## 1,000 Unpaid At Co.

### Election Could Spur Rush

One thousand odd voters of Crockett County showed up to the court house on January 31, and to pay taxes, they will have to vote for a school board, to get a new assessor and the normal vote for a Senator set for August.

This week, only 369 voters had been issued of the tax assessor and the normal vote for this county is near 1,000.

Such things as elections any more, held every year, state elections are held every four years. There are elections of one kind or another every year or "on" but for many persons over their poll taxes except state elections or a special Senatorial election up this spring, a poll tax is going to become a lot of people and those who long and forget to pay the January 31 deadline to be mighty un-

Underneath this legend was a what appeared to be a one-name signature, with a flourish at the beginning, but was illegible. Mrs. Gertrude Perry, chief deputy in the sheriff's department, has written the St. Louis cremator advising him of the unlikely place in which Grandma Kemmler's remains had been found and asking for information concerning survivors.

## Grandma Kemmler's Ashes, Boxed By St. Louis Cremator In 1935, Found On Ft. Lancaster Hill, Create Problem For Crockett County Sheriff

Grandma Kemmler was cremated in St. Louis February 22, 1935, and her ashes were destined to be buried or strewn over a certain mountain but instead her mortal remains wound up in the Crockett County Sheriff's office where a worried office force is making desperate efforts to locate some survivors and get instructions for conveying Grandma to her final resting place.

A small cardboard box about five inches square and ten inches long, containing all that remained of grandma after her body was cremated by Valhalla Chapel of Memories in St. Louis, Mo., was found recently on Lancaster Hill, 35 miles west of Ozona by workers for the State Highway Department maintenance division. It was brought here and turned over to officers.

A printed label on the end of the box, with blanks for name, number and date filled in in hand printed ink letters read:

No. 2725  
"This is only a temporary container for use until a permanent Memorial Urn is selected for the remains of

MARGARETHA KEMMLER  
Cremated by the  
VALHALLA  
Chapel of Memories  
St. Louis, Mo.  
Date: 2-22-35

Inside the box, which contained a double handful of small remnants of chalky bones, was a folded piece of brown wrapping paper on which was written in pencil, "Grandma Kemmler's ashes

"To be buried or strewn over the (here the name was almost illegible but was made out to be) Catalian Mts. with my ashes." Underneath this legend was a what appeared to be a one-name signature, with a flourish at the beginning, but was illegible.

Mrs. Gertrude Perry, chief deputy in the sheriff's department, has written the St. Louis cremator advising him of the unlikely place in which Grandma Kemmler's remains had been found and asking for information concerning survivors.

## Youngsters Warned Against Careless Use Of BB & Pellet Guns

The annual after-Christmas complaints about the careless use of Santa Claus delivered BB and pellet guns by their youthful owners are reaching the sheriff's department, Sheriff Billy Mills reports this week.

Sheriff Mills asked the Stockman to remind the young gunmen and their parents of the danger of the careless use of these sometimes powerful weapons and to urge care in preventing personal injuries or property damage. The youngster were especially warned against shooting at street lights, insulators on telephone and light poles and against shooting toward residences. If the youngsters make prudent use of their new guns and avoid injuring persons or property there will be no need for officers to take any action, Sheriff Mills said, and he urged the cooperation of parents in getting this message to the youths.

## Clearfork Discovery Noted On W. P. Hoover Ranch In SW Crockett

A Clearfork discovery has been indicated in Crockett County with the swabbing of a small amount of new oil along with load through perforations at Texita Oil Co. of San Antonio and John W. Ellis of San Angelo No. 1 W. P. Hoover, Jr., in 13-NN-GC&SF, Crockett County wildcat 50 miles southwest of Ozona.

Recovery was through perforations between 2,088-2,100 feet, which had been washed with 500 gallons of mud acid and then fractured with 20,000 pounds of sand and 52,000 gallons of water. Operators were moving off rotary to complete.

## County Offices Being Moved To New Office Bldg.

### Sheriff Moving Today, County Attorney In New Offices

These are moving days at the Crockett County courthouse. County officials are moving to new office quarters in the county office building, made available when the building was recently vacated by the Crockett County Hospital for its new building on the northwest side of Ozona.

Already ensconced in new, spacious quarters in the middle floor of the office building is County Attorney Dixon Mahon. The county attorney is occupying offices formerly used by Dr. H. B. Tandy. Next to him and planning to move in the next few days will be County Auditor Dick Kirby.

Moving today to new offices down the entire length of the west side of the second floor, and one adjoining room on the north side, offices formerly used by dentists, is the office of Sheriff Billy Mills. The move of the sheriff, tax assessor and collector will constitute the most extensive removal of office equipment to the new building, including the massive safe, counters, tables, typewriters, adding machines and tax books. The move was begun this morning and was to be completed before the day's end.

Offices have been made available in the office building also for the County Judge but Judge Smith has not yet moved. Only the county clerk's office, which will be expanded to include the east side of the courthouse, taking in offices formerly occupied by the sheriff, and the Justice of the Peace will remain among county officers in the courthouse.

## Infant Son Of Mr. And Mrs. W.M. Johnson Died At Birth Monday

The infant son of Mr. and Mrs. William M. Johnson, Jr., of Ozona, died at birth in the Crockett County Hospital Monday.

The parents are new residents of Ozona, the father being employed by the Texas-New Mexico Pipeline Co. The mother is a native of England, having met and married Mr. Johnson when he was stationed in England with the U. S. Army.

Graveside services for the infant were held Tuesday in Cedar Hill Cemetery. The Rev. Leroy Russell, pastor of the Ozona Methodist Church conducted the rites. Cody Funeral Home directed arrangements.

Survivors other than the parents are the maternal grandparents Mr. and Mrs. George H. Clarke of Cheltenham, England; and the paternal grandparents, Mr. and Mrs. W. M. Johnson of Snyder.

## Plan Second Wildcat In Hoover Ranch Area Of Southwest Crockett

Perkins-Prothro Co. has filed application to drill a 2,950-foot rotary wildcat in Crockett County, 50 miles southwest of Ozona. It will be the No. 1 Laura Hoover Estate.

Zapata Drilling Co. has the drilling contract. Location is 1,650 feet from the north and east lines of 1-MM-T&SL.

The prospector is approximately five miles northeast of Texita Oil Co. and John W. Ellis No. 1 W. P. Hoover, Jr., in 13-NN-GC&SF. Clearfork prospect which was swabbing fluid early Tuesday at the rate of one barrel per hour through perforations between 2,088-2,100 feet.

## Big Lake Downs McCamey To Win Cage Tournament

### Ozona Lions Nudge Sonora To Take Third Place

By Ernie Boyd

The heavily favored Big Lake Owls downed the McCamey Badgers 40 to 35 Saturday night to cop the title at the 26th invitational tourney and bring to an end one of the best balanced races in recent years.

The Ozona Lions overcame a great effort by Sonora's George Johnson to down Sonora for third place and the ACCHS cagers came from behind an eleven point deficit to down Wall for the Consolation title.

George Johnson of Sonora was overwhelmingly selected as the meet's outstanding cager and shattered two records in his march to the honor. Johnson made good on 13 of 14 free throws in the McCamey game to break the old record of 12 held by Bill Pfluger, and scored 124 points in the tournament to break the record held by Dickson of Rocksprings.

Max Burnet of Mason cracked the one-name record when he poured in 42 points against Rocksprings Friday morning.

District 8-A teams made their best showing of recent years as Eldorado, Menard, Sonora, and Junction in addition to Ozona made good showings against their opposition.

The host Ozona Lions, playing without guard Bobby Vargas, downed Fort Stockton Thursday, bumped Rankin Friday night and after losing a hard fought game to Big Lake downed Sonora for third place Saturday night.

Bobby Sutton and Stanley Williams were the standouts for the Lions in the final contest, which featured some good outside shooting by Kent Babb.

George Johnson gave the Lions all they could handle the first half as he scored 24 points while the Lions were able to get 26, but in the third quarter the Lions changed tactics and pulled away to a comfortable lead that they held for the remainder of the game.

Fort Stockton won a 19-point decision over the Lions in Big Lake two weeks ago but the improving Lions, even without Vargas, and with no time to work out a replacement, held the Panthers at bay the entire contest, even though they had a fourth period scoring lapse that let the visitors pull within three points of them.

Rankin also held a pre-Christ (Continued on Last Page)

## Francisco Roman, 59, Found Dead In Home; Heart Attack Blamed

The body of Francisco S. Roman 59, longtime Crockett County resident, was discovered at his home in the Latin-American section last Thursday.

Mr. Roman had been ill with a heart ailment for sometime and was last seen by friends Sunday. When he had not been seen for about three days, neighbors became concerned and went to see about him. They discovered him dead in bed.

Justice of Peace W. M. Johnson conducted an investigation assisted by Sheriff Billy Mills, Deputies Oscar Groff and Elmo Wallace, Game Warden John Lockett and Highway Patrolman Walter M. Cawyer, Jr. Mr. Johnigan returned a verdict of death due to natural causes, estimating that death had occurred sometime Monday.

Graveside services in the Ozona Latin-American Cemetery were held Thursday afternoon. Father Howard Meyer, Priest of Our Lady of Perpetual Help Catholic Church in Ozona officiated. Cody Funeral Home directed arrangements.

Surviving Mr. Roman are a daughter, Mrs. Maria Gonzales of Del Rio and a son, Francisco Roman, Jr. of the Navy stationed in Corpus Christi.

## Commissioners Court, Highway Engineers In Huddle on 33 Extension

District Highway Engineer J. A. Snell and Assistant Engineer Willis of the San Angelo district office of the State Highway Department conferred with members of the Crockett County Commissioners Court Wednesday relative to the Department's plans for construction of an extension of FM Road 33 west to Iraan.

The highway engineers and the court discussed possible routes for the proposed route and the court took the matter under advisement pending further study and agreement on the route to be followed by the road.

The engineers presented facts concerning possible traffic movements with the new construction and revealed the Highway Department's plans for area construction. It had been the plan of the Commissioners Court to go over the possible routes with the highway engineers but due to the wet, drizzly weather, the trip was postponed. Further study of the proposition was promised by the conferees.

At a recent meeting of the Commissioners Court, the court passed consideration, pending further information, on the Highway Department's proposal to extend the Farm-Market 33 west.

## Lions Spurt To Second District Win Over Sonora

### Jerry Jacobs Pours In 23 2nd Half Points To Pace Win

By Ernie Boyd

The Ozona Lions, displaying a fine improvement, turned in a fine second-half performance Tuesday night at Davidson Gym to whip the Sonora Broncos 61 to 44.

Soph Jerry Jacobs, who took over the post at half time, led the Lions with 23 points to tie for high point honors with George Johnson of Sonora. Jake Young hit for 12 points and Stan Williams had 10 for the Lions.

With George Johnson hitting from outside, the invaders jumped into an early lead but the score was tied at 8 all, 15 to 15 and 23 to 23 at the half largely on the shooting of Young and Sutton.

The Lions wrapped up the contest in the third period when they shifted defenses to limit Sonora to 2 points in the quarter while they counted fourteen on Jacobs' and Williams' goaling.

The Lion increased the scoring in the last period when the Broncos were forced to go into a semi-press in an effort to hold the Lions off and Jacobs had a field day hitting for twelve points in the last quarter. In all, the Lions counted 24 times and subs took over the last two minutes of play.

The Lions played coolly most of the contest and did not commit nearly as many errors as they have been making as a result of panic.

The return of Bobby Vargas to the lineup after missing the tourney due to illness greatly strengthened the Lions back court game while Franklin, Young, Williams, and Jacobs completely dominated both backboards throughout the contest.

The Lions will be idle in district play this Friday and will journey to Rankin for a non-district clash. Next Tuesday the Lions will go to Eldorado to engage the big Eagle five which is one of the favorites for the title this year.

## KINCAID SHOW AMBASSADOR

T. A. Kincaid, Jr., of Ozona has been appointed official ambassador from the Crockett Co. area to the Eighth Annual San Antonio Livestock Exposition, E. W. Bickett, Exposition president, announced today.

The 1957 Exposition, which is scheduled to go down as the biggest and best of Exposition's eight-year history, will be held in the Bexar County Coliseum Feb. 8-17.

## Iraan 'Rebels' To Seek Creation Of Separate County

### Town Would Take Rich Slice Of Pecos And Crockett Counties

A newly organized group of Iraan "rebel" citizens have banded together to sponsor a State Legislature bill which would divorce themselves from Pecos county and create a new county, with an oil-rich slice of west Crockett county thrown in, and with Iraan as the county seat.

This movement, information about which has been prevalent here for some time, was "broken" in full detail in a story appearing in the Sunday Odessa American, written by Ross Davis, an American staff writer.

The bill, which the organization claims has the assurance of introduction before the House of Representatives in its Austin session, would form a territory tentatively named "Permian County" and which would border Pecos, Upton, Crockett and Terrell counties. The new county, however, would actually draw land from only Pecos and Crockett counties. It would have some 1,400 square miles, be taken from eastern Pecos and western Crockett county and would have a population of about 3,000, according to the backers.

The organization, headed by George W. Reynolds, attorney and Iraan motel owner, as president, calls itself the Trans-Pecos Development Association and is composed of several Iraan citizens. Vice president is L. G. Blumentritt, and James M. Jacobsen is secretary-treasurer.

Crux of the group's discontent, according to the story given the Odessa paper, lies in the unwillingness of Crockett county to build a road which would connect Iraan with Farm-to-Market road No. 35, and with Pecos county Commissioners Court which the group charges spends 85 percent of county taxes in the Fort Stockton area though Iraan contributes about 70 percent of total county taxes. No attempt was made in the article to substantiate these figures.

Another familiar contention, adequate perhaps in the days of the horse and buggy, but hardly so in these days of modern fast transportation, is that the great distance of travel necessary for Iraan for transaction of county business is justification for creation of a new county with its attendant expense of construction of county buildings and a new set of county officials.

The group also contend that children in that area have to be educated in schools furnished other than by Crockett county, that the parents have no legal status with these schools and have no voice in school policies or educational problems.

The means of forming the new county, Reynolds said, can be found in Article 9, Section 1, of the Constitution, which reads as follows:

The Legislature shall have power to create counties for the convenience of the people subject to the following provisions:

First in the territory exterior to all counties now existing, no new counties shall be created with less area than nine hundred square miles, in a square (Continued on Last Page)

## Wildcat Spotted On U.T. North Of Ozona

Burk Royalty Co. of Wichita Falls has filed application to drill a 2,700-foot rotary wildcat, three miles south of the Farmer (San Andrés) field of Crockett County and six miles north of Ozona. It will be drilled as the No. 1 Lee University.

Location, on an 80-acre lease, is 330 feet from the south and west lines of the west half of the southwest quarter of 6-46-University.

The prospector is one mile east of M. C. Bryant 1-6 University, a 2,600-foot failure.

THURSDAY, JAN. 24, 1957

**HAVE THEY FORGOTTEN?**

Pressure on the Congress builds up through such figures as Secretary of State John Foster Dulles, General Alfred M. Gruenther, retired former NATO commander and Chairman Arthur W. Radford of the Joint Chiefs of Staff, for approval of the President's requests for standby military authority and economic aid for the Middle East.

Mr. Dulles' recent testimony before a joint Senate committee that the Red menace in this area is "the most serious threat we've faced over the past 10 years," and later that "probabilities are the area will be lost to international communism" unless Congress acted promptly, suggests at least that the Secretary of State has abandoned diplomacy for guns and dollars.

From various bits of testimony released there appears to be considerable uncertainty about which Middle East nations, if any, are anxious to have us rescue them, also that economic perils stem from the closing of the Suez Canal. Mr. Dulles is reported as stating that the Canal would be passable for medium-sized ships in March and open to all shipping

in May. This information should remind all concerned that the Canal is still the core of the present hassle, and that freeing it of physical obstructions does not solve the pre-invasion problem of who operates it and under what rules. To settle these questions demands diplomacy of a high order — especially if the conferees are to catchup with the contractors — who are actually at work. And they must be settled before the economy of the Middle East can be stabilized regardless of US troops and / or millions.

**HEAR THIS:**

"In time like these we don't usually cut budgets very much," said Speaker Sam Rayburn, with reference of course, to the record-breaking \$71,867,000,000 budget sent up to the Capitol by President Eisenhower.

But we hope that Mr. Sam's conferees in both houses of Congress are less cavalier in their consideration of a budget that is premised on a prosperity for the next 18 months even greater than that of 1956, a budget that the Secretary of the Treasury views with alarm.

Further, we would like to remind the solons of the words of that free-wheeling new National Commander of The American Legion, Dan Daniel, of Danville, Va., on "the issue of rational solvency":

"... A bankrupt America could not possibly stop the spread of Communism. New schools and highways can serve no useful purpose if there is not sufficient private capital to maintain them. And the finest armed forces in the world will be helpless if the economy that supports them is enfeebled."

And again, "I think we all subscribe to the rule that it is better to give than to receive. By that measure the United States is far and away the best of nations in all history. But the Government of the United States is not primarily a charitable institution, and benevolence becomes a vice when carried to the point where it is neither appreciated nor prudent. Commander Daniel was speaking of "times like these."

**Rutherford Gets 2nd Committee Appointment**

WASHINGTON, D. C. — Special) — West Texas Congressman J. T. Rutherford has just been named to a second major Committee in the United States House of Representatives.

Rutherford has been assigned to the powerful House Banking and Currency Committee, replacing his old assignment on the House District Committee.

In addition, he holds on to his position on the House Interior and Insular Affairs Committee, which is important to West Texas because it concerns public lands, irrigation and reclamation, mines and mining and national parks. Thus the Congressman from Texas' 16th Congressional District has gained the unique distinction of beginning his second term in Congress with two major committee assignments.

**FRIDAY BRIDGE CLUB**

Mrs. V. I. Pierce entertained the Friday Bridge Club last week in her home. Club high score was won by Mrs. Stephen Perner, second high by Mrs. J. W. Henderson, guest high went to Mrs. W. D. Cooper and bingo to Mrs. O. D. West.

Those attending were Mesdames Lindsey Hicks, Early Baggett, Ewart White, Bailey Post, Tom Harris, Joe Pierce, Lovella Dudley, Bill Adams, Eldred Roach and George Montgomery.

**LADIES GOLF ASSN.**

The Ladies Golf Association met last Thursday at the country club for their monthly luncheon and bridge in the afternoon.

High score went to Mrs. Wayne W. West, low to Mrs. Bill Cooper, and bingo to Mrs. Charlie Black. Others present were Mesdames C. O. Walker, Sherman Taylor, Joe Friend, Joe Pierce, Clay Adams, Hilary Phillips, John Childress, J. S. Pierce, III, Dick Hednerson, Lindsey Hicks, Batts Friend, Jack Williams, Dempster Jones, Byron Williams, V. I. Pierce, Jess Marley, Byron Stuart, Lloyd Sherill, Ashby McMullan, and Lew Fawcett of Sonora.

**School Cafeteria MENU**

- Monday, Jan. 28: Pork Sausage, Candied yams, Blackeyed peas, Lettuce with dressing, Sliced bread — milk, Banana pudding
  - Tuesday, Jan. 29: Italian spaghetti, Baked potatoes — green beans, Tomato wedges, Cornbread — sliced bread, Butter — milk, Cinnamon rolls
  - Wednesday, Jan. 30: Chicken pie, Buttered rice, Glazed carrots, Buttered spinach, Hot rolls — butter — milk, Coconut cookies
  - Thursday, Jan. 31: Chili with beans, Mixed greens, Chilled tomatoes, Buttered corn, Cornbread — sliced bread, Butter — milk, Gingerbread
  - Friday, Feb. 1: Fried fish, Tartar sauce, Macaroni and cheese, Green peas, Fruit jello, Sliced bread — milk, Brownies
- Pete W. Jacoby, Crockett county agricultural agent, will judge the fat lamb classes at the Del Rio Livestock Show, Saturday, Jan. 26, it was announced this week by Tommy Tatum, Val Verde county agent. Clinton Hodges of Sterling City, will judge the show's breeding classes. Hodges judged breeding classes at the recent Crockett County 4-H Club Show. Lem Jones of Junction will auction club animals.
- Mrs. Lloyd West and 4-month-old son, Ricky, left Ozona this week to join the husband and father who is stationed at the U. S. Marine training base at Ocean-side, Calif.

**HIGHLIGHTS AND SIDELIGHTS From State Capitol**  
By Vern Sanford  
Texas Press Association

Austin, Texas — Gov. Price Daniel has lined up an impressive array of goals for himself and fellow officials during the next two years.

His message to the Legislature detailed 25 points, He labeled four as "emergencies."

Getting top priority were (1) water conservation (he suggested doubling the proposed \$100,000,000 bond program), (2) additional highway patrolmen and other safety measures, (3) laws to facilitate right of way buying for highway and (4) a crime commission to guard against official misconduct, curb lobbying, etc.

Governor Daniel also recommended pay raises for teachers and state employes, local decisions on school segregation, increased old age pensions, abolition of dual banking - insurance operations, more money for insurance law enforcement, improved penal statutes for instance and security controls, use of state funds for advertising and upping workmen's compensation benefits.

He said he favors a \$5,000,000 prison building program, a paid adult parole system, laws to curb juvenile crime, revision of the state constitution, a continued state office building program (including an archives building), improved narcotics laws, study of the needs of the handicapped, election law changes and long-range study of the state tax structure.

Steakley sworn in — First executive appointment approved by the Senate was Austin Attorney Zollie Steakley, Gov. Daniel's choice for Secretary of State.

Steakley's swearing-in by Chief Justice John E. Hickman followed within 24 hours. It was the new streamlined oath authorized by one of last November's constitutional

amendments. Quipped Governor Daniel: "I'm glad that part about amendments do some of that 'BIB' heard — the relative session will be hundreds of bills in the hoppers. Some of significant would:

1. Transfer one per cent of permanent school fund to 000,000 to the anti-inflation fund. By Rep. Louis Marlin.
2. Create a separate Commission which would operate now permanent securities division in the State's office of the Commission. By Rep. Sanders of Dallas.
3. Empower cities to acquire cultural land they cannot rate than other property. Richard C. White of Rep. Richard C. White of Marlin.
4. Give the Railroad Commission power to regulate rates. By Rep. Jack Marlin.
5. Control interest on loans. One bill, by Rep. Dan of San Antonio, would bit interest of more than 10 cent a year. Another by Kerieth of Sherman would interts to three per cent works except in display. Gordon Forsyth of Corpus.
6. Abolish absentee voting. By Rep. B. H. Dewey, Jr. of.
7. Provide for annual congressional redistricting years if Legislature fails. By Dewey.
8. Provide a four-year governor with a two-year By Rep. Dixon W. Egan of Worth.
9. Require school board dates to run for place by election of a member by ty vote. By Rep. Ben Tyler.

For general home repairs and furniture repairs — Call gett. Phone 290.

**Suzann Dale Wins Homemaker Award in OHS; To State Contest**

The Betty Crocker Homemaker of Tomorrow in Ozona High School is Suzann Dale.

She received the highest score in a written examination on home-making knowledge and attitudes, administered Dec. 4, to senior girls in the graduating class. Her examination paper will be entered in competition to name this state's candidate for the title of All-American Homemaker of Tomorrow and will also be considered for the runnerup award in the state. For her achievement, she will receive an award pin designed by Trifari of New York.

The national winner in the third annual Search conducted among 300,526 young women in 11,636 of the nation's public, private and parochial high schools will be named May 2 at the American Table banquet in the Waldorf-Astoria Hotel, New York City.

Each state Betty Crocker Home-

maker of Tomorrow will receive a \$1,500 scholarship and an educational trip with her school advisor to Washington, D. C., colonial Williamsburg, Va., and New York City. A \$500 scholarship will be awarded the runnerup girls in each state. The school of the state winner will receive a set of the Encyclopedia Britannica.

The scholarship of the young woman named All-American Homemaker of Tomorrow will be increased to \$5,000. This year for the first time girls who rank second, third and fourth in the national finals will receive \$4,000, \$3,000 and \$2,000 scholarships, respectively.

Mr. and Mrs. James Isbell had as week-end guests Mrs. Isbell's brother and family. Mr. and Mrs. Giles Lockhart and children, Tony, Vicky, Retta and Regina, from Austin. They also visited G. H. Lockhart, Sr., of Rising Star, father of Mrs. Isbell and Mr. Lockhart, who is recuperating from recent surgery in the Crockett County Hospital.

**Former Ozonan Sets Mighty Pace With A-I In Lone Star Loop**

Don McDonald, son of former Ozonans Mr. and Mrs. Bryan E. McDonald of Canyon and a former Junior College All American basketball player from San Angelo College, continues to lead the basketball scoring race at Texas A&I College, at Kingsville, according to a story from Kingsville in Tuesday's San Angelo Times.

The 5-9 guard from Canyon has chalked up 255 points in 15 games for a 17-point average.

His Lone Star Conference average is a bit better at 19.4—97 points in five contests. He pelted the Howard Payne nets for 29 points, hit 10 against Stephen F. Austin, 6 against East Texas State 28 in the Sul Ross battle, and recently collected 24 against powerhouse Southwest Texas State.

McDonald is currently ranked fifth among leading scorers in the Lone Star loop. His season high was a 30-point job against

non-conference foe St. Mary's University. Seven times this season Don has hit over the 20-point mark and only failed to reach double figures on three occasions.

His award with the SAC Rams came after the 1955 season when he received honorable mention on the National Junior College Athletic Assn. cage squad.

McDonald was a unanimous selection on the All-Pioneer Conference squad the same year and was the loop's leading scorer for the season. That year he crammed in 552 points in 27 games.

The A&I Javelinas visit San Marcos Jan. 26 in their next loop contest against Southwest Texas State.

# THE LION'S ROAR

PUBLISHED BY STUDENTS OF THE JOURNALISM DEPARTMENT—OZONA HIGH SCHOOL

## EDITORIAL! ARE YOU GUILTY

One of the most exciting events of your school year came to a close last Saturday night! Everyone, from the seniors to Coach Peltó was dead tired, but very happy over such a gala event!

All of the boys, whether they were on the Freshman team, or the starting five, have worked for weeks getting in shape for this tournament and season. Now, the tournament is over and I think our team made an excellent showing, not only for our school, but for themselves. But the important thing is, we still have the rest of the season left — our district games!

As you watch the boys from now on, stop for a minute and think of all the hours of practice they have put out before playing that game. Remember that they are doing their very best out on that court, just as the referees are doing their very best to call the game as they see it. Show both of them the respect that they deserve and if you don't agree with something that is called, remember this: by shouting "BOO" you can only hurt your team! Are you guilty?

### THE MAN'S WORLD

(from a woman's viewpoint)

Our men really out did themselves this past week — that tournament was certainly a big success. Of course, we women did add a little spice, maybe. But we must admit, it was the men that really shone.

Our team was out standing in their new warm-up jackets with name plates.

Grandfalls was impressive with their friendly personalities and we assume that Big Lake must have had the best athletic ability, they did win the tournament. As far as a team that is outstanding in looks, I really can't say. But there were a few individuals I remember. Number 23 from Rocksprings,

number 3 from McCamey, and number 30 from Iraan — Just to name a few, not counting our own boys, of course!

Which reminds me, we girls really swelled with pride when Bobby and Stanley made those pretty long shots as well as Jake Young, on all tournament team.

Then we want to say a big thank you to coach Peltó for doing such a fine job in directing the tourney. All that excitement, those boys, and what games!!

Yes, I'd say from a woman's viewpoint, our men deserve orchids for a delightful week-end.

### OPERATION TOURNAMENT!!!

Last week-end many boys were in Ozona to participate in our annual basketball tournament. Let's see what some of those teams thought of it.

Eldorado had no particular comment to make except that the people here are the best. The Junction team said that our tournament was "good". They all enjoyed it very much.

The Grandfalls boys reported that they liked our hospitality best. Everyone was very friendly. They also said that our tournament was more enjoyable than the one in Big Lake. They couldn't think of any improvements we could make.

Eden commented on our good hospitality and friendly people. They look forward to the Ozona tournament each year. All the surrounding towns seem to enjoy sports events in Ozona very much.

Fort Stockton complimented our excellent gym. "We enjoyed playing in it," said one boy.

The boys from Consolation winner Abilene Christian High School had one complaint — they didn't meet many girls. They did enjoy all the good food, though.

The Iraan boys thought that it was excellent and better than Big Lake's tourney. (Perhaps it's because we don't have AAA and AAA school.) To show you how boys differ, one boy from Sonora said, "It's the best," and another

said, "It's good." Merard reported a wonderful time. They had much more fun than last year, which shows that our tournament is improving.

The Menard team compliments our friendly people, also.

The coaches and officials and the photographer from The San Angelo Standard Times thought that our tournament was excellent and they especially enjoyed our hospitality, showed to them by everyone, and best of all — Mrs. Hull's cooking.

### A NEW YEAR

Not only does January mark the beginning of a new year, it marks the ending and the beginning of a new school semester!

Last week, on Tuesday and Wednesday we took our final exams or the first four and a half months of school. This week on Wednesday we received our grades! I won't go to great length to describe the moanings and groanings that were heard, they were rather bad though!

Even if your grades were bad though, you can't change them now! But, beginning this week we have a new semester starting, and each one of us in Ozona High School will have exactly the same amount of time until school is out next May!

So start studying now, you'll not only save yourself from having to "cram" but from a huge amount of moaning and groaning!

### SPRING ACTIVITIES

January 10th and 11th the annual Junior play was held. It was a sensational hit! Everyone that saw it enjoyed it!

Next on the agenda will be the one-act play, for contest. The try-outs for it are being held this week. The play is "Seeds of Suspicion" a cutting from Dorothy L. Sayers "Suspicion."

Mr. Leath has announced that the Senior play has been ordered. It is "The Vampire Bat" a humorous, mystery story. He plans to

start work on it around the first of February.

Everyone will be looking forward to these future plays, and we hope they're half as good as the Junior's "The Little Dog Laughed!!!!"

Teacher Prayer:  
Onward, move onward  
Oh, time in thy flight.  
Please make the bell ring  
Before they recite.

Senior girls have glamour.  
Junior girls have bait.  
Sophomore girls have well-known lines.  
But Freshmen girls have dates.

Teachers favorite song is "Why don't you believe me?"

Experience is what you have left after everything else is gone.

A teacher wrote on the blackboard, in fourth grade grammar class, "I didn't have no fun last week."

Then she asked, "How should I correct that?" Little Paul said, "Get yourself a fellow."

If she looks old — she is young.  
If she looks young — she is old.  
If she looks back — follow!!!

Theme song of a dentist "The Yanks are Coming."

### SONG DEDICATIONS

"Young Love" — Jimmy to Nellie  
"Teen-age Prayer" — students who want to pass.

"Out of Sight, Out of Mind" — Buddy from Pat.

"Love Me" — Rod Jo to Mary Jo  
"Don't Cry on my Shoulder" — Mr. Harlan to several Seniors.

"Love Me Tender" — Elvis to Darla and Pat.

"There You Go" — to Johnny B.  
"Don't Be Cruel" — from Howard to "Mista" Moody.

Brenda D. to a certain Senior — Love is Just Around the Corner.  
Don P. to Diane — Genuine Love

### THANKS FROM THE SENIORS

We, the Seniors of O.H.S. would like to express our utmost appreciation to all of you nice people who contributed to our funds by buying our concessions.

Also, our heartfelt thanks goes out to the many, many people with generous hearts who so graciously donated things such as cakes, candies, etc.

The world would be a pleasant place in which to live if all the folks were just like you!!!!

The excitement of the tournament is over, but to us the seniors, it will always have a special place in our hearts as OUR "last tournament."

### The News Reel

A re-run of "The Ozona Story" as gleaned from the files of The Ozona Stockman

From The Stockman, Jan. 26, 1928

Two members of one of the West Texas Utilities Co. construction crew were found suffering from smallpox early in the week and were removed to an emergency "pest house" on top of the hill at the edge of town. The patients were roomed at the Hotel Ozona and the room and the hall which they occupied were immediately quarantined until they could be fumigated.

Sixteen decayed mulberry trees in the city park are being removed this week in preparation for replacing them with new trees, it was announced by J. M. Baggett, County Commissioner, in charge of park beautification. Four of the new trees will be tall evergreen cedars. Chinese elms are being considered for the other spots but decision is being held pending study.

Mrs. J. Bert Kincaid was re-elected president of the Ozona Cemetery Assn., at the annual meeting of the organization Thursday. Mrs. E. B. Baggett, who has served as secretary-treasurer for the past year, was re-elected to that post.

Dr. and Mrs. G. L. Coates leave about Feb. 1 for their home in Pittsburg, Cal. Coates has sold out his practice to Dr. Rosenburg.

Sheriff W. H. August announced for reelection that office. Opposing him is Willis Crockett county seer, has announced as a date.

Mrs. J. Bert Kincaid was re-elected president of the Ozona Cemetery Assn., at the annual meeting of the organization Thursday. Mrs. E. B. Baggett, who has served as secretary-treasurer for the past year, was re-elected to that post.

E. B. Lumpkin and John Pettit

# RANCH RECORD

Are More Important  
Today Than Ever.

Government regulations and heavy tax programs are destined to be a part of the American way of doing business for a long time. For that reason, it is more important today than ever that every business keep accurate records of its operations.

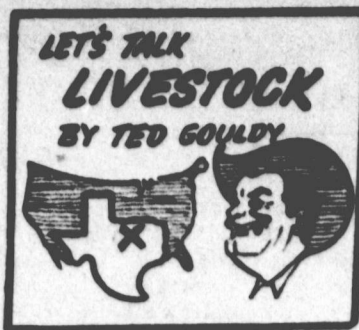

The ranch business is no exception. With the stiff federal taxes, you will want to take advantage of every saving item in your expense account and at the same time have clear and convincing records available for inspection by tax agents to prove up any item on your income tax return.

Start now to keep a complete record covering all operations in your business with the Stockman's RANCH RECORD BOOK. Your cancelled checks or your present records can be transcribed to this handy record book, together with your income and inventory records, and you can have your entire record in a simplified form contained in one volume.

Easy To Keep - Complete Record - In 1 Volume

## THE STOCKMAN RANCH RECORD BOOK

**Lambs Sell Stronger**

Fort Worth — Packers completely dominated the trade at Fort Worth Monday as a relatively short supply of 3,500 lambs arrived. Virtually no sheep appeared in the run. Most of the offering was good and choice fed lambs and sold from \$16 to \$18.50. Woolled lambs and lambs with No. 1 and Fall shorn pelts, shared the top figure. No. 2 skins sold from \$17.50 down. No. 3 and shorter skins sold from \$16.50 down. A few feeders sold at \$17.50 down, but packers took nearly everything including choice feeders to kill at higher prices than feeder buyers could afford. A few old ewes sold from \$6 to \$7. Yearlings are quotable \$16 down and aged wethers are quotable \$12 down.

**Fed Cattle Weak Stockers Strong**

Fed steers and yearlings and heavyweight fed calves cashed at steady to 50 cents lower prices at Fort Worth Monday, and light and medium weight calves were steady. Cows and bulls were active and fully steady to strong. Stocker and feeder cattle and calves sold from fully steady to stronger, some fed steers and stocker yearlings 25 to 50 cents up.

Good and choice slaughter steers and yearlings cashed at \$16 to \$20.50. Other good and choice steer and yearlings cashed at \$20 down, and some heavyweight fed heifers topped at \$19. Lower grade cattle sold from \$12 to \$15.

Fat cows cashed at \$11.50 to \$13.50 and canners and cutters drew \$8 to \$11.50. Bulls cashed at \$10 to \$15.

Good and choice slaughter calves drew \$16 to \$18.50, and lower grades cashed at \$10 to \$15. Good and choice stocker steer calves sold from \$16.50 to \$19, and load lots were quotable to \$20. Steer yearlings in small lots sold from \$18 down. Heifer calves sold from \$17 down, and heifer yearlings sold from \$15.00 down. Feeder steers sold from \$16 to \$17.50, two loads of 802-pound feeders at \$17.50. A few replacement cows were reported from \$8 to \$12.

**Livestock Sales Tax Aimed At All**

Latest word received in Fort Worth, from extremely well informed sources who were in Austin for the meeting of the Livestock Sanitary Commission of Texas, report that a plan is under way to apply the livestock transactions tax at all points where livestock is sold.

This would broaden the base to include range and country sales, as well as direct sales to slaughterers. Previously it had been reported that a check-off of five cents per head on cattle, three cents on swine, and one cent per head on sheep and goats sold through terminal markets or auctions, would be levied. These funds to be used to help finance operations of the Livestock Sanitary Commission of Texas in its animal and poultry health program.

The new law, as projected by Chairman Frank Scofield of Austin, of the commission, would also include licenses and service fees and a 10 cents per ton tax on all feed sold in the state. It was reported at Fort Worth this week that the feed tax proposal had met with such a solid wall of resistance at hearing last week, that it now appears unlikely that it will be included in the bill.

The new feed tax would have endangered passage of the newly

drafted feed control bill, hence, it met practically unanimous opposition from the public.

"You can't fool all the people all the time — some of them are fooling you!" — Maurice Seitter.

**Notice to Parents of School Age Children:**

The school census for Crockett County is now being taken. All children who are six years old on or before September 1, 1957, but will not be 18 on or before that same date should be counted in this census. It is important that all children six to 18 years be counted in the census. The census should be counted even though he may not be in school and even though he may be married.

If you, as a parent, have not received and filled out a school census on or before January 31 you are being overlooked and should contact the following school principals:

- P. O. Hatley, High School, Phone 192
- Roy Killingsworth Junior High School, Phone 108
- Frank Janes, North Elementary, Phone 101W
- Earnest M. Boyd, South Elementary, Phone 251

Remember, if your child will be six years old next Sept. 1st he should be counted in the census now, even though he is not in school now. If he is six or older on next Sept. 1st he should be counted now. All children six to 18 should be counted. The six year olds who start next Sept. are the ones most often overlooked in the census. Failure to count them costs the school and the taxpayers extra money. Please help us not to overlook anyone!

Please read the census blank carefully, fill it out completely, and return it by your child next day to the teacher. Thank you.

form, unless prevented by pre-existing boundary lines. Article 1530 of the Texas Civil Statutes, he said, states that the Legislature shall have the power to create counties for the convenience of the people.

Reynolds declared that the group has the "definite assurance" of Louis Anderson, 102nd District State Representative, that the bill will be introduced promptly.

Reynolds was quoted as saying that Iraan area residents have "listened to the verbal promises of their county functionaries for the past quarter of a century but that the situation remains intolerable and the group involved in this effort has promised to go before every legislature in the future with the same proposition in the event it fails in this instance."

**Big Lake Downs —**

(Continued from page one)

mas win over the Lions, but they were unable to cope with the fine rebounding of Rod Franklin, and Jake Young and the fine performance of Bobby Sutton.

Menard was the biggest crowd pleaser in the tourney as they gave a wide open exhibition of shooting in beating Iraan 62 to 57 in a spine tingler before being dropped in another breath taker 67 to 66 by McCamey.

McCamey figured in a number of close contests, having to go all out to down Sonora as George Johnson scored 41 points to lead the Broncos.

Chosen on the all-tourney team were: Rance Baker of Grandfalls, Howard Johnson and Tommy Rees of Big Lake, Roland Pollard of AC C, Jake Young, Ozona, Max Burnett of Mason, Myrtle Wild, of Wall, Billy Ritchie of McCamey, Lindy Lyles of Iraan, and Franklin Duncan of Fort Stockton.

Attendance at the tourney held up well and compared very closely with attendance figures for the past four years. The crowd at the Saturday night session may have been the largest in several years.

**\$500 In P.T.A. Funds Allotted To Projects For School Betterment**

At a business meeting preceding the program at the January meeting of the Ozona P. T. A. Monday night in the North Elementary Auditorium, \$500 of PTA funds were made available for four projects adopted this year.

A public address system for the North Elementary auditorium was provided for in an appropriation of \$300. One hundred dollars was appropriated for pictures for the homemaking cottage, \$25 for stage equipment for the high school auditorium and \$75 for flood lights for the North Elementary. The projects committee was composed of C. O. Walker, chairman, Roy Killingsworth, Mrs. Modene Whitaker and Mrs. Jimmie Jacoby.

The program, by members of the Girl Scouts and Brownie troops, was directed by Mrs. Bud Coates, Miss Sandra Augustine, Mrs. Jerry Hays, Mrs. Gene Lilly and Mrs. Wayne E. West.

The second grade Brownie described what each girl promises as a code of conduct. The third grade Brownies gave the salute to the flag and the fourth grade Brownies sang four songs, with Mrs. H. B. Tandy accompanying. The fifth grade Girl Scout troop presented a square dance and the sixth grade troop told of the requirements necessary to earn the various Scout badges.

At the conclusion of the program by the Scouts, the crowd of over 200 saw a movie entitled, "Leading Lady." Refreshments were served at the conclusion of activities.

NEW SHIPMENT of Tropical Fish just received by Aquarium Pet Shop, Mills Tandy, Phone 67.

**Students Participate In Panel Discussion Of Ozona Youth Needs**  
A group of four high school students formed a panel for a youth-adult discussion of the attitudes, needs and desires of the youth of Ozona as a part of the Methodist Women's Society of Christian Service study on Youth In A Responsible Society.

The four students participating were Becky Davidson, Alice Young, Mark White and Jerry Jacobs. The youth panel discussed routines of school activities and the need for a youth center some gathering place for recreation, study and fellowship. Mrs. H. B. Tandy was the study leader and introduced the discussion. Attending were Mesdames Bailey Post, Herbert Kunkel, Ewart White, Leroy Russell, F. L. Henderson, Charles Williams, Sr., S. M. Harvick, J. A. Fussell, J. S. Pierce, III, Dempster Jones, Arthur Kyle, Victor Pierce, W. E. Lott, W. M. Richardson, Bill Cooper, F. M. Cooper, Joe Pierce, H. B. Tandy, V. V. McAlister and Coy Whisenant.

**Missions And Forts of Early Texas Discussed**

"Texas Missions and Frontier Forts" was the program topic for the Ozona Woman's Club which met Tuesday evening in the home of Mrs. S. M. Harvick, with Mrs. J. A. Fussell as assisting hostess. Mrs. L. B. Cox, Jr., president, opened the program with the quotation, "Other states were carved and born, Texas grew from hide and horn." Mrs. Taylor Word gave the invocation.

The Early Missions of Texas, a talk illustrated with colored slides, was given by Mrs. Hubert Baker. The Frontier Forts of Texas, interesting facts about them plus colored slides, was given by Mrs. Hortense Davenport.

A melody of Texas songs was sung by James W. Ferguson, who played his own guitar accompaniment. The meeting group singing of "The Range."
