Sonora Track In Top Pointers Meet

Terrible Weather Is Feature Of 4th Annual Meet Here

By Ernie Boyd

Records fell as fourteen competed in a cold, dusty meet in Ozona last Saturday.

led by George Johnson, who set the meet's high point in the 100 yard dash with 39.5 while Junction followed at 41.5.

Ozona Gets Duster On Fringe Of Spring Seven-State Blizzard

Ozona was pummeled by one of the most severe dust storms ever experienced here over the weekend as the fringe of a disastrous seven-state blizzard swept the middle west to bring death to at least 30 as it piled snow into huge drifts to block highways, stall trains and isolate communities and rural homes.

A steady west-northwest wind which started early Saturday morning and built into a continuing climb in intensity through Sunday night, drove area residents indoors wherever possible and sifted silt into homes and business houses. Greater volumes of drifting dust and had been experienced, but old timers called it the longest spell of unbroken intense wind they could recall.

Over Million Owners Yet To Have Vehicles Inspected By April 15

AUSTIN — Only two-thirds of the total number of vehicle owners in Texas have received their 1957 vehicle inspection stickers, Col. Homer Garrison, Jr., director of the Texas Department of Public Safety said today. He warned against the last minute rush at inspection stations at the close of the inspection period April 15.

"Of the more than four million vehicle owners in Texas only about 2,500,000 have had their cars, trucks and other vehicles inspected, leaving more than 1,000,000 to act within the remaining three weeks."

In commenting generally on the inspection program Col. Garrison said the correction of mechanical defects in vehicles operated upon our state highways plays a substantial part in preventing traffic accidents.

District Track Meet At Sonora This Week-End

Lions To End Season In Competition Of District Teams

By Ernie Boyd

Coaches Chick Womack and Sonny Cleere will carry their track team to Sonora this weekend to the district meet which will in effect end the track season in Ozona.

The Lions will be relying on Kent Babb, Bobby Vargas, Jake Young and George Bunger along with pole vaulters David Sikes and Ronnie Pauk for the points they hope to pick up this week.

In the meet held here last week Babb garnered a fourth place with only one other member of this district finishing ahead of him and with everything else being favorable might be conceded a chance at second place in the high hurdle event.

Bobby Vargas finished out in front of all district members in the high jump and might get a fourth in the 100 yard dash as well as standing a good chance in the broad jump.

While George Bunger did not place in the 180 low hurdles last week only two of the first four were district members and Bunger did make the finals in this meet. Bunger did not enter the 220 here but only two of the four winners were in this district and if it is decided that the chances are good he may enter this event.

Jake Young is showing remarkable improvement in the shot and this week got off a heave of over 40 feet which would in all likelihood be good enough for at least a second place this weekend.

Cico Cravante placed in the discus last year and despite a late start this season might do so again.

The Lions have been hampered by illness and injury all season and only the thin skeleton of a team has been available for work most of the year.

Dial System For Ozona Postponed Until March 1958

New Delay Charged To Demands On Factory For Equipment

A heavy demand for dial equipment throughout the nation has caused a delay in the shipping schedule for the central office equipment needed to convert the Ozona exchange to dial, according to Ted Maxwell, District Manager for the General Telephone Company of the Southwest.

Maxwell said that Automatic Electric Company, manufacturer of dial equipment, has notified General Telephone Company that because of this demand and the fact that equipment is custom designed for each exchange, all of Automatic Electric's shipping schedules have been altered.

Maxwell said the conversion date has been rescheduled for March 1958 and that the company is making every preliminary installation necessary for the arrival of the equipment, which is due to be shipped in October. Maxwell pointed out that the delay would give persons having subscriber-owned lines more time to rehabilitate their lines.

Red Cross Drive Here Goes Over Top On \$1,501 Quota

Ozona Red Cross chapter this week reported the 1957 Red Cross Fund Drive over the top in Ozona.

The chapter quota for this year was fixed at \$1,501. The drive was kicked off March 1, under the direction of Plegas Childress, as drive chairman.

Workers in a one-day campaign netted something over \$1,300. The campaign has been left open since that time and Chairman Childress this week reported that additional contributions since the opening had put the chapter over its goal by a small amount.

The Red Cross drive is traditionally open through the month of March and those who wish to make a contribution to the mercy organization for this year may still do so, handing a check or money to Mr. Childress, to H. W. Baker, chapter chairman, or leave it with Mrs. W. H. Chandler, chapter treasurer.

Volleyball Girls Win Two At Sonora, Lose Three To Big Lake

In two out-of-town forays during the past week, Ozona's volleyball teams, coached by Miss Geneva Knox, lost three and won two.

At Big Lake, where both the high school A and B teams and the Junior High teams saw action, Big Lake made a clean sweep of the series. The Junior High girls came closest, lost by two points, 24-22. The high school B team resulted in a Big Lake victory 24 to 18 and the A game went to the Big Lake girls 21 to 16.

The high school first and second teams went to Sonora for warm-up games before the district competition opens next week. The games were played for the best two out of three 8-minute ball-in-play-time games. The Ozona B squad won 22-9 and 39-9, while the A team won 30-7 and 41-5.

Ozona meets Eldorado early next week, the date not yet agreed. The winner in that contest will play Sonora toward the week's end. The following week, the winner of the game against Sonora will play the winner of the east half game, Junction and Menard.

Iraan Cops Title In Fourth Annual Volleyball Meet

Ozona Runner-Up Both High School And Junior Divisions

Iraan High School's sharp-shooting volleyball girls edged Ozona High School Saturday night to win the Ozona invitational volleyball tournament for the second straight year. It was a repeat performance of last year, when the Iraan team also nosed out Ozona for the title. The victory margin was only two points, 25 to 23.

London beat out Ackerly by a score of 34 to 27 to win the high school consolation title. Ackerly won the consolation title last year. Fort Stockton won the Junior High championship beating out Ozona 37 to 8 and McCamey won the Junior High consolation over Big Lake by a score of 26 to 16.

Wanda Williams of Ackerly was voted the outstanding player of the meet by coaches of teams attending. Picked for all-tournament honors were spikers Donna Crane of Iraan, Antonia Ortiz of Ozona and Alice Clayton of London. Set-ups were Gwynel Walker of Ozona, Jo Beth Chandler of Iraan and Lois Clements of Big Lake.

The complete results: High School Big Lake 62, Menard 18; Ozona 29, London 18; Eldorado 48, Junction 20; Iraan 44, Ackerly 15; London 59, Menard 21; Ackerly 52, Junction 14; Ozona 15, Big Lake 10; Iraan 38, Eldorado 17; Junction 34, Ackerly 27; Iraan 25, Ozona 23.

Junior High Eldorado 29, Iraan 19; Fort Stockton 39, Menard 7; Ozona 20, McCamey 18; Fort Stockton 32, Big Lake 18; McCamey 40, Iraan 3; Ozona 28, Eldorado 25; Big Lake 28, Menard 19; Fort Stockton 37, Ozona 8; McCamey 26, Big Lake 16.

Woman's Club Plans April Clean-ups; Oak Memorial at Hospital

Ozona Woman's Club members met Tuesday afternoon at the ranch home of Mrs. L. B. Cox, Jr., president of the organization. Mrs. John Bailey assisted Mrs. Cox as hostess.

A town-wide clean-up campaign is planned by the Club for late April, with the slogan for the drive to be "Ozona, City Beautiful." It was announced that a large liveoak tree had been planted on the hospital grounds as a memorial to past presidents of the Woman's Club. The tree was the gift of Mrs. L. B. Cox, Jr.

The day's program theme was "Texas Heritage — Pioneering." The leader, Mrs. W. R. Baggett, opened the program with a quotation from "A Cabin On the Hill," by a native Ozonian, Allan R. Bosworth. The invocation was given by Mrs. Ben Lemmons. Mrs. B. B. Ingham, Sr., gave a talk on wagon trails and round-ups of the early days and homesteading by the pioneers, Mrs. Wilse Owens, a guest, and Mrs. A. C. Hoover, each gave some glimpses of early days in Crockett county, of weddings, Fourth of July celebrations, early day schools and other topics of interest. Mrs. Hoover read a poem, "The Pioneer Woman" by Mrs. Frank Friend of San Angelo, a charter member of the club.

Mrs. P. T. Robinson talked on "Pioneer Homes". An organ and piano duet, "Home on the Range" and "Estrellita" was given by Mrs. L. B. Cox, Jr., and Mrs. V. I. Pierce.

Those present were Mrs. J. A. Fussell, Mrs. Evart White, Mrs. Ira Carson, Mrs. S. M. Harvick, Mrs. Joe Pierce, Mrs. N. W. Graham, Mrs. P. T. Robinson, Mrs. Neal Hannah, Mrs. A. C. Hoover, Mrs. V. I. Pierce, Mrs. St. phen Perner, Mrs. Bailey Post, Mrs. W. R. Baggett, Mrs. Charles Williams, Sr., Mrs. Ben Lemmons, Mrs. B. B. Ingham, Sr., Mrs. F. L. Henderson, Mrs. Eldred Roach, Mrs. Wilse Owens, Mrs. John Bailey and Mrs. L. B. Cox, Jr.

Ozona School Band In Annual Spring Concert Tues. Night

The Ozona School Band, under the direction of Corbett Smith, will give its annual Spring Concert Tuesday night, starting at 8 p. m. in the high school auditorium.

The public is cordially invited to attend and there will be no admission charge.

The Ozona band was recently awarded a trophy as the outstanding concert band in Class A competition at the Brady Band Festival. The band membership consists of 74 students from the eight grade through high school.

Tickets On Sale For Lions Club Variety Show, Set For April 8

Several dozen Ozona Little Leaguers were making the rounds yesterday selling tickets to the Ozona Lions Club annual Variety Show to be presented at the High School auditorium the evening of April 8.

The unusual show, already in rehearsal, is to present a cross-section of Ozona talent, including comedy, music, drama and anything else you might think up in the way of the unusual and unexpected.

The proceeds from the all-local talent production will go into the Lions Club Little League fund to promote the summer activities which provide a wholesome outlet for the energies of youngsters 8 to 12 years of age. The Lions Club sponsors the Little League and provides most of the funds needed to carry on the summer activity.

Tickets are being sold at \$1 each and if you buy one and can make the show you will get your dollar's worth and even if you can't make the show, the dollar still will be well spent.

Texita Spots Shallow Outpost To Shannon

Texita Oil Co. and Garson Reinier of San Antonio have filed application to drill the No. 1 Charles H. Bishop 1/2-mile north of a newly opened two-well southeast area of the Shannon (San Andres) field of Crockett County, 30 miles northwest of Ozona.

It will be drilled to 2,600 feet with rotary. Location, on a 160-acre lease, is 330 feet from the north and 2,310 feet from the east lines of 3-FF-B&B.

Three Incumbents Seek Re-Election To School Board

Terms Of Alford, Carson, Sutton Expire This Year

Three members of the board of trustees of the Crockett Consolidated Common School District whose terms expire this year will be candidates for re-election to their posts in the annual trustee election scheduled for Saturday, April 6.

The three trustees who will be up for re-election are Bill Carson, Quebe Alford and Glen Sutton. Sutton is a recent addition to the board by appointment to fill the unexpired term of Dick Henderson, resigned.

The period for voluntary filing for a place on the trustee ballot expired Wednesday of this week but to within five days of the election, a candidate's name may be placed on the ballot by petition, filed with the county judge.

In the same election, two members of the Board of County School Trustees will be elected. Members of this board, which functions only as custodians of school property and required by law, whose terms expire are Wayne W. West, trustee at large, and Hillery Phillips, Precinct No. 1 trustee. Names of both will appear on the ballot for re-election.

Light Vote Here Predicted Tues. For U. S. Senator

Only Two Absentee Ballots Cast For Special Election

With poll tax payments way down in this off-election year and generally apparent lack of interest, Crockett county is expected to poll a very light vote in the special election next Tuesday to select a United States Senator to fill out the unexpired term of now Governor Price Daniel.

Only two absentee votes had been cast to this morning in the office of County Clerk Leta Powell.

Names of 23 candidates for the office will appear on the ballot for local voters. Since the ballots were printed one or two of the candidates have announced their withdrawal from the race but it's hardly likely that their names on or off the ballot would have made much difference in the result.

As a matter of fact most voters probably have never heard of more than six of the long list of candidates and these six, no doubt, will divide the bulk of votes cast.

Considered the leading candidates in the race are Martin Dies, Ralph Yarborough, John C. White, James P. Hart and Searcy Bracewell, all running as Democrats, and Thad Hutcheson of Houston, on the Republican ticket. One other candidate on the ballot, H. J. Antoine, formerly of Kerrville and once a Democratic candidate for state representative from this district, professes to be a Republican in the current Senate race.

Other candidates are Elmer Adams of Dallas; Rev. M. T. Banks of Bastrop; Jacob Bergolofsky of Wichita county; John C. Burns, Harris; Dr. Frank Connolly, McLennan (one of the withdrawees); Frank G. Cortez, Bexar; J. Cal Courtney, Dallas; R. W. (Waire) Currin, Hopkins; C. O. Foerster, Jr., Hidalgo; Curtis Ford, Nueces; Ralph W. Hammond, Harris; Walter Scott McNutt, Marion; Charles W. (Jack) Hill, Tarrant; Clyde R. Omers, Dalais; J. Perrin Willis, Cherokee; and Hugh Wilson, Jefferson.

G.O.C. Area Alert To Be Held Sunday; Postponed From Last

An area-wide Ground Observe Corps alert was scheduled for last Sunday afternoon but due to the terrific storm which was raging in Texas, the exercise was cancelled and re-set for next Sunday, March 31.

From 2 to 6 p. m. next Sunday, all members of the local G. O. C. post will be on the alert and will report all types of aircraft flying in the area to the filter center in San Antonio. The exercise will seek to determine if aircraft can be tracked every minute and mile while traversing the area alerted.

T. J. Bailey, local post supervisor, has asked all members of the post to join in the exercise.

T. A. Kincaid Named Honorary Director Of Texas Cattlemen

Houston, Texas — T. A. Kincaid of Ozona, president of the Texas Sheep & Goat Raisers Association, was named an honorary director of the Texas and Southwestern Cattle Raisers Association at the 80th Annual Convention in Houston.

Also named as honorary directors were Dick Snyder, Clayton, N. M., president of the New Mexico Cattle Growers Association, and J. K. Haley, Jr., Mt. View, Okla., president of the Oklahoma Cattle Growers Association.

T&SWCRA officers re-elected to serve during the 1957-58 term are John Biggs, Vernon, president; Edgar Hodgkins, Hungerford, first vice president; Norman Moser, DeKalb, second vice president; and Charles A. Stewart, Fort Worth, secretary-general manager, all of Texas.

LONG SHADOW

There is one phase of the tax problem which deserves more attention than it has been getting. That is what excessive taxation will do to future employment and opportunity in this country.

Secretary of the Treasury Humphrey has pointed out that our labor force is growing by almost 1.5 million people a year. But, he says, if the government keeps on taking as much money out of the economy as it does now, there won't be sufficient capital available to pay for the industrial expansion needed to create jobs for all these new workers.

The tax problem isn't limited to how much we must pay this year or next. It is casting a long shadow on our children's future.

HANDWRITING ON WALL

News stories of Feb. 8, from Seattle, reported that rank-and-file members of a Teamsters Union had gone to court seeking an audit, accounting and examination of all books and records of their local union. The presiding judge ordered local officials to show cause why they should not produce them.

Under the union shop system in the United States a man cannot work over 30 days in principal basic industries without joining a union or being fired. In other words, in a "free" country he is forced to join and pay dues or starve — he has no choice.

It seems incredible that in a "free" country a labor union can force men to join or not work, and then refuse to make a public accounting of the millions it collects by compulsory dues.

Is it any wonder that demand is growing for "Right to Work" laws and that 17 states have already passed such laws which allow a man to join or not join a union as he voluntarily decides — a basic right unless freedom is a myth in our country.

Apparently "Right to Work" laws are the only way men can free themselves from the deprivations of union bosses who can manipulate compulsory dues as they see fit.

Baptist W. M. U. Has Home Mission Study

A study of Home Mission work of the Baptist church formed the program for the Woman's Missionary Union of the First Baptist Church in its meeting Tuesday morning in the fellowship hall of the church. The program was followed by a covered dish luncheon.

The study was based on "Home Missions, U. S. A.," by Courts Redford, Executive Secretary of the Home Mission Board of the Southern Baptist Convention. It outlined work of the church in 41 states of the United States and in Cuba, Alaska, and the Panama Canal Zone. A film, "The Frontier of the West" was shown. Thirty members and guests attended.

Ozona Service Man
Uses Rhymes To Lure
Army Re-Ups In Japan

Sgt. Jack Estes, son of Mr. and
Mrs. J. L. Estes of Ozona, is an
Army recruiter at Camp Whitting-
ton in Japan, and recently made
headlines in Star and Strips and
other Army publications with a
novel approach to recruiting ad-
vertising.

Adopting the Burma Shave road-
side rhyming device, Sgt. Estes
and his assistant, SP3 Bill Jones,
came up with the best recruiting
record for the First Cavalry Divi-
sion and won a letter of congratu-
lation from the Division's com-
manding officer.

An article, complete with a
three-column picture of Sgt. Estes
and one of his rhyming signs, ap-
peared in a 1st Division newspa-
per. Sgt. Estes and his No. 2 man,
Jones, were pondering the prob-
lems of recruiting, the article
said, when Jones recalled the suc-
cess of a state-side manufacturer's
jingle sign campaign and the two
men decided that such a campaign
might attract "reups" in the Army.

"Overnight the two men con-
trived enough short recruiting
rhymes to fill almost a hundred
signs," the article said. "An ex-
ample:
"There are places to go,
"And things to do—
"A great big bonus is waiting

for you.
"Re-Up Army."
The men ran into trouble get-
ting a military fund allocation for
the purpose and when Jones was
transferred to an ordnance outfit,
Estes, left to wrestle with the pro-
blem alone, persuaded a friend
to sketch a sample sign on a piece
of scrap cardboard, using an en-
tire verse on one card. It was post-
ed on an MP box at the entrance
to a nearby camp.

Results were immediate. So
many cars stopped to read the sign
that traffic was slowed and MPs
complained, Estes was noted.
"That's part of the idea," he
explained. "If we put only one
rhyme line on each sign, drivers
can read them without slowing
down. And this one sign has
proved that the idea is effective."
Whatever the sign's eventual
fate, the article continued, it is
evident that Estes knows his stuff.
And the letter from the command-
ing officer was cited.

THAD HUTCHESON Says!

I believe — that States
Rights is a vital corner-
stone in the American
form of government. It
keeps government close
to home and in the hands
of neighbors you know.

I believe — that all ed-
ucational matters are best
handled at state and
local levels. I oppose
the principle of Federal
Aid to education.

I believe — we can and
MUST reduce cost of
government. We must
reduce and also put a
limit on income taxes,
and have a balanced
budget based on an hon-
est fiscal policy.

I believe — that farmers
and ranchers need im-
mediate emergency relief
through State and Fed-
eral partnership and long
range, government back-
ed, low interest credit.

I believe — we must re-
evaluate our entire fore-
ign aid program with a
reduction of expendi-
tures and granting loans
instead of direct dona-
tions.

I believe — we need new
names and new faces in
Texas politics. We must
end political bossism and
the recurring scandals.
Only a strong Two-Party
system will restore hon-
esty and integrity to pub-
lic offices.

EDITORIAL

By Genelle Childress

Years ago, the students of Ozona built up a reputation that they have kept for years. Time and time again O. H. S. students have been graciously accepted into hotels and anywhere while other schools are not welcome and sometimes are even barred.

Now that spring is here nearly everyone in high school will be going on a school sponsored trip, whether it's track, volleyball, speech and literary events, or whether it's a student council trip to Galveston, a choral club tour, an F. F. A. trip or even the privileged seniors grand finale—the seniors trip!

If you fall into one of these groups (as you probably do) remember that when you're away from home hundreds of eyes are watching you, and judging not only you, but your school and city as well.

When you're tempted to do something (big or little) that might mar Ozona's and the Lions' reputation remember that for years students (that now have long since graduated) kept up that fine reputation and therefore gave you this chance to go on trips, and be welcome wherever you go. Now, it is your chance and sacred duty to keep up this reputation and make it last from now until the next generation follows your example.

putation and therefore gave you this chance to go on trips, and be welcome wherever you go. Now, it is your chance and sacred duty to keep up this reputation and make it last from now until the next generation follows your example.

STUDENT COUNCIL TRIP

By Beverly Killingsworth

Mingled with the "Dallas here we come", you also hear a few "Galveston here we come." Yes, March the 28th four of the student council members and Miss Powers are going to Galveston. They plan to attend the student Council Convention for student council representatives all over the State of Texas. They plan to stay at the Jack Tar. I am sure they plan on having a good time and coming back with lots of new information.

VOLLEYBALL TOURNAMENT

The Ozona High School 4th annual volleyball tournament was held Saturday. There were eight teams entered in the tournament which were Iraan, London, Ozona, Junction, Eldorado, Menard, Ackery, and Big Lake. Iraan defeated Ozona in a very close game. They won in the last minute of the game by two points. This put Iraan winning championship and Ozona second place. London defeated Ackery to win consolation.

Ozona put two girls on the all-tourney team. Congratulations to Gwynel and Toni. You did very well girls. The outstanding play-

er was selected from the Ackery team. It was an excellent tournament and it could not have been done so well without the supervision of our coach, Miss Knox. She did an excellent job.

ONE-ACT PLAY CONTEST

The Interscholastic League One-Act Play contest was held in Eldorado last Friday afternoon and night. Our play "Seeds of Suspicion" was presented and judged.

There were two "excellent" ratings, Menard and Sonora; two "goods", Ozona and Eldorado; and one "average", Junction. We were proud of our play and rating. The judges told us that our acting and blocking were excellent, but our play was not as good (as far as plays go) as the others.

Miss Jean Powers and several mothers accompanied the cast in the absence of the director, Mr. Leath. It was unfortunate that Mr. Leath was unable to attend the meet.

Those who saw the play when it was presented at Parent-Teachers Association or at one of the dress rehearsals know how excellently it was done, although it was changed some, after that production.

Members of the cast were: Jimmy Brown, Genelle Childress, Joe Clayton, Beverly Killingsworth, Durwood Wylie, Dartha Melton, Bobby Estes, and Marilee Dale. The make-up artist and moral officer was Gearl Dean Long. Howard Mock was "handyman".

G. A. GIRLS STUDY HOME MISSION WORK

G. A. Girls of the First Baptist Church met Tuesday afternoon at 4 o'clock for a Mission study and spaghetti supper. The book, "It's Your Turn" by Margaret Eubank, was reviewed by Mrs. Frits Crump. It is a study of the Southern Baptist work in the Home Mission field.

The tables were decorated by the two W. M. S. Circles, the G. A.'s and the Sunbeams in Original, Mexican, Indian and Negro themes, representing a few of the different groups of people studied. Twenty-two G. A. girls and three counsellors were present.

FIDELIS CLASS

The Fidelis Class of the First Baptist Church met last Thursday in the fellowship hall of the church for a luncheon and program. Eighteen members and one visitor were present. The class decided to make the luncheon meeting a monthly affair, meeting third Thursday in the month.

Present were Mmes. B. B. Little, Troy Dale, Doyle Perdu, Ross Beardmore, H. R. Mock, O. C.

Webb, Cecil Hubbard, A. H. Burton, Bill Oczelka, Floyd Cooper, Carl Hedrick, Leslie Carnes, Leo Bawcom, Ivy Mayfield, Earl Malone, and Hartley Johnson, Miss Lola Mae Evans and Rev. Troy Dale.

LADIES GOLF ASEN.

The monthly luncheon followed by golf and bridge was held last week at the country club by the Ladies Golf Assn. Blind bogey in golf was won by Mrs. Dempster Jones. A bridge high score prize went to Mrs. W. E. Friend, Jr., low to Mrs. Byron Stuart, high guest to Mrs. Carl

North and bingo to Mrs. Taylor. Attending were Mrs. Sherrill, Mrs. Lindsey, Mrs. Joe Friend, Mrs. Ashby, Mrs. W. E. Friend, Mrs. Sherman Taylor, Mrs. E. E. Friend, Mrs. J. S. Powers, Mrs. John Childress, Mrs. Mrs. Hillery Phillips, Mrs. Friend, Mrs. Charlie, Mrs. Nip Blackstone, Mrs. Mrs. Mrs. Carl North and Mrs. Lock.

Port to the People

Hill's Main Item of concern remains the \$3.2 billion budget of President Eisenhower.

Writers managed by reporters, Government officials, and the public throughout the country to pound out the budget on this subject. Although messages may be worded differently they carry the same message: cut the budget again, in and again.

Persons however, think the one item to be presented to the Congress, and either approved or such. This case. The entire budget is presented to the House Appropriations Committee. That body is broken down into Subcommittees, with each hundreds of budget requests covering a specific portion of the operation. The Subcommittees call in top officials of the agency within the Administration and listen to testimony which these officials are given to justify their particular requests. After hearing such testimony the Subcommittee makes its recommendations as to whether the request should be approved, reduced, or should be eliminated. The matter is then decided in the Floor of the House. Members have an opportunity to submit amendments to the bill recommended by the Subcommittees.

In instance, last week an appropriations bill covering requests for independent agencies was brought to the Floor, with a recommendation that \$37 million be sliced from it. The members from it, want a vote, they carried it a step further, the recommendation for a slash of \$21 million. This brought the total recommended by the House (subsequent Senate action) to more than \$50 million, with the really big savings yet to come.

Agencies have been cut varied amounts and by various percentages. Cuts percentage-wise have ranged from a low of 2% to a high of 30%. The trend thus far has been to gouge the largest agencies — both dollarwise and per capita — from the larger agencies. If this trend is held, substantial savings will result.

Texas on the Appropriations Committee play big rolls in the attempt to reduce spending. Congressman George M. Lubbock, Chairman of the House Appropriations Subcommittee, who has asked the Defense Department to cut 3 billion dollars from its original \$38 billion program; the other, Congressman Thomas of Houston, heads the Subcommittee that last week recommended 558 million dollars from independent agency requests. Members of the President's cabinet recently appeared

on nation-wide television to say the budget would and should be cut, and then later, away from the glare of TV cameras and the pencils of newspapermen, sharply reversed their fields when appearing before the Appropriations Committee.

Secretary of Treasury Humphreys was the first to ride the economy horse in public, and then fought to retain every cent proposed for his own department, as subsequent release of Committee testimony revealed. Difeo for Secretary of Commerce Sinclair Weeks, who said in bold tones on TV that Congress could cut \$50 million from his department, and that he would show us where and how to do it. Come the day Weeks appeared before the Committee, and he spent his time crying the blues because the Committee was taking the knife to his budget just as he advised in his TV talk. He evidently had not expected Chairman Preston (D-Georgia) to be looking in on his TV comments.

The Man Who ultimately sends agency recommendations to the President is Percival F. Brundage, Director of the Bureau of the Budget. Before he submits his proposals to the President he calls in the various department chiefs and talks with them about their needs and desires. The President, therefore, quite naturally listens to his recommendations.

Brundage recently suggested Congress should appropriate all funds called for in the current budget, and then let the President decide how much of it he actually needed to spend. Told the people of the Nation are "up in arms" over the proposed spending spree, he said: "I hear of all this mail the Members of Congress are getting about reducing the budget, but have received only three letters."

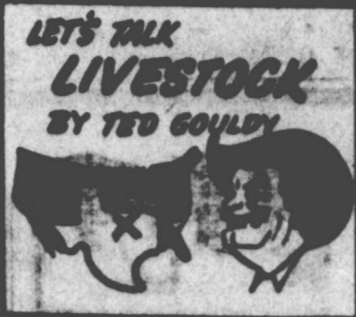

One West Texas newspaper recently suggested that people who have already written their Congressman about reductions now write Brundage. I can go along with that, and since I don't want the Budget Director to feel neglected I'll give you his address: Percival F. Brundage, Director, Bureau of the Budget, Washington 25, D. C. This will let the man who talks money matters to like know your feelings.

This Entire Report, and portions of others lately, relate to the budget. I hope it hasn't been repetitious, but the subject seems uppermost in the mind of the general public and has been the basis of most Congressional activity to date.

CARD OF THANKS

We wish to take this means of expressing our heartfelt thanks to the many friends who were so thoughtful and kind on the occasion of the loss of our beloved husband and daddy, and especially do we thank you for the many flowers and all the good food that was brought in. May the Lord be with every one of you.

Fed Cattle Highest Since Last November

FORT WORTH — Fed steers, yearlings and heifers opened 25 to 75 cent higher at Fort Worth this week, with two-loads of steers scaling about 1,085 pounds topping at \$22. This was 50 cents above the extreme top last week, and represented the highest price for commercially fed steers here since last November.

Other slaughter cattle and slaughter calves shared the strong market in the face of very light supplies, and many sales were strong to 50 cents or more higher.

Stockers and feeders were very scarce and also strong to unevenly higher.

Good and choice fed steers and yearlings \$18.00 to \$22.50; medium and lower grades \$13.00 to \$18.00. Fat cows \$12.00 to \$14.50; canners and cutters \$8.00 to \$12.50. Bulls \$10.00 to \$14.50, odd head higher. Good and choice slaughter calves \$17.00 to \$21.50; medium and lower grades \$12.00 to \$17.00. Good stocker calves and yearlings \$20.50 down, choice kinds quotable above that range.

Lambs Weaken First Time in Two Weeks

After two weeks of steadily rising prices which had lifted milk fat lamb prices \$4 to 50 cents per hundred, and old crop lambs \$2 per hundred, the market reacted late Monday at Fort Worth and some sales were \$1 lower. Feeder lambs were strong to \$1 higher.

Good and choice milk fat lambs sold from \$23 to \$25, while cull to medium milk lambs sold from \$15 to \$20. Good and choice shorn

old crop lambs with a No. 2 pelt or better, sold from \$20 to \$22.25. Choice full woolled lambs were lacking. Cull to medium old crop lambs sold from \$15 to \$19.

Stocker and feeder shorn lambs cashed at \$17 to \$20, those at \$20 carrying No. 2 skins. A few cull

ewes sold from \$6 to \$8.50 out of the wool, and old wethers drew \$13 down.

HIGHLIGHTS AND SIDELIGHTS From State Capitol

By Vern Sanford
Texas Press Association

Austin, Texas — Legislative digging into the affairs of ICT Insurance Co. has reached the pick-and-shovel stage.

Previous sensation-a-day pace could hardly be maintained. In prospect now is an exhaustive turning over every detail of the bankrupt company's financial history. Goal is to discover if crash was due to any violations of law or lack of adequate laws or enforcement.

One possibility for fresh sensations would be the return of Ben-Jack Cage, former manager of the company. Cage is in South America. He said he would be glad to talk with the committee, but was busy right now and couldn't get away.

Coke's Co. In Trouble — Physicians Life Insurance Co. of Dallas is to appear before the Insurance Commission Thursday (March 28) to show cause why it should not lose its license.

This is only one of the difficulties faced by the company headed by former Gov. Coke Stevenson.

It is one of several Dallas-based insurance companies that are to be investigated by a special Dallas County grand jury.

Governor Stevenson said the original founders of the company sold some of their stock through the company at a tremendous profit and retained the money themselves. None of those people is in authority now, he said, and the firm has sued for recovery of the money. "It will go a long way to get things straightened out," he said.

Stevenson also told stockholders the company's future solvency requires it to get loose from a commitment to take over assets of American Atlas Ins. Co. from the

state receiver. Federal tax liens against American Atlas were discovered after the deal was made.

Another Insurance Commission order gives Legal Security of Dallas until April 15 to clear up charges it falsified its books to show assets in excess of their true value.

Confused History — House bribery investigators are having slow going with the Texas Naturopathic Association.

Efforts to uncover details of the TNA's past legislative activities have been repeatedly balked by faulty memories and lack of records.

On the committee's recommendation the House formally censured ex-Rep. James E. Cox of Conroe. Cox has been indicated on charges of agreeing to accept a bribe from the TNA.

Panel then turned its attention to reports of a fund raised by the Naturopaths to "educate" the Legislature in 1955. Fund was variously estimated from \$8,000 to \$59,000.

But only hazy and conflicting testimony was received. No records were kept, said a former office secretary.

Irked by it all, the committee prepared contempt charges against a Dallas naturopath, Dr. Robert Spears, for refusing to answer questions about his background.

Oil Down Again — Texas' big gush of oil production was short-lived. Europe couldn't use it after all.

Texas Railroad Commission cut the April allowable by 224,710 barrels a day. It is to be at 3,564,665 barrels a day on a 16-day producing pattern. This puts things back about as they were in February before the big jump to 18 producing days in March.

Major oil companies had strongly argued increased production on the commission. But after three weeks under the higher pattern, they were unanimous in asking a cutback.

News of the lower allowable brought uneasiness to Legislators. They had been counting on high

oil production to bring in the increased revenue to put over their record spending program without new taxes.

State Comptroller Robert S. Calvert had forecast on extra \$100,000,000 for the next biennium. After the Railroad Commission order, Calvert said he was not changing that forecast yet. It included some leeway for fluctuation in oil revenue, he said.

Limited Sales Approved — Bill to prohibit limiting of sales for below-cost items is back. Senate State Affairs Committee approved the measure sponsored by Sen. A. M. Aikin Jr.

A similar measure passed in 1955 was outlawed by courts because it applied only to groceries. Aikin's bill applies to all retailers.

A record crowd attended the committee meeting. Bill is generally favored by smaller grocers who contend it is necessary to prevent big chains' usurping all the business with drastic price cutting. But not by the people who buy the stuff.

The school will be held in the Nettleton building, southeast corner of the highway intersection downtown, and all ladies of Ozona and surrounding area are cordially invited. There will be a number of free attendance prizes and the food prepared in the demonstration will be presented to the women attending.

Menard Expects 200 Delegates To Attend P.T.A. Dist. Conference

Menard — Some 200 delegates from 13 counties are expected here April 3 for the annual spring conference of Parent-Teacher Assn. District 6.

Mrs. T. W. Whaley of Kosse, state vice president of the Texas Congress of Parents and Teachers, will give the main address of the one-day session, following presentation of the conference theme.

Theme of the conference, "Opportunity with Responsibility for Every Youth", will be presented in a skit by Menard High School speech students. Delegates are expected to attend the conference from Concho, Edwards, Crockett, Irion, Kimble, Kinney, Maverick, Menard, Reagan, Schleicher, Sutton, Tom Green and Val Verde counties.

Registration will begin at Menard High School at 8 a. m. April 3. The conference will open at 9 a. m. with Mrs. H. C. Green of Water Valley, District 6 president, presiding.

Reports of conference committees and presentation of the theme are next on the agenda, with the main address of Mrs. Whaley scheduled at 10:15 a. m.

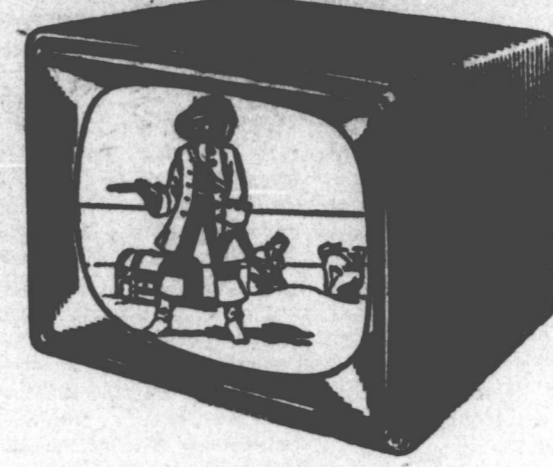

A panel discussion of "The Decisive Role of Education in a Changing World" is scheduled at 11 a. m. Members of the panel will be Floyd Parson, Big Spring school superintendent; Stephen A. Willard, Lakeview special education teacher; and William Eilers, principal of Edison Junior High School, San Angelo.

Workshop on program planning and the school program will follow at 11:20, with a delegates' luncheon at noon.

The afternoon session will include more committee reports and a panel on "Home Is Still the Heart of Living," with Mrs. Gladys Short of the Texas Education Agency, Mrs. Estelle Wallace, San Angelo High School coordinator of home and family life, and Dr. Everett L. Suter, San Angelo, district chairman of education for family living.

Following afternoon workshops, a general assembly at 3:05 p. m. will conclude the day's program.

Mr. and Mrs. Paul Gibbs have as guests this week Mr. Gibbs' sister, Mrs. Ruby Jones of Olympia, Wash., and Mrs. Jones' son and daughter-in-law, Mr. and Mrs. Miles Moore and daughter, Darla, of Big Springs.

Humble research presents to the motorists of West Texas

Golden Esso Extra

World's Finest Gasoline

Once again, Humble's leadership in the improvement of gasoline quality sets new standards for other gasolines to follow. Now you can get all the performance that is built into your car... the last extra ounce of power... the last extra mile per gallon of gasoline.

Golden Esso Extra is the finest gasoline you can use. It has the highest octane rating of any gasoline you can buy in West Texas. Give your car the performance

advantage that comes from using Golden Esso Extra. Some motorists say they notice immediate improvement on their first full tank. Others use Golden Esso Extra because the world's finest gasoline is the best to use in modern cars in every price class.

Costs more? A little, but your car repays you by delivering all the performance you paid for when you bought it.

Fill up at the new Golden pump under your neighbor's Humble sign.

Makes your car a better automobile.

Highlights of speeches made by prominent Conference speakers were given.
 Present were Mrs. Bailey Post, Mrs. W. D. Cooper, Mrs. S. M. Harvick, Mrs. V. I. Pierce, Mrs. Stephen Perner, Mrs. R. A. Harrell, Mrs. H. B. Tandy, Mrs. Leroy Russell, Mrs. J. A. Fussell, Mrs. B. B. Ingham, Sr., Mrs. Paul Perner, Mrs. F. L. Henderson, Mrs. Joe Pierce, Mrs. Charles Williams, Sr., and Miss Ethel Wolf.
 The Society will begin a new study, "The Letters of Paul to the Churches," will be begun in a general meeting of the Society at the church next Wednesday. The course will be taught by Miss Ethel Wolf.

Mr. and Mrs. Joe Patrick had as week-end guests their son and daughter-in-law, Mr. and Mrs. Henry Patrick, and son, Donny, of Pecos. They brought Mrs. H. A. Ellidge, Mrs. Joe Patrick's mother, who had been visiting in Pecos the past two weeks, back home.

The News Reel

A re-run of "The Ozona Story" as gleaned from the files of The Ozona Stockman

From The Stockman, Mar. 23, 1928

The body of W. E. Smith, pioneer Ozona business man, who died suddenly at about 1:30 Friday afternoon in a Mertzton drug store, was laid to rest in Cedar Hill Cemetery at 3 o'clock Saturday afternoon. Mr. Smith was stricken in Mertzton on his way home from Dallas. He was accompanied by Mrs. Smith who was with him when death came. Death was attributed to a acute indigestion. Dr. A. W. Clayton was summoned from San Angelo but Mr. Smith was dead before the doctor arrived.

John Harding, well driller assisting F. A. Gray in well drilling work at the plant of the Ozona Water Works, narrowly escaped death Monday afternoon when his foot became entangled in a cable and he was jerked into the mouth of the well by the force of 1700 pounds of tools and cable falling into the hole. Both bones in the leg between the knee and ankle were broken and the foot was badly crushed.

An oil lease on 190 acres of Crockett county land in the eastern extension of the Yates field in Pecos county was recently sold by

the Ozaez Oil Co. to the Grayburg Oil Co. for a total of \$300,000 \$100,000 of which was cash and \$200,000 to be paid in oil production. The acreage now has two producing wells and Grayburg plans 33 more tests.

An exhibition of stunt flying will be given by Pilot E. H. Hunt, flying the Wilson Motor Co. plane, from the local landing field Sunday afternoon. The public is invited to witness the demonstration.

Kelly King, a resident of Ozona for the past two years, has purchased the Clay Adams Tailor Shop and will assume active management of the business Monday.

The huge new water reservoir being installed by the Ozona Water Works to improve the local system is rapidly nearing completion, according to Judge Chas. E. Davidson.

Three teams are assured and a fourth is almost certain to enter competition for the City League diamond title here this summer. The Clerks, Mechanics and "The Sons of Rest" are the three teams already entered, and the Ranchmen are expected to have a team in the field. Rex Russell will manage "The Sons of Rest," John Parton the Mechanics and Joe T. Davidson will manage the Ranchmen.

Chas. E. Schauer again became a "Crockett county ranchman" Wednesday when he closed a deal for lease of 12 1/2 sections out of the J. M. Shannon land about 25

miles northwest of Ozona. Mr. Schauer has purchased 2800 head of 3 and 4 year old ewes from T. G. Chaney of Eldorado. Both deals were made through Othro Adams, now associated with Jess Elrod in the commission business.

Miss Cara Mae Cooke, daughter of R. J. Cooke, underwent an operation for appendicitis in a San Angelo hospital Tuesday morning. Her condition is reported serious.

Miss Athelene Dudley, daughter of Mr. and Mrs. J. M. Dudley, underwent an operation for appendicitis in San Angelo Saturday.

Mr. and Mrs. J. M. Baggett returned Friday from Temple where Mrs. Baggett was under the care of physicians for a few days. They were accompanied home by their daughters, Miss Beulah Baggett, who is a student in Simmons University at Abilene.

Mr. and Mrs. Vernon Cox are

the parents of a daughter Tuesday morning in a hospital. Mrs. L. B. Cox was in San Angelo to see her new granddaughter Tuesday.

Miss Lula Mae Evans, a guest her sister from this week.
