point when the first crosscountry woman's air derby a drive at El Paso. sweeps across the southern an August 18 take-off at Los Angeles, according to a wire transcontinental route after from C. H. Butler, vice-chairman of the contest committee, Cleveland, Ohio, terminal point for the race.

Butler asked in his wire for delivery of strip maps, Sloan Field data and related open September 9, according to the be made by Judge Charles L. Klapinformation of Midland's fa- school board. The only exception cilities for handling a large will be that of the Mexican school, number of planes. Cleveland Terminal

Cleveland is to be reached by the start of the 1929 National Air Races, a great parade of speeding models of the latest manufacturing principles. Midland was a control stop for the races last year, and thousands baseman for the Midland baseball of people from throughout the south club, has placed application with west were at Sloan Field from the moment Robert Dake flashed across the line 3 seconds ahead of his nearest competitor, Earle Rowland, until the last ship, a lame duck, crept days prior to school opening. into the landing area, made repairs

and took to the air once more. year will see greater, faster and more the school board said today. stable ships. Especially does it seem Class A type will be entered. Last year's race was in two divisions, A and B, only two ships of the A class, a Lockheed-Vega and a Fairchild's, reaching Midland.

Rules as Before Rules governing this race are essentially the same as those of last year. Midland hopes that decision to make Sloan Field a base of this

the field, make a wide circle and then land into the wind as they find room to do so without endangering themselves or other planes on the

A referee, judges, timers, scorers, starters and servicing committee comprise the officials necessary for local control. Each official is to wear distinctive color stripes on his arm. Timing Worked Out

The method of timing the racers is well worked out; the finish line will be placed on the field in full view of spectators. The crowd will be fenced off from the field. Timers will work in pairs. They will station themselves at the end of the finish lines nearest the spectators. One timer will hold the timepiece, which two insurance employes in the heart has been synchronized, and a pad of of the downtown section at 10:30 timer's blanks and the other will this morning and escaped with sight down the finish line. The in- \$1,084.00. stant the forepart of the machine crosses the finish line the timer sighting down finish line gives the Wigren, cashier of the National signal to the timer holding the watch | Life and Accident Insurance Co., who notes the time to the second. and W. Three In First Unsteady support in the infield at the start, coupled with Midland's characteristically vicious batting had cil's intention to adopt the zoning Kimpling beaten before the game! was one third over. Flowers larrupe ken landed safely at first by Chris-Reporter-Telegram today.

the third run of the inning. Two more came in the third King was safe by Allday's inaccurate throw to first, and then Big Ed Kallina came along and drove out It is expected that 20 or more musica home run, his 37th of his West Fexas league season, to say nothing of some he hit in the Lone Star loop before that league went on the rocks. The sixth and final tally was a homer by John King.

Kimpling Indisposed It wasn't such a poor pitching show by Kimpling, but he was sick when he left the diamond in the seventh and Rudy Shelton had to finish his game.

The Aces got their one and only counter in the third when Kimpling's single through the box was followed by Allday's two-bagger to center, and a sacrifice fly by Pratt.

All afternoon the homelings wer cracking line drives and long flies to the outfield, but a member of the enemy defense almost invariably bobbed up to take it in. Flowers Cheeves and King on the outer beats for Midland made 11 putouts. MIDLAND-ABRHPOAE
