

Low Temperatures Forecast For State

Jail Prisoner Cuts Throat

RECOVERY SEEN FOR VICTIM OF ATTACK ON SELF

Delbert Rutherford Is Removed To Hospital

ACTED SUDDENLY

Other Prisoners In Jail Unable To Prevent Act

Delbert "Bell Cord" Rutherford, about 45, Midland man, is in a hospital today following a reported slashing of his throat with a razor blade while a prisoner in the county jail Sunday afternoon.

According to officials of the sheriff's department Rutherford, in jail on a misdemeanor charge, about four o'clock in the afternoon took the blade from a razor and slashed his throat before other prisoners near him could prevent the action. Fisher, deputy sheriff, was immediately called to the jail and he notified a doctor, after which Rutherford was removed to a hospital.

Further reports from the sheriff's office indicated that Rutherford had only recently been released from jail on another charge and was released Saturday afternoon and intoxication charges preferred against him by arresting officers.

Reports circulated early this morning that a blood transfusion had been made in an effort to prolong the life of the injured man. The fact that the blade used was of the double-edge variety, causing it to bend when force was exerted on it, in all probabilities kept the wound from being fatal.

8 BURN TO DEATH AT PARKER DAM AS EMPLOYEES SLEEP

Fear Others Might Have Lost Lives In Holocaust

LOS ANGELES, Feb. 3. (AP)—The metropolitan water district was informed today that eight men had been burned to death in a dormitory fire at Parker dam on the Colorado river. Others were feared to have perished and about 20 were injured, a brief telephonic message from headquarters said.

SUB FARM BILL IS AGREED UPON BY COMMITTEE

Measure Broadened Beyond Bankhead Proposal

WASHINGTON, Feb. 3. (AP)—The House Agricultural Committee today approved the combined temporary and permanent substitute farm plan for the AAA. The measure was broadened beyond the Bankhead bill pending in the senate to provide for the expansion of foreign and domestic markets.

The new bill also has a provision written in that funds can be used for bovine tuberculosis eradication, control of Bang's disease, and a temporary program, ending in 1938, restricted to soil conservation, soil re-building and the promoting of economical use of land; also, a market expansion in the permanent program.

The senate passed and sent to conference with the house today the deficiency bill carrying funds for farm benefits under old AAA contracts and \$12,000,000 for expenses incident to paying the bonus.

TO HAVE NEW SHELVES

Remodeling of a section of the wall in the county library was under way today, making possible the utilization of more space for shelves. Plaster was being removed so that shelves could be constructed back into the wall at the southwest corner of the main library room.

Plane Wreck Kills Pilot, While Five Cheat Death

Its motor torn from the fuselage and half buried in the snow, its cabin a wreck, and its wing shattered, this passenger plane is shown after it crashed 20 miles north of Dallas, on its flight south from Oklahoma City. The pilot, Ted Kincannon, was fatally hurt, but the five passengers escaped with minor injuries. Kincannon died without explaining the cause of the plunge, and the passengers were unable to give any reason for the crash.

COUNTY JUDGES CALL MEETING TO AID DEPENDABLES

Will Ask Government Relax Restrictions Restraining Jobs

County Judge E. H. Barron will go to Dallas for a conference of county judges Thursday, with Highway Commissioner Harry K. Hines presiding, at which time the federal government probably will be asked to relax regulations that are keeping many worthy persons from obtaining jobs on WPA projects. The meeting will be at the Baker hotel.

Judge Clyde Garrett, Eastland, president of the Texas Association of County Judges and Commissioners, called the meeting, proposing the subjects to be taken up.

The WPA regulation chiefly concerning the judges was the Jan. 1 ruling that keeps off jobs persons who have gone on relief since Jan. 1. Judge Garrett's letter said this is working a hardship on many deserving persons who are in need of work.

OVER 100,000 PWA WORKERS IN STATE

Almost Entire Number Are Former Relief Roll Clients

SAN ANTONIO, Feb. 3.—Workers on Works Progress Administration projects in Texas numbered 111,986 for the week ending January 25, it has been announced by E. E. Hale, director of the division of employment.

The figure included 108,551 former relief roll clients and 3,335 non-relief workers employed as project superintendents, timekeepers and in other supervisory capacities.

Recover Oil Stained Samples from Moore's Glasscock Deep Test

Oil-stained samples have been recovered from total depth of 10,440 feet in the John I. Moore et al. No. 1 McDowell, Glasscock county deep test. At 10,395 feet the well entered a formation described by geologists as porous, white, crystalline dolomite, which is thought by some to be the top of the Ellenberger, lower Ordovician.

Early last week the No. 1 McDowell encountered white limestone at 10,185 feet which bore close resemblance to a similar streak found in the Big Lake deep wells just above the Ordovician.

Drilling was resumed over a week ago in the test after it had been shut down for several months. It attracted wide interest by geologists all heads over long intervals while bottomed in formation called Pennsylvania.

GAINES WILDCAT DRILLING AHEAD

Walsh and Adams Test Recovers String of Tools

By FRANK GARDNER
W. T. Walsh and Harry Adams Corp. No. 1 Averitt, now the most closely watched of the northern wildcats, is drilling ahead again after some delay while fishing for a string of tools blown up in the hole by a gas kick at 3350 feet.

The No. 1 Averitt is three miles northwest of Semole in Gaines county, and is located in section 228, block G, W. T. R. R. survey.

Further northwest in Gaines, Wablenauer, York & Harper No. 1 Ed Jones is drilling very hard lime below 5015 feet with the hole reported caving. The top of soft lime in the test has been called at 4995 feet, and it is being carried deeper into the section for additional geological data. It is in section 414, block G, C. C. S. D. & R. G. N. G. survey.

Operators are running tubing today in the Crane deep discovery, Gulf No. 1 Waddell, and will put the well on pump production. A potential test should be taken soon on the new deep pool opener. It is in section 4, block B-27, public school land and has opened the Tubb area of Crane to more deep exploration by its performance in producing from the Simpson, middle Ordovician.

BLOSS RETURNS

Gerald Bloss has returned from San Antonio where he attended the Alamo Downs races. His uncle, Win. Bloss, and brother, Bob, are there racing the string of Bloss-Harvey horses.

Record Number Votes Expected to Be Cast in Liquor Election on Saturday

Poll Tax Payments For Year Largest In History

By T. PAUL BARRON
Voters throughout Midland county will go to the polls Saturday, February 8, to decide whether or not liquor may be legally sold. Simultaneously, with the county-wide election, precinct No. 1 voters will ballot as to whether or not liquor may be sold in precinct No. 1. Voters in precincts 2, 3 and 4 will be balloting merely on the status of the county.

The two elections for the precinct are necessary, county officials said, because both the county and the precinct had been voted dry prior to enactment of the Dean law which prohibited the sale of liquor in Texas. The attorney general's office has ruled that there cannot be a sale legal after repeal of the Dean law, that both the county and the precinct must be voted wet.

It would be possible, therefore, for the county to "go wet" and the precinct remain dry, but it would not be possible for the precinct to be wet and the county dry. It has been ruled that each voter must bring his poll tax receipt when he comes to vote.

Late in 1935 a liquor election was held in precinct No. 1 but later was declared void when the attorney general's office ruled that restrictions upon the county as a whole must first be removed, it being necessary also for the precinct to declare itself for the precinct to declare itself.

Although little interest was shown in the precinct election a few weeks ago, voters apparently are showing more interest in the one to be held Saturday. Polling workers at several churches either took temperance as a text or devoted a part of Sunday's services to urging voters to go to the polls.

Houston Seeks Plow 100 Years Old for Important Ceremony

Houston, Feb. 3.—A state-wide search for a 100-year-old plow, needed for impressive ground-breaking ceremonies for the million-dollar San Jacinto battle shaft, was instituted today by the San Jacinto Centennial Association.

MANY GEOLOGISTS ATTEND DINNER

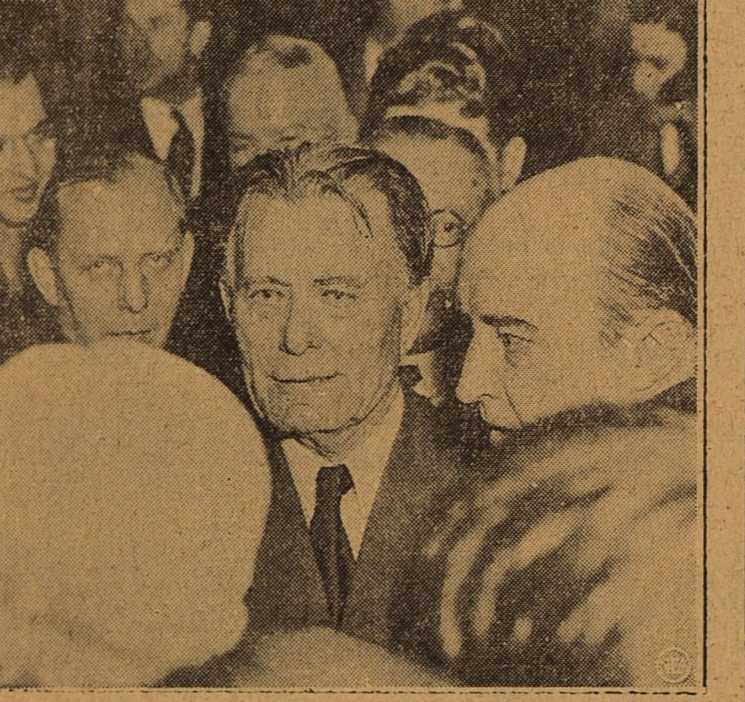

Members and Wives Hear Officials Saturday Night

A crowd of more than 50 Midland geologists and their wives attended the dinner given Saturday night in honor of President A. I. Levenson and Secretary E. C. Moncrief of the American Association of Petroleum Geologists. The two officials, together with their wives, have been motoring in Texas and have been entertained by various geological groups during their trip.

Troop 54 to Hold Board of Review

Troop 54, Boy Scouts, will hold a board of review at the Baptist annex tonight at 7:30. Buster Howard, scoutmaster, announced.

Borah Turns Eyes on White House

Urging 500-a-month old age pensions, isolation from foreign entanglements, and defending the Supreme Court, William E. Borah today became a candidate for the Republican presidential nomination when he spoke in Brooklyn, N. Y., under auspices of a Borah-for-President committee.

The Idaho senator is pictured surrounded by well-wishers after speaking.

"Man Mountain" Dean, Behemoth Grunt And Groan Artist Visitor in Midland

By JESS RODGERS
"Man Mountain" Dean, behemoth push and pull, grunt and groan artist of the cauliflower ear tribe, and one of the outstanding attractions in the wrestling game today, was a visitor for a short time in Midland today while enroute to the West Coast for a series of matches which he hopes will carry him to a championship fight with Danno O'Mahoney, recognized as the heavyweight wrestling champion of the world.

Dean, accompanied by his Persian 15-year-old brother, a Berman cat and a collie dog, is as easy to approach as if he were still walking a beat as a policeman. Any questions asked are promptly answered to the fullest extent. Reminiscences of many of his matches flow easily from the lips of the bearded 320 pounder, and despite the Bolshevick appearance his hirsute adornment gives him, he appears in tonight's approach as if he were still walking a beat as a policeman.

SUPREME COURT ADJOURNS; TVA RULING NOT MADE

Next Monday Soonest Possible Date For Action

WASHINGTON, Feb. 3. (AP)—The supreme court today adjourned without passing on the constitutionality of the TVA, making next Monday the earliest possible date for delivering the opinion.

10,000 WORKERS IN LONDON STRIKE FOR HIGHER PAY

World's Largest Meat Market Forced to Shut Down

LONDON, Feb. 3. (AP)—A sudden strike at the Smithfield market today halted the work of 10,000 men and forced the world's largest meat market, serving over 8,000,000 persons, to an absolute standstill.

ETHIOPIANS CLAIM ANOTHER VICTORY

Report Italian Native Army Thrown Back In Southwest

By Associated Press
Ethiopian officials today claimed Italy's army of natives had been forced back to the plains of Nogelli, ending Ethiopia's critical situation on the southwest front.

VISIT JOHNSONS

Mr. and Mrs. Geo. C. Allen and Clyde Allen visited Mr. and Mrs. M. D. Johnson briefly Sunday, enroute to their home at Phoenix, Ariz. They were returning from Comanche, Texas.

TO TEXAS COLLEGE

Lowell Webb, Malcolm Brennen and Dean Bryant are returning to Texas Tech college at Lubbock today after visiting relatives.

READINGS FROM FOUR TO TEN ARE DUE IN PANHANDLE

Mercury Falls Here As Sandstorm Appears

Temperatures of from four to ten degrees have been forecast for the Texas Panhandle tonight, coming on the heels of snow and a cold wave from the north. Tuesday is scheduled to have even more severe weather.

SNOW PREDICTED

Whitening of Plains Region Forecast By Observer

The mercury began dropping here around noon today after Monday had opened with a warm, gentle wind which soon developed into a raging sandstorm.

East Texas, too, is to experience severe weather tonight and Tuesday, according to the forecast issued from Dallas today, with probable rain tonight changing to sleet and snow in the north.

STRIKES NORTHWEST PLAINS TODAY

DALLAS, Feb. 3. (AP)—Snow squalls and frigid northern winds lashed the Panhandle and plains today, driving the temperature sharply downward and threatening quickly to engulf all of North Texas in another blizzard.

At Borger the mercury dropped from fifty to twenty degrees in two hours. The forecast indicated that it might go to from four to ten tonight. The thermometer registered twice at Dalhart as the temperature was falling elsewhere and the storm advanced southward.

PROMPT REPEAL OF BANKHEAD ACT ASKED FOR BY FDR

Tobacco and Potato Act Repeal Is Also Asked

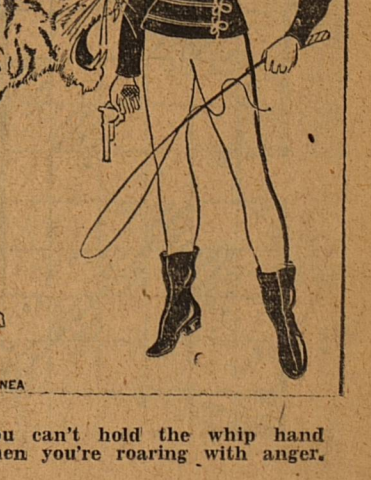

WASHINGTON, Feb. 3. (AP)—President Roosevelt today proposed to Congress "prompt repeal" of the Bankhead compulsory cotton control act, the Kerr-Smith tobacco act and the potato act of last year because of the "termination of the program of agricultural production adjustment" to which the three acts mentioned were auxiliary.

Chamber Commerce Has New Members

Four new memberships in the chamber of commerce have been listed the past week, the secretary announced today. They include: American Chemical company, Frank Adams, "Little George" McEntire, and J. P. Imman.

FLAPPER FANNY SAYS:

REG. U. S. PAT. OFF.

You can't hold the whip hand when you're roaring with anger.

THIRTY YEARS—TRUE TO ITS FIELD

The Fort Worth Star-Telegram Sunday observed its thirtieth anniversary. It began as the Fort Worth Star, later absorbing the Record and Telegram.

Few papers in the southwest can claim credit for such great aid in development of the large territory served by the Fort Worth Star-Telegram. Always a champion for the cause of West Texas, this great publication has progressively aided in every forward movement of its area.

Citizens of the entire southwest should be proud of the record made by the Star-Telegram in its thirty years of activity and should have cause for wishing its owners and staff continued prosperity and growth.

The difference between an Ethiopian battle and a poker game is that, after the latter, everyone says they lost.

Robert Wadlow, 17, of Alton, Ill., is now 8 feet 4 inches tall. And just to think—a few short months ago he scarcely measured 7 feet.

A Chicago woman, whose husband left her in 1926 to seek a job, wants a divorce. Perhaps she isn't aware things are picking up.

Side Glances by Clark

"No, sir, I reckon no people in history ever moved along as fast as we have in the last thirty years."

Two-Hostess Party Is Given

Valentine Motif Featured In Social Affair Held in Crystal Ballroom of Hotel Scharbauer Saturday Afternoon

February opened auspiciously for the social-minded of the town with Mrs. Andrew Faskan and Mrs. W. G. Whitehouse hostesses at the largest party of the spring season held in the Crystal Ballroom of the Hotel Scharbauer Saturday afternoon.

Assisting the hostesses in the houseparty were: Misses R. L. Miller, J. M. Dearmond, M. R. Hill and J. P. Butler.

Valentine colors and symbols marked party accessories, with red roses and red and white snapdragons as party flowers.

Valentine talies, score pads, and covers were used.

Awards in the 28 tables of bridge played went to Mrs. W. R. Bowden for high score, to Miss Fanny Bess Taylor for second high, and to Mrs. Jess Rhoden for high cut. Prizes were wrapped in red cellophane.

Out-of-town guests for the affair included Mrs. Chas. Gibbs of San Angelo, Miss Riddle of Pennsylvania, Mrs. G. R. Berry of Oklahoma City, and Mrs. Fenton Taylor of Duncan, Oklahoma.

Natutaps in red repeated the gay motif in the party plate served at tea time.

CIA Program to Be Broadcast On WFAA

The Founders' Day program, yearly event at the Texas State College for Women (CIA), will be broadcast over station WFAA at Dallas, Saturday evening, February 8, from 6:45 o'clock until 7 o'clock, according to a letter received from Mrs. Teresa Dabney Charlton by Mrs. Percy Mims, president of the recently-organized CIA ex-student's chapter here.

Class Presents Gift to Officer

Mrs. W. C. Maxwell, outgoing president of the Naomi class, was presented Sunday with a gift by Mrs. A. E. Hoffman in behalf of the members, expressing their appreciation for her services during the past year.

Miss Dorothea Johnson, vice president, was in charge of the meeting, with Mrs. A. E. Horst leading the lesson reading and Mrs. O. H. Lamar playing the offertory.

Mrs. J. Howard Hodge taught the day's Scripture lesson which was taken from the Gospel of Luke. The class held a brief business session.

A business meeting was announced for Tuesday evening at 7:30 o'clock at the home of Mrs. Hoffman, 1004 W. Michigan.

Christian Endeavors Present Program

The Intermediate Christian Endeavor observed Christian Endeavor Day with a program on "Youth's Place in the Church," presented at the First Christian church Sunday evening.

Joe Norman led the discussion with Billy Joe Hall, Billy Noble, Ollie Fay Shepherd, and Neil Ruth Bedford taking part.

Frank Wade Arrington led the song service.

The Junior Christian Endeavor met at 4 o'clock Sunday afternoon to present a program on "Christian Service," led by Mrs. J. E. Pickering.

Taking part on the program were Nellie Elkin Brunson, Jimmie Pickering, Charles Reader, Mary Lee Snider, and Doris Pemberton.

FEMININE FANCIES

BY KATHLEEN EILAND

The Groundhog may predict that there will be six more weeks of cold weather but as long as there are days as pretty as yesterday was, there is hope for spring.

For absolute peace and quiet, we think there are few things better than a shabby old ranch house sleeping under the dim sunshine of a February afternoon.

It is curious how the mere fact of human habitation leaves its mark on houses. Nothing can be more melancholy than an abandoned house through which one wanders, vainly trying to picture the persons whose loves and hates, struggles, successes and failures once throbbled through it.

A bit of neglected furniture, a worn-out garment, some knick-knack sets off a train of questions in the mind of the onlooker.

It is on the same principle of course as the efforts of archaeologists of a thousand years hence or two thousand years, to decipher the lives of those of us who try to keep up with the whirl of modern life from what few enduring objects we leave behind us.

RURAL SCHOOLS

Senior boys' basketball team of Prairie Lee school played a matched game with an outsiders' team Friday, winning by a score of 16 to 8.

Students who were not absent or tardy during the last month are: Faye Casbon, Rosa Lee Hart, Ha Merie Franks, James Wilson, Jack Taylor, and James Bryant. Ha Merie and Jack have not been absent since entering school.

The school board is considering purchasing for instruction purposes a farm level for the agriculture class. After the purchase is made,

Use Tomatoes Often For Their Vitamins As Cook Knows Many Ways to Serve Them

BY MARY E. DAGUE
 NEA Service Staff Writer

Here are some suggestions for getting the benefit of tomatoes' vitamin C content. They'll help get them onto the menu at least four times a week.

Don't overlook the tomato juice cocktail for dinner, luncheon or breakfast. A little lemon juice, a few drops of tabasco sauce, onion juice or Worcestershire sauce add point to the drink.

Or stiffen the juice with gelatin and rice it over crisp toast or toast-

TOMORROW'S MENU

BREAKFAST: Chilled tomato juice, cereal, cream, baked French toast, honey, milk, coffee.

LUNCHEON: Anchovy potato balls, lettuce sandwiches, ginger pudding, milk, tea.

DINNER: Oyster stew, concordia tomato on toast, mixed fruit salad, lemon sponge pie, milk, coffee.

ed crackers as an appetizer for luncheon or dinner. Minced parsley can be sprinkled over the tomato jelly or arranged to form a wreath of green around the red.

Jellied Salads Are Popular

Try serving jellied tomato salad between slices of pineapple, with mayonnaise masking the whole. Bananas are excellent with tomato jelly, too, cut in thin slices and molded in it, or alternating slices of banana in pieces about 3-4 inch thick and jelly the same thickness and shape. When a vegetable salad is wanted, such vegetables as celery, cabbage, raw turnips and cauliflower are piquant molded in the jelly.

Vegetables combine well with tomatoes. Put alternating layers of canned lima beans and tomatoes into a buttered baking dish. Cover the last layer with coarse buttered crumbs and bake twenty-five minutes in a hot oven. Serve from the baking dish.

Salt codfish baked in tomato sauce is inviting for luncheon. The fish must be freshened over night in water to cover. Drain and simmer in fresh water until tender.

The class hopes to make field trips and actually lay off some terrace lines. Patrons who want lines laid off should see Prin. A. M. Bryant immediately.

An inspirational chapel service was conducted Friday morning by Miss Jewell Midkiff, Mrs. Edith Wilson, and Prin. Bryant.

Despite the severe weather, a number of patrons and friends visited the school the past week.

A series of examinations was given last week but final results have not been tabulated.

War Influence

BEATRICE LILLIE, whose antics in "At Home Abroad" amuse theater audiences these days, wears something new in the way of an evening wrap for southern resort as well as town wear. Made of silver mesh, lined with green velvet, Miss Lillie says it was inspired by nothing less than the cape of Haile Selassie.

Place in a buttered baking dish and sprinkle lightly with two tablespoons flour. Dot with bits of butter. Cover with two cups strained tomatoes and bake in a moderately hot oven. The tomato juice thickens during the baking and makes a sauce just thick enough to coat

The Town Quack

(Reserves the right to "quack" about everything without taking a stand on anything.)

three months' vacation each year, he'll take it during the sand storm season.

Just average the weather up the year round, however, and we couldn't afford to trade with any section of the country.

Spence Jewell said that was a good article in the Star-Telegram yesterday about his horses. About the only place it was wrong was in saying Apronette won \$20,000 at racing before he sold her. The only difference was that she won it after he sold her—a difference of \$20,000 to him.

A columnist says women have a flare for accessories that match something. He brought out the fact that the red shoe and finger nail craze sprung up during the depression when the old man's books were in the red.

The fireworks are going to bust loose about Saturday. We had a little liquor election a while back and it went wet, later being declared void. Very few people voted. And now that's being brought up again, and more than 2,100 have paid their poll taxes, look out for one of the biggest turn-outs you ever saw at a Midland election.

The "unusual weather" we had for more than a week finally got back to normal. Look out for a nice little pre-spring sand storm any time now.

As Father Harrison says, if his parish ever decides to give him a

the fish.

Concordia Tomato on Toast

Two tablespoons butter, 2 tablespoons flour, 2 cups canned tomatoes, 1 onion sliced, 2 cups canned corn, 1 teaspoon salt, 1-4 pound sharp cheese.

Melt butter and add onion. Cook over a low fire until a pale straw color. Sift over flour and stir until perfectly blended and bubbly. Add tomatoes and corn and cook ten minutes, stirring until thick and smooth. Stir in cheese which has been grated or cut in very thin shavings. Cook and stir until cheese is melted. Serve on crisp toast.

A good way to use the coarse outer stalks of celery is in a combination dish.

Combination Dish

One quart canned tomatoes, 1 tablespoon sugar, 2 cups diced celery, 1 teaspoon salt, 1-8 teaspoon pepper, 2 tablespoons butter, 2 tablespoons flour.

Melt butter and stir in flour. Cook and stir until bubbly and flour is slightly browned. Add tomatoes, sugar, salt, pepper and celery and cook until celery is tender about twenty minutes. Stir occasionally to prevent sticking. Serve with toast cubes sprinkled over the top of the dish.

FRIDAY

Belmont Bible class will meet with Mrs. Troy Eiland, 907 North D street, Friday afternoon.

SATURDAY

Chaparral Troop, Girl Scouts, will meet at the home of Mrs. L. G. Lewis, 714 W. Kansas, Saturday morning at 10 o'clock.

Circle A of the Presbyterian auxiliary will entertain with a silver tea at the home of Mrs. John Perkins, 602 S. Main, Saturday afternoon from 4 o'clock until 5:30. Everyone is invited to attend.

Dedicate Catalog Of Show to Rogers

AMARILLO (AP)—The catalog of the Amarillo Fat Stock show, March 9-12, will be dedicated to Will Rogers.

A picture of the late cowboy-humorist will appear on the cover of the book. The picture will be lithographed from an oil painting by Harold Hughes, cowboy-artist of Clarendon. Rogers rode Panhandle ranges as a young cowboy.

About 2,500 copies of the catalog will be distributed to stockmen, breeders and exhibitors.

TRAPPING SEASON GOOD

TALKEETNA, Alaska—(AP)—Headquarters of miners and trappers who inhabit this wild country is the trading post operated here by Mr. and Mrs. J. M. McDonald. McDonald reports that this winter is the liveliest ever experienced at Talkeetna.

An Englishman, W. Greener, invented the first modern cartridge in 1835, but the British government turned it down as impractical.

High School News

BULLDOG BOW WOW

The Midland High School basketball team took part in the Annual Invitation tournament held in Pecos, January 24-25, in which twenty schools were represented. The Bulldogs went to the semifinals in the tournament by defeating Mentone and Fayette. Midland defeated Mentone 20-19 in the first game, outclassing them in every department.

In the second game the Midland cagers defeated the 16-12 in a close game that was packed with thrills.

In the semi-final game Barstow took a hard fought game from Midland, the score being 22-14. The Midland cagers showed skill in shooting goals and in handling the ball in all the games. If they ever got the ball near the basket they usually made a goal. The Bulldogs' main defect was in their poor floor work, caused by not having a gym to practice in.

The citizens of Pecos were very hospitable to the Midland players, in that they furnished all of the players sleeping quarters, Friday night and breakfast Saturday morning.

The Midland regular cagers and the "Puppies" went to Wink to play games Tuesday night.

The Midland regulars came out on the short end of a 30-16 score. The Midland team could not get its defense set to stop the Wildcats' offense.

See President Roosevelt in person at the high school auditorium next Friday night. He will be accompanied by Thomas Edison.

BAND CLINIC

The regular band clinic, originated in Midland, was attended in Ft. Stockton last Sunday, January 26, by Mr. R. E. Shrader, Mr. J. H. Williams, principal of the Junior High School, C. A. Goldsmith, Senior, and Fred Gordon, Middleton and Lynn Stephens, Freshmen. These meetings are held once a month in various band-minded cities and the comparatively new idea is gaining popularity with each meeting.

In a report before chapel Monday morning, Mr. Shrader stated that the Ft. Stockton band had a uniformed drum corps of Ft. Stockton girls, headed by two drum majors, gave a drill in the gymnasium. Mr. Shrader gave a talk on intonation and a discussion was held on the eligibility of band members. At the conclusion of the program the home economics club served a plate lunch to the guests.

Home economics girls, attention! A valuable lesson in expert house cleaning will be given in the Junior class play next Friday night by one "Tessie".

teacher in Midland High school, resigned at mid-term to accept a position in the Corpus Christi High school. Miss Matlock came to this school from Sanderson, Texas. She is a graduate of C. I. A. and has done graduate work in Columbia University, New York City. While here Miss Matlock acted as assistant pep squad sponsor. She has been very successful in her work and will be greatly missed in Midland High.

And here she is back again in another "mother" part. Who? Why Dorothy Lou, of course, and she's better than ever. See "Spring Fever".

JUNIOR HIGH TEACHER RESIGNS

Mrs. Jack Hawkins resigned her position at mid-term as music teacher in Junior High school to take a position in the Vocational and Technical High school in San Antonio, Texas. Mrs. Hawkins has successfully taught music in the Midland school for the past seven years.

His name is Dickey. He's as cute as a bird, and how he can sing! He's in "Spring Fever" too!

EVERYDAY

By Ralph Lamar
Time has not faded the love of "Klyda" Vance and "Oscar" Kirby.

Flash! (Don't squeeze this one or it will squirt in your eye) Robert Dunaigan is a wee bit "ga-ga" about Granada, and, which is more, he's doing something about it.

And then, there was the guy who wanted to take his nose apart to see what made it run.

Stanley Young has taken over the Anna Mimier situation. Power to you, son!

The object of B. C.'s affections is Anna Beth. It looks as though it will last at least for a while.

Louise and "Waffles" haven't been seen together very much lately.

Bill Willis, I see, is trying to cut in on L. H.'s territory. He took Dorothy to the show the other night.

Kenneth Dodson has things pretty well arranged; he lives in the same house with his girl. (Now, don't get me wrong. Their apartments have an apartment in the same house.) It's still "kinda" handy, though, don't you think?

Gerald is apt to make B. C. sit up and take notice. He also is "eating his heart out" for Anna Beth. We'll have to watch the developments of this "triangle" the week.

WE WONDER--

Who will be the first to ask Alta for a date to the Junior-Senior banquet?

Will Billy Rene really like Wood-ward?

Why "Little Audry" just laughed and laughed?

What good clean fun is it? (You've got me, what good is it?)

When the notice Gurfey-Midkiff "bust up" will happen?

Who "Pug" caught the mumps from?

Who will be the next "sucker" to fall for "Chick"?

If you've bought your ticket to the Junior play?

When the music will stop going round and round?

What the nudists are doing in this winter weather?

How many hearts were broken when Melrose moved away?

Will Joe Seymour ever become a big business man?

How Wimpy would look in a top hat and tuxedo?

What has become of Eunice Reeves?

When will she stop singing the "Gloria"?

Why Gerald wants a very large dog?

When a class play is managed as efficiently as Betty Maness manages "Spring Fever" that play is worth seeing.

PERSONALS

Mrs. Fenton Taylor will leave for her home at Durkin, Okla., today after having been the guest of her sister, Mrs. Hugh Corrigan.

Mrs. Harry Adams has as her house guests her sisters, Miss Iota Hopkins of St. Paul, Minn., and Mrs. D. L. McCoy of Ralston, Okla., and her niece, Mrs. G. R. Berry and the latter's two nieces of Oklahoma City.

Ross Carr of Monahans is in town today on business.

In Guanajuato, Mexico, bodies of the dead whose relatives have failed to pay the rental fees for their graves are placed in long catacombs beneath the burial grounds.

DRINK WATER WITH MEALS GOOD FOR STOMACH

Water with meals helps stomach juices, aids digestion. If bloated with gas add a spoonful of Adierka. One dose cleans out poison and washes BOTH upper and lower bowels. City Drug Store. (Adv.)

Coming Out Again

RANCHERS OF FIVE COUNTRIES ORGANIZE

150 Men Meet in Mitchell County For Campaign On Rustlers

COLORADO, Feb. 3.—Approximately 150 ranchers met in district court Saturday on call of Sheriff Gregory and organized the Mitchell County unit of the Organization to Suppress Cattle Stealing. Sheriff Jess Slaughter and Marion Edwards of Big Spring and M. C. O'Daniel of Coahuila assisted Gregory in the organization.

Pellagra Is Large Concern to Texans

AUSTIN, Feb. 3.—Pellagra, while not a communicable disease, is of concern to the State Department of Health as many people die of it each year in Texas. Pellagra is a disease that is caused by the lack of proper foods. It comes on slowly and may not be recognized until the victim begins to have a sore mouth, stomach trouble, and reddening and scaling of the skin. When these symptoms appear, the disease has been present for some time, stated Dr. John W. Brown, state health officer.

Wine, Dine Youth; Cash Disappears

AUSTIN, (P)—Sheriff Lee O. Allen lists as exhibit number one in his idea of ingratitude a 16-year-old boy.

DOING WELL

John Larsch who has been under treatment in a Midland hospital for several days is reported to be doing well.

Seattle, Wash., has a monument erected to the memory of Segis Pictorial Prospect, a world's champion cow.

CITATION BY PUBLICATION

THE STATE OF TEXAS
To the Sheriff or any Constable of Midland County: Greeting:
You Are Hereby Commanded to summon Frank Karvas by making publication of this Citation, once each week for four consecutive weeks previous to the return day hereof, in some newspaper published in your County, if there be no newspaper published therein, but if not, then in the nearest County where a newspaper is published, to appear at the next regular term of the District Court of Midland County, to be held at the Court House thereof, in Midland, Texas, on the fourth Monday in February, A. D. 1936, the same being the 24th day of February, A. D. 1936, then and there to answer a petition filed in said Court on the 17th day of September, A. D. 1935, in a suit, numbered on the docket of said Court No. 2805, wherein Herman P. Paris is Plaintiff, and Frank Karvas, Ed Cowden and Ed Cowden, Elizabeth Anne Dunaway, individually and as administratrix of the estate of G. W. Dunaway, deceased, and the American Mortgage Corporation, a corporation, are Defendants, and a brief statement of plaintiff's cause of action, being as follows:
Suit for debt on vendor's lien notes, interest, attorney's fees and costs of suit and for foreclosure on the 24th day of September, A. D. 1935, of the Northwest one-fourth (NW 1/4) of Section Seven (7) in Block Number Thirty-nine (39), Township Two (2) South, T & P R. Co. Survey, Midland County, Texas, and for assignment, cancelling and holding or noting the judgment lien held by the defendant, American Mortgage Corporation against G. W. Dunaway, and the vendor's lien retained in conveyance from G. W. Dunaway to Frank Karvas, in so far as said liens pertain to this land.
Herein Fail Not but have before said Court, at its next regular term, this writ with your return thereon, showing how you have executed the same.
Given under my hand and seal of said Court and issued at office in Midland, Texas, on this 23rd day of January, D. 1936.
NETTIE C. ROMER,
Clk. Dist. Court,
Midland County, Texas.
Jan. 27-Feb. 3-10-17

Merchants Return From Marketing

Mrs. Addison Wadley, Mrs. Aldred Estes, and Mr. and Mrs. Alf Reese have returned from a market trip to Dallas. Addison Wadley went on to Chicago to continue marketing.

Camels Approved As Benefit to Digestion

MOSCOW, Feb. 3.—(P)—High command of the soviet far-Eastern army today accused Japanese and Manchukuo troops of taking a position facing the soviet border and of sending scouts into soviet territory. The Russians invited "any impartial committee" to investigate the recent border incidents, promising full co-operation. The issuance of such a committee by the soviet was considered "unusual" and meant with serious intentions.

Rotary Club Hosts To Oil Men of 21 Nations

TULSA, Okla., (Special)—The Rotary club of Tulsa will be hosts to delegates and visitors from the 21 foreign oil producing nations at the ninth International Petroleum Exposition here May 1 to 23, according to J. Burr Gibbons, club president.

LUBBOCK BUILDING NEW RACE TRACK

LUBBOCK, Feb. 3.—Work is expected to begin Tuesday on a half mile race track adjacent to the Mackenzie State Park here, which will be financed jointly by the city of Lubbock and WPA.

A WPA allotment of \$7,263, to be matched by \$1,823 by the city, has been made and another such allotment is expected March 15.

In addition to the track proper, the improvement will likewise include a boundary fence, the usual guard rail fence and other items that will make it conform to the standard regulation half mile track.

In addition to the race track, the infield will be used for polo, football games and other sports. An adequate landscape plan has been worked out and eventually it is planned to have a grandstand constructed.

The track will be partly inside the city limits and near the Panhandle South Plains Fairgrounds.

Bible Lectureship At ACC Feb. 16-21

The 18th annual Bible Lectureship at Abilene Christian College will be held February 16-21, it has been announced by Rev. F. Cox, president of the school. Several hundred visitors from various parts of the United States are expected to attend the lectureship, and as patrons and ex-students of the college reside in this territory, a number are expected to attend the Lectureship from here.

The general subject for the Lectureship will be "The Bible" the theme being selected in keeping with the present celebration of the 400th anniversary of the first printing of the English Bible, now being held in various parts of the world. Fourteen speakers from four states will speak on different phases of the subject. Lectures will be held at eleven o'clock, three-thirty, and seven-thirty each day, with round table discussion meetings at hours to be announced.

Visitors at the Lectureship will be entertained in the homes of friends of the college.

Boys Calf Feeding Program Growing

Three Hereford calves were purchased from John F. Epley of Stanton this week and were placed with Martin county boys entering the Four-H club calf feeding contest.

County Agent Debnam has placed 22 calves, having previously purchased 12 from the Midland Farms Co. and 13 from George W. Glass. He expects to have fifty boys active in the contest soon, with one calf each. Purchase of the calves is underwritten by the Midland Rotary Club and financed by the Midland Production Credit Corporation.

Two boys have signified the desire to feed out a carload each, Debnam said, but negotiations for calves at a price to fit the quantity had not been completed.

Calves in the various divisions will be exhibited at the Midland Fair in the fall, the winning calves and their exhibitors going to the Texas Centennial stock show at Dallas. Numerous prizes are offered to boys entering the competition.

Baptists to Observe Birthday of Houston

DALLAS.—Baptists of the United States will join in a religious celebration of the birthday of General Sam Houston, Sunday, March 1. A call was issued today by the Texas Baptist Convention asking every Baptist church in America to join with them in memorializing the victor of San Jacinto who won independence and religious freedom for Texas.

Houston's birthday falls on Texas Independence Day, March 2, but services will be held in all Baptist churches the preceding Sunday. In his letter to 2,000 Baptist congregations Rev. Howard Williams, secretary of the Texas Baptists, urges union services in every community where there are two or more Baptist churches.

Special services will be held in First Baptist church, Washington, D. C., which Houston attended when he was United States senator at Baylor University in Waco, Texas, whose founder Dr. Rufus G. Burleson baptized Houston and at Independence, Texas, where he joined the church.

The Texas Centennial Exposition which is cooperating with the Texas Baptist Convention in plans for this religious observance announced today plans for a \$50,000 Hall of Religion, a spacious and beautiful building for free exhibits by all denominations. In the Baptist section of the structure special stress will be laid on Houston's services to his state and to the Republic of Texas.

STORIES IN STAMPS

By I. S. Klein

RETURN OF THE WHITE GOD

MANY new lands had been discovered by the famous captain, James Cook, scientist and explorer, when, on Jan. 18, 1778, he reached what is now Hawaii. The natives believed him their white god, Lono, and so honored and worshiped him during his stay.

But soon Cook sailed on, seeking a passage between the Pacific and the Atlantic. Finding none, he returned to Hawaii, in January, 1779. The natives again showered their white god with favors. Finally Cook left for England, but damage to one of his ships forced him to return, and now the attitude of the natives mysteriously changed.

The Hawaiians stole one of Cook's boats, fought off his men, and finally stabbed Cook to death. Still treating him as their god, they burned his body and kept his bones for sanctuary, as they did those of their chiefs.

Hawaii has no stamp picturing Cook, but he appears on stamps of New Zealand and other islands that he had visited. A stamp of the Cook Islands is shown here.

(Copyright, 1936, NEA Service, Inc.)

Still Coughing?

No matter how many medicines you have tried for your cough, chest cold or bronchial irritation, you can get relief now with Creomulsion. Serious trouble may be brewing and you cannot afford to take a chance with anything less than Creomulsion, which goes right to the seat of the trouble to aid nature to soothe and heal the inflamed membranes as the germ-laden phlegm is loosened and expelled.

Even if other remedies have failed, don't be discouraged, your druggist is authorized to guarantee Creomulsion and to refund your money if you are not satisfied with results from the very first bottle. Get Creomulsion right now. (Adv.)
