Kees Here Avoid Dam Hold-Up

To Be Sub To Congress

Certain adjournment of the present Congress in the near future and for prompt action of responsible government handling the John Watershed flood control program is to be moved this summer in local committees and into action this week by telegrams, telephone calls in an effort to non-holding of the maze of Washington.

waiting period for watershed work plan of agencies of the Interior, Corps of Engineers and other interested Wednesday of this plan was then ready to the Budget Bureau whence it will find its progress where it faces a period of 45 days before automatically approved. The local program of in-urging was to find out not this 45-day wait be sidestepped with dial by voice votes in Congress. No defer on this question has received.

operation in pushing to final approval once Congress has been Congressman J. T. Rutherford who has been an active ally in Washington of the project, and both Price Daniel and Lyndon Rutherford in frequent touch with plan as it progressed the various agencies and active in prodding such in an effort to speed the final approval.

of the Crockett Soil Conservation District, sponsoring for the flood control and County Judge House and the Commissioners and members of the local committee have combined efforts to secure clearance work plan by the Corps, last of the agencies the plan, and to line up a Congress for immediate if possible under the law. At county sought speed in this form of protection of the flood on June 1954 16 lives here and did property damage estimated million dollars. The county an overwhelming major-ity provide \$200,000 in cash via bonds to finance the share in the cost of the project and advanced \$25,000 Soil Conservation Service the survey and pre-work plan. Now, approval project this year depends by action by Congress and agencies in Washing-

Girl Wins 6th Regional Contest Conservation Essay

Childress, daughter of Mrs. P. L. Childress, of Ozona sixth place in regional contest with her essay on Soil Conservation. The award was made at the regional judging in Brady, Texas.

conservation essay contest sponsored by the Fort Worth Conservation League. There were a total of 30 children in Texas and 6,000 in this region alone. First runner in the contest for Ozona was Dorothy Ann Childress, second; Maurine Gardonahams, third; Virginia Kinney of Del Rio fourth; and Esquivel of Del Rio, fifth.

MRS. HUBERT BAKER of Ozona has been appointed a member of the State Board of Directors of the Texas Federation of Women's Clubs following the state convention in Dallas last week, which Mrs. Baker attended as a delegate from the local Woman's Club.

Ozona Club's Pressbook Wins Third In State At Federation Convention

Mrs. Hubert Baker has just returned from Dallas where she attended the State Convention of the Texas Federation of Women's Clubs as a delegate from the Ozona Woman's Club.

The convention was held at the Baker Hotel, May 7-10. The press book of the Ozona Woman's Club tied for third place in state competition. It was prepared by Mrs. Hillery Phillips, press book chairman of the local club.

New state officers of the Federated clubs are: President, Mrs. A. J. House, Yoakum; first vice president, Mrs. Ben Boyd, Denton; second vice president, Mrs. Koy Curry, Fort Worth; third vice president, Mrs. A. T. Carlton, Houston; secretary, Mrs. J. F. Hendricks, Acala; and treasurer, Mrs. H. C. Oglesby, Waco.

Miss Chloe Gifford, second vice president of the General Federation of Women's Clubs, from Lexington, Ky., was the installing officer. Among outstanding speakers at the convention, Mrs. Baker reported, were Robert H. W. Welch, Jr., vice president of James O. Welch Co., Cambridge, Mass., who spoke on the topic, "What Is Happening to America Abroad." W. L. McGrath, employer representative on the governing body of the International Labor Organization, which meets in Geneva. Mr. McGrath gave a disturbing report on what could be happening to the United States when he spoke on the subject, "Domestic Law Via International Treaty." This is the trend which the Bricker Amendment seeks to correct by making U. S. domestic laws superior where there is conflict with treaty law. Dr. Clarence Manion, special advisor to the National American Commission of the American Legion, spoke on "Communism Is Centralized Government".

Ozona Pastor And Family To Attend S. Baptist Convention

Rev. and Mrs. Troy Dale and their three children of Ozona will leave this morning for Kansas City where Rev. Dale, pastor of the First Baptist Church here, will be a messenger to the Southern Baptist Convention which opens in Kansas City May 30 and continues through June 2.

The Southern Baptist Convention is the largest Baptist body in the world, Rev. Dale said, and between 12,000 and 15,000 messengers are expected to be in attendance.

Rev. Harry P. Staggs of New Mexico will deliver the convention sermon at noon on opening day. Evangelist Billy Graham will speak to the Convention Wednesday night May 30.

Mrs. Dale will attend a Woman's Missionary Union Conference Sunday afternoon, May 27, and Rev. Dale will attend the pastors and laymen's conference Monday evening May 28. The Dales expect to be back in Ozona June 4.

Plans For Ozona To Be Revealed By Phone Co. June 11

Robbins Accepts Invitation Of Court To Meet With People

Ozona telephone subscribers may have the answer to what is in prospect for them in the future when and if the General Telephone Co. installs dial equipment here and converts to the automatic operation.

John E. Robbins, assistant manager of the firm in San Angelo, has accepted the invitation of the Crockett County Commissioners Court to meet with the court and a selected group of citizens at the June session of the court on June 11.

Mr. Robbins will meet with the court and a citizen group representing Ozona business men, civic clubs and other organizations and ranch people at 3:30 p. m. on Monday, June 11, in the Commissioners Court room at the courthouse.

Information as to the company's plans for Ozona is being sought by the Commissioners Court in the wake of local reports that the company plans to withdraw all operators from the local exchange when the dial system is inaugurated. Such a move on the part of the company, the Court said, would mean a great hardship on the community from the standpoint of good telephone service. It would make the reporting of fires, under the volunteer fire department program here, difficult and would mean a great expense to ranchmen if they wished to continue telephone service to ranches, since it would be necessary to install double lines to connect with and make use of the dial system. All service and long distance calls would be handled in San Angelo.

Ground Observer Corps To Perfect Post Here Friday

All Citizens Who Will Help In Watch Asked To Meet At 7:30

A telephone campaign was planned for Friday of this week in an effort to induce between 100 and 200 Ozona citizens to attend a meeting in the high school auditorium Friday night at 7:30 to receive instructions and to perfect final organization of a Ground Observer Corps post in Ozona. The post is scheduled to go into active operations as an aircraft observation post after the Friday night meeting.

Groundwork for the local GOC post has been laid in two previous meetings here at which Sgt. E. H. Geitner of San Angelo explained the need for and method of operation of the post.

T. J. Bailey has been named post supervisor and Joe Tom Davidson chief observer. Other assistant chief observers will be named following final organization and a schedule for round the clock observation will be set up with a hoped-for crew of a hundred or more volunteer Ozona citizens taking part.

To serve in the Ground Observer Corps will not require volunteers to leave their jobs or places of business during the time they will be on duty. They will report to the San Antonio filter center only unusual aircraft flights, aircraft apparently in trouble or any suspicious craft which might appear in the skies. The GOC is a nationwide organization set up at the behest of the Air Defense Command to aid in keeping constant watch against possible sneak air attack from an enemy.

Both men and women may serve in the Corps and all Ozonians who are willing to give a small amount of time to this service which the government considers of vital importance are invited to be present at 7:30 Friday evening in the high school auditorium.

Ozona Lions Club Collected And Expended \$2,664.83 Last Year In Promoting Community Development Projects And Aiding Good Causes

Members of the Ozona Lions Club and their wives enjoyed the annual club ladies night banquet and installation of officers Monday night in the school cafeteria. J. A. Pelt, Ozona High School basketball coach, was installed as the club's new president. Retiring Lion President Bob Scott was presented with a handsome wrist watch in recognition of his service to the club.

In an accounting of the club's service to the community during the year just closed, presented by Past President L. B. T. Sikes, it was revealed that the Lions Club had collected and expended for community projects here in the last year a total of \$2,664.83. A total of 22 different causes were served with these funds, raised mostly by benefit projects sponsored by the club.

One of the most important undertakings of the club, which serves Ozona very efficiently in the role of a chamber of commerce, was that to secure location of the divisional offices of the Continental Oil Co. for Ozona. Committee from the club visited company officials in Midland and Fort Worth and assisted them in securing adequate building space. Contract is now pending for construction of a new office building for the company by Troy Williams on the lot just west of his Stuebaker agency.

The Lions Club also assisted materially in promoting the Johnson Draw watershed flood control project, sponsored by the Crockett Soil Conservation District. The club advanced money to pay expenses of the local citizen flood committee in the early stages of the project and in recognition of the benefits on the Soil Conservation District the club pays the annual dues of the District as members of the State Association of Soil Conservation Districts.

Three projects are aided annually by the club, providing trophies for the annual 4-H Club county show; furnishing Christmas candy for Santa Claus to distribute to the children of Ozona each year on his pre-Christmas visit, and financing a part of the summer youth recreation program. This summer the Lions again assumed

Ozona Garden Club Organized At Meeting In Mrs. Post's Home

Mrs. Bailey Post was hostess to a special meeting in her home Monday afternoon of this week for the purpose of organizing a garden club here in Ozona. The organization will be called The Ozona Garden Club and will be limited to approximately 20 members. The group plans to meet once a month and the first regular meeting will be held sometime in October.

An election of officers was also held with Mrs. Ewart White being elected to serve the club as its first president; Mrs. Bailey Post, vice president; Mrs. Joe Clayton, recording secretary; Mrs. Charles L. Jones, Jr., treasurer; Mrs. Joe Pierce, Jr., corresponding secretary, and Mrs. Lindsey Hicks will serve as publicity chairman. Other present for the meeting were: Mrs. George Montgomery, Mrs. Ira Carson, Mrs. S. M. Harvick, Mrs. Victor Pierce, Mrs. Stephen Perner, Mrs. Clay Adams, Mrs. L. B. Cox, Jr., Mrs. John Childress, Mrs. Charlie Davidson and Mrs. Paul Perner and Mrs. Max Schneemann.

Shower Here Brings .61 Inch Of Moisture

Thunderstorms in the area, triggered by a cold front which looped through Texas early this morning, brought .61 of an inch of rain in Ozona. The fall started about 4 a. m.

Reports from ranch country immediately south and east of Ozona indicated the rain was about the same in those areas but information was not available at press time on the extent of the moisture in this county.

30 Graduates Of Ozona High Get Diplomas Tonight

Southwest STC Prexy To Address Class At Exercises

Ozona High School will award diplomas to 30 graduates at the 1956 commencement exercises at 8 o'clock tonight in the High School auditorium.

Dr. John G. Flowers, president of Southwest Texas State Teachers College at San Marcos, will deliver the commencement address.

Invocation will be pronounced by Sarah Hicks. The salutatory address will be by Bobby Martinez, and the valedictory address by Carol Blackstone. The High School Glee Club, directed by James Rollins, will sing "Where in the World" by Waring and "Battle Hymn of the Republic," by Steffe.

Special awards will be presented by Principal P. O. Hatley and the class will be presented for graduation by Supt. L. B. T. Sikes. Diplomas will be handed out by Dempster Jones, president of the school board. Professional and recreational music will be provided by Miss Cleona Quiett at the piano.

The 1956 Ozona High School graduating class includes: Janie Ruth Adams, Darlyne Alford, Martha Bailey, Ann Baggett, Jerry Beasley, Carol Blackstone, Mike Clayton, Carl Conklin, Earl Deland, Juan Delgado, Benny Friend, Carol Friend, Charlene Galbraith, Arturo Gonzales, Sarah Hicks, J. R. Halydyder, Brock Jones, Jr., Soveida Machado, Roy Mann, Bobby Martinez, Jimmy Martinez, Orville Paulk, Ramon Perez, Thomas Purdom, Johnny Ramirez, Susie Schneemann, Janice Spencer, Carolyn Stuart, Luis Vela and Lloyd West.

4-H Club Members Prep For Summer Judging Contests

15 Boys and Girls At Practice For State, Regional Contests

Some fifteen 4-H Club members have been working almost daily on judging wool, mohair, grass and range conditions in preparation for several 4-H judging contests scheduled for this area during June. County Agent Pete Jacoby said this week.

This year for the first time, contests for 4-H members 12 years old and younger will be held at the State Wool & Mohair Judging Contests in San Angelo and at the Sonora Wool Show and Judging Contests. Six junior members who have been practicing to make these teams include Jay Miller, Bill Jacoby, Jimmy Baggett, Billy Troy Williams, Frank Childress and Herbie Noelke.

The State Wool and Mohair Contests in San Angelo will be held on June 6. The following week, June 12, the two district-winning Ozona teams in grass and range judging will go to Texas A&M College to compete in the state contests on June 13. Grass judging team members are Carl Conklin, Roy Mann, Erby Chandler, and Johnny Jones. Members of the range judging team are Jacquelyn Williams, P. L. Childress, Pierce Miller, and Bill Jacoby.

The Sonora Wool Show contests will be held on June 20. All the above mentioned members as well as George Bunger, Bob Childress and Kent Babb have been practicing for these contests, with the exception of Carl Conklin, Erby Chandler and Johnny Jones who won the Sonora contests last year and are ineligible to compete this year.

So far this year, County Agent Jacoby said, Crockett county 4-H judging teams have entered five contests and have come out with four first places and a tie for second; a pretty good record, and the state competition yet to come.

Two New Producers For Crockett Co.; Location Spotted

World Extender Rated 431 Bbls. Daily; Farmer Strike 100

The World, West (Strawn) field of Crockett County has been extended 3 1/2 miles southwest with the completion of Cities Service Oil Co. No. 1-K Shannon, 15 miles southwest of Big Lake.

It was completed for a calculated daily flowing potential of 431 barrels of 47.8 gravity oil.

Potential was based on an actual 12 hour flow of 215.45 barrels of oil, through a 3 1/2-inch choke and perforations between 8,157-168 feet incasing set on total depth of 8,220 feet. Plugged back total depth is 8,200 feet.

The Farmer (San Andres) field of Crockett County gained a location south and east extension with the completion of Slick Oil Co. No. 7-E University, 10-50-University, 18 miles south of Big Lake.

It was completed for a daily flowing potential of 100.59 barrels of 32 gravity oil, no water, with gas-oil ratio 688-1.

Production was through a 11-64-inch choke and perforations between 2,269-307 feet in 5 1/2-inch casing set at 2,615 feet, the total depth.

Top of pay was picked at 2,269 feet on elevation of 2,613.8 feet.

Tubing pressure was 225 pounds casing pressure, 625 pounds.

Union Oil & Gas Corp. of Louisiana, Houston, has filed application to drill the No. 2 Maggie Neal, et al, 3/4-mile northeast of production in the Weger (San Andres) field of Crockett County, 20 miles southeast of Big Lake.

It will be drilled to 2,600 feet with rotary.

Location, on a 319-85-acre lease, is 2,310 feet from the north and 330 feet from the east lines of 2-Georgetown Railroad.

70,000 Pounds Of New Wool Clip Sold Here; Million Pounds Left

First sale of the new clip of eight-months wool was made this week by the Ozona Wool & Mohair Co.

The firm sold approximately 70,000 pounds of the Spring clip to C. J. Weber and Hank Davis. Prices ranged from 46 cents to 51 1/2 cents per pound.

The 30,000 pound 12-months clip of P. L. Childress was being shipped this week to the wool scouring mills at San Marcos for scouring and sale on a clean basis to Jack Hughes, buying for Emory, Russell & Goodrich. The clip brought \$1.25 per pound clean basis.

The Ozona warehouse is bulging with nearly one million pounds of the new clip wools.

BIG DAY

You probably didn't know it, but Monday, May 7, was a very important day in your life — if you're an average citizen, financially speaking.

That Monday was designated "National Tax Freedom Holiday." And it was the first day of this year that the money you earned was really yours to spend.

Why is this so? The answer is as simple as it is grim. All that the average American earned from January 1 to May 7 had to be paid out in taxes, direct or indirect, to one unit of government or another.

In other words, the average taxpayer works more than four months of the year to meet his tax bill. And remember — this is true of the masses of people with moderate incomes, not the few in the big brackets. The fight for efficiency and economy in government is your fight.

PROBLEM OF THIS CENTURY

What is the great problem of this century? It is "limited state or total state, democracy or totalitarianism. Whether the state should continue to exist for the people, or the people for the state."

That is taken from Bertram D. Wolfe's recently published "Six Keys to the Soviet System" — one of the most authoritative of all the works on the nature and purposes of communism.

Obviously, practically every American would stand up in defense of the limited state as against totalitarianism. The trouble is that we can fall into totalitarian ways without knowing it. Dictatorship,

which simply means giving unlimited power to those who govern — does not necessarily come about through violence, out of war or revolution or conquest. It can as surely come about on a step-by-step basis. We give a little more authority to government here, a little more there. The hand of the officeholder and bureaucrat becomes more dominant in the affairs of business, agriculture, labor, the professions. Thus, may seem beneficent at the time — it may be regarded as social progress in the interests of deserving people. But there are two sides to this coin — and when, at last, the coin is turned over, the people see the face of the oppressor and it is too late to do anything about it.

That, indeed, is the great problem of this century, and it is as great and fateful a problem as any century has known.

IN A SENTENCE

Governor Elmo Smith of Oregon, in discussing a proposed tax program, covered a problem of national scope in this single sentence: "Too many people think, in the back of their minds, that a tax is something someone else should pay, and a service is something they should receive."

Individuals and groups or organizations of every kind are trying to pay as little in taxes as possible — and, at the same time, trying to get as much special privilege from government as possible.

So long as that attitude prevails we will have wasteful, exorbitantly expensive government — along with a dangerous degree of political domination of our lives and pursuits.

YOU WORK FOR THE GOVERNMENT

The best way to judge the scope of the tax burden is by how much of your working time goes to pay for it.

In 1929, one day's labor out of 19 went to support the government, according to the National Association of Manufacturers. Now the average is one day in four.

What will the figure be 15 years or so from now?

"I'm growing beans, peas, tomatoes and squash — and tired already!"

Woman's Forum Ends Club Year at Luncheon Officers Installations

Ozona Women's Forum concluded its year's club activities at a luncheon Saturday at the House of Flowers when final reports of officers and committees were heard and new officers installed for the coming club year.

The year's program theme "Take Time" was emphasized in table decorations. A large watch faced the centerpieces, its chain spelling the words "Time is Running Out."

Mrs. Jack Williams was presented a message of recognition of her perfect attendance record in four years of Forum membership.

Mrs. Beecher Montgomery, parliamentarian, acted as installing officer in inducting the new officers. Each retiring officer pinned a corsage on her successor.

Mrs. Joe Tom Davidson, who will head the club as president next year, outlined plans for the organization's activities next year and appointed committees for the 1964-65 club year.

HIGHLIGHTS AND SIDELIGHTS From State Capitol

By Vern Sanford
Texas Press Association

Austin, Texas — Record turnouts at this year's precinct conventions produced a surprising by-product — a flood of suggestions for election law changes.

County convention resolutions sent the Secretary of State's office reflect interest at the grassroots in giving more power to the people and less to the pros.

Ector County Democrats charged the party has become "of — by — and for the politicians." They passed a resolution to prohibit any officeholder, state or federal employee from being a national convention delegate.

Yoakum and Harrison County conventions recommended preferential primaries for presidential nominees.

A number of resolutions were aimed at forcing conservative Democrats into becoming Republicans. Two counties, Swisher and Wilson, resolved that voters be required to register party preferences when they pay poll taxes.

Gray County Democrats also took a dim view of present procedures. Something is wrong, they said, when admitted Republicans are so scarce they can hold "precinct conventions in a telephone booth," yet carry the state in a general election.

State may sue salesmen — Civil recovery suits may yet be filed against the salesmen of the Certified Drafts of the defunct US Trust and Guaranty Co.

At the request of the Insurance Department's liquidation division, the attorney general is preparing a ruling on the legality of such suits.

Testimony from buyers would be the basis of charges.

Land board gets refund — A refund of \$3,060 has been made by Robert Lee Ritchey of Harrisburg, Pa., to the Veterans Land Board. He also promised an additional \$10,000. The two sums re-

present commissions made by him for selling Zavala Co. land under Texas' GI program. His father, H. Lee Ritchey, made the appraisals on the land.

In forwarding the money, Ritchey wrote that "A serious question has arisen as to the propriety of my commission on these sales to the land board," hence the refund.

Atty. Gen. John Ben Shepperd said, as to the commissions, "There is no allegation of fraud involved."

Anti-TB war launched — A 14-year "total war" against tuberculosis is under way in Texas. There are 20,000 active cases in the state, not including an estimated three per cent of the wetbacks who enter the state illegally.

Strategy was mapped in Austin by some 300 health experts and laymen. They met under auspices of the Texas Tuberculosis Association.

Out of discussions came 20 recommendations for "killing the killer." Included were (1) intensified efforts to find and treat tuberculars, (2) increased aid to dependents of TB victims and (3) more incentive to medical personnel to work in TB hospitals.

More vaccinations urged — widespread inoculation to prevent a major polio epidemic is being urged by the State Department of Health. Polio cases for 1956 already total 257. This is an increase of 62 over this time last year. Peak outbreak usually hits Texas in July and August. Only one-third of those eligible for Salk shots have received them.

Blazing Sun Starts Grass Cattle Runs

Fort Worth — The more than 6,000 cattle and calves that arrived at Fort Worth Monday represented the biggest day's run since last October. The blazing sun that had set a number of heat records for the month of May, was credited with stimulating the move to market in numbers.

Market observers expressed the view that the Summer grass cattle runs were getting under way at

an earlier date than usual and that only some rains would slow them down.

Prices weakened on virtually all cattle and calves, with some losses on grassy cows, bulls, yearlings and heifers in the 50 cents to \$1 or more range. Choice stocker calves and yearlings and choice slaughter calves held steady. Grainfed steers and yearlings were steady to weak, some spots 25 to 50 cents lower, although that class was in very short supply.

Prices included: Good to choice steers and yearlings \$16.00 to \$21.00; common and medium grades \$10.00 to \$16.00; fat cows \$10.50 to \$12.50; tanners and cutters \$7.00 to \$10.50; bulls \$10.00 to \$13.50, odd head \$14.00. Good and choice butcher calves \$16.50 to \$21.00; common and medium \$13.00 to \$16.00; culls \$10.00 to \$13.00; stocker steer calves mostly \$14.00 to \$19.00, one load 300 pounders \$21 with heifers at \$19. Stocker yearlings \$17.50 down. Stocker

cows very dull, mostly \$12 down. Sheep And Lambs Open Steady, Run Above 12,000

Movement of sheep and lambs continued in volume to the yards at Fort Worth and prices held firm Monday. Top of old crop shorn lambs was \$20 to \$22.50 and some lambs topped at \$22. Most observers agreed that strictly choice mixed good and choice Spring milk fat lambs could bring more.

Prices included: Good and choice shorn old crop lambs \$17.00 to \$22.50, cull to medium clipped lambs \$10.00 to \$16.50. Good and low choice milk lambs \$18.00 to \$22.00, quotable to \$23.00; cull to medium milk lambs mostly \$11.00 to \$17.00.

Stocker and feeder Spring lambs \$15.00 to \$16.50; stocker and feeder yearling lambs \$12.50 to \$15.00;

slaughter ewes \$3.50 to \$5.00, wethers \$8.00 to \$13.00. Old ewes around \$4.00.

Solid mouthed ewes drew \$10.00 and two and three-year-old ewes sold around \$12.00 to \$12.50. Some yearling ewes sold from \$14.00 to \$20.00, some whitefaced yearling ewes at \$20.00 in Monday's trade.

Coxes Hosts For Woman's Club Supper To Honor Husbands

Mr. and Mrs. L. B. Cox, Jr., were hosts at a supper for members of the Ozona Woman's Club who honored their husbands in the club's final function of the season Tuesday night at the Cox ranch home.

After the supper, members and guests enjoyed a showing of colored slide pictures of scenes in Ozona and Crockett county along with an historical sketch of some points of interest in the county related by Mrs. Ira Carson, who made the excellent photographs. Shown were shots of Escondido water hole, the site of Howard's Spring, still visible marks of the old stage coach line in the western part of the county, of Fort Lancaster, the site of an early Indian massacre and other spots of interest, all explained by Mrs. Carson. She also showed a collection of rare snow scenes in and around Ozona, taken during last winter's snow.

Present for the outing were Mr. and Mrs. George Bean, Mr. and Mrs. W. R. Baggett, Mr. and Mrs. J. M. Baggett, Mr. and Mrs. Max Schneemann, Mr. and Mrs. John Bailey, Mr. and Mrs. Ira Carson, Mr. and Mrs. Bailey Post, Mr. and Mrs. Stephen Perner, Mr. and Mrs. Hillery Phillips, Mr. and Mrs. Frank McMullan, Mr. and Mrs. Evert White, Dr. and Mrs. J. A. Fussell, Mr. and Mrs. Hubert Baker, Mr. and Mrs. P. T. Robison, Mrs. N. W. Graham, Mrs. O. L. Sims and Mr. and Mrs. Cox.

LADIES GOLF ASSN

The Ladies Golf Association met at the country club Thursday of last week for their monthly luncheon, golf and bridge play. Mrs. Velma Marley, president, presided during the business meeting in which the club voted to begin their golf play next week at 8:30 a. m. and bridge play will be continued in the afternoons.

A gift was presented to Mr. and Mrs. Bob Hodges and son, Bobby, recent club managers who have moved to Houston to make their home.

High club score for the day in bridge was won by Mary Clayton, high guest was won by Mrs. Bailey Post, Club low by Wilma Friend and bingo was won by Dorothy

visiting her sister, Mrs. Bryan McDonald. She expects to return Saturday.

—news reel—
Mr. and Mrs. V. I. Pierce and children left Monday morning for a few weeks stay in California.

—news reel—
Miss Elizabeth Fussell left Wednesday afternoon for Fort Worth where she will visit friends. From there she plans to go to Houston to visit a sister. Afterwards she will spend the remainder of the summer with another sister in Cushing, Texas.

—news reel—
George Bunker and Ralph Watson were in Christoval Sunday.

—news reel—
Miss Louise Harris has gone to her home in Gainesville for a visit. She may attend Columbia University this summer.

—news reel—
Miss Margaret Friend has returned home from Alpine where she graduated this year from the high school division of Sul Ross

State Teachers College.

—news reel—
Miss Louise and P. C. Coates have gone to Galveston to attend the bathing beauty review and to visit their aunt, Mrs. Clark Barton and family.

—news reel—
Miss Lula Mae Evans will spend a few weeks visiting her family in Eldorado after which she expects to attend Rice Institute.

—news reel—
Mr. and Mrs. Walter Childress are in Dallas visiting Mrs. Childress' brother. They plan to stay the balance of the week.

—news reel—
Mrs. John B. Hemphill and son are here from San Angelo visiting relatives this week.

Buick Super 8 Passenger 4-Door Riviera

When it purrs, you reign

YOU CAN hardly hear its whispered might—but man, you sure can feel it.

It's power almost without limit—power that humbles the hills, melts the miles, makes you monarch of all you survey.

For this is a new Buick—a '56 Buick—sparked by the most potent engine in Buick annals—a 322-cubic-inch V8 with a record high compression of 9.5 to 1.

But what makes you feel even more like bossman of the highway is the great new advance in Variable Pitch Dynaflo.*

First time you tickle the gas pedal you'll know what we mean.

Now—smack in the top inch of gas pedal travel—right where you save gas every turn

of the wheels—you get a swift, sure and supremely positive new getaway response.

For smooth and nimble performance—for sheer mastery in traffic—nothing like it ever was.

And that's just part of it. When you need a still greater flow of get-up-and-go for safety's sake, you merely switch the pitch and you zoom out of tight spots.

So come rule the roost in this '56 Buick. Come drive a car with 127 gorgeous inches of wheelbase to give it regal room and a ride that's fit for a king.

Try out Buick's new steering—new center-

grooved brakes—new direct-acting shock absorbers with triple the former volume of jounce-cushioning oil.

Learn how it feels to boss a car that looks like royalty and acts the part to perfection.

We promise—you'll practically purr with delight at the wheel of this dazzler—especially when you discover how easily you can make it your own.

What do you say—shall we expect you today?

*New Advanced Variable Pitch Dynaflo is the only Dynaflo Buick built today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.

Senior MYF Installs New Officers; Eighteen New Members Added

The Senior MYF met in the Fellowship Hall of the Methodist Church Sunday evening to welcome eighteen new members and to install officers and discuss plans for the coming year. Alma Ingham, Beverly Killingsworth, and Joe Pierce, IV, assisted by their mothers, served refreshments to thirty-eight members and guests.

In the business meeting, the group voted to sponsor the education of a young Korean woman for the next year. Expenses will be met by personal pledges. Plans were discussed for summer Youth meetings at Mt. Wesley, Kerrville, and registration blanks were distributed. The local group will be well represented in all activities. Special recognition was given to Carol Blackstone who has been awarded a \$200 scholarship to Southwestern University. The new sub-district officers from Ozona were recognized: Jake Joung, Jr., as president of the sub-district and publicity chairman for the district; Becky Davidson as Chairman of Fellowship for the sub-district and Beverly Killingsworth as pianist for the sub-district. A sub-district week-end retreat is being planned during the summer.

In the installation service, Carol Blackstone, out-going president, and Beverly Killingsworth, in-com- ing president, presented the ritual and Mrs. Joe Clayton, sponsor, installed the following officers: President, Beverly Killingsworth; Vice-president, Frances Childress; Secretary-treasurer, Alleane Young, Publicity chairman, David Sikes; and the Five Program Area Chairmen: Christian Faith, Dartha Melton; Christian Witness, Alma Ingham; Christian Outreach, Joe Clayton, Jr.; Christian Fellowship, Becky Davidson; and Christian Citizenship, Jerry Jacobs.

New members are: Camille Adams, Sally Baggett, Royce Ballinger, Jane Bunger, Tommy Sue Chandler, Nonie Jane Conklin, Joe W. Friend, Johnny Jones, B. B. Ingham, III, Roy Nell Killingsworth, Joe McMullan, Bill Meinecke, Bob Meinecke, Pierce Miller, Linda Millsbaugh, Tommy Stokes, Don Copper, and Jim Sharp.

Texas Gubernatorial Candidates To Appear At Midland's Rodeo

Midland — At least four — and possibly all — of Texas' six gubernatorial candidates will don 10-gallon hats and buckle on their spurs to whoop it up at the opening of the annual World Championship Midland Rodeo here on May 29.

Invitations already have been accepted by J. Evetts Haley, Reuben Senterfitt, Ralph Yarborough and J. J. Holmes.

The other two — W. Lee O'Daniel and Price Daniel — have indicated they would be on hand for the gala occasion if their schedule can be worked out accordingly.

The candidates for the chief executive job will be featured in a colorful afternoon parade through Midland's business district — a procession which annually is one of the high spots in West Texas' pageantry.

It will also feature hundreds of cowboys and cowgirls, colorful floats and bands from through this area.

The parade will set the stage for the grand opening that night of the rodeo show, staged by the Midland Fair, Inc., and produced by Everett Colburn, one of the top rodeo producers in the world.

In five nightly shows, winding up on Saturday, the cream of the crop of the nation's rodeo performers will compete for \$12,000.00 in purses and prizes in the show sanctioned by the Rodeo Cowboy Association. The shows begin at 8 p. m. nightly.

WMU CIRCLE MEETS

The Betty Tennyson circle of the Baptist W. M. U. met Wednesday morning at the home of Mrs. R. J. Everett. Mrs. P. L. Childress led the opening prayer and the program as directed by Mrs. Ben Williams.

Mrs. Myrtle Mitchell distributed get-well cards to be signed by the members and sent to Mrs. J. T. Keeton, who is in Baptist Hospital in Dallas recovering from an operation, and to Jim Patrick, who is reported seriously ill in San Antonio.

Names of new people in Ozona were distributed for visitation. The closing prayer was by Mrs. Ben Williams.

Others present were Mmes. Odie Haire, R. C. Pitts, J. E. Richardson, E. C. Shields, Troy Dale, Dudley McCarey, Sally Alexander, Paul Ballard, and R. J. Everett.

Dixon Mahon, Crockett county attorney, and A. O. Fields attended the State Democratic convention in Dallas Tuesday. Mr. Mahon was official delegate from this county and cast the county's one vote in the convention. Mr. Fields is county Democratic man, and alternate delegate.

MEINECKE Cash Grocery

Announces -

OPENING MON., MAY 28

PAY CASH! PAY LESS!

We invite you to come in and see for yourself the kind of savings you will be able to realize by buying your groceries on our low-margin, volume, cash plan.

We are located in the original Meinecke store building a half block east of the highway intersection. You will find quality merchandise on our shelves, everything is marked and we invite a comparison.

Every Day Low Prices - Extra

Savings Are Storewide

FIVE
months or
FIVE
dollars?

Even with hospitalization or insurance, time spent being sick still costs you money! In the past it often meant long periods of recuperation and absence from work with loss of income.

Luckily today these expenses can be largely avoided thanks to the effectiveness of modern miracle drugs. The wonderful curative powers of the antibiotics, the sulfas and other present-day medicines have practically eliminated the long periods of recovery for many illnesses. When you realize this, the few dollars that your prescription costs are indeed a bargain.

 The Dulles brothers — Secretary of State John Foster and Administrator of Central Intelligence Agency Allen — are telling us Russia is becoming weaker and weaker. John Foster recently said Russia's offer of economic aid to foreign nations is "a show of weakness — brought on by fear."

Brother Allen said the Communists are on the downgrade, that their offer to reduce armed forces is caused by their precarious position in the world. I hope very sincerely the brothers Dulles know whereof they speak; but I do not see how the Secretary of State can maintain his position that Russia is showing weakness by offering to aid other nations, when he recently appeared before a Congressional Committee seeking 4.9 billion dollars for the U. S. foreign aid program, saying the money is needed to "strengthen our position in the world." Not once then, did he refer to such aid as a show of weakness.

Of course, relating to foreign aid, I contend that I have never seen a full days work done by anyone standing around with both hands out, but I don't think we can view our aid as a "show of strength" and the Russians' as a "show of weakness."

Both the Dulles brothers might do well to recall Lenin's words: "The existence of the Soviet Republic side by side with Imperialist States, for a long time, is unthinkable. One or the other must triumph in the end; and before that end — a series of frightful collisions between the Soviet Republic and the Capitalistic states will be inevitable." And Stalin said: "A great deal of our success depends in delaying war with Capitalistic countries. The object of peaceful relations is obligatory to us all — until the people of the Capitalistic states arise to help us conquer."

I think Secretary of State Dulles will find it especially easy to obtain those two quotes at first hand; they are part of a book entitled "Soviet World Outlook-Handbook of Communist Statements," printed by the Department of State!

Congressman Brooks Hays (D-La.) was recently talking to a Minister on the subject of the Sermon on the Mount. During the discussion he asked, by mere chance, the exact location of the Ten Commandments in the Bible. The Minister informed him they could be found in Exodus, Chapter 20, Verses 1-18. As luck would have it, only minutes after Hays returned to his office another Congressman telephoned and inquired if Hays

DON'T PLAY
Blindman's Buff...
AND DON'T CAUSE
GROPING IN THE LIGHT...

knew the location of the Ten Commandments in the Bible. Speaking with much authority, Hays gave him the Book, Chapter and Verse. "Thanks Brooks," his Colleague said, "I knew you'd know!" Hays privately tells the story and says: "Of course, 10 minutes earlier I could not have told him." Hays, however, is primarily responsible for the Prayer Room established for Members of Congress in the Capitol Building.

Two Deep Tests In World Field Planned

Continental Oil Co. has filed application to drill the No. 12-C C. T. Harris, one location north of production in the World West (Strawn) field of Crockett County, 13 miles south of Texon.

It will be drilled to 8,300 feet with rotary.

Location, on a 1,280-acre lease, is 1,980 feet from the south and 7,096 feet from the east lines of 1-BB2-N. A. Miller survey.

Cities Service Oil Co., of Odessa has filed application to drill the 2-K Shannon, one location south of production in the World, West

(Strawn) field, 15 miles southwest of Big Lake.

It will be drilled to 8,400 feet with rotary. Estimated elevation is 2,680 feet.

Location, on a 645.98-acre lease is 660 feet from the north and east lines of 15-Q-EL&RR.

oOo

Stanolind Wildcat In North Crockett Spotted

Stanolind Oil Gas Co. of Fort Worth has filed application to drill a 3,300-foot rotary wildcat in Crockett County, 25 miles northwest of Ozona. It will be drilled as the No. 1-CD University.

Location, on a 331-acre lease, is

660 feet from the north and east lines of 15-50-University of Texas. The prospector is 3/4-mile south of the Farmer (San Andres) field.

West Texas Utilities Company

JACK BROWN, son of Mr. and Mrs. Melvin Brown, former Ozona residents, is valedictorian of the Lampasas High School graduating class. Jack, who was born in Ozona, attended kindergarten and through the fourth grade with this year's Ozona High School graduating class, maintained a four-year grade average of 96. Lampasas High School will graduate a class of 83 this year. Young Brown will enter the University of Texas in the fall to study petroleum engineering. His older brother, Joe Albert, is a student at Texas U. Melvin Brown owned and operated the Ozona Wool & Mohair Co. here for a number of years.

provided \$18 in prize money to foster the fireprevention poster contest in the schools; endorsed and named a committee to work on securing passenger and mail service for Ozona from Trans-Texas Airways; staged a Little League benefit basketball game against the Big Lake Jaycees, and contributed \$900 in annual dues to Lions International.

The Lions Club report shapes up to reveal a magnificent service by the organization to this community and this newspaper for once projects its editorial opinion in the news column to record its "Well Done, Lions."

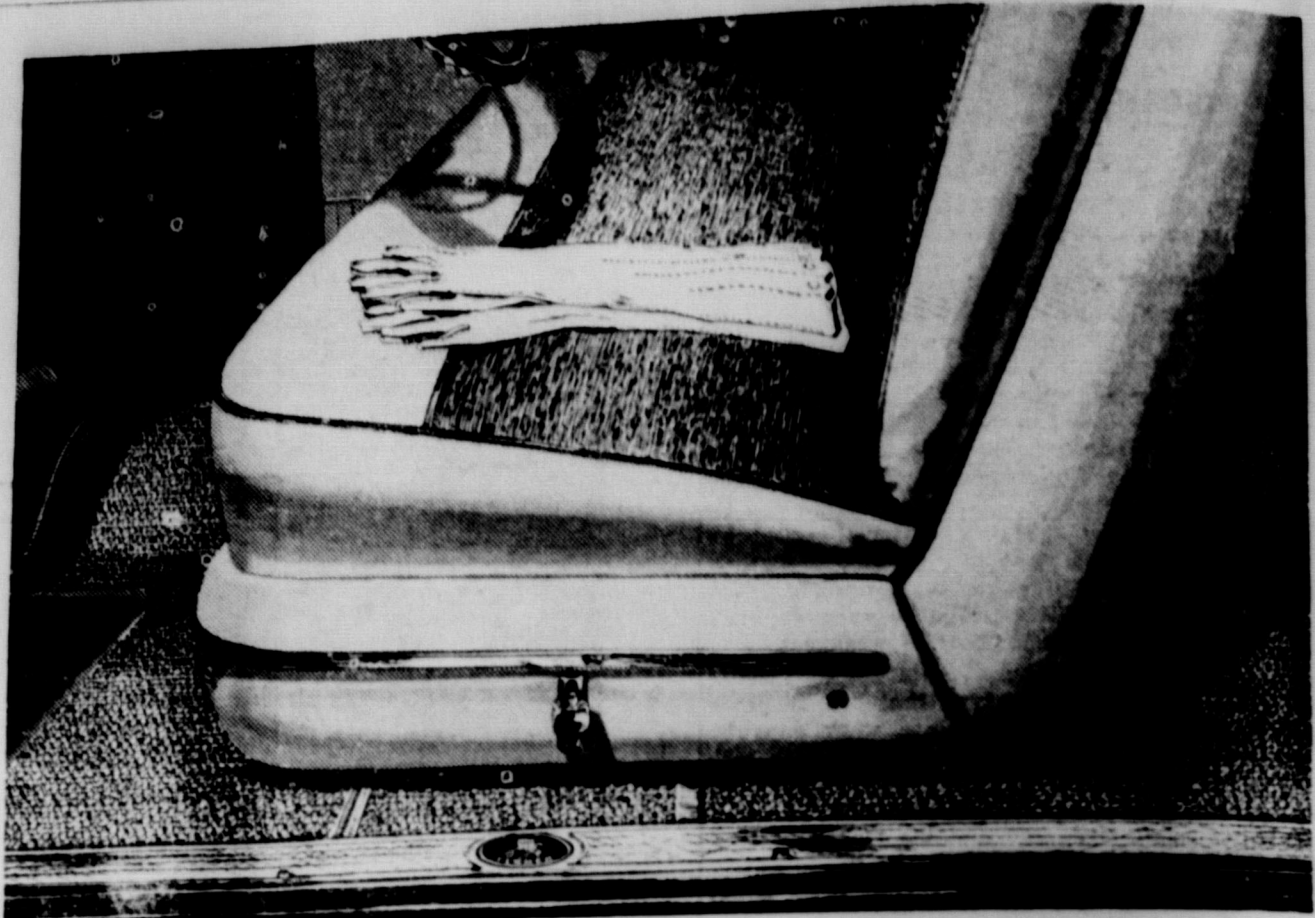

12 Girl Scouts Of Troop 8 Are Awarded Second Class Badges

Twelve Troop 8 Girl Scouts were recently awarded their Second Class Badges in a special ceremony at the ESA Scout Picnic. Those receiving the awards were: Betty Binnicker, Marty Bart, Gracie Chandler, Cheryl Clayton, Arlene Gotcher, Robin Jones, Helen McCaleb, Tommie Neal, Mary Parker, Jan Smith, Priscilla Spurgers, and Floydine Moss.

The girls completed their Second Class requirements while on a recent week-end trip at the Joe Clayton ranch. They enjoyed a slumber party, swim, and cook-out, learning the skills required. They were accompanied by Mrs. Clayton and Miss Adrienne Foote, leaders.

Several of the girls are making plans now to attend the Frontier Council Girl Scout Camp at Camp Sol Mayer in July. Three one-week sessions are being offered and one two-week session.

Mr. and Mrs. Monroe are here from their home at Doson, N. M., for a visit with relatives and friends.

Seen only on higher priced cars and Chevrolet

The meaningful emblem of Body by Fisher

When you see "sterling" on silver you know what it means—solid silver, all the way through.

And when you see the medallion "Body by Fisher" on an automobile it means much the same thing—quality all the way through, in things unseen as well as on the

visible, gleaming surface.

Only one who has owned a Chevrolet for several years can fully know the satisfaction this emblem pledges. For only Chevrolet in the low-price field is entitled to wear the small, proud plaque that proclaims "Body by Fisher."

AIR CONDITIONING—TEMPERATURES MADE TO ORDER—AT NEW LOW COST LET US DEMONSTRATE! Drive with care... EVERYWHERE!

North Motor Co.
OZONA, TEXAS

Ozona Lions —

(Continued from page one)
became dinner for ex-students and visitors on the occasions of the Ozona High School homecoming last fall; and sponsoring two delegates to the Lions district convention in Brownsville.

Many other contributions to community betterment were enumerated. The club last September honored teachers with a barbecue supper. The club paid the traveling expenses of the Pony League to the Odessa tournament. The Lions sponsored the July bathing beauty revue here with attracted an attendance of nearly 800 persons and netted the club's community fund about \$750. The club provided a giant lighted Christmas tree in the park, contributed \$240 during the year to the Lions Club Crippled Children's Camp in Kerrville.
