Second Iraq Front Opens As Battle For Oil Grows

Scouts Will Gather Here On Weekend

Attendance records at the annual Buffale Trail council Round-Up are expected to fall here this weekend when Boy Scouts from 15 counties in the area will gather for competitive events in camping and scoutcraft.

Special health and safety precautions have been taken and each troop will be accompanied by its scoutmaster or a qualified, recognized leader.

Auto Plants Given Quotas

WASHINGTON, May 3 (AP)—Automobile manufacturers were advised by the office of production management today that they could make 4,224,152 vehicles in the model year beginning August 1.

German Reichstag To Meet Today

BERLIN, May 4 (Sunday) (AP)—The Reichstag is to meet at 6 p. m. today (10 a. m. CDT) to receive a declaration on the Reich government.

More Money Is Given To Greeks

Eight dollars were added to the Greek War Relief fund Saturday as additional funds were remitted to the national headquarters in New York.

1941 Rainfall Doubles Average For Period

More than twice as much rain fell on Big Spring during the first four months of the year than the 40-year average for these months.

BRITISH ASSERT CRUDE STILL FLOWS IN PIPELINES

LONDON, May 4 (Sunday) (AP)—British troops battling to preserve the empire's vast oil fields in the Middle East drove off Iraqi forces attacking in the Basra area at the head of the Persian gulf, it was learned in London early today.

RAF bombers and artillery were thrown into action against the Iraqi troops in this, the second battle area to develop in the suddenly flaring war in Iraq.

The British acknowledged last night that planes and men had been lost in a 2-day battle at Habaniyah airdrome.

Powell Creek Lake Laps At Spillway

Rains totaling nearly two inches gave the soils of this area their most thorough drenching in years and filled one of two city lakes.

Rivers Near Flood Stage Many Places

A six-inch rain sent rivers in Texas and Oklahoma out of their banks yesterday threatening highway bridges, and livestock.

Crystal Ball Sets Car Afire

RICHMOND, Va., May 3 (AP)—If "Master X," negro seer, had gazed into his own crystal ball he could have foreseen some trouble for himself.

Dies Continues To Attack 5th Column

PARIS, May 3 (AP)—Rep. Martin Dies continued his attack today on secret armies of totalitarian states operating in the United States in the 25th speech of his campaign for the United States presidency.

United States Not Prepared, Says Lindy

Aviator Opposes Fighting War On Another Continent

ST. LOUIS, May 3 (AP)—Charles A. Lindbergh declared tonight America was not prepared to wage war abroad successfully but pleaded that we must and can defend our own nation.

"This is the third great nation that I have watched being led into war without adequate preparation and without the true facts and issues of the war being placed before the people," he continued.

Senate Race Speeds Up Johnson Hits Strikes Of Labor, Capital

Representative Lyndon Johnson's opening speech in his campaign for U. S. senator, in which he urged unity behind President Roosevelt and questioned the right of labor to strike in time of danger, highlighted the race this week.

"I know, in 1939, that England and France were not prepared to wage war successfully and I know that America is not prepared today to wage a successful war in Europe."

"The president will not let you down," he said, "depend on the great hearts of men who say they lead you rightly, when they order you to lay down the very tools liberty must use to save itself."

Everybody To Get Questionnaire Now

AUSTIN, May 3 (AP)—Questionnaires will be sent immediately to all selective service registrants although the procedure will not draft calls, state selective service Director J. Watt Page announced today.

Income Taxes Gain Support

WASHINGTON, May 3 (AP)—Some members of the house ways and means committee said today they viewed President Roosevelt's request for a \$3,500,000,000 tax bill that would not "make the rich richer and the poor poorer" as a mandate for higher income taxes rather than new sales taxes.

At Rate Of \$3 Per Capita—Local People Buy Bonds And Stamps

If the nation as a whole has responded to his appeal for defense bonds and savings stamps investments as have the people of Big Spring, Uncle Sam has around \$390,000,000 in cash to help pay for his mighty military program.

26 United States Freighters Arrive In Suez With Arms

NAVY DEPARTMENT DENIES REPORT THAT WARSHIPS ESCORTED CONVOY

By The Associated Press
Usually reliable diplomatic informants at Vichy, France, said last night they had circumstantial reports that 26 American merchantmen, laden with war materials and accompanied by "convoying" United States warships, have reached the Suez Canal.

Immediately upon receipt of the reports, the navy department in Washington, D. C., stated bluntly: "No United States navy ships are employed in convoy duty."

These may be ships that left the United States with war material intended for Greece and Yugoslavia and were cleared for Red sea ports after President Roosevelt's

suspension of the neutrality ban on those waters. These were understood by maritime sources to have been Yugoslav and Greek freighters. Some informed sources suggested, however, that American vessels also might have sailed for Suez via the Cape of Good Hope.

Some British material losses in Greece are being offset by new equipment, much of it American-made, arriving in the Middle East, British sources in Cairo said Friday.

The Vichy reports overshadowed for the moment a two-day old small-scale war between Iraq troops and British forces in the land of Aesop's Fables.

Tuesday Set For Starting Airport Work

Launching of operations on the huge Big Spring municipal airport project was scheduled for Tuesday with assignment of men to the job.

Work Projects Administration officials Saturday announced the numbering of the airport project, a move tantamount to a work order. Immediately, those on WPA here were told to report to the new job Tuesday morning.

Glenn Minter will be in charge for the WPA on the project. City officials anticipated that big equipment needed for the work would start arriving soon. With around 8,000 cubic feet of crushed rock laid in for the project, orders were given to suspend this operation so that men could be placed at the airport. Most of the rock needed for paving the runways will be purchased by WPA.

Roosevelt To Talk At 11 A. M. Today

CHARLOTTEVILLE, Va., May 3 (AP)—President Roosevelt today visited the home of President James Monroe, author of the famous doctrine barring further European colonization in the Americas, and then began drafting an address to dedicate as a shrine the birthplace of Woodrow Wilson, the World war president.

Mr. Roosevelt's address, to be delivered tomorrow noon (11 a. m. Central Standard time) at Staunton, Va., where Wilson was born in 1856, began to command increasing attention. Originally the president had planned to speak extemporaneously. It was only today that he decided to prepare a text in advance.

British Force Cuts Axis Libyan Lines

CAIRO, Egypt, May 3 (AP)—A British mechanized force cutting behind the German and Italian positions on the Egyptian frontier has raced across the desert plateau and taken by surprise a considerable body of axis troops, Middle Eastern headquarters announced tonight.

This bold sortie, reminiscent of the tactics used in routing the Italians last winter, was carried out in the Salum sector while the axis forces stabbed repeatedly at British-held Tobruk, 80 miles to the west, only to wind up still in the southwestern corner of that port's outer ring of defenses.

IOOF To Install New Officers

New officers will be installed at an important business session of the I. O. O. F. lodge Monday at 8 p. m. in the Odd Fellow hall.

Mann Pledges To Help Roosevelt

GLENROSE, May 3 (AP)—Attorney General Gerald C. Mann today pledged cooperation with President Roosevelt if he is elected to the United States senate in the special election on June 23.

MONDAY IS Dollar Day Check The Values In Today's Herald

Rural Co-Op Plans Third Light Project

Given assurance that an allotment would be available for the 175-mile "B" section, the Caprock Electric Cooperative began Saturday to map plans for drafting a "C" section for the REA unit.

In order to come in for an allotment on the projected third section, REA officials were anxious to draft it for submission by the time new funds are available on July 1.

O. B. Bryan, supervisor for the cooperative, said that tentative plans were to use the "C" unit as a fill-in section to close gaps in northern and southwestern Howard county, in Martin and possibly Midland counties.

He urged rural residents interested in the proposed extension, which might total around 200 miles, to contact the office for details.

Meanwhile, with approval already granted, the "B" allotment was considered virtually assured for an allotment with beginning of the new federal fiscal year. It was estimated it would be set up for around \$120,000. The projected "C" section possibly would be for some \$20,000 more.

Currently the REA has 172 miles of lines in operation in Howard, Martin and Midland counties, has a 25-mile extension under construction in Midland county. The "B" job would extend northward from Knott in Howard county and would come in from Martin county to reach Lomax community.

Fire Destroys Packing Plant

TECUMSEH, Okla., May 3 (AP)—Fire which followed an explosion tonight destroyed the Crocker packing plant, together with about 75 head of cattle and 75 head of hogs.

Locomotive Explodes, Kills Four Crewmen

SALINAS, Calif., May 3 (AP)—A huge mountain locomotive pulling a 94-car Southern Pacific freight train exploded with a deafening blast today, killing four trainmen and hurling jagged smoking steel in all directions.

Governor Signs New Land Law

AUSTIN, May 3 (AP)—A bill signed today by Governor W. Lee O'Daniel will bear importantly on West Texas lands. Land Commissioner Bascom Giles declared.

The measure, by Rep. C. H. Gilmer of Rock Springs, provides all principal obligations of school land purchases will not become due before Nov. 1, 1951, thereby increasing the state's income through interest, Giles said. He added it would eliminate the necessity of land purchasers refinancing in order to meet obligations.

Weather Forecast

WEST TEXAS — Partly cloudy south portion, cloudy with occasional rains north portion Sunday, clearing Monday. Rising temperatures Monday.

EAST TEXAS — Partly cloudy to cloudy, scattered showers in north and extreme east portions Sunday and in north and east portions Monday. Moderate southeasterly winds on the coast.

LOCAL WEATHER DATA
Lowest temp. Saturday, 60.
Highest temp. Saturday, 68.
Sunset Sunday, 7:25.
Sunrise Monday, 6:56.
Rainfall since 6:59 a. m. Saturday, .11 inch; total rainfall for period, .187.

# Irene Dunne And Cary Grant Starred In 'Penny Serenade' At Ritz Today

Excitingly reunited in George Stevens' "Penny Serenade," Irene Dunne and Cary Grant return to the Ritz theatre screen today and Monday in what has been acclaimed by Hollywood as the greatest romantic drama of the year. Vivid, absorbing story of an errant newspaperman and his wife, Columbia's "Penny Serenade" is based upon Martha Cheavens' magazine novel, adapted to the screen by Morris Ryskind, and enacted by a stellar cast which includes Beulah Bondi and Edgar Buchanan.

As the reporter Grant has been praised for a performance which tops in sincerity, in gay good humor and dramatic content anything he has done in recent years. Miss

Dunne has been equally lauded for her work.

In "Penny Serenade," Grant appears as a young newspaperman who meets and is immediately attracted to a music store salesgirl, portrayed by Miss Dunne, who as definitely falls in love with the reporter. They are married, one New Year's Eve, half an hour before he must leave for Tokyo on a new assignment. Three months later, the girl joins her husband. Grant's casual attitude towards responsibilities invites a barrier between the two. The earthquake, the loss of the baby they had been expecting and the knowledge that they can never have a child of their own, create further problems.

Returned to America, and settled down as the proud editor of a small country newspaper, Grant attempts to make his wife happy. But he succeeds only when they adopt a baby girl; from that moment on, their marriage assumes a newer and richer meaning. And then with the death of the child several years later, the newspaperman reverts to his earlier irresponsibility. The marriage verges on divorce.

In resolving the basic theme of "Penny Serenade," Stevens is said to call upon the utmost in screen craftsmanship, and Miss Dunne and Grant contribute historic moments of beauty and lasting effect so that the film ends in a sequence of laughter and tears.

**Teamed Again—** Cary Grant and Irene Dunne, whose antics delighted fans in "The Awful Truth," are co-starring again in a drama, "Penny Serenade," which headlines the Ritz theatre's program for today and Monday. It's a tale about an errant newspaper man and his wife, their marital troubles and joys.

## Thrill Drama Offered At The Queen

### 'Sleepers West' Treats Of Detective's New Adventures

A crack limited roaring over the peak of the Rockies can capture the imagination of the most blasé, but when that San Francisco-bound train contains a potential killer, a key witness in a murder trial, a two-fisted fast-talking detective, and a smart newspaper woman hot on The Big Story, then it's time to hold tight to your chair.

These, roughly, are the ingredients that have been mixed together to make "Sleepers West," the new 20th Century-Fox Michael Shayne detective film what has been reported to be an action-packed thriller. The picture is at the Queen today and Monday.

Once again Lloyd Nolan crosses wisecracks with lovely Lynn Bari. Others featured in the cast, which was carefully selected by Executive Producer Sol M. Wurtzel, are Mary Beth Hughes, Edward Brophy, and Ben "Shadrach" Carter.

"Sleepers West" is a detective story, but it is said to be a different sort of detective story because the character of Michael Shayne, played by Lloyd Nolan, is a different sort of detective. He's as quick with repartee as he is on the draw and he not only gets his man, but his woman, too. Lloyd Nolan's tight-lipped tough-guy interpretation of his detective role often leaves the audience doubting whether he is going to end up in front of or behind the bars.

Smart as he is, Michael Shayne cannot seem to outrun newspaperwoman Kay Bentley, played by Lynn Bari. Of course, it takes a train crash to help Kay get her story, but all's fair in the newspaper game.

The realism of the train sequences was obtained by 20th Century-Fox when the studio had a six-car train built according to the strictest specifications just for "Sleepers West." Eugene Forde directed the film from a screen play by Lou Breslow and Stanley Raub.

**Fast Drama—** An engrossing story of murder and mystery venture story which plays today and Monday at the Queen theatre. Lloyd Nolan has the role of Michael Shayne, super sleuth, and Lynn Bari and Mary Beth Hughes have feminine leads.

## Anti-German War Picture At The Lyric

### Nazi Horrors Revealed In Documentary 'After Mein Kampf'

Those who hate Hitler will probably find enjoyment in the subject matter of the Lyric theatre's featured piece for today and Monday. A documentary war subject which doubtless contains its share of anti-Nazi propaganda, the film is called "After Mein Kampf" and reveals some of the horrors of war that have developed in Hitler's conquests and prophesies some of the things to come as a result of Hitler's burning ambition to rule the world.

The title is adapted from the title of the fuhrer's famous book, "Mein Kampf."

The picture is without name stars of Hollywood, and is advertised as an expose of the Nazi methods of warfare.

"The Doctors hang out here."

## Washington Views Texas Race As Dies And Johnson Affair

WASHINGTON, D. C., May 3 (Sp.)—Can Dies and defeatism win the Texas senate seat? This is the Washington angle of the campaign just opening in America's biggest state. In passing it is remembered here that Texas and pre-war Germany are of equal size. Also that large colonies of Germans settled much of Texas farm lands a half a century ago.

The principal business of Washington is politics. A Texan living here knows that the national opinion about the Texas campaign is not accurate. There is much more to the Texas race than Dies and defeatism. There is much more to the race than Roosevelt and Lyndon Johnson.

Johnson stands for all out aid to Britain, speed and no delay in defense, full support of Roosevelt in foreign and domestic policies. So naturally those close to Roosevelt are friendly—enthusiastic even—toward Johnson. Equally Roosevelt is concerned at the possibility of a Dies victory. They expect Dies to capitalize on fear. They know that Washington is far away from the panhandle. They know that Texas in all national polls ranks as the most patriotic state in the union. They know that Roosevelt has his highest personal popularity in Texas. They also believe that the very vigor and strong emotion which makes up the average Texan resents foreign born leadership in any form, and that Texas bravery might easily be swayed by Dies into an anti-labor and foreign born witch hunt. So in Washington Dies is the most frequent name heard in political circles for the Sheppard seat.

What Washington does not know is that voters have their own special way of thinking and acting. Here one does not find much mention of Mann, the attorney general candidate, because Washington has never heard of him and apparently, he has no outstanding campaign issue. So they discount his personal popularity and think of him as an also ran. Practically no mention is made of Governor O'Daniel who is thought of in Washington as a singer of songs and an eccentric called "pass the biscuits." It is almost laughable that people ordinarily politically wise fall to understand qualities which have made O'Daniel the strongest vote-getter in state races that Texas has seen since the Ferguson peak.

So in Washington all one hears is Dies and Johnson. Even the political columnists reflect this view, but one thing is certain: The Texas

## Tongue Tied Bird Drives Army Nuts

CAMP ROBINSON, Ark., May 3 (AP)—A tongue-tied whippoorwill has the officers of the 137th (Kansas) infantry tearing their hair.

The night bird haunts the officers' quarters. It starts out on the "whip-poor" call in great shape but can't get out the "will." "The damned thing is driving us mad," said Capt. Guy E. Vining of Horton, Kas., adjutant of the regiment. "It's like hearing an orchestra play everything in a song but the last note."

## Serb Leader Says Danube Is Blocked

SOMEWHERE IN THE MIDDLE EAST, May 3 (AP)—General Dusan Simovic, premier of the refugee Yugoslav government, declared today his troops had so effectively blocked the Danube river that it would be at least three months before the Germans could move any Rumanian oil to the reich by barge.

Simovic said barges full of concrete had been scuttled in the Iron Gate, the gorge-like passage on the Yugoslav-Rumanian border and that by the most conservative estimates it would take three months to clear a channel.

Mint—used to flavor toothpaste, gun, and medicines, is grown commercially on only 1,743 farms in the United States—practically all in southern Michigan and northern Indiana. Mint is distilled, producing mint oil. Average production of oil to the acre was 26 pounds. Mint grows on muck land.

## A Word About Piano Buying For The Inexperienced

Pianos are manufactured today to accommodate modern styling of homes, color schemes, space limitations, etc. BUT, to an expert, appearance is always secondary. Tone and action are of first importance. If you doubt your own ability we'll welcome your bringing in an expert. Be sure.

## Stage Show At The Ritz This Week

### 'South Sea Islanders' To Appear Here Tuesday And Wednesday

Added attraction on the Ritz theatre's program for this week will be a stage presentation Tuesday and Wednesday. Regarded as one of the better units now on tour, the show will be presented by Bill Holt and his South Sea Islanders. Members of the cast are NBC radio performers who have appeared on the Dole pineapple hour.

The cast features Princess Luana, styled as "Tropical bombshell of the South Seas," and the program will consist of musical, dance and novelty acts.

Featured picture for Tuesday and Wednesday will be "Rookies On Parade," with Bob Crosby and his orchestra, Ruth Terry and Marie Wilson.

### Snake Found By Man It Killed

LAREDO, May 3 (AP)—A deadly coral snake was found today coiled on a pillow beside the head of a man it killed.

Justice of the Peace J. Villegas said Francis M. Burch, 69-year-old crippled farmer who lived alone, was bitten in the side, apparently Friday night.

Villegas said a boy delivering goods to the farmhouse found the body and killed the reptile with a rifle.

### Dockrey And Robbins Pool Gets Oil Camp, Pipeline

COLORADO CITY, May 3. (Sp.)—A new operator, its first oil camp, and an operating pipe line were acquired during the past week by the Dockrey & Robbins field of northwestern Mitchell county.

The new operator was L. L. Walker of Wichita Falls, who has made four locations on the Jim Badgett land and who was moving in this week to drill on the north

one-half of the northeast one-quarter of section 51, block 97, H&TC. This well will be an offset to the field's discovery well, Hilburn's No. 1 E. T. Strain, and is two locations removed from K. A. Ehmman's No. 1 E. T. Strain, completed two months ago for a potential of 424 barrels.

Ehmman, also of Wichita Falls, was here this week preparing to start activity on several locations, now that the Coffield & Guthrie pipe line which has been built to convey oil from the Dockrey & Robbins wells to the Col-Tex storage tanks is operating effectively.

The pipe line at present is serving 16 wells. It is an extension of the Coffield & Guthrie lines in Scurry county's Sharon Ridge field.

Planning to move his operating and supply headquarters for both the Dockrey & Robbins field and the Sharon Ridge field to the D&R field, F. W. Merrick of Ardmore, Okla., began building a road and laying out a campsite this week on Strain land. Seven or eight families will be moved from the Sharon Ridge field to the camp with Bob McChesney as superintendent.

Merrick's No. 1-B Strain was cleaning out this week after a shot. Slush pit was being dug for an offset on C. C. Mills acreage acquired from Dockrey & Robbins.

Twenty-acre spacing is to prevail in the Dockrey & Robbins field, following a notification from the railroad commission that if 10-acre spacing is continued the field's allowable must be cut down.

**Cruelty Chief Marital Woe**  
MONTGOMERY, Ala.—Failure of six out of the eight Alabama marriages that ended after only a month was ascribed to cruelty by the husbands, according to the state health department.

### Garner Seniors Give Program

KNOTT, May 3 (Sp.)—The senior class of Garner high school present a variety program at the gymnasium Wednesday evening.

Mary Neena Brown gave accordion numbers; a quartet—Hazel Harland, Jackie Watts, Helen Hager and Kathleen Nichols—sang a number; Jackie Watts and Helen Hager sang a duet with Mary Neena Brown at the piano.

A pantomime, "Memories," written by a Garner student was presented. Reading was Doris Roman, while characters — representing dreams of Donald Allred during a sleep—were played by Mary Alice Dorsey, Wynell Jones, Hildred Roman, Mary Neena Brown, Jackie Watts, Hazel Harland, Helen Hager and Louise Hilburn.

Readings were given by Hildred Roman, J. W. Miller and Louise Hilburn.

Bobbie Roman was fortunate winner of a quilt given away.

Mrs. T. M. Robinson has been removed to her home from a Big Spring hospital.

Mr. and Mrs. G. A. West and daughter, Janice, of Donna are visiting Mrs. West's parents, Mr. and Mrs. C. B. Harland and family.

Mrs. J. W. Walker, Mrs. Roy Phillips, Mrs. Bud Billings, Mrs. J. C. Spalding and Mrs. J. W. Phillips, Jr., attended a shower Thursday afternoon in the home of Mrs. T. Williams of Lomax, honoring Mrs. Buster Billings, a former resident of Knott.

**Wyoming To Have Police Radio**  
CHEYENNE, Wyo.—Operation of Wyoming's first statewide radio police network is scheduled to start in a short time. Stations are being constructed at various cities throughout the state with the central station at Cheyenne already fit for action.

MIAMI, Fla.—Two graveyards—one at Fruitland, Fla., and the other at Summerville, N. C., are named as contingent beneficiaries in the will of Edwin M. Tucker, 75, which was filed in probate court here.

### Midland, Waco Bid For 1942 WTCC Meet

MINERAL WELLS, May 3.—Midland and Waco are again strong bidders for their first West Texas chamber of commerce convention. The 23rd annual Westex conclave, which comes to Mineral Wells May 15 and 16, was won by the Spa city at Big Spring last year when Bill Collyns of Midland and L. A. Wilson of Waco, chamber of commerce managers, withdrew their bids. But both are back in a big way this year.

Collyns has already reserved a large block of rooms for the Midland delegation which will, he says, number around 100, including musical groups who will entertain convention crowds in hotel lobbies and on the streets. Wilson notified the WTCC convention office here that "Waco is coming in a big way determined to make a real fight."

Nominating speeches for the 1942 convention will be made Friday noon the 16th, before a triple luncheon group. This will be the affair given by the WTCC's directors to chamber of commerce executives and newspapermen of the territory. Balloting will start after the luncheon and continue to 6 p. m., and the result—the winning city—will be announced at the convention's closing gathering, the National Defense-Testimonial to Sheppard banquet. As this affair guests will include commanding officers of West Texas defense projects and their staffs.

Production of plows for tractor use has passed production of horse-drawn plows in the U. S., according to the census.

### Hardin-Simmons Day Slated At Baptist Church

A special day to honor the work of Hardin-Simmons university, Baptist educational institution which

this spring has installed a new president while celebrating its golden anniversary, will be observed in services today at the First Baptist church.

All former students of H-SU have been given a special invitation to attend both morning and evening services, and the entire public is invited to learn more about the activities of the Abilene school.

Speaker at the 11 a. m. service

will be Dr. E. E. Atwood, professor of Biblical literature at H-SU, and the Hardin-Simmons girls' quartet will sing.

At the 8 p. m. service, the church will honor high school students in a special students' night affair. Music will be featured, with a fellowship program to follow. Christine Shannon, a Big Spring high graduate, will sing with the H-SU quartet, and DeAlva McAllister will

sing a solo. H. C. Burrus, another Big Springer in the Abilene school, will talk.

# MONTGOMERY WARD

# Over Half Billion Dollars Of Defense Money Spent In Texas, Survey Reveals

By J. B. KRUEGER  
Associated Press Staff

A tide of welcome dollars—perhaps upwards of half a billion—is pouring into Texas for national defense.

Already \$210,000,000 has been provided or pledged for defense works in this state.

Out of this sum are springing camps for the new soldiers, airports for fliers, shipyards for warships and merchant vessels, plants for turning out bombers, great furnaces for making steel, refineries for chemicals and a dozen other establishments dedicated to arming America.

The Dallas regional office of the national resources planning board, amidst all its other many interests, is keeping tab on the financial side of the defense effort in Texas and is one of the few agencies which has a fairly complete roster of the whole thing.

The regional office takes in Texas, Oklahoma, Louisiana and Arkansas. From its records it is plain

to see that Texas is getting a huge slice of the national defense job. In terms of money and men the Texas portion dwarfs that of the other three states combined.

The planning board's total of \$516,000,000 is incomplete: It does not include the payrolls which must be laded out of thousands of soldiers, airmen and workers from now on in Texas. It does not include the work distribution by the government to the smaller Texas factories, such as those that make cotton socks for the army and buttons for the navy.

The list of defense projects is impressive.

As supplied by the regional planning board office, with a cautionary aside that the figures are subject to slight corrections (some estimates have been upped on the cost of Texas projects) they are:

Baytown, teluol (explosives) plant, \$11,536,000.

Beaumont, cargo vessel construction, \$3,958,000.

Grand Prairie (near Dallas), airplane factory, \$7,700,000.

Fort Worth, airplane assembly plant, \$10,511,400.

Fresport, addition to Dow Chemical plant for extracting magnesium, \$3,007,407. (The planning board couldn't explain that \$7).

Houston, six shipways (Todd) \$4,860,000.

Houston, contract to Todd Shipbuilding company for 25 merchant ships, \$3,780,000.

Houston, steel mill, construction and production, \$17,000,000.

Houston, construction of steel submarine-chasers by Platzar Boat Works, \$2,532,000.

Orange, construction of shipyards, \$4,800,000.

Orange, construction of 12 destroyers at those yards, \$57,780,912.

Orange, construction of 10 mine sweepers, \$3,500,000.

Defense housing near Grand Prairie will cost around a million dollars; near Houston, \$500,000; near Orange, 850 houses will be built for \$1,480,000 for first 500; near San Angelo, \$298,000.

Defense works at San Antonio army posts run to \$10,505,235 at latest estimates. They include housing, new construction, repair, extensions at Brooks, Kelly, Randolph and Duncan fields, Fort Sam Houston San Antonio air depot and camps Normoyce and Stanley.

Included is an item of \$405,000 for construction of 30 underground hangars, the first the planning board had heard about, at Camp Stanley.

Victoria, aerial gunnery base, \$2,300,000.

Wichita Falls, air corps technical school, about \$12,000,000.

San Angelo, basic training station, \$1,600,000.

The major army and navy establishments cost the following to build:

Camp Barkley at Abilene, 7,051,320.

Camp Bowie at Brownwood, \$14,108,350.

Camp Wolters at Mineral Wells, \$11,452,982.

Fort Crockett at Galveston, improvements, \$1,741,630.

Camp Wallace at Galveston, \$7,563,630.

Ellington Field, Houston, \$1,318,647.

Fort D. A. Russell at Marfa, \$114,972 for improvements.

Sabine Pass naval section base, about \$1,000,000.

Fort Clark at Brackettville, improvements, \$202,132.

Fort Brown at Brownsville, improvements \$287,268.

Naval training station at Corpus Christi, \$44,000,000 (the planning board figure did not include \$10,000,000 recently allocated for the project and which brings the total cost to \$54,000,000).

Naval aviation base at Dallas, \$750,000.

Fort Bliss at El Paso, extension and improvements, \$12,880,360.

Hospital at El Paso, \$489,670.

This totals \$210,160,023.

## Former Episcopal Pastor To Visit In Colorado City

COLORADO CITY, May 3. (Sp.) Rev. J. E. H. Galbreath, who was rector of All Saints' Episcopal church in Colorado City some 20 years ago, will return to the church for a visit this weekend and will conduct services there Sunday at 8 p. m.

Rev. Mr. Galbreath, who is now retired, lives in Louisville, Ky.

## The War Today—Nazism And Hitler Are Same Thing

By DEWEIT MACKENZIE,  
Herald Special News Service

When you think of the great Nazi fighting machine being forced to furious speed in a supreme effort to achieve a quick victory, and of the diversity of axis threats which are rushing the war to its climax, what individual's name immediately registers in your mind—Hitler?

Why is that? Why isn't it "Germany" or the "reich"? Why do so many of us instinctively employ the personification? Why, for instance, did British Premier Churchill use Hitler's name so often in his broadcast last Sunday night instead of speaking of the Germans or their country?

I have an inquiry along this line from a reader down south. It's a good question, for the answer involves points which forever will occupy a big place in history. This is the way it strikes me:

Hitler is an absolute dictator. His word is law, and there is no other law. His merest wishes reach even the homes of his people. They live and speak as he decrees.

Germany has no expression excepting through the fuhrer. In short, Adolf Hitler IS Germany.

This point is so well recognized that when the war started the Anglo-French allies declared they were out to crush Hitler and Hitlerism. Barely has there been mention of the German people. Since the beginning of the conflict Britain has reiterated this aim many times, Premier Churchill on one occasion having summed up the position thus graphically:

"We seek to beat the life and soul out of Hitler and Hitlerism—that alone."

So we have the unusual circumstance of an empire and its allies making war against an individual. That's what this struggle amounts to.

But what of Hitlerism, or nazism as it is called? That is Hitler's personal code, and the policies he develops from day to day, for conducting his absolute rule. Hitler and nazism are one and the same thing, so much so that, to my mind, if anything happened to remove him from the picture, nazism of his brand soon would undergo a great change.

One often hears speculation as to whether there is anyone capable of filling Hitler's place. A corollary to that is whether the war could go on without him.

The people might be expected to follow, at least for a time, the leadership of Reich Marshal Goering, whom Hitler has designated to succeed him. Goering is a man of great driving force and capabilities, and he is popular with the masses, who are attracted by his personality and big, boyish grin.

Strange as this may seem, it is a vastly important fact which must be taken into consideration in estimating the position in Germany. Hitler's greatest strength lies among the young people, who came under his teachings when they were children and are thoroughly nazified. Thousands of them are fanatical in their support of the pleader, who exercises an almost hypnotic influence over them.

## Flashes Of Life-

By The Associated Press

MUNCIE, Ind.—A woman telephoned the police station this boys playing baseball on a vacant lot were disturbing the neighborhood with arguments over decisions.

Juvenile Aid Officer Al Guest went out to see about it.

The woman called up headquarters again.

"Well," she yelled "your officer arrived and now he's umpiring the game!"

BUFFALO, N. Y.—A chance to sleep late was the reason given by an 18-year-old farm boy for enlisting in the marine corps.

"I get up at 4:30 every morning, so this should be a vacation," Edward F. Staebell Jr., of Andover, N. Y., told the recruiting officer.

Marine reveille sounds at 8:45.

DES MOINES, Ia.—Two men were a little embarrassed when they paid \$1 overtime parking fines in municipal court. One was Safety Commissioner Charles E. Triplett. The other was City Prosecutor Denmark Miller.

LINCOLN, Neb.—Maybe the opossum which ambled into Norman Crouse's downtown shop wanted the winter dirt cleaned out of its fur.

Crouse, who operates a cleaning establishment, didn't undertake the job, but he did put Mr. "Possum on display in the window."

New England gained approximately 80 per cent in chicken production in the last decade, according to the census.

## Wheat Quota Referendum Set May 31

Howard county wheat producers will join those of the entire wheat growing section May 31 in a referendum to determine if wheat marketing quotas will be fixed.

The referendum will be similar to that held annually by cotton growers, but will be the first ever ordered for wheat.

If a two-thirds majority of the nation's wheat producers vote favorably, each farmer will be assigned an acreage quota for wheat. Any wheat market from land planted in excess of quota will be taxed.

Cotton growers have voted every year for many years for establishment of the quotas. Tobacco growers have done likewise except for one year, when the system was abandoned. The tobacco men returned to it, however, the following year.

If the quotas are voted down, government wheat loans will not

**New In City**—J. B. Trice, manager of McCrory's store. Trice recently came to the post here from San Antonio. A native Texan, he has spent several years with the McCrory organization.

be made on the current crop, as provided by the agricultural adjustment act. Reasoning behind this law is that loans on an uncontrolled surplus are an unwarranted risk of public money.

L. H. Thomas, chairman of the county AAA committee, will supervise holding of the election in Howard county.

All taxes in 1940 totaled \$14,300,000, according to the census bureau. Each person's share averaged \$100, of which \$39 were federal taxes; \$27 state taxes, and \$43 local government taxes. Each family's share of tax collections averaged \$410.

## Shirley Robbins Made Agent For Texas Pacific Products

Announcement of the appointment of Shirley Robbins, well known in West Texas sports and business circles, as new Big Spring agent was made Saturday by the Texas Pacific Coal & Oil company. Robbins assumed the post May 1, succeeding H. W. Smith.

The local agency serves not only the Big Spring retail trade area, but also the towns of Monahans, Seagraves, Midland, McCamey, Odessa, Kermit, Royalty and Denver City.

Robbins has resigned as manager of the Big Spring country club, a position he has held since 1937, to devote his entire time to the T-P agency. Resident of Big Spring since 1930, he was associated with the H. O. Wooten Grocery company and operated a grocery store of his own before taking the country club position.

One of the names linked closely with the development of West Texas oil resources is that of the Texas Pacific Coal and Oil company. It was this concern's pioneering activities that led to the discovery of the famous Ranger field, 23 years ago—a field that inaugurated petroleum exploration throughout West Texas.

It was a case of necessity which promoted drilling back in the pioneering days. Costs of producing coal were running high and the railroads, chief quantity buyers of the company's coal, were threatening to install oil burners because of high coal prices. After some drilling activity around the coal mine at Thurber, a delegation from Ranger, including a preacher, and several county officials and local business men came over and asked TP to spend some money around Ranger.

Then is when the Ranger drilling started. First to come in was a gas well on the Nan Walker farm and then the historic McCleskey gusher which set the ball to rolling and the mud to splashing. From then on things were booming and Texas Pacific had oil to supply the railroads right at the time they were covering their coal burners into oil.

The oil that replaced coal mining as a source of wealth to West Texas is vastly more important than coal. The discovery by the Texas Pacific Coal & Oil Company of the famous McCleskey well that came in as a gusher on a lease at Ranger was the making of Ranger as an oil town and marked the beginning of the great West Texas oil boom. Today the field is over 23 years old, and the company

SHIRLEY ROBBINS

that opened it is recognized as an outstanding West Texas industrial pioneer.

Since the pioneer days of Ranger and Thurber, the Texas Pacific Coal & Oil Company has enjoyed a steady growth serving Texas with quality petroleum products. The home office of the company is at Fort Worth, and the officers are J. R. Penn, president; R. Selbel, treasurer and secretary; O. E. Mitchell, vice-president in charge of sales; C. E. Yager, vice-president in charge of production.

## Corpus Leads In Building Permits

By The Associated Press  
Corpus Christi led Texas' building permit tabulations with \$283,380 the past week.

Houston was second with \$217,710, bringing its current 1941 total to \$7,234,480.

| City           | Week      | Year        |
|----------------|-----------|-------------|
| Corpus Christi | \$283,380 | \$5,823,480 |
| Houston        | 217,710   | 7,234,480   |
| Austin         | 187,109   | 2,107,035   |
| Fort Worth     | 111,899   | 1,938,889   |
| Waco           | 85,648    | 1,901,051   |
| Wichita Falls  | 59,788    | 822,719     |
| Galveston      | 41,928    | 1,151,931   |
| San Antonio    | 25,835    | 1,975,056   |
| Pampa          | 17,850    | 146,705     |
| Midland        | 4,450     | 128,420     |

Mr. and Mrs. E. C. Masters have gone to Carlsbad, N. M., for a week's visit.

Jimmy Myers is to visit in Henderson this week.

## New Wildcat Staked Near Colorado City

COLORADO CITY, May 3 (Sp) Location was announced this week for another wildcat to test for the Westbrook pay at around 3,000 feet, near Colorado City.

The new wildcat will belong to Lockhart, Dockrey and Robbins and Willbanks Brothers of Colorado City and Big Spring. It will be drilled on Cors Hoyt Brown land approximately six miles west and two miles south of Colorado City.

Location is 900 feet from the north and 330 feet from the east lines of section 43-27, T-1-N T&P. The test is on a 4,000-acre block assembled by Lockhart, Robbins

& Dockrey of Colorado City, this firm being composed of E. L. Lockhart and Rance Dockrey of Colorado City and E. F. Robbins of Big Spring. Dockrey and Robbins blocked acreage for the discovery wells in the new northwestern Mitchell county field.

Area in which the test is to be drilled has been of structural interest to oil men for a decade. Geology for the location was worked out by Floyd C. Dodson of San Angelo.

The test will be four miles from Westbrook production, five miles from Dockrey & Robbins pool, and 10 miles from the East Howard area.

A drilling contract has been let to Willbanks Brothers of Big Spring. Fit was dug this week, and machinery was to be moved in as soon as muddy roads are passable.

Iowa has nearly two million more hogs than Illinois, its nearest state competitor, according to the 1940 census.

## Public Asked To Visit Visual Education Class

An invitation to the public to attend the last of a series of lectures in a visual education course — to be held at the high school Monday evening at 7 o'clock — was extended Saturday by King Sides, school principal.

The visual education classes have been held regularly each Monday for the past two months, with some 35 city and county school teachers receiving instruction from Dr. Lewis B. Cooper of the Texas Technological college faculty.

Dr. Cooper announced that the concluding class, in addition to a lecture, will include presentation of several films. The subject mat-

ter will be of interest to the general public, Sides said, and a large delegation is expected to accompany Dr. Cooper here from Lubbock.

"We believe local people will enjoy this meeting, and we are inviting everyone to attend," Sides said.

**Calling One Million Cows**  
AMHERST, Mass. — Milk from more than 1,000,000 cows will be needed to furnish an estimated 1,200,000,000 quarts of ice cream (about nine quarts per capita) that the American public will consume in 1941 according to Prof. Julius H. Frankson, dairy industry head at Massachusetts State College.

# DEMAND FOR EFFICIENCY!

## That's Why Heavy Power Installations and Chrysler Cars Have Fluid Drive

"Immediate adaptation to variable power load"... that's how science describes the function of Fluid Drive.

To give gasoline engines the fluid flexibility of steam was long the goal of research engineering.

Efficiency and economy were demanded... for industry must count the last penny of cost.

Flexibility to meet all load conditions... scientific control of power slippage in place of the hit and miss power loss of individual driving... ability to pick up great loads easily and with ever-mounting power... these were the economic requirements of industry.

Fluid Drive was the answer! Today the identical scientific principle that drives your Chrysler Car is efficiently serving in huge Diesel powered ships... great double-deck busses... the heaviest hauling tractor-trucks...

giant industrial refrigeration plants.

Fluid Drive gives industry, as it gives the driver of a Chrysler Car, double economy... efficient application of power... plus longer life for the mechanism because of lessened wear and strain from jerks and jolts.

Now you can have this two-way efficiency in your own car—if it's a Chrysler—and in addition... ease, smoothness and silence possible only with genuine Fluid Drive.

New and old owners of Fluid Drive Chryslers now, for the third year, are reporting greater economy than from their former cars.

Why shift gears? Why stumble away when you can glide away? Chrysler Fluid Drive—jerk-free and jolt-free—is easier on both car and driver. The nearest Chrysler dealer cordially invites you to make a real test of Fluid Drive efficiency and ease.

# Willkie Asks Protection Of Merchant Ships To England

**Fear Of Cemetery Cost Man \$5**  
 CLEVELAND, May 8 (UP)—David Newman, 28, arrested as he passed a cemetery at 44 miles an hour, explained: "I just have a fear of cemeteries. I like to get past them in a hurry. It's sort of a complex."  
 Judge William J. McDermott ruled it would cost Newman \$5 for arresting that complex.

**Crane County Wildcat Gets Good Flow**  
 SAN ANGELO, May 8.—Showing of oil by a Gulf wildcat in Crane county bottomed at 10,658 1-2 feet, an oil flow rating 783 barrels daily by Texas' second Silurian lime producer, in Ward county, and accelerated development of the Abell Ordovician field in northern Peecos county featured West Texas oil operations this week.  
 A wildcat each in Loving and Andrews counties was credited with checking high and a 7,701-foot wildcat in Martin county showed salt water and prepared to test high. Wildcat locations included one in Brewster county.  
 Third deepest test that has been drilled in West Texas, Gulf No. 1-F University in northeastern Crane county made a small oil head when casing was opened to pull clogged tubing and showed a small percentage of oil as it continued swabbing circulating. Ellenburger lime from which oil stained cores reportedly were recovered was being tested. Location is 990 feet out of the southeast corner of section 23-31-U.  
 Gulf No. 6 Wristen Bros. in southeastern Ward county, the state's second Silurian lime producer, was testing after reacidizing with 10,000 gallons. Bottomed at 7,080 feet, the well flowed 23.4 gravity oil during the last half of a 12-hour gauge through casing and tubing at a daily rate of 782.28 barrels, with gas-oil ratio of 5.613-1, following

## Defends Right Of Lindbergh To Give View

WASHINGTON, May 8 (UP)—Wendell L. Willkie, saying that the administration's existing sea patrol "is not adequate," declared today that "we have got to get the goods delivered to Great Britain."  
 "The rate of sinkings is so serious that we should protect our cargoes of arms and food to England," the 1940 republican presidential nominee asserted in an interview.  
 It was reported authoritatively that Willkie had sent word to President Roosevelt that he would support him in any move the chief executive might make to assure the delivery of American goods to Britain. Willkie himself told reporters:  
 "If my information is correct, the present patrol method is not adequate to prevent our products from going to the bottom of the ocean."  
 Replying to reporters' questions, Willkie asserted that if he were president he would have military naval and air experts advise him regarding the best method of protecting shipments to Britain and then would proceed on their advice.  
 "I am absolutely in favor of delivering the goods," he said, "whether it be by convoy, airplane accompaniment or any other method deemed best."  
 At the capitol, meantime, there were indications that congress would hear increasing demands from some of its members for American convoys.  
 Senator Guffey (D-Pa.) voiced the first such plea on Thursday, and it was disclosed today that Senator Pepper (D-Fla.) would express similar views in a senate speech on Monday. Several other legislators were said to be withholding public statements of that nature because of uncertainty as to whether they might prove embarrassing to President Roosevelt.  
 Senator Tobey (R-N.H.), author of an anti-convoy resolution, contended Guffey's statement and Pepper's projected speech were part of an administration program to pave the way for convoys.  
 Willkie, questioned about public reaction to his recent article in Collier's magazine, advocating further help for Britain, asserted:  
 "I find that the people are confused and are searching earnestly, hoping that the administration will give them information and leadership."  
 Referring to the recent resignation of Charles A. Lindbergh from the air corps and President Roosevelt's decision not to restore the army reserve to President Roosevelt, General Hugh S. Johnson, Willkie said:  
 "I don't think it contributes to leading the people to get into personal controversies with those of a different viewpoint. I wholly disagree with Col Lindbergh, but in the words of Voltaire, 'I do not agree with a word you say, but I will defend to the death your right to say it.'"  
 "The best way to dissipate any influence that Lindbergh might have is not to attack him personally, but to show the fallacy of his position."  
 "Likewise, no one has criticized me more of late than has General Hugh Johnson, but I think it exceedingly unfortunate that the failure to reappoint him comes at a time when he was critical of the administration's foreign policy and those of us who disagree with his viewpoint."

**Medical Students To Get Deferment**  
 WASHINGTON, May 8 (UP)—To avert a possible national shortage of doctors, the selective service system today ordered deferment of military training for medical students who "give reasonable promise of becoming acceptable medical doctors."  
 A memorandum from Brigadier

General Lewis B. Hershey, selective service deputy director, instructed state and local boards to continue such deferments as long as the students progressed satisfactorily.  
 The last U. S. census enumerated 106,959 stores handling apparel, or one store to each 300 families, and 850,549 food stores, or one to each 62 families.

**Leader** in revival services to continue at the assembly of God church through this week is the Rev. B. Owen Oalin, Tulsa, Okla., who also has great talents in the musical field. He plays 23 instruments and is master of the electric Spanish guitar. The Rev. Oalin precedes his services with special music. Sunday at 11 a. m. he will speak on "How many leaves have ye," and at 8 p. m. on "The pig that got the permanent wave." During the week services will open at 8 p. m. and Friday evening another divine healing service has been planned, to which the public is invited, said the Rev. Homer Sheats, pastor.

Magnolia No. 1 Crockett, sixth producer in the Abell Ordovician field in Peecos county and Magnolia's fifth, was finished at 5,300 feet with a daily potential of 1,210.08 barrels of oil and gas-oil ratio of 796-1. Magnolia No. 1-B Markey heirs, northwest offset to the pool opener, topped the Simpson sand pay at 5,373, stopped at 5,380 and cemented 7-inch casing at 5,377 feet. Sinclair-Frattier No. 1 Daley topped the Simpson lime at 4,750 feet, 2,367 feet below sea level, 43 feet higher than Magnolia No. 1 Markey, a producer which it offsets on the north.  
 Magnolia No. 1 N. E. Teague, northwestern Martin county wildcat 12 miles southwest of Lamesa, was unable to swab salt water through 2-inch tubing below 7,000 feet from the top after gun perforating 5 1-2 inch casing from 6,733-53 feet. It seceded off the perforations with cement and was to gun perforate a slightly higher zone in the Clear Fork lime. The test is in the northwest corner of labor 18, league 360, Borden county school land survey.

### FHA Inspector Again Looks At Model Home

With construction work progressing according to schedule, the second official FHA inspection of the Cameron-Bull "Texan" home at 709 W. 17th street was completed this week. This home is typical of 28 "Texan" homes Wm. Cameron & Co. is building in 25 Texas cities and towns to be completed in time for public exhibition during "Texas Home Building Week," set aside by proclamation of Governor W. Lee O'Daniel.

The inspection was conducted by H. L. Williford, FHA architectural inspector. The frame work, size of rooms, workmanship, quality of materials, and plumbing and wiring installations were carefully checked by the inspector in order to make certain that plans and specifications, previously approved by FHA are being closely followed.

"The public is cordially invited to inspect this unusual home as the construction progresses," said W. S. Crook, manager of the local Wm. Cameron & Co. building material store. "Already we have had a number of visitors. Their various comments indicate that considerable interest in new home construction is being stimulated here by this project. Various authorities upon economics and finance throughout the country are urging that now is a good time to build and that by owning a home, you can pay rent to yourself. The remarkably low monthly payments required to buy a modern, well-built home such as this, are lower than many persons pay for rent."

**Contender**—One of the entries expected to catch the eye of the judge in Big Spring's charity horse show on May 16-17-18 is King Baron, pictured above with Frank Heathman up, a prize-winning five gaited stallion owned by the Diamond M Ranch. King Baron will be playing a repeat performance here, since the stallion took top honors in the Big Spring show last year—first place in the \$500 five gaited stakes. King Baron has many other blue ribbons to his credit, including one at last month's show in Lubbock. Many top horses of the state are expected to perform in the show here, which will be for the benefit of the Rotary club's crippled children's fund. Shows are slated for Friday and Saturday night, and Sunday afternoon.

### Stanton Banker Buys First Defense Bond

STANTON, May 3 (Spl)—W. Y. Houston, president of the First National bank, bought the first savings bond sold here and Sandra Beth Poindexter, two-year-old daughter of Mr. and Mrs. Joe Poindexter, bought the first savings stamp. First day of the sale the postoffice sold \$1,225 worth of bonds and \$525 worth of stamps. Members of the bond sale committee are Houston, E. P. Eidson, James Jones, Mrs. Joe Poindexter, Mrs. G. W. Alsup, Guy Eiland, C. C. Southall, J. Morgan Hall, all of Stanton; T. Lindsay of Tarzan, and S. J. Foreman of Lenoah.

**Higher Pay Means Evictions**  
PHILADELPHIA—The defense boom offers Philadelphia a paradox. Because their incomes, increased notably by thriving industrial activity, have passed the maximum required by law, scores of families who live in federal low-cost housing projects face eviction.

### Here's Action Packed Slate Of WTCC's 1941 Convention

**MINERAL WELLS, April 2-It** will be a two-day show, yes, but every hour will be filled with action, interest and color. So said Max Bentley, activities director of the West Texas chamber of commerce, whose 23rd annual convention will open in Mineral Wells, Thursday, May 15, and close Friday night the 16th. Bentley, who is acting as convention manager in concert with the local steering committee headed by L. C. Taylor, gave the following summary of some of the convention highlights:  
**Thursday, May 15**  
1 p. m. convention work committee; 5 p. m. elections committee. Both at Baker hotel.  
6:30 p. m. dinner and business session, WTCC directors, Crazy hotel.  
8 p. m. Americanization mass meeting in downtown convention hall. Band concert; presentation (by host city) of West Texas girl sponsors; oration by outstanding speaker.  
9:30 p. m. convention dances, Baker hotel.  
**Friday, May 16**  
7:30 a. m. breakfast for old and new directors, Baker hotel.  
8:30 a. m. meals, My Home Town contest, Brazos theatre.  
10 a. m. taxpayers' assembly, Brazos theatre. Talks on legislative needs and accomplishments, WTCC good government program, freight rates in Southwestern development, etc.  
11 noon luncheon by WTCC directors to chamber of commerce executives and newspapermen, Crazy hotel. Election of officers, nominating talks for 1942 convention, etc.  
2:30 p. m. West Texas national defense assembly at convention hall. Addresser by Gen. Francis A. Weathered and Col. Ernest O. Thompson.  
5 p. m. parade, 1000 troops in line with bands, military and civilian.  
7 p. m. national defense-testimonial to Senator Sheppard banquet, Baker hotel. Commandants of West Texas defense projects among guests. Oration by Congressman

Ewing Thomason of El Paso. Announcement of 1942 convention city.

9:30 p. m. convention dance, Crazy hotel.  
It has been announced that the usual \$1 registration fee will cover all entertainment, business sessions, luncheon to chamber of commerce executives; and, for WTCC directors, Thursday night dinner and Friday breakfast. For the defense testimonial banquet, tickets are \$1.50.

### Martin Health Unit Under Discussion

STANTON, May 3 (Spl)—During the past week F. M. Hampill, consultant for the state health department, has been in Stanton visiting various community centers to discuss establishment of a health unit.  
A health unit to serve Martin and Midland counties is being considered. The unit would include a medical director, sanitary inspector, public health nurse and clerk, with another full time nurse serving in Martin county alone.

**BANQUET POSTPONED**  
STANTON, May 3 (Spl)—The junior-senior banquet set for Friday night was postponed until May 8.

**Goal Set At Girls' College**  
NEW YORK—Dr. George N. Shuster, president of Hunter college, speaking at a recent meeting of the Home Economics Club, declared "Hunter has no greater future than to supply men with the comforts of home."

**Big Arizona Ranch Sold**  
PAYSON, Ariz.—The Bar-T-Bar ranch, one of the largest outfits in the Payson area, has been sold for \$80,000 to Jack Rosch, Houston, Tex., automobile dealer. The ranch formerly was owned by the Tremaine Cattle Company. Its properties include several guest cottages, a swimming pool and airport.

There was a considerable increase in farm tenancy in North and South Dakota, Nebraska, Kansas, and Colorado during the last decade according to the census.

### Committeemen Express Thanks For Clean-Up

A formal expression of appreciation for fine city cooperation in the organization-sponsored Clean Up, Paint Up and Fix Up Week came Saturday from Albert Darby and Edmund Nostesine, co-chairman of the chamber of commerce civic beautification committee.

"All evidence is that the campaign was the most successful of its kind ever staged in Big Spring," the chairman said. "The success is due primarily to the 100 per cent cooperation exhibited by civic and service organizations, business firms and individuals. We want to express our thanks to each of them for the real work they did."  
The civic beautification leaders pointed out that much clean up work was accomplished despite unusual rainy weather. "The city's work is not finished, however," they said, "and there remains more beautification work to be done in the wake of our excellent spring rains. We are calling upon all citizens to make the Clean Up, Paint Up and Fix Up campaign a continuing one, so that throughout the summer and all the year, Big Spring will be an attractive town, and a clean and sanitary one."  
Darby and Nostesine said that a date still will be fixed for the inter-club paint contest, in which the WPA Nursery school building will be given a surface coat.

### Coming to the local Church of Christ as its new minister is Byron Fullerton, above. For the past four years he has been with the Church of Christ at Chickasha, Oklahoma. He is a graduate of the University of Oklahoma.

**GETS NEW JOB**  
STANTON, May 3 (Spl)—Tom Houston, who has been bookkeeper in the First National bank here, has gone to Midland to accept a similar place with the Midland National bank. Bernard Houston, cousin of Tom and son of Mr. and Mrs. A. R. Houston, prominent Glasscock county ranch people, is filling the Stanton position.

### Americans See Strange Things While In China

Americans are seeing strange sights in Canada, according to F. M. Fullerton, Jr., brother of Mrs. John L. Matthews of Big Spring. Fullerton is in flight training with the Royal Canadian Air Force at Toronto.

Fullerton, in a letter to the Matthews, said that a detachment of killed Scotties were marching past his window—as he wrote—marching to "My Wild Irish Rose" as rendered per bagpipe.  
Going through a rigorous program of training, Fullerton arises at 6 a. m., takes to physical training from 6:15 to 6:45, has breakfast at any time from 6:45 to 7:30, and then gets his gear in trim for the day's activities.  
First on the schedule comes an inspection parade, then drill starting at 9 and ending at 11:30. Parade and drill is resumed at 1 o'clock, following time out for lunch. Actual training for the day is wound up at 3:30 p. m., or 5:30 as time is reckoned by the British military usage.  
At 11 p. m. lights are out and the trainees get a bit of rest before hitting the grind the next morning.  
According to Fullerton, mail-off-duty occupation is what is known as "bunk flying." This conversational diet is enlarged with speculation on the prospect of being sent overseas.  
The food situation in the RCAP has met with Fullerton's approval except on one score—he was served beans for breakfast on one occasion. He said that the American coffee drinkers had a bit of trouble at first getting used to tea instead of their usual drink but time had smoothed that over.  
There was a reduction of more than 200,000 share croppers in the U. S. in the past decade, according to the 1940 census—from 776,778 to 541,291.

# Big Spring Motor

### Development Of Tourist Trade Sought

Training to develop and exploit one of Big Spring's major industries—the tourist business—was being planned Saturday by the chamber of commerce.

Following a conference with Lloyd Bludworth, El Paso, J. H. Greene, chamber of commerce manager, said that in all probability a date for a "tourist" school would be announced for sometime within the next 10 days.

Bludworth, known as "the good will ambassador of the Southwest," is a specialist in encouraging tourist trade. His definition of a tourist is "anyone who is 50 miles from home and who has \$5 in his pocket."

Businessmen, filling station operators and attendants, cafe operators and employees, and all others who come in contact with visitors will be urged to participate in the affair, possibly a two-day training program.

**Representatives** of Big Spring in the state interscholastic league meet Saturday at Austin included these crack typists and shorthand students. They are, back row, left to right, Chester O'Brien, Mrs. W. O. Low, instructor, Gary Tate; front, Gloria Conley and Odell Woods. The team won honors at invitational tournaments at Odessa and Midland and took top rankings in the district meet at Sweetwater on April 5 with a first and third in typing and second, third and fourth places in shorthand. Miss Conley and Chester O'Brien placed third and fourth in the regional, and Gary Tate took first with 98.25 accuracy and Odell Woods was fourth with 88 per cent accuracy at 90 words a minute. An unusual thing about the team is that it includes boys in shorthand—a subject generally left to girls. (Kelsey Photo).

### Cowper Clinic And Hospital

Mrs. C. V. Thompson and daughter of Vealmoor route were dismissed Friday.

Mrs. Paul Kincaid, Vealmoor route, and infant son were dismissed from the hospital Friday.

Mrs. C. E. Knight of Ackerly was dismissed Friday following medical treatment.

Mrs. J. R. McCartney, Sterling City route, was dismissed Saturday after receiving medical care.

Mrs. J. C. Armstead entered the hospital Saturday for minor surgery.

Mr. and Mrs. Bernard Reeves became the parents of a daughter, weighing seven pounds and 10 ounces, Saturday.

### News Notes From The Oil Field COMMUNITIES

Mr. and Mrs. L. R. Blackwell have moved to Abilene and S. B. Loper has charge of the Foran barber shop.

Mrs. M. M. Hines and Mrs. J. C. Scudday visited relatives in Denver City and Brownfield this weekend.

Mrs. Margaret Madding entertained a group of friends for dinner Friday evening. Those present were Mr. and Mrs. S. B. Loper and Chlotilde, Mrs. Bobby Asbury, Mr. and Mrs. Arthur Barton, Mrs. James Madding, Mrs. Lillie Mae Johnson, Mrs. Idella Alexander and Luella Thomas.

Bobby and Benny Asbury went to Red Bluff fishing this weekend. Mr. and Mrs. C. V. Wash and family spent the weekend in Brady visiting Mrs. Wash's parents.

Mrs. Sam Korpp and Sammie Lee are visiting Mrs. Kropp's mother, Mrs. Johnny Wells of Big Spring.

Pauline McWilliams, Coleen Moore, Clodell Ragsdale and Mary Margaret Spivey went to San Antonio Wednesday to attend the homemakers rally. The group will return Sunday.

Tom Romine, Marshal Romine and Scott Doug of the Hardy Morgan ranch are going to Blaton this weekend to help mark calves for John Hardy Morgan.

Mark Nasworthy was a San Angelo visitor Friday.

The senior class of Foran observed senior day in the Big Spring park Thursday. They were accompanied by Supt. P. D. Lewis.

James Lee Harmon of Hobbs, N. M., is visiting his aunt and uncle, Mr. and Mrs. W. B. Harmon, at their home in the Amerada camp.

Mr. and Mrs. Brady Nix and daughter, Gwendolyn, were recent guests of the Bill Congers.

Mr. and Mrs. J. E. Clifton and Neil Manning visited relatives in Sterling City this week.

Mr. and Mrs. H. R. Moore and Mr. and Mrs. Blackie Pryor are fishing at Red Bluff dam this week.

James Madding and Mr. Yates are also at Red Bluff.

Mr. and Mrs. Alfred Thieme and family were Sterling City visitors this week.

Mr. and Mrs. D. L. Watkins and daughter, Deanna Marie, recently visited Mr. Watkins' parents, Mr. and Mrs. M. L. Watkins of Mead-ow.

Mrs. John Lane visited her daughter, Joy, at Abilene the first of the week.

Grade school pupils at Foran are making flower beds around the south side of the building.

Ira L. Watkins, who has been instructor in social science and mathematics in Foran schools eight years, has resigned to devote all his time to ranching. Watkins has been associated with his father-in-law, C. L. Coulson, Sterling and Glasscock county ranchman, for the past year. Mr. and Mrs. Watkins and daughter, Deanna Marie, will move to the Glasscock county ranch, located six miles south of Garden City, as soon as the school term ends.

U. C. Cowley and L. L. Bee are fishing on the Concho this weekend.

Mr. and Mrs. Ray Townsend have had as their guest Mrs. Townsend of Crans.

Mr. and Mrs. Loftin Lunceford and son have returned to Sand Springs, having visited the Paul Whirlieys.

E. E. Andrews was called to Stillwater, Okla., this week because of the death of his father-in-law.

Dora Jane Thompson of Abilene is home with her parents, Mr. and Mrs. J. E. Thompson.

June Rust of Abilene is home with her parents, Mr. and Mrs. Sam Rust.

Mrs. Woodrow Scudday has been ill this week.

Mrs. W. B. Harmon and Mrs. Irvin Wiseman were Hobbs, N. M., visitors this weekend.

Mr. and Mrs. O. E. Butler have returned home from Dallas after two weeks. Mr. Butler has been receiving medical treatment there.

Mr. and Mrs. L. C. Alston expected their son, Donald, home for the weekend from Randolph Field.

Sgt. Bill Marting, son of Mr. and Mrs. Joe Marting, and Pearl Anderson of San Antonio were married April 30 in San Antonio. Marting is stationed at Fort Sam Houston.

Mr. and Mrs. Lee White of Goldsmith visited Mr. White's parents, Mr. and Mrs. B. D. White, Thursday and Friday.

Gladys Cardwell, Bebe Johnson and Gayle Green spent Friday night with Juanita Lonsford.

Mr. and Mrs. Jeff English visited relatives in Stamford this week.

E. T. Branham has received word of the death of his aunt, Mrs. Oliver Green, 89, in Winters this week.

### Grocers Meet Again Changed

Date for the mass meeting of Howard county grocers who plan to participate in the food stamp plan has been changed again, this time to May 7.

The date was moved up to avoid conflicts which might have arisen, grocers said. Instead of being staged in the district courtroom, it will be held on the Settles messaine.

Lawrence Rollins, program organizer for the stamp plan, said that a man would be dispatched out of the Oklahoma City office to appear at the meeting and to explain fully all details of the program.

Grocers of the county were urged to attend the important parley.

**Marriage Course Too Popular**  
LEWISBURG, Pa. — Bucknell university professors say their biggest problem with the school's new course, "Courtship and Marriage," is how to keep down enrollment.

### West Side Tent Revival May Go On

The West Side Baptist tent revival may continue for another week, the Rev. E. E. Mason, pastor, said Saturday after reporting results which included 41 additions.

Services Sunday include Sunday school at 9:45 a. m., preaching at 11 a. m., baptismal service at 3 p. m. at the First Baptist church, and prayer service and sermon at 7:30 p. m.

The Rev. A. T. Willis, Fort Worth, is leading in the meeting. Conversions have ranged from the young to the old and considerable interest has been manifested in prayer services, said the pastor.

MRS. H. W. SMITH

## Local Heads Of P-T.A. Take Offices

Parent-Teacher units of the city will go into the new year this September with a new round of presidents and some of the last year's presidents serving for their second term.

Mrs. J. T. Winters is to head East Ward for her first year and Mrs. Joe Birdwell is president of Central Ward, also for the first time. Mrs. W. E. Martin has already been installed as Kate Morrison's president.

Mrs. W. W. McCormick will serve as council president and Mrs. H. W. Smith as president of South Ward. Mrs. Aultman Smith as president of College Heights is serving her second term. Mrs. Elton Taylor was re-elected this year as president of the high school P-T.A. and Mrs. Martin Dehlinger also was re-elected at North Ward. Mrs. Robert Hill is serving as president of West Ward for the first time. Mrs. Hill at West Ward and Mrs. Martin at Kate Morrison were installed April 28th by Mrs. L. G. Byersley, Midland, district president. Mrs. H. W. Smith was installed at South Ward May 1st. Other presidents are to be installed during the month of May.

## Mrs. Johnson Is Thursday Hostess To Pioneer Club

FORSAN, May 3 (Sp.)—Mrs. Lloyd Burkhardt and Mrs. Harry Miller won high scores when Mrs. Paul Johnson entertained the Pioneer club at her home on the Cosden lease Thursday afternoon.

Roses were used as decorations and bingo awards went to Mrs. S. B. Loper and Mrs. H. A. Smith.

Attending were Mrs. Claude Collins, Mrs. Hart Phillips, Mrs. J. D. Leonard, Mrs. M. M. Hines, Mrs. Lloyd Burkhardt, Mrs. Harry Miller, Mrs. J. D. Galt, Mrs. C. M. Adams, Mrs. L. L. Watkins, Mrs. Burt McAllen and Mrs. Bill Conger.

## Sew And Chat Club Meets At Drake Home

FORSAN, May 3 (Sp.)—Mrs. U. I. Drake was hostess to the Sew and Chat club Friday afternoon. Handwork was the diversion and refreshments were served to Mrs. S. M. Adams, Mrs. J. E. Thompson, Mrs. D. F. Yarbrow, Mrs. T. E. Yarbrow, Mrs. Lewis Heitval, Mrs. E. C. Chaney and Mrs. M. J. Bransfield.

## Mrs. Blackwell Is Honored By Club

FORSAN, May 3 (Sp.)—Mrs. I. O. Shaw was hostess to the Good-Luck Sewing club at her home in the Humble camp Thursday.

The group made a house dress and presented it to Mrs. L. R. Blackwell, who is moving soon to Abilene.

Those attending were Mrs. Oscar Bradham, Mrs. John Cardwell, Mrs. J. P. Kubecka, Mrs. C. H. Tippie, Mrs. Pete Huddleston, Mrs. Delbert Bardwell, Mrs. Leon Barber, Mrs. L. R. Blackwell, Mrs. Tippie to be the next hostess.

## Hospital Notes

**BIG SPRING HOSPITAL**

Arlis Ratliff, son of Mr. and Mrs. S. G. Ratliff, Garden City, was re-admitted Friday to the hospital for medical treatment.

Mrs. H. D. Owen, Route One, Big Spring, underwent emergency appendectomy Friday.

Tommy Vick, son of Mr. and Mrs. O. H. Vick, Coahoma, returned home Thursday following medical treatment.

Mrs. Merrill Stroup, 405 Gollad, returned home Friday following medical attention.

Lloyd Davidson returned home Saturday following tonsillectomy.

Mrs. D. H. Fischer and infant daughter, 504 E. 16th, returned home Saturday.

Mrs. Malcolm Bridges, returned home Saturday following medical treatment.

Mrs. C. A. Denton and daughter were able to return Saturday to their home.

At the last census, the total annual U. S. output of canned vegetables was reported at 155 million cases, ranging from 24 to 45 cases to the case.

## Cosden Chatter—

By JUNE SHEPPARD

The Cosden first aid training team is now conducting the standard course of first aid for the WPA sewing room, sponsored by Mrs. Lee. Approximately 50 women are taking the course.

J. T. Morgan, C. S. Edmonds, C. L. Henry, Lee Harris, Noel Barnaby and Otto Peters, Sr. have received their official first aid instructor pins.

Otto Peters, Sr., instructor, announces that first class for women has successfully completed the standard 20-hour course of first aid instruction and will receive certificates from the American Red Cross. These include Mrs. Ina Mae Bradley, Mary Helen Donnell, Helen Duley, Mrs. Velva Glass, Mrs. R. D. Hatch, Mrs. J. H. Jones, Jena Jordan, Mrs. Glynn Jordan, Tommie McCrary, Mrs. Otto Peters, Jr., Mary Reidy, Sara Reidy, June Sheppard, Mrs. Lila Sheppard and Gladys Smith. (Just a thought—they're eligible for draft as nurses in the army now.)

Mr. and Mrs. Jimmie Laird and daughter spent last week-end in Carlsbad, where they visited the Cavens.

Mrs. Malcolm Bridges, a new Cosden employe, has been confined to the Big Spring hospital for the past several days.

Mr. and Mrs. J. T. Morgan have had as guests his sister, Mrs. Caroline Copeland, and Mrs. Morgan's father, N. L. Clark.

Mrs. Glynn Jordan had as a guest last week, Miss Ouida Cole of Fort Worth.

Mr. and Mrs. C. S. Edmonds and boys spent last weekend in Fort Worth visiting his brother.

A shower was given at the home of Mrs. J. R. Lassiter, 1510 Scurry, Thursday, May 1, for Mrs. Everett Young.

The following are newcomers to Cosden: Miss Altha Coleman, Ray Compton, Ewan Wadsworth Williams and Margie Hudson.

Perry Daughtry has recently

been appointed credit manager. Mr. and Mrs. Daughtry have made plans for a trip to Brownwood this weekend.

C. D. Brown has tendered his resignation effective May 7. He accepted a position as chief accountant of Mid-West Refineries, Inc., with general offices at Grand Rapids, Mich. of which firm E. W. Potter, an ex-Cosdenite, is executive vice president.

George J. Zachariah has been appointed acting chief accountant.

We are proud of the participation of Cosden employes in the sale of defense stamps and bonds conducted by A. V. Karcher and J. L. LeBlanc.

Jack Banks, Curt Hale, J. C. Harper, W. E. (Rat) Ramsey and A. E. Mason left Thursday night for a four-day fishing trip at Lake Buchanan.

Mrs. Samuel Hefner entertained with a bridge-luncheon Friday, May 2, at her home. The guest list included Mrs. J. T. Morgan, Mrs. D. A. Watkins, Mrs. C. S. Edmonds, Mrs. C. L. Henry and Caroline Copeland.

Mrs. J. Blount Mull entertained a group of friends with a bridge party at her home Friday afternoon.

Mr. and Mrs. R. L. Tollett and daughter, Kay, plan on making a trip to Carlsbad this weekend.

The "Cosden Family" is very happy over the salary increases for operating men, which became effective May 1.

The annual death toll in the United States from leprosy runs around 20, according to the census.

## Eastern Star Honors Officers At Banquet

Formal dinner was held at the Masonic hall Friday evening by the Order of Eastern Star honoring grand officers of the lodge. Special guests were Mrs. Robbie Dyer of Amarillo, worthy grand matron; Mrs. Viva Huffman of Houston, associate grand matron; Mrs. Esther Baldwin of Wichita Falls, grand examiner at large; Mrs. Avis Breeding, district deputy grand matron; Mrs. Brownie Dunning, deputy grand matron.

Other guests were Mrs. Agnes V. Young, past worthy grand matron; Mrs. Florence Read of Coahoma, past worthy grand matron; Norman Read, member of the transportation and mileage committee. Officers were introduced and gave short talks.

Coahoma chapter members were co-hostesses with the Big Spring chapter members. There were 150 present.

Grand officers were presented with gifts. Mrs. Ruby Read was in charge of a program that included songs by Nellie McElhannon, Joe Fowler Brooks and Betty Alice Nobles. Anna Gibson Houser played the piano accompaniment. Mrs. Sallie Sue Young gave a reading.

Local members of the Eastern Star spent Saturday in Odessa where a school of instruction was held.

## Forsan Tea Honors Miss Barber, Bride-Elect Of Jack Craig

FORSAN, May 3 (Sp.)—Louise Benton, Edna Earl Branham, Mary and Vivian Klahr complimented Norma Barber, bride elect of Jack Craig of Los Angeles, Calif. with a gift tea in the John Benton home Friday afternoon.

Miss Barber, daughter of Mr. and Mrs. Leon Barber, leaves Sunday for California where the marriage ceremony will take place. Roses were used for decorations, the honoree presented with gifts, and refreshments served to Mrs. Frank Tate, Mrs. Jeff Inglish, Mrs. E. A. Grissom, Mrs. Theo Willis, Mrs. Jeff Green, Mrs. Guy Howell, Mrs. H. McCarty.

Mrs. Oscar Branham, Mrs. A. S. Spivey, Mrs. C. H. Tippie, Mrs. Jewell White, Mrs. John Kubecka, Mrs. W. B. Dunn, Mrs. Lillie Mae Johnson, L. C. Aiston, Mrs. C. V. Wash, Mrs. Joe Marting, Mrs. Helen Mitchell, Mrs. J. E. Thompson, Mrs. Leon Barber, Mrs. J. I. McCaslin, Edna Earl Branham, Bebe Johnson, Luella Thomas, Dora Jane Thompson, Aquilla West, Coleen Moore, Miss Klahr and Miss Benton.

## Mitchell Singing Convention Set

COLORADO CITY, May 3 (Sp.)—Annual song festival of the Mitchell County Singing association is being held Sunday at the high school auditorium in Colorado City.

Keith Miles, president, will be in charge. John E. Watson will deliver the welcome address. Those attending will spread basket lunches in the gymnasium at noon.

## Junior-Senior Show In Line With Music Week Activities

In line with participation of the town in Music Week programs, the picture, "Melody for Three" will be presented Thursday at the Rita theatre. The picture is being sponsored by the Junior-Senior class with funds to be used by the class for the junior-senior prom and banquet.

The picture stars Jean Harsholt as "Dr. Christian" and Fay Wray and Walter Woolf King in supporting roles.

Such compositions as "Brahms Hungarian Dance No. 5," as a violin solo will be featured in the picture with Tocha Seidel, celebrated violinist playing the number. The picture is the fifth of the Dr. Christian series that has been greeted as one of the most popular of the series pictures.

Students of the Junior Senior class are selling tickets through Thursday for the picture.

Friendship class of East Fourth Street Baptist church held a business meeting and social in the home of Mrs. Minor Berry.

Those present were Wanda Don Reeves, Laverne Porch, Margeena Hill, Thelma Barnett, Geraldine Ely, Dorothy Josey, Jane McClendon and Dolphine Reece, a guest.

## Friendship Class Has Meeting And Social

Mr. and Mrs. Lou Palmer, 1700 Main, are the parents of a daughter born Friday at the Big Spring hospital. The infant weighed 5 pounds, 14 ounces and has been named Susan Caroline. Palmer is announcer for KBST.

## No more house painting... But More Beautiful

You can install genuine Fiberglas Asbestos Siding on an average 30' x 40' house (including end lot) for as little as \$639 MONTH

Asbestos siding adds architectural charm to your home. But it also eliminates costly repainting, serves as a weather insulation and a fire protection. Asbestos siding is long run economy with beauty and smart styling added in. This siding closely resembles the finest hand-split cypress shingles—but with the permanence and other advantages of asbestos.

Editorial - - Lyndon Johnson Gives Good Account In Opening Speech

Lyndon Johnson gave a good account Saturday night in his opening campaign speech of why Texas should name him as the successor to Morris Sheppard as one of its two members of the United States Senate.

That the "government itself must prevent both capital and labor from taking advantage of the national need." Lyndon Johnson said something others might have feared to say in calling for no "strikes in this danger time."

Lyndon Johnson also stood for a nation-wide pension plan; for keeping politics out of medicine but for government encouragement in industrial hygiene, maternal and child care; for programs to help youth get constructive jobs; for proper veterans' care.

Man About Manhattan - Somerset Maugham Brings Romance To Mind

NEW YORK - It seems almost impossible for me to get through the week without mentioning Somerset Maugham at least once. But then he is the kind of empire salesman who has done so many interesting things that somehow he belongs in that perhaps half-imagined tradition of Englishmen who command the imagination and the respect of Americans.

20 plays and a dozen novels and a dozen other books on travel, manners, and art. And now he and Guy Bolton have dramatized one of his novels, "Theater," for the Broadway stage.

white, cool quarters in that important outpost of empire. As servants he had the usual half dozen China boys, but as everyone knows there are seldom any close affinities between master and servant in the Orient.

Hollywood Sights And Sounds - Gloria Swanson, Really A Glamour Gal, Returns To The Movie Screen

By ROBERT COONS HOLLYWOOD—Return of Gloria Swanson to the movies makes us think, a little sadly, of the days that were when glamour was a trade and a gal had time to work at it.

Star"—after having her heart set on the presentable costumes originally designed. . . . Gene Tierney, who may be pushing ahead too fast, is the "Star" star.

Dorothy Thompson—Columnist Describes Nature Of Peace That Could Be Brought By Negotiation

The thesis of this column has been, since the beginning of hostilities in Europe, that this is a world war, and that the defeat of the United States is no less envisaged than the defeat of Britain.

The terms leave the British Empire and Commonwealth merely a name. They utterly destroy it as a power. India and South Africa are to be given independence.

west of Hawaii and to "reduce that stronghold in importance." The United States is to agree "not to form a hegemony in South America" and "accord the fullest freedom and equality of opportunity to Germany and her allies in that 'continental brotherhood'."

HEART'S HAVEN Ruth Rosemary Corby

Chapter 29 Ham's Surprise "You'd already decided not to buy the plane," Mrs. Jackson mimicked. "They why didn't you open your mouth and say so? The minute you'd said that I would've seen to it that you got off this island and got off quick. But you went around pretending you liked the place. But I should have known you society women are a two-faced lot. You don't care what troubles you make for other people!"

The Thrill That Comes Once In A Lifetime

Comic strip featuring a character with a list of items: NOW, SARY, IS THEY ANYTHING ELSE WE WANT WHILE IN A CROQUIN? TH' STUFF I GOT DOWN SO FAR ONLY COMES TO 'TAC, HENRI'S TR' LIST...

How long is the United States going to wait before taking the initiative that is the only possible answer of a great nation to such proposals? Would he be willing to sit down at a conference table and bargain on such a basis? Would Colonel Lindbergh? Would General Wood?

Tigers Nudge Athletics, 4-3

DETROIT, May 3 (AP)—The Detroit Tigers' star rescue man, big Al Benton, did his job again today to safeguard victory over the Philadelphia Athletics, 4 to 3, and give the home club a sweep of the two-game series.

Rodgers Leads Major City Loop Hitters

Current leading hitter in the Major City softball league is carrying an average of .800 with two wallops in four trips to the plate. Phillips Rodgers, although lacking in sufficient times up to give an accurate estimate of his slugging prowess, has given indications of developing into the outstanding stick-wielder of these parts.

Another Phillips' Tremen, Derron is slipping up on the pace-setter with a showing of four hits in nine times at bat for a .444 average.

Other top-ranking sluggers, hitting .333, are N.Y.'s Simpson, three out of nine; Ward's Redding, two out of six; Muny's Dayton, two out of six.

Rest of the top field includes— at bat, hits, average, in order listed—Stagg's Carroll, 7-3-329; Cities' Martin, 10-3-300; Stagg's Moore, 7-3-285; Muny's Walcott, 7-2-285; Ward's Rowe, 7-2-285; Phillips' Barron, 11-3-277.

Monday night a pair of postponements are played off at City Park. City Employees meet Cities' Service at 7:45 p. m. and Stagg's Auto vies with Montgomery Ward at 9:25 p. m.

Remainder of the Major card for the week is: Tuesday—Phillips vs. City Employees—7:45 p. m. Cities' vs. Stagg's—9:25. Thursday—Ward vs. NYA—7:45 p. m. Stagg's vs. Phillips—9:25.

Minor league's Wednesday night show, a postponement from Monday, includes a 7:45 opener between American Business Club and Herald and a 9:25 nightcap between the Sea Scouts and Lions Club.

The Week Continued From Page 1

promises to be the first honoring the new commissioner.

The big parade didn't get to come off Friday as a climax to Safety Week, but some good may come out of the observance anyhow. Work of Boy Scouts in counting traffic violations promises to be of a lasting character. Doubtless the lads were stricter in their interpretations than most of us are, and perhaps they counted many that shouldn't have been. But divide their amazing total of thousands of infractions by half or by four and it still gives food for thought.

Cosden announced a five per cent increase in pay for its employees last week in line with a policy of "permitting employees to first share in profits. Lots of other businesses could learn something from that, especially with living costs going up as the national defense boom grows.

Standing headlines: "Airport Work to Start Soon." But it now looks like this week will actually see the starting. The average man can't comprehend a \$765,000 project at the port. He will have to see it to appreciate the immensity.

We wouldn't take that bet that the Garner good will dinner may have to be called off. If fair weather returns, men out there may not have time to stop working in fields for a dinner with less pressed town folks.

Looks like we named our baseball team too soon. Judging from recent weather developments, "Water Dogs" would have been more appropriate than "Bombers."

Here 'n There Ray Ogden is down at Austin this weekend enjoying the luxuries of a club house built by Western Reserve Ins. Co. for its agents. Instead of taking a trip to Mexico City last year, the agents put the money in a club house fund, and now they have a place to go for fishing at Lake Austin and to stay during football games in the autumn.

Comes a card from Corp. O. C. Hart with a journal of the 142nd infantry at Camp Bowie. More Big Spring men are connected with that unit than any other in the army, he says.

Having developed a talk with a "thumbing a ride" theme several years ago in connection with those who accept community benefits without taking out chamber of commerce memberships, J. H. Greene, chamber manager, will go to Post Tuesday to give a revised version of it before an open meeting of the Rotary club in that city.

Looks like this week will be well busied. Mayor G. C. Dunham Saturday received a communication pointing out that Gov. O'Daniel had proclaimed May 5-11 as Restaurant Week. Already the mayor had proclaimed May 4-10 as National Music Week in Big Spring. In addition it happens to be National Employment Week. Whew! We're liable to be weak after this week.

Lester, Douglass Keglers Leading Classic League

Lester's Automen, coming out of the early season doldrums with a flourish, moved into a first-place tie with Douglass' Hotelmen during the week's classic bowling league's affairs. The Auto keglers rolled over B & B Theatres, taking three games for a count of 2668 to 2470. Game results stood at 853-851-841 for Lester's and 799-883-797 for the Showmen.

Douglass' quintet took a pair of wins in the three-game series over Cosden's Refiners to maintain their share of the number one spot on loop ratings. The Hotelmen racked up a total of 2572 to best Cosden's 2469.

Big Spring Motor's team out-pointed Hanson's in a couple of clashes to mark up an evening's card of 2483 to 2410.

Star Wheeler paced the Lester's team to its win with a 259 in the second round of the series, marking up the highest single game of the week. His card for the first session was 183 and he tallied 165 in the third to bring his total number of pins to 608.

Scores: Douglass—Moore 450, Horn 490, Douglass 508, Steele 564, Eason 540, Cosden—LeBlou 514, Hall 495, Ogden 481, Ward 417, Smith 534.

Lester—Wheeler 606, Lester 508, Pierson 516, Compton 522, Richards 527, R&P—Cardwell 435, Wiley 481, Robb 510, Coats 495, Levy 549.

Hanson—Stegner 457, Tidwell 461, Zack 448, Ramsey 490, Loper 564. Big Spring Motor—Howse 506, Vineyard 480, Beale 536, Brimberry 466, Holleran 480.

League Standings Team— W. L. Pct. Douglass . . . . .13 8 .618 Lester . . . . .13 8 .618 Cosden . . . . .11 10 .548 Hanson . . . . .10 11 .455 B. S. Motor . . . . .9 12 .460 R. & R. . . . .7 14 .333

SERMON TOPIC "Three Beautiful Pictures" will be the sermon topic of the Rev. R. L. Kasper at the St. Paul's Lutheran church here today in the morning service at 11 o'clock. Other services of the week will be the Ladies Aid session at 2:30 p. m. Wednesday and Bible study Saturday afternoon.

Dam Lake Lovers Will Savor BERNICE, Okla.—Thousands of geese and ducks settling into the shallows of the newly formed Grand Lake are plaguing farmers of the vicinity. Farmers complained to the Grand River Dam Authority builder of the dam that formed the lake. It was sympathetic but helpless. There's plenty of spinach, more than four million cases yearly, says the Census Bureau in reporting the annual production of U. S. canaries.

Advertisement for Cunningham & Philips featuring a double value event on Monday, May 5th. Products include Cream of Roses, Peggy Sage, Dorothy Gray, and various skin lotions and creams. Includes a 'FREE!' offer for Dorothy Gray Face Powder.

Cleveland Sinks Boston, 4-2 To Cop 9th In Row

CLEVELAND, May 3 (AP)—The amazing Cleveland Indians ran their winning streak to nine games today by the simple expedient of jumping c. Mike Ryba for four runs in the first inning. The resultant 4 to 2 triumph over the Boston Red Sox was Southpaw Al Milnar's third in four decisions.

frequently called a "one-man team," and all eight of his mates couldn't prevent the quartet of extra-base blasters which gave the league leaders the two-game series.

Roy Weatherly opened the Indians' first with a double and scored on Ken Keltner's triple. Lou Boudreau walked and Keltner tallied on Hal Trosky's fly. With the count three and two, Jeff Heath then lined his fourth home run of the season over the exit gate in league park's right-center field. Ray Mack's triple later in the inning was wasted.

Boston . . . . .000 200 000—2 Cleveland . . . . .400 000 00x—4
