## Stockton Clobber Lions 20-0 In Opening

### Miss 3 Scoring While Out- Visitors

**Ernie Boyd**  
Stockton Panthers took two Ozona fumbles at kickoff return Friday before three touchdowns by the Ozona Lions 20 to 0 in a large opening night game at the stadium.

Stockton racked up 11 first downs while the Panthers 9 and 168 yards rushing to 168 yards, but the difference was that the Lions were using their advantage of their kicking chances, while Stockton was cashing in on all three

Bradley and Don Buster of the damage for the Panthers as they ripped the ball forward with thirty yards between them, with only one run accounting for seven yards.

Sutton was the game's ground gainer with 124 yards as the game progressed. Sutton always ran when in the Ft. Stockton team was what amounted to an anemic line and completely the Lions offense.

First score did not come until one minute before the half followed a Lion fumble on the 29. Stockton drove on two, and then followed a side penalty, passed into the end zone for the score. The kick was by Jim McAteer to Duncan. The kick was the score at the half was

the fumble the Lions had on the 29 and the Stockton 8 and 15 yards, before a fumble and a brown pass ended the two

Lions kicked off into the end zone at the second half and the Panthers returned the kick to the 49 from which spot they made the first full fledged drive of the game.

Bradley and Buster punched three to four yard gains on the drive and dive plays, the Lions moved to the Lion 12 where they scored on a pitch from McAteer to Bradley a left end.

Members of the Ft. Stockton team hardly stopped echoing the Panthers pounced on the fumble on the Ozona, 30. The first play Buster streaked 10 for a 20 yard gainer, best for the night for Stockton on one play later the Panthers pulled the same ploy on McAteer to Brady for the score of the game.

Lions began to mix their offense and T formation plays and the game's longest drive started from their own 19 yard line to the Stockton 2, where they down try for the first time.

Plays in the drive were Sutton's 22 yard scamper around right end and a 12 yard pass from Sutton to Williams.

Defense the Lions failed to keep in their own territory. When at that Ft. Stockton ran more plays than the Lions and to kick five times to the end zone.

Young played well on defense as did Billy Bob Holden.

## Ozona B Squad Cops 20-0 Decision Over Big Lake's Owlets

**By Ernie Boyd**  
The Ozona B football team slipped a blanket defense on the Big Lake B team in Big Lake last Saturday morning and emerged a 20 to 0 victor in a contest played on a windy field.

The Big Lake Sophomore line had no trouble containing the lighter Big Lake team and limited three Reagan County boys to one first down rushing and only five in the contest.

The offensive star for the Cubs was Don Powers who streaked 66, 92 and 22 yards for the three Ozona scores.

The game was a scoreless tie through the first quarter but in the second period the fleet heels of Powers gave the Lion reserves a two touchdown margin which was more than enough.

Robert Rodriguez, Dickie Flanagan, Ronnie Beal, and Leslie DeLand were the bulwarks of the Ozona defense which, despite lack of team practice, was too strong for its mistakes to hurt it.

The Lion reserves threatened most of the time but lack of practice made the offense, which was quarterbacked by Bob Meinecke, too shaky to be effective.

## Mexican Dies In Fall From Ranch Truck Near Here

### Harris Ranch Employee Was Riding In Rear Of Vehicle

Antonio Palomarez, 28, a processed Mexican national working on the Harris ranch north of Ozona, was killed when he fell from a pick-up truck at the ranch about 10 o'clock Sunday morning.

The truck was driven by another Mexican, Martini Villareal. The two men were driving a bunch of horses to pens when the accident occurred. The driver of the truck stopped and Palomarez told Villareal that he would stay at the spot and try to turn the horses on foot. Villareal drove off in the pickup to get behind the horses. He made a quick turn to circle the horses and Palomarez, who had climbed back into the bed of the pickup, unknown to the driver, fell out, striking his head on the ground.

Villareal put the mortally injured man into the pickup and drove to the Leasel Harris ranch headquarters and from there the man was rushed to a Big Lake hospital. He was pronounced dead on arrival.

Sheriff Billy Mills, Deputy Oscar Groff, County Attorney Dixon Mahon and Justice of the Peace Bill Johnson, went to the scene of the accident and to Big Lake to interview Villareal. A verdict of accidental death was returned by the justice of the peace.

The body of the Mexican national was sent to San Angelo where arrangements were being made by the Mexican consul to send it back to his home in Mexico.

## SELL FRUIT CAKES

Ozona Band Boosters Club will sell Manor fruit cakes for Thanksgiving and Christmas again this year. It was announced this week by Mrs. James Baggett, chairman of the sale committee. The Boosters have sold these delicious fruit cakes each year for the past several years, profits from the sale going into the Booster Club fund for the benefit of the High School band. An active selling campaign will begin about November 1. In plenty of time for Thanksgiving and Christmas delivery. Orders will be accepted at any time. Mrs. Baggett said.

## Personnel Shifts Mark Preparation For Iraan Game

### Coaches Hope To Overcome Lethargy In Lions Offense

**By Ernie Boyd**  
Stung by last weeks inept showing, Coaches Fred Hickman and Sonny Cleere doled out hard work and a few personnel changes to the Ozona Lions this week as they prepare for the invasion of the Iraan Braves this week.

The team emerged from the Ft. Stockton contest without injury and it is expected that Dizzy Reeves, who was injured in the Coahoma game and did not suit out for the Ft. Stockton contest, will be ready for defensive duty this week.

Coach Hickman told his charges after the game Friday night that he did not feel that any of them played in accordance with their ability and also that some pre-season ideas he had entertained would be put into effect to try and get more punch in the backfield.

Iraan will come to Ozona this weekend with a season record of one win and one tie, that coming at the hands of the Sonora Broncos last week. Iraan will be led by star back, Lindy Lyles, a 196-pound triple threat star who also bulwarks the defense as middle linebacker.

The game will be the third in the current series, the first two having been played in Iraan. In the first contest of this series in Iraan two years ago the Lions finally overcame a rash of penalties and crushed the Braves 56 to 0.

Last year the Braves caught the Lions in a severely crippled condition and aided by over two hundred yards of penalties assessed against the Lions won a 20 to 13 game.

The Braves are greatly improved this year and like to pass. Last week in Sonora the Braves threw about 20 times which is a contrast to the types of offense the Lions have faced so far.

In the three games the Lions have played thus far, the opponents have thrown 17 passes with 5 completed for 42 yards and one touchdown. The Lions have intercepted one of the 17.

The Lions have averaged less than five passes a game from their T formation which they have employed well over 90% of the time so far. The Lions have tried 28 passes in the three games, completing 12 with one touchdown pass being rubbed out due to a penalty. The 12 completions were good for 97 yards and set up two scores. Five of the Lion passes have fallen into the opposition's hands thus far.

Kickoff Friday night will be at 8 p. m. with a large turnout expected for the always hotly contested game.

## Girl Scout Financial Drive Opens Today

Members of Ozona chapter Epsilon Sigma Alpha sorority are making a house-to-house canvass today in an effort to raise the Ozona quota for Girl Scout work in the Frontier Council, which comprises a number of West Texas counties.

Ozona has ten active Girl Scout troops, under the sponsorship of the E. S. A. An assessment of \$395 has been made by the Council for Ozona for support of the Girl Scout work during the coming year. All Ozonans interested in Girl Scout work are urged to contribute liberally to this campaign.

## Jones Infant Laid To Rest In Grave Services Here Friday

Graveside funeral rites for Betty Louise Jones, infant daughter of Mr. and Mrs. Julius L. Jones of Ozona, were held in Cedar Hill Cemetery Friday afternoon, Sept. 21.

Betty Louise is survived by her parents of Ozona and a twin sister, Barbara Lynn, and two other sisters, Sallie Laurette and Julia Ann of the home.

Rev. Troy Dale, pastor of the Ozona First Baptist Church officiated at the rites. Cody Funeral Home was in charge of arrangements.

## State President Of Women's Federation Guest of Club Here

Mrs. A. J. House of Yoakum, state president of the Texas Federation of Women's Clubs, was honored at a breakfast Tuesday morning in the home of Mrs. Elvred Roach.

Mrs. House, guest speaker at the local club's regular meeting, was introduced by Mrs. L. B. Cox, Jr., club president. She spoke on education and youth work of the federation and the Oriental scholarship fund. She also stressed the Federation's American Home department and the department of Religions of the World. The invocation was by Mrs. Max Schneemann.

The Ozona club is to be invited guests of the Mertzon Study Club next Tuesday, Oct. 1 at 7:30 p. m. in the high school auditorium. The speaker will be C. G. Connor of the Department of Public Safety.

In Brady next Saturday, the Sixth District Workshop will be held at 9 a. m. Miss Eudora Hawkins of Abilene and Congressman O. C. Fisher of the San Angelo district, will be speakers.

On October 7, the Sixth District Board meeting will be held at the Cactus Hotel in San Angelo.

Members of the Woman's Forum were guests of the club at the meeting Tuesday. Present from the Forum were Mes. Brock Jones, J. S. Pierce, III, Martin Harvick, Bill Clegg, James Childress, Ralph Jones, John Coates, Ele Hagelstein, P. L. Childress and Hugh Childress, Jr. Club members present were Mes. O. D. West, John Bailey, Ben Lemmons, J. W. Henderson, N. W. Graham, E. B. Ingham, Sr., J. A. Fussell, W. D. Womack, Taylor Word, F. L. Henderson, Tom Clegg, Ivy Mayfield, Max Schneemann, Stephen Perner, P. T. Robison and Evert White.

## Cubs Battle Del Rio, Heat And Humidity To Rout Kittens 13 to 6

**By Roy Killingsworth**  
In spite of heat, humidity, butterflies, Wildcats and a two hour delay the fighting Ozona Junior High Cubs came from behind to win going away in the last quarter, by the score of 13 to 6 in Del Rio Thursday night.

The game, in the opinion of those who witnessed it, was one of the roughest ever played by two junior high elevens. It was dangerous for the ball carrier to get out into the open as he was certain to be hit hard by a tackler. In addition to the hard line play it was the first game for most of the Ozona Cubs with only Freeman and Ybarra having had previous experience with the first string unit.

It seemed at the beginning of the game that there would be no contest as Del Rio scored rather easily in the first quarter for a six point lead that stood up until the opening moments of the last quarter. However, as it turned out Del Rio was through after that one offensive effort, gaining 40 yards in five plays to score with two first downs in the drive. Del Rio did not make another first down during the game and did not gain another additional net yard.

## Home Nursing Course Planned For Ozona By Red Cross Board

A meeting of the board of directors of the Ozona Chapter of the American Red Cross was held at the Crockett County Water office Monday night with the following members present: Bill Cooper, Chapter Chairman; Mrs. R. A. Harrell, Home Service Chairman; Mr. and Mrs. D. B. Pettit, Mrs. B. B. Ingham Sr., Mrs. W. E. Lott, Sam Martinez and Mrs. W. H. Chandler Secretary.

The 1958 Budget was read and approved.

The directors ordered an investigation into the possibility of having a Home Nursing course in Ozona, to be used in case of disaster, emergencies and possible epidemics.

It was agreed that 25 First Aid Manuals be bought and distributed to the Fire Department, Boy Scouts and Cub Scouts of Ozona.

## Music Club Honors Sixth Dist. President At Opening Meeting

Officers of the Ozona Music Club honored Mrs. Elvie Locks of Brownwood, president of the Sixth District, Texas Federation of Music Clubs, with a luncheon in the home of Mrs. J. B. Miller Thursday. Present were Mrs. Locks, Mrs. Miller, Mrs. Ken Cody, Mrs. D. B. Pettit, Mrs. Ottist Pridemore, Mrs. J. W. Howell, Mrs. Roy Killingsworth, Mrs. Ted White, Mrs. Clyde Shaban and Mrs. George Russell, Jr.

Mrs. Locks was guest speaker at the first meeting of the new season for the Music Club, held Thursday night in El Sombrero Canteen for a Dutch treat Mexican supper.

Mrs. Locks was introduced by Mrs. Ted White. She recounted recent developments in the Federation and pointed to the increase in appreciation for music and development of musical talent.

Miss Cleona Quiett sang the club collect and Mrs. D. B. Pettit, president, welcomed members back to the new club season. Miss Francine Hatley, another guest speaker, spoke on music in Saudi Arabia, and other countries in which she has traveled this year. She especially enjoyed having heard the real calypso music in Guatemala, she said.

Mrs. Ken Cody announced the birthday calendar campaign for the club, its only money raising event this year. She also presented the year books which show well planned programs for the year.

Following the meeting, an informal reception was held at the home of Mrs. Ted White honoring Mrs. Locks.

Guests present were Mrs. Locks, Miss Hatley, Mrs. P. O. Hatley, Mrs. Bill Cooper, Mrs. R. L. Bland, Jr., Mrs. R. L. Bland, Sr., and Miss Mary Nell Youngblood. Members attending included Mes. D. B. Pettit, Ken Cody, Ottist Pridemore, Roy Killingsworth, George Russell, Jr., Clyde Shaban, J. B. Miller, J. W. Howell, M. A. Barber, Kenneth Dorris, Frank James, Howard Lemmons, Doyle Perdue, H. B. Tandy, Sherman Taylor, and R. A. Harrel and Misses Lucille Farmer, Geneva Knox, Peggy Moore, Dorothy Price, Cleona Quiett and Ethel Wolf.

## OIL PROGRESS WEEK

## Conference To Determine Dam Contract Friday

### Receiver For Houst Assets, Attorney To Meet Court Here

A conference scheduled to be held here Friday may determine the procedure under which resumption of work on construction of the flood retardation dam on Johnson draw watershed, at dam site No. 2 can be ordered.

Meeting with the Crockett County Commissioners Court, representatives of the Soil Conservation Service and the local Soil Conservation District will be the receiver of the estate of Ed Houst, missing contractor on the project, and his attorney, and a member of a contracting firm which may take over the contract.

Coming for the conference will be Cecil Jones, receiver for the Houst contracting firm, Ernest Smith, attorney, and a representative of the dam contracting firm of Merrill and Baker.

Mr. Houst, whose equipment is at the site and who had taken the contract for construction of the dam at a total cost of approximately \$134,000, has been missing since August 15, and no trace of him has yet been reported. Since there is a time limit for completion of the dam, bondsmen for the firm are understood to be pressing for action and local authorities are also anxious that the work be resumed.

All legal aspects of the situation will be explored at the conference here Friday, County Judge Houston Smith said, and if a plan can be developed whereby the county and SCD will be fully protected, the project will be turned over to another contractor and work can be resumed.

Meanwhile, all easements have been secured on the other three dam sites north of Ozona. Bob Scott, SCS area conservationist, reported this week. Plans and specifications are nearing completion and money is said to be available for these additional dams now.

If no delays are encountered in the planning, contracts may be let on these structures before the end of this year.

Channel work in the town of Ozona, too, may soon be cleared for action. The State Highway Department has earmarked \$70,000 for construction of a new, longer and wider bridge at the Highway 290 crossing of the draw to conform to the channel improvement plan. A few details of rights-of-way easements and plans are still to be worked out.

## Rains Dot Area In Week-End Fall And At Mid Week

### Two Inches Recorded South Of Ozona In Sat. Night Fall

While east and south Texas were being deluged with heavy fall rains, this West Texas area again was dotted with scattered rainfall, ranging last Saturday night from more than two inches to light showers.

More rain, light but highly beneficial to those areas visited by the heavy falls of the week-end, fell early Wednesday morning.

Ozona received .52 of an inch Saturday night and .16 Wednesday morning. However, an area to about 15 miles south of Ozona, and extending east and west the width of the county, is reported to have received in excess of two inches of moisture. Cloudiness and some fog was the weather picture this morning, with a decided feel of fall and high humidity.

Mr. and Mrs. Dar Whittenburg and children, Dub, Tom Ed and Melodie of Fort Stockton were guests of the J. B. Millers here over the week-end.

GOOD START

The executive board of the Teamsters Union, meeting in secret in Miami Beach in advance of the long-awaited national convention, has had to decide whether the union will swallow the unprecedented and blistering denunciation of the Ethical Practices Committee of the AFL-CIO and clean house — especially of James Hoffa, Dave Beck and Frank Brewster — or whether it will quit the duplex Temple of Labor.

Word from Washington is that the Senate Labor Rackets committee will continue its investigation — of Hoffa and still other Teamster officials — and move on to the United Auto Workers, the Kohler strike and Walter Reuther. No doubt there are those who would like to feel the committee's work was done if the Teamsters were to throw out the miscreants, disinfest themselves and restore their standing in the AFL-CIO.

But whether Hoffa is in or out, the work of the McClellan committee has only begun. It may shortly be able to move on into a darker jungle after bigger game.

Attending the flower show school held at San Angelo College in San Angelo Tuesday of this week were Mrs. Bailey Post, Mrs. Hillery Phillips, Mrs. Hillery M. Phillips, Jr., Mrs. Sherman Taylor, and Mrs. J. B. Miller.

Lt. and Mrs. Russell Cecala of Orlando, Fla., are here this week to visit Mrs. Cecala's mother, Mrs. Dora Bosworth, and other relatives.

Creatures of the outdoors are like people. Basically they need only two things to thrive: food and cover.

Of course, man yearns for more than the bare necessities — he plays around with his automobiles, cameras, books, stamps and whatnot. The game and fish have not thus fancied up their lives.

If they have plenty to eat and a good place to hide from their enemies, they get along. Take the recent whitewing season for example.

The whitewing dove was a disappearing bird until the Game and Fish Commission took over. The Commission's first action was to close the season on these birds.

Then a tract of about 200 acres of brushland was acquired, assuring cover for the whitewings. Result is that these doves have come back in such numbers that, during the past open season, whitewing shooting in South Texas was described as a "hunter's paradise."

Just now the Game Commission people would like to buy some more brushland acreage, to give the whitewings an additional guarantee that farmers will not plow up the whole of South Texas and leave doves without a bush to nest in.

If that can be done, and if we can get enough rain to provide forage for the birds, there is likely to be good whitewing shooting from here on out.

Mourning Doves, Too Still talking about food and cover — consider mourning doves. This year, the dove shooting has

been good, generally, because spring rains provided the grass and brush that birds look to for food and hiding places.

Long familiar is the regulation that shotguns must be plugged to hold not more than three shells, but violators of this rule are still being arrested frequently by wardens.

And — one more reminder — don't forget your new license.

Food and cover for deer and turkey have been exceptionally good this year. Grass is growing where there has been no grass in years.

Fish Are Prospering Fresh water fish are prospering now because of a very favorable food and cover season.

Spring rains washed food into the lakes and streams, and raised the water levels.

Banks went under water during flood time and gave the fish more spawning grounds, including a lot of wooded and brushy areas. Result is a great spawning year for black bass, white bass, and crappie.

The little bass are almost keeper size now. Come February and March, they will be about 12 inches long and weigh about a pound.

There is no problem about over-population, because the fisherman will reduce the number of bass when this bumper crop of fish start taking lures early next year. One old-timer of my acquaintance says next year should produce better fishing than any time since pioneer days.

Don't shoot racing pigeons. That's another fellow's sport; he

spends a lot of time and money breeding and training his birds. Besides, there's a state law against killing or molesting carrier pigeons.

## ALONG THE SIDELINES

By Sallie Baggett

Fall and football are in the air! Not the only ones of importance... the playing field though... fact's big news along the side... lines — it's our new cheerleaders and twirlers for 1957.

Our cheerleaders attended S. M. U. and came home with so many new ideas that our school is just bursting with vim and vigor. The cheerleaders are: head cheerleader, Gwynel Walker daughter of Mr. and Mrs. Lefty Walker; Genelle Childress daughter of Mr. and Mrs. P. L. Childress; Mary Jo Ward, daughter of Mr. and Mrs. Rufus Ward; Alma Ingham, daughter of Mr. and Mrs. E. B. Ingham, and Frances Childress, daughter of Mr. and Mrs. Bill Childress. They really out did themselves this year by making their smart purple and white corduroy uniforms. Very smart of you girls!

Last and certainly not least, we have our ever-present twirlers. Our drum major Alleane Young, daughter of Mr. and Mrs. Jake Young, is really on her toes this year trying to keep the band in step and so far she has done a good job of it. Our head twirler, slave-driver, Carolyn Mayfield, daughter of Mr. and Mrs. Ivy Mayfield, has really proved herself capable of doing the impossible which is teaching her twirlers to stay together. They are Molly Sue Richardson, daughter of W. M. Richardson; Linda Millsbaugh, daughter of Mrs. Sid Millsbaugh; Nonie Conklin, daughter of Mr. and Mrs. Bill Conklin; Sandra Whitaker, daughter of Mr. and Mrs. W. H. Whitaker, and Sally Baggett daughter of Mr. and Mrs. James Baggett.

The cheerleaders are working hard for better and more response in yells and school spirit for football and the band.

A new section has been added to the stands and we would really appreciate it if all you kids would sit on the North end with the cheering section so we can yell the Lions on to victory.

## BEHIND THE BANDSTAND

By Becky Davidson

Football shows are the objective of preparation over at the band hall at this time of the year. The Sul Ross Band Clinic the week before school started enrolled the band to get a head start so their performances will be as entertaining as possible.

The Band Boosters Club has had one meeting this year. If you are interested in doing things for our band, watch for the meetings and attend them regularly.

Ozona fans can be looking forward to something very different a week from tomorrow. The Rank-in-Band and the Ozona Band plan to combine their members and do a show together. It is called "A-

round the World" — and you will be taken around the world, perhaps even to an exploding volcano. Come to the game and support the Lions and the Lion Band.

## TALK, TALK, TALK

We're all back in OHS again and it's gossip time! We have some new teachers this year, Mr. Dobbs, who teaches science and Mr. Hopkins, who teaches math. We really are glad to have them and hope that they will like Ozona.

More students are in our school this year than ever before and we want to welcome everyone!

It looks like we have added a few steadies to our list — we still have some of our old ones, too! Some of the new ones are: Billy Bob H. and Gwynel W. "Red", and Janice C. Bill B. and Susie C. When the week-end rolls around,

kids really seem to scatter! This week.

Mark W. and Carolyn M. Clayton F. and June E. Joe C. and Mary Jo W., Bill B. and Susie C., Jess M. and Janice S., and S. Bobby E. and Genelle C. escaped to the river! A few members of the crew wanted to go all of the way to Mexico in the canoe, Mark hurt his foot, and they had many more minor casualties, but they reported a wonderful time.

Camille and Becky went to Angelo Saturday and spent the night. I guess they went to see S. A. C. play football, but I wouldn't know! Everyone seems happy because the annual band jackets, cheerleading jackets, twirler uniforms, and numerous other things have come in. Someone must really be on their toes!

Does anyone know why our cheerleaders run around in their socks, at the pep rallies? They seem to be unhappy with some shoe store!

Did everyone see the Ft. Stockton cheerleaders, Friday night? Wonder how they knew some of

the same yells and routines that our cheerleaders know? Iraan probably knows some of them, too!

All of the kids have been leaving for college these past two weeks. They stayed about three days and then came running home, two of these were Jess and Jimmy Brown. Oh, Yes, and there are always those who never come home and there seems to be quite a few of them.

Until our cheerleaders get some shoes — Good Bye!

## CLUB LIFE

By Camille Adams

The student Council of O. H. S. is now organized and is already hard at work. Mary Jo Ward was elected president by acclamation, Bobby Sutton is vice-president, and Gwynel Walker is secretary-treasurer.

Our choral club hasn't elected any officers, but they are already practicing under the direction of Mr. Smith.

enthusiastic young Einsteins, has elected officers. Scotty Moore is president, Jim Burton, vice-president, Diane Phillips is secretary, and Royce Ballinger is reporter.

Future Farmers of America have gotten started in a big way. They have already elected Susie Chandler as F. F. A. sweetheart. Bill Black is president, Clayton Friend, vice-president, Jim Williams is secretary, Mike Miller, sentinel, Piero Miller is reporter, Kenneth Delgado is treasurer, and B. B. Ingham, is parliamentarian.

The Future Homemakers of America are busy again this year too. Officers are, president, Dartha Melton, vice-president; Anne Davidson; secretary, Becky Davidson; treasurer, Sue Grover; Parliamentarian; Alicia Rodriguez; song leader; June Knox, and reporter, Barbara Banbee.

You've been given an insight into our clubs and we're looking forward to more information about them later.

**PREVIEW OF CLASSES**

By Alleane Young

It looks like our classes are going to be busy this year! We'll take a glimpse of each one and let you know what each is so busy doing in their class meetings.

First comes our Freshman class. They have the Thanksgiving dance coming in November. Of course they have already had Freshman day, on which everyone had an exciting time. Also they were given the "Country Store" booth at the carnival. So as you can see, even though they are just Freshman, they will be very busy until after Thanksgiving.

Next are our Sophomores. They have a larger affair to look forward to giving this year. Our annual Christmas dance! As everyone always is, they are looking for ways to make money. They have the "Side Show" at the P. T. A. carnival so let's all help them. And I am sure they will give a beautiful dance.

Then of course are our Juniors. What is their reason for wanting money and being so busy? The biggest and best one I can think of right now is the big "Junior-Senior Banquet." The "Cake Walk" is their attraction at the carnival. Let's everyone tell your mothers to bring cakes and help out the

Juniors. Next on their list is selling mums. They will be selling them for the Sonora football game. Everyone buy a mum for your wife, mother, or girlfriend. Contact any of the Juniors and they will be glad to sell you one. Also thoughts are turning toward the Junior play. I am sure it is going to be excellent especially since Mr. Leath is directing.

Last are our grand Seniors. They will be extra busy all year long. Concession stands, plays, and many other things. They were given the Bingo stand at the carnival. Everyone play a game of bingo that night! It is fun and I know the Seniors will love to have you. Is it a chore to eat supper and try to get the kitchen clean before a football or basketball game? Why worry with the kitchen. Eat with the Seniors and save lots of work. They have sandwiches, cokes, candy, popcorn, coffee and many more things. It is very good so be sure and visit

them at all the games. That is all of our classes and a preview of their many jobs. Of course not all of these things would be possible without the wonderful sponsors or mothers. They are the ones who do the work behind the scenes.

**RAMBLIN'S**

By Jim Burton

I have finally found something worse than the morning after the night before; the Monday afternoon after the Friday night before. Possibly it would be more exact to say the Monday afternoon football practice after the game lost on Friday night.

Our English Four books suggest that when we look for a topic for a theme we read the political news in the newspaper, then it goes on to say to skip the scandal and murder stories. How you can read the political news without seeing something that borders on scandal I have yet to find out.

If any of you like to play Russian roulette, I would suggest you use an automatic shotgun, for from what I have heard from disgruntled dove hunters, your chances of staying alive even at close range would be greatly increased.

Of course I like coaches, even though they mistreat me. That is really no reason to hate them.

Perhaps your dog has an inferiority complex? If so introduce him to a freshman so he can feel superior to something.

This article is cheerfully dedicated to all high school students with the reminder not to be so glum. You could be an English teacher or a coach!

**FRESHMAN DAY**

By Barbara Banbee

I woke up the morning of "our" Freshman Day and I felt kinda scared, maybe not scared, but I guess that feeling of not exactly knowing what lies ahead of you! Anyway, I jumped into my attractive tramp costume and dashed off to school! There, at school, I met my smiling master, O, that smile that she had on her face!

I dashed up and down stairs, wagging book, and being late to class until that warning bell rang that just seemed to say, "you'd better watch out"! While peace-

fully walking out the door, only to be painted from head to toe, someone yelled "air raid" which meant I had to fall on my face. My books scattered a mile! After being run around the park, I attempted to win a race, the prize was a free meal in the cafeteria, so that I could feed my master. You have heard of girls being popular, well, I don't know what I was, but, bya chased me all day.

Never before have I been glad that I am a girl, my hair, all day long. I went home a tired little girl, and I say that they'll let me in the house. SEVERAL 2-year-old Bulls for sale. Some from Troy Williams. Phone 210-1111.

*A Tribute . . .  
 To Our Women's Clubs!*

Those groups of our local women who have organized themselves into Clubs, deserve the unstinted commendation of all of us! There are bridge clubs. There are self-improvement clubs. There are clubs whose charitable work among the needy exemplifies the finest traits of American womanhood. Most of these are home women, women with families and all the cares of home management. Yet they find time for richly-deserved recreation, as well as charitable and civic activities. They are making the most of their busy lives . . . and we heartily applaud their feminine proclivities. Let's give them generous support whenever they request it!

### Cattle Trade Active Fat Calves Higher

**FORT WORTH** — Slaughter calves brought fully 50 cents to \$1 higher prices than the low of last week at Fort Worth Monday. Cows also sold in a strong to 50 cents higher trade. Stocker and feeder cattle and calves were very scarce, and prices fully steady to strong with considerable inquiry in the trade for thin calves, yearlings and cows suitable to winter in the grain fields.

Fed steers and yearlings were very slow, bids being largely steady with the close last week, and salesmen asking higher prices for the offering.

Receipts in all divisions of the market were sharply curtailed by the general rains over the weekend, and reports to the market indicated pasture men were jubilant over the prospects for making winter feed and in many places low stockwater tanks were replenished.

Good and choice slaughter steers and yearlings bulked at \$19 to \$28, and common, plain and medium butcher sorts sold from \$13 to \$18.50.

Fat cows sold from \$12.50 to \$15.50, and canners and cutters drew \$8 to \$12.50. Bulls sold from \$11 to \$16.

Good and choice slaughter calves cashed at \$18.50 to \$21, and a few fancy heavies sold to \$22. Plain and medium slaughter calves sold from \$14 to \$18, and rannies and common sorts sold from \$11 to \$13.

Good and choice stocker steer calves ranged from \$20 to \$23.75, and stocker heifer calves cashed at \$21 down. Stocker steer yearlings sold from \$20.50 downward. Feeder heifers sold from \$17.50 down. Stocker cows cashed at \$19 to \$14.50.

### Sheep and Lambs Open Fully Steady

The trade on sheep and lambs was fully steady, quality considered, and high grade offerings were practically lacking in the offering at Fort Worth Monday.

Medium and good fat lambs sold at \$20 to \$21, and cull and common sorts drew \$15 to \$18. Stocker and feeder lambs sold from \$19 to \$20. Slaughter ewes sold from \$7.50 to \$8.50. Old bucks sold around \$6.

A few stocker ewes in the run sold from \$9 to \$10 on old broken mouths, to \$15 or \$16 on a better king.

### METHODIST WSCS

Woman's Society of Christian Service of the Methodist church met Wednesday morning at the church to continue the study on "The Kingdom Beyond Caste." Mrs. Bailey Post directed the study.

Mrs. Evert White gave the latest report on integration in the United States. Brief reports from noted educators, both white and colored, on integration was given by Mrs. Joe Pierce. Mrs. Stephen Perner spoke on the topic, "Sense and Nonsense About Race," and a panel discussion led by Mrs. J. A. Fussell, Mrs. H. B. Tandy, Mrs. B. B. Ingham, Sr., Mrs. A. S. Lock, Mrs. Paul Perner and Miss Dorothy Price.

A meeting of the executive board of the WSCS will be held at 9 a. m. Friday at the church. All officers are urged to attend.

Present were Meses. Clarence Rasberry, J. W. Henderson, S. M. Harvick, L. B. Cox, III, Chas. Williams, Sr., F. L. Henderson, Bailey Post, O. D. West, Matt Fox, Leroy Russell, C. A. Tabor, G. A. Gibbs, J. A. Fussell, Paul Perner, H. B. Tandy, B. B. Ingham, Sr., Joe Pierce, Evert White, Stephen Perner, A. S. Locke and Miss Dorothy Price.

### LADIES GOLF ASSN.

The regular monthly luncheon of the Ladies Golf Association was held at the country club last Thursday. Golf was played during the morning and bridge in the afternoon. Low net in golf went to Mrs. Jess Marley and Mrs. Dempster Jones. High in bridge went to Mrs. Arthur Kyle, second high to Mrs. Sherman Taylor and bingo to Mrs. V. I. Pierce. Bridge hostess was Mrs. Bill Cooper.

The local Golf Association will be hosts at a golf and bridge tournament here October 17.

Others attending last week were Mrs. Marshall Montgomery, Mrs. C. O. Walker, Mrs. Hilary Phillips, Mrs. Jack Williams, Mrs. Joe Pierce, Mrs. Joe Friend and Mrs. Sidney Millsbaugh, Jr.

### BROWNIE TROOP MEETS

Brownie Troop No. 4 met last Thursday at the Girl Scout cabin. Refreshments were served by the hostesses, Mrs. Dick Henderson and Mrs. Mills. New officers were elected as follows: Betty Henderson, president; Jan Jacobs, vice president; Jill Applewhite, secretary; Janet Mills, treasurer; Kay Kyle, reporter; Barbara Davidson, sergeant at arms.

Others present were Cynthia Mahon, Cookie Coates, Mary Ann Pitts and Esther Williams.

Mrs. B. B. Ingham, Sr., has re-

turned from a vacation trip through the southern and eastern states. She was accompanied by her brother-in-law and sister, Mr. and Mrs. Spencer King of Houston and by her daughter, Mrs. Bill Littleton of San Angelo.

"Football Frolics" is the name given to an after-game party sponsored by the First Baptist Church in the church's fellowship hall. A number of young people enjoyed a get-together and refreshments after the Fort Stockton game Friday night. A similar party is planned at the church after each home game.

### MISSIONARY SOCIETY

The Woman's Missionary Society of the First Baptist Church met Wednesday morning at the church. The book, "Stewardship in the Life of Women," was presented in the form of a playlet. Characters were portrayed by Mrs. Doyle Strange, Mrs. L. M. Carnes and Mrs. George Glen. Following the play, the film, "Living For Christ" was presented by Mrs. Pleas Childress. Devotional was by Mrs. S. E. Carnes. There were 19 members and guests present.

**Cubs Battle Del Rio**  
(Continued from page one)

from scrimmage during the game. After Del Rio had scored, the Cubs made a drive of their own only to sputter as they ran out of steam. The extreme heat had many of our starters on the sidelines during most of the game.

It was during the second period of the game that coaches Womack and Lewis switched to the spread formation and alternated four fast, hard running backs at the Del Rio Line. It was evident that the Del Rio line would finally have to give to the charges of Freeman, Ybarra, Doran and Parker from the tail-back position on the spread. Osona Cubs made five first downs in the last half on their way to two touchdowns, three of them in their drive for the first touchdown that began when Del Rio punted to the Osona goal line and Ybarra returned to the Osona 22. On the first play, Freeman passed to Martinez for a gain of 35 and then Freeman, Ybarra and Parker each took one drive for fourteen yards with the final one being by Parker and the TD. The extra point was successful and the Cubs were ahead to stay, early in the fourth quarter.

An on-side kick gave the Cubs the ball on the ensuing kick-off and they went on to score again for an insurance TD making the final score 13 to 6.

We will not attempt to give you an outstanding player on either offense or defense. Each did his part and after the first quarter were playing on fight and determination. Del Rio made two first downs during the game to 9 for the Cubs. The Cubs gained 132 yards net from scrimmage while Del Rio gained only 36 and that in one drive for a score.

These sixteen boys played most of the game: At ends, Jim Doran,

Carl Montgomery, Rudy Martinez; Tackles, Mark Baggett, George Blackstone, Buddy Anderson, and L. D. Long; Guards, Bill Semmler, Floyd Danley, and Wayne Albers; Center, Bobby Herrera.

In the back field we had Jimmy Freeman, Deeney Holden, George Ybarra, Tony Parker and Phillip Carnes with Doran coming back from his end position if needed.

Other boys making the trip and seeing some action were: Alvin Blundell, Darrell Rasberry, Tommy Fields, Tommy Everett, Art Kyle, Pleas Childress and Richard Sikes, Jay Miller and Jimmy Baggett went along as managers.

We would like to call attention to our next game to be played in Iraan on the night of Oct. 3rd at 7 p. m. Our first home game will be with Del Rio Oct. 10th at 7 p. m. This should be one of the better games of the year, so you had better make plans to see it now. The Cubs will be trying for win number thirteen (13) on Oct. 3rd when they play in Iraan. Remember it was Iraan that knocked the Cubs from win number seventeen two years ago.

More People Drive Chevrolets Than Any Other Car

*Spunk to spare!*

There seem to be two kinds of roads around the country lately. There are dull, ordinary everyday roads. Then, there are the same roads when you take them in Chevrolet—fun roads! Stepping along nimbly, surely—staying on course—traits like these come just a little more naturally to Chevrolet. Few cars at any price are so beautifully balanced. None in Chevrolet's field have Ball-Race steering, extra-long outrigger rear

Better, try it soon—Chevrolet Ball Air Sport Sedan springs—or Body by Fisher—to name just a few of Chevy's exclusives. As for spirit, well—take a Chevrolet out and feel that eager 245 horsepower! Just drop in at your Chevrolet dealer's—soon!
