Pilot Tears Trousers In Plane Crash

A wrecked spray plane, a hole in a quonset barn and a hole in the pilot's pants were the only ill effects of a spectacular plane crash just off the Spearman airport at 1:10 p.m. Monday.

C.R. (Dick) Thompson, 36, of Perryton was uninjured when his loaded spray plane crashed through the top of the quonset about 100 yards from the south-east end of the runway.

Persons who saw the accident said Thompson lifted the plane off the runway and went over the first buildings, then it appeared the plane did not want to lift anymore.

Thompson kept it flying over the Junior Lusby trailer home, but could not get enough altitude to clear the barn.

The plane hit high on the east side of the building and cartwheeled to the top where it plunged through, nose down. The frame of the building held the plane off the floor of the barn.

The one-place cockpit of the specially built spray plane was even with the hole in the building. Thompson quickly got free and slid down the outside of the building.

Gasoline and weed chemicals from the tanks on the plane spilled out, but there was no fire. The weed killer is water base material. Observers think this possibly cooled the engine enough to keep the gasoline from igniting.

Plane owner Tom Penn credited the seat belt, shoulder harness and crash helmet with protecting the pilot. The shoulder harness in the plane is on an inertia reel that allows the pilot to move around the cockpit if he moves normally, but a sudden stop or quick jerk locks the reel and holds the pilot in the seat.

Thompson told Penn that when the plane stopped, he was sitting erect in the seat.

"The advertisements said that is what the darn thing would do, but I sure hate that we had to test it," Penn commented.

Mrs. Lusby and her four children, Monty, Ronnie, Lonnie and Becky were all in the trailer house when the

(Con't. on page 11.)

Harvest Going Around Rain, Hail Storms

With the threat of more rain and hail hanging in the sky every evening, combine crews are pushing hard into every field of wheat ready to cut.

Most of the combines, custom cutters and local men, went into the fields late Tuesday. They were pushing hard all day Wednesday trying to beat the rain forecast for Wednesday night.

Elevator operators said the

dryland wheat that was left is making from five to eight or nine bushels per acre. What irrigated that has been brought in is making from 35 to 45 bushels.

The dryland wheat that made is weighing good. It is surprising some. The late rains apparently filled the heads and they are weighing heavy.

Some farmers report that it will take another week of good weather before their irrigated acres are ready to cut.

Except for the Pringle area the hail damage has not been excessive. Thirty to 40 per cent has been the highest damage reported by insurance adjusters. However, some of the hardest hit areas were not carrying hail insurance because of high rates from repeated hail outs.

The state-wide harvest is estimated at 50,544,000 bushels. This is some 10 million bushels above last year, according to the Texas Crop and Livestock Reporting Service.

The Texas Employment Commission reports the harvest as completed over the state, except for the irrigated High Plains areas.

This is proved by the large number of custom cutters in the area waiting for the weather to let them work here.

Wheat prices have been going down as the new crop goes into trade channels. Wednesday afternoon it was \$1.35 per bushel. The support price is \$1.26 in Hansford and \$1.27 in Ochiltree counties.

Lightning Hits Toll Telephones

Spearman had limited long distance telephone services Sunday night and early Monday morning after lightning knocked out phone lines.

Don Rich of General Telephone said the lightning did not break any lines nor poles, but disrupted service in the lines and equipment.

Rich said there were only two or three toll circuits left in service Monday morning. Crews had all the circuits back in service shortly after noon Monday.

Lightning and moisture also put about 50 phones out of service in Spearman.

ON ROUNDTOP--Many pilots land on Navy "flattops", but this spray plane landed on a roundtop. The pilot, C.R. (Dick) Thompson of Perryton was not hurt. The accident happened on take off from Spearman airport.

The top photograph shows the plane hanging in the barn and firemen getting ready to wash the gasoline and weed killer out of the barn. In the lower photograph the cockpit can be seen. Thompson got out and slid down the side of the barn.

Plainsman Photos

War Started On Free Dogs

With four children having already suffered major injuries from dog bites this spring, the Spearman City Council instructed city police and animal control workers to increase the control of dogs running loose.

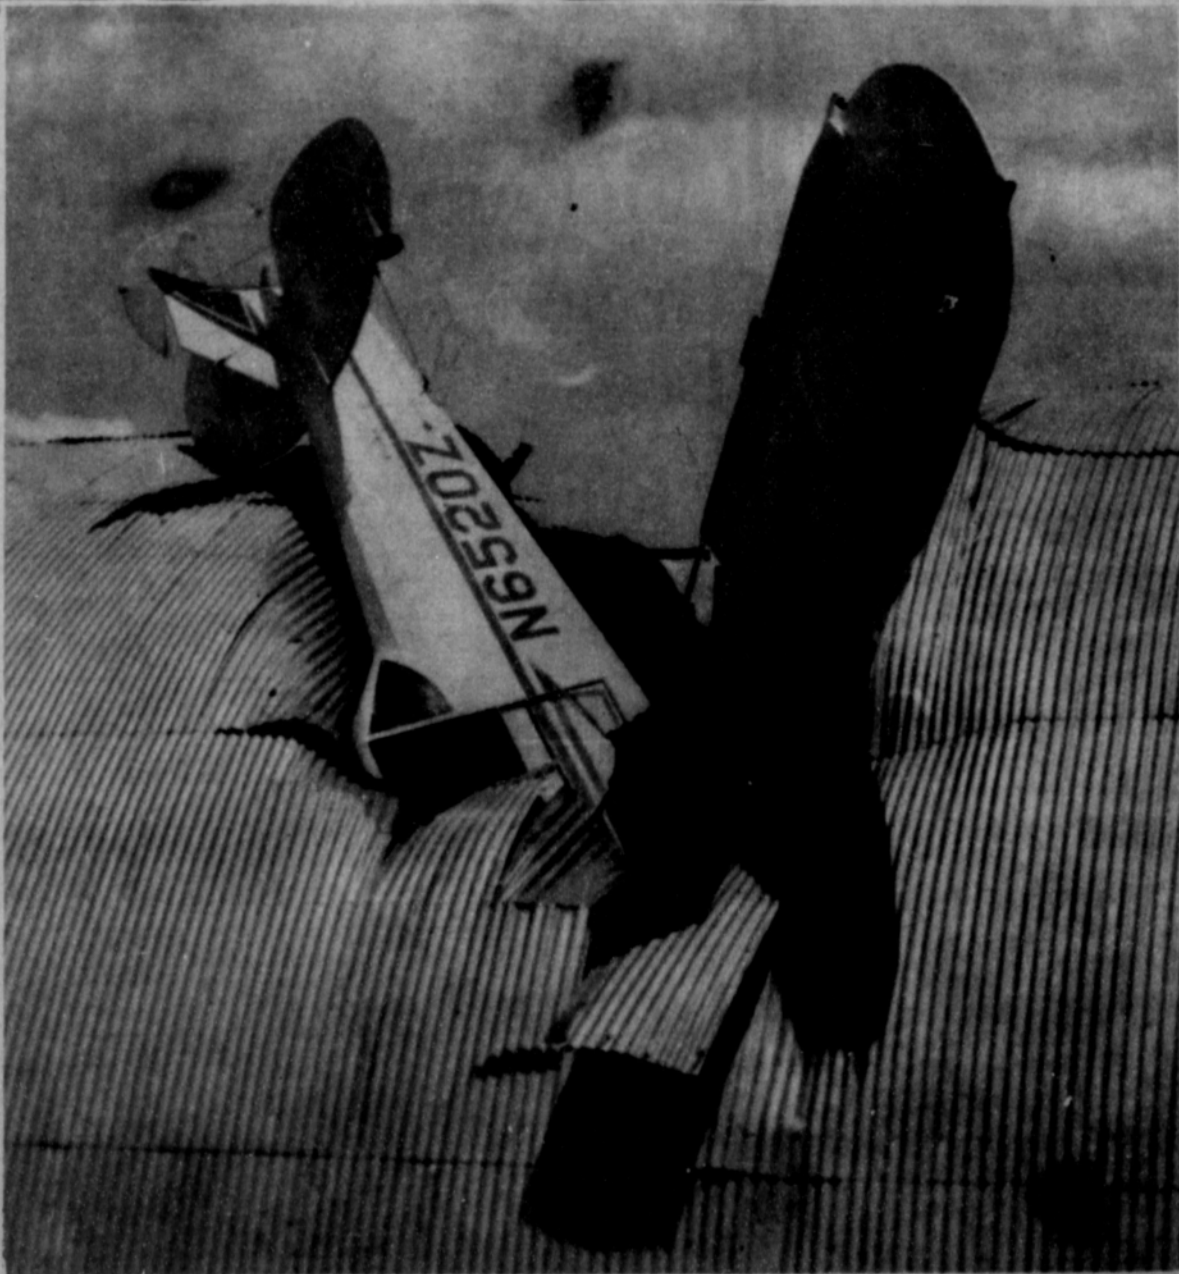

Officers have been looking for a dog which bit a small girl through the cheek last week. The child and her parents live in the old Mexican Labor office building. They have not been able to describe the dog to officers, but say they would know it if they see it.

They told officers a pack of dogs have been in the area.

The council told Chief of Police Wayne Pierce to have his men pick up all dogs running loose. The city ordinance prohibits dogs running loose. Dogs vaccinated for rabies and tagged must be kept up just like all other dogs.

Any dog that bites a person, if a complaint is made to the

Park Board Leading

Three cheers for the new Spearman Park Advisory Board! The new all-woman board met and presented a few simple, but sound, suggestions for the improvement of the parks in town. Monday night Mrs. Jimmy Shieldknight and Mrs. Ray Robinson met with the City Council to present the board's ideas and find out how much of the plan the city could or would carry out. The Park Board is an advisory board and their plans must be approved by the council. The suggestions presented by the board called only for things that are already supposed to be part of the program. Being practical, the women said the parks had to be maintained and put into shape before any other improvement plans could be started. They asked that each park be mowed and watered at least once a week, because of the grass on Glover Park, it should be watered twice each week. They also wanted trees and grass planted in the undeveloped park in Blodgett and Linn addition. This idea of starting at the bottom and building is something too many planning groups forget. We hope the women of the board will continue to maintain the interest in their job and continue to stress that the parks be improved. With continued solid, sensible planning and an overall building plan, our parks should be changed from unkept lots into parks that will make people glad they paid the park tax.

THE

TALL TEXAN

We have never had any illusions about reaching a high station in life or holding a powerful position in this organization. However, this week it was driven home to us, just how low we are around here.

Anthony, our printer's devil came in Monday, and announced he had bought himself a car. That was fine. He would now be broke most all the time and would work harder to hold his job. Then the implication of the transaction hit me full in the face.

In this country where every one is judged by the car he drives, we are a complete failure. With Anthony's purchase, we became the sole person on the Plainsman staff without a car. Jim has one, so do Linda, Sharion and Faye. The red ragtop I am paying on belongs to Day.

Everyone has a car around here but us. We have a bicycle.

Twenty years ago we started out in this profession folding papers and riding a bicycle. We are still doing the same thing.

It is great to advance along the ladder of success!

The plane crash Monday is another proof positive that safety belts and harnesses save lives in collisions. Dick Thompson walked away from that crash because he was fastened in that seat and stopped when the seat and plane did.

Some say he was lucky it did not catch on fire being buckled in. Yes, he was lucky there was no fire, but one tug on a release buckle freed him from the harness. And, he was fully conscious and uninjured, therefore able

The Myrl Guy Jones family is spending the summer in Washington, D.C. where he is working for the Department of the Interior. Mrs. Jones is the daughter of Mr. and Mrs. Ed Mundy and he is the son of Mr. and Mrs. R.Y. Jones of Gruver.

Mr. and Mrs. Lee Keys left Tuesday for Ponca City to be with her father who is in the hospital there.

Minnesota boasts the greatest water area of any state.

to get out if a fire had started without an explosion. Had he been thrown around in the crash and knocked unconscious, he could not have escaped a fire.

Whether you fly a plane or ride in a car, you need seat belts. Maybe you think the belts are not needed in a car, but there are lots more chances for accidents in cars than planes.

The story about the football team of 1947 has uncovered leads to numerous other sports stories from the past. We are going to try and come up with some of them before the summer is over.

We think they make interesting reading.

Mr. and Mrs. Preston Scott are vacationing in San Francisco, Calif., with their daughter and family.

Mr. and Mrs. C.O. Bowers and children of Pasadena came Tuesday to spend the week with his sister, Mr. and Mrs. Andy Rhodes.

Mr. and Mrs. Major Lackey were last Sunday guests of Mr. and Mrs. L.B. McKay of Pampa.

Cattle Breeders Trying To Put Fat in Meat

Cattle breeders and feeders should take a look at the possibilities of breeding some of the rind fat into meat, advises Frank A. Orts, Extension meats specialist at Texas A&M University.

The specialist says there are several factors which affect the "cutability" or yield of edible meat from beef carcasses. However, main factors are fatness and muscling as indicated by ribeye area. Fatness or degree of finish has the most influence on percent of steaks and roasts in a beef carcass. Animals with a thin rind of fat yield a much higher cutout than those with thicker fat coverings.

A good measure of fatness of a beef carcass is the fat covering over the ribeye muscle. For each one-tenth inch increase in the fat covering, there is a reduction of one and one-half percent in the amount of red meat in a beef carcass.

Though the amount of fat covering over the ribeye has a tremendous effect on cutout, extremely trim cattle will usually be deficient or devoid of marbling which, at the present time is one of the best indicators of eating quality we have at our disposal.

Eating quality is a factor which one should not forget when assessing the carcass merit of a particular steer or carcass. It is felt that even though the correlation between marbling and tenderness is low, it is significant because as marbling increases, tenderness and overall satisfaction with a steak from that carcass also increases.

Although much attention has been given to "cutability" in the past few years, much more still needs to be done. Progeny testing of sires for rate of gain and carcass desirability of offspring is recommended by the Extension specialist.

Breeders and feeders should avail themselves of every opportunity to obtain carcass merit ratings on their cattle. However, they should be hesitant about drawing conclusions about a sire if carcass data are available on less than five

progeny.

Data such as this can be obtained for a nominal fee by anyone for any cattle by contacting the USDA meat grading personnel in your locale and requesting the service. The Extension meats specialist will also be happy to assist anyone who is planning to enter such an endeavor. Contact Frank A. Orts, Texas Agricultural Extension Service, College Station, or your county agricultural agent.

One Accident Investigated

The Texas Highway Patrol investigated one accident on rural highways in Hansford County during the month of May according to Sergeant B. E. Caffee, Highway Patrol Supervisor of this area.

These wrecks accounted for one person injured and an estimated property damage of \$695.00.

The rural accident summary for Hansford County from January through May of 1964 shows a total of three crashes resulting in two persons injured, and an estimated property damage of \$3145.00.

For the first five months of 1964, 1025 persons have died in traffic compared to 871 for the same period of 1963, the Sergeant stated. "This 18% increase is very alarming and when you realize our heavy volume traffic months are still ahead, we must anticipate increasing problems in the accident picture. There is an increase in all types of accidents throughout the state and it is something that merits our greatest concern," he said.

The driving public must assist in the reduction of this trend if we are to turn it downward. Otherwise our death count at the end of the year will far exceed the record number of 2,729 deaths in Texas traffic during 1963. If you are driving, your life literally is in your own hands, so won't you help yourself and others by resolving not to become one of our statistics?" the Sergeant asked.

More Farmers Are Using Soil Test Information Greenhouse Course Is Announced

The number of Texas farmers and ranchmen using soil testing information as a guide for plant food usage continues to increase.

Figures released by Soil Chemist C. D. Welch, Texas Agricultural Extension Service, for the January-April 1964 period, showed a 46 percent jump in the number of soil samples tested over the same period a year ago. During the first three months of 1964, a 30 percent increase, Welch said, was reported by the Feed and Fertilizer Control Service for fertilizer sales. This plant food included the combined total for mixed fertilizers, materials, special fertilizers and others.

Welch noted that the soil testing laboratory at Seymour posted a whopping 255 percent increase in the number of soil samples analyzed for Rolling Plains producers. The number of samples tested increased from 904 in 1964 to 2,308 in 1964.

The laboratory at Lubbock

showed an increase of 42 percent or a jump from 4,674 samples tested for the first four months of 1964 to 6,660 for the same period in 1964.

The College Station laboratory, while showing a smaller percent increase than the other testing facilities, handled 8,233 soil samples compared with 6,359 for the same period last year, an increase of 31 percent.

Welch said the interest in soil fertility and fertilization throughout Texas is reflected both in the number of soil samples tested and the total tons of fertilizer sold.

The three soil testing laboratories are operated by the Texas Agricultural Extension Service.

Mr. and Mrs. Andy Rhodes and Mr. and Mrs. Rafor Clark of Waka spent Tuesday evening of last week in Guymon visiting Mr. and Mrs. Louie Holmes. Mr. Holmes has been quite ill for some time.

Texas' first Greenhouse Short Course will be held June 29-30 at Texas A&M University.

John E. Larsen, vegetable horticulturist with the Texas Agricultural Extension Service, said tomato production in greenhouses has experienced considerable expansion in recent years. The short course will help answer some of the many questions from growers.

Time will be set aside, he added, to establish a growers organization if producers choose to do so.

The program begins with registration at 7:30 a.m. in

the Memorial Student Center. Topics to be covered the first day are greenhouse structures, heating and cooling, soil testing and fertilization, soil borne disease control, tomato varieties, growing tomato transplants, and mechanics of caring for plants.

That evening, a dinner is scheduled at the Ramada Inn, followed by a panel discussion on "What I Believe the Future Holds for the Greenhouse Tomato Industry in Texas."

Panel members are J.C. Combs, Dallas tomato repacker; J.F. Hardie, Scientific Farms, San Antonio; N.A. Harville of Tyler, Harville Rose Service; T.J. Lawhon of Lawhon Farms of Cameron.

Subjects the second day are insect control, foliage disease control, relationship of light, temperature and moisture, and harvesting and marketing.

Larsen said the final session will end at noon.

Scroggs-Coates

Vows Read

Wedding vows were exchanged Friday, June 5, at 8:00 p.m. in the Fellowship Baptist Church for Neala Coleen Scroggs and Kenneth Wayne Coates. The bride is the daughter of Mr. and Mrs. Oakes Scroggs and the groom is the son of Mr. and Mrs. Kenneth E. Coates.

The Rev. W. S. Herring officiated at the double ring ceremony. Doris Shields and Bobby Breeden were their attendants.

The couple is at home in the Pierce Apts. in Spearman.

Lesson Given On Forests

The Dahlia Flower Club met June 8 in the home of Mrs. A. F. Loftin.

Mrs. Deta Blodgett gave the lesson on forests.

Attending were Mmes. Garrett Allen, Bob Baley, Deta Blodgett, F. J. Daily, Frank Davis, Charles Gates, Lee McClellan, Hazel Morton and Olin Sheets.

The next meeting will be July 6 in the home of Mrs. Charles Gates.

Mrs. Bob Hohertz and children will leave Thursday morning for Big Springs where they will visit Bob's parents, Mr. and Mrs. Albert Hohertz.

Mr. and Mrs. N. W. Cayton left last Friday for Wheatland, Wyo. where they will visit their son and family, Mr. and Mrs. James Cayton.

Day By Day

Almost every afternoon as we bicycle around, we stop for an ice cream cone at Mary Sparks' little store and find ourselves chatting with Mary for awhile.

It's a little quiet now around the store, since school is out but Mary usually has a little friend or a great-niece or two to keep her company.

In the past few weeks, Mary has made two trips to Amarillo to see her nephews graduate from high school. She says she has a lot of nieces and nephews, but she's managed to see each one of them receive that coveted high school diploma even making trips to California in order not to miss one.

Mary is going with her sister, Mrs. Kiff White and her great-niece, Sue Sloan to California again in a week or so. But, she says she plans if at all possible to be on hand in August when her niece Joyce Sparks receives her college degree from East Texas State College.

Mary is such a pleasant, happy person. It's no wonder all the children, past and present, think of her with their fond memories of grade school days.

I don't know how long Mary and her sister, the late Cora Sparks, have run the little school store but I have heard it was the only place in Spearman where you could at one time buy half a hamburger so I guess it's been there a long time.

Speaking of Joyce Sparks, we sort of hate to see her graduate this August although we, along with her parents, are proud of her receiving her degree in library science in an accelerated three year period.

She has, off and on for three years, lived at the home of my husband's parents and they've come to think of her as almost one of the family. We share rides back and forth, deliver packages and mail, not to mention many other pleasant experiences.

I understand, upon her graduation, that Joyce will accept a position as head of the Borger Library, a distinguished title for a young girl just finishing college.

Mrs. Holt Is Honored With Shower

A bridal shower honoring Mrs. Thomas Michael Holt, nee Katherine Sue Fredricks of Houston, was held Thursday, June 11 in the Hospitality Room of the First State Bank. Hostesses for the occasion were Mmes. Everett Vanderburg, Ray Moore, Phil Jenkins, Madlin Patterson J. R. Stump, Major Lackey, Wesley Garnett, Marvin Jones, Stanley Garnett and Ira Harbour.

The serving table was laid with a white cloth centered with an arrangement of white carnations covered with a dainty white parasol. White tapers in silverholders flanked the centerpiece. Silver and milk glass completed the setting.

Mrs. Ray Slyter of Sharon, Kan., sister of the groom and Miss Linda Holt, cousin of the groom served cake, coffee and tea from the beautifully decorated table.

The guest book was kept by Kathy Jenkins, cousin of the groom. Susan Holt, sister of the groom, assisted the honoree in opening her many gifts.

Miss Kyra Crum is at home and recuperating nicely after surgery at the hospital in Shattuck.

Engagement Announced

Mr. and Mrs. Russell Snelling of 1304 Broadway, Denton announce the engagement and approaching marriage of their daughter, Paula Gwyn to Carl Shane Wilbanks, son of Mrs. C. R. Steddum of Spearman.

He is a May graduate of North Texas State University where she will graduate in January.

Wedding vows will be exchanged August 21 in the First Presbyterian Church of Denton.

Mr. and Mrs. Bob Parris and Mr. and Mrs. Bobby Nollner spent last week in Las Vegas, Nev.

Engagement Told

Mr. and Mrs. Robert L. Parker of Paris, Texas announce the engagement and approaching marriage of their daughter, Miss Lynnda Diane Parker to Samuel Blackmarr Cornelius, son of Mr. and Mrs. Henry Cornelius of Spearman.

The wedding ceremony will be held August 15 at the First Methodist Church in Paris.

Both are students at Texas Technological College in Lubbock, where the bride-elect is a sophomore secretarial administration major and the future bridegroom is a senior education major and a member of the varsity football squad.

Engagement Revealed

Mr. and Mrs. Warren Jeffries announce the engagement and approaching marriage of their daughter, Janie to Joe Bob White, son of Mr. and Mrs. Bob White of Liman, Colo.

The wedding will be solemnized July 12 in the home of the bride's grandmother, Mrs. E. T. Rafferty, Sr. in Gruver.

The bride-elect is a sophomore at Panhandle A&M and is a Gruver High School graduate. The prospective bridegroom graduated from Liman High School and is a senior at Panhandle A&M where he is majoring in business. The couple will live in Arriba, Colo. following the wedding until September when he returns to college.

Bridal Shower Compliments Mrs. Bednarz, Recent Bride

Mrs. David Bednarz of Lubbock, nee Miss Davida Vanderburg, was honoree Friday morning, June 12 at a bridal shower in the hospitality room of the First State Bank. Guests called between the hours of 9:30 and 11 a.m.

The refreshment table was laid with a white net cloth over white and centered with an arrangement of white carnations highlighted with a miniature bride. Crystal and silver appointments completed the setting. Miss Oleta Bednarz of Slaton, sister-in-law of the honoree, and Mrs. I. V. Pierce presided at the table where cake, coffee, golden punch and nuts were served.

The honoree was presented a corsage of white carnations tied with gold ribbons, carrying out her chosen colors. The hostesses also presented corsages of white carnations tied with gold to Mrs. Ellzey Vanderburg, the bride's mother, Mrs. Robert Bednarz, the bridegroom's mother, Mrs. A. W. Mobley and Mrs. Ernest Vanderburg of Pampa, the bride's grandmothers.

Miss Kay Lackey registered

the guests as they arrived. Out of town guests attending included Mmes. Keith Davis and Ernest Vanderburg of Pampa, Moore Jones of Gruver, Robert Bednarz and Oleta of Slaton and Ronnie Rice and Tracy of Canyon.

Hostesses for the courtesy were Mmes. M. D. McLaughlin, H. H. Chevallier, Gordon Parrish, Ned Turner, Tom Allen, Woody Beck, Bob Archer, Roger Odegaard, Ernest Archer, Joe Trayler, I. V. Pierce, Vernon Crooks, C. U. Pope and Olin Sheets.

Mrs. Strawn Hosts Club

Verna Strawn was hostess to the Summer Bridge Club in her home Thursday afternoon.

Betty Brummett had high score.

Refreshments were served to Textie Fisher, Judy Wilmeth, Betty Brummett, Delores Guthrie, Linda Davis and guests Betty Davidson and Barbara McClellan by the hostess.

ORDINANCE #265

Amending ORDINANCE #239 AN ORDINANCE DECLARING THE PERMITTING WEEDS TO GROW A NUISANCE.

SECTION I

It shall be unlawful and is hereby declared a nuisance for any owner or occupant of any lot or parcel of land within the City to allow weeds or tall grass to grow on his premises, or in front or around same, to the established curb line next adjacent thereto, and to the center line of any alleyway next adjacent thereto.

Passed and approved, this the 5th day of September 1961.

ORDINANCE #239

AN ORDINANCE DECLARING THE PERMITTING WEEDS TO GROW A NUISANCE.

SECTION I

That if any person or persons, whether they be owners or tenants, permits weeds to grow up on property within the city limits of Spearman, Texas, without mowing as needed during the growing season, or killing same the same in some manner, they shall be guilty of committing a nuisance.

SECTION II

That any person or persons violating the provisions of this Ordinance shall, upon conviction in the Corporation Court of the City of Spearman, be

fined not less than \$10.00 nor more than \$100.00, and each day that such nuisance shall continue, shall be deemed to constitute a separate offence.

SECTION III

That when any person (or persons) is convicted of violating this ordinance, the Court shall direct such nuisance to be abated or corrected, and should the person or persons so ordered fail or refuse to obey such directions of the Court, the Court shall make an order commanding the Chief of Police to immediately proceed to carry out such order using such means and calling to his aid such assistance as he may deem necessary, and all cost accruing thereby shall be taxed against the person or persons failing to abate or correct said nuisance, and shall be collected as other cost.

Passed and Approved, this the 16th day of May, 1960.

CITY OF SPEARMAN, TEXAS

All persons living in Spearman, Texas are hereby respectfully requested to observe the provisions of the above ordinances.

Mr. and Mrs. Bud King have been in Houston this week where he underwent a medical check-up.

HANSFORD HOSPITAL NEWS

Patients in Hansford Hospital this week are Archa Morse, Peggy Ellsworth, Arvilla Vance, Vern Osborn, Sam Barr, Maude Mathews, Leona Morrison, Myrtle Blodgett and Homer Allen.

Dismissed were Jessie, Jackie and James Gray, Ronnie Carnes, Stewart Allen, Ruth Shelton, Gayla Ruttman, Rhonda Nelson, Ludene Lowry, Kenny and Mike Brown, Vivian Kappel, Wilma Engel, Harriet Close, Josie Hays, Janet Isham, Ray E. Hendricks, Jr., Nancy Prutsman, W.L. Nixon, Dr. Fred Daily, Juanita Herrera and son, and Otto Dockins.

"It is written that man shall not live by bread alone, but by every word of God." Dueteronomy 8:3

Even in this modern world today, bread alone is not enough. A man may achieve fame and great wealth, only to discover something still "missing" in his search for happiness. Whatever his means, the man lives by the words of God is richest of all.

THE MORSE CODE

Larry Kelly, son of Mr. and Mrs. Desmond Kelly of Morse, graduated from the Pasadena Playhouse College of Theatre Arts Sunday, June 14. This thirty-fifth commencement was held in the Playhouse Auditorium in Pasadena, Calif.

Stanley Kelly of North Hollywood, Calif., uncle of Larry's attended the exercises.

Larry plans to work in the drama field this summer.

Mr. and Mrs. Jerald Scribner and family visited with relatives in Fritch Sunday afternoon.

Mrs. Desmond Kelly and Evelyn and Mrs. Roberta Kelly were in Amarillo Thursday for an eye checkup for Roberta Kelly. Evelyn remained in Amarillo for a few days visit with the Jack Dortch family.

Rev. Vance Zinn, pastor of the Baptist Church was taken to the Borger hospital Sunday afternoon suffering a gall bladder attack.

Mr. and Mrs. Herbert Miller of Indiana were guests in the home of Mrs. Pearl Dixon last week.

Mmes. D. M. Womble, Mack Dortch and Jack Johnson, Jr. went to Amarillo Tuesday to visit with Mrs. H. I. Gay, who is in a home there.

Mr. and Mrs. Junior Davis (the former Linda Gillispie) have a new son born last week in a Lubbock hospital. Going to Lubbock over the weekend to see the new baby and also visit the John Gillispies were Mrs. Mary Gillispie, Jack Gillispie, Judy and Bob and Ben Gillispie. Mrs. Jack Gillispie and Dwight have been in Lubbock for a couple of weeks.

Rev. Harold Fleming of the Community church and family will be on vacation next Sunday. They will be at Coleman attending a family reunion. Sunday School will be held as usual, but there will be no other services scheduled at the church Sunday. Rev. Fleming suggests that the congregation take advantage of the opportunity to visit the Baptist and Methodist churches at this time.

The 4-H girls in Morse are busy sewing on their garments which they will enter in the county 4-H dress revue. Miss Linda Webb met with a group at the school Monday to discuss the garments. Attending were Sheryl McCloy, Carolyn Henderson and Becky Fleming. Elaine Kelly met with her Sewing II class Saturday for an all day meeting at which time they almost completed their garments. These girls were Maria Escamilla and Gayle Brothers. Mrs. J. W. Chesser and Mrs. Desmond Kelly are also meeting with clothing classes

David Johnson will be the representative from this area to attend the Citizenship Seminar which is sponsored by the Texas Farm Bureau and will be held at Huntsville at Sam Houston Teachers college in August. The Hutchinson County Farm Bureau will be sponsoring David.

Mrs. Holton of Amarillo is a guest of Mrs. M. W. McCloy this week.

Kathy Burns of Stinnett is spending a few days with Sylvia Parks.

The terrific hail storm between Pringle and Morse last Tuesday did much damage to the crops. Since then farmers have been unable to get back into the fields to see just how much damage really occurred. Some few were beginning to cut again Saturday, but the rain that evening stopped the harvest again.

Dave Kemp of Stinnett has his barber shop open each Monday at the Morse Community Building. Everyone should take advantage of this convenience, so he will have enough business to continue to come here once a week.

Mrs. Lee Jones' son from California is here visiting the Jones family. Carol is planning to return home with her brother and attend beauty school.

Harry Forrester from California has been visiting in the homes of his sister, Mrs. Ella Parks and Mr. and Mrs. Ernest Leib.

Manager Resigns At Retail Credit

Mrs. Willie Mathis has resigned as manager of the Spearman Retail Credit Association.

The directors of the association are now seeking a new manager and applications may be submitted at the bureau office in the Farm Bureau building.

Mrs. Mathis has been manager of the reorganized credit bureau for approximately a year. She will go to work for Horizon Oil and Gas Corp., June 29.

Holt News

Mr. and Mrs. Bruce Fiedler of Raton, N.M. were weekend guests of her parents, the C. W. Kirks.

Mrs. B. C. Holt is visiting her daughters, Mr. and Mrs. Arch Marshall and Mrs. Charles Farrington at Houston.

Mr. and Mrs. Doyle Jackson and family spent several days visiting her brother, Jim Galloway at Canton.

Mr. and Mrs. T. I. Harbour and Mrs. Valie Leflett of Corpus Christi, were Sunday dinner guests of Mr. and Mrs. Leroy Smith of Perryton.

Mr. and Mrs. Marvin Rush and family of Houston were weekend guests of Mr. and Mrs. C. W. Kirk, Mr. and Mrs. Owen Pendergraft and Maude Rosson.

Sunday dinner guests of Mr. and Mrs. Ira Harbour were Mr. and Mrs. Bob Phelps and family of Forgan, Okla., Mr. and Mrs. Dan Jackson. Afternoon callers were Mr. and Mrs. Bill Sloan of Dumas and Mr. and Mrs. Bill Palmer.

Mr. and Mrs. Monty Harbour and sons attended the funeral of their grandmother Winger at Gainesville Thursday, June 11.

The Holt Community got a little over one inch of rain the past week.

MARY MATHIS ATTENDING WICHITA BUSINESS SCHOOL
Mary Mathis, daughter of Mr. and Mrs. Willie Mathis, is attending American Business College in Wichita, Kan. Miss Mathis is a graduate of Spearman High School in this year's class.

Sunday evening guests of Mr. and Mrs. Russell Welch and Jene were Mr. and Mrs. Dale Tietjen of Florida. The families were neighbors when they lived in Nebraska. The Tietjens do custom harvesting.

Mr. and Mrs. H. T. Jones of Lawton, Okla., visited Mr. and Mrs. Jack Kemper over the weekend.

Mrs. Ruby Sims of Opelika, Ala., has been visiting her son and family, Mr. and Mrs. Willie Mathis of Spearman.

Mrs. Everett Greene, Joan and Wanda Sue went to Six Flags and the Wichita Mountains last week. They also visited relatives in Burkburnett where Wanda Sue remained for a 10 day visit.

Mrs. W. R. Underwood of Albuquerque, N.M. spent several days last week visiting her mother, Mrs. Bob Baley. They visited Mr. and Mrs. Edwin Baley and Mr. and Mrs. S. A. Cousins in McLean before Mrs. Underwood returned to her home in Albuquerque.

NOTICE

The Retail Credit Corporation of Spearman

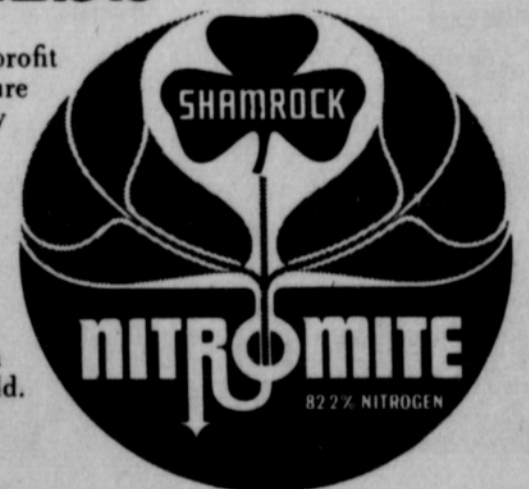

Is now taking applications for a new manager.

Anyone interested should make application at our office in the Farm Bureau Building.

DON'T MISS

If you've got a bead on the biggest profit possible from this year's crop be sure you're loaded for bear. The only way you can be sure you'll get the maximum yield is to be sure your young plants have all the nitrogen they need. If you missed getting a pre-plant of anhydrous ammonia into the land then let us furnish you with Nitromite, Shamrock's anhydrous ammonia, for a quick side dress application. The cost will be just a fraction of the profit from the extra yield. Call or come in soon.

CUT RATE GROCERY

THE WAY I SEE IT

Robert Cordes, Pastor
Oslo Lutheran Church

We hear much preaching about sin. Sometimes it is described as a condition and again as something we do. What is the correct answer? It is both.

Sin is essentially a condition of rebellion against God. This condition exists in the human heart. From this "sin-rebellion" condition comes the acts of sin. Acts are symptoms and expressions of the inner condition of our heart. They are the activities of the soul which are contrary to the mind and character of God.

The real nature of sin is seen in relation to God---His person, His love, His holiness, and His justice. God's law is a revelation of His perfection and His holiness. Sin is violation of God's law. "All wrongdoing is sin." (I John 5:17). "Sin is lawlessness" (I John 3:4). Since sin is rebellion it is an offense against God. Therefore it deserves punishment.

The result of sin is guilt. A man deserves penalty. Sin also has power. It enslaves. It takes control "of the central citadel of a man's being."

The remedy for sin's guilt and power is Jesus. By His atoning death and glorious resurrection forgiveness and release are offered. By faith in Jesus the believer receives freedom from sin's guilt---his sins are forgiven, he is accepted by God as sinless. By faith in Jesus the believer is released from sin's enslaving power---its dominion is broken. "So you also must consider yourselves dead to sin and alive to God in Christ Jesus." (Romans 6:11)

Have you found this release for your condition and sinful acts in Jesus Christ? There is no other way out. This is God's Gospel message of salvation to mankind---so often rejected by our refusal to believe, accept, follow our Savior. You won't refuse, will you? When eternity hangs in the balance?

We invite you to Lutheran services---or elsewhere---to hear of Christ!

4-H Girls Work On Projects

Three 4-H girls met June 9 and 11 in the home of Mrs. John Sell. Janice Trindle, Junior Leader and Mrs. Sell helped Deanna Sheets, Debbie Sell and Patsy Powell with their blouses for the dress review. Each girl will enter a skirt and blouse in the dress review to be held June 26.

Card of Thanks

We would like to thank all our friends for the flowers, cards, long distance calls, visits that we received while Vernie was in the hospital in Amarillo and since returning home. May God bless each of you.

Vernie and Christine Rosson

Andy Rhodes and a group of men from Borger recently returned from a fishing trip to Vermejo Park, N.M. Andy reports they had real good luck and caught their limit each day, some of the trout measuring up to 17 inches.

District Head Instructs Group

The Spearman Rebekah Lodge #290 met Thursday, June 11 at IOOF Hall.

Caro Lee Frantz, Noble Grand, conducted the business session. The devotion was given by the chaplain, Inez Holland.

A school of instruction was given by Mrs. Roberta Moulton, District Deputy President.

Members attending were Caro Lee Frantz, Dorothy Longley, Sylvia Wilcos, Gladys Richardson, Mildred Chamberlain, Inez Holland, Zina Longley, Iva Longley, Corrine Hughes, Ruth Caro, Ina Mae Hughes and two guests, Mrs. Moulton and her husband, Mr. Jesse Moulton of Perryton.

Mr. and Mrs. Orville Latham and children spent the weekend in Wheeler visiting Mr. and Mrs. Bill Wheeler and children. The Wheelers are former teachers in the Spearman schools.

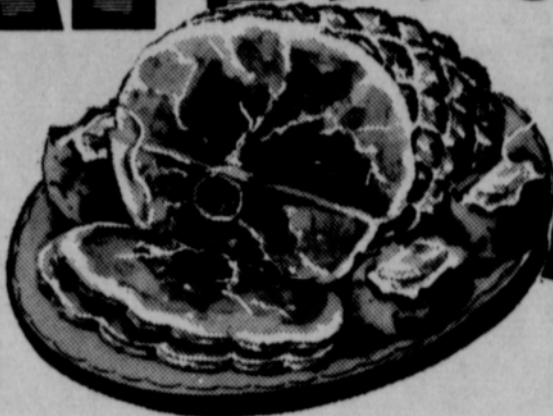

Mr. and Mrs. Jack Colley and children, Jeff and Dana of Midland spent last week with Mrs. Colley's parents, Mr. and Mrs. H.A. Sloan.

Mr. and Mrs. Raymond Row of Phillips visited Saturday evening with his brother W.L. Row and Mrs. Row.

Mr. and Mrs. John R. Miller spent the weekend in Dexter, Kans. visiting relatives and friends.

Sunday evening supper guests of Mr. and Mrs. Guy Remy were Mr. and Mrs. Aaron Ball and Kathy of Pampa.

Park Board Says Improvement Program Is First Step

Spearman's City Parks are going to be cared for and improved if the new all-woman Park Board can get its recommendations carried out. They have taken steps to insure the use of the recommendations.

Monday night the board chairwoman, Mrs. Jimmie Shieldknight, and a member Mrs. Ray Robinson, met with the council to present the recommendations.

The other three members of the board are Mrs. Robert Adamson, Mrs. Brad Beedy and Mrs. James Lair.

GRASS NEEDED--The Spearman Park Board says conditions such as this lack of grass in the Swimming Pool park must be improved.

The recommendations presented to the board were for maintenance and improvement of the appearance of the parks.

Mrs. Shieldknight told the council the parks had to be

made to look good and maintained regularly before any other improvements could be planned.

The women asked that each park be mowed and watered at least once each week. They

said the Glover Park should be watered twice each week because of the new grass seed on it.

Work is to be started on planting trees and grass on the park in Blodgett and Linn addition. Until now the large park area has not been improved.

Park board members said this week there is enough money in the park fund to pay a caretaker during the summer and make improvements.

All persons using city utilities pay a 25 cent per month park fee. This fee was added to give the city funds to improve the parks. This method was decided upon because many people living here do not pay property taxes, but they and their children do use the parks.

The first large outlay of funds was for lights for the Little League Park. This was approximately \$3,000. Later more funds were used for buying playground equipment and tables and benches.

Funds have also been used for caretakers salaries during the summer and also for trees and grass seed.

After the council accepted their recommendations, the board met Tuesday to set up a schedule of work for the caretaker. This schedule sets up the time and days he is to be working in each park and what is to be done.

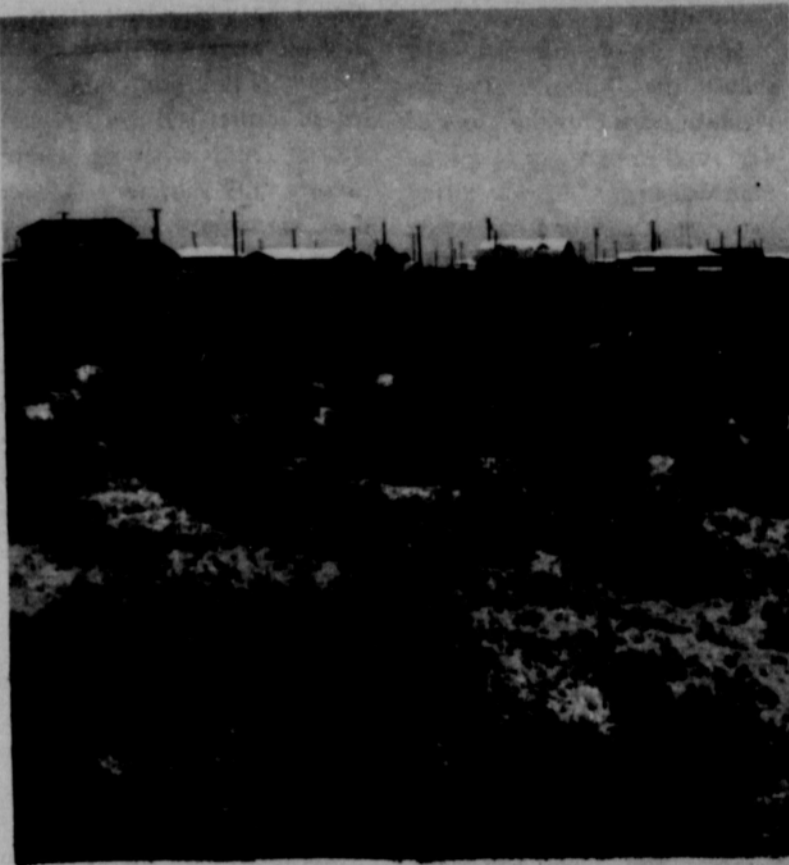

Board members said with this schedule they can keep a check on the caretaker and see if he is doing what is supposed to be carried out.

Mr. and Mrs. M.W. Walker had as guests over the weekend his sister and husband, Mr. and Mrs. Homer Maberry of Costa Mesa, Calif.

There is much improvement needed in the parks, but the schedule is nothing that one man cannot do by working each day, a board member said.

A member of the board said

Tuesday the improvements would be made or she would not serve. "I'm just not going to say I am on the Park Board, when they look like they do now."

TO BE SEED--This weed covered park in the Blodgett-Linn addition is to be seeded to grass and have trees planted in the park improvement program.

Spearman Rexall Drug
 "Three Registered Pharmacists"

PILOT . . . (Continued)

plane went over.

Mrs. Lusby said she heard the plane racing its engine, then the loud bang of the crash.

Roscoe Nelson and Irvin Davis were two of the first to the scene. Nelson was in his pickup crossing the railroad when he saw it hit. He said by the time he got to the quonset, Thompson was sliding down the side of the building. Davis said Thompson got away from the building quickly, because he was afraid of

fire.

The plane was carrying a normal load of spray material when it took off. Pilots who fly from here say there are air pockets in different wind and temperature conditions at that end of the airport because of the many buildings.

It is expected that the wings of the plane will be removed and the body will be lowered inside the barn when it is removed.

It is reported that Thompson took another flight out Monday afternoon.

Condos Give Church Cross

The new lighted cross on top of the Assembly of God Church was built and donated to the church by the Sam Condo family.

Mrs. Condo said this week that the family gave the lighted cross "for the glory of God and in memory of a son, Sam Condo Jr." He was killed two years ago in a car wreck in Illinois.

Joe Condo of Grand Prairie, a son, and Tom Geske of Bell Chase, La., designed, built and installed the cross on top of the church during their vacation recently.

The metal cross is 13 feet tall and nine feet across. It is designed so that it is a cross from all four directions.

Mr. and Mrs. Geske and Mr. and Mrs. Joe Condo have been here on vacation while the men built and erected the cross.

Their children, Sherrie Geske and Nell and Joedy Condo are staying for a visit with their grandparents.

Mrs. Sheets Is Guild Hostess

Mrs. Bruce Sheets was hostess to the Arts & Craft Guild Friday, June 12 in her home.

The afternoon was spent in china painting and refreshments were served to Mes. P.A. Lyon, Joe Trayler, Ned Turner, Bill Russell, Freeman Barkley, C.A. Gibner and guests, Mes. Verna Lee Schnell, John Berry, R.E. Lee, Miss Susan Sheets, Mrs. Bob Lee and daughter Robin of Colorado Springs by the hostess.

The next meeting will be Friday, June 19 in the home of Mrs. Kiff White.

Mrs. J.V. Burdett and children of Lamesa are visiting in the home of her parents, Mr. and Mrs. W.L. Russell.

WAR . . .

(Continued)

city, must be kept in a veterinary clinic for at least 10 days or until released by the veterinary. If the dog is not redeemed by the owner, it will be destroyed by the city. The city then pays the charges.

Mayor Bob Vaughn, who is also hospital administrator, said the small Latin American child is the fourth one to be bitten in the face this year.

One child is having plastic surgery this summer to repair the damage. Another may have to have the same thing and the other two will have scars.

An ordinance requiring people to keep livestock and poultry penned, was also passed. If the owner does not keep them penned, they will be impounded and if not redeemed, they will be sold for costs.

Club Tourney Here Sunday

Members of the Spearman Golf Club will have a tournament on the local course Sunday. The play begins at 1 p. m.

Entry fee is \$1 per player.

There will be prizes given in the Championship, A, B, C, and D flights.

Club officials urge all members to enter the tournament.

Mr. and Mrs. Russell Welch and Jene returned Sunday from a 2 weeks vacation spent in Nebraska. They visited his parents, Mr. and Mrs. S.P. Welch and her father, Milo Garrison, all of Dewitt and with her sister, Mr. and Mrs. L.D. Mead of Hooper, Nebr.

Commander Howard Garnett of Arlington, Va. spent last week with his parents, Mr. and Mrs. B.J. Garnett. He left by plane Tuesday morning to return home.

Mrs. Don Jones and children spent last week at Pampa visiting her parents, Mr. and Mrs. W.R. Morrison and to visit her aunt, Mrs. R.D. Brass of San Angelo, who was a guest in her parents home.

Mrs. Jack McWhirter and Marla went to Graham last Friday to pick up her parents, Mr. and Mrs. H.M. Shedeck, who were members of the wagon train. They returned home Sunday.

Mr. and Mrs. Bob Hohertz and family spent Sunday in Canadian visiting her parents, Mr. and Mrs. Van Petree. Mrs. Petree has just recently returned home after spending 47 days in the hospital.

Mrs. W.E. Bratton entertained her Canasta Club Tuesday afternoon. Those playing and enjoying refreshments were Mes. Ben Maize, J.H. Buchanan, A.W. Mobley, H. W. Bagley and M.E. Jaggem.
