## Improved Lynx Hold Canyon To 6-0 In Defensive Battle

A rugged defense, a strong punting game and improved offense kept the Spearman Lynx in the game Friday night as they fell before the highly favored Canyon Eagles, 6-0.

Canyon dominated the offense, but the Lynx defense rose to the occasion to hold off several Canyon threats until midway of the final quarter when Canyon finally pushed over one touchdown.

Spearman threatened once at the end of the first quarter, but failed to push the ball in for the score.

The threat was set up at the Canyon 41 when Hal Shufeldt jarred the ball loose from Canyon's Charles Bussey and Joe Vanderburg pounced on the fumble.

Shufeldt, Jerry Holton and Charles Shieldknight pushed the ball down to the 20, then Shufeldt was swarmed under for a loss. Shieldknight managed to get 13 of the needed 16 yards, but on fourth down he was short of the needed three yards and the drive died.

Canyon started a drive that went to the Lynx 22 before it was killed. Canyon's big Joe Moore was the big runner in the drive and all night. He also caught a 23 yard pass from Sherman Smith in the drive.

Canyon's drive was killed when Gary Cates intercepted a pass on the Lynx four on fourth down.

Holton banged out eight on the first effort, but fumbled on the next try and Canyon recovered.

Moore and Bussey could not go so Smith went to the air. Cates and Wesley Jenkins broke up one at the goal, then Bobby Smith knocked down a fourth down effort.

Tackle Randy Moore again punted Spearman out of the hole.

Smith passed and ran the

Eagles back into threatening territory, but at the Lynx 25, Smith was rattled loose from the ball and tackle Ronnie Gilbert recovered for Spearman. Shieldknight hit Bobby Smith for a nine yard gainer and Shufeldt and Jenkins moved it out six more yards on two tries as the half ended with the score 0-0.

The Lynx came back fired up and Holton and Shufeldt pushed it down to the Canyon 38 where Holton quick-kicked for coffin-corner, but the ball went into the end zone.

Spearman and Canyon exchanged punts, then late in the third quarter Canyon started a drive on their own 24 that went to the Lynx eight.

At the 15 \* Spearman defender and an Eagle receiver caught a pass together and the Lynx took the ball away from the receiver, but the official ruled a simultaneous catch with the ball going to the offense.

Canyon drove to the Lynx eight before Mike Hendrick and Steve Holton caused a fumble and recovered for Spearman.

Spearman punted on third down and Canyon started their scoring drive from the Eagle 49. Moore and Bussey lugged the ball downfield and Moore scored from the two through a stack of defenders. The drive took 13 plays.

Spearman put the ball in play at the 33 and Jenkins picked up 12 in one jump. Then Smith got five before a fumble put the Lynx back one yard. Shieldknight missed on two throws and Canyon took over.

They got to the Spearman 17 before two passes fell incomplete to halt the drive. Spearman got off two plays before the final gun sounded.

## Quince Thorne Rites Today

Funeral services for William Quince Thorne, 80, will be conducted at 2 p.m. Sunday in the First Methodist Church of Miami with the Rev. D. D. Creecy, pastor, officiating.

Mr. Thorne died at 3:05 a.m. Friday in the Worley Hospital in Pampa.

He is a former resident of Spearman and lived here from 1926 until the family moved to a ranch near Canadian in 1926. His children attended school in Spearman.

He is survived by his wife, Ruby; a daughter, Mrs. Wila McDaniels of Pampa; sons, Garland of Pierce City, Mo., Albert of Canadian and Bill of Amarillo; sisters, Mrs. Neely Nelvins of Muleshoe, and Mrs. Arthur Brewer of Abertamy; a brother, D. B. of Odessa; nine grandchildren and two great-grandchildren.

## MRS. JOHNSON'S RITES PENDING

Funeral services are pending in Perryton for Mrs. Alma Johnson. Mrs. Johnson died at 12:05 p.m. Saturday in Pioneer Manor in Spearman. She had lived in the home for almost one year.

## Burglars Hit Three Businesses

### In Spearman, Gruver Thursday

Burglars were at work Thursday night in both Spearman and Gruver.

In Spearman the burglars broke into the City Hall business office with the police station in the other end of the building. They also broke into Gifford-Hill Western offices on the Gruver highway.

At Gruver, the burglars broke into Wards Supply and took eight rifles, according to Sheriff J. B. Cooke.

City Manager Darce Foshee

said the burglars jimmed the front door of the city hall and tried to open the vault door.

They went through the desks and cabinets looking for money, but did not find any. They left or missed several battered coins Foshee had recovered from the water dispensing machine, and had in his desk.

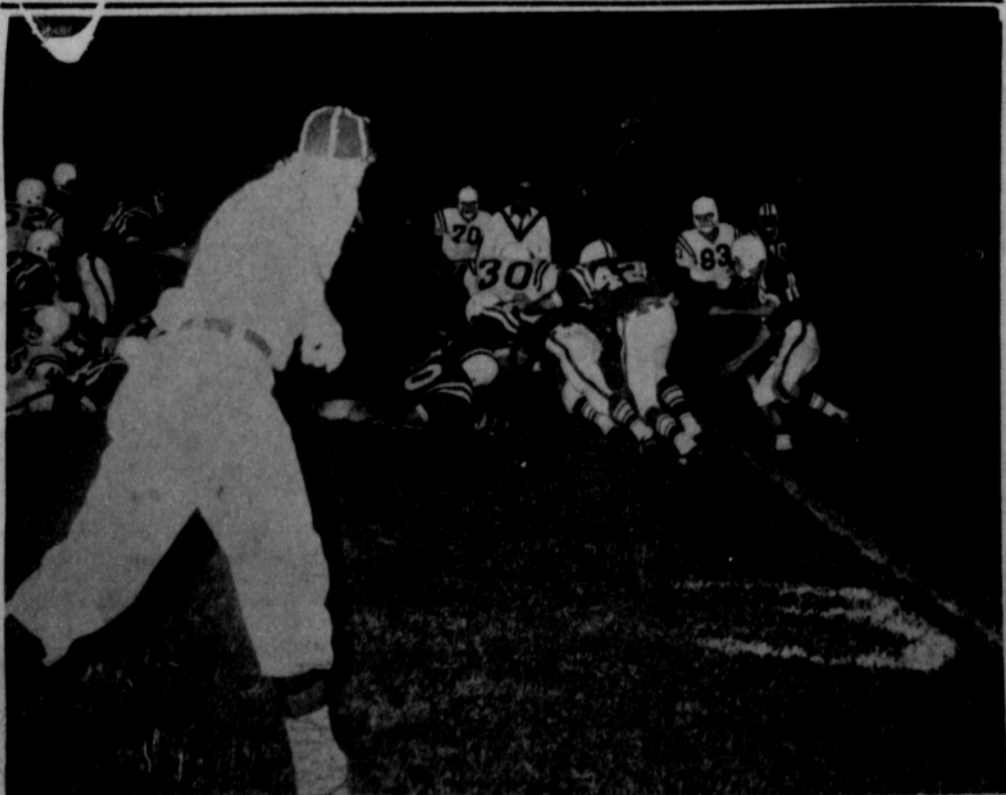

Sheriff Cooke said the Gifford Hill entry was more profitable for the burglars. They got between \$80 and \$90 from

the office.

All of the locked doors and filing cabinets were popped open.

Cooke said the burglars went in through a back door that someone forgot to lock when they left Thursday afternoon.

In Gruver the burglars broke in the back door of the building to take the rifles. That was apparently what the thieves wanted, because nothing else was bothered in the store.

NO MOORE - Canyon rambler Joe Moore is pulled down by Charles Shieldknight (10), Gary Cates (20) and Bobby Smith (42) after the big fullback picks up about five yards. Canyon won the game 6-0 Friday night in Buffalo Bowl.

LYNX LUMPED - Quarterback Charles Shieldknight is pulled down by a Canyon Eagle as he tries to roll out for some yardage. The Lynx played the AAA Canyon Eagles a hard game before falling 6-0. Plainsman photo

RAMBLER Spearman Eighth grader Tommy Loveday makes his cut up field and tries to avoid a Borger defender. The young Lynx beat the strong Borger team 8-0. Loveday scored the Spearman touchdown.

# Undefeated Eighth Grade Lynx Defeat Borger Team 8-0

Spearman's Eighth Grade Lynx came to life in the second half and defeated the Stephen F. Aust Eighth Grade from Borger 8-0 here Thursday afternoon.

The two teams went at each other rather slowly in the first half, but things picked up in the second 16 minutes of play. Spearman got their big break in the third quarter when center Tony Harper pounced on a fumble deep in the Borger end of the field.

After one play the officials ejected a Spearman and Borger player for exchanging blows and this apparently brought the Lynx to life.

Coach Jerry King sent in a substitute for the ejected player with the instructions "get in there and block someone."

Apparently the entire squad carried out the orders for full-back Tommy Loveday found plenty of blockers as he raced around the left side to score from 18 yards out.

With the score 6-0, Quarterback Robert Archer gave James Ray Lyon the ball and he ripped straight ahead for the two points.

In the fourth quarter Spearman got another chance to score, but failed. Lyon intercepted a Borger pass on the Borger 30 and ran it back to the Borger two before being dropped.

Lyon got some good down-field blocking after picking off

## Program Will Feature Buck's New Coach

CANYON--Coach Sherrill Bottoms, whose White Deer Bucks have opened the 1966-67 season with two convincing victories, will be the guest coach on the Joe Kerbel show Monday night.

The show, a favorite among West Texas Buffalo football fans, will be telecast over KFDD-TV, Channel 10 Amarillo at 10:30 p.m.

White Deer was stopped one notch short of a state title last season and is again picked to be the top team in District 1-A. The Bucks return six offensive and four defensive starters from last season's 14-1 team. So far this season they have routed a respectable Boy's Ranch team 49-6 and blasted Panhandle 27-0.

Monday night's show will also include an interview with outstanding Buff players, film highlights of the University of Pacific game, and Kerbel's usual candid commentary.

the pass. After the game he said "I saw the five yard line on the floor and thought I was going to make it, then I got hit."

Spearman failed on a couple of wide sweeps and lost ground, then Borger took over on downs. They got the ball out to midfield before giving it up on a fumble again.

Henry Flores drove Borger back into the hold with some darting runs through the Borger line. The little back scampered around and under the big Borgans for good yardage.

A shirrtail tackle probably saved the game for the Lynx early in the third quarter. Borger was moving the ball on

## Freshmen Lynx And Gruver Deadlocked 0-0

Spearman and Gruver's freshmen football teams battled to a 0-0 deadlock Thursday afternoon in Gruver.

Coach Eddie Clemmons said Spearman threatened one time when they had a first down inside the Gruver 10 yard line, but the Lynx were unable to push the ball into score.

power sweeps when one of their backs broke free. Little Frank Lemons was the

only one left and he was able to get only a shirrtail, but he brought the big boy down with

it. After the game Coach King said if Borger had scored on that play they would have been hard to catch. The score was 0-0 then.

King commended all the boys, but said Flores was outstanding with his running and also played good defense. He also pointed out good defensive playing by Rodney Schroeder and Frank Lemons.

The entire Lynx secondary did a good job of covering the strong Borger passing attack.

This was by far the best team the Lynx have faced this year. They were unscored on last year in seventh grade district play.

Mrs. R.E. Lee, who underwent surgery at Penrose Hospital in Colorado Springs Tuesday is reported to be going fine. Her room number is 607.

Mr. and Mrs. Roscoe Nelson went to Sedalia, Mo. last week to visit his mother, Mrs. N.P. Nelson who is in the hospital with a broken hip. They returned home Monday.

## Fall Festival Planned By Waka Parent-Teachers

The Waka P-TA met for the first meeting of the 1966-67 year Monday night with Mrs. David Wilson, president, presiding.

The budget was voted on and approved. A Fall Festival will be held at the school Oct. 22 with booths along with a "Country Store" with home made items to sell.

Members will vote on changing the meeting date from the third Monday to the first Monday of each month at the next meeting.

The poster contest will start at the October meeting. J.H. Jackson presented the program assisted by each fac-

ulty member. The topic was "A Year for New Learning and Growth". Mrs. Neal Thompson gave a report on the new reading methods with her first and second graders helping. A report on the new English was given by Mrs. Clyde Yeary, third and fourth grade teacher. The new math was explained by Mrs. Harold Marshall. The physical education report was given by the coach, Harvey Wilson. A language arts report was given by Mrs. Lawrence Lehman of the upper grades.

Messrs. and Mmes. David Wilson and Rafor Clark were on the social committee for the evening.

**Heart Ass'n.  
To Meet Tuesday**

Hansford County Heart Association will meet Tuesday, Sept. 27 at 7:30 p.m. in the bank building. Anyone interested is urged to attend.

**Mrs. Reeves Is  
Circle Hostess**

The Susannah Wesley Circle met Wednesday morning at the parlor of the First Methodist Church for their regular meeting with Pat Reeves as hostess. Mrs. Reeves also read the scripture. Donna Baxter presided at the business session.

Sherry Partridge continued the study "The Church Grows In Canada".

Beth Daniel closed the meeting with prayer.

Attending were Margaret Adamson, Donna Baxter, Beth Daniel, Virginia Head, Louene Hutchison, Judy Martin, Sherry Partridge, Patty Sheppard, Pat Reeves, Linda McLain, Lucile Lewis, Jan McIntire, Nellie Buchanan and Carolyn Messer.

Miss Polly McLain, a teacher in the Canyon schools was at the Spearman-Canyon game Friday night with her sister and family, Mr. and Mrs. J. L. Brock.

The Rev. William G. Hill

**Lutherans Will Install  
New Pastor October 9**

The Rev. William G. Hill will be installed as the pastor of the Faith Lutheran Church of Spearman in ceremonies October 2 in the church.

Dr. Vernon Moore, District President will conduct the installation services at 9 a.m. that day. There will be a din-

ner at the church at 1 p.m. It will be two firsts for the new church and its new pastor. This is the Rev. Hill's first church and he is the first full-time pastor for the Faith Lutheran Church.

The Rev. Robert Cordes served as pastor of this church and

**BATTED AWAY** - Bobby Smith (42) batted a fourth down pass away from Canyon Eagle Jack Swatzell at the goal line on fourth down. Canyon won the game 6-0. Plainsman photo

the Oslo Lutheran Church for more than two years.

The Rev. Hill was ordained into the ministry on Sept. 18, in the Beitel Memorial Lutheran Church in San Antonio by his father, the Rev. Wilson V. Hill. He was assisted by Dr. A. G. Wiederanders of Texas Lutheran College at Seguin. The new pastor here is a 1962

graduate of Texas Lutheran and holds a bachelor of divinity degree from Luther Seminary, St. Paul, Minn.

He served a year's internship at Our Savior's Lutheran Church in Spring Valley, Minn. Last summer he worked in clinical pastoral education at Lutheran Medical Center, Brooklyn, N. Y.

Mrs. Martha Delon Allison returned Saturday from a vacation at Eagle Nest, N.M., and Albuquerque, N.M.

**We Create Our Own Prosperity.  
Or Depression**

Many Tulians are industry-minded at the present time. Nearly everyone is concerned by the problems that face towns which have depended altogether on agriculture in past years, particularly those towns whose growth has been the result of underground irrigation. These are the only rural agricultural towns that have grown since 1950. Almost all agricultural communities in dryland areas lost population between 1950 and 1960.

Certainly no town can afford to be unconcerned about vacant store buildings when they appear. . . when large super market buildings remain vacant. They damage the commercial appearance of a town.

It is urgent that we seek those things which will increase our payroll and population, such as new industry.

But we become a little impatient when a person or town gets so busy running after big things, many of which are still in the dream stage, that he neglects the little things. It's like a person so busy hunting dollars, he neglects the quarters and half dollars in his path.

The only advantage that can come from new industry is the bringing of NEW dollars to Tulia, bringing NEW money into the area. We bring new money here when we produce agricultural products from the soil and market them out of county.

Then there is the constant outflow of dollars. When we buy a new car or combine, most of that money goes to Detroit, Moline, or some other such place. In other words, we have both the inflow and outflow of dollars into Swisher county. These forces fight each other. Our growth and prosperity result from the balance between these forces. When the inflow-outflow ratio improves, we grow and prosper. When it worsens, we lose population and business. The goal is to bring in as many dollars as possible while sending out as few as is possible.

This being the case, we see that there are other ways of growing and prospering in addition to bringing in new industry. Any time we can keep a dollar from going out of town, it has the same effect as bringing in a new dollar. It's the old "penny saved is a penny earned" principle.

So it is that many Tulians who mouth their desire for "new industry" are fighting the very thing they say they want. They do this when they send their laundry to Plainview when the service can be performed in Tulia, when they buy a new car in Amarillo instead of in Tulia (the amount they save on a new car IF they save anything is more than lost indirectly because it is money sent out of the community and gone forever. Had it stayed home, it would have circulated seven times before leaving town, thus contributing to the prosperity of the community including the one who 'saved' by trading out of town.)

The Christmas season is approaching. Much money will be spent for gift items. Isn't it worth it to try to lean over backward a little in giving the local merchant the benefit of the doubt. . . just for selfish reasons because you are concerned in the overall prosperity or depression of the community? The business you take out of town could spell the difference between a salary raise or no salary raise for your husband.

We have doctors and a hospital in Tulia. . . but there are those who think they have to go out of town for medical services available here.

But despite this, some Tulians for no really legitimate reason, will learn over backwards to send their dollars out of town, contributing to depression instead of prosperity.

One can't compel a person to do or not to do. . . anymore than one can compel a merchant to belong to the Chamber of Commerce. One can't even prevent a man from committing suicide.

We feel this way. . . if a town isn't good enough to trade in, it isn't good enough in which to earn one's wages.

---Tulia Herald

**BUMPER CROP** - Combine driver Kay Huse says it will not be long until the bumper Hansford County maize crop is ready to harvest. The high school senior drove one of her father's combines all summer in the wheat harvest and expects to work on weekends this fall. Plainsman photo

### Mrs. Etter Gives Review for Jr. Book Club

Helen Etter reviewed "A Woman of the People" by Benjamin Capps at the Junior Book Club meeting Monday evening in the home of Faye Lynch. Attending were Pat Donnell, Elois Renner, Barbara McClellan, Helen Etter, Mary Cornelius, Virginia Cates, Lois Gibner, a guest, Judy Wood and the hostess.

### Mrs. Lewis Is Bridge Hostess

Lucile Lewis was hostess for the Bid-A-Bit Bridge Club in her home Thursday evening. Mrs. Lewis had high score and Gwenfred Lackey had second high. Attending were Mmes. Lackey, Lemmie Russell, Carrie Marie Berry, Nikki Cotter, Vi Whitson, two guests, Faye Lynch, Kubah Gandy and the hostess.

### Mrs. Lyon Is Hostess For Fine Arts Group

The home of Mrs. P.A. Lyon was the scene for the meeting of the Twentieth Century Club, Fine Arts, on Thursday Sept. 22 at 2:30 p.m. Mrs. Tom Sutton, chairman, presided at the business and at that time, Mrs. Bill Reeves

was elected as the new vice president. Roll Call was answered with a suggestion of teen age responsibility.

The lesson was given in two parts with Mrs. D.E. Spoonemore talking on "Teen Age Drop-Outs" and Mrs. Jack McWhirter giving the part on "Teen Age Drinking".

The meeting closed by the reading of the collect.

Mrs. Lyon served refreshments to members, Mmes. Sutton, John Allen, George Buzzard, R.C. Fisher, Wesley Garnett, McWhirter, C.U. Pope, Chalmers Porter, T.D. Sansing, Spoonemore, Olin Sheets and V.N. King.

The next meeting will be on Oct. 6 with Mrs. L.S. McLain as hostess and the program will be presented by the high school speech department.

### Circle Welcomes New Member

The Methodist Church parlor was the meeting place for the Mary-Martha Circle of WSCS held Wednesday afternoon.

Mrs. Andy Rhodes presided in the absence of the president, Mrs. Roy Jones. The meeting opened with prayer by Mrs. P. A. Lyon.

Mrs. Joel Lee Lackey was study leader, giving the second lesson of the study of Canada.

Attending were Mmes. H. M. Shedeck, Andy Rhodes, P. A. Lyon, T.D. Sansing, Kenneth Williams, Pope Gibner and a new member, Mrs. Sam Patterson.

### Rites Held For Pioneer County Resident

Claude C. Powers, 80, a pioneer of Hansford County died Sept. 19 in Anaheim, Calif. Services were conducted Thursday.

Mr. Powers was the son of A.E. Powers and the family came to Hansford County in 1895. They founded the Powers Ranch north of Spearman on the Palo Duro Creek.

There were three sons, Claude, Emory and Sidney, and two daughters, Mrs. Elizabeth Jarvis and Mrs. Inez Allen in the family.

Mr. Claude Powers moved from Hansford County in 1936. He is survived by three sons, living in Anaheim, and one daughter in Houston and a brother, Sid, of Amarillo.

Mr. and Mrs. Ray Devers returned Sunday from a vacation spent in Burbank, Okla. with her mother and with his parents, Mr. and Mrs. O.A. Devers in Luther, Okla. They also spent several days with Mr. and Mrs. Bill Devers at Hereford.

#### NOTICE

A WMU Area Workshop will be held Monday, September 26 at the First Baptist Church in Borger. Those going will meet at the church at 8:30 and are asked to bring a sack lunch. The meeting will be from 9:30 until 2 p.m. A nursery will be provided.

#### Kentucky Has Two

Of only seven two-lettered place names in the U.S., two are in Kentucky: Ed and Us.

Fortune cooky message: "You'll meet a cute blonde."

You'll give her money. She's our cashier.

Anyone who can't lose for winning is merely passing through one of life's briefer moments.

### Waka PTA Group Has Meeting

The officers of the Waka PTA met in an executive meeting Wednesday, September 14 at the school library with Mrs. David Wilson, presiding.

During the meeting, it was decided that honorary memberships would be extended to new families with children in school for the first time.

A decision to change the coloring contest of last year to a room count for each P-TA meeting was voted on. This year, room winners will be awarded posters on Texas.

Those attending were Mmes. J.R. Stump, David Burger, Neal Thompson, Clyde Yeary, Raford Clark, B.J. Turner, Le Roy Reeves, David Wilson and Mr. J.H. Jackson.

Modern dress styles make one wonder what they'll be up to next.

### No Rough Elbows

To bleach out that gray rough look on your elbow, cushion a half of a lemon on the elbow for a few moments. After removing, rub elbow with rich cream.

### Lollipops at Home

Make frozen lollipops in your home freezer for the youngsters. Freeze fruit juices or chocolate milk in the ice cube tray, placing a stick in each cube.

### Tea Leaves for Stain

Place tea leaves on the bottom of a water pitcher and cover with vinegar to remove a line deposit. Let stand a little while, pour out, wash

## Teen Age Responsibility Is Discussed at Club Meet

The Home Science division of the Twentieth Century Club met Thursday afternoon, Sept. 22 at 3 p.m. in the home of

Mrs. J.R. Keim. Mrs. Johnnie Lee, chairman, presided at the business session.

Mrs. Carl Archer was program leader and gave the lesson titled "Teen Age Drinking".

Roll call was answered with suggestions for teen age responsibility.

Attending were Mmes. Wayne Hutchison, Joe Trayler, Dwight Hutchison, H.H. Chevalier, J.R. Stump, Frank Davis, C.A. Kleeberger, Fred Holt, Carl Archer, Nolan Holt, Lloyd Buzzard, Johnnie Lee, C.J. Renner and the hostess.

Some churches worry over how to get people to come to church regularly. Any farmer has the answer--put right kind of feed out, and the cattle will be there.

## Activities Set For Scouts By Leaders

The Neighborhood Scout Leaders meeting was held at the club house Monday, Sept. 19 with Margaret Evans as hostess.

Various activities were discussed and plans were made for the year.

The next meeting will be Monday, Oct. 17 with Jo Larson and Betty Davis as hostess.

Attending were Patty Sheppard, Jo Larson, Margaret Evans, Betty Davis and Mrs. Hull, assistant director from Guymon.

## Future Readers of The Plainsman

Mr. and Mrs. Lawrence Tindell are the parents of a girl born Sept. 21 in Hansford Hospital. She weighed 7 lbs.

## Officers Are Installed by Baptist WMU

The WMU of the First Baptist Church met Wednesday at the church for Mission Study and installation of officers.

The study "Great Is The Company" was under the direction of Mmes. Fred Holt, Wesley Garnett, J.D. Helms and A.F. Loftin.

A luncheon was held at the noon hour at which time Mrs. Holt gave an inspiring devotional.

Following the luncheon, installation was held led by Mrs. R.L. Uptergrove. Installed were president, Mrs. R.L. Uptergrove; vice president, Mrs. Dick Kilgore; secretary, Mrs. Wesley Garnett; treasurer, Mrs. Joe Novak; circle chairmen, Mrs. R.H. Gray, Mrs. Don Jones, Mrs. Herb Howe and Mrs. Granville Boyd; prayer chairman, Joy Ralls; community missions chairman, Mrs. Carl Archer; mission study chairmen, Mrs. Fred Holt; program chairman, Mrs. J.D. Helms; enlistment chairmen; Mrs. Luther Berry; publicity chairmen, Mrs. Marshall Walker; publicity chairman, Mrs. Major Lackey; Sunbeam director, Mrs. Woodville Jarvis; GA director, Mrs. Don Denham. Approximately 25 attended.

## Mrs. Wilde Is Hostess for Night Circle

The Aletha Fuller Night Circle of WMU met Sept. 19 in the home of Mrs. John Wilde. WMU president Betty Uptergrove met with the group.

The program given by Alma Bradford was on Guatemala, Costa Rica and Honduras.

Refreshments were served by the hostess to members Vera Campbell, Altha Groves, Mable Edwards, Dorothy Woolley, Mary Boyd, Cleo Taylor, Mathilde Entekin, Sada Hoskins, June Day, Alma Bradford, a visitor, Betty Uptergrove and a new member, Joy Ralls.

Guests this week of Mr. and Mrs. Hugh Banks and family are her parents, Mr. and Mrs. W.R. Steinert of Sutherland, Iowa.

Mr. and Mrs. Chalmers Porter and Chip Martin, James and Eddie Martin flew to Arkansas Monday to attend a cattle sale. While there the Porters visited her parents, Mr. and Mrs. H.A. Douglas of Rogers. They returned home Wednesday.

Spending the weekend at the Shedeck cabin in Taos Canyon are Mmes. H.M. Shedeck, Stella White, Mildred Chamberlain and Mable Edwards.

## SO THEY SAY

uncertain when to buy; until everyone told them Burton's TV has a complete display of TV, Radio and Stereo units, reasonably priced, and give reliable advice.

## Gift Box Memo:

We are not crying "wolf", but those of you wanting Christmas candles we suggest you get them soon, because the manufacturers tell us they will be hard to get.

We are now getting in all of the candles we have bought and except for one box an elephant sat on and mashed, we have many pretty and unusual candles. In fact, the mashed ones are rather unusual. Most of these are scented and many are in new fragrances.

We have also unpacked a large number of new books and our book shelves have a new look now. There are many new titles, and some that you have been asking for. The cool, rainy days sure make for good reading days.

We have new gift items all the time and are the headquarters for the pottery, china, crystal that most brides pick for their showers.

Anytime you need a gift, remember us.

## GRASSROOTS OPINION

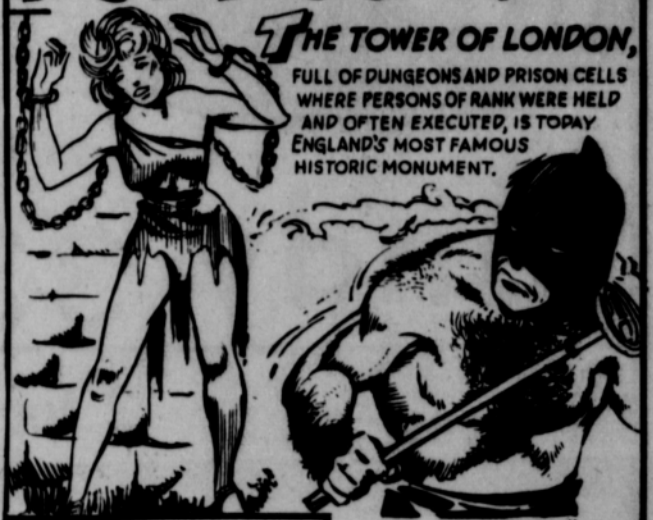

Lake Wales, Fla., News: "There is a lot of hazy thinking over the country as to education. The mere fact that a boy or girl manages to get a college diploma does not necessarily testify conclusively that their education has been a success. It takes more than dates, facts, formulae and figures to make an educated human being. There are men and women who have never been inside of a college, but who, nevertheless, are better educated than some of the young graduates. When you know what we mean by this, you are beginning to show signs of education yourself."

Munising Mich., News: "Government handouts to a selfish, lazy public are making our governmental costs go up, up, and up, as much as anything and it is hard to see when and where it's going to stop."

Tower City, Pa., Herald: "Inflation means to 'blow up'. It can be conjugated thus: 'Inflate, inflated, busted.' Those who believe inflation can be controlled at any desired point may also believe that an atom bomb can be exploded just a little."

Jefferson, Ohio, Gazette: "There are the 'free' lunches for schools, the 'free' milk--

# SAFETY IS A SNAP

[Buckle up]

"Don't be caught dead sitting on your seat belt." With those words as a rallying cry, America's 11,000 linen-supply driver salesmen will be helping save lives while they ply their truck routes this Spring.

According to the National Safety Council, you are at least 35% safer when you drive "buckled up" than you are with no seat belt to keep you from slamming into the windshield in an emergency. Although all new cars now are sold with seat belts, many drivers still resist using them.

"It's a fact," says Samuel B. Shapiro, executive director of the Linen Supply Association of America, "that probably five thousand people died last year who didn't have to. The National Safety Council says that's how many lives might have been saved out of the 30,000 who died in automobile accidents."

If seat belts are so vital, why aren't more people using them? "We think people will use them more if they're reminded often enough," said Shapiro. That's where the 11,000 trucks of the 1,381 member companies of the association come in. Many of the Linen Supply trucks, which have helped other public service campaigns in the past, will be seen everywhere with their new safety signs bearing the reminder to millions of automobile drivers: "Safety Is a Snap. (Buckle Up)."

In addition, decals bearing the words: "Don't be caught dead sitting on your seat belt" will be distributed free by many member companies.

**DON'T BE CAUGHT DEAD SITTING ON YOUR SEAT BELT**

## Researchers Study Cows

COLLEGE STATION--Cows that give more milk, wean bigger calves.

Agricultural researchers at Texas A&M University report their findings show the amount of milk produced by a cow has the single most important effect on weaning weight of the calf.

Recent tests at Texas A&M's agricultural experiment stations give some insight into milk production of various breeds and crossbred cattle, according to J.K. Riggs, professor in the Department of Animal Science at A&M.

In the A&M tests, Hereford cows bred by Hereford bulls, gave just over 7 pounds of milk a day and weaned calves averaging 407 pounds. Brahman cows bred to Brahman bulls gave nearly 9 pounds of milk a day and weaned calves at 370 pounds.

Santa Gertrudis cows bred to a Santa Gertrudis bull gave over 13 pounds of milk a day and weaned calves at over 500 pounds--and Riggs points out these calves were slightly younger than the other calves at weaning.

On the crossbred side of the fence, when Hereford-Brahman cows were bred to a Brahman bull, the cows gave over 13 pounds of milk and weaned calves at 422 pounds.

When Hereford-Brahman cows were bred to Hereford bulls, the cows gave nearly 13 pounds of milk and weaned calves that averaged 489 pounds.

According to Riggs, research has brought out the following:

Milk yield is significantly affected by breed or cross of cow, age of cow, and sex of the calf nursing the cow.

Mature cows produce the most milk and wean the heaviest calves. First-calf heifers produce the least milk and wean the lightest calves.

Cows with bull calves produce more milk than cows with heifer calves. Bull and steer calves are heavier than heifer calves at weaning times, to 18-months age group in the Hereford, Angus, Holstein, Shorthorn and Guernsey breeds.

The veterinarian says specific cause of the disease is unknown but toxins found in feeds have been suspected. There is no specific treatment, but Michigan reports indicate that injections of B complex vitamins apparently relieve some animals.

Symptoms of the disease may be confused with many others which affect the brain including rabies, sporadic bovine encephalomyelitis and listeriosis. A specific diagnosis may be made in the laboratory when the brain is examined by a pathologist. The disease also affects sheep and may be seen in other domestic animals. It has not been reported in man, and should not be confused with poliomyelitis.

People who are the most critical of big monopolies are usually the worst name dropers when they know someone who owns one.

It's not enough to be as honest as the day is long--you have to behave yourself at night, too.

a.m. in the courthouse.

The branch also announces they are pleased to provide social security programs for meetings of civic clubs, women's groups, farm groups, veterans organizations, etc. There is no charge for this service. If you would like to have a representative talk to your club or group, just write or phone: Virgil J. Holloway, Officer-in-charge, Social Security Branch Office, 400 W. Kingsmill Street, Hughes Building, Pampa, Texas, 79065. Telephone: MOhawk 4-3381.

To receive faster service you may wish to visit the office in Pampa to conduct your social security business. If you do so, please visit between the hours of 8:30 a.m. and 4:45 p.m. on Monday through Wednesday and Friday and from 8:30 a.m. to 8:45 p.m. each Thursday.

## Former County Agent Dies In Beaumont

A former County Agent for Hansford County died Sept. 19, in William Beaumont Hospital in El Paso.

G. Lester Boykin was the county agent here in the early 1930's and left Spearman in 1935. He moved to Mesilla Park, N.M., where he lived when he died.

Boykin was a graduate of Texas A&M and a reserve Army officer. In World War II he saw duty in both the Pacific and later in Germany.

After the war he served with the Agriculture Department of the American Embassy in the Philippines for four years. He also was in Nigeria for six months.

## Veterinarians Name Disease

COLLEGE STATION--A non-infectious disease which attacks the cerebral cortex of the brain of affected animals has been tabbed by veterinarians as "polioencephalomalacia."

So far, it has not been reported in Texas but has been described in Colorado, Wyoming, South Dakota and Michigan, says Dr. C.M. Patterson, Texas A&M University Extension veterinarian. He adds that a severe type and a mild type of the disease have been found.

The severe type is usually seen in feedlot cattle. In early stages there is marked muscular tremors and twitching of ears, eyelids and facial muscles. Vision is impaired.

The milder type is observed in pastured cattle in the summer. Affected animals separate from the herd, push against solid objects and become blind. Twitching of the face or ears, simulated chewing motions and excess salivation is seen. Animals are not able to take roughage into the mouth. There is no fever and the disease runs its course in from one to several days, says Patterson.

The severe type kills about 90 percent of the diseased animals and about 50 percent of those affected by the milder form die. Recovery may be associated with mental dullness and impaired vision.

Polioencephalomalacia affects animals mostly in the 12

## Mrs. Nollner Has Program For Rho Rho Chapter

Rho Rho chapter of Beta Sigma Phi met Thursday, Sept. 22 at 1 p.m. in the home of Mrs. Jim Fox.

Linda Davis, president, presided at the business session. One new member, Joan Stewart, a transfer from Post, was admitted to the chapter. Judy Martin was elected as Valentine girl for the year. Plans for a rush party for Oct. 1 were

made.

The program title "Self Estimate" was given by Kay Nollner.

Attending were Jeanette Allen, Toni Archer, Dody Beedy, Peggy Boatwright, Linda Davis, Beth Fox, Delores Guthrie, Glenda Guthrie, Charlene Jackson, Judy Martin, Kay Nollner, Beverly Sparks, Lil Turner, Peggy West, Judy Wilmerth and Ramah Bosecker.

## Jury from Audience Will Decide Ending of Drama by Speech Group

A jury from the audience will decide the ending of the Spearman High School Drama department's first play, "Night of January 16th".

The play is a murder trial revolving around the disappearance of Bajorn Faulkners, a business tycoon who either committed suicide or fled to South America with the fortune he embezzled from his complicated international financial interests.

The play will be presented Oct. 26 in the High School Auditorium.

The jury will be selected from the audience by numbers. Each person attending the play will receive a number.

The play will have two endings, and the verdict of the jury will decide which ending is used.

This play had a long run on Broadway and has toured the country.

## Linn Speaks To FB Board

Attorney James P. Linn discussed the Texas Criminal Code at a meeting of the Hansford County Farm Bureau Board of Directors Tuesday night in the Farm Bureau building here.

President Willard McCloy conducted the meeting. Directors attending included Irvin Boyd, Joe Dan Bryan, Aubrey Rasor, Elmo Dahl, J.C. Harris, Glen Hiller, Delon Kirk, Bill Johnson, Ray Martin, Robert Novak, Donnie Thoreson, John Trindle, Ed Vernon, R. C. Womble.

Three committee members were also present. They were Dorsey Schad, Perry Dixon and Jerry Womble.

There were Farm Bureau committee meetings before the directors meeting.

Some planning was done on the County Convention to be held in October.

## Veterans Still Responsible for GI Home Loan

Texas veterans who have received GI loans for the purchase of homes were reminded today that they remain personally liable on their note and mortgage when they sell their homes if the new buyer merely continues the payments on the GI loan.

Jack Coker, manager of the Veterans Administration Regional Office advised veterans that liability continues until the loan is paid in full or until veterans are personally released by the VA on the obligation.

"The VA has guaranteed and approved many home loans in the area under our jurisdiction," Coker said. "We have experienced cases where veterans have sold their properties and were led to believe they had no further responsibility for the mortgage debt."

He warned veterans who may be behind in their payments due on GI loans to be very careful before agreeing to offers by strangers to make up their back payments if the veteran will sign contracts.

Coker said if such a proposition is made, veterans should ask the holder of their mortgages or the Loan Guaranty Division of the VA Regional Office for advice on the validity of the offer.

He stressed that the veteran remains personally liable for the payment of his GI loan if it is not paid by someone else. Even though the buyer takes over the mortgage and agrees to make the payments, until the VA provides a written release from liability, the veteran is held responsible.

## Hand-Knit Sweater

Here is another tip for washing those hand-knit sweaters. Wash in cold water with a cold water soap, then press in a colander (never wring hand-knits) to remove excess water. Next, roll the sweater loosely in a bath on the table with another towel underneath it.

Then, take your rolling pin towel and lay the sweater flat and roll it over the sweater as though you were making a pie crust. Make sure that your sweater has been stretched out smoothly. Roll the rolling pin over the sweater several times, then leave it on the towel to dry. The garment will turn out so free of wrinkles it will look as though you had spent hours steam pressing.

Phone 2466 or 3258 to report local news.
