ADMISSION PRICES TO RODEO, RACES AGAIN PUBLISHED

Reserved Seat Fee Only in Center During Rodeo

Admission prices to rodeo and race events at the Midland Fair, October 19-26, published herewith, still are not clear in the minds of the public, citizens said today.

For the information of the public, the scale again is published. Rodeo programs will be held as follows: Saturday, October 19, at 2 p. m. and 8 p. m.; Sunday, October 20, at 2 p. m. and Monday, October 21, at 2 p. m. Admission prices to each rodeo performance follow:

General admission, adults... 75c
Children, school age... 25c
Reserved seats, center section, 50c extra per person.

There is no reserved seat charge for the two end sections of the grandstand, where as many as 5,000 spectators may be seated. The center section only is reserved at 50c per person.

Race events are each afternoon from Monday, October 21, through Saturday, October 26. No charge is made for reserved seats, the general admission charge for adults and children admitting them to any seat in the grandstand except the 23 boxes which are sold to individuals for the entire Fair. Race seat prices are:

General admission, adults... 75c
Children, school age... 25c
Boxes, varying in price from \$30 to \$60 for the entire Fair, may be had now from Secretary Homer W. Rowe.

London Grimly Drills for Aerial Gas Attack

The target for scores of air raids during the World War, London's fears of an attack from the sky are realistic rather than imaginary. And here is shown one phase of the preparation for such a terrifying eventuality. Gas-masked nurses are giving first aid to boys "victims" in a demonstration at London of emergency treatment in the event of a gas attack from the air.

SPECIAL SESSION WILL BE CALLED NEXT WEDNESDAY

Old-Age Pension Bill Only Will Be Entered

AUSTIN, Oct. 14. (AP) — Governor Allred today said that he would call a special session of the legislature Wednesday. Only the old-age pension bill will be submitted at the outset.

The governor denied that he had said that he would submit the drivers license law, although he would like to do so if the old-age pension bill is passed.

He said that the pension bill alone would be submitted at the beginning of the special session, regardless of whether the present session finishes liquor regulation and salary bills.

Senate drys worked toward the passage of a liquor control bill which the house would accept and dispatch to the governor.

House dry leaders said that no change had been made that would cause the house to refuse concurrence.

One amendment would have the liquor board comprising a tax commissioner, a board of control and the comptroller.

Returns to Rome on War Eve

As Italy launched its attack against Ethiopia, Pope Pius XI paused in the midst of his preparations to leave Castel Gandolfo, his summer residence, to deprecate "the unspeakable material and moral havoc of wars and their dire aftermath of tears and sorrow" and make a plea for peace. He is shown on the castle balcony blessing the throng gathered to speed him on his return to Vatican City.

ADUWA FORMALLY ANNEXED BY GEN. EMILIO DE BONO

Arms Embargo on the Ethiopians Is Lifted

Italian forces today captured the ancient sacred city of Eritrea, Aksum, without a shot being fired.

A few hours later general Emilio de Bono, high commissioner of Eritrea, Italian Somaliland, formally annexed Aduwa and adjacent territory.

Authoritative sources today reported that Britain had already lifted the arms embargo against Ethiopia and that the board of trade was ready to consider munitions shipments.

Mussolini indicated a willingness to discuss peace with Ethiopia with Britain, and France, despite the League's "injustice."

Unconfirmed reports circulated that two Italian ships had been detained at Paris because of the president's neutrality proclamation.

French officials express a doubt that Mussolini has set up Ras Haile Selassie Gussas as a rival to Emperor Haile Selassie.

An Ethiopian army numbering 60,000 hastened across the Southwestern Ogaden province, anticipating a southern fascist force drive.

The League's general staff for sanctions today in effect decreed the financial isolation of Italy by approving the financial sanctions committee's program on loan and credit embargoes intended to suffocate the African war.

SUPREME COURT REFUSES TO ACT IN MOONEY CASE

WASHINGTON, Oct. 14. (AP) — The supreme court today refused to pass upon the constitutionality of the 1916 San Francisco Preparedness Day parade bombing.

The court refused to act prior to a hearing in California, where the case is pending.

McCumber Trial Is Started

Casing Not Yet Run On Davidson Test

By PAUL OSBORNE

According to information available here this morning, running of casing has not yet started on Davidson and Honolulu No. 1. Mrs. Bennett, southeastern Oklahoma county wildcat test which two weeks ago encountered oil at 5,039 feet. It is expected that casing will be run early this week after the cementing of which the well will be cleaned and tested.

Stogner et al No. 1 Mrs. Cora George, northern Andrews county wildcat test which has been holding considerable interest for some time, was reported drilling yesterday afternoon at 4,775 feet in hard lime.

Brady Man Judge Haskell, Midland Horse Race Meets

BRADY, Oct. 14. — W. H. Caldwell of Brady left Sunday to act as judge in two West Texas race meets. He will be in Haskell where he will rule over the races to be held Oct. 15 to 19, in connection with the annual Haskell County Fair.

The second race meet will be held at Caldwell on October 21 to 26, with Caldwell acting as judge there. He was judge of the Brady July Jubilee Race Meet last year, and for years has been considered one of the foremost turf authorities in this section.

METHODIST YOUNG PEOPLE HOSTS AT TWO-DAY MEETING

Young people of the First Methodist church were hosts to the monthly meeting of the Sweetwater district young people's conference, for a two-day session, Saturday and Sunday.

Out-of-town visitors registering for the conference numbered 48, with 20 of the number spending Saturday night in Midland.

A total of 92 young people attended the meetings.

Raymond Russell of Roscoe was chief speaker at the opening meeting Saturday night.

A full day of meetings opened Sunday morning with a service at the home of Mr. and Mrs. S. H. Gwyn, two and a half miles from town at 6:30 o'clock. Miss Edith Murphy of Dumm presented the watch service talk.

President Circles Coast of Panama

EN ROUTE WITH PRESIDENT ROOSEVELT IN PACIFIC, U. S. S. HOUSTON, Oct. 14. (AP) — President Roosevelt circled the Panama Coast Sunday night night proceeding toward the Gulf of Panama after a Sabbath devoted to attendance at church service and complete relaxation.

Under a bright tropical sun the president attended joint services with the crews of the cruisers Houston and Portland on the main deck of the Houston in the morning as the ship rode at anchor off Bahia Honda, Panama, flanked by green islands and mainland.

Just before sunset the ships weighed anchor for the Gulf of Panama where the president plans several days' fishing in the vicinity of the Perlas Islands before going through the Panama Canal home-ward-bound into the Atlantic.

During the day, pearl fishermen from near-by villages paddled about the Houston.

PROCEEDINGS TO SAVE HAUPTMANN STARTED IN COURT

TRENTON, N. J., Oct. 14. (AP) — Egbert Rosserans, one of Bruno Hauptmann's lawyers, today started proceedings to save Hauptmann from the electric chair. The proceedings are carrying the battle to the supreme court.

Rosserans asked Chancellor Luther Campbell to stay the execution, pending a request that the supreme court grant Hauptmann a writ of certiorari. Rosserans agreed to make an application before the court of errors and appeals in Trenton and said that the supreme court petition would be ready for filing within a month.

New Gasoline Tax to Penalize a Million

AUSTIN, Oct. 14. — A million and a quarter Texas motorists will be penalized for the principal benefit of a relatively small group of bondholders, if the proposed one cent per gallon increase in the state gasoline tax is approved by the legislature, Colonel Ike Ashburn, executive manager of the Texas Good Roads association, declared here today.

The present state gas tax is four cents per gallon, of which one cent goes to the common school fund and another cent to refund the outstanding bonds of the various counties spent on construction of state highways.

The new proposal, House Bill 89 by Alsop, would raise the state tax to five cents per gallon, using the additional cent to refund all outstanding county securities for lateral and secondary roads as well.

Colonel Ashburn, whose organization is composed of 25,000 motorists in all sections of the state, said, "We do not think it right to redeem bonds, many of them heavily depreciated, for the profit of the bondholders, and at the expense of the motoring public." He named a Dallas bond attorney who is in Austin actively sponsoring the bill.

"We further believe," Colonel Ashburn continued, "that tax-providing counties, which have not had the benefit of large road programs, to pay off the bonds of counties which have voted large programs, is unsound and unfair."

Moreover, a higher tax does not assure greater revenue, he explained, pointing to Oklahoma, which suffered a 17 per cent decrease in state revenue and a 12 per cent drop in auto registrations the year after its state gas tax was raised from four to five cents. The Oklahoma legislature reduced the tax to four cents the following year.

Old Stage Coach, 19 Shetlands In New Entry List

Parade entries today were on the increase.

H. H. Himes, chairman of the Shetland pony division, reported 19 entries, including two by Sheriff Mill Yater of Stanton.

J. J. Willis of Odessa, head of the Willis Truck & Tractor company of Midland, had entered an old style horse drawn stage, the kind in which the driver occupies a seat at the top and wears a silk hat. Willis was reported to be negotiating for a silk topper.

TO SHOW TB FILM AT MIDLAND FAIR; PREVIEW SUNDAY

Among the things to be seen in the Agricultural building at the Midland Fair Saturday, will be a moving picture of the life history of the "most dangerous bug in the world." The Midland County Public Health Board will show this movie in connection with their exhibit on tuberculosis prevention.

A preview of the film was shown at the home of Miss M. Elizabeth Wilson, Sunday afternoon, to a group composed of Mr. and Mrs. H. N. Phillips, Mr. and Mrs. Addison Young, Mrs. S. M. Francis, Miss Wilson, and Miss Kathleen Eiland.

The exhibit, according to the county health nurse, will represent all the phases of tuberculosis prevention work, beginning with the tuberculin test for children, and examination by x-ray. Prevention also includes proper care of the tuberculous patient in order to protect those individuals who may come in contact with him, as well as for the purpose of curing the individual infected.

Outside the Agricultural building on the Fair grounds will be stationed the new portable cottage, being built this week to house the exhibit on the care of the tuberculous patient. After the Fair the cottage will be loaned out for the care of tuberculous individuals who are unable to obtain admission to the state sanatorium or who are unable to pay for care in a private sanatorium.

Robbers Get \$4000 in Fort Worth Holdup

FORT WORTH, Oct. 14. — Eleven patrons of the Alamo Pharmacy at Main street and Lancaster avenue were lined against a wall with their hands up in a holdup at 9:50 a. m. yesterday that netted two armed robbers \$4,140.84 in cash and checks.

Ringling of the telephone is believed to have been the signal for the robbery. As the telephone started ringing the two men entered by different doors and the telephone continued to ring while the robbery was in progress.

L. W. Hall, manager of the pharmacy, told police that one of the men entered the front door and the other a side door, opening into Lancaster avenue.

The man who entered the front door ordered the patrons to line up against a wall with their hands over their heads, while the other man forced Hall to open a safe which contained all but about \$100 of the money and checks stolen.

After emptying the safe, the robbers walked to the cash register and emptied it. No attempt was made to rob the patrons.

After shuffling the loot into his pockets, the man who emptied the safe and cash register signaled to his companion and the two backed out the side door, entered an automobile and drove west on Lancaster avenue. The car stolen in Dallas Saturday, later was found abandoned at East Seventh and Jones streets.

Police believe a third man participated by keeping the telephone ringing from a nearby telephone, since the two men entered just as the telephone started to ring and it did not stop until the two men entered the automobile to drive away.

A check made later showed that \$2,250.00 of the loot obtained by the two robbers was in cash and the remainder in checks.

MAN IS ARRESTED AFTER 3 DIE IN SHOOTING AFFAIR

SALT LAKE CITY, Oct. 14. (AP) — Police Chief W. L. Payne today said that ballistic tests showed that a pistol found in the possession of George Rutledge, 31, fired the bullets that killed three persons and wounded two others near here late last night.

Rutledge was arrested shortly after a gunman dragged the battered body of Mrs. Blanche Nelson, 48, from a car and fired several bullets into it, then slew Mr. and Mrs. John East, farmers who apparently witnessed the shooting.

The killer then sped away in a car, shooting two men, apparently without cause, from the car.

Police said that Mrs. Nelson had spurned attentions of Rutledge.

WHIPKEY ON STAFF BIG SPRING PAPER

BIG SPRING, Oct. 14. — The Big Spring Daily Herald Sunday announced that, beginning Monday, its news-gathering staff will be supplemented with the addition of R. W. (Bob) Whipkey as managing editor.

Whipkey, an associate of Joe W. Galbraith, publisher, will assume charge of the editorial department having supervision of the Herald's daily news reports. There will be no other changes in the staff of this immediate section. He was born and reared in Colorado, a member of a newspaper publishing family, following his graduation from Hardin-Simmons university at Abilene, where he studied journalism and edited the school paper. Whipkey was for a time associated with the Alpine Avalanche and later was a co-publisher of the Odessa News-Times.

He comes here from Abilene where for six years he was a member of the editorial staff of the Abilene Reporter and News, serving there in turn as reporter, city editor and telegraph editor.

The Herald feels that in the broadening of its editorial department it will be better equipped to widen the scope and service of news for its readers.

Chester B. Cabin Camp et al, Join Competition Here

Race horse names which spell trouble for owners of sprinters throughout the Southwest!

Yet those very race horses, with their stable mates, Sabe and Moting Ann, owned by Ed Deahl and Henry Deahl of Panhandle, were stabled this morning at the Midland Fair track.

The horses were brought here from the Fair Park meet at Dallas, and Panhandle. Barney Keen, distance horse of the Ed Deahl stable, and ran just before that at Amarillo was claimed in a \$1,000 race at Dallas last week. He was winner of the Amarillo Derby on the closing day of the recent meet here.

Race horse fans throughout the country long have awaited a possible match between Chester B and the fast Sweetwater mare, Betty Ann, owned by Chas. Pennell. Both are scheduled to run during the race meet here October 21 to 26.

Jack Sisler's two-horse stable, Buddy Nile and Marvella, arrived from Wink during the week end. Other entries were coming to the secretary's office in every mail.

ROBINSONS FREED OF KIDNAP CHARGE

LOUISVILLE, Ky., Oct. 14. (AP) — Mrs. Frances A. Robinson, wife of the fugitive Thomas H. Robinson Jr., and her father-in-law, Thomas H. Robinson Sr., heard a federal court jury clear them Sunday on a charge of plotting and helping in the \$50,000 kidnaping of Mrs. Alice Spruce, the wealthy Louisville society matron.

The 24-year-old Mrs. Robinson burst into tears when the jury of 12 men authorized the death penalty if the victim is injured in an interstate kidnaping.

Mrs. Stoll was slugged by Robinson Jr., and carried to Indianapolis where she was held captive by him six days before released when his wife delivered ransom to him.

The government charged his father and wife with plotting the crime with him. The defendants denied the conspiracy, contending they did all they could to help the Stoll family recover the victim.

197 Hostesses Hired By U. S. Air Lines

Air lines in the United States employ 197 young women as hostesses according to the most recent reports from the air lines to the Bureau of Air Commerce, Department of Commerce. Announcing this total today, the Bureau added that 7 domestic air lines have hostesses on their craft.

How many rivals each employed hostess had for her position is not definitely known, but it is a fact that each of the air lines has received thousands of applications for hostess positions. The Bureau of Air Commerce has no jurisdiction over hostesses, as it does with respect to their airplanes include American Airlines, Braniff Airways, Columbia Airlines, Hanford Airlines, Transcontinental and Western Air, United Air Lines and Western Air Express. The reports showed also that there were three male stewards on domestic air lines, two on Delta and one on American Airlines.

FOUR KILLED AS CAR HITS TRAIN

SPEEDING CAR CRASHED INTO A MISSOURI PACIFIC COAL TRAIN AT AN UNPROTECTED GRADE CROSSING SUNDAY, KILLING FOUR PERSONS AND SERIOUSLY INJURING A FIFTH.

Coroner David Clayton said tire marks on the pavement showed the driver, Tony Ugra, 27, Herrin, Ill. miner, made a desperate effort to swerve to the right just before the car rammed into the train.

Instantly killed with Nigra in the crash were Fern Volner, 23, Carterville, Ill., newspaperwoman; Hazel Crain, 25, Royaldell, Ill., grade school teacher, and Charles Barney, 27, Herrin, miner.

James Ewald, 23, also a miner of Herrin, was taken from the wreckage and brought to a hospital here, suffering from head and leg injuries.

SOVIETS DIRECT PROTEST TO JAPS AFTER INCIDENT

MOSCOW, Oct. 14. (AP) — Soviet Russia Sunday directed a "resolute" protest to the Japanese government against a reported new invasion of the Soviet frontier, in which two Russian guards and members of a Japanese-Manchurian detachment were slain last night.

The government ordered its ambassador at Tokyo to make the protest and at the same time proposed that a mixed commission be appointed to investigate the patrol.

As reported here, a Japanese-Manchurian detachment about 50 strong crossed the Soviet border at Svodostovo (near Buharovsk in Southeastern Siberia, 500 miles north of Vladivostok), and penetrated into Soviet territory nearly a mile.

The detachment opened fire on the Soviet guard patrol, consisting of two mounted frontier guards, and an official press announcement said.

"Then two other Soviet patrols, which were approximately 2 1/2 kilometers from the Japanese-Manchurian detachment and numbering altogether 18 men, hastened to the assistance of the first patrol."

"The Japanese-Manchurian detachment opened fire with a machine gun on the Soviet patrols, and in order to mask itself set fire to the grass, the smoke from which covered the Soviet guards and also according to information received, the Japanese-Manchurian side."

Previously, protests had been lodged with the Japanese and Manchoukuo governments on border crossings reported in the same area on Oct. 6 and 8.

The contents of today's protest were not made public immediately, except for the accompanying suggestion for a mixed investigating commission. This was taken by foreign observers to indicate belief the situation can be smoothed over.

Informed observers were inclined to place the major share of responsibility for the latest incidents on the shoulders of Japanese military authorities in Manchoukuo.

In previous cases of border clashes the Soviet press has charged that these authorities were deliberately trying to keep friction alive for reasons of their own.

Model Airplane Show Staged by Boy Scouts

The first model airplane contest, sponsored by Boy Scout Troop 54 was held Sunday afternoon at the airport with a large crowd attending.

Judges were Sgt. Tony Bauer and R. L. Snyder.

Competition was keen in both divisions and all models entered reflected high class workmanship on the part of the builders, sponsors said. All flying models were required to make a flight of at least 25 feet to qualify for entry.

"Little George" McEntire, pilot for Edw. F. Booth, Inc., awarded prizes to the winning boys with a ride over Midland.

Winners in the flying model division were: Billy Nott, first for staying up longest, using Corben Super Ace with 24-inch wingspread; Harry Dindorf, first for distance flight using monocoque, 24-inch wing; Clayton Upham, first for workmanship, using Corben Ace, 17-inch wing.

Winners in the solid model (non-flying) division were: Jack Nobles, first, with amphibian; Wayne Latham, second, with Curtiss P-2; Billy Simpson, third, with Boeing P-12; Robert Filson, fourth, with Fokker D-7.

Through the cooperation of the airport officials and Troop officials, it is planned to have the contest monthly.

GARDEN Gossip

A box of colors will paint no picture more beautiful than a box of tulips. Nor will any artist find a palette of colors more brilliant or diverse to work with. In a fashion they are nature's gift to the gardener, whose sense of artistry may be expressed and recreated each spring as he paints his garden picture with them.

Simple to look at and to work with, they furnish unending arrangements of brilliant color beginning in the earliest spring months and continuing through May, which is tulip time in most communities. In the early morning when its deep cavernous chalice opens to the sun, and the drops of dew lobbed on the petals catch up the weak light and sprud a miniature rainbow over the blossom, the tulip is in its glory.

Few flowers are so satisfying to work with as the tulip. Its growth is dependable, and one can almost bet on the height it will attain. The colors have none of the capriciousness of seedlings and can be relied upon according to the catalogue description. If planted at the same depth and in soil of the same nature, they will all blossom together, almost on the same day.

Their gay colors, which contrast so strikingly with the bleakness of winter, and the heavier shades of summer, come in a range which is almost complete. Clear white, with but a tiny speck of pink, is the beginning. Then come the roses, yellows, reds, orange, bronze, lavenders and violets, some of the latter being so deep they are almost black. Only blue is lacking.

The Darwin breeder and cottage types may be all planted at the same time in the fall. Although they are distinctly different strains, they have characteristics much alike, and are all May-flowering types.

Fall catalogues will be arriving soon, if they are not at hand already and you should be thinking about your spring tulip garden. Avoid the extremely heavy soils, as well as manure of any kind, although a light application of commercial plant food may be scattered over the bed and worked into it if your soil is poor. This should be done, however, several weeks before planting, and if you have good ordinary soil it isn't at all necessary.

Plant them a minimum of 8 inches deep, with 2 to 3 inches added if the soil is light or sandy. Dig the soil considerably deeper than you expect to plant so that the roots will have little resistance in their downward growth. Firm the soil well beneath the bulb; this will avoid air spaces which tend to crumble the roots when the soil finally settles. Always point the tip of the bulb upward.

FEMININE FANCIES

BY KATHLEEN EILAND

If this pretty weather holds up, we'd say that chances for a record attendance at the Midland Fair next week are increased considerably.

Rather a shame that these beautiful moonlight nights we've had couldn't have been guaranteed for next week. Just imagine how the younger generation would enjoy the ride to and from the Fair grounds—as well as after the performance.

Anent the troubles of Elaine Barrie and that modern Don Juan, John Barrymore, Helen Welshimer, this has to say:

There was another Elaine, too, who went after her lover. It was back in the days of good King Arthur, and the knight's name was Lancelot. We have read the story, all of us, and seen how Lancelot is to float down a waterway—or board a Chicago plane—in pursuit of a man who frankly has let us know our kisses are numbered.

It is a man's place to pursue a fleeing maiden.

There is nothing which a man so despises as the realization that he is about to be bagged—that a man is chasing him up a tree and won't call off the dogs until he comes down.

There is nothing which a man so loves as the bed that he and he alone, may win a girl who is unattainable and desirable.

Poor Elaine Barrie has probably learned those lessons by bitter experience. But will she that she won't break her heart about loss of just one man as the luckless Elaine of Troy's story did.

One way in which the world progresses.

Rev. Yosp Benjamin, Persian traveler, lecturer, and Christian, addressed the general assembly of BTU's at the Baptist church Sunday evening with a song and prayer. The song, "Rock of Ages," and the Lord's Prayer were both given in the Persian language.

The Every Ready Junior BTU, under direction of Mrs. Geo. Halton, was in charge of the program. A playlet consisting of memory verses spoken by several girls, a poem read by Mrs. Halton, and a vocal solo by Miss Marjorie Ward was presented.

Present were 89 members, 10 visitors, and eight new members. Mr. Lloyd Walker was in charge of the program presented at the meeting of Loyal Workers BTU. The theme studied was "The Body One, The Members Many." Discussing topics were, Messrs. Haskell Watkins, A. C. Blackburn, Thurman Fyall, and Leon Arnett.

Gypsy Robs Bailiff

LIMA, O. (U.P.)—John Betchen, common pleas court bailiff, chatted with a Gypsy woman a few minutes later, Sheriff Ralph S. Marshall was looking for the Gypsy and Betchen's \$20.

I see by the papers yesterday where Jess Goodspeed of Okemah, Okla., made the good speed of 17 2-5 seconds in calf roping at Seminole, Okla. thereby setting a new world's record. Maybe that's right, but I personally saw John Dublin rope and tie one in 15 seconds flat in a neighboring town one time, and they had to fine him ten seconds to keep him from winning the day again.

Besides that, when the first Midland Fair and Interstate Stock show was held at the old fair grounds in 1914, John won the saddle for the best all-round cowboy. And here's one fellow who believes he can do it again.

Stop me if I quote Sam Ashburn too much, but that San Angelo Windmill writer speaks our lingo, and it looks good to see him pulling for our Fair like he did Sunday in the following comment:

Fair Minded Our Modern Homes

Last week the story of the house needing repairs was in the act of getting started on the badly needed repairs and was promised by Mr. Owner that work would begin at once. Then he left for a week's work out of town. We find him back home again now and is he surprised? Now go on with the story.

(Mr. Owner): Well, home sweet home, I passed by my own home and, after driving two blocks on down the street discovered I had gone too far down and after turning around and coming back, I still couldn't believe my own eyes. Hello, House, here you are with a brand new dress and all the new trimmings, and boy, did that Nell fix your bathroom? I'll say he did, and who would have ever believed there could have been so much difference in one room? Tell me, House, why did you want to look your best? (House): Well, haven't you heard about Midland's first big Annual Fair and Anniversary Celebration? Well, of all things! Always an hour late and a dollar short, why everybody is Fair-minded and you should be. Now run along down town and get yourself some new duds and be ready to attend the Fair.

So Mr. Owner leaves the house headed for town. As he goes along he sings the good old song, "Home, Sweet Home."

Folks that is what we are all interested in—our own little Home, Sweet Home, and that goes for our Home Fair. We are dressed up now and, believe you me, with some place to go.

Earl Ticknor says San Antonio and Midland are getting farther apart. Everytime he makes the trip, the distance seems longer.

The bronc riding rules for the Midland Fair are worked out in minute detail. Any rider who is unable to remember them will be allowed to carry his rule book with him on the ride, referring to it between jumps to see where to scratch the bronc next.

IT'S HOME TOWN SERVICE

The best part about your telephone service is that it's home town service—tailor-made for you at the switchboard by people who live and work here.

Experts on American Telephone & Telegraph Company's headquarters staff can develop better methods of giving you service. Scientists of Bell Telephone Laboratories can contribute new inventions and scientific developments. Western Electric can buy and manufacture economically for the 24 operating companies of the Bell System.

And all of these things can—and do—help us tremendously at the job of giving you good telephone service at a fair cost.

Yet not one of them could replace the qualities of friendliness and neighborliness which grow out of the fact that the men and women who operate the telephones here belong to and are part of this community.

You can't measure those qualities. You can't set them down on monthly reports. Yet they have a large part in the job of providing telephone service.

Home Owners--

(Continued from page 1)

savings banks, insurance companies and other institutions is one of the healthiest signs of the times, in the interest of home owners, lenders and the general public.

"In making a long-term loan, the home owner should first recognize that the longer the period of the loan, the lower is the monthly payment required. For example, a No. 1,000 loan at 6 per cent interest, amortized in 10 years, calls for a monthly installment of \$11.10, whereas the monthly payment on a 15-year loan is only \$8.44 or \$2.66 a month less than on a 10-year loan.

"A 20-year amortized loan entails a monthly payment of only \$7.17 per \$1,000, which is only \$1.66 less than the monthly payment on the 15-year loan, and in other words, a \$30 monthly installment will repay a \$2,700 loan in 10 years, a \$3,500 loan in 15 years, or a \$4,100 loan in 20 years, if the interest rate is 6 per cent.

"Bear in mind, however, that the 10-year loan for \$1,000 calls for 120 monthly payments of \$11.10, or a total of only \$1,332 during the entire life of the loan, including both interest and full repayment of the \$1,000 borrowed. A 15-year loan involves 180 monthly payments of \$8.44, or a total cost of \$1,519, and a 20-year loan requires 240 monthly payments of \$7.17, or a long-run cost of \$1,720. The latter sum is \$388 per \$1,000 of loan higher than on the 10-year loan, and about \$200 more than the total payments required on the 15-year loan.

"The recent trend toward longer term amortized loans of 15- and 20-year maturity, now places home ownership within the reach of thousands of families who could not afford the heavier monthly cost of loans of shorter maturity. Nevertheless, it is a mistake to put undue emphasis on the relatively low monthly cost of an extremely long-term loan, and to overlook the higher ultimate cost, because a home owner who can conveniently repay his entire debt in a shorter time may easily save from \$500 to \$1,000

or more, on the average \$3,000 loan. "Most of the 3,400 member institutions of the home loan bank system are savings and loan associations which specialize in making long-term loans. Many of them are making every effort to save the home owner from costly second mortgage financing by granting first mortgage loans at liberal interest rates, up to a reasonably high proportion of property value.

RURAL SCHOOLS

Although the rush in harvesting crops is increasing, attendance at Prairie Lee schools is holding up well.

Since patrons of the school realize the need of supplying playground equipment, they and the school authorities plan to have a Halloween carnival to raise funds for its purchase. A giant stride will be among the equipment to be purchased. Further announcements about the carnival will be made later.

The primary teacher and her students and the principal and his students were guests of Mrs. Edith Wilson and her intermediate students Thursday afternoon from 2 o'clock until 4 o'clock for a schoolroom picnic. The students presented an impromptu program.

Among the visitors to school last week were: Mrs. Lura Hollingsworth, county home demonstration agent, Mr. and Mrs. West, Rev. Richberg, of Big Spring, J. H. Lay, Miss Cleo Danley, Rev. C. F. Bryant and L. E.

Bryant of Brownfield, Ira Livingston.

Mrs. Edith Wilson was absent from school Wednesday afternoon because of illness.

Any patron who is interested in his children's taking a course in piano instruction is asked to see Principal A. M. Bryant at once. A competent teacher is now available and authorities are considering having the course offered.

Pupils at Wartfield school have finished taking their six-weeks' examinations. Those exempt with the number of subjects are: Pearl Wilson, three; Harold Barrett, one; Bronson Smith, four; Andrew Rutledge, four.

The school was sorry to lose one of the puppet Lottie Powers last week. She left Saturday to join her family at De Leon.

Visitors at school the past week were Mr. and Mrs. Bill Houston and Mr. Wilson.

Mrs. Ruby Jamison, teacher, reported that the pupils were much pleased with the religious booklets left by Rev. W. R. Mann Friday for distribution to the children.

Friday morning exercises consisted chiefly of numbers concerning Columbus Day.

Those on the honor roll were: Jerry Davis, Bohannon, Jerry Cook, Ruby Nell Cooke, and Jeannette Stewart. Each student must average 90 on each subject and 95 on department in order to be listed on the honor roll.

Miss Sweetie Smith taught four days last week in the absence of her sister, Miss Tommie Smith, who was ill.

Midweek Club Initiates Season With Two Parties

The Midweek club initiated its fall season the past week with a meeting of the afternoon club, composed of women only on Wednesday, and a party for the evening club, composed of husbands and wives, Saturday night.

Mrs. W. L. Brown was hostess at the afternoon party, entertaining at her home, 901 N. Whitaker, with three tables of bridge. Only club members were present.

Mrs. E. E. Daniel was winner of high score prize. A salad plate was served at the close of the games.

Mrs. Joe Crump entertained the evening club at her home, 823 W. Kansas.

Five tables were appointed for bridge at this party with Mr. W. T. Walsh holding high score for men, Mrs. M. D. Self, high score for women, and Mrs. Frank Johnson high out.

Present were: Misses and Messrs J. R. Ashley, E. Daniel, H. P. Johnson, M. D. Self, W. E. Wallace, Fred Wright, Geo. Farley, W. T. Walsh, and the hostess.

Figure in Rumored Badger Change

Off on the wrong foot by losing the first 2 games of the season, the University of Wisconsin's football team likely will have a new coach by the end of the season, according to reports. Dr. Clarence (Pat) Spears, above, present mentor, is said to be on the way out, with Tom Lieb, former Notre Dame star, and current head coach at Loyola college, San Francisco, due to replace him. Lieb, below, formerly served as the Badgers' line coach.

Personals

Miss M. Elizabeth Wilson and Mrs. Addison Young are leaving this afternoon for Waco where they will attend the annual Texas Public Health association meeting and the annual nurses' institute which will be held in connection with it.

Dr. O. W. Orson arrived Sunday night from Pittsburgh, Penn., for a vacation visit with his parents, Mr. and Mrs. Frank Orson, and other relatives. He drove from Little Rock, Ark., a distance of a thousand miles, Sunday arriving here about 6 o'clock in the evening.

Mrs. Joe Black and children returned last night from New York.

"Vanity Fair Hosiery prices advancing advise covering needs at once."

"Down quilts advance fifteen dollars dozen advise covering needs at once."

"All blanket prices due for advance immediately wire your requirements."

"Your order received, advance in price woollens from mills necessitates advance of dollar fifty per suit on number forty seven naught nine, advise if we shall ship."

"Piece goods advancing mills sold up for this year advise placing orders while able to fill."

"An inevitable shortage on wanted merchandise and prices due for sharp advance advise protecting your needs at once."

The above are authentic letters and telegrams we have received the past few days from such well-known lines as Vanity Fair, Hart Schaffner & Marx, Regina Mfg. Co., Marshall Field & Co., Kenwood Mills, and this condition is nation-wide and wanted merchandise is not only to be higher in price but will be very hard to obtain at any price.

This store anticipated this situation; in fact, getting into politics just a bit, we believe that this is just the forerunner of a certain amount of inflation that is due and just now beginning to reach us.

We have on hand by far the largest stock of good, dependable, nationally-known merchandise that we have ever had.

An inventory at cost today of our stock would show almost a hundred thousand dollar stock of merchandise that we have for your needs.

The object of this advertisement is to advise our customers that this store is well prepared to take care of their needs at prices that will seem very much under the market within the next month or two.

If we don't have just what you want, we will make every effort to get it.

This store has never tried to sell the "cheapest" merchandise. We are perfectly willing to let other stores sell "cheap" merchandise. We pride ourselves that in the thirty years we have been selling merchandise in Midland we have never sold anything that we did not believe would give the purchaser reasonable satisfaction and we have never failed to make good on any honest complaint.

NO DOLLAR DAYS THIS MONTH

There will be no Dollar Days in October, for the reason that the Fair comes just at the time Dollar Days would be held and this store anticipates having as much business as it can satisfactorily take care of.

We appreciate the wonderful business the public has accorded us and we are anxious to serve you in any way possible.
