Reserves Take Over To Crush Melvin 45 To 0

Coaches Pleased With Performance of Reserves and Stringers

By Ernie Boyd

The Ozona Lions crushed the hapless Melvin Bulldogs 45 to 0 Friday night in a contest that saw the Ozona regulars occupy the bench most of the time after the first quarter.

The Lions substituted fullback Robert Martinez into Halfback Bobby Sutton's position and the latter reserve responded with three first quarter touchdowns on campers of 25, 10 and 54 yards. Kent Babb, the Lions ailing fullback, added the first quarter marker with a 60 yard punt return, to bring the first quarter score to 26 to 0 and send the reserves into the contest.

Melvin was unable to cope with the Lion regulars despite the absence of stellar back Bobby Sutton and outstanding tackle Jess Marley neither of whom took part in a play from scrimmage due to illness. Sutton did kick extra points for the Lions but Marley did not suit out.

The Lions won the toss and chose to receive and Stanley Williams returned the kickoff 54 yards nearly going all the way before being pulled down on the 28. Kent Babb got three on a dive play and Robert Martinez sliced through his own right tackle out back and went 25 yards for the score.

Fans had scarcely sat down after the extra point try had failed when the Lions pounced on a Melvin fumble and were off again. George Bunker got eight yards and Stan Williams got four more for the first down. Babb got four and Bunker six to set up a second first down before Martinez went the last ten untouched. This time the extra point try was blocked. Ozona held Melvin with ease and Kent Babb took the punt back sixty yards for the score with Sutton converting this time.

Ozona wound up the first half scoring following a second Melvin punt when Robert Martinez ripped 54 yards for the tally that along with Sutton's conversion brought the score to 26 to 0. Coach Pete Hickman played every boy on the bench in the last three quarters with regulars spelling the reserve at rare times, mostly in wrong positions.

Following the half the Lions punched across still another score following a nullification of Stan Williams' beautiful run by an officiating mistake.

Quarterback Stan Williams who had to play because his sub was sick, passed to Jake Young who reversed his field and made it to the end zone for a forty yard touchdown play.

The Lions finished the massacre in the last period when Williams streaked 42 yard for one score and David Sikes dashed 21 yards for the final marker.

For the Lions, Humberto Cervantes, Jesus Ramos and Kenneth Deland were the defensive standouts along with regular Robert Martinez.

Offensively Stan Williams, Robert Martinez and David Sikes carried most of the load. Martinez garnered 125 yards and three touchdowns on ten carries. Williams picked up 152 yard rushing on fourteen carries and made one touchdown. Williams also completed five on 15 passing efforts for 100 yards and one td. Sikes carried the ball five times for 83 yards and one td and intercepted a Melvin pass.

Pure Oil Co. Will Drill Test In Northern Crockett

Pure Oil Co. will drill a 2,550-foot rotary project in Crockett Co., 12 miles southwest of Barnhart. It will be the No. 1-SF University. Location, on a 343.8-acre lease, is 2,040 feet from the south and 688 feet from the east lines of 25-47-University. The prospect is 1 1/2 miles south-southeast of a recently completed San Andres discovery and three miles southeast of production in the Block 47 Shallow field.

Carl Conklin Receives J. T. Rutherford Award As Outstanding 4-H Club Member In District 4; Second Placed In Competition For State Award

Carl Conklin, outstanding 4-H club member, has been selected to receive the J. T. Rutherford Award as the Outstanding 4-H club boy in Extension District 4, this district representing the 25 county area of West Texas. Carl is the second boy to have his name inscribed on the huge Rutherford Trophy. Tommy Barton of Monahans won it last year. The trophy, when received, will remain in the county agent's office for one year, with a replica to the receiver.

Arrangements will be made with Mr. Rutherford, Congressman from the 16th district, for the presentation of the trophy at some later date, since Carl is now enrolled in Texas A&M College.

Carl's 4-H record was also judged as the winning entry of District 6 in the Dapforth Leadership Training Award and has been sent to Texas A&M College for competition to select the State winner of this award. The Danforth Leadership Training Award consists of a \$200 scholarship to the American Youth Foundation Leadership Training Camp at Shelby, Michigan, next summer.

The winner of this award will be announced early next summer and is considered to be the outstanding 4-H club boy of Texas. Carl has a very good chance to win this award for he certainly has an outstanding 4-H club record in leadership, commented county agent Pete Jacoby, sponsor and instructor in Crockett Co. 4-H Club work.

Carl's 4-H record, as submitted in his own words, for the competition is as follows:

MY 4-H EXPERIENCES AND ACHIEVEMENTS

By Carl Conklin

I started my 4-H experience in 1934, when I placed on feed as my projects, a calf and four mutton lambs. Crockett County being primarily a ranching area with cattle and sheep as its main livestock enterprise, these projects were the most practical for our club.

Severely stricken by polio in my early childhood which left my right leg in a withered condition, I realized that I would never be able to take part in sports like the majority of my friends and classmates. 4-H club work proved to be an interesting activity for me to take part in outside of my school activities.

I had not been in 4-H club work very long before I realized that it offered great opportunities for me, and I began encouraging my friends to join the club and take part in the many activities available. I soon realized that when you learn by doing and when you have made the best better, your efforts are rewarded financially as well as having the satisfaction and joy of having accomplished something all by yourself.

My earlier years in 4-H club had its disappointments too, for it seemed to me that I worked harder and did more work than the rest, yet I would just come back next time and try a little harder. I learned two valuable lessons from these experiences, one, to be a good loser and second, that if you keep trying, you will be rewarded for your efforts.

I soon became interested in trying out for several of the judging teams; and the first year I tried out for several without success. The next year I worked harder and

Mrs. Eunice Miller, Former Ozonan, Dies In Trenton, Tennessee

Mrs. Eunice Grimmer Miller, 64, a former resident of Ozona, daughter of Mrs. Margaret Powell of Ozona and sister of Mrs. M. C. Couch of this city, died at 4 p. m. last Saturday, September 22, in Trenton, Tenn., according to word received by the family here.

Mrs. Miller had been ill but a short time. She was hospitalized two weeks ago after an examination revealed a brain tumor. An exploratory operation followed but surgeons pronounced her condition as hopeless. Mrs. Couch and her daughters, Mrs. Carl Montgomery and Mrs. Glen Sutton, visited her in the hospital two weeks ago.

Funeral services were held at 2 o'clock Sunday afternoon with burial in Yorkwell Cemetery at Trenton. Surviving are the husband, Ward Miller; a daughter, Mrs. Carl Garner of Trenton; two grandchildren, Nancy Jo and Bobby Lou Garner; the mother, Mrs. Margaret Powell of Ozona; one sister, Mrs. M. C. Couch; and two brothers, W. J. Grimmer of Winfield, Iowa, and C. E. Grimmer of Arlington, Texas.

ESA Home Talent Extravaganza Is Hit With Audience

'Fortunes For Fancy' Played Two Nights To Big Audience

By Billy Jo Hayes

"Fortunes for Fancy", the eight-scene musical comedy sponsored by the Epsilon Sigma Alpha Sorority and directed by Mr. and Mrs. Fred Bergmann played to large audiences on September 24-25.

The Cast had as much fun as the spectators. Swede Peltz added materially to the court scene with his ad libs. The entire show was well received, and the drought-dusted people of the area relaxed in laughter.

The ESA Sorority wishes to thank the people of Ozona for all the help received in connection with the show. Harold Shaw deserves special recognition for his assistance. He substituted at the last moment, too late to get his name on the program, replacing Bill Cooper as the Supervisor in the "Clutchbottom" scene.

Pictures of the show were taken by Miss Mildred North. The proceeds from "Fortunes for Fancy" will go to the Girl Scouts and other youth welfare projects of E. S. A.

Johnny Clark, former principal of Ozona Junior High School and now superintendent of schools at Ackerly, Texas, was seriously injured in a car accident near Ballinger Saturday night. Mr. Clark and his brother-in-law were in the car, towing another car. Clark lost control of the vehicle and was thrown out, the towed car running over him. The other man was only slightly hurt.

Baby Tornado Here Unroots Baseball Park Grandstand

Freak Storm Swoops In From East; No Damage Elsewhere

A freak baby tornado which accompanied thunderstorm activity in the area Tuesday afternoon swooped down on Ozona and pinpointed the Powell Field baseball park grandstand for its only casualty.

The freak wind ripped the tin roof, with two by four rafters attached, in two giant sections from the grandstand top, wrapped the largest piece around an electric pole across the street, damaging a car parked nearby and laid the other section out flat on the ground just south of the Humble wholesale station.

Employees of the county barn across the street scampered for cover when they saw the big sections of roof lifted off and hurled in their direction. Had the section not been caught by the light pole it would have slammed into the county barn or possibly into the big double doors. Men in the barn said the building rattled and shook as the little twister passed over.

The tiny tornado, or giant whirlwind, apparently lifted after striking the grandstand and came down on the highway west of town, one car reportedly swished around on the highway by the force of the wind. No other damage was reported in town and the loss to the county property was covered by insurance.

Ozona Junior Hi Cubs Swamp Big Lake 41-0 In Season Opener

Coach Chick Womack's Junior High Cubs launched their 1936 schedule last Thursday afternoon with a whopping 41-0 victory over the Big Lake Juniors on Big Lake's field.

The locals so far outclassed the opposition that the starting unit played only six minutes of the ball game, three minutes at the start and three minutes of the finish. George Ybarra, right halfback, scored three of the Ozona touchdowns. Jimmy Williams accounted for two more and Alonzo Galindo added the sixth. Only casualty of the fracas was a broken arm suffered by second team tackle, Tommy Porter.

The Cubs play tonight in Rankin starting at 7 p. m. and have two games at home next week. Rock Springs here Tuesday night at 7, with the B team, composed of 7th and 8th graders, and the A team Thursday at 7 against Rankin.

The A team first or starting unit is composed of Galindo at re; McMullan, lg; Beall rt; Stokes, lt; Bill Petty, rg; Rivera, lg; Rodriguez, c; J. Jones, qb; Williams, fb; Ybarra, rb; Freeman, lb; The second unit includes, Good, re; Stuart, lg; Porter, rt; Albers, lt; Butterfield, rg; Dale, lg; Sutton, c; Killingsworth, qb; Holden, fb; Friend, rb; Cooke, lb. Reserves are Munoz, Miller, Brentz & Gibson.

On the B team are Art Kyle and Tommy Field, ends; Wayne Albers, Mark Baggett, tackles; Bob Childress, Geo. Blackstone, guards; Jimmy Sutton, center; Loy Elmore, Richard Sikes, qb; Jimmy Freeman, fb; Deany Holden and Geo Ybarra, hb. Others on the squad are Jack Kline, Pless Childress, Billy Arnold, Fletcher Coates, Billy Cornelia Bobby Herrera, L. D. Long, Tommy Everett, Matias Gutierrez, James Odie Haire, Louie Mock, Rudy Martinez, Van Miller, Carl Montgomery and Billy Sempler. The Cub cheerleaders are Sandra Whitaker, Janie Adwell, Sandra Ratliff and Barbara Barbee.

HOSPITAL MEMORIALS

The Crockett County Hospital Memorial Fund has received since Sept. 18, memorial gifts from Dr. and Mrs. Ralph E. Simon, Jr., in memory of Dr. Simon's aunt, Mrs. Mary Pearl Bischof, and in memory of Mrs. Simon's uncle, John Vernon Cox, Jr.

Lions Underdogs In Pending Clash Friday With Braves In Iraan

By Ernie Boyd

The Ozona Lions will be definite underdogs this week as they journey to Iraan to meet the big rough Braves minus at least two starters. Jess Marley, Lion starwar tackle and the biggest man in the Lion forward wall, has the chicken pox and is not expected to make the trip. Marley missed last Friday night's game with the ailment.

Lions fullback and key linebacker Kent Babb may also miss the contest with a pulled ligament in his back. Babb was injured in the Coahoma game and was used on only four plays last Friday before being relieved.

Bobby Sutton, who missed the Melvin game due to illness, is expected to be back this week but it may be defense more than offense that the Lions will be needing to halt the hefty Brave backs.

Iraan boasts a 190 pound versatile halfback and a 200 pound fullback among its big players. The Braves outplayed Sonora Friday night but made the mistake of kicking to George Johnson and came out on the short end of a 31 to 7 score.

Ozona scouting reports indicated that without Johnson the Iraan team was at least as good as Sonora and maybe better.

In addition to Ozona entering the game in a weakened condition, the Braves will be itching for revenge for a sound walloping the Lions handed the Braves last season.

The game will be the first one away from home for the Lions this season which will be an added advantage for the Braves.

About the only encouraging things about the situation Coach Hickman could find was the way a whopping 41-0 victory over the Big Lake Juniors on Big Lake's field.

Baby Contest Winners Announced From Stage Of Home Talent Show

The baby contest was brought to a close on the stage the last night of the "Fortunes for Fancy" musical comedy. The King in the contest was Clay Montgomery, son of Mr. and Mrs. Tom Ed Montgomery. He was also the winner of the grand prize, a Hamilton Gas Dryer, the major part of which was donated by the Empire Southern Gas Company.

Wilda Fae West, daughter of Mr. and Mrs. Wayne E. West, was Queen.

Gary Mitchell, son of Mr. and Mrs. Tom Mitchell, won the position of Prince.

Mary Jo Hayes, daughter of Mr. and Mrs. Jerry Hayes, was Princess.

Wyman Powers, son of Mr. and Mrs. J. W. Powers, won the title of Duke.

Peggy Sue Hayes, daughter of Mr. and Mrs. Jerry Hayes, was the Duchess.

The runner-up contestants, and winners of prizes were Dusty Stahl, son of Mr. and Mrs. E. O. Stahl; Terrie Lynn Lyles, daughter of Mr. and Mrs. Wesley Lyles; Jeffrey Stuart, son of Mr. and Mrs. Byron Stuart; Elva Vitela, daughter of Mr. and Mrs. Joe Vitela; and Gregory Stuart, son of Mr. and Mrs. Byron Stuart.

Loving cups were presented to the King, Queen, Prince, Princess, Duke and Duchess.

Repaired Electric Trains To Boys Ranch

Two electric trains which had been through the 1934 flood have been cleaned, repaired and completely renovated by boys of Mr. Wimberly's shop class in electricity and donated to Boys Ranch near Tankersley.

The trains were donated for the purpose by George Blackstone and Mark Baggett. Boys in on the repair project were Mark Baggett, George Blackstone, Louie Mock, Herbie Noelke, George Ybarra and Bob Childress. The trains were taken apart, cleaned and repaired and were taken to Boys Ranch Sunday by Dub Pettit.

Hospital Moved To New Quarters In One-Day Lift

Two Patients Scarcely Inconvenienced By Cross-Town Move

Crockett County Hospital is set up in its new \$250,000 building, operating smoothly, ready with 20 beds to serve the community and surrounding area with the ultimate in hospital service and laboratory equipment.

In a whirlwind operation beginning early Tuesday morning, in which a dozen or more cattle trucks pickups and private cars and a covey of hired movers and drivers and volunteer helpers, plus the regular hospital staff, participated the hospital's entire furniture, equipment and patients, there were two that day, were moved with scarcely a ripple in the routine of operation.

The two patients were Miss Dorothy Price and W. N. Hannah and both were moved by ambulance and bedded down in the new rooms already furnished and ready for occupancy. The furniture from the rooms in the old hospital was set up in the shiny new rooms to complete the hospital ready for any emergency.

Thanks to the hustle of Julia Longoria, hospital cook, neither the patients nor hospital staff missed a meal. Bundling up pots and pans and other movable equipment, Julia carted the kitchen paraphernalia to the new kitchen and had meals ready by noon.

At the same time, Ozona's three doctors, H. B. Tandy, Lloyd Sheriff and Ralph Simons, packed up their equipment and moved to their new offices in the county medical building erected just south of the hospital. Dr. Joe Lozan, dentist, who has just moved here from Sonora, had already set up offices in the new building and Dr. M. A. Lemmons, optometrist, soon followed with his equipment.

The hurry-up moving project was planned and engineered by hospital Manager J. B. Post. Some equipment and supplies had been moved at odd times in the last few days but the bulk of the furnishings and equipment went in the shuttle operations that went on most of the day. Experts were summoned to move and set up the x-ray machine, sterilizer and other highly technical equipment and at day's end the hospital was ready for business in any division.

Formal opening of the new hospital is set for October 14 from 2 to 4 p. m. A cordial invitation is extended by the hospital staff and board to all Ozogans to visit their new hospital on the occasion of the formal opening.

Manager Post this morning asked that the thanks of the hospital staff be extended to all who assisted in the move. Especially, he said, do thanks go to Charles Williams, Jr., who provided three big trucks and to the county road department for furnishing one truck and two men. Joe Tom Davidson and James Semmler, who helped in moving some of the heavy equipment and Martin Harvick, who assisted in moving the x-ray machine, were singled out for special thanks.

The Crockett county hospital was established in 1949 when the county purchased the hull of the burned out Methodist Church and refurnished and recovered the building for a courthouse annex and office building. By use of available county funds and public donations, the top floor of the building was made into a small hospital and served the community well. But space was scarce and operation limited in the cramped quarters and voters of Crockett county last year approved a \$200,000 bond issue to build a new and enlarged hospital. The handsome, modern building on the northwest edge of Ozona, on land donated by Dick Henderson, is the result of the movement.

Sam Benaley has moved to Austin to join his family and to work in a barber shop near the University of Texas.

\$4 A POUND BEEF

In communist Warsaw, according to an article in The New York Times Magazine, beef costs the equivalent of \$4 a pound. Even at that figure, it is scarce.

The situation is similar in other communist countries — and also in countries in which the machinery of production and distribution are rigidly controlled and regimented by the government.

The point is that, in the long run, when economic decisions are made by government to suit the purposes of government, the public at large usually finds that prices are high, supplies are short, and living standards are poor.

The American consumer may kick at what he thinks is a high price for beef, which is his right. The American farmer may complain because he thinks he is getting too little for his livestock, and that is his right. But the fact remains that a free economy, in which markets are controlled by the natural law of supply and demand instead of fallible and ever-varying human judgment, both producers and consumers get far better returns and far better goods than the producers and consumers elsewhere. In the case of meat, moving in the free market, profits of packers and retailers and others involved in the distribution process are held to low levels by competition. The people who produce the meat and the people who eat it reap the benefits.

Cattle Prices Firm After Severe Break

FORT WORTH — Trade was fairly active and most classes of cattle and calves sold fully steady at Fort Worth Monday. At Fort Worth a major portion of the cattle supply was again aged cows and bulls. Fed steers topped at \$24.

The strike against Swift & Company packing plants across the country affected 39 of that firm's plants. However, since most of their employees at Fort Worth and other Texas points were members of an independent union and not affected by the strike, operations were normal here.

All other packers were operating normally and a check in this area Monday morning revealed practically all plants operating near capacity.
In the critical New York area the U. S. D. A reported in the wholesale meat trade that "the strike situation was causing little excitement as wholesalers are functioning on a normal basis. Supplies little changed from a week ago." The U. S. D. A report on wholesale meat trade out of Chicago said in part: "Beef offerings not quite as plentiful as most recently."

Comparative prices at Ft. Worth Good and choice steers and yearlings \$17.00 to \$24.00; common and medium \$10.00 to \$16.50; fat cows \$8.50 to \$11.00; canners and cutters \$5.50 to \$8.50; bulls \$8.00 to \$12.50; slaughter calves \$8.00 to \$17.50; baby beef to \$18.00 and above; stocker calves \$19.00 down; stocker yearlings \$17.50 down.

Sheep and Lambs Open Steady: Lamb Top \$21.00
Wooled fat lambs topped at \$21 at Fort Worth Monday as the trade was steady and fairly active throughout. Shorn lambs with short pelts topped at \$19, some at that figure bearing No. 3 skins. Longer pelts were quotable higher.

Old ewes were steady, most sales from \$4 to \$8, a few outside that range. Yearlings sold from \$10 to \$16. Old wethers drew \$5 to \$12. Old bucks sold around \$3.50 to \$4.00. Cull to medium lambs drew \$10 to \$17. Stocker and feeder lambs sold from \$12 to \$16, a few higher.

International Affairs Woman's Forum Topic

The United Nations and international affairs will be the program topic when the Ozona Woman's Forum meets next Tuesday at the country club in regular meeting. Hostesses will be Mrs. Jess Marley and Mrs. Charlie Black.

Mrs. Martin Harvick, leader, will discuss international affairs. Mrs. P. C. Perner will speak on the United Nations. Mrs. Bord Baker will analyze Constitutional amendments to be voted on in Texas November 6 and 13 and a group discussion will follow.

HIGHLIGHTS AND SIDELIGHTS From State Capitol

By Vern Sanford Texas Press Association

Austin, Texas — Atty. Gen. John Ben Shepperd has asked the press of Texas to sponsor 12 bills in the 1957 Legislature. They pertain largely to publication laws. In Shepperd's opinion, such laws would have prevented the land, insurance and Duval County scandals.

Shepperd, whose term expires in January, addressed the 6th Annual Fall Meeting of the Texas Press Association, in Austin.

He recommended passage of legislation that would require the land office to publish an official notice in a newspaper in the home county of each veteran applying for a loan under the Veterans' Land Program. This, so that hometown people will know that such an application has been filed.

Also suggested was publication of a financial statement by insurance companies, such as is required of banks and building and loan companies handling the people's money.

A strict law, making it "an ab-

solute, mandatory requirement that all elected public officials handling the public's money publish a public accounting of their regular intervals was cited by Shepperd as a necessity "to protect the honest public official as well as to protect the public from dishonest public officials."

Much deception is being practiced upon the people by failure of officials to publish the full text of ordinances, said Shepperd. He referred to the publication of descriptive captions only, or many times, which do not give sufficient notice to the public.

He cited the imperative need for publication of annual financial statements by each school district before another scandal like the state. Ditto for publication of the proceedings of county commissioners' courts, and meetings of all boards, commissions and other agencies of the State, County or other political subdivision — and opening these meetings to the public.

Other needed laws dealt with means of recovering money fully expended or mis-appropriated; the hiding of public records requiring special audits; penalties for filing false reports; establishing venue for the prosecution of any state official who refuses to testify on the grounds of self-incrimination.

THE LION'S ROAR

PUBLISHED BY STUDENTS OF THE JOURNALISM DEPARTMENT—OZONA HIGH SCHOOL.

THE ANNUAL STAFF NEWS

Are you on the annual staff? Have you seen the great new "Ayer"? Can you think of a clever theme for the 57 Ayer?

These questions are quite familiar with this year's new annual staff. We had our first meeting September 11th, and the interest was "sky-high".

We have invited fourteen new members to join our staff and also we have elected our editorial staff. Some are brand-new and others are continuing their important jobs. Miss North, sponsor; Lou Nelle Beall, editor; Wanda McCaleb, assistant editor; Beverly Killingsworth and Wanda Armstrong, business manager; Joe Clayton, photographer; Suzann Dale, copy editor.

SO THE EDITOR THINKS

As we look at the coming year, we are inclined to take a backward glance to the 55-56 school year in wishful thinking. In sports, academic rating, and general attitude we certainly had a great year. But, if we wish, last year can be a stepping stone to even better years.

With all of our school spirit and backing, the hard fighting Lions can rise to a regional or state win. We have the team, do we have the spirit?

If we work at it, our general grade average and attendance record could top any in previous history. With the proper attitudes and ideals we can have more fun with more privilege and less rules. We have the students and faculty, do we have the determination?

How about it Lions? Do you really want this to be the BEST year? It's up to you.

SENIOR CLASS NEWS

The Senior class met the first week of school to elect officers and sponsors.

Officers are: President, Erby Chandler; Vice President, Jim Brown; Secretary, Lou Nell Beall; Treasurer, Wanda Armstrong; Reporter, Beverly Killingsworth.

Sponsors: Mr. Harlan and Miss Moore.

We are proud to report that two of our classmates were elected to student council offices. They are Jimmy Brown, President, and Beverly Killingsworth, Secretary. Congratulations kids!

Everyone remember the seniors have the concession stand at the ball games. Only one who wishes to buy is very welcomed.

SOPHOMORES NEWS

On September 4, the Sophomores class met for the first time this term and elected officers. They are: President, Jerry Jacobs; Vice President, Alleane Young; Secretary, Diane Phillips; Reporter, Tommy Spurgers; student council Representatives, Marilee Dale and David Sikes.

Room mothers: Mrs. Hagelstein, Mrs. Richardson, Mrs. Tandy, Mrs. Young.

In a more recent meeting we discussed methods to finance the Christmas dance.

Various ways were suggested and several decided upon.

THE BIGGER THE SUMMER VACATION THE HARDER THE FALL

There's little time for vacations on a ranch. But we can help you make some of your down time and add to your production and profits at the same time. See us for the high-grade Feed and Seed for every farm out.

A FACE OR TWO AROUND OHS

Let's look at the new faces around OHS! Our senior class doesn't have any new members, but several juniors have been added. If you see a big fellow stalking down the hall, he is bound to answer to the name of Benny Grubbs, who moved here from Junction.

Former student Charlie Castro is back with us after a year of farming near Rule in James Co. It's nice to have you back, Charlie!

Erwin Reeves, better known as ole Diz, is now an OHS sophomore. Dis came from Monahans, and we are very glad to have him aboard! Another new soph is Dan Rios, formerly of Clovis, New Mexico. It's nice to have you, too, Dan!

A familiar face back again from Pendleton, Oregon is Loreta Smith. Hope you stay with us this time, Loreta! Sister Pat and Betty Bailey have greatly added to the classes and halls of OHS. Pat is a sophomore, and Betty a freshman. They hail from Midland so they were Texas neighbors all along.

Also back after a year's absence is Weldon Day. It's nice to see you around again, Weldon! We know Tulsa, Oklahoma comes second to Ozona! James Malone from Beville is another addition to our fish class.

It is nice to welcome you people to our great school! Let us say a very special welcome to all the freshmen and particularly to Lou Nelle Beall. Good luck this year, everyone!

NEW FACES IN OUR FACULTY

The freshman class has noticed a new face at the desk of their English class. Miss Powers is already a favorite among Ozona High School, although she has only been here about a dozen-odd school days. She is a graduate of Baylor, and a former teacher of Premont, Texas. We all hope she will like us as well as we like her!

Also, we are happy to welcome back Mr. Smith, a former band director of the Ozona Band. Not only did the band put on a happy smile when they heard of his returning, but the fans of OHS Band too. Mr. Smith has been a band director of Salisaw, Oklahoma, for the past two years. All of Ozona, and our visiting neighbors at the football games have enjoyed the football half-time shows, directed by Mr. Smith, and we await the following ones eagerly.

JIM SAYS

In case you don't know it—football season is here! You may have awaited its arrival for months or it may have hit you with a bang, the latter being reserved for quarterback lying on the field wondering where that 240 pound tackle came from.

In a run away game last Friday night the Lions beat Melvin 45-0. Even though they face much tougher competition from Iraan, the odds appear to favor victory number three tomorrow night in Iraan.

All Ozona ends have new competition from Roy Glenn Sutton and Billy Bob Holden. These two took a turn at the end spots in the Melvin game. Of course, being new at this spot, they add their own variations to the pass patterns—but this always helps to keep the quarterback on his toes as well as driving our opponents' scouts mad.

Since it has been done before very successfully and might be done again by someone—I am now using my little ouija board to predict the winners and scores of 15 games to be played this weekend. Even though the best time to predict a winner and score is following the game; here goes nothing (except the paper that this is written upon.)

- Ozona 26, Iraan 13
- Sonora 33, McCamey 14.
- Big Lake 20, Rankin 0
- Junction 6, Frederickburg 25
- Menard 26, Eden 6.
- Eldorado 33, Loraine 0.
- San Angelo High 27, Arlington Heights 13.
- Tulane 13, Texas 20.
- Texas A&M 13, LSU 14.
- SMU 7, Georgia Tech 14.
- Texas Tech 0, Baylor 20
- Arkansas 7, Okla. A & M 13.
- Houston 20, Miss. State 14.
- San Angelo Jr. College 13, Victoria Jr. Col. 6.
- Abilene Christian 6, Texas Western 20.

BAND NEWS

The band started full swing this year. As our first three games were here, we worked up two special skits, "William Tell" and "Pearlase Fanny Flicker Flashback." Presently we are working on marching for contests.

FOOD FOR THOUGHT

As a field, however fertile, cannot be fruitful without cultivation, neither can a mind without learning.

PEOPLE ARE FUNNY

There's nothing funnier than a human! Especially some of those running around the halls of ole OHS, and whose brilliance bursts in on us in the least expected places! How confused can you get? Well, we should have asked Howard Mock that, in Mr. Moody's English class the other day. The class, being in a discussion of old English sayings, Howard replied most seriously, "And I remember one, Eat, drink and be married."

Owen Waknor, is still scratching his head over some population figures in history class. We, the population, must be disappearing fast, for as Owen figures, 15 million times 28 only winds up with 35 thousand! Are we gonners, or is Owen?

When asking Mr. Pelt about his classes, he replied with a smile, "No, nothing funny has happened in my classes, they're all still too afraid of me to even talk back!"

"Sunny side up" is Coach Cleere's opinion of his fifth period American history class! They laugh uproariously and continuously from the beginning of the period to the end. Why? No one really knows, so if you happen to hear a giggle about 2:30 just dismiss it as being that "happy" class! Of if you like, think about Suzann, Alma, Nellie, Beverly, Dartha, Gurnel, Liz, Willie, Clayton, Roy Glenn, R. J., Ronnie and a whole class of other "happy" little characters!

MELVIN VICTORY DANCE

Again a victory dance was held at the country club. This fine dance was given by the Freshmen. I feel they're trying to build up section. They really out-did themselves by showing us a good time.

Our steadies—Rod and Mary Jo were there having a good time, as always! Many "stags" were there. We gals wish you'd dig you up a date!

There was a gala time at the club. We also hear Alma gave a fine slumber party, right?

CHORAL CLUB NEWS

This year, which is really not surprising the choral club started off with a bang!

For the past two weeks, we've been working on Christmas music for our Christmas program.

Officers for choral club this year are: Mary Jo Ward, pres; Lou Nelle Beall, vice pres; Lis Pearson sec. treas.

Director, James Rollins, has picked out many new songs for our Christmas program. It promises to be the best program we have ever had.

FAD AND FASHIONS

Fall is in the air and everywhere you look you see signs of it. With fall comes football and naturally this reminds you of cheerleaders. When you see the cheerleaders you will notice they have new uniforms of white wool skirts and sweaters. Purple satin blouses with ever popular full sleeve. As something for the feet there is the favorite loafer in purple. Huge lion heads create a point of interest on the back of the wenkit.

Next in line of thought after the cheerleaders come the twirlers. If you happened to be present at the pep-rally last Friday in the gym you saw the twirlers in their new pep-rally uniforms. They are of white cotton satin with purple trim. Very charming, girls!

As evidence that fall is here you see sweaters and wool shirts coming into view, as the nights turn chilly. At the football games and dances afterward they are very evident. Keep it up, girls, it will soon be cold enough for you to wear them to school, as I know you are anxious to do.

So as fall slowly comes around again there is evidence of it everywhere in the sweaters and skirts and new cheerleader uniforms; but most evident is the work going on in the homemaking department. In sight everywhere are wools, velveteens, and corduroy. They are ready for fall to hurry and get here.

There is a new fashion around the halls of OHS. If you will look closely at the hands of a senior you will notice they are sporting new class rings, Mighty classy, seniors.

SPEECH CLUB NEWS

Tuesday before last the Speech Club of O. H. S. met under the supervision of Haskel Leath and officers were elected. Tooter Malone is the new president, Carolyn Mayfield; vice president, Liz Pearson is secretary and reporter is Diane Phillips.

Mr. Leath announced that if possible, we would divide the club into three divisions and present a play.

The profit from the play will go to buy some much needed equipment.

The Speech Club is starting a wardrobe. The donation of any clothing, costumes, or accessories appreciated. Give them to any member club you may know, or Mr. Leath.

VICTORY DANCE

Friday night saw a time at the dance twirlers. We were all about our boys winning Coahoma.

Several college students stay away from O. H. S. joined us at the dance. Lin and Earl Deland about the joys of "Benny Friend, just some of his buddies like Rodeo life and Sul. Clothes that were laughable to have none other than Lewis" in their minds!

Of course the armadillo represented by our mascot Taylor.

So with our students these "exes"—a good had by all.

STUDENT COUNCIL

Election for student council were recently held and elected were as follows: Jimmy Brown; vice president, Mary Jo Ward and secretary, Beverly Killingsworth.

Student council has met and decided that Freshmen would be the 3rd of Freshman are now on sale. Plans were talked about for halloween dance which is given by the student council.

Programs for assembly discussed but a definite plan been decided upon.

The Student Council meeting will be held in Galveston spring and the officers are tearfully looking forward to their trip.

Relief Measures For South Korea, Formosa Women's Clubs Projects

Mrs. Hubert Baker of Ozona, who is state chairman of Community Affairs for the State Federated Women's Clubs, attended the state board meeting in San Antonio last week.

Mrs. Baker reported the State Board approved the following projects for the state federated clubs: Sending 100 bred heifers to South Korea; clothing for an orphanage in the Philippines and for the Formosa headquarters of Madame Chiang Kai-shek clothing, blankets and quilts for men, women and children. These are new projects of the Texas Federation of Women's Clubs.

Another project of the state organization is the Dorothy House Vietnam Oriental scholarship. Speakers at the meeting included Senator Price Daniel, and Olin Cuberson, member of the Texas Railroad Commission. Senator Daniel was honored at a dinner for his work toward restoration of the tidelands to Texas school children and for his nationwide fight against the narcotic traffic.

(Continued from page one)

made three teams, wool & mohair livestock, and grass. I was on the same grass judging team that won the district contest four years straight, we placed ninth, fifth, second, and finally this year won the State Championship. It was about the same story on wool & mohair judging, we would get close to the top every year, but this year we came out on top with the State Title. I think this pretty well proves the point that if you keep trying and don't give up, you will eventually come out on top.

My 4-H club feeding projects the past several years gave me wonderful training in feeding and caring livestock. I fed calves, mutton lambs of several breeds and Registered Rambouillet Sheep as my feeding projects. I also gained some useful experiences at major state shows where I exhibited livestock each year. I met many influential people on these tours and made many friends my own age from throughout the State. Some of these acquaintances I consider as my best friends.

A profit was realized each year from my feeding projects and three years ago I purchased a small flock of registered sheep. I have added to the flock and kept the increase, to-day I have a nice little flock of registered sheep, all paid for and all mine which will increase into such numbers as to provide me with a sizeable income by the time I have completed college.

Some wonderful rewarding experiences have come my way during my 4-H club career, the first I shall never forget and that was when I received the Gold Star in 1953. Being selected over a number of older members in the club gave me new inspirations to give more of my time and efforts to 4-H activities.

My next great achievement came in 1954 when I showed my group of three crossbred lambs to the Grand championship at our county show and received the Nathan Jeweler's Trophy as outstanding fat lamb feeder.

At our county show in 1955 I was rewarded again with one of my big moments, when I showed my little Shropshire mutton lamb, "Petey," named after my county

agent, to the championship in this division. I thought the judge would never make up his mind between Petey and another lamb. When he finally patted Petey on the back, it was one of my greatest thrills. At this same show I received the senior showmanship award and I was a very tired but happy boy.

I guess the greatest of all thrills came to me and to my family when at our county awards banquet in 1955, I received the coveted Mother Davidson Memorial Trophy as the all-around outstanding 4-H club member. I felt that I had been well rewarded for all the hard work put out during the year and I know that no greater thrill can come to anyone when you know you have done a good job.

One of my achievements that gave me the greatest satisfaction happened at our county show in 1956, when I experienced the thrill of beating a rival 4-H member in the crossbred lamb division. Something I had never done before. He was always at the top of the class and my lamb next. It was an achievement that I had dreamed and vowed that I would accomplish before my 4-H lamb feeding career was finished. It certainly gave me a wonderful feeling of satisfaction when I had achieved my goal.

My greatest thrills and achievements in my judging work came this last year, first when our grass judging team won the district contest for the fourth straight year and I was over-all high individual in the contest with a perfect score. Soon after this our wool & mohair judging team won the State Championship and I won the over-all high individual judging honors. Just a week later my dream of four years came true when we won the State Title in grass judging and I tied a team member for second over-all individual judging honors.

I realize now that my family played a big part all during my 4-H experiences. I remember many times that they gave me praise and encouragement when disappointments came my way. My mother and father never were one to make me do things but I realize now that they had a wonderful knack of keeping me going in the right direction and assisting me when I had difficult problems to work out. This I now realize "Petey," named after my county

actor and sense of responsibility, and better prepared me for the ordeals that will be facing me in my future life.

In my last years in 4-H, I have received great joy in helping and encouraging younger members in the club. Their accomplishments after my assistance gave me great satisfaction. I am fast beginning to realize that no greater joy can come to a person than by working with and lending a helping hand to your fellowman.

Last year I received a great honor in being elected District Chairman on our 4-H Club Council. As a delegate to the State 4-H Club Council meeting later, I received the high honor of being elected Co-Publicity Chairman of the State 4-H Club Council. This honor, of serving as an officer of the State 4-H Club Council certainly was something that I never dreamed of when I became a member of the 4-H club. The experiences that I have received through the two State 4-H Club Council Workshops I have attended are priceless to me. Through these meetings I have realized a much greater respect for our leaders, the necessity of good health habits and a stronger feeling for Christian fellowship and its importance in our life.

I feel that my 4-H club experiences have given me priceless responsibility and leadership training experiences that have more fully prepared me for a college education and a career. I know that my 4-H training will be very helpful to me in deciding my major in college. I feel that my accomplishments and achievements along with my many experiences have trained

me to set a higher goal, and once that goal is set, to reach it through all-out effort and determination. I know it can be done, that I feel I have proven.

Street Parade Outstanding Feature Of Society Show

According to plans announced around the square at Ozona, one of the most appealing parades seen here in many years was the one last Saturday in connection with the local talent show, "Parties For Fun". The show was held last Monday and Tuesday nights and was sponsored by the Epilon Sigma Alpha Society, as a benefit.

Various clubs and organizations of Ozona had attractively decorated entries. Also on display in the line of march was some officials, fire trucks, and the members of the choruses in colorful costumes. The division of the parade that

attracted most attention was the children's part. Approximately 100 children participated in the parade for prizes, and many gaily decorated bicycles, doll-buggies, etc.

Winners of the children's division were presented with awards on stage at the night's show. They were: Best Boy — Jimmy Brown; Best Girl — Ginger Brown; Best Boy in Costume — Walter Brown; Best Girl in Costume — Gregory Brown; Best Boy in Costume — Bobby Mayfield; Best Girl in Costume — Bonnie Carson and Bill Carson; Best Dressed Parade — Laura Davidson.

From where I sit... by Joe Marsh
Changed Her Whole "Point of View"
Some local high school teachers spent the summer taking courses at the State University. They learned a lot, but one of them — Miss Williams — got homesick. "To save expenses," she reports, "we chose a hotel that was clean but grim. When I found my window looked out on a coal yard — my heart just sank!" But, when Miss Williams noticed a pot of geraniums on the window sill — and a note saying "Look at these instead, (signed) Last Occupant" — she decided to stick it out. She kept those flowers watered and tended to make things that much easier on the next occupant.
From where I sit, it's often hard to adapt to new surroundings — just as new customs often seem strange to us at first. For instance, if you've always had tea with your meals you might find it odd that I prefer a glass of beer. It's OK to prefer what's familiar to you... but also keep an open mind on what's not.
