## FRENZIED RESCUE IS ATTEMPTED

Snow Adds to Bound Indians' Misery In New Mexico

GALLUP, N. M., Nov. 27. (UP)—Snow and freezing temperatures due tonight increased the jeopardy in rescuing the 500 blanketed Indians trapped by a blizzard in windswept mesas near here.

Fifty men left Crown Point reservation today to rescue the Indians. Also 200 relatives of the marooned nut hunters were trying to push their way through the drifts of snow in a rescue attempt.

Nine of the trapped Indians are already dead.

Indian Commissioner Rhoads of Washington instructed the reservation superintendents to spare no expense for the rescue.

## Will Aid Midland To Sell to Soviet

Probability that the Amtorg Trading Corporation, American representatives of the Soviet republic, will at least hear of the excellence of Midland cattle through the medium of a telegram Ralph H. Barron had the chamber of commerce send to Kansas City appears from a letter received Friday from Zack T. Martin of Martin, Blomquist & Lee, commission company of Kansas City.

The letter to the Midland chamber follows:

"Your telegram received and it is a pleasure for me to look after your interests here. I do not know how close I am going to get to these fellows but if there is any chance to get the matter presented in a way that will help you, I will surely get it done.

"I understand from a friend of mine that most of their investigation has been, up to this time, along the lines of registered herds and feeding operations. I don't know of a more logical place for them to turn if they want to investigate the ranching and ranch conditions than Midland, Texas, and if I get anything definite from them in the way of a lineup I will be glad to get in touch with you either by phone or telegram."

## What They're Saying

By R. C. HANKINS  
Midland people cannot understand how Sweetwater rolled up a 10-yard advantage on yardage gained from scrimmage yesterday.

Neither could we, but a check of the chart shows it is true. Sweetwater failed to score, Midland would have won on penetrations of the 20-yard line. The surprising power of the Bulldog unit swept Sweetwater from pillar to post and kept the ball in the invaders' territory so much the Henningmen realized there was only one practical way of planting it in Midland territory—a boot from the capable arch of Ney Sheridan, the flaming haired back who failed yesterday for the first time to twist and squirm his way down the field for long and brilliant runs for touchdowns.

What happened to that formidable combination of Baugh, Hicks, Sheridan and Wood? Did you notice that Wood started at line and that Allison was at full? And did you notice how fast Ed Hennig changed him back to full. And did you notice any change in Sweetwater's power as a result? Neither did we. A crushing offense carried Midland to a yard of the Sweetwater goal in barely more than a minute of play. An inspired Midland defense kept Sweetwater in Sweetwater territory all the first period and most of the time in the others. When Sweetwater eventually did score, it was not a wild break of Sheridan or Hicks over line or around end for a long run; Mike Hicks, who was held on the line of scrimmage most of the day, sliced over from the 5-yard line while Hallman, the greatest defensive man in the Midland backfield, was out. A conspiracy of three serious things gave Sweetwater the break that allowed the Nolan county club to score: Hallman, as has been pointed out, was sitting on the bench, Sherrod's pun was for only six yards and the effects of Midland back 15 yards. For the first time during the day, and the last time, Midland was slowly pushed back.

We talked with Head Coach Hennig afterward. He said Midland outplayed his boys from start to finish and that he was the most surprised man on the sideline when Hicks went over in the fourth period. His club, he said, had keyed itself high for two hard games in a row. "But I never even thought about Midland giving serious trouble," he said. "Man for man, your team outgouged us all afternoon. Right at the first when Sweetwater hit that impregnable Midland line, I saw the effects of a lot of psychology and my fears were almost realized."

Pat Murphy, assistant coach of the Abilene high school, and Lynch, former star of Southern Methodist, both of them officials in the game yesterday, said the starting lineup of Midland is better than any eleven men in this district. They said they never saw a light team of Midland's calibre. "They had everything," Murphy said. "I was the most surprised man on the field when I saw how things were going."

Now, we don't like to take issue with our friends, the sportswriters of the district, but there are some little matters that assume big proportions. How about the all-district choices being rumored? A Big Spring dateline in the Star-Tele-

## Churches

### FIRST BAPTIST CHURCH

Winston Borum, Pastor  
This Sunday, Nov. 29, has been designated in the program of the First Baptist church as "Thanksgiving Sunday." It is the nearest Sunday to that day set apart since the time of the Pilgrim Fathers as a day of rejoicing and thanksgiving.

Special goals for attendance have been set throughout the classes and departments of the Sunday school, and a general goal of 750. To reach this let every member of the Sunday school be present, plus any members of the church not thus included, and every visitor who will help us reach this goal. The school begins at 9:45.

At the 11:30 o'clock service the pastor will speak on the subject, "Christ, the Majestic." The pastor is anxious to see every member of the church present one time, all who are not sick, or necessarily have to work.

The subject of the pastor for the evening service is "The Horizon Between Heaven and Hell." The service will begin at 7:30 with orchestra concert led by O. L. Walton, and continue with an old-fashioned song service, led by Rev. Winston Borum, assisted by the orchestra and chorus choir, and Wallace Wimberly and Mrs. Borum at the piano.

Special vocal numbers morning and evening.

The B. Y. P. U. will meet at 6:15, concluding with general assembly in charge of the Director, Mrs. L. A. Grantham.

The Woman's Missionary society will meet for short business session and old-time social in the pastor's home Monday afternoon at 3:30.

Prayer service Wednesday evening at 7:30, at which time the pastor will continue in the series of studies in the "Romance and Mechanics of the Bible." Choir practice follows at 8:30 the same evening.

Church-school Sunday morning at 9:45 o'clock. Do you not realize some obligation to support with your presence those who are giving, as a "free-will offering," their service as teachers in your own church-school?

Morning worship at 11:00 o'clock. The sermon theme will be "The Evil Eye." The Moslem world believes that if but one glance of an evil eye falls upon a man some curse will forthwith ensue. Solomon believed in the evil eye. Moses believed in it, too, and gave a law concerning it. And Jesus Himself spoke twice of its peril. Come out for this service and learn something about "The Evil Eye."

The Young People's hour will be 6:30 p. m. If you are not enrolled in some other young people's organization please come out and be with us.

Evening worship at 7:30 o'clock. Sermon theme: "Heroism of Faith." This discourse will be developed around the most widely known man in the annals of history. Do you know who he is? No, he is not Jesus of Nazareth. Please be present and learn the secret of this man's greatness and why he is the most widely known man that ever lived.

Mid-week services Wednesday evening at 7:30 o'clock. We need you at this and all services.

—Rev. W. J. Coleman, Pastor  
First Presbyterian Church.

Stanton's high school Buffaloes winners of this end of the Class B district, play the winners of the south end of the district, Crane, on the Stanton grid Saturday afternoon at 3 o'clock.

Stanton is expected to win a close game, according to Principal Glazier.

## Midland Men Aid Wink Lions Club

C. W. Webb of Lions International and Midland Lions, Harry L. Haight, Frank Stubbeman, and A. A. Clark, assisted in the reinstatement of the Wink Lions club there Wednesday night. It will take the place of the Wink Boosters' club whose activities did not have sufficient scope to handle the various local problems of that city.

Wink's Lions club will start with a new membership larger than that of the Midland club.

The first meeting will be held Saturday in the Justice hotel.

H. P. Davis, formerly of Pecos, will be its first secretary and it largely due to his efforts that Lions International, through Webb, arranged for the reinstatement which becomes operative January 1. Its charter was temporarily discontinued about two years ago, due principally to a majority of its members moving to other oil fields.

## JAPANESE DISREGARD PROMISES

Reinforcements Move Up to Front Say Messages

TOKYO, Nov. 27. (UP)—Japanese captured Paichipao, 50 miles northwest of Mukden, late today.

TOKYO, Nov. 27. (UP)—Main Chinese and Japanese forces clashed today at Paichipao on the Peiping-Mukden railway. Casualties were unknown.

Train loads of Japanese soldiers were rolling southward in a big offensive led by General Hanjo, contradicting Japan's intention to withdraw troops as announced by the foreign office here.

## More Ultimatums Are Issued

TIENSIN, Nov. 27. (UP)—Japan was delivered an ultimatum today by China after the Japs bombarded Chinese rioters with artillery and swept the streets with machine guns during the night.

The ultimatum was ignored.

Japan demanded withdrawal of Chinese troops from the contested areas and cessation of military activities.

## UNEMPLOYMENT PER CENT OFF IN NOVEMBER

WASHINGTON, Nov. 27. (UP)—The rate of increasing unemployment was checked in November, the American Federation of Labor reported today.

Although the unemployed increased 420,000, the rate of increase was less than normal times.

American unemployed was estimated to be 6,000,000 by William Green, president.

He estimated that nearly a million more are to be laid off from farms and industries in December.

## He Doesn't Need License Numbers

While a Midland car owner was vainly trying to get the license and serial numbers of her stolen automobile wired here from Fort Worth, Sheriff A. C. Franks of Midland got busy and found the car in El Paso without the aid of a number of any description. And within less than 24 hours after the car was stolen.

Mrs. J. B. Lovejoy, 311 North D street, was ready to drive to Fort Worth over Thanksgiving. She had her car checked and drove to the station Thanksgiving service. While she was in the church the car was taken. She reported this to the sheriff, but neither she nor her husband knew the license number. The machine was registered in Fort Worth and the papers were in a bank vault. The bank was closed for the holiday.

The sheriff got busy on the telephone. He found that a car answering the description of the one taken here had stopped at a filling station near Badger and that a youth did not seem to know how to drive it. The car was then checked through Monahan and Pecos into El Paso, and a youth, 17, was arrested and lodged in jail. He readily admitted taking the machine.

Mrs. Lovejoy's father taught years ago at the old Midland college.

CRITICIZING CRITICS

An American orchestra leader, returning from a visit to Russia, reports that no professional critics cover any of the musical events in the land of Stalin. Instead, each theatre and concert hall has a big blackboard in the lobby, and any patron who cares to write his own criticism of the performance on it, for all to read.

Now this seems to be one of the neatest ideas that Soviet Russia has yet brought forth. The critic of any of the arts tends to get above himself and nourish an exaggerated idea of his own function; and the layman—the cash customer, so to speak, the ultimate consumer—tends to place altogether too much reliance on the critics' verdicts.

We are, after all, very much like sheep, especially when it comes to any form of art. Instead of enjoying what we like, we strive manfully to enjoy what we are told to like.

We go to a concert, for instance, and get a great deal of pleasure out of the music; but the next day some critic announces that the orchestra was badly off form, the composers represented were dull and hackneyed, and the tenor had a bad cold—and our remembered enjoyment vanishes as we try to make our own impressions jibe with those of the Olympian reviewer.

This blackboard idea represents a way out. It would do away with a lot of hypocrisy and cant. And it might—who knows?—prove a stimulus for the performers themselves.

Of course, as a matter of common practice this stunt already works in a different guise. The patron renders his verdict, not on a blackboard, but at the box office. So, now and again, we have a phenomenon such as "Abie's Irish Rose" presented, with the critics rising unanimously to express disapproval and the general public registering its enjoyment by buying tickets in droves.

But the blackboard would add more zest to it. The artist who gets by on a puffed-up reputation might suffer, but the unknown performer of genuine ability would get a break. And the cash customer would have a lot of fun.

BAKER'S ANTI-WAR PLAN

Newton D. Baker's speech at Boston urging passage by Congress of the Capper resolution calls attention to one of the simplest and most promising anti-war measures yet proposed.

The Capper resolution would bind the United States not to be a market for finances, industrial goods, farm products or munitions for any nation which went to war in violation of a previous agreement to arbitrate international troubles.

Its advantages are obvious. Many nations would be reluctant to enter a war if they knew that American markets and banking houses would be closed to them. Furthermore, if a war did get started there would be much less chance for the United States to get involved through commercial and financial ties with one of the combatants.

Mr. Baker believes that adoption of such a policy by the United States would prevent large-scale wars. The plan is at least worth a trial.

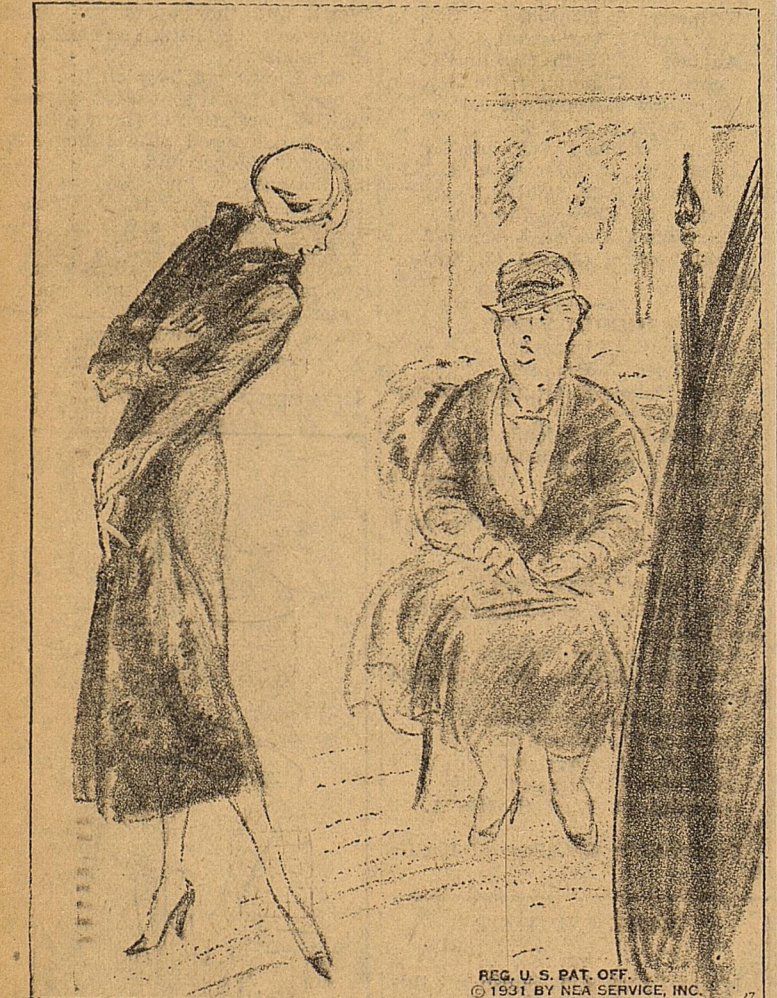

WHEN YOUNGSTERS DRIVE

One of the most disturbing traffic accidents of the season is that recently recorded in Kansas City, where an auto driven by a 14-year-old boy knocked down and killed a pedestrian at a street intersection.

No youngster of 14, of course, or of an age anywhere near 14, should ever be permitted to drive an automobile on any public street. In this case, to be sure, the lad is said to have been driving without his parents' consent; but that fact only adds to the weight of the object lesson.

Parents must not only keep their children out of the driver's seat. They must see to it, very rigidly, that the ruling is obeyed. When a child of that age does drive, and gets involved in an accident, the major part of the responsibility rests on his father and mother. Keeping child-drivers off the streets is primarily their job, not the police department's.

Side Glances . . . . . by Clark

"Oh, mother, you're just afraid I'll look more than 16. Next you'll be fibbing about my age, too."

The Town Quack

(Reserves the right to "quack" about everything without taking a stand on anything.)

Class A team that would come here cheap would bring in a big gate and the Bulldogs could make one final bow for the season that would merit a lot of good will, giving us another chance to see those eight who will graduate in action.

This may be a hard winter in welfare work, not because the winter will be so hard but because there is a scarcity of money to work with. Last year there was greater demand for aid than was anticipated and it won't be over this winter. These cold and hungry victims of unemployment are on our hands and it's just as much your problem and mine as it is for officers of the welfare association.

We had a good deal to celebrate Thanksgiving day with after all.

Fine Arts Club Studies Folk and Cowboy Songs

Folk songs and negro spirituals contributed interesting study for the Fine Arts club meeting held at the home of Mrs. George Abell on Wednesday afternoon.

Miss Lena Solomon as leader of the program, gave a paper dealing with Dorothy Scarborough's "On the Trail of Negro Folk Songs." Illustrating several of the songs, Miss Solomon sang a group of the folk compositions closing with "Old Folks at Home." She was accompanied by Mrs. O. L. Walton.

Dressed in cowboy suits, Mary Elizabeth Newman and Mary Sue Cowden sang "Bury Me Not on the Lone Prairie." Their encore was another cowboy song.

Mrs. Walton, the co-leader of the program, will further discuss cowboy songs at the next club meeting. During business, Miss Lydia G. Watson reported on the state federation convention in Lubbock. New members, Mrs. E. H. Ellison, Mrs. J. B. Lovejoy and Mrs. Winston F. Borum were accepted.

A memoir to the father of Mrs. Edwin C. Calhoun, a club member, was read by Miss Watson. The club voted to contribute a silver offering at the next meeting which will be donated to the poor.

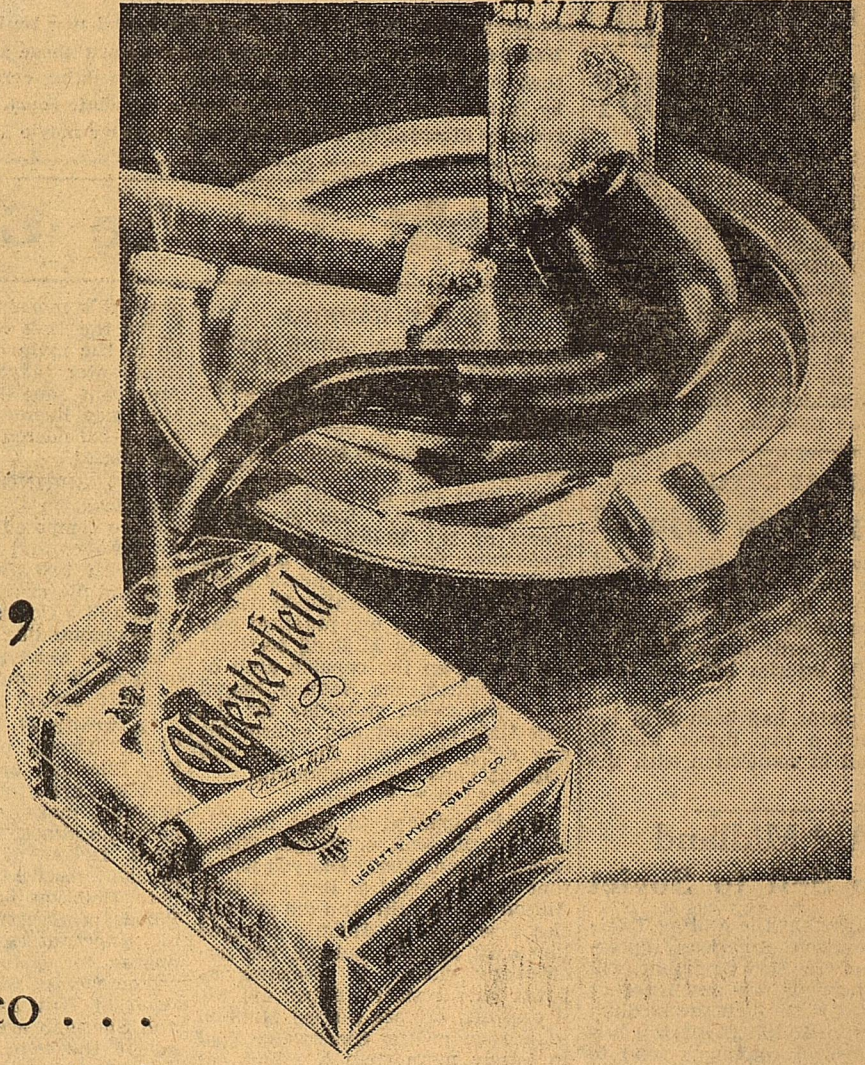

Choice Cooks' Corner

Beef Pot Pie Cut into pieces of equal size some coarse fat beef, put in a saucepan with cold water, and stew for about two hours with the lid on the pan; add a few slices of fat pork or bacon, an onion, salt and pepper to taste, and a thickening of flour and water. Turn into a dish, lined with biscuit dough, such as is used for dumplings, cover over with more of the dough and bake in a quick oven until done. Turn into a dish and serve.

Chocolate Pudding Put a pint and a half of milk to boil. Have four tablespoons of scraped chocolate in a saucepan with two tablespoonsful of boiling water and four of sugar. When the paste is smooth and glossy, pour it in the milk. Mix four tablespoons of cornstarch with half a pint of milk and one teaspoon of salt. Pour this in the boiling water and stir for a few minutes. Pour the mixture in a fancy mold and let it remain for three-quarters of an hour.

"I'll stand by it!"

"I'll stand by tobacco . . . in good times, in hard times . . . all kind of times . . . it helps a whole lot!"

"I GREW up with tobacco. Mostly I smoke I cigarettes now — but I've smoked plenty of cigars, and pipes, too. And I never got anything but good from tobacco in any form—pipe, cigar, or cigarette—and that goes for every smoker I ever heard about.

"Why, I remember as a boy, way back, how the old folks in the fall used to pick and cure tobacco from a little patch they'd raised, and save out the best for their own smoking. And my father fought all through the war, and lived to be ninety.

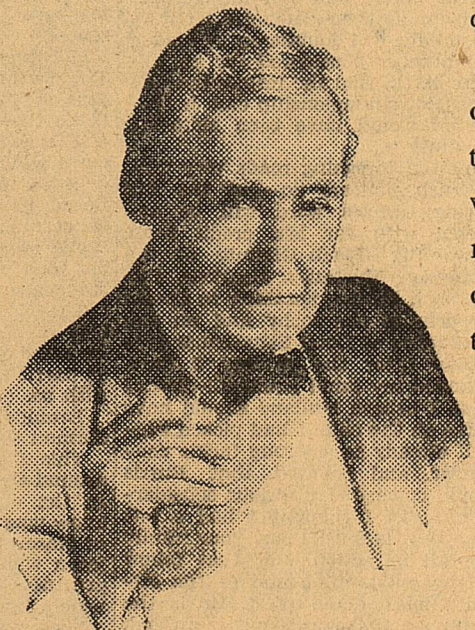

"He'd certainly appreciate what we get today, though. Just think about these CHESTERFIELDS

of mine—fine tobaccos from all over the world, and cured and blended just so; you couldn't get anything purer or milder. Cleanest factories you ever saw, too—never a hand touching the cigarettes . . . everything up to date.

"A big improvement over the old ways . . . reckon that's why I like CHESTERFIELDS so much. I notice most of my friends get a lot of pleasure out of them, too.\*

"But what I started out to say was, you can always depend on tobacco, no matter how things are going. Probably there was never anything in the world that meant so much to so many people, and cost so little, as tobacco—whatever way they smoke it.

"Yes, sir—I'll stand up for tobacco as long as I can strike a match!"

\*NOTE. In the sections where tobacco grows and where people know tobacco, Chesterfield is usually the largest-selling cigarette.

# SWEETWATER WINS, 7-0, BUT MIDLAND OUTPLAYS THE INVADERS

## MIDLAND BATTLES AT MUSTANG GOAL IN FIRST MINUTE; McCALL'S DEFENSE TOPS BRILLIANT CLUB PERFORMANCE

Within less than one minute after the opening whistle, a great crowd saw a desperate Midland eleven prove that the official forecast of a Bulldog upset of the Red and White Sweetwater title was more than prophetic; it was an inspired prophecy that came from an eleven that within a minute and a fraction had rushed a bewildered Mustang team from the Sweetwater 40-yard line to one yard of the invaders' goal. The ball went over on fourth down and, from there out—until the middle of the fourth period when Hicks plunged five yards for a marker that won the game for Sweetwater—Midland played a superior brand of ball.

In the first period a leaden hearted Sweetwater club saw the Bulldogs scamper through line, around end, and toss passes that, fortunate for the Red and White, were dropped by halves and ends in open field. The merciless attack made by an eleven that could boast no substitutes of power defeated itself in this period by dropping passes that would have undoubtedly annexed the engagement.

A large crowd, spellbound, tried to sit but gave up and stood out the remainder of the game, yelling piled up nine first downs to Sweetwater's right and piled up a total yardage that lacked only 10 yards of measuring with that stacked up by Sweetwater. The Red and White team gained a total of 214 yards from scrimmage, Midland making 204.

Not only did Midland smash through to the one-yard line in slightly better than a minute from the opening whistle; but, after Sweetwater had braced and kicked back, Midland's superb backs, racing through holes opened by a forward wall that was fighting the routed Sweetwater line to a standstill, plunged and circled to the five-yard line. The quarter found them on the Sweetwater 14-yard line, and Sweetwater just fresh out of its second "time out."

In the second period, Midland played almost exclusively in Sweetwater territory. Sweetwater's backfield aces, Sheridan and Hicks were thrown for no gain or for losses by Midland's stellar forwards, led by an end, "Bull" McCall, who figured in almost every play. Sweetwater's coach, Ed Hennig, sent in information to run plays away from McCall's end, but the husky went around and dragged men down from the rear. He would not be denied. He stamped himself as one of the two all-district ends without a single doubt.

At the same time, every other Midland man was on top of the play every instant. Midland had scored seven first downs to two for Sweetwater at the half.

Once again, passes were grounded when it seemed certain ends and halves were to snag them in the open. Captain Burris was bulleting the ball to corners of the lot un-frequented by any but Midland eligibles. The way he crossed up the Sweetwater pass defense was beautiful to observe.

A Midland fumble towards the last of the second period after a Sweetwater punt gave the Mustangs the ball on the Midland 22-yard line and a pass, Sheridan to Baugh, placed the oval on the Midland 17-yard line just as the gun for the half fired. This was the first time the Mustangs penetrated the Midland 20-yard line.

In the third period a punting duel resulted. Sweetwater worked the ball to the Midland 25-yard line and

Midland kicked off to the Sweetwater 25. Allison returning 15 to his 40. Baugh made 3, Hicks 1, Allison 3, but Sheridan, Sweetwater ace, lost six on his first trip with the mail when Straughan rushed back and dropped him before he could get started. The ball went over.

Midland's ball on Sweetwater 41. Burris sped around right end 9 yards on his first try. Hallman knifed 9 through line, Burris 6 at left end, Midkiff 8 at right end, Hallman 3 in two tries, Burris 3 at left end and Hallman, getting a bad snap back, hit the center of the line for one yard—leaving Midland on the Sweetwater one-yard line in the first minute of play. On fourth down Hallman was held.

Sweetwater ball on its own one-yard line. Sheridan punted to the Midland 46 and Midkiff returned 7 to the Sweetwater 47. A pass, Burris to Sherrod, failed as the Bulldogs' half slowed up in open field then realized too late the pass was perfectly pegged with nice lead into open field. Hallman failed to gain. Sherrod punted to the Sweetwater 35. Sheridan lost three when "Bull" McCall downed him with a savage tackle that badly shook the Sweetwater twisting speed merchant. A Sweetwater pass, Sheridan to Jones, failed. Baugh fumbled. The ball went over when Hicks, famous "Roscoe Rambler" failed to gain at line.

Midland ball on the Sweetwater 32. A pass was incomplete. Hallman hit line for 4. A pass to McCall was muffed. Sherrod punted 17 yards to the Sweetwater 11.

Hicks made 4, but Pinnell and McCall caught Sheridan for a 5-yard loss. Sheridan punted to midfield and Midkiff returned to the Sweetwater 37.

On an end-around play, Straughan circled for gain of 7 yards. Hallman was rolled out on the Sweetwater 27, after picking up 3 yards. Hallman made 2. Burris slashed over right end for 10 and Hallman fought his way over center for 10 more. Starting on the 5-yard line, Burris lost 9 at left end, and the quarter gun sounded with Midland in possession of the ball on the Sweetwater 14. Score: Midland 0, Sweetwater 0.

Second Quarter  
Two passes failed to gain when Midland pass snatches seemed to be under a spell. They were breaking well into unguarded territory and Burris was nailing them with uncanny accuracy, but receivers did not seem to grab one under any circumstance. Midland received a 5-yard penalty, and the ball went over on the Sweetwater 19.

Sheridan made 5, Baugh 5, Hicks 2, Sheridan lost 2 when hit by McCall behind the line. Sheridan gained 5, a pass failed and Sheridan punted to the Midland 40. Midkiff returned 7 to the Midland 47.

Hallman picked up 1 at line. A pass, Burris to McCall, was good for 11 yards, placing the ball on the Sweetwater 41. Burris gained 3, but Straughan lost 11 on an end-around play. Burris attempted to pass, but it was intercepted by Baugh on the Sweetwater 40.

Hicks made 4, Baugh 4, Hicks 3. Sweetwater was given an offensive penalty, which placed the ball on the Sweetwater 46. Burris intercepted a Sweetwater pass on the Sweetwater 47.

A Midland pass failed. Midkiff made 4 and Burris 4. Sherrod punted to the Sweetwater 15 and Hicks returned 4. McCall hit Sheridan for a 4-yard loss. Midland was penalized 10 yards. With the ball on the Sweetwater 25, Hicks ripped off 6, Baugh 5, Sheridan 3. A Mustang pass failed and Sheridan punted out on the Midland 28.

Midkiff lost 6 when he fumbled, and Sweetwater recovered. It was Sweetwater's ball on the Midland 27. Sheridan lost 1 when Pinnell, Collins and McCall stopped him. Sheridan lost 4 as Pinnell and McCall smashed through to catch him in his tracks. A pass, Sheridan to Baugh, carried the ball to the Midland 17-yard line as the gun for the half barked. Score: Midland 0, Sweetwater 0.

Third Quarter  
Midland kicked off to the Mustang 25 and the ball was downed on the Mustang 43. Hicks made 4, Baugh 5, Sheridan 5, Baugh 11, but the ball was brought back and Sweetwater penalized to the Midland 48. Midland was given a penalty of 5 yards. Score: Midland 0, Sweetwater 0.

## BOBCAT-STEER GAME FAILS TO PRODUCE WINNER

BIG SPRING, Nov. 27.—Big Spring and San Angelo battled to a scoreless tie Thursday and failed to settle the runner-up in the district. The punting of Tack Dennis for the Steers saved the day for the locals in the first quarter when the Bobcats penetrated twice to the Steer 20 yard mark and Dennis, from his 9 yard line, drove the Cats back to their own 5-yard line on two kicks. Dennis was outstanding for the locals with his defensive play, off tackle thrusts and great punting. Harrison, Delker and Schluhard stood out for the Bobcats. Delker time after time ripped the Steer line for first downs.

The Steers failed to score in the fourth quarter following a 30-yard run by Dennis to put the ball on the 11-yard line. Angelo held and the ball went over on the four-yard line.

Dennis punted 11 times for a 50-yard average. Angelo could gain in midfield, but the Steer goal line defense was air tight.

## Wolves Drop to Cellar Position

McCAMEY, Nov. 27.—Coach Clyde Parks' McCamey Badgers alicked like a championship team Thursday afternoon and downed the Wolves by a 40 to 0 score on the local athletic field in the last conference game of the season for both clubs. This was the first conference win for the Badgers and the result of today's game forces the Wolves into the cellar position. Coach Park and the Colorado mentor, Hardy Pearce, were old football rivals in their college days and the game was a battle of coaches as well as of the teams.

McCamey accounted for 18 first downs while Colorado made seven. Colby, Carl, Menefee, Smalley and Fowler did the scoring for the winners and B. Viles made the Wolves' only touchdown.

## THREE-WAY TIE IN DISTRICT 1 AS SANDIES WIN

AMARILLO, Nov. 27. (AP)—Good fortune continued to smile upon the Golden Sandies of Amarillo Thursday.

Following the Sandies' surprising 25 to 2 victory over the Lubbock Westerners today which threw District One in a three-way tie with Amarillo, Pampa and Lubbock deadlocked with three wins and one defeat each, superintendents of the schools met to decide what procedure would take place to decide the district winner.

Amarillo, represented by W. A. McIntosh, head of the Amarillo school and Blair Cherry, coach of the football team, won the bye in a flip that resulted in the Sandies' good fortune.

When the coin called by Mr. McIntosh turned up "heads" and he was "odd" it meant that the Pampa Harvesters and the Lubbock Westerners will meet on the gridiron at Lubbock Monday afternoon. The Sandies will sit in the stands and watch these two teams battle to determine which shall meet Amarillo for the district title Thursday afternoon.

If Lubbock beats Pampa Monday Amarillo will play the Westerners in Lubbock Thursday. If Pampa wins, the Harvesters will come to Amarillo Thursday. The winner of the final game will meet the winner of District Two next Saturday for the bi-sectional championship. Quannah is leading District Two with a clean slate and has to beat Childress this week to clinch the title.

places Barnett of McCamey in my estimation." Pinnell and McCall were in every play and in the way of everything that even looked at the Midland goal line yesterday. McCall has showed more stuff in the past three games than any end we ever saw on a high school. Pinnell has been hot all season, easily out-playing every man who has faced him, including Barnett.

Coach Hennig picks his backfield as follows: Sammy Baugh of Sweetwater, quarter, Red Sheridan of Sweetwater, half, Captain Loyd Burris of Midland half, Dennis of Big Spring, full. What could be better?

For ends, he selects: McCall of Midland and Bledsoe of Sweetwater; tackles: Pinnell of Midland and Grimsley of Sweetwater; guards: Captain Brooks of Sweetwater and Hopper of Big Spring; center: B.
