LINDY RECOUNTS CURTIS HOAX AS COURT WITNESS

FLEMINGTON, June 28. (UP)—Col. Lindbergh today retraced unemotionally the confused and heart-breaking paths followed by the guidance of John Hughes Curtis in the baby hunt, as the trial of Curtis on a charge of obstructing justice was resumed.

Curtis sat attentively, his eyes on Lindbergh's lips as the latter made his first public statement of the tragedy.

Referring constantly to a black note book, the colonel recounted sea trips, wild automobile rides and finally the growth of confidence that Curtis was on the right trail.

CRIMINAL PICKED UP AS THE FOX

NEW YORK, June 28. (UP)—A man giving the name of Norman Whittaker was arrested last night in Brooklyn as "the fox," mysterious figure in the Gaston B. Means plot, based on claims that the latter could return the Lindbergh baby. Police said Whittaker was an ex-convict.

Constitution Is Promised to Siam

BANGKOK, June 28. (UP)—King Prajadhipok, retaining the throne with limited powers instead of his former absolute power, today issued a proclamation promising the people a constitution. The populace received the proclamation enthusiastically. Existence of the people's party, responsible for the bloodless revolt of last week, was recognized. The proclamation said that Siam was the only country to change its form of government without bloodshed.

Negro Ban Does Not Apply to Mexicans

If candidates are not soliciting Mexican votes they're missing a big opportunity.

Mexicans who have qualified themselves legally have the right to vote, just as whites.

The rule against negroes voting in Midland county does not apply to Mexicans, according to Homer W. Rowe, county democratic chairman.

NOT CANARY-CATCHERS BINGHAMTON, N. Y. (UP)

Firemen have received some odd appeals for aid, but the latest—a request to capture a canary in a tree—was the most exasperating. The call was made by a woman. Firemen were forced to refuse the appeal because "you would probably need a net, and the only nets we have are those used to catch persons jumping from a burning building."

Water Fight for July 4 Is Plan

Fire Chief Luther Tidwell is arranging a water fight as one of the July 4 entertainment features. The idea grew out of a suggestion made by M. L. Ware, Postal Telegraph manager in a letter to the Town Quack.

The water fight may be between firemen or between boy scouts, the chief has not yet decided. The water fight will likely be held at 6:30 next Monday afternoon. Water fights are lots of fun, the bystanders who keep from getting wet opine.

K. M. Reagan, candidate for state senator of this district, will be among the principal speakers at Midland July 4 at 10 a. m. on the west side of the courthouse.

Fireman Is Held On Arson Charge

PARIS, Mo. (UP)—Paul Hohimer, member of the Paris volunteer fire department, never missed a fire. Members of the department were paid \$2 for each run made.

Fires recently have been few and far between. So, police charge, Hohimer decided to stimulate business. He is held on an arson charge after allegedly setting fire to a bundle of oil-soaked rags in back of a hotel.

Then, police, say, he returned to the fire house to await developments, and a chance to earn \$2. The hotel owner, however, saw the blaze in time to extinguish it himself. Hohimer was placed in jail and dismissed from the department.

GERMANY TORN INTERNALLY BY STREET RIOTS

BERLIN, June 28. (UP)—Political chaos, with consequent street fighting and rioting, occurred throughout Germany today, indicating a possible proclamation of martial law. Although the Reichstag election was only five weeks away, the campaign had not started. Newspapers were devoting columns to the increasing toll from disorder.

Fireman Is Held On Arson Charge Husband's Clothes

WICHITA, Kan. (UP)—An estranged wife has no legal grounds for withholding her husband's clothes while a divorce action is pending, Judge Grover C. Pierpont ruled in district court here.

Mrs. John McIntire complained that her husband had failed to support her after he filed suit for divorce.

The husband contended that she had confiscated most of his trousers and shirts and that he had to "keep washing all the time" to be presentable.

Judge Pierpont ruled that McIntire was entitled to his clothes.

11 INCHES RAINFALL TO EAST

Track and Highway Damaged by Deluge

SWEETWATER, June 28. (UP)—Heavy rains last night and today washed out highway bridges and railroads, stopping traffic. The fall here was estimated at 11 inches. The United States weather bureau reported today that many had 3.02 inches, Abilene 1.54, Haskell 2.12, Seymour 1.56. Rain still was falling everywhere in that area except at Seymour with additional thunder-showers forecast.

HEAVY RAINS OVER AREA ARE REPORTED

A fairly heavy rain fell south and east of Midland Monday night, according to ranchmen and farmers, and extended to within 6 miles of the Midland city limits.

From three to four inches was reported in the country to the south. Rain was general throughout wide areas of West Texas, according to M. L. Ware, Postal Telegraph manager, who talked with dispatchers of his company over telephone.

Army Officer Is Fed Beans at Big Barbecue for Him

Although beans—the army piece de resistance in all his 16 years of being a captain—were served Captain Duncan T. Boisseau, contact officer of the Eighth Corps area at a barbecue Monday afternoon at Cloverdale, Midland reserve officers dished up plenty of other food—barbecued chicken, potato salad, potato chips, combination salad, pickles, lemonade, ice tea, etc.

The barbecue honored the captain and several guests, including Mayor Goodman, District Judge Charles L. Blythe, County Judge M. R. Hill, M. C. Ulmer, Harry L. Haight, Clarence Scharbauer, Paul T. Vickers and R. M. Barron.

Reserve Captain Sam Wasaff introduced the captain who explained he was here to look into the needs of the Midland reserve association and to determine that those eligible to reserve rank are brought into the association.

All guests spoke briefly. Ralph Bucy's chicken barbecue apparently came in for more praise than any other. The number of fowls served would do justice to any restaurateur's day.

Captain Boisseau is now executive officer of the 49th artillery and is to become military attaché to Mexico as soon as a course being taken in Fort Sill, Okla., artillery school is completed. His talk Monday praised the Midland association highly.

After the barbecue, he was entertained in the home of Mr. and Mrs. Sam Wasaff.

The barbecue was prepared by the following officers: Bucy and Charlie McClintic; transportation was arranged by A. Loskamp and W. E. Ryan; an auxiliary committee was composed of Tom C. Bobo, K. F. Campbell, D. K. Ratliff, J. F. Blount, J. W. Hoover and Harry Gossett.

July 4 Publicity Has Been Mailed

Publicity went out of the chamber of commerce Tuesday to neighboring cities giving an account of the July 4 observance here. The articles frankly stated that Midland was holding a modest celebration in which most of the events were free to the public. It was the decision of a chamber of commerce directors to invite neighbors, but to be certain not to over-advertise and bring people here expecting more than they will get.

Uses Plane to Sell Automobile

A son-in-law of Mr. and Mrs. W. M. Pyle, C. L. Sweatt of Golden City, Missouri, sells \$6,000 automobiles during the depression—and how.

His secret for selling high priced cars while other distributors of his town are struggling along trying to move popular priced cars from their floors is found in his beating the others to the sale.

For instance, last week found him grabbing a seat on a plane for Chicago, where he arrived five hours after explaining. He received delivery of a special custom built car he knew a prospective customer wanted, and soon had clinched the sale.

SHIFT TO SHOUSE IS NEW MOVE

Things "Are Breaking Right" for John Nance Garner

CHICAGO, June 28. (UP)—Rooseveltians totally surrendered the fight against the two-thirds rule today as Manager Farley announced that no man deserved the nomination who could not swing two-thirds of the votes.

The announcement eliminated the major part of the show-down.

The big show-down was expected to come when Roosevelt followers advocate Thomas J. Walsh of Montana as permanent chairman, opposing J. J. Moore, backer of Al Smith.

Albert C. Ritchie of Maryland and Newton D. Baker were favored in compromise talk.

The convention was called to order at 12:57. A strong swing to Shouse was noted as Rooseveltists were confused by abandonment on the part of their leaders of the two-thirds rule fight. Opponents, including Governor Murray of Oklahoma, charged vacillation.

Sam Rayburn, Garner manager, said that things were breaking just right for the Texan, declaring that the Rooseveltists "knew they are defeated."

California and Texas delegations chose Tom Connally to nominate Garner, McAdoo to second the nomination, and the Garner steering committee, to be composed of Almon C. Carter of Fort Worth, chairman, John Elliott of Alhambra, vice chairman, Samuel Rayburn of Bonham, Maury Hughes of Dallas, Pearson Hall of Los Angeles and H. McKee of San Francisco.

Secret Court Rules Gypsies

MOSCOW, (UP)—A secret court dispensing tribal justice to all gypsies in the Soviet capital has been disclosed by the police here and 17 gypsy leaders are under arrest.

Soviet police investigating murders and other crimes among gypsies have been meeting a blank wall of silence on part of those who might have helped the investigations.

Head of the court and virtual dictator of gypsy life here, according to police, was I. N. Mikhail. He derived his authority from a relative in Poland who calls himself King of the Gypsies.

Mikhail's chief lieutenants were made chairmen of gypsy handicraft, thus giving their dominance a Soviet coloring.

Mikhail himself, the police declare, acquired four wives by the simple process of paying for them. Cash payments also adjusted questions of the heart.

Midlander Loses Sweetwater Scrap

SWEETWATER, June 28.—Bobbie Clark continued his string of knockouts Friday night at the Army when he flattened Tommy Irwin of Midland early in the fourth round of their scheduled six-round bout.

Irwin evidently went into the ring intending to outlast Clark. He was on the defensive all the time. He kept himself well covered, and allowed Clark to do all the offensive.

Clark was the recipient of a few punches, although most of them landed on his arms with no damage.
