School Enrollment To 975; 3 New Teachers Are Added To Faculty

Enrollment figures continue to climb in Ozona schools, Supt. L. E. T. Sikes announced this week.

An overcrowding of pupils in the kindergarten and first grade of the North Elementary has necessitated the employment of two new teachers for these grades, the shift of one from kindergarten to first grade and two new teachers, one part time, for the kindergarten.

Mrs. Lola Cleere, who has been teaching the kindergarten, has been shifted to the first grade, to make three sections in that grade, and Mrs. M. A. Barber has been employed full time and Mrs. Charles Womack part time teachers in the kindergarten. Mrs. Twila Gotcher is kindergarten director. There are 65 pupils in the North Elementary first grade and 55 in kindergarten.

One new teacher is to be added to the Lockett school also to relieve the present two-teacher staff, Mr. Sikes said. The new teacher will report next week.

Big Lake Owls Cop Opener 16-6 From Ozona Lions

Sutton Brilliant Performer For Outmaneuvered Locals

By Ernie Boyd

The Big Lake Owls took advantage of a lapse in the Ozona defense in the third period Friday night and pushed across two quick touchdowns to spoil the season opener for Ozona 16 to 6 in Big Lake.

Up until the sudden explosion the game had been dominated by the Lions, who missed two first half scoring chances and finally cracked into the scoring column on Bobby Sutton's brilliant 65 yard sprint in the first play of the last period.

Big Lake added two unimportant points in the last quarter when they swarmed Sutton in the end zone for a safety.

Despite the loss, the Lions looked much better than many observers felt they would in view of the loss of Stan Williams at the critical quarterback post. Williams who has been showing promise of being a much better quarterback than last season as well as being an outstanding defensive back, was missed by the Lions but the highly capable Bobby Sutton did an outstanding job of directing the ball club, and got fine play from Humberto Cervantes and Dizzy Reeves.

The Lions started quickly and on the second play of the contest Cervantes found a gaping hole and rambled 38 yards before being hauled in from behind. On the next play the Lions fumbled and the threat died.

Big Lake could not move the ball and Ozona took over and marched to the Big Lake 19 on the runs of Cervantes, Reeves and a timely jump pass from Sutton (Continued on Page Three)

Former Ozona Woman Killed In Fall From Horse In California

Funeral services were held here last Thursday afternoon for Mrs. Alicia Ramirez Castillo, a former Ozona resident, who was killed August 31 at Los Altos, Calif., where she and her husband and children lived.

Mrs. Castillo was fatally injured when she fell from a horse on a farm where Castillo was employed. The horse was gentle and Mrs. Castillo is believed to have fainted and fell from the saddle. She landed on her head and suffered a broken neck, dying a few hours later in a Los Altos hospital. She is survived by her husband and two children, her parents, Mr. and Mrs. Alfonso Ramirez, of Ozona and several brothers and sisters, also living here.

PLANNING AIRPORT DEDICATION — Pictured in conference beside their plane at Mathis Field in San Angelo, where they had gone to complete arrangements for Air Force participation in Sunday's air show and airport dedication here, are four officials of the Ozona Squadron, Civil Air Patrol. They are, left to right, Bob Scott, Jimmy Barbee, Dr. M. A. Lemmons and Mrs. Helen Coker. Dr. Lemmons is the squadron commander here.

District Court Meets Monday, Sept. 16; Petit Jury Dismissed

Despite the Stockman's announcement in last week's issue that the September term of district court would convene last Monday, District Judge Jim C. Langdon persisted in not showing up until the officially set date of Monday, Sept. 16, thus forcing this newspaper to admit that it finally made a mistake.

Judge Langdon will impanel the jury Monday morning at 10 o'clock and will hear non-jury matters. The petit jury, summoned originally to report Thursday morning, Sept. 19, at 10 a. m., has been dismissed until further notice and will not be required to report next week.

Texas Co. Discovery In Todd Field Area Flows 118 Bbls. Daily

The Texas Co. No. 2-A-NCT M. A. Shannon, in 11-10-GC&SF, Crockett County unidentified Permian discovery between the Todd, North (San Andres) and Todd Deep fields, 18 miles northwest of Ozona, was finished for a daily flowing potential of 118.22 barrels of 33.9 gravity oil, no water, with gas-oil ratio of 515-1.

Production was through a 20-64-inch choke and perforations between 1,440-480 feet in 5 1/4-inch casing cemented at 1,738 feet, on total depth of 1,750 feet. Plugged back depth is 1,604 feet.

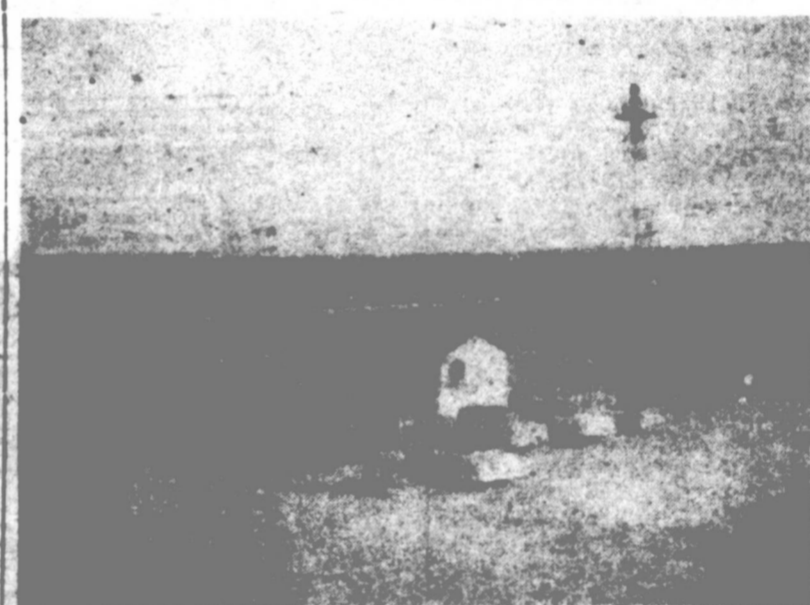

Top of pay was picked at 1,440 feet on derrick floor elevation of 2,446 feet. Tubing pressure was 25 pounds; casing pressure, 200 pounds.

Pay section was acidized with 4,000 gallons. The Todd, North (San Andres) field produces from pay at approximately 1,828 feet.

Showers Cool Area But Moisture Skippy

Weather disturbances which have caused showers of varying intensity, from sprinkles to deluges, over a wide section of Texas during the last week, have swept away the summer's heat.

Ozona shared in the shower activity meagerly, a half inch fall being recorded here last Friday night. But while showers were coursing across this area last night to bring heavy rains across a wide section of this area, none of the moisture came to Ozona or nearby. However, heavy clouds this morning and the weatherman's promise of more showers gave area ranchmen hope for moisture.

SERVICE CENTER — The administration building and tower at the modern Ozona airport. The landing strip may be seen in the background and just above the horizon, above the left corner of the building, may be seen a plane taking off from the runway.

Dam Contractor Reported Missing; Statewide Alert

Ed Houst Last Heard From Aug. 15; Search Under Way

Ed Houst, contractor on Site No. 2 flood control dam on Johnson draw, contract No. 3, is reported here to be missing since August 15 and is the object of a statewide alert among officers, according to information in the hands of local officials responsible for the dam construction program.

Mr. Houst was last heard from at Marshall, Texas, on August 15 when he called his wife in Jefferson. He is said to have made regular telephone reports to Mrs. Houst when he was away from home and when she did not hear from him for several days she notified officers and a statewide search is on for him.

Meanwhile, work on the \$134,000 contract on the dam here has been suspended. Officials here have been in touch with Mrs. Houst and she has notified them that she and her attorney will be here early next week to reach some agreement whereby the dam construction can proceed in the event Mr. Houst is not found by then.

In the event it becomes necessary, local officials said, the contract can be sub-let or turned over to another contractor. Several contractors have indicated willingness to take over the contract. The Houst firm had been paid about \$5,000 for completed work, less a 10 percent hold-back to insure final completion.

4-H Feeders Have Best Prospects For Winners In Major Shows of 1958

Twenty-three Crockett County 4-H Club Members have feeding projects underway for the coming show seasons. On feed at the present time are 82 mutton lambs, 16 commercial finewool ewe lambs, 54 Registered Rambouillet lambs, 4 fat steers, and 6 Registered Hereford Heifers.

Quality of show prospects on feed far exceed previous years and 4-H members are looking forward to having some show winners this coming Spring, commented county agent Pete Jacoby.

4-H members with feeding projects underway are Bill Black, Billy Troy and Larry Williams, Pierce and Jay Miller, Joe Everett, Pam Jones, Herbie and Freda Kay Noelke, Bob Childress, Frank Childress, Bill and David Jacoby, Bryan Montgomery, Jimmy Baggett, Mark and Penn Baggett, Fred Baker, Howard Mock, Joe Boy Chapman, Paul and Pam Perner, and R. B. Ingham, III.

CROCKETT COUNTY HOSPITAL NEWS

Patients admitted to hospital since September 8rd: Dixon Mahon, Ozona, medical; Florentino Ochoa, Ozona, medical; Alvin Bell, Ozona, medical; Mrs. Bob Franklin, Ozona, surgical; James Montgomery, Ozona, surgical; Mrs. H. R. Trancy, Ozona, obstetrical.

Patients dismissed: Mrs. Jennie Hohl, Mrs. L. D. Long and infant son, Jess Garza, Mrs. Tom Allen, Jerry C. Pate, Mrs. O. B. Pate, Diana Mahon, Florentino Ochoa, Alvin Bell.

Ozona Airport Dedication And Air Show Sunday

U.S. Air Force To Cooperate In Spectacular Events

Ozona's modern airport, made possible largely through the generosity and interest of one man, Dick Henderson, who gave the land on which it is located and spent a considerable sum of his own money in equipping it, will be formally dedicated next Sunday at an air show and program which is sponsored by the Ozona Squadron, Civil Air Patrol.

Featuring demonstrations by the United States Air Force and display of some of the modern Air Force planes, the day's activities will include a fly-in barbecue dinner for visiting airmen, expected from Texas, New Mexico and Oklahoma, a parachute jump by a former paratrooper, spot landing contests and other air show features.

Civil Air Patrol officials from Fort Worth, San Angelo, Brady and other West Texas points will attend the day's program. Col. R. H. Rohatsch of San Angelo is coordinator of the CAP program in this area and Major R. L. Holsomback of Goodfellow AFB will direct the Air Force participation. An admission charge of \$1 for adults and 50 cents for children will be charged to help defray the expense of staging the show and dedication.

Newly built, the Ozona airport, located a half mile north of the city, has a 3,600-foot paved runway, three tie hangers, another sheet metal hanger and an administration building, with paved apron and taxiways.

Radio facilities, a homing beacon and lights for the strip offer passing pilots the best of service at the local airport. The airport even offers 90 octane gasoline, generally found only at the larger airports.

The airport was at first a private strip, built by Dick Henderson near his ranch headquarters. It was already well equipped, with radio facilities, beacon and services facilities. Under an agreement between the county and Henderson, the county agreed to pave the strip and maintain the port, leasing it back to Henderson, who operates the Southwest Flying Service. Present airport manager is Paul Gibbs. Seven planes are based at the airport.

Much of the maintenance work at the airport now is done by members of the newly formed CAP unit. There are 29 senior members and a cadet group is being organized.

Officers in the unit include Dr. M. A. Lemmons, Commander; Walter Cawyer, adjutant; Helen Coker, public information officer; Jim Coker, commandant of cadets; Jimmy Barbee, supply officer; Dick Webster, communications officer; Dillen Merritt, operations officer; Dixon Mahon, legal officer; Ralph Simon, medical officer; Wayne West, finance officer; Gerald Dingus, training officer; and Troy Dale, chaplain.

On display for the dedication will be a B55, a helicopter and T28 from Goodfellow AFB, plus other Air Force equipment. A mobile tower from Goodfellow will be hooked on to the public address system and spectators will be able to listen to air traffic control.

Four major contests have been scheduled for the day. These include balloon bursting, ribbon-cutting, flour-sack bombing and spot landings. There will be an overhead salute from the Air Force in a group of B-47 bombers and a T28 Jet fighter which will break the sound barrier.

The actual dedication ceremonies will be at 1 p. m. with the military section of the program at 3 p. m.

Baggett and Sue Pate, son and daughter of Mr. and Mrs. Pate, Pate of Austin, were here to work to visit Mr. and Mrs. Baggett and family.

U.S. Highway 290

Proposed Parallel Parking

The County Commission has authorized the construction of a new, wider and longer highway over Johnson U. S. Highway 290.

J. A. Snell, district highway engineer, stationed at San Antonio, advised Judge Houston in a letter received early this week that the highway was taken following the approval by Crockett county of an aid to completion of the Conservation Service improvement program on draw through the town.

In connection with the patrol program on the highway under way, the wider highway has long been recognized as a spot, too, by highway engineers to reduce a dangerous traffic.

Part of the new bridge, construction of which is expected to be completed as engineering plans are completed and a contract estimated at \$70,000 by the county.

The new bridge is to be considerably wider than the present one, Mr. Snell said, the Highway Department has requested the County Commissioners to order parallel parking midway from the city park bridge. This will be necessary to make the department safe, to make use of the effective width of the street as a bridge approach, are pleased to inform you," he wrote the Crockett county, "that the State Highway Commission, by Minute No. 42400, August 28, 1957, authorized construction of a bridge at Johnson Draw in Ozona on U. S. Highway 290 at an estimated cost of \$100,000.

The proposal to construct a considerably wider than the present structure and to function properly it will be necessary to use the full effective width of the street, which will require parallel parking. At such a time as we proceed with the development of these plans, it will be necessary for the County to enter into an agreement providing for parallel parking on U. S. Highway through Ozona."

Lions At Coahoma Face Another Tough Competitor

Friday Night Game Has Many Hazards For Hungry Ozonians

By Ernie Boyd

The Ozona Lions will travel to Coahoma this week to meet the Coahoma Bulldogs in the third game of the season for the Lions.

The Lions emerged from last week's tussle with Big Lake without any injuries but it is not expected that quarterback Stan Williams will be ready this week.

Williams, a senior letterman, is expected to be one of the outstanding men in the Lion offense, but he has been recovering from treatment last week and it is hoped that he will be ready for Ft. Stockton next week.

Coahoma, the Lions will be facing a team that might be as good as Big Lake, and the coaches are expected to work in Big Lake plus a lot of ambition to break into the wire column this week.

The game will be the third in a series for the Lions and even though Ozona has captured the lead in the series, both teams have been hotly contested games.

With the game, a fine winning streak, provided the Lions can hold their own.

WILL REUTHER "TAKE THE FIFTH"?

Labor Day, 1957, brought forth
the usual oratorical hogwash on
the nobility of Labor from Presi-
dent Eisenhower down to the u-
nion leaders, than some of which—
recently on display — you can
hardly get lower.

But, among all the commenta-
tors noted by the press, at least,
one made sense. This was Senator
Barry Goldwater who observed
during the NBC "Meet the Press"
TV program that UAW President
Walter Reuther, who visited Rus-
sia 30 years ago, should have stay-
ed there. The Senator explained he
was being facetious and "thought
that because of his beliefs he
might be happier there." Certain-
ly many of his fellow citizens
would be happier to have him
there.

More seriously, Senator Gold-
water said we can't trust Reuther
"because of his socialist beliefs,"
and added: "He's never denied
them." Reuther will be called be-
fore the Senate Select committee,
of which he is a member, said the
Senator, where he may be asked
about his control of the Democrat-
ic Party in Michigan and his in-
fluence in the Party nationally.

A UAW spokesman (Reuther is
in England) reported: "This is
typical Goldwater nonsense. It
doesn't deserve a reply."

Whether this means that Reu-
ther, like some of the exalted la-
bor figures who have preceded
him on the hot seat will wrap
himself in the folds of the Consti-
tution remains to be seen. But
when the time comes, Senator
Goldwater might explain to him
that while the Fifth Amendment
is an escape hatch from prosecu-
tion, it is also the doorway to polit-
ical oblivion.

The State Department will soon
welcome Communist tourists with-
out the indignity of finger-print-
ing. We agree that this was a
silly requirement — when "offi-
cials" (about 200 came in from
the USSR last year) have been
exempted from this routine all a-
long. But we still don't see any-
thing wrong with finger-printing
all of them.

The Action of Arkansas' Gov-
ernor Faubus, according to the
Washington Post, is "tragic for
the South as well as for the na-
tion as a whole," and concludes
that if "he persists in fowing this
wind, he may reap a whirlwind
for the South."

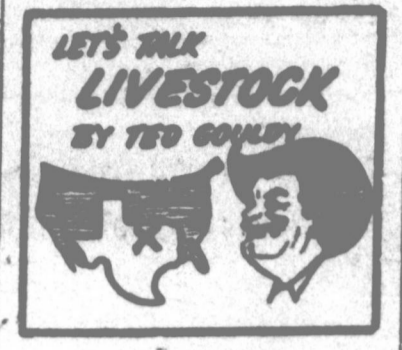

This is obviously a fine, stirring
note on which to end an editorial.
But we suspect the writer's true

**Western Cattle Movement
Hits New High Monday**
FORT WORTH — Despite the
fact that cattle numbers going
to market in the Southwest con-
tinue to be below normal this year,
the other parts of the nation are
proceeding to cash fully normal
numbers. The nation's twelve ma-
jor livestock markets reported o-
ver 145,000 cattle and calves Mon-
day, the largest of the Fall sea-
son. Chicago with 25,000 and Oma-
ha with 23,000 led in numbers.

Cattle prices were inclined to
weakness at virtually all points
and despite relatively light num-
bers prices at Fort Worth were
lower on steers and cows. Fed
steers closed 50 cents lower and
cows closed 50 cents to \$1 off.
Bulls were fully steady.

Slaughter calves and stocker
and feeder classes of cattle con-
tinued to sell steady at Fort Worth.
Good and choice slaughter steers
and yearlings sold from \$20 to
\$23.50, and common and medium
offerings sold from \$13 to \$19.
Fat cows drew \$12.50 to \$14, and
canners and cutters sold from \$8
to \$12.50, with some shelly light-
weights attracting bids below \$8.
Bulls sold from \$11 to \$15.50.

Good and choice slaughter calves
bulked at \$17.50 to \$20, and com-
mon and medium offerings sold
from \$12.50 to \$17.50. Culls sold
from \$10 to \$12. Stocker steer
calves of good and choice grades
sold from \$19 to \$23; heifer calves
ranged from \$21 downward. Stock-
er steer yearlings sold mostly from
\$20 downward, a few lighter
weights to \$20.50.

**Feeder Lambs Rally;
Slaughter Type Lower**
There was a flurry of activity on
stocker and feeder lambs at Fort
Worth Monday, with some shear-
ing type feeders getting to \$20,
and the trade in general was 50
cents to \$1 higher on replacement
lambs. Good to choice feeder lambs
cashed at \$18 to \$20, those at the
higher figure at 65 pounds. Some
heavy feeders of near 80 pounds
drew \$19.

Slaughter lambs were 50 cents
and spots \$1 off. Yearlings and
aged wethers were 50 cents to \$1
off. Old ewes held steady.

Good and choice slaughter lambs
sold mostly from \$20 to \$21.50,
with a few to \$22.50. Cull to me-
dium slaughter lambs sold from
\$13 to \$19. Stocker and feeder
lambs cashed at \$17 to \$20, and
good to choice yearling wethers
sold from \$16.50 to \$17.50, with
cull to medium sorts from \$12.50
to \$16.

Aged wethers sold from \$10 to
\$13.50. Slaughter ewes cashed at
\$7.50 to \$9. Aged bucks sold a-
round \$6.

Football Review To Be Weekly TV Feature

A new and different kind of
program will be offered football
fans in the Southwest beginning
the week of Sept. 16 when Humble
Oil & Refining Company's "Foot-
ball Review" begins its 13-week

fall television schedule.
The new 30-minute program will
temporarily replace Humble's
"Texas in Review," and will ex-
tend telecasting area to include
New Mexico.

Kern Tipton, nationally known
sportscaster and veteran South-
west Conference football announ-
cer, will host the program. The
new format will continue to in-
clude Tipton's colorful description of
football action from each week's
Southwest Conference games and,
in addition, will bring outstanding
personalities before the camera

A NEWSPAPER WAS A RARITY IN MANY AMERICAN COMMUNITIES

Then—a newspaper was a thing to be marveled at—for memories of the Press' fight for freedom were fresh in mind. Although newspapers are common in our country today, their existence should not be taken for granted. It is a wonderful fact that almost all of our modern communities have their own hometown newspapers, freely edited by members of their own communities—spreading the news, stimulating the business of the community, and keeping their readers informed of important events elsewhere. It is well to keep in mind that a free press and a free people are an unbeatable team.

PLAN FORUM YEAR — Mrs. Joe Tom Davidson, president, and Mrs. T. J. Bailey, publicity chairman, look over the new 1957-58 year-book of the Ozona Woman's Forum at the opening meeting of the group which kicked off the new club season Saturday morning at a breakfast. The program theme for the year is "What's Cooking?"

**ADVERTISING BEGINS TO PAY OFF —
Sheepmen Back Nationwide Promotion Program
To Increase Use Of Products, Lamb and Wool**

Lamb and wool, two agricultural products that are not in oversupply, are finding new customers, thanks to a program developed by sheepmen to promote and advertise their products.

It's a big change from green fields and feedlots to advertising and promotion, but Sheepmen saw the need for bolstering interest in their products if they ever hoped to increase production of sheep. Sheep numbers have declined steadily since 1941 as costs of operation, low tariffs, and OPS restrictions during the war years strapped sheep raisers with heavy burdens. Lamb makes up only 3 percent of the total red meat supply, while domestically grown wool provides only one-third of the to-

tal consumed in the U. S.

In the fall of 1955, sheep growers formed the American Sheep Producers Council, an organization dedicated to the promotion of lamb and wool. Headquartered in Denver, and supported and governed by sheepmen, the council has set a fast pace to spark new life into lamb and wool sales.

Sheepmen pay into the promotion fund approximately 2 1/2 million dollars annually. This money is used to promote and advertise wool and lamb and administer the program.

The funds paid into the promotion program are actually deducted from an incentive payment the sheep grower receives for his wool

under the National Wool Act of 1954. Money for the incentive payment program comes from duties on imported wool, so that foreign wool producers are actually helping to bolster the American sheep industry.

Promotion work by the council includes a staff of seven lamb merchandising men who work in 15 cities contacting packers, processors and retailers to create interest in the sale of lamb. In addition, home economists in the promotion cities work hard to interest the consumer, principally Mrs. Homemaker, in lamb. They conduct cooking schools, address college and high school home economics classes, make radio and television appearances and speak before countless women's groups

in their respective cities.

All the promotion work forms a solid foundation for the advertising, which is designed to attract consumers to the use of lamb by displaying recipes of numerous lamb dishes.

In addition, colorful display posters are provided for retail meat markets, and millions of lamb recipe folders have been distributed to housewives. Recipes are available without charge by writing to the American Sheep Producers Council, 909 — 17th Street, Denver 2, Colorado.

Wool comes in for its share of promotion and advertising, and the program has helped produce desirable results with increased consumption of wool. Because wool is a universally accepted quality

product, advertising and promotion is conducted on a nationwide scale with consistent emphasis on the slogan, "nothing measures up to wool."

Sheepmen have come to realize that "building a better mousetrap" is not the only solution to more sales of their products. They have quality products, but it takes a program of promotion, advertising and education to show consumers that lamb's the meat to eat and wool's the fiber for wear.

LADIES BIBLE CLASS

Members of the Church of Christ Ladies Bible Class met Wednesday morning at the church. Frank Lilly is teaching the class on the life of Christ. Present were Meses. Paul Hall-

comb, Bill Johnson, P. K. son, J. W. Owens, O. L. Roy Miller, Frank Lilly, Moreland, Clyde Thomas, Brown, Ed Cranfill, J. A. Charles Schneider, Perry, Armond Hoover, Colman, Rob Miller, Jack Jerry Phelps and J. E. H.

BEST NEWS IN TOWN!

A GOOD FEED at a GOOD PRICE...

Yes, it is good news when a quality feed like Check-R-Mix can be made and sold locally for such a good price. We're able to do it only because we mix local grain with Purina Concentrates right here at our own mill.

We're equipped to accurately make Check-R-Mix feeds on formulas approved by Purina Research. These "recipes" are based on Purina's many years of mixing local grain with Purina Concentrates. With the Check-R-Mix line, we'll help you work out a feeding program that calls for a mighty small cash outlay. You'll be surprised when you find out how far Check-R-Mix can stretch feed dollars.

Look for Check-R-Mix Feed in those bright new bags like the one shown here. You'll find Check-R-Mix at the Store with the Checkerboard sign!

equalled, although 1926 was a record year to then. This year, building has been confined chiefly to residential structures. Two business buildings have been built, the Couch building costing about \$50,000 and the W. E. Smith building. Among projects recently completed or now in progress are the Paul Perner residence, costing about \$25,000; a new Baptist church of brick, costing about \$35,000; a new stucco residence for Bascomb Cox, costing about \$12,000; a new stucco tile home for Wayne West, costing around \$25,000; a stucco residence for Joe Oberkamp, costing around \$8,000; a stucco residence for W. E. Friend, a stucco duplex apartment for Houston Smith, a stucco bungalow for Ernest Dunlap, a new frame residence for Roy Parker, a frame residence for Joe North and several other homes being contemplated.

Officers were elected by the high school classes this week. Senior class officers include Arthur Kyle, president; P. C. Coates, secretary, and Mildred Miller, vice president. Juniors: Wayne Augustine, president; Kaleta Cox, secretary, and Henry McGhee, vice president. Sophomores: Walter Kyle, president; Josephine Longley, secretary, and Elmer Schwalbe, vice president. Freshmen: Lucille Rogers, president; I. E. Cross Jr., secretary, and Joe Sellers Pierce, vice president.

Lions At Coahoma

(Continued from page one)

to Coahoma and scored quickly only to have to stave off the Bulldogs in a number of goal line stands before Bobby Sutton broke up the game with a long punt return to give the Lions a 20 to 6 win. The Bulldogs that night displayed a fine back named White who ripped the Lions for 100 yards rushing and scored one touchdown in the losing cause.

Last year in Ozona the Lions again jumped into a quick lead only to see the Bulldogs with the same White leading the way go ahead 14 to 13. White was injured in the second quarter and the Lions eventually pulled ahead to win.

This year the Lions will face the same White who is rated a much better back than any Big Lake showed last week.

The Bulldogs favor a single wing but also run the T some. They are big and last week won 39 to 0 without having to half

try. With Williams out, Coach Pete Hickman will have Bobby Sutton at the quarterback slot where he may get some help from Soph Johnny Jones.

At the half back posts, the Lions will have Cervantez and Sikes with Reeves at fullback. Reeves and Cervantez both turned in good jobs last week and Reeves may get some help from Jake Young this week.

At offensive ends, the Lions will have Jerry Jacobs and Jake Young with Rodney Franklin and Mark White at the tackles. Billy Bob Holden and Kenneth Deland will start at the guard posts and Buddy Ingham at center.

Defensively the Lions will change around a little with Johnny Cooper and Adolph Rivera along with Clayton Friend getting into the game. In the backfield Ronnie Paulk will relieve at half back. Kickoff time will be at 8 p. m.

Lampasas Expresses Appreciation For Aid In Flood Disaster

A Certificate of Appreciation "to the People of Ozona, Texas" has been received from the City of Lampasas expressing appreciation for the assistance sent to that city following its recent disastrous flood.

Signed by the mayor of Lampasas, R. L. Northington, the Certificate of Appreciation is "in behalf of a grateful citizenship in acknowledgment of unselfish aid and generosity received in a time of great need and distress."

"Through the moral and material contributions made by the above named recipient and others, our beloved city will again thrive and flourish."

"The solace of our calamity is a great awareness and deeper appreciation of the great good of mankind and their response to one another in times of need, as so aptly demonstrated by the friends here named."

The certificate is dated the 30th day of August, 1957, and "signed for the People of Lampasas, Texas," by Mayor Northington.

The deep feeling of gratitude expressed in the certificate strikes a note of harmony in the breasts of many Ozonans whose memories go back to June of 1954 when this city suffered a disaster even greater than that at Lampasas and came out with a "great awareness and deeper appreciation of the great good of mankind and their response to one another in times of need."

A note from Mrs. Abe Caruthers to order The Stockman sent to them at their new home in Buffalo, Wyoming. "Hope everybody has had good rains," Louise writes, "I know it must have rained there by now for we have had rain for a week here. Our boys are having the time of their lives wearing rain coats and overshoes. I know the novelty will wear off, but we can't be blamed for enjoying this rain and cool weather." The Caruthers recently sold out their holdings here and bought a ranch in Wyoming.

Mr and Mrs. Kit Pettigrew have recently moved to Phoenix, Ariz., from Tucson to make their home. Mrs. Pettigrew, the former Dixie Beth McMullan, was a recent visitor with her parents here. Mr. and Mrs. Frank McMullan.

Woman's Club Holds Business Meeting To Outline Year's Work

Ozona Woman's Club members met Tuesday afternoon in the school cafeteria for a business meeting preliminary to the opening meeting of the new club year on Sept. 16.

The club president, Mrs. L. B. Cox, Jr., presided at the meeting. Mrs. Stephen Perner gave a report from the Federation News on the General Federation Convention in North Carolina. Memorial plaques are to be placed at all trees and shrubs on the Hospital grounds which were given as memorials, the club decided. The Woman's Club sponsored the hospital grounds improvement program.

Mrs. Stephen Perner was appointed as membership chairman. The club voted to give \$25 to the City Welfare Association.

The opening program meeting of the club will be on Sept. 16 at the home of Mrs. Ira Carson, with members of the program committee as hostesses. The year's program theme, "Amigas Around the World", will open with a program on Hawaii.

Attending the business meeting were Mmes. L. B. Cox, Jr., Roy Killingsworth, J. A. Fussell, Eldred Roach, P. T. Robison, A. C. Hoover, P. O. Hatley, Stephen Perner, O. D. West, Ted White, J. W. Henderson, Tom Clegg, Ben Lemmons, Joe Pierce, Jr., Chas. Williams, Sr., S. M. Harvick, Bailey Post, and Mrs. Nora Gee of San Angelo.

WILLING WORKERS CIRCLE MEETS FOR MISSION STUDY

The Willing Workers Circle met Wednesday morning with Mrs. W. D. Cooper, with Mrs. R. A. Harrell assisting the hostess. The program theme was "Mission Cinema," the geographical march of missions, and was directed by Mrs. V. I. Pierce.

The call to worship was a prayer by Mrs. R. A. Harrell. Our Own Part in the World Community, with a map study of Methodist mission work was given by Mrs. H. B. Tandy. Our Churches, Missions and Missionaries Around the World was the topic of a talk by Mrs. L. B. Cox, Jr. Special emphasis this quadrennial is on Bolivia, Korea, Belgian Congo and Sarawak in Borneo. The meeting closed with prayer.

Mrs. Clay Adams is Circle chairman; Mrs. W. D. Cooper, vice chairman; Mrs. Leroy Russell, treasurer; Mrs. R. A. Harrell, spiritual life, and Mrs. Joe Pierce, secretary and publicity.

Next Wednesday, Sept. 18, the new study, "The Kingdom Beyond Caste," under the direction of Mrs. Bailey Post, will be held at the church at 9:30 a. m.

Those attending were Mrs. Lindsey Hicks, Mrs. N. T. Wright, Mrs. O. D. West, Mrs. J. W. Henderson, Mrs. Ewart White, Mrs. Fred Deaton, Mrs. S. M. Harvick, Mrs. R. A. Harrell, Mrs. H. B. Tandy, Mrs. Matt Fox, Mrs. Joe Pierce, Mrs. Bailey Post, Mrs. Leroy Russell, Mrs. V. I. Pierce, Mrs. L. B. Cox, Jr., Mrs. Clarence Rasberry, Mrs. W. D. Cooper, and Mrs. Nora Gee of San Angelo.

Ozona Mexican Baptist Church Named Winner Of Achievement Award

DALLAS — The Templo Bautista Jerusalem at Ozona has been named winner of the Town and Country Achievement Award sponsored by the Castle Gap Baptist Association, spokesmen said in Dallas.

The church is now competing with other associational winners in District 7 of the Baptist General Convention of Texas. Both district and associational winners will be recognized at the annual state convention in Fort Worth, Nov. 5-7, when the first place state award will be made.

The Jerusalem church is one of 335 Texas Baptist town and country churches participating in the competition this year.

The award is designed to stimulate interest in small-church work, to recognize outstanding achievements by pastors and churches and to help Texas Baptists broaden their concept of Christian responsibility.

Winning pastors in each district will receive a parchment scroll and the church a metal plaque which may be displayed in a prominent position outside the building.

Top state award last year went to Pastor Robert Wimpee and the Taylor's Valley Baptist Church in Bell County.

*A Tribute . . .
 To Our Women's Clubs!*

Those groups of our local women who have organized themselves into Clubs, deserve the unstinted commendation of all of us! There are bridge clubs. There are self-improvement clubs. There are clubs whose charitable work among the needy exemplifies the finest traits of American womanhood. Most of these are home women, women with families and all the cares of home management. Yet they find time for richly-deserved recreation, as well as charitable and civic activities. They are making the most of their busy lives . . . and we heartily applaud their feminine proclivities. Let's give them generous support whenever they request it!
