Lynx Meet Blackhawks

McCloy Wins State Award For Leadership

Allen McCloy, a Hansford County 4-H boy who believes that faith can conquer the impossible, has been named the state's outstanding member in the boys 4-H leadership program.

His efforts will merit a certificate of recognition which is sponsored by The Sears-Roebuck Foundation of Chicago.

Allen is the son of Mr. and Mrs. Wilson McCloy of Morse. He is a veteran of eight years in 4-H and a senior at Morse High School. Throughout his career he has set a fine example for other members as both a leader and follower.

Selection for the high honor means that Allen has developed leadership qualities which are essential to a progressive, wholesome and satisfying life and has wisely used the knowledge and skills learned in 4-H to help others. He is a Gold Star boy and has held every office in his local 4-H Club. He has also served as chairman of the county council, district council and delegate to the state council and has been president of the Junior Leader's Club, Boys Club, Community Club, and Community Improvement Program.

Allen had a major hand in "putting his community back on the map," by helping to make it a better place in which to live. Through his efforts and those of other 4-H members, community spirit and pride were boosted and enabled the community to place first in the district in 1963 and second this year in the Texas Community Improvement Program.

He has completed numerous demonstrations in beef cattle, commercial cattle, leathercraft, horsemanship, swine and junior leadership.

Allen desires to pursue a career in agriculture and seems to be well on his way. Aside from being an industrious rancher, he also excels in sports and rodeo events. Allen is a firm believer in staying on the job.

CROP Drive Is Tonight

Young people from the First Methodist and First Christian Churches of Spearman will be trick or treating tonight.

However, they are not seeking treats for themselves, but for the needy people around the world. They will be collecting funds for CROP (Christian Rural Overseas Program).

This program provides funds to get government surplus foods to needy people around the world and also money to buy needed tools and supplies for these people.

CANDIDATE VISITS--Republican candidate for Congressman-at-large, Bill Hayes of Temple, visits with Dick Kilgore (left) and Ken Conrey (right) during Hayes' brief airport stop here Sunday. About 40 persons heard Hayes pledge his support for conservative government.

Members of the organization are conducting the drive for the Spearman Chamber of Commerce.

They have set a goal of \$2,000 for this year. The fund

for new decorations on Main Street. This year large pole decorations are being bought to be used on Highway 15. Because it is a state highway, no decorations can be stretched across it.

The decoration that is to be put up on the highway is on display in front of the Chamber of Commerce office on Davis Street.

Another report meeting and luncheon will be held Friday in Grunewald's Restaurant in Plains Shopping Center.

Band Wins Top Marching Honor

For the ninth straight year the Spearman Lynx Band received the highest rating, a I, in the Interscholastic League Marching Contest in Canyon.

There were seven AA bands competing in the contest and only two received I ratings. The other band was the Phillips Blackhawk band.

In the twirling contests two

New Pastor Installed

A native of Poland who spent several years in a German Concentration Camp in World War II has been installed as the new pastor of the Sacred Heart Catholic Church.

The Rev. Ludislaus Walko was installed in a special installation service by Msgr. John A. Steinslage of Panhandle and assisted by the Rev. B. A. Erpen of Borger. Benediction of the Blessed Sacrament followed.

Fr. Walko replaces the Rev. Fred Hyland who has been transferred to the Sacred Heart Parish in Plainview.

While he was interned, Fr. Walko's legs and feet were frozen and surgery was required after he was released.

A dinner was held honoring the following clergy: Msgr. John A. Steinslage and Rev. Andrew Quante of Panhandle, Rev. B. A. Erpen of Borger and Rev. Edward Kieran of Perryton and the honoree, Rev. Walko.

District Title On Line

8 p. m. Sat. in Phillips

Unranked but undefeated Spearman will take on the giant of AA football, the Phillips Blackhawks, Saturday night at 8 p.m. in Blackhawk stadium at Phillips.

Phillips has been rated No. 1 in AA circles over the state most of the season. They have run up one sided scores in all their contests, except with 13-

way the Hawks will hold a 20 pound per man advantage in the line and a slight advantage in the backfield.

The Blackhawk running attack has built around Lynn Johnson, 175, who won some all-state recognition last year, and Freddie Banas, 163 pound fullback. Duke McNeece, 160, starts at wingback.

End Hank Boykin, 180, is a fine pass catching end. Wingback Banas joins in the pass catching act. Phillips has used the long pass as a scoring weapon.

Spearman was given the title of dark horse when the season began, but there has been nothing dark about the Lynx record since the first game. They have rolled over seven opponents, with the closest score being a 6-1 win over arch rival Gruver.

Size has meant little to the Lynx this season. The pocket size linemen have been able to handle most of their opponents this year both on offense and defense.

Starting at offensive ends will be Larry Butts and Leroy Callaway, starting tackles are Mart Brillhart and Randy Moore, at guards there are Wesley Brinkley, Lynn Buzzard and Larry Babbs, they alternate as do centers Skipper Robinson and Richard Smith. On defense Brinkley moves to linebacker, Brillhart is replaced by fullback Clayton Cochran, and Smith plays middle guard.

The offensive backfield has Johnny Crawford at quarterback, Cochran at fullback, Mike Morris at halfback and Ken Shufeldt at wingback. Early in the season Morris and Cochran carried most of the running chores, but in the last few games Shufeldt has blossomed into a dangerous runner and pass receiver.

Ends Butts and Callaway each have a touchdown pass reception to their credit.

On defense Dave Clement joins the backfield as a linebacker.

This will be homecoming at Phillips.

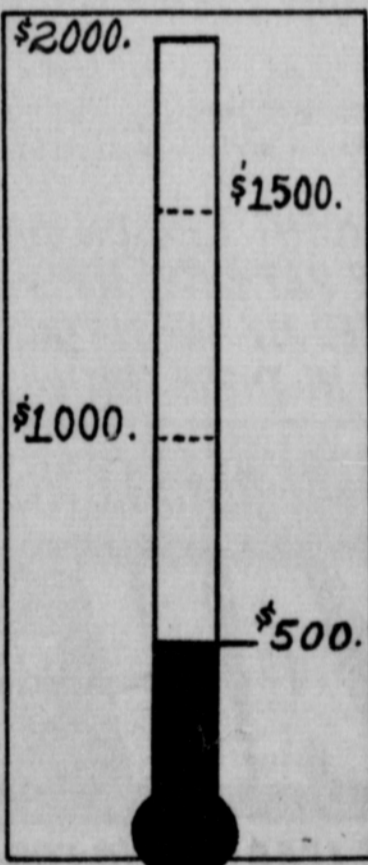

Carnival Set Friday Night

Spearman spooks will have to celebrate Halloween early this year, since the Spearman-Phillips football game is on Halloween night.

Spooks of all ages will have a carnival to haunt Friday night beginning at 7 p.m. in the Community Building. It is being sponsored by the Spearman High School Student Council.

Clubs and civic groups are sponsoring booths and concession stands to provide entertainment and refreshments for everyone.

There will also be a costume contest.

THE TALL TEXAN

Tuesday, the American people will go to the polls and put an end to the most personal, name calling Presidential campaign this nation has seen in several elections.

This year the voter will be making the biggest choice between systems he has been called upon to make since Roosevelt opposed Hoover in 1932 and Alf Landon in 1936.

As the two political opponents have entered the final days of the campaign, they are hitting on their two big issues repeatedly in speeches before the country. Candidate Johnson repeatedly warns against turning the nuclear power of the U.S. over to an "inexperienced man". Candidate Goldwater continues to hammer away at the civil rights law and the fact that government cannot enforce association between people.

Many other issues abound, but both candidates appear to like to work on the fears of the voters; the Democrats charging that Goldwater will destroy the world; the Republicans charging that Johnson will force racial mixing. Many people are scared of both.

The questions the voters will be really deciding are:

Will the Democrats be given the go ahead with their plan for a continuing expansion of the federal government into every phase of American business, agriculture and personal affairs? Do the people want to continue to turn more and more of their income over to Federal Government through taxes and then receive this same money back, less handling charges, with a politically inspired solution to problems?

Will the Conservative Republicans be given the mandate to halt the expansion of government and gradually remove some of its recent expansion from business, agriculture and personal affairs? Do the American people think they are capable of assuming the responsibility of solving many local problems such as education, race relations, housing, unemployment, slum clearance, care of the needy, and many other problems which have been turned over to the federal government?

There are other issues, but to us these are the major ques-

tions to be resolved. The nuclear and the race mixing emotional questions being pushed so hard now will disappear just like the missile gap of the 1960 campaign.

Both candidates have steered away from the confused international situation. They apparently cannot cope with it when they have all the facts at hand, so they do not expect the voters to know what is going on with only a smattering of the information.

The American people have a choice of two politicians for an office needing a statesman. One has reached the top through personal political favoritism. The other got there on a rising wave of conservatism.

How good are the Spearman Lynx? Can they overcome a big weight and speed advantage and drop the Phillips Blackhawks Saturday night?

You can get many answers. Here in Spearman there seems to be little question among the more vocal supporters of the Lynx. Across the river there are other answers.

One report heard from self-styled experts across the river says Spearman will not score unless they get a lucky break and recover a fumble deep in Phillips territory.

Here in Spearman some are predicting as much as a 12 point bulge for the Lynx.

Band Director Sam Watson said the Phillips-Spearman feeling was rather high at Canyon Tuesday. However, Watson said his kids made him real proud because when the Phillips band finished its performance, the Lynx band was loud in its applause.

The two bands were the only ones in Class AA to receive 1 ratings in the contest.

Jacobs Rites In Missouri

Funeral services for Albert Leroy Jacobs, 83, a former resident of Hansford County will be held in Carthage, Mo. where he has lived since 1951.

Mr. Jacobs died Monday afternoon in the Worley Hospital in Pampa. He became ill several weeks ago while visiting in Plainview.

Mr. Jacobs lived in Spearman from 1928 until 1951. He served as a county commissioner while living here.

Survivors included four sons, Elmon of Spearman, Arthur of Carthage, Ledru of Tahoka and Jerry of Edna; three daughters, Mrs. Frank Hogset of Pampa, Mrs. Thelma Carpenter of Woodward, Okla., and Mrs. Lena Shell of Perryton; two brothers, Gilbert of Glendale, Ariz., and Dudley of Paris, Ill., and a sister, Mrs. Mary Harrison of Paris, Ill.

Add interest to that standby spaghetti tomato sauce by allowing Italian sausage (sweet or hot) to contribute flavor. Slice the sausage and brown it in a skillet, then let it simmer in the sauce during the last hour of cooking.

Homemaking Notes

by Linda Webb
Home Demonstration Agent

Unveiling ceremonies for the new commemorative stamp honoring homemakers are scheduled for October 26 at the opening session of the National Extension Homemakers Council meeting at Honolulu, Hawaii.

The stamps will go on sale at all other U.S. Post Offices the following day. Demonstration Councils will be among those planning special purchases of the stamp. Several delegations to Hawaii will mail back "first day covers."

The Post Office Department has called the stamp a "tribute to the 50th anniversary of the Smith-Lever Act which officially marked the beginning of the Cooperative Extension Service and opened the way to improved home life throughout America."

Participating in the first day ceremonies for the new stamp in Hawaii will be 74 Texas men and women who are scheduled to attend the National Extension Homemakers Council meeting--the national counterpart of the Texas Home Demonstration Association, representing Texas as the official voting delegate will be Mrs. George Hackney, Jr., of Greenville, the current president of RHDA.

Under the USDA's Extension Service, working in cooperation with the land-grant colleges of the nation, some 4,000

home demonstration agents assisted by nearly 700,000 women who serve as local leaders, are aiding millions of women to become better homemakers.

Work on the commemorative stamp project has been spearheaded during the past several years by home demonstration women.

Newly revised editions of the Extension bulletins, "Christmas Time at Home" and "Eat More Pecans" are now available from the County Home Demonstration Agents office.

With the holiday season just around the corner, these booklets may help you have a merrier holiday table for parties, snacks or meals.

A modern version of an old German favorite is one of the many recipes featured in "Christmas Time at Home" - Pfeffer Nuesse (Pepper Nuts)-something different for your holiday eating enjoyment.

Try this one:
2 cups sugar
6 eggs
1 teaspoon cinnamon
1 teaspoon cloves
1 teaspoon baking powder
1/4 to 1/2 tsp. black pepper
Flour enough to roll.

Beat eggs; add sugar gradually. Start with 2 cups flour; sift dry ingredients and add to egg mixture. Add additional flour, if necessary. Roll, cut with small cutter and bake at 350 degrees for 20 to 25 minutes. Yield: 5 dozen cookies.

V-DAY, 1964

Be sure to VOTE TUESDAY!

VOTE FOR THE TEXAN WHO LEADS THE FREE WORLD!

For the past eleven months, for the first time in our history, a native son has led our nation and the free world. And every Texan can take pride that President Johnson has met the awesome burdens of the office with courage, wisdom and restraint.

THE ISSUE TUESDAY IS SIMPLE: WHO CAN BEST LEAD OUR NATION IN A TIME OF CHALLENGE AND PERIL?

To which man do you feel most comfortable entrusting the security and well being of yourself and your children for the next four years--

A man who wants to turn back the clock of achievement... a man who has worked consistently against progressive measures in the Senate... a man virtually untested in a time of crisis?

Or a man who has dedicated his entire life to public service... who has demonstrated, under five administrations, progressive leadership in working for a better way of life for all Americans. A man who has proved his courage under fire... has demonstrated his unwavering strength to meet any aggressor with firmness, yet restraint?

PRESIDENT JOHNSON HAS PROVIDED RESPONSIBLE LEADERSHIP FOR MORE THAN A QUARTER OF A CENTURY

For almost three decades, President Johnson has been a pillar of strength for Texas and the nation. As Congressman, as Senator, as Majority Leader, as Vice President, and now as Chief Executive, he has written a proud record of progress.

ONLY TEXAN PRESIDENT LYNDON JOHNSON OFFERS THE EXPERIENCE, THE PATIENCE, THE WISDOM, AND THE STABILITY NEEDED BY THE NATION AND THE FREE WORLD IN THESE CRITICAL TIMES!

Day by Day

There are just a few more days now until November third. We've listened to, read about and looked at all sides of the political issues. Now the important thing is to vote Tuesday.

I read something the other day about how important a single vote can be. Sometimes when it seems unhandy to stop what we're doing and go to the polls, I think we're all tempted to figure one vote isn't very important. It simply isn't true though if you look at the facts. Many elections, like the last presidential one, have been decided by very few individual votes. So it does matter and it isn't too much trouble to drop everything for a few minutes to go vote.

The Spearman High School Student Council is planning a Halloween Carnival for Friday night to offer an evening of fun for children of all ages.

Many civic-minded clubs and organizations are planning booths with entertainment and refreshments in order that the young people of Spearman will have this alternative to disorderly conduct in celebrating Halloween.

The carnival is a big undertaking, even with all the much-appreciated help from adults. Student Council members are Bob Phillips, president, Lynn Buzzard, carnival chairman, and Jimmy Brown, Larry Butts, Jim Ownbey, Linda Spoonemore and Kyra Crum.

And now the week has finally arrived; we're seven games deep in football season, still undefeated, and ready to meet the number one ranked team in our class in the state.

It's like the speaker said at the football appreciation dinner Monday night, who would have thought Spearman could have done this in just three years.

There have been a lot of verbal compliments for the team and the coaches during the past few weeks. Probably the best compliment they've been paid is every game's standing-room-only crowd.

This week is the real test though. I hope Spearman fans show a continuous spirited response Saturday night for a team that has made up in spirit and determination what was lacking in size and speed.

And while compliments are on my mind, I think Miss Doris Deere and the Pep Squad are due a lot of praise for their clever ideas and hard work in getting ready for last week's homecoming activities.

All of the decorations and new events were well planned and carried out. I think all these things were greatly appreciated both by exes and current students.

Miss Deere and the Pep Squad have helped to add to the school spirit this fall at S.H.S. by planning a hall decoration every week depicting the football team's "victim".

This week, they've received help from custodian Jesse Burke who constructed a coffin holding a grotesque Blackhawk with the inscription "Here lies a Phillips Blackhawk, a victim of the Fighting Lynx". Jesse built the display over the weekend and had it in the hall Monday morning.

And now it's nine in a row for the Lynx Band. The 1964-65 marching group of 134 won the coveted Division I rating Tuesday in the marching contest at Canyon.

Here again, there are numerous people to whom praise is due for this tremendous showing; of course Band Director Sam Watson and his assistant Mr. Frank Porter are to be congratulated, along with all those students who have again excelled in precision marching.

Spearman can be proud of the degree of excellence its school and students have attained in a variety of fields.

Guests over the weekend of Mr. and Mrs. Kenneth Evans and Mr. and Mrs. Jim Neely were Mr. and Mrs. C.F. Wilson and family from Crowell.

Mrs. Richard Fancher visited last week in Pampa with her blue.

Hostesses for the courtesy were Joy Apple, Karen Rhea, Winnie Boyd, Sherry Beeson, Martha Boyd and Hershelene Ooley.

her parents, Mr. and Mrs. Ray Roles. Mr. Fancher is in a revival in Forgan, Okla.

Mrs. Bill Thorne and children of Arnett, Okla. spent the weekend here visiting her parents, Mr. and Mrs. Paul Taylor.

Meet The Presidents—

Mrs. Edward Dear, Rho Rho President Is Busy Homemaker, Mother of Four

When asked "How many children do you have?" Pat Dear answers "Three and Danny" who, as all her friends know, is the "livewire" of the Edward Dear family. Danny is three years old and has two sisters, Cindy, 12, and Cathy, 9, and one brother, David, 6.

Pat serves as president of Rho Rho Chapter of Beta Sigma Phi, an organization created for young women in search of cultural and social activities. This sorority gives its members an intimate touch with many lives and many minds, a precious guard against narrowed friendships. It offers an enriching, inspirational experience in the appreciation and enjoyment of liberal arts.

Pat has been a member of Rho Rho Chapter for three years, having served as civil defense officer and on the program, ways and means, courtesy and scrapbook committees. She also represented the group on the Governing Board of the Community Building.

In 1963, Pat was honored by the chapter as its Valentine Girl and was crowned at the Valentine ball.

Rho Rho Chapter has served the community in a variety of ways since it was begun in Spearman. The chapter was instrumental in organizing the 400 Club a few years ago, for the improvement of the Community Building. The chapter has sponsored a girl at Girls-town in Whiteface, Tex. and has made dental work possible for several young people who needed it. Two years ago, Rho Rho purchased a hydraulic stretcher for Hansford Hospital

Pat Dear

and this year's service project includes donating money for children's books at the library, a desperately needed service; and donating to the Christmas decoration fund.

Rho Rho's president is a native of Spearman, the former Pat Howell, daughter of Mr. and Mrs. Lester Howell. She is active in P-TA and the Charity Sunday School Class of the First Baptist Church.

Her hobbies include bowling and playing bridge. She and Edward belong to two bridge clubs that meet during the winter. "I also enjoy cooking and get enough practice with four children and Edward," Pat commented.

With homemaking and her duties as president of Rho Rho, Pat still finds time to work part-time at Chambers Dry Goods. She manages to do all these jobs well.

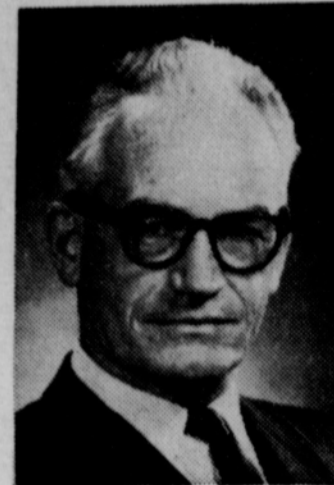

TRAVELERS--This large group of Hansford County residents, with a few others scattered throughout, returned recently from an 18 day tour of the northeastern United States. The group was in Niagara Falls, Boston, New York City, Washington and most of the famous spots between all these areas. Women Attend P-TA Workshop

Gruver PTA was represented by Mmes. Jack Gillispie, J.C. Bergin and Clifford Stedje at the Fall Workshop held in Wheeler recently. THE WAY I SEE IT

Robert Cordes, Pastor
Oslo and Faith Lutheran

**JUST TRY LIFTING YOURSELF
DID YOU EVER HEAR THE
STORY** of the man who tried
to lift himself? Of course, he
found that it couldn't be done.

For instance, try wheeling
yourself in a wheelbarrow? Or
try lifting yourself by your
own boot straps! It can't be
done, so why not quit trying?

You say, you never did try
it? Don't be too sure. Many
people try to lift themselves
to Heaven by their own efforts.

You've heard them. They
say, "I never steal. I don't get
drunk. I treat everybody right.
I'm as good a man as any
church member. If anybody
goes to heaven, I will."

No chance, sir. You will
not. Not that way. The only
way to heaven is by accepting
Jesus Christ as your Savior.
He said so. And He was God.

"I am the way, the truth,
and the life. No man comes to
the Father but by me." Lifting
yourself to heaven by your
own efforts is as useless as
pushing yourself in the wheel-
barrow.

That teaching was the heart
of the Reformation; it is the
heart of the Gospel; it is the

heart of our Church's preach-
ing.

October 31 has been remem-
bered as the day the 95 Theses
were nailed to a church door
in Wittenberg. Luther discov-
ered the cardinal truth of the
Bible: "Therefore we conclude
that a man is justified by
faith, without the deeds of the
law." (Romans 3:28).

Thus we at this season are
again reminded of God in Je-
sus Christ cleansing us and open-
ing heaven. None of man's
efforts will succeed in open-
ing heaven's gates. The Blood
of Christ alone erases our
guilt. Reformation is always a
time to remind ourselves of
our great God and His great
message of love made evident
to us in Jesus His Son.

"Christ has redeemed us
from the curse of the Law,
being made a curse for us.
There is therefore now no
condemnation to those who
are in Christ Jesus."

Mr. and Mrs. Lawrence Wil-
banks, Mr. and Mrs. Virgil
Wilbanks and Mr. Hiram Wil-
banks visited in Butler, Okla-
homa City and Tulsa, Okla.
last week and attended the
Wilbanks family reunion.

Clothing Sent By Waka Women

Two hundred thirty-five
pounds of clothing were mend-
ed and sorted to be sent for
church world service during
the meeting of the Waka Wo-
men's Fellowship held Oct.
22 in the Fellowship Hall of
the Church of the Brethren.

Mrs. Harold Groves con-
ducted the business session
and Mrs. Lawrence Lehman
gave the devotional.

The following officers were
elected: President, Mrs. El-
don Gurley; Vice President,
Mrs. David Burger; Secretary-
Reporter, Mrs. Harold Groves;
and Aid Directors, Mmes.
Harley Elledge and Marvin
Groves.

Attending were Mmes.
Lawrence Lehman, Hall Nel-
son, Jerry Burger, Allen Den-
nison, Harley Elledge, Walter
Elledge, Leroy Reeves, Har-
old Groves, Dean Leighnor,
Harold Simpson, S.E. Stump
and Maude Stump.

Mrs. John Chevalier from
Henderson, Texas, visited here
last week with Mr. and Mrs.
H.H. Chevalier.

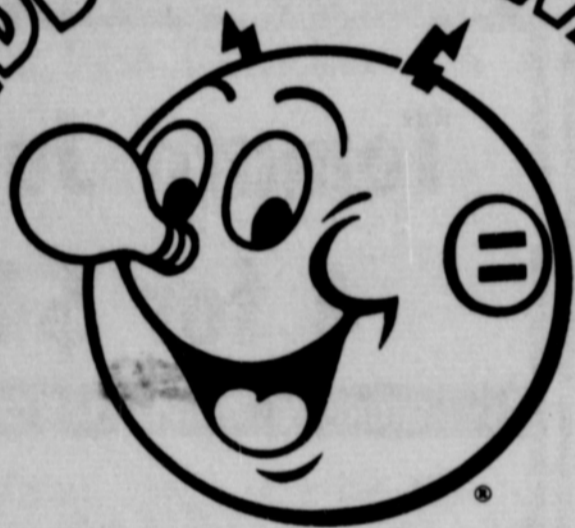

Sunday guests of Mr. and
Mrs. Douglas Connelly were
Mr. and Mrs. Oliver Carter
from Perryton.

WATCH FOR GRASS TETANY

Stockmen are being cautioned to watch for grass tetany, a cattle ailment that sometimes pops up in fall and winter.

Dr. Dixon Hubbard, Extension Specialist, says such small grain grasses as oats, wheat, barley and rye are capable of producing the sickness, particularly after rain. Common and Coastal Bermuda and mesquite grass also can cause the trouble.

The disease is believed to be the result of an imbalance in body magnesium. Changing cattle from dry grass to lush winter pastures, or sudden

temperature changes can encourage grass tetany.

"It's most likely to occur in the older, more mature cow that has just calved or is near calving," the specialist says, "it also is known to occur in yearling calves that have just been put on lush pastures."

The condition is characterized by lack of coordination, muscular tremors, excessive drooling and teeth grinding. Symptoms end with convulsions and coma six to twelve hours after first signs.

Treatment is largely ineffective once the animal reaches coma, Dr. Hubbard explained. But intravenous injections of various magnesium and calcium salts with dextrose is beneficial before coma.

Removal of cattle from lush pasture is the obvious prevention if grass tetany is suspected. However, they can usually be left on the grass if they are supplemented with coarse, dry roughage.

The Extension Specialist said California has suffered large cattle losses from grass tetany. The problem has become so serious that the California Agricultural Experiment Station has developed an emergency ration which will prevent the ailment. The ration is magnesium oxide, milo or corn, and cottonseed meal and is fed at the rate of one pound per animal per day.

Amarillo Artists' Work In Perryton

Two Amarillo artists, D'Alton B. Myers and Dorice Myers, will be presenting a joint exhibit at Perry Memorial Library in Perryton, during the month of November, one of the series sponsored by the Perryton Sosis Club.

The paintings of this couple reflect the color of their many travels. An exhibit in Amarillo last December on the theme "European Impressions" followed a seven month tour of Europe. They have spent several periods of six months or more in San Miguel de Allende, Mexico, and returned this month from a summer's work there. A collection of their scenes from Mexico was exhibited at the Blue Door Gallery in Taos this summer.

Started as a retirement hobby by ten years ago, Mr. and Mrs. Myers have studied extensively and worked tirelessly to perfect their style and technique. He prefers landscapes and still life, and she likes figure drawings and character studies.

On Sunday afternoon, Nov. 1, between the hours of 3:00 & 5:00 p.m. the exhibit will open with a tea in the Club Room at the Perry Memorial Library honoring the artists, and visit with Mr. and Mrs. Myers and view the paintings.

Republican Hayes Speaks

Republican Bill Hayes, candidate for Congressman-at-Large, spoke to about 40 Republicans at a brief stop at the Spearman airport Sunday afternoon. Hayes charged his Democratic opponent Joe Pool of running as a conservative Democrat and then immediately voting the Democratic Socialist line in congress. Hayes said he would support a bill in congress to stop all aid to Communist countries. He said his opponent voted against such a bill in the last

term of Congress. Hayes is the son of the former Yugoslavia official in this country. Several members of his family were shot by communist in Yugoslavia when the Reds took power and his father and Hayes remained in this country as political refugees. Hayes said it is time for the men holding public office to put the next generation ahead of the next election. He advocated putting a stop to the swing to socialism in this country. Hayes said he favored im-

proving the social security system and amending it to allow persons on social security to earn more than \$1200 per year. He said the people were only getting back the money they put into the program and their earning power should not be curtailed.

Hayes said by allowing foreign oil and beef and manufactured products to flood the country, our present government is putting foreign interests ahead of local interests.

Hayes said in the last few weeks he had seen a change in the people of Texas. They want strong candidates who put America first and they want
