The regular city council meeting scheduled for July 28 has been changed to Thursday, July 24.

NOTICE

The Women's Division of the Chamber of Commerce will not meet Monday due to installation of the elevator at the library.

Sales Tax Check Received

Comptroller Bob Bjlock sent checks totaling \$11.4 million Tuesday to Texas towns and cities for their June rebates. Bullock said, because the June payments included "clean-up" allocations of money carried over or coming in late from the last round of quarterly tax payments received from merchants.

Spearman received \$2,955.60 for June and Gruver \$219.43. "We have now refined our system such that not a penny of city sales tax money can stay in this office longer than 45 days before being

sent back to the city," Bullock said. "This is a far cry and a grand improvement from the old quarterly system with its 60 and 90-day delays."

Bullock said when the monthly system was started that cities could expect two smaller payments followed by a third larger "Clean-up" payment in each three month cycle.

During the first two months of the cycle--including this month--payments are not made to cities whose allocation is less than \$500.

FGBMF Meeting

Dean and Jeanne Romanelli will be the guests at the Monday, July 21 meeting of the Spearman Chapter of the Full Gospel Business Men's Fellowship to be held at 7 p. m. at Martin's Steak Garden.

Phillips-Murrell Vows Solemnized

A beautiful mid-summer chapel wedding united Kim Lee Phillips and Harley Richard Murrell last Saturday evening. The Reverend Milton Jochetz was the officiant for the double ring ceremony which was performed before an altar arrangement of Boston fern and candlelight in the little Chapel at the Gruver United Methodist Church.

The bride is the daughter of Mr. and Mrs. Charles Phillips of Gruver and the groom, the son of Mr. and Mrs. Buddy Murrell also of Gruver.

Attending the young couple were Mrs. Louie Phillips of Dibble, Oklahoma, the aunt of the bride and Mike Murrell, Gruver, the brother of the groom. Mrs. Del Cluck offered traditional nuptial selections on the piano during the beautiful service performed before members of the family and a few close friends.

Given in marriage by her

father, the bride chose a wedding gown of white satin with the sleeves and neckline interest in sheer gossamer which was repeated in the full bridal veil which fell from a caplet of white satin. She carried a shower bouquet atop a white Bible of red carnations, bridal wreath, white lace, beribboned with red streamers. Her attire was accented by a ruby and diamond pendant.

Her attendant wore a floor length red gown and carried a red carnation and white lace bouquet. The bride's mother chose a pale blue floor length gown for her daughter's wedding and the groom's mother, a soft shirbert colored floor length gown. Each wore a corsage of red carnations. The groom wore a brown Johnny Carson-designed suit with beige accents.

A wedding supper, catered by Mrs. Julie Holguin, was served following the ceremony at the Buddy Murrell's

country home. Highlighting the scene was a tiered wedding cake edged with red roses and accented by red and white wedding bells which had been especially made for the occasion by Mrs. Oliver Wallin. Pictures of the ceremony and the supper were by Joan Costner of Guymon.

The new Mrs. Murrell chose a white and green outfit for a short wedding trip after which they are now at home in Gruver where Mr. Murrell is engaged in farming. They plan a honeymoon later in the summer. Mrs. Murrell is a 1975 graduate of Gruver High School. Harley is also a graduate of Gruver High School and was graduated from McMurry College in 1971.

Those attending the Saturday evening service and following festivities included Mrs. Harley (Grandma) Alexander, Chet Phillips, Mindy and Jim Davis, Mr. and Mrs. Mike Murrell, Mr. and Mrs. Del Cluck, Mr. and Mrs. Dick (Grandpa and Grandma) Murrell, the Reverend and Mrs. Milton Jochetz, Walter Murrell, Gracie Holguin, all of Gruver; Susan Neeley, Tulsa; Mr. and Mrs. Walt Phillips, Tulsa, Okla.; Mr. and Mrs. David Long, Guymon, Okla.; Steve Long and Debbie McKay, both of Guymon; Mr. and Mrs. Louie Phillips and Monica from Dibble, Oklahoma.

A shower honoring the couple has been planned for Saturday afternoon, July 26, at the country home of the B. J. Renners.

Visiting in the home of Mr. and Mrs. Charles Eaton and family last weekend were his brother, Mr. and Mrs. Tommy Eaton, Shelly and Chad of Shawnee, Oklahoma.

Perryton Church To Present Drama

The congregation of the First Christian Church, Perryton, invites you to its production of the one-act religious drama, CONSTRUCTION, to be presented this Sunday evening, July 20, at 8:00 p.m. in the sanctuary of the church.

The play was written by Mr. Ralph Stone, professor at Texas Christian University and Brite Divinity School, and is one of the more popular and widely known dramas in the field of contemporary religious drama, according to Miss Susanne Johnson, summer intern and director of the play.

CONSTRUCTION is symbolic and slightly otherworldly in that it is not located in any particular time or place and the characters are real only to the degree that they have characteristics of normal everyday personalities. In the misty flats of a never-never-land nine persons find themselves together. All about them are materials and tools with which they are to do something. They are perplexed, fearful, and argumentative as they wait. Each one in turn finds fault with the others' ideas of what is supposed to be done with the materials on hand. Fear seizes the group when they become aware of others nearby--unknown and unseen. As they are about to construct a wall to defend themselves from outside forces, the Builder appears on the scene. He comes with a blueprint which was intended to be used in the first place. The tension mounts to a powerful climax which reveals an unpleasant truth about the human situation.

Cast members include: Jerry and Sharon Garrison, Mary Lou Lemon, John Elizey, Sherri Daniel, Spencer Jinkins, Ralph Maxfield, Margaret Riley, Don Simpson, and Marion Guy.

Assistant Director is Pat Brown; organist is Margaret Rizley, stage properties, Charles Cunningham, Reverend Bob Dantes is minister of the church and cordially invites you to the drama

Baptist Women Meet

The Baptist Women Study Group met Wednesday, July 16th in the home of Mrs. Glen Hiller.

Presiding over the meeting was President, Mrs. I. L. Denman.

Mrs. A. F. Loftin opened the meeting with prayer. The Prayer Calendar was read by Mrs. Woodville Jarvis with Mrs. Arthur Adkison leading in prayer for the birthday missionaries.

Mrs. Mable Edwards, assisted by Mrs. Russell Pogue and Mrs. R. E. Vaughn presented the program entitled "Love is Not Enough". The meeting was closed with prayer by Mrs. F. J. Hoskins.

Delicious refreshments were served by Mrs. Hiller to members, Mesdames: A. F. Loftin, Woodville Jarvis, Russell Pogue, F. J. Hoskins, Mable Edwards, Bob Baley, Carl Kizzlar, R. E. Vaughn, Arthur Adkison, J. L. Denman and Altha Groves.

Next meeting will be July 23rd in the home of Mrs. Mable Edwards.

"Something Old" Is Club Topic

The Dahlia Flower Club met Monday, July 14th at 3:00 P.M. in the home of Mrs. Guy Remy.

Presiding over the meeting was President, Mrs. F. J. Hoskins.

The treasury report was given by Mrs. Mable Edwards, a condolence report by Mrs. Bob Baley and a report on the Arts and Crafts Show to be held in November by Mrs. Virgil Floyd.

Mrs. J. W. Walker gave the program on "Something Old" and most of the members wore or brought something old.

Mrs. Remy won first with her arrangement and Mrs. J. L. Denman won first with her specimen.

Delicious refreshments were served by Mrs. Remy to members, Mesdames: J. W. Walker, Earl Riley, A. F. Loftin, Bob Baley, John Bishop, J. L. Denman, Mable Edwards and Virgil Floyd.

Next meeting will be July 28th in the home of Mrs. Ned Turner.

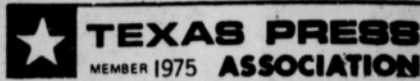

Pearl Giddens has been on vacation with her brother and wife from Maryland. They visited in Dumas then on to Albuquerque and Belen, N. M. where a sister lives. They then went on a tour of New Mexico, visiting the Acoma Indian Reservation, and the Ice Caves and the government preserve where the lava erupted years ago, then on to the top of the Rocky mountains and back to Belen and to Amarillo. They went to see "Texas" when they got back to Amarillo. A very good time was had by all.

Area Churches Contribute To Building Renovation

ENID, OKLA.—Contributions by two Texas Christian (Disciples of Christ) churches have made possible the renovation of the Phillips University Marshall Building, according to Glen Justice, vice-president for finance and operations.

August 20 is the completion date for the remodeling which was begun July 23 by P. C. Davis and Sons under the direction of architect Don Wright.

The First Christian Church of Perryton, Tex., and the First Christian Church of Spearman, Tex., are making the improvements possible through contributions totaling \$50,300.

Rev. Robert Daniels and the Perryton First Christian Church are providing the majority of the non-solicited funds, approximately \$50,000. The total pledge is not yet in from Perryton, according to Justice.

The First Christian Church of Perryton made a feasibility study, looking

at the Marshall Building from basement to top floor," Justice said. "our first priority was to change the faculty offices to provide more privacy. We'll go as far as we can with this donation. We can't afford to put any school money into it except for mechanical items such as a new transformer."

"One of our accrediting agencies, the Association of Theological Schools, has reminded us of the need for privacy in our faculty offices," Dr. Fred Craddock, professor of preaching and the New Testament, said.

"Two of our faculty members had been sharing each office without separate rooms. Now we'll be able to have complete privacy very necessary for study and counseling.

"The church in Perryton has donated to us before, giving us a xerox machine among other things, but this is the first gift of this size."

"We're immensely gratified by the support our Graduate Seminary by the Perryton First Christian Church," Dr. Joe Jones, dean of the Graduate Seminary, said. "The remodeling project is long overdue and will now provide most of the faculty with much improved office space and working accommodations. We are extremely hopeful in the near future we can secure additional funds to complete the remodeling of the Marshall Building."

New Licensing Program Planned

AUSTIN -- "There must be a better way!"

Surely that thought must have crossed the mind of every Texas motorist forced to stand in line at motor vehicle registration time.

Well, now there is a better way. At least, beginning January 1, 1978, there will be. If all goes according to plan, the traditional long waiting lines prior to the registration deadline (April 1) will be a thing of the past.

As if to complement the "multi-year" license plate adopted this year, Governor Dolph Briscoe recently signed House Bill 1974 providing for a year-round motor vehicle registration system in Texas. The bill was authored by State Representative Bob Simpson of Amarillo, and passed by both houses of the 64th Legislature.

Under the new licensing system, there will be 12 registration deadlines, instead of one. No longer will Texas motorists be forced to register within a 60-day period. Depending on the date assigned each motorist, vehicle registration will occur during every month of the year, similar to the safety auto inspection.

According to Bob Townsley, Director of the state's Motor Vehicle Division, "Eighteen states now follow this 'staggered' system of motor vehicle registration and have proven it successful."

"Not only will it relieve some of the pressure on motorists," said Townsley, "but it will also relieve the all-too-familiar burden placed on the county tax assessor-collectors."

He added, "By effectively distributing the registration workload evenly throughout the year, county tax offices will be able to conduct other phases of their work, such as voter registration and preparation of property tax rolls, without interruption."

For all practical purposes, April 1, 1978 will be almost everyone's vehicle registration deadline -- FOR THE LAST TIME. Renewal notices will inform motorists as to their renewal date thereafter. Fees will be calculated on a pro-rata basis to that date.

Upon registration, motorists will be issued two license plate stickers -- one for the year and one for the month of the subsequent renewal. Once a vehicle is assigned to a particular expiration date, it will remain on that annual renewal cycle thereafter. The month sticker first issued for a vehicle will remain on the license plate, and new month stickers will not be used each year.

Also, the month payable sticker will serve as a reminder to the motorist, just as the windshield auto inspection sticker does. Since renewal notices will be mailed during the month preceding the month in which renewal fees will be due, motorists should have no problem in renewing registrations in plenty of time.

In making the transition to the new system, some vehicle owners will pay for more than 12 months of registration while others will have to renew twice within the first year.

1978 renewal notices will reflect a dollar amount due which may be smaller than usual, or it may be larger. It may be a billing for 18 months, with an expiration date of July 31, 1979, or it may be any date in between.

Townsley said, "Annual registration periods for passenger cars and 'light' commercial vehicles already registered in Texas will be

determined by the "tens" digit, next to the last number on the current license plate. He said, "If you know your auto license plate number, you can readily determine when the vehicle will have to be registered again AFTER April 1, 1978."

Example: ABC 953 / 5 months - expires August 31, 1978; BBB 849 / 16 months - expires July 31, 1979.

The middle digit "zero" will indicate an 11-month registration period.

Bear in mind the use of the "tens" digit on the license plate is a one-time operation for the purpose of spreading the registration periods of vehicles already licensed in Texas evenly over the entire year," said Townsley. "Once a vehicle is assigned to a particular month, the registration renewal for that vehicle will become due on the last day of that same month in subsequent years," he said.

The 1978 "staggered" licensing system for Texas will reserve the month of March for registration of miscellaneous classifications of vehicles, such as small trailers, campers, mobile homes, buses, motorcycles and other special plates.

In December, commercial vehicles only (other than "light" commercial vehicles) would be registered. This would coincide with a calendar year basis for registration used in most other states.

Townsley concluded, "Transition from the present sys-

tem, to which everybody is accustomed, to the year round program will not be easy. Once accomplished, however, it will assure an even flow of registrations for all Texas motorists, put an end to the annual 'jam-ups' at the county tax offices and effectively distribute the registration workload over the entire year."

Nine Accidents Investigated

The Texas Highway Patrol investigated nine accidents on rural highways in Hansford County during the month of June, 1975, according to Sergeant C. E. Henderson, Highway Patrol supervisor of this area.

These crashes resulted in no persons killed and three persons injured.

The rural traffic accident summary for this county during the first six months of 1975 shows a total of 20 accidents resulting in no persons killed and 12 persons injured.

The rural traffic accident summary for the 60 counties of the Lubbock Department of Public Safety Region for June, 1975, shows a total of 572 accidents resulting in 25 persons killed and 355 persons injured as compared to June, 1974 with 466 accidents resulting in 19 persons killed and 261 persons injured. This was 106 more accidents, six more killed, and 94 more injured in 1975 at the same period of time.

The 25 traffic deaths for the month of June, 1975, occurred in the following counties: one each in Clay, Floyd, Garza, Wichita, Young, Armstrong, Childress, Collingworth, Donley, Hardeman, Randall, and Roberts; two each in Carson, Cochran, and Lamb; and seven in Lubbock.

National Farm Safety Week, July 25-31

Though "safety" should be a by-word for all rural people anytime, a special week has been designated as Farm Safety Week with President Ford proclaiming the week beginning 25 July as National Farm Safety Week.

Theme for this year's observance of Farm Safety Week is "Planning Prevents Accidents". This marks the 32nd consecutive observance of the annual national safety event.

Accidents in 1974 claimed the lives of more than 5,500 farm residents and caused more than 500,000 disabling injuries with more than half of the deaths occurring in motor vehicle accidents, according to the National Safety Council. About one-fourth of the deaths and more than 150,000 disabling

injuries were caused by farm work accidents.

The cost of these accidents including farm fires is estimated at almost \$3 billion.

President Ford noted in his proclamation that these accidents along with the human suffering and material losses to farm and ranch families "handicap our efforts to feed and clothe our people and help alleviate hunger in the world."

Any strategy to reap full production from our agricultural enterprises, he said, "must include planning for the safety of those who live and work our farms and ranches, not only when in the field but also when at home, at play, or on the nation's public roads."

To paraphrase this year's theme ---to be on the safe side, plan ahead!

Hansford Lodge

Meets

Hansford Lodge #1040 A. F. & A. M. met Monday, July 14th in the Hansford Lodge Hall for their regular meeting with Dan Faries, Worshipful Master presiding. Plans were made for two E. A. Degrees to be held Thursday, July 17th at 7:30 P. M. with practice

for the E. A. Degrees held Tuesday.

The Hilltop Association Meeting to be held July 26th at 7:30 in the Aluminum Dome at Berger was announced with the barbecue beginning at 7:30, followed by the program.

Following the meeting, host Jack Whitson served refreshments to those present.

Next meeting will be July 28th in the Lodge Hall.

The Hansford Lodge #1040 A. F. & A. M. held two E. A. Degrees Thursday evening, July 17th at the Hansford Lodge Hall.

Visitors were present from Perryton and Gruver Lodges. There was a very good attendance for the initiation of two persons.

It was announced there would be a Hilltop Association Meeting July 26th at the Aluminum Dome at Berger. Tickets are \$2.00 each and any profit will be retained in the association for use in aiding burned or crippled children. The barbecue will begin at 7:30, followed by the program.

Following the initiation, host, Jack Whitson served supper of cold cuts, pickles and relish and ice cream to those attending.

He is one of those wise philanthropists who in a time of famine would vote for nothing but a supply of toothpicks.

Two wrongs can never make a right.

editor's letters

The Spearman Reporter Dear Editor:

The autograph party sponsored by Sybil Miller and Will Ella Martin at the Hansford Library recently was one of the nicest things that has ever happened to me.

The honor bestowed on me by the presence of so many dear old friends and among them such dear old timers as Mr. Lee McClellan, Mrs. E. A. Greever, and Mrs. Keesee Richardson (whom I think of as Mrs. Hansford County) is so greatly appreciated and I shall always

cherish the Memory of such a happy time. Thanks for buying my book, "Prairie Profiles" and thank you for cards rec'd. and for phone calls, too.

Susie Allen (Dacus)

P. S. There were members of the first Spearman Hi basket ball team present: Eva Pierce, Winnie Allen, Lena McGrory, Mae Floyd and myself. Almost a team and a pretty good one in its day! Won the tri-state bonnet (second place, ha) wouldn't that been fun to picture them -- O boy.

Bridge Club

The Grand Slam Bridge Club met Thursday, July 17th in the home of Mrs. Mack McCormack.

High was won by Mrs. Albert Baker, Middle was won by Mrs. Ed Zschiesche, guess-your-own-score was won by Mrs. S. B. Sheets and traveling prize was won by Mrs. Cecil Biggers.

Delicious refreshments were served by Mrs. McCormack to guests Mrs. Kent Guthrie, Mrs. James Jackson, and Mrs. Cecil Biggers and to members, Mesdames: S. B. Sheets, Albert Baker, Ed Zschiesche, Ted Godfrey, Monty Blackman, Jack Lasater, Clark Mires and Roy Flowers. Next meeting will be August 21st in the home of Mrs. Ed Zschiesche.

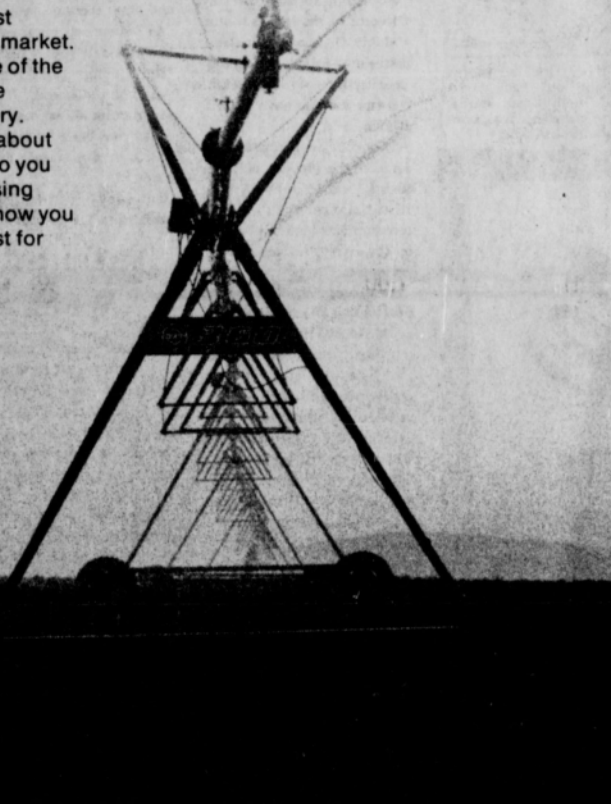

How to get the most from the lease.

Why bother looking at other systems when you can lease the best system available? Gifford-Hill's 360.

You don't have to tie up money buying a system. Instead, you can sign up for one of the most competitive lease programs in the irrigation equipment market. That frees your capital to put into land, equipment or whatever you need.

The 360 is the most reliable system on the market. And it's backed by one of the most reputable service networks in the industry.

So check with us about the options available to you with Gifford-Hill's leasing program. And let us show you why the 360 is the most for the lease.

PSYCHOLOGY

DON'T GIVE IN TO EVERYONE. STAY OUT LATE FROM YOUR TEENS. USE YOUR JUDGMENT AND YOUR OWN STANDARDS FOR YOUR OWN CHILDREN. THEY MAY COMPLAIN, BUT SECRETLY THEY'LL BE PLEASED THAT YOU LOVE THEM AND CARE ABOUT THEM ENOUGH TO BE FIRM.

ONE WAY TO KEEP THEM HOME NIGHTS IS TO LET THEM GIVE A DISCOTEA PARTY. THEIR FRIENDS CAN BRING A FAVORITE DISC OR TWO, YOU SUPPLY THE POPCORN AND TATER CHIPS, AND ALL CAN ENJOY LOTS OF ICEE TEA, A POPULAR DRINK WITH BOTH TEEN AND THEIR PARENTS.
