## Big Lake Men Charged In Theft From Oil Fields

### Electric Wire Stolen Powell, Batteries Farmer Field

Officer Billy Mills of Crockett this week reported the arrest of four men, all from Big Lake, in connection with two different thefts of oil field materials in Crockett county.

One of the men, R. F. Russell Lowell Estep, both of Big Lake, is charged with the theft of estimated \$1,500 worth of electric wire from poles in the oil field in northern Crockett county.

The wires were strung to serve electric pumps at abandoned wells, but some of the wires carried electric current. One of the men was arrested at Big Lake and the other at Monahans. In the amount of \$3,500 was paid by Justice of the Peace Billigan in each case. Up to Wednesday afternoon, the men had to post the required bond.

Other men, Paul Ledlow and Turman, also of Big Lake, placed under \$1,000 bonds on charges of their growing out of alleged theft of a number of pieces from equipment in the area of the batteries were recovered, Sheriff Mills said. However, none of the electric wire had been recovered, evidence being recovered that at least a part of the wire had been sold in McCamey other places.

Charges against the four will be investigated by the grand jury which convenes in Austin.

## Man-Made Dust Storm

A man-made dust storm has been blowing all week in Ozona as men were engaged in sand blasting the rock wall of the Smith and Smith buildings, occupied by the Ozona Wool & Mfg. Co.

## Blasting Rock Buildings Creates Man-Made Dust Storm

The result will justify the temporary inconvenience to the downtown area occasioned by the blowing sand and rock dust kicked up by powerful streams of compressed air and sand thrown at the rock surface by the sanding machine. The 40-year-old buildings have been given a new look with freshly quarried rock and a coat of surfacing material is being applied to slow down wearing of the rocks in the future.

## Ozona's Good Fire Record Credit Cut To Pay For Losses

Ozona buyers of fire insurance will pay a little more in 1957 to make up losses of fire insurance companies in a couple of fire here in the two years ago.

## Former 25% Credit Is Cut To 15% Despite Low '56 Loss

Notice of a good fire record credit of 15 percent on insurance premiums, cut from 25 percent, was received this week by Fire Chief Tom Davidson from the State Fire Insurance Commission at Austin.

The reduction in good fire record credit was due to insured losses suffered in two fires, at the Nelson and Franklin homes. The fire chief said, such losses customarily spread over a three-year period by the method of receiving good fire record credits a maximum of 10 percent a year.

The cut in good fire record credit looked all the more strange when the Commission's report which credited \$35,337 paid by Ozona property owners in insurance premium in 1956 against a fire loss of only \$206.

Some News to The Stockman

## Ernie Picks Mythical Five For '57 — Sonora's Johnson And Ratliff, Menard's Yates And Lovelace And Ozona's Jerry Jacobs Form Boyd's First String All Dist. 8-A Cage Squad

This weekend in Austin the state high school boys' basketball champions in five classes are being decided and Saturday night's ball games will bring a close to the 1956-57 basketball season.

In line with the ending of the season and with the inauguration by Eldorado of a district basketball banquet much like the one held for football in Ozona, we think it is time for us to make our selections for a district 8-A all-district team.

As has been the case for several years, the Ozona Lions won the district title with a minimum of outstanding players and the consensus of opinion around the district this year was that Ozona did not have the best team on a given night. However, championships are not won in a night but are over a series of games and on that basis Ozona was clearly the champion, winning by the widest margin the district has seen in five years.

Menard, with an in and out team, finished second with three losses and swept through the second half of the district play without a loss, handing Ozona its only setback in doing so.

Sonora started strong and was a title threat until the Lions edged them in Sonora and then the Broncos collapsed, losing two of their next three games.

In basketball, the post or center man in the offensive set up is usually the team's top scorer and quite often, if judged on the basis of scoring alone, an all star team might come up with five centers which would look far better on paper than on a basketball court, where they might not be able to win a game.

We are picking our team largely as a playing unit and in doing so will pick men largely on the position they play.

The selection of guards for the first unit was easy and one on which there could be little discussion.

## Mrs. L. J. Kittle Laid To Rest After Funeral Services In Comanche

Funeral services were held in Comanche Wednesday afternoon of last week for Mrs. Larry J. Kittle, 80, a former resident of Ozona, mother of Mrs. Coralie Meinecke of Ozona and a sister of George Montgomery of this city. Mrs. Kittle died Monday night as the result of a heart attack.

Services were held from the Central Christian Church in Comanche by Dr. C. C. Klingman, an early day pastor of the Comanche church, now serving at Wylie, Texas. He was assisted by the Rev. Harold Edwards, pastor.

Mrs. Kittle, the former Jessie Lee Montgomery, was born in Comanche county, June 8, 1876, the daughter of the late Mr. and Mrs. William Montgomery, pioneers of Comanche county and residents of Crockett county for about three years, from 1907 to 1909. Mr. Montgomery owned extensive ranch holdings south of Ozona in the early day period, some of it still owned by his descendants.

Mr. and Mrs. Kittle were married Jan. 15, 1896, in Comanche. They came to Ozona in 1926 and made their home here until about 1938 when they returned to Comanche to live.

Surviving Mrs. Kittle are her husband; five children, Mrs. Lillian Silder of Comanche, Mrs. Wallace Scott of Stephenville, Mrs. Coralie Meinecke of Ozona, Mrs. W. C. Chilton of Comanche, and Herbert Kittle of Lubbock; eight grandchildren; nine great-grandchildren; four brothers, George Montgomery of Ozona, J. C. Fred and Joe Montgomery, all of Fort Stockton, and three sisters, Mrs. J. C. Mitchell of El Paso, Mrs. Chas. Schauer of Del Rio and Mrs. Carrie Funkhouser of Fort Worth. The late Clay and Beecher Montgomery of Ozona were other brothers in the family of ten children.

## Red Cross Fund Drive Is Short Of Goal Total

\$1,337 Reported Collected Toward \$1,501 Assigned

The Red Cross 1957 fund drive in Ozona got off to a flying start last Friday morning after an enthusiastic meeting of a band of 28 workers lined up by Drive Chairman Pleas Childress to conduct the March campaign.

Yesterday, workers had reported a total of \$1,337 contributed by Ozonans to that time and the drive is being continued.

The total is some \$200 short of the assigned goal for the local chapter, the drive chairman pointed out, and workers are being urged to complete their lists of solicitations in an effort to reach the goal.

The list of workers who are making the Red Cross canvass includes representatives named by most of the organized groups in the city. One of the best kick-off breakfasts ever to start a Red Cross drive was reported last Friday morning by the drive chairman.

Complete reports have not been received from all workers and it was the hope of Mr. Childress that the chapter's goal would be reached before the end of this week.

Persons who have not been contacted and who wish to make a donation to the Red Cross may do so by leaving their checks or cash at the Ozona National Bank, at the Stockman office or at the office of Mrs. W. H. Chandler, secretary and social service chairman of the chapter, in the courthouse.

## Overtime Thriller Won By Ozona B Volleyball Girls In Iraan Matches

Ozona Girls' Volleyball B team furnished the thrills in a three-game practice session in Iraan Tuesday night, the first games of the new season. Miss Geneva Knox is coach.

In the B game, an overtime thriller, the Ozona Girls emerged winners by a score of 36 to 34. Ozona was trailing 14 to 22 at the half. The game was tied at the end of the regular playing time and went into an unlimited overtime, the first team to gain a two-point lead to be the winner.

Ozona went ahead by one point and then Iraan went ahead one point and then Iraan went ahead one point on the next two serves. Ozona again tied the score on their serve and again went ahead one point on the next serve. Then an exchange of serves took place, each team serving out of bounds until Ozona's Sue Grover completed a successful serve. June Bunger is credited with the winning point when she spiked the ball over the net to leave three Iraan girls flat-footed while the ball hit the floor between them.

The Ozona A team did not fare so well, dropping a decision to the Iraan girls 30 to 14. Ozona's Junior High team likewise bit the dust at the hands of the Iraan Juniors, the court, 36 to 29.

## Wool Sales Documents Should Be Turned In Now For Incentive Pay

Ranchmen who plan to make application for incentive payments for wool and unshorn lambs sold during the 1956 marketing year should turn in all original copies of sales documents on such sales to the local A. S. C. office, Claude Russell, office manager, reminded this week.

Shorn wool, lambs and yearlings and pulled wool that was sold between April 1, 1956, through March 31, 1957, will be eligible for incentive payment. All sales account sheets relating to these sales should be turned in to the A. S. C. office as soon as possible. Ranchmen will have until April 30 to sign applications for payment.

## Cattle Population In U. S. On Decrease

Fort Worth, Texas — Cattle numbers have started down and it looks like the long-expected decrease in the cattle population of the United States is here, particularly in beef animals.

John Biggs, Vernon, Texas, president of the Texas and Southwestern Cattle Raisers Association with headquarters at Fort Worth, points out that Texas showed the largest per cent decrease of any state (9%) below 1956 except Kansas where the reduction was 11 per cent, according to the U. S. Department of Agriculture livestock inventory for Jan. 1, 1957.

This brings total cattle numbers in Texas down to 7,736,000 head. Beef cattle decreased from 7,252,000 head to 6,517,000 head and beef cows and yearlings heifers decreased from 4,410,000 to 4,186,000 head. Other southwestern range states show decreases in numbers of all cattle also. Oklahoma showed a 6% decrease; New Mexico 7%; Arizona, 1%.

## World Day of Prayer To Be Observed Friday At Methodist Church

World Day of Prayer will be observed Friday morning at 9 o'clock at the Ozona Methodist Church. The program theme this year is "Who Shall Separate Us?" Mrs. Wayne E. West will be the program leader for the service.

This is the seventy-first observance of World Day of Prayer, which began in 1887. On the first Friday in Lent, thousands of Christians in the United States and around the world will be united in a service of prayer and thanksgiving — prayer for a better world and thanksgiving for Christian unity. Services begin on Tonga Island, west of the International Date Line, where Queen Salote leads her subjects in prayer. Throughout the day observances are held in 142 countries, closing with observances on St. Lawrence Island, Alaska.

World Day of Prayer is sponsored in the United States by the United Church Women, National Council of the Churches of Christ in the United States with headquarters in New York.

## Cub Scouts Organized At Meet Friday Night

Fifty-two boys are enrolled in a new Cub Scout organization perfected at a meeting of parents and boys at the North Elementary school Friday night.

Earl G. Wisdom of McCamey, district Scout Executive, was here to assist in launching the new Cub Scout program. Clifford V. Tubbs was named Cub Master. The new Pack is sponsored by the Ozona Rotary Club.

The Dens will be limited to eight boys and many additional Den Mothers and men assistants are needed to get the large group of boys 8 through 10 years of age into regular meetings.

Named to the Pack committee were R. D. Eversole, Tom Allen, Russell Sewell, Clarence E. Johnson, Paul T. Jacobs, Fred Hagelstein, and Dillen Merritt.

Den Mothers are Mrs. Glen Erkerbrock, Mrs. R. D. Eversole, Mrs. Bud McCary, Mrs. Warren Taliaferro, Mrs. Nell Shackelford, Mrs. H. A. Weeks, Mrs. Glen Sutton, Mrs. Marcus Fenner, Mrs. Billy I. Howerton, Mrs. Albert Lawrence and Mrs. Bill Carson.

## Ozona Rotary Officers Attend District Meet

Gordon G. Aikman, president-elect, and Sonny Cleere, vice president-elect of the Ozona Rotary Club, attended the district convention of the 184th Rotary district held in Del Rio, Sunday, Monday and Tuesday.

The three-day program included the all conference luncheon at the Del Rio country club, the club service luncheon in the Roswell Hotel, with the Uvalde Club in charge, the vocational service, presented by the San Antonio Club in the First Methodist Church; community service by the San Angelo club in the First Presbyterian Church, and international service by the San Marcos Club at McFarlan's Cafe.

Other events included the governor's banquet and ball at La Macarena in Villa Acuna, across the border in Mexico, a business session in the Del Rio High School and numerous functions for the ladies. Mrs. Aikman and Mrs. Cleere accompanied their husbands.

## Big Lake Girls To Play Volleyball In Ozona Gym Tues. Night

Ozona volleyball girls will be host to the Big Lake girls here Tuesday night, March 12, in the Davidson gym, starting at 6:30 p. m.

Three games are on tap, matching the Junior High School team and the High School A and B teams.

The Ozona A team has won two practice games over the Big Lake girls so far this year.

## To Dedicate New Church With Week Of Daily Services

Former Ministers Of Church of Christ Preach Series

Ozona Church of Christ members will observe formal opening of their beautiful new \$175,000 church home next week with a week-long series of daily services starting next Sunday morning and continuing through the following Sunday, March 17.

To celebrate the occasion, a number of former ministers of the local church have agreed to come back for one day each to hold the twice daily services, 4 p. m. and 7:30 p. m.

The present minister, James W. Ferguson will kick off the series of special services Sunday morning at the regular hour of services and at the evening hour.

Monday, March 10, J. E. L. Harrison, now serving in Sonora, will be the speaker. Mr. Harrison was minister at Big Lake after leaving Ozona.

Tuesday, March 12, Clem W. Hoover, another former minister here, now at Boerne, Texas, will hold the services.

Wednesday's speaker will be L. N. Moody, who is now in Del Rio. On Thursday, March 14, Bill Brown, a popular former minister of the church, will be the speaker. Mr. Brown is now serving a church at Plainview.

Friday, March 15, Reuben Stanley, now of San Angelo, will do the preaching.

Saturday, Ed M. Steph, now in Abilene, will conduct the services. The closing services in the series, March 17, will be by Johnny Clark, a former principal in the Ozona School system, now superintendent of schools at Ackerly, Texas.

Dinner and supper will be served in the new and enlarged Grannny Miller hall, adjoining the new church, on both Sundays of the series of services. Each evening during the week, supper will be served at 5:30 p. m. at the Grannny Miller hall.

All members and friends of the church are invited to join with the congregation in these special services in celebration of the new church home opening.

## SCS Engineers Fail To Complete Flood Dam Plans

First Site Plans, Set For Completion By March 5, Delayed

Local Soil Conservation Service and county officials were without word this morning on the status of plans and specifications for the first of the Johnson Draw watershed control dams, which were scheduled to be complete and in the hands of local officials by March 5.

Soil Conservation Service engineers who are preparing the plans, announced last week that plans and specifications for three of the upper watershed dams would be complete in March, the first on March 5, the second by March 18 and the third by March 25.

As soon as the plans are received, the local administrative body, the Commissioners Court of Crockett County, will advertise for bids for construction. By letting bids separately on each of the three first dams, it was thought that final completion could be speeded on the three structures.

What has caused the delay in the Fort Worth office of the SCS, where the plans are being prepared, was not known here this morning.

Lee Childress, who underwent major surgery in a San Angelo hospital last week, is reported in serious condition this week.

THURSDAY, MARCH 7, 1937

KARL MARX'S GHOST

The Working of Karl Marx's ghost in the United States is revealed by editor Celdon of the Carroll County, Maryland, Times, in the following editorial:

"The present Federal income tax structure is exactly the same kind of tax system advocated by Karl Marx for the destruction of the middle classes and of capitalism itself.

"Marx could not have devised a more monstrous tax plan than our present program which is leading to complete destruction of all individual freedoms.

"Our American system of taxation has changed in purpose from providing revenue for the support of the government to a scheme for revolutionizing our social system.

"The tax system has gradually been adopted so that it is devised not to raise revenue but to reform society and to mold the lives and to distribute our wealth, according to the ideas of the economic and social planners.

"The top rates of the Federal individual tax is about as close as one can get to outright confiscation of property without due process of law. Ninety-one percent of income is imposed on the highest incomes and the destructive effect of progressive rates start way down in the middle income groups just as Marx visualized.

"There should be a revision of the present discriminatory and confiscatory tax rates. This would release the tax blocks and assure maximum growth of all business without government manipulation and control."

Miss Susie Schneemann and Dutch Reynolds of Pampa, both students at T. C. U. in Fort Worth were week-end guests of Miss Schneemann's parents, Mr. and Mrs. Max Schneemann.

Arts, Crafts Exhibit Features Woman's Club Fine Arts Festival

The Ozona Woman's Club held its "Fine Arts Festival, Texas Style," Tuesday night, followed by a community arts and crafts exhibit in the school cafeteria.

The program was held in the high school auditorium, preceding the arts and crafts exhibit. Mrs. Charles Williams, Sr., was program coordinator. Invocation was given by School Superintendent L. B. T. Sikes. The High School Chorus, under the direction of James Rollins, sang three numbers, "If I Love You," by Rogers; "This Is My Country" by Jacobs, and "Where in the World but in America," by Waring. Mrs. M. A. Barber played a violin solo, "You Will Never Walk Alone," by Carouse, and Mrs. P. L. Childress gave the Legend of the Bluebonnet.

Mrs. Buddy Russell's piano solo was "The Harmony Player," by Gulon. Cheryl Clayton and Barbara Bunn did a tap dance number. Miss Becky Davidson, on the flute, Jimmy Carroll and Durwood Wylie, clarinets, played two numbers, "Adagio" by Mozart, and "Sarabande and Corrente" by Corelli.

A good crowd attended the program and enjoyed a tour of the cafeteria where an elaborate array of arts and crafts had been set up under the direction of Mrs. Williams. There were exhibits of hobbies, paintings, quilts, hand carvings of wood and stone, a collection of stamps, copper work, ceramics, photography, basket weaving, rock collections, a historic nail collection, arrowheads, scenes inside Crockett county caves, hand made rugs, and many other items. The exhibit was one of the most elaborate ever arranged for the club.

Punch was served to guests by the entertainment committee.

Mrs. Scott Peters of Austin and Mr. and Mrs. Eldred Newton of St. Louis, were guests this week of Mr. and Mrs. Floyd Henderson.

Reducing Freight Rates On Drought Hay Shipments

WESTERN UNION

R WAGRE GOVT PD-WASHINGTON, DC FEB 7 636PME-1937 FEB 9 AM 11 08 WYLIE STEWART, SCRIPPS HOWARD NEWSPAPERS TOWER PETROLEUM BLDG DAL

IN REPLY YOUR TELEGRAM FEBRUARY 4, RAILROADS HAVE NOT BEEN COMPENSATED BY GOVERNMENT SUBSIDY OR DIRECT PAYMENT FOR THE FIFTY PERCENT REDUCTION THEY VOLUNTARILY MADE ON SHIPMENTS OF HAY TO DROUGHT DESIGNATED STATES. MANY REPORTS WE HAVE RECEIVED FROM THESE STATES INDICATE THESE REDUCED RAIL RATES HAVE BEEN VERY HELPFUL TO FARMERS AND RANCHERS. WE WOULD APPRECIATE IT IF YOU WOULD PUBLICIZE THIS STATEMENT. EZRA TAFT BENSON SECRETARY OF AGRICULTURE

Telegram is in reply to WIRE sent by Wylie Stewart, Scripps-Howard Newspapers

\$25,000,000 Contribution ...to Farmers and Ranchers

Within the past four years the railroads have contributed to the farmers, ranchers and dairymen, through a 50% reduction in rates on hay and other feedstuffs, 25 million dollars. Both the Congress of the United States and the Legislature of Texas, by resolution, have expressed their

thanks to the railroads for this substantial contribution. Through the years the railroads have always extended a helping hand to their neighbors in times of disaster. To us this is a basic responsibility of good Americans.

THE RAILROADS OF TEXAS

### Port Texas Towns May Solve Problem Facing Additional Storage Structures On Soil Under USDA Flood Control Program

Texas — Water-short areas are waking up to the need of adding to their supplies through the Department of Agriculture watershed projects in the Trinity and Colorado basins and in local projects under Public Law

Conservationist H. N. Smith, U. S. Soil Conservation Service, reports growing interest of municipalities in added costs to provide water storage behind retarding dams.

Smith explained that the dams are added as detention structures. Their purpose is to slow down waters and release them gradually at a rate stream can hold. Each dam must be justified on the basis of less in flood prevention. Storage for any purpose of flood prevention must vary and in keeping with

conditions for SCS help under variously new Watershed and Flood Prevention Act (Public Law 566) now total 100 million gallons — was reported. Modification has made it easier for municipalities and special purpose districts to make use of the project local water needs. New watershed protection municipalities or other organizations can build storage into a floodwater structure by paying the cost, Smith explained.

of Kaufman, in the Kaufman-Zandt Soil Conservation was the first Texas city to take advantage of the water-availability. Ozona contemplates additional storage for municipal use in one of its flood protection dams on Johnson Draw watershed. Capacity of 1834 acre was added to a floodwater retarding dam on Big Cottonwood Creek watershed in the big Up-County flood prevention pro-

334 acre feet of storage — 100 million gallons — was added at a cost to Kaufman of

said construction has been on a similar project near Ozona, Texas, to provide 355 acre feet of storage for that city in the Oak Creek watershed pro-

new watershed protection program the government can lend \$1 million for periods of as long as 50 years at a rate of about 4 percent. The loan is retired on an annual basis. There is no provision in the older Trinity and Middle Colorado prevention program.

is authorized by the new law to cooperate with local subdivisions of government in building structures up to 5000 acre feet

of floodwater detention capacity. Additional storage up to 25,000 acre feet in total capacity can be provided for municipal water supplies.

A city or water district must use its own engineer or employ one to determine water needs and suitability of the watershed and the proposed structure for a municipal

supply. The local engineer may redesign the dam to include the additional storage, or the city or water district may use SCS engineering help and reimburse the agency.

Smith explained that the objective of the locally sponsored watershed program is to give protection to land, crops and property against flood damage. Soil conservation treatment of land in the watershed is fundamental. It insures a long period of usefulness for the floodwater retarding structures by reducing sediment carried by runoff into streams and reservoirs. It also benefits the farmer

and rancher through more efficient use of land and available moisture.

### Hay Freight Rate Cut Saved Millions For Drouth Stockmen

AUSTIN, Texas — Expressions of gratitude to the railroads of the west for having helped save thousands of ranch and dairy herds have been extended by Ezra Taft Benson, secretary of agriculture, the Congress and the Texas Legislature.

Secretary Benson pointed out that the voluntary action of the railroads in reducing freight rates on hay 50 per cent was very helpful to agriculturists in the drought area.

He also pointedly denied a rumor that the railroads were being compensated by the government for the money lost as a result of the rate slash.

The resolutions adopted both by the Congress and the Texas Legislature lauded the railroads for enabling many ranchers, farmers and dairymen to maintain their livestock herds when, otherwise,

they would have been forced out of business.

The hay reduction and slashes in feed freight rates during the last four years have saved agriculturists in the drought states more than \$25,000,000 in the last four years.

HIGHLIGHTS AND SIDELIGHTS From State Capitol

By Vera Sanford Texas Press Association

Austin, Texas — Bribery charges and counter-charges have driven the insurance investigations out of Austin headlines.

It's at least temporary relief for the insurance companies... who have been hurt by loose accounting methods within their industry.

Grabbing the spotlight from the insurance firms was a naturopathic doctor and a lone member of the Texas House of Representatives.

Dr. Howard Harmon of San Antonio hurled charges of "offering to accept a bribe" against Rep. James E. Cox of Conroe.

Cox countered with a "offer-to-bribe" charge against Harmon. Dr. Harmon produced a tape recording of an alleged conversation he had had with Cox.

A Travis County grand jury investigation resulted in indictments against Cox, charging him with "consenting to accept a bribe."

Cox's attorney announced a slander suit would be filed against Dr. Harmon.

Meanwhile, a House investigating committee checked into all phases of the matter.

All in all, it was the fastest action seen around the Capitol in many years.

Senate Race — With filing deadline passed for the special U. S. Senate race, little has changed since the last such election in 1941.

Field is overflowing; rules intact.

Pool bill, which would require a run-off if the top man lacked a majority, was lying in state in the Senate. Even supporters said it looked dead.

In 1941, W. Lee O'Daniel was top man in a field of 21. This year the field is laden with almost the same number of contenders. One Republican and almost every conceivable type of Democrat are included.

McLarty Conviction Upheld — Brady Land Dealer T. J. McLarty apparently is to be the second man to go to the penitentiary for fraud in connection with the veterans land program.

McLarty's conviction was upheld in Court of Criminal Appeals. He was sentenced to four years for "falsely interpreting a written instrument" in selling a tract in a Zavala County block deal.

More Revenue Seen — Possibility of new taxes this session faded with advance reports of the comptroller's report of expected income.

Comptroller Robert S. Calvert's estimate of revenue for the next two years is expected to show \$99,000,000 more than was available this biennium.

This is \$49,000,000 more than the last official estimate of December. It is also well above the figure Governor Daniel set as necessary for present spending requirements.

Congressional Redistricting — A constitutional amendment to re-portion Texas congressional districts after the 1960 census has been approved by the House.

Present districts are based on the 1950 census. Urban areas, like Houston and Dallas, have multiplied several-fold since.

Next plan would turn the job over to a five-member board of state officials if the Legislature failed to act in 1961.

New Road Financing — Cities and counties having difficulty paying for right-of-way for state highways may get help through a 50-50 plan.

Governor Daniel said he has asked Atty. Gen. Will Wilson to draw up a bill to let the state pay half the cost of land for intermediate roads. Highway Commission also has recommended the plan.

At present cities and counties pay full cost of land for state highways; state pays construction costs.

State now buys all the land for federal interstate road system. Federal funds underwrite 90 per cent of this.

ROBT. MASSIE FURNITURE (V) San Angelo, Texas Phone 6721 ROBT. MASSIE FUNERAL CHAPEL Ambulance Service Day or Night Phone 6231 San Angelo, Texas

With Mail Pouring in From all over the United States demanding reductions in Federal expenditures, the House this week continued to take the knife to the President's record \$71.8 billion dollar budget.

Latest to undergo surgery on the House floor: Department of Interior, which saw the House members lop \$60 million dollars off its proposed budget for fiscal 1958.

Only three budget items have been voted on, and many, many more remain to come up, but the House is battling thus far a perfect 1000, having reduced requests in all three agencies. Total cut to date: \$165 million... and more to come.

The Appropriations Committee, which will go over every item in the budget line by line, holding hearings and listening to witnesses relating to every thin dime, recommended all the reductions to the House and saw its recommendations sustained. This indicated once again just how important Committee assignments are in the Congress. Each Committee has jurisdiction over certain types of legislation, and the measures ultimately sent to the Floor arrive there as a result of Committee action.

When Anything Unusual Occurs, we usually start looking for "factors" causing the deviating from the norm. After getting the heaviest mail of my experience all this year, it slowed down to a trickle one recent day without warning. I finally decided perhaps the weather had something to do with it. West Texas had just experienced a great amount of rainfall for that area, and I surmised that a nice weekend must have followed. Everyone probably felt too happy and relaxed to complain about anything to their Congressman.

A colleague from Minnesota's "north woods" area tells me he can judge Minnesota weather by his mail in the winter months. It seems when huge snowfall occurs, and farmers in his district cannot get into the fields to work, they spend their "restricted" time writing complaints to the Congressman.

No Shots Rang Out, No Bells tolled, when French Premier Guy Mollet recently came to Washington. The contrast between the treatment afforded Mollet (courteous but not lavish) and the three-ring circus in Washington when King Saud was here recently, was remarkable indeed. The President himself personally greeted Saud at the airport, a most unusual occurrence but waited for Mollet at the White House. Normally, there is a joint session when the leaders of other Nations speak to the Congress, but Mollet was given an opportunity to address only the House. Strange, indeed, when we consider that Mollet is here (among other things) to pay honor to a great Frenchman and a great friend of America — the Marquis de LaFayette.

During The Recent Senate debate of the President's Middle East proposal, the proponents of the measure spent some time lauding the measure and then, when the opposing forces started to speak, almost to a man deserted the Senate floor. When one of the opponents complained, Senator Lyndon Johnson of Texas dryly remarked: "The Majority Leader of the Senate has many problems, not the least of which is convincing Members of the United States Senate they should listen to one another make speeches."

HELP WANTED — MAN OR WOMAN — to take over route of established customers in Ozona. Weekly profits of \$50.00 or more at start possible. No car or other investment necessary. Will help you get started. Write C. R. Ruble, Dept. M-1, The J. R. Watkins Company, Memphis 29 Tennessee.

PRICE! It's Wonderful!

Manufacturer's Suggested Price— for this 2-Door SPECIAL 6-Passenger Sedan \$2595.83 (including Delivery and Handling Charges and Federal Excise Taxes)

Transportation charges, state and local taxes, if any, accessories and optional equipment, including Dynaflo transmission, radio, heater and white sidewall tires, additional.

WHEN folks began to learn that you can get a big new Buick SPECIAL today for just a few dollars more than the price of a smaller car—wow!

They've been flocking into Buick showrooms ever since! And they discovered a double surprise.

Because this new Buick is more than just a whale of a lot of automobile for the money. It's also the most completely changed Buick ever built — brand new in body, in styling, in chassis, in everything from roof to roof and bumper to bumper.

Even more — it's completely changed in performance.

You, at this wheel, boss a brand-new engine 'way up in horsepower, torque and compression ratio.

You, in this trim beauty, have the instant response of today's brilliant new Variable Pitch Dynaflo.

You, in this saucy traveler, are holding rein on the dream car of the year to drive.

And if you can afford any new car, you can afford a Buick. So — drop in today!

New Advanced Variable Pitch Dynaflo is the only Dynaflo built today. It is standard on Roadmaster, Super and Century — optional on model cars on the SPECIAL.

Big Thrills Buick See Your Authorized Buick Dealer

Brand-NEW 'Built-in Conscience' SAFETY-RINDER It buzzes when you reach the miles-per-hour you prefer for yourself! You won't want to drive without it.

Brand-NEW V6 ENGINE - More Power Highest horsepower, torque and compression ever!

Brand-NEW SUPERIOR PERFORMANCE - Instant Response - even without switching the pitch

Y, MARCH Hickman SAer A heart Ba Billie Jo... the Ozon Internation cafe for dinner. Schneema the husb and outli of the m: real E. S. ming Betty elected this West, last. reviewed th is gone thi Hickman, a o in Novem first year ved as cont g many hour informing th and spec ated in all and assiste in. She gave on bedroo educational I year Betty d in her offic executive bo She was-r ing new lea and re-est. program fo nt. The res p had to dr ership, and the entire asst was paid in pated fully i

### Hickman Named SAer At Annual Heart Banquet

Billie Jo Hays

The Ozona chapter of the International met at El cafe for the annual dinner.

Schneemann, president, and the husbands of the and outlined the quali- of the member elected real E. S. A-er of the ming Betty Hickman as elected this year.

West, last year's sweet reviewed the work that is done this year.

Hickman, age 23, pledged in November, 1956. Dur- first year with Beta Rho ed as contact chairman, g many hours on the tele- forming the members of a and special work. She ated in all sorority prom- assisted the scrapbook n. She gave an interesting a on bedrooms as her part ducational program of the

year Betty did an outstand- in her office as chairman executive board of the Girl She was responsible for ng new leaders for the and re-establishing the program for the Scout as- ant. The results were that p had to drop out for lack ership, and for the first e entire assessment of \$306 was paid in full. Again she ated fully in all activities.

She ushered at all of the plays, worked on the Red Cross Drive, served on the membership com- mittee, gave a coffee for pledges, bringing many new girls in, gave a baby party, which had one of the most original invitations of the year, and gave a well-prepared program on the value of gracious- ness.

Betty also had her first exper- ience with district work when she attended the district meeting at Brady.

She participated in the apron sale, picture coupon sale, ticket sales for the plays and helped the Scouts acquire new improvements and furnishings for the scout cab- in. She was reporter for the paper during this time.

Betty was not elected so much for her past achievements as for her work this year and the man- ner in which she upheld the tra- ditions and conduct of the E. S. A.

This year Betty, in her capacity of 2nd vice president was respon- sible for the chairmanship of the ways and means committee and to fill in for the president and the first vice-president when they could not be reached. Back in May of last year immediately after her election, Betty conceived the idea of having a talent show to raise money, and making it big enough to bring in money for the entire year. This led to the Bergman's show, "Fortunes for Fancy". Betty spent many hours to bring the Bergmans here, as general flunky during the production, acted in the show, and was chairman of the baby contest.

This was a tremendous job, and

she did it well as always, with the result that the show was very successful, and for the first time, Beta Rho had plenty of money for their projects.

Betty was hostess for the Christ- mas party, and was in charge of the March of Dimes penny throw during the basketball tournament. She has served as a vital link in the relationship of the sorority and the school system.

We salute you, Betty. May you continue to set the pace and be a shining example for your sisters as the truest type of the real E. S. A. member.

Present at the supper were Mr. and Mrs. Ernie Boyd, Mr. and Mrs. Byron Cleere, Mr. and Mrs. Roy Coates, Mr. and Mrs. Taylor Deaton, Mr. and Mrs. James Isbell, Mr. and Mrs. Hack Leath, Mr. and Mrs. J. A. Pelto, Mr. and Mrs. Sam Perner, Mr. and Mrs. Charles Ratliff, Mr. and Mrs. Max Schneemann, Mr. and Mrs. C. V. Tubbs, Mr. and Mrs. W. E. West, Mr. and Mrs. Bill Lewis, and Mr. and Mrs. Gene Foshee.

### FRIDAY BRIDGE CLUB

The Bridge Club was entertained last Friday afternoon by Mrs. E- vart White in her home. Spring flowers decorated the rooms.

High score went to Mrs. Joe Pierce, second high to Mrs. Eld- red Roach, low to Mrs. Bailey Post, high guest to Mrs. Clay Adams and cuts to Mrs. H. B. Tandy and Mrs. Stephen Perner.

Others present were Mrs. W. W. West, Mrs. Lindsey Hicks, Mrs. Lovella Dudley, Mrs. Bill Adams, Mrs. Early Baggett, Mrs. Victor Pierce, Mrs. O. D. West, Mrs. Max Schneemann and Mrs. J. W. Henderson.

# Cadillac

## Relaxing... Across America!

Behind them are the majestic mountain roadways of Southern California and the picturesque desert drive through Arizona.

And ahead lie the broad highways of Texas... the scenic roads that wind through Oklahoma and Missouri... and the great Midwestern turnpikes that lead to the Eastern Seaboard.

What's it like to spend the better part of a week in a 1957 Cadillac?

Well, first of all, there is the *restfulness* a Cadillac provides. The car is so incredibly smooth and quiet and comfortable that even the longest journey is an occasion for glorious relaxation.

And for the lucky gentleman in the driver's seat, there is the added reward of Cadillac's brilliant new performance.

In fact, the car is so nimble and eager, so responsive and alert that day's end will usually

find them well beyond their morning's destination! And then there will be the many other Cadillac virtues to enhance the pleasure of their journey...

... its vast areas of vision to give them the full panorama of America's great beauty and grandeur... its extraordinary safety and dependability to add to their contentment and peace of mind... and its remarkable operating economy to remind them how *practical* their odyssey is.

So there they are—seeing our wonderful land from the finest vantage point on the American road: *through the windshield of a 1957 Cadillac!*

Of course, you don't have to travel 3,000 miles in this newest "car of cars" to realize why its owners call it "the greatest of all Cadillacs".

The evidence is in our showroom now—and an hour at the wheel will tell you the whole story.

### JUNIOR-SENIOR BANQUET

By Genelle Childress

With the coming of Spring, come many important events to the students of O. H. S. To some, the importance is centered on six weeks exams, to others it's track meets, weight lifting, spring style shows, and one act plays, but to everyone it's the gala Junior-Senior prom!

Tradition has established this happy occasion when the Juniors honor the Seniors. Perhaps some of you wonder why and when this was started. Your editor checked into past records and found that it has been going on almost since our school started.

This celebrated night is a gesture by the part of the Juniors to show their appreciation of the Seniors. For eleven long years these two classes have worked, grieved and gone hand-in-hand together.

The Seniors, in spite of their slave-driving, air raids, and lipstick painting on Freshmen Day, and other mild trickery through the years have always played the role of protective big brothers to the Juniors.

So this is the Junior classes' way of telling the seniors and the whole school how much they love them, appreciate them, and wish them well. May this tradition stand as long as the halls of O. H. S. grace Crockett County Hills.

### BEHIND THE BANDSTAND

If you happened to be out about 10:00 last Saturday night, you probably heard the band, a group of tired but happy kids, getting home from Brady. We were happy because we brought a big trophy home with us. It was the trophy given for concert playing to the best band in Class A.

The trip was really a lot of fun. We all enjoyed hearing other bands and visiting with out-of-town friends. Spring has sprung in Brady; we had a beautiful day.

Next on our calendar is our annual spring concert April 2. Solo and ensemble contest is held in Sweetwater April 5 or 6. Band contest is the later part of April.

### GUYS AND DOLLS

Does David S. have red hair? I don't believe so but somehow he picked up the name "Red". I bet we can guess why, Dave!!

We hear Bobby V. has a sweet heart. It is Eva M. Hold on to her Bobby, she is very cute.

Do Carolyn M. and Allene Y. always go around pretending to fly airplanes. Seems they had a hard time "piloting" the blue ford home after they saw the show "Julie" Friday night. With careful instructions they made it through.

I hear rumors that Tommy S. and Linda M. sat together on the bus coming from Brady Saturday night. Wonder if there is anything to this?

Have you ever seen Gwynel scared? Well if you could have seen her Saturday, about the middle of our second piece you would know what I am talking about. We don't blame her though. She did a marvelous job along with the rest of the band. They all looked like a bunch of sheets on the line though.

Has everyone got dates to the dance? If you haven't you had better hurry and get one. Most of the girls are taken up. Everyone come because we hear it is going to be very beautiful.

A trophy case did you say? Well the band is going to need one before long if they keep winning first places. They have added a new one which they won in Brady. It is very beautiful. Congratulations band!

Oh, I'm sore. This has been heard more than once lately. We won't mention any names but we know that track must be in full swing now. Work hard boys.

Johnny C. do you have a date to the dance? Seems as if a "little birdie" told us the name of a certain girl who would really be pleased over a date with you. Better get to looking.

What's this we hear about Jerry Beasley singing lullabys? That's right. They have a new addition to the family. A girl named Karen. Bet Jerry gets real good at it. Congratulations to the Beasleys.

Joe Mc seems to have gotten home a bit late Sunday night. We hear he had car trouble coming home from Big Lake. He had a date with Mary Sue T. from Barnhart. Oh well, anything for a woman.

Bet Rodney is getting pretty lonesome. Mary Jo is in San Angelo in the hospital. We hope she is home before long. Just be patient Rod and she'll come home to you. She has a virus infection.

We heard some groans coming

from Miss Powers Monday morning. I asked her what was wrong and she said she had been cave exploring. Getting to be a regular "Coronado."

It seems as if there was a battle between one of our steady couples last week. They made up and are very happy again, right Nellie and Jim.

What, a "jam" session in the physics class? No, they are just experimenting with different sounds. Hope their experiment works.

The measles did you say? Why don't you ask Pie and Lis about that. We heard Lis had them and then a few days later someone told us Pie had them. Isn't this strange!

### SENIOR NEWS

Dallas here we come! This is all you heard from the seniors last week. Yes, they have decided to go to Dallas on their senior trip. They will leave May 9th and come back May 12th.

Even though they have made the plans for the trip they are still in the process of earning money. They have the track meet and Volleyball Tournament scheduled for March 23rd and the senior play for April 29th and 30th.

So until May the 9th REMEMBER THE SENIORS !!

### WHAT'S YOUR E. Q.?

If you took your date to the movie and she took off her shoes and couldn't get them back on, would you:

(a) Walk on ahead as if you didn't know her?  
(b) Yell "fire" and try to sneak out in the confusion?  
(c) Lend her your own shoes?

If your date fell on a crowded dance floor, would you:

(a) Fall, too, so she wouldn't look too conspicuous?  
(b) Laugh wholeheartedly and cut in on the couple next to you?  
(c) Have the orchestra play, "If I ever needed you, I need you now"

If your date wants to hold hands in the show, should you:

(a) Tell her you forgot to wash your hands after the taffy pull?  
(b) Assume that it is a game, and take hold of the girl on the other side of you, too?

### YOUTH NIGHT

Friday night, was the designated youth night at the Baptist Church for all young people of Ozona. It began with a supper at Little Mexico, sponsored by the girls' Sunday School Class. Our usual steadies were there, Genelle and Jimmy, Diane and Don, and also Mary Lou and Teeter. Ann Baggett was also home for the week-end. The food was really a treat, and we would like to thank Mr. Garcia for the wonderful supper and the special consideration he gave us.

After the supper everyone went to the fellowship hall for their practice, directed by Norman Lewis. To church services we provided the special music, and Lis Pearson sang a solo.

As the old saying goes, "The best to the last" — the last was several hilarious performances by Norman Lewis. All of this special fun took place at the fellowship hall after church. We were again served, this time it was hot dogs and all the trimmings. If you missed out on all the fun, we missed you and we know you missed "a grand youth night."

**YARD DIRT** — for sale. Good black soil. Call Ivy Mayfield, Phone 825-W or 116. 43-4fc

### LE MENE

By Jim Burton

As the Junior-Senior approaches, people wonder what we, the Juniors, serve. The Seniors wonder why, because they have to pay for it! This is a general opinion. The Juniors are confident that it will be iced tea.

**Chef's Special**  
Lettuce and Tomato  
Butter Cakes  
Pheasant or Quail  
Fresh Green Beans  
Asparagus in Cheese  
The Seniors, however, experience of last year as a reminder, and the Juniors, say it has to be Sea Water.  
Tumble weed salad  
Cornbread Margarita  
Whipped Cream (shaving lather)  
Horse Meat or Dog

Pine cones  
Well wait until the Juniors find out what it will be but a word of warning — Juniors intend to pay for the quiet by selling bi-carbonated soda.

## Announcing Big M Dream Car Contest

# 90 FREE MERCURYS

### A TURNPIKE CRUISER EVERY WEEK

The top of The Big M Dream-Car Fleet

The most dramatic expression of Mercury's Dream-Car Design! Distinctive styling shared with no other car, and no other Mercury model. Floating Ride with unique Air-Cushion Suspension. 290-hp V-8. ### Lions Roar

(Continued From Page Six) CAN YOU TOP THESE?

Don Lott: "You must have had a terrible accident last night. The front of your car is all smashed in. What did you hit?"

Yvonne: "Last night I was driving and hit a cow."

Don: "A Jersey Cow?"

Yvonne: "I don't know - I didn't see her license plate."

The phone rang about 2 a. m. and Coach Polto answered it. "Hello," he said.

The Voice: "Is this number eleven eleven?"

Coach: "No, this is number one one one."

The Voice: "Oh - I am sorry to have bothered you!"

Coach: "It's quite all right. I had to get up to answer the phone anyhow."

You can always tell the English. You can always tell the Dutch. You can always tell the Yankees. But you cannot tell them much!

Dunwood was speeding along a highway at eighty miles an hour when he was stopped by a patrolman. "Was I driving too fast?" he asked apologetically.

"Oh, no," replied the officer, "you were flying too low."

Carolyn: "Who is that guy with the long hair?"

Jerry: "He's the sophomore from Yale."

Carolyn: "Oh, I've often heard of those Yale locks."

Juniors at the banquet: "We've got thousands of things to eat."

Seniors: "Gee - What."

Juniors: "Pork n beans!"

Francis: "I don't see how football players ever get clean!"

Molly Sue: "Silly, what do you suppose the scrub teams are for?"

Camille: "Did Wanda inherit her beauty?"

June: "Yes, her uncle left her a drug store."

Bellboy: "Telegram for Mr. Portocopondolous! Mr. Portocopondolous!"

Mr. Portocopondolous: "Boy! what initial, please?"

### WORD QUIZ

By Alleane Young

What would you do if someone gave you a grebke atina.

1. Rodney F. - Not a bit of telling what I'd do.

2. June B. - Give it to George and maybe he could use it on his flat top.

3. Jerry J. - Take it because I take anything anybody gives me.

4. Wanda A. - I guess tell 'em thank you.

5. Molly Sue R. - Ask Mr. Rollins what to do with it.

6. Roy Nell K. - I'd give it to Mr. Rollins.

7. Gearl Dean L. - Try to figure out what it was, I guess.

8. Bobby S. - Put it in a box and send it to Russia.

Mr. Leath - I'd eat it!

Tooter M. - I'd take it home with me!!!

Alma I. - tell them sweetly that they could have it back.

It is Anita Ekberg spelled backwards.

FURNISHED Apartments For Rent. Phone 287 or 376-W. tfe

### LADIES GOLF ASSN.

Regular weekly play of golf and bridge was enjoyed last Thursday at the country club by the Ladies Golf Association. Mrs. Lindsey Hicks was hostess at bridge.

Blind bogey in golf went to Mrs. Dempster Jones, low putts to Mrs. Victor Pierce. High score in bridge was won by Mrs. C. O. Walker and cut by Mrs. Byron Stuart.

Others present were Mrs. James Scott, Mrs. Jesse Marley, Mrs. Joe Pierce, Mrs. Hillery Phillips, Mrs. Charlie Black, Mrs. Clay Adams, Mrs. Larry Albers, Mrs. J. S. Pierce, III, Mrs. W. E. Friend, Jr., Mrs. Sherman Taylor, Mrs. N. D. Blackstone, Mrs. Lindsey Hicks and a guest, Mrs. Hugh Childress, Jr.

BABY SHOES & Boots Bronzed. Prices from \$3.00. J. W. Johnigan, Phone 281. 44-4tc

### Cattle Trade Opens Slowly

FORT WORTH - Cattle trade opened at Fort Worth this week to weaker bids from most interests in view of somewhat larger supplies. However, only a few sales were definitely weaker in view of moderate supplies and stronger prices at Northern points.

Since the recent rains in much of the territory most cattle and calf prices had moved up sharply to position in many cases higher grade than at Northern points, and the trade Monday featured efforts of major buyers to try and work the list back into

focus with other parts of the country.

Cattle were again active and fully steady. Comparative prices: Good and choice slaughter steers and yearlings \$17 to \$21. Common and medium offerings sold from \$12 to \$17. Fat cows drew \$10 to \$13.50, and canners and cutters cashed at \$8 to \$12.50. Bulls sold from \$10 to \$14.50. Good and choice slaughter calves cleared at \$17 to \$20, and common and medium sorts sold at \$14 to \$16.50. Culls cashed at \$10 to \$13. Good and choice stocker steer calves brought \$18 to \$21, and good and choice stocker steer yearlings sold at \$17 to \$19.50. Replacement cows drew \$9.00 to \$14.00. Sheep Run Biggest In Over A Month

The near 4,500 sheep and lambs that arrived at Fort Worth Monday represented the largest offerings since January there. Trade opened slowly, as packer interests sought lower prices following the recent sharp advances. However, strong demand was uncovered in the feeder buyer and shipper out-

lets and the trade soon developed steady on slaughter classes and strong to 50 cents higher on feeders. Both feeder and fat lambs topped at \$20 and \$20.50, the latter the highest of the season on feeder lambs. Older sheep were very scarce, fully steady.

Good and choice slaughter lambs in the wool sold from \$19.50 to \$20.50 down; Fall shorn and No. 1 pelts sold from \$15 down; No. 2 skin lambs \$18.50 down; No. 3 skins \$18.25 down; and recently shorns \$17 down. Cull to medium killers \$12 to \$17.

Stocker and feeder lambs \$17 to \$20.50, choice shearing lambs at \$20.50, and most offerings from \$20 down. Slaughter ewes drew \$8 to \$8.50. Old wethers \$12 down. Yearlings \$16.00 down. Aged bucks \$6 down.

### The News Reel

A re-run of "The Ozona Story" as gleaned from the files of The Ozona Stockman

From The Stockman, March 8, 1928

A new water reservoir with a capacity of approximately a half million gallons of water is to be constructed by the Ozona Water Works on the north of its present plant. It was announced this week by Miss Dixie Davidson, manager of the concern.

W. A. Adams, who recently sold out his ranch northwest of Ozona to Pleas Childress, has purchased a 17-Section in Pecos county out of the tract recently purchased by four Crockett county ranchmen from the Scharbrauer Cattle Co. of Midland at \$5 an acre. The property is located about twelve miles south of Fort Stockton.

Seven automobiles sold and delivered in one day is still another new record set by local dealers. Joe North hung up such a record for other dealers to shoot at Friday of last week when an epidemic of Chevrolet purchasing broke out. From the time he came down to the shop Friday morning until he went home at night, he had disposed of six 1928 model Chevrolets and one used car.

Mrs. Susie Word, a resident of Ozona three years and of Texas a quarter of a century, died at her home here at 4 o'clock Saturday afternoon as the result of an illness lasting less than a week. Surviving are four sons, Taylor, Howard and Dewey Word, all of Ozona, and Bob Word of Patricia, and three daughters, Mrs. Roy Thompson of Ballinger, Mrs. Cora Leatherwood and Mrs. Alice De-moivre, both of San Angelo.

Ozona juniors won first place and Ozona senior division third place in the invitational track meet at Sonora Saturday. Woodrow Wilson was high man in the junior division with 17 1/2 of the total 26 points won by the Ozona team.

The class play of the 1928 Senior class of Ozona High School will be staged at the Ozona Theatre Friday evening of this week. The title of the play is "Oh Kay", a mystery drama. The cast is composed of Clara Patrick, Velma Richardson, Johnnie Cross, Pauline Perner, Eleanor Ingham, Ethel Bennett, Mildred Davis, Arthur Kyle, Cam Longley, Mary Childress and Kathryn Baggett.

Mr. and Mrs. J. W. North, Mrs. A. A. Perry, Jr., Mrs. W. W. West, Carl and Hilton North left Thursday morning for Temple to be at the bedside of their father, J. J. North, who is reported critically ill in a Temple hospital.

Mr. and Mrs. Albert Bailey and J. R. Kersey will leave this week to attend the Fat Stock Show in Fort Worth.

Adv. — Believing always that the people of Ozona and Crockett county want only the best that money can buy, we have just accepted the agency in this county for the famous Atwater-Kent radios. There are many distinctions claimed by the Atwater-Kent Radio. Not the least of these is the fact that it requires no troublesome batteries. Just plug it into a light circuit and twirl the dials. The Ozona Garage.

FOR SALE — Two bedroom house, 4 years old. Contact Armond Hoover, Jr., or call 3207.

### CROCKETT SCD NEWS — Some Grass On Ground Worth More Than All In Ewes, In Long Run

By Dick Ketchum, SCS

The recent rain that Crockett County received has been described as the best we have received in years because the rain fell slow and the evaporation rate is low during this season of the year. All of our rains could be as effective if the pastures have sufficient cover and litter on the ground to slow and capture the raindrops. Since we are unable to control our rainfall, we might consider ways and means to control the rain whether it falls fast or slow.

The most pertinent question facing the West Texas rancher is whether to leave that last bit of cover on the ground or put it in a ewe's stomach and hope the next rain comes soon and slow. It has been found through research that two thousand pounds of cover and litter on the ground is necessary to effectively control most expected rainfall. A ton of such grass might be considered to be worth thirty to forty dollars as hay, but this ton of grass might be worth more as a sponge to slow and trap the raindrop. A range with two thousand pounds of cover and litter upon it has a production potential of five to six thousand pounds of high quality forage and bare ground has scarcely enough potential to measure. The Crockett Soil Conservation District believes that grass on the ground may be worth more, in the long run, than grass in a ewe.

### W.S.C.S. Hears Report On Albuquerque Meet

Miss Dorothy Price and Mrs. H. B. Tandy gave interesting reports on the Jurisdictional meeting they attended in Albuquerque, N. M., last week at the meeting of the Woman's Society of Christian Service Wednesday morning at the Methodist church.

The devotional was given by Mrs. Joe Pierce, on the theme, "No Greater Love."

The Society adopted a report from the Christian Social Relations committee on "Our United Nations Credo." Mrs. S. M. Harvick and Mrs. F. L. Henderson were elected as delegates to the Annual Conference meeting of the Woman's Society of Christian Service to be held in Corpus Christi, March 19-22, 1928.

The study "Paul's Letters to the Local Churches," by Francis Gerald Ensley, will be held April 3, 10, 17 and 24, and will be led by Miss Ethel Wolf. Mrs. Paul Perner missed the meeting with prayer.

Present were Mrs. H. B. Tandy, Mrs. J. A. Fussell, Mrs. Evert White, Mrs. L. B. Cox, Jr., Mrs. O. D. West, Mrs. Paul Perner, Mrs. Charles Williams, Sr., Mrs. J. W. Henderson, Mrs. B. B. Ingham, Sr., Mrs. Joe Pierce, Mrs. F. L. Henderson and Miss Dorothy Price.

The Sunshine Circle of the Society will meet next week with Mrs. Evert White.

Dick Webster, who is central office repairman for General Telephone Company of the Southwest in Ozona, is in San Angelo attending a three week Company school in Basic Toll and Carrier Fundamentals.

# Motor Vehicle License Plates Now On Sale

The new 1927 motor vehicle license plates are now on sale and may be attached upon purchase.

## Bring Your Certificate of Title and License Receipt From Last Year

Before we can register your car it will be necessary for us to have your Certificate of Title and your license receipt from last year. Be sure to bring them with you when you come to register your car or truck.

Out of state car owners are advised that it will be necessary for you to have your motor number checked by an officer of the law before you can register your car for the first time in this state.

Owners of trailers of over 4,000 pounds who have not secured a serial number must do so before the trailer can be registered. Application forms are available at the office.

Trucks over one-ton capacity that have not previously been weighed must be weighed before they can be registered.

### 3,000-Foot Wildcat Spotted In Southwest Crockett County Area

Crockett County gained location for a wildcat and an outpost. Also an extension was completed to a field.

Horace E. White of Brownwood will drill a 3,000-foot rotary wildcat in Crockett County, 50 miles southwest of Ozona. It will be the No. 1 Hoover.

Operations are to begin immediately. Elevation is 2,440 feet.

Location, on an 80-acre lease, is 330 feet from the north and west lines of 8-NN-GC&SF.

It is 1 1/2 miles south and slightly east of Perkins-Prothro Co. No. 1 W. P. Hoover, active Clearfork prospect which is testing to complete through perforations between 2,088-2,100 feet.

The Shannon (San Andres) field of Crockett County has been extended 3/4-mile northeast with completion of Armstrong & Horn No. 1-A A. C. Hoover, in 3-FF-B&B, Abst. 1895, 30 miles northeast of Ozona.

It was completed for a daily flowing potential of 80.95 barrels of 30 gravity oil, no water, with gas-oil ratio 900-1.

Production was through a 12-64-inch choke and perforations between 2,150-56 feet and 2,165-182 feet in 5 1/2-inch casing set at 2,195 feet, on total depth of 2,200 feet. Pay section was acidized with 500 gallons.

Top of pay was picked at 2,150 feet on ground elevation of 2,487 feet.

Tubing pressure was 860 pounds, casing pressure, 860 pounds.

Delhi-Taylor Oil Corp. has filed application to drill the No. 10 Texas Pacific Coal & Oil Co. Fee, 1/2-mile northeast of oil and gas production in the Noelke field, six miles east of Iran.

It will be drilled to 1,700 feet with cable tools.

Location, on a 100-acre lease, is 748.7 feet from the north and 475 feet from the west lines of 27-GG-Wilton survey.

"Let us show you!  
 YOU'VE NEVER SEEN  
 SO MUCH FORD...  
 even in our lowest-priced models!"

Let this be your year to own the finest low-priced car ever built!  
**FRANKLIN MOTORS**  
 OZONA, TEXAS

**WHATEVER YOU WANT, YOU CAN GET IN A NEW '57 FORD**

Take your pick of 2 big sizes

Ford's longer, lower cars come in two big sizes this year — over 16 feet long for Customs, over 17 feet for Fairlans. With 21 fine models to choose from — including five longer, heavier station wagons, it's easy to pick the model right for you!

**Choose your power**

You get mightier, more responsive performance no matter which new Ford engine you choose — the savingful Mileage Maker Six, most powerful six of them all, or one of Ford's dynamic V-8's with horsepower ranging all the way to 300 in the Thunderbird 312 Supercharged V-8!

**You get an all-new lower Ford**

Ford's new chair through this year... with a completely new "lower Ford" seat's heavier, stronger... with extra security in every inch. New suspension, front and rear, new insulation — the most in Ford's line — are designed to give you the smoothest, quietest ride ever in a car priced so low.

# “Will That Be Cash Or Charge, Sir?”

This is the common question nowadays. Formerly, most people paid cash for all their purchases. With the tremendous growth of credit business, bank checking accounts became necessary. Now charge accounts are as important to you as your bank checking account. Both are modern conveniences.

IF AT SOME TIME IN THE PAST, YOUR PERSONAL CREDIT HAS BEEN MARRED BY UNEXPECTED FINANCIAL REVERSES, IT CAN OFTEN BE REINSTATED. Discuss the matter frankly with those from whom you would like to receive credit service, or ask the advice of your local credit bureau.

The following businesses and professional men are members of the local credit bureau:

United Butane Co. of San Angelo  
 Frankie Jones Texaco Service  
 Ozona Butane Company
