Open Home Fri. Night at Stockton

To Be Back-up for First Appearance

By Ernie Boyd

Ozona Lions will open their season Friday night as off against the Ft. Stocktoners at Lion Stadium at 8 p. m.

Lions will be facing a club that had two touchdowns on last week before a second by the Big Lake club on a 20 to 14 win.

According to scouting reports, Stockton team will be about the size as the Ozonans but a bit faster than was Big Lake.

Lions are expected to go for a day's game in the best they have been in this season. The thin Lion backfield will be one regular on the line and his condition will be a factor until later this week.

Lion offense will be bolstered by the return of Stan Wilcox to the quarterback slot. Wilcox is also one of the fastest in the squad and one of the best defenders on the squad. Reeves, the team fullback, injured on the first play last week and his ankle is responding to treatment. He may be back by Friday but will miss the work this week.

Reeves is unable to play. Humberto Cervantez will take the fullback and David Sikes will out the backfield at the halfback post.

Lion squad rose to 33 Monday afternoon when Jesus Ramos, letterman guard, reported practice.

Lions will start the same this week that started last week except for Williams and post-Reeves. Offense it will be Young Jacobs at ends, Franklin and Deland at tackles, Deland and Sikes at guards, and Buddy Ingat at center. In the backfield, Sikes will be Williams, Sutton, and Sikes.

Lions Booster Club Form Ranks Friday Night For Game Start

Members of the newly formed Ozona High School Lions Booster Club, the men's organization whose purpose is to boost Ozona High School athletic teams, will gather at the north end of the stands shortly before game time. Friday night to form a cheer corridor for the Lions as they take the field at the Fort Stockton Panthers.

O. (Left) Walker, club president, has asked that all Booster Club members assemble at the north end of the home stands not more than five minutes before 8 p. m. Friday night to cheer the team to the playing field.

The Booster Club was host at the pre-season barbecue supper at the girls gym recently honoring the football squad, their coaches and dads.

Mrs. Scott Peters is here this week from Arlington for a visit with her sister, Mrs. Floyd Henderson, and family. Mrs. Peters is giving greetings to friends here from two former Ozonans, Mrs. I. Rape and her son, Dr. Joe Rape, who is living in Arlington. Dr. Joe is a member of an Arlington club and Mrs. Rape's other son, Dr. Marvin Rape, is a urologist practicing in Houston. Mrs. Rape's address is 608 Westview in Arlington.

No Action Yet Toward Resuming Contract On Site Two Flood Dam

No definite action has yet been taken toward bringing about resumption of work on the contract for construction of Johnson Draw flood control dam at Site No. 2, suspended recently with the disappearance of the contractor, Ed Houst of Jefferson, Texas.

Mrs. Houst and an attorney were here early this week to confer with county and Soil Conservation Service officials relative to working out a plan to sub-let the contract or secure a new contractor to take over the contract at the award total.

Mr. Houst was reported this week as still missing. He was last heard from by Mrs. Houst who talked with him by long distance telephone on August 15. The contract on the Site 2 dam was awarded to Mr. Houst on June 5 on his bid of \$134,220.70. He had collected less than \$5,000 on completed work.

Dr. F. T. McIntire Loses Foot As Result of Gun Accident at San Angelo

Dr. F. T. McIntire, senior member of the staff of San Angelo Medical and Surgical Clinic in San Angelo, who started his West Texas medical practice in Ozona, underwent surgery in Shannon Hospital Monday for removal of his right foot and part of his lower right leg about five or six inches below the knee.

Decision to remove the foot was reached at a conference of attending physicians and surgeons Sunday and the operation was performed Monday morning. At last reports from Dr. McIntire's bedside at midweek, he was in satisfactory condition.

Dr. McIntire suffered injury to his foot when a high powered rifle fell from a rack and a bullet discharged at his place on Christoval road where he had gone to relax on his day off. He underwent emergency surgery immediately and physicians delayed the amputation for several days in the hope of saving the leg.

Lions Even Up Season With 20-14 Win Over Coahoma

Johnny Jones Sparks At Quarter to Loose Sutton Sprints

By Ernie Boyd

The Ozona Lions, stung by an early first period touchdown drive by the Coahoma Bulldogs, struck back Friday night, winning their first game of the season 20 to 14 over a fine Coahoma team.

Sophomore Johnny Jones took over the critical quarterback post this week and in his first high school appearance moved his team to three touchdowns, setting up two of the scores with passes to ends Jerry Jacobs and Jake Young.

Bobby Sutton, returning to his role as star halfback for the first time this season, scored all three touchdowns and kicked two of the three extra points. Sutton was the game's leading ground gainer with 174 yards, eighty-one of which came on a beautiful scoring sprint down the sidelines to clinch the win.

The Lions lost another score in the third period when Jerry Jacobs fielded a fumbled kick and dashed 75 yards for a score only to have the play rubbed out due to an offside penalty.

Ozona won the flip and chose to receive. Coahoma's kick was returned to the 21 and Reeves, on the first offensive play, broke over right guard for eight yards and was injured on the play.

The Lions picked up the first down but three plays later bogged down and had to kick.

Don White was unable to field Sutton's short high kick which rolled dead on the Coahoma 33 yard line. White picked up seven and Herrington 3 in three downs for a first down on the 43. Then on first down, White broke over the Lions right tackle for 40 yards before being hauled in on the seventeenth.

The Lion defense stiffened and held for three downs but with fourth and six to go White swung wide and cut back for eight and a first down on the five. Three plays later White went over from the one. Robinson converted to bring the score to 7 to 0.

The Lions came back with fire and following the kickoff marched seventy yards to tie up the game. Jones used Sutton and Cervantez to eat up the yardage and then sprung a jump pass to Jake Young to give the Lions a crucial first down on the Bulldog seven. Two plays later Sutton dived over and

Ozona B Team Plays Big Lake Owlets in Big Lake Sat. Morning

By Ernie Boyd

Coach Swede Pelto will take his High School B team to Big Lake Saturday morning for a game with the Big Lake B team starting at 10 a. m.

Pelto's squad rose to 16 Tuesday as offensive practice was held for the second time this year.

If the Cub offense is rusty the defense should be pretty fair with an outstanding group of sophomores who have both size and promise.

Coach Pelto is expected to start a backfield with Bob Meinecke, Don Powers, Muggins Good and Costellano. Good, Costellano and Meinecke will be in their first action but Powers, who will become eligible for the A team before district play begins, has a good bit of squad experience and showed well in scrimmage Tuesday afternoon against the A team.

On defense, Pelto will probably start, Burton, McMullan or Galindo, all good ends, Leslie Deland, and Dickie Flanagan at tackles, Ronnie Beal and Adolpho Rivera at guards and Roberto Rodriguez at center. Others will see action during the game with underclassmen who do not see action in Friday night game joining the squad Saturday for the contest.

Enrollment Hits 1,000 Mark First Time In History

Ozona Schools Reach New Peak In Student Numbers

Enrollment in the Ozona Public Schools broke the 1,000 mark this week for the first time in the town's history to set a new all-time high peak of total enrollment in all schools of the system.

The enrollment total reached 1,007 this week, according to figures supplied by Supt. L. B. T. Sikes. This is a gain from the opening day enrollment, Sept. 2, of 937 pupils in all grades. The opening day enrollment was up 62 pupils from last year's first day figure.

Gains have been made in all grades, with the greatest overall pop in the North Elementary, but with the high school grades swelling in recent days.

The total enrollment at the first of this week by schools was as follows: High School, 190; Junior High, 137; North Elementary, 372; South Elementary, 272; and Locket School 36.

The High School enrollment of 190 shows 108 of the number are boys and 82 are girls. The high school enrollment by grades: Seniors, 26; Junior, 38; Sophomores, 68 and Freshmen, 58. Last year's gross enrollment for the entire year was 187 in high school.

Besides the record enrollment here, Crockett county is providing education for another 100 or more students being transported to schools in Iraan, McCamey, and Big Lake from oil fields and ranches in far west and northwest parts of the county.

SUFFERS HAND INJURY

R. A. Harrell, Ozona ranchman, was back in bandages this week as the result of a ranch accident which nearly cost him part of a finger. Harrell suffered the hand injury when a scotch block slipped while he was installing a pump jack and his fingers were caught between a V-belt and pulley. One finger was severed about the middle of the first joint and doctors say it will be about two weeks before they can determine whether or not the finger can be saved. Mr. Harrell recently suffered breaks in both wrists when he fell from a pecan tree here.

450 Fly-In Guests Here For Airport Dedication, Show

Air Force Personnel, Civilian Flyers Attend Air Show

Guests began arriving by 8 a. m. Sunday at the Crockett County Airport and by noon planes were packed in all available parking places, with approximately 450 fly-in guests on hand for the noon barbecue dinner in their honor to kick off the air show and formal dedication of the airport sponsored by the Ozona Squadron, Civil Air Patrol.

A mobile control tower from Goodfellow Air Force Base at San Angelo was set up at the port to direct traffic and the operators were about the busiest people on the site during the morning hours as visiting flyers converged on the airport.

Formal dedication of the airport took place at 1:30 p. m. with Col. R. R. Rohatsch of San Angelo coordinating the program for the CAP and Major R. L. Holsomback of Goodfellow AFB directing Air Force participation.

Major Holsomback, principal speaker during the dedication program, complimented the people of Ozona on the fine facilities at the airport and praised Dick Henderson, who gave the land for the airport and installed many of the port's facilities, and the Commissioners Court of Crockett County which took over the maintenance of the facilities after installing the 3,900-foot paved strip.

Ozona High School band and twirlers furnished entertainment preceding and following the dedication.

The air show and program drew a salute from a flight of B-25 bombers from Goodfellow AFB and one of the big planes was parked on the airport apron for public inspection. A helicopter from the San Angelo base was also flown in. A parachute drop from 10,000 feet, aerial acrobatics by Conny Edwards of Christoval, flour-sack bombings and spot landing contests were features of the entertainment.

Visitors were registered from as far away as Los Angeles, Idaho, New Mexico, and El Paso on the west to Corpus Christi to the South. A total of 34 Texas towns were represented by the flying visitors.

San Angelo TV Station Plans All-Day Program Starting Next Week

All-day CBS television programs over San Angelo station KCTV are in store for Ozona television viewers in the near future, according to word received by the Ozona Television Service from the station management.

Starting next Saturday, unless service is interrupted by the current telephone installers strike, the station will go on the air at 7:30 a. m. and the following Monday at 7 a. m., the time for broadcast start each day thereafter, the station management said. The station will carry a number of live CBS programs during the day and evening.

During the past week, local TV cable subscribers have had morning telecasts on the San Angelo station channel from Station KOSA-TV at Odessa, with the installation of equipment at the tower here. When the San Angelo station morning programs are satisfactory, it will be on the local system throughout the day instead of the Odessa station.

Mr. and Mrs. O. W. Parker, Pioneer Crockett County Couple, Observe Golden Anniversary

MR. PARKER, Mr. and Mrs. O. W. Parker, one of the few pioneer couples of the early-day Southwest quietly observed their golden wedding anniversary Sunday at their sprawling T-4 ranch home in Crockett County. Guests were their four children and their families, including 8-month-old Stephen Parker of Lubbock only great-grandchild of the couple. All descendants were present, with the exception of Pat Doug Parker, who is stationed at Fort Chaffee, Ark. Miss Mildred Ellis, daughter of Mr. and Mrs. J. D. Ellis of Leesville, Gonzales County, became the bride of O. W. Parker Sept. 12, 1907, at the home of her parents. The young couple set up housekeeping in Ozona for the first two years, then in October 1909, they moved to the present ranch in western Crockett county. The Parkers have seen many changes. Mr. Parker entered the employ of the JM (Shannon) spread at the turn of the century, "working cattle and greasing windmills." He began work in 1902, when the ranch headquarters was located on what is now the Gilcrease lease on the Crockett-Upton County line. The ranch was 80 miles from one end to the other. Mr. Parker recalls that roundup time began on Sept 1 and continued into February, with the cowboys moving camp as branding and rounding up progressed. After assuming the duties of wagon boss, Mr. Parker made three trips up the trail with herds to Portales, N. M., where other JM outfits added their trail herds to be shipped by rail to Denver, Colo., or Kansas City. The JM sold out in 1906, and Mr. Parker speculated in herds from 1906 to 1908. His first purchase of land was 2 1/4 sections 12 miles east of the present ranch. Later he bought 7 1/2 sections from Ben Ingham and added to this until the ranch comprised the 23 sections it now contains. Members of the family attending the anniversary were the Rev. and Mrs. Carlton Parker of Abilene; Mr. and Mrs. Jack Parker and son, Stephen, of Lubbock; Mr. and Mrs. Wendell Parker and children, Oliver Lynn and Cheryl, of Texon; Mrs. Johnston and daughter, Dickie DeW, of Lubbock; Mr. and Mrs. Worth Allen and children, Tony, Lynda and Billy Boyd, of Sterling City, and Mr. Parker's brother, T. W. Parker, of San Angelo.

A Tribute . .

To Our Women's Clubs!

Those groups of our local women who have organized themselves into Clubs, deserve the unstinted commendation of all of us! There are bridge clubs. There are self-improvement clubs. There are clubs whose charitable work among the needy exemplifies the finest traits of American womanhood. Most of these are home women, women with families and all the cares of home management. Yet they find time for richly-deserved recreation, as well as charitable and civic activities. They are making the most of their busy lives . . and we heartily applaud their feminine proclivities. Let's give them generous support whenever they request it!

Lions Even Up —

(Continued from page one)

then converted to tie the game 7 and 7.

In the third period the Lions sprung a savage defense which completely stopped Coahoma and gave the Lions a chance to get the ball.

After the kickoff, Herrington and Barr were both shaken up as the Lion forward wall hit them for losses, then White, attempting to pass, was jarred loose from the ball and Jake Young recovered for the Lions.

Jones quickly hit Jerry Jacobs for two 12-yard gainers and then handed to Sutton who rolled into the end zone to give the Lions the lead. Sutton converted and the Lions led 14 to 7.

After having Jacobs long run wiped out, the Lions pulled out of a deep hole to sew up the game. Sutton juggled a long kick near the Lion goal and managed to get only to the seven before being downed. Cervantez got short yardage and a long pass from Sutton to Cervantez was nearly intercepted.

Sutton picked up ten for a first

down, but then with third down and five to go, Sutton set sail from the 19 and with the aid of a great block from David Sikes went all the way.

Following the last Lion score the Bulldogs reorganized with White out due an injury, and staged a 55-yard drive featuring the hard running of Henry Herrington and an eight yard pass from Robinson converted but the Bulldogs had seen the ball for the last time as the Lions began a drive which consumed the remainder of the ball game.

The Lions rushed for 215 yards

as compared to 153 for the Bulldogs and picked up 44 more on four completions in eight efforts. Coahoma managed to get the ball aloft but three times and completed one for 8 yards.

The Coahoma passing statistics do not show the some five or six times the Bulldogs passer was swarmed before he could get rid of the ball.

In the first down department, the Lions had a 12 to 9 edge. Each team drew two penalties good for yards.

Guard Billy Bob Holden was outstanding for the Lions on de-

fense and Jake Young, ham, and Mack Williams in good performance. In the backfield David Sikes and James played well as blockers.

NOTICE

Notification is hereby given of a public meeting to be held at 9 a. m. on October 10, 1957, at the County Courthouse, Crockett County, Georgia, for the purpose of discussing regulations for hunting, fishing and other activities in the county.

CHEVROLET PICKUP CLIMBS PIKES PEAK THE HARD WAY ...OFF THE ROAD!

An off-the-road run up Pikes Peak was called impossible by people who knew the mountain well. But a production Chevrolet pickup actually did it to prove its pulling power and ruggedness!

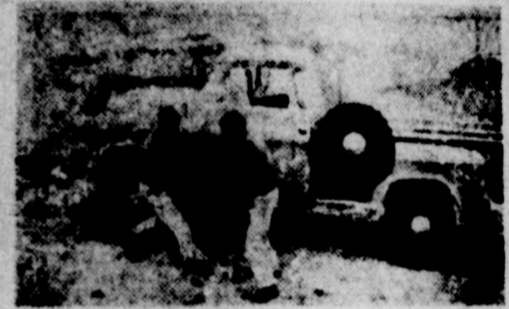

All the way to the top without using the road! Here the truck scales high boulder pile near the 14,110-foot summit.

Steep grade near timberline—a rugged test of power. The power and torque of Chevrolet's famous Thriftmaster 6 proved more than a match for the most difficult grades.

Miles of loose boulders and thinning air offer extreme challenge. Yet the big Chevy engine never faltered; it performed flawlessly mile after mile, all the way up the mountain!

Final effort achieves summit! Pickup conquers Pikes Peak... shows why Chevrolet trucks are famous for staying and saving on tough jobs! Talk trucks with your Chevrolet dealer.
