"Mass Murderer" Gives New Version

SERVICE WORKERS RETURN TO JOBS AS STRIKE IS SETTLED

Union Charges 400 of Its Members Barred From Positions

'GREAT VICTORY' Bambrick Jubilant as Compromise Is Effected

NEW YORK, March 16. (AP)—Building service workers returned to work today after a strike lasting for two weeks. The union charged that 400 men had been refused re-employment by 22 realty firms because of their part in the strike.

A compromise settlement effected Sunday provided for immediate re-employment of the strikers along with arbitration of wages and hours.

James J. Bambrick, head of the New York local of the International Building Service Employees Union, hailed the settlement as a "great victory."

He said that 33,000 workers, including porters, janitors, boiler stokers and chambermaids, in addition to elevator operators, would be back on their jobs today.

Arbitration of minimum wages and maximum hours will begin within the next few days under the supervision of Ferdinand A. Silcox, chief of the United States Forestry Service.

The end of the strike, exactly two weeks after it began in a burst of disorderly clashes, was announced by Pelham St. George Bissell, president of the municipal court and chairman of Mayor F. H. LaGuardia's special board of survey.

STATE BANKS RECEIVE CALL

AUSTIN, March 16. (AP)—The state banking department today called on all state banks to show their condition as of the close of business March 4.

HEAVY GAS HALTS WALSH AND ADAMS SEMINOLE TEST

Gaines Well Making Over 12,000,000 Cubic Feet

BY FRANK GARDNER
Heavy gas estimated at 12 to 15 million cubic feet has halted drilling in the most closely watched wildcat in West Texas today, W. T. Walsh and Harry Adams Corp. No. 1 Avertit near Seminole in Gaines county. About 6,000,000 feet was encountered while drilling at 4,897 to 4,897, with an increase of another 6,000,000 at 4,910, where drilling ceased. Tools were not blown up in the hole but are reported to be stuck on bottom, probably with cuttings and cavings on top of them. The drilling line has not yet been fished, but operators may decide to pull them.

Thought to be doomed to failure late last week when reports were circulated that it had encountered a half barrel of sulphur water per hour at 4,813 to 4,815, later developments proved that little or no sulphur water had been struck and drilling was resumed. The big gas flow coming from near bottom has aroused hopes that the heavy liquid around the Seminole area may eventually "pay off."

Located three miles northwest of the town of Seminole on a structure mapped by several geophysical crews, the No. 1 Avertit also had many gas pockets in the Yates sand section above 3,940.

Running Acid

Acid is being run today in the Honolulu and Cascade No. 1 Bend, prospective pool opener in northern Yoakum county. Tubing was run and packer set preparatory to the acid injection. Bottomed at 5,112, the Yoakum well has aroused renewed interest since successfully exhausting salt water developed when it was deepened to 5,096 at the end of 16 months ago. A two foot porous line section from 5,094 to 5,096 is the source of oil which has been rising in the hole at the rate of about a barrel an hour. According to reports the acid will be left standing in the hole for a short time and then swabbing will be started.

The No. 1 Bennett is conceded a fair chance of making a commercial producer. If much increased by the acid it will be the farthest north oil well in the West Texas Permian Basin and will throw a large area open to more drilling.

Information received here states that Lou Stogner has his Yoakum wildcat financed and that drilling will be started by April 15. Located on the Groggin ranch, the test hole for a section 215, block D, John H. Gibson survey. Contract has not yet been let, but it is understood that both rotary and cable tools will be used in carrying down the hole.

Roosevelt and Stogner have assembled a block of 18 sections, eight from the Groggin interests and two from Frost Bros. of Abilene. The location is 13 miles north and two (See Oil News, page 4)

Lonely in Defiance of Floods Ravaging East

As swollen rivers carried destruction across New England, New York, and Pennsylvania hundreds fled for their lives, as damage mounted into millions. This scene is typical in the near-record rise of streams in the vast area. With flood waters surging over the Trenton, N. J.-Yardley, Pa., highway and adjacent lands the fisherman's shack shown in the picture was tied to trees to prevent it from floating away.

LEAGUE REJECTS HITLER DEMANDS IN SESSION TODAY

Discussion of Peace Plans Refused by Six Nations

LONDON, Mar. 16. (AP)—The League of Nations council, in secret session, today flatly rejected Reichsfuehrer Hitler's demand that the council discuss his peace proposals along with the Locarno crisis conversations. Six nations, headed by France, opposed the simultaneous discussion of peace plans and the occupation of the Rhineland.

MDIVANI, SERGE THIS TIME, IS AN ACCIDENT VICTIM

Fatally Injured by Kick From Horse In Polo Game

DELRAY BEACH, Fla., March 16. (AP)—Prince Serge Mdivani was fatally injured on the polo field here Sunday.

The prince, one of the famed "marring" Georgian Mdivanis, died within 10 minutes of being kicked in the head by his own pony.

The accident occurred at the Gulf Stream polo fields.

Mdivani was a brother of Prince Alexis Mdivani, former husband of Barbara Hutton, who was killed a few months ago in an automobile accident in Spain.

Two physicians present at the time of the accident, Dr. J. William Ebert of Baltimore and Dr. E. C. Stephenson of New York, found death resulted from a cerebral hemorrhage.

An inhalator was used for more than an hour before efforts to revive him were abandoned.

The mishap occurred in the fourth period of a polo match between the prince's Georgians and the Texans, captained by Cecil Smith.

Mdivani swerved across the line of play for a daring reach and his pony crashed into Smith's. The two players came down, and Mdivani's rearing mount kicked him.

The Georgian's bride of two months, the former Louise Van Allen of Newport, R. I., and her mother, Mrs. James E. Van Allen, were among the spectators.

The princess, former wife of another Mdivani, Alexis, ran to her husband's side and collapsed at the news the physicians gave her.

Playing with the Georgians were Michael Phipps, C. R. Harrison and E. A. S. Hopping, while Smith had for teammates C. B. Wrightsman, W. G. Reynolds and R. Bullock.

Press Convention Attracts 3 Noted Publishers To City

Three outstanding Texas newspaper publishers have accepted invitations to appear on program of the West Texas Press Association's annual convention, to be held at Midland May 22 and 23, Lowry Martin, publisher of the Corsicana Daily Sun and a member of the executive board of the Texas Centennial, will address the gathering of 100 or more West Texas editors at the noon luncheon Friday, May 22.

Houston Hart, publisher of the San Angelo Standard and Times, and Gene A. Howe, publisher of the Amarillo Globe and News, also will appear on programs, talking on newspaper topics.

Governor James V. Allred, invited to address the Friday evening banquet, had not replied today but had told Midland men at San Angelo last week that he would check his dates and be here if at all possible.

The honor guests and members of the association will be guests of the chamber of commerce at a banquet and of Midland Downs race meet on Friday afternoon.

Quiet Landings Mark Few Weekends Here

The weekend was a quiet one at Sloan Field with only one landing reported for Sunday and one for this morning. Both planes were BT2B's.

Lieut. R. T. Lester landed Sunday coming from Big Spring and continuing to Randolph Field. Major J. G. Lester landed this morning. He came from Dallas and is on his way to El Paso.

Miss Frances Reast spent the weekend at her home in Whitesboro.

BLAMES ACCIDENT FOR DEATHS OF 2 CHILDREN; WOMAN

Says Boy Was Killed By Blow From His Father

MOVE ACCUSED Prisoner Hurried to "Mob Proof" Jail By Sheriff

ATHENS, Mar. 16. (AP)—George Patton today gave a new version to the gruesome bludgeoning slaying of an entire East Texas farm family of four persons four years ago.

After an all-night grilling, sheriff Jess Sweeten said, the gray-bearded Patton recounted a battle for his life between him and J. W. McGehee, farmer, after an argument over corn. Patton claimed, the sheriff said, that McGehee's club had fatally struck McGehee's son Bobbie, two, but that his (Patton's) weapon had accidentally struck and killed Mrs. Callie McGehee, 19, and her son Doyle, four.

Patton said that he finally managed to strike McGehee a fatal blow with a rusty wagon axle, according to the sheriff, who reported that he planned to bring Patton to Dallas immediately to avoid possible mob action.

Patton has been charged with murder in four cases.

Three weeks ago, Sweeten, State Ranger Dan Hines and chief deputy Elton Corley arrested Patton and jailed him in the Tyler jail. They left him there for 10 days, then began questioning him, finally eliciting a confession from him that he had killed McGehee after he (McGehee) had slaughtered Mrs. McGehee and the two children.

He told officers that he had bolted the victims, then burned the bones, but late last week led officers to where he had buried the remains of the dead persons, personally digging with a shovel until part of the remains had been uncovered.

BIG SPRING MAN BURIED AT RITES READ ON SUNDAY

J. P. Smith Succumbs Late Saturday Afternoon

Funeral services were read at Big Spring Sunday afternoon for J. P. Smith, 32, father of Mrs. J. G. Arnett and Mrs. Sam Caffey of Midland.

Death came to the aged man Saturday afternoon at Big Spring, following an illness of a week.

He is survived by his widow, four sons, and six daughters including: Mmes. Arnett and Caffey of this place, Mrs. Haskell Caffey of Anson, Mrs. J. C. Scott of Stanton, Mrs. Ben Sample of Knott, and Mrs. Oscar Smith of Lenora; Marshall, Herschel, and Walter Smith of Big Spring and Gordon Smith of Bakersfield, Calif.

Attending the funeral from here were Mr. and Mrs. J. G. Arnett and family and Mr. and Mrs. Sam Caffey and children.

LAYMEN TO MEET ON FRIDAY NIGHT

School Principal Will Address Men at Session

The men of the First Christian Church will meet in their regular monthly meeting at the Banquet Hall of the church Friday night at 7:30 o'clock. It was announced today. The program and arrangements have been completed and a splendid attendance is expected. Mr. J. H. Williams, principal of the Junior High School will bring the principal address. Other numbers include songs and short humorous talks. Dr. L. B. Pemberton will serve the meal. Tickets may be secured from Dr. L. B. Pemberton, Mr. Rawlins Clark, or Buster Howard at their places of business, or at the church Friday night.

FROM BUSINESS TRIP

O. N. Maness of the Dowell Incorporated Chemical Service company has returned from a business trip to Fort Worth.

MATADOR BAND TO GIVE CONCERT AT SCHOOL TOMORROW

Group Making Tour Of Cities Over West Texas

The Texas Tech Matador Band will appear for a concert in the High School Auditorium here at 10:00 a. m. on March 17th, according to a notice received from D. O. Wiley, director.

The band is on a tour of West Texas, playing two concerts daily during the six-day trip. The sixty-piece delegation will cover 850 miles, appearing in fourteen west Texas cities and towns.

This is the second annual spring tour the Matador organization has made. Last year the tour included cities to the north of Lubbock. The band played during the Mother-in-law Day celebration in Amarillo last spring, when Gov. James V. Allred requested a special number.

For the past two years the band has accompanied the Red Raider football team to Los Angeles for the Tech-Loyola games. They drew comment from Hollywood and Los Angeles crowds because of their colorful red-and-black corduroy uniforms.

Last fall the organization played on an all-star program on a Los Angeles radio station and at the California Pacific Exposition in San Diego twice. Harry Culver, Los Angeles Times columnist, said the Tech band was "the most competent musical organization that had ever been on the West Coast."

Wiley has worked up a program of marches, overtures, and novelty numbers that promises to make an interesting appearance here. The band is coming under the sponsorship of the Calico School annual. Admission charges will be 25 cents for adults and 10 cents for students.

Dust Storm, Freeze Hits West Oklahoma

GUYMON, Okla., Mar. 16. (AP)—A dust storm swept over Oklahoma's Panhandle today. Damage to wheat was believed slight although the mercury dropped to two degrees below freezing during the morning.

3 Agrarians Slain In Gunfight Today

MEXICO CITY, Mar. 16. (AP)—Three agrarians today were killed in isolated clashes with authorities, one at Durango and two in Michoacan state, where police fired on several scores of Agrarians.

PROCESSING TAX POSSIBLE

WASHINGTON, D. C. Mar. 16. (AP)—Congressional tax drafters today indicated the possibility of using processing taxes to fill out President Roosevelt's \$792,000,000 revenue program, despite the desire to avoid such levies in election year.

Rodeo Program Events Here Go to Press Today

Copies of Book Will Be Distributed at Fat Stock Show

Program of events for the "world championship" Centennial rodeo, to be staged at Midland June 26-28, went to press today and copies will be taken to Fort Worth late Tuesday by members of the committee to be distributed among contestants at the stock show there.

Elimination of the team roping and the wild mare milking, and the addition of both wild horse roping and a wild horse race, were announced. Committee members said the wild horse roping would differ from the wild mare milking only in that a bell would be removed by roper instead of milking the mare. The wild horse race was put in place of the team roping in the belief that greater thrills would be provided for spectators and much less time would be used on the program.

Purses will be similar to those of last year except for a few increases and for the substitution of cash instead of a \$100 saddle in various averages.

Events which will be the same as last fall include calf roping, bronc riding, steer riding, steer bull dogging and bareback bronc riding.

The sponsors' contest, with cowgirls competing from towns all over West Texas and eastern New Mexico, will be staged again.

Both day and night shows will be held during the big three day rodeo, with expectation that outstanding ropers and riders of the world will compete. The same committee serving last year, including Roy Parks, Leonard Proctor and John Dublin, was re-appointed by Poy Proctor, president of Midland Fair, Inc.

KIN OF MIDLAND WOMAN IS BURIED

E. C. Allen, Brother-in-Law of Mrs. Frank Elkin, City

Mr. and Mrs. Frank Elkin and daughter have returned from Plano where they attended the funeral services for E. C. Allen, Sr., brother-in-law of Mrs. Elkin.

Allen was a prominent druggist in Plano, having been a member of the Allen brothers drug firm for the past 27 years. He was treasurer and a prominent worker in the Christian Church of that town for the last quarter-century.

The deceased man is survived by his wife, one son, E. C. Jr., a small grand-daughter, three brothers and two sisters.

JOE CRADDOCK IS WINNER AT SHOW

Second Place Prize Taken By Local Youth in Pony Contest

EX-COMMANDER OF 'MEN IN GREY' DIES

Paralytic Stroke Is Fatal to 90-Year Old Man

LAWTON, Okla., March 16. (AP)—Richard A. Sneed of Oklahoma City, former commander-in-chief of the Confederate Veterans of America and former Secretary of State and State Treasurer of Oklahoma, died here early Sunday at the home of a son, Frank S. Sneed. He was 90 years old.

The picturesque, white-bearded veteran, known for years in Oklahoma as "the Grand Old Man of the Democratic Party," died of a paralytic stroke. He was stricken Friday night while visiting his son and remained unconscious until his death at 6:40 a. m.

Sneed's three sons and three daughters were at the bedside when he died.

Tall and erect, "General" Sneed was national commander of the Confederate veterans in 1928 after having served as commander of the transmississippi division the previous year.

Baptist District Convention Will Meet This Week

The two-day annual district convention of the Baptist church will meet at the East Fourth Street church in Big Spring Tuesday and Wednesday of this week. The general theme of the convention will be "Cooperation" and the slogan will be "The Whole Church Supporting The Whole People of Jesus."

"Worship" Lesson Is Studied at Endeavor

"Worship" was the subject discussed by the Junior Christian Endeavor Sunday afternoon. Mary Lee Snider had charge of the program which included the following subjects: Song—Jesus Wants Me for a Sunbeam. The Life of Abraham Lincoln—Jimmy Pickering. Scripture reading—Charles Reader. The Story of Ruth—Doris Lynn Pemberton. Benediction. Mrs. J. E. Pickering presented a lesson on "Baptism" at the meeting of the Intermediate Christian Endeavor Sunday evening at 6:30 o'clock.

GARDEN GATE GOSSIP

Fragrance in gardens is a charming attribute we often talk about, but too seldom find. Just why this should be true is one of those mysteries of current fashion, which is hard to explain. We find the modern gardener in a frenzied effort to create the perfect color setting and in his haste forgetting to include those sweet-scented subjects which give such a delightful perfume to summer evenings.

Some of this neglect may be due to the homely dress of some of the old-fashioned fragrant flowers. For example the evening-scented stocks, (Matthiola bicoloris), which give such an abundance of perfume they may well be grown for that alone. But many fragrant flowers have been highly developed by modern plant breeding and may be planted for color and beauty as well. Mignonne (reseda odorata) is one of these, and has no superior for its delicate scent. It makes excellent cutting material to combine with other flowers.

There are many fragrant blooms that can be grown from spring-sown seeds. The ten-week stocks are a delightful race of garden subjects which come in a long color range. Nicotiana, the sweet-scented tobacco plants, should have a place in every garden. Their long tubular flowers close in midday but open as evening approaches and give forth a rich perfume. The sweet sultans and sweet scabiosa have a soft fragrance and add beauty to the garden picture. They are fast growing annuals. Sow seeds of the sweet sultan (centaurea) broadcast, where they are to grow. The datura (angel's trumpet) is another fragrant annual which is beautiful. It must be started early in the house, or a hotbed. The evening primrose is noted for

Naomi Class Hears Lesson on "Prayer"

"Prayer" was the subject of the lesson taught by Mrs. J. Howard Hodge to the Naomi Sunday school class Sunday morning. The devotional was brought by Mrs. Robert Duffield, Mrs. O. H. Lamar played the offertory. Miss Drotha Johnson presided in absence of the president, Mrs. Cotter Hiett. Announcement was made by Mrs. S. M. Laughlin, treasurer of the Naomi Recreational club, that two memberships are available in the tennis club. The court is expected to be ready for use this week.

Business Women to Elect Club Officers

Officers for a Business and Professional Women's club of Midland will be elected tonight in a meeting at the chamber of commerce office at 7 o'clock. Miss Elma Graves and Mrs. Virginia Cowan are temporary chairmen with Mrs. Carl Covington, Miss Fannie Bess Taylor, and Mrs. Iva M. Boye named as the nominating committee. According to the constitution, 75 percent of the membership of the club is supposed to be made up of women gainfully employed in business and the professions, the remaining 25 percent being open to other women. All women interested in the club are asked to be present at the meeting tonight, so that the organization may start, functioning at once with as large a membership as possible.

Ninety-Eight Are Present at BTU

Ninety three members and five visitors were present at the general assembly of the BTU at the Baptist church Sunday evening. The program was in charge of the Willing Workers Intermediate union under direction of Mr. R. L. Dsn hum. Featuring the numbers was a playlet, "Love for the Bible." Miss Marjorie Ward led the group singing.

Swiss Cheese From Alaska HOMER, Alaska, (AP)—Dairyman Alfred Kohler has begun the manufacture of Swiss cheese on a large scale, and plans to market the product in Seattle. His dairy is in the Kenai Peninsula agricultural center. Its heavy scent, given off during the evening hours. Its yellow and white blooms, attractive during the daytime, seem to reflect the moon at night. The heliotrope is another universal favorite. Gardeners who will take the time to search the seed catalogs will be able to find numerous fragrant subjects to fit into their summer picture. Attend the Church of Christ Revival every day this week. (Adv.)

FEMININE FANCIES

Another disconcerting thing is to waken in the morning and find a layer of sand over everything in the room, indicative of the fact that we've slept through a sandstorm without being aware of it. After all though, it's easier to endure a sandstorm unaware, so the sound sleeper may be happiest. One of the times when the average woman wishes she were a man is during the sandstorm months—especially when a bad dust storm comes up just after she has given the house a thorough cleaning. The shade trees may be budding out but we won't entirely believe its spring until the mesquite begin to leaf out. And speaking of mesquites, we think that no foliage is prettier when seen in mass than the lacy, pale green leaves that form a fairy mist of verdure over ordinary mesquite bushes early in the year. Days like yesterday make long walks a pleasure instead of a duty. One of the peculiar joys of spring is poking about early on a sunny morning, planning just where we can plant this, that or the other flowers and visioning glorious beds of blossoms for the summer (even when we know perfectly well that the flowers we plant always die.)

Announcements

Tuesday The Bridgette club will meet with Mrs. Klunie Reese, 411 North A St., Tuesday afternoon at 3 o'clock. The Edelweiss club will be entertained by Mrs. R. M. Barron with a luncheon at the Hotel Scharbauer Tuesday at 1:30 o'clock. Wednesday The Wednesday club will meet with Mrs. M. R. Hill, 420 W Missouri Wednesday afternoon at 3 o'clock. The Junior Woman's Wednesday club will meet with Miss Martina Louise Nobles, 110 S Pecos, Wednesday afternoon at 4 o'clock for a Texas Day program. The Modern study club will meet with Mrs. S. S. Stinson, 1608 Holloway, Wednesday afternoon at 3 o'clock. Friday The Belmont Bible class will meet with Mrs. A. W. Lester, 1313 S. Colorado, at 3:30 o'clock. Saturday Bien Amigos club members will meet with Mrs. H. W. Mathews at Iran for a luncheon. The monthly meeting of the CIA Ex-students' association scheduled to be held at the home of Mrs. Percy Mims Saturday has been postponed until, Saturday, March 28.

The Town Quack

(Reserves the right to "quack" about everything without taking a stand on anything.) I don't have any trouble believing Tommy Wilson attended the stock show at Fort Worth, because I didn't see him at the store Saturday, and I know what a fiend he is for staying on the job. However, I do find it hard to believe that he won second place in steer riding. Jess Rodgers has got to where he wants to prove everything by Prof. Lackey, just because Prof. has had so many years of experience. It's a good thing Clarence Jr. goes to school, because Clarence Senior might have wanted to stay down at the stock show all week. The rodeo committee is preparing to circulate programs of the Centennial rodeo here among the performers at all big shows between now and late June. I understand Leonard may send an engraved invitation to certain performers from Arizona. I hear tell around town that this is pay day, but it's only Monday to me. All my life I've heard that you ought not to spend your money until you get it, but once you get behind it's hard to catch up. 40-Year Record Upset FINDLAY, O. (UP)—Sam Craig never missed a day for 40 years at his restaurant, until he was injured in friendly tussle with a patron.

FOR DIGESTION'S SAKE—SMOKE CAMELS

Smoking Camels eases tension—stimulates digestion—and fosters a feeling of well-being!... L'AIGLON, IN CHICAGO, RENOWNED FOR ITS CONTINENTAL CHARM AND CUISINE. In this famous and delightful place, known for years to connoisseurs, Camel cigarettes are a popular favorite with diners. "Teddy," (left) genial host to the lively crowd you see in the picture above, says: "We find our patrons know not only good cooking, they know good tobacco. Camels are the most popular cigarette among L'Aiglon guests." 150-POUND DYNAMO! Tommy Bridges, of the World Champion Tigers, says: "Ball players have to watch digestion. I find Camels a real aid in helping digestion. They set me right!" WIZARD ON SKIS, Sig Buchmayr, says: "It seems to me that after good food there's nothing like smoking a Camel to aid digestion and build up a fine feeling of well-being."

Smoking Camels eases tension—stimulates digestion—and fosters a feeling of well-being!... Again and again, we make up for lost time by eating in a hurry. Digestion must meet the strain. How fortunate that smoking Camels during and after meals definitely stimulates digestion and helps to ward off the effects of our hurried, nerve-wracking life—by aiding and restoring the natural flow of the digestive fluids. Today, the pleasure of smoking Camels is being everywhere recognized as a comforting and healthful part of the art of dining. Camels are incomparably mild. They never get on your nerves or tire your taste. Enjoy Camels for their matchless blend of costlier tobaccos—for their energizing "lift"—for the welcome feeling of well-being they bring you. Camels set you right! COSTLIER TOBACCOS Camels are made from finer, MORE EXPENSIVE TOBACCOS—Turkish and Domestic—than any other popular brand.

The Sports Horn
By JESS RODGERS

From what Prexy Collyns tells us, the meeting of Permian Basin League directors Sunday in McCamey was something worth the price of admission.
Near fights, arguments, charges of denial, threats and counter-threats featured the meeting, but harmony was finally restored before adjournment.
Wink and Ozona representatives furnished most of the fireworks. The Ozona delegation was opposed to entry of Wink into the league because of the long distance between those two towns, but Wink had the cash on the "barrel-head" and Ozona did not, there-by giving the oil field the deciding argument in their favor.
As Wink had "ready" money their demand for acceptance into the league was adopted by other members while Ozona, not ready with the \$50 bucks entry fee, was given until next Saturday to raise the money.
Big Spring and Midland, two tentative members before organiza-

Attorneys
Personal Injury Cases
CRANE, TEXAS

tion was started, were practically eliminated from participation by action of the league. Neither place had a representative at the meeting, although Big Spring placed an oral request by long distance that a place be held open for them in the league.
Should Ozona come forward with the entry money Big Spring will be eliminated unless Midland will also enter the league, making it an eight-club affair. If Ozona does not enter Big Spring will be taken into the league, leaving Midland out of it as local persons seem to prefer.
Wink has hired them one "Buck" McCormack who does not give Dizzy Dean an inch when it comes to confidence. "Wink will be good, because I am good," McCormack told the assembled delegation.
Ten business men of Wink, each with purses of \$50 to \$500 waving in front of them emphatically demanded the league admit them, offering Ozona any kind of a guarantee they could think of. Ozona's many and varied protests were made to sound pitiful by the (to them) Wink delegation offering them everything but the town pump to enter the league.
Formal plans were adopted to start the league on April 11, but no one knows yet just what clubs will be in it. It may be Texona, Crane, Wink, McCamey, Iraan and Ozona. Again it may be Big Spring in place of Ozona, and a third possibility is Midland, Big Spring and Ozona all three in the circuit. The first five teams mentioned are assured as they have already posted entrance fees to go.
Midland is definitely placed on the spot by the league decision and it is up to the people here to decide immediately what they intend to do.
Big Spring seems to be having difficulty raising funds to build a park, the rodeo officials having refused a baseball team permission to play on the grounds. However, several moneyed men have been interested in the project and if there

is a place left open for them it seem likely they will get into the league.
The following was turned into this department too late Saturday night to make the Sunday issue, but we can very easily use it today.
L. M. Freels, Junior high coach wrote it.
Junior High Track
There is quite a bit of interest being shown in the inter-class track meets being held in the Junior high school in preparation for the fourth coming county track meet to be held the latter part of March.
The inter-class competition is new in the Junior high, but the fellows have been showing their approval by the large number working out daily. There have been an average of 50 boys going through their running and jumping schedules daily. Each of the seventh, sixth, and fifth grade rooms has a track team with a captain. The captains are as follows:
Odie Kelley—7B.
Paul Klatt—7A.
Jackie Kenney—7C.
Home Brown—6A, 6C.
Joe Midkiff—6B.
Dell Truelove—6A.
Bill Cook—5A.
Clyde Laffon—5B.
David Bizzell—5C.
Carroll McKinney—5A.
The tracksters of 7C triumphed over 7B and 7A in a triangular meet Friday afternoon on Lackey Field.
The results are as follows:
Event Room Point
50 Yd. dash 1. F. C. Wheeler 7C 5
2. James Fennese 7B 3
3. Temple Harris 7A 2
100 yd. dash 1. F. C. Wheeler 7C 5
2. Temple Harris 7A 3
3. J. M. White 7A 2
220 yd. dash 1. Bill Starr 7C 5
2. F. C. Wheeler 7C 3
3. Paul Klatt 7A 2
Broad Jump 1. F. C. Wheeler 7C 5
2. J. M. White 7A 3
3. Lewis Ray Bewley 7B 2
440 yd. relay 1. Wheeler, Kenney, Starr, Fred Cooke.
2. Harris, Klatt, Edison, White.
F. C. Wheeler of 7C was high point man with 19 1/2 points. The total points for each team are as follows:
7C—28.
7A—15.
7B—5.

Dust Sent Over State
By Belated Norther
By Associated Press
A belated norther shipped dust into Texas overnight crossing most of West Texas. The wind, reaching 32 miles per hour, drove temperatures down sharply all over the region.
The dust lingered briefly, and skies over most of the section are clearing today. Heavy dusts hit Corsicana and Lubbock during the night. Lubbock temperatures dropped to 42.
Will Bury Roberson
In Aquilla Tuesday
The body of Eli Roberson, 52, colored, who died early Sunday morning here will be sent tonight to Aquilla, Texas, his former home, and the present home of his mother.
Roberson had been in apparent good health until the last few days. A doctor's diagnosis gave kidney trouble as the reason for his death.
The deceased man had lived here for about eight years, being employed in the Texas Electric Service company office at the time of his death. He is survived by his wife and his daughter.

Chafing Even in most aggravated cases burning stops and comfort follows the soothing touch of—

CITY CLEANERS
DRI-SHEEN PROCESS
"GOOD FOR FABRIC"

TO PARE LIST OF WPA EMPLOYES
20,000 Will Be Taken off Projects in State By April 1
SAN ANTONIO, Mar. 16.—Instructions to reduce the 120,482 persons now employed on Texas Works Progress Administration projects to 101,650 by March 31 and to 84,650 workers by May 31 were sent to district directors by State Administrator H. P. Drought today.
Increased employment opportunities, growing seasonal employment demands, and the approach of the June 30 completion date for the Works Progress Administration program were given as the reason for the quota cut prescribed for Texas by federal authorities.
Issuing instructions to district directors, Administrator Drought said "Happily, it is unnecessary for me to emphasize to any Texas district director that any choice between works shall be on the basis of efficiency and relative need and that discrimination on any basis personal, political, or otherwise will not be tolerated."
State officials suggested the following basis for release of workers:
1. All those workers who are members of families with other incomes or resources will be removed from payrolls.
2. All workers who are offered employment in private industry or on non-WPA projects will next be released.
3. Less efficient workers will be released if it is necessary to reduce further in order to meet the quota after the first two groups are taken off payrolls.
"Nearing the end of this work program, we are in a position to finish all projects or integral units of all projects now in operation with the reduced quota of workers," Drought declared. "District directors have been instructed to plan their work so that all projects, or useful parts of all projects, will be completed by June 30."

EXTORTIONIST IS CAUGHT BY POLICE
Man Charged With Trying To Dupe Barbara Out Of Thousand
MANCHESTER, ENG. Mar. 15.—Alfred Molyneux, 31, was jailed here today on a charge of attempting to extort \$1,000 from countess Barbara Hutton Haugwitz-Reventlow by pretending to reveal a plot to kidnap her new-born son.
Police said that Molyneux had admitted writing the letters in "moments of depression" offering to disclose the alleged "plot."
The prisoner was trapped when he went to keep a rendezvous with a "messenger from the countess." He admitted he knew of no plot to kidnap the child, but claimed he needed the money to support a wife and two children.
A bridge is stronger with the trussing below than above.

RURAL SCHOOLS
Play ground and volley ball contests for the interscholastic League will be played at Valley View school Friday morning, March 20, beginning at 9 o'clock. It was decided at a meeting of county teachers Saturday morning.
The regular County Meet will be held March 27-28 in Midland while the tennis meet will also be held in Midland on Friday, April 3, the week following the Meet, opening at 9 o'clock.
The County School Fair will be held the second weekend after the County Meet, that is, on April 10-11.
Present at the Saturday's meeting were: Mr. and Mrs. M. W. Alcorn of Stokes, Prin. A. M. Bryant of Prairie Lee, Mrs. Ruth Jamison of Midland, Miss Tommie Smith of Pleasant Valley, Miss Christine Moore of Cotton Flat, and Miss Hazel Self of McClintock school.
McClintock school went to Stokes Thursday afternoon to see the health movie given by Miss M. Elizabeth Wilson on the new moving picture machine recently purchased for the county health work. All except two students saw the picture.
The moving picture was shown just after noon and the remainder of the afternoon was spent in practicing athletic events for the County Meet.
County road graders graded the school yard during the week.
Mr. and Mrs. Kent Boone and son Barry have gone to Fort Worth to attend the Fat Stock Show.
Miss Wilson, county health nurse, visited the school briefly Tuesday.
A box supper was held at Prairie Lee schoolhouse Friday night under the auspices of the girls' tennis and volley ball teams for the purpose of raising funds for equipment. The net proceeds amounted to \$33 and some cents. J. M. King served as auctioneer and a large crowd was present.
Regular attendance now is almost the full enrollment and Prin. A. M. Bryant reports that students are doing satisfactory work.
Preparation for the County Meet is consuming a considerable amount of time.
Miss Elizabeth Wilson, county health nurse, presented a health moving picture in the school auditorium Tuesday afternoon. Prin. Huff of Valley View was also present with a group of students.
Chapel was conducted Monday, Wednesday, and Friday mornings of last week.
Raymond Wright and Iola Livingston are back in school after illness caused by mumps but Irene and Edith Hambree are still absent following operations.
Many school students and patrons took the tuberculosis test in the county health nurse's office recently.
Bible study Thursday night at Greenwood church was well attended.
Many visitors were present at the school during the week.
The Junior High PTA of Midland sponsored a Centennial program at Warfield school Friday afternoon at 2:30 o'clock. Prin. J. H. Williams of Junior High School made an interesting talk on "Texas Under Six Flags". Readings were given by a boy and girl from Midland.
Visitors included: Mmes. Bob

Oil News--
(Continued from page 1)
miles west of the Honolulu and Cascade No. 1 Bennett well.
Another For Waddell
The second big flush producer within a week has been added to the Waddell pool in Crane county by Gulf No. 4 Henderson. The well averaged 210 barrels per hour on a four hour test of natural potential and is now shut down for orders. It will probably be acidized as is customary with most of the Waddell field wells. Pay was topped at 3,544 with the big oil flow coming in at 3,547. Total depth in the well is 3,550 in lime. It is a west offset of Magnolia No. 3 Edwards, completed last week for a potential of 10,482 barrels per day.
In the Tubb area of Crane, Humble No. 1 Tubb in the first 24 hours of test flowed by heads at two different intervals for a total of 75 barrels, production being through open tubing. The second 24 hours, with a 1-4-inch choke on tubing, production increased to 104 barrels. According to reports, the oil heads and gas flows coincide, both stopping at about the same time. The well is bottomed at 4,375 feet in lime. Location is in the northwest quarter of section 11, block B-27, public school land.
Magnolia No. 1 State-Walton, wild cat between the Sayre and Keystone pools in Winkler county, has resumed drilling and is now at 3,373 feet in lime. It is in section 7, block B-3, public school land.

Mesquite Troop Goes on Hike
Mesquite troop, Girl Scouts, made a hike north of town Saturday afternoon, after gathering at the Baptist annex at 2 o'clock. Lunch was cooked and eaten. Work on fire building was done and some of the girls passed the fire building test. Nineteen girls were present.
The troop will hold its regular meeting at the annex Saturday afternoon at 2 o'clock.

Number of Oil Men Now Visiting Here
A considerable group of oil men representing various interests are in Midland today.
They include: H. M. Harrison and W. T. Daugherty of Houston; C. E. Scott of Houston; Wm. Parnell of Fort Worth; R. E. L. Batts of Fort Worth; Wm. L. Wise of Fort Worth; E. N. Wahlmaier of San Angelo.
MEETING POSTPONED
The monthly meeting of the CIA Ex-students association scheduled to be held at the home of Mrs. Percy Mims Saturday of this week has been postponed until Saturday, March 28.
TO MEETING
Mr. and Mrs. A. E. Horst and Mrs. Hayden Wilmoth went to Big Spring Sunday to attend a meeting of the Retail Merchants association.
TO DALLAS
Mrs. W. P. Knight and daughter Belva Jo, made a trip to Dallas during the week end.
TO STOCK SHOW
Mr. and Mrs. Tom Wingo spent the weekend at Fort Worth attending the Stock Show and in Hillsboro visiting relatives.

Clubmen Dine on Crow
GERBER, Cal. (U.P.)—Six members of the local Lions Club at their recent luncheon ate crow. This was not to demonstrate that they were lions but that the bird is edible.
Mice Find Bankroll
LYNN, Mass. (U.P.)—Mice got to Louis Demaki's bankroll in his bedroom. When he returned he found two five-dollar bills gnawed to bits. The mice hadn't touched several bills of smaller denominations.
Pup Gets Valor Medal
TOLEDO, (U.P.)—Dixie, an eight-months-old thoroughbred Chow pup, wears the Animal Hero bravery medal of the New York Antivivisection Society. Dixie awakened Mr. and Mrs. Arthur Bligen and their son, Bellevue, Ia., when their home caught fire.
Fingerprinting Is Defended
BERKELEY, Cal. (U.P.)—President Robert Gordon Sprout of the University of California has voluntarily submitted to fingerprinting. "It is a mark of personal integrity as well as a safeguard against amnesia," he declared.
Question Disturbs Lecture
BLUFFTON, O. (U.P.)—Judge Raymond Smith, lecturing at the course in marriage at Bluffton College, was perturbed when a student asked him: "How much does it cost to get a divorce?"
The London Fire Brigade is to have a change of headgear. The brass helmets are giving away to leather, which is a non-conductor of electricity and so lessens the risk of shock.
