

## Truman Orders Court To End Coal Strike

### Taft-Hartley Act Is Basis For Action

#### Clark To Apply For Injunction In Near Future

WASHINGTON, April 3. (AP)— President Truman today ordered court action in an effort to end the three-weeks' old coal mine walkout.

The action, taken under the Taft-Hartley Act was handed Atty. Gen. Tom C. Clark.

He said he will apply for an injunction "as promptly as possible" — not later than Monday.

The presidential decision was made on the basis of a report sub-

**TRUMAN SIGNS TAX VETO MESSAGE** — At a ceremony aboard the Williamsburg in Washington, President Truman affixes his signature to a message for Congress on his veto of the tax reduction bill. Looking on at left (L to R) are: Charles Ross, presidential secretary, and William J. Hopkins, executive clerk of the White House who brought the document from the executive mansion to the yacht. (AP Wirephoto).

## State Demos To Split Chest Three Ways

### Party Leaders Seek To Control May Convention

AUSTIN, April 3. (AP)— The state Democratic organization will split its war chest three ways in its battle to keep control of the May presidential elector convention.

The State Executive Committee, the Young Democrats of Texas and the Association of County Chairmen will get the money raised at the "Texans-For-Texas" political barbecue at Fort Worth April 20. State Chairman Robert W. Calvert announced today.

Last week officials of these three organizations united to make sure the convention will vote for an un-instructed Texas delegation to the national convention, carrying a minimum of resolutions with it.

This put them solidly behind Gov. Beauford H. Jester's position that an uninstructed delegation would give Texas a maximum bargaining power to fight President Truman's federal civil rights proposals.

Opposing the Jester faction is another group advocating a Texas delegation instructed for Truman. It also is organizing first to gain control of precinct, then county conventions, in order to control the May 25 session at Brownwood.

The \$5 top barbecue at Fort Worth will climax a fund raising drive in which larger contributions will be sought. It replaces the traditional Jefferson-Jackson Day dinners at \$25 a plate. In the past, money raised at them was sent to the national committee.

The present executive committee will not send any money to the national committee. It is at odds with the national party because of Truman's civil rights plans, and because of the administration's stand against legislation giving tideland title to the states.

Calvert said "several thousand" persons were expected for the Fort Worth barbecue.

The other wing of the party is talking of holding a rival dinner, the proceeds of which would go to the national committee.

The arrangements committee for the barbecue at Fort Worth includes Calvert; Mrs. R. H. Thompson of Goliad, vice chairman; Arthur Stevenson of Dallas, president of the Texas Association of County Democratic Chairmen; Jimmie Brinkley of Houston, President of the Young Democrats; Neville G. Penrose of Fort Worth, member of the executive committee.

# President Signs Aid Legislation Quickly

## Says Bill Answers Freedom Challenge

WASHINGTON, April 3. (AP)— With a speed almost unknown in peacetime President Truman signed the six-billion-dollar, stop-Russia foreign aid bill into law today less than 24 hours after Congress rushed it through final passage.

"This measure," he told the world in a statement, "is America's answer to the challenge facing the free world today."

Thus, after 10 months of argument, the United States finally embarked shortly after noon on the unprecedented Marshall Plan for European recovery — this nation's biggest helping hand operation since wartime lend-lease.

Russia is pledged to wreck the whole thing if she can and diplomats expect rough Soviet counteraction.

The gigantic task of shoring up Western Europe, the Middle East and China against Russian Communism will start Monday morning on a high speed emergency schedule. The State Department presumably will be in charge at the start until the regular organization is set up.

Five nations stand to benefit from the very first expenditures, officials said. They are Italy, France, Austria, Greece and the Netherlands where the need is great and the dollar supply low. First shipments to them under the new law probably will be food, fuel and some industrial raw materials.

In the conflict between Russia and the Western Powers, Italy's situation is considered the most critical at the moment.

The aid bill became law two weeks before the April 18 Italian elections and it seemed a fair bet that ships laden with American aid would be started for Italy—if they do not actually show up in port there before the ballots are cast.

Secretary of State Marshall — who first proposed in a speech last June that the United States would help the nations of Europe if they would help themselves—is attending the Inter-American Conference at Bogota, Colombia. But he radioed a message which the White House released, saying:

"The leaders in Congress and the membership generally have faced a great crisis with courage and wisdom."

**HALTED AMERICANS REGISTER FOR BILLETS** — American passengers who were on a train halted by the Russians as it was about to enter the Soviet Zone enroute to Berlin, register at a U. S. Army billeting office in Frankfurt, Germany, after the train returned to that city. The Soviets halted the train when U. S. Army authorities refused to permit them to inspect the train. (AP Wirephoto via radio from Frankfurt.)

WASHINGTON, April 3. (AP)— Federal judge tonight ordered John L. Lewis to end the coal strike.

mitted him by a fact finding board.

The three-man board, headed by Judge Sherman Minton, blamed the idleness of the 400,000 soft coal miners on John L. Lewis, president of the United Mine Workers Union.

But shortly before Mr. Truman had disclosed his course of action Lewis had again disclaimed, in a public message, any responsibility for the crippling work stoppage.

Lewis said the miners acted on their own accord as a protest against delay in setting up miners' pension benefits.

And Lewis, in his message, said the coal diggers could suit themselves about going back to work.

This raised some possibility the miners may return to their pits Monday. Many coal operators said they thought the men would go back, in view of Lewis' message, but union sources in the coal fields privately said they doubted it.

Truman's move in the coal crisis shortly after his return to the capital from a two-day trip to Williamsburg, Va., was applauded on Capitol Hill.

What caused the walkout, the board found, was Lewis' letter of March 12 telling the miners the coal mine owners had "dishonored" their agreement to establish a pension plan. The walkout began March 15.

## SCHOOL VOTE

# Miller, Smith Are Elected Trustees

In a surprise outpouring of voters, Marvin Miller was returned to the board of trustees of the Big Spring Independent School district Saturday, and H. W. Smith was elected to fill the other place on the board.

Miller polled 799 votes, and Smith who had fallen short of a place on the board by 22 votes a year ago, had 758.

Ted O. Groehl, a candidate in 1945, increased his percentage of the total vote but fell short of a place on the board. He polled 520 votes.

The total of 1,115 votes was exceeded only by the record of 1,453 in 1946 and outside of that year was approximately twice as large as normal trustee votes.

Miller was serving out an unexpired term on the board and had been a trustee for little more than a year.

In junior college balloting, R. T. Piner, Big Spring, Leroy Echols, Coahoma, and C. M. Adams, Forsan, were unopposed. The Big Spring vote showed Piner with 821 out of a 837 total, Echols 808, Adams 812, Forsan gave Piner and Echols 41 and Adams 42.

Only the Forsan box was available on county school board members. H. L. Stamps, Coahoma, had 29 votes to 11 for B. F. Logan, incumbent. This, however, was too small a portion of the total to be conclusive.

At Forsan, Harry Miller with 39 and H. H. Storey with 42 votes won places on the board. Jewel White got three write-in votes.

**NEW MEMBER** — C. M. Adams, Forsan, became a new member of the Howard County Junior College board of trustees in Saturday balloting. He succeeds A. J. Stallings, a member of the original board, who did not enter the race this year. R. T. Piner and Leroy Echols, incumbents, were re-elected. Adams has been active in civic affairs at Forsan for many years. (Bradshaw Photo).

## Danish Paper Tells Of Mystery Planes

COPENHAGEN, Denmark, April 3. (AP)— The newspaper Berlingske Tidende said in a dispatch from Godthaab, Greenland, tonight that "unidentified planes had been observed over the eastern part of the island during the last few nights."

The American Consul at Godthaab was quoted as saying the planes were not American.

## Cross, Kelly Win Stanton Election

STANTON, April 3.—D. D. Cross and Dale Kelly won places on the board of the Stanton Independent School district in a four-way race here Saturday.

Cross polled 109 votes and Kelly 79. Martin Gibson received 49 votes, and Ray Simpson, a surprise write-in candidate, mustered 48 votes.

## Navy Is Silent On A-Bomb Force

HONOLULU, April 3. (AP)— The Navy remained silent today on a atomic task force called March 8 for the super-secret Eniwetok testing ground in full view of a Russian ship.

## 'SHANGRI-LA'

# Public Can View Fabulous Gardens

ORANGE, April 3. (AP)— "Shangri-La", 120-acre floral garden of Mr. and Mrs. H. J. Lutzer Stark, which last Sunday drew 4,675 visitors, will be open to the public again tomorrow and on each of the next eight Sunday afternoons.

The new-fabulous Camellia and Azalea garden has been open for 10 weeks annually for the past several years but at the request of the owners has not been publicized until this season. Despite this absence of publicity, 5,000 persons visited the spot in 1947.

Last Sunday, for the first time, the Orange leader was given permission to carry a story on "Shangri-La" and several policemen were required to handle traffic caused by the crowd at the garden during the five hours it was open.

"Shangri-La" is informally arranged. "We never thought we could improve on nature," said Mr. Stark. Winding trails are bordered by hundreds of huge flowering plants all planted with what

## Reviewing The Big Spring -Week-

Joe Pickle

If there are any newcomers who wonder what really constitutes a sandstorm, they may now place their minds at ease. The blow of Tuesday is about as rough as they get. In sandy areas of north-central Howard county, some fields moved out into roads, and in adjacent areas mesquite and bear grass roots were left high and dry.

Building permits got a deluxe shot in the arm with filing of the \$5,642,650 Veterans Administration hospital permit last week. That brought the total to \$5,963,410 for the year. Count in that just outside the city limits and the figure is way past six million. Inside the city limits, totals were \$320,760 or up 25 per cent over last year. Postal receipts were up for the quarter by 22 per cent in amounting to \$31,714.

The total of 1,115 votes polled in Saturday's trustee election here is a harbinger of a big vote on Tuesday when city commission candidates will be up for election. Most of the time the city election comes first. Although he did not finish in the top bracket, part of the surprising turnout Saturday may be attributed to the active campaign by Ted O. Groehl.

The name of Ira Thurman, president of the school board, was missing Saturday. He is retiring after serving 15 years on the board. Any man is deserving of a lot of praise from his fellow citizens for a record of faithful service such as that. Add in all the other posts he has filled and you get the idea that a few flowers are in order.

An added sports or recreation item is on tap this afternoon just west of the city park where the motorcycle races will be held. This is the third post-war attempt by the Big Spring Motorcycle club, and each one has been better and has drawn more and better riders. Today's will fit into that pattern.

Long before the war started, Big Spring was working toward a national guard unit and finally did

## Martin Pushes Bills To Hike Armed Might

WASHINGTON, April 3. (AP)— Speaker Martin pushed to the top of the congressional schedule today measures to bring "the whole fighting force up to greater strength and efficiency."

With the big tax-cutting and foreign aid bills out of the way, Martin told reporters that "airplanes should come first" because our air strength is "uncomfortably low."

He said there "is strong sentiment" to raise the Air Force to 70 groups instead of the 55 the administration now is proposing.

Martin did not commit himself on what Congress may do about universal military training of the draft.

He said Congress may have to remain in session because of troubled world conditions. The lawmakers had been talking of adjourning by mid-June. If Congress should keep on working, Martin said, recesses would be arranged for the political conventions in June and July and for a couple of weeks before the November election.

Several appropriation bills still are on the congressional work sheet.

In addition, Martin said, the House will pass a bill to repeal or lower oleomargarine taxes. He said he hopes the House can act on an anti-lynching bill this month but "I can't say definitely."

The House leadership has reached no decision, Martin said, on revising the wage-hour law or on a Senate bill to provide \$300 million federal aid to the states for schools.

## Bogota Meet Declares Unity

BOGOTA, Colombia, April 3. (AP)— The delegates of 21 American republics wound up their first week of deliberations here today determined to stand together in the present world crisis.

There is probably five weeks of hard work ahead. But the delegates attending the Pan American Conference already have declared their unity of purpose.

The conference faces the issues of communism and foreign colonies in the Western Hemisphere, economic problems and reorganization of the Pan American system.

Secretary of State George C. Marshall's statement that the European recovery program will have first call on the United States pocketbook caused the Latin American some disappointment.

But the Soviet blockade of Berlin increased support within the conference for the European recovery program. It also increased the desire of some delegates to put teeth into some sort of project of control subversive activities by Communists in the Western Hemisphere.

## Finns Send Reds Answer On Pact

HELSINKI, Finland, April 3. (AP)— Finland's leaders decided today, after a week of deliberation, on their answer to the security pact requested by the Soviet Union to complete its chain of alliances from the Black Sea to the Arctic.

The cabinet met with President Juho Paasikivi at the presidential residence in what was described by reliable sources as a decisive session.

An official statement said additional instructions were approved which will be sent to the Moscow delegation that has received a Soviet draft of a proposed friendship and military agreement.

Urho Kekkonen and J. O. Soederhjelm, the two delegates who returned here for the detailed discussions, will go back to Moscow on a Russian plane Sunday and take the new instructions with them.

The 78-year-old Paasikivi appeared very tired and strained after the lengthy consultations with cabinet, parliamentary party chairmen and personal advisors, informants said.

## Amarillo Man Urges Primary Law Action

AUSTIN, April 3. (AP)— Rep. J. Blake Timmons of Amarillo today urged Gov. Beauford H. Jester to take speedy action on a petition to call a special session to enact a presidential primary law.

Timmons was one of 30 house members who signed the petition. It has been mailed to Democratic Executive committee members by Chairman Robert W. Calvert at the governor's request, to get their reaction.

Timmons said in a letter to the governor that he believed the legislature could enact such law in a seven-day session.

## WON'T BE BULLIED

# U. S. Makes Berlin Power Retaliations

BERLIN, April 3. (AP)— Britain and the United States presented a stiffening front to Soviet pressure today and the Americans made two power moves to their own in the contest for Berlin.

American military police who surrounded the Soviet Railway Administration building in the U. S. sector blocked about 40 Russians from entering the offices where the Soviet zone rail network is directed.

Tonight the Americans in a note requested that the Russians take "immediate steps" to remove their armed guards from inside the building.

Then they set up a road control point where Soviet officers motor from their homes in Potsdam to their offices in down-town Berlin and for four hours subjected Russian traffic to inspection.

The British, through deputy military governor, Maj. Gen. Cecil C. D. Brownjohn, bluntly declared, "We will show the Russians that we are not going to be bullied."

"It is quite clear," he told a news conference, "the Russians do not like our being in Berlin and they are trying to make our position untenable."

The British Foreign Office spokesman in London said however, that the situation "is not one which is incapable of solution."

The spokesman said the "situation is normal except for the temporary hold-up of some trains. Other trains are running and the road traffic to and from Berlin is continuing."

The Americans continued to fly their aerial supply and passenger service into Tempelhof Airfield from Frankfurt. U. S. Air Force C-47 transports began taking off from Frankfurt early this morning and 32 made the run today.

The aerial ferry was continued although a 56-car American military freight train successfully tested the Soviet land blockade last night and reached Berlin with only the contents of the cars. The Russians did not insist upon making an inspection of their own.

## Jewish Warriors Take Arab Village

JERUSALEM, April 3. (AP)— Jewish warriors seized an Arab village today in a drive to blast open a supply line for Jerusalem's 100,000 hungry Jews. Striking before dawn fighters of Haganah, Jewish militia, routed a handful of Arabs defending Kastel, a hill top village five miles west of Jerusalem. Bitter fighting developed when the Arabs rushed up reinforcements and sought to retake the position. One Jew was killed and nine were wounded. The extent of Arab casualties was not known.

At sunset the British Army moved in to halt the hostilities and said the Jews still were in Kastel. Arab and British sources reported the Jews had launched operations against the nearby villages of Ain Karem and Suba.

## Draft, UMT Action Seen

WASHINGTON, April 3. (AP)— Spurred by Russia's fast-breaking moves, the Senate Armed Services Committee today gave itself less than a week to decide what to do about universal military training and reviving the draft.

The committee wound up three weeks of public hearings today. Chairman Guernsey (R-SD) told reporters he hopes his group can send legislation to the Senate by next Friday. Committee sessions behind locked doors will start Tuesday.

Guerney declined to forecast just how far the committee will go in meeting the administration request for both UMT and the draft in the preparedness drive. But the South Dakota senator had said previously that at least 10 of the 13 committee members favored the proposed program in principle.

Asked by newsmen just why he was pressing for a quick decision, Guerney said:

"In these times, with Russia making moves fast, anything that is good for the country is not so good if it is delayed."

As the committee closed its hearings, Secretary of Defense Forrestal wrote Guerney that he does not wish "to foreclose the possibility" that he later might ask Congress to authorize a 70-group Air Force.

But Forrestal added "I do not think it yet advisable" to go beyond the 55-group force called for in the new preparedness program.

## Martin Trial Set April 13

FORT WORTH, April 3. (AP)— William Larry Martin, 29, charged with robbery of the state national bank of Big Spring, is scheduled to go on trial in U. S. district court in Abilene April 13.

The holdup occurred last November. A total of \$2,149 was taken. Martin is under observation at the United States public health service hospital here. He entered a plea of innocent by reason of insanity at a hearing before a U. S. commissioner in San Angelo.

Martin was arrested less than an hour after the robbery. The money was in the taxicab in which he was riding.

A report by a panel of doctors at the U. S. hospital will be submitted to Federal Judge J. Whitfield Davidson, who will conduct the trial.

**BLOCKADE** — Passengers board a U. S. Air Force plane at Frankfurt for Berlin in the first emergency flight since the Russians began their land blockade of Berlin. The Russians tartly rejected western protests on the land blockade, hinted at possible new moves to push Americans, British and French out of the city. U. S. Air Force planes carrying food and passengers, were landing at Tempelhof Airport, the U. S. Field in Berlin. (AP Wirephoto via radio from Frankfurt).

## Wings Over Big Spring

# Air Traffic Shows Increase As Weather Improves Here

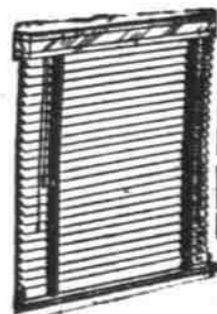

Some of the worst and some of the best of flying weather turned up last week, but the good out-balanced the bad and traffic increased. Student flying also stepped up.

Big Spring Flying Service reported L. C. Bailey, W. L. Kountz, and B. Walden as new private license students; U. D. Puckett, A. D. Webb, C. D. Biffar, J. A. Fisher, J. H. Coomer, and R. C. Bowden as new commercial students; and L. W. Pearce and J. R. Smith as instrument students.

At Hamilton Field cross-country flights were picking up with Clarence Huffman and Howard Loyd each making night hops to Abilene and return. Fitzhugh Lee, instructor accompanied them. Huffman made a daytime cross-country to Hobbs, N. M. With Herman Taylor, he took his solo in heavy engine horsepower toward his commercial rating.

Possibility of a new CAA inspector to be stationed here was BATTERIES at Johnny Griffin's.

## NATIONAL PRESIDENT

# Shepperd To Address First Colorado JayCee Banquet

COLORADO CITY, April 3—Arrangements for the first annual Colorado City Junior Chamber of Commerce banquet are complete and John Ben Shepperd of Glade-water, president of the national Jaycee organization, will make the chief address, according to Harold Bennett, president of the local group. The banquet will be held at 7:30 in the evening, Monday, April 12, at the junior high school auditorium here. Four hundred guests are expected to attend with 50 out-of-town guests invited.

Master of ceremonies will be Eldon Mahon, district attorney, and first vice-president of the Colorado City Jaycees. Bennett will formally introduce Shepperd. Lewis Zafan, a Ft. Worth executive of Pioneer Airlines, will be presented in an entertainment feature.

General chairman for banquet plans is Max Brown. Working with him are Mahon, Kenn Eastin, Porter Richardson, George O. Witten, Walter Grubbs, Oren Feaster, Willie Landau, Ross Lahr, Jay Craddock, Ed E. Williams, Jack Johnson, Robert Kirschbaum, B. T. Miller, Bill Mathews, and members of the Jaycee-ette organization who will see to decorations.

Organized in April 1946 the Colorado City Jaycees now boast 170 active members and have a strong record of civic programs. Under Ross Lahr, youth welfare chairman, the club organized a youth service council, sponsored a new troop for Negro Boy Scouts, added interest to the boys livestock and poultry show by purchase of 100 capons.

In cooperation with the youth committee, the Jaycee sports committee repaired softball equipment

**PAUSE THAT DEPRESSES** — Here is but a portion of the long line which constantly stretched the length of the courthouse hall for most of three days last week as motorists sweated out the procession to get automobile license tags. By the end of the week there were approximately 6,000 cars registered and the lines had about disappeared. At one time lines got so long that it required from an hour and a half to two hours to reach windows in the tax collector's office, where clerks worked as rapidly as possible. (Jack M. Haynes Photo.)

### Civil Service Rolls Show An Increase

WASHINGTON, April 3. (AP)—The House Civil Service Committee reported today there were 2,015,356 civilian employees of the government in February. It said this was an increase of 11,309 over January.

### South Wind Stirs Up Dust Storms

KANSAS CITY, April 3. (AP)—A strong south wind blowing from Brownsville to Canada is causing dust storms in areas of Texas, Oklahoma, Kansas and Nebraska, the weather bureau said today. The soil blowing may cause some damage in the wheat-growing areas of the states.

**SPEAKS TODAY** — The Rev. J. D. Osborne, San Antonio, who is going to Monterrey, N. L., Mexico, soon as a missionary, will speak at the 11 a. m. worship service in the Trinity Baptist church today. He will project colored slide-pictures, gathered on three previous trips to Monterrey, at the 7:45 p. m. service. His father, Luther B. Osborne, was a recent visitor at the Trinity church, addressing the congregation on Mexican Baptist missions.

Motorcycle racing, Kink of all sports, sponsored by the Big Spring Motorcycle club April 4. (adv.)

### Roll Call Drive Reaches Goal

The Howard-Glasscock Red Cross chapter has met its quota in the 1948 membership campaign. It was announced Saturday, and the fund is expected to grow more, when final rural reports are turned in the last of this week.

Jack Y. Smith, campaign chairman, said total deposits from the membership Roll Call amounted to \$8,862.25, as compared with a goal of \$8,850. Still to report are various 4-H clubs whose members are doing rural solicitation, and Smith said these reports will be received the last of this week.

In expressing gratification at the success of the annual Red Cross appeal, Smith voiced appreciation to all workers in the campaign. "We are very grateful for the vast amount of time and effort contributed by scores of volunteers, and are grateful, too, to all Howard and Glasscock county people for their generosity. The Red Cross program will go forward effectively through 1948, due to the fine response on the part of all donors."

### Woman Is Convicted Of Killing Daughter

LOS ANGELES, April 3. (AP)—A jury today convicted Mrs. Shirleen Kunin, 24, of manslaughter in the death of her two-year-old daughter, Denise. She faces a possible sentence of one to 10 years imprisonment.

The state had charged Mrs. Kunin inflicted fatal injuries on her daughter by beating her with a hairbrush. The child died last Dec. 15. The defense contended in the two-week trial that the child died of injuries in a fall from a bath-tubette.

### Judge May Not Hire County Road Workers

AUSTIN, April 3. (AP)—The Starr County judge may not hire all road employes and purchase road materials, the attorney general ruled today.

The duty of such hiring and purchasing is imposed on the commissioners by Texas law, said the opinion by Bruce Allen, assistant county commissioners court delegating these duties to the county judge.

### Jester Approves Conditional Pardons

AUSTIN, April 3. (AP)—Gov. Beauford Jester today announced conditional pardons for convicts who have previously been granted clemencies, including: Abiert Scott, sentenced to 10 years for burglary in Ellis County Nov. 16, 1945.

David Anderson, sentenced to seven years for theft and forgery in Crockett and Tom Green Counties April 26, 1935.

Big Spring (Texas) Herald, Sun., April 4, 1948

### Wacoan Is 10,000th Recruit For TNG

AUSTIN, April 3. (AP)—Wesley Jean Turner of Waco was honored here today as the Texas National Guard's 10,000th recruit.

He flew in from Waco with Capt. Herbert E. Gunn, his company commander, and First Sgt. Marshall E. Cook and Tech. Sgt. Billy R. McCormick. The two sergeants, also of Waco, were selected by

Capt. Gunn as the most valuable men to their unit, Company K, 143rd Infantry, 36th Division. The men met Gov. Beauford H. Jester, posed with him for pictures, visited Adj. Gen. K. L. Berry in his department and toured Camp Mabry. They were honor guests at a downtown hotel luncheon and later watched the Texas Relays at Memorial Stadium. Turner joined Company K March 17.

**AREA OIL**

**Two Wildcat Blocks Acquired In Upton**

MIDLAND, April 3.—Feature developments in the oil activity of West Texas were numerous Saturday.

Sol Kelly, Midland operator, had acquired two wildcat blocks in "hot" Upton County, to about put all unleased acreage in that county under contract.

An old dry hole in Southeast Hale County had shown a considerable amount of free oil, and has indicated that it probably will be completed as a producer, and a new discovery.

Sol Kelly, of Midland, has acquired oil and gas leases on approximately 15,000 acres of undeveloped lands in Upton County, for an unreported consideration.

The acreage is in two blocks—one of approximately 10,500 acres in the north-central section of the county, and the other of about 4,500 acres in the southeast part of the county.

Kelly acquired the North-Central Upton spread from the Jesse Neal estate of San Angelo. The center of

the block is about nine miles south of the Magnolia Petroleum Company No. 1-A TXL, scheduled 13,000-foot prospector, which is now rigging up rotary, just inside the north line of the county.

The block includes the south half of section 41, and all of sections 38, 39, 42, 44, 45, and 46, in block 40, TP survey, T-5-S.

And sections 37, 38, 46, and 47, in block 41, TP survey, T-5-S, and sections 78, 96, 97 and 98 in block D, and sections 56, 58, and 76 in block C. The block covers about 16.5 sections.

The Southeast Upton County block was taken from H. F. Neal of Rankin. It embraces about seven sections.

The spread sets in about three miles northeast of Rankin, and approximately two miles north of the Samedon Oil Company No. 1 Neal, a wildcat which is now making hole below 2,691 feet in anhydrite.

It covers the south half of section 2, and all of sections 3 and 4, in block G, and sections 5, 6 and 9, and all of section 9, except the southeast quarter, in section 8, block A.

General American Oil Company No. 1 A. F. Byrd, old Southeast Hale County wildcat, which was abandoned as dry in 1941, on a total depth of 6,756 feet, in granite, and which was recently re-opened, has apparently proven for commercial production, and a discovery from a lime horizon in the Pennsylvanian. It is 1980 feet from the north and 660 from the east lines of section 17, block K, TTRR survey.

On the latest test made, which was through perforations in the casing at 5,835-95 feet, the well headed oil at frequent intervals, while the drill pipe was being pulled, and had a final recovery of 1,500 feet of clean, 40 gravity oil and no water.

Operator representatives estimated that an additional 2,500 feet of oil was headed out.

Preparations were being made to treat the 5,835-95 foot section with 500 gallons of acid, and possibly with an additional 1,000 gallons—and then put the well on production.

**First Steps To Be Taken For TNG Unit**

First steps toward setting up a National Guard unit in Big Spring will be taken Monday night, when a meeting will be held in room 5 of the Settles hotel, beginning at 8 p. m. Every young man in the area who is interested in Guard enlistment is urged to attend.

Capt. T. A. Harris, commanding officer of the prospective unit—Battery B, 132nd Field Artillery, 36th Division—will be in charge of the meeting, and will have information covering all policies of the National Guard program.

Harris said he is anxious to start sign-up of members, and is calling for a big attendance at the meeting. Full strength of the battery here would be five officers and 97 men. Enlistments are open to men between the ages of 17 and 35.

Training periods will probably be once a week, with 15 days of field training in the summer, and all men will draw base pay on the same basis of army grades.

Harris quoted a statement from K. L. Berry, adjutant general, who is urging full Guard enlistment, Berry said:

"The signal trend of world events offers to all young Americans a chance to serve the nation before Universal Military Training or Selective Service legislation is enacted. They will be exempt from service under these bills (in their present form) if they are members of the Guard at the same time the bills are enacted."

It is estimated that about one-quarter of the earth's land surface drains into interior basins where river waters never reach the sea.

The latest showings of oil come during a two hour drillstem test. The plugged back total depth is at 5,910 feet. A packer was set at 5,818 feet.

Gas showed at the surface in six minutes. The volume was not gauged or estimated. When 4,400 feet of dry drill pipe had been pulled the oil started heading out, and that continued until only 1,500 feet of pipe remained to be pulled. That string was full of oil.

**WEST TEXAS OIL**

**Offsets Staked For Yates Play**

By JOHN B. BREWER

SAN ANGELO, April 3.—Staking of three offsets to R. R. Herrell of Midland and associates' Yates sand strike in northern Pecos county accompanied the spotting this week of two wildcats in Crockett county and one each in Pecos, Edwards, Culberson, Reeves and Gaines counties.

Herrell and others' No. 1 W. C. Jackson-State was testing preparatory to completion. It flowed oil following a nitroglycerin shot from 1,790-1,823 feet and later gauged 74 barrels of oil in 24 hours through tubing. While finishing cleaning out it flowed an average of 50 barrels of oil daily through casing.

The pay sand is deeper in the Yates than in wells in the Pecos Valley low gravity field, the nearest one mile southeast, and the gravity of the oil, 31.8 degrees, is higher. The discovery is 1,650 from the south, 330 feet from the east line of section 102-3-H&GN.

Cable tools were being rigged up for Herrell and others' No. 2 Jackson-State, 990 feet out of the southeast corner of section 102, diagonal southwest offset to No. 1, and rotary was being moved in for Herrell and others' No. 1 Pecos Water Improvement District 2, 2,565 from the south, 330 feet from the west line of section 1-9-H&GN, east offset to the pool opener. Sun was rigging up cable tools for No. 1 H. L. Cordz, 330 feet out of the east corner of the lease in section 103-3-H&GN south offset to the discovery.

Two miles southwest of Herrell and others' well, C. W. Chancellor, Slick Oil Co. and others' No. 1 Thornton Davis, Ellenburger discovery, was shut in after moving off rotary. Completion awaits adoption of field rules and securing of a market for the gas and distillate. On its last test, lasting 12 hours, through a series of casing perforations between 9,125 and 9,485 feet, the well rated 8,400,000 cubic feet of gas and 184.96 barrels of 62 gravity distillate daily. It is in the C. N. E. SW 105-8-H&GN.

Magnolia plans to start April 6 a proposed 2,000-foot rotary wildcat in Pecos county, eight miles west of Imperial. Its No. 1 Eaton will be 330 feet out of the south corner of section 31-3-H&TC.

Forest Oil Corp. No. 1-A State-J. H. Tippet was finalized as the third well in the Tippet (Wolf-camp) field in northwestern Crockett county. It registered a daily flowing potential of 210 barrels of oil through perforations from an acidized section at 6,108-21 feet. The well is in the south corner of section 4, J. R. Tippet survey, a northeast offset to Byrd and Frost and Gulf's discovery.

Gulf prepared to start No. 1-E-CCC University, projected Ellenburger wildcat in Crockett county C SW NW 5-51-U, six miles southwest of the Block 47 field. Exploration will fulfill an obligation assumed by Gulf in acquiring a 2-441.1-acre block for \$250,000 at the University Lands auction last December.

John I. Moore of Midland staked No. 1 J. S. Todd estate, slated 3,000-foot wildcat in western Crockett, 330 from the north, 3,630 feet from the east line of section 15-YZ-EL&RR, eight miles west of the Todd Deep field.

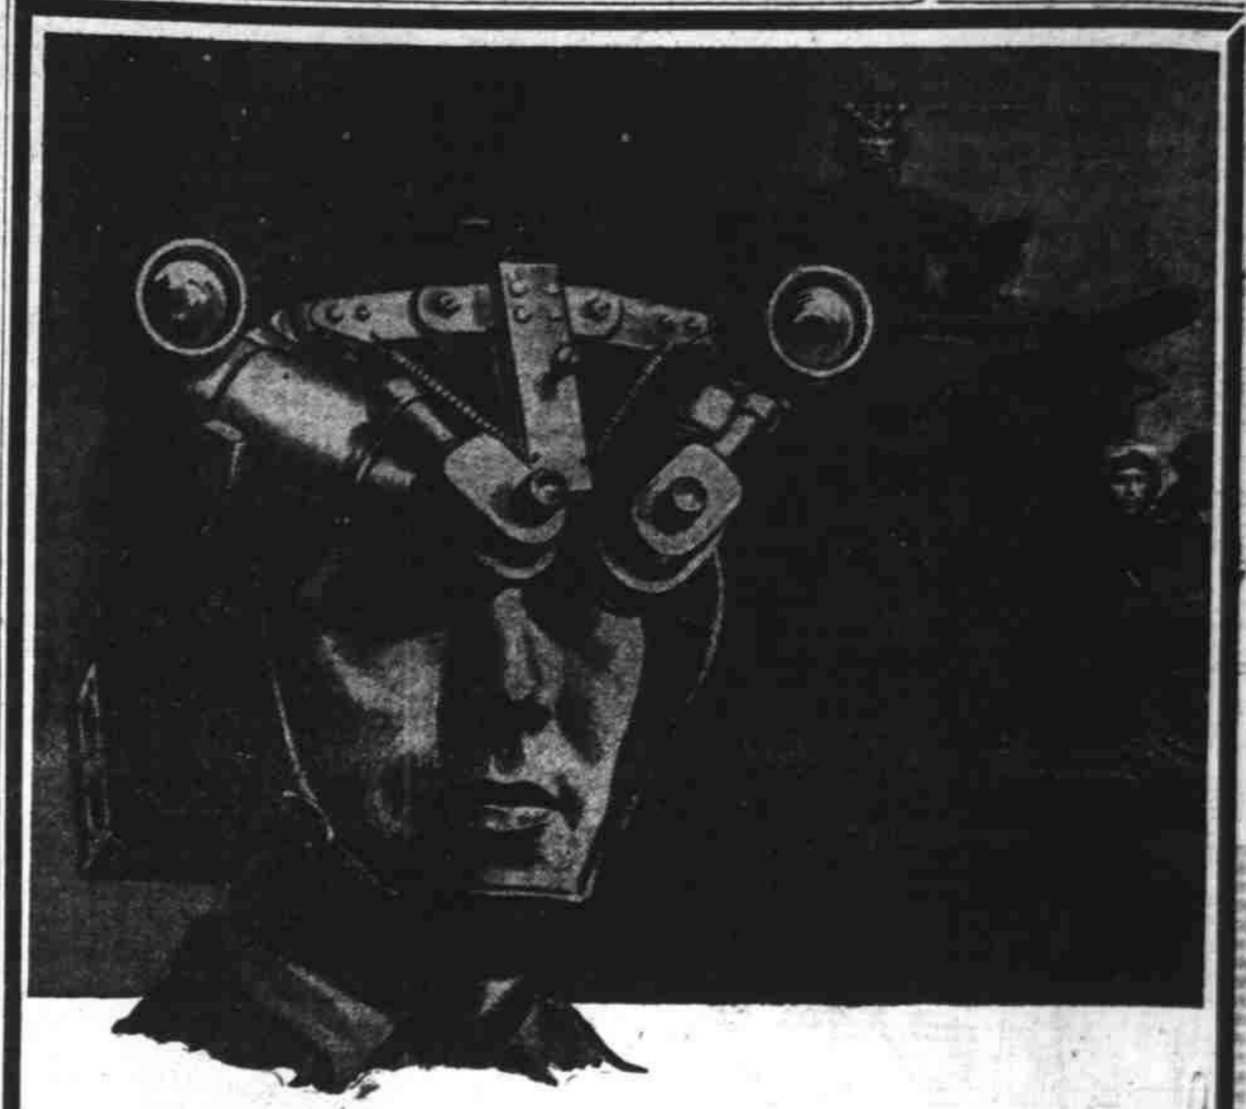

H. W. Little of Uvalde spotted No. 1 J. H. Fisher, proposed 2,200-foot wildcat in Culberson county,

**Scout Court Is Scheduled In Gym**

Court of honor for Big Spring Boy Scouts will convene at 7:30 p. m. Monday in the high school gymnasium, Scout officials announced Saturday.

For several months honor courts have been conducted in the district court room on the first Tuesday night of each month, but a new schedule has been arranged at the gymnasium in order that demonstrations may be performed in connection with the court. Highlight of Monday night's session will be presentation of the Eagle award to Billy Bob Watson of troop No. 2. The Forsan troop also will be presented at the court and several of its members are scheduled to advance in rank.

An embryonic stock exchange was inaugurated on Wall Street in 1792.

**STRENGTH to see beyond tomorrow**

Enduring peace is the product of co-operation. But weakness cannot cooperate; it can only beg. That's why it's so important that we keep this nation strong.

time we should turn our attention to those patriotic citizens who have pledged themselves to protect America and preserve the peace.

Army Day, April 6, is the day every one of us can reaffirm our faith in a strong, peaceful America. It is the

These are the men of the Regular Army, the National Guard, the Organized Reserve Corps and the R.O.T.C.

**Sub-Committee Slated To Plan Beautification**

Sub-committee chairmen are expected to call their respective groups together for separate meetings within the next week to form definite summer plans in the chamber of commerce civic and beautification department. D. M. McKinney, general chairman, reported Saturday.

Most of the early efforts will be directed toward the city clean-up campaign, scheduled for the week beginning April 19, but general programs of work and lists of objectives also will be prepared for the remainder of the spring and summer seasons.

McKinney said that too much emphasis cannot be placed upon the clean-up campaign at this time, since residents should be starting preliminary work now around their respective properties. If the campaign meets with the success expected, all work except the pick-up chores must be completed before the starting date, he reminded.

Results this year also will be enhanced by new paving in the city, and it is hoped that this factor alone will stimulate increased interest in the project, McKinney said.

**State Parks Head Stops Briefly Here**

Gordon K. Shearer, Austin, director of the State Parks system, and J. L. Goode, his assistant, paused here briefly.

Apparently pressed for time, Shearer did not get to confer with community leaders as he had hoped. He said he and Goode planned a quick trip around the Scenic Mountain state park Friday morning before leaving for Austin.

## Crack Cycle Riders Here For Race Meet

Crack riders from a dozen Texas and New Mexico cities, their eyes on glory and a piece of the \$350 in prizes, were due to compete at 2 p. m. today in the motorcycle trophy race.

More than a score of the top riders of the area were prospective contestants in the event, sponsored by the Big Spring Motorcycle club under sanction from the American Motorcycle association.

Time trials will begin at 1 p. m. and the regular races an hour later. There will be six-lap races for novice, amateur and expert riders using a 45 motor, and similar competition with those operating on an 80 motor.

Grand finals will put the novices in one event and the amateurs and experts in the grand finale.

Billy Meador, Waco, winner of the trophy race here last July, was due to defend his crown.

B. K. Pounds, Dallas, state referee for the AMA, arrived Saturday afternoon to check details of the races and to supervise them.

By posting 10 per cent of the prize list, the local club will have each rider insured up to \$300 by the AMA.

The track, located just west of

the city park entrance, is well oiled, is firm and fast. Club officials said it was as near dust-proof as possible and would afford some fast driving over the half-mile course.

Tickets will go on sale at the entrance at 8 a. m. and may be obtained until after starting time.

Approximately 100 cyclists from this region were expected to drive here to witness the races.

Cecil Thixton, one of the race officials, said that entries are expected from Roswell, N. M., Albuquerque, N. M., Lubbock, Amarillo, Wichita Falls, Dallas, San Antonio, San Angelo, Waco, Odessa, El Paso and Big Spring.

Other than Meador, Glenn Patton, Wichita Falls, was regarded as a certain entry; Lee Christian and Swat Smith of Lubbock; Bill Birdwell and Jack Ewing.

Big Spring; Billy Johnson, Fred Husky and Glen Sanderson, Amarillo.

In the six-lap novice-run on the 45 motor, first place draws \$9.50, second \$7, third \$4.50; for amateurs \$18, \$12.50, and \$6; expert \$21, \$16.50 and \$10. The prize list will be the same in the 80 motor class. Times in the preliminary trials will determine entries in the

## March Is Blustery Dry Beyond Normal

Blustery and dry beyond normal bounds—that was March.

Winds were higher on a whole during the month and on March 1, when the month entered like a lion, velocities of 54 mph were recorded. On March 15, 18 and 30 velocities were from 42 to 49 mph. The U. S. weather bureau recorded two sandstorms, one on the first, the other on the 18th. No mention was made of the super-duper on March 30.

Temperatures continued below normal, the mean being 51.7, which lacked one point being four degrees off the average. It was about a degree better than last March, however.

Precipitation amounted to only .25 of an inch, making it the driest March since 1944. This brought the amount of moisture for the first three months of 1948 to .95 of an inch, or 1.12 inches below normal.

The moisture departure from normal since July 1, 1947 is 5.53, which explains in a good measure the severity of the current drought.

Real estate activity picked up slightly over the previous week. The county clerk's office recorded warranty deeds involving \$79,743, which increased the year's total to \$770,855.

New motor vehicle registrations slumped considerably, however. The county tax assessor-collector's office registered only five new passenger cars and three new trucks during the week.

## WEEK'S BUSINESS

### Vet Hospital Permit Breaks Local Records

Building permit totals for the year, which were somewhat short of the half million dollar mark a week ago, were just under six million Saturday as a result of the largest single contract ever recorded here. The Veterans hospital permit for \$5,642,650 broke all records on the city books, including those for one week, one month and even one year. Several miscellaneous permits since the first of the month have increased the 1948 total to \$5,966,410.

Real estate activity picked up slightly over the previous week. The county clerk's office recorded warranty deeds involving \$79,743, which increased the year's total to \$770,855.

New motor vehicle registrations slumped considerably, however. The county tax assessor-collector's office registered only five new passenger cars and three new trucks during the week.

### Rural Phones To Be Available By Mid-Summer

Telephones for rural electric customers will be possible in this area by mid-summer, O. B. Bryan, Cap Rock Electric Cooperative manager announced Saturday, in Stanton.

Contracts have been closed with Southwestern Bell Telephone company to permit use of REA lines for installation of telephones in its territory.

Power lines will be used for transmission; thus any REA patron may have a telephone if desired and as soon as equipment is available.

Service is to be offered in Howard, Martin and Midland counties with the exception of lines in the Knott-Ackerly area and in the immediate vicinity of Coahoma, where independent exchanges function.

Applications for the service, which will be provided first around August, according to the present outlook for equipment, will be received by Southwestern Bell Telephone company. Charges will be on a base at the various city exchanges, ranging around \$2 to \$2.25 per month (without tax). Beyond a five-mile radius, an additional 25 cents per charge for each additional five miles will be made. For example, a user 15 miles from a base point would be charged \$2.50 per month.

Service would be in units of eight "party" lines, said Bryan, but unlike the traditional party lines, only one will ring when the line is in use. Use of the power lines also insures a clear signal.

The contract calls for Cap Rock to do the electrical work on each pole used. In return, the telephone company pays a fee, plus an annual rental of \$1 per pole on which installations are made.

### Hospital Board Lashed By Estes

AUSTIN, April 3. (AP)—The State Advisory Hospital Council today was asked by Gov. Beauford H. Jester to continue its duty of advising the State Health Board on the state's hospital building program.

The advisory council held a hectic all-day meeting in which Carl Estes, publisher of the Longview News-Journal, was the dominating figure.

Estes charged:

1. That Dr. George W. Cox, state health officer, has played politics in establishing priorities for cities seeking federal funds.
2. That Dr. Cox, Hospital Program Director Norman Roberts of the State Health Department, and the State Board of Health have ignored the advice of the council.
3. That the hospital building plan published by the health department would lead to a socialized medical center at Tyler in Smith County.
4. That Dr. Cox and Roberts have shown favoritism to Tyler and have tried to give Longview and Kilgore in Gregg County the run-around.

### Suffers Burns

CORSICANA, April 3. (AP)—C. F. Newman, 39, tractor operator on the Fortson Ranch suffered serious burns on the hands and face today when gasoline ignited. He was brought to a hospital here.

SKI CHAMPS WED — Mary Gavin of Sarasota, Fla., and Robert Wright of Glen Ridge, N. J., leave chapel at Canton, N. Y., after their wedding. They captained St. Lawrence University's men and women teams which won New York state ski championship over 18 U. S. and Canadian squads at University's winter sports carnival. Captains of visiting teams form the ski arch.

### The Week

(Continued From Page One)

muster in a company just in time to have it whisked off to camp. Now a regular company (Bty B, 132nd FA) is due to be activated here. Men interested are asked to meet Monday evening with T. A. Harris, captain and company commander. Harris is hopeful enough will respond to set organization in motion.

April is the fund month for the American Cancer Society. Heading the solicitation in Howard county is Ted O. Groehl. Either he or Ira Thurman will receive funds which will be used in research to combat the dread ailment.

The city has drilled another well in the O'Barr field of northern Glasscock county. Preliminary tests look promising, but the rating of the test will await a 72-hour pull. Development is taking an orderly pattern now to hedge against the possibility of drought during the summer.

Annual high school relay meets here are getting to be one of the major spring sports events of West Texas. The ABC club stepped in this year to keep alive the event, started by the Big Spring Athletic association, which suffered a solar plexus blow in a recent fire. A radio contest, "Guess and Gain," scheduled to start this week, may help recoup the association's finances. Meanwhile, the ABC club did a fine job in keeping the tournament alive.

### Sens Edge A's

ORLANDO, Fla., April 3. (AP)—Erly Wynn and Ray Scarborough limited the Philadelphia Athletics to three hits here today as Washington captured a 3-1 decision over Lou Brissie, who was the victim of shoddy fielding.

### Chiang May Resign As China President

NANKING, Sunday, April 4. (AP)—A reliable source said today Chiang Kai-Shek had decided not to continue as president of China.

of many influential positions held by the generalissimo. As head of the Kuomintang, the dominant party, Chiang still might remain China's most powerful figure.

The informant said Chiang was urging his associates to accept in his stead Dr. Hu

### Nelson Favored In Masters Golf Tournament

AUGUSTA, Ga., April 3. (AP)—Byron Nelson, twice a winner of the Masters Golf Tournament, is favored by the other pros to win the 12th annual event next week, but everything else indicates Lloyd Mangrum is the man to beat.

Meanwhile, it developed today that two previously announced entries likely will not appear in the tournament.

Clayton Heafner, Charlotte, N. C., professional, suffered a badly cut left hand yesterday while making emergency repairs on bathroom plumbing in a hotel room.

In Atlanta, O. B. Keeler, the Journal's golf writer, reported that the tournament committee had canceled its invitation to Frank Stranahan, Toledo, O., amateur, after an argument over practicing on wet greens.

No comment was forthcoming from tournament officials and Stranahan could not be located.

Nelson, who left the circuit during the 1946 tour with the announcement that this \$10,000 event would be among his infrequent returns to action, won here in 1937 and repeated in 1942. He tied for second place last year at 283, two strokes behind Jimmy Demaret.

### Tigers Win, 10-8

NEW ORLEANS, April 3. (AP)—Bashing out 16 hits, including two triples and a double, the Detroit Tigers took their second straight top-heavy exhibition baseball victory from the New Orleans Pelicans of the Southern Association, 10 to 3, today before 2,758 fans. Detroit (A) ... 000 202 501—10 16 3 N. Orleans ... 000 001 020—3 8 4 Newhouse, Gentry (8) and Wagner; Humphries, Diehl (6), De Camp (9) and Dantonic.

### Weather Forecast

### Sees Dividend For Rock Island

AMARILLO, April 3. (AP)—Robert McKinney, a new director of the Chicago, Rock Island and Pacific Railroad, predicted today that a dividend will be declared on its common stock this year for the first time since 1931.

"If the directors do not go along on a liberal dividend for the stockholders, we will get some directors who will," McKinney said in an interview with the Amarillo Globe-News, for which he once was a reporter.

The next regular monthly directors' meeting will be held in Dallas April 12. The next regular stockholders' meeting will not be held before April, 1949.

McKinney, in his early 30s, is a cousin and former business associate of Robert Young, fighting president of the Chesapeake and Ohio Railroad and the Allegheny Corp. McKinney said their operations are completely divorced now.

He said a \$5 dividend should be paid out of earnings, which he estimated will total about \$11 per share this year. There are 1,409,346 shares of common stock, which has no par value.

McKinney stated that the Rock Island came out of bankruptcy with \$62 million excess of current assets over liabilities. Allowing \$18 million for working capital, he proposed that \$44 million be used to retire bonded indebtedness and to put into capital reserve.

### Local Man Injured In Oilfield Mishap

Clye O. Blesoe, 207 Jefferson, was reported in critical condition Saturday night at the Big Spring hospital, where he was rushed Saturday afternoon following an oil well mishap.

He sustained a fractured skull. Details of the mishap were not immediately obtainable, but Mr. Blesoe, a driller, was working on a test some 17 miles south of here when hurt.

### Bucs Nip Indians

TUCSON, Ariz., April 3. (AP)—Ralph Kiner of the "51 club" and third baseman Eddie Bockman clouted homers today to pace the Pittsburgh Pirates to an 8-5 exhibition victory over the Cleveland Indians.

### No Reversal Seen On Partition Plan

LAKE SUCCESS, April 3. (AP)—A key delegate expressed doubt today that the United Nations Assembly will reverse its decision to partition Palestine. He declared it would be extreme.

ly difficult to marshal the two-thirds majority of the 57-nation assembly to overthrow the Nov. 29 resolution on partition.

Something new, exciting, different—the Motorcycle races April 4. (adv.)

## Texas Industry Starts 1948 At Record Peacetime Level

By DR. JOHN R. STOCKTON  
 Professor of Business Statistics,  
 College of Business Administration,  
 The University of Texas  
 (Written for The Associated Press)

The industrial activity of Texas began the year 1948 at a record peacetime level, and only slightly below the wartime peak. The Bureau of Business Research of the University of Texas compiles two reasonably accurate measures of the level of industrial activity in the state: an index of industrial electric power consumption, and estimates of the number of employees in manufacturing industries in the state.

Before the war the Bureau of the Census conducted a census of manufacturers every two years, thus measuring the changes in the industrial output in Texas manufacturing concerns. The 1939 census was the last one taken, although one is now in progress. In the absence of complete census data the bureau's statistical compilations are the best available information.

Since all manufacturing concerns must use labor, the number of persons employed will vary with the level of manufacturing output. One weakness of this data is that over a period of time the rate of output per employee may vary, but for short time periods the variation should not be great. The consumption of electric power by manufacturing concerns is also likely to vary with the rate of output of

industry, and data on power consumption may be used as a measure of industrial activity.

The number of employees in manufacturing concerns in February was estimated by the Bureau of Business Research to be 340,200, compared with 188,200 employees in the year 1939. This was an increase of 81 per cent over the prewar period. The peak of 441,900 persons employed by manufacturing concerns in November 1943. In August 1945, when the war ended, 367,900 persons were employed. The index of industrial electric power consumption, using the five years 1935-40 as 100, stood at 286.6 per cent in February 1948. This means that the manufacturing concerns of Texas were using almost three times as much electric power as in the prewar period, and the inevitable conclusion from this is that industrial activity must have increased in somewhat the same proportion.

The peak of industrial power consumption came in January 1945, when the bureau's index stood at 307.7 per cent of the prewar base period. The low point of the reconversion period was October 1945, when the index was 230.7. Since that date a steady increase in the output of consumer goods has carried the index to its present level, only 7 per cent below the war peak, and 33 per cent above the reconversion low.

## TEXAS POLL

# Alaska, Hawaii Get Vote For Statehood

AUSTIN, April 3.—Texas is willing to let Alaska and Hawaii in. A statewide survey by The Texas Poll shows that a majority of the people favor statehood for the territories of Alaska and Hawaii. Even Texans who know Alaska is bigger than the Lone Star State say they favor its entry as a state. That would seem to settle it, except that according to law Congress will have to give its approval.

The U. S. House of Representatives already has voted admission of Hawaii as a state, and the question is now up to the senators. A statehood bill for Alaska recently received a favorable report from the House sub-committee on public lands, and its backers are hoping to get Congress to act upon it during the present session.

If all adult Texans were members of Congress, both measures would have easy sailing. The Texas Poll found this to be so by putting these questions to a representative cross-section of the adult population:

"If you were a member of Congress, would you vote for or against a bill admitting Alaska as a state?"

All adults	For	Against	Don't Know
64%	15%	21%	
By sex:			
Men	67	18	15
Women	62	10	28
By education:			
Grade and no school	48	10	42
High school	69	13	18
College	74	14	12

"Do you know which is bigger—Alaska or Texas?"

All adults	Alaska	Texas	Don't Know
41%	37%	22%	
By sex:			
Men	45	36	19
Women	37	38	25
By education:			
Grade and no school	19	43	37
High school	40	40	20
College	61	29	10

An analysis of the above results show that the people who know Alaska is bigger than Texas would vote as follows on admitting it as a state: for—75 per cent; against—15 per cent; undecided—10 per cent.

"If you were a member of Congress, would you vote for or against a bill admitting Hawaii as a state?"

All adults	For	Against	Don't Know
61%	15%	24%	
By sex:			
Men	64	16	20
Women	59	13	28
By education:			
Grade and no school	44	7	49
High school	66	17	17
College	71	18	11

## Annual Senior Play Rehearsals Are Underway

With the play cast, rehearsals are underway for the annual senior play on April 20 at the city theaters, Don Spencer, Jerry Houser.

This year the production will be "After All It's Spring," a sparkling comedy. Mrs. Harold Davis will direct.

Members of the cast include Helen Montgomery, Lynn Porter, Joyce Beene, Donnie Roberts, Betty Brien, Vivien Middleton, Frances Henderson, Pat McCormick, Pat Lamb, George Oldham, Jimmy Webb, Eddie Houser, Jerry Sanders, Don Spencer, Jerry Houser.

Other assignments include Harold Berry and Carroll Murdoch as stage managers; Dicky Cloud, Arnold Tonn, Jerry Rogers, advertising; Sue Leonard, Marlene Burnett, properties; Roy Pool and Ilke Robb, sounds; Rebekah Lloyd, Babs Douglass and Wiley Stewart, prompters; Mary Davis, Frances Wilson, Faye Russell, Charlotte Long, Nidra Williams, Caroline Smith, Scooter Terry, Johannie Kennon and Joy Barnaby, ushers.

## COSDEN CHATTER

### Company Group To Galveston For Convention

Mr. and Mrs. Marvin M. Miller left early Saturday afternoon for Galveston to attend the 6th annual meeting of Western Petroleum Refiners association. Kay Tollett went with them as far as Austin. Kay Tollett will return to the Hockaday School in Dallas Monday.

Mr. and Mrs. R. L. Tolett left on the early plane this morning for Galveston to attend the Western Petroleum Refiners meeting in Galveston. Tolett is vice president and director of the association and will preside at the general session.

Mr. and Mrs. George Grimes and Mr. and Mrs. E. W. Richardson also left Saturday to attend the Galveston session.

A. V. Karcher spent three days of last week in Fort Worth on company business.

M. M. Miller, Doug Orme, R. W. Thompson, George Grimes and H. C. Stipp attended the regular monthly meeting of the Sharron Ridge Producers association at Snyder Tuesday evening.

Warren McConnell, Frank Rhone and Kenneth Arthur, auditors with Lybrand, Ross Brothers, and Montgomery of Dallas started their annual audit of company records this week.

Neel Barnaby attended the funeral of his uncle, Mr. Brown, at Walnut Springs Wednesday.

Faye Simpson entered the hospital Wednesday due to a throat infection.

Mrs. L. E. Burks received emergency treatment at the hospital Tuesday night.

Billie Barton returned to the office Thursday after an absence of two weeks due to illness.

A. B. Brown plans to enter the hospital for a sinus operation next week.

Eugene Ward's son is in a Fort Worth hospital for an appendectomy.

Wayne Pearce spent a day in the hospital last week for diagnosis and observation.

Mrs. M. M. Hines entered the hospital a week ago.

Miss Evelyn Merrill is spending the week end in Snyder visiting Mr. and Mrs. Carl Herrod.

John D. Evans spent the Easter holidays with his parents, Mr. and Mrs. D. T. Evans. He returned to Texas University Monday.

Mrs. Beth Kay spent the early part of the week in Fort Worth visiting friends and relatives.

Mrs. Anna Mae Berry is spending the week end in Fort Worth on business.

Rex Baggett of the Abilene bulk plant was a visitor in the office Friday.

Vince Barnett, of Barnett Brothers, Cosden jobbers at Merkel, was also a visitor Friday.

Jack Dayton, Cosden jobber of London, Tex., was a visitor in the office this week.

C. H. Harrison entered the hospital Wednesday with a broken leg.

George Coots entered the hospital Wednesday.

R. W. Thompson spent Friday in Midland on company business.

Mr. and Mrs. Arnold Marshall spent last week end in Honey Grove. Mrs. Marshall stayed in Honey Grove to care for her mother who is ill.

Mr. and Mrs. Leonard Blackwell went to Fort Worth this week to attend the funeral services for Mrs. Blackwell's father, C. W. Morrison. Sr. Morrison has been connected with the Texas Electric in Fort Worth for 30 years.

In 1947, the U. S. picked up \$127,447 from "unexplained balances in cash accounts."

## Anita Colby Gives Some Advice On Grooming To Working Girls

If America ever designates a secretary of P's and G's (Personality and Grooming), Hollywood's glamor or groomer, Anita Colby, could fill the bill.

The beautiful blonde Miss Colby may never get a cabinet post dedicated to making career women more attractive, but her glamor ideas would put Cleopatra to shame. She says:

"Every woman can stand improvement. A beautiful girl can be more beautiful; a pretty girl prettier and a plain Jane can be attractive."

How? Just by concentrating on her own personality, figure and face, says Anita. The trouble with most women, she says, is that they are copy cats. Their favorite movie star or the neighborhood glamor girl adopts a watermelon mouth or a dizzy hairdo, and she sets out to copy the idea, whether or not it suits her type.

Women need to be more resourceful, says Anita, who proved her own ingenuity when she was a photographic model. Once when she was bored with her old hairdo, she brushed her hair up into a becoming pompadour. Pretty soon other girls wore pompadours, hairdressers advertised them and the new hairdo was a raging success.

Later she popularized the "flat top" when she thought the pompadour was getting a bit out of head, higher and higher, until it looked as if some girls would have to crawl through doorways.

Anita gets particularly bitter about the unattractive girl who could be attractive. She says:

"After all, let's face it...most girls are interested in snagging the male. If they say they aren't, it is merely a defense mechanism they

set up to convince themselves they are making the decision. Girls who accept the fact that they are miserable Marys are doing themselves an injustice. It's funny that pretty girls will find a beauty routine and stick to it, but the other girls who really need it will say "why bother." Every woman can't be a dream girl but every body has room for improvement."

Sometimes even movie stars go berserk and think they know it all, says Anita. In her job as executive assistant to the head of Paramount Pictures, she has seen girls come and go as a result of their refusal to pay attention to details and accept the advice that she offers as part of her job.

She is called in to give technical advice as to grooming, makeup and fashion on any studio picture involving women. "Emperor's Waltz," a technicolor movie in which 200 women appear in one ballroom scene, called for some major decisions and hard work. Anita had to supervise every woman to see that she was feminine to the hilt.

Femininity is always the safe bet—even in business, says Anita. The trouble with American career women, she says, is that they try to compete with men. If a woman wants to pursue a career she should choose a field which can't be handled successfully by men. This way, she can retain her femininity and skip the tough talking lingo she feels is a part and parcel of a career job when she is competing with men.

Simplicity, Anita says, should be the theme of every career girl's wardrobe. When job seeking—no matter whether she is being interviewed for a play, picture or secretarial work—she should not overdress. An employer wants personality and a trim appearance. Young people make the most mistakes and when these little things are added together—the disheveled hairdo, slippery seam, uneven

hem, "broken plates," Anita calls these careless girls.

The best costume for job seeking in her estimation is a simple suit or dark dress. Don't overdress—skip the costume jewelry, last night's worn-out corsage and too-bright colors.

You don't have to spend a fortune to look pretty and attractive. Anita offers this suggestion from her own wardrobe:

She had made a black wool suit with three-quarter length fitted coat, one extra skirt made of striped morning suiting. She wears it various ways: The black suit with detachable collar of the same material and a bright scarf for daytime wear; with the striped skirt and white pique gilet for special daytime occasions; the jacket-coat serves as a topcoat in the spring with or without the snap-on collar of the same material; as a dinner coat with a detachable ermine collar; as a fall topcoat with a snap-on mink collar.

Remember that first impressions count when you are looking for a job. Poise, personality and grooming must be tip-top. She says:

If a secretary is applying for a job and needs a cigarette so badly that she must ask her prospective employer for one, she shouldn't be hired. Any girl who doesn't have enough poise to sit through an interview without a false sense of security is a bad risk."

Many girls must depend on keeping up business contacts through social engagements. Here, personality comes into play. You often can get your foot in the door the first time. But make a few mistakes when you are a guest and you'll never get back. In particular, advises Anita, if the host is your friend, you should also cultivate the friendship of the hostess. After all, it is she that makes up the guest list, and though her husband may persuade her that you should be invited the first time—if she doesn't like you, you're just out of luck.

## Decorating And Designing Firm To Open

Featuring distinctive patterns, goods and services, Lucelle's Interior Decorating and Designers will observe formal opening at Fifth and Scurry from 1 p. m. to 5 p. m. Monday.

Visitors will not only be privileged to inspect the bright appointments against a backdrop of modern Chinese, but to see the sample room, the drapery room, carpeting, and other departments of the shop.

Host will be Mrs. Lucelle Boullion, under whose guidance the plant has been transformed by a bit of her decorating. Even the front of the building, which originally was erected as a service station, has had its face lifted with planting of jasmine in beds which once were pump bases, and erection of railings which create a porch effect.

All drapes are made to order from the variety of stocks. Mrs. Viola Swafford, formerly with Frederick Nelson in Seattle, Wash., and Mrs. Mamie Swafford, who was with Aaron Schultz in Long Beach, Calif., assist Mrs. Boullion in the drapery department, personally cutting and sewing to specifications.

As in the case of drapes, many of the fabric patterns for upholstery work are handled exclusively in this territory by Lucelle's. In repair of furniture, each piece is stripped to the frame so that each bit may be put back good as new. Complete and new equipment insures quality work for craftsmen under direction of Mrs. Boullion. The shop also can book custom pieces of furniture. Paints are mixed to obtain exact shades to blend with decoration schemes.

Seamloc broadloom carpets, a quality product with matching cross-weave, is a specialty. Because of the weave, and because edges are matched and cemented rather than the conventional sewing, Mrs. Boullion says that wastage may be held to only nine inches in any room.

Some paper is handled by the shop, but only extraordinary patterns. In the case of drapes, only one pattern is hung in the same city by Lucelle's.

--- APRIL 6, 1948

Here is the world-wide security pattern made by units of your Regular Army. On Army Day, April 6, these units are spread thinly around the troubled earth. They are composed entirely of volunteers, half of whom are Veterans... the greatest fighting men civilization has ever known.

You have every right to be proud of your Army's men. In Japan, they have done a remarkable job with the smallest occupation force per capita of any occupation army in modern history. In Europe, their numbers are the smallest of the

three major powers. At home, your Army trains men and furnishes supplies for these world-wide forces—builds for security and conducts research to help keep your defense ahead of the world.

But this great Army is still short of the strength authorized by Congress. To bring its numbers to full strength and effectiveness will require the interest and help of every American, young and old.

Help keep America strong. Every effort you put forth will be felt around the world.

**BILL WOULD MEAN NEW TAX CUT**

**Tax Framers May Revise Levies For Excise**

WASHINGTON, April 3. (AP)—Congressional tax framers turned today to legislation revising excise and corporation levies, after passing a \$4,800,000,000 cut for individual income taxpayers.  
 "The new bill may reduce the overall tax take by more millions of dollars."

Chairman Knutson (R-Minn) announced the Ways and Means Committee will tackle next week the job of writing a general revision of the tax statutes, particularly in the excise field, "to iron out inequities."  
 Knutson wrote the bill to cut \$4,800,000,000 off for individual income taxes, which Congress passed yesterday over President Truman's veto.  
 Knutson told reporters, "If we can afford it we should eliminate the excise on transportation and communications." Moreover, he said, he would like to see the excises on cosmetics and luggage, now 20 per cent of retail price, returned to their former 10 per cent of retail levels.  
 The transportation tax, at 3 per cent on the bills for moving freight, now yields about \$276 million annually; the communications excise (15 per cent on local tele-

phone bills, 25 per cent on long distance telephone, telegraph, cables, radio and leased wires) brings the treasury about \$418 million annually — or a total of almost \$700 million on the communications and transportation levies.  
 The cosmetics and luggage excises yield \$180 million.  
 Knutson declined to estimate how such revenue might be lost in the general revision of the internal revenue code, qualifying his proposed adjustments with "if we can afford it."  
 Sen. George (D-Ga), senior Democrat on the Senate Finance Committee, saw little hope for cutting excise levies at this time.  
 Cereal flakes that have been crushed may be tossed with melted butter or fortified margarine and grated cheese and used as a topping for a fish or vegetable casserole.

**B' Spring Will Observe Army Day Tuesday**

Although no formal ceremonies are scheduled, Big Spring will join the rest of the nation Tuesday in giving recognition to the military on Army Day. Special information on the day has been distributed by Lt. P. L. McFadin, in charge of the recruiting office here and Mayor G. W. Dabney has issued a proclamation on the day, asking for a general display of flags.  
 Army Day programs over the nation will follow the theme "A strong America is a peaceful America."  
 "The postwar Regular Army," Lt. McFadin said, "is now engaged in a long-range program to build its strength and fighting efficiency, not only by recruiting and training a force of high-grade spe-

cialists and technicians but by taking advantage of every applicable development in science and technology."  
 He pointed out that in addition to helping maintain the national defense and manning the occupation forces in Europe and the Pacific, two of the Army's most important current peacetime responsibilities are the training of military specialists and the improvement of equipment, material, and techniques by means of scientific research and development.  
 "One of the Army's most significant postwar achievements," said Lt. McFadin, "has been the establishment of the new Army Career Plan, which not only provides for a combination of training and education to advance a man in his Army job but sets up in each job field a progression ladder insuring promotion on the basis of individual merit."  
 Another postwar Army program which not only increases the incentive for career service but also helps to qualify new recruits for

the Army job in which they are most interested is the Army Technical School Plan, he said.  
 In addition to its elaborate programs for the training of specialists and technicians, Lt. McFadin said, the Army is conducting extensive research and development programs in such fields as electronics, ordnance, nutrition, communications, chemical warfare, and Arctic operations.

## Bob Maxwell Takes Medalist Honors In Lubbock Tourney

### Abilene Crew Finishes Ahead In Team Play

LUBBOCK, April 3.—Big Spring and Abilene shared honors in the invitational high school golf tournament here Saturday, when individual honors went to the Steers' Bob Maxwell and the Eagles finished at the top in team competition.

Plan now to attend the motorcycle races April 4.

Maxwell's 149 over the 36 holes was easily good for medalist honors. He posted a 73 on the first 18 holes and then followed through with a 76.

Gervis McGraw of Abilene was runnerup with 152, while Billy Houck of Borger was a close third with 153.

The Abilene team finished far in front with a total of 645 strokes, followed by Amarillo, 664; Lubbock 670; Midland, 682; Odessa, 685; Big Spring, 701; Plainview, 717; Borger, 743.

Other scores posted by the Big Spring team included Clarence Schaefer's 181, Sam Thurman's 187 and Paul Shaffer's 184.

The winning Abilene team included McGraw's 152; Lee Pinkston, 161; D. James, 163; R. Sayles, 169.

## Final Tri-County League Meet Set

Final meeting of the Tri-County Baseball league representatives is set for 2 p. m. today at the Settles hotel, C. J. Lamb, Forsan, president, announced.

Prospects are that there will be six teams in the loop, although a seventh is possible. At any rate, the schedule will be drawn after today, Lamb said. Play is slated to start on April 11.

Trophy for the champions of the league will be furnished by the Howard County Athletic club.

Lamb said that Howard County Junior college, Forsan, Coahoma, Colorado City, Knott, and the Westerners (Big Spring Hardware) were counted as sure entries. There is some possibility that the T&P will field a team.

## Vincent Team Starts Drills

VINCENT, April 3.—Vincent's softball team has started workouts for its season of activity in the Colorado City league, which opens its season within a few weeks.

The Howard county contingent will be managed again by G. U. Read, who led the troupe to a second place finish in the standings in 1947. Read will go to Colorado City Monday night to represent the team at the final league meeting.

Among those working out for the team are Leon Kirby and Rab Brown, pitchers; Frank Kirby, outfielder and catcher; LeRoy Shaffer and Bernie Barr, second basemen; Jack Barr, catcher; Jack Wolf, first baseman; Richard Read, outfielder; Bill Shafer, short stop; Leslie Barr, outfielder; and O. J. Ingram, outfielder.

## Montgomery Edged In Semi-Finals

SWEETWATER, April 3.—Bill Montgomery of Big Spring copped two singles matches before bowing out in favor of DeBarry of San Angelo in the semi-finals of the invitational high school tennis tournament here Saturday.

Montgomery trimmed Terry of Sweetwater, 3-6, 6-3, 6-2 and then went on to slip Rogers of Colorado City in the quarter-finals, 7-5, 6-3.

Jerry Houser and Kelly Lawrence lost out in the first round of doubles play, while Jean Pearce and Kitty Roberts in girls doubles also went down in their respective first round encounters.

## 880 Yard Run Won In 1:58.9

Odessa's mighty Bronchos, spurred by the sensational Byron (Santone) Townsend, ran away with team honors in the fifth annual Big Spring track and field Relays here Saturday, scoring 36 points.

Despite a stiff south wind—which was glaring down the throats of the sprinters all day—nine records went by the boards and another was equalled.

Townsend, who campaigned against the old marks as if he had a grudge against them, set up four standards. He negotiated the 100-yard dash in 10.2 seconds, which clipped one-tenth of a second off the old mark; broad jumped 21 feet, 8 inches to shatter the old standard all to smithereens, flung the discus a respectable 143 feet and high jumped 6 feet, 1-1/2 inch to beat his own mark by an inch.

Besides that, the all-around athlete anchored the winning sprint relay team. His efforts were good for 21 1-2 points, good enough to win him an individual trophy.

Trailing Odessa in team scoring were Lubbock 27, Abilene 24 3-4, Big Spring 13, Seminole 12, Plainview and Amarillo 10 each, Imperial 5, San Angelo 4 1-2, Midland, Andrews and Sundown 3 each, Denver City 2 and Monahans 3-4.

In all, something like 200 boys representing 18 schools took part in the huge carnival.

Leon Lepard's tremendous accomplishments rivaled Townsend's individual showing. The Big Spring star ran his fastest half mile—1:58.3—and then anchored a mile relay team that for the second time roared past Abilene to win in the scintillating time of 3:30.3.

Lepard's feat in the 880 beat Jim Clark's old record by nearly 11 seconds while the Steers' relay team bettered Amarillo's mark set in 1947 by 8.5 seconds.

Abilene's flashy foursome kept winning striking distance of the Steers until Lepard entered the back stretch in the anchor lap. Then, with a tremendous burst of speed, Lepard widened the gap and wound up a good 15 yards in front of the Eagle finisher.

James Fannin would have given Big Spring more points, most probably, had he not developed cramps in his mile race. As it was, he dropped out on the second lap and James Blaine of Imperial went on to win in record breaking time—4:48.4.

Other standards fell in the shot put and 120-yard high hurdles. Bill Liveley of Abilene strong-armed the big ball to 47 feet 6 inches. Bill Houston, Plainview's ace hurdler, covered the 120 yards in the high hurdles in 15 seconds flat.

Summary:

100-Yard Dash—Byron Townsend, Odessa, 10.2 (New record—Old record set by Charles Pinnell, Andrews, 15.8 in 1947).

200-Yard Dash—Byron Townsend, Odessa, 21.8 (New record—Old record held by Archie, Big Spring, in 1946, and Townsend in 1947, 10.3).

400-Yard Dash—Jim Johnson, Lubbock, 52.1 (New record—Old record set by Baker, Seminole, in 1946, and Johnson, Lubbock, in 1947, 52.1).

800-Yard Run—Jim Johnson, Lubbock, 1:58.9 (New record—Old record set by Jim Clark, Lamesa, in 1947, 2:00).

1-Mile Run—Jim Johnson, Lubbock, 4:48.4 (New record—Old record set by Jim Clark, Lamesa, in 1947, 5:01.7).

2-Mile Run—Jim Johnson, Lubbock, 10:07.8 (New record—Old record set by Jim Clark, Lamesa, in 1947, 10:38.6).

Public Records

C. V. Hewitt, to move frame house from 1503 West First outside city, \$400.

Truman Jones Motor Co., to repair metal electric sign at 403 Burnett, \$450.

G. Graves, to remodel frame building at 1901, \$1,000.

Mrs. M. Schubert, to re-roof frame house at 210 North Greig, \$300.

R. O. Hammett, to move frame building through city, \$600.

Elliott Velt, to build frame addition to house for garage and work shop at 1004 East Fourth, \$700.

F. McCreary, to build frame and stucco addition to building at 204 NW Seventh, \$250.

## Bovines Open Play Tuesday

Conn Isaacs' Big Spring high school baseball Steers tear off the lid on the 1948 District 3AA schedule here Tuesday afternoon, meeting the Lamesa Tornados in a contest starting at 3 p. m.

Isaacs said he was uncertain who would start on the hill for the Longhorns but that Howard Jones, Lloyd Skiles and James Boatman would all see action.

Donnie Carter, a leftie, had been lined up to open on the rubber but he was injured last week and may sit this one out.

In last year's race, the Longhorns finished in third place in the standings with a record of seven wins in 12 starts.

Admission prices of the Tuesday go have been pegged at 50 and 30 cents.

## Hawks Defeat Knott, 16-6

Harold Davis' Howard County Junior College's Jayhawks managed the offerings of three Knott pitchers to defeat the Billies, 16-6, in an exhibition baseball game played on the Bombarrier school diamond Friday afternoon.

Don Clark and Pete Cook paced the Hawk offense. Clark had four hits in four attempts and drove home four runs. Cook clouted a home run and single and also drove home a quartet of tallies.

## Braves Take 4-2 Tilt From Cards

ST. PETERSBURG, Fla., April 3.—A bad bounce single in the third frame broke Harry Brecheen's string of 14 scoreless innings and started the Boston Braves to a 4-2 victory over the St. Louis Cardinals today.

## Blues Hand Yanks A 2-1 Licking

LAKE WALES, Fla., April 3.—The Kansas City Blues, the first minor league team to oppose the New York Yankees in an exhibition game this spring, handed the world champions a 2-1 defeat today, although collecting only two hits.

## Odessa, Lubbock Squads Break Camp In Dallas

DALLAS, April 3.—Lubbock and Odessa baseball players broke spring training camps here Friday night and headed for home.

Manager Jackie Sullivan took 12 players with him to Lubbock and Manager Bill Davis took 15 to Odessa.

Players destined for Lubbock, member of the West Texas-New Mexico league, are Catchers Newt Secrest, Kermit Altizer and Floyd Walker; Pitchers, Bill Pitts, Frank Cobb, Billy Russell and Bob Clodfelter; Infielders, Virgil Richardson, Frank McAlexander and Carl Proulx; and Outfielders, Frank Booth, Henry Clay.

Odessa men are Catchers Joe Yeagle and Karl Minini; Pitchers, Frank Fascio, Bill Epperson, Ken Zeto, Bill Pzybylski, Ed Nelson, Frank Armendiz; Infielders, Fred Bolen and Ben Nennechs.

Odessa, Longhorn league, and Lubbock are Dallas farm teams.

## Aggies Break Own Standard In Mile Relay

AUSTIN, April 3.—Mighty Fortune Garden of Minnesota furnished a splash of color to an otherwise lackluster Texas Relays today as he broke the discus throw record and won the shot put to be acclaimed outstanding athlete of the big track and field carnival.

The capering Gordien, a talkative young man who produces in line with his words, whirled the discus 172 feet, 5 1-4 inches—the farthest it ever has been flung in Texas.

The University of Texas dominated its own relays as usual, rolling up 41 points with four first places in the relays and two individual winners.

A half dozen records were expected, but only two were set today—Gordien's great discus throw that wiped out a mark of 165 feet, 9 1-3 inches set in 1941 by Jack Hughes of Texas—and a 3:17.2 performance by Texas A&M in the mile relay.

One new mark was set yesterday in the preliminaries when Austin raced the mile relay in 3:26.9 for a new mark in the high school division. Today Austin won the finals with a disappointing time of 3:29.4.

The Aggies' record, set by a team of Connally Ludwick, Erwin Bildeback, Ray Holbrook and Art Harden, bettered their own mark of 3:17.8 set last year.

## Bovines Open Play Tuesday

UNIVERSITY-COLLEGE DIVISION

100-Yard Dash—1-Texas A&M (Stoner, McLaughlin, Hampton, Hahn), 10.2. 2-Oklahoma, 10.3. 3-Draze, 10.4. 4-Howard Payne, 11.7. 5-120-Yard High Hurdles—1-Scott, Arkansas, 2:18. 2-Boren, Texas, 3-Erfurth, Rice, 4-W. Cardon, Texas A&M, 4:14. 5-Brooks, Texas, 3-Parke, Texas, 2-Puquay, Oklahoma A&M, 3-Thompson, Nebraska, 4-Jay, Texas A&M, 5-Time 9:9. 6-Louisiana State, 7-Minnesota, 81 feet 9 1-2 inches. 9-Prather, Kansas State, 51 feet 7 1-2 inches. 10-Piedert, Nebraska, 49 feet 4-Kedera, Texas A&M, 46 feet 8 inches.

(New record—Old record 3:17.8 set by Texas A&M in 1947).

Discus throw—1-Gordien, Minnesota, 172 feet 5 1-4 inches—New record—Old record 165 feet 7 7/8 inches set in 1941. 2-Louisiana State, 163 feet 7 inches. 3-Kedera, Texas A&M, 157 feet 6 inches. 4-Burton, Lackland Air Base, San Antonio, 152 feet 7 inches.

# Minnesotan Sets New Discus Mark At Austin

## Local Bowlers Carded In Big D April 26-27

Nathan's Jewelers and Youth Beauty shop, which will represent Big Spring at the Women's International Bowling congress annual tournament at Dallas, are scheduled to do their kegling Monday, April 26, and Tuesday, April 27.

The two aggregations will engage in team activity: the first day, then take part in doubles play the following morning.

Doubles teams will consist of Vera Dozier and Ruth Robertson, Penny Bowers and Lois Eason, Nellie Mathis and Faye Johnston, Coz are Walker and Winnie Wood and Claire Yates and Doris McElrath.

Minnie Baldwin, another Big Spring entry, will team with Mary Stimpac of Milwaukee, Wis., for doubles play, also on April 27.

## Local Tennists Win Over Midland

MIDLAND, April 3.—Big Spring High school took five of seven matches from the local high school boys and girls teams here Saturday afternoon, sweeping all of the girls events.

Jean Pearce and Dot Cuable both took singles matches, while Nancy Lovelace and Nancy Bivins and Jan Masters and Kitty Roberts topped their respective opponents in doubles.

In the boys events Bill Montgomery came through in his singles match for the only Big Spring victory. The doubles teams of Culin Grigsby and Jerry Houser and Don Anderson and Kelly Lawrence were defeated.

## Hedrick Named Team Skipper

STANTON, April 3—Members of the Stanton fire department have blossomed in new uniforms for the softball league campaign.

The suits were provided by contributions from the 15 business firms. They bear the name "firemen" across the front and firm names across the back.

Leland Hedrick has been named manager for the fire department team.

## Hammond's Nine Trains Today

Big Spring Hardware's Westerners, a local independent baseball nine, will stage a workout at 3 p. m. today on their new diamond near the former Bombardier school.

Eddie Hammond, skipper of the Westerners, had lined up a strong nine for play in the Tri-County league, which begins operations a week from today.

Those who are committed to play with the Westerners include Chock Smith, B. B. Lees, Ted Gross, Bobby Carlisle, Woodrow Harris, Lefty Haley, Jackie Barron, Dan Fletcher and A. C. Bebebe.

Hammond said he had arranged to have his team play games with Forsan and Coahoma this week. Playing times will be agreed upon this afternoon.

The team will work out every day this week starting at 5 p. m.

## Odessans Win, 6-5

ODESSA, April 3—The Odessa Bronchos opened their district baseball schedule here Friday afternoon with a 6-5 decision over the Lamesa Golden Tornadoes.

## Men, Regain Youthful Vigor

Here is a Vital Message to Men of 40, 60 or Older Men Who Feel That The Years Have Let Them Down

If life apparently has lost its zest, you again may be able to enjoy life as you did in your youth. If added years have slowed down your vim, vitality and youthful pleasures, here is a simple method that may change your whole outlook on life. Don't feel old and worn out at 40, 60 or more. Why not try to regain the pleasures of living you once enjoyed, why be discouraged? Regain the verve and zest of a youth younger man. Just eat your druggist's Cellulose stimulating tablets. Take as directed on label. There is nothing harmful in Cellulose tablets. Take as long as you feel you need them. Added years may no longer deprive you of desired enjoyment. Why be the victim of the "older" years?

**Don't Be Discouraged**  
Goethe finished Faust at 82; Oonke Metel is still mastering the Abbeles between 84 and 89; Clara Barton was an active president of the Red Cross at 88; Verdi was composing, Victor Hugo was writing, Cervantes was painting long after 80.  
So don't let the added years get you down. Why not try Cellulose tablets today? Available at all druggists.

## LOOKING 'EM OVER

With TOMMY HART

From all indications, the Big Spring Bronco pitching staff is going to be stronger than it was a year ago. . . . Pancho Perez and Charles Owan, newcomers, will be welcome additions. . . . Both Gerry Rodriguez and Jimmy Perez are due to enjoy more successful seasons. . . . The new backstop, Manny Cadoal, will make Armando Traspuesto, the hold-over, hustle all the way. . . . The Bronco management and the House of David could not get together on their playing dates. . . . The Bearded Beauts offered to play here on April 15 but Pat Stasey and Company had other commitments at that time. . . . They say the reason Byron Townsend, the Odessa star, isn't setting the woods afire in track like he did a year ago is he's carrying too much weight. . . . Kermit high school is installing a new \$18,000 athletic plant that will boast a cinder track. . . . The fact that none of the railroads in this area use coal for fuel is the big reason why more tracks aren't equipped with cinders. . . . Those that are have to get the material from the Midwest. . . . Sixteen Lamesa high school graders recently received their 1947 football awards. . . . Of that select circle, Bill Fortenberry and Don Hoover lettered for the fourth time.

## Grid Legislation Consolidated

New rules adopted for high school and college football teams alike, which go into effect his fall, include (1) An artificial tee will be permitted during any place kick (including try for field goal or try for point), (2) When a scrimmage kick touches something behind the receiver's goal, the ball will become dead regardless of whether it has been touched in the field of play, (3) If the first free kick is out of bounds, it will be kicked again. If the second such kick is out of bounds, the ball will be awarded to the receivers on their free kick line—usually the 50 yard line, (4) Penalty for any infraction of the substitution rule will be five yards, (5) Teams will be permitted 25 seconds for the huddle and getting the ball into play.

## LeRoy McGuirk Riding For A Fall?

Officials of the Big Spring country club expect to be occupying that new wing on their club house by May 15. . . . One of the carpenters on that project, incidentally, is Vernon Smith, who fought in the Big Spring Golden Gloves tournament in 1946 and again in '47. . . . Smitty was a hard-punching middleweight. . . . Clint Hartung, the giant Texan who was converted into a pitcher by the New York Giants last year is working on a knuckler. . . . Unless he develops another pitch to go with his fast one, his big league days may be numbered. . . . Louisville newsmen who followed the University of Kentucky basketball team to the Olympic tryouts in late Madison Square Garden took a pessimistic attitude about their team's chances when they got a look at seven-foot Bob Kurland. . . . However, one of them speculated, at that altitude, Bob might get a nose bleed. . . . The Pacific Coast baseball league's opening day draw was 41,644, much less than expect-

## SANDOW IN DEBUT

## Rassle Royal Scheduled At Pat's Barn Monday

Promoter Pat O'Dowdy apparently believes there's "safety in numbers" when it comes to bidding for gate appeal at his grapple shows. He's always done well at the turnstiles with his Australian tag matches, which offer wrestlers in bunches. Monday, he'll bid for continued good support with a "rassle royal," which features five

BILLY SANDOW . . . First Appearance

men in the ring at one time. The five—Walter Stratton, Eddie Gideon, Olan Boynton, Ace Freeman and Billy Sandow—will be pitted against each other. The first to be eliminated goes to the bleachers and remains there. The next two to be pinned will be rematched for the semi-windup while the two survivors automatically qualify for the main event. The specialty, incidentally, will have an hour and a half time limit. Stratton was supposed to show here last week but his vehicle broke down on the way from Amarillo and he failed to show up. Johnny Carlin substituted for him. Boynton is the same fellow who has refereed matches for O'Dowdy on a number of occasions. Lone newcomer to the local ring will be Billy Sandow, whose stock took an upswing early last week when he defeated O'Dowdy himself in a neighboring city.

## Mustangs Again Decision TCU

FORT WORTH, April 3 (AP)—Irwin Kay hurled eight-hit ball for the SMU Mustangs here Saturday afternoon as the Ponies swept their opening series with the TCU Horned Frogs, 12-3.

The Mustangs hopped on David Choate of the Frogs for five runs in the first two innings, added two more in the sixth and then iced things away with a five-run outburst against Lefty Hubert Walters in the ninth.

Woody Baker, son of Mr. and Mrs. Logan Baker of 405 East Tenth street, played the entire game at third base for the TCU team and collected a triple in two official trips to the plate. He drove home two runs, handled six of seven chances perfectly.

## 21B Brigades Run Saturday

District 21B's track and field meet will be staged at Steer stadium beginning at 10 a. m. next Saturday.

Schools entering teams here will be Sterling City, Knott, Forsan, Coahoma, Stanton, Garden City and Courtney.

First, second and third place finishers will be eligible to go to the Regional meet in Abilene. M. R. Turner and John Albers, both of Coahoma, will serve as directors of the meet.

## Bobcats Decision Abilene Nine, 8-7

SAN ANGELO, April 3—The San Angelo Bobcats punched across a run in the last half of the ninth inning to gain an 8-7 victory over the Abilene Eagles in their high school baseball opener here Friday afternoon. The Eagles boasted a 7-4 advantage going into the last of the seventh, but the Cats managed to tie the count in the eighth and to hold the visitors scoreless in the top of the ninth.

# Stasey's Troops Take Field Against Abilene Blue Sox

## All Hands To Get Chance To Show Wares Against WT-NM Loop Team

With scarcely enough time to count heads and determine the size of his squad since it congregated here late in the week, Manager Frank H. (Pat) Stasey was prepared today to send a group of would-be Broncs against the Abilene Blue Sox in the first exhibition skirmish of the season on the Abilene diamond.

The nine-inning tussle is expected to get underway around 3 p. m. Stasey, along with General Manager Claude McAden, returned Friday night from Sherman, giving the Bronco field pilot only one training session to size up his crops of aspirants. Several of the boys had arrived a couple of days earlier, and more hopefuls made the trip in with the two managers.

On hand for the Saturday workout were such candidates as Manuel Cadalso and Armando Traspuesto, catchers; Francisco Perez, Jimmy Perez, Gerry Rodriguez and Carlos Cowan, pitchers; Jorge Lopez, a highly recommended infielder; Victor Hugo, Ace Mendez and Harold Stephenson, a trio of outfielders; George Sift, the combination outfielder-first baseman who has been on deck for several days; and Jake McClain, 1947 second sacker who has been directing daily drills during Stasey's absence.

Two rookie pitchers, Hubie Shepard, a righthander sent here on option from Sherman, and Lawrence Shaw, a lefthander, were in Saturday morning, but did not participate in the practice session. A group which arrived Saturday afternoon included Roberto Fernandez, outfielder; Rolando Viadero, pitcher; Orlando Echeverria, catcher; José Cunill, outfielder.

Stasey was not in uniform at the Saturday session, but spent considerable time in conference with McClain and in making a hurried survey of his troops.

Although the batting order had not been determined Saturday, Stasey indicated that he would start an infield against the Blue Sox this afternoon composed of Sift at first base, McClain at second, Traspuesto at shortstop and Lopez at third. Cadalso, who showed signs of possessing a rifle arm in drills Saturday will be behind the plate, and at least three or four pitchers are expected to see action. In the outfield Stasey plans to start Hugo

in right, Mendez in center and Stephenson in left. Another outfielder candidate was expected to arrive late Saturday night, and more infielders are due within the next few days, including a hot-shot third baseman. The Broncs also are slated to receive another lefthanded pitcher soon from the Henderson club. Manager Art Bowland of the Blue Sox probably is in much the same situation as Stasey for today's game. The Sox pilot arrived in Abilene Wednesday night with part of his squad, direct from the Vero Beach, Fla. training grounds, while others were reporting intermittently from other points. Bowland expects more forces to arrive soon from the West Coast. Frank Means, 1947 Sox first sacker was present, and a long list of pitchers, including Jack Immell, Abilene's leading hurler of last year, took part in the early drills. The Hosses are booked to tie

or the Middle East totaling 800,000 daily by 1951 and double that amount by 1955.

Russell B. Brown, chairman of the national petroleum council's steel requirements committee, predicted the nation's petroleum demands will average 6,800,000 barrels daily in 1950.

This is approximately 1,500,000 barrels above current production. The American petroleum institute has estimated daily crude production for the week ending March 27 at 5,377,250 barrels (up 137,000) and the Oil and Gas Journal has made an estimate of 5,398,400 (up 136,085).

The three previous weeks saw daily average declines.

Some automobile drivers draw encouragement last week when a petroleum industry advisory committee postponed for two weeks any decision on possible voluntary rationing of gasoline this summer.

The committee, named by Secretary of Interior Krug, has been asked to study means of guaranteeing that gasoline and fuel oil reach essential users in case of shortages.

### Leaders Say U. S. Must Plan Imports

HOUSTON, April 3 (UP)—Improved weather conditions over the nation are being accompanied by increased crude oil production. But there are warnings of trouble ahead.

Two industry spokesmen last week saw only momentary comfort in drilling activities in the mid-continent and southwestern areas picking up after slow progress because of adverse weather.

S. A. Swensrud, executive vice-president of Gulf oil corporation, said a current surplus of oil production in the Western Hemisphere probably will be wiped out by 1951 or 1952.

He warned the United States will need imports from South America

### HIGHLIGHTS ON KBST

## Army Day Due For Salutes On Radio

Celebrating Army Week, Paul Whiteman's KBST broadcast of On Stage America will include Gen. Omar Bradley, Army Chief of Staff, speaking from Washington Monday at 8 p. m. when for this occasion only, the program which will have Jane Froman and Milton Berle as special guests, will be extended to a full hour.

Gen. Bradley will be introduced by Col. Charles F. Johnson, chairman of the Committee of the Military Order of the World Wars for the Celebration of Army Day. Bradley's On Stage America appearance will mark the 20th anniversary of Army Day.

Other guests to be heard next Monday include The Three Suns, Vic Damone, Ralph Bellamy in a special dramatic narrative, "Young Man with a Rifle," written by Ira Marion, Ray Heatherton and Josephine Antoine, Metropolitan Opera coloratura soprano.

### Baptist Churches Hold Spring Social

Congregations of the Salem and Bethel Baptist churches of north-central Howard county held their annual spring social Friday evening at the Salem church.

Mrs. J. H. Reeves introduced the program and the Rev. Roy O'Brien pastor of both churches, presided. Following a program of songs, readings and talks, the group was feted to a weiner roast with all the trimmings. Approximately 75 attended.

### Tollett To Lead In Oil Meeting

R. L. Tollett, president of Cosden Petroleum Corp., will preside over general sessions of the 36th annual session of the Western Petroleum Refiners association in Galveston Monday through Wednesday.

As vice-president of the organization, the oldest trade association in the petroleum industry, Tollett presides over general sessions when the meetings come to Texas.

Some 4,000 to 5,000 are expected to participate in the meeting. Headquarters are in the Galvez hotel.

Mr. and Mrs. Tollett were to leave today for Galveston. Mr. and Mrs. Marvin Miller left Saturday going via Austin. Miller is Cosden vice-president. George Grimes and E. W. Richardson, superintendents, and their wives were due to attend.

Red Cross membership throughout the world totals 88,000,000.

White sidewall tires, as illustrated, available at extra cost.

## It's NO. 1 on the "It" Parade

It's much the same way with I cars as with people. Some "have it" — some don't.

Some you go for, all out — without quite being able to lay a finger on why. And those — well, they usually become your firmest friends.

What is it that makes so many good folks say this trim honey's "got it"? Good looks? One has to admit it's nice to ride in a car that is unmistakably itself and not just a slightly modified version of something else.

Size, weight? Well, the polls tell us it's a pretty important factor since, if you like an automobile that does things, there just is no substitute for brown and solid substance.

Power? Naturally. You can't sit long behind this big Fireball straight-eight without falling for it plenty hard.

Handling? Ride? Room? They all have their avid fans among Buick owners. Especially now with a completely new kind of engine mounting ironing out vibration build-up as never before, and in this Convertible model, with automatic top, door-window and front-seat adjustment.

Is it the wonderful new Dynaflo Drive\* that's causing so much talk?

In Roadmaster models that is certainly a big factor. You'll never know how silky smooth a drive can be — what fluent new ease there is to all your going — till you drive the car where liquid

replaces both the clutch and first, second and high gears.

But as nearly as we can find out — and we talk to a lot of people — it isn't any one thing that puts Buick at the top of the "it" parade. It's the over-all richness of this honey in all the things you've dreamed of finding wrapped in an automobile.

Ask any friend who drives a Buick — then see your dealer and get a firm order in, with or without a car to trade.

When better automobiles are built

# BUICK

will build them

WHAT'S DIFFERENT ABOUT DYNAFLOW DRIVE\*?

To an efficient new pump (left above), Buick engineers have added a true turbine (right), and an ingenious new supercharging assembly (in hand) which produces a torque-boosting action in starting and accelerating. The result is the first device on any American passenger car which employs liquid to fill the function of both the clutch and the usual low, second and high gears. The clutch pedal is eliminated and a simple control gives you manual selection of power ranges and direction.

\*Optional at extra cost on Roadmaster models only.

BUICK alone has all these features

- \* DYNAFLOW DRIVE (Optional, Roadmaster Series)
- \* TAPER-THRU STYLING
- \* FLEX-FIT OIL RINGS
- \* VIBRA-SHIELDED RIDE
- \* SAFETY-RIDE RIMS
- \* HI-POISED FIREBALL POWER
- \* ROAD-RITE BALANCE
- \* RIGID TORQUE-TUBE
- \* QUADRUPLEX COIL SPRINGING
- \* SOUND-SORBER TOP LINING (Optional on Roadmaster)
- \* DUOMATIC SPARK ADVANCE
- \* TEN SMART MODELS
- \* BODY BY FISHER

## Two Completions Are Registered In Local Area

Two completions were noted, shows were reported in two other tests, and location was announced on three other tests in this vicinity last week.

Basin Oil company No. 3-B W. R. Read, section 48-31-in. T&P, rated 384.65 barrels after topping pay at 2,680 and being finished at 2,835. It is an Iatan-East Howard, north test. In the Coleman Ranch pool of northwest Mitchell, C. T. McLaughlin No. 4 Coleman, 330 feet from the south and 1,488 feet from the west lines of the lease, in the northeast quarter of section 70-97, H&TC tested 59.19 barrels on a 24-hour test. Top of pay was 2,485, bottom of hole was 2,795 feet.

W. H. Cooper No. 2 Coleman, 330 feet from the east and south lines of the west half of the southwest quarter of section 70-97, H&TC picked up its first of the Coleman Ranch shows from 2,540-50 feet and planned to set seven-inch string at 2,500. Locations in this area included Butram, et al No. 4-B Coleman, 289.5 feet from the south and 1,078.5 feet from the east line of the north half of the northeast quarter of section 70-97, H&TC, rigging cable tools; and Butram No. 6-B Coleman, 289.5 feet from the south and 330 feet from the east line of the north half of the northeast quarter of section 70-97, H&TC.

Rotary was being rigged for a Glasscock county wildcat, the John Camp No. 1 W. B. Currie, 330 feet from the north and west lines of section 37-33-2s, T&P. The venture is projected for 4,000 feet.

R. U. Fitting No. 2 W. R. Settles, another east outpost in the shallow area of the Howard-Glasscock pool, had a show in the Yates from 1,410-20 and pumped three barrels in 24 hours from 1,430-34. It was to deepen to the 2,400 foot horizon. Location is in section 158-29, W&NW.

I. Weiner, C. A. Jones, R. U. Fitting and H. Hayward No. 2-A Marion Edwards, 330 feet from the north and south lines of section 16-30-2s, T&P, drilled at 200 feet in red beds. Dave Duncan No. 1 Baker, section 21-33-2s, T&P, set 12 1/2 inch casing at 120 feet and cemented. Lion Oil and Refining No. 6 R. C. Coffee, section 15-33-2s, T&P, was below 2,050 feet in lime. M&M Production No. 7-A Marion Edwards, 990 feet from the south and 330 feet from the east line of section 15-33-2s, T&P, was below 1,100 in red rock.

On the east end of the Howard-

## FIELD CLEANUP PLAN

# Valley Knocks Out Pink Boll Worms

HARLINGEN, April 3. — This is the story of how the Lower Rio Grande Valley whipped the pink boll worm.

And how, in a follow-through punch, it also knocked out the boll weevil.

Valley farmers today grin and say they're proud of the fight they put up — as they stuff \$50 million in cash in their pockets from their cotton crops.

The cotton farmers and the state and U. S. Department of Agriculture haven't completely wiped out the pink boll worm yet, but the worms are getting mighty lonesome.

There just aren't so many around now.

**BIG DROP**  
In 1944, inspectors found 4,931 per acre. Last season, they found 1,466.

This control of the pest which once threatened to destroy the valley cotton industry has encouraged farmers to plant a record acreage for 1948.

The theory behind the spectacular defeat of the insects is that if the boll worm is deprived of cotton stalks and field trash for six months of the year, its numbers can be reduced to the point where

Glasscock area, W. H. Cooper No. 1 Otis Chalk, section 94-29, W&NW, drilled at 1,700 feet in anhydrite. Cooper No. 2 R. L. Scott, section 86-29, W&NW, was spotted 860 feet west of the No. 1 and 330 feet from the south line of the lease.

Cooper No. 4 Percy Jones, section 13-30-1s, T&P, an East Howard venture, set seven-inch string at 2,450 feet. Cooper No. 5 Percy Jones was below 2,200 feet in lime, while No. 3 Percy Jones cleaned out after shot from 2,490-2,700 feet.

The north outpost to the discovery well in northern Howard county, Seaboard No. 1 Dora Campbell, section 29-32-3n, T&P, was below 6,700 feet in lime.

Cooper No. 6 Percy Jones, section 13-30-1s, T&P, an East Howard venture, set seven-inch string at 2,450 feet. Cooper No. 5 Percy Jones was below 2,200 feet in lime, while No. 3 Percy Jones cleaned out after shot from 2,490-2,700 feet.

### Two Youth Win Army Promotions

Two Big Spring youths have won their ratings as sharpshooters and promotions to private first class.

They are Donald B. Lester, whose home here was at 1801 Donley, and John T. Ervin, both of them former Big Spring high school students. They are at Fort Ord, Calif. Ervin is assigned for a leadership course and Lester is scheduled for duty in the Far East command.

Pfc. John Burns, son of Mr. and Mrs. John Burns, Big Spring, is now on occupation duty with the 11th Airborne division artillery in Jimmachi, Honshu, Japan. After

### Martin Red Cross Exceeds Its Quota

STANTON, April 3.—The Martin county chapter of the American Red Cross has exceeded its quota of \$726. Chairman Bob Davenport has reported.

Among those who assisted him in the canvass were Mrs. Jess Woody, Mrs. Jim McCoy, Mrs. Merian Gibson, Mrs. Tat Lindsey, Mrs. Aaron Alexander, Mrs. W. L. Gregg, Mrs. R. A. Bennett, Mrs. W. R. Clements, Mrs. Edna Weed, Sammie Houston, Bill Clements, Grover Springer and Roy Polk.

Joining the army in 1947, he had training at Ft. Bliss and Ft. Ord. Jump training at Ft. Benning, he is under three year enlistment.

### Tractor Crushed Ethlyne Huggins

COLORADO CITY, April 3.—Ethlyne Huggins, 11-year-old daughter of Mr. and Mrs. Ben L. Huggins of Colorado City, was killed almost instantly near here Saturday morning when she fell beneath the wheels of a farm tractor.

She and her brother, Mack, 14, were going after water for livestock on their parents' farm. The back wheel of the tractor crushed the girl's chest before her brother could stop the machine.

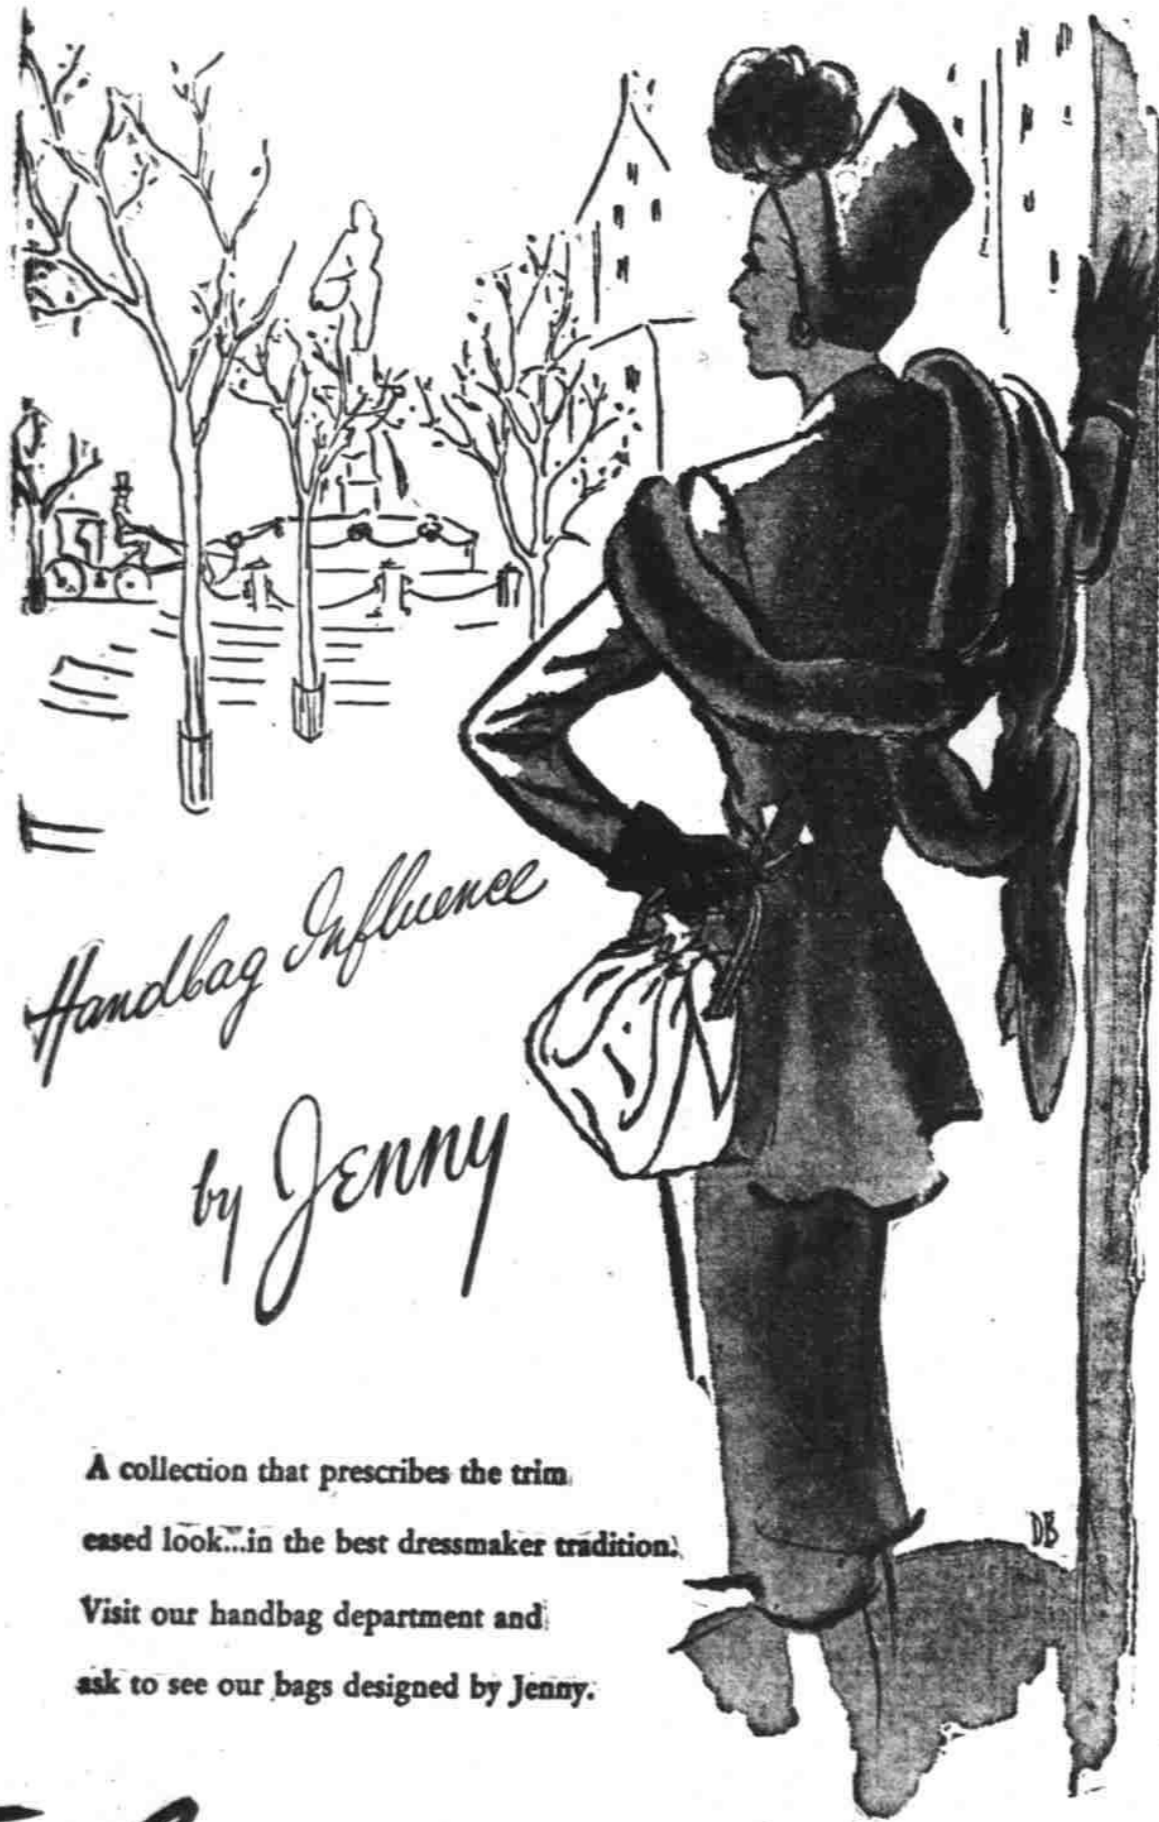

The parents and 10 brothers and sisters survive. Funeral arrangements are in charge of the Kiker & Son chapel, and burial probably will be held here Sunday.

### Scout Leaders Plan Ranch Facilities

Plans for making early arrangements for summer camping facilities at the Buffalo Trail Council Scout Ranch were made by the council camp development committee at a session in Midland Friday night.

They hope to arrange for certain road improvements, mess hall facilities, cooking equipment, drinking water and sanitary facilities well in advance of the summer camping schedule.

Irrigation enthusiasts have estimated that irrigation could double the value of most important farm crops in the United States.

# SPRING

Come those Spring days, when all the world is new and Mother Nature comes to life again, and when the weather exerts a profound, though varying, influence on human beings. Many women, like Mrs. G. H. Wood in the top left photo, think of season finery, and of course this would have to include a gay hat. Some poet recited the effect of spring on a young man's thoughts; perhaps young girls think of love, too. In the center photo, Vevagene Apple and Billy Bob Watson use a spring flower for the old "She love me, she loves me not". In West Texas, Spring means wind, and in the upper right view Lyndell Gross is one of those whose skirts are tossed by a capricious breeze. It's time for tops, say members of the young generation, who instinctively know what sport comes in what season. J. D. Adams, Charles Marchant and Buddy Martin practice their skill in the lower left picture. Some people confess to being victimized by a strange malady called Spring fever. Cliff Wiley (lower right), denies he's susceptible, but does admit that, as the afternoons get longer and balmy a little relaxation is a good thing.

(All photos by Jack M. Hanyes)

## BIG SPRING DAILY HERALD

SOCIETY SUNDAY, APRIL 4, 1948 EDITORIAL

### Mrs. Herbert Keaton Gives Talk At Junior Woman's Forum Friday

Mrs. Herbert Keaton was guest speaker at the Junior Woman's Forum Friday afternoon in the home of Mrs. Joe Pickle with Mrs. Zollie Mae Rawlins as co-hostess. Mrs. Keaton used as her topic, "Sex Education in the High School."

Mrs. Steve Baker, president-elect, announced the committees for the coming year. Mrs. Zollie Mae Rawlins is parliamentarian; Mrs. Cecil McDonald, reporter; Mrs. Omar Jones, Mrs. E. H. Strauss, and Mrs. Jack Cook, program committee; Mrs. Bob McEwen, Mrs. W. L. Hawkins and Mrs. Joe Pickle, social committee. The year's programs are to be on "Know Your United States". Mrs. Clyde Johnston, as vice-president is chairman of the committee.

Plans for the Federation tea, which will be given April 16 from 3-5 p. m. at the First Methodist church, were completed. Invitations are to be mailed next week. Those attending were Mrs. Chester Matheny, Mrs. David Hurst, as guests, Mrs. Steve Baker, Mrs. Don Burk, Mrs. Travis Carleton, Mrs. Knox Chadd, Mrs. L. D. Chrane, Mrs. W. K. Edwards, Jr., Mrs. Marie Haynes, Mrs. Clyde Johnston and Mrs. Omar Jones.

Mrs. Cecil McDonald, Mrs. Bob McEwen, Mrs. E. H. Strauss, Mrs. Burke Summers, Mrs. Harold Talbot, Mrs. A. L. Tamplin and the hostesses, Mrs. Pickle and Mrs. Rawlins.

### Geneva Ray, Marion Dunagan Exchange Vows

Wedding vows were exchanged Friday morning by Geneva Ray, daughter of Mr. and Mrs. Harold Gilmore and Marion Alvin Dunagan, son of Mr. and Mrs. R. C. Dunagan in the First Baptist parsonage. Dr. P. D. O'Brien, pastor of the First Baptist church, officiated at the double ring ceremony. The bride was wearing an aqua dress, black accessories and a corsage of red roses. Betty Bearden was maid of honor. She wore a white frock, black accessories and pink carnations. Earl Reeves served as best man. The bride is a graduate of Big Spring high school and is employed by the Bell Telephone company. Dunagan is a graduate of Forsan high school; served with the Army four years and is now with the McDonald Motor company. Mr. and Mrs. Dunagan will be at home in Big Spring following a wedding trip to San Antonio. Following the bride wore a brown suit with green accessories.

### Worker's Class Has Installation

The Faithful Worker's class of the East Fourth Baptist church met in the home of Mrs. George Holden Thursday evening for a business and social meeting. Mrs. James R. Clark opened the meeting with prayer and Mrs. Holden gave the devotional. Mrs. A. S. Wood, Department superintendent, conducted the installation services for the class officers. Mrs. A. W. Page led the closing prayer. Mrs. A. S. Wood was presented with a surprise birthday shower following the business meeting. Refreshments were served to Mrs. C. W. Cahoon, Mrs. Alta Dunbar, Mrs. A. S. Wood, Mrs. Denver Yates, Mrs. A. W. Page, Mrs. Rueben Hill, Mrs. Dick Lytle, Mrs. Ernest Rainey, Mrs. Bee Warren, Mrs. J. B. King, Mrs. J. C. Harmon, Mrs. Emory Rainey, Mrs. R. W. Darrow, Mrs. George Holden and guests, Mrs. James Roy Clark and Mrs. Leroy Day. Mrs. Frances Sneed was admitted to the Big Spring hospital Thursday. Her condition is reported as fair.

## Founder's Day Is Observed At Tea By Rainbow Girls In Thomas Home

Observance of the Founder's Day Activities of the Order of the Rainbow for Girls began Thursday evening with a silver tea given in the home of Mrs. Clyde Thomas, Jr. All members of the Order are required to attend church in a body Sunday morning at the Church of Christ as a final event of the observance. A theme of "April Showers" with bright-colored miniature umbrellas as favors was carried out at the tea. All colors of the rainbow were prominent in the centerpiece composed of a fan surrounded by snapdragons on the table, which was covered with lace. Other appointments were the crystal punch service. Mrs. Dan Byrne and Mamie Jean Meador served punch and Jean Robinson and Ruth Overton served the cake. Ann Meador and Nilah Jo Hill presided at the register. Billie Jean O'Neal, Kitty Roberts and Wanda Petty played piano selections throughout the receiving hours. Joyce Howard and Peggy Lamb were soloists. Billie Sue Leonard, Vevagene Apple, Evva Smith, Mrs. W. T. Roberts and Mrs. Vivian Peek received the guests. Mrs. Bernard Lamun was room hostess. Other Rainbows present were Doris Jean Clay, Beverley Campbell, Beverley King, Katie Jones, Martha Epler, Jan Masters, Jean Conley, Rebecca Rogers, Madalyn Guess and Mary Beth Morgan.

Guests attending included Evelyn Martin, Mrs. H. E. Clay, Mrs. W. T. Roberts, Mrs. Roy Greene, Mrs. A. T. Lloyd, Mrs. Ben F. Mayes, Mrs. Flossie R. Low, Mrs. Robert Hill, Mrs. Buri Griffith, Mrs. Frank Thieme, Mrs. Sammy Porter, Mrs. Joe B. Masters, Mrs. J. C. Rogers, Mrs. A. D. Meador, Mrs. F. M. Barbee, Mrs. H. H. Stephens and Haroldine West. Mrs. R. J. Michael, Mrs. Harry Lees, Mrs. Lawrence Robinson, Mrs. Bill O'Neal, Mrs. Allen Hull, Mrs. W. O. Leonard, Mrs. Dan Couley, Mrs. Schley Biley, Mrs. Buel Fox, Zaida Brown, Letha Amerson, Lorena Hudgins, Mrs. Bill Conger, Jr., Mrs. H. N. Yeaden, Mrs. G. B. Hale and Mrs. J. D. Leonard. Mrs. M. C. ### Free Library Has Open House Week

Approximately 150 persons have visited the Howard County Free Library during the week of open house, as announced by Mrs. T. C. Thomas, president. She further expressed her personal pleasure at the amount of interest that has been shown by the people visiting it during this week. Clubs helping the Group stage the open house were the Garden Club, Hyperion Clubs, Womans Forums, Home Demonstration clubs, The American Association of University Women and the Sub-Debs and High Heel Slipper Clubs.

### Mrs. Herbert Johnson Wins High At Bridge

Mrs. Herbert Johnson won high score at the Friendship bridge club Friday afternoon in the home of Mrs. J. T. Johnson. Mrs. M. A. Cook and Mrs. R. F. Blumh won the bingo scores and Mrs. H. V. Crocker, the floating prize. Mrs. W. M. Gage, Mrs. Lewis Murdock and Mrs. C. Y. Clinkscals were also present. Mrs. Blumh will be the next hostess. Mr. and Mrs. A. M. Ripps returned late Thursday from a visit in San Antonio with his family. They visited there from Monday to Thursday.

## Ladies Golf Association Winners Are Named At Session Friday

Mrs. Bill Roden and Mrs. Bob Hodges were winners at golf Friday afternoon at the Ladies Golf Association meeting at the club house. Winners at bridge were Mrs. Matt Harrington, high; Mrs. Buri McDonald, second high; Mrs. Earl Reynolds and Mrs. Roxie Dobbins, the bingo score. Plans were made for a formal dance at the club on April 17 with the Jack Free orchestra furnishing the music.

The first of the series of Sunday evening dinners to be held at the club is scheduled for Sunday with Mrs. Roy Reeder, chairman of arrangements and Mrs. H. W. Smith, Mrs. Hubert Stipp, Mrs. Otis Grafa, Mrs. George Tillinghast, Mrs. E. M. Conley and Mrs. Zollie Boykin, assisting. Friday's luncheon hostesses were Mrs. Joe Burrell, Mrs. Travis Griffin, Mrs. Dee Davis, Mrs. Lewis Price and Mrs. L. D. Chrane. The table was decorated with spring flowers and pastel tapers. Mrs. Woodland, Mrs. Elmo Giles and Mrs. R. L. Perkins, Jr. were guests of the Association. Members attending were Mrs. Bill Roden, Mrs. Bob Hodges, Mrs. H. W. Wright, Mrs. Marvin House, Mrs. O. O. Craig, Mrs. Obie Bristow, Mrs. C. A. Jones, Mrs. Richard Johnson, Mrs. Munson Comp-ton, Mrs. Earl Reynolds, Mrs. W. N. Norred, Mrs. Fred C. Thomp-

Mrs. Olen Puckett, Mrs. Roy Townsend and Mrs. Zollie Boykin. Mrs. V. A. Merrick, Mrs. D. D. Douglass, Mrs. Carl Madison, Mrs. Bob Satterwhite, Mrs. Son Powell, Mrs. Bob Ballinger, Mrs. Jimmy Moon, Mrs. Tommy Jordan, Mrs. Prentiss Bass, Mrs. John Hodges, Mrs. R. R. McEwen, Mrs. R. B. Reeder, Mrs. M. H. Bennett, Mrs. Matt Harrington, Mrs. Shirley Robbins, Mrs. George Tillinghast, Mrs. John Ratliff, Mrs. Pete Harmonson, Mrs. R. E. McKinney and Mrs. James Edwards. Mrs. Marvin Miller, Mrs. R. L. Tollett, Mrs. Frank McCleskey, Mrs. Lloyd Wasson, Mrs. Lee Rogers, Mrs. Rayford Liles, Mrs. W. E. Ramsey, Mrs. C. J. Staples, Mrs. Frank Morgan, Mrs. Pete Howze, Mrs. Bill Griesse, Mrs. Tot Stalcup, Mrs. Roxie Dobbins, Mrs. Harry Miller and Mrs. Buri McDonald.

### Trainmen Ladies Plan Luncheon

Plans were made for a covered dish luncheon at the next meeting of the Trainmen ladies Friday afternoon. Mrs. S. A. Wilson, Mrs. L. A. Webb and Mrs. G. H. Briden were named the table committee, by Mrs. H. W. McCandless, president. Members present were Mrs. C. Burnam, Mrs. H. W. McCandless, Mrs. Frank Powell, Mrs. G. E. Pittman, Mrs. Albert Smith, Mrs. J. S. Tuckness, Mrs. T. A. Underhill, Mrs. L. A. Webb, Mrs. S. A. Wilson, Mrs. J. H. Eastham, Mrs. C. Spears, Mrs. C. W. Kesterson, Mrs. C. W. Nevins, Mrs. E. L. Springer and Mrs. G. H. Briden.

### Health Roundup To Be April 9

The summer health roundup of pre-school children will be held at the First Methodist church at 3:30 p. m. April 9 under the auspices of the Big Spring City Council of the Parent-Teacher Association. Two films, "Modern Guide to Health" and "The Right to Hear" will be shown in connection with the program. Dr. Clyde Thomas will give the address to the parents. Official medical blanks are available to all interested parents. Any parent that does not have transportation to the meeting is asked to call the unit president for provided transportation.

### Susannah Wesley Class Has Luncheon At Methodist Church

Lilies were table decorations at the Susannah Wesley class luncheon of the First Methodist church Friday noon.

Hostesses for the occasion were Mrs. D. W. Rankin, Mrs. Will Olson, Mrs. J. L. Terry, Mrs. Roy Franklin, Mrs. L. E. Eddy and Mrs. Eunice Myers.

Mrs. L. E. Eddy presided at the business meeting, which followed the luncheon.

Attending were Mrs. C. E. Talbot, Mrs. W. D. McDonald, Mrs. J. P. Meador, Mrs. Alice Riggs, Mrs. H. D. McQuain, Mrs. Anna Vastine, Mrs. Ann Eberley, Mrs. J. B. Sloan, Mrs. Felton Smith, Sr., and Mrs. Arthur Woodall.

Dr. and Mrs. C. A. Long, Mrs. A. E. Truse, Mrs. H. N. Howie, Mrs. W. F. Cook, Mrs. G. C. Graves, Mrs. Will Olsen, Mrs. L. E. Eddy, Mrs. Eunice Myers, Mrs. D. W. Rankin, Mrs. A. D. Franklin, Mrs. D. D. Armistead, Mrs. Mary Dellridge, Mrs. G. E. Fleeman, Mrs. Clyde Thomas, Sr., Mrs. H. N. Robinson, Mattie Hefley, Maxine Lowery, Mrs. A. C. Bass, Mrs. D. F. Bigony and Dorothy Bigony.

### GM 42 Club Meets With Mrs. Elmer Boatler

The GM 42 club held its regular meeting in the home of Mrs. Elmer Boatler Friday afternoon.

Mrs. George Hall won high score; and Mrs. G. W. Dabney, low.

Mrs. Al Atton assisted her mother in serving the refreshments to Mrs. J. D. Benson, Mrs. George Hall, Mrs. Harry Lees, Mrs. Wyatt Ellison, Mrs. Tom Rosson, Mrs. F. H. Talbot and Mrs. G. W. Dabney. The next meeting will be in the home of Mrs. Tom Rosson.

## City Hostess Will Give Newcomers A Personal Welcome To Big Spring

A new program designed to "personalize" Big Spring in its welcome to newer residents goes into effect this week, with the start of a community-wide "official hostess" program.

PERSONAL GREETING — Mrs. Jimmy Mason (standing), who this week starts a program of welcoming newcomers as the official city "hostess," here greets Mrs. Truman Jones, among the new arrivals in Big Spring who is to make her home at 513 Hillside Drive. Mrs. Mason presents a booklet which will contain interesting facts and pictures about Big Spring. (Jack M. Haynes Photo.)

church, club and P-TA activities in Big Spring for several years.

Obtaining names of new arrivals in the city from various sources, Mrs. Mason is to pay a personal call on each family. She will extend them a personal welcome on behalf of the business and civic agencies, and will present each family with a specially printed book which includes pictures of local scenes and buildings, directory of churches, schools, public buildings, facts and figures on the community and a map of the city. The book also includes letters of welcome from a score of local business institutions which are joining in sponsorship of the hostess idea. Welcome gifts will be presented on behalf of some merchants.

Mrs. Mason will thus be representative of all citizens of the city in extending a friendly welcome to the people who come here to make homes, and in helping these newcomers to become better acquainted with, and more interested in, the various facilities, activities and features of the city. Information obtained from the new arrivals as to their church and club affiliations will be turned over to membership committees of these groups, so that they, too, may join in the official welcome.

Mrs. Mason, now serving a second year as president of the Parent-Teacher Council, has been active in various organizational and civic affairs since she came to Big Spring 14 years ago. She is a Sunday School teacher in the primary department of the First Baptist church.

"I look forward to my new 'hostess' assignment with a great deal of pleasure," said Mrs. Mason, "and hope that I can play some part in making newcomers to Big Spring feel at home and be happy in our town." Mrs. Mason urged all people of the city to notify her if they have information on any new arrivals in Big Spring.

## WHAT GIVES 'ROUND TOWN

By Leatrice Ross

The time is here when students from the Big Spring high school are preparing entries as per usual into the district interscholastic League speech contests in Midland. This year, in addition, speech students have participated in inter-college competition.

Accompanied by Eddie Lou Haug, three members of HCJC's radio speech class took part in preliminaries in San Angelo Friday in connection with the Texas Junior College Speech Arts Assn. contests. Going along were Betty Gutte, Juanita Anderson, and Harry Haug. On Thursday Juanita will be in Temple in the semi-finals. One of several appearances was made at the college assembly Friday morning by the cast of "A Minuet," a one-act play entry by the Big Spring High School into the League meet in Midland April 9. A melodrama set against the background of the French Revolution, the skit is written in verse and depicts an aristocrat marquis awaiting his death at the guillotine. The lead is played by George Oldham, the haughty marquis is portrayed by Babe Douglass and the hunch-back jailer is characterized by Eddie Hickson. Incidentally, it was a tragedy that placed first in state last season. In addition to acting activities with an eye toward contesting other schools, BSHS and HCJC both are undertaking stage productions for local consumption. Cast of "After All, It's Spring," the high school senior class annual play scheduled for April 20, are to have their parts down by mid-week. At HCJC casting is still underway for "Meet My Wives," a full stage production to be sponsored by the freshman class. Thus far only Don Clark, in the role of an over-bearing Swede who "wants a wife to plow der fields," is definitely cast.

Bill Crunk, who Wednesday left for Odessa, wrote home Friday from El Paso that he may be headed for the West Coast. Mary Ann Goodson is spending today in Lubbock. Lola McBride of Oakridge, Tenn., has been here most of the week visiting with cousins, Duck and Jimmy Webb. She is to leave Big Spring Monday. Toar Bryan spent the weekend here from Lubbock. The Big Spring high school band spent Saturday in Abilene engaging in whatever bands do when they get together. Gerald Anderson

### Glenna Robinson Is Carnival Queen

Glenna Ray Robinson was crowned queen of the West Ward school carnival Friday evening at the school.

Kenneth Potts was her escort. They represented one class of first graders at the school. Bobby Hayworth, page, announced the names of the princesses and their escorts. Jimmy Hayworth was crown bearer. Trainbearers were Nancy Morgan and Charlene Campbell.

Mrs. E. B. Blackburn, Jr. was in charge of the coronation services. Approximately \$800 was cleared by the Parent-Teacher Association for their project.

## McGee-Bryant Vows Are Said Saturday Morning

In an informal service Saturday morning Gloria McGee, daughter of Mr. and Mrs. J. G. McGee and Earl Bryant, Jr., son of Mr. and Mrs. E. Bryant, Sr. were united in marriage.

H. L. Newman, minister of the Church of Christ, read the double ring vows before an improvised altar in the home of the bridegroom's parents. Baskets of purple and white snapdragons formed an archway over the double windows and were in the baskets on either side of the archway.

Harry Echols played, "All the Things You Are" and "Because" as well as the traditional marches. The bride wore a white wool suit with accessories of white trimmed in navy. Her hat was of white mauline and baby orchids. A bouquet of the same flowers were on the white Bible.

The bride's tradition was carried out in the white Bible as something old; a bracelet, gift of the bridegroom, as something new; white handkerchief, something borrowed; and earrings, as something blue. She also wore a penny in her shoe for luck.

She was given in marriage by her father. Mrs. Tribby Kincaid, sister of the bride, was matron of honor. She wore a blue suit, black accessories and a corsage of red roses.

Ben Davis McGee of Odessa was best man.

A reception was held following the wedding. Attending were Mr. and Mrs. Earl Bryant, Sr., Mr. and Mrs. J. G. McGee, Mr. and Mrs. Ben Davis McGee, and children, Kathryn Rue and Glenda Jean; Mr. and

Mrs. Walter Reimund of Wink, Mr. and Mrs. Clark Couch, Mrs. Darlene Tindol, Bobby Frank Johnston, Mrs. Charles Wilson, Mr. and Mrs. Pollock and Mrs. Earlene Davidson.

The couple left immediately following the services for a wedding trip to Fort Worth. Mrs. Bryant wore a brown linen suit and navy accessories for traveling. The couple will be at home in Big Spring upon returning.

Bryant is a graduate of Knott high school and attended Texas Tech before entering the armed forces. He is now attending Howard County Junior College.

Mrs. Bryant is a graduate of Coahoma high school and attended NTSTC in Denton. She is employed by Cosden Petroleum Corp.

## Happy Go Lucky Club Meets In Croan Home

Mrs. J. W. Croan was hostess to the Happy Go Lucky sewing club Thursday afternoon.

Secret pal gifts were exchanged and sewing was entertainment.

Attending were Mrs. Emory Rainey, Mrs. A. J. Allen, Mrs. Bob Keheley, Mrs. J. B. Riddle, Mrs. Curtis Reynolds, Mrs. Allen Wiggins, Mrs. W. O. Graham, Mrs. Henry Robinson and one guest, Mrs. Harvey Wooten.

Mrs. Garland Sanders will be hostess to the next meeting at her home.

Mrs. Davis R. Peterson left Friday by plane for Nogales, Ariz. after attending the funeral of her father, R. E. Slaughter.

MRS. WILLIAM H. ADERHOLD, above with daughter, Patricia, is checking the necessary papers to see if she has them all in preparation of joining her husband, Lt. Aderhold of the Air Forces in Japan. He is stationed in Shiro, three miles from Tokyo, Japan, as communications officer. Mrs. Aderhold is the daughter of Mr. and Mrs. Sam Ely. She is leaving from Fort Lawton in Seattle, Wash. on April 10 to be gone one and one-half years.

## Ten Babies Are Born During Week

Ten babies have been born at the Big Spring hospitals during the past week. Of these ten, eight are boys and two are girls.

Six boys were born at the Malone-Hogan hospital. Mr. and Mrs. J. L. Turner of Coahoma are the parents of a son, Michael Leon who weighed eight pounds, 14 ounces. He was born March 27.

Lee Edward, was born to Mr. and Mrs. Bud Smith on March 28, weighing six pounds, five and three-fourths ounces.

On March 29, Victor Edmon was born to Mr. and Mrs. L. E. Kunkel. The infant weighed nine pounds, 10 and three-fourths ounces.

A son, Darrel Wiley, weighing eight pounds, was born to Mr. and Mrs. R. W. Reagan on April 2. Mr. and Mrs. J. W. Franklin are the parents of Douglas Eugene who arrived on April 3 at a weight of nine pounds, one and one-fourth ounces.

Mr. and Mrs. J. C. Noack have a son, Jackie Carl, who was born April 1 at a weight of eight pounds, 11 and three-fourth ounces.

At the Cowper Sanders Hospital, Herman Edward Greenfield was born on March 25 weighing nine pounds. His parents are Mr. and Mrs. B. A. Greenfield of Coahoma.

Marianne Nesbitt was born on March 27 weighing six pounds, six ounces. Her parents are Mr. and Mrs. J. I. K. Nesbitt.

At the Big Spring hospital, Mr. and Mrs. Marshall N. Crawford are the parents of a daughter, Jacquelyn Gale, born at 1:40 a. m. April 1, weighing eight pounds, three ounces.

Mr. and Mrs. Ray N. Young are the parents of a son who was born at 12:15 p. m. April 1, at a weight of eight pounds, 10 and one-half ounces.

Jeanne Slaughter has returned to Texas Tech, Lubbock following the burial of her grandfather, R. E. Slaughter.

Mrs. Carl V. Cauble, Mrs. T. A. Thigpen and Mrs. G. A. McGann. Mrs. Prentiss Bass, Mrs. James W. Jones, Mrs. Jarrell Jones, Mrs. Roy Bruce, Mrs. Floyd White, Mrs. Erma Steward, Mrs. Don Behne, Mrs. Carl Uthoff, Rubye Palmer, Mrs. Weiler B. Miller, Mrs. M. S. McMillan, Mrs. M. E. Robertson, Mrs. O. C. Lewis, Mrs. Donald Anderson, Mrs. Dee Foster, Jr., Mrs. D. R. Darman, Mrs. Tom Davis, Jr., Mrs. Odie Wilson, Mrs. Eunice D. Myers, Mrs. Irene J. Smith, Mrs. Charles Nelson, Mrs. Bill Griese, Mrs. R. E. Blount, Mrs. Gladys Hutchinson, Mrs. Wayne Spears and Mrs. Neel Barnaby.

## Mrs. Edna McCoslin Receives First Prize In Legion Auxiliary Contest

Mrs. Edna McCoslin received the first prize for having obtained the most new members of the American Legion Auxiliary during the current membership drive which closed Thursday evening at the regular meeting.

Mrs. Neel Barnaby was awarded second prize; Mrs. Helen Steck, third; Mrs. Donald Anderson, fourth and Mrs. Mary Booher, fifth.

Mrs. Donald Anderson received the door prize for bringing the most new members Thursday evening.

The Auxiliary has been divided into two groups for the contest and the winning side will be entertained by the losing side at a social on April 15.

A committee was named to as-

ist Mrs. Helen Steck with her group of Girl Scouts and teach them art craft. The group voted to have a business meeting the first Thursday and a social the third Thursday.

Reports of the various committees were given. The progress of the Teen age dance was reported by Mrs. Boyce Urnette.

Mrs. R. E. Blount presided at the meeting which was opened with the repetition of the Lord's Prayer in unison. Mrs. Velma Griese played "America" on the organ.

Those attending were Mrs. Harold Steck, Mrs. D. L. Burnette, Jr., Mrs. Elmo Phillips, Mrs. L. D. Crane, Mrs. Roy Franklin, Mrs. Howard Stephens, Mrs. W. H. Booher, Mrs. Ben Asbury, Mrs. C. W. Coyle, Mrs. Grady Stevens,

**Evelyn Monroney, Robert Cowley Wedding Highlights Forsan News**

FORSAN, April 3 (Sp)—Marriage vows for Evelyn Monroney, daughter of Mr. and Mrs. G. L. Monroney, and Robert D. Cowley, son of Mr. and Mrs. S. C. Cowley, were read in the newly completed home of the couple recently.

The Rev. J. C. Dannelley, pastor of the First Baptist church, performed the double ring ceremony before relatives and close friends.

Baskets of picardy gladioli and greenery were placed at vantage

points in the room.

The bride was dressed in a Copenhagen gabled suit, with bolero effect. She wore a gardenia corsage and her accessories were black. For something old, she wore a string of pearls belonging to Mrs. R. A. Chambers; something borrowed, a black hat, belonging to the bridegroom's sister, Mrs. Jimmie Hagar; something new and blue, her suit.

Betty Rose was her only attendant. Miss Rose chose to wear a beige tailored suit with black accessories and her corsage was of red roses.

Wayne Monroney, brother of the bride, was best man.

Mrs. Monroney, mother of the bride, was attired in an aqua gabled dress, with black accessories and pink carnation corsage.

The bridegroom's mother wore a black print silk dress, with pink carnation corsage and black accessories.

The bride and groom were graduated from Forsan high school in 1943. Cowley served two and one half years in the Army, much of that time overseas and is now employed by the Magnolia Oil Co.

A reception was held immediately following the ceremony, with Mrs. Hagar presiding at the refreshment table.

Attending were Mr. and Mrs. G. L. Monroney, Mr. and Mrs. S. C. Cowley, Mr. and Mrs. Jimmie Hagar and Donna of Pecos, Betty Rose, Wayne Monroney, Mrs. J. C. Dannelley and Martha Ann Cowley of Big Spring.

been transferred to Midland by the Sun Ray office.

Mr. and Mrs. H. A. Birdwell have been transferred to Odessa. Birdwell will assume the duties of superintendent of the West Texas district of the Sun Ray Oil Co. there.

Mrs. Pearl Scudday and Mrs. M. M. Hines have returned from Brownfield.

Mr. and Mrs. Grover Camp and family are visiting in Tahoka.

Mr. and Mrs. Floyd Griffith of Colorado City visited relatives here recently.

Mr. and Mrs. Fred Green are spending the week end in Westbrook with her family.

Mr. and Mrs. J. W. Griffith and Sandra are visiting in DeLeon with a relative who is ill.

Mr. and Mrs. Bob Godevin and family attended a family reunion in San Angelo Sunday.

Mr. and Mrs. Mutt Scudday of Brownfield have been visiting relatives here this week.

Mr. and Mrs. Sonny Rowell have been transferred to Goldsmith.

Mrs. Dan Yarbro, a former resident, and now living in Rita Santa is visiting friends here and will remain through next week.

Mr. and Mrs. J. R. Asbury and children and Mrs. Bob Asbury are visiting her brother, Claude Heffernan, who is ill in Hot Springs, N. M.

Mr. and Mrs. Ray Crumley and family are in Dublin this week end visiting relatives.

Mrs. S. C. Crumley, Sr. will leave for Austin Tuesday, where she will visit relatives.

Mrs. Charles Adams will leave Sunday for Dallas for a medical check up in a hospital there.

Mr. and Mrs. V. W. Hedgepath are in Stamford this week end visiting Mr. and Mrs. O. D. Smith, Sr.

Mr. and Mrs. J. D. Martin and family are visiting in Snyder.

Mrs. Bob Tolliver of Cross Plains is a guest of Mr. and Mrs. C. C. Long.

Mr. and Mrs. Jimmie Hagar and Donna have returned to their home in Pecos, following a visit with her parents, Mr. and Mrs. S. C. Cowley.

Capt. John Camp Adams reported to the campus of A & M where he is assigned as professor of Military Science of the ROTC Air Corps division.

**Miss Wynelle Franklin To Marry Clifford Hale**

Mr. and Mrs. A. D. Franklin are announcing the engagement and approaching marriage of their daughter, Wynelle, to Clifford Hale, Jr. son of Mrs. Bob Spence of Corpus Christi and Clifford Hale, Sr. of Big Spring.

The wedding is to be solemnized Saturday, May 1, at 8 p. m. in the First Methodist church with the Rev. O. S. McIver, grandfather of the bride-elect officiating. Dr. C. A. Long will assist.

Miss Franklin is a graduate of the Big Spring high school and is employed as secretary in the offices of Dr. G. H. Wood and Dr. G. T. Hall.

Hale is a graduate of Corpus Christi high school. He served in the army for two years and is now employed by Lamb and Hale Pump company of this city.

Wynelle Franklin

**Couple's Class Has Pie Supper**

The Couple's class of the First Methodist church held a chicken pie supper in the Fellowship hall of the church Friday evening.

Hostesses for the affair were Mrs. Howard Stevens, Mrs. Omar Jones and Mrs. A. J. Haines.

For entertainment, the couples played a "get acquainted" game, and two moving pictures were also projected.

Individual tables were decorated with lilac.

Attending were Mr. and Mrs. H. H. Morris, Mr. and Mrs. James Underwood, Mr. and Mrs. W. H. Gray, Mr. and Mrs. Roy Osborne, Mr. and Mrs. Weldon Wood, Mr. and Mrs. Fred Boren, Mr. and Mrs. E. J. Hughes and Jenell, Mr. and Mrs. Omar Jones and Larry, Mr. and Mrs. Ralph Wyatt and Gayle, Mr. and Mrs. Chadd Rocke and Skipper, Mr. and Mrs. Howard Salisbury and Ann, Mr. and Mrs. L. R. Saunders.

Mr. and Mrs. Howard Morgan, Nancy and Donnie, Mr. and Mrs. N. W. Lepeard and Charles, Mr. and Mrs. A. J. Haines, Betty Kay and La June, Mr. and Mrs. Howard Stevens, James Howard and Susan, Mrs. Tommy Bailey, Mrs. H. A. Long, Carolyn and Janet, Mrs. Flaherty, Mrs. C. A. Long and Mr. and Mrs. Toots Mansfield.

Mr. and Mrs. James B. Norman of Shreveport, La. are weekend guests of her brother-in-law and sister, Mr. and Mrs. John C. Compton.

The capital of the secluded realm of Yemen is San'a.

**WHY STARVE TO TAKE OFF FAT?**

When you buy Barconate, you buy a preparation for taking off weight. You do not pay for a printed diet. Barconate is not a vitamin tablet to fortify you against weakness while on a starvation diet. You need never know a hungry moment while reducing with Barconate. It contains no harmful drugs, but does contain ingredients to make you feel better.

Barconate when mixed with grapefruit juice does this: First, cuts down your desire for sweet and fatty foods, but you do not have to FORFE yourself. Barconate takes care of your DESIRE. Second, dehydration and eliminates, so that water is carried away—almost like melting fat. At the same time you feel better, more power, more alive, but never starved or hungry.

**Lost 22 Pounds**

"I lost 22 pounds taking Barconate and I feel much better in every way. I eat anything I want and I gladly recommend it to anyone who wants to lose weight."—Gertrude Billings, Route 1, Devine, Texas.

**15 Pounds Lost**

"I lost 15 pounds taking Barconate and can now control my weight. I feel much better in every way and I gladly say, 'It's Barconate to control the weight.'"—Mrs. Cayle Matthews, 925 Threadneedle Street, Beaumont, Texas.

Rings made of silver coins once were believed to cure convulsions and fits; rings set with an elk hoof, epilepsy.

### Layette And Nuptial Showers Are Highlights Of Stanton Activities

STANTON, April 3 (Spl)—Mrs. Ed Winslow was named honoree at a pink and blue shower in the home of Mrs. J. D. Poe Wednesday evening.

Co-hostesses were Zora Lou Houston, Mrs. Travis Yater, Mrs. Robert Husson and Mrs. George Billy Wilkinson.

Refreshments were served to those attending.

Belle Snead, noble grand, presided at the formal initiation services at the Stanton Rebekah lodge 287 in the IOOF hall Monday evening.

Those initiated were A. C. Fleming, Grace Husson and Lois Chandler.

Refreshments were served to Flossie and Clayton Burnam, A. C. and Lettie Fleming, Gussie and Ford Pierce, Etta Ruth Geurin, Obera Angel, Georgia Gray, Evarine and Charlie Christopher, Grace Husson, Lois Chandler, Zella Angel, Audrey Louder, Pat White, Alice Angel, Belle Snead, Naomi Yell, Loretta McReynolds, Mildred Hastings and Pauline Graves.

Mrs. Paul O'Dell, formerly Patricia Roquemore, was honored with a nuptial shower in the home of Mrs. James Jones Friday afternoon.

Other hostesses were Mrs. Edmond Tom, Leslie Jean Tom, Mrs. Dale Kelly, Patsy Kelly, Mrs. J. H. Rosamond, Mrs. L. C. Gregg, Mrs. R. A. Bennett, Betty Carroll Bennett, Mrs. Morris Zimmerman, Betty Blissard, Mrs. James Jones

and Jo Anne Jones.

Members of the house party were Leslie Jean Tom, Patsy Kelly, Betty Carroll Bennett, Betty Blissard, Jo Anne Jones, Betty Mae O'Dell, Nancy Roquemore and Sue Jane Zimmerman.

Betty Mae O'Dell, sister of the bridegroom, presided at the bride's register.

A large bowl of yellow jonquils centered the table, which was laid with an ecru lace cloth. Table appointments were of crystal and silver.

Easter lilies and spring flowers comprised the decorations in the party rooms.

Patsy Kelly, Betty Blissard and Sue Jane Zimmerman furnished the music during the receiving hours. Selections, "O Promise Me," and "Always," were sung by Leslie Jean Tom, Betty Blissard, Betty Bennett, and Jo Anne Jones. Mrs. Edmund Tom was accompanist.

The honoree was attired in a white sharkskin dress with a white picture hat and navy accessories. Her corsage was an orchid.

The bride's mother wore a print crepe dress with a gardenia corsage.

Members of the house party also wore corsages.

Refreshments were served to the attending guests.

Ernest Mims and Roy Polk went to San Antonio Tuesday for a business trip.

Mrs. Flora Morris spent Easter Sunday in Fort Hancock visiting her daughter, Mrs. Neill and family.

Mrs. Herbut Shipp was brought to the Payton Nursing home here Monday from the Midland hospital, where she has been confined for the past three weeks. Her condition is reported as satisfactory.

Thogus Morris is in El Paso where he is receiving medical attention.

Mr. and Mrs. James Biggs are the parents of a daughter, Mary, born March 28 and weighing nine pounds.

Brown Davenport has returned from California, where they have visited relatives for the past ten days.

Mr. and Mrs. Edd Bloomer and son-in-law and daughter, Mr. and Mrs. Allen O'Conner of Odessa and Mr. and Mrs. Chuck Houston attended the rodeo in Pecos Sunday.

Mr. and Mrs. Tom Houston, formerly of Stanton, were also there.

A son was born to Mr. and Mrs. Dan McDonald in the Memorial hospital March 21.

The Rev. Ellmore Johnson and wife had as their recent guests his parents of Turkey.

Mr. and Mrs. Earl Douglass and T. B. Stewart were in Lubbock recently where they attended a meeting of the Texas Federation of Cooperatives.

Mr. and Mrs. Neal Barnaby and family were in Walnut Springs this week for the funeral of his uncle, R. C. Brown. Brown was at one time a resident of Big Spring.

**BLUEBONNET TIME AGAIN** — The earliest crop of bluebonnets (Texas state flower) decorates Highway 9 right-of-way near Corpus Christi, Texas, and Honey (no kiddin) Hopson of Sinton, Texas fits in nicely with the floral beauty. (AP Photo).

### News Items From Knott

KNOTT, April 4 (Spl)—Mrs. T. M. Robinson was hostess to the Young People's Training Union class of the First Baptist church at her home Thursday evening.

Games were entertainment.

Attending were the class sponsor, Mrs. Louis Harrell, the Rev. and Mrs. Lee Vaughn and sons, Mr. and Mrs. Edward Ashley, C. H. and Leon Riddle, Bobby, Odell and Maxie Roman, Nina V. Shortes, LaVerne and Donald Rhea Gross, Lloyd and Wanda Lee Robinson, Alice Merle Chapman, Bettie Mae Sample, Sonny Myers, Edith and Edna Harrell, Carol and Joyce Robinson and Mr. and Mrs. Robinson.

Members met to discuss plans for the Rebekah Association to be held in Monahans, April 11, at the meeting of the local Rebekah's in the IOOF hall Thursday evening.

Attending were Jewel Smith, Leila Clay, Pearl Jones, Enna Coker, Mimaie Unger, Vera Gross, J. T. Gross, R. H. Unger, C. O. Jones and P. P. Coker.

Eulene Jackson, who attends Draughton's Business college in Abilene, visited her parents here recently.

Billy Roy Jones is vacationing near Austin.

C. B. Donaghey of Artesia, N. M. was a recent visitor with Jack and Buck Thomas and C. O. Jones.

Mr. and Mrs. Dick Clay and family and Jimmy Clay attended home coming services in Vealmoor.

Mr. and Mrs. P. P. Coker have returned from visiting their children, Mr. and Mrs. Bill Dalby and family in Aspermont.

Mrs. J. B. Smith and Ada Enola of Fort Stockton were recent guests of her sister, Mrs. S. T. Johnson and her son, John Allen. Mrs. Smith's father, A. Petty, accompanied them home for a visit here.

Mr. and Mrs. C. O. Jones and his mother, Mrs. N. C. Jones, made a business trip to San Angelo Tuesday.

N. C. Petty was a business visitor in Lubbock earlier this week.

**Mrs. Lewis Heflin Wins High Score At Bridge**

Mrs. Lewis Heflin won high score at the bridge party hosted by Mrs. Lewis Amaon and Mrs. H. A. Long Thursday afternoon.

Mrs. J. F. Neel won bingo prize. Others attending were Mrs. Charles Pruitt, Mrs. Jack York, Mrs. P. N. Scherer, Mrs. Grover Blissard, Mrs. T. M. Lawson, Mrs. R. H. Moore, Jr., Mrs. Gene Nabors and Mrs. Dorothy Cauble.

Mrs. Lewis Heflin will be hostess at the next meeting, April 15.

An ancient kidney cure was a ring set with a toadstone, dipped in a mug of water. The sufferer drank the mug of water.

### Mrs. Vernon Logan Conducts Services

Mrs. Vernon Logan conducted the installation services for the new officers at the meeting of the Althean class at the First Baptist church Friday evening.

Those installed were Mrs. Tracy Smith, teacher; Mrs. Charles Tompkins, president; Mrs. Homer Ward, membership vice-president; Mrs. Relfee Jones, fellowship vice-president; Mrs. Theo Isbell, class mistress vice-president; Mrs. Jack Williams, stewardship vice-president; Mrs. C. W. Mahoney, secretary; Mrs. George Mahoney, associate secretary; group captains, Mrs. Jack Irons, Mrs. C. R. Eubanks, Mrs. Reuben Creighton and Mrs. Lonnie Coker; and Mrs. A. P. Clayton, Jr., reporter.

Mrs. Jack Irons presided at the business session and reports from the group captains and the treasurer were read.

Mrs. Vernon Logan led the opening prayer.

"Blest be the Tie that Binds," was sung by the group.

Refreshments were served to the attending members.

# Mahon Deserves Unopposed Campaign

In a simple announcement, George Mahon, who represents the 19th Texas congressional district in Congress, has said he would seek again the democratic nomination to the office.

While we recognize the sound right of any one to announce for the same office, we hope that the congressman from this district will not be obliged to lay down his duties in Washington to face a campaign at home.

George Mahon has faced some campaigns at home since he first went to Congress in 1935, but even against formidable opposition his margin of victory was sufficiently strong to remove any doubt as to the fact that a big majority of the voters in the district approve of and appreciate his record.

Because he is quite and unassuming, a type of man whose name may seldom be found quoted at length upon this and that issue, his record is the one thing which has earned him the support of his district.

His chief assignment is that of member of the powerful appropriations committee, possibly the most potent one committee in the House. Assigned to its military sub-committee, it fell Mahon's lot to handle the actual physical contact work for the committee in the days prior to and during the war. After the war had ended, Mahon's single-handed fight against appropriations to the air force and kept it from being hamstrung worse than it was. Subsequent events certainly have proven his vision and wisdom on this point.

Hardly had he been oriented in Congress before he was chosen on a committee to visit the Orient.

During the war he made flying junkets on inspection trips all over the U. S., to Alaska, again to the Orient. One of his most significant assignments came last summer when he was named a member of the hand-picked Herter committee to make an inspection of conditions in Europe. It will be remembered that Rep. Christian Herter, the chairman, selected the committee purely on a basis of merit, conscientiousness, and ability to work hard and long.

This trip afforded Mahon an opportunity to talk with common people, to visit in their homes and shops, to talk with officials and others in England, Germany, France, and Trieste. Thus, his background has given him some broad international understandings.

Ordinarily one might be impressed by the fact that Mahon is the fourth ranking democrat on the appropriations committee, and that the men above him are old and some in ill health; or that among Texans only Sam Rayburn, Wright Patman and Milton West have more seniority than he has in the House.

But these are days when such matters do not matter as much as before. These are days when the international situation has a tremendous influence upon the well-being of our own nation.

We believe that this district, Texas and the nation is fortunate in having a man of the conscience, character and calibre of George Mahon in a key position in the House in hours of crisis. Believing he still has the support of the vast majority in his district, we hope that he will not be obliged to return home this summer for a needless campaign.

# Do Not Allow Defenses To Deteriorate

By FRANK GRIMES  
Herald Special Writer

Looking ahead and planning for the future has never been a trait in the American nature. We are a happy-go-lucky people in our personal lives, and also as a nation. "There's more where that came from" has been our attitude as we squandered our resources with a prodigal hand.

But time and destiny are catching up with us, and unless we change both our attitude and our way of doing, this nation is going the way all improvident nations and individuals have gone—straight into disaster.

The incidence of Army Day, next Tuesday, would be a good time to reflect on past mistakes and to make a few high resolves for the future.

Army Day, set on April 6 because that was the day we went to war against imperial Germany in 1917, will find most Americans convinced of the wisdom of keeping our defenses up. Events have made even the most careless and complacent American realize the folly of throwing away our military strength at war's end and reverting to our traditional and inexplicable habit of looking upon a strong military establishment as a burdensome expense, and an unnecessary evil.

The unreasoning fear that a military system might be fastened upon our national life has been at the bottom of most of our mistakes of the past—the mistakes of unpreparedness, niggardliness in carrying out research, and penny-pinching in manning and equipping our armed services.

We sent tens of thousands of inadequately trained and equipped men into battle in the last war, even in the closing months, after years of preparation following Pearl Harbor. How many lives were thus needlessly lost, how much time wasted, how many billions of dollars thrown away, nobody can say.

Had we devoted all our time and resources and energies to building for victory instead of insisting that our existence be disturbed as little as possible, the war probably would have ended

twelve months earlier.

Had we paid attention to those who kept warning us in the late 1930s that disaster was about to strike, and had we built our defenses adequately then, there might not have been a World War II.

Had we not been in so much of a hurry to demobilize after Hiroshima, we would not today be under the necessity of laying out additional billions of dollars annually in a desperate effort to stay the rising threat of totalitarian dictatorship.

But at long last we Americans must realize one thing, to forget which would cost us our liberty and our national existence.

That is that never again can we permit our defenses to deteriorate. For generations the oceans protected us. In 1917 and 1941, other nations who thought as we think held the line while we made our preparations.

Now the ocean is no longer a protection, and there is no nation on earth capable of buying us a month's time, much less a year's.

The war of the future, if and when it comes, will come like a thief in the night, without warning; and it will be aimed straight at the United States of America.

One paralyzing blow upon a nation as illy prepared as we were in 1917 and 1941 will be the end. If we are not ready, we can never get that way. If we are not ready, we can never get ready. If we are not prepared to strike back with all our strength, our cause is lost.

It will be that way from now on. There will be no surcease from the threat of war as long as a totalitarian government stands upon the face of earth to challenge our free way of life.

If we value our freedom, if we respect the thousands who died in World Wars I and II, if we cherish our children and our grandchildren and all future generations, we must prepare adequately, in every way, and we must remain prepared in and year out, month in and month out, year in and year out, at whatever the cost.

Not to do so will be to commit national suicide.

## Affairs Of The World—DeWitt MacKenzie

# Initiative Forced On Berlin Reds

Russia has made a daring—and dangerous—move in decreeing presumptuous and obnoxious inspection of American, British and French railway trains bound for Berlin, which lies inside the Soviet zone of occupation.

By taking this drastic step the Russians have, of course, made a direct challenge to the other three allies. It is a sort of school-yard bully's "I-dare-you-knock-the-chip-off-my-shoulder" affair.

The purpose of this move, as viewed by authoritative sources in Washington and Berlin, is to create a situation calculated to force the western powers out of the German capital, which has been in joint occupation ever since the war. The bolsheviks if successful would thus have complete possession of the rich eastern portion of the Reich,

including its capital, which not only is the hub of European transportation but is the apple of the German eye.

The reaction of the western allies was what the Russians must have anticipated—refusal to submit to such inspection. However, Gen. Lucian D. Clay, the two-fisted American military governor, put after his refusal an exclamation point which the Reds scarcely could have expected. The general announced, without fuss or feathers, that the Americans would use airplanes to carry passengers and freight into Berlin to the U. S.-controlled Tempelhof airfield.

That very neatly puts it up to the Russians to declare their intentions. They now must take the initiative. So far as one can see, the only way they could prevent the Americans and other western

## The Nation Today—James Marlow

# ABC On John L. Lewis, Coal Strike

WASHINGTON (AP)—This is an ABC on John L. Lewis and the coal strike.

There are two main points:

1. The cause of the strike—Lewis and the mine owners can't agree on what miners should get a pension.
2. Stopping the strike—President Truman is trying to figure this out now.

Take the first one: What miners are entitled to a pension?—Last July Lewis' coal miners went to work for the mine owners under a contract that was to end next June 30.

In this contract the owners agreed to turn 10 cents, from every ton of coal mined, into a welfare fund for the miners.

The miners were to get a number of benefits from this fund—it has grown to \$32,000,000 since last July—and one of them was a pension.

From last July till mid-March, 1948, Lewis and the owners argued about who should get a pension. This is what Lewis wanted: A \$100 a month pension for every man who was 60 years old, had worked 20 years in the mines, and was a member of Lewis' United Mine Workers' union.

He wanted this to cover miners—80 years old and with 20 years in the mines—who quit even before the new contract started July 1.

The owners argued that the only miners entitled to a pension were those who were working on or after July 1 when the contract went into effect.

In mid-March, after all the months of argument, the miners quit.

Now take the second point: How to stop it?—Under the Taft-Hartley labor law, when there's a big strike in a big industry the President can decide there's a national emergency.

Then he can set up a board of fact-finders to look into the dispute. He did that in this case.

The law says such fact-finders, when they've finished their check, must report the facts to the President. He, in turn, must make the report public.

The fact-finders in the coal case made their report to the President but he delayed making it public right away.

After getting this report, the law says, the President "may" tell the attorney general to ask a federal judge for an injunction, or court order, to stop the big strike for 80 days.

At the end of 80 days, if still there was no agreement, the workers could strike again.

## In Hollywood—Bob Thomas

# Gleason Discovers Gold

HOLLYWOOD (AP)—Gold—the real thing—has been discovered in these hills by James Gleason. But the find is not calculated to start any new gold rush to California.

Of all places, the discovery was made in the wealthy Mandeville Canyon district where Gleason, Jean Arthur, MacDonald Carey, Gregory Peck and many other Hollywood personalities live. A bulldozer uncovered an outcrop of gold-bearing quartz on Jimmy's land near the head of the canyon, which is a few miles from the ocean.

Jimmy says the gold assays at only \$12.75 per ton, so he's not going to mine the ore.

Louis Jourdan, whose first three U. S. films have shown him in affairs with other men's wives, is due for a romantic build-up at Selznick. He is slated for "Rupert of Hentzau," a "Prisoner of Zenda" sequel, and "Romeo and Juliet" with Jennifer Jones. The latter is

## "ON SECOND THOUGHT, YOU'RE A LOVELY GUY - I GUESS"

Washington Merry-Go-Round—Drew Pearson

# Snyder May Resign Treasury Post

WASHINGTON.—Secretary of the Treasury Snyder and A. P. Giannini, the big-California banker, held a super-secret dinner in Palm Beach, Fla., recently. They hired a private room of a small Italian restaurant for the confab—probably to discuss the confab—Snyder will resign as secretary of the treasury and join the Giannini bank.

Friends of Jim Farley say he would no longer be satisfied with No. 2 place on the Democratic ticket, is now out to be president. . . . Sad commentary on the current prestige of the White House: Sam Rosenman says the report that he was taking a job as counsel to President Truman has done him "incalculable injury." The report isn't true. . . . Senator "Pass-the-Biscuits Pappy" O'Daniel has dropped to an all-time low in Texas popularity according to recent polls. Only 7 per cent of Texas voters are for him. Ex-Governor Coke Stevenson and Congressman Lyndon Johnson, the latter not yet an announced candidate for the senate, run first in popularity.

**LIFTING THE IRON CURTAIN**

Yesterday I suggested that Secretary Marshall might make one last, straight-from-the-heart Sermon-on-the-Mount appeal to Russia that if it means what it says about peace it should raise the iron curtain and let the American and Russian people get acquainted. If that appeal failed then there wouldn't be any argument about going ahead with rearmament.

On top of this idea I have been trying to figure out just what individual citizens could do to win friends both behind and on the rim of the iron curtain. For if you can win friends among people you make it awfully hard for dictators to start war. That's one big reason dictators keep their people in ignorance—so as to make it easy to start war.

Of course, General Marshall is probably the only man who could make a world-wide appeal to the Russian people—and to others around the iron curtain. But quite a few patriotic Americans have been doing more than their part in sending democracy messages to Italy. Walter Lemmon of World Wide Broadcasting has been doing a whale of a job beaming radio messages to Italy. Mrs. Francesca Lodge, wife of the Connecticut congressman, has worked night and day translating these messages, and scores of people have cooperated.

In a democracy you don't leave everything to the government. In a democracy, in fact, the people are usually ahead of their government.

So perhaps individual citizens could amplify this technique of winning friends. Perhaps via the radio we could get the people of

Russia and other countries talking—not about Miss Hush or the Walking Man, but about peace and democracy.

**WRIST WATCHES AND DEMOCRACY**

When Russian troops got into Berlin, they were dazzled even by Hitler's disrupted and shoddy civilization. They brought wrist watches by the bushel. They piled horsecarts full of all sorts of material things. This was a new world. They never knew such things existed. They had heard only Moscow's propaganda that communism produced the best of all things and for the first time they began to have their doubts.

That's why there have been so many Red army desertions in occupied Europe.

Remembering this, I have been thinking it might be a good idea to beam a radio program to Russia and other semi-iron curtain countries, offering a hundred wrist watches as prizes for the best letters on how to bring about a democratic peace with the U.S.A.—on how to make peace and democracy live.

For the chance to get a wrist watch thousands of Russians and other Europeans would keep their ears glued to the radio day and night. Not only would they do some special thinking about peace and democracy but incidentally they would hear a lot more of the state department's propaganda broadcasts. Most important of all, they would do some thinking about friendship with the United States.

Maybe I'm wrong, but somehow I think the idea might work. At

any rate you can't beat something with nothing. You can't lick phony ideas except by getting better ideas to take their place. And we can't sit watching the world drift toward war without doing something about it.

Perhaps we could stage a quick trial of the idea in Italy where democracy is fighting a vital frontline battle, then later warm up to a longer, radio barrage to the Russian people on how to make democracy live.

**SOAP WON FRIENDS**

During the war we spent millions dropping pamphlets, soap, and tea bags with messages attached in order to win people behind the enemy lines. This is modern warfare. It saves a lot of lives.

Today we are spending billions to draft men, build airplane carriers, prepare for another war. But we spend almost nothing on trying to head off that war—on softening the potential enemy, on winning over its people.

Americans are the most ingenious and resourceful people in the world. We are also supposed to be the greatest salesmen. And if we can't sell democracy better than the Russians can sell communism there's something wrong with us.

Several centuries ago, man fought with swords and lances. They had to be within striking distance. Later they fought a little farther apart with muskets and cannon. Then field artillery was able to increase the range, until now the airplane and rocket have carried warfare across oceans and continents.

## True Stories Of West Texas—N. H. Kincaid

# Griffith Mystery Woman

Lottie Deno had disappeared. Mystery woman though she was, the gambling halls of Fort Griffin's flats had begun to idly wonder at her repeated absence. Her neat and richly furnished shanty, when finally entered, revealed little. Only a small, leather-bound trunk was missing and a note, tersely written in a cultured eastern boarding-school hand, was found pinned to her bedspread. It read, "Sell this outfit and give the money to someone in need of assistance."

As mysteriously as she had come, so had Lottie Deno vanished. She had arrived by stage and had departed the same way, and only her sojourn among them was definitely known.

But old timers long conjectured about her identity and her whereabouts. They heard that she had been known as "Mystic Maude" in Fort Concho, arriving there from

## City Center Gets Best

NEW YORK—Maggie Teyte, the operatic lady, will exercise her famous tonsils on the Debussy opera, "Pelleas and Melisande," during the series of cut-rate serious stuff in our municipal temple of culture, The City Center. . . . Maggie was the outstanding interpreter of the Melisande role in Europe, and locals are in for a treat, or at least a lesson in traditional Debussy style. . . . The lady, you see, studied the role under the personal tutelage of Claude Achille Debussy himself, personally, as they say in Lindy's. . . . Yep, we are served first hand stuff around this burg, even if it takes a while for us to get it.

Friendship Stuff: Joe Lynn is one of the best-known Broadway property men, a fellow who can keep track of every last tiny article in a show, a small miracle of orderliness which is unusually enviable in the case of the myriad property problems in a musical production. . . . Joe's been working with Paul and Grace Hartman in "Angel in the Wings," who, just to prove their good will, have lent-leasing him to their friend, Arthur Schwartz, the producer and composer of the imminent revue, "Inside U.S.A." . . . "You may think this is a slight matter," Grace Hartman told me the other mid-night, "but you'll have to realize my problem with our own show. Sometimes I can't even find Paul!"

PSYCHIATRY being as fashionable as all get-out around this-a-way, I suppose it had to happen to the ordinary working stiff, meaning folks like myself. . . . I mean, I'd thought, as a popular night club singer has been informing her too good—or at least too expensive—for the average man. . . . Furthermore, schizo-phrenia always seemed to me like something the

## Around The Rim—By The Herald Staff

# Memories Of Home Porch

If one can be a bit nostalgic without being accused of getting old, I'd make some observations on something that I think of fondly once in awhile and something a coming generation of young people may never know and enjoy.

I refer to the wide front porch—or veranda, or piazza, or call it what you will—that the houses built when our West Texas towns were young always had.

We're all agreed that building costs are out of this world, and that when one goes to plan some construction, one has—after looking at the first estimates—to do some trimming. Fact is, even the original house plans these days seldom include more of a porch than a dinky little entry-step. So I appreciate that having a big porch tacked onto the front or side of the house ain't easy to come by.

But when my Dad and Mother built a place over in Colorado City, (it was early in the century), I'm sure they wouldn't have considered it much of a house without a big porch. And I recall very well how big a part that porch played in the lives of the five kids who were growing up in that house.

The porch, of course, had to have a swing. Maybe your porch had a hammock, which is OK, but ours had a swing. And if that old swing could talk, it could pretty well chart the history of the family. The guests in the summer time sat there, of course, while they gossiped with my elders.

Some older sisters held court regularly in that swing, too, and on

that porch, because their swains didn't have cars, and the "dates" were filled at home—in the summertime, always on the porch, of course.

I played a lot of "engineer" in the same swing, making the thing go as high as its chains would permit, all the while tooting and chugging and pretending I was at the throttle of Old 99.

On bad days, the porch became a race-track for my tricycle. I can't remember exactly, but I'm sure Mama put the taboo on my using skates on the porch. Pretty noisy, you know. A little later, on similar bad days, I used the porch for a workshop, and tore down and re-assembled the coaster-brake on my bike no less than four times a week.

Come summertime, and there was no place that we could eat watermelon except out on the porch in the shady afternoon. And after the damage was done, I'd have to hose down the porch, to wash off the seeds and the sticky juice.

Mama used that porch, too, for a lot of effort in growing ferns in boxes, pot-plants, etc. Of course, vines covered the side of the porch, and there always came a seasonal job of trying to make 'em grow fast, and then of tearing 'em down. All in all, that porch was a pretty pleasant place, whether used as summer sitting-room, hot-house, picnic grounds, kid's workshop or playpen. I think all such porches have helped a lot to keep the ties of home remembrance bound a little tighter.—BOB WHIPKEY.

## Hal Boyle's Notebook

# Career Girl Gives In

NEW YORK (AP)—Her friends were aghast when Adele Beaudette announced she was giving up her career to marry Henry T. Bogle.

"Adele tied to that dull Hank Bogle!" cried one wife. "Why I couldn't feel worse if someone told me Joan of Arc had run off with a butcher boy."

A lot of wives felt that way. To them Adele Beaudette was a kind of Joan of Arc among modern women—a bachelor girl with a successful career.

She had her own apartment, her own bank account and held down a job as executive assistant to the president of an engineering firm.

Wives thought enviously of Adele's freedom when their own children became troublesome or their husbands bawled them out for running up clothing bills.

"You don't know how lucky you are, Adele," they said to her enviously. "No man can tell you what to do."

For a long time Adele thought they were right. She enjoyed her work, her freedom from household worries, the excitement of meeting new men and dropping them when they became too persistent.

As a matter of fact, however, most of them were ready to call it quits about the time Adele was. They found her beauty had a porcelain quality, her wit became sometimes too sharp.

All except Hank Bogle. He had loyally admired her without reservation. For five years she had dated him about once a week, using him to fill up a lonely evening. Then one evening, at a night club Adele saw Hank dancing with a secretary in his real estate firm. Something in their manner told her

they had been out together before. It was quite a shock to Adele. It piqued her, too. She had never thought of Hank out with another girl.

Three days later Hank was to take her to the opening of a new play. That afternoon she called him at his office.

"Drop by the apartment for a drink first," she suggested.

It was a rainy night. When Adele arrived in her apartment, it seemed lonely home, she felt fatigued and alone. As she was dressing, Adele looked in her mirror and discovered a gray hair.

"Another one," she mused.

Suddenly she realized Hank was late. He had never been late before. Suppose he didn't come? Terrified, she went out to the kitchen to mix the martinis.

She tried to unscrew the cap on the olive bottle. It stuck. She banged it against the drainboard. It wouldn't come loose. She turned on the hot water faucet and held the bottle under it. Still the cap wouldn't budge.

She wrenched and wrenched at it in unreasoning panic. Tears welled into her eyes. She felt, for the first time in her life, completely helpless.

The bell rang. She ran crying to the door, the bottle still in her hand.

"Why honey," said Hank, wonderingly, as he put down the flowers. "Here, let me have it."

He took the olive bottle and unscrewed the cap with easy strength.

"Oh Hank!" cried Adele, "O-b-h Ha-a-a-ank!"

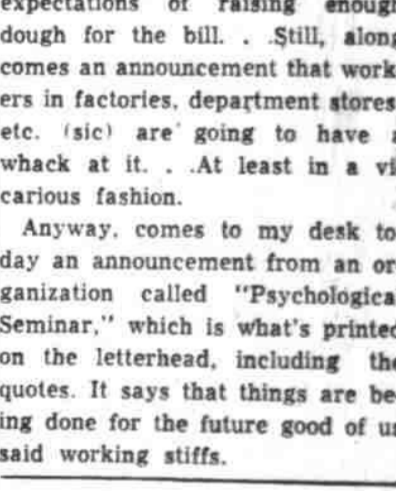

And so they were married.

### Socials Are In Knott Community During Easter Holiday Season

KNOTT, April 2 (Sp)—Easter holidays were celebrated with a number of socials in the Knott community.

Mrs. Don Rasberry honored her husband with a surprise birthday party.

Forty-two and music were the evening's entertainment. Furnishing the musical selections were Judson Floyd, Tom and T. J. Castle, Bill Dement, Arnold Lloyd, J. D. McGregor and Jonny Shortes.

Others attending were Mr. and Mrs. J. W. Graham of Ackerly, Mr. and Mrs. J. S. Walker, Mr. and Mrs. Lee Ballard, Mr. and Mrs. Hershel Brackett and sons, Mr. and Mrs. Omer Daniels, Mr. and Mrs. W. C. Stovall, and family, Mrs. A. H. Tate and children, Mr. and Mrs. M. A. Cockrell and family, Mr. and Mrs. Jonnie Smith and son, Mr. and Mrs. Lester Shroyer, Mr. Rooker and Mary Lou, Mrs. Tom Castle, Mrs. T. J. Castle, Mrs. Arnold Lloyd and son, Lucille and Reba Mundell, Maurine Chapman, Martin and Billy Fryar, Imogene and Dorothy Faye Thomas, David Newton, Darrell Jackson, Patsy Gay Nichols, Geraldine Nichols, Wanda and Doris

Dement, Mr. and Mrs. Royce Johnson and family and Billy Fred Johnson.

The Women's Missionary Union met Monday afternoon in the home of Mrs. Hershel Smith for a mission study class. The Rev. Lee Vaughn taught the lesson from the book, "Committed Unto Us". Others present were Mrs. Vaughn, Mrs. Elsie Smith, Mrs. Louis Harrell, Mrs. Lee Burrow, Mrs. J. T. Gross and Mr. and Mrs. Hershel Smith.

Mrs. J. S. Walker entertained in her home Sunday with a birthday dinner honoring her husband and Mrs. Don Rasberry.

Present were Mr. and Mrs. Don Rasberry and family, Mr. and Mrs. Jack Walker and son, Owen Walker, and Mrs. J. H. Duke and daughter.

April 5 is the day for the regular Parent-Teacher Association at the Knott school. The program is to be on "Safety" and is to be given by the seventh grade students.

Emmett Grantham has returned from attending a Moline tractor dealership meeting in Minneapolis, Minn.

Mrs. Don Rasberry and children, Newell and La Rue Tate attended the revival meeting at the Church of Christ in Ackerly Thursday evening.

Jerry Adams of Lubbock spent the weekend with his parents, Mr. and Mrs. Fred Adams.

Visiting in the J. Mundell home is a brother-in-law and sister, Mr. and Mrs. Frank Engle of Longview.

Mr. and Mrs. Stewart Thomas of Lamesa were guests of her sister, Mrs. O. B. Gaskin and son Sunday.

Mr. and Mrs. Harrison Wood and Brenda have returned from visiting her parents, Mr. and Mrs. Mike Reese of El Paso.

Thursday dinner guests of Mr.

and Mrs. Tom Castle were Mr. and Mrs. E. L. Witt, Mrs. E. A. Wright and son, Mr. and Mrs. Jess Merrick and family, and Louise Pearson, all of Donnell; Mr. and Mrs. T. J. Castle, Mr. and Mrs. Darrell Shortes, Mr. and Mrs. Earl Castle, Mr. and Mrs. F. O. Shortes and Jonnie of Knott.

Easter guests of Mr. and Mrs. S. C. Gist were their daughters, Mrs. G. R. Sinclair, and Mrs. Dee McArthur and their families. Mrs. W. K. Sinclair of Midland also visited in the Gist home during Easter.

Mrs. J. H. Duke and daughter of Little Rock, Ark. arrived Thursday to spend the Easter holidays with her parents, Mr. and Mrs. J. S. Walker.

Berwyn Tate, student at ACC, spent the Easter holidays with his parents, Mr. and Mrs. A. H. Tate. Tate also preached at the Church of Christ Sunday evening.

Mr. and Mrs. Louis Harrell and family visited Saturday with her brother, June Hogue of Patricia, who is in a Lamesa hospital following an appendectomy.

Mrs. Charles Shoalts of Fort Worth visited recently with her grandmother, Mrs. Dorothy Peugh and uncle and family, Mr. and Mrs. H. B. Peugh.

Recent guests in the home of Mr. and Mrs. Hershel Smith were Mr. and Mrs. J. H. Burrow and Martha Ann of Brown, Mr. and Mrs. Marcus Smith of Big Spring and Mr. and Mrs. J. C. Spaulding.

Sunday dinner guests of Buck and Jack Thomas were Mr. and Mrs. Bob Thraikill and children and his father, of Lenorah, Mr. and Mrs. Obie Large and son of Big Spring, Mr. and Mrs. Leo Cole and family and Nina Brigrance of Knott.

Mr. and Mrs. O. A. Warren and family of Levelland visited Mr. and Mrs. R. H. Unger, Mr. and Mrs. Curtis Hill, Mr. and Mrs. Fred Roman and Mr. and Mrs. E. L. Roman and families recently.

Mr. and Mrs. Alvie Chapman and family visited relatives in Lamesa Sunday.

Mr. and Mrs. Fred Adams and Jerry attended a family reunion Sunday in the home of his parents, Mr. and Mrs. John C. Adams of Coahoma.

Mr. and Mrs. H. B. Peugh and family and Mrs. Dorothy Peugh guests Sunday were guests of Mr. and Mrs. C. V. Hewett in Big Spring.

Mr. and Mrs. J. T. Gross had as their Sunday guests their children, Mr. and Mrs. Hershel Johnson and family and Bettie Dean Gross of Big Spring.

Kent Morgan Home Is Scene Of Party

The Kent Morgan home was the scene of a layette shower for Mrs. Harold Hall Friday evening. Bridge was entertainment.

Hostesses were Mrs. Morgan, Mrs. Tommy Gage, Mrs. Charles Pool, Mrs. Bennie Collins and Mrs. R. C. Thomas.

Pink and blue colors were used throughout the house with spring flowers as decorations. The lace covered table held appointments of crystal.

Those attending were Mrs. Gene Nabors, Mrs. W. R. Hall, Mrs. James Underwood, Mrs. G. H. Hayworth, Mrs. Harriett Reaves, Mrs. Travis Carleton, Mrs. Odell Womack, Mrs. Minnie Gavie, Mrs. D. D. Douglass, Mrs. George Hall, Mrs. Ellis Read, Mrs. L. D. Chrane, Mrs. Frankie Nobles, Mrs. Kathleen Freeman, and Mrs. L. E. Phillips, the honoree and hostesses.

### Mrs. G. W. McDaniel, State Mother Of Texas

By William C. Barnard  
ABILENE, Tex., April 3. (AP)—Mrs. George W. McDaniel, a saucy, grey-eyed great-grandmother, chosen today as the State Mother of Texas for 1948, said:

"These modern mothers are the ones you really have to hand it to. They know how to get away from their children. That's smart. This is a day of bottle babies and baby sitters."

Native Texan, resident of Abilene for 64 years and a widow for 17, Mrs. McDaniel has four sons and a daughter, six grandchildren and one great grandchild.

She is a power in the Abilene Presbyterian Church, an expert chicken fryer and refuses to tell her age.

"Just say I'm 75-plus. Anyone with half a brain will know I'm not 16-year-old."

Mrs. McDaniel won the honor in the Golden Rule foundation. There were eighty-five other nominations. Runners up were Mrs. Irene Milam Chandler of Dallas and Mrs. Lena Ansley Dean of Stockdale.

Informed she had won, Mrs. McDaniel said:

"My son George at Dallas is responsible for getting me into this jam. He entered my name."

In spite of her age, Mrs. McDaniel's hair remains brown. "That's from living close to the Lord," she chuckled. "The fact that I come from a family of no grey hair probably helps. My mother had brown hair at 91."

Mrs. McDaniel paints—her home

Billy Bob Watson Is Bible Class Speaker

Billy Bob Watson spoke on "Religious Bodies of Texas," at the meeting of the Bykota Bible class in the home of Babs Douglass recently.

Co-hosts were Jimmy Barkley, Richard Grimes and Johnnie Kenyon.

Watson gave the principles upon which eight of our present denominations are based and revealed that the first church in Texas was the Spanish Catholic.

Mrs. Johansen discussed further the details of the class trip to Palo Duro Canyon.

Plans were completed for entertaining with a picnic as the closing activity of the 47-48 Bible club. Each person will be allowed to invite guests and following the social, members will go to the site of the old spring and there conduct the closing devotional.

Those attending were Eddie Hickson, Jimmy Barkley, J. O. Haney, Richard Grimes, Kenneth Howze, Donald Allen, Jimmie Bennet, Doris Jean Clay, Charlotte Long, Johnnie Kenyon, Juanita Hobbs, Peggy Carter, Babs Douglass, Wayne Burleson, Eugene Hood, Lee Astens, Marvin Trolinger, Billy Bob Watson, R. H. Carter, Mrs. Johansen and Beverly Campbell.

Eastern Star Meetings

The Order of the Eastern Star has announced that during the summer months the meeting hour will be changed from 7:30 to 8 p. m.

Mr. and Mrs. A. D. Webb have as their guest, her cousin, Lola McBride of Oak Ridge, Tenn.

### Expecting a Baby?

Mother's Friend massaging preparation helps bring ease and comfort to expectant mothers.

MOTHER'S FRIEND, an exquisitely prepared emollient, is useful in all conditions where a bland, mild anodyne massage medium to skin lubrication is desired. One condition in which women for more than 30 years have used it is an application for massaging the body during pregnancy... it helps keep the skin soft and pliable... thus avoiding unnecessary discomfort due to dryness and tightness. It refreshes and tones the skin. An ideal massage application for the sunb, tingling or burning sensations of the skin... for the tired back muscles or cramp-like pains in the legs. Quickly absorbed. Delightful to use. Highly praised by users, many doctors and nurses. Millions of bottles sold. Just ask any druggist for Mother's Friend—the skin emollient and lubricant. Do try it.

### What To Do For That Sluggish, Down-and-Out Feeling

Remember the time when you could eat like a horse, bubbled-over with energy, felt happy as a lark? Was it not because you liked to eat—didn't know what indigestion was, felt strong as an ox? As you advance the "old stomach" and the "over-changing blood" need help. Now you may again release vibrant energy to every muscle, fibre, cell.

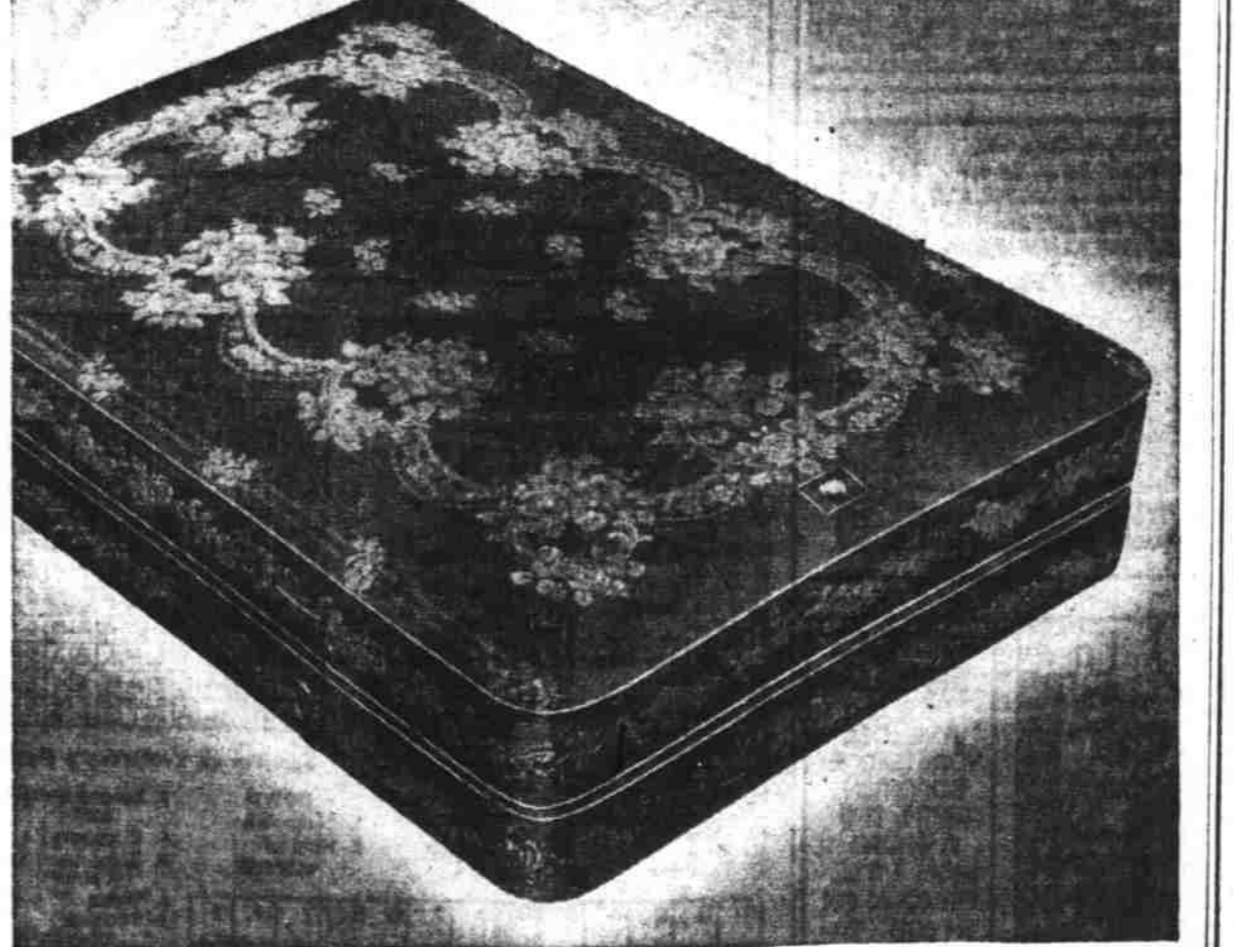

Every day—every hour—millions of tiny red-blood-cells must pour forth from the marrow of your bones to replace those that are worn-out. A low blood count may affect you in several ways: no appetite, underweight, no energy, a run-down condition, lack of resistance to infection and disease.

To get real relief you must keep up your blood strength. Medical authorities, by analysis of the blood, have by positive proof shown that SSS Tonic is amazingly effective in building up low blood strength in non-organic nutritional anemia. This is due to the SSS Tonic formula which contains special and potent activating ingredients.

Also, SSS Tonic helps you enjoy the food you eat by increasing the gastric digestive juice when it is non-organically too little or scanty—thus the stomach will have little cause to get balky with gas, bloats and give off that sour food taste.

Don't wait! Energize your body with rich, red-blood. Start on SSS Tonic now. As vigorous blood surges throughout your whole body, greater freshness and strength should make you eat better, sleep better, feel better, work better, play better, have a healthy color glow in your skin—firm flesh fill out hollow places. Millions of bottles sold. Get a bottle from your drug store. SSS Tonic helps Build Sturdy Health.

TEXAS MOTHER FOR 1948 — Mrs. George W. McDaniel (above), religious leader, lover of art and literature, raiser of frying chickens and a great-grandmother, was designated April 3 as the State Mother of Texas for 1948. Mrs. McDaniel was born at McKinney, Texas, and has been a resident of Abilene for 64 years. The Abilene Chamber of Commerce will sponsor her in the national contest for American Mother of 1948. (AP Photo).

is filled with her own watercolors and oil paintings. She is five feet five inches tall, weighs 160 pounds, drives her own car, has good eyesight and hearing and remains very active. "I'm active all right—have to be to do all the things that have to be done—but I'm not quite as fast on my feet as I was a few years back."

She raises flowers in her own greenhouse, works in her vegetable garden, has 100 chickens. "Those chickens are for me, my family and my friends. They end up in my big iron skillet."

Her recipe for fried chicken: "Cut the chicken into pieces and put them under a faucet, then throw them into a paper bag which contains flour."

"Shake them up in the bag. Then put a few pieces at a time into a big iron skillet with just enough shortening to halfway cover the pieces."

"Turn when brown and serve in a hurry. Now if there's anything you want to know about making biscuits, I'm just the lady that can tell you how."

**Visits-Visitors**

Mrs. Willard Sullivan is leaving Saturday by plane for Fort Worth to attend the Southwestern Photographer's convention. Mrs. Sullivan is secretary-treasurer of the Texas Photographer's Association.

Mr. and Mrs. Charles E. Brown and son, and Mr. and Mrs. Frank C. Brown of Colorado City are in Ranger today for the funeral of Margaret Brown, Charles Brown's cousin.

Mr. and Mrs. B. E. Heston of Electra are visiting with their children, Mr. and Mrs. Gene Heston and James Robert, Mr. and Mrs. Orbin Dally, Bob and Ann and Sue Heston. On the return trip, they will visit with Mrs. Heston's mother, Mrs. Lula Vaden of Fort Worth.

# Dewey Stakes Race On Anti-Red Plan

MILWAUKEE, April 3. (U.P.)—Gov. Thomas E. Dewey has staked his chances for Wisconsin presidential backing on a program of blasting communism but keeping the peace.

As the turn of political New Dealer Chester Bowles scurrying from President Truman's camp, the three-way bout for Wisconsin's 27 GOP nominating votes reached an infighting stage before Tuesday's primary.

Dewey led off with a sharp flurry of punches at Mr. Truman's "wobbling" foreign policies. The New York governor aimed a right at Gen. Douglas MacArthur's "military genius"—which Dewey said isn't enough to win the cold war with Moscow.

He also lashed Harold E. Stassen's "inexperience" in dealing with communism.

Stassen, in turn, suggested MacArthur and Dewey backers might be ganging up on him. By inference he left them to divide the delegation minority.

MacArthur's counterattack was handled by Rep. A. L. Miller (R-Neb.) and Phil LaFollette, former Wisconsin governor running as a MacArthur delegate.

# Young And Chapman Star In Western Drama At The Ritz

"Relentless," Columbia's Technicolor western drama of the high Sierras comes to Big Spring at the Ritz today and stars Robert Young and Marguerite Chapman.

Winston Miller's screenplay concerns Young, as a wandering cowboy who ambles into town one fine day free as the breeze only to soon find himself suspected of three killings and ensnared in the grip of a great love for a beautiful girl in blue jeans. The grim game of pursuit with the sheriff's posse chasing Young, and Young chasing Barton MacLane, a killer who has pinned the three murders on the cowboy, keeps the film spinning along at a breakneck pace.

As the murderous game of hide-and-seek plays out its last moments, the action descends from the mountains to the sunbaked desert. There, the cowboy overtakes his quarry, who is shot in the back by another desperado. Before more of the same can be dished out to Young, the resourceful Miss Chapman arrives with sheriff Willard

Parker to put the quietus on the badmen.

Akim Tamiroff and Mike Mazurki are plug-uglies, Western style, while Robert Barrat and Clem Bevans, in addition to Parker and MacLane round out the supporting cast.

George Sherman directed for producer Eugene B. Rodney.

## The Weeks Playbill

**RITZ**  
SUN.-MON. — "Relentless," with Robert Young and Marguerite Chapman.

TUES.-WED. — "Cinderella's Revue" (stage revue).  
THURS.-FRI.-SAT. — "The Senator Was Indiscreet," with William Powell and Ella Raines.

**STATE**  
SUN.-MON. — "Daisy Kenyon," with Joan Crawford and Dana Andrews.

TUES.-WED. — "Red House," with Edward G. Robinson and Lon McAllister.  
THURS. — "Golden Earrings," with Marlene Dietrich and Ray Milland.

FRI.-SAT. — "Fighting Vigilantes," with Lash LaRue.  
**LYRIC**  
SUN.-MON. — "The Virginian," with Joel McCrea and Brian Donlevy.

TUES.-WED. — "Carnival in Costa Rica," with Dick Haymes and Vera Ellen.  
THURS.-FRI.-SAT. — "Under Colorado Skies," with Monte Hale and Adrian Booth.

**TERRACE**  
SUN.-MON. — "Fiesta," with Esther Williams.  
TUES.-WED. — "To Be Or Not To Be," with Jack Benny and Carole Lombard.

THURS.-FRI. — "High Barbaree," with Van Johnson and June Allyson.  
SAT. — "The Michigan Kid," with Jon Hall and Rita Johnson.

**PREPARED FOR ACTION** — Robert Young is prepared for action as Marguerite Chapman handles the reins in this scene from Columbia's "Relentless," beginning today at the Ritz. The film is in Technicolor.

**TENSE MOMENT** — Dana Andrews (center) waits for Joan Crawford (left) to answer his query in this scene from the current State attraction, "Daisy Kenyon."

# Story Of A Career Girl Is Unfolded In Film At State

The dramatic talents of Joan Crawford, Dana Andrews and Henry Fonda are combined in the attraction beginning today at the State theatre, "Daisy Kenyon."

Briefly, "Daisy Kenyon" deals with a young, gay, successful career woman whose love of a legal tycoon puts her in the hopeless position of "the other woman." Realizing the futility of sharing this love, she determines to make a break and on the rebound turns to another. But even her marriage does not break the ties of the old love and it keeps recurring until the situation explodes in ugly divorce proceedings. It is then that Daisy resolves her happiness in her own, distinctive fashion.

Joan Crawford, who recently won an Academy Award for her portrayal of "Mildred Pierce," surpasses even that outstanding work with a compelling, poignantly understanding performance in the title role. Dana Andrews, as the possessive business tycoon who takes Daisy's love but resists any upset to the pattern of their relationship, and Henry Fonda, as the man who puts her happiness above all else, prove anew that they are among the best in Hollywood. These three together in this exciting story represent one of the finest strokes of casting yet.

Otto Preminger, of "Laura" and "Fallen Angel" fame, again demonstrates his pronounced skill in feminine psychology to underscore it with engrossing drama on the screen. Working in sympathetic harmony with the three stars, he has, in his dual role of director and producer, conspired to present the plot of Elizabeth Janeway's best-seller.

Members of the supporting cast keep pace with the stars, with in-

## Local Talent Asked To Appear In Stage Revue

Local girls who have a yen for the stage may play a part in the stage attraction, "Cinderella Revue," which is at the Ritz theatre Tuesday and Wednesday.

In a talent search, this road company is inviting girls who have entertaining talent and who are interested in professional experience to sign up at the Ritz theatre for participation in the "Miss Cinderella" contest. A member of the professional troupe will judge the local acts, and first place winner will receive a \$15 award. She also will be judged in competition with similar winners in other West Texas towns, and the final first choice will be proffered an eight-week summer contract with the revue.

Girls interested in the "Cinderella" appearance are invited to inquire at the Ritz theatre for full information, and to register. The Cinderella Revue is a variety show which includes the following specialties: Marvin Scott and his orchestra, Fawn and Jordan, ballroom dancers; Miss New Orleans, a hotcha dancer; Marvel, magician; and Panko, a trumpet player who also presents Latin-American songs and comedy.

## Wister Novel Now Film At The Lyric

Technicolor is used to bring Owen Wister's novel, "The Virginian," to the Lyric screen today and tomorrow. The western finds Joel McCrea and Brian Donlevy in the leading roles.

While Technicolor films are no longer the novelty they once were, it is seldom that a subject more suitable to the artistry of the color camera is offered fans. "The Virginian," set in the West of Wyoming, lends itself to the new, improved color processes.

Three of the stars are McCrea, Donlevy and Tufts. McCrea is the title role with the portrayal of the staunch defender of law and justice. Donlevy returns to the kind of part that used to be associated with his name before he turned hero in "The Great McGinty"—that of "heavy." He plays Trampas, cattle-rustler. Tufts will be seen as Steve, the Virginian's best friend, who goes the way of Trampas in spite of McCrea's warning, and winds up at the wrong end of a rope.

"The Virginian" is more than an exciting Western story. It is the story of the growth of America, of the spirit of the people who pioneered in its development, and of the land they had to conquer. "The Virginian" has been American folklore ever since Wister wrote it in 1902, when the West was still comparatively wild, and Wyoming even more so. It instantly became a favorite of Theodore Roosevelt, who packed a copy along everywhere he went, even into the African jungles. He regarded it, as did thousands of others, as the best of cowboy novels.

**MAGIC MAN** — Marvel the Magician, is one of the entertainers appearing in the Cinderella Revue, a stage attraction playing at the Ritz theatre Tuesday and Wednesday. The program includes music, dancing, comedy, and is in addition to the customary film fare.

**NO JINX TO HIM**  
CARLSBAD, N. M. (U.P.)—W. S. Moore of Carlsbad picked Friday the 13th to announce his candidacy for probate judge. It was his birthday.

## Mexico Background Is Used In 'Fiesta'

All the color and spectacle of Mexico form a background for the story of a girl that takes her brother's place in the bull ring to save his honor in the M-G-M film, "Fiesta," beginning today at the Terrace Drive-In theatre. The Technicolor movie stars Esther Williams.

This is the picture which was filmed largely in Mexico, with Esther Williams giving a breathtaking performance in the role of a feminine matador.

Miss Williams has the role of Maria Morales who, together with her twin brother, Mario, has been brought up by Antonio Morales, the father who was once Mexico's most celebrated matador. While it is the father's wish that his son follow in his footsteps, it is Maria who has made herself proficient in the bull ring, while Mario has followed his heart's inclination to become a musician and composer. He is willing, however, to make his debut in the ring provided that he later be permitted to study music under the guidance of the noted conductor, Contreras.

The father treacherously turns aside Contreras' offer to help Mario, a fact which the latter discovers only when he is about to enter the ring for his first fight. As a result, he leaves the arena disillusioned and is boomed by the spectators as a coward. He disappears, and in order to bring him back Maria subsequently fights in the bull ring under his name. It is not until he hears one of his compositions conducted over the radio by

**"MISS CINDERELLA CONTEST"**

A PRIZE AND A CHANCE AT PROFESSIONAL STAGE WORK FOR A LOCAL GIRL!

Girls with dramatic talent are wanted — and are invited to appear in the "Miss Cinderella" contest during the Revue at the Ritz Tuesday and Wednesday. A professional judge will name the winning contestant, who will receive a \$15 cash prize, and who will compete with other cities' winners for a regional title. This final winner will be proffered an eight-week summer contract to tour with the Revue, at \$75 per week. If you can sing, dance, play an instrument, or have other dramatic talent, enter now!

AUSTIN, April 3 (AP)—Texas' Wallaceites flatly deny they have any designs to meddle in Democratic party affairs this year.

They don't want to have anything to do with the democratic precinct, county or state conventions. That makes it mutual, because the democratic leadership doesn't want friends of Wallace at their conventions, either.

Gov. Beauford H. Jester made this clear here recently when he revealed the party leadership is raising a war chest to fight what

he called "leftist" elements who are trying to take control. He was asked if the Wallaceites are going to try to infiltrate the democratic party, and replied:

"We will know more about that after the meeting here Sunday." Jester was referring to the state gathering at which a Texas Wallace for President club was organized and plans were made for a state convention April 25 to form a new political party. It will probably be called the Texas Progressive Party, and it is being organized to make certain Henry Wallace's name is printed on the general election ballot in November in compliance with Texas' complicated election statutes.

Herman Wright of Houston, chairman of the committee, reminded the delegates attending the pre-convention session here that they would disqualify themselves as members of the Wallace party if they attended democratic party sessions. No one argued the point.

Wright and other leaders of the Wallace movement have never been prominently identified in democratic party affairs in Texas, although most of the people questioned by this correspondent at the meeting here said they had been democrats.

Notably absent from the Wallace movement are any of the topflight leaders of the pro-Roosevelt faction of the democratic party that won control of the party machinery in Texas in September, 1944. Many of them are active now as pro-Truman democrats.

Wright is a Houston labor lawyer. Ben Ramey of Houston and Joe Bailey Irwin of Dallas have been active in young democratic affairs, but not since the middle-of-the-road group won control. Arthur Mandell of Houston is a labor lawyer.

The Wallace meeting was opened with prayer by a Negro minister, the Rev. Stacy Adams, who has been a democratic precinct committeeman in Dallas. He said he would resign, since he has identified himself with the Wallace party.

There was a great deal of talk against racial discrimination at the Wallace meeting, which was held at a dinner club where no objection was raised to admitting Negroes or Latin Americans. They sat down with the Anglo Americans in the business session, and at lunch, except in one instance, and this did not involve a Negro.

Two Anglo American women delegates were seated at a table which had places for four. A hostess asked if she could seat a Latin American delegate, and one of the women was heard to say plainly she would prefer not.

The Latin American was found a place elsewhere.

**Sowell Transferred Inside Germany**

WIESBADEN, Germany, April 3—Cpl. Clold J. Sowell, son of Mrs. J. C. Sowell, 205 Gregg, Big Spring, Texas, has been transferred from the headquarters of the 5th weather group at Wiesbaden to the weather station at Furstenfeldbrunn, Bravaria as a weather observer. Cpl. Sowell entered the air force on Dec. 20, 1945 and arrived in Germany in Sept. 1946. He has served with the occupation forces as weather observer at Nordholz on the North Sea and at Bremen before going to Wiesbaden. His wife resides at 29 Redding road, Falkirk, Scotland. Cpl. Sowell attended the high school in Big Spring and was employed by Anderson Music company.

**Colorado To Elect Two City Aldermen**

COLORADO CITY, April 3—Colorado City voters will elect two of four prospective aldermen in a city election called for Tuesday, April 6. Candidates are Earl Biddey, standing for re-election, N. M. Caddell, Sam Majors, Jr., and G. I. Hardin. Two vacancies on the city board occur with the expiration of the terms of Biddey and of R. H. Barber, veteran members of the council. Majors and Hardin are both young veterans of World War II and each is in business here now. Caddell and Biddey, also active in civic affairs, both fought in World War I. The race is drawing keen interest and a record vote is expected in one of the few contested city-post elections in recent years.

**Final Tributes Set For Margaret Brown**

Final tributes will be paid to Margaret Brown, killed last Thursday in an auto accident near Fort Smith, Arkansas, at three p. m. Sunday in Ranger. The victim is a former resident of Big Spring. No details of the mishap were available.
