MIDLAND, TEXAS, FRIDAY, SEPTEMBER 8, 1922

NUMBER 49

OUR RODEO WAS A SPLENDID SUCCESS

MANY VISITORS AND THE COW-BOY SPORTS FINEST IN MANY YEARS

The Rodeo has come and gone and once more Midland is settling back to normalcy. The management of the Rodeo this year deserves the unlimited thanks and praise of the entire community as they have labored hard and made a great success of their efforts. Midland has had the pleasure of entertaining as her guests during these few days men from all over the West and from other States and as a whole the citizens have been unusually attentive and courteous to their every wants. It makes us happy to have so many people with us and we wish we could do something to keep many of them after they get here.

Early Monday morning, if one would look out any road leading into town he would see large numbers of people coming to the Rodeo, and we venture they were not all disappointed in what they saw. The Midland band, composed of local boys, and under the efficient direction of J. M. Gilmore, furnished the music and it was a credit to our boys that they were able to do so well, and we have heard in our day many bands of more experienced players who could not have done better. Our hats are always off to home talent.

The parade early Monday morning announced that the big events had started. The band lead the parade up Main street, followed by a long line of cowboys, and cowgirls dressed in their chaps and many colored shirts. It was the beginning of the "good times" and those in the parade let all on the sidewalks know that they were there for the fun.

The roping year drew some of the best ropers in the whole country because there were purses large enough to attract men who follow the game. Our local men were able to make a most creditable record and were able to make fast time. To say that there were some world records smashed might show you that it took good work to get in on the money this year. The roping was the fastest and best Midland has ever had. If they beat it next year they will have to show us before we can believe it.

The riding was so good that during the three days there was only one man to leave his horse and that was due to a lost spur. The broncs were bad enough the first day, but by the time the last day arrived they had their heads on the ground for real old time bucking and the stands were given many thrills as the boys rode all they brought out. The steers made mighty efforts to rid themselves of the riders and one or two cases they did, but most of the boys rode on to the fence.

There were several fine horse races which always creates excitement in the stands. John Dublin's "Judge" won both the races in which he was entered and made fine time for a young horse. The relay race was most interesting as it required three horses for each rider.

The Rodeo was a success and this was shown to the management by the large crowds which gathered each day to see the contests. We wish it were possible to publicly give each man credit for what he has done to make this Rodeo a success and to give the contestants their just praise, but as that is impossible we will say to one and all that your work made this the finest Rodeo we have had in a long time. The results are given in detail in another part of the paper and you can keep it as a record of the Rodeo of 1922.

Judge A. N. Brown and family are moving this week to Mineral Wells to make their future home. We regret very much to lose these esteemed people from the community, but trust their new home may be pleasant in every way for all.

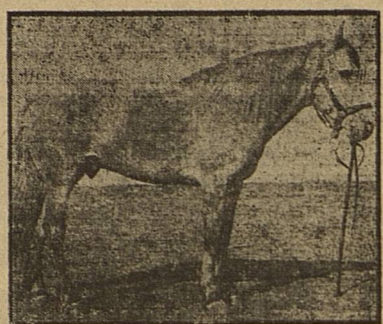

Mrs. Rosa L. Boyd and son, Robert, after visiting her sister, Mrs. V. R. Dockray, and family, left last Sunday evening for their home in Cleburne.

Misses Lillie E. Williams and Ola Mae Dublin were visitors on the Hutchison ranch last week.

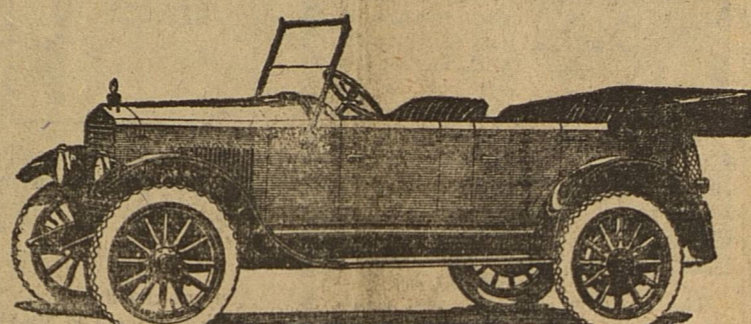

C. B. Dunagan returned Sunday from a few days' visit to Dallas.

Stop-Look-Listen-Big Rally Day

At the First Baptist Church, Sunday, Sept. 10th

Hitch Up Your Horse.

Crank Up Your "Lizzie."

Come in your 2-cylinder

"Bring your fathers and your mothers, Bring your sisters and your brothers, Bring your uncles and your aunts, Bring your grandmas and granddaddies, Bring your friends and your neighbors, Bring your kiddies and your babies, No matter what kind of weather We will have a good time together."

Next Sunday, September 10th, is Rally Day in the Sunday School and Preaching Services at the First Baptist Church. Our aim and desire is to rally the full strength of our school and church for the fall campaign. Every member of the church and Sunday School is expected to be present. The Heart-Warming Big Sing begins at 8:00 p. m. Sunday evening and lasts twenty-five minutes. Big choir and orchestra leading.

Visitors Receive a Cordial Welcome

YOUTHFUL PRODIGES HAVE KINSMAN HERE

Our townsman, W. A. Dean, brought in a clipping one day this week, taken from a Tucson, Ariz., paper. It showed the bright faces of his and his wife's great niece and nephew, whom this Tucson paper speaks of in the caption as "Tucson youngsters are rated as infant prodigies following rapid progress in school." The young people are grandchildren of T. A. Dean, our Mr. Dean's brother, who visited in Midland some months ago. Following is the comment by the Tucson paper:

Again and again has the world been interested in the advent into fame of the so-called "infant prodigy," and as one by one of these small but glorified beings have made their appearance in the limelight of popular recognition by right of unusual mentality and achievement, each has won his share of acclaim and approval.

In the Old Pueblo, the appearance of the infant prodigy has not been unheard of in the past, and from present indications will continue to bear up its celebrated percent—all of which leads to mention of one small Guenivere Elizabeth Dean, eight years old, yet possessed of a brain capable of mastering high school subjects, and her still smaller brother, six years old, who is in the third grade after a few months of attendance at school. These two youngsters are the daughter and son of A. A. Dean, for-

merly of Benson, and the grandchildren of T. A. Dean, of Phoenix, who has for years been connected with the Southern Pacific Company as road master.

Little Miss Dean, who was eight years old in March, has attended school in Tucson during the past winter, and such has been her progress that while her designated grade in school is the sixth A, extraordinarily high for a child of her age, she has been allowed to forge ahead in a number of subjects for which she has seemed especially adapted, with the result that in mathematics, she is almost ready for algebra, and in English she is capable of doing the work of the ninth grade, verification for the above statements having been received from Miss Marie Meyer, one of the teachers of the Tucson public schools, and from Madame Marie Belchere, a local teacher, who was formerly language director in the United States army.

To see a pretty, curly headed little miss of that age computing interest, delving into fractions, and pointing out decimals with the ease of an experienced bank clerk is an unusual experience, but that is the privilege that is awarded to the family and friends of little Miss Dean.

However, though she is somewhat of a bookworm, she is also a healthy, happy child with a delight in dolls, little girl games, and the scores of other diversions which are a part of normal childhood.

Atwood Dean, Jr., is a typical boy, whose bright alertness is indicative of a keen mind that is fast improving.

He is now in the third grade, having made the first three in 15 months of school. Unlike his sister, however, he displays little tendency toward "bookwormishness," but seems to rely on the spur of the moment to get him by—and it has so far.

These two children will re-enter the public schools of Tucson next year, and in view of their past records, great things are expected of them.

ONLY A FEW ACCIDENTS AT RODEO THIS WEEK

There is naturally a great deal of danger attached to riding wild steers and bucking brochos—and they had the wildest in the West this year—and in the roping contests, but Midland was unusually lucky and fortunate this year in the small number of accidents during the three days of the Rodeo. One or two men were badly jarred by falls, but these were soon a thing of the past. Bug Means suffered the hardest fall when on his last roping contest the fast horse he was riding was caught in the rope with the cow and horse and rider went to the ground in a mighty bad fall. He was knocked unconscious but was not seriously hurt. Soon after this accident, Mrs. Booger Red, the noted steer rider of the West, was coming out of the chute on a pitching steer when her head hit the chute and she was knocked from the steer and badly bruised, but not seriously hurt. Ed Roundtree had a horse to stumble and fall on him, spraining an ankle.

Mr. and Mrs. Will Van Huse are in this week from the ranch south

LUCKY OUT OF HUN- DRED TEN THOUSAND

It seems that some people are just naturally born lucky while others have luck thrown at them. The merchants of Midland have been giving tickets away with each dollar purchased for the past few weeks and each ticket was a chance at a Ford to be given away the last day of the Rodeo. On the last day at the announced time, there was not enough space left vacant in the grandstand to hold a baby, as every one knew they had the lucky number. At the hour a ticket was drawn from a large barrel of tickets and announced, and Jack Birt of the City Drug Store, walked out of the crowd and stepped into his new Ford, and with one long honk, left the grounds grinning from ear to ear. There then descended upon the race track a shower of tickets sent from the hands of disappointed holders. It is some lucky man that is able to hold the ticket when there were over one hundred thousand in the barrel. Any one of ye editor's 654 tickets would have been much more desirable as the lucky one, but as it wasn't we don't know of a more attractive grin than Biard's.

W. A. Hutchison and family are moving back to Midland this week from their ranch to be in for the school term.

Mrs. Patterson, of Winters, is the guest of her father, Captain A. B. Hutchison, on the Proctor ranch.

NEW FALL MERCHANDISE

Every day brings us something new in our Dry Goods department, and we are very enthusiastic over the values we are enabled to offer our trade during the coming fall.

LADIES SUITS, COATS, DRESSES

You will find our Ready-to-Wear department showing some wonderful values when you compare the styles and quality of the materials. We had no stock left over from last season, and you know you are getting only the newest when you buy from us.

SEE THE NEW FALL MODELS

GINGHAMS

We have just opened a case of 32 Inch Zephyr gingham and the patterns are very pretty. This is a very fine quality of gingham and priced to sell for only 35 cents the yard.

We expect another case of 36-inch gingham this week to sell for 25c the yard—excellent quality.

WOOL SERGES

36-inch Storm Serge, 75 and 85c the yard
40-inch Storm Serge \$1.25 the yard

36-inch French Serge, 1.25 the yard
40-inch French Serge, 1.50 the yard

OFFICIAL DETAILS OF RODEO EVENTS

COWBOY SPORTS SPECTACULAR
AFFORDING CROWDS
MANY THRILLS

The Reporter was unable to get official details of Rodeo events until this morning, and we possibly haven't everything even now, but as nearly as we could get them, they were as follows:

Bronco Riding

- 1st Day:
1st. Billie Wyche, \$50.
2nd. Norman Woody, \$30.
3rd. Doak Heard, \$20.
- 2nd Day:
1st. Bill Rogers, \$50.
2nd. Wilbur Snyder, \$30.
3rd. Doak Heard, \$20.
- 3rd Day:
1st. Bill Rogers, \$50.
2nd. Bill Wyche, \$30.
3rd. Arthur Schnaubert, \$20.

Steer Riding

- 1st Day:
1st. Bob Crosby and Norman Woody, Split 1st and 2nd, \$25 each.
3rd. Bill Rogers, \$10.
- 2nd Day:
1st. Evetts Haley, \$35.
2nd. Arthur Schnaubert, \$15.
3rd. Gilbert Kline, \$10.
- 3rd Day:
1st. Bob Crosby, \$35.
2nd. Arthur Schnaubert, \$15.
3rd. Bill Rogers, \$10.

Racing Contests

- 1st Day:
1st Day—Quarter Mile:
1st. John Dublin, \$50.
2nd. Fowler, \$30.
3rd. Woody Bros., \$15.
- Cowpony Race:
1st. Roy Jennings, \$40.
2nd. Henry Thompson, \$30.
3rd. Jess Slaughter, \$10.
- 500 Yard Race:
1st. Henry Thompson, \$30.
2nd. W. W. Brunson, \$40.
3rd. Dr. Bloss, \$20.
- Relay Race:
1st. Cotton Waddell, \$60.
2nd. W. W. Brunson, \$30.
3rd. Clarence Scharbauer, \$20.
- 2nd Day—500 Yard Race:
1st. Woody Bros., \$75.
2nd. Henry Thompson, \$35.
3rd. R. H. Denson, \$20.
- 400 Yard Race:
1st. W. W. Brunson, \$35.
2nd. Bob White, \$20.
3rd. Bill Nix, \$10.
- Quarter Mile Race:
1st. Dr. Bloss, \$40.
2nd. Woody Bros., \$20.
3rd. Fowler, \$10.
- Shetland Pony Race:
1st. K. E. Nutt, Jr., \$10.
2nd. R. M. Clayton, \$5.
3rd. W. W. Brunson, Jr., \$2.
- Relay Race:
1st. G. H. Coyle, \$60.
2nd. W. W. Brunson, \$30.
3rd. Cotton Waddell, \$20.
- 3rd Day—400 Yard Race:
1st. John Christy, \$35.
2nd. Roy Jennings, \$20.
3rd. Bob White, \$10.

- 500-Yard Race:
1st. Woody Bros., \$100.
2nd. Woody Bros., \$50.
3rd. Dr. Bloss, \$25.
- Quarter Race:
1st. W. W. Brunson, \$40.
2nd. Woody Bros., \$20.
- Relay Race:
1st. R. M. Clayton, \$60.
2nd. Cotton Waddell, \$30.
3rd. W. W. Brunson, \$20.
- Old Man's Roping Contest:
1st. J. P. Collins, \$40, in 12 sec.
2nd. S. B. Carr, pair shop made shoes, in 14 sec.
3rd. W. N. Connell, \$10, in 17 sec.
- Best All Around Horses:
1st. Elmer Jones, \$25.
2nd. Barney Hopkins, pair shop made boots.
Best general average, all contests, Elmer Jones, pair \$80 boots.

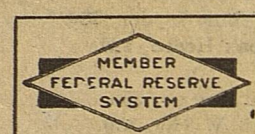

Calf Branding

- 1st Day:
1st. Louis Jones, 28, \$100.
2nd. Jess Thorn, 29, \$75.
3rd. Woody Tullos, 32 2-5, \$50.
4th. Bob Crosby, 35 2-5, \$25.
- 2nd Day:
1st. Will Nix and Ellis Cowden, \$0 2-5, split \$175.
2nd.
3rd. Allen Holder, 31 3-5, \$50.

To Be Worthy of Your Confidence

is a matter of deep interest with us. We appreciate that a bank's success is largely due to its willingness to serve its customers well, in addition to safeguarding their funds. The realization of this duty to our customers has given us the reputation for service which we enjoy. All of the benefits of this service are yours if you bank here.

First National Bank
Midland, Texas

TEXAS ANTI-SALOON LEAGUE RESOLUTIONS

There was a meeting of the board of managers of the Anti Saloon League of Texas in Dallas on August 26th, and a copy of the resolutions passed has just reached our desk, coming from Rev. Atticus Webb with request for publication. We are very glad to grant this request, and the resolutions follow herewith:

Whereas, during the three years of national prohibition the newspapers have admitted to their columns a superabundance of jokes at the expense of the prohibition law; cartoons ridiculing prohibition and the prohibition amendment, prohibition enforcement officers and articles concerning the violation of the law, written designedly to destroy respect for the law; and

Whereas, the moving picture shows have all too often shown upon the screen slurs, jokes and innuendoes and positive statements designed to create disrespect for this law. And

Whereas, prohibition is written into the fundamental law of both State and nation and must and will be respected by every loyal American. Therefore, be it

Resolved, that the Anti Saloon League call upon the loyal American publications to exclude from their columns any further jokes or articles calculated to break down respect for the constitution of the United States.

Resolved, second, that we call upon these publications to cease to refer to the federal officers charged with the responsibility of enforcing the prohibition laws as "Hooch Hounds," "Sluths" and other terms lacking in respect for the position of one thus commissioned by the federal government.

Resolved, third, that we respectfully request the moving picture shows and legitimate stage to exclude from their programs everything that is calculated to create disrespect for the law and the officers charged with the responsibility of enforcing it.

Resolved, fourth, that we call upon the citizens of Texas to manifest their loyalty to the government by personally showing respect to the law and refusing to be a party to its violation and to render every assistance toward the enforcement of the law and create the highest respect for the officers commissioned to its enforcement.

SUMMARY OF NATIONAL BUSINESS CONDITIONS

(Compiled August 25, by the Federal Reserve Board, from the reports of the twelve Federal Reserve Districts.)

The outstanding feature of the month has been the inherent soundness which the general business situation has manifested in the face of the difficulties encountered. This has been shown by the continuance of activity at a relatively high level despite labor disturbances and despite the recession of activity normally expected at this season of the year. Prices of important commodities continued their upward tendency during July, but during August conflicting tendencies were apparent. The excel-

lent agricultural prospects provide an encouraging outlook for the fall trade. Furthermore, increase of demand for certain commodities to compensate for restricted output or delay in placing orders is also in prospect. Even so, business must necessarily proceed under handicaps for some time to come as a result of fuel shortage and transportation difficulties.

Manufacturing activity in general has been maintained at a high level. In those industries, such as automobiles and building construction, in which seasonal recession is shown, activity is still far in excess of a year ago. Cotton manufacturing likewise shows some decrease, but the reverse is true of woolen manufacturing. The output of non-ferrous metals other than copper has also increased, but iron and steel actively shows some decline. Bituminous coal production has increased steadily during the present month. The labor situation showed considerable improvement during August. The bituminous coal strike has been settled in many fields and the majority of the New England cotton mill workers have returned to the factories.

Agricultural prospects on the whole continue very satisfactory. Wholesale trade suffered a decline during July as compared with June in all lines except dry goods, but most lines were in a better position than a year ago, especially hardware. Retail trade, however, was slightly smaller than last year.

Financially few new developments occurred during the month. The rapid decline of the mark has been the outstanding feature of the foreign exchange.

DON'T DELAY

Some Midland People Have Learned That Neglect is Dangerous

The slightest symptom of kidney trouble is far too serious to be overlooked. It's the small, neglected troubles that so often lead to serious kidney ailments. That pain in the "small" of your back; that urinary irregularity; those headaches and dizzy spells; that weak, weary, worn-out feeling, may be nature's warning of kidney weakness. Why risk your life by neglecting these symptoms? Reach the cause of the trouble while there is time—begin treating your kidneys at once with a tried and proven kidney remedy. No need to experiment—Doan's Kidney Pills have been successfully used in thousands of cases of kidney trouble for over 50 years. Doan's Kidney Pills are used and recommended throughout the civilized world. Endorsed at home. Read Midland testimony.

Mrs. D. A. Price, Wall St., says: "I used Doan's Kidney Pills for rheumatic pains and a weakness of my kidneys. I think they are a fine kidney remedy. I procured Doan's at Taylor's drug store and advise anyone troubled with their kidneys to use Doan's."

Price 60c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Price had. Foster-Milburn Co., Mfrs., Buffalo, N. Y. adv 48-2t

No Substitute Offered

Say what you will about druggists offering something "just as good" because it pays a better profit, the fact still stands that ninety-nine out of a hundred druggists recommend Chamberlain's Colic and Diarrhoea Remedy, when the best medicine for diarrhoea is asked for, and do so because they know from what their customers say of it, that it can be depended upon.

The American Legion

(Copy for This Department Supplied by the American Legion News Service.)

WAR RECORDS OF GRANDDADS

Mrs. Edward W. Burt of North Carolina Working on Hereditary Society Plan.

"Granddad, what did you do during the war?" will be the special query of the young Americans of the next generation that Mrs. Edward W. Burt of Salisbury, N. C., has set herself out to answer. Mrs. Burt is chairman of the American Legion Auxiliary committee to perpetuate the organization in a hereditary society.

The Auxiliary, in its present make-up, is composed of mothers, wives, daughters and sisters of the members of the American Legion, and of the women of the same status who lost men in the World war. There is no Junior society to the Auxiliary or to the Legion, such as there is to other patriotic societies—for instance, the Sons of the Revolution—but when a generation has passed undoubtedly such a society will come into existence. It is to prepare the way for an hereditary society, composed of the daughters and granddaughters of World war veterans, that Mrs. Burt is working. Her plan will include incorporation into the Auxiliary records of the war records of the Legion men, so that future genealogists will have no trouble in locating the war records of their granddads.

THE VETERAN OF SEVEN WARS

Robert Bruce MacGregor of Seattle, One of Eleven Survivors of His Old Regiment.

A veteran of seven wars at forty-eight years of age, Robert Bruce MacGregor of Seattle, Wash., says that his days on the battlefields are forever over and that he expects to devote the remaining years of his life to peaceful activities.

Mr. MacGregor served in the World war with the original Princess Pat regiment, which numbered 1,093 men in 1914. Eleven of that 1,093 are now alive and only two of the eleven can walk. Mr. MacGregor is one of the two.

He fought in the Philippines during the Spanish-American war, in China during the Boxer rebellion, in South Africa during the Natal rebellion, the Matabele uprising and the Jamieson raid. Twelve medals, four decorations and wounds which keep him constantly under the doctor's care constitute his spoils.

Although Mr. MacGregor has left the battlefield, he believes that there are peacetime battles to be fought. He has been fighting unemployment in Seattle for a number of months. He recently landed jobs for 236 former soldiers. More than that, he has adopted and is educating a fifteen-year-old boy.

DESIGNS THE LEGION POSTER

Drawing by Clarence Reeder, Newspaper Artist, Advertises the Big Meet at New Orleans.

Nineteen New Orleans artists competed in a contest for a poster to advertise the American Legion national convention, but a former "top sergeant" won the prize of \$100. Clarence Reeder, staff artist of a New Orleans newspaper, who drilled rookies at Camp Pike during the World war, drew the winning poster.

The successful design represents a doughboy, a sailor and a marine in uniform, looking at a guidebook, labeled "New Orleans, the Paris of the U. S. A.," with a view of the famous French quarter below. Above the three figures are the Legion emblem and the words, "Oh, buddy, let's go," and below, "American Legion National Convention at New Orleans, October 16-20."

Forty thousand copies of the poster will be sent to all Legion posts and will be on display in railroad stations in many parts of the country.

Boycott Them.

"Now, children," beamed the Sunday school teacher, "who can suggest the lesson we are taught by the downfall of Samson? Very well, Georgia. 'Don't patronize women barbers, ma'am.'—American Legion Weekly.

Timely Items — Extra Values

Monday Morning, Back to School, and this Store will save you money on the necessary items that this event demands.

Knickers for the School Boy

Just in time for school, the arrival of the fall assortment of Knickerbocker pants for the boys from age 7 to 18, all lined, which adds much to the service and comfort. \$1.25, \$1.50, \$1.75, \$2.00 and \$3.50

New Fall Caps

Any cap fits any boy. You wonder about that. It is a splendid new patented feature that permits the size adjustment so that the cap the boy likes will fit him. No elastic, just a simple feature that adds to the appearance. Surefit caps in all the new tweeds at \$1.50 to \$2.50. School caps of the usual make, splendid values at 75c, 85c and \$1.00

Tom Sawyer Blouses and Shirts

A splendid assortment of school blouses in sizes 6 to 14 years in absolutely fast color madras and chevots, each \$1.00. Tom Sawyer Shirts for boys, size 12 to 14, at \$1.00, \$1.35, \$1.75 and \$2.50. Boys' blue and striped chevot shirts, each 75c.

Remember, every Tom Sawyer Shirt or Blouse is warranted fast color and we will replace any that fades.

Parker-Knit School Stockings 25c

Without question here is the best school stocking made today, to sell at 25c the pair. Double knee, heel and toe in black only, sizes up 10 1-2, the pair 25c.

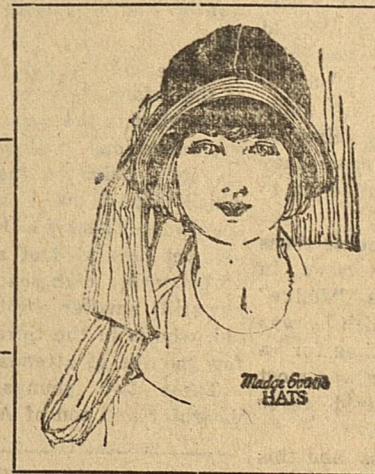

Cadet Stockings Are the Best in the World

There is no other stocking like Cadets and as you well know, every pair is guaranteed with a guarantee that means another pair if not satisfactory in every respect. Cadet Stockings are the Cheapest, because they wear without darning or mending. In full length, or three-quarter length, black, brown and white. All sizes, the pair 50c.

Children's School Shoes

This store will save you money on good shoes for boys and girls. We recommend and stand squarely behind every pair of shoes we sell and if for any reason, any shoe we sell you does not give the service you think it should, for the price paid, we want to know about it.

Madge Evans HATS for Little Ladies

Again, we are proud to be able to offer our customers a line of the highest quality merchandise that is shown in any city.

Madge Evans hats are the highest grade children's hats made and this store offers these at prices that will range considerably less than city stores ask for the same merchandise. Madge Evans hats are priced at \$2.50, \$3.85, \$4.50 and up to \$7.50.

Wonderful Values in New Fall Ready to Wear

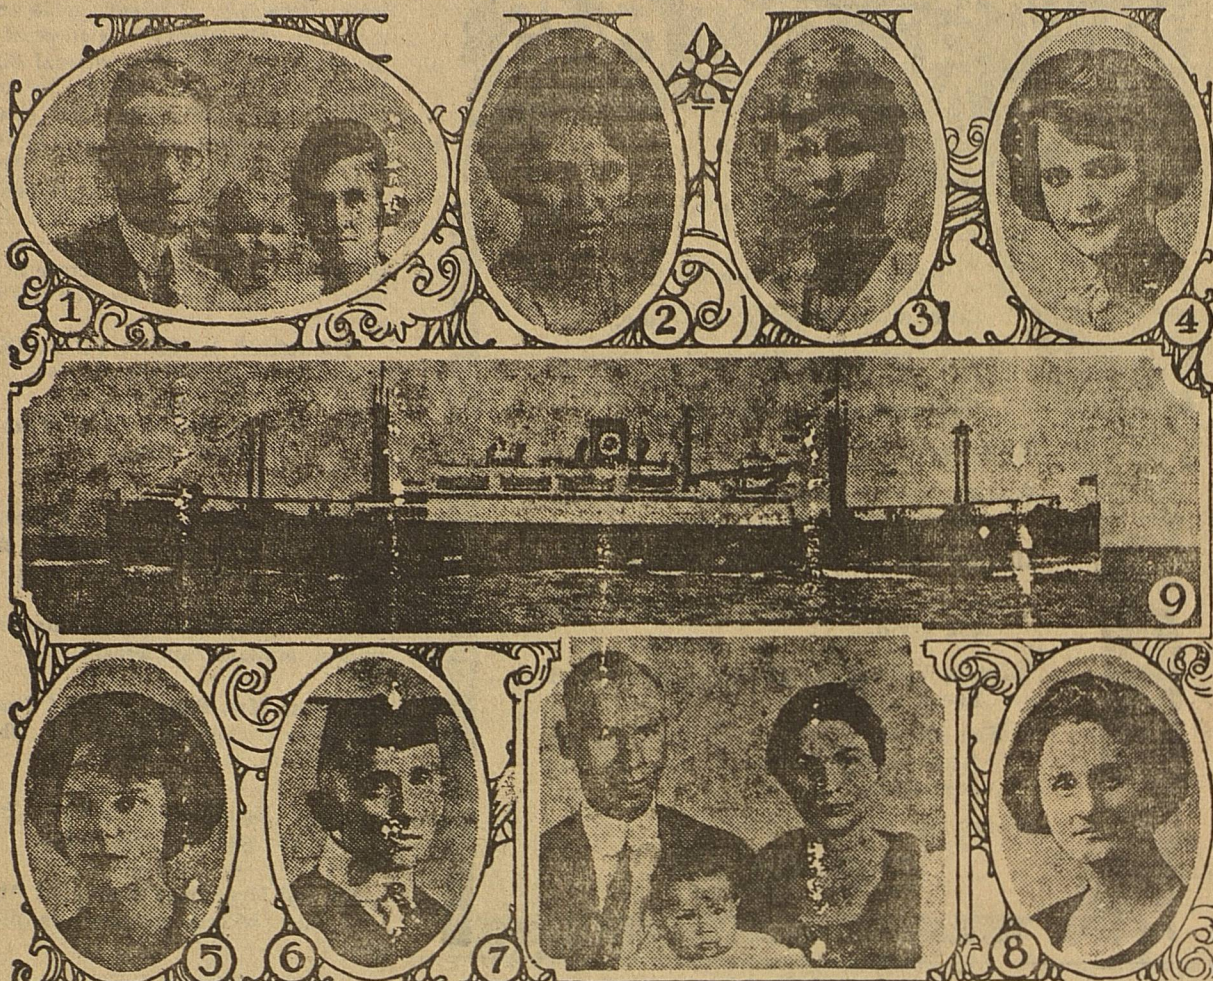

We doubt there is a store in any city of ten thousand inhabitants that carries the high quality, well known, nationally advertised lines of merchandise that this store shows. We know you will find more of these high grade lines of merchandise in this store than you will find in all the other stores in this town.

Quality Merchandise at Less Price is building this business bigger every day. Every day we are working harder to make this the best store in West Texas.

ONE PRICE THE LOWEST FOR CASH ONLY

Ten Young Texans Sail For Foreign Mission Service In Distant Lands

Mr. and Mrs. Paul C. Porter and young daughter (1) of Waco, who will do educational work at Sao Paulo, Brazil; Miss Josephine Ward (2), Austin, who will do educational work in Kaifeng, China; Miss Louise Willis (3), Waco, who will do educational work in Kaifeng, China; Miss Lois Howard (4), of Brownwood, who goes to North China; Miss Jennie L. Swearingen (5), Bellville, who will do educational work at Bellohorizonte, Brazil; Rev. J. R. Mashburn (6), DeKalb, who will do evangelistic work in China; Dr. and Mrs. W. P. Meredith and young daughter (7), of Pecos, who will do medical work at Ogomoso, Nigeria, Africa; Miss Nell Hall (8), Hightower, who will teach home economics in Kaifeng, China.

WITH the sending out this season of fifty new missionaries by the Foreign Mission Board of the Southern Baptist Convention, 250 new workers have been sent to foreign fields during the 75 Million Campaign, or one-half the goal that was set in the number of workers to be provided during that movement. It is anticipated the remaining 250 will go out during the remainder of the Campaign period that will expire in December, 1924. The workers going out this season will enter the fields of China, Japan, Africa, Palestine, Brazil, Argentina, Uruguay, Chile and Mexico.

Inasmuch as the largest missionary effort of the denomination is centered in the Orient, the larger portion of the workers sailed from Seattle Saturday, September 2, on the Admiral Liner President Jackson for stations in China and Japan. The missionaries for fields on other continents sail from New York on various lines and some of them will not depart until September 30.

Varied Types Workers Sent
Included in the list of missionaries are preachers and evangelists, teachers, doctors, nurses, one architect, one expert in domestic science, and special workers among women and children. William Earle Hines of Spartanburg, S. C., who goes to Shanghai to supervise the construction of all missionary buildings in China, enjoys the

distinction of being the first architect ever sent out by the Foreign Mission Board, and his appointment indicates the vast extent of the Southern Baptist work in that country. More than half of the total number of missionaries in the employ of this board are located in China, where the results of their labors are very gratifying to the officers of the Board.

Large interest centers, also, in the launching of an intensive missionary work in Palestine, to which country there go Rev. and Mrs. Fred Bunyan Pearson of Moulton, Ala., and Rev. and Mrs. J. Wash Watts, of Laurens, S. C. Some native missionaries are already at work in Palestine, and the outlook there is considered very encouraging, despite the present complicated political and racial controversies.

Campaign Brings Enlargement
In addition to the sending out of 250 new workers to foreign fields the 75 Million Campaign has made it possible to increase the number of native workers from 771 to 1172, to practically double the missionary equipment in the older fields of China, Japan, Africa, Italy, Brazil, Argentina, Chile, Uruguay and Mexico, and to enter the new fields of Spain, Jugo-Slavia, Hungary, Roumania, Southern Russia, Palestine and Siberia. Southern Baptists now have a practically unbroken string of mission fields encircling the globe, and a possible mission audience

of 900,000,000 people, or one-half the total population of the globe.

And the results on the field have kept pace with the larger investment in the work and number of workers. Since the outset of the Campaign the Foreign Mission Board reports the organization of 117 new churches, 21,723 baptisms, 211 new Sunday schools with a gain of 17,576 pupils, native contributions to Baptist work of \$1,003,330.68, and 529,642 treatments administered by missionary physicians. Churches on the foreign fields, exclusive of the new territory in Europe and the Near East, now number 622 with 64,251 members. There are also 971 Sunday schools with 53,691 pupils, and 694 mission schools of all grades with 26,507 students.

Expense Rate Is Low
More than \$6,250,000 net has gone from the Campaign into foreign mission work, and so economically have these funds been handled, the Board reports, that 96.24 cents out of every dollar has actually reached the foreign fields, only 3.74 cents out of each dollar being required to care for the total cost of administration. But with these larger receipts and economical administration the Board is unable to meet the demands upon it, and at its last annual meeting it was compelled to reduce the requests of the missionaries on the field for appropriations by more than \$1,000,000.

OIL DEVELOPMENT IN THE BIG SPRING FIELD

The Big Spring Herald reports delay in progress of wildcatting in that field, principally on account of water shortage. However there are prospects for more tests, and the outlook continues bright. The Herald reports for the week as follows:

In the Iatan-Westbrook Section

With drilling on five wells in the Iatan-Westbrook oil fields suspended on account of a shortage of water, the activity in that field is curtailed to a great degree. Fishing jobs and other handicaps are also confronting those making deep tests in that field.

Interest centers at present on three tests, these being near the producing sands. The La Sure No. 1 in section 41, south of T. & P. No. 2 and Morrison No. 2; the Stewart No. 1, northwest of Iatan and the Foster No. 2, southwest of Iatan. The Stewart and Foster No. 2 are not far from Foster No. 1 of the Colorado-Texas Company which is the only producer in the Iatan section. At present the Stewart No. 1 is temporarily shut down due to a water shortage and Foster No. 2 has a fishing job.

Fensland's Read No. 1, northeast of Coahoma, little or no progress has been made this week due to breaking a drill stem. Another drill stem sent to replace the broken one was found to be cracked and a third one is expected to arrive today so drilling can be resumed.

The Magnolia Petroleum Company have secured a water supply and are now drilling below 600 feet. Their location is four miles south of Iatan.

A fine gas showing was encountered in Etta-Brennan No. 1, last Saturday at 3215 feet. Oil encountered at a shallower depth was sprayed over the derrick by this gas.

The contract for another test was announced by representatives of the Rio Grande Oil Company of El Paso. Location has not been announced but is supposed to be on the Badgett tract 15 miles northwest of Colorado.

The California Company is planning a long stay and a thorough test for this section. This company continues to purchase all leases they consider favorable and their holdings are considerable.

Cushing Ranch Drilling Association

The work of drilling on Enders-Cushing well No. 1 on the Cushing ranch 20 miles southeast of Big Spring, has been going forward steadily and this test has now reached a depth of 3900 feet, the deepest test well in this section. After passing through 500 feet of gray lime the bit has encountered a yellow or brown lime which is very bituminous. Since this formation has been struck it is not known just how favorable it may be. Rainbows have been noticeable on the slush pit and the drillers are of the opinion that something good may develop very soon.

H. H. Enders, of Boston, president of the Cushing Ranch Drilling Association, and W. F. Cushing, field superintendent, are of the opinion that the changed formation indicates that they may encounter pay sand.

The Sparkman test of this company is drilling at about 575 feet.

Work on the McIntyre well has not yet been resumed.

At McDowell Well No. 4

The drill is pounding away steadily at McDowell well No. 4, of the General Oil Company, 20 miles south of Big Spring. This well is now down to a depth of 3560 feet the formation being a dark lime or a black lime, according to the view of some oil men in this district. Robert Helms, in charge of drilling, states that he is regularly averaging fifteen feet in this hard formation.

H. D. Conley, superintendent of operations for the General Oil Company in this district left Thursday for a business trip to points east.

California Company Buys Leases Here

The California Company this week purchased oil leases in the eastern part of Howard County to the value of \$3000. The deal was made through Fox Stripling, of this city. It is also stated that the same company paid \$7,000 for leases in the Jones ranch in the northeastern corner of this county.

The California Company, a subsidiary of the Standard Oil Company, is making extensive oil lease purchases. This company will drill their first test well on the Richardson ranch, 5 miles south of Colorado.

The Ideal Purgative

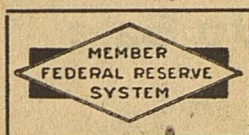

As a purgative, Chamberlain's Tablets are the exact thing required. Strong enough for the most robust, mild enough for children. They cause an agreeable movement of the bowels without any of that terrible griping. They are easy and pleasant to take and agreeable in effect. adv Sep 10

Opportunity Ahead

Many leaders in the nation's business have declared that the future offers greater opportunities than any period heretofore.

Fame and fortune await those who can develop these opportunities. The task demands, in part, the ability to accumulate—to save toward a constructive purpose.

Prove your qualification by developing a personal surplus—build up a strong bank account in this friendly bank.

Famous Pastry Chef Has Tasty Bran Dish

Francois Schmitt

A BRAN pudding, termed by those to whom it was served as "simply delicious," has been evolved by Francois Schmitt, pastry chef of the Hotel Pennsylvania, New York. Here it is:

Four heaping teaspoonfuls bran, one tablespoonful flour, one-half tablespoonful corn starch, four eggs, three tablespoonfuls sugar, one-half cup butter, one-half pint milk. Chop up butter with flour, corn starch, bran and half of the sugar and add to boiling milk; stir well on fire for about one minute, take off, mix in the four yolks. At last add the four whites beaten stiff with rest of sugar. Pour in well buttered and sugared form and set in pan with a little water in bottom and bake in medium oven for about thirty minutes.

Serve with apricot sauce made as follows: Put contents of one small can of apricots through a sieve, add one-half pound of sugar and let boil for about five minutes.

CHANGES MADE IN U. OF T. LAW COURSE

Austin, Texas, Sept. 9.—With the beginning of the long session of the University of Texas the school of law will adopt a two-term session, although all the other departments will continue on the three-term basis.

The University law school was opened in 1838 at the same time as the department of literature, science and arts, now the College of Arts and Sciences. The two departments occupied the same building until the session of 1908-1909, when the law building, a handsome fire-proof structure was completed. The law library consists of about 23,000 selected books and is open to students daily.

The law course covers three scholastic years but the requirements can be satisfied by attendance on three long sessions and three summer sessions of at least ten weeks each. At least two years of the work, or the last long session must be done at the University. The number of hours required for the L. L. B. degree is 1170.

A "Four" That Sets A New Standard

The 1923 Buick Four Touring—\$885

In beauty of appearance, dependability and economy of operation the Buick four-cylinder five-passenger Touring has established an entirely new standard for four-cylinder cars.

Its low body with its clean, straight lines, accentuated by the high radiator and straight hood, give it a long, racy appearance that is new to cars of its class. Massive crown fenders add to this distinction, as do the snug-fitting, shapely top and the handsome drum-type head and cowl lamps.

And with this beauty has come a new riding comfort. The seats are deep and low with full leg room in both compartments. The steering column has been changed in position to increase driving ease and the gear shift lever has been raised to meet the driver's hand. A transmission lock, a windshield adjustable from the inside, and a transmission-driven speedometer likewise are among the many new refinements of this model.

Material changes also have been made in motor, chassis, and body construction which contribute still further to the wonderful performance record characteristic of Buick cars for twenty years.

The Buick line for 1923 comprises fourteen models: Four—2 Pass. Roadster, \$865; 5 Pass. Touring, \$885; 5 Pass. Coupe, \$1175; 5 Pass. Sedan, \$1395; 5 Pass. Touring Sedan, \$1325. Sixes—2 Pass. Roadster, \$1175; 5 Pass. Touring, \$1195; 5 Pass. Touring Sedan, \$1395; 5 Pass. Sedan, \$1395; 4 Pass. Coupe, \$1395; 7 Pass. Touring, \$1435; 7 Pass. Sedan, \$2195; Sport Roadster, \$1825; Sport Touring, \$1875. Prices f. o. b. Flint. Ask about the G. M. A. C. Purchase Plan, which provides for Deferred Payments.

RED CROSS ROLL CALL STARTS ARMISTICE DAY

Starr Cadwallader, manager of the Southwestern Division, American Red Cross, announced recently that official information has been received from the national headquarters of the Red Cross in Washington, designating the period between Armistice Day November 11th, and Thanksgiving Day, November 30th, as the annual membership roll call period of the American Red Cross. Roll call this year will be conducted as in previous years, each chapter being in charge of the work of enrolling members in its own district. Plans for the national and divisional co-operation in the undertaking had not been announced, Manager Cadwallader said.

TEXAS UNIVERSITY OPENS TWENTY-FIRST

The fall term of the University of Texas will open September 21st. Examinations for admission will begin on Monday, September 18th, and will continue from September 21st through Saturday, September 23rd. Candidates for degrees in 1923 may register on any of the three days; other former students only on Friday and the afternoon of Saturday; first-year students only on Thursday and the morning of Saturday. A fine of \$3 will be charged for late registrants. Postponed examinations, examinations for advanced standing, and examinations to remove course conditions will be held on Thursday, September 21st. Applications for examinations must be made before September 14th.

Catholic Church Mass will be on every third Sunday of the month and on the fifth Sunday when there is a fifth Sunday in the month. Beginning of mass at 10 a. m.

Closing Out

Our entire stock of Columbia and Pathe Phonograph Records at a Fraction of Their Cost to Us

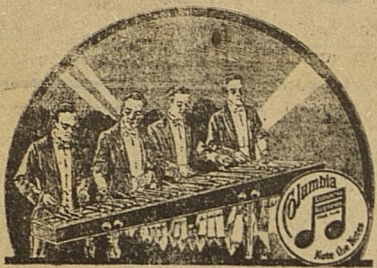

Records that sold for 65c to \$3.50 each are packed in assorted packages containing from six to eight records each. We guarantee the retail value to be not less than \$5.00. Some packages are worth considerably more. These packages are wrapped and sealed. Take your choice at

WILL DANCE FOR DOUGHBOYS

Miss Emily V. Schupp, Duluth, Volunteers Services at New Orleans Convention.

Miss Emily V. Schupp of Duluth, Minn., has volunteered to dance for her doughboy friends at the American Legion national convention in New Orleans next October.

During the war Miss Schupp, who is known professionally as "Lada," entertained thousands of soldiers in the cantonments of America. She has appeared at Legion entertainments in a number of Minnesota cities. Miss Schupp, who is also a soloist, is scheduled to appear at a recital to be given at the New Orleans convention by the Duluth American Legion band, which won first prize over 75 competitors in the band contest held at the Legion convention in Kansas City last fall.

Carrying On With the American Legion

Huge sign boards "telling the world" how to find the American Legion clubrooms have been erected on all roads leading into Riceville, Ia., by the post there.

Auxiliaries fashioned on identical lines with the American Legion auxiliaries have been organized in Canada and in England. In each the women eligible must be wives, mothers, sisters or daughters of members of the war veterans' associations, whose discharge comprises their eligibility. The women of Canada and England visit the disabled veterans and care for their dependents and aid the veterans in obtaining legislation to mitigate their after-war burdens.

GREAT ADVERTISERS SPEND LARGE SUMS

The extent to which makers of nationally known products put their trust in advertising is revealed in a list of the fifty leading American advertisers in 36 publications, which has recently been compiled by the Curtis Publishing Company, for the year 1921, writes the Texas Commercial News.

Not one of the fifty firms spent less than \$250,000 in the publications named. From \$264,000 the expenditures by the various concerns ranged up to \$1,316,095. Three firms went well beyond the one-million dollar mark in their advertising budgets for the year in those thirty-six publications. Thirteen spent more than \$500,000, and less than \$1,000,000, and twenty-seven spent more than \$300,000 and less than \$500,000.

A perusal of the list is interesting to the average American reader of magazines and newspapers for the reason that virtually every name included is familiar to him. The average American can name instantly what each of the firms listed manufactures or distributes. Their names and the names of their products are household words throughout the nation. They got that way through advertising.

The proposition that judicious advertising is profitable could receive no stronger indorsement that is found in these huge expenditures by firms recognized as the most successful in the country. The fact that they are spending many millions annually in advertising testifies to the value of advertising as a vital factor in modern salesmanship.

Business interests that crave success surety will find it profitable to study the advertising methods of these great firms, and emulate their example. What advertising is doing for them, advertising rightly placed will do for the small business man in proportion to expenditure made.

We welcome into our community Mr. and Mrs. J. F. McQuatters and family, of Wichita Falls, who will make this their home. We trust they may soon find that there is always a welcome for new people in Midland.

Julie Driver and family were in from their ranch south for the Rodeo.

- Special Subjects: 1. Singing - Supt. W. W. Lackey, Director 2. Piano Solo - Miss Leola Bigham 3. Reading - Kittie Wolcott 4. Address - Hon. O. W. Fannin

Agricultural and Mechanical College

Rev. I. H. Teel of the Christian church and the organization was perfected by the election of Supt. Lackey as conductor and Mrs. Harry Tolbert as secretary.

The program consisted of three lectures: 1. Lectures by ministers, lawyers and other professional men of the city; 2. special musical and literary selections by talented personages of the city...

Among the treats of the occasion was the address by Dr. Dixie B. Tucker on the Near-East Relief. She is truly a wonderful speaker and has a message that grips her audiences.

Special mention should also be made of the addresses by Rev. W. A. Smith of the Methodist church, and by J. N. Simpson of the Extension Department of A. & M. College...

A number of legal lights who were on the program did not get to appear on account of the fact that district court is in session this week and they were occupied with professional duties there.

Practically all other respects the program was carried out as is indicated below:

SCHOOL OPENS SEPT. ELEVENTH

SEVERAL NEW TEACHERS HAVE BEEN SELECTED TO FILL VACANCIES

Our public schools will open Monday, September 11th, with prospects bright for the session of 1922-23. Entrance examinations are being conducted Thursday and Friday of this week...

Before the war, our usual quota of vacancies was about five each year. Since that time, we have been under the necessity of securing about twice that number of new teachers each year.

Z. A. Williamson

Z. A. Williamson, of Coolidge, Texas, is the new principal of the high school. He was educated in the University of Texas, and Baylor University...

Miss Annie Cowling

Miss Annie Cowling, of Commerce, Texas, has a degree from one of the State normals and has done graduate work in the University of Texas.

Miss Bertha Whittaker

Miss Bertha Whittaker, of Austin, Texas, is an M. A. graduate of the University of Texas, and has had several years of successful experience, having taught for the past several years in the Childress high school...

Miss Clara Wilson

Miss Clara Wilson, of Leonard, Texas, is a graduate of the College of Industrial Arts, and has been teaching seventh grade at Leonard and elsewhere for a number of years.

Miss Mina Graham

Miss Mina Graham, of Bryan, Texas, is a graduate of the Bryan high school and has had about two years in the College of Industrial Arts and Baylor University.

L. L. Thomas

L. L. Thomas, of Goodnight, Texas, is an A. B. graduate of Baylor University, and has had several years of successful experience, having been principal of the high school at McGregor and Mart for the past several years.

coached all forms of high school athletics.

Miss Ruby Barham

Miss Ruby Barham is a graduate of Stephenville college and has been a student in the University of Texas. She has had three or four years of successful experience in the upper grades at Thurber and other places...

Miss Mary Fox

Miss Mary Fox, of Henderson, is a graduate of the College of Industrial Arts and has had three or four years of successful experience, having taught one year successfully in the high school at Plainview.

Miss Irene Henderson

Miss Irene Henderson, of Coleman, is a graduate of Baylor College, and has had several years of successful experience in the schools of Coleman and other places.

Miss Attie Griffith

Miss Attie Griffith, of Seagoville, Texas, was educated in the colleges of Texas and in Berkeley, Cal. She is an expert primary teacher, having been primary supervisor at Graham, Texas, for the past three years.

Miss Allie V. Scott

Miss Allie V. Scott, of Beuna Vista, is a graduate of one of our State normal colleges and has had four years of successful experience, the last two being at Rankin, Texas, under Jefferson G. Smith...

Miss Lois Hutchison left last week for Corpus Christi to attend an institute preparatory to teaching in Dinero, Texas, this year.

Mr. and Mrs. F. F. Gary and daughter, Miss Lillian Frances, attended the Rodeo the first of the week.

S. R. Preston and daughter are in from the Long S ranch for the Rodeo this week.

Miss Bennie Williamson, of Big Spring, is the guest of her sister, Mrs. Harley Meeks.

Joe Caldwell is visiting his parents this week, for the Rodeo.

VOICE - EXPRESSION

MISS JOJO EVANS

Graduate Kidd-Key

If interested call Phone 250 for terms.

Mrs. Weaver and son have returned to their home in Dallas after visiting her sister, Mrs. E. R. Thomas.

Dr. Hudson, of Dallas, representing the Near East Relief Work, is in Midland this week.

Rev. B. K. Tenney returned to his home in Barstow the first of the week.

Henry Wolcott was in this week from his ranch north.

Miss Clella Denton is recovering this week from a slight operation and is greatly improved.

Mrs. Aldredge Estes, of Monahans, is visiting her father, J. Arthur Johnson.

Miss Ila Ringold, of Garden City, is visiting her sister, Mrs. Chas. Ulmer.

M. A. and Otto Dozier, of Garden City, were visitors in Midland this week for the Rodeo.

Miss Aleen Cook, of Garden City, is the guest of Mrs. Chas. Ulmer.

Miss Mittie Lee Allen left this week for Clarendon where she will teach.

Rev. F. T. Pollard, of Andrews, was a visitor in Midland Sunday night.

Frank Ingham was a visitor in Midland the last of this week from his ranch south.

Mr. and Mrs. Glen Allen are guests in the home of Millard Eidson for the week.

Friends of Mrs. C. E. Lange, Jr., are glad to know that she is recovering rapidly from a major operation recently sustained in Ft. Worth.

The Key that Unlocks the Door to Long Living

The men of eighty-five and ninety years of age are not the rotund, well fed, but thin, spare men, who live on a slender diet. Be as careful as he will, however, a man past middle age will occasionally eat too much or of some article of food not suited to his constitution...

HERE FOR RELIEF OF NEAR-EAST SUFFERERS

DR. DIXIE B. TUCKER TO SPEAK AT OPENING OF SCHOOL MONDAY

Midland has lately had a distinguished visitor in the person of Dr. Dixie B. Tucker, who is an able worker in the cause of Near-East Relief.

Dr. Tucker is working in 28 countries known as the Waco district. She reports a favorable response from all places. Comanche loaded out a car of clothing, Waco responded more liberally, and Brownwood filled its quota she says.

That the situation is alarming and demands an immediate response, she says, is borne out in the letters of faithful Christian workers and stories told by eye witnesses, who have returned from the devastated countries bringing home stories which would appeal to the heart of any loyal true Christian American.

She gives the report of Dr. Sherman L. Divine, pastor of the First Presbyterian church of Spokane, Wash., a member of the Commission of Overseas Visitors of the Near-East Relief, who recently returned from a tour of the stricken country, as being representative of the numerous accounts given.

Dr. Divine said, 'I saw dead children under the shadow of Mt. Ararat, lying in the street and being carted away by eight and tens to a hasty burial, because nobody cared enough to feed them. I saw children turned aged with suffering, the only covering of their gaunt and bloated bodies, torn gunny sacks. I saw the need unmet and heard to the depth of my soul the cry for more bread and more clothes.'

On the other hand he saw 12,000 kiddies smiling and singing by day and at night on their knees thanking God for America's care and protection through the Ministry of the Near-East Relief. That's the bright side of the picture that Dr. Tucker is appealing to Midland to help create.

THOUGHTS OF THE AGES

- Better buy than borrow. Fear is a bad counsellor. Beware of little expenses. All things move in cycles. If you are in doubt, delay. All happiness is in the mind. Be not hasty to outbid another. A stout heart crushes ill luck. Take good counsel and keep it. Conscience cannot be compelled. Dispatch is the soul of business. Work ill done must be twice done. A willing mind makes a light foot. Be slow to promise, quick to perform. He that gives to a grateful man puts out to usury. Don't lose a dollar's worth of time looking for a lost penny. Baked potatoes and salt are a feast when love sits at the table.

MEDAL OF HONOR MEN GUESTS

Wearers of Congressional Decorations Will Be Prominent at Legion National Convention.

Prominent among the distinguished guests at the American Legion national convention in New Orleans, October 16-20, will be wearers of the congressional medal of honor, the highest award for bravery made by the United States.

Advancing under hostile machine gun fire, Gumpertz killed two German gunners with pistol fire and the remaining 14 members of the crew surrendered. About thirty minutes after this exploit the platoon was again held up by German machine gun nests. Volunteers were asked for to silence the guns. Gumpertz, a corporal and a private volunteered and the trio advanced in single file.

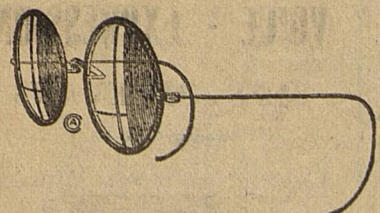

Encountering the enemy's barrage, the two companions of Gumpertz were killed by a shell, but Gumpertz continued to advance alone on the nest by the flank and located it. He then threw into it a Mills hand grenade and killed and wounded several members of the crew. The remaining 16 members surrendered themselves and the two heavy-type machine guns. The action of Sergeant Gumpertz enabled his unit to continue the advance.

Mr. and Mrs. Fern Tatum were guests in the home of Mike Garrett this week.

Mr. and Mrs. Henry Pegues, of Odessa, were in Midland this week.

Famous Stubbs Hereford Sale. The greatest event of the year in the cattle world will be the closing out public sale of Ex-Governor Stubbs' herd of full-blood, non-registered Herefords. GREAT MEETING OF AMERICAN LEGIONS

The life of the world war fighter on land and sea and in the air will be portrayed in the entertainment program for visitors to the American Legion national convention in New Orleans, October 16-20, according to plans of the convention entertainment committee.

Amusements ranging from placid French village scenes to great naval and aerial displays will be arranged to entertain the ex-service visitors. Three large downtown squares will be used for street dancing and the scheme of decoration will be in imitation of the well known French village squares. There will be the familiar tables lining the sidewalks and refreshments will be served by waiters in appropriate costumes.

Cruisers, destroyers, eagle boats and submarine chasers will represent the United States navy in the convention naval show. A fleet of one cruiser and six destroyers has been ordered to the convention by Assistant Secretary of the Navy Roosevelt, and invitations have been sent to England, France, Italy and other Allied powers to send battleships.

A fleet of twelve United States navy hydroplanes will fly from Pensacola to New Orleans for exhibition during convention week. On one of the convention nights the planes will fly over the business district, dropping flares and smoke bombs as a reminder of the air raids made by German planes over the American trenches and billets.

The "Pike" at the famous Spanish fort amusement park is to be dressed in Mardi Gras garb. The dance pavilion re-decorated for the week after the fashion of Creole days, will vary its modern program with exhibition dances of the minuet and Virginia reel. Music will be provided by the New Orleans Marine Corps Band. An elaborate display of fireworks will be one of the features at the park. A number of pieces will be reconstructed battle scenes.

Three large halls will be scenes of carnival balls, similar to those held during Mardi Gras season. Elaborate preparations are being made and special costumes designed for the balls, which will take place on the second night of the convention. One of the most spectacular sights during convention week will be the parade of 50,000 Legionnaires on the afternoon of October 18th. The marchers will be accompanied by 100 bands and crack rifle and drum corps interspersed at various points in the parade.

Special programs for convention week are scheduled at the vaudeville houses and motion picture theatres. Thomas H. Ince will release a war film entitled "Blood Bond." It will be shown for the first time under auspices of the Legion.

With four first-class workmen we can offer you the best of service and with the greatest of appreciation. Our laundry is guaranteed to give satisfaction. Service on Mondays and Wednesdays. Our bath accommodations are good. Come and see us. We will appreciate your patronage. Sanitary Barber Shop, Bart Wilkinson, proprietor. adv 274f

FT. WORTH MEETING OF TEXAS BAPTISTS

Baptists of Texas will undertake to raise \$1,500,000 in cash between now and the meeting of the annual convention in Waco, about the middle of November.

Next week, September 12th, a great rally of pastors, missionaries, and laymen will be held in Ft. Worth, to which a rate of one and one-half fare for the round trip on the certificate plan has been granted by the railroads.

Following this meeting an All-State Motor Tour is being planned, during which more than 2400 churches will be visited within a single week, beginning September 25th. The district associational meetings are now being held throughout the State, more than 120 in number, and these are discussing the big objective set by the Baptist State executive board to care for the program of the State missions, schools, hospitals, orphanage and other enterprises fostered by Texas Baptists.

Three years ago the Baptists of the State pledged sixteen million dollars to be paid in five years and the amount now sought will apply as part payment on these pledges.

Tired

"I was weak and run-down," relates Mrs. Eula Burnett, of Dalton, Ga. "I was thin and just felt tired, all the time. I didn't rest well. I wasn't ever hungry. I knew, by this, I needed a tonic, and as there is none better than—

CARDUI

The Woman's Tonic

... I began using Cardui," continues Mrs. Burnett. "After my first bottle, I slept better and ate better. I took four bottles. Now I'm well, feel just fine, eat and sleep, my skin is clear and I have gained and sure feel that Cardui is the best tonic ever made."

Thousands of other women have found Cardui just as Mrs. Burnett did. It should help you.

OIL DEVELOPMENTS IN THE PECOS FIELD

Reporting progress in wildcatting in the Pecos field the Pecos Enterprise has the following in its issue of last week, Sept. 1st:

The Bell Well

Gas pressure broke the ring on the packing claps at the Bell well Wednesday afternoon—new steel ring is being ade, and as soon as it has been set, drilling will be resumed.

The Hershenson Well

The Hershenson well people announce a complete cut-off of the water with 24 inch casing. Since shutting off the water they have been drilling in blue shale and made 27 feet of new hole in two days. They expect to have fifty feet of new hole by the end of this week which will make a total of about 160 feet. Mr. Landrum, the manager, announces everything going along nicely and satisfactorily.

The Toyah-Bell Well

After pumping about two and a half hours Thursday at the Toyah-Bell well, at which time some fifty barrels of pure oil was secured the pump was again stopped up with sand or with something else and it will have to be pulled again and cleaned out. At another time the leather washer in the pump valve got out of fix and the pump had to be pulled in order to repair that. It looks like one trouble after another with that well but those in charge and interested are still betting she comes out and makes a good well after all. It looks as if it might do so.

The Laura Well

Granger & Green, who have the contract for finishing up the Laura well of the Sunshine-Federal interests had all the casing with the exception of a few joints in the hole late yesterday afternoon, according to reports, and it was expected that they would be ready to begin drilling this morning. They have been as busy as a flock of bees and have been making very satisfactory time, but they promise that from now on if something materially unexpected is not encountered that they will show the Pecos people a real sample of drilling in this field.

They are using a rotary outfit, the second one to be used in the Pecos oil field and by far the best in this part of the State, and being experienced men who know how to evade and overcome obstacles are expected to finish up this well in short order, that is provided it can be drilled in at all, and they appear to have no fears of their ability to handle the situation.

The Willoughby Well

C. H. Willoughby and his wife and son were in Pecos yesterday from the well in the southwestern part of the county and reports work on the No. 2 well progressing very satisfactorily. They are still having some trouble with the water shut-off at the No. 1, but Mr. Willoughby states that he believes at the very latest they will be drilling again by the first of the week. On their effort to make a water shut-off it was found that there was still a leak and after raising the casing it could not be let down again to the place where they desired to shut off the water. They finally decided to dynamite the hole and so enlarge it that the casing would go on down. This proved successful so far as they had gone and enabled them to make ten feet in a day. Mr. Willoughby stated that he was taking more dynamite to the well yesterday and hoped with it to so enlarge the hole that they could again set the casing.

This well is located on what is stated to be a fine structure by some of the best geologists in the country and it is believed that a fine well will be obtained at a very shallow depth. In fact they are encountering about the same stratas as that encountered in the Tatum well but the same stratas are encountered several hundred feet shallower than the Tatum well. The Tatum well people have a fine showing of oil at around 1000 feet and in a conversation with one of the crew a short time ago the editor was led to believe that the sand in less than that depth. Those interested in this well should not slacken their interest or delay their payments so that the work may be continued to completion. It is said by good authority that they are now in a cretaceous formation which is considered by men who know as being one of the best indications of a real oil well that can be had anywhere.

ELECTRIC POWER IS ONLY FORTY YEARS OLD

Dallas, Texas, Sept. 6.—Many grown persons in Texas who have

been familiar with electric light power all their lives do not realize that this magi servant in the house is only 40 years old. Many other persons not yet old recall the days of gas lights and kerosene lamp as the only illumination available.

Forty years ago—at 8 o'clock in the afternoon of September 3, 1882—the first power station for generating electricity went into operation. It was Thomas A. Edison's company at 257 Pearl Street, New York City. Part of the building was used as a generating station and part as a storeroom. Mr. Edison ate and slept there. He did not sleep much of the time. Six generators, each with a capacity of 125 horsepower, were employed.

When Mr. Edison gave the signal to turn on the current that afternoon forty years ago electric energy was sent along under-ground wires a distance of 13 miles. The original district served was about 2,000 feet square. Today in one section of the country current at 220,000 volts is transmitted 250 miles.

The capital invested in this first plant was about one million dollars. The fixed capital investment in the today is more than four and one-half electrical business in the United States billion dollars. In October, 1882, the one electric company in this country had 59 customers. There are now 5,684 operating companies serving 14,500 communities, with 10,375,200 customers. The output of Edison's first station was 64.2 kilowatts. In 1921 the electric energy produced in the United States was forty-three billion one hundred million kilowatt hours.

New York was excited over the new lighting system. The newspapers were full of accounts of it and the night workers on morning papers wrote in praise of the improved lamps.

During the first twenty years of electrical development much attention was devoted to laboratory work. The past ten years have witnessed tremendous expansion of the electric power and light industry. To the electrification of industry has been added electrification of the home, and an encouraging start toward electrification of the farm.

The past twenty years have seen many great advances in electricity some of which were not of pressing importance in the early days when practical operation was the chief consideration. Mechanically and scientifically the industry has maintained its giant strides. In the meantime business efficiency and the maintenance of satisfactory public relations have come to the fore. It has been demonstrated that the engineering department is only a small part of the successful electrical concern. Developments in financing, regulation, and public relations have been comprehensive.

To those familiar with the development of the industry it is apparent that the present system of private operation under governmental regulation has been most satisfactory. The industry stands today further advanced in public relations than it ever has before. Leaders in the industry have taken the people into their confidence and the people have responded to their trust. One of the greatest developments of recent date has been the idea of customer ownership of the public utilities.

Citation by Publication

No. 1616.

The State of Texas.
To the Sheriff or any Constable of Midland County—Greeting:

You are hereby commanded to summon B. C. Girdley, by making publication of this citation, once in each week for four consecutive weeks previous to the return day hereof, in a newspaper published in your county, if there be a newspaper published therein, but if not, then in the nearest county where a newspaper is published, to appear and defend a writ of error sued out on the petition of John K. Rosson, David L. Campbell and L. E. Davis, a partnership composing firm of Campbell-Rosson Live Stock Commission Company, respectfully represents that heretofore, to-wit, on the 15th day of February, 1922, judgment was rendered in favor of the Midland National Bank, of Midland, Texas, a corporation and B. C. Girdley, against your petitioners in a certain cause pending in this court, No. 1616, on the docket thereof, in which the Border National Bank of El Paso, Texas, was plaintiff, and O. P. Jones, Luther Holman, John K. Rosson, David L. Campbell, B. C. Girdley, Cody Bell, L. E. Davis, and Midland National Bank, of Midland, Texas, a corporation, were defendants, said judgment being that these defendants take nothing against the defendants, Midland National Bank and B. C. Girdley, by reason of their cross action in this suit against them, and that said defendants recover all costs in this behalf expended, arising by virtue of their being made parties to this suit, and further that the plaintiff recover judgment by default, against the de-

"Mother, quick, look what Billy has done and spilled—a whole big box of Kellogg's Corn Flakes. I'll say he likes them a lot!"

Tomorrow morning— by all means try Kellogg's Corn Flakes

Tomorrow morning—set KELLOGG'S Corn Flakes before the family! A feast for the eye and a feast for keen appetites! For, Kellogg's are as extra-delicious as they look—all sunny brown and wonderfully crispy, crunchy! My, but how they delight everybody!

Kellogg's Corn Flakes are not only distinctly superior to any imitation, but are the most fascinating cereal you ever ate! Kellogg's appeal to every age! Little folks and old folks find in them the same joyous pleasure! For Kellogg's have a wonderful flavor—and Kellogg's are never tough or leathery or hard to eat!

Insist upon KELLOGG'S—the original Corn Flakes in the RED and GREEN package! It bears the signature of W. K. Kellogg, originator of Kellogg's Corn Flakes. NONE ARE GENUINE WITHOUT IT!

Kellogg's CORN FLAKES

Also makers of KELLOGG'S KRUMBLES and KELLOGG'S BRAN, cooked and krumbled

endants, B. C. Girdley and Cody Bell, judgment against B. C. Girdley, being for the sum of fifteen thousand five hundred seventy-four and 19-100 (\$15,574.19) dollars, with foreclosure of chattel mortgage against B. C. Girdley and Cody Bell, on the cattle described in plaintiff's petition. Judgment was also rendered in favor of the plaintiff against the defendant, O. P. Jones, foreclosing the chattel mortgage on 134 head of cattle in possession of the said O. P. Jones, under replevy bond executed by him, with judgment against the defendant, O. P. Jones, and his sureties on the replevy bond for forty-six hundred ninety (\$4690.00) dollars, being the value of said cattle in his possession, with the right to return said property and obtain credit on said judgment for said value of said cattle; said judgment for said value of said cattle; said judgment also being a dismissal by the plaintiff of its suit against H. M. Horton and Luther Holman, and awarding costs against

the Plaintiff, arising by virtue of their being made parties to the suit; said judgment also being that the defendant, O. P. Jones, take nothing by his cross action against defendant, Luther Holman, and that plaintiff take nothing against the defendants John K. Rosson, David L. Campbell and L. E. Davis, and that they recover their costs, by reason of being made parties to the suit, and that the defendants John K. Rosson, David L. Campbell and L. E. Davis, take nothing by their cross action against the Midland National Bank of Midland, Texas, and B. C. Girdley, as aforesaid.

Herein fail not, but of this writ make due return within 20 days from the date hereof, showing how you have executed the same.

Given under my hand and the seal of said court, and issued at Midland, Texas, this 23rd day of August, 1922. C. B. DUNAGAN, Clerk, District Court, Midland County, Texas. adv 473t

Fall Terms Begins September 14.

PEONIES THIS FALL START PLANTING NOW

This is the time of year to start the new peonies or beds of peonies, and to re-plant the old ones. From the middle of August to the middle of October is the very best peony planting season. This is also the most convenient time of the year, as we then have the opportunity to stop to think and plan about these permanent features of our place—when the summer rush of work is over and we are already beginning to look forward to next spring.

The peony of a few generations ago would hardly recognize its descendants of the present day! By the skill and labor of flower growers, the old fashioned peony has been developed and improved until today it almost rivals the rose in beauty and size of bloom, and also some varieties are deliciously fragrant. It outstrips the rose in being easier to grow, and harder and freer from diseases and insect pests. The peony also produces blooms most generously, and, possessing lasting qualities, is a most satisfactory flower for cutting for house decoration.

The Peonies Among the Hardest Of All Plants

As the peony is hardy and vigorous in its growth, it will grow and survive almost anywhere, in any good, ordinary garden soil, and with a minimum amount of attention. To produce a profusion of blooms, however, and blooms superb as to size and color, a little extra care and attention is a paying proposition.

Almost any location will do in which to set the plants—but, if there is any choice, pick out a place that is moist, but not wet most of the time, and which has partial shade.

Dig the holes that are to receive the plants 2 ft. deep, and 3 ft. in diameter. The plants spread very rapidly, so place the plants about three feet apart each way. When digging the holes, save only the richer top soil, discarding the bottom soil. In the bottom of each hole, put about 6 in. of very well rotted manure—cow or sheep manure is best—and dig it well in the soil, being careful not to let the manure touch the roots of the plant. Then fill up the top with mired 2-3 soil, 1-3 leaf mold and thoroughly well rotted manure and sand.

Do Not Plant too Deep

In placing the plants in the holes, do not place the crowns too deep—only about 3 in. below the surface, as too deep planting will make a great difference in their blooming capacity. After the fall planting, cover with a mulch of coarse, strawy manure, keeping it there until spring.

In the spring, watering about the roots once or twice each week will encourage the blooms. Always keep the soil loosely cultivated and free from weeds.

Every year, the peony plants require a heavy fertilizing with stable manure or bone meal, as they are the heartiest feeders of all garden flowers, and need an abundance of plant food.

If, for any reason, the plants do not seem to be doing well, in early September carefully dig up the peony clumps with a garden fork, and divide so as to leave only 4 to 6 eyes which produce next year's shoots) on the top of each division. Place these divisions in new holes which you have carefully prepared for them in the manner described above.

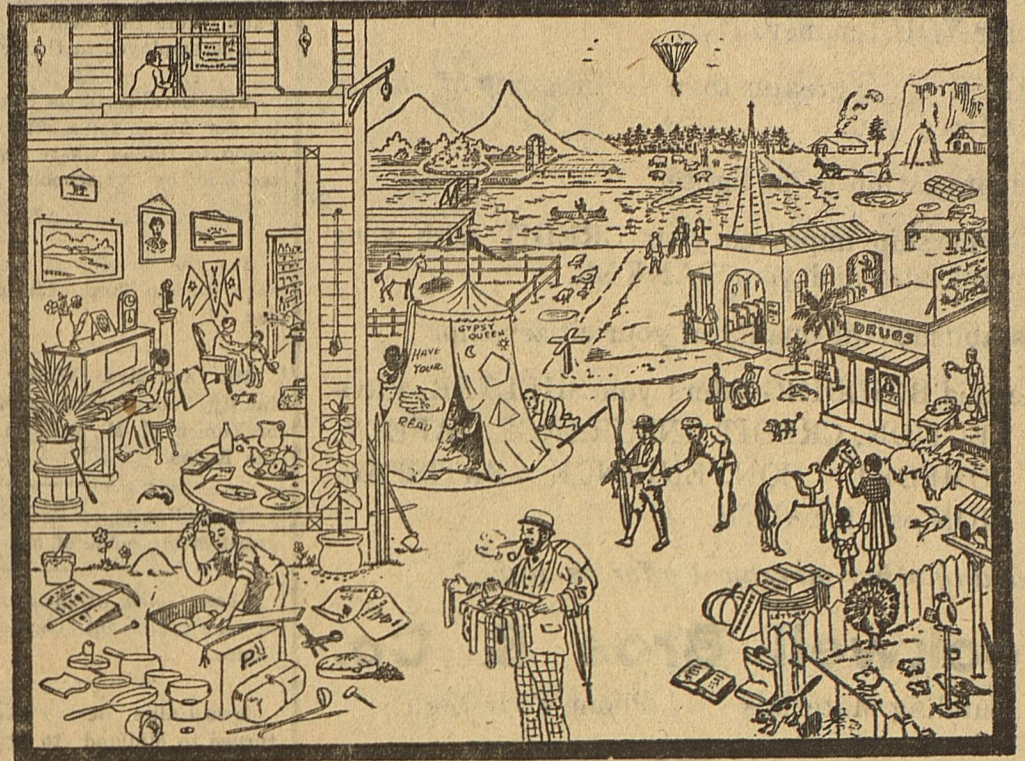

This division of the roots is always necessary in peony culture if good blooms are to be expected.

Some of the Best Peonies

Among the many new handsome varieties of peonies, there are plants producing all shades of blooms. For pure white, there are the Couronne d'Or, a late blooming variety with large broad flowers and golden stamens; the Duchess de Nemours, white tinged with light green; the Festiva Maxima, for early white—flowers borne on long stems and inner petals slightly tinged with carmine; Madame de Verneville, a medium sized, creamy white with crinkly petals and purple flakes at center; Marie Le Moine, pure white and cream—extra late variety; and Monsieur Du Pont, a pure white with splashed crimson center.

Among the pink varieties may be found the Edulis Superba, very large, round and fluffy—a rich, mauve pink—one of the earliest and fragrant; Grandifort, rose shaded with white; Livingstone, beautiful, large flowered late pink, rose pink buds developing to silver pink flowers; Venus, pale pink hydrangea, pink, shading to light pink hydrangea, pink, shading to light pink at edges, very sweetly fragrant and with large blooms—a

\$1,250.00 FREE!

The picture above contains a number of objects and articles, the names of which begin with the letter "P". You can readily see such objects as "Piano," "Pig," "Pony," etc. The others are just as easy to find and you don't have to turn the picture upside down or sideways to see them. There is no trick at all to this puzzle, just get out a pencil and paper and write down the names of the objects and articles you can find.

ELEVEN BIG CASH PRIZES will be given for the eleven best lists sent in. The answer having the largest and nearest correct list of visible objects shown in the picture will be awarded First Prize; second best, Second Prize, etc.

Everybody Join In!

The Times Picture Puzzle Game is a game in which all can participate, from the youngsters to grandparents and grandpa. All the objects in this picture have been made perfectly plain and with no intent to disguise or hide them. It's simply a test of skill, your ability to find the objects shown in the picture determines the prize you win. Gather all the members of your family together this evening and see which of you can find the most.

THE PRIZES

| Prizes given if no subscriptions are sent. | Prizes given if one subscription is sent. | Prizes given if two subscriptions are sent. |
|--|---|---|
| 1st Prize ... \$50.00 | \$250.00 | \$750.00 |
| 2nd Prize ... 25.00 | 75.00 | 200.00 |
| 3rd Prize ... 20.00 | 50.00 | 100.00 |
| 4th Prize ... 15.00 | 40.00 | 75.00 |
| 5th Prize ... 10.00 | 30.00 | 50.00 |
| 6th Prize ... 5.00 | 15.00 | 30.00 |
| 7th Prize ... 2.50 | 5.00 | 25.00 |
| 8th Prize ... 2.00 | 2.00 | 10.00 |
| 9th Prize ... 1.00 | 2.00 | 5.00 |
| 10th Prize ... 1.00 | 2.00 | 5.00 |
| 11th Prize ... 1.00 | 2.00 | 5.00 |

Costs Nothing to Try!

The Times invites you all to take part in this unique Fun Game. It's full of fun and excitement, and educational and interesting to everyone. This is not a subscription contest and you don't have to send in a single subscription to win a prize. Just make up your list of "P-words" and mail to T. J. Desmond, Puzzle Manager, the El Paso Times.

Follow These Rules:

- This puzzle is open to any man, woman, boy or girl who is not an employee of the El Paso Times or member of an employee's family and is a bona fide resident of El Paso or El Paso trade territory. It costs nothing to take part in the game.
- Answers should be written on one side of the paper only and numbered consecutively—1, 2, 3, etc. Write your full name and address on the top of each sheet. All answers must be mailed before midnight Monday, September 25, and addressed to T. J. Desmond, Puzzle Manager, the El Paso Times.
- Only words which are found in the English Dictionary will be counted. Compound, hyphenated and obsolete words will be considered as errors. If the singular of a word is used the plural can not be counted, and vice versa. Words of the same spelling can be used only once, even though used to designate different objects. The same object can be named only once, although any part of the object may also be named. Where more than one word is equally applicable to the picture, any one of them will count.
- The person sending in the largest and nearest correct list of words beginning with the letter "P," naming objects shown in the picture, will win First Prize; second nearest, Second Prize, etc. One point will be given for each correct word sent in and one point for each incorrect word or omission. Neatness, style or hand-writing will have no bearing upon the deciding of the winners.
- All answers will receive the same consideration regardless of whether or not a subscription is sent in.
- Persons may work together in preparing their list, but only one prize will be awarded in any one household. Not more than one prize will be awarded to any group outside of the family, where two or more have been working together.
- In the event of a tie for any prize offered the full amount of the prize will be paid to each person so tied.
- The three following well known men of El Paso, having no connection with the El Paso Times, will act as judges:
A. Schwartz, president El Paso Chamber of Commerce; Fabian Stoloff, president El Paso Athletic Club; C. M. Harvey, president Boyer National Bank.
They will use as their reference Webster's New International Dictionary, and contestants agree to accept their decision as final and conclusive.
- These judges will meet directly following the close of the Puzzle Game and the names of the prize winners and the winning list of words, together with the correct list which is made up by the judges from the correct words submitted by contestants will be published in the Times and the prize awarded just as quickly thereafter as the judges can complete checking.

SUBSCRIPTION RATES

Payable in Advance.
Three Months ... \$ 3.25
Six Months ... 6.25
One Year ... 12.00

One new six months' subscription and one six months' renewal or two new three months' and two three months' renewals are equal to one new year subscription. Two subscriptions means two six months' subscriptions, not three months.
A new subscriber means one who has not taken the El Paso Times for at least thirty days.

YOU CAN WIN \$750.00

It costs nothing to take part and you don't have to send in a single subscription to win a prize. If your list of "P-words" is awarded First Prize by the judges, you will win \$750.00, but if you would like to win more than \$300.00, we are making the following special offer whereby you can win bigger cash prizes by sending in one or two six months' subscriptions, with remittance to cover to the El Paso Times.

HERE'S HOW: If your answer is awarded First Prize by the judges and you have sent one six months' or two three months' subscriptions to the El Paso Times, you will receive \$250.00. (See second column of figures in prize list.)

OR: If you are awarded First Prize and have sent two six months' subscriptions (one of which must be new) or four three months' subscriptions (two of which must be new), or one new subscription for a full year, you will receive \$750.00. (See third column of figures in prize list.)

Your own subscription will count as one and you can get the subscription of a friend or neighbor and we can take subscriptions to start at any later date. In sending in your subscriptions give full instructions on a separate sheet of paper from that on which you send in your answer.

GREAT DAMAGE TO TEXAS COTTON CROP

The annual report of the acreage and condition of the Texas cotton crop, up to September 1st, was compiled by R. E. Yantis, statistician, and made public today by Commissioner Geo. B. Terrell. The report shows great damage to the crop caused mostly by drouth, during the last 30 days.

In giving out the report Mr. Terrell said:

"This report covers 193 counties, practically all the cotton producing counties, with from one to 15 reports from each county. The reports received are from Presidents and secretaries of Farmers' Institutes, county farm demonstration agents, county commissioners, bankers, merchants and individual farmers, and verified as far as possible, by our field men. The drouth seems to be the cause of the greatest damage, as a large per-

cent of the cotton was late, especially in the western and northwestern parts of the State and in the flooded districts, and had no mature bolls when the drouth set in. Damage by boll weevil and leaf worms was also reported. The report indicates a condition of 58.6 per cent, and a yield of one-fifth of a bale per acre, while our report for August 1st indicated a condition of 71 per cent and a yield slightly more than one-fourth of a bale per acre.

Taking the government figures of 12,312,000 acres, planted, which I believe to be too high, it indicates a yield of 2,463,400 bales, as compared with 2,179,145 bales produced last year.

If the yield in the other States is as low in proportion as that of Texas, the total crop of the South will be less than 10,000,000 bales, and warrants a price of at least 30 cents per pound. There will be a cotton famine next year, and nothing short of a conspiracy can keep the price from advancing.

THE GRANDEST INVESTMENT ON EARTH

A Necessary Building

A needed building is the finest possible investment for YOUR money. Its LIFE is far greater than the majority of things offered you. Its depreciation is far lighter. Its ownership improves your CREDIT with your associates and your BANKER. It establishes the quality of your citizenship.

A needed BUILDING offers you SHELTER, PROTECTION, CREDIT, INSURANCE, SAFETY, COMFORT, CONVENIENCE, SATISFACTION and HEALTH.

Does any other merchant offer as much?

MIDLAND SOCIETY

MISS LYDIE G. WATSON, Editor Phone 88

Your Town

If you want to live in the kind of a town, That's the kind of a town you like, You don't have to slip your clothes in your grip, And start on a long, long hike.

For you'll only find what you've left behind; There's nothing really new, It's a knock at yourself when you knock your town, For it isn't your town, ITS YOU.

Real towns are not made by men afraid Lest somebody else gets ahead, If everyone works and nobody shirks You can raise a town from the dead.

For if while you ake your personal stake, Your neighbor akes one too, Your town will be what you want it to be, For it isn't your town, ITS YOU.

Miss Lydie G. Watson, a student of Galloway College, Searcy, Ark.; London's Conservatory, Dallas, Texas; the American Conservatory, Chicago, Illinois, now has her studio open for the term 1922-23 and will be pleased to greet her former pupils and enroll any new students who seriously desire to study music.

Miss Annie Mae Klapproth left this week for Amarillo where she will again teach in the city schools.

Misses Frances, Dorothy and Bennie Sue Ratliff left Tuesday night for a visit to relatives in Abilene.

Miss Tinnie Florey left last week for Douglas, Ariz., where she will teach this winter.

Mr. and Mrs. Ivan Stoker are the happy parents of a baby girl, born in San Antonio last Monday. The Reporter with other friends extend warmest congratulations.

Miss Alice Haley returned last Sunday from a most delightful summer visit to Waco, Abilene, Mineral Wells and other points.

Our boys and girls will soon be leaving for their various schools and the society editor will greatly appreciate it if they will phone her of their departure. All of Midland is interested in our girls and boys and we do not want to neglect mentioning any of them and this vital step they are taking.

Miss Annie Wall, of Midland, is visiting her uncle, Mr. D. D. Wall, of 811 Summit Ave.—Ft. Worth Record.

Mesdames Sims and Brown Honored The removal of Mr. A. N. Brown and family from Midland is not only a distinct loss to the Presbyterian church, but also to Midland and Midland folk. They are worthwhile people and likeable to the nth degree, hence Mineral Wells is to be congratulated upon acquiring them as citizens.

Last Thursday afternoon the ladies of the Presbyterian Aid Society entertained most charmingly in the attractive home of Mrs. Andrew Fasken in compliment to Mrs. Brown and her mother, Mrs. Simms. A courtesy pretty in detail, but also hallowed by an undertone of sadness at the thought of the imminent farewell to these esteemed friends and co-workers.

The afternoon was informally spent in conversation and in doing fancy work until the coming of eventide when the most delicious shербert, cake and punch were served. Those enjoying the pretty hospitality besides the members were: Mesdames W. Angie Smith, Watson and Simpson.

Mrs. D. Fasken and son, Mr. Robert Fasken together with Miss Effie Rankin returned Sunday from a motor trip to Ft. Worth. They were accompanied upon their homeward journey by Mr. Joe Fasken, of T. C. U., who will remain about two weeks visiting with Midland relatives and friends.

Mrs. Oron Collins and little son left Thursday afternoon for Wichita Falls where they will join Mr. Collins who is employed in that city.

Miss Loraine Davis left this morning for Anson for a brief visit before going to Dallas where she will again teach in the city schools.

Try the laundry at the New Sanitary Barber Shop. Cheaper and better. adv 22t

Mr. and Mrs. Walter Lynch and family, Pete Stevens and John Owens, of Eunice, N. M., were in Midland for the Rodeo.

Keren Jones, of Breckinridge, is a guest in the home of Mr. Paddock.

Chas. Oates, of Saragosa, was one of the prominent contestants at the Rodeo.

Miss Hallie Berle Pickerel has returned to Midland to again teach in the public schools.

Hunter Halley, a former citizen, visited in Midland this week, attendant upon our Rodeo.

Commissioner Will Gates was a visitor this week from Andrews, attendant upon and a prominent contestant in our Rodeo.

Judge John Broughton, of Houston, is in Midland this week on legal business.

Hon. John B. Howard, of Pecos, was a business visitor this week and attending the Rodeo, and attendant upon district court.

Mr. and Mrs. Henry Barrow and children, of Odessa, were in Midland for the Rodeo.

Jack Nelson, of Childress, is the guest of his friend, Paul Barron, this week.

Mrs. Earnest and daughter, Miss Lela, of Rankin, were visitors in Midland this week.

R. L. Osborn, of Hillsboro, is in the city attending to business.

Clay Crum, of Dallas, was a business visitor in Midland, Saturday.

Bug Means and wife, of Valentine, are visiting their parents, Mr. and Mrs. E. P. Cowden, during the Rodeo.

E. R. Thomas and family have returned to Midland from their ranch to spend the school term in town.

Mr. and Mrs. J. T. Barnes are visiting in the home of E. R. Thomas for the Rodeo.

Mr. and Mrs. Roy Wilson, of Andrews, were in Midland this week for the Rodeo.

Joe Fraser, of Colorado City, was a last week-end visitor to Midland.

L. D. Sheppard and wife were visitors this week from Orient, guests of their daughter, Mrs. J. H. Williamson, and family. They left for home last Wednesday.

W. E. Smith, an expert auto mechanic of Snyder, and formerly of Midland, visited our Rodeo this week.

The Reporter regrets to have overlooked the marriage of Miss Grace Olliff to Mr. Eddie McDugal, which occurred on August 15th. Thus late, however, we join their friends in wishing them all sorts of happiness and good luck.

W. R. Rhodes and family were with us from Pecos this week, to take in the Rodeo.

Sheriff Jno. M. Speed, of Andrews County, was a visitor in Midland the first of the week.

Mr. and Mrs. John Bludworth are spending the week in town from their ranch.

Miss Theresa Klapproth has returned to Mason where she will resume her work in the Mason public schools for the second year.

Cecil Dickerson and mother, of Balingier, are visiting Garland Dickerson in Midland.

Hon. E. M. Whittaker, of El Paso, was a legal visitor to Midland this week, attendant upon district court and enjoyed the Rodeo.

ASSIGNMENT OF TEACHERS IS MADE

ASSIGNED TO GRADES AND HALF GRADES AND TO DEPARTMENTS

Following will be found the assignment of teachers to buildings, to departments, to grades and half grades for the ensuing session, which assignment is tentative and may be changed at any time at the discretion of the superintendent and the board of education. Pupils will please take notice of the assignments, and report to the buildings on next Monday morning where their respective grades are to be taught. The assignment follows:

High School

W. W. Lackey, Supt., Latin in the high school.

Z. A. Williamson, principal, science and athletics.

Mrs. Harry Tolbert, English and Spanish.

Miss Annie Cowling, mathematics and history.

Miss Bertha Whittaker, history and Spanish.

Miss Maurine Littlejohn, domestic art and English.

Miss Clara Wilson, English.

Grammar School—Central Ward

Mias Clara Wilson, principal, seventh grade, and English in the high school.

Miss Hollie Belle Pickerell, high and low second grades.

Miss Mina Graham, high and low first grades.

L. L. Thomas, principal, arithmetic and high and low sixth grades.

Miss Lula Elkin, history, and low sixth and high fifth grades.

Miss Ruby Barham, English, and low fifth grade.

Miss Jean Keller, low fourth grade.

Miss Mary Fox, high fourth and high third grades.

Miss Irene Henderson, low third grade.

Miss Attie Griffith, low third and high second grades.

Miss Allie V. Scott, high and low first grades.

Miss Lillie E. Williams, Mexican school, the opening date to be announced later.

Men err not so much in prompt action as in hasty judgment.

He that listens for what people say of him shall never have peace.

The anaconda, largest species of snake, rarely attacks man.

The blindworm is not blind; neither is it a worm, but a kind of lizard.

Tadpoles treated with throxin turn into matured frogs almost at once.

The carpenter bee burrows and builds rows of cells in solid wood.

The armadillo has ninety-two teeth, more than any other animal possesses.

There are over 2,000,000 different kinds of insects known to be now living on the earth.

Certain species of turtles are often found at high altitudes far away from water.

In Ceylon are to be found snails which attain a length of from four to five inches.

The smallest known bird is a Central American humming bird, which is about the size of a blue-bottle fly.

It is an unexplained fact that glow-worms are much more brilliant just before an approaching storm than at any other time.

A man's range of view is about 210 by 90 degrees of arc, but that of an insect comprises the entire visual globe in every direction.

CHURCH NOTICES

Whence Cometh Wars

Whence come wars and whence come fightings among you? Come they not hence, even of your pleasures that war in your members? Ye lust, and have not; ye kill, and covet, and cannot obtain; ye fight and war, and have not, because ye ask not. Ye ask and receive not, because ye ask amiss, that ye may spend it on your pleasures. (James 4: 1-3.)

Come now, ye that say, Today or tomorrow we will go into the city, and spend a year there, and trade, and get grain: whereas ye know not what shall be on the morrow. What is your life? For ye are a vapor that appeareth for a little time, and then vanisheth away. (James 4: 13-14.)

Come now, ye rich, weep and howl for your miseries that are coming upon you. (James 5: 1.)

Ye have laid up treasures in the last days. Behold, the hire of your laborers who mowed your fields, which is of you kept back by fraud, crieth out: and the cries of them that reapeth have entered into the ears of the Lord of Sabboth. Ye have lived delicately on the earth, and taken your pleasure; ye have nourished your hearts in a day of slaughter. (Jas. 5: 3-5.)

And the four angels were loosed, that had been prepared for the huro and the day and month and year, that they should kill the third part of men. And the number of the armies of the horsemen was twice ten thousand times ten thousand. I heard the number of them. (Rev. 9: 15-16.)

Blessed is he that readeth, and they that hear the words of the prophecy, and keep the things that are written therein: for the time is at hand. (Rev. 1: 3.)

Baptist Church

Sunday School 9:45 a. m. Classes for all ages. Organized classes for men and women. Sunday being rally day in our Sunday School and church we urge every member to make a sacrifice if necessary to be present. Many have returned from their vacations and we believe it is a good way to begin the new school year by being in these services. Bring your friends. C. S. Kankalis, Supt., S. H. Basham and Ralph Barron, assistants.

Preaching hours 11 a. m. and 8 p. m. The pastor has been out of his pulpit a number of Sundays during the summer, but is at home now, and will speak at both hours.

A "big sing" will begin at 8 o'clock Sunday evening. Our choir and orchestra will be at their best, and if you enjoy real first class music be on time at the evening hour. Visitors welcome to all of the above services. OWEN J. HULL, Pastor.

Jim Williams, of Seminole, was in Midland this week attending to business and enjoying the Rodeo.

Claude Whatley, of Rankin, was a pleasant visitor at the Rodeo.

Miss Jimmie Lee Poole has returned from Fort Worth and Dallas where she has been visiting relatives.

Commissioner Baker, of Pecos, was in Midland on business this week.

Mr. and Mrs. R. E. Rankin, of Abilene, are visiting relatives in Midland.

Robert Rankin, assistant cashier of the Abilene State Bank, was greeting his friends in Midland at the Rodeo this week.

Among guests from Monahan for the Rodeo we saw the following: W. H. Williams, Guy Andrews, G. V. Estes and Earl Estes.

John Epley, county clerk of Martin County, was in for the Rodeo this week.

F. A. Stubblefield and wife, of Buna Vista, are the guests of friends this week.

Mr. and Mrs. A. B. Tennant, of Toyah, are attending the Rodeo this week.

Porter Fancher, of Van Horn, is a visitor in Midland this week, a contestant in cowboy sports.

Sam McKinney, of Odessa, was a business visitor in Midland Tuesday.

Misses Mary and Ruth Ratliff are guests of Miss Annie Mae Patterson.

Sheriff's Sale

The State of Texas, County of Midland, Notice is hereby given that by virtue of a certain alias execution issued out of the Honorable County Court of Midland County, of the 7th day of September, 1922, by the Clerk of said Court for the sum of five hundred forty-two & 66-100 dollars with 8 per cent interest thereon since May 29, 1922, and costs of suit, under a judgment in favor of J. E. Parker in a certain cause in said Court, No. 750, and styled J. E. Parker vs. J. Roland Dublin, Annie Mae Jenkins, (nee Annie Mae Dublin) and W. J. Wooten, placed in my hands for service, J. W. E. Bradford, as sheriff of Midland County, Texas, did on the 7th day of September, 1922, levy on certain real estate, situated in Midland County, Texas, described as follows, to-wit: West 1-2 of the northwest 1-4 of section No. 23, block No. 39, township 1-south containing 80 acres of land, and levied upon as the undivided property of J. Roland Dublin and Annie Mae Jenkins, in the proportions of 2-3 in the said J. Roland Dublin and 1-3 in Annie Mae Jenkins, and that on the first Tuesday in October, 1922, the same being the 3rd day of said month, at the court house door, of Midland County, in the city of Midland, Texas, between the hours of 10 a. m. and 4 p. m. by virtue of said levy and said execution, I will sell said above described real estate at public vendue, for cash, to the highest bidder, as the property of said J. Roland Dublin and Annie Mae Jenkins.

And in compliance with law, I give this notice by publication, in the English language, once a week for three consecutive weeks immediately preceding said day of sale, in The Midland Reporter, a newspaper published in Midland County.

Witness my hand, this 7th day of September, 1922. W. E. BRADFORD, Sheriff, Midland County, Texas. adv 48-6t
