

Voting Start Is Promised On Aid Plan

Senate Turns To Its Second Week Of Debate

WASHINGTON, March 8. (AP)—The Senate turned today to its second week of Marshall plan debate with a promise to "get some voting started."

Senator Wherry of Nebraska, the acting republican floor leader, added, however, that he isn't too sure of a quick final vote on the \$5,300,000,000 European recovery program itself.

The first voting will be on amendments to the bill. "Of course," Wherry told reporters, "there is always the possibility that many senators will want to make speeches, and that would tend to delay any final vote."

WASHINGTON, March 8. (AP)—Secretary of State Marshall personally urged Speaker Martin today to expedite House action on European aid.

Wherry is playing a dual role in the debate. As the acting floor leader he is responsible for keeping the Senate working at top speed on the measure. But he is also chairman of a republican revisionist bloc which would like to re-write much of the bill—a time-consuming job.

The state department long has been calling upon Congress to finish its work on the recovery program by April 1.

Officials now say that date has assumed new significance because of the wave of European unrest set off by (1) the recent communist coup in Czechoslovakia, (2) Soviet demands upon Finland and (3) prospects for a strong communist push in the Italian elections April 18.

However, House Speaker Martin (R-Mass) has expressed doubt that congressional action can be completed by month's end. The House has not yet started its debate.

One possible roadblock to speedy Senate action is the determination of the revisionist group to reduce the \$5,300,000,000 authorization for the first 12 months to around \$4,000,000,000.

"I personally feel that even \$4,000,000,000 is too high," Wherry said.

But backers of the program say they will beat off all attempts to cut the outlay.

"I think we can lick it," declared Senator Connally of Texas, ranking democratic member of the foreign relations committee.

Urges Military Help For China

WASHINGTON, March 8. (AP)—Military aid for China was urged today by the director general of the United Nations relief and rehabilitation administration.

Lowell W. Rooks, the UNRRA chief, told the House Foreign Affairs committee that economic aid is "useless" unless the Chinese central government can win its war with the communists.

He said the United States should send American military men to China to equip, train, organize and direct Chinese forces "even down to tactics and strategy."

GI Shot In Back

VIENNA, Austria, March 8. (AP)—U. S. Army authorities said an American soldier was shot in the back last night after refusing to obey a Russian order to get off the sidewalk and into the gutter in front of a Russian headquarters hotel in the international district of Vienna.

NEW ORLEANS CASE

Confessed Robber Says Wife Innocent

CLEVELAND, March 8. (AP)—Devil F. Almeida, confessed robber of a New Orleans bank, maintained today his pretty 31-year-old wife had no connection with the \$114,000 holdup of the Hibernia national bank.

The 33-year-old ex-convict who confessed to Federal Bureau of Investigation agents yesterday he was one of five men who robbed the bank, insisted his wife was asleep while the New Orleans robbery was planned and carried out.

Almeida said he received as his share of the loot was the result of a "killing" he made in a New Orleans gambling house. D. K. Brown, special agent in charge of the Cleveland FBI office, said Mrs. Almeida was believed to have helped plan the holdup, obtained paper bags into which the cash was scooped by the gang and assisted in dividing the loot.

Two Philadelphia detectives also were here with warrants charging Almeida with first-degree murder in the killing of Patrolman Cecil Ingling, 42, in a super-market hold-up there Jan. 30, 1947. Mrs. Almeida is charged with being an accessory after the fact.

Conciliation Move Is Seen On Partition

NEW YORK, March 8. (AP)—The United States prepared to press for a new Palestine conciliation effort today as the big powers tackled the Holy Land crisis.

The exact nature of the U. S. plan was not disclosed. A member of the American delegation said, however, this country would insist that the consultations be confined to "peaceful measures" of settlement.

Representatives of the United States, Russia, France and China meet at 10 a. m. (CST) in Russia's new Park avenue offices.

Britain refused to take part in the consultations, which were ordered last Friday in a security council resolution. The big powers were asked to make recommendations by March 15 on what to do about carrying out the partition of Palestine.

Chief U. S. Delegate Warren R. Austin was reported ready to urge one more effort toward conciliation of Jewish-Arab differences as the first step.

It appeared that he would have the backing of France and China, but it was doubtful whether Russia's Andrei A. Gromyko could be lined up in such a conciliation move.

U. N. officials had announced earlier that they considered the consultations to be outside U. N. jurisdiction. All U. N. secretariat personnel were instructed to stay away from the meetings.

Four Armed Men Rob Country Club

EL PASO, March 8. (AP)—Four armed men who robbed the Valley country club yesterday escaped with an estimated \$20,000.

The private night club, located about five miles from here across the border in New Mexico, is not open on Sunday and only two employees were present when the gunmen entered.

The men tied up the two employees, then broke open two safes to obtain the money. A third employee who entered the club while robbery was taking place was tied up.

CIVIL RIGHTS IN HOUSE

GOP LEADERSHIP APPARENTLY READY TO BACK DIXIE REBELS

WASHINGTON, March 8. (AP)—The civil rights fight moved to the House floor today with the GOP leadership apparently ready to side with rebelling Dixie Democrats.

An odd set of political circumstances finds the Republicans risking a minor break in their own lines in an obvious effort to keep the fires of revolt alive in President Truman's party.

The showdown test shaped up over an anti-discrimination rider to the \$1,017,851,000 Labor Department-Federal Security appropriation bill up for debate today and a vote probably late tomorrow.

The issue is: shall states that do not give equal educational and job opportunities to citizens of all races, when those opportunities are financed with Federal funds, continue to receive the money?

An appropriations subcommittee which wrote the bill said they should not and tacked a rider, or amendment, to that effect. But the full committee overrode the subgroup and by a 25 to 6 vote knocked the provision from the bill.

Rep. Keefe (R-Wis.), chairman of the subcommittee and sponsor of the anti-discrimination proposal, told reporters he would offer it on the floor to give the entire House a chance to vote.

A number of other Republicans and most northern Democrats said they are ready to approve it. But the GOP House leadership is cool to the proposal and unless it changes its mind, will help southern Democrats kill it.

But behind the scenes, Republicans admit privately that it would not be good political strategy for them to incur the wrath of Dixie Democrats fighting the President's own program to wipe out racial discrimination.

WHITE HOUSE CONFAB

President Calls Demo Leaders In

WASHINGTON, March 8. (AP)—President Truman is going to talk things over with Democratic leaders who have been trying to soothe party critics of the President's policies.

The White House announced Senator J. Howard McGrath, chairman of the Democratic National Committee, and Gael Sullivan, executive director, have a White House date for 2:30 p. m. (CST) this afternoon.

Presidential Press Secretary Charles G. Ross, told reporters he assumes a "general discussion" is planned.

A "general discussion" presumably would cover the two big problems the party leaders have run into. These are:

1. The revolt of the South because of the President's call for anti-lynching, anti-poll tax and anti-race discrimination legislation. Some southerners are out to keep Mr. Truman from having the democratic presidential nomination.

2. The demonstrated appeal Henry Wallace has in some northern cities for democrats who do not see eye-to-eye with the President on foreign policies.

On the republican side, politicians are watching the New Hampshire primary tomorrow. Most agree that unless it brings an upset in the Dewey-Stassen contest it probably won't scratch the surface of the GOP presidential race.

Forces of Gov. Thomas E. Dewey of New York are contending that he will get at least seven of the state's eight delegates.

Backers of former Gov. Harold E. Stassen of Minnesota claim their candidate will get up to five.

President Truman is alone on the democratic side of the New Hampshire voting.

Elsewhere, however, the firing touched off by the Chief Executive's civil rights program raged unabated.

As more southerners joined the parade of Dixie Democrats demanding that Mr. Truman give way to some other nominee, Democratic National Chairman McGrath issued a statement denying "rumors" that he and Executive Director Gael Sullivan plan to resign.

Term applications are growing by leaps and bounds, credit representatives were told, and there was a general feeling that long term credit should be discouraged in the interest of the merchant, business in general and the individual. Reports indicated that wholesalers are beginning to play the closest of attention to the accounts of small merchants.

Elected to head the credit bureau group was Lolete Thaston, San Angelo. Other officers include Mrs. Agnes Park, Midland, vice-president, Mrs. Daisy Byler, Brady, secretary, John Evans, Odessa, Mrs. Clarence Cook, Colorado City, and C. R. Pennington, Abilene, directors. Two directors named to the state board were Carlos Carter, El Paso and Arch Billingsley, Fort Worth.

Jim Wallace, El Paso, was named president of the district credit executives unit, with Mrs. Marguerite Wooten, Big Spring, vice-president, and Pauline Sullivan, Big Spring, secretary—for the 13th consecutive time. Directors included Georgia Johnson, Big Spring, Bill Amos, Fort Worth, and Carl Spence, San Angelo.

Shine Phillips spoke to a dinner meeting of the 140 delegates Sunday at the Settles, touching upon tolerance.

The 1949 meeting was awarded to San Angelo.

Wants Conference Held In Moscow

HELSINKI, March 8. (AP)—Finland's cabinet decided today to begin negotiations with Soviet Russia, a member of the government reported.

Finland is suggesting that the talks be held in Moscow. No decision was announced on the makeup of the delegation that will go to the Russian capital to carry on negotiations for the treaty of cooperation sought by Prime Minister Stalin.

The cabinet member who made available this information said he could not disclose whether Finland is advising Stalin she is ready to negotiate toward a military pact as well as a friendship agreement.

This reserve likely was due to the desire not to reveal the contents of President Juho Paasikivi's letter to Stalin before the Russian leader receives it.

The cabinet met with Paasikivi for 9 minutes today.

When Prime Minister Stalin suggested the talks in a letter to Paasikivi dated Feb. 22 and delivered just 4 days ago, he said Russia would agree to meet either in Helsinki or Moscow.

Stalin's proposal for a mutual assistance pact like those Russia now has with Hungary and Romania has caused much concern. Most Finns oppose any far-reaching military alliance with the U. S. S. R.

The popular front, including communists and radical socialists, was the only bloc to support a full military alignment. They have 51 of the 200 parliamentary seats.

Opposed to any kind of military alliance are the social democrats, 48 seats; agrarians, 48 seats; conservatives, 29 seats; liberals, nine seats; and the Swedish people's party, 15 seats.

Any treaty that is concluded must be ratified by parliament.

Yesterday, strong-arm men broke up a mass meeting protesting the proposed treaty.

Big Bomber Is Missing Over Pacific

SAN FRANCISCO, March 8. (AP)—An Air Force Superfortress with 14 or 15 men aboard has been unreported over the Pacific since 3:34 (CST). An intensive search was underway.

The big plane was one of 10 flying from Spokane to Honolulu.

The Army air-rescue arm at Hamilton field and the Coast Guard sent out search planes.

The missing plane last gave its position at 11:34 a. m. CST to the Civilian Aeronautics administration station at Sacramento. It was to have reported again upon reaching the Farallon Islands, about 25 miles off the Golden Gate. It failed to check in and nothing has been heard since.

All other planes in the flight have reported regularly.

The planes, attached to the 326th Very Heavy Bombing squadron, left Spokane at 7 p. m. (CST) yesterday at 10-minute intervals.

The B29s left Spokane Air Force base last night with some of the base's top personnel aboard on a far eastern training mission.

The planes were scheduled to stop at Honolulu, then continue across the Pacific to Yakota Air Force base in Japan.

Officers participating in the flight include Col. Albert Shower, commanding officer of the Spokane base; Lt. Col. Richard Fry, commanding officer of the 97th Bomb group, and Lt. Col. James Trask, commanding officer of the 326th Bomb squadron.

Howard county commissioners court opened its regular monthly session Monday with a routine approval of bills, but cast a concerned eye on jail food costs.

Records of the county auditor's office showed a total of 603 man days in jail, or a total of 1,210 meals served prisoners. Total food bill was \$435.67, which made the average per meal around 36 cents.

Commissioners expressed particular interest in the meat (\$62.40), bread (414 loaves at \$57.96), and sweet roll (194 packages at \$77.60) accounts.

Other costs in the bill showed \$29.75 for potatoes, \$9.93 for vegetables, \$13.99 for milk, \$18.15 for eggs, \$18.59 for onions, \$2.19 for dried fruit, \$2.50 for sweet potatoes, \$4.77 for meal, \$7.80 for corn, \$1.34 for rice, \$23.04 for coffee, \$13.84 for soup, \$28.65 for beans, \$6 for peas, \$3 for tomatoes, \$4.70 for macaroni, \$3.06 for syrup, seasonings, etc. \$7.13, matches \$8.75; shortening \$17.73, canned greens \$8.59.

The court was due to continue its deliberations during the afternoon, with the possibility that some delegations would appear before it. There were none during the morning as the court cleared the decks for new business.

Twenty-seven cases made up the docket in corporation court this morning, with most of them involving charges of drunkenness and affray.

They represented arrests made by city police during a busy weekend. Police also transferred one charge of carrying a concealed subject to the county to face weapon.

ECONOMICS A PROBLEM

Western Union Pact Progresses

BRUSSELS, Belgium, March 8. (AP)—First articles of a pact intended to bind five western European nations in a union to resist the further spread of communism were drafted here today.

The conferees, representing Britain, France, Belgium, the Netherlands and Luxembourg, referred the drafts to an editorial committee for polishing before tomorrow's session.

Reports circulated that the pact may be ready for signing this week. Conference circles said French Foreign Minister George Bidault and British Foreign Secretary Ernest Bevin were ready to come here at any time to sign.

The delegates held three separate meetings today.

It is generally agreed that the most difficult problems they must solve are economic.

However, it is confidently expected here that Britain and France will make some substantial concessions to the Benelux countries to find a solution.

The attitude of the Benelux countries is not known officially. Belgium's Premier Paul-Henri Spaak has stressed in recent speeches that no treaty could work without economic collaboration.

Delegates agreed Saturday, conference sources said, on the basic political, legal and military principles for a 50-year treaty. Some were in their home capitals yesterday to consult their governments.

New Satellite Found, Mars Is Inspected

AUSTIN, March 8. (AP)—McDonald observatory astronomers have discovered a new satellite to the planet Uranus.

At the same time, they announced the green areas of Mars may be low order plants such as mosses or lichens.

"The question of animal life is unsettled but it is extremely improbable that highly developed animals could exist in the rigorous climate of Mars in the absence of a detectable amount of oxygen," said Dr. Gerard P. Kuiper, director of the observatory.

McDonald observatory is owned by the University of Texas and staffed by the University of Chicago.

Dr. Kuiper said observations during the last two weeks of February "amply confirmed" preliminary studies of Mars which have been in progress since October. The conclusion was that high order plants, such as those which produce seeds, and the ferns, do not exist.

These studies were aided by use of a newly-developed infra-red spectrometer.

It came to a climax on Feb. 18 when Mars swung within 63,000,000 miles of the earth—closest it will be until 1956.

"The McDonald studies have shown the presence of both carbon dioxide and small quantities of water, and green areas consistent with the presence of mosses and lichens," Dr. Kuiper said.

"They have also amplified the work at Mount Wilson observatory where oxygen was found to be absent in the Mars atmosphere, because no traces of Martian zone were found."

A special study was made of the transparency of the Mars atmosphere to violet and ultraviolet light.

Pope Lashes Power Rivalry

VATICAN CITY, March 8. (AP)—Pope Pius XII says the nations' mad rivalry for power prevents the world's return to economic order.

Goods, he told a national conference of foreign trade yesterday, "have become the object of political speculation," so has "man himself, lowered in so many cases to the status of an article for exploitation."

"We watch unhappily," he said, "the action of a policy which is only a race for power and hegemony."

His address, as often happens when he speaks on Sunday, was not released for publication until today.

The Pope said disorder in "the field of economic exchange" is due partly to differences of opinion, partly to deeper causes.

"Some propose a return to a world economy such as there was in the last century," he said. "Others sustain a regional union x x x of single economies."

# WHY THE RED CROSS NEEDS YOUR HELP IN 1948

Report on 1947: Miracles of mercy which never could be done without your dollars...

**1 REMEMBER THE FLOODS?** In 50 different floods, the Red Cross saved countless lives by helping to evacuate affected families, by sheltering, feeding, clothing, providing medical care and rehabilitation for thousands of stricken people.

**3 REMEMBER THE HURRICANE?** Fifty-five wind storms required many millions of Red Cross dollars, all outright gifts to afflicted families for the restoring of homes, furnishings, clothing, even the means of livelihood for individuals made destitute by disaster.

**6 HOSPITALS NEEDED HELP.** 12,900 Nurse's Aides—all volunteers—lightened nurses' work in civilian hospitals, clinics, public health agencies and Red Cross blood donor centers. Red Cross Motor Service, too, made 668,000 calls, carrying convalescents, disaster workers.

**2 REMEMBER THE FIRES?** The Red Cross aided 161 times at fires in forests, hotels, tenements, homes. It spent \$1,250,000 in one fire alone to ease the suffering, restore health through hospital and medical care, provide shelter, revive hope for the homeless families.

**4 VETERANS HAD PROBLEMS.** The birth of a baby, death in the family, help needed to pay bills—2,029,007 cases for veterans and their dependents were handled by the Red Cross last year. For counsel, information, financial aid, the Red Cross advanced \$6,441,983.

**7 THE NEEDY WERE CLOTHED.** Red Cross volunteers produced 2,480,600 garments, 84,500 layettes, and quantities of surgical dressings. The articles were gratefully used in disaster areas, in community institutions, in civilian, military and naval hospitals.

**9 FIRST AID SAVED LIVES.** Over 11 million Americans have been trained in Red Cross emergency care, reducing immeasurably the terrible toll of accidents on our highways. Red Cross instruction in swimming and life saving, too, prevented innumerable drownings.

**5 VETERANS NEEDED CARE.** In Veterans Administration offices, the Red Cross served 1,095,832 cases involving claims, dependents, personal problems. Over 12,000 Red Cross hospital volunteers cheered veterans with entertainment, companionship, instruction.

**8 THE SICK WERE CARED FOR.** Red Cross instruction in care of the sick, mother and baby care, and family health brought vital protection to countless homes in many communities. Over 2 million home nursing certificates have now been issued by the Red Cross.

Someone near you, someone dear to you... perhaps you yourself... will benefit in 1948 from the humanitarian services of your American Red Cross. There is no nobler aim of mankind than this... the never-ending task of solacing, healing, helping those in need. There is no investment that pays you back so many times over... as your contribution to the 1948 Red Cross Fund. Again this year, be proud... and grateful... to give what you can.

# Earl York, Texan, Making Bid For Job With Bruins

NEW YORK, March 8. (AP)—Earl York, 21-year-old rookie first sacker of the Chicago Cubs, is off to an impressive start in his bid for a major league berth.

York, a southpaw all the way, has clubbed a homer in each of the Cubs' first two exhibition games against the Chicago White Sox. The Cubs took both games by a one-run margin.

Whether or not York can dislodge Eddie Waitkus from the starting nine remains to be seen but he has made Manager Charley Grimm take notice.

York clubbed 287 in 88 games for Des Moines of the Western league last year and also impressed his fans with his fielding.

A native of Dallas, Texas, York spreads 190 pounds over his six foot two inch frame.

Yesterday, he shared honors with rookie outfielder Clarence Maddern in the Bruins' 2-1 conquest of the White Sox. Maddern broke a 1-1 tie with a homer in the sixth inning.

Joe DiMaggio and Tommy Henrich are set in center and right field, respectively, with Charley Keller slated for left. The other three are Rookies Cliff Mages and Ed Stewart, and Johnny Lindell, star of the recent World Series.

BRADENTON, Fla., March 8. (AP)—The Boston Braves were told today by Brooklyn Dodger Secretary Harold Parrott that Eddie Stanky made this comment after being traded to Boston: "The Dodgers will not win the pennant without me."

Boston gave up Ray Sanders, Bama Rowe and cash for the second baseman, currently bedridden with pneumonia.

SARASOTA, Fla., March 8. (AP)—Joe Dobson, Boston Red Sox pitcher, will be back in action today. He's been out following the removal of a cyst from his right armpit.

ST. PETERSBURG, Fla., March 8. (AP)—The St. Louis Cardinals will hold another practice session today after which the team starts a long series of exhibition games.

SAN BERNARDINO, Calif., Mar. 8. (AP)—Manager Zach Taylor of the St. Louis Browns was far from pleased with the showing of his pitchers yesterday. The Pittsburgh Pirates, in gaining a 12-11 win from the Browns, combed Brownie hurlers for 18 hits. Less Moss homered with the bases loaded and Rookie Andy Anderson also homered for the Browns.

## LOOKING 'EM OVER

With TOMMY HART

The door of opportunity opens wide Friday for LaVern Roach, the fighting ex-Marine from Plainview, when the 160-pounder steps through the ropes at Madison Square Garden in New York City and levels his sights on the French veteran, Marcel Cerdan.

If Roach wins that one, he remains in the big money for a spell. If he loses, he starts from scratch again.

In Cerdan, he's meeting a man nearly ten years his senior who has been scapping the top notchers for a long time. Marcel can throw leather and lots of it. The question is, can he take it.

A Dane by the name of Anton Raadik almost stashed Cerdan away for keeps in the final round of their match several months ago. Roach is supposed to be a better man than Raadik.

While in the Marines, Roach conditioned himself for a fight by one round each with six or seven different fighters. Fighting that many fresh fisticufflers in succession is quite a job but it did a lot to build up the Texan's endurance. His staying power is considered remarkable.

If Roach gets by Cerdan, he'll qualify himself for a fight with Rocky Graziano, the middleweight champion. Imagine that, the pride of the Marines against a fellow who went over the hill while in the Army. Graziano is blasklitted in a lot of fight circles at the present time but a scrap with Roach might do a lot toward helping his reputation. His many friends hope so.

**COLD WEATHER STOPPED JULY 4 GAME HERE IN '22**

Boone Cramer, who is helping organize an independent baseball team in Coahoma, recalls the time a team that East Howard county community played a Texas and Pacific railway nine here on July 4 back in 1922 and the contest was called in the middle innings because of cold weather!

A ball storm somewhere northeast of town brought the drop in temperatures. Most of the onlookers retired before the teams called it quits to go home and don overcoats and light their fires.

**GERRY RODRIGUEZ UNDERGOES TONSILLECTOMY**

Gerry Rodriguez, who won a dozen games for the Big Spring baseball Broncs last year, recently underwent a tonsillectomy but will probably be shipshape by the time spring training begins.

He'll have to attain physical trim all over again, and that after a winter of little but baseball.

**KYLE ROTE LIVES UP TO ADVANCE BILLINGS**

A couple of months ago, Matty Bell, the SMU grid mentor, advised this reporter that Kyle Rote, the San Antonio prep phenom, was going to be every bit as good as Doak Walker, the Mustang All-American back.

Rote went a long way toward justifying Bell's lavish appraisal Saturday last when he led the 1948 edition of the Ponies to a 20-2 victory over the SMU Exes in a benefit game climaxing spring training at the Dallas school.

Rote scored two touchdowns, skirting left end from three yards out for the first one and going 15 yards for the second six-pointer.

Besides his scoring jaunts, Rote booted one try for point, did the kicking off and his passing was described as "brilliant."

Such pro standouts as Johnny Clement (Pittsburgh), Ray Mallouf (Cards), Red Wilson (Green Bay) and Sid Halliday (Washington) formed the opposition.

**HEUVEL LINED UP TO DIRECT PIPELINERS AFIELD**

Lewis Heuvel, Forsan's all-around athlete, will probably serve as field manager of that community's entry in the newly organized Texas softball league. Blacky Hines will run the business end of the club.

Heuvel expects both L. D. Cunningham and Leon Bredemeyer to pitch for the Couden club. Cunningham has promised to gain the very best condition. When L. D. is in top shape, there are few better hurlers anywhere.

**GRAPPLE CLUB MOVING**

Pat O'Dowdy rings down the curtain on his grapple shows at the West Texas Auction barn this evening. He's moving his carnival of sweat and sinew to East Third street and will be ready to open March 15, a week from tonight.

For his farewell show at the sports hall north-west of the village, the Irish promoter has planned a jam-up three-act play. Feature attraction will be an Australian Tag match pitting Gorilla Pogi and Dory Funk against Salvador Flores and Sgt. Karl Gray.

Most of the punch will be in the spotlighted event. However, for added entertainment, O'Dowdy is staging two 20 minute preliminary matches which will serve to get the principals warmed to their tasks.

In one of the abbreviated duels, Pogi goes against Flores, a slick article from Mexico City. Pogi hails from the Pampas, the wide open spaces of the Argentine.

PHOENIX, Ariz., March 8. (AP)—Bill Ayers, who sparked in training last year only to flunk out when the season started, is off to a good start in his second bid for a berth with the New York Giants.

Ayers started against the Cleveland Indians yesterday and blanked the Tribe on one scratch hit in three innings. In addition, he scored once, but the Giants dropped the game, 13-8 in ten innings.

ST. PETERSBURG, Fla., March 8. (AP)—Manager Bucky Harris of the New York Yankees has intimated that he will retain six outfielders for the championship season.

## Deadline Set For Entrance Into League

Representatives of five independent baseball teams, meeting at the Daily Herald Sunday afternoon to discuss organization of a summer league, set Sunday, March 14, as deadline for entry in the proposed circuit.

Definitely committed to the league yesterday were the Forsan Oilers, Howard County Junior college, Coahoma, Knott and Colorado City.

At least three more teams, among them the Big Spring Tigers and another contingent from Colorado City, are expected to be included in the organization.

The league schedule will call for Sunday games only.

Persons interested in fielding teams can contact the sports desk of the Daily Herald any time between now and Sunday.

Tentative plans call for the beginning of play Sunday, April 4 through August 29.

Those present at Sunday's meeting were Bill Horne, Huck Doe, Johnnie Walker and Harold Davis, all of Big Spring; Burl and Boone Cramer, Coahoma; Jack Lamb, Dutch Cowley and Dave Roberson, Forsan; Noble Walker, Colorado City.

Meetings will be conducted at Forsan and Coahoma Friday night at which time plans will be laid for summer baseball activity.

The Forsan session, set for 7:30 p. m., will be held at the school building. The Coahoma party, also set for 7:30 p. m., will be staged at the American Legion hall.

**Bill Lowe Tops Angelo Ropers**

SAN ANGELO, March 8. (AP)—Bill Lowe, Ozona, and L. N. Sikes, Mexia, shared championship calf roping honors in the 15th annual San Angelo stock show rodeo.

Each had times of 34.1 seconds for two calves.

Toots Mansfield won day money Saturday and yesterday with a time of 14.9 seconds.

Bill Linderman, Billings, Mont., and Bill Ward, Angels Camp, Calif., shared the bronc riding championship while Dub Phillips, San Angelo, topped steer wrestlers.

Tommy Brooks, San Saba, showed the champion and reserve champion Aberdeen-Angus bulls and reserve champion female in final stock judging.

The grand champion Aberdeen-Angus female was exhibited by James T. Shaahn, Bracketville.

Malcolm Stratemann, San Antonio, showed the grand champion pig and the champion pen of three. Bobby Viser, Mason, exhibited the reserve champion pig.

**No Outstanding Team In NAIB**

KANSAS CITY, March 8. (AP)—The National Intercollegiate Basketball tournament (NAIB) bringing 32 teams representing every section of the nation, opened its week-long meet today without an outstanding favorite.

Coach Cam Henderson of Marshall College, Huntington, W. Va., the 1947 champion, brushed off suggestions that his Herdmen might make it two in a row with the coronant.

"There are entirely too many tough ones for us this time. We had our fun last year."

While Emil S. Liston, executive secretary of NAIB and tournament director, said no teams were seeded, it's significant that Brigham Young and Hamline university, St. Paul, are in the upper bracket and Xavier of Cincinnati and Louisville (Ky) university in the lower. They are considered among the strongest teams in the tournament.

**Tech Lands Two Men On State's All-Star Team**

AUSTIN, March 8. (AP)—Class AA high school basketball Champion Crozier Tech of Dallas placed two men on the all-state team selected by sports writers who covered last week's tournament.

They were Bryan Miller, forward, and Jerry Champion, guard. Runner-up Lufkin's forward Paul Williams was also placed on the first team.

Joe Ed Falk of Milby, Houston, was picked as Class AA's top center and Jim Ochoa of Bowie, El Paso, went into the other all-star guard spot.

The Class A all-star team was: Harvey Fromme of Sinton and Carl Jewell of Dimmitt, forwards; Mart Halbert of Throckmorton, center; Maurice Campbell of Mount Vernon and Jimmie Fountain of East Mountain (Gilmer), guards.

The Class B all-star team: George Burns of Carey and Chas. Haley of Johnson City, forwards; Dean Lloyd of Maydelle, center; Tommie Hancock of Prairie Valley (Nocona) and N. J. Hassell of Maydelle, guards.

There were three unanimous choices: Jewell, Campbell and Fountain. Charles Haley of Johnson City was a Class B all-stater from last year, and the only repeater.

The selections were made by the 20 sports writers who saw every game of the three-day tourney.

Competition for all the places was not very close. The selections in each class represented distinct choices.

# High School Baseball Team Launches Season April 6

## Tornadoes First Foe For Locals

District 3AA baseball teams launch their second season of play April 2 and close shop May 21, after each contingent has played through a double round-robin schedule.

The 1948 card was completed at a meeting of the 3AA executive committee and coaches were Sunday afternoon.

The Big Spring Steers will not open their conference program until Tuesday, April 6, at which time Lamesa's Tornadoes come to town.

Big Spring plays home games on April 9, April 22, May 7, May 11 and May 14, in addition to their opener.

Ahliene's Eagles are the defending champions in the circuit. Big Spring finished in third place with a record of seven victories in 12 starts in 1947.

Complete schedule:

April 2—Ahliene at San Angelo, Lamesa at Odessa, Midland at Sweetwater.

April 6—Lamesa at BIG SPRING, San Angelo at Midland, Odessa at Sweetwater.

May 7—San Angelo at BIG SPRING, Ahliene at Midland, San Angelo at Lamesa, Ahliene at BIG SPRING, Midland at San Angelo, Sweetwater at Odessa.

May 14—Sweetwater at San Angelo, Midland at Ahliene, Lamesa at Sweetwater.

\* Tentative, may be played April 19.

## Baylor Favored To Beat Felines In Playoff For NCAA Meet Berth

Postseason competition overshadows the end of Southwest Conference basketball.

Texas and Texas A&M officially close conference play tomorrow at College Station. But Baylor and Arizona start their playoff series for a spot in the NCAA Regional tournament at Kansas City to highlight the week's card.

Baylor, Southwest Conference champion, is a decided favorite over Arizona, border conference titlist, despite having dropped a decision to the Western five earlier in the year.

Texas journeys to the New York Invitational tournament Saturday. The playoff between the Border conference and Southwest conference champions opens in Dallas Friday night, with the second game Saturday. If a third game is necessary it will be played in Dallas Monday.

Very little hinges on the Texas-A&M tilt. Should Texas win, the Longhorns will have undisputed possession of second place. If they

lose, they share the position with Arkansas.

George Kok, Arkansas' giant center, mailed down scoring honors in season and conference play with 469 and 233 points respectively. Slater Martin of Texas is second in both classes, with 295 and 157.

In the only game played last week, Southern Methodist handed Texas Christian a 63-48 licking.

Leading scorers (conference):

PLAYERS	G	F	TP
Kok, Ark.	91	31	233
Martin, Texas	82	33	157
Pugh, SMU	59	34	152
Tom, Rice	58	25	141
Hamilton, Texas	49	33	131

Leading scorers (season):

Ammonium Nitrate Is Not Produced At Cactus Plant

DUMAS, March 8 (AP)—The Cactus Ordnance works, scene of a \$2,000,000 fire Saturday, does not produce ammonium nitrate, Capt. Donald M. McCrae, commanding officer, declared.

Ammonium nitrate was the chemical aboard the SS Grand Camp when it exploded last April to start the Texas City disaster. First reports of the fire here said ammonium nitrate.

It Is Tough To Stay Beautiful

Before you pack your bags, tag them Hollywood, and set out to look for an "easy job" in movie-land, consider what you must do to become a starlet. The beautiful girl decked out in mink and orchids who looks so glamorous on the screen may be suffering plenty. Chances are the film you are watching was made in the middle of July and though the movie beauty may be sweltering she must cavort before the lens with that ever-present Hollywood smile.

You probably complain about having to rise at 7:30 to get ready for your job. But did you know that even top-flight movie stars often must be at the studio by 5 or 6 o'clock and that in order to do this most of them are in bed by 7:30 or 8 at night—when they are working on a picture? Her routine includes daily exercises and diet planned by the studio. Masseuses are called in to pat her bumps into attractive curves. She must use the vibrators, weight lifters and reducing machines available in the studio gyms.

At home there is one big beauty routine from early morning till late at night. Hair is brushed and put up in pin curls every night. Contrary to what most people think the average movie starlet doesn't have a hairdresser sitting at her elbow. Most movie stars prefer to do their own hair. Many of them have their own beauty-parlor-type hair drying machine and wash their hair every evening. Hours must be spent with voice teachers. The would-be star must learn to enunciate, to pronounce her "r's," "m's" and "t's." If the young star has talent, additional hours will be chucked up for music lessons.

She is taught, among other things, to dance, walk and sit properly. She learns how important poise is to her social success. Remember that all of this must be accomplished quickly and not over a long period of time. Then be glad that you are just plain Jane. You can do all these things your favorite movie star does to improve herself, only you can take your time.

Prize Winning Novelist Is Found Dead

BLOOMINGTON, Ind., March 8 (AP)—Funeral services will be held tomorrow afternoon for Ross Lockridge, Jr., 33, author of the prize-winning novel "Raintree County," who died Saturday night of carbon monoxide poisoning in the garage at his home here.

Dr. Robert E. Lyons, Jr., Monroe county coroner, reported in his finding that Lockridge committed suicide. The young author left no explanation of his action, which came as he was on the crest of success. "Raintree County," his first novel, was a Book-of-the-Month club selection. It has been high on best-seller lists since publication. It won Metro Goldwyn-Mayer's \$125,000 novel award and is to be made into a motion picture.

Lockridge's father, Ross Lockridge, Sr., said his son's seven years of work on the novel had resulted in a "complete breakdown." "He put his whole heart into his book," the elder Lockridge said. "He was utterly exhausted." Lockridge's body was found in his automobile in the lighted garage by his widow, Vernice. The coroner said Mrs. Lockridge told him her husband had left the house earlier in the evening, saying he was going to mail "some letters but would return to listen to a broadcast of a basketball game."

A brother-in-law, Harold Mumby, said Lockridge appeared to be in good spirits Saturday afternoon. A statement from Houghton Mifflin company, publishers of "Raintree County," said recent correspondence from the young author was cheerful in tone and gave no hint of the tragedy. A spokesman for the publishers said Lockridge had started a second novel about six months ago and had seemed to be "embarked on a long and brilliant literary career."

"Raintree County" is an historical novel with a fictitious Indiana county as its setting. Its period is the latter half of the 19th century.

Pioneer Music Merchant Dies

PARIS, March 8 (AP)—Probably the oldest music merchant in the Southwest, Henry P. Mayer, 83, is dead. The prominent Paris businessman died last night. He had operated the Mayer Music house here for 59 years.

Born in Kentucky, he had lived in Texas since he was 12 years old. He was the first president of the Texas Dealers association and was formerly vice-president of the National Piano Dealers association. At the time of his death he was president of the Paris sanitarium, chairman of the board of the First Federal Savings and Loan association, vice-president of the Liberty National bank here and a member of the board of the Paris-Mount Pleasant railroad.

He had served as a member of the Paris school board. 'Golgotha' Is Praised Warmly

Two near-capacity audiences witnessed the showing of the motion picture, "Golgotha," at the First Baptist and East Fourth Baptist churches Sunday evening. There was a momentary delay at the initial showing when it became necessary to shift projection equipment. The film was praised warmly for its quality, unique and realistic treatment of its subject—highlights in the life of Christ from Holy Week until after the Resurrection.

Locke, Mangrum In Second Tie

MIAMI, Fla., March 8 (AP)—Bobby Locke of South Africa and Lloyd Mangrum of Chicago today had to play off their second tie in two days in the \$10,000 Miami International Four Ball golf tournament. The two ended all even on the 36th hole with Jim Ferrier of Chicago and Cary Middlecoff of Memphis, Tenn., as darkness fell last night.

Mangrum and Locke, currently the leading money winners in the United States, played 41 holes yesterday. They had to finish their opening round match with Johnny Revolta and Sammy Byrd which was tied at the end of 39 holes Saturday first. A 51-foot putt by Mangrum gave them the match on the 44th hole.

The winner of the Locke-Mangrum vs. Ferrier-Middlecoff match today will go on to play Herman Keiser of Akron, Ohio, and Johnny Palmer of Badin, N. C., in the semifinals.

In the other semifinals match, Ellsworth Vines, Los Angeles, and Ed Furgol, Pontiac, Mich., oppose Dick Metz, Arkansas City, Kans., and Skip Alexander, Southern Pines, N. C. The Vines-Furgol team advanced by defeating Jimmy Demaret, Ojai, Calif., and Jack Burke, Jr., Houston, Tex. 5 and 4. Burke replaced Ben Hogan who was forced to drop out because of a back ailment. Hogan left immediately for Aiken, S. C., to rest.

Caldwell County Is In Second Century

LOCKHART, March 8 (AP)—Caldwell county was in its second century today. Special church services yesterday celebrated the county's centennial anniversary. The state legislature created the county on March 6, 1848, and named it in honor of Matthew Caldwell, a hero of the Battle of Plum Creek, fought near here in the Texas revolution.

U. S. S. Texas Berth To Be Built Soon

HOUSTON, March 8 (AP)—Work will start in a few days on the Battleship Texas' last part of call. Lloyd Gregory, Houston, chairman of the Battleship Texas commission, announced Cyril S. Adams, Houston engineer, had been selected to design and construct the berth at San Jacinto state park. The battleship is to arrive at its permanent anchorage April 21 from Norfolk, Va.

Funeral Set For Pioneer Coke Farmer

Services were to be conducted at 3 p. m. Monday at the First Baptist church in Bronte for Sam Houston Chumley, Sr., 81, father of Mrs. Robert E. Lee of Big Spring. Mr. Chumley died here Sunday at 3:05 p. m. He had been making his home with Mrs. Lee for the past six and a half years following retirement as a pioneer farmer in Coke county. He had been in failing health most of that time.

Officiating at the services were Dr. P. D. O'Brien, pastor of the First Baptist church in Big Spring, and the Rev. C. E. Lancaster, San Saba, formerly pastor here. Body was taken overland Monday morning in a Nalley coach to Bronte. Burial was to be beside the grave of his wife and two children who preceded him in death.

Survivors include three daughters, Mrs. R. E. Lee, Big Spring, Mrs. W. J. Swann, Sterling City, Mrs. James Crossland, Gulfport, Miss.; three sons, Mark Chumley, Robert Lee, Sam Chumley, Jr., Big Lake, and Craig Chumley, San Angelo. He also leaves nine grandchildren.

Four grandsons, Victor, Wayne and J. F. McCabe, and four nephews, Bob and Buck Coleman and R. T. and Matthew Caperton were to be pallbearers.

Cage Quintets In Final Fling

NEW YORK, March 8 (AP)—College basketball takes its second wind today and steps off in its final big fling—a series of whirlwind tournaments pointing this year to the London Olympics. Two of the eliminations begin this week. The 32-team NAIB stammina test gets underway today in Kansas City. The National Invitation tournament, involving eight hand-picked quintets, will open Thursday at Madison Square Garden.

These events will be followed by the NCAA regional playoffs — The Eastern at the Garden March 18, the Western in Kansas City March 19. Winners of these four tournaments will qualify to meet the National AAU's three top teams and the national YMCA champion in the Olympic tryouts here March 27, 29, 31.
