OFFICERS DOUBT MEN KIDNAPED

England, Italy and France Draw Up Plans for European Air Pact

LONDON, May 3. (AP)—An authoritative source revealed today that the drafts for a plan for a Western European aviation pact had been drawn up and taken under consideration in Paris, Rome and London simultaneously with the receipt of information from high British officers that Germany has facilities for the building of 100 planes monthly as replacements.

England had previously announced through Prime Minister Ramsay MacDonald that they were constructing a larger air force as a means of internal protection.

Just what the English program involved MacDonald did not reveal, but informed sources said earlier that the government stands ready to spend \$25,000,000 in addition to the \$105,000,000 already provided in this year's air estimates.

SUPREME COURT, SENATE DEBATE ON BLUE EAGLE FATE

WASHINGTON, May 3.—The ruffled feathers of the Blue Eagle fluttered nervously above two capitol battlefields Thursday in a war over its future.

In the supreme court, crowded to capacity, Solicitor General Stanley Reed began oral arguments of a poultry market case from New York chosen by the government for a constitutional test of basic NRA principles.

Resolution Reported
A few yards away in the senate finance committee room administration leaders heard a backfire from two sides to their proposal to continue the present law—with some modifications—until April.

After turning down several amendments, however, the committee voted 13 to 4 to report its compromise resolution extending the act, but with price-fixing limited to except for mineral natural resource industries and with intra-state business exempt from codes.

The right of the government to regulate intra-state business was one of the major issues before the supreme court. Reed contended that practices of the New York poultry trade, including wages and hours paid to labor, directly affected interstate commerce.

"Death Blow"
Meanwhile, one group of senators, including Wash (D-Mass) and Barkley (D-Ky.) with the backing of NRA administrators, called the provision of the extension resolution "a death blow to the whole NRA."

"If this provision is retained," Walsh said, "it will break up the administration of the NRA quickly and more completely than anything I can conceive of. It would be far better to repeal the whole law."

On the other hand, Senator Borah (D-Ida), bitter critic of some NRA policies, said:

"I am not bound by the resolution. I do not believe it is expedient that I never say it until it is reported out by the committee."

COURT TEST
WASHINGTON, May 3.—Supreme court justices bombarded the government with searching questions on two vital phases of the national recovery act. The NRA is to maintain rise on the crucial arguments over NRA's constitutional birthright.

One of the high court's liberals, Justice Stone, joined three "conservatives," Justice Sutherland, McReynolds and Van Devanter in soliciting information bearing on the delegation of code-making authority to the president, and what constitutes interstate commerce.

The supreme court proceedings sound Solicitor General Stanley Reed opening the battle for the government, with Donald Richberg, NRA head ready to take up the cudgels tomorrow.

Frederick H. Wood of New York City will represent those challenging NRA's authority to regulate intra-state commerce, hours and wages in the Schechter poultry case chosen by the government for its long-deferred supreme court test.

Reed endeavored to show that congress had laid down definite standards to guide the president in code making.

Declaring the court, in its oil case decision, had held the first section of the recovery act was not a sufficient declaration of policy, Reed contended that it should be construed along with other sections as a standard.

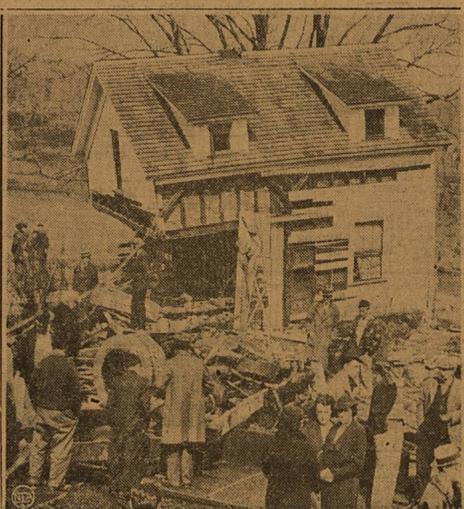

Among these he cited provisions that trade and industrial associations must apply for a code, and that the regulations must be approved by a majority of the businesses in an industry, with "fair competition" itself the primary guide.

New Rotarians To Meet Tonight

All members of the Midland Rotary club elected within the past two months have been called to attend a "school of instruction" at 8 o'clock this evening, at the office of O. Thomas, district manager of the Southwestern Bell Telephone company, 205 West Wall Street.

Sponsors were appointed yesterday, President Fred Wemple to meet the new members there. A committee headed by W. R. Upham will outline phases of Rotary which, it was planned, will aid the new members in the state inter-scholastic meeting held there today, Monday and Tuesday.

A Truck Was Passing Through—

Lurching off the road at the foot of a steep hill at Southington, Conn., a heavy truck ran out of control, careened through the lower floor of a cottage, overturned, killed the driver and then

caught fire. How it tore away half the lower floor of the house is pictured here. Four persons sleeping on the second floor were thrown from their beds but not injured.

ROTARIANS WILL TALK AT CHURCHES

Prominent Rotarians of the 41st district will fill the pulpits of four Midland churches at the Sunday evening services, having been invited to speak by the pastors of those institutions.

Dean Dossy M. Wiggins of Hardin-Simmons university, member of the Abilene Rotary club, will speak at the First Methodist church.

Ray H. Nichols, past district governor and member of the Stamford Rotary club, will speak at the First Baptist church.

On the other hand, Senator Borah (D-Ida), bitter critic of some NRA policies, said:

"I am not bound by the resolution. I do not believe it is expedient that I never say it until it is reported out by the committee."

HIGH SCHOOL BAND OFF FOR LUBBOCK

The Midland High School band will compete this evening and Saturday at Lubbock, where outstanding bands of West Texas will be heard.

The local organization will compete as a band and in solo numbers, according to Russell E. Shrader, director.

Soloists entered are De Witt Carr, baritone; Billy Kimbrough, clarinet; Fred Gordon, Middleton, clarinet; C. A. Goldsmith, alto saxophone; Russell Wright, trombone. The soloists will be graded according to ages.

Six members of the Midland band will play in a concert tonight, in connection with the Lubbock contest, having been selected according to instruments assigned to Midland. They include Jack Carroll, W. E. Lynch, Frank Nixon, Fred Stout, Russell Wright and Bob Reeves who will leave immediately after school this afternoon.

Eleven cars will take the group to Lubbock, furnished by the following who will accompany the band: Mrs. Susie G. Noble, Mr. and Mrs. E. C. Girdley, Mrs. Julia Filson, Mr. and Mrs. J. O. Nobles, Mrs. L. A. Arrington, Mr. and Mrs. S. P. Hall, W. F. Hejl, Mrs. Paul Brown, Mrs. M. D. Seif, Mr. and Mrs. R. E. Shrader.

Wallace Wimberly will play the piano accompaniments for the soloists. The band will form a part of a big street parade Saturday morning at 10:30 o'clock.

Region Winners in Austin Meet Today

Two members of the Midland high school track team and one member of the typewriting team left yesterday for Austin where they will enter events in the state inter-scholastic meet being held there today and Saturday.

J. D. Montgomery and Sam Middler, track team members will both enter the 100 yard and 200 yard dash races while Montgomery will also compete in the discus throw.

Edna Mae Elkin, by virtue of winning first place in the regional meet at Alpine, will represent Midland in typewriting in the state contests.

The contestants were accompanied by Mr. and Mrs. Baumgarten, Mrs. Scruggs and Renfro Richman.

STORMS KILL 3 AND BRING HAVOC IN KENTUCKY, INDIANA AND ARKANSAS

LOUISVILLE, May 3. (AP)—Furious wind storms, accompanied by lightning that killed three persons, and drenching rains spent themselves eastward today after spreading damage over a section of western Kentucky and southern Indiana.

More than 100 homes and 50 business buildings in Louisville, decked out for the Kentucky Derby tomorrow, were unroofed and power lines and trolley cables were severed.

Churchill Downs, scene of the Kentucky Derby races tomorrow, was soaked but otherwise undamaged.

A terrific wind and electrical storm in Arkansas left five persons injured and also caused heavy property loss.

MORE THAN 60 ARE KILLED IN BATTLE IN PHILIPPINES

MANILA, May 3. (AP)—More than 60 combatants were dead today as the result of a bloody uprising of political extremists in three Philippine provinces.

Insular constabulary gained the upper hand in clashes with the radical Sakalistas who last night seized control of several towns near Manila in an admitted plan to capture control of the government.

Insurrectionists had planned to establish a vague socialistic regime and declare an immediate independence from the United States.

In San Ildefonso, rebels proclaimed their independence and hailed down the American flag and ran up the Sakalista emblem.

FORGER TO FACE TRIAL WEDNESDAY

BIG SPRING, May 3.—Tommy Ward, under indictment for forgery here, is alleged leader of a forgery ring operating in Texas, Oklahoma and Kansas.

Ward is to go on trial here Wednesday for passing a forged instrument on the Sun Oil company to the Hollywood shop for \$39.76.

According to an Associated Press dispatch, Ward is the alleged head of a large ring of forgers which passed bogus checks on major oil companies.

Ward was brought to Odessa from Wichita, Kansas, and was indicted by a 70th district court grand jury in Ector county the first week of April. With him was his partner, E. A. Cowser.

The pair is alleged to have passed checks claiming they were new hands in the oil fields. Cowser is reported to be a former employee of the Sun Oil company and had a supply of printed checks on major oil companies. He is now serving a two year sentence in the state prison on this bad check charge.

Ward is alleged to have passed a worthless Sun Oil check to Mrs. O. P. Weidenbach, Odessa, for the identical amount of \$59.76, using the same alias, "Ted Ford."

Beyond denying he is the "Ted Ford" who passed the bogus checks, Ward has made no statement. He will be defended here by R. W. Hamilton, former district attorney.

District Attorney Cecil Collings said that following the trial here Wednesday, Ward will be returned to Odessa for trial on July 8.

Mrs. Weidenbach and employees of the Hollywood shop here have been positive of their identification of Ward as "Ted Ford."

Similar checks with other names used have been passed here and in neighboring cities. According to reports from South Texas, one check insurance company had to pay out more than two thousand dollars on bogus oil company checks.

Soldier of Fortune On Trip

CLEVELAND, (AP)—Aloha Vandewell, who 13 years ago left a convent in southern France to become a globe trotter and adventurer, is here on his first visit to Cleveland. In the interest of furthering peace, she has been around the world, visited Africa, South America, Siberia, Japan, Asia. She is only 27. Here, she wore whipcord breeches, leather riding boots, zipper shirt, khaki vest. Her husband, Capt. Walter Watardwell, organizer of the first Vandewell expedition, was slain mysteriously aboard their yacht in 1932.

TO GREENVILLE

Mrs. James P. Harrison of the Reporter-Telegram staff and Mr. and Mrs. J. A. McHugh left Thursday night for a visit to relatives in Greenville.

HEAVY CROWDS FOR TRADES DAY ARE ANTICIPATED

Trades Day, Saturday, May 4, was "all set" for action, committees reported this afternoon, awaiting only the day itself for animals to be brought in for exhibition or sale.

Judging of livestock, at the Trades Day grounds south of The Reporter-Telegram and south of the Mackey Motor company, will begin at 2 o'clock. W. T. Blakeway, manager of the day, requested that all animals to be exhibited be in place before that time.

A street parade will form in front of The Reporter-Telegram at 3:30 p. m., with exhibition animals, saddle and cow ponies, floats, automobiles, machinery and commercial exhibits featured. A string orchestra, mounted on a truck, will head the procession.

Auction sale and private bartering of "anything" desired to be sold will be one of the principal events. Committees Saturday anticipated that hundreds of residents of Midland and neighboring counties would be here for the monthly event.

GULF GOLDSMITH CLEANS SELF OUT

By PAUL OSBORNE
Cliff No. 1 Goldsmith, northwest Ector county wildcat, was reported here this morning to have cleaned itself with 1,000,000 cubic feet of gas pressure when plugs were drilled after cementing eight inch pipe.

Total depth of the wildcat is 3,970 feet, and location is in section 10, block 44, township 10 south about eight miles southwest of the North Cowden pool.

Of the other northwest Ector county wildcats, Landreth No. 1 Cowden was closest to interesting depth, being in grey lime at 3,910 feet and drilling ahead. Landreth No. 1-A Schaeffer is drilling at 1,000 feet in sandy red rock with a hole full of water and Empire No. 1 Cummins is in anhydrite at 3,515 feet. Farther south in the west part of the county, Penrose et al No. 1 Kloh has reached 4,225 feet, according to reports, with sulphur water showing exhausted and no more encountered to this depth.

In Andrews county, Honolulu and Liano No. 1-B Parker, has reached 1,734 feet and is preparing to run 10 inch, and Wahlmaier No. 1 Gooble and Bitter is cleaning out in red beds at 1,230 feet.

Baldridge Oil Company No. 1 Sweetie Peck, Upton county wildcat, has reached total depth of 3,680 feet and is underdraining eight inch pipe. In western Upton county, Gulf Production Company No. 103 McElroy, world's deepest operation, seeking Ordovician pay is down to 12,524 feet in dark brown limestone, while in eastern Upton county, Humble No. 1 Pollok, wildcat Ordovician test, is drilling at 4,817 feet. Gulf No. 1 Waddell et al, Crane county Ordovician test has reached total depth of 4,595 feet where they are installing rotary equipment.

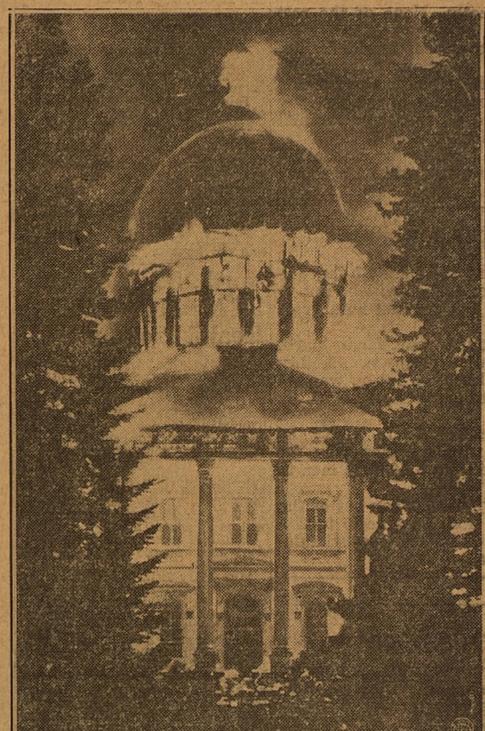

Tribute to Midland From Wichita Falls

The Wichita Falls chamber of commerce will broadcast a tribute to Midland Sunday afternoon from 3:30 to 4 o'clock, a letter to Mayor M. O. Ulmer today said.

The program will be one of a series of four travel talks over Station KGKO, 570 kilocycles, in which Wichita Falls seeks to attract attention to her campaign for being host to the 1936 convention of the West Texas chamber of commerce.

Mayor Ulmer, who is a vice president and director of the West Texas chamber, was asked to notify Midland citizens of the radio program Sunday.

A Fiery Silhouette

Flames visible for miles illumined the sky as Oregon's 59-year-old steeplehouse was swept by the spectacular blaze pictured here, costing one life, \$1,500,000, and destroying records which cannot

be replaced. The copper dome, about which the fire is seen raging fell an hour after the discovery of the blaze, showering sparks for a half mile.

SENATE ADOPTS BILL FOR MERGING STATE AGENCIES

AUSTIN, May 3. (AP)—The Senate today adopted, by a vote of 29 to 1, the conference report on a bill merging state policy agencies into a department of public safety.

The House adoption of the bill would send the bill to the governor for his signature or veto.

The House refused to suspend the rules and consider a bill to establish a public corporation to receive a \$60,000,000 (millions) loan and grant from the Federal government to construct a gas pipe line from the Texas Panhandle to Detroit and St. Louis.

GERMAN TROOPS OCCUPYING RHINE DEFYING TREATY

PARIS, May 3. (AP)—A dispatch from Nancy to the newspaper Le Matin Thursday said German Schutz Polizei (picked police) are stationed along the Rhineland's demilitarized zone, ready to occupy it in violation of the Versailles Treaty.

The newspaper said the police are stationed all along the right bank of the Rhine, especially at Dusseldorf, Frankfurt, Mannheim, Karlsruhe and Stuttgart.

"They are ready at the first signal to cross the Rhine," Le Matin said, "and occupy in a military manner the entire region which, according to the Versailles Treaty, should not receive any garrisons."

MIDLAND WILL ASK CHURCH MEETING

An invitation to the Christian churches of Texas to hold their state convention at Midland in 1936 will be extended by Midland delegates at the 1935 convention in San Angelo next week.

The First Christian church here voted last Sunday to invite the convention and the formal invitation will be extended by Rawlins Clark, a member of the place committee during the convention to be held Monday, Tuesday, Wednesday, and Thursday.

Westbound Planes Are Grounded Here

Three observation land planes led by Lieut. Commander Kneip and enroute west from Eastland were grounded at the Midland airport today because of dust and unfavorable flying weather west of here.

All flying activity west of Midland is stopped, officials said, but always east are still open, particularly past Big Spring where flying conditions were rather bad.

"Little George" McEntire, stationed here with Edw. F. Booth, Inc., flew to Sweetwater this morning. He was piloting a Waco cabin plane.

Hen Offered Tiny Eggs

BERWICK, Pa., (AP)—A tired hen rebelled against the trend toward bigger and better everything recently and deposited four miniature eggs, measuring less than a half inch in length and weighing less than half a ounce each. The chicken, until it slighted from normalcy, was just another hen, laying ordinary eggs.

Robbers Get \$22,000 In Fort Smith Today

FORT SMITH, Ark., May 3. (AP)—Three masked robbers today held up and robbed the City National bank of \$22,000 and escaped with the loot after exchanging automobiles.

Texas Appointed as Irish Ambassador

WASHINGTON, May 4. (AP)—President Roosevelt today nominated Alvin Mansfield Owsley of Texas, as minister to the Irish Free State.

Frazier Bill Approved By Agriculture Com.

WASHINGTON, May 3. (AP)—The Frazier bill, which would refinance farm mortgages with an interest rate of one and one-half per cent was approved today by the Senate Agricultural Committee.

Good Roads Group to Hold Meeting May 10

LUBBOCK, May 3. (AP)—Friday, May 10, 1935, the South Plains Good Roads Association is holding its annual meeting in the ball room of the Hilton hotel, in Lubbock, beginning at 3 o'clock p. m.

County commissioners, city commissioners, chamber of commerce representatives, newspaper editors and other citizens are urged to attend the meeting. Their presence is needed to help formulate and institute plans for the carrying out of highway programs in their particular areas.

There are many highways in this area that need improvement, hard surfaced or work completed on and many gaps in highways that should be connected up. If this work is to be done it is absolutely necessary that the people of the south plains get busy and get their share of any moneys appropriated for this purpose.

The South Plains Good Roads Association has done much for this section of the state; working as a body it has been able to accomplish much that otherwise would not have been possible.

Railroad Official Dies in Memphis

MEMPHIS, Tenn., May 3. (AP)—General Charles A. Desaussure, former commander-in-chief of the United Confederate Veterans, died here today.

At the time of his death General Desaussure was in Memphis in the traffic department of the Southern railway company.

EXCUSABLE "DUMBNESS"

It is always comforting, somehow, to see a professor stub his toe. So there is something perversely pleasing about the knowledge that when 25 Princeton professors met at a tea party the other day and decided to give themselves a general intelligence test, very few of them came even close to passing.

They asked themselves 41 questions. One man managed to answer 19 of them correctly. None of the rest did even that well.

But before we crow too much over professorial frailty, we might remember that those questions were really tough. For instance: Did Naevius originate the fabulae praetextatae? Has the four-dimensional analog of a cube 12 corners? Are the roots of a general polynomial of degree higher than four, complex numbers?

Let's not be too hard on the professors. You could miss on a lot of questions like those and still be a pretty smart sort of person.

MORE MEN ON THE JOB

It is encouraging to learn that the bulk of the \$4,880,000,000 recently voted for work-relief will be put to work quickly on projects creating the greatest number of jobs.

One of the first things to get under way, for instance, will be the grade crossing elimination program. Another will be a project for checking soil erosion in the western states. Still another will be expansion of the C. C. C. by 300,000 new enrollments.

All these undertakings are of a kind in which the bulk of the expenditure goes for jobs rather than for materials. It is hoped that they will put 3,500,000 men to work.

If they do, a big bite will have been taken out of the unemployment problem—and we shall be able to take a little more time at the next task of importance, stimulation of the heavy goods industries.

FEMINE FANCIES

BY KATHLEEN EILAND

(Reserves the right to "quack" about everything without taking a stand on anything).

There is just one thing nicer than Trades Day that we can imagine for tomorrow. That is to have Trades Day rained out.

Those old writers who tell us that man is continually tempted all the days of his life might have said the same of woman. Every day we see dresses that we are tempted to buy when we could just as well do without them.

There do not seem to be any more girls or women; they are all gals.

It is not much wonder that one Midland county farmer never amounted to much—he usually puts the cart before the horse.

When he was a young man he bought a buggy whip and found himself unable to buy a horse and buggy.

One Midland man never became religious until he suffered a sunstroke. We wonder if he got the real religion.

Missouri Grid Coach Pleased
 COLUMBIA, Mo. (UP)—Don Faurot, new head football coach at the University of Missouri, is pretty well pleased at the manner in which his Tigers went through their chores at spring practice. Faurot is not given to predicting victories in advance, but he agrees there may be cause for cheer at Missouri next fall. "The boys have worked hard and will be ready in the fall," he said. "The big thing now is to see that everybody stays on the eligible list. A few need jobs, too."

FIELDS STARRED IN "MISSISSIPPI"

As the "biggest liar on the river" and the champion callopie player of seven continents, W. C. Fields, dean of film comedians, plays his new starring role in Paramount's "Mississippi," coming to the Yucca Theatre preview Saturday night, Sunday, Monday and Tuesday.

A medley of song and entertainment, centering about Fields, the picture stars the famous comedian with Bing Crosby and Joan Bennett.

Dog Acts As Newsboy

CAMBRIDGE, Mass. (AP)—Marie Maloney has her own private newsie—a cocker spaniel, Wallie Dog, the prize news-dog, at the request of its mistress, goes to a nearby store, collects a morning paper, and carefully carries it home. The dog has learned the print of the paper and refuses to take any other one.

Plainview Urges All Officials Be at Con.

PLAINVIEW, May 3.—County judges, mayors, city managers and members of the Texas Legislature from West Texas have been sent special invitations to attend the seventeenth annual convention of the West Texas Chamber of Commerce in Plainview, May 13-14-15.

President James D. Hamlin in his invitation to the officials especially urged their attendance at the three group conferences which are special features of the convention program. The subjects to be discussed, Tax Problems, Territorial Development and Agriculture, are of particular interest to all public officials and will be presented by speakers who are well versed in their particular subjects.

The Agriculture Group Conference, with Clifford B. Jones of Spur as chairman, will be held Monday afternoon at 2:00 o'clock. Congressman Martin Dies of Orange will speak on this program. Congressman Dies is the author of the Domestic Allotment bill.

The Tax Group Conference will be held in the ball room of the Hilton hotel, Tuesday, May 14, at 2:00 p. m. with Senator Arthur P. Dugan as chairman. Senators T. J. Holbrook and Roy Sanderford, who have been very active in tax matters are scheduled to be on this program.

The Territorial Development Group Conference will be held at 2:00 p. m. Tuesday, with R. H. Nichols of Vernon as chairman. Three of the speakers on this program will be H. H. Finnell, U. S.

HARDWARE CLEANS CLEANERS; FINAL SCORE IS 28 TO 11

It is still the Midland Hardware. In what was probably the wildest spree of run making ever seen here in a sockball game the Hardware team, under the management of Luther Threlwell, completely annihilated the Elite "We Got Cleaned" Tailor shop team of Monahans last night by a score of 28-11, or approximately that. Midland runs came in so fast and thick that nothing less than an adding machine could have kept the score correctly.

The Monahans team came over boasting of a team that had not been defeated and carrying dreams in their head of a West Texas championship team. The Midland boys wasted no time in disillusioning the visitors, however, and paid no respect at all for the undefeated record built up by the Ward county players.

Midland made one run in the first inning and three in the second to take a lead but Monahans picked up one in the second and one in the third to make spectators think it might turn out to be a game after all. After being retired scoreless in the third the Midland boys decided to quit fooling around with the visitors and before the side could be retired in the fourth inning 13 Harry Hines of Wichita Falls, on "Highways".

Governor Allred will be the principal speaker at the general assembly, Tuesday morning, May 14, and Governor Clyde Tingey of New Mexico and Governor E. W. Marland of Oklahoma are also scheduled to appear on this occasion.

The remaining day here will include a luncheon on Tuesday, the governors' banquet Tuesday night, La Fiesta on Monday and Tuesday nights.

Hardware Cleans Cleaners; Final Score Is 28 to 11

Midland batters strode to the plate and nine of them made a round trip of the bases to make the score 13-2.

Monahans' big inning came in the ninth when they managed to push five runners all the way around the bases.

Midland never had any more innings as large as the fourth but they kept up their slugging tactics all through the game and were never halted in any inning thereafter, with less than two or three runs.

Wright pitched the whole game for Midland and was never in any trouble due to the fact that he had such a tremendous lead to work with. He gave up 10 hits but kept them well scattered in all innings except the ninth when three hits and two walks along with an error or two gave the Monahans club nearly half their runs of the night.

Worthen started and finished for the Monahans, and what a swell time he had, as the Midland team rapped him for 25 base hits and his makes piled up 12 errors behind him.

Besides pitching a nice game, Berndt and Bill Morgan hit home runs for Midland and several others hit one into the cars in the outfield but ground rules prohibited them taking more than two bases on these hits.
