

# THE HANSFORD PLAINSMAN

## Deadline Nears to Report Acreage

"Crop acreage and use must be reported accurately on a field by field basis," Jewel Ward, an official with the Hansford County Agricultural Stabilization and Conservation (ASC) committee, said.

Ward indicated that the importance of farmers making correct reports on their 1978 planted acreage of program crops cannot be overemphasized. It's a requirement for eligibility for commodity loans, target price protection and disaster and emergency program assistance. "The local ASCS office staff helps farmers be accurate by using aerial photographs for marking field boundaries," Ward said. "With these photographs, farmers will be able to identify the fields that are devoted to program crops, set-aside, or diversion. The use of some crops also must be reported."

Final date for making this certification report to ASCS on milo & corn is Aug. 1, 1978. Adjustment of acreages after the final certification date is not permitted, except for certain types of tobacco.

Ward said that if farmers wish still more accurate measurement of acreage, it is available at cost from ASCS. For more information call ASCS, 659-2758.

ASCs programs are open to all eligible persons regardless of race, religion, color, national origin or sex.

## Beauty Shop To Hold Celebration

Those in Spearman wishing to be beautified may have to go down the street a bit from where they are used to going for the process.

Evelyn Kingsley, proprietor of Evelyn's Beauty Shop, has moved her place of business from 215 Main to 107 Main. Kingsley said she had been at the old location for about six and one-half years, but she preferred the smaller place she has moved into.

A celebration for the new location is planned for Monday with coffee, cookies and prizes to be given away.

Kingsley said anyone who visits her shop Monday will be able to sign up for prizes. The open house will begin about 8 a.m. and close after a drawing for the prizes about 5:30 p.m.

She said Ann Huddleston from Snider, Texas will be on hand to help with the Open House. Huddleston is the area supervisor for Merle Norman cosmetics, which Kingsley features.

SUNDAY, JULY 16, 1978

## Carnival Dates Delayed

# Hansford Roundup Plans Finalized

The carnival planned in connection with the Hansford Round-Up will not be in town until about a week after it was originally scheduled because of a misunderstanding between the Hansford Round-Up Association and the carnival company.

During a meeting of the association Thursday night, it was discovered the dates on the contract between the association and Schaefer's Twentieth Century Shows of Dallas was listed as July 31- Aug. 5.

The dates were listed incorrectly as a result of poor communications and the show company will be unable to come to Spearman until July 31 because of a contract with another city for the week of the round-up.

will probably be Aug. 5.

Members of the Moose Lodge #2212 have agreed to sponsor children's games at 1 p.m., July 29 to help celebrate the round-up as part of the entertainment. Games planned by the Lodge will be named next week.

Parade marshal for the round-up was selected at the Thursday night meeting. Jessie Davis will head the parade with treats to be tossed to small children as the parade progresses.

Prizes for the best entries in

the parade include \$100 for first place float, \$75 for the second place float and \$50 for the third place float. The three top winners in the bicycle competition with each receive \$5.

The theme for this year's parade will be "It's A Small World-One Nation, Many Countries". Winners in the parade will be chosen as the parade forms in the parking lot of the Plains Shopping Center and winning entries will be designated before the parade begins.

The parade is scheduled to begin forming about 10 a.m. July 29 with the parade to begin at 10:30. Wysong said the parade will start at the shopping center, proceed down Highway 207 to Kenneth. The procession will go down Kenneth to Main and end in the parking lot north of Main.

The Borger Model Airplane Club is scheduled to display its radio controlled airplanes at the motorcycle track east of the high school at the 500 block of E. 11.

Wysong said the planes will begin flying about 9 a.m. July 29 and will fly all day, weather permitting. There will be no charge to watch the planes. She said members of the airplane club are members of the Academy of Model Aeronautics branch of the Federal Aeronautics Commission.

There will be about 12-15 planes flying and the public is invited, Wysong said.

A barbecue will begin at 11:30 that morning, sponsored by American Ag, who will do the cooking. Cost for the barbecue will be \$3 for each person with pre-school eating free.

Rick Kirk and his band will be featured in a disco dance planned for 8 p.m. to midnight July 28. Charge for the dance will be \$2.50 for each person or \$4 for a couple. The dance is sponsored by the YMCA.

A rodeo dance will be held from 9 p.m. to 1 a.m. Saturday with Rick Kirk and his band featuring mostly country and western music. Charge for the dance will be \$4 for each person or \$7 for each couple.

The Hansford Round-Up Rodeo is scheduled to begin at 8 p.m. Saturday and again at 3 p.m. Sunday. Admission is \$2 for adults, \$1 for children.

## Board Considers School Budget

A budget of almost \$2 million for the 1978-79 school year is being considered by the Spearman Independent School District Board of Trustees in comparison with the 1977-78 budget of about \$1,250,000.

A budget of \$1,910,545 has been discussed at both the regular meeting of the Board of Trustees July 10 and a meeting called July 13 to consider matters not completed at the prior meeting.

The proposed budget is divided into the following categories: Payroll, \$1,181,769; Services, \$188,904; Supplies, \$106,331; Others, \$179,140; Debt, \$191,938; and Capital Outlay, \$62,463.

The Board of Trustees are preparing to file suit for the past due account of Mr. and Mrs. Billy Britt Jarvis. The suit is in reference to an account for transfer fees for their children during the 1976-77 school year.

A building contract was awarded to the Hallmark Builders Co. for the amount of \$94,498 for the construction of a choir and art building. The building will probably be finished before Jan. 1, according to company estimates.

Terry L. Crocker was approved at the July 10 meeting as an assistant girls coach and junior high teacher. Miriam Mercer Superintendent James Cunningham announced at the Monday meeting that July 15 would be the last day anyone could resign to take another position. He said he didn't intend to accept resignations after that date.

Health insurance was discussed at both meetings with considerations to change companies. The board voted to remain with Blue Cross for health coverage.

## Amarillo Doctor Conducts Course

Dr. Naqvi of Northwest Texas Hospital conducted a course at Hansford Hospital in Spearman Friday morning. Several people from Perryton, including Dr. Waide, along with Dr. Kleberger and Dr. Yang, plus members of Hansford Hospital nursing staff were present for the course.

One of points of the course was to show local personnel how to prepare patients for transfer to Amarillo hospitals.

## City To Study Fireworks Problems

A committee to study the use of fireworks and their possible regulation was considered at the City Council meeting Tuesday night.

The council was acting on several citizens' complaints received by the mayor's office concerning small children using fireworks without adult supervision, shooting firecrackers

late at night and shooting fireworks out of car windows. Several proposed regulations

were discussed before the council voted to appoint a committee of four to study the problem and report their findings to the council along with recommended regulations, if any.

Tommy Russell was approved

as the mayor's appointment to the Planning and Zoning Commission, replacing R. L. McClellan. McClellan has decided not to complete his term because of a conflict of interest with his present position as county judge.

Russell will serve on the commission for the remainder of McClellan's term, until January, 1979.

## Police Report

A complaint was received by the Spearman Police Department July 13 in connection with several persons in a fight around Second and Dressen, according to the police report. Police Chief Steve Wisniewski said no one was found when police arrived.

Eddie Clemmons, 712 Steele Drive, reported three juveniles peeping in windows in the neighborhood July 12. Police reported no one was discovered.

Wisniewski said a member of the Perryton Police Department called the Spearman Police Department July 12 and reported a person who possibly had the drugs, speed and marijuana, in his possession. Wisniewski said a search warrant was obtained, but no drugs were found.

John Trimmell of B & T Supplies, 102 W. Kenneth, reported a box of plumbing valves stolen from the place of business July 13. No merchandise has been recovered.

Wisniewski said three officers of the Spearman Police Department have returned after completing a 24-hour course in search and seizure at Frank Phillips College in Borger. Those attending were Sgt. Jimmy Jackson, Officer Greg Gill and Officer Curtis Terry.

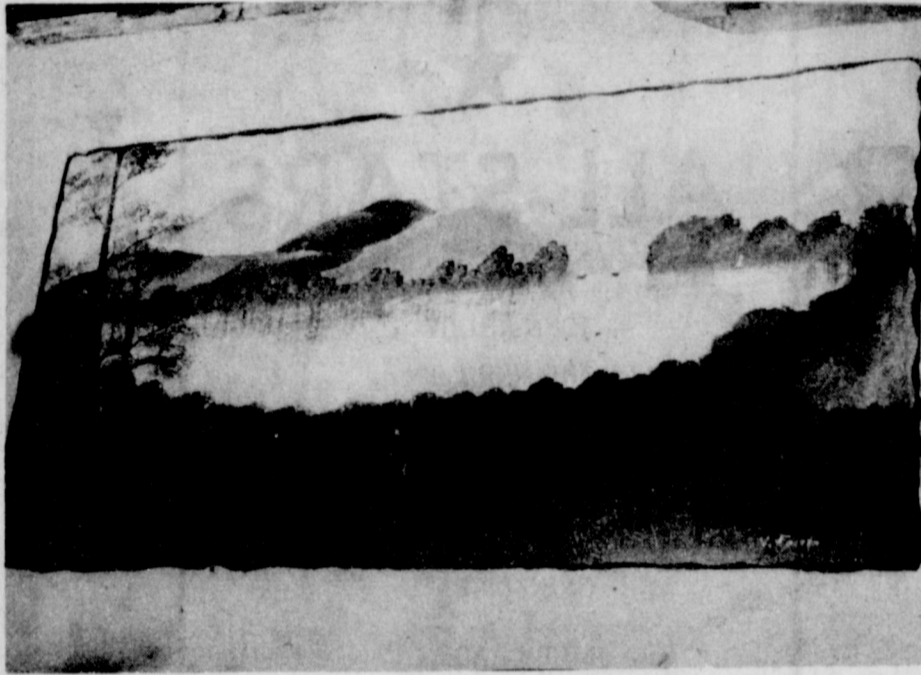

## Stella Thomas Services Held

Memorial services were held at 2:30 p.m. Friday July 15, in the First Baptist Church of Gruver for Mrs. Stella Thomas, 71, of Gruver who died Tuesday. Rev. John Denton, pastor, officiated. Burial was in Gruver Cemetery by Boxwell Brothers Funeral Directors of Spearman.

Mrs. Thomas was born at Gould, Okla., and had been a Gruver resident since 1924. She married Roy Thomas in 1924 at Dodsonville.

She was a member of First Baptist Church, Royal Neighbors Club and Gruver Club Painting Club.

Surviving are her husband; son, R.S. of Amarillo; a daughter, Mrs. Verna Jean Boone of Gruver; two brothers, Elmer Purdue of Gould and Henry Purdue of Hollis, Okla.; a sister, Mrs. Lena Atkin of Amarillo; five grandchildren and five great-grandchildren.

## Mystery Picture....

This picture, painted directly on the wall of the Spearman Hotel, was uncovered recently during remodeling efforts. The mural may have been covered for years, but anyone recognizing the painting or the signature, V. Foster, is urged to contact Charlene Bulls or the Spearman Reporter.

## Hospital Meeting Held at Court House

The regular monthly meeting of the Board of Directors of the Hansford County Hospital District was held at the Courthouse Thursday, July 13th at 7:30 p.m. The meeting was moved to the Courthouse to allow the public seating room to hear the response to questions submitted to the Board on June 8th.

A large crowd was on hand for the meeting and the meeting opened with the agenda reading as follows: Call to order,

reading of minutes, financial report on payment of bills, old business, pending litigation of Dr. Abrams, building committee, report of completed work. This was the report on the new generator installed by Baker & Taylor. The Board agreed to buy a new dishwasher, as the one they are using has quit working. The board voted to not allow any inflammable anesthetics in the operating room, delivery room and emergency

room. The complete text of the question and answer session is printed inside the paper. This newspaper would like to thank everyone who attended the meeting and discussed the hospital program with the Board. And would especially like to thank Max Baggerly who as president of the Board acted as chairperson for the meeting. His consideration of the public and problems facing the board was handled in the most professional and christian manner that your reporter has ever seen or heard. Once again, if we learned anything from our meetings, it was that both the Board and those who took time to attend the meeting have but one objective in mind and that is to have a BETTER HOSPITAL for Hansford County.

## All-Stars to Battle

Spearman Little League All-Stars will match hits with the South Randall County team as the 1978 All-Star District Tournament begins July 17th in Dumas.

The game is scheduled to begin at 8 p.m. with John Kelly, Brian Quimby, Mack McLain, Mark Guthrie, Greg Meek, Billy Haden, Cody Gamblin, Cole Ivy, Mark Pearson, Pat Tucker, Darl Farris, Ross Donahue, Joe Gomez, Jeff Laird, and Earnest Bowen in the line-up.

Alternates selected were Karly Bynum and Ross Bulls.

Other games scheduled to be played July 17 are: Borger vs. Hi-Plains at 6 p.m., Candian vs. Friona at 8 p.m., Fritch vs. Phillips at 6 p.m., North Randall County vs. Bovina at 8 p.m., Dumas vs. Sunray at 6 p.m., Childress vs. Memphis at 6 p.m., and Eastern Panhandle vs. Wellington at 8 p.m.

Games are scheduled to continue July 18 and 24 with play-offs scheduled for July 25.

## Charter Bus To "TEXAS" Planned

Mrs. Viola Graves, agent for Continental Trailways here, announced that the company has 46 seats reserved for "TEXAS" on the evening of August 11. If enough persons are interested in going to the Palo Duro Canyon to see the performance there will be a chartered bus.

Cost of the bus fare and ticket

is \$18.90. This has been an annual event for persons in the area and is a convenient way to see the show.

Anyone wishing a reservation should contact Mrs. Graves, phone 659-3446.

## Markets

WHEAT	\$2.77
MILO	\$3.70
CORN	\$2.42
SOYBEANS	\$9.54

## Hospital

Patients in Hansford Hospital are Chester Mitts, Lawrence Gruver, Emma Lopez, Julie Kile and son, David McMullan, Ricky Dowdy, Mattie Layton, Debbie Cates and daughter, Blanche Taber, Freeman Barkley and Opal Barnes.

Dismissed were Emma Lopez, Willie Vasquez, Jackie Smith, W. W. Cypert, Marietta Davis, Michael David, Ronda Cumpston and Robert Terrazas.

## Lyon Building Begins Construction

Engineers were on site Thursday of this week to begin construction on the new 3400 square foot P. A. Lyon Building located next to the Golden

Spread Center in Spearman. The new building will feature beautiful new offices and a large vault room. Located just South of the

Golden Spread Center, it is situated in an outstanding location for business in Spearman and is just across from the bank parking lot.

Blue prints are available on the building but we do not have a picture as yet. We hope to have a picture in the near future!

## Class of '57 Plans Reunion

The 1957 graduating class of Spearman High School has scheduled a reunion for July 22, 1978.

They invite friends and teachers to gather with them at Martin's Steak Garden in Spearman at 7:00 p.m. for dinner. After eating, they will then gather at the B & B Farm Industries' Meeting Room to visit and "catch up".

"They hope that each of you will plan to attend.

Summer heat doesn't slow the painters as they work on the remodeling of the Home Demonstration Building during the last week.

# Congratulations

## Clean-Up Campaign Planned

The Spearman Chamber of  
Commerce and the City of  
Spearman will have their annual  
Clean-Up Campaign starting  
July 17th through July 21st  
according to Frances Loftin,  
Chairman of the Campaign.  
This years Clean-Up will be  
aimed towards the clean-  
ing of alleys, highway property  
and vacant lots.

Mayor Ralph C. Blodgett has  
proclaimed July 17th through  
July 21st as Clean-Up Spear-

man Week. All residents are  
encouraged to take advantage  
of this week and place their  
trash in the alley. This trash  
will be picked up by the City  
and hauled away. Your full  
cooperation to help keep Spear-  
man clean will be greatly ap-  
preciated. Be proud of your  
community. The only sure way  
to control mosquitos is to keep  
your weeds mowed. Let's all  
work together and have pride in  
our community.

### PROCLAMATION "OFFICIAL CLEANUP WEEK" JULY 17 - 21, 1978

**TO THE CITIZENS OF SPEARMAN, TEXAS:**  
**WHEREAS**, it is of the utmost importance that  
the City of Spearman be slightly and attractive to  
encourage future growth; and

**WHEREAS**, the success of this project would  
depend upon each citizen to participate; and  
**WHEREAS**, it is to the benefit and betterment  
of each citizen to participate in this endeavor;  
**NOW THEREFORE** I, C. Ralph Blodgett,  
Mayor of the City of Spearman, by virtue of the  
authority vested in me, do hereby proclaim the  
week of July 17 - 21, 1978 as

"OFFICIAL CLEANUP WEEK"

for the City of Spearman, Texas, and do  
encourage all citizens to participate.  
**IN WITNESS WHEREOF**, I have hereunto set  
my hand and caused to be affixed, the great seal  
of the City of Spearman, Texas  
**DONE** in City Hall this eleventh day of July,  
nineteen hundred and seventy-eight.  
C. Ralph Blodgett  
Mayor

## Control White Grubs in Lawns

May or June beetles are  
emerging from the soil and  
starting to swarm late in the  
evening. The females are  
laying eggs and the white grub  
worms that hatch will soon be  
feeding on the roots of bermu-  
dagrass and St. Augustine  
grass in home lawns. Once the  
grubs begin feeding, control  
measure should be taken, says  
Garland Stewart, County Agent  
with the Texas Agricultural Ex-  
tension Service.

Treatment time varies with  
the particular area of the state  
and ranges from early July in  
South Texas to mid-August in  
the Panhandle. Homeowners in  
Hansford County will need to  
treat between July 15 to August  
15. Timing of application is  
critical for adequate control.  
White grubs in excessive  
numbers can heavily damage  
lawns, notes Stewart. Check for  
white grubs by cutting a square  
foot section of sod with a shovel  
and examining all of the roots  
and soil to a depth of 4 inches.  
Examine at least one square  
foot of sod for each 1,000 square  
foot of lawn area. Chemical  
treatment is needed if there are  
more than four grubs per  
square foot of sod.  
Diazinon provides adequate  
control and should be used at  
the recommended rates given

on the chemical container label.  
The granular form is easier to  
apply and easier to wash into  
the soil than the liquid or spray  
formulations. After using gran-  
ules, drag the grass with a tow  
sack or water hose to knock the  
granules down to the soil. Then  
apply enough water to soak the  
granules into the soil.

Apply diazinon sprays at the  
rate of 25 gallons of water,  
including the insecticide, per  
1,000 square feet to wash the in-  
secticide into the soil. Wetting  
the lawn before spray applica-  
tion also helps. Always keep  
children and pets off the treated  
lawn until the grass is dry.

The key to white grub control  
in home lawns is proper timing  
of chemical applications and  
getting the insecticide through  
the grass to the root zone where  
the grubs are feeding, empha-  
sizes Stewart.

Further information is provid-  
ed in the Publication, "White  
Grubs in Texas Turfgrass"  
which is available at the County  
Extension office.

The world's largest non-profit  
scientific and educational in-  
stitution is the National Geo-  
graphic Society, founded in  
1888.

### ED WHEELER REAL ESTATE

HOMES-FARM  
COMMERCIAL

813 S. Haney, extra-nice 2 bedroom, stucco,

### Photo Story Contest Held

The 4-H Photography project  
group celebrated the conclusion  
of their project this year with a  
photo story contest, Tuesday,  
July 11 at the Spearman Home  
Demonstration Clubroom.  
Dr. Doug Steger, project  
leader, has worked with a group  
of ten 4-H youth in a series of  
lessons on skills and use of their  
cameras. The youth developed a  
photo story as a part of the  
project and submitted them for  
judging.

Mrs. Cricket Giles judged the  
stories with Stacy Poole of  
Morse placing first, Andrea  
Archer, second, Roger Buchan-  
nan, third, and Rodney Clawson  
of Gruver came in fourth.  
Cookies and punch were ser-  
ved following the judging.

## O'Quin - Avila Vows Exchanged

Miss Molly Lou O'Quin and Roy Sena Avila were married Wednesday, July 12 at 2:00 P.M. in St. Josephs Catholic Church in Amarillo with Father Michael Pintacura officiating. Parents of the bride are Mr. and Mrs. Arthur L. O'Quin of 1312 Mimosa, Amarillo. Mr. Avila is the son of Mr. and Mrs. Joe Avila of 714 Collier, Spearman. Mrs. Kermit D. Heaton, sister of the bride from Plano,

Texas was matron of honor. Attending his brother as best man was Mr. Rudy Sena Avila of Amarillo.

The couple will make their home in Borger, where Mr. Avila is assistant manager of the T.G.&Y.

At the conclusion of the ceremony, the reception was held in the home of the bride's parents.

## Vows Exchanged

Wedding vows were exchanged by Melanie Yoy Yanke and Bob Brent Zimmer at an early afternoon ceremony at the First Baptist Church in Gruver May 28th with Pastor Franklin E. Horne officiating.

The bride is the daughter of Mr. and Mrs. Clarence Yanke, former Gruver residents, now of Sunray and the groom's parents are Mr. and Mrs. Albert Zimmer of Stratford.

The lovely altar scene was flanked by seven-branched candelabra entwined with greenery and decorated with wide white bows. A white kneeling bench centered the altar behind which on the white-laid communion table stood an 18 inch tapered memory candle and two slim white tapers in silver candleholders.

At the piano was Eileen Horne who played "O Worship The King" for the processional; during the service, "Sweet Hour of Prayer"; and "What A Friend We Have In Jesus" for the recessional. Eunice Reitz sang "God, A Woman, and A Man" prior to the processional.

The bride, given in marriage by her father, wore a sleeveless gown designed and created by her mother of white eyelet cotton veil which featured a round neckline with two rows of white eyelet lace edging it, and repeated in a one row edging at the shoulders. The fitted bodice was enhanced at the waist with a long eyelet lace sash tied in a bow at the back. The contoured skirt flared from the hips into a medium-length train with a ruffle and lace inset accenting the bottom of the skirt.

Completing her bridal attire was a wide brim hat, the crown and brim of which was covered with white eyelet accented by a lace band around the crown and a double row of eyelet lace at the edge of the brim. She carried a tear-drop bouquet of peach gladiola and white daisies accented by peach ribbons. She observed all of the bridal traditions of something old, her great grandmother's handkerchief to her blue bridal garter. Serving as maid of honor was Lee Westerfield of Wichita Falls with Mona Miley serving as bridesmaid. Petite Leslie Zimmer, niece of the groom from Keyes, Oklahoma, served as flower girl.

Attending the groom was Pete Wall of Stratford as best man; Ed Reilly of Fort Worth, groomsmen; and Rick Yanke, brother of the bride from Sunray and Bill Zimmer, brother of the groom from Keyes who served as ushers. Bible boy was Shannon Morris, nephew of the groom from Stratford.

Candlelighters were Mike Yanke, brother of the bride from Sunray and Larry Morris, brother-in-law of the groom from Stratford.

The bridal attendants wore long peach cotton voile gowns designed with camille tops, jacketed with shirt-tail ties at

the front and the three-tiered skirts featuring bands of print on the seams. Floppy brim hats of white, banded in peach with large bows at the back completed their costumes. They each carried a single peach-colored mum accented by white ribbons.

For her daughter's wedding, Mrs. Yanke chose a creme colored soft knit designed with long sleeves and the full length skirt held at the waist with elastic gathering. A white daisy corsage accented her costume. The groom's mother wore a blue and green floral print designed with long sleeves and accented waistline. Her costume was accented with a white daisy corsage.

Following the ceremony a reception was held in the Fellowship Hall of the church. The reception table was laid with an exquisite crocheted cloth, made by the groom's grandmother, over a peach colored cloth and centered by a silver candelabra and the bridal bouquet. Punch was served from a crystal bowl. The table setting was highlighted by the bride's cake, a three-tiered banana nut cake with white icing and embellished with peach colored cushion mums, topped by a cluster of three wedding bells. Presiding at the reception table were Andrea Norris, sister of the groom, and Toni McCord.

For traveling, the new Mrs. Zimmer wore a white eyelet sundress fashioned by her mother and featuring tiny tucks at the front and a ruffle at hemline of the mid-length skirt. Upon their return from a honeymoon at Salt Lake City, Utah, the young couple will be at home fifteen miles southwest of Gruver where Mr. Zimmer is associated with Mr. Yanke in farming.

Mrs. Zimmer, who is working at Hansford Hospital this summer, plans to return to Lincoln, Nebraska in the Fall to graduate in May 1979 with a B.S. in nursing. Mr. Zimmer attended the Texas Christian University Ranch Management Program from August 1976 to May 1977.

Out-of-town guests included Mr. and Mrs. Albert Zimmer, Mr. and Mrs. David Brown, Janet and Karen Peyer, Mr. and Mrs. Stanley Peyer, Mr. and Mrs. Larry Norris, Mr. and Mrs. George Oakley, all of Stratford; Willienell Haynes, Mr. and Mrs. Robert Haynes, Mr. and Mrs. John Zimmer, Mark and Susan Zimmer, Mr. and Mrs. Bob Brandt and boys, Mr. and Mrs. Craig McKisson, Mr. and Mrs. Vernon Yanke, and Netty Phillips, all from Amarillo.

Attending from Tucumcari, New Mexico were Mr. and Mrs. Nick Brandt and from Fort Worth, Mr. and Mrs. Mel Carpenter, Mr. and Mrs. Ed Reilly and Eunice Reitz. From Spearman came Pastor and Mrs. Franklin Horne, Marilyn Lincoln, and Mr. and Mrs. Mack

McCormack; and from Sunray, Mr. and Mrs. Rick Yanke and Mr. and Mrs. Clarence Yanke.

Also attending was Emily Meier, Logan, Oklahoma; Mr. and Mrs. Albert Yanke, Satanta, Kansas; Mr. and Mrs. Robert Yanke, Guymon, Oklahoma; Mr. and Mrs. Lawrence Smith, Perryton, Denise and Michelle Laubhan, and Bertha Laubhan, of Follett; Mr. and Mrs. George Stephenson, Texoma; Mr. and Mrs. Bill Zimmer, Keyes, Oklahoma; Fern Bellah, Canyon; Jaycene Bellah, Lubbock; and Mona Miley,

Wichita Falls.

Among the lovely pre-nuptial affairs was the 1:00 P.M. bridal luncheon tendered Melanie and the wedding party at the home of the Paul Westerfields May 27th. Centering the beautifully appointed table was a pineapple entwined with honeysuckle, a symbol of best wishes and good luck.

Enjoying the delightful menu of gazpacho, salads and crepes brazil were the honored guests, Mrs. Clarence Yanke, Mrs. Albert Zimmer, Mona Miley, Lee Westerfield, and Mrs. Paul Westerfield.

## Baby Shower Honors Mrs. Beedy

A baby shower was held July 8 from 2 to 4 p.m. in the home of Mrs. Bert Sheppard honoring Michele Schumann Beedy. Hostesses were Janyth Lackey, Debbie Benton, Kim White, Margie Fite, Jayne Godfrey, Beth Lesly, Kelly Harper.

The serving table was laid with a beige lace tablecloth and centered with an arrangement of spring flowers in a honeycomb vase. Refreshments of pink and blue decorated cake,

punch and coffee were served by Mrs. Kim White, Janyth Lackey and Jayne Godfrey. The cake was made by the honoree's sister, Mrs. Vernon Pipkin.

The honoree was presented a corsage of yellow carnations. Special guest was Mrs. D. L. Schumann, mother of the honoree.

"Little minds are wounded by the smallest things." La Rochefoucauld

## HANSFORD HOSPITAL

QUESTIONS ENTERTAINED AT JUNE 8, 1978 BOARD MEETING

1. Mr. George Cook: In the minutes that were read a few minutes ago, you indicated that Dr. Thu's percentage at the Gruver Clinic was raised from 90 to 95% and this action apparently was taken at the last Board Meeting, after the meeting was re-opened to the public. The question I have is, why it appears in the financial statement for the month of April that Dr. Thu received 95%? Was this a retroactive raise that was made before the Board's approval, or is this a clerical error involved in record-keeping?

Answer: Dr. Thu's agreement was for a one year period. This year expired the 24th of November 1977. We had renegotiated this agreement with Dr. Thu to his satisfaction, we only wished to ratify our decision by formally re-stating the agreement. This is a part of the Gruver Clinic Operation. We made the motion only to record the transaction, we could have left the agreement as a personnel item.

2. Mr. George Cook: Several months ago, a new incinerator was purchased to meet requirements. (As stated in the minutes) I would like to find out what requirements the old incinerator did not meet and find out what those requirements were and if the - and I assume the new incinerator does meet those requirements.

Answer: The old incinerator did not have an after burner and one could not be added satisfactorily. The new incinerator does meet specifications as required by Public Law, Title 18, pp 405.1022B.

3. Mr. George Cook: I visited with a Doctor in another part of the country this last week several times. He indicated to me that he had made two inquiries over the telephone about moving to Spearman. He had visited with Administrator of the Hospital apparently and his comment was that the second time he called he was told that the Administrator would be leaving and he would have to talk to the new Administrator when he got here and I would like to find out what the background behind that bit of information is.

Answer: Since the Doctor's name is not available, the Board does not deem it necessary to answer this question. However, at no time has any prospective Doctor been advised to contact a new Administrator.

4. Mr. George Cook: Clerical error - Percentage of occupancy figure March Statistical Report: How, since April was below the previous 3 months Year to Date figures, the Year to Date could have increased in all 3 of those categories - the percent of occupancy, average daily census, and average length of stay? I feel there was a clerical error after visiting with various people in the office, and I was just wondering if this has been corrected to reflect a true figure for this month's statistical report?

Answer: The percentage of occupancy figure was typographical error and was pointed out at the previous meeting as being wrong. The error was and is corrected on the reports.

5. Mr. George Cook: Why was the location of a group of Doctors incorrectly stated at the last Board Meeting?

Answer: The name of the town was changed for the protection of the Physician and his location. This information should have been held and discussed in Executive Session and in the future will be handled in this way.

6. Carol Hergert: Would you, Mr. Taylor, answer the question - How many patients per day must this hospital have in order to meet the daily budget?

Answer: The breakeven point for a hospital depends on the patient mix and the various treatments ordered. There is no set occupancy figure to give a breakeven point. Our best estimate would be 14 to 15 patients per day average.

7. Carol Hergert: Has any Board Member, of this hospital approached Dr. Philips to find out what his reasons for leaving are, or if there was anything that could be done?

Answer: No. The Board of Directors were never officially advised that Dr. Philips was leaving, neither was a letter of resignation tendered to the Medical Staff.

8. Sue Wooley: I was wondering if you asked prospective Doctors that are interested in coming here what their reasons for not coming are? As a community, what can we do to encourage them to come? And I want to find out if you ask them to send you a letter or tell you on the telephone why they won't come here and why other communities get them so readily?

Answer: Yes. The reasons some do not come are:

1. Geographical location
2. Size of the community
3. Financial opportunity
4. Lack of professional opportunity

Other communities do not get Doctors easily, particularly communities of this size.

The Board does not have a specific recommendation for the communities efforts in Physician recruitment.

## Presbyterian Church News

There will be no outdoor service and family picnic and recreation today because of oppressive heat and the aerial spraying for grasshoppers. Instead, you will find an interesting, well-prepared, practical Bible study at 9:45 a.m. with a friendly teacher, ready and willing to help you answer questions about life and the Bible. The Wylie Adult class will be happy to have Carter McKerny back in the saddle this Sunday.

"Good and Evil Grow Side by Side in this World" will be the subject of Paster Edward D. Freeman's sermon at the service for the public worship of God at 11 a.m.

The Golden Spread Club, for all persons 55 years of age or older, will have a pot-luck supper and social evening at 6:30 p.m., Tuesday, July 18 at the Home Demonstration Clubhouse.

Presbyterian Women of the Church will meet at 9:30 a.m. on Wednesday, July 19, at the church. Mary Cornelius will be the hostess. Dorothy Baggerly

will lead devotions and the Bible study on "The Replacement, Esther."

You will find a warm, Christian welcome in a comfortable, air-conditioned church when you attend any of the services or activities for the First Presbyterian Church.

## David McMullan In Local Hospital

David McMullan is now in Hansford Hospital. His parents, Mr. and Mrs. Jack McMullan, ask that friends not send flowers to David, but are asked to give donations to their favorite charity or the American Cancer Society.

Cock-a-leekie soup, made with leek, is the Scottish national soup.

# Pool Family Reunion Held

The Pool's had their family reunion over the 4th of July weekend. Everyone met at the home of Mr. and Mrs. Bill Swan then gathered at the Home Demonstration Building for the noon and evening meals. Games and visiting was enjoyed by all. Some guitar playing and singing was also part of the festivities.

Those present were: Mr. and Mrs. J. M. Pool, Checotah, Oklahoma; Mr. and Mrs. Gail Bruce and daughters, Checotah, Oklahoma; Mr. and Mrs. Bill Isaacs and grandchildren, Midwest City, Oklahoma; Mr. and Mrs. Glen Buck, Amarillo; Mr. and Mrs. Jerry Irwin, Shannon and Mandy, Moore, Oklahoma; Mrs. Micheal Forrest, Shane and Shelly, Moore, Oklahoma; Mrs. Opal Phillips, Oklahoma City, Oklahoma; Jerry Tension and son; Brownfield, Texas; Carolyn Tension, Ft. Worth, Texas; Mr. and Mrs. Wayne Tension, Dallas, Tex.; Mrs. Monnie Jackson, Dickens, Texas; Mr. and Mrs. Jackie Pool, Shreveport, La.; Mr. and Mrs. Donnie Pool and children, Higgins, Texas; Mrs. Glenda Ujhely (Swan) Carey and Wade, San Antonio, Texas; Mr. and Mrs. Eddie Pool and son, Higgins; Mr. and Mrs. Dale Ryle and children, Grand Prairie, Texas; Mr. and Mrs. David Swan, Lance and Landon, Spearman; Mr. and Mrs. Ed

Pool, Mike and Ricky, Higgins, also with them was Cheryl Starbuck from Shattuck, Oklahoma; Mr. and Mrs. Ronald Swan and children, Spearman; Mr. and Mrs. Robert Pool and children, Hobbs, N. M.; Mr. and Mrs. Teddy Pool and children, Higgins, Texas; Mr. and Mrs. Bill Swan, Spearman; Anthony Pool, Odessa, Texas; Mr. and Mrs. Otho Pool and Kenny, Perryton, Texas; Mr. Gary Pool, Canyon, Texas; Mr. and Mrs. Roy Pipkin and daughter, Spearman; Randy Pool, Spearman; Greg Darby, Hobbs, N. M.; John Evans, Hobbs, N. M.; Mrs. Kathy Pamplin and Kelli, Dumas, Texas.

Also visiting was Mrs. E. A. Greever, Spearman; Mr. and Mrs. Tom Sutton and Darlene, Spearman; Mr. and Mrs. Reginald Robertson, Spearman; Mr. and Mrs. James Riley, Spearman; Callie Ruth (Riley) Lasher, Phoenix, Ariz.; Betty (Riley) Davis, Beaver, Okla.; Mr. and Mrs. Irwin Delk, Spearman; Curley and Twila Davis, Spearman. A total count of 104 attended the reunion.

Some people once believed they could make it rain by putting crabs in a pot of water.

## Peggy's Pointers

Coupons refunds may seem like small change after paying for groceries...but the refunds can add to significant savings if you clip and save carefully. Save money by redeeming coupons on products you normally use, but don't buy unneeded items just because the coupon makes them cheaper. (If your children are to the point of what can I do? give them the magazines and scissors to clip those "money-off" coupons.)

**PRESSURE CANNERS** - Now is a good time to get your

canner ready-before you're ready to use it! Take off removable petcock and safety valves and wash and dry thoroughly. Soak in vinegar to remove any corrosion. Use a toothpick or pipe cleaner to clean openings on lid of canner.

Wash canner, using fine steel wool if necessary, to get it clean. If there are odors or stains, make a mixture of 2 T. vinegar, juice of one lemon and 2 quarts water. Process at 5 pounds pressure for 5 minutes. Using vegetable oil, grease the closing surfaces of metal-to-metal sealing canners, if the lid is hard to remove or if steam escapes.

Check the rubber gasket and replace it if it has hardened. If your canner has a weighted gauge (most new canners do), clean it thoroughly with detergent and water and dry.

For AUTO REPAIRS, ask for a written, itemized list of all parts, labor and other charges-along with the bill. Also ask to have replaced parts returned to you.

**NO-COST ENERGY SAVING:** Clean the air conditioner filter frequently; Close the fireplace damper tight and seal off the firebox opening; Turn off the furnace's pilot and gas supply to gas heating system; Turn up the thermostat to the highest comfortable setting. Each increase of one degree saves three to five percent of energy

used; Keep drapes, shades and blinds closed to keep direct sun out. This can reduce heat gain up to 50 percent. Turn off the "instant on" feature on television sets; Open doors and refrigerator and freezer doors and briefly as possible; Change color scheme of accessories in home decor from dark warm colors to cool colors.

Clothing that will "grow with" a child is better than clothing he must "grow into". Select features such as adjustable straps, deep hems and stretch fabrics.

## Bridge Clubs

Thursday Dessert Bridge Club met Thursday, July 6 in the home of Mrs. Albert Clark.

High score was won by Mrs. Jackie Pearson; low score, Mrs. Mary Lou Mathews; and traveling prize, Mrs. Sonya Godfrey. Delicious refreshments were enjoyed by members. Mesdames: Albert Clark, Tom Latta, Dick Countiss, Jack Lasater, Bob Pearson, Ted Godfrey, Steve Mathews, and guest Mrs. Chalmers Porter.

The next meeting will be August 3 in the home of Mrs. Steve Mathews.

Meeting Tuesday, July 11 in the home of Mrs. Max Baggerly was the Short Bridge Club.

High score was won by Mrs. Elizabeth Holton; second high, Mrs. Kathleen Sutton; and traveling prize, Mrs. Dorothy Faye Baggerly.

Those present were members, Mesdames: C. A. Ellison, Woody Gibner, Herb Butt, Garland Head, Richard Holton, Bob Skinner, Tom Sutton, and Max Baggerly.

The next meeting will be July 25 in the home of Mrs. Tom Sutton.

# Red Cross Bloodmobile Here July 27

Make your plans now to give a bit of blood-say a pint-July 27th when the American Red Cross Bloodmobile will visit

## HELLO WORLD

Mr. & Mrs. Lyndell Schiffner (former Gwenna Wilson of Waka) of Liberal announce the arrival of Bridgett Lynn, 7 lbs. 15 oz. born June 24, 1978 at Southwest Medical Center in Liberal, Kansas.

Grandparents are Mr. and Mrs. David L. Wilson, Waka, Texas and Mr. and Mrs. Paul Schiffner, Beeler, Kansas. Great Grandparents are Mr. and Mrs. John Allen, Spearman, Texas; Mrs. Lois Wilson, Cheyenne, Oklahoma; and Mrs. Helen Eckles, Fort Worth, Texas. Great, Great Grandmother is Mrs. Jeannett Thompson, Van Nuys, California.

Bridgett is the first grandchild of the Wilson's and the first great grandchild of the John Allens and Mrs. Wilson.

The Fritch Veterinary Clinic wishes to announce the association of a new partner, Tyrone Douglas Lee. His certificate of membership was received Thursday, July 6, 1978 at 2:35 p.m. weighing 6 pounds 11 1/4 oz., standing 18 1/4 inches high at North Plains Hospital in Borger.

His qualifications were readily approved by his owners, Jock and Jyniece Lee; a sister, Kara, 3 years old, all of Fritch. Maternal grandparents are Mr. and Mrs. E. J. Callaway, Jr. and paternal grandparents, Mr. and Mrs. Johnnie C. Lee, all of Spearman. Great grandparents include Mrs. E. J. Callaway, Sr. and Mrs. Fred J. Hoskins of Spearman; Mrs. Roy Hogan of Muleshoe and Mr. J. B. Lee of Gruver.

Hansford County, setting up at the Parish Hall of the Sacred Heart Catholic Church from 10:00 A.M. to 3:30 P.M.

Time reservations may be made by calling in Spearman, Hazel Stumpf, 659-2109, or Susan Delk, 659-2917; and in Gruver, Mrs. W. L. Maupin, 733-2564, Mrs. Bob Crawford, 733-2740, or Mrs. Dave Arrington, 733-2983.

The American Red Cross always needs a steady supply of blood donors but never so very much as during summer months and the winter holiday season. The summer of 1978 is no exception since a certain number of highway, boating, camping, and household accidents are predictable.

The Wichita Regional Red Cross Blood Program is campaigning this summer for the "Rare Bird"--that's an extra thoughtful person who will take time from a busy summer schedule of work and play to donate blood. The Red Cross is hoping to attract "Rare Birds" in large numbers.

Chances are that you will never know the recipient of your blood, but you can bet your tail feathers that that person is in some really physical trouble. The procedure for donating blood is quick and harmless--the entire process taking usually less than an hour--including enjoying refreshments following.

Certainly giving blood is nothing particular to crow about but somehow you can strut a bit livelier afterwards--knowing that you may be saving a life.

Hopefully you will never have to get any of the blood but be sure that someone who needs it will get it by giving yours July 27th!

Call your Red Cross Bloodmobile scheduler today and set up a time to become a Rare Bird!

## Hansford Lodge News

Hansford Lodge #1040 A.F.&A.M. met Monday, July 10 at the Hansford Lodge Hall for a regular meeting.

Members present made more plans for their installation of officers to be held on Saturday, July 15 at the Lodge Hall. The meal will be served at 7 p.m. with installation of officers following at 8 p.m.

Those to be installed are: Worshipful Master, Dwayne Smith; Senior Warden, Don Wirsdorfer; Junior Warden, Rick Riggins; Treasurer, Roy Lee McClellan; Secretary, Cecil Batton; Senior Deacon, Cecil Biggers; Junior Deacon, David Burnett; Chaplain, John R. Colard, Jr.; Senior Steward, Jack Whitson; and Tiler, Dick Hudson.

All Master Masons and their families are urged to attend this meeting.

The next regular meeting will be July 24.

## Spearman Spinners To Meet

### HAVE FUN

### SQUARE DANCE

The Spearman Spinners Square Dance Club will have a Dance the 20th of July at the County Barn in Spearman at 8:00 P.M.

Mr. Paul Lopez will be caller at this gala event. All square dancers are invited and the public is invited to come and watch. Come one, come all!

9. Lila Hergert: Why does the Doctor and R.N.'s that quit say it's a personality conflict and why are there so many personality conflicts with Doctors, nurses and the Administrator?

Answer: The personnel turn over at Hansford Hospital is lower than most hospitals. Those who have left have done so for their own reasons. Specific cases cannot be discussed publicly.

10. Mr. George Cook: Why was I told that the phone bills several days ago were involved in litigation and were to be withheld from the public. This evening this information has apparently been opened to the public. I'd like an explanation of why it was denied to me the last 2 weeks and suddenly it's made available?

Answer: The telephone bills and other information were reviewed by our Attorney's and they advised that that information could now be made available.

11. Rick Riggins: I was just wondering if it was necessary for when some Doctors come in on their own expenses, if it's the county's duty to go and bring some Doctors in at county expense?

Answer: It is the desire of the Board of Directors to encourage Doctors to locate here. Financial assistance is certainly considered when deemed necessary.

12. Mr. George Cook: Could you give us the Section Number of the Open Meeting Law that prevents the Board from answering these questions tonight?

- Answer: Article 62-52-17 3A(a)
- A. Written notice of the date, hour, place and subject of each meeting held by a governmental body shall be given before the meeting as prescribed by this section.
  - B. Any deliberation, discussion, or decision with respect to the subject about which inquiry was made shall be limited to a proposal to place such subject on the agenda for a subsequent meeting of such governmental body for which notice has been provided.

13. Carol Hergert: Do we have any right to see public display or actual documentation of licenses concerning Medical personnel?

Answer: Yes: Licenses are recorded at the County Clerk's office and are Public Record at the State Licensure Bureau. They may be displayed by the Licensee at his own discretion.

14. Mickey Cook: Does the Hospital have anesthesia coverage at present?

Answer: Yes, Hansford Hospital does have coverage with back-up agreements.

15. Donnie Hergert: When is the Hospital going to start being run like a business?

Answer: The Hospital is designed as a non-profit organization. Federal and State regulations present additional economic problems.

What do you feel this year we can do to offset the net loss that we had last year?

- Answer:
1. Better collection on Accounts Receivable
  2. Higher patient census
  3. Wider scope of services

What can we do to get the Hospital running like a business?

Answer: The Hospital is operating in accordance with accepted practices in Hospitals of like size and ownership.

16. Donnie Hergert: What good does it do to get Doctors if they run them off?

Answer: One Doctor has left this Hospital District to enter into private practice while the present Administration and other Doctors left to further their medical education.

You're Invited to an

# Open House

Evelyn will open her doors at 8 a.m. Monday and invites all her friends and neighbors to help her celebrate the new location of her shop with

**Coffee Cookies and Prizes**

**New Location at 107 Main!**

A drawing for prizes will be held about 5:30 p.m. There is no need to be present to win! Everyone who visits Evelyn Monday will be eligible for prizes!!!

**Don't Miss It!**

### Stocking Fish in Ponds Provides Excellent Recreation

Recreation Potential On Private Lands

When most people in the Panhandle think of recreation they think in terms of a skiing trip to the mountains of Colorado or New Mexico; camping trips to one of the National Parks; or just a night out in a big city like Amarillo. Opportunity for recreation, however, is also available right here in Hansford County. Although commercial type recreation facilities are limited throughout the county, the establishment of private recreation developments is available to almost every landowner. Two areas of recreation which

are easily established and maintained are hunting and fishing. If properly managed, tailwater pits can serve the recreation needs of family and friends as excellent fishing places.

Stock ponds which are scattered throughout the rangeland in the county also provide good fishing if properly stocked and managed.

Hunting is a major recreation activity throughout the county. Here in Hansford County this form of recreation has a high potential due to the abundance of pheasant.

By leaving the crop residues standing as long as possible after harvest and leaving some brush and weeds around tailwater pits, fence rows and equipment lots we can provide food and cover for small game animals such as pheasant.

These are just two ways private landowners can develop recreation opportunities on their land with very little expense or labor.

The Soil Conservation Service in Spearman would be happy to assist anyone in developing the recreation opportu-

ities which exist on their farm or ranch. Recreation, in the form of hunting or fishing, is not only good for the people, its good for the land.

### "Chimera" is a Success

"Chimera" has been a monstrous success this summer at Hansford County Library. Boys and girls in the Summer Reading Program have been busy delving into the Chimera Bin at the library and retrieving books on fantasy, science fiction, mysterious monsters and other fun and spooky themes.

The runaway "Best Sellers" among the young set has been "The Star Wars Storybook". The library has three copies of this book, and they are constantly checked out. Books about Bigfoot, UFO's, the Abominable Snowman, and Loch Ness Monster have also been very popular.

The Tuesday morning films have been well-attended. On Tuesday, July 11, prior to the

film showing, Paul Welch presented a very animated reading of the story, "The Sorcerer's Apprentice".

Kelly Davis, who is assistant at the library this summer, and Paul Welch are currently helping several boys and girls produce a puppet show that will be presented at the Summer Reading Program's Party-in-the-Park on Tues., July 25 at 10:00 A.M. Our young puppeteers are Doug Murrow, Michelle Graham, Mari Jayne Schaffer, Bobie Shaw, and Lynette Williams.

The last Chimera film showing will be Tues., July 18. "Bear Country" and a cartoon package will be shown at that time.

In northern England it was once considered unlucky to leave the house on the first day of the new year until someone else had come in.

### Home Food Preservation Clinic Planned

Planning a big harvest from your fruit trees and home garden? If so, you may have questions concerning procedure, safety, quality, good seals and spoilage.

A Home Food Preservation Clinic is planned for you Thursday, July 20, at 1:30 p.m. in the Spearman Home Demonstration Clubroom, according to County Extension Agent Peggy Winegarner.

If some of your home canned products have obvious problems, bring the jar and contents with you and find out causes for the problems.

Publications on canning, freezing, drying, jellies, jams and preserves will be available. Bring the lid for your pressure canner if you would like to have the steam gauge tested.

Educational programs conducted by the Texas Agricultural Extension Service serve people of all ages regardless of socioeconomic level, race, color, sex, religion or national origin.

### Insurance Corner TAKEOVER POLICIES

People often ask questions involving the transference or takeover of insurance on properties. The question usually goes like this: "If I sell my building to another person can I just let him take over the insurance by 'giving' him the policy...won't he just get 'automatic' coverage when the sale is completed?"

Before we answer that question, let's consider a few definitions. You might find some of these rather surprising! When a person takes out a fire insurance policy on a building, it technically is NOT the building that is insured! It is the person who owns the building that is insured. This is because he has interest in a financial nature in the property--after all, he did buy and pay (or is

paying) for it! It is because of that financial interest that HE is considered the one covered. Therefore, the answer to the above question is ONLY with the knowledge and consent of the insurance company can he assign his interest in a policy to someone else. He, the owner, is the one that's insured, and there must be agreement on the company's part before they'll insure someone else. This information has been brought to you as a public service by John R. Collard, Jr., your one stop answer to complete business and personal insurance protection. Life, home, auto, group insurance, and profit-sharing plans. See John R. Collard, Jr., 405 Davis St., Telephone 659-2501.

### Prayer Seminar is Planned

Believing that personal prayer not only can be learned but is a force that actually changes history, World Literature Crusade of Los Angeles, California, is sponsoring a Change the World School of Prayer in Spearman, Texas, September 11-13, 1978.

According to Dr. Jack McAlister, founder and President of World Literature Crusade, the Change the World School of Prayer was developed for the purpose of showing Christians exactly how prayer has played a significant roll in world evangelism and how they can become involved in actual prayer for over two hundred countries around the world.

The Reverend McAlister explains, "At the present time in world history, human rights is a key issue in the spread of Christianity. A recent survey by a major research organization indicates that only sixty nations in the world have true freedom of speech and press as we know it. Many nations will not allow a systematic, door to door presentation of the message of Jesus Christ, which is the essence of our worldwide work."

Mr. McAlister adds, "At World Literature Crusade we have seen a marked increase in our effectiveness around the world as we enlist a greater number of people to pray for this interdenominational effort. Countries with strict laws prohibiting the door to door distribution of literature have suddenly rescinded these laws within weeks of our effort to mobilize thousands of people to pray about these issues. The purpose of our new prayer training seminar is to teach more Christians Biblical secrets concerning this kind of prayer."

Featuring a discussion of forty-three different aspects of a practical prayer life, shared in seven unique lectures, the Change the World School of Prayer is being recognized as one of the most comprehensive seminars on the subject of prayer available in seminar form. It is interdenominational, and since its inception, over fifty denominations have been represented. "Everyone who registers and attends," relates Dr. McAlister, "receives a 232-page manual in a special binder, which is used during the lectures. The manual includes insights from over one hundred different authors."

A special tuition fee of \$25 is charged for the seminar, although the fee is reduced \$5 for those who register seven days in advance. However, this price is reduced to \$15 for all who register by group registration through their local church before actual time of the School. All additional family members attend for only \$10 each. For example, a father pays \$15, his wife and two children pay \$10 each, for a total of \$45 for the entire family. All members receive a manual. Participants also receive a special supplement to their manual every three months (four times a year).

The Change the World School of Prayer for the Spearman area will be held from 6:30 p.m. to 9:30 p.m. on Monday, September 11, and from 7:00 to 9:45 p.m. on Tuesday and Wednesday, September 12 and 13. The location for the seminar is the First Christian Church, 29 S. Bernice. Persons with questions or interested in registering should call the Rev. Edward D. Freeman, 2059 or 2033, or write box 295. Or they may call Bob Boxwell, 3802 or 3450. Only one variety of mushroom is grown commercially in the U.S. It can range from dark brown to pure white. Differences are negligible, but the darker ones are firmer, better for skewering, less easily bruised and--some believe--more flavorful.
