Delicious Cereal Brought Relief From Constipation

If you have headaches, loss of appetite and energy, sleeplessness or any other of the frequent effects of constipation, read Mrs. Schneider's letter:

"Since I have been eating Kellogg's ALL-BRAN, I don't have to take anything else for constipation. How good it is, and how much better it is for constipation than pills or any other medicine. "I would never go back to what I

used to take, because Kellogg's ALL-BRAN is wholesome and healthful." -Mrs. John Schneider, 950 Tenth Street, Oshkosh, Wisconsin.

Constipation is usually due to lack of "bulk" to exercise the intestines, and vitamin B to help tone the intestinal tract. ALL-BRAN has both, as well as iron for the blood.

The "bulk" in ALL-BRAN is much like that of lettuce. Within the body, it forms a soft mass. Gently, it clears out the wastes. Try ALL-BRAN in place of pills

and drugs - so often habit-forming. Two tablespoonfuls daily will overcome most types of constipation. If not relieved this way, see your doctor. Use as a cereal, or in cooking.

Recipes on the red-and-green package. At all grocers. Made by Kellogg in Battle Creek.

Every specialist knows that objectionable body odor does not come from fresh perspiration but from stale perspiration deep in the pores.

Stale perspiration contains calcium, salt and particles of fat. The thick and sticky lather of most ordinary toilet soaps is unsuited chemically to mix with this waste material and set it free. Instead, it hardens into clogging curds!

That's why deep-pore cleansing is needed to remove the objectionable curds—and it is a scientific fact that there is only one way to accomplish this. Kirk's Coco Castile-being a 100% pure vegetable oil soap -mixes with the particles of perpiration curds, loosens them, then
