Cotton Harvest Goes Into Full Swing

Showboat Features All-Star Cast

Annual Presentation Scheduled Monday

Several local law enforcement officials, including city, county and state officers, have attended the two-day police convention hosted in Clovis on Wednesday and Thursday.

Law enforcement officers from throughout New Mexico and West Texas attended the workshops and study sessions.

Mr. and Mrs. Eddie Faust plan the grand opening of Faust Stamp Shop in Monterey Center in Lubbock Tuesday.

The Fausts will be living in Muleshoe until their home is sold, at which time they will move to Lubbock. Faust is commuting to Lubbock at the present time.

Mr. and Mrs. Buck Creamer and Joyce Raney have returned to Muleshoe from Cozad, Nebraska where they attended the wedding of Jan Creamer and John Schneider last Sunday.

County Judge Accepts Check From Refuge

Muleshoe National Wildlife Refuge Manager Bert E. Blair Jr., presented County Judge Don Chak with a check for \$1,764 Thursday afternoon.

This presentation was made after the regular meeting of the Bailey County Commissioners Court on Monday. The payment represents the county's share of revenue generated from the Muleshoe National Wildlife Refuge and is figured on the adjusted cost of the acquired lands within the refuge.

According to Blair, this is the fifth payment to the county under Public Law 88-523, which set up the procedure now in use for distribution of revenue from the refuge receipts.

The law further states and specifies that funds paid to the county under this act must be used for schools and/or roads. The commissioners voted to split the money in the following manner: County Road and Bridge Fund, \$382; Muleshoe Public Schools, \$442; and \$220 each to the Bula and Three Way Independent School Districts.

CHECK PRESENTATION TO COUNTY--Muleshoe National Wildlife Refuge Manager Bert Blair, left, presents a check in the amount of \$1,764 to County Judge Don Chak. This represents the county's portion of monies received by the refuge during the past year.

It's that time again! "Showboat" will kick off Monday night at the Muleshoe High School auditorium. All changes in the program will have been completed by that time. . . however . . . there are still some members of the cast changing their minds about being in the show.

A recent report was that local stores have sold out of queen-sized can-can petticoats, but an enterprising merchant has suggested that two of the smaller sizes can be sewn together. Looking at the line-up, we predict that three will be needed to go around the waist of the halter can-can dancers.

It's hard for some to realize that some of the younger participants in the show haven't heard some of the old time favorite showboat songs that will be sung during this program. Like "When You and I Were Young, Maggie," but after listening to them, you will agree that they have heard it all their lives.

Overheard was one member of a trio which had just finished the song "Ida" answer a listener who had complimented him. The trio singer said, "Thanks, but I'd rather stayed home."

There is one group who sings "There'll Be a Hot Time in The Old Town Tonight." They are hoping it will be, because of the scanty attire.

There are no genuine Hippies in the show, but it's going to be a 3-Way School To Celebrate 25th Anniversary

The Three-Way Athletic Booster Club will host an enchilada supper at the homecoming game between Snyer and Three-Way Friday night, November 13, from 5:00 to 7:30 p.m., and after the game. Adult tickets will be \$1.25 and children under 12 will be 75 cents. The menu consists of enchiladas, beans, salad, crackers, onions, tea or coffee. This will also be the 25th anniversary for the Three-Way School.

Menu committee includes Mrs. Jack Reeves, Mrs. O.A. Warren, Mrs. Git Dupler and Mrs. R.L. Davis with Mrs. Shirley Partlow and Mrs. Rusty Roberts in charge of the drinks. Mrs. Dean Waltrip will be treasurer.

Water, Inc., was formed in 1967. It is a non-profit organization dedicated to the search for water for the future. It has more than 2,200 members in West Texas, Eastern New Mexico and the Oklahoma Panhandle.

Heading up the membership drive in Bailey County is W.A. "Bill" Millen. Joe Harbin is president of the local unit. He challenged his neighbors in Bailey County not only to give their financial support to Water, Inc., but to participate in county unit activities with an eye toward becoming leaders in the quest for tomorrow's water.

hard to tell if he's a she, or she's a he. One specialty is an eager Miss-er-lass-er-it, singing 'Bill Bailey, Won't You Please Come Home.' After seeing her, you can understand why he laid out.

The entire show is not going to be a completely hilarious night of laughter. Some very dignified numbers will be played and sung. One all-time favorite is scheduled, "Ole Man River," with one of the area's best singers doing the honors. Another stirring number is a musical selection on the piano. The fast and furious "Down Yonder" by a local pianist who would do justice to the Lawrence Welk favorite.

In addition to the very entertaining program, there will be several hundred dollars in prize tickets enclosed in sacks of candy that will be sold at

SOME OF THE CAST--As Marion Teel, foreground, diligently sings through his 'special' number, accompanied by Wayland Ethridge on the piano, other cast members of 'Showboat' study the script. Pictured from left are Curtis Walker, Derrell Oliver, Morris Nowlin and to the far right, behind Teel is Gil Lamb. They are just part of the cast planning an outstanding show on Monday night (tomorrow) at 8 p.m. in the Muleshoe High School auditorium.

New Category For FOL Donations Established

The ways and means of accepting memorials and gifts for furniture and equipment for the new Muleshoe Public Library building to be built on the corner of West Second Street and Avenue D was the major business of the Friends of the Library at the Thursday, November 5, meeting in the City Council chamber at the City Hall.

Gifts and memorial donations for the Muleshoe Area Public Library are in three major categories, so that whether an individual, family, club, business or group, donations may be accepted and recognized periodically.

First, FOL memberships in Drive Begins For Water Inc. New Members

Solicitors of the Bailey County Unit of Water, Inc., have launched an intensive month-long drive for new members. The effort is a part of an area-wide membership campaign and is aimed at swelling overall membership totals to 3,000. There are currently, approximately 120 paid-up Water, Inc., members in Bailey County.

The campaign was launched with an organization-wide kick-off meeting in Lubbock Oct. 24. The special emphasis will continue throughout the month of November.

Water, Inc., was formed in 1967. It is a non-profit organization dedicated to the search for water for the future. It has more than 2,200 members in West Texas, Eastern New Mexico and the Oklahoma Panhandle.

Heading up the membership drive in Bailey County is W.A. "Bill" Millen. Joe Harbin is president of the local unit. He challenged his neighbors in Bailey County not only to give their financial support to Water, Inc., but to participate in county unit activities with an eye toward becoming leaders in the quest for tomorrow's water.

clude, regular individual for \$1 or more; family, \$5 and up; organizations, \$25 and more and Life Memberships at \$100 or more. The contributions to Friends of the Library are for administrative, maintenance and for the present time, will go toward the needed new equipment special projects.

The new drive will begin officially after the first of 1971, but contributions will be accepted (for income tax purposes) before December 31, 1971. Any contributions received before the first of the year will be for a 1971 membership. Contributions may be mailed to FOL Treasurer Mrs. Jim (Joyce) Shafer or the FOL President Mrs. Larry B. (Jessica) Hall.

A new category was established at the November 5 meeting. FOL memorials and gifts which are designated by donors for specific furniture and/or equipment to be placed in the new library have been designed to assist those donors, including clubs, businesses, groups or individuals or families, who wish to contribute in this manner. Funds could be designated for children's reading tables,

periodical stands, chairs, special stacks, study carrels and other items. Contact FOL for information or Librarian Anne Camp.

The third contribution system, which was begun in 1963, is the Memorial Book Fund, now Library Board administered, which has added several hundred books to the prepping library yearly for the past seven years. The contributions have been made in memory of individuals or groups. Mrs. Jack Young is chairman of the Board's Memorial Book Fund and all book memorials should be sent to Mrs. Young or to the library.

FOL officials stress that donations for furniture and/or equipment for the new library are needed for the present time rather than book memorials, and that proper acknowledgment will be given to all memorials or gifts presented for furniture and equipment.

An honorary life membership is to be given Mrs. Vera Engelking expressing FOL appreciation for her generous memorial gifts and her interest in library work. She and her mother have donated \$1,500 to the library through two separate gifts. The memorial gifts were made in memory of Mrs. Engelking's late husband, Harry H. Engelking and her late father, William S. S. (Bill) Matthiesen. Mrs. Matthiesen and Mrs. Engelking made the first memorial gift of \$500 and left a codicil in her will for a memorial gift for her daughter (Mrs. Engelking) and her son, Roland Matthiesen.

Presentation of the life membership to Mrs. Engelking will be announced in the near future. In addition, a full schedule of fund-raising events are to be investigated by special committees appointed and are to be reported at the next meeting of the FOL.

Stolen Truck Recovered By County Officer

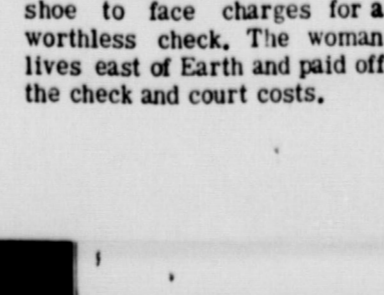

Deputy Sheriff Corky Green is investigating the theft of a loaded GMC truck. The truck was stolen from National Alfalfa Mill sometime during the night of October 31 and recovered Thursday morning, nine miles northwest of Muleshoe.

Officers had received word the truck had been seen around Lazbuddie and Dimmitt, but had lost track of the stolen truck until it was found Thursday.

Investigation is continuing. Several days ago, Sheriff Dee Clements arrested a man who was subsequently charged with hit and run near Friona. Sheriff Clements received a radio message about the hit and run accident and was told the suspect was traveling toward Muleshoe at a high rate of speed. He intercepted the man south of Clay's Corner and held him for Parmer County authorities.

Deputy Sheriff Irene Splawn went to Earth Thursday morning to return a woman to Muleshoe to face charges for a worthless check. The woman lives east of Earth and paid off the check and court costs.

BATTED AWAY--Lobo Terry Billingsley, in the air, bats away a pass just as Randy Field, No. 33, is turning for it in the Levelland-Muleshoe game Friday night. At the far right is Johnny Hayes, No. 14, and Jack Allison, No. 82. The Mules lost to Levelland 28-6.

Some Cotton Gins Operating 24-Hours

A spot check with 17 cotton gins in Bailey County and the surrounding area indicates a slow but steady ginning of the 1970 cotton crop in the area. Most gins indicate they are getting off to a slow start, but expect to be in full swing by Monday or Tuesday.

In southern Bailey County, the gins are in full swing with Fairview Gin reporting they are running 24 hours a day at this time. A spokesman for the gin said cotton is coming in real good and the crop prospects look a lot better than they had thought for awhile. Needmore Co-op Gin reports that cotton is coming in although they are not yet on a 24 hour schedule. The gin is operating until 10 p.m. They have ginned more than 1,000 bales at this time. The cotton could be better reports the gin, but it is better than last year.

At the Raymond Gage Gin, the average right now is reported to be approximately one-half bale per acre with good grades and good 'mikes' being reported. They said they should be through in approximately two weeks if the weather stays good.

Bailey County Gin at Baileyboro said cotton is rather slow at this time. Farther south in the county, Claunch Gin at Bula reports cotton is really coming in and they have ginned slightly over 1,000 bales. According to a gin

spokesman, the grade and staple is good although the early freeze hurt somewhat. The yield is reported to be better than last year.

Young Brothers Gin at Bula also reported cotton coming in fast to their gin with the gin operating 24 hours a day. According to the gin spokesman, the farmers, especially dryland farmers, indicate a much better crop than 1969.

"The early freeze and late planting hurt us," said a spokesman for Shafer Gin west of Baileyboro. "Cotton is a little slow, and there isn't as much as last year." The gin-Cont'd. on Page 3, Col. 4

Scouts To Push Membership In '65-NS' Drive

An intensified effort is getting underway to boost scouting in the local area, according to an announcement by George White District Neighborhood Boy Scout Chairmen Walter Bartholf and Vic Benedict.

The membership drive has been styled '65-NS' and the effort will officially get underway on Thursday, Nov. 12, with a joint meeting of the two existing Cub Scout Packs, 320 and 622. J.M. Shafer is Cubmaster of Pack 622 and Bob Solomon is Cubmaster of Pack 620.

The joint meeting will be held in Richland Hills Elementary School cafeteria at 7:30 p.m. Special guest speaker will be Ken Cole, executive with the George White District Boy Scouts. He will show a short film strip and explain scouting. Refreshments will be served following the meeting.

Especially invited to attend the meeting are all Boy Scouts, Cub Scouts, parents and prospective scouts and their parents.

A spokesman for the group commented, "We are intensifying the effort to at least double the number of Boy Scouts in the area to help boys to be better Americans."

Jerry Hutton is membership chairman and serving on the board is Jeff Smith. They will be helping coordinate the Boy Scout drive for this area.

It is hoped that several new units can be formed. Tommy Black is in the process of forming a new unit of Boy Scouts through the Catholic Church and Henry Malone and Allen Berry are interested in forming an Explorer Scout group.

Boys from eight to 18 are eligible for Cub Scout, Boy Scouts and Explorer Scout units.

Jaycees Seek Missing Cows At Baileyboro

Instead of saying, 'button, button, who's got the button?' the Muleshoe Jaycees are calling 'cows, cows, who's got the cows?' In fact, who's got eight cows.

The eight cows are missing from Kenneth Hanks' land on Baileyboro Lake in southern Bailey County.

According to a spokesman for the Jaycees, the cows have been missing since a gate was left open accidentally allowing 90 cows to roam the countryside during the annual Sandhill Crane Hunt. Only 82 of the cows have been rounded up by a hastily formed Jaycee posse and they would like to have the other eight cows returned to M.D. Gunstream who was grazing the cattle on Hanks' pasture land.

Anyone having any information about the missing cattle is asked to contact M.D. Gunstream or the Bailey County Law Enforcement Center in Muleshoe.

Memorial Fund For Sisemore Is Established

A memorial fund for the late Dwight Donald Sisemore, who died following a hunting accident in Colorado, has been established in Muleshoe and his former hometown, Hale Center.

Memorial Fund headquarters in Muleshoe is the First National Bank, and in Hale Center at the Hale Center National Bank.

Sisemore's parents, Mr. and Mrs. H.W. Sisemore live in the West Camp community and his brother, Gene, is a Texas Highway Patrolman stationed in Muleshoe. Dwight Sisemore lived in the West Camp community where he was a farmer.

His death left his wife, Beverly and a daughter, Teena. A spokesman for the memorial fund said the fund has been established for his daughter, Teena, and a child expected in December.

Levelland Lobos Howe In Victory

The Levelland Lobos came to Muleshoe howling and blood-thirsty and left Muleshoe after smugly tucking the Mules under their belts by a score of 28-6. The Lobos and Mules tangled in the Muleshoe High School football stadium before

a fair crowd and on a good football night. The football fans were treated to a defensive game during most of the evening in the conference action here Friday night. Seven punts by Randy Field were offset by only one Lobo

punt and the Lobos also led in first downs with one more than the Mules' nine first downs, and a last second touchdown play kept the Mules from being blanked out for the first time this year. With the Friday victory, the

Levelland Lobos are expected to edge past the Mules on District 1-AAA ratings once again. The Lobo-Mule rating has switched back and forth since the beginning of the 1970 football season. During the first quarter, the

Lobos put a TD over the goal line early in the quarter to demoralize the Mules. Craig Hudson scored on a six yard TD run and Steve Gray booted an extra point to put the Lobos out front 7-0.

In the second, Gary Grant slammed over from the one yard line, but Gray's boot failed to find the uprights and his kick for extra point was out of range, leaving the Levelland team ahead 13-0.

Levelland's third TD was almost two minutes before halftime. David Golightly fell over into the end zone from the one foot line, Craig Hudson added two more points by running the ball over. Halftime score was 21-0.

During see-saw action in the third, with neither team making any noticeable progress, the Lobos added a fourth TD with 7:46 on the clock in the fourth when Gary Grant scampered over and Steve Gray kicked the PAT for their final tally of 28.

The Mules began a drive, assisted by two long 15 yard Lobo penalties to get within the shad-

being blanked out this year with eight games behind them.

Next Friday night will be the final home game for the year for the Mules, when the Canyon Eagles fly into the Muleshoe stadium to try out their wings on the Mules. Game time will be 7:30 p.m.

(P.S. One of the Levelland varsity coaches graduated from Muleshoe High School. He played football under Bill Taylor who is now principal of Mary

DeShazo Elementary School. The coach is Kenny Splawn, son of Mr. and Mrs. Howard Splawn of Muleshoe.)

Also discussed was the co-sponsorship with another organization for a Christmas Parade float for the library. Mentioned also was a benefit 'Night in Old Mexico' Mexican dinner.

In other business Thursday, FOL funds in the amount of \$1,809.96 were designated to be transferred to obtain higher interest rates; a nominating committee for 1970-71 officers appointed, including Jay Harbin, Mrs. E.W. Johnson and Jeff Smith; a special committee appointed to investigate ways and means for sale or leasing of the present library building on Ash Street after the move is made into the new library building next year. The committee includes Buck Johnson, Pat Bobo and Jay Harbin.

Dave Sudduth, library board chairman, reported on the October 26 meeting of the building committee, library board, FOL board, architect and city council, and explained the proposed plans. Part III of the library application is not at the State Library and is being reviewed by the State Building Committee. A letter of October 30 from Lee Branner of the State Library said word should be received by the local library officials in approximately two weeks.

Presiding during the meeting was Mrs. Larry B. Hall, with those present including Dave Sudduth, Pat Bobo, Jay Harbin, Mrs. G.W. Splawn, Mrs. E.W. Johnson, Mrs. Jim Shaffer, Mrs. Julian Lenua, Jeff Smith and Librarian Anne Camp.

The Distributive Education Students of Muleshoe High School are handling advance ticket sales. The DE instructor is Mark Gist. The Business Activities Committee of the Chamber of Commerce will share profits on the advance ticket sales with the DE class.

Deer Attacks

Boerne Man

AUSTIN--Just mention Bam-bi to Joe McKinney, and he'll flinch.

McKinney, a Kendall County construction worker, is recuperating at his home near Boerne where he was attacked last week in his driveway by a 150-pound buck deer.

The victim suffered multiple lacerations on his head, chest and both legs from the incident and might have been hurt even worse if his wife had not felled the berserk animal with two shots from a .38-caliber pistol.

McKinney told Texas Parks and Wildlife Department game management officers he had no time to escape. He noticed the deer trotting toward him as he was leaving his car and walking down the driveway toward his house. The deer lowered his head and ran full tilt into McKinney, knocking him to the ground.

Mrs. McKinney saw the attack from a window, grabbed the pistol and rushed outside to see her husband pinned to the ground under the buck's antlers. She fired pointblank at the deer, hitting it in the chest both times.

Observers speculated that the deer, which perhaps was someone's pet at one time, became spooked when a child's T-shirt accidentally became impaled on its antlers when it ran under a clothesline.

The shirt was still on the deer's antlers when the battle ended.

Department officials remind Texans to consider any deer potentially dangerous, regard-

less of how "tame" they might act. Moreover, keeping wild deer as pets is illegal in Texas, so it's wise to leave fawns in the woods where they are found.

Cotton ...

Cont'd, from Page 1
ning expects to be completed in approximately 30 days.

In the Stegall-Goodland area, the Stegall Gin says cotton is coming in and they have been ginning steady for about a week.

West of Muleshoe, the Lariat Gin just over the line in Parmer County says cotton is coming in although it is still a little green. The gin expects to be in full swing in approximately a week with the harvest to last approximately 30 days. The yield is expected to be much the same as last year.

Beck Gin reports more than 650 bales to date and said they can't tell yet how much the freeze may have hurt the cotton. The grade and staple is reported to be down a little from last year.

At the north edge of Muleshoe, Earl Richards of the Muleshoe Co-op Gin said cotton is starting rather slow, with the outlook now much the same as a week ago. The gin has not started 24 hour a day operation as yet, said Rich-

ards. Bill Darnell of Paymaster Gin indicated that cotton is coming in good, but the crop will not be what it was thought to be earlier. Darnell does not expect quite as much yield as was reported last year. He said the gin could wind up completely by Christmas with good weather conditions.

The Progress Gin expects to complete their ginning season by mid-December according to Mrs. Sherman Sweatman who operates the gin. She said the cotton looks good although it is a little slow in getting started. The cotton grade and staple is holding up good.

In the Lazbuddie area, Campbell Gin reports that cotton is coming in rather good. The grade and staple is said to be better than last year with excellent quality cotton being ginned. The gin is operating on a 24 hour a day basis at this time and expects to complete their season in four or five weeks.

North Lazbuddie Gin said they are getting off to a slow start with 45-50 bales coming in each day. The yields are said to be

one and one-fourth to one and one-half bales per acre.

"We're just beginning to get started," said a spokesman for the Muleshoe Gin east of Muleshoe on Highway 70 and the cotton is going to be fair this year."

Six miles west of Earth, Nickels Gin said cotton is coming in at a steady clip now and the crops look fair, although not quite as good as some had expected. The early freeze has evidently made more inroads into the production this year than had been anticipated reported Mrs. Jo Ann Gaston at the Gin. The average will be around a bale an acre, she reported, with a fairly good quality and a good "mike" reported.

Cotton farmers and ginners alike keep a wary eye on the weather reports and are reportedly making the most of the sunshiny days prevailing in the area.

Dean Rusk, former Secretary of State:

"I see some very tough days ahead for us in the Middle East."

All you need do is call Southwestern Public Service Company. Our electric heating specialist will gladly and professionally determine the exact heating requirements for your home.

Modern electric comfort heating is already being enjoyed by over 4 million American families!... almost 5,000 in our area alone. The reasons are many, but what most people like about clean electric heating is the *comfort* it gives. An even warmth from floor to ceiling creates a comfort unlike any other heating method. You owe it to yourself and your family to get the facts about electric heating... and now is the time to do it.

Storm windows have proven their value in keeping out cold, wintry winds, holding down inner heat loss and contributing to lower heating costs. The storm windows now offered *free* with qualifying home electric heating installations, are 2-track, aluminum windows with screen, and custom made to fit your own windows. Storm windows do an excellent job of combating dust storms, too.

IS YOUR HOME ELIGIBLE?

This offer is available to residential customers of Southwestern Public Service Company, living in existing single-family homes and qualifying for the special residential electric heating rate. Should you already have storm windows or windows of such design or shape that they do not lend themselves to normal installation, do not despair—we have a special, most attractive plan for you, too.

EVERYONE LOVES A PARADE

To hear the band, to see the uniformed soldiers, to see the might of our tanks, to see the strength of our country, these things stir the heart and make us proud to be an American. Our God has made us strong and blessed us greatly, however our greatest strength is in the Lord. "GOD is our refuge and strength, a very present help in trouble." In these unsettled times we need to show our faith in the Lord, and speak with the courage of one whose father can do all things. Renew your strength each week by attending services in the Lord's house.

The Church is God's appointed agency to this world for spreading the knowledge of His love to man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long prosper and the freedom which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should speak and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set man free to live as a child of God.

Fine Arts Sponsored Successful Carnival, Coronation

Thespians Boast Of Plays' Success

This past Monday and Tuesday evenings, Thespian Troupe 714 presented their annual fall show of three one-act plays which received successful acclaims both evenings from the delighted audiences.

The evening of entertainment began with "Pink Lemonade for Tomorrow," portrayed by Cindy Posey, Donna Woodard, Brent Blackman, and Larry Elder. The second performance was Act III from the Pulitzer Prize winning play "Our Town," Joe Duke, Greta Bamert, Patty Murray, Jimmy Evans, Bruce Peterson, John Garth, Billy Rials, Ronnie Parker, Bill Chapman, Larry Torres, David Faver, Christy Ford, Melita King, Jan Jinks, Jolene Rempe, Terry Wheeler, Mary Ann Madrid and Rogelio Puente

contributed their acting abilities. The evening was concluded with the laugh-a-minute meler-drama, "He Done Her Wrong." Cast members were Rene Caldwell, Lou Ann Cole, Howard Kelly, Connie Pruitt, Judy Woodard, Dennis Parker, and Becky Milner. Stage crew members were Manuel Pesina, Ed Mason, Jimmy Lambert, Benny Cousatte, Linda Mason, Debbie Bruns, Kathy Schuster, and Randa Sutton.

Forty young performers working on and behind stage gave proof that the Muleshoe Drama Department is continuing to develop new talent each year. This fall was especially important. Of these forty young people only two were seniors and twenty-two newcomers performed on the stage for the first time.

Veteran's Day

By Babs Haire
November 11 is Veteran's Day in the United States. It commemorates the courage and patriotism of all the men and women who have ever served in the armed forces.

Celebrated as Armistice Day in Britain and France, November 11 is known as Remembrance Day in Canada.

In 1919, President Woodrow Wilson declared Armistice Day to remind Americans of the tragedy of war. In 1938, Armistice Day became a federal holiday and in 1954 Congress changed its name to Veteran's Day to commemorate all veterans, not just those of World War I.

Muleshoe High School students will observe Veteran's Day by attending a special assembly.

VITAL STAGEHANDS--Mark Edwards, left, Hal Tibbets, center and Mike Tibbets are three vital members of all productions staged by MHS. They are the very capable stagehand crew. Here they pose with props from the Halloween Queen coronation.

A Safe Halloween Held For Hundreds

By Babs Haire
The annual Halloween Carnival was held Saturday night, October 31, in the Bus Barn. Many local groups such as the Jaycee-Ettes and BAC had booths at the fair, along with classes and school-sponsored groups.

A "wedding" was the night's project for the Freshmen. Members of the Freshman class were appropriately dressed to conduct a "hippie," "stony," or "athletic" wedding, which ever the couple chose.

The Sophomore Jail was one of the most popular places at the carnival. Many carnival goers spent some time in a horse trailer "jail" with several prominent Muleshoe citizens being incarcerated along with the young people.

Sponsored annually by the Junior Class is the Cake Walk. This booth is always very successful and this year was no exception. The juniors, according to class sponsor Burel Block, make "the best cakes in Texas."

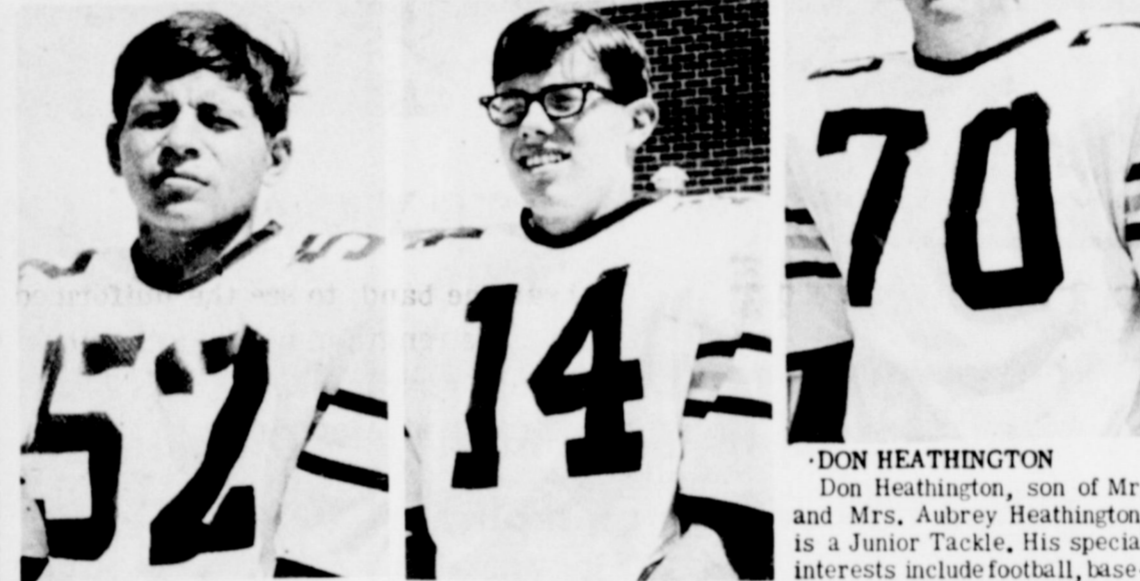

At 9:30 the coronation of the Halloween Queen began. The theme was "The Great Pumpkin" with MHS students portraying various "Peanuts" characters. Linus fell asleep while waiting for the Great Pumpkin and "dreamed" about the coronation.

Winning the Junior High Halloween Queen contest was Laverne Carpenter, escorted by Mike Bland.

The Thespian candidate, Donna Woodard, escorted by Joe Duke, was the High School Halloween Queen. Other high school candidates were Debbie Bruns, escorted by Jimmy Evans, representing the Art Club; Becky Sain, escorted by Curtis Buhrman, representing Band; and Deborah Wagon, escorted by Keith Turner, representing the Choir.

The carnival and coronation were highly successful. Everyone attending had a good time and enjoyed a safe, happy Halloween.

FHA Chapters Outline Money Making Projects

By Brenda Tiller
The FHA Rose Chapter met Oct. 26, 1970, to elect Chapter parents and Chapter mothers. These adults act as sponsors for FHA activities. The Chapter parents elected were Mr. and Mrs. Earl Henry, Mr. and Mrs. James Glaze, and Mr. and Mrs. Walter Sain. The chapter mothers elected were Mrs. Myron Pool III, Mrs. Bill Gable, and Mrs. Don Bruns.

FHA is honored to have such fine adult leadership.

Also discussed were money making projects. These projects will consist of selling cookbooks, Stanley products, cakes, and having "hobo day." The money from these projects will be used to improve the chapter and send delegates and students completing their chapter degrees to the state convention in Dallas, Texas. This money also sponsors the annual Sweetheart Banquet.

Cookbook sales began this week. These sell for \$3.50 each. Two new books are out this year, "Holiday Cookbook" and the "Home Decorating Book." Anyone wishing to buy one of these books may contact a Junior or Senior FHA girl or call 272-3921.

Mules Have Three Mascots

By Betty Chandler
Muleshoe has three mascots for their great teams. They are Bonnie Chandler, Melita King and Vanda Spurgeon. Together these Mules help promote spirit for the fighting

Muleshoe Mules. They symbolize Muleshoe's pride and anticipation toward getting things done. Muleshoe students as well as others are proud of these girls.

LA-DE-DA--In 'He Done Her Wrong' by Anita Bell, Renee Caldwell, seated and Lou Ann Cole aptly portrayed play characters. This was one of three one-act plays presented during two nights of 'A Night of One Acts' as given by the Thespian Troupe of MHS.

OUR TOWN--One of the outstanding one-act plays presented Monday and Tuesday night was Thornton Wilder's 'Our Town.' Some of the cast in the production included from left, seated, Pattye Murray, Billy Rials, Melita King and Christy Ford. Standing are Greta Bamert and Joe Duke.

Freshmen Defeat Levelland

Muleshoe scored in the first quarter with a 45-yard pass from David Wheat to Perry Stockard. The points after touchdown failed. Don Long scored the second Muleshoe touchdown from the one. David Wheat added the points after the touchdown. Lloyd Dominguez scored the fourth touchdown in the third quarter with Wheat adding the points after the touchdown. David Wheat scored the Mules' last touchdown in the fourth with the try for the points after touchdown failing.

MHS Principal Outlines Grades For Freshmen

By Clifton Myers
On Thursday, Oct. 29, the freshmen held a class meeting in the cafeteria. This was their third meeting; and to start things off, Principal Fred Mardis talked to the students about their scholastic averages.

The next business was the reports from Treasurer Alan Payne, and Larry Torres. Alan reported on the financial standing of the freshman class, which at the time was \$81.34. This has increased much since the Halloween Carnival. Larry Torres reported on what the freshmen class was going to do in the carnival. They decided on a marriage booth which consisted of a "hippy" marriage, an "athletic" marriage, and a "stony" marriage. This was very successful and helped the class treasury.

The next item was the electing of a class parliamentarian, and Laticia Rogers was elected. The freshmen have much confidence in her.

Convention For FTA Chapter Will Be Soon

By Sonnie Glaze
The FTA chapter of Muleshoe High School held a meeting on Friday, Oct. 30. During the meeting, plans were made for the Halloween Carnival.

The members discussed the District Convention to be held Nov. 14, in Littlefield. All members are eligible to attend and they are urged to do so.

'Back MHS' Urges School Student Council

By Becky Sain
Monday, Nov. 2, the Student Council held its regular meeting. Many things were discussed.

All members of the council are planning to buy windbreakers which will identify them as members of the MHS Student Council.

The council emphasizes that each student make a special effort to back his class in the spirit contest. Each student is asked to sign with the appropriate class at all football games, basketball games, plays, concerts and anything else involving representation of MHS.

Tuesday, Nov. 3, the first Southern Assembly was held. Entertainment was provided by Leo Gasca in a physical education program.

There were many bright spots in the Mule's victory over Tulia. Seniors Jack Allison and Jon Cole had a fine game offensively which provided much of the running room for the Muleshoe backs. Randy Field showed a tremendous amount of strength as he plunged to the middle of the line for two touchdowns.

There are two main journals that the Mules subscribe to and enjoy reading. These are the Christian Athlete and The Letterman. In the recent edition of The Letterman, an editorial about former Green Bay Packer Coach Vince Lombardi gives us some meaningful and relevant ideas about what football teaches: 1. Football teaches one to take hard knocks, to get up time and again, and to believe that adversity can be overcome. 2. Football teaches poise in the face of competition and conflict. 3. Football teaches one to think clearly under stress, to respect foe as well as teammate, and to more fully comprehend self-discipline. 4. Football teaches leadership and even more important, fellowship. 5. Football teaches the values of cooperation, and the benefits of harmony. 6. Football provides --frequently a better education, generally an improvement of one's well being, and always an insight into the thoughts and feelings of others.

LEO GASCA--The Latin American star presented a graceful, incredible, and instructive program for MHS. His novelty and precision balancing and acrobatics entertained MHS students on Tuesday, Nov. 3.

Dear Buick Buyer and Booster:

We in Buick in Muleshoe are trying not to traffic with despair. Let's consider this strike-delay situation as only a brief interruption of our normal new car business. Admittedly, we do get a little lonely, both for the showroom full of new Buicks which we usually feature, and for the fine folks who usually are here in greater numbers to visit with us — and examine our fine product. But — they'll settle this strike just as they always have before, and we'll be showing you the prettiest Buicks ever, before long.

Meanwhile, Buick Motor Division has guaranteed us that there will be no increase over the tentative 1971 prices on orders written now for delivery after the strike, plus a commitment to adjust to any lower price which might be determined after settlement with the auto workers. You may want to order a new 1971 Buick now in order to save the possible additional increases. And we have plenty of time right now to go into details of color, trim and equipment on YOUR next Buick. And your order would be among the earliest cars built after work resumes.

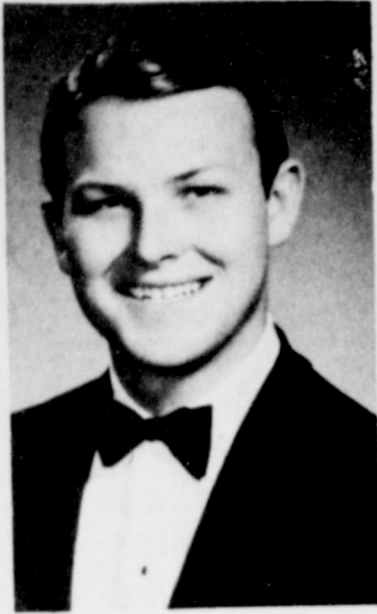

Our Service and Parts Departments are fully equipped to continue providing maintenance and warranty service for your present car. Now is an excellent time to have that Fall and Winter check up done; or schedule a tune up which you may have been postponing. You'll want to keep your car in top condition; and remember, we do repair work on most any make of car. One word of warning in this regard: Many replacement parts are now becoming scarce, since warehousemen are also out on strike. If you are planning major repairs, you'll want to complete them before parts are simply not available.

We want to meet your transportation needs despite the current work stoppage. We are open for business as usual.

Sincerely,
Ernest Brock
