Spearman Man Injured In Two-Car Accident

A Spearman man is improving after being injured Saturday evening in a two-car accident in Lubbock.

Roy L. McClellan of Spearman is still in the intensive care ward in Methodist Hospital in Lubbock, but his relatives here report that he is improving.

McClellan received eight broken ribs and other internal injuries in the accident.

The accident happened late Saturday afternoon when the McClellan's stationwagon was in collision with a car driven

by Pamela Bullard, 16, of Lubbock.

The two cars went some 90 feet after the impact and one of the vehicles hit a parked car.

McClellan's small daughter, Jeannie, 4, received only minor scratches and a small bruise on her right eye. She was treated and released.

She was thrown into the floorboard of the car in the accident and McClellan was thrown out on the right side of the car and was under it when help arrived.

The door on the driver's side of the McClellan car was smashed in almost to the steering wheel.

Miss Bullard was treated and released at the hospital.

Mr. and Mrs. McClellan were in Lubbock to attend a director's meeting of the Farm Implement Dealers' Association.

He was taking Jeannie to stay with a relative when the accident happened.

City Firms

Donate Work

For Chariot

Spearman High School's new Spirit Chariot would have cost the Booster Club over \$500, had business firms and individuals not donated their materials and work.

Workers started on the project last Tuesday night and after a short session Wednesday night and a long session Thursday night, the chariot was ready for the pep rally Friday.

Don Hendrick designed the chariot and built it. Richard Holton provided the metal for it. Western Auto gave the bicycle wheels and tires.

American Trailer and Equipment Co., of Amarillo donated the air horns and one air tank. Verlin Hagerman gave the second air tank.

Irvin Davis bought the bells for the chariot. Owens Sales gave the battery and connections for the siren.

Motor Parts of Spearman gave the purple and white a pint and Excel Body Shop did the painting. Excel Chevrolet-Olds had the signs painted and paid the freight on getting needed materials here.

The only thing that had to be purchased by the booster club was the siren.

People who worked on the project include Leon Wilson, Don DeArmond, Hershel Jones, Ray Moore, George Buzzard, J.B. Cooke, Neal Jameson and Don Maize.

Union Will

Give Charter Revival Set

For Sunday

President of the Texas Farmers Union will be in Gruver Tuesday night to formally present the charter to the Hansford County Farmers Union organization.

The meeting will be held at 8 p.m. in the Memorial Building in Gruver.

Besides the presentation of the organization's charter, new officers for the year will be elected and resolutions for the State Convention will be presented to approval by the county organization.

Revival services will begin Sunday in the Union Church of Spearman. The Rev. Bollinger, pastor, announced this week.

The Rev. Fred Franks of Granby, Mo., will conduct the services.

Services will be held each evening at 7:30 p.m. The pastor extends an invitation to everyone to attend the services.

4-H State Winners

Sylvia Parks, Doug McCloy Honored at 4-H Banquet

Morse, and 4-H State Winners are becoming synonymous and this year is no exception. The names of two state winners were announced at the annual 4-H Achievement Banquet held Saturday night at the Home Demonstration building in Spearman.

Winning the state 4-H awards were Sylvia Parks and Doug McCloy. Miss Parks is the 4-H electric award winner and McCloy won the community beautification award.

The two state winners were also named the 4-H Gold Star Boy and Girl for this year.

Besides the awards to 4-H members a special award was made to Mrs. Jim Womble by the 4-H Council in memory of Jim Womble, an outstanding 4-H leader.

J.W. Buchanan, manager of the North Plains Water Conservation District, was the principal speaker. He challenged 4-H members to use their 4-H training and education to become outstanding leaders in agriculture tomorrow.

Wade Parks presented a magic show for the entertainment of the audience. He was assisted by his sister, Sylvia.

Master of ceremonies for the program was Delbert McCloy, chairman of the County 4-H Council. The invocation was given by Connie Trindle.

Pledge of allegiance was led by Janice Trindle, and the 4-H pledge by Becky Hutchison. Special guests introduced by Mike Murrell included District Extension Agents W.W. Grisham and Miss Edith Wilson, County Commissioners B.W. Renner and George Lowe, Mrs. Buchanan and Mrs. Robert Adamson.

Awards were presented by Extension Agents Linda Webb and Robert Adamson, assisted by the county commissioners.

Achievement, Vicki Rosenbaum, Gloria Lopez, Delbert McCloy and Doug McCloy.

Agricultural, Wade Parks, Beef, Sherilee Maupin, Genna Green, Roy Jackson and Wesley Maupin. Bread Demonstration, Dixie Sheppard, Vicki Scribner, Linda Sutton.

Conservation of Natural Resources, W.C. Pool, Danny Pool, Mark McCloy, Bill McCloy.

Dairy Foods, Cindy Hutchison, Melanie Schaefer. Dress Revue, Rebecca Hutchison, Sylvia Parks.

Electric, Nancy McCloy, Carolyn Henderson. Foods-Nutrition, Valerie Uptergrove, Randy Messer, Charis Fleming, Doug Messer.

Foods Preservation, Patty Dozier, Jayne Messie, Rhonda Jones, Carol Hurley.

Health, Rebecca Alexander. Home Economics, Patricia Henderson.

Home Improvement, Janice Trindle, Steve McCloy. Horse, Mindy Murrell, Mike Murrell, Tommy Boone, Walter Murrell.

Leadership, Mike Ralston. Public Speaking, Rex McCloy, Connie Trindle.

Safety, Alva Henderson, Bob Womble, Jim Dale Womble, Monte McCloy.

Swine, Donald Rhea, Andy Hoel, John Wheeler, Kelly Ro-

Sub-Varsity Teams See Action Thursday

The sub-varsity teams of the Spearman public schools will see action Thursday afternoon and evening against teams from Boys Ranch.

In Spearman the Seventh and Eighth grades will be hosts to the young Roughriders. The B-team will go to Boys Ranch for action there. The freshmen will be idle as Boys Ranch cancelled their freshman schedule.

The Seventh graders will begin here this week at 5 p.m. Coach Larry Anthony said the team has been strengthened on offense with the return of Joe Bob Grayson. The good back has been out with a shoulder injury suffered before the season started.

It will be another tough test for the undefeated eighth grade. Boys Ranch has always had strong junior high teams. They gave the team that is now the eighth grade its strongest battle last year.

The Seventh grade schedule calls for that game to begin at 5 p.m. and the Eighth to follow. The B-team will play at Boys Ranch at 6:30 p.m.

Two Given Probation

Two men were tried in 84th District Court in Spearman Tuesday. Both were placed on probation.

Willard Cox, now of Borger, entered a plea of guilty to a burglary charge and was placed on five years probation by Judge Max Boyer.

Cox said he was guilty of the burglary of Universal Oil Co., in Gruver in 1964.

Donald G. Wood of Webb City, Okla., was placed on three years probation after entering a plea of guilty to a charge of swindling with a worthless check.

He entered a plea of guilty to passing a worthless check to Owen Montgomery of Spearman.

The court has been in session all this week with civil suits being tried before juries.

THIEVES STEAL FARM BATTERIES

Thieves have been at work again in the county, according to Sheriff J.B. Cooke.

The sheriff said that five batteries were taken from farm machinery north of Gruver Thursday night.

Sheriff Cooke urged farmers to leave as little machinery as possible in the fields and report any losses to thieves as soon as they are discovered.

Spearman Hosts Boys Ranch In District I-AA Contest

Spearman's leaking pass defense will get another strong test here Friday night when "Soapy" Dollar leads his Boys Ranch Roughriders into town for a game at 8 p.m. on Lynx field.

It will be a battle of the defeateds as both teams have failed to scratch the win column this season and both will be shooting for that first victory.

Boys Ranch has thrown the ball well in losing efforts to White Deer 48-6, McLean 28-0, Gruver 18-7 and Panhandle 30-18.

"After seeing our pass defense against Phillips I'm sure they will call on Dollar's arm a lot Friday night," Lynx Coach George Wright said.

Wright said Boys Ranch has been impressive in their losses to Gruver and Panhandle. He thinks the Ranchers will be coming to Spearman full of confidence they can win this one through the air.

Dollar is a fine quarterback and their top hand of offense.

He is a real scrapper," Wright said.

Wright said there was no doubt in his mind that Spearman has a fine football team and he believes the boys will come back from what he considered their worst game of the year in Phillips and really redeem themselves.

In discussing the Phillips game Wright said it was obvious early in the game that the Lynx were not mentally ready for Phillips. He called the pass defense pitiful.

Wright said he was extremely disappointed in the pass defense after it had been doing real well in the earlier games. He felt that the secondary went stale during the week while the team was working on developing an offensive punch.

He said the safeties were not rotating to their zones and were not paying any attention to their keys on Phillips plays. The coach said they also moved slow and without motivation.

"Needless to say, there will

be lots of work on pass defense this week."

Wright was pleased with the interior defensive line and they stopped the plays up the middle that had been Phillips' favorites in earlier games.

The coach said he felt that Phillips came out throwing because the Spearman rushing defense had done a good job in earlier games.

It was not a hard hitting game, the coach said. He said the boys said Canyon hit much harder and the only injuries were to the team's pride.

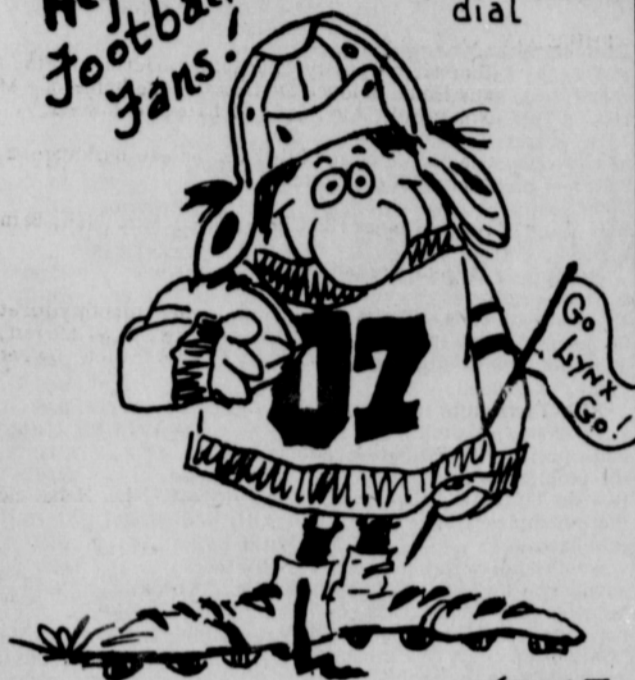

Wright summarized the game as the Lynx's poorest. He was afraid this might happen after the team had lost three close, hard fought battles.

"Now that we have our 'sorry' game past, I expect much better play."

Scouts report that Boys Ranch is not a big team, but they hit hard and play full speed from beginning to end. The Ranchers have always played the Lynx a tough game, even when they are outmanned.

Eddie Martin

Mr. and Mrs. Wendell Crittenden and son and Rennie Perry of Shawnee, Okla., spent the weekend with their parents. Rev. and Mrs. Luther Berry, Rennie is a student at OBU.

Kenneth Faries and Dave Clement, both students at Texas Tech, spent the weekend with their respective parents, Mr. and Mrs. Dan Faries and Mr. and Mrs. Deacon Clement.

Mr. and Mrs. Doug Grimes and boys were Friday and Saturday overnight guests of Mr. and Mrs. Dan Faries and were Sunday dinner guests in the E. J. Callaway home. In the afternoon they visited with Mr. and Mrs. Robert Adamson and sons. The Grimes recently moved to Moore, Okla., where he is employed by Skelly Oil Co.

Eddie Martin Is Honored With Farewell Parties

Eddie Martin was honored with two parties and a dinner this past week as he prepared to leave for duty in the Armed Forces.

He left in the group of draftees this week. The Union Church members had a farewell party for Martin at 9 p.m. Wednesday after the mid-week services.

The serving table was decorated in red, white and blue colors.

Martin was presented with a Polaroid camera and money by the members of the church. Approximately 50 attended.

Hostesses were Misses Frances Sims, J.W. Pipkin, R.E. Martin, George Bollinger, Junior Lusby and Doris Weston.

The Young People of the church had a farewell party for Martin last Monday. Mrs. Doris Weston and Mrs. Orville Fullbright were the hostesses. About 17 young people attended.

His parents, Mr. and Mrs. J.H. Martin, had a farewell dinner for their son Sunday. Those attending were Mr. and Mrs. James Martin, Mrs. Doris Weston, Darla and Randy.

Sunday afternoon guests were William Martin, David and Billie Martin, Mr. and Mrs. R.E. Martin, Mr. and Mrs. Charles Martin, Mrs. Frances Sims and Mrs. Gray.

Billy Miller and Steve Hicks, and the Rev. and Mrs. George Bollinger.

Wine, Wine, Wine

ALEKSANDROVAC, Yugoslavia — Seven days of wine bibbing at the grape harvest celebrations of this Serbian wine capital brought an estimated total of 80,000 visitors, thousands of low-cost sprees in the street, and one death from overindulgence. Wine producers set out barrels offering all one could drink for eight cents. Traffic police reported there was not a single accident, but many drunk drivers were fined and-or kept in custody until sober.

Tax Revenue Up

AUSTIN —State Treasurer Jesse James said Tuesday cigarette tax collections totaled \$10,605,533 for September, compared with \$10,394,852 for September 1965. Liquor tax collections were \$1,895,849 last month and \$1,477,209 a year ago.

COTTON HARVEST LAGS

AUSTIN —The Texas cotton crop was 24 per cent harvested by the end of last week, lagging about three weeks behind last year's pace, the U.S. Department of Agriculture reports.

Mr. and Mrs. Jack Oakes took their daughter, Teresa to Oklahoma City Sunday, where she will go through the allergy clinic.

WELLINGTON — Juicy berries, labelled "kiwi fruit," are being exported to the west coast of the United States. Here in New Zealand, where they are grown, they are known as Chinese gooseberries.

The name was changed, explains the New Zealand Information Service, because it was felt Americans were not familiar with Chinese gooseberries, or might think they came from China.

Gift Box MEMO:

I was gone over the weekend and the help did some of the unpacking of new merchandise. They tell me we have a new patio set, but I do not know what it is, yet. Come in and see what I have bought, I can't remember.

Something you will like is the new pottery canister sets for your kitchen. These are the type gift items you will probably buy only for yourself. We think you will agree they are far ahead of the old tin ones.

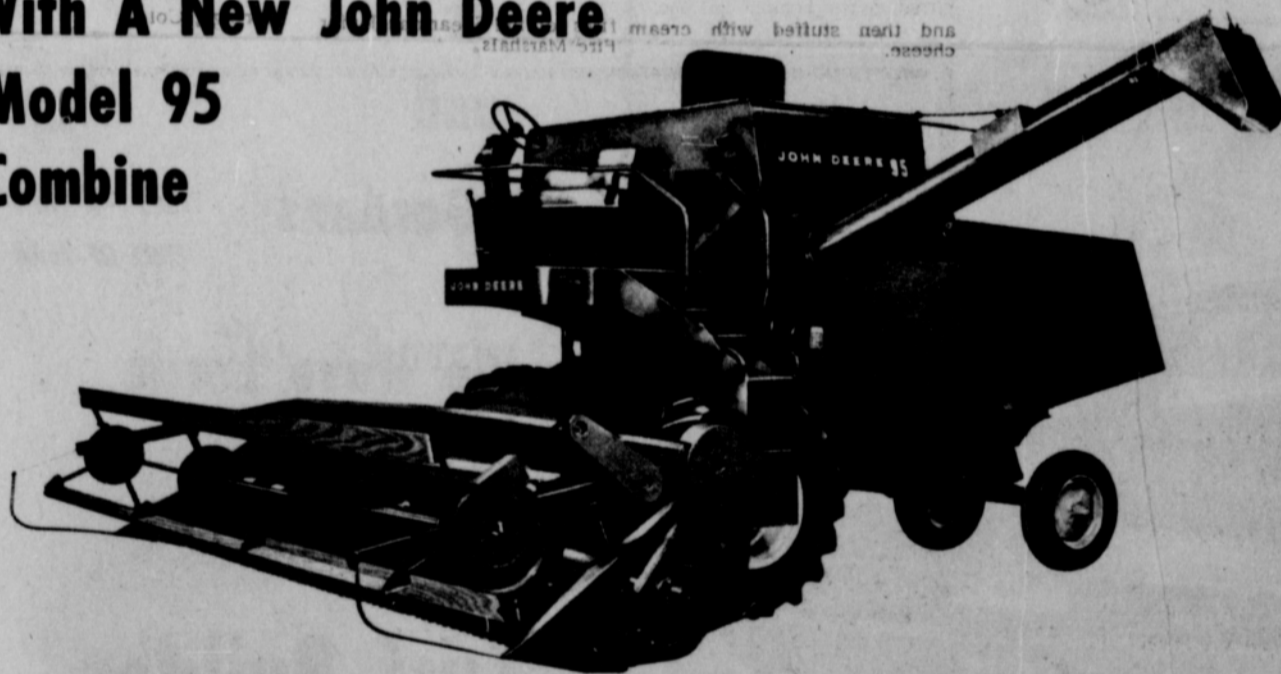

We have some gift wrapping paper that is too interesting to be used for gift wrapping. It is reproductions of old Harper Weekly newspapers. We have been reading them all this week and they are humorous. I think the paper would be good for covering wastebaskets, and other uses besides gifts.

There is another shipment of "Kim Coloring Books" for children and adults. We have one book of Heritage Dolls and a second one of "Dolls Around The World." These are beautiful books.

The Gift Box

Speed Your Maize Harvest

With A New John Deere
**Model 95
Combine**

We Have Four In Stock
19 and 20 Foot Platforms
With Cabs For Comfort

Check all the plus features and you will buy a John Deere Combine for this and many harvests to come. From the sickle to the rear you will find everything on the John Deere combine designed for faster, better and easier operation. John Deere combines cover more acres and get more grain for you, so harvest goes faster and you make more money.

Conservationists Hunt Homemaker of Year

A search for the Conservation Homemaker of the year is beginning now all over Texas. This is the 22nd annual Conservation Award Program sponsored by the Fort Worth Press. The purpose of this award is to recognize achievements of Texas Homemakers in the area and to inspire others to cooperate in good conservation practices.

Each county in a Soil and Water Conservation District may nominate one woman who lives in the county in which she and or her husband operate a conservation farm or ranch under a basic soil and water conservation plan developed in cooperation with the local Soil and Water Conservation District.

The judging for this award is done through records and a story written and submitted by the homemaker contestant.

If you are interested in competing for this coveted award, please contact the local Soil Conservation District office or the Home Demonstration Agent's office in Spearman.

Details on the contest and the type of records needed will be explained.

Records are to be submitted to the county Extension Agents by Feb. 1, 1967.

Girl Scouts Name Leaders

Troop No. 54 of Junior Girl Scouts met Oct. 4 at the Scout House for their first meeting of the year.

Troop officers elected were Scribe, Cheryl Evans; Treasurer, Valorie Uptergrove; Patrol Leaders, Becky Farris and Kendra Brack, Assistant Patrol Leaders, Cathy Dear and Darla Weston. Patrol names chosen were the Busy Bees and Little Devils.

The troop practiced the flag ceremony which will be presented at P-TA Oct. 10.

Refreshments were served by Cheryl Evans to Cathy Dear, Becky Farris, Darla Weston, Valorie Uptergrove, Valrie Hooks, Mary Kibler, Lillie Ralston, Kendra Brack, the leaders, Mmes. R.T. Farris and K.E. Evans.

MANILA — An official source reported Tuesday that the Philippine government has chosen Manila as the site for the seven-nation summit conference on Viet Nam.

Nice addition to a fruit salad; pitted dates soaked in sherry and then stuffed with cream cheese.

GET SMART ABOUT FIRE

Carelessness or lack of common sense causes about half of all fires remind Spearman Junior Fire Marshals.

Mrs. R.E. Lee has returned home after undergoing surgery and recuperating in Colorado Springs, Colo.

Young Homemakers Having Get Acquainted Party

The Spearman Chapter of the State Association of the Young Homemakers of Texas invites all young women to a get acquainted party on Oct. 11, at 2 p.m. in the high school home economics department.

The local chapter is sponsored by the Texas Education Agency, through the Vocational Department of Home-making in the high school. Mrs. Francis Hudson and Mrs. Joy Barkowsky are the advisors.

All young women who are out of high school and under 36 years of age are eligible for membership. Associate memberships are open to those who do not qualify for active membership.

Mrs. Darrel Longley is President of the Spearman chapter.

Visiting with Mrs. W.L. Mackie this week was her niece and husband, Mr. and Mrs. Dewey Rink of Hickory, N.C.

COOK WITH

Confidence!

COOK ELECTRICALLY

ACCURATE ELECTRIC HEAT ELIMINATES GUESSWORK

Why cook with your fingers crossed, hoping for the best? You can be sure you're getting the exact heat the cookbook calls for when you cook with a modern electric range. Electric cooking is accurate because electric range surface units give you the same heat from the same switch setting every time. The electric oven is precision controlled to provide the exact temperature and cooking time your recipe requires. Accurately measured heat takes the guesswork out of cooking . . . lets you cook with confidence. See your electric range dealer soon.

the Word

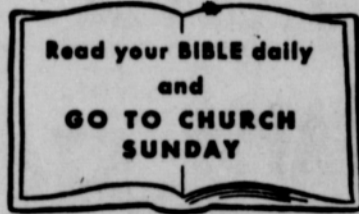

"Thy word is a lamp unto my feet; and a light unto my path."
— Psalm 119:105

If you are a Christian, you are blessed with a great heritage. It is a heritage of truth and has nothing to do with imagination or myths. It is a truth that remains unchanged, no matter how many times someone attempts to rewrite or offers a "studied" translation.

This truth is the word of God. It is found in the Holy Bible. It is found in Ten Commandments, which form a guidepost for Christian living.

Accept this truth; it is useless to argue against it. Conscience and common sense will not permit you to be unaware. You fool no one, not even yourself, if you pretend to ignore or disbelieve.

Highway Patrol Hunting Men

AUSTIN—The Texas Department of Public Safety announced today it has 231 vacancies in its uniformed patrol services and reminded interested men between the ages of 21 and 35 that the next deadline for applications is October 17.

Examinations will be held on October 22 for the next cadet training school scheduled to begin January 3.

Col. Homer Garrison Jr., DPS Director, said vacancies exist in all four of the uniformed services—Highway Patrol, License and Weight, Driver License, and Motor Vehicle Inspection. Most of the openings are in the Highway Patrol Service.

"These opportunities for careers in the public service offer many and varied advantages for qualified young men," Garrison said. "Men who would like to dedicate their lives to helping people can at the same time enjoy a livelihood with security and opportunity for advancement."

He pointed out that effective September 1, higher salaries and the five-day week went into effect for all DPS uniformed personnel. He said cadets at the DPS Law Enforcement Academy in Austin will receive \$400 per month while in training, and will be off Saturdays and Sundays. The training period will last approximately 18 weeks, including 13 weeks of basic training. The remainder of the period will be devoted to specialized training in the service to which the cadet is to be assigned.

The cadet's choice for a particular service will be granted, consistent with vacancies existing at the time, and the Department will make every effort to station a man within 150 miles of his desired location.

Upon graduation, cadets will be commissioned and assigned to the field, with salaries ranging from \$468 to \$484, depending on service assignment.

Attend The Church Of Your Choice Sunday

"Do not be afraid; for I know that you seek Jesus who was crucified. He is not here; for He is risen as He said . . ."

Matthew 28:5-6

DUTCH INLAND WATERWAYS

More than half of the internal traffic of the Netherlands is conducted on its artificial waterways, which were constructed originally for land drainage rather than for carrying goods. The Dutch inland fleet has more than 19,000 vessels of more than five million tons capacity.

PARENTS! for safety's sake . . .

Support and encourage your youngsters' participation in the Junior Fire Marshal Program now under way in local elementary schools.

Sponsored locally by this agency and nationally by The Hartford Insurance Group, the Program teaches children life-saving lessons. How to protect themselves against fire, accident and other dangers . . . at home, at school, at play.

These lessons could save his or her life . . . and yours!

Holt News

Mr. and Mrs. Owen Pendergraft were Wednesday lunch-guests of Mr. and Mrs. Eugene Ottaway at Tyrone, Okla.

Mr. and Mrs. Arch Marshall of Houston were weekend guests of her mothers, Mrs. B. C. Holt and other relatives.

Mrs. Jake Lamb of Spearman spent the past week visiting the Bud Jackson's of Kellon.

Mr. and Mrs. Johnnie Close were Sunday guests of the Jacksons, so Mrs. Lamb returned home with them Sunday evening.

Mr. and Mrs. Richard Gaines and family visited Sunday with Mr. and Mrs. Clyde Gaines of Phillips.

Mr. and Mrs. Walter Spoonmore and sons have returned from a 9 day trip, sightseeing and visiting thru several states. They took her mother, Mrs. Sue Enns of Guyton and all visited her brother and his wife, Mr. and Mrs. Ben Fast at Great Falls, Mont. before going on to Yellowstone and the Grand Tetons at the south entrance to the park. After staying at Old Faithful Lodge they traveled on to Glacier Park near the Canadian border. They returned home Monday evening.

Women Golfers Meet Monday

The Spearman Ladies Golf Association will meet Monday, Oct. 10 at 8 p.m. at the Cattleman's Cafe.

Officers will be elected at this meeting and plans for Tri-State Play Day to be held at the golf course Oct. 20 will be made.

Every interested person is invited to attend.

Smith To Speak To Pampa C-C

Wayne Smith, chamber of commerce manager, will be the principal speaker at the Pampa Chamber of Commerce installation banquet, which will be held Oct. 11 at the Pampa Country Club.

Mrs. Donald Wilcox announces the new location of Wilcox Flowers and Greenhouse. The shop has moved from 911 Haney to the Gruver Highway.

Wilcox's will have a formal opening later on. They handle wholesale and retail potted and bedding plants.

Morse Sets Trap Shoot

The Morse Lions Club will sponsor a trap shoot Sunday, Oct. 9 at 1 p.m. at the Morse Trap Shoot field. Prizes will be hams, bacon or turkeys.

All ammunition will be furnished. Prices for the shoot are \$1.00 for practice and \$2.25 for competition.

Mr. and Mrs. W.C. Hurd of Glendale arrived Tuesday to spend a few days visiting Mr. and Mrs. W.H. Gandy. Mrs. Hurd is a sister of Mr. Gandy.

Mr. and Mrs. Frank Frances and daughter of Felt, Okla. were weekend guests of his brother, Mr. and Mrs. Curtis Frances.

Mr. and Mrs. Dan Collins moved back to Spearman Oct. 1 and Mrs. Collins went to work at the First State Bank Monday. Dan is to report for his physical to enter the armed services on Oct. 26.

Visiting their parents over the weekend were Lynn Garnett, Toni Morgan, Gwen Hanners and Frances Whitson, all from West Texas.

Texas Education Will Trouble Legislature

CORPUS CHRISTI—Education is the No. 1 problem that will face the next legislature, says Ben Barnes, speaker of the Texas House of Representatives. Addressing the 40th annual meeting of the Texas Home

Demonstration Association here last week, Barnes said "we will spend twice as much on education in 1966 as in 1963."

He emphasized that "we are already experiencing an enrollment problem. By the year 2000, our population will double, from 12 million to 24 million," Barnes predicted.

Enrollment in the 22 state-supported colleges and universities was 200,000 this fall, Barnes said. "But this will double to 400,000 in five years," he added.

"The legislature must consider money, planning and construction of buildings--and the problem of finding space for the buildings is becoming more complex all the time," said Barnes.

Another major problem in education, he said, is the high percentage of students who do not complete high school.

"Only 54 in every 100 students graduate from high school, and only 36 go to college. Then only 18 get bachelor degrees, and only 1 of the original 100 gets a master's degree of Ph. D."

Barnes emphasized that Texas schools are providing only 11 percent of persons with graduate degrees needed by industry.

Yet more important, said Barnes, is the problem of the 46 who do not graduate. "Here, vocational and techni-

cal training is needed to help them increase their income.

Tourism, highway safety and water resources are other matters that will face the legislature next session, Barnes told the Texas homemakers. More laws concerning safe roads and driving are expected to come before the 60th Legislature, Barnes said.

Since World War II, tankers have supplanted superliners as the biggest commercial vessels afloat.

Us Plymouth Dealers will do most anything to win you over

New win-you-over Plymouth Fury! Longer. More luxury. Topped off with loving care that's new to the low price field.

Fury III—4 Door Hardtop

Want us to whip you up a cake? Do a few handstands? Or just stop bugging you so you can test drive a '67 Plymouth Fury? We'll do darn near anything to bring you face to face with one. From the top-of-the-line VIP to the dollar-saving Fury I, they're the biggest, most tempting Plymouths ever. Longer by almost 4 inches, much more luxurious, with no less than 21 new safety-value features. Come try Fury—and put our do-anything promise to the test. About the only thing we won't do is shortchange you on comfort. *Plymouth '67*

High Ranked Hawks Stop Spearman 36-8

The highly ranked Phillips Blackhawks used their traditional long range scoring bombs Saturday night to beat the Spearman Lynx 36-8 in the opening district game for both teams in Phillips.

Speed was the big difference in the two teams. Phillips had the speed to recover from their mistakes on both offense and defense, while the Lynx mistakes cost them points at the speedy Hawks raced for yards and touchdowns.

Two quick touchdowns in the first quarter by Phillips put the game out of reach and the Lynx were battling uphill all night.

Phillips went for a touchdown the first time they had the ball. They almost had it on the first play when a Lynx pass defender fell down leaving the receiver wide open, but he also stumbled and lost the perfect throw.

Three plays later Mike Keller hit Cal Yeary at the Lynx 35 and he raced in for the score. Mark Hatley kicked the point after.

Haley got the next score on a 79 yard run, then Larry Reid added the points after on a run to make the score 15-0.

Spearman went into a short punt or shotgun formation with Shieldknight the deceiver and it did help the passing game. His receivers also were finding the holes on his throws as the Lynx completed 8 of 15 throws.

Shieldknight was the most consistent runner with several good gains on the quarterback option play. However, several fumbles of snaps in the shotgun formation and pitches on the option play, plus losses on attempted pass plays left the Lynx with a minus 19 yards rushing.

The interior of the Lynx line stopped the Hawks up the middle, only to have the speedy Hatley bounce off the piles and slide to the outside for good gains at crucial times.

In the middle of the Lynx defense was Jerry Holton, tackles Randy Moore and Ronnie Gilbert with linebackers Steve Holton and Charles Shieldknight.

In the pass catching department Harley Reeves led with three, Joe Vanderburg, Hal Shufeldt, Bobby Smith and Jerry Holton snagged one. Tackle Randy Moore got the big one for the lone Lynx score.

Spearman stopped one Hawk threat in the second quarter. Steve Jordan stopped it on fourth down at the Spearman 38.

A fumbled punt by the Lynx gave Phillips the ball at the Lynx 44 after the defense had forced them to punt from deep

in their own end of the field. On the first play another possible threat was erased when Keller was dumped hard and Mike Hendricks got the loose ball back for Spearman.

Just before the half Phillips got the ball in midfield when Spearman missed a first down by a foot.

They drove to the Lynx eight in five plays and Keller scooted around wide to score. Hatley added the point.

A stronger Lynx defense shut off the Hawk scoring in the third quarter, but the Hawks had one ready for the opening play of the fourth period.

At the Lynx six Keller hit Reed who was on his knees in the end zone for the score. Hatley kicked the point to make the score 29-0.

Phillips got its final score on a 37 yard pass from Keller to Yeary to end a drive that started on the Lynx 30. Hatley again kicked the point to make the score 36-0.

Late in the final quarter the Phillips second team fumbled on the Blackhawk 34 and Jerry Holton hopped on the loose ball for Spearman.

On the first play quarterback Mike Davis pitched out to half-back Charles Shieldknight and he passed to tackle Randy Moore. The big tackle went up over two defenders to take the ball then raced 15 yards for the touchdown.

Shieldknight ran the option play to the right, but kept the ball and raced in to get the two points.

GIRL SCOUTS

ELECT OFFICERS

Troop No. 253 of Junior Girl Scouts met recently at the scout house. Peggy Floyd was elected president and Kelly Laws and Becky Reynolds, troop scribes.

Our troop will present the flag ceremony at the Oct. 10 meeting of the P-TA.

Mary Lou DeArmond and Debra Davis served refreshments to Monette Slater, Pam Frye, Dixie Sheppard, Marcia Larson, Becky Reynolds, Brenda Thomas, Peggy Floyd, Kelly Laws, Rhonda Jones, Jayne Massie, Linda DeAnn Reed.

London Fire Starts War On Blazes

Fire prevention was born out of the ashes of the great fire of London which destroyed 13,000 homes and 87 churches, exactly 300 years ago this September. Until that time virtually nothing was done to prevent disastrous fires. Superstition made men of the Dark Ages afraid to fight fire. But following that Sunday morning when fire started in a bake shop on Pudding Lane and raged for five days leaving 373 acres in ashes, fire prevention history was made.

Houses had been built of timber, often smeared with pitch, and stories jutted out one above the other so that the gables of the houses almost touched. Small carts could not pass in the narrow streets near Pudding Lane. The yard of the Star Inn across from the bake shop was strewn with straw and fodder. In the back yards of many houses, brewers, dyers and soap boilers left heaps of refuse from their trade, fuel to feed the flames.

Within two months after the smoke had settled, the City Council of London ruled that all new homes had to be built of brick and stone, and that dangerous trades could no longer be pursued in the courtyards.

Today, fire prevention is the year-round concern of many citizens in our community... the fire department, Junior Fire Marshals, a public service educational program of The Hartford Insurance Group among elementary school children administered here by P.A. Lyon, Agent, Smokey the Bear campaigns, and the diligent and imaginative efforts of teachers, librarians, Red Cross, to mention a few. Fire Prevention Week, October 9-15, directs our attention to this concern for community safety and to those dedicated to keep it, and us, alive. We salute them.

Never Smoke in Bed

Never smoke in bed, warns the American Insurance Association. Too many fire fatalities, the Association adds, occur when a smoker in bed dozes off and drops a lighted cigarette on the bed covers.

In particular, if there are elderly people in your home who smoke, impress upon them that they are not to smoke in bed. Their own lives may be at stake.

GET SMART ABOUT FIRE Johnny Hartford, Junior Fire Marshal, says the best way to fight fire is to eliminate any chance that it may occur.

Morse Comes On Late To Whip Miami 22-14

Morse Mustangs are becoming real clock watchers as they again Friday night waited until the last half to beat the Miami Warriors 22-14.

The Mustangs dominated the game rolling up a 14-8 edge in first downs, a 260 to 168 margin in rushing and a 33-0 edge in passing yardage. Alva Henderson completed 4 of 13 passing tries. The Mustangs did not have to punt.

Miami scored in the second quarter when Ken Gill capped a drive with a three yard scoring plunge, he then added the extra points to make the score 8-0.

It was the third quarter before Morse got on the scoreboard. Henderson passed to Jesse Vera for nine yards and a touchdown, but the Mustangs were still trailing when they failed to make their extra points.

In the fourth quarter Morse went ahead when Mark McCloy ended a scoring drive with a three yard thrust over the glory line. This time Henderson added the two points.

Miami came right back to tie the game when Deverl Murphy scored from five yards out. The Morse defense kept the game tied 14-14 by killing the try for two points.

Late in the fourth quarter

Giddens Rites Held in Oslo

Funeral services for Dallas C. Giddens were conducted at 2 p.m. Monday in the Oslo Lutheran Church with the Rev. Edward Swanson, pastor, officiating.

Burial was in the Oslo Cemetery under the direction of Bunch Funeral Home of Guy- mon.

Mr. Giddens was killed Friday in a traffic accident involving his pick-up and an ensilage truck. The accident happened at a road intersection in the Oslo community.

He was a Phillips Petroleum employee and lived at the Phillips Booster plant in Sherman County.

Survivors include his wife, three daughters, a son, all of the home and his mother of Goodwell, Okla.

Alaska's ports are closer to Tokyo than to the eastern coast of the United States.

Sheryl Meek Receives Honor

Bowler of the month for September was Sheryl Meek with a 531. Sheryl bowled this series Tuesday, Sept. 13 on Pin-toppers League.

CROP Meeting Here Tonight

The executive committee of the Hansford County CROP will meet tonight (Thursday) at 7:30 p.m. in the Hansford County Courthouse. County Chairman Johnnie Lee called the meeting to make plans for the fall drive for funds.

Card of Thanks

I would like to express my appreciation for the prayers offered, cards, letters, flowers and gifts that were sent me while in the hospital. May God bless you. Mrs. R.E. Lee

Tri-State Travel Service, Inc.

Suite 509, Band of the Southwest Building 22nd & Civic Circle Amarillo, Texas 79109-FL5-5685

PLEASE NOTE OUR NEW ADDRESS AND TELEPHONE NUMBER EFFECTIVE MONDAY, OCTOBER 3rd.

We are pleased to announce our escorted tour program for 1967.

COTTON JOHN'S FOLLOW THE SUN Around the World South of the Equator will depart on January 31st and will visit Tahiti, New Zealand, Australia (including the Out-back), South Africa, Victoria Falls, Kruger Game Reserve, Brazil, Argentina, Chile, Peru (including the Inca Ruins), Panama, Guatemala, Mexico, returning to Amarillo March 18th.

For those not having the time to make the complete tour, it is possible to take only the South Pacific portion with an optional return through the Orient, or you could join the tour in South Africa, while a third possibility would be to take the trip around South America.

We are also planning a special tour to the WORLD'S FAIR, in Montreal, and this will depart in early August and will include visits to Quebec, New York and New England.

There will be two special departures to HAWAII in 1967 featuring air transportation and an optional return by steamship. These departures will be in late February and mid July.

Should you desire additional information or wish to make reservations on any of these tours, please write or give us a call at your convenience.

Guests in the home of Mr. and Mrs. J.W. Walker over the weekend were Mr. and Mrs. A.R. Murphy of Sublette, Kans.

Mr. and Mrs. Floyd Cousins of Midland spent the weekend with their son and family, Mr. and Mrs. Dick Countiss.

Mr. and Mrs. P.A. Lyon and Mr. and Mrs. John Bishop returned last week from a trip to New Mexico and Oklahoma viewing the beautiful fall colors in the mountains and canyons.

Guests for Sunday dinner in the Ed Haner home were her father, Dallas Bowsher and her sister, Mr. and Mrs. J.E. Hall and Nancy all of Pampa.

Mrs. Cecil Crawford, who is attending West Texas State University, was home for the weekend. She is taking a nine week course for her permanent teachers certificate, she will finish the course in November.

Sylvia Parks of Morse was a Sunday dinner guest in the Dan Farries home.

Robert Corley Wins Silver Star For Bravery Against Viet Cong

The Silver Star for bravery, the Purple Heart and a special infantry award were all awarded posthumously to Platoon Sgt. Robert Corley, 33, in special ceremonies in Grand Junction, Colo., Sept. 15. The medals and awards were presented to his widow, Mrs.

Fay Darnell Croley in a simple ceremony attended also by Croley's mother, Mrs. J. C. Evans, and brother, Gene, both of Amarillo; and sisters, Mrs. John Brown of Spearman and Mrs. Roland O'Donald of Tucson, Ariz.

"For gallantry in action--" Behind the simple phrase lay a story of desperate courage which cost Sgt. Croley his life and earned him the Silver Star and the Purple Heart. The action took place July 19 in Viet Nam.

A statuette and plaque were presented for different reasons. Brig. General Charles T. Horner Jr., of Fort Carson, Colo., presented the medals, plaque and statuette to Mrs. Croley.

The statuette, a replica of the statue of an infantryman that stands at Fort Benning, Ga., and plaque were presented because Sgt. Croley was designated the outstanding non-commissioned officer in the First Battalion, 26th Infantry, for the fourth quarter of the fiscal year 1966. He was also named the outstanding non-commissioned officer of the year in the 26th Infantry for 1965-66.

He was chosen for these honors only a few days before he died of wounds received when he won the Silver Star and Purple Heart.

Lt. Albert W. Degyansky of Fort Carson read the Silver Star Citation.

It told of a patrol, led by Sgt. Croley, which surprised several Viet Cong in a small trench network near the village of Phu Loi.

The Viet Cong tried to reach their weapons, but Croley immediately began firing on the enemy. He was then joined in the fire fight by members of his platoon.

Sgt. Croley charged through the dense undergrowth under fire and took the objective

and routed the Viet Cong. In the trench network he found the body of one Viet Cong and bloody tracks of others.

Sgt. Croley died the next day of the wounds he received in reaching the trench and routing the enemy.

"As a result of his quick thinking and courageous leadership, the Viet Cong emplacement was singlehandedly overtaken and destroyed. His unquestioned valor in close combat against superior hostile forces is in keeping with the finest traditions of the military services and reflects great credit on himself, the 26th Division and the U.S. Army."

Sgt. Croley attended Amarillo High School and was a member of the Golden Sandstorm football team, but quit school to join the Marines during the Korean conflict.

He served aboard the USS Manchester as a seagoing marine for four years and nine months.

After being discharged, he returned to Amarillo and was married. He decided to reenlist in the Marines, but Marine enlistments were closed, so he joined the Army Airborne and later transferred to the regular infantry.

He is survived by his wife, mother, brother and two sisters and four children.

Mrs. Womble Is Guild Hostess

The Arts and Crafts Guild met Friday in the home of Mrs. Lesse Womble.

Guests for the meeting were Mmes. Bill Gandy of Spearman and Thelma Moreland and Slim Harrell of Borger.

Members attending the painting session were Mmes. Pope Gibner, Bill Russell, Guy Fuller, P.A. Lyon, Garrett Allen and Clay Gibner.

Future Readers of The Plainsman

Mr. and Mrs. William Tension are the parents of a girl born Oct. 3 at Hansford Hospital weighing 7 lbs. 11 oz.

Mmes. Betty Row and Thada Baker of Ponca City were Saturday overnight guests of Mr. and Mrs. Lee Keys and Mrs. M.A. Robinson. They also called at the Guy Remy home and visited Mrs. Ruth Caro Sunday afternoon. Mrs. Robinson, who has spent the past 10 days with her daughter, Mrs. Keys, returned to her home in Ponca City with them Sunday evening.

Mr. and Mrs. A.R. Witcher spent the weekend in New Mexico viewing the beautiful fall foliage in the mountains.

Virginia Cates Gives Program on Coins

The Spearman Study Club met Monday afternoon in the home of Kay Vernon with Pat Frances as co-hostess.

The president, Judy Martin, presided at the short business meeting at which time the Junior Pledge was read by the group, led by Donna Baxter.

A general discussion was held on the "Home Tour" which will be held Dec. 11.

Marilyn Wilson was in charge of the program, introducing Virginia Cates, who gave a most interesting and in-

formative talk on "Coin Collecting". She displayed many of her coins from her own collection.

Present were members, Margaret Adamson, Donna Baxter, Mary Jane DeArmond, Margaret Evans, Joyce Lackey, Sandra Ladd, Jo Larson, Judy Martin, Linda McLain, Patty Sheppard, Lois Shieldknight, Marilyn Wilson, the hostesses, and a guest, Karen Countiss and the guest speaker, Virginia Cates.

Town and Country Club Meet in Buchanan Home

The Town and Country HD Club met Tuesday afternoon, Oct. 4 in the home of Nellie Buchanan.

Louise Hawkins, vice president, presided in the absence of the president Nedra Hays. She also gave the devotional. Roll call was answered with "My Favorite Apple Recipe."

The group decided to again sell Halloween assorted bags of candy for \$1.00 each. A Halloween party will be held Monday, Oct. 31.

Nelva White gave the coun-

cil report and Donetta Greene gave the report on the 4-H Achievement banquet.

The delegates to the State Convention, Tot Rosenbaum and Rita Reed gave the program.

Linda Bodey won the surprise package.

Attending were Linda Bodey, Donetta Greene, Louise Hawkins, Jan Rinker, Nelva White, Barbara Bell, Mary Lovett, a visitor, Mrs. Self and the hostess.

Homemaking Notes

by Linda Webb,

Home Demonstration Agent

It is now getting late in the gardening season, but I have had so many inquiries lately about blanching vegetables that are to be frozen, I decided to once again talk about this important step in the freezing of foods.

First of all, I want to point out that the food coming out of your locker drawer or home freezer is no better than it was before it was frozen. Therefore, top quality fruits and vegetables should be chosen for freezing, if top quality is expected as an end result.

The second point I want to make is that proper packing of food to be frozen is important to the end product.

The purpose of packaging or wrapping food is to keep it from drying out and to preserve food value, flavor, color and pleasing texture.

Packaging materials should be selected according to the food to be frozen and personal preference. The main thing is for the packing material to be moisture-vapor-proof to prevent evaporation and to retain the highest quality in frozen food.

Glass, metal, rigid plastics, and most bags, sheets of freezer wrapping materials and waxed cartons made especially for freezing are moisture-vapor-proof or resistant. Ordinary waxed papers, aluminum foil, and cartons for cottage cheese and ice cream are not moisture-vapor-proof or resistant and should not be used.

Now to my main point--the blanching of vegetables for freezing.

Until vegetables are ready to pick from the garden, enzymes help them grow and mature. After that they cause loss of flavor and color. It is necessary to heat vegetables before freezing to slow or stop the action of these enzymes.

If vegetables are not heated enough, the enzymes continue to be active during the frozen stage. The vegetables will then develop off-flavors in a few months, and may discolor or toughen.

Besides stopping enzyme action, heating also wilts or softens vegetables and makes them easier to pack. Too long a heating period will result in softening of texture and an un-

necessary loss of water soluble vitamins and minerals.

For home freezing the most satisfactory way to heat practically all vegetables is in boiling water. Use a large kettle that can be covered and into which a fine-mesh wire basket fits; or use a blancher which has a blanching basket and cover. A large loose cheesecloth bag may be used in place of the wire basket in the kettle.

For each pound of prepared vegetables use at least one gallon of boiling water. Put vegetables in blanching basket or cheesecloth bag and lower into the boiling water.

Place cover on blancher and keep covered during entire heating period. Keep heat high so water will continue to boil vigorously. Start counting time as soon as the vegetables are in the water. Each vegetable requires a different heating time. Here are some of the most common:

Shelled green beans-1 min. Snap Beans-small, 2 min; medium 3 min; large 4 min; Sweet corn-(on cob) small ears, 7 min; medium ears 9 min; large ears 11 min. Corn, whole grain-4 min, before cutting off the cob. Okra-small pods, 3 min; large pods, 4 min. Leave whole or slice. Peas, (black-eyes, etc.) shelled, small, 3 min, medium 4 min.

For complete food freezing information ask for our free Extension Bulletin on "Frozen Foods-Freezing, Cooking". I'll be glad to send you a copy.

Mrs. Etter Hosts Bridge Luncheon

Mrs. Tom Etter was hostess for the Short Club Bridge Luncheon Tuesday, Sept. 27 in her home.

Holding high score was Mrs. J.W. Gibner and low was held by Mrs. Henry Cornelius.

Attending were members, Mmes. Henry Cornelius, Oscar Donnell, J.W. Gibner, Sam Watson, Garland Head, Richard Holton, Robert Skinner, and guests, Steve Mathews, Jack Wood, James Lair, Chalmers Porter and the hostess.

The Plainswoman

THURSDAY, OCTOBER 6, 1966

by Day McClellan

The following items are copied from the Woman's Century page of a September 7, 1901 copy of the Dallas Semi-Weekly News.

GOOD FOR THE HAIR

"To the Household; I saw in the Household where a lady gave a few items on beautiful hair, I will give my experience.

"Never wash your hair if it can be avoided. When it gets dirty, comb with a fine comb.

"Never oil or grease your hair. If it becomes too dry and breaks rub the skin of your head with vaseline. Comb well night and morning. Dip the ends of your hair if it splits. I have followed the above rules two years and my hair is forty-two inches long.

"For a dark, sallow complexion, I can truthfully say I have tried many remedies, even costly ones, but found nothing better than a simple home remedy. Take clear, hot water, as hot as you can bear; bathe your face and hands five minutes, then wash in cold water.

"If this escapes the waste basket, I may write again.--Wandering Girl, Teck, Travis Co., Tex."

HONESTY IN THE HOME.

"I believe the subject of how to make home happy is almost exhausted. However, I'll try to advance a few ideas along that line.

"I agree with the many writers that love is an all-important feature of home happiness, but are there not other features equally as important? Yes, imagine the coldness, sadness and gloom of a home without love, but think of a home where honesty is merely a blank, I do not mean simply where the husband practices swindling as a means of support, but where honesty is not strictly adhered to in our every day walk; where we practice false pretenses, deception and untruthfulness in every respect. I do not like dishonest smiles--a smiling face with a frowning heart. Greet me with an honest frown rather than a deceptive smile. . . Let us be truthful in all things. If it does not suit certain occasions to speak the plain truth, leave it untold, do not substitute in truth's stead a dainty little 'fib' in order to make a more pleasant impression.--Mrs. Araminto Swink, Woodbury, Hill Co., Tex."

A FEW THOUGHTS.

"We all like The News. My husband reads it. He was much pleased with the piece 'Good Money in Hogs.' It appeared August 13.

"Will someone please tell us how to cure lampers on horses? We tried bleeding them and like to have killed one of our horses.--Minnie Law, Amarillo, Potter Co., Tex."

WHO CAN TELL?

"To the Household: Can any of the sisters tell me how they put the gloss on shirt fronts at the laundry?--A.C.S., Arlington, Tarrant Co., Tex."

RECIPE.

"Snow Cake--Whites of four eggs, one-half cup of butter and sweet milk the same. One and one-half cups each of sugar and flour, one teaspoon of baking powder. Flavor with lemon. Bake.

"Will some one please send me a remedy to take freckles off the face?

"Long live the good old News.--Bettie Abel, Sandoval, Williamson Co., Tex."

...

Then, among the advertisements in this gem entitled "Half a Man."

"When a man is sick and can only work half the time he is practically half a man. It requires his whole physical energy to do half a man's work.

"In general the weak run down condition which cuts strength and energy in half is due to distress of the stomach and other organs of digestion and nutrition. You could not expect a half-starved man to work more than half the time. The condition of the man with weak stomach is that of the half-starved man. He is weak through lack of nutrition.

"Dr. Pierce's Golden Medical Discovery cures diseases of the stomach. It enables the perfect nutrition of the body and so restores the strength."

"Then there's the inevitable quote 'I had stomach trouble from birth,' writes Mr. Willis Seaman of Washingtonville, Orange Co., N. Y., 'and suffered with it more or less as I grew up. At the age of 25 I was broken down. Could not eat without distress. Could only eat a few certain things and was not able to work half the time. Everything I tried only gave me temporary relief. My wife finally persuaded me to try Dr. Pierce's Golden Medical Discovery and Pleasant Pellets. I took six bottles of Golden Medical and two vials of Dr. Pierce's Pleasant Pellets. I then felt so well I stopped taking medicine. Several months have passed and I can do the hardest kind of work and can eat anything that is set before me and enjoy it. I am 27 years old and this is the first time I have ever been well.'"

Things have certainly changed in the 65 years since that paper was published. In fact, we're using face creams exclusively in many cases instead of "clear hot water" and the ideal complexion is the dark, sallow one that "Wandering Girl" tried so hard to remedy. We go to a lot of trouble to make our husband's shirts anything but glossy as the laundry leaves them. Certainly we aren't still in search of something to remove freckles. They are so "in" that some current fashion magazines suggest penciling them on if you weren't lucky enough to come by them naturally. I'm sure the diet drink-for-lunch-bunch who fight to keep their weight down far outnumber those who used Dr. Pierce's Golden Medical Discovery and Pleasant Pellets to keep their strength and energy up.

That's progress, I guess. Honesty in the home, though, seems as timely today as it was when it was written. "I do not like dishonest smiles--a smiling face with a frowning heart" is a classic.

Miss Penny Gaither

Miss Gaither Is Installed Worthy Advisor

In an open installation ceremony held at the Masonic Hall Friday evening, Sept. 30, Miss Penny Gaither, daughter of Mr. and Mrs. Johnnie Gaither, was installed as Worthy Advisor of Assembly #106 Order of Rainbow for Girls.

Also installed for the new term were Susan Uptergrove, worthy associate advisor; Toni Hudson, charity; Becky McClellan, hope; Betha Mathis, faith; Patsy Powell, recorder; Carol Booth, treasurer; Lynn Hohertz, chaplain; De Anna Sheets, drill leader; Rhonda Duryee, patriotism; Sandra Fowler, service; Susan Barnes, con. observer; Karen Matthews, outer observer; Mary Frances Nollner, choir director and Don Hendricks, mason.

The worthy advisor wore a floor length turquoise formal with all the other officers wearing floor length white formals.

The chapter room was decorated with turquoise and white arrangement. In front of the installing officers stand was a large gold cross against a background of white.

Installing the new worthy advisor were Wanda Brown, installing officer; Margaret Evans, installing marshal; Nina Hendricks, installing chaplain, Marilyn Groves, installing musician and Kathy Archer, installing recorder.

Following the installation the parents and brother of the new worthy advisor approached the East and presented her with a token of their affection.

A reception followed in fellowship hall with the following hostesses: Stephanie Patton, Kathy Reynolds, Jeri Grange and Paula Wallace.

The serving table was laid with a white linen cloth and was centered with an arrangement of white and turquoise mums. The cake was baked in the shape of a cross. Cake and punch were served.

Guests were registered by Barbara Kitchens from a white covered table with a vase of turquoise daisies.

Out of town guests were Mr. and Mrs. Charles T. Lewis, Marsha Yoke, Linda Loughery, Tommy Flowers, all of Stinnett and Mr. and Mrs. Otto Gammill and Mrs. Henry Roper, both of Gruver.

P-TA Plans First Meeting

The Spearman P-TA will have its first meeting for this school year October 10 at 7:30 p.m. in the Junior High Auditorium.

This will be "Back to School" night and all parents are urged to attend.

Mr. and Mrs. Carl Lucas of Amarillo, Mr. and Mrs. Don Shockley of Perryton, Mrs. Joan Crawford and children, Jim David, Joe Edd and Vickie, were Sunday guests of Mrs. E.N. Wilbanks.

Mrs. Bort To Attend State Cancer Meet

Mrs. A.R. Bort of Gruver, delegate from the Hansford County Unit of the American Cancer Society, will attend the statewide Division Annual Meeting of the American Cancer Society, October 5-6 at the Shamrock Hilton, Houston. Also attending the meeting will be R.L. Kleeberger, M. D., Spearman, alternate, who is also a member of the Hansford County Board of Directors. Dr. Kleeberger is also a member of the State Board of Directors.

Keynote speaker of the Twentieth Anniversary Meeting will be Leonard Larson, M. D. of Bismarck, North Dakota, National President of the American Cancer Society. Former president of the American Medical Association and a Founding Fellow of the American College of American Pathologists, Dr. Larson is an internationally known figure in world health control. His topic will be "The Nationwide Fight Against Cancer."

Outgoing President of the Texas Division, A.B. Goldston, M.D. of Amarillo will address the delegates, as will William D. DeSanders of Dallas, Chairman of the State Board.

Twenty-four hours of seminars, workshops, and general meetings will be highlighted by Cancer Case Presentations by five outstanding Texas physicians.

Election of new Officers, Directors-at-Large, and Executive Committee Members will be conducted the afternoon of October 6.

Flower Club Hosts Dinner For Husbands

The Dahlia Flower Club met Monday evening at the HD Club Room for their annual dinner, with their husbands as special guests.

The dining room was decorated with arrangements of fall flowers and the serving tables were laid in white with arrangement of fall shades of roses with colored autumn leaves extending down the tables. Napkins decorated with fall leaves further carried out the autumn theme.

The group enjoyed a complete turkey dinner with all the trimmings prepared and served by the Hansford HD Club as their project for raising money for the HD building fund.

The group then went to the game tables where games of 42 and canasta were enjoyed.

Attending were Messrs. and Mmes. Garrett Allen, Jesse Womble, Irvin Davis, Olin Sheets, Earl Riley, Carl Hutchison, H.H. Crooks, Irvin Delk, J.W. Walker, Frank Davis, Mmes. Harold Shaver, Major Lackey, Deta Blodgett, H.M. Shedeck, A.F. Loftin, honorary members, Mrs. F.J. Hoskins and Mrs. H.W. Bagley.

The next meeting will be on Oct. 17 at the HD Clubroom at 3 p.m. Hostess will be Mrs. Jimmie Davis.

Mrs. Oscar Mullins of Guymon and daughter, Mrs. Pat Lessert and son Jeff of Ponca City called at the John R. Miller and Guy Remy home Friday afternoon.

GET SMART ABOUT FIRE Johnny Hartford, Junior Fire Marshal, says cool-headedness is as important as speed in escaping a fire. If fire strikes, you will act more wisely and quickly if you have a good plan of escape.

Fire Prevention A Job for Stores

Retail stores along Main Street were urged by the American Insurance Association today to observe Fire Prevention Week by making a check of their establishments for any possible fire hazards.

They were urged to check these points:

- Make sure, when goods are unpacked, that packing cases are disposed of immediately. Corrugated paper cartons and cardboard boxes are combustibles on which fire feeds.

- When unpacking merchandise for display on counters or shelves, be sure workmen do not block aisles with boxes or push trucks.

- Check all exits and make sure they are clearly marked with exit signs. Also make sure all doors may be opened from the inside quickly in case a fire starts and customers have to flee. Panic lock doors are recommended for retail establishments.

- Check fire extinguishers and make sure they are in working order. If your extinguishers

are of the type that must be re-filled periodically, make sure they are serviced on time.

- When decorating windows or display shelves, use care with electric lights. A hot bulb or faulty socket can start a fire if it comes in contact with highly flammable materials.

- Make sure all employees know how to call the fire department, both by phone and by fire alarm box. If an employee is dispatched to send an alarm from a fire box he should be instructed to stay by the box until the fire department arrives so that he can tell firemen where the fire is.

High School News

New Group Formed for Cheering

The Spearman High School's most recent addition in the way of organizations, is the student body cheering section, or the S.B.C.S., for short. The organization is a group effort. Everyone shares ideas on boosting spirit, both in school and in the community.

The cheerleaders have been working out ideas for the organization all summer and it is working out well, with thirty-six attending the initial meeting.

"That'll all be changed next week though. We plan on doubling or tripling that many for this week's meeting", stated head cheerleader Janie Beck.

Janie also says that this is the kid's club, not the sponsor or the cheerleaders, so everyone should watch for, and listen to, the S.B.C.S., both at football games and basketball games.

Four Direct Work on Lynx Annual

The Spearman High School annual staff is in charge of photography, editing and the arrangements in the new '67-Lynx annual year book.

The annual staff consists of four members each with a special job. Steve Baggerly is in charge of taking pictures of the many S.H.S. events for use in the annual. Lawrence Brown is the sports editor and reports on all athletic events. The main editor for the annual staff is Debbie Standerfer; Janice Trindle is the business manager, who directs all the financial details and the problems involved in getting the annual yearbook to print.

Seniors Begin Play Rehearsal

This week the seniors started rehearsing the senior play "Murdered Alive". This play is a mystery-comedy which will be presented in November.

Portraying the main characters are Debbie Standerfer as Mrs. Libby Ryder; Sharon Mauldin as Arden Ryder, and Jeri Grange as Tillee Meek. Other students in the play are Lawrence Brown, Carla Archer, Penny Gaither, D'oe Collard, Doug Lackey, Harvey Whitefield, Hal Sanders, Stephanie Patton, and Gary Ellsworth.

Coaches Work Hard In Building Spearman Lynx Athletic Teams

This weeks report from the sports corner is a report on eight people who, in many students eyes, work very hard. These men, who do their best to help students, are our coaches.

The four varsity coaches are George Wright, Jim Allen, Larry Anthony and Allen Simpson. Two varsity basketball coaches are Dean Weese, girls basketball, and Allen Simpson, boys basketball. Eddie Clemens coaches the Freshmen and Jerry King coaches the eighth grade. Coach Wright, a graduate of

Drama Class Players Rehearsing First Play

The drama class players have been selected, and rehearsals have begun. The production of the play, "Night of January 16th" is scheduled for September 26 according to Mrs. June Porter, who is directing the play.

Strictly speaking, this is a play without a heroine, but Cloetta Fullbright has been

selected for the leading feminine part, that of Karen Andre, defendant in the murder trial. Nor has it a hero, the principal male role being that of the prosecuting attorney, which will be played by Gary Bengé. Also portraying the rest of the cast are the Defense Attorney Stevensn, Tony Hester; Nancy Lee Faulkner, Debra Brock.

Twelve important members of the cast remain to be chosen, but they, fortunately, need no rehearsing, and will not be selected until the night of the performance. They are the jury who will listen to the evidence and render the verdict. The jury's verdict will depend which of the two endings written for the play will be used.

FHA Girls Seek Degrees

The Future Homemakers of America have a Degree of Achievement Program. This program gives a student an opportunity to learn more about the F.H.A. organization and to grow as an individual, a member of a chapter, a member of a home, and a member of a school and community.

When an F.H.A. member works toward a degree, she needs to choose definite goals toward which to work, to make plans for working toward her goals, and to decide if she has shown enough growth toward her goals to achieve the degree. She will need to work with her chapter adviser, other members of her family, her chapter adviser, other members of her family, her chapter and community who can give her suggestions and help.

When a member has achieved her goals for a degree, the chapter may give her recognition by conferring on her the degree toward which she has worked. A member, having achieved the Junior Homemaker degree, is entitled to wear the symbol of that degree, the keg. The symbol of the Chapter degree is the scroll.

Boys Fitting Registered Show Bull

Last week we had a feature on the registered bull owned by Phillip Renner and Glenn Blodgett. This week we have a story of the bull owned by Clay Schnell and Bill McClellan.

When Schnell and McClellan got their bull, he was about two months younger than the other. They bought a cow with this bull and nursed him for awhile and then put him on pasture. They now have him on a weight-gaining ration and will feed him this until he reaches his sexual maturity.

They will show him everywhere they can and then sell him. This one won't go to Denver as the other.

Teacher Showing Travel Items

Miss Roden has arranged a display in the library showcase. The display is of items she has collected on her trips to Canada, Hawaii and Mexico. Many of the items are from Mexico and some have a hand painted design. There are a few items made from metal. One metal item is a tray with a picture engraved in it. The items will be on display for a few more days.

Cirriculum Is Studied

This year the Spearman school system has a curriculum study for teachers. The study is actually a guide, which, when completed, will outline the minimum standards of all courses in the school system. It should make the transition from level to level smoother for the student, will allow teachers to omit some repetition, and possible indicate where emphasis is needed. This study must be agreeable to the teachers, because the comment "I like it" was uttered by a teacher.

Howk Leading School Chiors

Spearman High School has a new choir director, Mr. Edward Howk.

Howk graduated from the University of Texas. He received his musical preference from Austin. Mr. Howk will conduct a variety of music.

Mr. Howk has directed a college choir and has been a director at clinics.

Viet Nam Vet Spanish Students Tell Stories in Spanish

Last week Spearman High School had a visitor, a United States Marine Corps Sergeant who had just recently returned from Vietnam.

The sergeant had a film to show the student body about the Marines activity in Vietnam. It gave a different slant on the whole war over there.

The sergeant told of the people lived there and said that the people in Vietnam didn't even know what soap was. He said that when the Marines started to hand out soap to the natives, the people thought it was food and started to eat it.

The program had been offered to the school and was sponsored by the U.S. Marine Corp.

Recently the students in the Spanish II class of Spearman High School told stories of a past experience. This was hard for the students as the speeches were done completely in Spanish and in the past tense, the hardest tense to learn in Spanish.

The stories were about such things as vacations, humorous events, and La Noche Mala (the bad night), the story of

the Spearman versus Gruver football game. One story was told by several students. It was about being chased by a negro in Enid last year.

Mrs. Morse was very pleased with the stories and said that she planned to do more of the same. She also said that she had ordered a book of comical plays in Spanish. There is a part for an interpreter so that the audience can understand what is being said. She said that some of the plays might be given later on in the year if she can get enough students interested.

Fashion Ideas For Cold Days

Wondering what to wear for those outdoor activities this fall? The western, pile-lined jackets are very warm and especially good for those cold October football games. They are made of fake leather or suede cloth in cowhide colors.

You will steal the scene when you arrive in a pants suit of wide-wale corduroy. Matching jacket and stovepipe pants achieve the look of a neat, sporty ensemble.

British walking suits, create the tailored appearance of the pea jacket and a-line skirt. These are very fashionable in small prints or solid, heather colors.

War on Fruit Flies Appears Near End

AUSTIN — North American fruit flies have been found in the Lower Rio Grande Valley for 60 days, and if none is found in the next 60, the fight for their eradication will be assumed to have been won, Agricultural Commissioner John White said Tuesday.

The quarantine area has been reduced to the City of Brownsville and a mile-wide strip around Brownsville. The quarantine will be lifted if no more of the citrus pests are found in 60 days.

Highway 15

Spearman, Texas

... 4-H

(Con't, from page 1.)

senbaum.
Citizenship, Vicki Cummings.
The state 4-H Club office announcement said each state winner would receive an all-expense trip to the 45th National 4-H Club Congress, Chicago, Nov. 27-Dec. 1.
Donor for the beautification awards program is the Sears-Roebuck Foundation and the Westinghouse Electric Corporation provides the awards under the electric program.
The records of the two state winners will be submitted for judging in the national contest, the state 4-H office said.
Doug is the son of Mr. and Mrs. Wilson McCloy and a veteran of seven years in 4-H and a prime mover in the Morse Junior Leaders Club which has a long record of achievements in community beautification projects. He is a junior in Morse High School.
Morse was a rather junky looking place when the club started their activities in the fall of 1962. Four years later it's a different looking community and we're all proud of our community, says Doug, because we've all worked at the job of making it the kind of place we like to live in.
Doug served as a member of the original cleanup committee. Six Saturdays were spent cleaning up the town with some 75 loads of trash hauled away. The next project was a community park. Funds were raised through donations to purchase the land and plant a windbreak and plans for the park were drawn for the park by Extension Service specialists. Playground equipment was purchased from a school in the county with the 4-H members doing the moving job. Picnic tables were constructed by boys in the high school shop class.
Then it was decided the next addition should be a commun-

ity center. Again funds were raised and a vacant building was purchased and remodeled. Next the club erected street markers and placed house numbers on the homes in Morse. Four rural directories were also placed at strategic locations in the community.
After four years, the community has a youth center, and park, the streets and homes are numbered, rural homes are easier to find and the community has three times won district awards in the Texas Community Improvement Program for outstanding achievements. "We feel closer to one another because we have worked and played together and our community is a cleaner, more beautiful and better place in which to live," says the young man who has been in on every project undertaken by the club.
Doug's enthusiasm spread right into a home project just as has been the case with other 4-H members. Home grounds have been beautified and still the work goes on. The state winner has found time to feed calves, raise horses, participate in judging and team demonstration contests, attend State 4-H Roundup and become a member of the Talent Club. He looks forward to many more years in 4-H. He says he gets a lot of help from his brothers and parents.
"Miss Kilowatt of Hansford County," Sylvia Parks, 17, has been enrolled in the electric project for six years and has become an authority on circuit protection. She is the daughter of Mr. and Mrs. H.B. Parks; a senior in high school and a veteran of nine years in 4-H.
In addition to electricity, she has conducted demonstrations involving clothing, foods, safety, photography, agribusiness, money management and junior leadership. She still finds time to take an active part in school, church and community affairs and to serve as a member of the district 4-H council and chairman of the county council.
She was named county winner in the electric project in

Tell Baby Sitter What to Do If There Is a Fire

If you employ a baby sitter to watch over your children when you and your husband are away for an afternoon or evening, choose a baby sitter competent and qualified for the job, the American Insurance Association said today.
The Association gave these suggestions:
1. Choose a baby sitter whom you know, one that has a sense of responsibility, and likes children.
2. Have the sitter meet the children before you leave, so they will become accustomed to her.
3. Introduce the sitter to any pets you may have, particularly the family dog.
4. Give the baby sitter a card with the telephone number of where you can be reached, the numbers of the fire and police departments, and of your family doctor.
5. Show the sitter all the exits from the house or apartment and provide her with a flashlight to be used in case the lights go out. Explain to the sitter that in the event of fire, she should get the children out of the house, then call the fire department, preferably from a neighbors' house. Then after she has done these things, she may notify you. Remind her that no one should re-enter a burning building.
6. Tell the sitter the time when you expect to return. Be sure to telephone her if you are unavoidably delayed.
1960 and each year since her interest and knowledge on the subject has increased. She lists as her two most important projects the drawing of the plans and the actual wiring, with assistance from fellow 4-H electric members and their adult leader, of the community center and a community survey on electrical safety. In 1964 she was a member of the state winning electric demonstration team and in 1966 won similar honors in the cooperative demonstration contest.
In addition, she has completed 70 electric projects and has given 46 method demonstrations, including the district and state 4-H electric camps. She has performed before many different audiences and her work in this field has been a deciding factor in her choice of a career-home economist.
Sylvia is a member of the Talent Club; has twice attended the American Institute for Cooperatives and in 1965 was awarded a trip to Washington, D.C. under the "Government in Action" program. She, like her fellow trip winner, has played a major role in the community rebuilding program of their neighborhood. She holds many other county and district awards.
Both trip winners, and it is unusual to have two from the same club, give full credit to their parents, fellow 4-H members, adult leaders and county Extension agents for their success.

1. Choose a baby sitter whom you know, one that has a sense of responsibility, and likes children.
2. Have the sitter meet the children before you leave, so they will become accustomed to her.
3. Introduce the sitter to any pets you may have, particularly the family dog.
4. Give the baby sitter a card with the telephone number of where you can be reached, the numbers of the fire and police departments, and of your family doctor.
5. Show the sitter all the exits from the house or apartment and provide her with a flashlight to be used in case the lights go out. Explain to the sitter that in the event of fire, she should get the children out of the house, then call the fire department, preferably from a neighbors' house. Then after she has done these things, she may notify you. Remind her that no one should re-enter a burning building.
6. Tell the sitter the time when you expect to return. Be sure to telephone her if you are unavoidably delayed.

Diamond-Shape Rinds

Watermelon pickle is particularly attractive when the rind is cut in diamond shapes.
PARIS — Prof. Rene Fabre, 77, eminent French toxicologist and biochemist, died Tuesday. Fabre was named president of the National Academy of Medicine in 1963.

Two Attend Clarendon

Two Spearman boys are among the record number of students attending Clarendon Junior College in Clarendon. Those attending are Tom Hoobler and Gary Payne. This year the enrollment in the college is a record 237 students. This breaks the record set last year of 228. There has been a new record each fall since 1963.
GET SMART ABOUT FIRE Johnny Hartford, Junior Fire Marshal, says conduct family fire drills at least once a year. Plan more than one way to escape from every part of the house.
