For conservation . . . USDA schedules second signup

Washington, April 17—Farmers who want bid to enter their highly erodible cropland into USDA's conservation reserve program may do so during the program's second signup period, May 5-16.

Secretary of Agriculture Richard E. Lyng said producers will be offered the option to bid for a conservation reserve program contract beginning with either the 1986 or 1987 crop year.

For contracts which are effective immediately, annual payments will be made beginning Oct. 1, 1986. Producers can not harvest any 1986 crop planted on land to be placed in the program. Any producer who has had or will have a crop mechanically removed from the designated area is ineligible for a 1986 contract.

For contracts which become effective on Oct. 1, 1986, or later, producers will be allowed to harvest their 1986 crop, and no annual payments will be made before Oct. 1, 1987.

USDA will establish maximum acceptable rental rates after the end of the signup and bid data have been evaluated.

Additional signup dates for the 1987 crop year will be announced later.

for the 1986 signup, designated cropland may be grazed until the Commodity Credit Corporation enters into a conservation reserve program contract with the producer and notifies him that livestock must be removed to comply with contract provisions.

Land that is designated for 1987 contracts may not be grazed after Oct. 1, 1986.

Agricultural stabilization and conservation state committees may re-establish pool boundaries for the second signup period.

The only acreage limitation that applies for the second signup is that a maximum of 25 percent of the cropland in a county may be entered into the program.

During the first signup period, which ran March 3-15, 838,356 acres of highly erodible cropland were entered into the conservation reserve program. Accepted bids ranged from \$5 to \$90 per acre, and the average bid was \$41.82 per acre.

Card of Thanks

Thank you Hansford County citizens for supporting both acts of the Sesquicentennial program.

We live in a great county of wonderful people. I wanted you to know how pleased we were to have such big crowds at both shows.

We are having lots of fun celebrating this year.

Many thanks to the committee, cast, and crew for their time and effort spent on the programs. They were super people to work with and to be around.

Sincerely,
Janie Kunselman

Services Held For "Willie" Vela, 48

Services for Guillermo "Willie" Vela, were held in Spearman Thursday, April 17, 1986. Services were at the Sacred Heart Catholic Church in Spearman with the Rev. Brandon Sherry, Pastor, officiating. Burial was in Hansford Cemetery by Boxwell Brothers Funeral Directors.

Mr. Vela was born in Rio Grande City and lived in the Spearman area 20 years. He was a farmer and a member of Sacred Heart Catholic Church. He was

married to Aurora Bazan in 1959 in LaCasita.

Survivors include his wife; eight daughters, Barbara Reza, Criselda Vela, Delores Moreno, Ciria Vela, Leticia Vela, Maria Vela, Teresa Vela, all of Spearman and Bernarda Olivarez of Waka; a son, Teddy of Spearman; his father, Ramon of Rio Grande City; three brothers, Eusebio of Gruver, Celistio of Spearman and Ramon Jr. of Perryton; a sister, Josie Dela-Rosa of Edinburg; and four grandchildren.

Two Bit Sermons

Christian Education

On and On, the controversy goes on. Many words have been written and there is still no satisfaction. Scriptures clearly teach that the education is the responsibility of the parents. Yet there are many ways to educate. Parents have the option today of public, private, christian, and home education. How should a parent make the choice? What are the factors that should be evaluated? Every one has to make this decision on their own. It is my desire today to share with you facts and statements made by men of renown.

In May, 1983, a random selection of 7428 students from 177 schools in 40 states were tested. All students were included in the statistics you will see. Students in the lower and upper grades were included. Even children which have classified as "slow learners" were included. No student was given any preparation before the testing began. All the students had on thing in common. They were all using the Accelerated Christian Education Curriculum. The test were scored and recorded by CTB/McGraw-Hill publisher and consultants. The test given was the 1977 California Achievement Test. McGraw-Hill is the largest publisher of text books for schools in the Nation.

"IF WE CAN EFFECTIVELY KILL THE NATIONAL PRIDE AND PATRIOTISM OF JUST ONE GENERATION, WE WILL HAVE WON THAT COUNTRY..."
—Joseph Stalin

The United States Office of Education has reported that vandalism costs more than half a billion dollars per year, and seventy thousand teachers and uncounted thousands of pupils are assaulted every year.

The Chicago Teachers' Union reported that more than half of the teachers responding to a question-

naire stated they were suffering from some type of stress-related physical illness. The most stressful area cited by teachers was discipline and safety in schools.

Drugs and X-rated textbooks are becoming another fact of life in the public education system which is supported by the ever-increasing satanic belief that the state and not the parents decide what is best for children.

Patriotism is laughed at in the textbooks while one-worldism is glorified. Communist terrorists are praised while our founding fathers are ignored. Mavieland sex idols are hailed while statesmanship is belittled.

It doesn't take much intelligence or imagination to see the fulfillment of those statements in America from the '50's to the '70's, and to see the continuing decline in our nation's youth in all areas of morality, godliness, and patriotism.

A public educator recently reported, "School is the most dangerous place in which a teenager normally spends his time..."

The answer is not to be found in spending more dollars on the public system in the vain hope that such funds will mystically turn the tide. There is an answer, however, and it is found in Deuteronomy 6:4-7, "...And these words, which I command thee this day, shall be in thine hearts: And thou shalt teach them diligently unto thy children..."

A quality Christian education that is completely Christian in curriculum, precepts, and training is available NOW to YOUR church, to YOUR community.

AS GO THE SCHOOLS; SO GOES THE NATION!

Revival Begins Sunday May 4th

Pastor Beachy will be in Revival at the First United Methodist Church in Spearman, May 4, 5, and 6th.

Bill Beachy

William M. (Bill) Beachy is Pastor of First United Methodist Church in Lockney. Pastor Beachy is married to the former Melanie Beth Parks and they are the parents of two children, Michael and Andrew. A native of Plain City, Ohio, Rev. Beachy is a graduate of McMurry College in Abilene, where he majored in music. Both he and Melanie are song writers and musicians, and together have formed Rainbow Ministries, devoted to full time evangelism. Rev. Beachy also holds a Master of Divinity degree from Asbury Theological Seminary in Wilmore Kentucky, granted in 1983. He is 33 years old.

Bill and Melanie have travelled extensively throughout Texas and the nation with their ministry of music. They have shared and sung for churches of all sizes, schools, camps, rest homes, retreats and rallies, including the 1980 Congress on Evangelism in Tulsa, Oklahoma.

Among The Neighbors

Joel Lee Lackey, who never does anything by halves, is proudly announcing the arrival of twin grandsons. Chance William, weighing 7lb., and Collin Lackey, weighing 6lb. 9 oz. were born in Amarillo and are now at home in rural Pampa GETTING acquainted with 2 year old brother, Chandler Paul. Charles and Janyth Bowers are the parents; Joel Lee and Joyce Lackey, grandparents, and great grandmother, Mrs. Altha Putman of Wichita Falls, Texas. There are no paternal grandparents. The twins were born on April 15 and as their father remarked "it was a taxing day" Joyce is staying with the Bowers for awhile.

Mrs. Wayne Cummings is at home recovering from surgery on Friday at St. Anthonys. She expects to return to the Consumers Sales Company where she is the bookkeeper in the near future.

Becky Perry, with Misti and Brandon, visited over the week-end in the home of her mother, Mr. and Mrs. R.S. Weckesser. The Perrys will be moving to their new home soon, in the rural area near Borger.

Another guest of the Weckessers is his brother, Buster, from Miami, who will be here for several more days.

Peggy and Bob Ferguson, formerly of Gruver and now of Sun City, Arizona, visited here several days last week. They were guests in the home of her brother, the J.L. Pierces, as well as other relatives and friends here and in the Gruver area.

Mrs. Marie Deck has been spending most of the time in the home of her daughter, Becky and Mark Morrison of Perryton, helping to get little Miss Jessica O. settled in her new home. She arrived April 19th

by way of the Memorial hospital in Perryton, weighing 6lb. and 4 oz. she is welcomed by 10 year old brother, Jason.

Mr. and Mrs. Garland Head spent the week-end in Lubbock with an old College room-mate of Garland's. Sunday they drove to Farwell to visit his mother.

Mr. and Mrs. Joe Boucher of Burkburnett visited a couple of days with old friends, the Ed Garners, this week. The Garners and their guests enjoyed the sesquicentennial show Tuesday night.

The Amarillo News carried a list of promotions by the Amarillo College Board of Regents Friday. Among them were Carolyne Collard Long, promoted from counselor to assistant professor. She is the daughter of Mr. and Mrs. John R. Collard.

Mr. Arnold Ferguson, former resident of Hansford County, visited family members and old friends last week. He was en route to a Shriners Convention and drove his Motor home from Sun City, Arizona. This is noteworthy as he is in his late eighties. He still owns land in the county that has been in his family since 1876.

Among those attending the funeral of Cecil Foote in Amarillo on April 15th were: Mrs. Elsie Mathews, Mr. and Mrs. Steve Mathews, Karen Farber, Mr. and Mrs. Kent Guthrie, Evelyn Guthrie, Mr. and Mrs. Lawton Guthrie, Mr. and Mrs. Tommy Reger, Alice and Lela Jennings Mrs. Nova Foote is the former Nova Mathews and the Footes lived here many years ago and still have farming interests here.

To report locals, call 659-3468.

Seated next to our 1985 MISS HANSFORD, Linda Evans, is contestant Jill McLain. Staff Photo-Amanda Guzman

The Contestants entering the Miss Hansford Pageant are left to right: Kelly McWhirter, Ann-Marie Jarvis and Charlotte Brandt. Staff Photo-Amanda Guzman

Right is Mr. Pete Fisher, manager of Thriftway and left is Mrs. Crawford of Gruver who won the \$200.00 Shopping Spree. Congratulations Mrs. Crawford. Staff Photo-Amanda Guzman

The tour last Sunday was an outstanding success. Excellent tour guides brought the past to life before the eyes of the tour group.
 Thanks to the Larry Butler and Spearman High School and Eddie Clemons.
 We had an excellent tour bus. Mr Friemel gave 8 hours of his day off on a Sunday to be certain everyone was comfortable on an air-conditioned bus. Also, he had a protable P.A. system that assured all members of the tour could hear - even when they werer up wind from the guide. Thanks Coach!!
 First we went to Old Hansford. I wonder how many of us could walk out in the pasture and tell us where the Court House etc. had been located? Anyway, J.B. Buchanan had previously staked the location of the various shops, stores etc. around the Court House square. J.B. was raised in Old Hansford and told some interesting stories about various persons, if you ever get a chance, have him tell you about Old Hansford. Thanks J.B. and, Mr. Mr. Friemel drove that Spearman Lynx Trailways Bus around the Court House Square and especially through those narrow gates like it was a sports car. Thanks Kenneth!!!
 Then we went to Joel Lee Lackeys for a description of that area. Joel Lee Keeps his place looking so beautiful - been in the same family for over 100 years.
 Shirley Harbour was raised in one of the original homes. We hadn't been there 5 minutes when our little city boys caught a rabbit, the boys were happy, Joel Lee was surprised and the little rabbit tried to fight off heart failure. At one time the meadows were fed by underground water; however, the water table has dropped and it is now irrigated. Joel Lee pointed out the first school where Carrie

Wells Cotter Taught affectionally known as Igorant Ridge. Thanks Joel Lee!!!
 We then went to Zulu on Jeff Hawkins Ranch where Helen Boyd, Clementine and Gus Remmer told us about the first permanet building North of the Canadian River built by Jim and Bab Cator in 1874 and was a main stop between Dodge City and Tascosa. Thanks Helen, Clementine and Gus!!!
 we then went to Morse where Roy Harris had his new school open. Also, for the surprise of our life Tom and Beth Doetch, Sue McCloy, Tom Davis and M. Papay had tables with table clothes and silverware set up in the Community Building along with pies, cakes, coffee, tea, punches etc. Thanks! Thanks! You All. Morse we appreciate your kindness.
 Then we went to J.B. Buchanans windmills. He has every type and kind. He has two in the Smithsonian. He has published a book, "Buchanan Oddsey on windmills. Thanks J.B.!!!
 Then we went to Holt School House where O.C. Holt told us about that area. Albert Graves was especially interested in the old stove (1912) in the school house. The stove is about 5 foot in diameter and 7 foot tall. Albert used to play around there when his grandfather, Albert Baker owned the farm immediately East of the Holt School Horse. Thanks O.C.!!!
 Then we went to Adobe Walls. Folks if you haven't heard G.W. Robinson Well as about the fights there and about any of the people involved; such as Billy Dixon, you have missed one of the rare opportunities of a lifetime. He is Super excellent-his knowledge seems unlimited. Thanks G.W.!!!
 We left Adobe Walls about 7:15 p.m. and got back to Spearman at 8:03. Lots and lots of History had passed before us that Sunday afternoon. Thanks everyone!

Big Business can be bought.
 Not the corporate structure, but the structure itself. The actual buildings of some of the largest corporations in America can be bought by individual investors. Believe it or not, it's not all that hard to get in on the ground floor. Even harder to believe, you don't have to pay top dollar.
 You see, at Integrated Resources we take the time you don't have, to do the research necessary to choose the best investments in real estate. We help you decide things like whether it's better for you to be a landlord, or a mortgage-holder. So you're not left to make these decisions on your own. And when it's time to come up with the money, once again you'll have plenty of company. You'll be putting your money together with all the other investors that are taking advantage of the same piece of real estate.
 To find out more about how we do it, give us a call. You'll be surprised how many skyscrapers are within your reach.

INCREASE THE SIZE OF YOUR IRRIGATION WELL
 Hydro Chemical Engineering Co. of Morton, Texas has been treating irrigation wells for nineteen years. We have treated wells from as far south as Lamesa, Texas to as far north as Nebraska. Thousands of wells have been treated with great results. Never have we advertized, therefore results must be rather outstanding. The wells will normally increase from 25% to 150%. We very seldom ever do a well that doesn't increase. If you are interested and need a reference, it is very possible we have done work in your area. If so, you can get your neighbor as a reference. If not, call us, we can give you many references. We strive to please. This is the very first time to run anything in the paper. This is done to inform people how to get in touch.

New Manager

George Young

It was announced this week by a spokesman for Cardiff Broadcasting Company that George Young has been employed as the new General Manager for KRDF-FM in Spearman. Mr. Young Assumed the Duties of His New Office on April 21st.

Mr. Young said he was pleased to be returning to Radio after an absence of nine years. After moving to Spearman in 1971, He worked as an announcer at the Local Radio Station. He was made sales manager of the Station within two years and later became Station Manager. Young left the station in 1976 to begin working at Cates Men and Boys wear. He said "It's been my hope to someday return to Radio

and I am happy that Cardiff Broadcasting Company is giving me that opportunity". He also said that the Country/Western Music Format will remain the same. However, he plans to expand the local and area news coverage and add to the various information programs.

George said he hoped the listeners of KRDF-FM Radio will share any ideas they have on how the station could add to its programming to serve local needs. Young said he is "Looking forward to hearing from all our listeners".

Young and His wife Virginia reside at 130 Wanda Drive. They have two daughters, Debbie and Cindy, and one Granddaughter, Amanda.

Hansford Ladies Golf Association met

The Hansford Ladies Golf Association met in Gruver at the Tea Room for lunch and election of officers for 1986.

Barbara Cluck, President presided. The following officers were elected.

President, Carolyn Gressett, Ladies Day Co.-Chairman, Carolyn Collier and Juanita Logsdon, Tournament Co-Chairman, Ruth Crawford, and Navis Hart.

Those attending were: Jean Holland, Ida Edwards, Buena Lyon, Ann Sanders, Lou Chapman, Mary Lou wysone, Ruth

Crawford, Mavis Hart, Carolyn Gressett, Janet Irwin, Nona Beth Windom, Carolyn Collier, Barbara Cluck, and Juanita Logsdon.

Women don't have to be members of the Golf Club to play Ladies Day. Beginning Monday, April 28, we will tee off at 9 A.M. Ladies association dues are \$5.00 per year plus 50 cents for each play day attended.

We want to encourage all new golfers to attend play day, as you will play in a separate group from experienced players, or as you wish.

Sesquicentennial show sets record

Well folks Janie did it again. Each of her shows gets better and better. She got all of those 80 items (musical numbers, historical notes etc.) rehearsed one at a time at various times in the month or so before the show; then Monday night she fit all those numbers performed by about 90 people together precisely into a "fine tuned machine".

The audience really enjoyed the show. The show was about 2 1/2 hours long and everyone remained spellbound.. Janie kept things moving at a fast pace. No one got bored, that's for sure.

Jan Stedje made signs, made costumes and everything to make everyone look authentic. Thanks Jan!! Thanks Norma Jean for helping with the makeup. Thanks Norma Jean!!

That Rubjo, is something else. She makes her a list and runs all over the County for this and that. Never complaining, always giving everyone else credit and trying to stay in the background.

And, of course, Carl and J.D. are busy moving signs making this and making that. Golly! they had that stage looking beautiful.

Maxine Little made the Alamo that was on one side of the stage and also the windmill and Western scene that is so familiar to our citizens. A scene we love and are so very fortunate that we have an artist that can bring that beautiful scene inside, next to a covered wagon for us. Thanks!! Maxine Little.

Our Sesquicentennial Band, with Edgar Womble, leading was much much better than any other band anyone has heard before. They practiced so many many times and individually many many hours were spent practicing before and practicing with the complete band. Thanks!!! Sesquicentennial Band from the Citizens of Hansford County--You are the greatest.

The personal costumes worn by Paul Jr. and Alicia Lopez were more beautiful than words can describe as they represented Spain in the FLAGS over TEXAS. Likewise Tim and Krista Stedje representing France; and, Juan and Maria Avila representing Mexico; and, Joel Stavio and Ingeborg Sogn Representing, Republic of Texas; and, Jason Rodgers and Cindy Womble representing the United States Flag of 1845-1861; and, Monte and Mary Fo Cluck representing the Condeederate States 1861-1865; and, Kevin Nelson and Anne Marie Jarvis representing United States to present. Their costumes were absolutely beautiful and they did such a good job. Thanks again Folks!!!

Ada Joyce Stedje was in her Mocking bird costume again. She is great!! Thanks!! Ada Joyce. Also Nelle Evans was as beautiful as our State Flower the Bluebonnet, which she represented. Thanks!! Nelle.

Jan Stedje was our Pecan Tree as that beautiful, beautiful voice of Bonita Reimer sang "Beautiful Texas." Thanks!! Jan and Bonita.

No other County in the United States can have the honor of having the President of the Texas Sheriffs Association, residing in their county. We had Sheriff R.L. McFarlin and his wife, Kay, with us. Also Charles Martin represented his Grandfather R.E. Martin who was killed in the line of duty protecting the citizens of Hansford County assuring that this is a peaceful place to live and raise our children. Thanks Sheriff S!!! We were honored with the presence of Jim Gillispie our Texas Ranger, Also Judge R.L. McCellan was in the audience. Presstime folks, more later. Bye!

Thanks!! Judge for writing these good stories.

About Crowing

Following the air strike of five Libyan targets, President Reagan appeared on television regularly for several days. In these appearances he was greeted by cheering audiences; the president smiled back like a hero.

One feels this behavior about a strike that unintentionally killed a large number of civilians a bit misplaced.

The air strike was a regrettable necessity, employed as the lesser of two evils--doing nothing and encouraging terrorists or using force and death to deter terrorists. It was a demonstration of courage and skill by U.S. military forces.

Grim determination and regret that such a step was found desirable were the proper tone and demeanor. Mr. Reagan boasted that Colonel Qaddafi had found he wasn't toying with a toothless tiger. In effect, he seemed to relish the success of the military operation and his having ordered it.

Time will reveal whether such military strikes deter the terrorists. Meanwhile, the nation hopes so, and mourns the loss of two aircraemen who did their duty and paid with their lives. Their loss, in itself, should muffle the cheers, grins and hurrahs.

NEW POLICE CHIEF JOE RAPER. is being sworn in by City Secretary Cheryl Gibson. Joe is the new Chief of Police. He was appointed at the last city meeting!

Let The Bible Speak

David V. Fultz, Evangelist, Church of Christ

David V. Fultz, Evangelist, Church of Christ diving origin and purpose. Every word of it was in the mind of God before it was spoken on earth, and shall never pass away. "Being born again of not corruptible seed, but of incorruptible, by the word of God, which liveth and abideth for ever. For all flesh is as grass, and all the glory of man as the flower of grass. The grass withereth and the flower there of falleth away: But the word of the Lord endureth for ever. And this is the word which by the gospel is preached unto you." I Pet. 1:23-25.

While many consider what they say lightly it is not so with the word of God. God has said, "So shall my word be that goeth forth out of my mouth it shall not return unto me void, but it shall accomplish that which I please and it shall prosper in the thing whereunto I sent it." Isa. 55:11. The Hebrews considered words spoken as having independent existence and as living whether good or bad. "The word of God is living and active and sharper than any two edged sword, piercing to the dividing asunder of soul and spirit, and of the joints and marrow, and is a discernor of the thoughts and intent of the heart. Heb. 4:12. It is alive not dead! It is effective and produces an effect upon the minds of the hearers when it is believed and obeyed.

It needs not a defence as much as in needs a proclamation. God's power accompanies it when it finds lodgement in our minds and hearts.

The word penetrates and judges, it exposes the thoughts and motives of the heart, causing some to bitterly oppose and others to have lives changed unto that which is beautiful and good. No life will ever be the same once one has heard the word of God preached, or has really read it.

Good Will

Needed in our country today, as always, are individuals of good will. We read daily of strife, tensions, lawlessness, etc.

Among our 240 million, there are millions of incidents of good will and brotherhood (which go unpublicized) for every ugly incident. There are millions of Americans exhibiting good will and good citizenship daily.

Americans today must maintain faith in the American dream. We still have enough citizens of good will to make it come true.

The majority must exercise a calming and democratic influence on extremists, though this great force exerts its influence without headlines and sensations.

Are you a
??? REGISTERED DEMOCRAT ???
 or a
??? REGISTERED REPUBLICAN ???

Actually, you are neither! Texas no longer has what was known as party registration. Each election stands alone. An individual may vote in the Republican primary this election and then vote in future Democratic primaries--or vice-versa. Past voting practices have no bearing on present voting status.

Likewise, present voting practices will have no effect on future voting preferences. Your voter registration is stamped "Democrat" or "Republican" simply to prevent you from voting in both primaries or from crossing over party lines in the event of a primary runoff. For example, if you vote in the Democratic primary and then Kent Hance is forced into a Republican primary runoff, you will be unable to vote for Kent in that runoff. Of course, in the November general election you may vote any way you want.

/s/ Cheryl Gibson
 City Secretary.

Jobs are the number one concern in our area.
Let's vote in strong leadership to rebuild our economy.

The quality of leadership we've been getting from Austin in recent years has been out of step with the times. Today, every county and city in Texas is feeling the impact of economic crisis. We're feeling it where it hurts personally -- in layoffs and cutbacks and declining employment. Looking ahead, what will the job situation be 10 to 20 years from now?

The May 3 Republican Primary is your chance to insure the fresh thinking and decisive leadership we need.

Kent Hance has the experience -- both in the Texas Legislature and the U.S. Congress. Kent Hance has the initiative -- along with Phil Gramm he was President Reagan's choice for moving the nation's largest tax-cut bill through Congress.

Kent Hance faces the issues:
JOBS

"The early-warning systems were flashing loud and clear. Oil and oil alone can't carry this state. We need new diversified industry, and the incentives to bring business to Texas."

EDUCATION
 "Government is taking over the responsibilities of the parent and forcing them on the teachers. The parent is the true steward of the child, not the state. Let's make that a part of our educational policies."

CRIME
 "We must stop the early release of prisoners -- that's what has made our crime rates go sky high. Let's put our prisoners to work. We must build a crime control program with teeth in it."

ILLEGAL ALIENS
 "I have the fullest sympathy for our neighbor to the south, but I have no sympathy for allowing illegal aliens to flood across our border threatening our job-hungry economy and creating new problems."

"I need your vote in the Republican Primary on Saturday, May 3. The Republican nominee must be able to carry the cities and the rural areas of Texas to beat Mark White. I am the only candidate in the Republican Primary who can do that. Please vote for me on May 3 and I will not let you down in November. I will beat Mark White, and if that's your priority, I'm your candidate. Thank you."

"Miss North West Texas"

Tammy McGuire

This was the second year that Tammy McGuire was asked to represent this area in the "Miss North West Texas for the Miss American Co-Ed Pageant." The trophy in her left hand was from last year participating and the one in her right hand is for this year "Outstanding Program Participation."

Tammy is an eighth grader at Spearman Jr. High School. She has been active during the past years in track, basketball, and chorus. Her ambition is to be a model.

During the pageant on April 5th and 6th in Odessa, she participated

in the pageant, bathing suit contest, and did baton twirling for the talent contest.

The awards given were trophies, cash, a modeling scholarship, and a paid vacation to Hawaii. While in Odessa, she attended classes in speech and modeling.

Tammy said, "I would like to thank my escort, Mr. Martin Garza, and all the businessmen in Spearman for sponsoring me for this great event." She said, "This was a wonderful experience and I enjoyed every minute of it. I hope you people will want me to represent you again."

Janet Starnes, Postal Rep. gave the program at Tuesday noon Lions Club. Janet discussed the Zip plus 4!

Thanks

Don Townsen

"We have had a fantastic year!" said Don Townsen, President of the First National Bank. "I don't know how we could have had a better reception in the community. Our growth rate was 250% of what we told the comptroller we would have and we began making a profit on a monthly basis in our third month of operation. The success of the new bank is almost unheard of in a community of this size and type, especially in a time period when our two main industries, agriculture and energy, are having such a hard time."

"We started out with 90 stockholders in our market area and a directorship of solid local business men and women with a goal of making our new bank truly responsive to the financial needs of our community. We also wanted the community to know that we intended to take our civic responsibilities very seriously and that we believe

that the economic health of a community depends largely on the work and attitude of the financial institutions of the community. With these goals in mind we have introduced and will continue to introduce new financial services that we think our customers will be able to benefit from, and we have taken responsible positions of service in the community to work for growth and better quality of life for our citizens."

"Times are tougher now than when we opened a year ago but I am still very confident about the economic health of our area. The people of this area are conservative and are in a good position to weather the storms. We will continue to do our best to live up to the expectations of the people who granted our charter and of the stockholders who invested for the future of our area."

"Thank you, Spearman and Hansford County for our first year of success."

Organ Recital

Lorna Schultz, member of the American Guild of Organists, Amarillo Chapter, will give an organ recital on the pipe organ at the Oslo Lutheran Church, northwest of Gruver, on Sunday, May 4, 1986 at 3:00 o'clock in the afternoon. She has a degree in Organ Performance and Church Music from St. Olaf College, Northfield, Minnesota, a M.S. in Organ Performance, from West Texas State University, in Canyon, Texas, and has been a Doctoral student at Indiana University, Bloomington, Indiana, of Organ Performance and Literature.

Mrs. Schultz is a member of Mu Phi Epsilon, National Professional Music Fraternity; Pi Kappa Lambda, Honorary Music Fraternity; the American Guild of Organists and the Suzuki Association of the

Americas. She has served as organist at various churches in Minnesota, Texas and Indiana and has also given recitals in those states. She is presently Choir Director at Beautiful Savior Lutheran Church in Amarillo and Studio and Recital Accompanist at West Texas State University in Canyon. She is also a Suzuki Piano Teacher and does free lance organ work.

Mrs. Schultz will be assisted during the recital at the Oslo church by Jane Howard Sims, soprano; Robert Krause, oboe and Charlotte Harbin violincello. Music composed by Henry Purcell, John Stanley and J.S. Bach, as well as several other composers, will be played during the recital.

The performance is free of charge, and everyone is cordially invited to attend.

"Thank you, Spearman, and Hansford County for our first year of Success!"
