch choke and perforations between 9,028-78 feet, which had been washed with 500 gallons of mud acid and acidized with 1,500 gallons of regular acid.

Gas-oil ratio was 593-1.

Operator was preparing to re-acidize through perforations with an unreported amount and resume testing.

Triangle Drilling Co., of McCamey will drill a 1,500-foot cable tool wildcat, nine miles south of McCamey and 1½ mile southwest of production in the Tippett field and ½-mile southwest of a recently completed Tubl discovery. It will be the No. 1 J. H. Tippett.

Operations were to have begun July 8.

Location, on a 160-acre lease, is 1,004.4 feet from the northwest and 6,160 feet from the northeast lines of 38-39-H&C. The Tippett field produces from the Clearfork and Wolfcamp between 4,195-6,306 feet. The Tubl discovery was finalized from between 3,843-870 feet.

An undesignated Permian field gained its third producer and a location west extension with completion of John I. Moore of San Angelo and Midland No. 1-10 Shannon Estate (G. M. Smith), in 10-A, 20 miles south of Big Lake.

It was finalized for a daily pumping potential of 25.57 barrels of 31.20 gravity oil. Production was through perforations between 2,182-2,206 feet, which had been acidized with 10,000 gallons.

Top of pay was picked at 2,182 feet on elevation of 2,576 feet.

CROCKETT HOSPITAL NEWS

Patients admitted to hospital since July 3rd: Mrs. O. B. Maples, Ozona, medical; Mrs. Wayne E. West, Ozona, obstetrical; Ramon Bravo, Ozona, medical; Mrs. W. R. Price, Ozona medical; Mrs. Ricardo Cantu, Ozona obstetrical; Mrs. Leandro Flores, Jr., Ozona medical.

Patients dismissed: Mrs. N. L. Sanchez, Mrs. James Semmler and infant son, Mrs. Jesus Castro, Chas. N. Markham, Mrs. O. B. Maples, Ramon Bravo and Mrs. W. R. Price.

Root Plowing And Range Judging At Field Day Friday

10 Judging Teams To Compete; Ranchers Are Invited

At least ten 4-H Club and FFA Range Judging Teams will compete for trophies in the Range Field Day Friday, July 13, sponsored by the Crockett Soil Conservation District at the Bill Baggett and John Childress Ranches.

Starting at 10 o'clock Friday morning, the range judging contests will be at the Bill Baggett ranch and at noon a barbecue dinner will be served in the Baggett grove by the SCD board of supervisors.

In the afternoon, starting at 1 o'clock, the Wm. K. Holt Machinery Co. of San Antonio will cooperate in a root plowing and range seeding demonstration on the John Childress ranch, 8 miles north on the Barnhart highway. Holt will furnish the machine to be used in the root plowing demonstration. The plot on which the demonstration will be carried out is in a trap which Mr. Childress plans to defer so that re-seeding can be observed later.

A. H. Walker, range specialist with the A&M Extension Service, will be present for the field day and will demonstrate several methods of mesquite control on which the College has been experimenting in the last few years. Some of these methods have shown good results and the techniques and formula will be made available to interested ranchmen.

Awards to be given by the SCD to winners in the range judging contests will be made at noon following the barbecue dinner. Adults are invited to participate in the judging contests to test their knowledge of range grasses and range conditions.

County Agent Pete Jacoby announced that he will field three 4-H Club teams to take part in the judging contests in the three age groups. Teams from the Crockett County 4-H Club to enter the contests include Carl Conklin, George Bunger, Jacquelyn Williams, Roy Mann, Johnny Pleas, Pierre Miller, Bob Childress, Pleas Childress, Frank Childress, Bill Jacoby, Harbie Noelke, Jay Miller, Jimmy Baggett and Billy Troy Williams. M. A. Barber, vocational agriculture teacher, said that one or two teams from the Ozona FFA chapter may enter the contests.

Teams from at least seven neighboring counties will be entered in the contests, according to word received from sponsors of judging groups in those counties. The following have indicated they will send teams: Sutton County 4-H Club, 3 teams; Glasscock County 4-H Club, 2 teams; Upton County 4-H Club, Reagan County 4-H Club, Eldorado FFA Chapter, Menard County 4-H Club, 2 teams, and Junction FFA chapter.

Ozona Wool Firm Cleans Out 8-Mo. Wool In Storage

Sale of 400,000 Lbs. Spring Clip Brings 46½ to 51½ Cents

Ozona Wool & Mohair Co. warehouse here sold out its entire accumulation of Spring 8-months wool during the past week.

Approximately 400,000 pounds of the 1956 Spring clip remaining in storage here went in a sale this week to Jack Hughes, buying for Emory, Russell & Goodrich of Boston.

The wool brought from 46½ to 51½ cents per pound. The warehouse crew has been busy the last few days shipping the wool to Boston. A small tonnage of 12-months wool still remains unsold in the local warehouse.

Phone News To The Stockman

Injured Twin Boys Improving Steadily In San Antonio Hospital

Reports from the bedside of Bob and Bill Meinecke, twin sons of Mr. and Mrs. Hurst Meinecke of Ozona, who were seriously injured here recently in an automobile-scooter crash, are reported making steady improvement in a San Antonio hospital where they were taken following early treatment in the Crockett county hospital.

The 14-year-old twins suffered several broken bones and serious cuts and bruises when the motor scooter on which they both were riding was hit broadside by a car driven by Joe V. Atkins, employe of a seismograph crew stationed here. The accident occurred at the intersection of streets at the north swimming pool. The boys and their scooter were knocked across the street and into the bar ditch by the force of the impact.

Meanwhile, Atkins, who faces a charge of driving while intoxicated filed in county court here by Highway Patrolman Vic Atwood of Big Lake, who, with Sheriff V. O. Earnest, investigated the accident, has been released under \$1,000 bond, according to Sheriff Earnest. The sheriff said that a hearing has been set in county court on the charge July 16.

Classes In Swimming And Life Saving To Be Organized Here

Organization of classes in swimming and life saving will be perfected at a meeting of interested children and parents to be held at the north pool next Monday afternoon from 1 to 2 p. m.

Instructors in the free classes in swimming and life saving, sponsored by the Water Safety committee of the local Red Cross chapter, will be Misses Barbara Fields and Ann Ratliff, both certificate holders and qualified swimming and life saving instructors.

Time for daily classes, probably twice daily, mornings and afternoons, will be set after consultation with prospective students, Misses Fields and Ratliff said. All interested children, in all age brackets, are invited to meet with the instructors at the pool next Monday afternoon for details on the courses in swimming & life saving.

Two Teenage Sailors, AWOL, Held Here In Theatre Robbery

Two teenage sailors, both AWOL from their Naval stations, were arrested here last week by Sheriff V. O. Earnest in connection with a second burglary of the Triangle Drive-In Theatre concession stand. The boys, both 17 years old, have been bound over to await action of the grand jury.

Four other youths, arrested by officers in Midland, have confessed robbery of the local drive-in, and others in Sonora, Big Lake and other points, are being held in Midland for grand jury action. The quartet confessed to entering the drive-in here on a Monday night and the youthful sailors are charged with entering the place the following night.

1955 Tax Collections Total \$835,901.88 For County, State & Schools

Tax collections in Crockett county during the year 1955 totalled \$835,901.88 for all purposes, the annual report of the tax collector's office now being prepared shows.

Of this amount, the schools received \$411,833.42 for maintenance and bond retirement. The county's share was \$305,098.14 and the state got \$118,970.32.

Local And State Politics Warm Up As Election Nears

Local Races Expected To Bring Out Heavy Vote July 28

With the Democratic primary election just two weeks away, political activity of candidates, both state and local, is being stepped up this week. Ballots have been prepared and first absentee voting began early this week.

Contests for two county offices and two county commissioners posts in Crockett county, plus the spirited race being staged by the six candidates in the race for governor of Texas, is expected to bring out a record vote in Crockett county this year. A new record number of poll tax receipts were issued, over 1,400 and this fact plus the interesting local and state races sets the stage for a record in total vote.

The two county offices featured in local contests this year are the office of sheriff, assessor and collector of taxes, and that of county attorney. Two candidates are in the running for each of these offices, incumbent Sheriff V. O. Earnest being opposed by Billy Mills, a former deputy here, and incumbent County Attorney Dixon Mahon opposed by Howard Lemmons.

For the Commissioners Court, two posts are at stake in the coming election, in Precinct 1 and Precinct 3, the division made in the law passed by the Texas legislature giving four-year terms to county and precinct officials. In Precinct No. 1, incumbent Commissioner Ralph Jones is opposed by two candidates, Doyle Perdue and Hubert Baker. Precinct 3 Commissioner Rusty Smith is opposed by Elmer D. Graves.

A race of particular interest to local voters is that for the post of Congressman from the 16th Texas district, Congressman J. T. Rutherford of Odessa, serving his first term as Congressman from this district, is opposed by William W. Blanton, also of Odessa.

Candidates for governor of Texas, in the order in which their names will appear on the ballot, are Ralph Yarborough, Price Daniel, Reuben Senterfitt, J. Evets Haley, W. Lee O'Daniel and J. J. Holmes.

Other state races kicking up considerable interest are those for Lieutenant Governor and for Attorney General. Candidates and the order in which they will appear on the local ballot for Lieutenant Governor are Ben Ramsey, A. M. Aikin, Jr., John Lee Smith and C. T. Johnson. For attorney general the order is Tom Moore, Curtis E. Hill, Ross Carlton and Will Wilson.

Loudamy Brothers Buy Williams Grocery

Buster and Bud Loudamy have announced their purchase of the Williams Grocery store here. The Loudamys have operated the B&B Grocery in the north residential area but sold their interest in that store, known as the Red & White Store, to the former owner and founder, Mr. Hughes.

The new location for the B&B Store will give the Loudamy Brothers a greatly enlarged store and they plan to offer greater savings for cash. See their page ad in this issue of the Stockman for bargains.

Johnson Project Lacking Only U. S. Senate Approval

House Approves, Passes Bill Eliminating 45 Day Wait Period

Only approval by the Senate agriculture committee and action by the Senate on amendments to Public Law 566 to eliminate the 45-day wait period stand in the way of official Congressional approval of the Johnson Draw watershed control project and clearance of the project for start of work this year.

Word of progress of the project through the Washington larynth came in letters and telegrams during the past week from Congressman J. T. Rutherford of the 16th Congressional district, who has been the chief champion of the measure in all its progress through administrative agencies and finally into Congress.

After a week's delay in the department of agriculture, where it was sent back from the Bureau of the Budget upon questions raised by the Army Corps of Engineers, the Johnson Draw project finally emerged with all objections of the Corps answered, to the Budget Bureau a second time last Tuesday, July 3. The July Fourth holiday interrupted progress of the plan but on Friday, July 6, the Budget Bureau affixed its ok to the project and sent it on to Congress.

In the House of Representatives, Congressman Rutherford piloted the plan before the House Agriculture Committee which gave it quick approval Tuesday morning.

Also in the House, with Congressman Rutherford its sponsor and chief backer, a bill to eliminate the 45-day waiting period which Public Law 566 requires of small watershed control projects after submission to Congress, was passed and sent to the Senate. Under the original provisions of the law, this 45-day wait was mandatory, after which such projects, if there was no Congressional disapproval, were automatically approved. With Congress nearing adjournment in a matter of days, this provision, if not amended or eliminated, would have blocked any hope for beginning work on the flood control project here this year. Aid of Senator Lyndon B. Johnson is being sought by local backers of the project in seeing the flood plan to approval by the Senate agriculture committee and to push for passage by the Senate of the amendment to eliminate the 45-day waiting period. Word on the fate of the measures now pending in the Senate is expected in the next few days.

A play-by-play report of progress of the Johnson Draw project through the Washington bureaus and through Congress has been provided the local flood committee, members of the sponsoring Board of Supervisors of the Crockett Soil Conservation District, and county officials by Congressman Rutherford via the use of air mail letters, telegrams and telephone calls.

Word of the action by the House committee approving the work plan of the flood project and in eliminating the 45-day wait period came in a telegram Tuesday.

"As previously reported, Budget Bureau has approved Johnson Draw project," the Congressman wired Tuesday. "House committee gave final Congressional approval this morning. Bill to eliminate 45-day wait has passed House. Now awaits Senate action. Happy to bring you this encouraging news."

In a letter dated July 6, the day the Budget Bureau approved and sent to Congress the long-delayed work plan, Congressman Rutherford opened with "I come today bearing glad tidings."

"The Bureau of the Budget has just approved and sent forward to the Congress the Johnson Draw Project. My next step is to obtain resolutions passing the measure out of the House and Senate Agriculture Committees and I am working. (Continued on Last Page)

THE BULL IS BOLLING

It is encouraging to be able to
report that sentiment for doing
something about our confounding
federal income tax is growing —
and growing in official circles as
well as among the millions of other
people who must do the paying.
A short time ago, for instance,
a great deal of approval was given
to an American Weekly article by
former Commissioner of Internal
Revenue Galester Andrews, in
which he urged that the income
tax be repealed and substituted
with a flat tax on all property
available to the taxpayer.

Other authorities don't believe
reform should go this far. But
they do agree that major changes
are necessary. Representative
Dennis DeLoach of the all-important
House of Ways and Means Com-
mittee, states that the top bracket
income tax rate now 91 per cent,
should be greatly reduced, that
all bracket rates should be grad-
ed downward to conform to the
new top rate, and that the law
should be simplified by the elimi-
nation of so many special ex-
emptions as possible. Representative
Wills of Arkansas, also a
member of the Ways and Means
committee, expressed similar views.

Actually, when very substantial
reductions in top bracket rates
would have relatively small effect
on government revenue — for the
reason that substantially few
people are in these income groups,
and their incomes don't make
much of a dent in our unworkable
federal budget. Yet modifica-
tory changes here, the whole
country by depriving it of prop-
erty that otherwise would be
used in productive enterprise —
and would create job and oppor-
tunities for us all.

The bulk of tax returns is not
due May 15, which gives us
time.

THE STATE OF SMALL BUSINESS

Germany — a country which
was ravaged by war suffered a
total defeat and has since been a
battered wreck of the old world —
but such the United States some-
times is in the state of free
enterprise.

Germany's postwar economy
is almost universally described as
miraculous. That miracle, as Wil-
helm Lorenz, Germanian explains
in a book review appearing in Na-
tional Geographic, is one of the
most compelling arguments for
the dynamic effectiveness, with
out "bada" enterprises, and in the
other hand. He adds: "The man
who directed economic policy—
believed passionately in free en-
terprise, competition, free inter-
national trade and investment."

By contrast, these American in-
dustries—mining, cotton, sugar, etc.—
which inserted their
principles in favor of some form
of paternalistic state suffered
an economic crisis after another
coupled with all manner of polit-
ical stress.

IMPORTANT WARNING

A House Committee report re-
commends that changes in the fed-
eral government's obsolete budget
and accounting practices, which
save as much as \$4 billion a
year.

Recommends this reform should be
effected as fast as Congress can
act. However, it was stated that
changes in the tax laws should be
made a deep breath and think that
all is not well. The Wall Street
Journal provides an important
warning in these words: "If gov-
ernment would still
waste the people's money as they
do now the nation is doomed."
The best advantage method in
the world will not save money un-
less the administration and Con-
gress both are determined to keep
down the extravagant use of the
government's.

FARMERS ENTITLED TO TAX REFUND FOR GAS USED SINCE JANUARY 1

College Station — Farmers en-
titled to claim a refund of the
Federal tax on all gasoline bought
and used for farming during the
18-month period January 1 through
June 30, 1956, if E. H. Basse, execu-
tive farm management specialist,
retains producer.

Any farmer, tenant or farm op-
erator who keeps accurate records
on a farm may file a claim, says
Basse. A farmer who also receives
a refund of the tax on any gas-
oline used on his farm by a tenant
operator or a neighbor in connec-
tion with cultivating the soil, or
raising or harvesting a crop.

Under the law enacted April 2,
1956, the amount claimable this

NOTICE OF REWARD

DALLAS, TEXAS

year is 2 cents on each gallon of
gasoline purchased and used on a
farm for farming purposes dur-
ing the 18-month period. In
1956, gas claims will be filed
for the 18-month period from
Jan. 1 through June 30.

Claims must be filed in Inter-
nal Revenue Service Form 2240,
"Farm Use of Gasoline for Farming
Purposes," filed in office of In-
ternal Revenue, Dallas for filing
for the year ending in after
June 30, but no later than Octo-
ber 1, 1956. The law does not per-
mit recovery of claims filed late.
Reimbursement may not be made
to persons not off the farm ac-
cording to the regulations, or for
gasoline used for other than actual
farming purposes as described in

Form 2240

This applies to gaso-
line used on the highway, for
personal use such as mowing the
lawn, or for processing, packaging,
dressing, or cutting operations.
Sufficient records should be kept
to enable the Internal Revenue
Service to verify the accuracy of
the refund claimed.

It's a Great Time to Buy a Buick

Buy Buick. Experience Drive Buick.

(And at the Best Buy Yet!)

What's so far for you — if you step out and
buy yourself a 1956 Buick right now?
Well, first of all — the time is right.
Right now, your present car is at its peak worth.
And, with the whole summer and almost half of
'56 still ahead of you, you'll get more enjoyment
out of a spirited new Buick this year — if you
buy now.
Second, there's the matter of how much more
automobile your money buys in the best Buick
yet.
We tell you flatly that nowhere but in a '56
Buick can you get so much bounty for so little
bounty.
For example, take the beautiful big '56 Buick
Serrano, pictured here.
It's one big reason why Buick now ranks in the
top three of America's best-selling cars. Yet,
you'll find it priced right close to the well-known
smaller cars.
That sure makes Buick a whale of a lot of car
for the money. And look:
Nowhere but in a '56 Buick can you get the
absolute smoothness and the electrifying per-
formance of Buick's terrific new Variable Pitch
Dynaflow.*
Nowhere else can you get the obedient respon-
siveness of Buick's big and mighty new 322-
cubic-inch V8 engine. Or Buick's matchless new
handling ease and ever-level ride buoyancy —
or Buick's bold new sweep-ahead styling, and
solidity of structure, and stretch-out roominess.
Add it all up and the answer comes out the
same, any way you figure it: Now's the time to
buy your 1956 Buick.
Will you come in — before another sun sets —
and get set with your best buy yet?

HOMEMAKERS PICNIC

Members of the Homemakers Class of the First Baptist Church enjoyed a picnic luncheon at the home of Mrs. Beulah Sparks, with Mrs. Vada Pridemore assisting the hostess. After interesting games were played, ice cream and cupcakes were served.

Attending the picnic were Mes. Mae Franklin, Lois Good, Louetta Beall, Babe Momack, Helen Pitts, Alverta Butterfield, Sybil Howell, Manon Wallace, Pearl Brewer, Vada Pridemore, and Beulah Sparks. Children attending were Jan Pridemore, Chuck Franklin, Lolene Butterfield, Callie Nell, Ora Mae and J. W. Sparks, Nora Ann and Doyle Wallace.

County Judge Houston Smith left this morning for a week's vacation trip to Farmington, N. M., where he will visit with a sister and a brother.

WANTED—Horses of any kind. Artist Pridemore. Phone 28-J

BE CAREFUL... DRIVE SAFELY!

From where I sit... by Joe Marsh

"Keep The Change"

If you've seen "Mac" Johnson this week, chances are he's told you his waitress story. For those who haven't heard: "Mac" recently stopped at an out-of-town diner. He ordered the chef's special—and his waitress (brand new on the job) made every possible mistake. She confused the order, spilled the soup, dropped the rolls, brought him a wrong dessert. Despite it all, "Mac" left a substantial tip. But she smiled and handed the money back. "Keep it, Mister—you've sure earned

it more than I have," she said. From where I sit, that girl deserves credit for admitting her shortcomings—something not everyone is big enough to do. For instance, I'm convinced lots of folks know they're wrong when they deny me the right to a glass of beer with my supper... just because they happen to prefer some other beverage. They wouldn't like me ordering them to accept my choice.

Joe Marsh

HIGHLIGHTS AND SIDELIGHTS From State Capitol

By Vern Sanford
Texas Press Association

AUSTIN, Tex. — Income and expense reports of candidates show Daniel, Aiken and Wilson leading in both receipts and expenditures, in their respective fields.

U. S. Sen. Price Daniel was far out in front in financial support. He listed contributions totaling \$112,849.

Other gubernatorial contenders kitties stacked up thusly: Reuben Senterfitt, \$31,772; Ralph Yarborough, \$23,869; W. Lee O'Daniel, \$1,770.

Sen. A. M. Aiken, Jr., led in the Lt. Governor's race with \$19,637 in contributions as compared with \$8,125 for Lt. Gov. Ben Ramsey and \$6,800 for John Lee Smith.

State Health Department officials believe Salk polio shots enabled Texans to avert a bad polio year.

Pre-season incidence of polio, they point out, was unusually high this year — 224 cases as compared to 167 in 1955. But as the season progressed, immunization was stepped up. Since April 28 there have been only 269 cases compared to 375 in the same period last year.

"This would have been major polio year," said one official. "Salk vaccine apparently is the answer to why it isn't."

Texas farm income thus far in 1956 has slid 13 per cent from last year.

Inadequate moisture was the major cause.

Prices were off only 3 per cent. Therefore, most of the drop came from smaller marketings.

State officials took note of the farmers' worsening plight. Gov. Allan Shivers announced the U. S. Dept. of Agriculture has approved extension of the emergency drought feed program for 64 counties.

A request for direct payments to enable drought-hit farmers to purchase hay on the open market was turned over to the state defense and disaster relief office. It came from the Texas Farm Bureau president who said the present federal program is inadequate.

John White, state agriculture commissioner, said the state's rural economy, in many areas, is in the final stages of collapse. Ghost towns are in the making in the heart of some of our richest agricultural lands, he said.

Last week's widely scattered rain brought only temporary relief to some Southwest Texas areas, reported the Agricultural Extension Service. In most sections, said the service, the drought is spreading. Result: feed crops are being lost and livestock sold off in large numbers.

Continued complaints of creek damming were reported by the State Water Board last week as evidence of Texas' mounting water troubles.

One of the most critical areas now is at Llano, said the board. Irrigators were asked to limit their withdrawals from the nearly dry Llano River.

Communities along the river have priority, said the board. Some, such as Junction and Llano, have said they have only a 30 to 60-day supply.

Other areas from which complaints of damming were sent to the board included Wolf Creek and Groesbeck Creek on the Red River, Blanco River in Blanco county, Caney Creek near Bay City and Elm Crey in Milam county.

Meanwhile, the Water Board had another problem. After a 12-day recess, hearings were to resume Tuesday in the Canyon Dam controversy. San Antonio's request

Fatal Fallacies

by Ted Key

for water from the proposed dam is vigorously opposed by nearby rural communities.

If the State Board of Education adopts its study-committee's proposals, future diplomas will come a little harder for Texas high school students.

Suggestions included (1) two years instead of one, of laboratory science, (2) a half unit more of government or history, (3) making physical education and health non-credit courses and (4) limiting athletic practice during school hours.

Texas citizens still have the right to file criminal complaints

against anyone violating bus segregation laws.

Atty. Gen. John Ben Shepperd has reiterated his official opinion that a recent U. S. Supreme decision did not invalidate Texas law in this area.

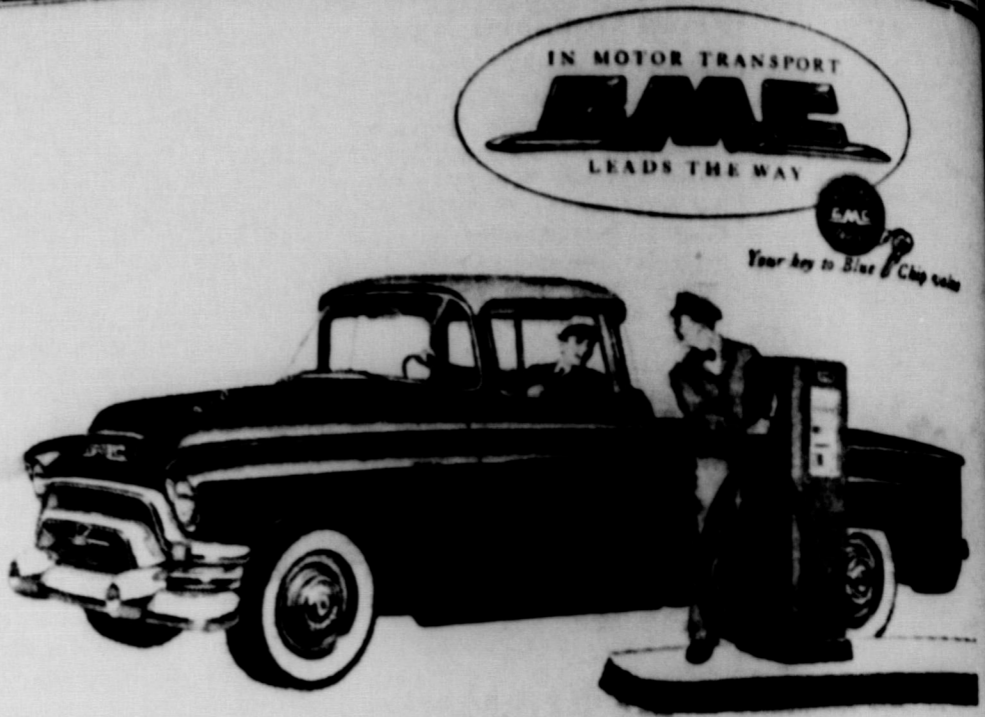

"Any citizen may file complaint against any bus driver or other person failing to comply with these laws," said Shepperd.

His statement came in response to a query from Rep. Joe Pool of Dallas. There, as in several other Texas cities, enforcement efforts have been virtually abandoned since the high court ruling.

Now-GMC gives you
a bonus of up to 3 gallons
in every tankful!

TALK about low-cost GMC ownership! With its new high-ratio cruising axle, a Blue Chip GMC pickup now gives you up to 17.8% better gas mileage. That's 3 gallons' worth of bonus miles in every filling!

And you get far better road speeds, too, from an easy-stroking, unstrained engine. In short, from a mere \$10.50 axle option, GMC now gives you the advantages of a \$125 overdrive.

Add this to the super-efficiency of a GMC

180 hp V8 engine — to the money-saving advantages of Hydra-Matic Drive* — and this fact is clear:

The operation and maintenance savings of Blue Chip features can bring the over-all cost of a half-ton GMC down to the level of — or below — the cheapest stripped-model truck on the market.

Come in today — for the rest of the story.

*Optional at moderate extra cost

News Reel

of "The Ozona Story" and from the files of Ozona Stockman

THE STOCKMAN, JULY 14, 1927

oil test for Crockett to be spudded in soon at the Blakeney ranch in the part of the county. The Oil Co. of San Angelo had a big block of the ranch and will drill on soon. Another location made in the county by the Link Co. of San Angelo, Sec. 52, Block BB, GC & Y.

news reel— Piner, who suffered the right foot last Thursday when a shotgun he was unloading was accidentally discharged, was reported improved in a San Antonio hospital this week.

news reel— noted speakers including the state's most prominent will address The Sheep Raisers Association of its annual convention in July 19, 20 and 21, according to the official program announced by President T. H. Adams. Hon. Dan Governor of Texas, may be the convention speakers. Speakers include T. O. Walden, A. & M. College; Wardlaw, Sonora; J. M. A. & M. College; A. C. Cage and, Ore.; and H. J. Butzago, with Swift & Co.

news reel— use in taxable values in county amounting to a million and a quarter made by the Commission sitting as a board of equalization recently, affecting the value of oil developments will stand except for a change here and there, has E. Davidson announce the final meeting of the

news reel— Clarice Carr of San Angelo and Miss Mildred Davis.

news reel— Further improvement in the general appearance of the business section of Ozona was being made this week with the laying of a concrete sidewalk in front of the T. M. Bell store and the Rainbow Cafe across the street from the new hotel. Laying of this bit of walk closes the only remaining gap in the concrete walk on that side of the street.

news reel— Tom Gibbert is making some improvements in the park by mowing the dead "Blue Grass".

news reel— Mr. and Mrs. John Bailey and daughter, Bernice, have gone to Colorado Springs for a few weeks visit.

news reel— Mr. and Mrs. Lee Wilson and children left Saturday for California for a visit with Mr. Wilson's relatives there.

news reel— Ira Carson has bought the E. E. Stricklen home for a consideration of \$8,500.

news reel— Miss Carcie Stricklen is in Ozona for a brief visit before she and her mother, Mrs. E. E. Stricklen leave to make their home in Austin.

news reel— Moving of the old Roy Parker house, recently purchased by L. R. Adams, is under way this week. Mr. Adams is moving the house to his lot at the corner of Powell Avenue and 13th street and the Adamses will occupy it as their home. The back part of the Ozona Mercantile building which Mr. Adams and Mrs. Adams and their family have used as living quarters, has been rented to Will Bennett and will be occupied by Ozona's new laundry.

news reel— I. E. Cross of Ozona lost the middle finger on his left hand Monday while attempting to tie up a bull on the Lee Henderson ranch. The injured finger was amputated here by Dr. G. L. Coates.

news reel— Twenty-seven Ozona young people enjoyed a hay ride and picnic to the Early Baggett ranch Tuesday evening. The party loaded in to a truck owned by George Baker and spread a sumptuous picnic

lunch near the Baggett ranch home.

news reel— Mr. and Mrs. Pleas Childress and family, Miss Ethel, Pleas and John William, left Tuesday for a trip into New Mexico. They will be joined in El Paso by Mr. and Mrs. Grady Mitcham of San Angelo.

news reel— Mrs. James Farr of Big Lake is visiting her parents, Mr. and Mrs. Ned Friend.

news reel— Mr. and Mrs. Monroe Baggett are in Lampasas visiting their son, James, who is attending an academy there.

news reel— There is only one sheep scabies quarantine in 14 West Texas counties surrounding San Angelo, H. H. Coper, inspector for the Livestock Sanitary Commission announced. It is on a ranch in Crockett and Irion counties, involving 1,600 head of sheep.

news reel— Stake will be driven early in the week for an oil test in western Crockett county on the W. T. Noelke ranch. A. R. Eppenaer and others of McCamey have contracted to drill to 2,000 feet for a lease on 200 acres. Location will be in Sec. 30, Block GG, HE&WT Ry. Survey.

news reel— Experiments are being made on the Nasworthy ranch near San Angelo to determine the best and quickest method of exterminating stomach worm in sheep. The tests are in charge of Judge J. A. Whitten of Eldorado, a member of the Livestock Sanitary Commission. The results are to be broadcast to West Texas ranchmen as quickly as they are determined.

news reel— Mrs. Pearl Bosworth and children, Maxine and A. C., who have been visiting Mr. and Mrs. W. A. Adams on their ranch near here, and also friends in Ozona, left Monday afternoon for San Angelo where they will visit with friends for a few days before returning to their home in Dallas.

news reel— A girl was born to Mr. and Mrs. Charlie Perner of El Paso July 2. The baby's grandmother is Mrs. Mary Perner of Ozona.

BABY SHOES & Boots Bronzed. Prices from \$3.00. J. W. Johnigan. Phone 281.

\$650,895 Advanced To Ranchers In Crockett, Reagan, Sutton By FHA

Ranchers in Crockett, Sutton and Reagan counties obtained loans totaling \$650,895.00 through the Farmers Home Administration during the year ending June 30, 1956. George H. James, Jr., the agency's acting county supervisor said this week.

Repayment on loans outstanding during the year totaled \$592,760.14.

The agency has advanced credit to buy feed, seed, fertilizer, equipment, livestock, and other farm and ranching items needed to place farms and ranches on an efficient operating basis, and to buy and improve family-type farms. It also advanced funds for soil and water conservation purposes, and to meet emergency needs.

The local Farmers Home Administration committee must approve each loan application before funds can be advanced. The committee determines all loan applicants' eligibility and certifies the value of the farm to be purchased or improved if those actions are involved. It also makes

recommendations on loan approvals and servicing actions.

Applications are approved as eligible only if other lenders cannot adequately supply their credit needs and only if prospects are favorable for their being able to improve their farming and ranching and repay their loans.

Families are expected to refinance their loans with other lenders as soon as they are in a position to do so.

Mr. and Mrs. Henry Anderson returned home Thursday after vacationing in Louisiana, Mississippi, Arkansas and Oklahoma. On their homeward trip, they visited their son, W. T. Anderson and his family in Levelland and their son-in-law and daughter, Mr. and Mrs. W. E. Pittman in Midland.

Home on leave for a visit with their parents are Pfc. Wilburn Conklin, U. S. Marine Corps, stationed at Camp Pendleton, and Pfc. Ben Conklin, U. S. Army, stationed at Grosse Ile, Mich. Also visiting the Conklins are Marine Pfc. Pat Wright, whose home is Danville, Ill., also stationed at Camp Pendleton, and Mr. and Mrs. Nelson Boothe and children, Ray Tom and Bonnie, of Sweetwater.

Slick Spots Stepout To Crockett Farmer

Slick Oil Corp. has filed application to drill its No. 5-C University as a 3/4-mile southeast stepout to production in the Farmer (San Andres) field of Crockett County, 18 miles south of Big Lake.

The project will be drilled with rotary to 2,500 feet. Operations will begin as soon as permit is approved. Elevation is 2,704.1 feet.

Location, on a 166-acre lease, is 1,650 feet from the north and 990 feet from the east lines of the southwest quarter of 411-47-University Lands survey.

DUTY Before Politics!

EL PASO HERALD-POST, Thursday, June 28, 1956

Rutherford on the Job

SOME PEOPLE SAY THEY DON'T like Representative J. T. Rutherford because he's a "professional politician."

If they mean he has done very well in the vote-getting line, that definition stands up.

But Mr. Rutherford, for a "professional politician," has taken an unusual stand. He said, "all opposition, I consider dangerous," but still he's staying in Washington in the midst of a campaign to represent the interests of this district in some of the top issues to come before Congress this year.

"Professional politicians" just don't act that way. Votes on the floor of the House mean a lot less to them than potential votes in the ballot box.

But it looks like Mr. Rutherford is putting his people and his responsibility ahead of politics which, for a "professional politician," just doesn't seem natural.

fairly active and generally steady with last week close, and again there was more activity on the higher quality kinds and on fleshy feeder steers and yearlings. Some fleshy feeders were stronger in spots.

Trade was active and prices were fully steady to unevenly higher on sheep and lambs. Slaughter lambs and yearlings drew strong to \$1 higher prices in spots.

Spring lambs topped at \$22, and yearlings topped at \$17. Feeder lambs sold from \$15 down.

Good and choice slaughter steers and yearlings cashed at \$16 to \$21.50, and common and medium offerings cleared at \$10 to \$15.50. Slaughter heifers sold from \$20 downward, some at that figure sorted off steer yearlings that brought \$21.50.

Fat cows cleared at \$9.50 to \$12, and canners and cutters drew \$6.50 to \$9.50. Bulls sold for \$10

to 13.50, a few outside that range.

Good and choice slaughter calves cashed at \$14 to \$17, a few heavies above that range. Common and medium butcher calves sold for \$10 to \$13.50, and rannies sold from \$8 to \$10.

Good and choice stocker steer calves cleared at \$15.50 to \$17.50, and stocker and feeder steers and steer yearlings of good grades sold mostly from \$15 to \$16.50, a few to \$17. Plain and common stockers sold from \$10 to \$13.

Good and choice slaughter spring lambs ranged from \$17 to \$22, and cull, common and medium

springers sold from \$10 to \$16. Stocker and feeder lambs sold from \$12 to \$15.

Good slaughter yearlings sold from \$15 to \$16, and some choice yearlings reached \$17. Cull to medium yearling muttons sold from \$8 to \$4. Slaughter ewes cashed at \$4.50 to \$5. Old bucks sold around \$4.

His Last Switch in Motor Cars!

We have no way of knowing, of course, how many different makes of motor cars this gentleman has owned through the years.

But we're willing to bet that he has now made his last switch in motor cars!

For this time it's a Cadillac! And it is historically true that once a motorist makes the move to the "car of cars", he is usually a Cadillac owner for life.

What are the reasons for this great devotion and loyalty? Well, let us count them off.

First of all, there are the things which everyone recognizes in Cadillac. There is its great beauty... its matchless luxury... and the unquestioned respect which the car commands the world over.

Then there are those qualities with which anyone who has ever driven a Cadillac is familiar.

There is its marvelous comfort and ease of handling... its magnificent power and performance... and its wonderful balance and agility.

And, finally, there are those things which only Cadillac owners themselves can fully appreciate. There is the car's remarkable economy of operation and upkeep—its incredible longevity—and its marvelous resale value.

Incidentally, you will find that we have recently made two additions to this list of things you get when you make your decision for Cadillac.

We're talking about prompt delivery and a generous trade-in allowance!

Better come in while the circumstances are so favorable—and make your last switch in motor cars!

Johnson Project —
(Continued from page one)

ing on that at this time. I feel this will give us little trouble. Our main trouble will be, of course, the 45-day waiting period during which the bill must remain before the Congress to be considered as strictly approved.

"The Senate Public Works Subcommittee, headed by Senator Kerr is drafting a provision to automatically authorize any such projects if they are reported to the Congress prior to August 1st. Senator Kerr and his staff members tell me that a majority of the subcommittee members went on record as favoring this during hearings last week and they are hopeful they will be able to approve the matter officially within the next two or three weeks.

"Even so, it may be a touch-and-go proposition with such a short time remaining in the Congress this session, but I will do everything possible and keep you advised."

Daniel Says CIO Leaders Seek Control Of Politics In Texas

Senator Price Daniel said in a statewide radio speech this week from Beaumont that the same out-of-state CIO leaders who are trying to dominate Texas politics are contributing to the NAACP's efforts to integrate Texas schools.

"Only a few months ago, Walter Reuther gave from the Phillip Murray fund \$75,000 to the NAACP to help finance the institution of law suits against Southern states which had segregated schools. That is the same Walter Reuther who wants to dominate Texas politics and the Texas Government. Are we going to let him do it? That is the big issue in this race," Senator Daniel said.

Speaking from Beaumont on a statewide tour in his campaign for governor, Senator Daniel emphasized his belief that "those who belong to the unions here in our State do not want to see their money used for such purposes or that they want to see the organi-

zations turned into political machines." He said he didn't believe the dues paying members of labor in

Texas wanted to have anyone vote in the governor's race on other race.
