Awards Mark HFB Meeting

The Hansford County Farm Bureau conducted its annual meeting Oct. 20 in the La Casita room of the Gruver State Bank with Board President Delbert McCloy presiding over reports, presentation of awards and ratification of by-laws and resolutions.

In addition to President McCloy, other directors present were Willard McCloy, Aubrey Rasor, Jim Davis, Robert Novak, Jim Brown and Elmo Dahl. Guests introduced were State Director Jack Osborne and his wife, Nell, Pampa; District Field Man Bob Law, Canyon; Insurance Agency Manager Melvin Bradley and his wife, Phyllis; Agents Danny Hendricks and David Turner and Office Secretary Carole Howerter.

Andrea Archer was named Hansford County 4-H Girl-of-the-Year and Rodney Daly Clawson, 4-H Boy-of-the-Year.

Terri Burgess was named Spearman FHA Girl-of-the-Year and Greg Odegard, Spearman FFA Boy-of-the-Year. Mindy Gammon and Alan Gilbreath were their counterparts at Gruver.

The Hansford County Farm Bureau women's committee presented the Book Scholarship Award to Mike Barber.

The women's committee also presented a \$50 check to the Golden Spread Senior Citizen Center for a sustaining membership.

Presenting these awards on behalf of the committee was Mrs. Willard McCloy, president.

State Director Osborne gave a report on the wheat and feed grains tour at Houston this past summer.

Field Man Law reported on the Citizenship Seminar conducted at Waco. Hansford County Farm Bureau sponsored three students to this seminar: Jeff Lackey and Todd Williams, Gruver and Jimmy Haden, Spearman. Lackey and Haden were present at the convention to tell of their experiences at the seminar which centered around

Communism, Free Enterprise and the Constitution.

Resolutions passed at the county conclave were, for the most part, approbation of the state stand on a number of issues affecting agriculture and related fields.

Among these were the perennial Farm Bureau hard line stand on the conviction that deficit spending on the part of government-state and federal-was the leading cause of inflation.

The Hansford County organization supported the state stand demanding a five cent tax rebate on gasahol over a five-year period. Then Farm Bureau would then have it reduced one cent per year until there was no tax on the gasoline-alcohol blend of motor fuel.

Another resolution went along with a stand Farm Bureau has taken at all levels and has actively fought to support it: that of keeping the federal government out of land use planning.

The county unit also went along with state and national Farm Bureau policy of opposing the windfall profits tax because of the unfair burden it imposes on royalty owners and independent producers in ratio to the levy against the major oil companies.

The stand each county Farm Bureau organization takes annually on such issues has direct bearing on the official stand adopted at the state convention later this year.

Rarely is there anything but accord between county and state organizations in Texas but there have been instances in the past when state organizations were of divergent convictions of those of the national organizations in Texas but there have been instances in the past when state organizations were of divergent convictions to those of the national organization on isolated issues because of the vast divergence of agriculture across the nation. None of these have ever been strong enough to cause a schism.

City Pays Off Projects

At a special session of the Spearman city council, Thursday morning, all resolutions were approved finalizing the new airport for the city and the building that will serve as the central fire station.

First order of business was a resolution (12-80) authorizing the city manager to enter into an interim financing agreement with First State Bank, Spearman, for the sum of \$93,428.64.

Purpose of this agreement is to provide funds for payments due on the airport and fire station until the grants-already approved-are delivered as funds to the city. It is a universal condition of all such grants that they will be made only after work is completed. Financing of the two projects will be exactly as presented by city leaders on a number of occasions. The move is a matter of meeting required conditions leading to funds for the projects rather than incurring a separate debt for which the city is responsible.

Following approval of this resolution, the council was able to move to approve resolutions finalizing payments to the firms involved.

There was one other technicality to be approved as resolution 14-80, a change order

amounting to an expense of \$665 in the construction of the fire station.

All this cleared the way for the council to consider resolution 13-80, final payment through certificates of obligation to the four firms involved in the two projects.

Final payment to Traeco of Dumas was in the amount of \$54,805.63. To the firm of Lee Millican, \$168,034.18. Final payment to the engineering consultant firm of McMoris and Burns was \$3,000. A final payment of \$4,270 went to Baker and Associates, the Amarillo financial consultant firm to the city of Spearman in the matter of certificates of obligation and prosecution of the two projects: the municipal airport and the fire station structure.

The special sessions have been conducted in the morning to allow the firms involved to convert their certificates of obligation-tendered and accepted in payment-at the local bank before the close of banking hours.

Underlying the business of the special session is acceptance of the fire station structure allowing the Volunteer Fire Department to proceed with the move to the new facility.

JOHN ANDERSON, MY JOE-JOHN--This trio of young ladies were not thinking of the lines from Scottish poet Robbie Burns when they cried vehemently: "Anderson all the way!" --And they put their money where their-uh-convictions were, purchasing an ad in the interest of the independent candidate for President of the United States. The trio arrived at their sincere, well thought out convictions through debates staged at school with teams representing each of the three candidates.

From the left, Ray Baxter, interviewer; Teresa Tindell, Stephanie Fremel and Karla Latta. Teresa and Karla placed the Anderson ad. With school learning projects making this much impact on students, if our government of, for and by the people endures, there are going to be some knowledgeable, involved people. These girls were an inspiration and delight beyond the normal frivolity for their peer group.

North Plains International Hosts Annual Fun Breakfast

North Plains International and its courteous crew were official hosts this year to some 150 people who packed the Catholic Parish Hall for the annual Fall Fun Banquet of the Spearman Chamber of Commerce, Thursday morning.

Kent Guthrie and Jim Benson, as masters of ceremonies, guided the entertainment and the hi-jinks of the morning skillfully to include every person present in the hilarity at one point or another--even if it was just to establish the champion "laffers" present. (This was not an official contest of the morning but the sure-fire sign everybody was having fun.)

Coaches, the varsity squad and the cheerleaders of the Spearman Lynx were introduced. According to present standings--until Friday night--the Lynx are crowding Perryton for the conference crown.

A portion of the cast of the perennial hit, "Oklahoma" entertained proving the production is as pleasurable now as its first-time production years ago.

The \$25 cash prize went to Dee Allen Miller.

\$75 cash prize went to Baker & Taylor.

All this fun and frivolity revolved around a sumptuous breakfast of ham and eggs, hot biscuits and gravy, juice and steaming hot coffee.

Members of the Women's Division of the Chamber of Commerce, Chamber Ambassadors and local JayCees all had a part in the kitchen and serving chores.

"Doc" Novak was unofficially vested with the title of Chief Cook.

Those attending, Thursday morning, who had attended in previous years, called it the most successful of the annual

events to date. However, it was also noted this was the compliment each year--which should certainly prove it does get better and better.

Congratulations to the members of the Chamber in general and North Plains International in particular for bringing this bright point in the year to pass.

Thunderbird Ball

Rho Rho, Xi Zeta and Preceptor Epsilon have joined together to raise funds, as a community project, for the Hansford County YMCA. A Thunderbird Ball will be held on Saturday, October 25. The event will be in the B & B Industries building. Decorations will carry out a western theme, with Sutpens providing the buffet nad Eloy and the Troubadours providing

BEWARE OF MATTRESS SMOLDERING

The situation is more commonplace than it should be. A smoker is awakened in the morning by his alarm and discovers a smoldering hole in his mattress caused by a burning cigarette. He pours some water into the black hole, assumes it is out and goes to work. Upon his return, he finds his home is in ashes.

In upholstery and mattresses, smoldering usually occurs deep within cushions or padding and can branch out in several directions. For this reason, it may go undetected if left alone. Smoldering can continue for hours. Eventually as heat builds up, the smoldering material will burst into flames. Pouring water on smoldering bedding or upholstery is like treating the symptoms without curing the disease. You can't be sure that enough water will penetrate deep enough or far enough. To be sure smoldering is completely extinguished, call the fire department. They know what to do and will not think you are overly cautious.

Roger Jones Award

by: Garey von Netzer
Globe-News Sports Editor

Texas Tech senior linebacker Roger Jones of Spearman traveled to Rice Saturday, October 18, but not to play in the Red Raiders' 10-3 win.

The former high school all-stater now is hobbling on crutches with his knee in a cast after surgery to repair an injury suffered in the September 27 Baylor game at Lubbock.

Jones' playing career ended with that injury.

He'd already undergone surgery for an injury to his other knee. He's scheduled to be graduated from Tech in December. Jones stuck around for a fifth football season to go out after using his final year of eligibility.

Jones is an outstanding individual from an outstanding family. His brother, Jim, is the defending Missouri Valley Conference Decathlon Champion with even bigger and better days ahead at West Texas State. His sister, Rhonda, was an outstanding basketball player at Spearman High School.

Roger won't soon be forgotten at Spearman High School.

There's even an award given annually in Roger's name at Spearman High School.

"The award goes to someone with outstanding athletic ability and superior scholastic achievement, and the award is named for Roger because he was the first recipient," says Spearman superintendent of schools, James Cunningham.

"Roger (also a standout basketball player and trackman) was our valedictorian his senior year.

"Roger is one of those who's the ideal kind of high school kid. He's a good Christian young man. Nobody ever worked any harder in sports around here. He never missed a practice for any reason, and I guess he had something like a 96 grade average."

The second recipient of the Roger Jones Award was Cunningham's son, MARK, a Texas Tech student. In 1978 JIM JONES and RANDY REID shared the award. In 1979, SCOT MARTIN was the winner, and last spring, it was KYLE BEEDY.

"When you look at the kids who've received the award," says Cunningham, "you could line them up on the football field and be competitive every year."

Not often is an award established in someone's name so quickly, but in this case, it couldn't be more appropriate.

To be in Spearman

Amarillo...State Senator Bob Price will be in Spearman on Tuesday, October 28, 1980, at 7:00 p.m. for a townhall meeting in the hospitality room of the First State Bank. The meeting is open to the Public.

Price is up for Re-election as the Senator from the 31st District in Texas. Price, a long-time farmer and rancher in Pampa, was elected in a special election in November of 1977. Price served on the Human Resources, Natural Resources, and Economic Development committees. He was Vice-Chairman of the subcommittee on water. Previous to being elected state senator, Price served in the United States House of Representatives for eight years.

Golden Spread Center News

In spite of Moonlight Madness and the last game of the World Series on TV, fifty-five people gathered at the Golden Spread Center on Tuesday, October 21, for a covered dish dinner and thirteen tables of bridge, canasta, cribbage, dominoes, forty-two, eighty-eight, pitch, and skip-bo. Presbyterian Women furnished meat dishes and desserts. Ed Freeman led the prayer of blessing on the food. Joan McClellan was there to take everyone's blood pressure.

Fifteen fortunate friends went on the Golden Spread Center's van-bus to Amarillo on Friday, October 24, to the Country Squire Dinner Theater to see Gilligan Star, Bob Denver, in the mystery/comedy "Catch Me If You Can".

Table games will be played on Monday afternoon, October 27, from 2:00 to 5:00 p.m. and Tuesday evening, October 28, beginning at 6:30 p.m.

Wanda Brown will be driving the Golden Spread Center's van-bus on Wednesday, October 29, from 9:00 a.m. to noon picking up the sixty plus bunch and taking them shopping, on errands, and to meet appointments. This service is offered free to anyone who is sixty or older without discrimination as to sex, color, race, religion, politics, or handicap. People needing transportation should call the Golden Spread Center (9-3521) on Tuesday and get your name on the list.

Marv Hendrickson and Martha Batton will be leading arts and crafts at the Golden Spread Center on Thursday, October 30, from 10:00 a.m. to 5:00 p.m. There will be a break at noon when all participants will sit down to a bounteous, covered dish luncheon.

Halloween, October 31, will be celebrated at the Golden Spread Center with all kinds of fun games from 2:00 to 5:00 p.m.

Golden Spread Center is located at 14 S. Haney and is open to everyone who is fifty-five years of age or older Monday through Friday from 9:00 a.m. to 5:00 p.m.

It is forbidden by law for a French butcher to stock chopped meat; he must chop it fresh for each customer.

The Spearman High School Choir is holding their second annual Haunted House on October 25. It will be held in the old house behind Ideal at 21st & Barkley from 6:30 to ? Admission will be \$1.00 per person.

"Blessed is The Nation Whose God is The Lord"

This is the most important election ever to be held in the history of the United States. It will determine the destiny of this nation. The Bible says, "Blessed is the nation whose God is the Lord." As you pray for this nation, pray that the leaders that God has anointed will be elected. Then seek His face and listen to the voice of His Spirit as to who to vote for. In John 10:4, Jesus says, "My sheep know my voice...and the voice of a stranger they will not follow." Jesus sent the Holy Spirit to us so that we might be guided into all truth (John 16:13).

The following prophecies are words placed in the mouth of God's servant by the Holy Spirit to be spoken to this nation:

"My anointed shall be elected only if my people which are called by my name shall humble themselves and pray, and seek my face, and turn from their wicked ways, and believe that I will heal their land. I am not a man that I should lie. My word does not return to me void. Pray and confess my word over this election, over the voters and those who will be voted for. I will not fail, if you will not fail, to pray and to vote as I direct you," saith God.

The President for the Chamber of Commerce for 1981 is Dick Elbert; Ray Ingle is First Vice President; Monty Blackman is Second Vice President and Judy Nelson is Treasurer.

The new directors are Monty Blackman, Judy Nelson, and Doug Steger. They will serve a three year term. This year we will have three honorary directors. The President of the Women's Division, President of the Student Council and President of JayCeers.

Spearman will be boasting beautiful new Christmas Decorations this Christmas. There are thirty-two pole decorations which will be placed on poles from the Dairy Queen to Crazy Corners and on Main Street we also will have an intersection decoration with a beautiful tree on top. The city is paying for half of the decorations. Donations from businesses and Merchants Committee would like to thank the following for their generous donations: **Wardrobe Cleaners, B & B Sales, Hekerson Jewelry, Hansford Implement, John L. Hutchison, XI Zeta, David McClellan, M.D., Brock Insurance, Jr. Lusby "Cats", Buzzard Farms, Berry Cleaners, North Plains International, Inc. First State Bank, Dairy Queen, Beedy Furniture, Consumer Sales, Cut Rate Thriftway Grocery, & Hergert Buick Pontiac GMC.**

Please make your donations at the Chamber of Commerce office. It has been several years since we have had new decorations. Let's all pitch in and help make Spearman festive for holidays.

Extension Club

The Town and Country Extension Home Club met October 21 in the home of Judy Hergert. Lena Renner called the meeting to order.

Minutes of the previous meeting were discussed and treasurer report given. Roll call was answered with members showing some Christmas item they had made.

Judy Hergert gave the devotional and she also reminded members to pay dues.

A thank you note from Joan Brown was read. Everyone was reminded of the membership tea to be held October 30.

Cheryl Blankenship was elected to be the Vice President for the New Year, to take the place of Stephanie Brock who is going to move.

Lena Renner and Penny Ralston will attend the PEA Meeting to be held in San Antonio.

Stephanie Brock gave the program on Christmas decorations which was very interesting.

The next meeting will be in November with Lena Renner. Members present were Joan Brown and Ashley, Cheryl Blankenship, Stephanie Brock, Kay Crocker, Lean Close, Judy Hergert, Cindy Holton, Janie Kunselman, Lisa Pipkin, Penny Ralston, Lena Renner and Connie Steger.

Pringle-Morse Carnival

The Pringle-Morse school will have their annual Halloween Carnival Thursday, October 30, at Morse.

The cafeteria will open at 6:00 p.m. Hamburgers, Hotdogs, Chili, Stew and much more will be served.

The booths will open at 7:00 p.m. Some of the booths include Fishin' Booth; Dunking Board; Hydrogenated Balloons; cakewalk and many more.

The carnival is a school/PTA sponsored activity.

EVERYBODY IS WELCOME TO COME AND JOIN THE FUN!!

Nutrition with 4-H

Television and classrooms will team up again in the Texas Panhandle during October and November, providing youths in fourth through sixth grades a two-pronged program to help them learn about nutrition while having fun.

For six weeks, the fast-paced color television production of "Mulligan Stew," produced by 4-H, will be broadcast each Saturday afternoon on KAMR-TV, Channel 4. Classroom projects the following week will emphasize key points about nutrition which were presented during the week's entertaining broadcast.

The program will be seen on Channel 4 at 12:30 p.m. each Saturday on Oct. 25, Nov. 1, Nov. 8, Nov. 15, Nov. 22 and Nov. 29, said Dr. Martha Couch, area 4-H specialist with the Texas Agricultural Extension Service. Four-H is the youth program of the Extension Service.

Participant school districts will use supportive materials which are part of the program package to involve students in classroom discussions, reading and other projects to teach nutrition needs, food selection, menu planning, shopping, preparation and supply. Special workshops have been held for teachers to help them coordinate the broadcasts into classroom learning activities.

"This is a cooperative effort between the school districts, the television station which is providing air time, and the 4-H and Extension programs," Dr. Couch said. "Although the programs are especially designed for youngsters in fourth through sixth grades, everyone is welcome to watch and I think all ages will find the television programs entertaining and educational."

"Mulligan Stew," in addition to being the name of the TV show, also is the name of a five-piece kids' rock band which is the principal cast of the series. Another regular on the show is the band's zany friend, Wilbur Doorright. He brings a nutrition assignment from "upstairs" as the group does a takeoff on the old "Mission Impossible" TV secret agent series.

In addition to the escapades of the young actors, each 30-minute segment utilizes puppets in a "Sesame Street" atmosphere, original music and lyrics, and interviews with astronauts, scientists and food authorities.

Students who participate will receive a guide, in comic book form, which provides numerous activities to reinforce and extend the educational value of the series. At the conclusion of the series, participants will be eligible for a certificate and membership in the "Mulligan Stew 4-H Club." They also will receive a colorful poster for their home.

The series deals mainly with good nutrition and eating habits. A constant theme is 4-4-3-2, which refers to the number of servings from various food groups to be eaten daily for proper nutrition. They include four servings of fruit or vegetable, four servings of bread or cereal, three servings of milk, and two servings of meat.

The Spearman Music Club will meet on Tuesday, October 28, at 7:30 p.m. at the home of Altha Townsend. Final preparations will be made for entertaining the twentieth annual convention of the First District of the Texas Federation of Music Clubs to be held in Spearman Saturday, November 1. Co-hostess will be DeAnn Dunnihoo.

Guest Day

The Extension Homemakers will have a guest day, a special coffee will be held Thursday, October 30, from 9:30 a.m. to 11:00 a.m. in the Extension Homemakers Club Room.

A special program on "String Quilting" as it is used in clothing, home furnishings, and Christmas ideas will be presented by Betty Sterquell owner of "Quilts, Etc." in Amarillo.

A special invitation to all homemakers is extended.

Pearl Pierce Delegate

Pearl Pierce, director of the Golden Spread Center, has been chosen as a delegate to the Rural-Mini conference by Texas Green Thumb sponsored by the Texas Farmers Union to be held November 12-14, 1980 in Oklahoma City, Oklahoma.

This mini-conference offers rural Texans the opportunity to formulate policies for submission to the White House conference on Aging committee.

Lutheran Church News

Coming very soon we all have a right and privilege to participate in the forming of our government for the next four years. The temptation of a pastor's (church leader's) part is to try to impart the virtues of one candidate over another in order to try and win him votes. This year the two (and a half) major parties have lessened that temptation somewhat by selecting the candidates that they did. Even though they have done this the temptation still remains. Martin Luther, a Christian theologian states, "God has ordained two governments: the spiritual...and the secular." (Luther's Works, vol. 45, pp 88-91) "This secular government serves to preserve external secular righteousness; it also preserves this physical, earthly, temporal life and thereby preserves the world. The spiritual government helps men to achieve true Christian righteousness and therewith eternal

life; it thus serves the redemption of the world." (The Ethics of Martin Luther, p 45) Further reading of these statements sets the secular government (local, state, national, etc.) apart from the spiritual government: the Christian Church under God. If I, as a church leader, speak for one candidate and against another I am thereby mixing two items not intended to be mixed. While it is true our United States Constitution was based on a belief in God, it was written as part of the secular world's government. Our country now stands as a representative of many different religious denominations and it cannot be written by Christians to rule non-Christians, just as it cannot be written by non-Christians to rule Christians. The secular government must be of this world and related to matters of this world.

The so-called "Moral Majority" party does not represent a strict Christian viewpoint. As a person who believes in Jesus Christ as my Lord and Savior, I am a Christian. The Lutheran, Catholic, Methodist, Baptist,

presbyterian and/or other Christian denominations are no less or more Christian than any other because we all unite around our Lord Jesus Christ. It is inappropriate for church leaders to demand that you vote one party over another party. The "Moral Majority" is a group of people who have banded together to create another political party and not a "Christian" party. It is purely a design that all members are Christian, but that does not mean that all members of any other party are therefore non-Christians.

All men and women are sinners and as such our opinions differ. As a church leader from the local community, I urge you not to vote one party or candidate over another party or candidate. However, I do urge you to exercise your right and privilege in this "free land of liberty" and vote for the candidate whom you believe will serve the common good of all people. Vote and keep American a land of people free to think as they believe and not as they are told.

Peggy's Pointers

Planning to include apples in your holiday snacks and meals? You made a great choice! Apples are "enjoying" a record crop now for the third year in a row--and they're "holiday delightful."

Apples--with only 70-80 calories--are a nice change of pace from high-calorie sweet desserts. They supply needed vitamins and minerals and fiber. Their crunchiness has a cleansing effect on the teeth and gums, too.

To store apples, choose the refrigerator, as it's the ideal place. Apples stored in a plastic bag maintain quality, juiciness and crispness. Remember, apples ripen about 10 times faster at 70-75 degrees F. than at 32 degrees F.

Among the most popular varieties of apples are Red Delicious, Golden Delicious, McIntosh, Rome and Jonathan. Here's a brief look at these varieties:

RED DELICIOUS--are the ones with the five distinct "knobs" on the blossom end. They are generally a dark, brilliant red, but sometimes, they're light red with bold stripes and tinges of yellow-green.

The Red Delicious is sweet, crisp and juicy with a mild aroma--it's a good eating apple. Also, it's a low-acid apple.

GOLDEN DELICIOUS--apples stay whiter longer than other varieties, making them excellent selections for salads and fruit cups.

This yellow to yellow-green variety is crisp, tender, sweet, juicy and not acidic.

Golden Delicious is an all-purpose apple, good for eating, cooking and baking.

MCINTOSH--bright red in color, sometimes with greenish-yellow stripes, is a thin-skinned apple, and the skin separates readily from the flesh.

This one is juicy, crisp, medium-acid and very aromatic.

It's another all-purpose variety--but watch cooking and baking time to prevent overcooking this tender apple.

ROME (OR ROME BEAUTY)--can grow to be quite large.

This red apple is firm and heavy with a mild flavor and medium-acid taste.

Rome apples show off their flavor best when cooked or baked--and they hold their

shape well during cooking.

JONATHAN--is a small-to-medium-size apple, bright to dark red in color.

An all-purpose apple, it's excellent for eating, baking and cooking.

The Jonathan is tender, juicy, moderately tart and very aromatic.

Now that you're well-acquainted with these most-popular varieties, enjoy the "holiday-delightful" eating with this abundant fruit.

Presbyterian Church News

In all Presbyterian churches Sunday, October 26, is being observed as a Day of Prayer for Repentance and New Life.

There is a Sunday Church School class for you, regardless of your age, every Sunday at 9:45 a.m.

"The Demand for Reform" is the subject of Pastor Edward D. Freeman's sermon at the service for the public worship of God on Sunday, October 26, at 11:00 a.m.

The annual congregational meeting to elect new officers and to adopt the budget for 1981 will follow the morning church worship service on Sunday, October 26. This, in turn, will be followed by a family covered dish dinner.

Dr. Richard G. Hutchesson, chairperson, Office of Review and Evaluation of the General Assembly of the Presbyterian Church, U.S., will be addressing a popular meeting for all the churches in Area I, at the First Presbyterian Church of Amarillo on Sunday, October 26, at 7:00 p.m.

Women of the North East Cluster will meet at the Trinity Presbyterian Church in Perryton on Wednesday, October 29, at 11:30 a.m.

There is a warm, Christian welcome awaiting everyone who attends any of the services and activities of the First Presbyterian Church.

La Leche League

Mothers interested in information about breastfeeding are welcome to attend the next meeting of the Spearman La Leche League. It will be held on Monday, October 27, 1980 at 9:05 S. Haney at 10:00 a.m. For further information call 659-2794.

Spearman drops "classic" to Perryton

There were no losers in the Spearman-Perryton football game at Perryton Friday night. The Lynx came up short 13-7 on the final score, but both teams played "superbly" and the game finally was won by the Rangers.

Perryton scored in the fading seconds of the game to win, but the Lynx almost won the game! Both teams scored in the first quarter, and each had about the same number of first downs and penetrations! However, the classy Rangers and Lynx put on a "real football show" for the sell-out crowd, played under perfect weather conditions!

The victory left Perryton in sole possession of first place in loop play. The Lynx are 1 and 1, and still could win the district if Perryton loses 2 games, and the Lynx win the rest of theirs!

Perryton took a 7-0 lead with 8:01 in the first period. Spearman roared back and tied the score to end the first half 7-7.

Jeff Lackey led the visiting Lynx in rushing with 56 yards on 14 carries!

The Spearman-Perryton series is 19-6-3! The Rangers journey to Boys Ranch next Friday and the Lynx will rest up for a week!
