## Feed Program Extended To March 16

T. McKay, state director of the Home Administration, announced late last week that the feed aid program is to be extended another month, according to George H. James, Jr., county supervisor.

## Band Wins Honors In Festival

### Sweep Field In Reading And Concert Playing

The High School Band, under the direction of Byron E. Gray, swept a field of ten competing bands for top honors in night reading and concert playing at the annual Heart of the Valley Band Festival held in Brady.

The band won the concert-playing trophy and the sight-reading trophy went to the Del Rio band. The trophy for the street parade went to Cross Plains band.

Friday night's marching concert in Brady's Bulldog Stadium, place trophy went to Tivy School band of Kerrville.

## Winter Returns With Dust Cloud Riding On Howling Northwester

After several days of almost summer temperatures which teased fruits trees into full bloom and sprouted tender buds on many species of trees and shrubs, winter reminded that spring is still around the corner this week when a howling norther, pushing a typical West Texas dust storm ahead of it, rolled over this section Tuesday night.

The dust-laden norther struck Ozona shortly after midnight and blew with almost unabated fury all day Wednesday, lowering temperature to 36 degrees early Wednesday morning. The biting cold wind kept temperatures down all day in spite of sunshine which managed to filter through the high riding dust cloud, and when the wind abated last night temperature dropped to mid-winter levels 22 early this morning.

The norther's discomfort was accentuated in many Ozona homes which were about as chilly as the outside throughout most of Wednesday while workmen were unplugging a stopped up gas transmission line bringing natural gas to Ozona from the Clayton well ten miles east of the city. Empire Southern Gas Co., rushed a supplementary crew from Brady here to assist in getting the gas system back in service, which was accomplished at about 5 p. m.

## Ozona And Eldorado Track Teams In Dual Meet Here Friday

By Ernie Boyd

The Ozona track team will engage the Eldorado track team in a dual meet at the Lion track Friday afternoon starting at 4 p. m. The Lion team, encouraged by their showing last week in Eldorado, has been working hard this week and coaches Womack and Cleere have made a few changes calculated to improve the Lion's chances in some events.

Both Sonora and Junction of district 6-A are back with powerful teams this year and Junction seems to have one of the better track teams in this section of the state so there is little reason to be optimistic about winning the district in track. However it is hoped that this year the Lions will be able to score more points in the district meet than has been the case in recent years.

The Lion team will be uncertain of whether Juan Delgado will be ready for Friday's meet or not. Delgado, who has been counted on in the broad jump and in the 220 low hurdles, hurt his back last week and has been sidelined through the early part of this week.

Changes have been made in the 440 relay and it is hoped that better times will be posted in that event.

Admission is free and fans interested in track are invited to attend the meet Friday afternoon.

## Hospital Shows Another Profit Month For Feb.

For the second month in a row, the Crockett County Hospital, under the management of J. B. Post, has shown a profit.

The month of February showed a net profit of \$209.40. The hospital made history in January when a profit of \$1,300 was realized, the first time the hospital had failed to show a loss since its operation began.

In the monthly financial report to the hospital board at its meeting Tuesday night, Mr. Post reported total receipts for the month at \$5,595.43 and expenses of \$5,386.03. A comparison of net operating profit and loss schedules for the first eight months of the fiscal year from July, 1955, through February, 1956, with the same period a year before shows the net loss the past eight months was \$5,500 against \$16,900 for the same period a year earlier.

## Voters Approve School Bonds By Six To One Margin

### Light Vote Registered In Saturday Election For \$200,000 Issue

Most Crockett county voters "let George do it" here Saturday in the almost uncontested balloting on the question of issuing \$200,000 in bonds for the construction of 20 teacher housing units, a new auditorium at the South Elementary school and repairs to the North Elementary building.

The issue was approved by a margin of six to one, with 134 voters favoring the issue to 22 against.

The teacher housing units are to be constructed on school property on the hillside east of the high school. The question of employment of an architect will come before the school board at a meeting called for Monday night and as soon as plans have been drawn, contract will be let for the school improvements. Construction of the 20 housing units will save the schools approximately \$18,000 a year in rent now being paid by the schools for teacher housing in privately owned houses.

School board members hope to have construction under way by April 1 and the units ready for occupancy by the opening of the new school term in September.

## Mail Solicitation For Welfare Council Opens

Letters of solicitation on behalf of the Crockett County Welfare Council were being mailed this week, the only means to be used by the centralized charity organization here to raise funds for next year's operations.

The letters are being mailed to those who have contributed to the Council in past years, accounting for the past year's operations and soliciting continued support. The letters are signed by the chairman, Ira M. Carson, and the secretary-treasurer, V. O. Earnest.

Those who have supported the Council in the past and those who have not contributed are invited to make a lump-sum donation or a dollar-a-month bank draft donation. Cards are available at the Sheriff's office for those who wish to adopt the monthly draft plan.

## Ozonans Placed Three Fat Calves In Houston Livestock Exposition

Three of four calves shown by Betty Jack and Don Cooper, children of Mr. and Mrs. Pat Cooper, who ranch south of Ozona, placed in the stiff competition at the Junior livestock show of the Houston Livestock Exposition last week.

In the lightweight division, an 850-pound Hereford calf fed and shown by Betty Jack placed 15th. In the same division, an 805-pound Hereford shown by Don placed 36th. In the heavy-weight division, Betty Jack's "Banjo," weighing 1,185 pounds, placed 28th in a class of 70 entries.

In the auction sale which followed, Betty Jack's 15th place calf was purchased by Humble Oil & Refining Co. for 41 cents per pound. The other two calves brought 40 cents a pound each.

## Annual Girl Scout Cookie Sale Here Mon.

The annual Girl Scout cookie sale will open here Monday and Ozona Girl Scouts will be out to give all their friends an opportunity to buy their official Girl Scout cookies.

Each box of cookies will sell for 50 cents. A nickel from each box sold will go into the troop fund, the balance to be sent to the Girl Scout Council to promote Girl Scout work throughout the council area. The girls work hard to earn this money, so do your part toward promoting Girl Scouting by buying one or more boxes of cookies when the girls call.

Connell Ashley

## Connell Ashley Asks Re-Election As District Attorney of 112th Dist.

Connell Ashley, now serving his first term as district attorney of the four-county 112th Judicial District, comprising Crockett, Pecos, Sutton and Upton Counties, has announced that he would be a candidate for a second term, and seeks nomination in the Democratic primary to be held July 28th.

Ashley is a Fort Stockton lawyer, who is active in the civic and religious life of the community. He is a director and officer in the Fort Stockton Lions' Club, Fort Stockton Junior Chamber of Commerce and Fort Stockton Chamber of Commerce. He is currently serving as president of the men's organization of his church.

"I am most grateful to the people of Crockett County for their splendid support of the law enforcement agencies of the county and district during the time it has been my privilege to serve as your district attorney. I will appreciate most sincerely your careful consideration of my request for a second term, and invite you to check the record of my administration of this important office," said Ashley.

## Red Cross Drive Off To Good Start On Biggest Quota

### One-Day Solicitation Nets Over \$1,000; Reports Not In

Although reports from workers were incomplete, prospects were bright that Ozona will exceed its 1956 Red Cross Fund drive quota before the drive is completed, Chas. E. Davidson, drive chairman, reported this week.

In a one-day canvass Monday opening the campaign, a team of women solicitors representing the women's organizations of the city, turned in a total of \$1,098, Chairman Davidson reported.

A drive in the business section, taken on by the men's organizations, the Lions and Rotary Clubs, is under way but final reports had not been turned in at midweek. In addition, Mr. Davidson is handling a "special gifts" campaign on his own and final returns are not in from this portion of the drive.

The Red Cross campaign will be continued through the month of March and those who wish to contribute and who have not been contacted may leave their contributions at the Stockman office, at the Ozona National Bank or mail them to Red Cross, Ozona, Texas. Efforts are being made here to exceed the local quota of around \$1,700 as an expression of appreciation for the Red Cross' magnificent job done here following the flood of 1954 and to help the mercy organization whose funds were depleted in 1955 by the greatest disaster year in the Red Cross' 75-year history.

Eddy Nations of Del Rio has been transferred to Ozona as local manager for the C. G. Morrison Co., variety store here. Nations succeeds J. B. Monroe who resigned to accept a position as manager of a similar business in Kerrville.

Phone News To The Stockman

## Little League Benefit Basketball Game Here Friday Night In Gym

Teams representing the Ozona Lions Club and the Big Lake Jaycees will tangle on the Davidson Memorial gym floor here Friday night as a benefit performance for the Ozona Little League program this summer.

Game time will be 8 p. m. and the admission price will be \$1. A spectacular trampoline act at the halftime will be an added attraction. Putting on the trampoline performance will be Mike Clayton, Milton Allen, and Mac-Yoacham.

The Little League program will be a joint effort by the Lions Club, the schools and the county. The Friday night basketball game is part of the Lions Club fund raising effort for the project.

## Crockett 4-H'ers Make Strong Bid At Angelo Show

### 40 Fat Lambs, 21 Breeding Sheep, 3 Calves In Showing

Twenty-five Crockett County 4-H Club members, with their sponsor, County Agent Pete Jacoby and many parents, are in San Angelo today where they will be exhibiting livestock in the annual San Angelo Livestock Show and Rodeo.

Judging of fat lambs was scheduled for today and breeding sheep and fat calves will be judged Friday. Two judging teams from Ozona, one representing the 4-H group and one from the F. F. A. chapter, will judge livestock in competition with other teams from the area on Saturday.

The Ozona 4-H Club livestock judging team will be composed of George Bunker, R. J. Everett, Benny Friend, and Brock Jones. The F. F. A. team will be Carl Conklin, Erby Chandler, Bill Black and Kent Babb.

The Ozona club members will show a total of 40 fat lambs, 3 fat calves and 21 head of breeding sheep in the San Angelo show.

The Ozona showmen and the number and kind of livestock they will show were listed by County Agent Jacoby as follows:

Carl Conklin, 2 crossbred lambs and a calf; George Bunker, 2 crossbred lambs; R. J. Everett, 1 fine-wool lamb and 1 Rambouillet ram; Joe Everett, 2 finewool lambs, 1 Rambouillet ram and 3 Rambouillet ewes; Erby Chandler, 2 crossbred lambs; Benny Friend, 2 crossbred lambs; Clayton Friend, 1 finewool lamb; Jacque Williams, 2 crossbred lambs and a calf; Earl Deland, 2 crossbred lambs; Ladye Everett, 2 finewool lambs; Mark Baggett, 2 finewool lambs; B. B. Ingham, Jr., 2 finewool lambs and 1 Rambouillet ewe; Bob Childress, 2 finewool lambs.

Susie Chandler, 2 crossbred lambs; Pam Jones, 2 Rambouillet rams and 2 Rambouillet ewes; Don Cooper, 1 crossbred lamb and 1 finewool lamb; Pierce Miller, 2 Rambouillet rams and 2 Rambouillet ewes; Jay Miller, 2 Rambouillet rams and 2 Rambouillet ewes; (Continued on Last Page)

## Sister of Dr. Tandy Dies Of Heart Attack; Funeral In Abilene

Mrs. Margaret Ellis, 62, only sister of Dr. H. B. Tandy of Ozona, died of a heart attack sometime Sunday night at the home of her mothers, Mrs. C. M. Tandy, with whom she lived in Abilene.

Mrs. Ellis' body was found Monday morning seated in a chair in the kitchen.

Funeral services were held at 3:30 Tuesday afternoon from the Episcopal Church in Abilene, with burial following in Abilene cemetery. Mrs. Ellis is survived by a son, Lester Ellis, and one daughter, Mrs. Charles Lacey, both of Abilene, and one brother, Dr. Tandy of Ozona. Three grandchildren also survive.

## Man Released In Woman's Shooting After Truth Test

### Case Closed With Sui- cide Verdict After Investigation

Aubrey Chadwick, 27, of Sonora was released from custody here Wednesday after voluntarily submitting to a lie detector test in the Department of Public Safety laboratory in Austin Wednesday. Sheriff V. O. Earnest announced late Wednesday.

Chadwick was held for investigation following the fatal shooting early Sunday morning of Mrs. Elizabeth Ann Foster, 19, of El Paso in the street between the Lilly Welding Shop and M&M Cafe. Mrs. Foster died of a gunshot wound in the stomach suffered about 2:30 Sunday morning. Justice of the Peace W. M. Johnigan ruled the death was suicide. The woman was shot with a 30-40 calibre rifle which was found on the ground near her body.

Also released from custody was George Snyder, 23, of Van Horn, a companion of Chadwick and held by officers as a material witness pending completion of the investigation.

With testimony from one eye witness which corroborated that of Chadwick and Snyder to the effect that the woman shot herself, and from another, a 17-year-old boy, which conflicted with their account, Chadwick volunteered to take the lie detector test. Sheriff Earnest said, and Austin experts who gave the test gave officers a statement to the effect that the test had shown Chadwick innocent of the woman's murder. Sheriff Earnest and District Attorney Connell Ashley of Ft. Stockton took Chadwick to Austin Tuesday night and he was given the test early Wednesday morning.

Funeral services were held in El Paso Wednesday morning for Mrs. Foster. Survivors include her husband, Sears Foster of El Paso; her parents, Mr. and Mrs. Robert L. Madison of El Paso, and four sisters.

## Two Ellenburger Tests, Ten Shallow Tests For Crockett

### Pure, Phillips To Drill Deep Wildcats North Of Ozona

Crockett County gained locations for two Ellenburger wildcats and locations of 10 steepouts to a new field. The same field gained its fourth producer.

Pure Oil Co. will drill the No. 1-D University, a 9,300-foot Ellenburger test, 8 1/2 miles southwest of Barnhart and between the shallow Block 47 and Block 44 fields.

Rotary drilling will begin March 3. Location, on a 343.8-acre lease, is 680 feet from the north and 2,065 feet from the east lines of 11-44-University. It is eight miles north of Ellenburger production in the Midway Lane field.

Phillips Petroleum Co. will drill the No. 1-R University, an 8,500-foot Ellenburger wildcat, 13 miles northeast of Ozona and three miles northeast of the one-well Ozona, North (Ellenburger) field.

Rotary drilling will begin at once.

Location, on a 326.6-acre lease, is 2,015 feet from the north and 1,884 feet from the west lines of 21-42-University.

It is 1 1/2 miles north of Norsworthy No. 1 Mitcham, 9,025-foot failure, which topped the Ellenburger at 8,075 feet on elevation of 2,578 feet.

Claude J. Thompson, Inc. et al of Abilene will drill 10 steepouts to the four-well Maggie S. Neal (Grayburg) field, 15 miles south of Big Lake.

The projects on a 320-acre lease in 66-BB-GC&SF, will be drilled (Continued on Last Page)

THURSDAY, MARCH 8, 1956

#### BLAME THE GAS MAN IF YOUR STOCKMAN IS LATE

If this week's Stockman has reached you late, which at this writing seems a likely prospect, blame it on the gas man.

You see, Wednesday's the day when most of the Stockman's news type is set on the Linotype machine and before type is type it is melted metal in this ingenious machine's metal pot. When the gas supply to Ozona was cut off by a plug-gas which transmission line east of town early Wednesday morning, the erstwhile molten metal quickly became a solid block in the pot and resolidifying was all at end until after six p. m. The Stockman crew somehow managed to stress the coil without the customer's office fire, but the little metal pot couldn't take it. It froze stiff.

SSA Society will sponsor an Agon Sale Saturday, March 11, at 8 a. m. at the Ozona Dress Shop. Proceeds to Society community fund.

### 33rd Air Defense Headquarters In Oklahoma City Nerve Center of 6-State Aerial Defense Network of Which Ozona Radar Station Is Part

**HQ. 33D DEFENSE DIVISION**, Oklahoma City, Okla. - To strengthen the aerial defense capabilities in the Southwest, the 33rd Air Defense Division, commanded by Brig. General Wm. F. Nuckols, will operate within new boundaries beginning March 1st. At that time the newly organized 29th Air Defense Division will assume aerial defense responsibilities for Kansas, Missouri, half of Arkansas and the northeast tip of Oklahoma.

Within its adjusted boundaries of Texas, Oklahoma, Arkansas and Louisiana, the 33rd will add eight new aircraft control and warning squadrons and ten automatic auxiliary radar sites. The new units, scheduled for operation this year, will extend radar horizon coverage south over Mexico and the Gulf.

Adding new squadrons and radar sites to those now in operation, will give the 33rd area 90 percent coverage over its southern approaches, enabling it to pinpoint interception of any hostile planes at much greater distances from population centers and industrial military targets.

Since its activation in 1955, the 33rd Air Division has been charged with the aerial protection of a six-state area covering some 800,000 square miles. Over this vast area a 24-hour-a-day vigil is maintained by Air Force Personnel of the Aircraft Control and Warning Squadrons and members of the Ground Observer Corps. Two F-106-Interceptor Squadrons maintain around-the-clock readiness and are able to be in the air within minutes to intercept, identify and if necessary, destroy any hostile aircraft in this area. These

units are augmented by the jet fighters of the Air National Guard.

The new radar squadrons scheduled for operation this year within the 33rd area will be located at: Ozona, Eagle Pass, Laguna, Rockport, Fort Isabel, Killeen and Lubbock in Texas and at Lake Charles, Louisiana. The ten automatic radar sites will be located near Fannett, Van Vleet, Carrizo Springs, Comstock, Delmita, Larcus, Estancia and Palomas in Texas and at Weeks Island, Louisiana.

#### LADIES GOLF ASSN.

The Ladies Golf Association met at the Country Club Thursday of last week for their regular golf and bridge play. Refreshments of coffee, pie and cake were served.

Lois Hodges won the flag race in golf play and Charlotte Phillips won high score in bridge with Dorothy Pierce winning low. Members attending were Dorothy Friend, Charlotte Phillips, Mary Clayton, Emma Adams, Vivian Clayton, Liz Williams, Lois Hicks, Dorothy Pierce, Ada Pierce, Velma Marley, Helen Wilkins, Gladys Pierce, Lois Hodges, Jean Scheiber, Alice McMullan, Wilma Friend, Pauline Montgomery and Katy Jones.

#### HELP WANTED

Man or Woman to take over route of established customers in Ozona. Weekly profits of \$50.00 or more at start possible. No car or other investment necessary. Will help you get started. Write C. E. Rubin, Dept. M-1, The J. R. Watkins Company, Memphis 2, Tennessee.

# Cadillac

## At Home... Among Strangers!

You're going to get a wonderful thrill when you take the wheel of your first Cadillac and head out into the country—a long, long way from home.

We're not just talking about the car's wonderful performance and its extraordinary riding and handling ease—satisfying and inspiring though these are bound to be.

No, we're talking about something more.

We're talking about the *friendliness* you're going to encounter—how you'll be driving among people who seem to know something about you, and who are ready to trust and respect you as if they had known you for a long, long time.

This is true, of course, because Cadillac quality and goodness have made it the overwhelming preference of people of judgment and discrimination—and the whole world has come to know and

understand this and to appreciate what it means.

Yes, your best foot is forward when it rests on the throttle of a 1956 Cadillac.

This great personal benefit is strictly a plus value when you take the title of the "car of cars." It comes in addition to the long-known Cadillac virtues: matchless beauty and luxury and comitè, and safety and long life.

Why not consider a Cadillac for your next car?

It is a logical choice—not only for quality and goodness and prestige—but for economy of ownership and operation as well.

We suggest that you come in soon and see for yourself. We'll be happy to give you a personal demonstration at the wheel—and to explain why this is such a wonderful time to make the move from every standpoint.

Stocking Of Ranges Solution To Extreme Conditions Of West Texas

W. Ketchum, SCS

Dan Webster, flexibly defined as follows: "or readily adjustable conditions". Flexibly defined means the stock are adjusted to changing climatic conditions. Climatic conditions include rainfall, wind, or the combination of the three will directly affect grass production. Only by adjusting operation to climatic conditions we obtain the maximum of our ranges.

in the winter and using complete defoliation in the summer; this method is especially effective in improving the condition of deteriorated ranges. Considered from the economic point of view, flexible stocking rates can reduce feed bills and produce heavy, higher quality lambs and calves. Flexible stocking is recognized in the Crockett Soil Conservation District program plan of work as one of the major needs of the district because of the erratic rainfall. Flexible stocking is the basis of all range improvement and maintenance. It is the only alternative man has until that day should arrive when man can control the climate.

Texas Music Theme of Music Club Program

The Ozona Music Club met Thursday, March 1, at the North Elementary Auditorium. After the business meeting, conducted by the president, Mrs. Ted White, the program coordinator, Miss Cleona Quiett, took charge.

The story of the Hymn of the Month, "Jesus Lover of My Soul" by Charles Wesley, was given by Mrs. Ted White. The club then joined in singing the hymn.

The subject for the night was The Music of Texas. The story of Texas music was given by Mrs. Sherman Taylor, who explained how Texas music came from Spain through Mexico. Various foreign elements, as well as the other outside influences on Texas music, were explained. In connection with the program Mr. Rollins sang "Padre Nuestro" as it was done in the Spanish Missions.

At different points of the program a girls' singing group, composed of Jacquelyn Williams, Mary Lou Johnigan, Gearl Dean Long, Elizabeth Pearson, Nelda Kay Lott Beverly Alford, Helen Henderson, Jane Pridemore, Glenda Friend, Marian Ross, Judy Black, Becky Cullins, Sally Baggett, Ann Baggett, Suzanne Dale, and Genevieve Childress, contributed music.

Miss Lucille Farmer presented a group of eight girls in a German Folk Dance.

"Prayer" by David Guion was sung by Mary Lou Johnigan. The program was closed by the song "The Yellow Rose of Texas" with Genevieve Childress portraying the part.

Refreshments emphasizing the St. Patrick's Day theme were served by the hostesses, Mrs. Clifford Tubbs, Mrs. Pink Beall, Miss Marbeth Stubblefield, Mrs. Joe Friend, and Mrs. Ottist Pridemore.

Adding machines at the Stockman

Second Producer For Weger Extends Field

The Weger, North field of Crockett County has gained a 3/4-mile north extension and its second producer, with completion of Slick Oil Co. Ltd. No. 8 W. E. Friend, in 2 1/2 D. L. Carver, six miles south of Big Lake.

The project was completed for a daily pumping potential of 72.13 barrels of 30.6 gravity oil, no water, with gas-oil ratio 468-1.

Production was through perforations between 2,300-330 feet, 2,365-408 feet and 2,428-458 feet, in 5 1/2-inch casing set at 2,600 feet, the total depth. Completion was natural.

Top of pay was picked at 2,300 feet, on elevation of 2,616.3 feet.

The discovery, the same operators No. 1 W. E. Friend was completed Jan. 7 for a daily pumping potential of 78.37 barrels of oil through perforations between 2,318-46 feet, 2,353-74 feet and 2,400-414 feet.

The Weger (San Andres) field has been extended 1/2-mile southwest with the completion of Slick Oil Co. No. 1-C Neal, in 50-GC&SF, 10 miles south of Big Lake.

It was completed for a daily pumping potential of 66.45 barrels of 31 gravity oil, no water, with gas-oil ratio 512-1.

Production was through perforations between 2,283-303 feet, 2,316-330 feet in 5 1/2-inch casing set at 2,550 feet, the total depth. Completion was natural.

Top of pay was picked at 2,283 feet on elevation of 2,563.9 feet.

BRIDGE PARTY

Mrs. Joe Pierce entertained her bridge club Tuesday afternoon in her home. It was a springtime party. Spring flowers were used in the rooms. High score for club went to Mrs. W. W. West and high guest to Mrs. Dempster Jones. Low

went to Mrs. Early Baggett and bingos were won by Mrs. Sherman Taylor, Mrs. George Montgomery and Mrs. Stephen Perner. Others present were Mrs. Lowell Littleton, Mrs. Lindsey Hicks, Mrs. Victor Pierce, Mrs. Bailey Post, Mrs. Johnnie Henderson, Mrs. Ewart White, Mrs. Hudson Mayes, Mrs. J. S. Pierce 3rd, Mrs. O. D. West, and Mrs. Max Schneemann.

Apron Sale Sponsored Sat. By ESA Chapter

An apron sale will be held on Saturday, March 10, starting at nine o'clock in the Ozona Dress Shop. The Ozona chapter of E. S. A. is sponsoring the sale to raise funds for the local and district projects of the sorority. The district project of the sorority is a contribution, one hundred dollars from each chapter in the district, to be given to a home for crippled children.

The Ozona chapter of ESA is also selling coupons for portraits to be made by the Wallace Studio in San Angelo. Two of the portraits will be on display during the apron sale, one a framed picture and the other unframed. The public is invited to see these pictures at the Ozona Dress Shop. They will be on display only during the sale.

HOMEMAKERS CLASS

Members of the Homemakers class of the First Baptist Sunday School met Tuesday in regular session in the fellowship hall of the church. The meeting opened with the song of the month, Mrs. Babe Womack presided at the business meeting.

A devotional, "The Bible" was given by Mrs. Luetta Beall. Mrs. Dovie Binnicker and Mrs. Manon Wallace served refreshments to Buella Sparks, Vada Pridemore, Mena Rhea Carnes, Jerry Woodall, Pearl Brewer, Leota Cox, Hel-

en Pitts, Babe Womack and Luetta Beall.

Methodist Woman's Society Meeting

The Woman's Society of Christian Service of the Methodist Church met Wednesday morning at the church for the monthly devotional and business meeting, with the president, Mrs. S. M. Harvick, presiding.

Mrs. Lindsey Hicks, Secretary of Student Work, gave the devotional and also spoke on the recent meeting held at Mt. Wesley, Kerrville for Senior High School students of the Southwest Texas Conference, on "How To Live a Christian Life" and how to choose a vocation in life. The meeting was attended by two Senior girls from Ozona. Mrs. Clay Adams gave a short talk on alcohol with regard to college students.

The circles will meet together next Wednesday March 14th, at the church, for a sacrificial breakfast, and to commence the study on "This Revolutionary Faith" by Floyd Shacklock.

Mrs. S. M. Harvick and Mrs. Taylor Word were elected delegates to the annual conference to be held in San Marcos March 20-22.

The society voted to give \$50 toward the building fund for the Methodist Wesley Foundation student building at the State University at Austin.

Those present were Mesdames J. A. Fussell, M. J. Read, F. L. Henderson, Bailey Post, O. D. West, R. A. Harrell, Charles Williams, Sr., Taylor Word, Victor Pierce, B. B. Ingham, Sr., Clay Adams, Joe Pierce, S. M. Harvick, Lindsey Hicks, John W. Henderson and Mrs. Nat Read of Austin.

APRON SALE Saturday, Mar. 10, at the Ozona Dress Shop. Sponsored by Ozona E. S. A. Sorority.

One tiny life YOU helped to save!

St. Louis, Mo., Sept. 21, 1955 Five-week-old Gary Lee was in the care of the family of 17-year-old Jane McAllister when he suddenly stopped breathing. Jane applied artificial respiration until Gary recovered. It was less than one month previous to this nerve-racking ordeal that Jane completed a Red Cross First Aid Course in her high school.

If your Red Cross dollars did no more than this—wouldn't it have been worthwhile? Yet your dollars did more—far more.

For nearly 700,000 Americans were trained in first aid fundamentals last year... thanks to your dollars. With your help, they stand ready to assist when first aid will save a life. So join—and join generously this year. Help the Red Cross answer the call—in national disaster—for blood—or when a serviceman needs a hand. Congress has given the Red Cross these tasks. Won't you help shoulder the load?

**Stock**  
 Stocker steer calves \$14.00 to \$19.00; steer yearlings \$18.00 down; stocker cows \$10.00 to \$13.00. Some stocker heifer calves \$17.00 down.  
**Short Pelt Lambs Weaker;**

Opening day's trade Monday at Fort Worth saw shorn slaughter lambs sold on a slow and weaker basis. This reaction was not surprising, following the series of rising markets of the past ten days. Lambs of fresh shorn or No. 3 pelt were around 50 cents lower, and those with better skins were steady to 25 cents lower. Old ewes selling up to \$8.50 for slaughter were strong to 50 cents higher. Feeders were about steady.

Comparative prices: Good and choice No. 1 and Fall shorn pelt lambs, and a few full woolled fat lambs, cashed at \$18 to \$18.50. No. 2 pelts sold around \$17 to \$17.50, and fresh or recently shorn pelts cashed at \$16 to \$16.50. Cull common and medium slaughter lambs drew \$13 to \$16. Woolled feeder lambs topped at \$19, those at that figure being practically fat. Shorn feeders drew \$16 to \$17, longer pelts at the higher figure. Slaughter ewes sold from \$6.50 to \$8.50. Old bucks drew \$5 to \$6.50. Some mixed ewes and bucks at \$7. Old wethers \$9 to 13. Yearling wethers \$13 to 16.

**Why Soil Conservation Is Important To Everyone**

Second place winning essay on the subject, "Why Soil Conservation is Important to Everyone."

By Carol Blackstone

Spring, extolled by poets as the loveliest time of the year, is almost here. Will we remember our spring as a magical time when the whole world about us comes to life again? Or will we have the experience of past years when the day is turned into night as turbulent winds transform much needed topsoil into a cloud of dust spreading destruction? Something must be done to keep these conditions from becoming worse.

Unless we need these warnings we will suffer the same fate as the peoples of Iran and Palestine. In the days when their countries were influential nations they lived in a beautiful land, where trees covered the hillsides. By greediness and lack of knowledge their farmers and herdsmen virtually ruined the land. Once progressive people live today under some of the worst conditions on earth. The present day generation must pay for the damage their ancestors began; for starving people cannot rebuild a great world power.

The story of these countries might have been a different one had they known of crop rotation, the dangers of overgrazing, proper drainage methods, strip cropping, irrigation, terracing and prevention of soil blowing.

How sad it is that they did not know. But how much more regrettable is it that we fail to apply it. Thirty-five million acres have already been ruined and two-hundred-twenty-five million more are on the road to destruction.

The facts accumulated by scientists and soil conservation workers must be put into practice; otherwise we will face the destiny that Iran and Palestine knew.

Are we going to stand idly by and watch it happen to our country?

**Bundles from heaven bring bundles of wash**

Fast Gas dries a washer load in just minutes!

Baby enjoys soft, wrinkle-free clothes. You save time, money

Gas dryers are the speediest kind. Washdays are turned into automatic washminutes. And there's no more hauling, hanging, pinning! Imagine never having to set aside special times for doing the wash! This speed plus low operating cost are the reasons professional laundries choose GAS clothes dryers by 10-to-1. You pay only a penny, or perhaps a fraction more, per load... much less than for non-flame drying. Clothes come out so wrinkle-free that much ironing is eliminated. Towels fluff smoothly to twice-lined thickness. So for baby's bundles of wash, family's too, pick the GAS clothes dryer.

Want some Fun and Fast Action?

**Come join Buick's THRILL-A-MINUTE CLUB**

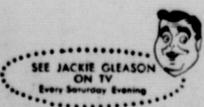

HERE'S the why of it: There's so much excitement at the wheel of a '56 Buick, we had to do something to accommodate all the folks who want to get in on it. So we set up a little Club to handle matters—and it's for fun and for free. All you do to join is drive a new Buick—that makes you a member. And all you do to drive this beauty is ask. From that point on it's pure thrill all the way. Because then you'll feel the sheer bliss of cradled travel in the best riding Buick yet built—and of a wonderful handling ease in the car with the truest sense of direction yet... Because then you'll tingle with the flash-fast power response that's yours from Buick's big 322-cubic-inch V8 engine—where horsepowers and compression ratios hit lofty new peaks, and road command hits a soaring new level... Because then—and only then—will you feel the absolute smoothness and the electrifying action of today's new

Variable Pitch Dynaflo\*—where the first inch of pedal travel does new wonders for getaway and cruising and gas mileage—and where flooring the pedal switches the pitch for the most spectacular safety-surge in America today. So if you want some fun and fast action—if you want to see what it's like to call signals on the most performance-packed automobile in all Buick history—come join our Thrill-A-Minute Club. As we said, there's nothing else to do for membership except drive a new Buick. And, as we'll gladly show you, there's nothing to match this beauty as a bedrock buy—for we're making the best deals ever on the best Buick yet. Drop in on us today or tomorrow—press that pedal—and let the thrills fall where they will.

\*New Advanced Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.

When Count Yogi appears at the Ozona Country Club on Tuesday, April 3rd, plan to save time to attend this attraction for one of the best entertainments on schedule for Ozona.

Yogi proves that anyone can enjoy the same of golf immediately and it is not necessary to break the clubs when you have a rotten shot. He handles a golf stick in such a way that the pro are amazed with the way he plays the game. He uses the stick with his teeth, up his sleeve, on his leg and shoots the ball from behind his back. He teaches a system which enables all people to step right up and start with a good swing. Yogi's system is a basic formula of mental discipline based on an infallible mental routine

basis of words as: line it up — step around — even pull — control and relax.

The Yogi instructed the National Blind Men's champion and bet he could teach a blind woman to break 100 the first round of golf. She did, for she made a 96. He has operated the largest outdoor golf range, the largest indoor school and the \$1,000,000 Ambassador-Wilshire course of Los Angeles.

Bob Hope commends him as "The Great Stylist", Cary Middlecoff — "The best in talent and entertainment," Tommy Armour — "Yogi's Book Greatest Ever Written," and Joe Turnesa Sr. — "See To Appreciate." Plan now to save April 3rd to see the Count in action and enjoy good entertainment.

**CONTRACTORS' NOTICE OF TEXAS HIGHWAY CONSTRUCTION**

Sealed proposals for constructing 3.636 miles of Gr., Strs., Base & Surf. from 21.2 mi. southwest of Ozona to 25.4 mi. southwest of Ozona on Highway No. FM 2083, covered by R 1280-3-1, in Crockett County, will be received at the Highway Department, Austin, until 9:00 a. m., March 20, 1956, and then publicly opened and read.

This is a "Public Works" Project, as defined in House Bill No. 54 of the 43rd Legislature of the State of Texas and House Bill No. 115 of the 44th Legislature of the State of Texas, and as such is subject to the provisions of said House Bills. No provisions herein are intended to be in conflict with the provisions of said Acts.

In accordance with the provisions of said Acts.

sions of said House Bills, the State Highway Commission has ascertained and set forth in the proposal the wage rates, for each craft or type of workman or mechanic needed to execute the work on above named project, now prevailing in the locality in which the work is to be performed, and the Contractor shall pay not less than these wage rates as shown in the proposal for each craft or type of laborer, workman or mechanic employed on this project. Legal holiday work shall be paid for at the regular governing rates. Plans and specifications available at the office of Robt. A. McCulloch, Resident Engineer Sonora Texas, and Texas Highway Department, Austin. Usual rights reserved. 49-26

**Ozona Track Team In 4th Place In Eldorado Invitational Meet Sat.**

By Ernie Boyd

The Ozona High School track team scored 15 1/2 points in Eldorado last Saturday to cop fourth place in the invitational meet.

The Lions, who have been working out as a team for less than a week, narrowly missed scoring a number of points in several other events and were crippled when Juan Delgado was injured in the

first event and was unable to perform at a normal pace in several other events where the Lions were strong contenders.

Bobby Martinez picked up the Lions only first place when he won the 880 with ease. Despite being boxed in during the first lap the Lion half-miler covered the distance in a good 2:9 with no one pressing.

Kent Babb, George Bunger, Lloyd West and a relay team with Johnny Ramirez and Robert Price along with West and Martinez scored the Lion points.

Babb's performance in the hur-

dles was a pleasant surprise. A bad pass knocked the 440 team out of placing and Delgado's injury in the broad jump the Lions points in the 220 hurdles and in the broad jump well as on the relay team.

Coaches Chick Womack and Tony Cleere were disappointed in placing higher but were encouraged by the spirit and potential the team displayed.

APRON SALE sponsored by S. A. Saturday, 9 a. m. at the Ozona Dress Shop.

**38 muscle-men at your command**

It would take 38 men to do the work that electricity does in your home. And these electric muscle men never tire. They're at your beck and call twenty-four hours a day.

All over your house, electric servants work to make your life easier, more convenient. For pennies a day, they help with the laundry, cooking, cleaning, dishes.

Your electric company is constantly striving to supply you with electricity at a price so low that it remains the biggest bargain in your family budget.

**How Advertising helps you**

**The 160 Million**  
SOME years ago there was a group of citizens in New York City referred to as "The Four Hundred." They were the rich, the socially prominent, and, in a vast city of several million, they numbered only four hundred.

Nowadays we place no such limits on important Americans, because, thanks to advertising, all Americans are important, and there are 160 million of us.

Thanks to advertising? You ask. Yes, for it was advertising that welded us into a common nation, that gave us prosperity, that gave us solidarity, that gave us union.

In America there are no underprivileged classes, in the sense of other lands, where a few persons are well-educated and informed

and the masses ignorant. To be sure, there are some Americans with more money than others, but there are no vast areas of ignorance as exist elsewhere.

And there is no stagnation here, as there is in other lands. And there can never be stagnation as long as there is dissatisfaction with the way of life. By forever setting up new goals for us to strive for, by forever showing us new products we want in our lives, advertising acts as a gadfly to prevent our lapsing into a state of complacency. It keeps us striving. Yes, it keeps us dissatisfied.

The late F. G. Bonnis, whose Denver POST made history for many years, used to say in his paper: "There is no hope for the satisfied man."

Then there will always be hope for 160 million Americans, for the power known as advertising will never permit us to be satisfied. Each year we will greet new ideas, new products, new improvements in old ideas and products. And we will want them in our lives.

There have never been 160 million persons on earth who had as much as we Americans. Give advertising thanks.

NOW IN 3 PRICE RANGES... THE BIG M Phaeton

Newest, most advanced design in 4-door hardtops. Available in Montclair, Monterey, or Custom series.

THE NEW MONTCLAIR AND MONTEREY PHAETONS—No center pillars, of course. But more important, no view-cramping curve of the roof—only the whole wide world to see.

Now there's a Phaeton to fit almost any new car budget. And whichever model you choose, you get the advantages of greater visibility for all passengers—plus easier entrance and exit, and exclusive styling touches which distinguish the Phaetons from all other 4-door hardtops. We invite you to see America's most beautiful fleet of 4-door hardtops at our showroom today.

**Marine Recruiter To Visit Ozona Tuesday**

San Angelo, Texas — It was announced today by Marine Sergeant Jack Deaton, that he will visit Ozona, on March 13, between the hours 12:00 a. m. and 2:00 p. m. to interview prospective applicants desiring to enlist in the Marine Corps.

Young men and women between the ages 17 and 28 years, who are mentally and physically qualified will be considered for enlistment in the Marine Corps. During the Marine Recruiter's visit he will make his office in the Post Office Building.

Sergeant Deaton stated that under new Marine Corps policy, enlistments are now being accepted for three years. Full information regarding service with this world famous military organization may be obtained by contacting Sergeant Deaton while he is in town or by writing to Marine Corps Recruiting Sub-Station, Post Office Building, Box 1136, San Angelo, Texas.

**McMURRAY BOYS QUARTET**

The Ozona Music Club presented the McMurray College Boys Quartette in a concert before a combined assembly of the Ozona High School and Junior High School. Some of the numbers included, "Serenade" by Romberg, "Ol' Man River" by Kern, "Bless This House", and a novelty arrangement of "Comin' Trough the Rye." The Quartette is composed of Kenneth Mills, Melvin Pollock, Wayne Hall, and Dale Stiles. They were accompanied by their sponsor, Francis Hinkel, Professor of Organ at McMurray.

WANTED — Horses of any kind. Ottist Pridemore. Phone 28-J

**NOTICE TO BIDDERS**

Bids will be received up to 9 o'clock a. m. Monday, April 2 for purchase of the Church of Christ

building and lot across the street from the high school building, also for the church parsonage across the street from the North

Elementary school. Separate bids must be made on each piece of property. The church reserves the right to reject any or all bids. Mail bids to Church of Christ, Isbell, chairman of the committee

**Nobody "spared the horses" in the '56 Chevrolet!**

It's the new "Two-Ten" 4-Door Sedan, one of 20 frisky new Chevrolets.

This beauty's got power that's panther-quick and silk-smooth. Power that puts new kick in your driving and makes passing far safer.

A flick of your toe is all it takes to unleash a hoodful of Chevrolet power! Power that makes passing far safer by saving seconds when they really count! Power that's smooth as silk—and as full of action as a string of firecrackers! Big, deep-breathing power that

now ranges clear up to 225 h.p.! But power's just one of the things that make for safer, happier driving in a Chevy. For instance, there's the solid construction of Body by Fisher—and Chevrolet's nailed-down stability. Come in and give it a try.

Air conditioning—temperatures made to order—at new low cost. Let us demonstrate!
