Jim Says the State happy this year "Busted Higher'n Hell Itself"

AUSTIN, Dec. 1. (UP).-Attorney General Allred will ask Tuesday for immediate trial on the merits of the Ferguson injunction against the highway commission. Trial on merits is distinct from the appeal to be heard Saturday in the third appellate court against the temporary order issued without a warning.
Allred said he wanted it settled whether Ferguson or the commission is right about the status of state

highway funds.

In The Forum, Ferguson picturesquely "offered no apologies" for bringing the suit "when the state is busted and broke higher than belt".

AUSTIN, Dec. 1. (UP).—State Treasurer Charley Lockhart report-ed today that the deficit in the state general and confederate pension funds is approximately \$7,000,000.

Football Game Here on Friday

The game is being played in order to test the strength of the Midland reserves, who have never been given instruction exclusive of regular starters until this week.

"It's a 'kid' game," one faculty member of the school said, "and should be a wow."

Midland will return the game, going to Pyote a week later.

game with Northwestern he was covered constantly by two Purple players. A long pass was flung down the field.

He came up in the middle of the little crowd, leaping high in the air to grab the ball while four alien hands clutched at the oval.

Nationally the boy scout organization is in the midst of what it pleases to term the "ten year campaign."

Briefly it is this: Enlist one out of every four boys in the United States in the boy scout work and hold him there for a period of not less than four years.

Suburban filling stations, carrying small stocks of groceries, have followed the practice of selling provisions as well as gasoline and oil on Sunday. Downtown groceries, here for the fall business, took up the practice and have remained open for business during the last few weeks.
