## Club Plans Installation Of Street Signs

### Many Details Cleared For Work Start

The Ozona Lions Club and the City Commissioners will actively engage in plans and completing of routine work before construction on the street sign job can be started.

At a meeting of the directors laid out a plan which should get work in two or three weeks. The posts placed and the signs when they are ordered.

The problems that must be planned are the location of the poles, the numbering of the streets not now being equipped crews to dig the rock or concrete that will be used.

The city is to buy the signs and accept the responsibility of the locating of the signs.

The club secured from the Oil company ample money to pay for the change of the project. It is expected that some 120 pipes will be needed and a Chandler addition added.

## Motors Cop Little League Champion Decider

### Half Winners Two In Row Off Oilers

By Ernie Boyd

Motors took advantage of the fielding on the part of Oil and some tight pitching by Van Miller to win the league championship Monday night.

The playoff, which was scheduled with two out of three, was won by Mason winning two from the stricken Oil, which had to pick up the game from the pee wees in the finish the playoff.

Mason and vacations actually administered the coup.

They went the distance for company and was charged with loss as his mates committed errors to contribute heavily to their own downfall.

Oil captured the first and Mason Motors captured the second half crown which the teams in the final championship playoff.

## Of Fire From Mixer Mixtures Killed Out By Chief

People who may have stored in garages or sheds should take warning of spontaneous combustion which was discovered early in the garden shed in the home of Mrs. S. M. Harvick's.

Of phosphate and cotton was smoldering at the home and was discovered by Billy Mills.

Chief Joe Tom Davidson used hoseholders to check into fertilizer supplies and as the fertilizer was a potential fire hazard, he advised the storing of fertilizer in metal containers.

## Football Booster Club In Process Of Organization

### OHS Lion Boosters To Perpetuate Fall Banquet For Team

Efforts to organize an Ozona High School Lions Booster Club are scheduled to get under way in Ozona in a week or two with a membership drive being conducted by a number of men interested in high school athletics.

For the past five years the Sheriff's Posse has sponsored a fall barbecue honoring and introducing the football team to the guests and in the past have had such outstanding speakers as Dana Bible, Henry Franka, Dutch Myer and George Sauer for the occasion.

But the Posse has become more or less inactive and in order to continue the most enjoyable occasion and perhaps to expand the opportunities Lion supporters have in taking part in the sports program, the new organization has been proposed.

Qualifications for membership will merely be that of being a male and interested in the high school program. Dues that will be charged for membership will go to offset the cost of the barbecue with membership being the qualification for attending.

Election of officers will not be held until the membership drive is completed but those interested are urged to contact the Stockman, Ernie Boyd or Oscar Kost so that they can be contacted by recruiters.

## Permian Basin Dist. Scouts In Swim Meet At Iraan Pool Sat.

The Permian Basin District of the Concho Valley Council, Boy Scouts of America, will hold its annual District Swim Meet at the Iraan pool on Saturday, July 27 at 2:30 p. m. Earl G. Wisdom, district Scout Executive, announced this week.

Scouters Jack Black and Lee Burnett of Iraan are chairman and co-chairman of the event.

All Scout Troops and Explorer Posts in the district have been invited to participate.

Winners of the individual events as well as team event winners will represent the district at the Council Swim Meet to be held at Uvalde on August 10, starting at 2:30 p. m.

## Construction Of Junior Livestock Barn Begins Soon

### Joint Project Under- taken By County And Schools

Construction of a new Junior Livestock Barn on a lot acquired by long-term lease from the Crockett County Fair Association is scheduled to get under way this summer or early fall.

The barn, a joint project of Crockett County and the Ozona Public Schools, is for use of the Crockett County 4-H Club and the Vocational Agriculture classes of high school. It will be used as a show barn and site for feeding operations of these groups.

Of all metal construction, the building is to be 60 by 96 feet with a bow-string trussed roof, with no supporting structures inside the enclosure. Approximate cost of the completed building will be around \$15,000, officials have been advised.

The new structure is to be located on a lot on the southwest corner of the Fair Association property in the southeast section of Ozona.

No pens are to be constructed immediately, it was announced, these and other facilities to be added as needed in use of the structure.

## Death Of Kermit Man On Fishing Trip Said Result Heart Attack

A coroner's verdict of death from natural causes, probably a heart attack, has been returned by Justice of the Peace B. N. Johnson in the death of Alfredo N. Cepeda, 48, of Kermit who died sometime during the night last Friday night while on a fishing trip on the Brock Hoover ranch on the Pecos river.

Cepeda, employed by the Standard Jet Service of Kermit was on a fishing trip with his employer, an official of the company whose name was not learned. Cepeda's companion told officers that he heard the man coughing about 3 a. m. and when he arose about 6 he found Cepeda dead in his camp bed.

The body was brought to Ozona in a Cody Funeral coach and burial was in Sonora Monday afternoon. Cepeda is survived by his widow and one daughter.

## Two Young Ladies From Here to Compete For Miss SW. Title

Miss Janice Spencer, daughter of Mr. and Mrs. C. O. Spencer, and Miss Ann Ratliff, daughter of Mr. and Mrs. Vernon Ratliff, will be among contestants seeking the title of Miss Southwest at the annual Miss Southwest Bathing Revue which will be a part of the annual Fort Stockton Water Carnival in Fort Stockton Saturday.

Miss Spencer, winner in last year's Ozona Lions Club water carnival revue, is being sponsored by the Lions Club and Miss Ratliff by the Ozona Rotary Club in the Fort Stockton contests.

The girls will go to Fort Stockton Saturday morning for rehearsals at 11 a. m. and for a luncheon at noon in Al's Chicken House as guests of the Fort Stockton Lions Club. A parade starting at 4:30 p. m. through downtown streets will feature all entries in the Miss Southwest and Miss Fort Stockton contests. Entries in the Miss Southwest contest will make up the Court for Miss Fort Stockton and Miss Southwest of 1956.

Immediately following the parade, Epsilon Sigma Alpha sorority of Fort Stockton will honor contestants at a coke party and following the carnival the sorority will be hosts at a buffet dance at the Small Community House in Rooney Park.

The winner of the Miss Southwest contest will receive a trophy and will reign at next year's carnival.

## Shallow Wildcat Is Spotted On Ingham Land In W. Crockett

J. E. Jones Drilling Co. of Midland has filed application to drill a 2,200-foot rotary wildcat in Crockett County, 11 miles east of Sheffield and approximately 467 feet southwest of the firm's No. 1 Ingham, active project currently testing the Devonian. It will be drilled as the No. 2-S Ingham.

Operations are to begin immediately. Ground elevation is 2,623 feet.

Location is 330 feet from the south and west lines of the north-east quarter of 1-FFF-TCRR.

The No. 1 Ingham is testing through perforations between 7,582-548 feet. No tests were reported above 7,322 feet.

## 4th Annual Ozona Water Carnival Is Set For Aug. 16th

### More Than 35 Entries Expected In Annual Lions Club Show

Members and committees of the Ozona Lions Club were busy this week with preliminary preparations for the fourth annual Ozona Water Carnival and beauty contest which has become a highlight in the club and town's summer program.

This year's show is to be held at the North Pool on Friday night, August 16th.

The beauty contest will, as in the past, be open to girls from last year's graduates to this year's incoming freshmen in the senior division, and from three to six in the junior division.

Lion C. O. Spencer indicated last week that he expected more than the 35 entrants who have already indicated they will take part in the contest. Securing sponsors for the girls is expected to get under way in a week or so.

Other acts in the show have not as yet been announced but the committee in charge of entertainment headed by Charles Ratliff has in the past produced good programs and is expected to do the same this year.

The seating committee is finding their job much easier this year since Ozona High school has purchased a section of portable bleachers and it will not be necessary to borrow Sonora's seats this year. The Sonora school was always most cooperative in lending the seats but the job of securing a truck and loading and unloading the seats between here and Sonora proved to be a headache for the seating group for several years.

Last year's champions in the senior beauty contest were Carolyn Stuart, now Mrs. Mike Clayton and Janice Spencer. In the Junior division little Susan Boyd and Mary Simon were the winners.

## Little League All-Star Team To Meet Sonora Here

### Sudden-Death Game For Area Title Slated Monday Night

Workouts began last Tuesday for the Ozona All-Star Little League baseball team under the direction of Buster Miller of the Mason Motor Company and Bill Clegg of the Ozona Oil team.

The fourteen player squad was named Monday night and will face the Sonora team in the area playoff here in Ozona Monday night. The winner of that game will go to the district playoff to be held in San Angelo this year.

Players named to the squad are: Brent Moore and Daniel Sanchez of Kyle Kleeners, Bobby Herrera, Robert Cox, Margarito Villareal, and Tom Fusselman of South Texas Lumber, Leroy Cooper, Doug Moore, Michael Stahl and Ossie Tate of Ozona Oil, Van Miller, Greg Whisnant, Pete Montgomery and Inez Ybarra of Mason Motors. Mike Spradling will be an alternate in case needed.

The Ozona squad is the youngest ever to represent Ozona in the playoff as there was an unusually small number of 12-year-old players in the league this year. Last year when the league had one of its best seasons, all but one team in the league had its full quota of 12 year old players while this year not a single team wound up with its allowable in 12 year olds.

The Ozona team will have stout pitching from Van Miller and Leroy Cooper and both boys are outstanding fielders when not on the mound. But the team will be without the hitting of such stars as Springer, Charles Dimery and others, in last year's squad.

**"GOOD" — FOR WHOM?**

Marshal Zhukov, the Butcher of Budapest, is about to land on Washington's red carpet any minute, seems as if. The President has described Zhukov as "an honest man," and said "there is a history of past good cooperative effort between us in Berlin."

Richard L. Stokes, veteran reporter of the European Theatre in World War II, writing in Human Events, says General Eisenhower was given the job of securing an "invulnerable corridor" to Berlin. "Sitting down with his friend Marshal Zhukov, Eisenhower arrived at a 'corridor' agreement. Since Zhukov was such a fine fellow, however, the American commander satisfied himself with an oral rather than a written agreement." Perhaps the President has forgotten the Berlin blockade and airlift.

**MISBEHOTTEN**

It becomes increasingly apparent in the skirmishing phase of the projected battle of Civil Rights that President Eisenhower has been rather surprised at what his boys wrote into the bill, and that he will be happy to sign most anything that Administration

**DENOUNCES CIVIL RIGHTS BILL.** — Sen. Harry F. Byrd, (D.-VA.) bitterly denounced Chief Justice Earl Warren and Atty. Gen. Herbert Brownell, Jr., in a Senate speech attacking the Administration's Civil Rights bill. Byrd, leader of the Southern fight against the bill likened Warren to Thaddeus Stevens — the South's chief foe during the reconstruction era.

backers can get through the Senate that can still be called "Civil Rights."

But Georgia's Senator Richard B. Russell, leader of the Southern opposition, described the measure as "a force bill of rawest kind," and there was some doubt that a filibuster could be avoided, even if the Administration were to throw out completely the vicious Section III of the bill. This is the section that makes the Attorney General a virtual dictator and authorizes the President to employ Federal troops in enforcing Federal Court orders — and is, to Southerners, an insinuating reminder of the abuses of "Carpenter" days.

Northerners, on the other hand, are obtuse enough to regard this high-handed Administration bid for police power at the community level as designed merely to enforce school integration. Under this bill, Federal powers will be equally repressive, North and South. The best proof perhaps, is President Eisenhower's statement that he could not imagine himself using such powers. Why, then, is he asking for them?

**APATHY AND POLIO**

We Americans were generous when we contributed millions of dollars to fight paralytic polio. We were triumphant when, after years of research, our scientists developed a vaccine against it and

the number of cases dropped 47 percent last year.

Now we are shocked to hear that, according to a recent estimate 58 million Americans under 40 who should get this simple, effective protection have neglected to do so.

What is the word for this neglect? Polio authorities, like the National Foundation for Infantile Paralysis, call it apathy. The dictionary defines apathy as "lack of interest" or "indifference."

But can anybody afford to be indifferent about polio? When it strikes it leaves ruin in its wake — crippled bodies, disrupted homes, wage-earners unable to go on with their chosen work.

Indifference in the face of this kind of risk is folly. Better roll up your sleeve and vaccinate before it's too late!

**Sonora-Ozona Mules Drop Big Lake Eagles In Double Header Sun.**

The Sonora-Ozona Mules, Concho Basin league entry, composed of players from Ozona and Sonora, batted down the Big Lake Eagles in two games last Sunday in Sonora, the first by a score of 9 to 5 and the second by the lop-sided tally of 27 to 7.

The Mules will be seen by Ozona fans next Sunday when they play a double header bill against the Goodfellow Field Skyhawks and the Kirby team from San An-

gelo in Concho Basin play. Game time is 1:00 p. m.

George Johnson pitched both games for the Mules-Sunday, and contributed a total of five hits to the victory, one a home run and one a triple. George Wright of Sonora pined five base hits and Jake Young of Ozona accounted for a double and a triple. John Dollar of Big Lake had six hits in the two games.

The Mules led all the way in the first game but were behind 7 to 5 in the second game in the fifth inning when the roof fell in on the Eagles. The Mules counted 20 runs in the fifth and sixth

frames. Pete Hamilton and Bill Griffin led

**Texas Taxpayers Assn. Presents Plan To Save 10 Billions In Taxes**

Gene O. Parker, president and E. Clay Laford, executive director of Taxpayers' Educational Association, Inc., Austin, returned recently from Washington, where they presented a petition to members of Congress calling for a reduction in federal expenditures and a cut in federal taxes.

In addressing the Senate, Senator Byrd said, "This petition has been circulated in 43 States and contains many thousands of names. It is the largest I have ever received, and it is still being circulated."

Five recommendations are included in the petition, which expresses belief adoption would result in a tax reduction of approximately \$10,000,000,000. The recommendations are:

1. Cut waste and extravagance in government spending.
2. Equalize the tax burden by taxing, at the same rate corporations are forced to pay, all organizations such as cooperatives, mutuals, credit unions and government owned businesses.
3. Reduce now and eliminate soon foreign aid.
4. Consider and pass such legislation as necessary to accomplish recommendations.
5. Use savings and increased revenue to reduce federal taxes.

A big change in the operation of the enforcement state. The recommendations of the Texas Research Department of Public Safety are to reorganize into three commands which will be based in the central office.

of the six regional offices, Corpus Christi, Dallas and Midland. The Midland office will be within each command.

Major Harrison will continue in the office, in over the rank of major. Various commands will be headed by A. (Bob) Crow, Chief Kent Odum, Chief W. J. Elmer, Capt. Glenn Roper, E. Guy Smith (Dallas), W. E. Speir (Midland).

to the regional offices, the new plan calls for divisions in Austin and intelligence. In charge of Chief Motor vehicle records will be handled by Temple. Personnel services will be directed by Glen McLaughlin and planning by Chief G. W.

ison said the move will be more efficient and economical. "The also will come under one grouping," Garza Ranger captain in each region, and the regional com-

Net result: the B R A plan, first launched 21 years ago, still has troubles.

**Penny-Finching Due** — If the Legislature meets in special session this fall, members may have to ration every paper clip to get by financially.

State Treasury has hardly an extra nickel. There is, however, \$460,000 appropriated last session for interim legislative expenses. But State Comptroller Robert S. Geivert has raised a question as to whether this could legally be used for special session expenses.

If the attorney general rules it cannot, legislators will have to amend the appropriation bill in order to get at the \$460,000. Even so, it may be nip and tuck to get by. Previous special sessions have cost about \$500,000.

Numerous economy measures have been proposed. Sen. David Ratliff suggested a swift three to six-day session with no pay. Rep. Louis Dugas proposed cutting the number of secretaries.

House Speaker Waggoner Carr is polling members as to whether they (1) favor a special session, (2) would serve without pay and (3) favor a tax to pay session costs.

**F-M Change Suggested** — Texas' farm-to-market road system should pay its own way, suggests a Research League report.

Laws creating the F-M system earmark millions annually for construction of the roads, but none for maintenance. This has to come from regular Highway Department funds.

Eventual result, says the League report, will be more farm highways than needed and an "intolerable burden" of upkeep. It recommends the law be amended so that F-M construction funds could be used for upkeep as well.

**FORT WORTH** — Trade developed unevenly on slaughter cows and slaughter calves at Fort Worth Monday. Early prices were steady but the later trade was 25 to 50 cents or more lower. Slaughter classes made up less than 40% of the day's receipts.

Stockers and feeders were again very active and at strong to unevenly higher prices. Slaughter steers, yearlings and bulls also cleared at fully steady to strong prices.

Very few fed cattle arrived, and

high choice to prime cattle were lacking in the day's receipts. Good to choice slaughter steers and yearlings sold from \$20 to \$23, and common to medium sorts sold from \$13 to \$19. Fat cows sold from \$13 to \$15.50, and canners and cutters cashed at \$8.50 to \$13, a few strong cutters to \$18.50. Bulls sold from \$18 to \$17.

Good and choice slaughter calves cleared at \$19 to \$21.50 with a few higher. Common and medium sorts sold from \$14 to \$18, and culls sold from \$10 to \$13. Good and choice stocker steer calves cashed at \$20 to \$24, and heifer calves ranged from \$21.50 down.

Good to choice stocker and feeder steer yearlings sold from \$19 to \$22, and a few medium stocker cows sold from \$11 to \$14. Sheep and Lambs Sell On Strong, Active Basis

Trade was very active and prices were steady to strong at Fort Worth Monday on a limited offer-spread between the top prices and the rates paid for some just fairly good kinds was extremely narrow indicating the pressure on

buyers seeking supplies brought about by the short supply.

Good and choice slaughter Spring lambs cashed at \$20 to \$21, and shorn Spring lambs sold from \$20 down. Cull to medium Springers sold from \$14 to \$19. Feeder lambs cashed at \$17.50 downward.

Good to choice yearlings sold from \$16 to \$17.50, and cull to medium yearlings sold from \$12 to \$15. Stocker yearling ewes cashed at \$18 down.

Slaughter ewes sold from \$7 to \$8. A few breeding ewes sold from \$8.50 to \$15, according to age and quality. Old wethers cashed at \$13 down. Aged bucks sold from \$5 to \$5.50.

### The News Reel

A re-run of "The Ozona Story" as gleaned from the files of The Ozona Stockman

From The Stockman, July 26, 1928

Heavy rains which covered a wide area of ranching and farming sections of West Texas this week will prove of great benefit to range grass and crops. The rains started Saturday night and continued through Sunday, Monday, Tuesday and Wednesday, with intermittent falls. The fall here was estimated at around 2 inches.

—news reel—  
Homer Adams returned the first of the week from Cleburne where he has been with his wife and new son, born recently. Mrs. Adams and the son will return about August 15.

—news reel—  
R. J. Cooke, proprietor of the Ozona Meat Market, was pleasantly surprised the first of this week by a visit from his sister, Mrs. Alice Wedgeworth of Los Angeles, Calif. Mr. Cooke had not seen his sister in 18 years.

—news reel—  
More than \$1,250 had been subscribed the first of the week by citizens of Ozona residing west of Johnson Draw toward a fund for the construction of a bridge across the draw connecting that

section of the city with the main business area. This was the report of a committee made at a mass meeting of the west side Saturday night on the lawn of the P. T. Robinson home. It was the consensus of opinion at the mass meeting that the bridge should be built by the county but from interviews with the Commissioners Court it was also the general opinion that the county would not undertake financing the improvement alone.

—news reel—  
Establishment of a motor bus line from Mason through Junction, Sonora, Ozona, Sheffield and to McCamey was practically assured as a result of a hearing conducted by the State Railroad Commission at Mason Tuesday, according to information given A. W. Jones and J. T. Keeton, who attended the meeting as representatives of the Ozona Lions Club. Application is being made by Ray Walker of Mason.

—news reel—  
Although statewide interest in politics is far less apparent than

was the case two years ago, local county and precinct contests for office as well as the state races are expected to bring out a fairly full vote in the Democratic primary to be held next Saturday. Two county contests are for sheriff between incumbent W. H. Augustine and W. S. Willis and for county clerk between incumbent E. B. Baggett, Jr., and George Russell. The only other contest in the county is that for justice of the peace, Precinct 1, in which Nelson Hawkins is opposing incumbent D. B. Dunlap.

—news reel—  
Judge Chas. E. Davidson left Tuesday for Winfield Iowa, to be at the bedside of his brother, R. P. Davidson, who suffered a stroke Monday. Mr. Davidson is president of a bank in Winfield. He is about 65 years of age.

—news reel—  
Judge W. Vansickle, a candidate for district attorney, was campaigning in Ozona last week.

—news reel—  
Mr. and Mrs. Joe Oberkamp expect to move into their new

home next week.  
—news reel—  
Mr. and Mrs. Joe B. Johnston of Big Lake are the parents of a son born last Friday morning at the home of Mrs. Johnston's mother, Mrs. W. E. Friend.

—news reel—  
Mr. and Mrs. Cam Longley and daughter, Josephine, left Monday for Temple where Mrs. Longley is to undergo an operation.

—news reel—  
Miss Elizabeth Davidson is spending the week in Midland as the guest of her sister, Mrs. Marshall Brown.

—news reel—  
Mr. and Mrs. Jim W. Loughby, who ranch northeast of Ozona, are in San Angelo attending the Sheep & Goat Raisers Assn. convention.

—news reel—  
Mr. and Mrs. W. S. Posey have returned to their home in Lubbock after a visit here with Mr. and Mrs. J. M. Baggett. Mrs. Posey is Mrs. Baggett's sister.

*"Me... a murderer?"*

People just like yourself become killers every day—and so could you! Want to know why?  
Ask any police official. He'll tell you that the people who are involved in fatal traffic accidents aren't habitual criminals at all!  
Mostly they're normal, respectable citizens who never had a real accident before!  
But—just that once—they ignored a stop sign... exceeded a speed limit... failed to stop for a school bus... or attempted to pass on a hill! And they wound up taking another person's life!  
Last year, 40,000 men, women and children died tragically on our highways—a terrible record!  
Can anything be done about it? The answer is YES... if you help!

**Here's how you can help stop traffic tragedies:**

- Drive safely and courteously yourself. Observe speed limits and warning signs. Where traffic laws are obeyed, deaths go DOWN
- Insist on strict enforcement of all traffic laws. Traffic regulations work for you, not against you. Where traffic laws are strictly enforced, deaths go DOWN
- Support your local Safety Council.

House Foreign Affairs Committee recommended a \$622 million reduction earlier this year, and the House reduction from the \$3.2 billion measure presented earlier this week brought total foreign aid slashes to date to almost \$823 million, or a reduction of 21%.

It appears fairly certain the House will have the chance to act on two major bills of far-reaching consequences prior to adjournment. Those bills: President Eisenhower's Federal-aid-to-Education measure, which was killed by the Congress last year, and Natural Gas Bill, which the President vetoed after the Congress passed it in a fight that was one of the most spirited in Capitol Hill history.

There is no way to predict the outcome of either of these bills, but it looks as if the House will have an opportunity to cast a "Yea or Nay" vote on these measures prior to adjournment. There is a growing sentiment among Members that adjournment may come during the period of August 15th to September 1st, rather than the October 1st period mentioned earlier. However, even those who wager are not placing their grocery money on an early adjournment date so things are

still very much unsettled and up in the air.

**Young Men Urged To Take Steps Now For AF Academy Appointment**

Qualified young men who will be at least 17 but not yet 22 years of age on July 1, 1958, may take the first step now towards competing for appointments to the United States Air Force Academy. For most candidates, that step will be to obtain nominations from their U. S. Senators or Representatives. Each member of Congress may nominate 10 qualified young men. All of the nominees in each state will then compete for the vacancies allotted to that state. Eighty-five per cent of all vacancies will be filled in these competitions among Congressional nominees. Similar competitions will be held among candidates in other categories, such as that for young men who are already members of the regular components of the Air Force and Army.

At stake are appointments to the fourth class of the Air Force Academy, which will begin training on June 27, 1958, at the Academy's temporary site on Lowry Air Force Base in Denver. Un-

der present plans, it is anticipated that this class will number 448 cadets. Nominations to this class will be accepted by the Air Force from July 1, 1957, to January 31, 1958. In view of the fact that Members of Congress and other nominating authorities require considerable time to evaluate applications and select their nominees, candidates should seek nominations as soon as possible.

A traveling salesman was Harry G. Blowe,  
Who could sell ice cubes to an eskimo,  
But he fell for a line slicker than his,  
From a new car salesman—wow! what a whiz!  
The car had style—years out of date,  
The features were new—back in '48!  
Harry's still smiling, the tears hardly show,  
But how he wishes he could get back his dough!

**Moral: Don't get "bargain-talked" into yesterday's styling and features!**

Like a lot of people, Harry was looking for a "good buy" in a new car. But no car is a bargain if it's outmoded before you drive it a mile. For the same money, Harry could have stepped up to a dashing Swept-Wing Dodge—so new it actually obsoletes other cars in its field. Obsoletes their high, boxy design with the low, low look of tomorrow. Obsoletes their old-fashioned features with such advances as Torson-Air Ride, Push-Button TorqueFlite and Total-Contact Brakes. So don't do what Harry did—please. See your Dodge dealer today.

**Ozona CAP Squadron Asks Charter; Plans Airport Dedication**

The Ozona Squadron of the Civil Air Patrol held a very interesting meeting recently at the Ozona High School. Several CAP officers from San Angelo attended the meeting, and explained in detail the activities of CAP, and the relationship between the various groups. Those attending were Lt. Col. R. R. Rohatsch, San Angelo, commander of Group 14, Maj. R. L. Holsumber, Maj. W. E. Killian, Maj. Irma L. Walker and Lt. L. R. Rutherford. Each spoke on various phases of CAP. Application for a charter with National Headquarters, Civil Air Patrol, Washington, D. C. has been submitted. The Ozona Squadron members whose names appear as charter members are: Maurice A. Lemmons, Squadron Commander; Troy L. Dale, Chaplain; Ralph E. Simon, Medical; George D. Mahon, Legal; William J. Carson, Richard

V. Ketchum, III, Clifton W. Talliferro, James L. Barbee, John Lee Henderson, Wayne W. West, John R. Barbee, Vernon M. Harlan, Bob F. Scott, Marion E. Williams, Charles E. Lilly, Oliver E. Berry, Pleas L. Childress, Richard H. Webster, Byron C. Williams and Helen R. Coker.

Plans are being made for the dedication of the Crockett County Airport about the middle of September. Several Cadet Squadrons are being invited from surrounding areas, as well as regular Senior Squadrons.

The next regular meeting of the Ozona Squadron will be held Tuesday night, 8:00 p. m. in the Administration Bldg. at the County Airport.

**LUTHERAN CHURCH NOTES**

The Rev. Luther Roehrs pastor of Trinity Lutheran Church, Eden, will bring the message at the Worship Service of Hope Lutheran Church meeting in St. John's Episcopal Church in Sonora, at 4:00

p. m. Sunday afternoon. He has chosen as his theme: "The Righteousness That Saves," on the basis of the Gospel for the Sixth Sunday after Trinity, Matt. 5:20-26. Sunday School and Bible Class for all age groups will meet at 3:00 p. m. Members of the Bible Class will continue their study of "God's Will and I."

At 6:00 p. m. coffee and cookies will be served in the Parish Hall of St. John's at which time future plans of the congregation will be discussed. Also more definite plans pertaining to the week of Evangelism Services which are planned for early fall will be laid.

Pastor Roehrs will remain in Sonora Sunday evening so that he might make calls on Monday morning in Sonora; he plans to spend the greater portion of the day in Ozona and will visit some in Edorado either Monday evening or Tuesday morning. If anyone has any spiritual problem and has no one to advise him, Pastor Roehrs will be happy to serve. You can leave word for him to call by con-

tacting the Western Motel in Sonora or addressing a card or letter to him at Box 345, Eden, Texas.

"The school play had a happy ending —" — M. Tuttle.

"Much of his been less a opera." Lake Noy.
