

HANSFORD COUNTY'S LEADING NEWSPAPER

The Hansford Plainsman

VOLUME VI., NUMBER 68

SPEARMAN, HANSFORD COUNTY, TEXAS, 79081

THURSDAY, JUNE 17, 1965

One might consider the forthcoming area-wide Christian Crusade a waste of time in a nice, quiet little town like Spearman. One might be prone to believe that most everyone here is church-connected and part of some church program.

Apparently this is not the situation, according to figures. The average Sunday attendance in the churches of Spearman is about 950 persons. This means with an estimated population of 4,700 people there is just about one out of five people in this town attending church. The figure will drop even more when you consider that many of the most constant attenders of church services are people who live in the country.

Spearman is just like the rest of the world. The harvest is white if the workers are willing to go to work.

...

We are borrowing the following item from the Veterans' Affairs Bulletin. It is a real classic.

"A New Orleans attorney called at the RFC Office regarding a loan for his Louisiana client. After exhaustive work, the attorney ran the title down to 1803 and sent the report to the RFC as instructed. Presently he received a letter from the RFC complimenting him on the able manner in which the title abstract was prepared, but stating that approval could not be given for the loan until title was claimed for the period prior to 1803. The attorney's reply was a classic, and is reproduced herewith.

"Your letter regarding titles in Case No. 189156 received. I note you wish titles to extend further than I have presented them. I was unaware that any educated men in the world failed to know that Louisiana was purchased by the United States from France in 1803. The title to the land was acquired by France by right of conquest from Spain. The land came into possession of Spain by right of discovery made in 1492 by a Spanish-Portuguese sailor named Christopher Columbus, who had been granted the privilege of seeking a new route to India by the then reigning monarch, Queen Isabella. The good Queen, being a pious woman and careful about titles (almost as careful I might say, as the RFC) took the precaution of securing the blessing of the Pope of Rome upon the voyage before she sold her jewels to help Columbus. Now, the Pope, as you know, is the emissary of Jesus Christ, who is the son of God, and God, it is commonly accepted, made the world. Therefore, I believe it is safe to presume that He also made that part of the United States called 'Louisiana' --and I hope you're satisfied."

...

This is really a land of extremes. There is very little happy medium around here.

Just a few months ago the county was in danger of blowing away. County road crews were trying to get the blow dirt out of road ditches. Things were dry.

Now, precinct three is going to vote on a \$50,000 bond to replace a bridge washed out by high water, fields are boggy and county road crews have months of dirt work to be done on roads.

Never a dull moment!

OPEN HOUSE — Dr. Earl E. Novak will have an open house at his new clinic at 712 S. Roland from 2 until 5 p. m. Sunday. The clinic was completed recently and is the fourth professional building in the hospital area. —Plainsman photo

Rainfall Total Continues Up

Spearman's official rainfall total for the year has gone up another .93 of an inch since Sunday morning, according to records kept by Mrs. Pat Cates the official weather observer.

The largest amount this week fell Tuesday morning when Mrs. Cates measured .46.

The measurements are made at 7 a. m. each morning and all that falls after that time is measured on the next day.

Sunday the measurement was .32, Monday we received .15.

This .93 brings the year's unofficial total to 15.5 inches for the year. This gives us almost an inch and one half over the 14.1 that was measured in 1964 and almost two inches more than the 13.7 of 1963.

Farmers and custom wheat cutters are wanting dry weather. Much of the dryland wheat is ready to harvest and the town is full of custom

cutters wanting to go to work. Three or four days of dry weather are needed for the dryland fields to be dry

enough to hold up combines. A week or more is needed for the thick irrigated wheat to dry enough for machines.

Coach Taylor Accepts Job At Caprock

Spearman High School is losing a science teacher and assistant football coach, it was learned this week.

Jerry Taylor notified Athletic Director Don Seymour that he is going to take an assistant coaching job in Caprock High School in Amarillo.

In the letter to Seymour, Taylor said the job would give him a substantial raise in pay and be a professional advancement.

At Caprock, Taylor will coach the centers, guards and linebackers. He will teach three classes of general science or biology. He will also be assistant track coach.

Taylor has been line coach for Spearman during the past two seasons. He moulded a

(Con't. on back page)

Bond Election Set To Build Bridge

Voters in Precinct Two of Hansford County will go to the polls in August to decide upon a road bond issue for rebuilding a bridge over Palo Duro Creek.

The large concrete bridge in the northeast part of the county on the Brillhart ranch was washed out in the heavy rains of last week.

Officials said the bridge

withstood the flood of May 10 but apparently the 3.40 inches of rain last Thursday carried a lot of trees and trash into the bridge and this took it out.

Road crews have been working all over the county trying to clear the bridges of debris washed into them by the first flood.

This large concrete bridge was built several years ago after flood waters continued to wash out wooden bridges over the creek.

At the Brillhart ranch Palo Duro is carrying all the water from Horse Creek and several other small creeks and draws.

Precinct Two has no indebtedness on road bonds. This debt will be set up on a five year pay schedule. The tax rate will be 20 cents.

A public hearing on the proposed bond election will be held at 2 p. m., July 6, in the Courthouse.

Precinct Three is the only precinct with a road bond debt and it pays the bonds off next year.

In 1948 county voters approved \$900,000 in road bonds

County officials predict that road crews will be busy most of the summer repairing and rebuilding roads, bridges and fills damaged by the floods of the past month.

Boyd, Gilley Win Tourney

Granville Boyd and Lloyd Gilley won the Scotch Doubles Golf Tournament on the local course Sunday afternoon.

Boyd and Gilley shot a 40 to win over the five other teams in the tournament.

Elmon Jacobs and Bruce Sheets placed second with a 41.

Three teams tied for third with a 42, then Bus Simms and Jimmy Keas won the play-off on the third hole over Dick Kilgore and Bill Douglas. Perry Coursey and Dr. D. E. Hackley were the third team with a 42.

Bill Hutton and Ken Thomas had a 44.

IT'S A SWAMPY COUNTRY! — From the air Hansford County looks like the land of 1,000 lakes. The 14 inches of rain since mid-May has all the creeks running and the lakes full. This aerial photo was taken from south of Spearman. Collard and Porter lakes can be seen to the east of Spearman. —Plainsman aerial photo, plane courtesy J. L. Brock

SINGERS--The Bob Jones University Ensemble (left-right) Sherill Hyatt, Larry Mininger, Thurmon Wisdom, Ryan Holderman, Thomas McRae and David Straub will sing at the Hitchland Community Church June 25. The public is invited to attend.

Ensemble To Sing at Hitchland Church

Five states of the Union are represented in the Bob Jones University Ensemble which will present a program of sacred music at Hitchland Community Church on June 25 at 8:00 p.m.

Members of the male quartet are Thomas McRae, a native of North Carolina; Ryan Holderman, who comes from Ohio; Larry Mininger, of Pennsylvania; and David Straub, also of Pennsylvania. Mr. McRae sings first tenor, Mr. Holderman sings second tenor, Mr. Mininger sings baritone, and Mr. Straub sings bass. Sherrill Hyatt, from Texas, is accompanist for the ensemble. Thurman Wisdom, who is in charge of this versatile group, is a member of the faculty and a native of Michigan. He will bring a brief Gospel message.

The group is typical of Bob Jones University, Greenville, South Carolina, which draws its student body of more than 3,000 from every state in the

Union and from 30 foreign countries.

Typical, too, of the institution is the spiritual and musical quality of their program. These musicians offer

a combination of vocal selections including quartets, trios, duets, and solos. Both well-known and seldom-heard selections will be presented--all of them especially adapted for this ensemble.

4-H Girls Entertain Spearman HD

The Spearman H.D. Club met on Friday, June 11, at the club room. Mrs. W. A. Tarbox presided. Roll call was answered with "What Can I do to Help 4-H." The group filled out yearly reports and sent in suggestions for the 1966 year book.

4H members gave the program to acquaint the Home Demonstration members with 4H work. Cindy Hutchison of the 4H Clovers Club of Spearman, gave her part on the Favorite Food Show. Her favorite food is "Strawberry Delight", a dessert. She prepared the dessert, set the table properly and carried out a color scheme to harmonize with the dessert of green, white and red using a strawberry centerpiece. She told the nutrients in the dessert and what they do for the body. She served her dessert to the club.

Evelyn Kelly, a member of the Morse 4H Club, gave a talk on Money Management which she had given at the State 4H Roundup--entitled "The Life of Riley" which explained the processing of a check and banking procedures.

Attending were Mmes. W. H. Tarbox, Frank Davis, W. A. Ellsworth, B. J. Garnett, Richard Shedeck, one visitor Mrs. Dwight Hutchison and the 4-H girls, Cynthia Hutchison and Evelyn Kelly.

The next meeting will be July 23 when the group will visit Pioneer Manor. They will meet with Mrs. B. J. Garnett.

Mrs. J. D. Helms, Blake, Conner and Brent spent two days last week in Stratford visiting her sister and family Mr. and Mrs. Jim Greenwood.

A group of girl scouts left on Monday for Scout Camp at Boiling Spring, Okla. Among those going this week were Diane Gregg, Bonnie Seymour, Karen Waggoner, Cheryl Craig, Ann Lackey, Melinda Crooks.

Jean Graves of Hardesty, Okla., niece of Mr. and Mrs. Orville Fullbright is visiting this week in the Fullbright home.

Former Hansford Residents Attend California Reunion

Sunday, June 6, 1965 marked the seventh reunion of the former Hansford Countians now living in California when they, with their families and guests met at Lacy Park, San Marino, California.

At 2:00 P.M., a delicious meal of home cooked food was spread at several long tables and shared by the seventy-five who attended.

The remainder of the afternoon was spent playing ping pong, baseball and a lot of reminiscing 'was in order as some of the grown ups had not met for some twenty years.

Those attending were: Ernie and Lola Cook and Mary Sue Sparks, Tryon, and Kimberly Laverne of Buena Park; Sam and Thora Jean VanCleave, Lee and Paul of Bell; Gene Newcomb, Jimmy, Johnny, and Jeffrey of Norco. Mrs. Betty Kinder, Gary, Sherri, and Michael, and Mr. and Mrs. Geo. Watkins, all of La Mirada; Gene and Wanda Van Cleave, Judy, Dana, Johnny, and Janie of Woodland Hills; Krist and Phyllis Leovitch, Barbara and Karen of Hacienda Heights. Also attending were Ronnie and Marcella Helzer, Gus and Grace Newcomb, all of Monterey Park; Mrs. Dar-

FUTURE NURSES - who received their caps Sunday are (front, left-right) Debbie Standerfer, Arbeta Tackitt, Donna Ownbey, Janice Gilbert, Penny Gaither, Stephanie Patton and Jeri Grange. Candy Stripers Receive Caps, Pins in Ceremony Held Sunday

Fourteen members of the Future Nurses of America were capped at a special capping tea Sunday afternoon in the First State Bank Hospitality Room.

The members of the "Pin-stripers" chapter of FNA were capped by their advisor, Mrs. Dickie Robinson, RN, the chapter is sponsored by the

Xi Zeta Upsilon Chapter of Beta Sigma Phi. The sorority chapter sponsored the tea.

To earn a cap a girl must do at least 30 hours of volunteer work at the hospital each year. A girl may earn a pin by doing 10 hours of volunteer work.

There are 22 girls who have received pins.

Debbie Standerfer is the leading "Pinstriper" with 100 hours of volunteer work. Several of those receiving caps have worked between 50 and 70 hours.

After the capping ceremony officers for the coming year were elected. They are: President Ann Jackson, Vice President Debbie Standerfer, Treasurer Donna Ownbey, Secretary Sharon Archer, Recording Secretary Stephanie Patton, Sargent-at-Arms Kathy Reynolds, Parliamentarian Arbeta Tackitt, Yearbook Committee Jeri Grange and Penny Gaither, Reporter Linn Robinson, Program Chairman Becky Hutchison and Chaplain Kay Jackson.

Girls who were capped are: Ginger Schneider, Sharon Archer, Penny Gaither, Janice Gilbert, Jeri Grange, Ann and Kay Jackson, Pat Novak, Donna Ownbey, Stephanie Patton, Kathy Reynolds, Reba Rhodes, Debbie Standerfer, and Arbeta Tackitt.

Besides her cap, each girl received a charm with the date of her capping engraved on it.

Surprise Party Honors Berrys on Anniversary

Rev. and Mrs. Luther Berry were honored Saturday night with a surprise anniversary party at the First Baptist Church given by members of the Church.

Mr. and Mrs. Wesley Garnett and Mr. and Mrs. Glen Hiller

had earlier in the evening taken the Berrys out to dinner in celebration of their 25th wedding anniversary, then returned to the church where the group had assembled.

During the evening a gift of a beautiful silver service was presented the honorees.

The serving table was laid with a white hand embroidered linen cloth and centered with an arrangement of white Hydrangea flanked on either side with white candles in silver holders. The beautiful three tiered wedding cake baked by Mrs. Glen Hiller and decorated in silver and white was inscribed with a 25 and was served with ice cream and coffee to approximately 75 attending.

Guests were registered in a white anniversary book and on the table was noted a picture of Rev. and Mrs. Berry taken 25 years ago on their wedding day.

Guests were registered in a white anniversary book and on the table was noted a picture of Rev. and Mrs. Berry taken 25 years ago on their wedding day.

Mrs. Condo Reports On State Assembly

Mrs. Juanita Boxford and Mrs. Ina Mae Hughes were hostesses for the regular meeting of Rebekah Lodge #290, held Thursday June 10 in the IOOF Hall.

Conducting the business session was Mrs. Thelma Kenny Noble Grand.

Devotional was given by Thelma Scott, Protém, Mrs. Helen Condo gave an interesting report of the Rebekah State Assembly held in Dallas.

Paulede Hester was here over the weekend from Phillips University in Enid visiting her parents.

Mrs. Kirk Is Hostess For Delphinium Club

The Delphinium Flower Club met on Monday June 14 in the

country home of Mrs. Raymond Kirk.

Mrs. W. A. Ellsworth, president, conducted the business meeting. The roll call was answered by ten members with ideas pertaining to flower gardening.

Mrs. Virgil Hull gave an interesting lesson on plant propagation.

After the lesson Mrs. Raymond Kirk showed slides of her trip to Memphis, Tenn., and the Iris Convention.

Refreshments were served to Mmes. W. A. Ellsworth, Virgil Hull, P. A. Lyon, John Bishop, Claude Smith, Cecil Crawford, A. W. Mobley, Eleanor Reed, one guest Mrs. T. D. Sansing by the hostess Mrs. Raymond Kirk.

Grand Assembly Officer Meets With Rainbow Girls

The Assembly of Rainbow Girls met in regular session Thursday June 10 at 7:30 pm. This was the last meeting for Terri Hudson as Worthy Advisor and she extended gracious thanks to her officers for their cooperation in making her a very satisfying and successful term of office.

A short business session was conducted and plans were made for the Installation Service to be held on Saturday for the new Worthy Advisor, Barbara Kitchens.

Attending the meeting was a grand assembly officer, Miss Beverley Harlan from Skeeytown who is a junior member of the Credential Committee of the Rainbow for Girls, her mother, Mrs. Harlan also from Skellytown, Mother Advisor Fay Palmer and Terri's mother, Mrs. Dick Hudson. The Mason in attendance was Preston Scott.

Refreshments of cookies and punch were furnished by Mrs. Buddy Standerfer. Approximately 15 girls attended.

Mrs. Hoskins Is Guild Hostess

The Arts and Craft Guild met Friday June 11 for their weekly meeting of china painting. Mrs. Fred Hoskins was hostess for the group.

Those attending were Mmes. Deta Blodgett, Bill Russell, Bruce Sheets, Fred Daily, Pope Gibner, Jesse Womble, P. A. Lyon, Guy Fuller, Joe Trayler.

The next meeting will be Friday June 18 in the home of Mrs. P. A. Lyon.

Day by Day

I always enjoy reading Laura V. Hamner's "Spinster On The Prowl" and "Talks To Teens of Yesterday, Today and Tomorrow" in the Amarillo paper because despite her advanced years Miss Hamner's writings are always fresh and I find them very interesting. Sometimes she writes of current things but most often she tells of early days in the Panhandle and she has such descriptive ability that I almost feel I were there.

Last Sunday she printed a letter she had received from Magda Garnett reminiscing over a visit she made to Spearman in the early 40's when she spoke to the Twentieth Century Club.

I thought Magda's closing paragraph was simply beautiful and I hope she won't mind sharing it once more.

"I've been here in the Panhandle 25 years this year, having come to the plains as a new bride. At last I can say the beauty of this country and it's people are dawning on me, after many years of longing for the woods and streams of my native Louisiana. So I fully understand how you are now remembering your home, the Panhandle. My prayer for you is that you may brighten the lives of those around you now, just as you have done through the years to us in the Panhandle."

The rains have made these last few weeks seem not at all like summer. Still, I know it must be because I see "what's new for fall" has already hit the fashion pages.

It seems there'll be three new fashion looks in shoe wear: "the grown-up sizing of a child's two strap barefoot sandal--already a run-away hit in New York; lace-up theatre boots--pale satina adaptations of the old lace-up shoe grandmother or great-grandmother used to wear; and finally, an elasticized stocking and shoe combination made all in one."

Sounds like fun doesn't it. But don't get too excited over those new stocking-shoe combinations unless you are a very, very clean Cinderella. Seems the stockings can't be cleaned ("Being the dull, practical type, we asked how the stockings were to be washed. The reply was something of the old yacht answer: If you had to ask the price you couldn't afford it.")

In addition to the cleaning problem, there's one other thing. The designers found that anything larger than size 5 1/2 looked like gun boats (I could have told them that), so production has been limited to that size and under.

Some of us might as well start digging up last year's shoes if that article was for real. That is unless the Alice in Wonderland or Buck Rogers look is what you're striving for.

Fourteen young future nurses were honored at a tea Sunday afternoon preceding their capping ceremony. These students have served in various capacities at Hansford Hospital this year and in recognition of their work, Xi Zeta Upsilon Chapter of Beta Sigma Phi, their sponsoring organization, wished to honor them.

Dickie Robinson, an R.N., supervises the Candy Stripers, as they are called, and has done an excellent job.

I think Xi Zeta Upsilon, of which I am proud to be a member has chosen a worthy project in sponsoring such a group.

Another recent project of the chapter was the purchase of a new salon-type hair dryer for the elderly women who make their homes at Pioneer Manor. We failed to get a picture of the gift when it was presented, but it was another service project of this organization.

And now what we all need to be doing is working on another money-raising idea for the library building fund.

Mrs. Womble Is Bridge Hostess

The home of Mrs. Jesse Womble was the meeting place for the Blue Monday Bridge on Monday, June 14.

Ruth Hill held high score and Emma Seitz won the guest prize.

Those enjoying an afternoon of bridge and refreshments were two guests, Major Lackey and Bill Seitz and members F. J. Daily, W. H. Gandy, Vester Hill, Pope Gibner, Gwenfred Lackey, Delon Kirk, Deta Blodgett, L. S. McLain, Sam Graves and hostess Jesse Womble.

Mrs. W. E. Bratton entertained her canasta club on Tuesday afternoon. Those playing were Mmes. W. H. Bagley, Ben Maize, W. A. Mobley and the hostess.

Mrs. Jerry Frye and children Pamela, Mike, Jerri and Shari will leave Saturday for Siloam Springs, Arkansas where they will visit her parents Mr. and Mrs. Bill Collum for the next two weeks.

The Morse Code

No wheat has been harvested in the Morse area yet due to the recent rains. Approximately 4 inches has fallen since the wet spell began. Many fields of wheat are ripe and just need a few drying days before the combines pull in.

Mr. and Mrs. L. L. Cook and Mickey are on vacation this week visiting relatives near Dallas.

The Johnny Brumleys spent a few days in Cimarron last week.

Mr. John Thompson went to Arroyo with her aunt, Mrs. Ray McNutt, the first part of last week. Mrs. McNutt underwent dental surgery and was in the hospital for a few days.

Mrs. M. W. McCoy and Wilson McCloy journeyed to La Junta, Colo., last Thursday to spend a night with the Carson McCloy's.

Shirley and Don McCammond took in the races at Raton this weekend.

Jeanie West of Spearman was in town on Monday visiting her parents, the R. C. Wombles, and friends.

Patricia Henderson and Susan Graves, state winners in safety demonstrations, have been busy since their return from College Station presenting their demonstration to various groups. On Thursday they will give it once again to the Morse Home Demonstration club which will meet at the Community Building. All interested persons are invited to attend.

Sylvia Parks returned from the Government in Action youth tour on Monday. She reports a fabulous trip. She will be furnished with a set of 50 colored slides of the trip and will be available for programs for civic groups shortly. Mr. and Mrs. F. W. Boney have built a home in Sunray and plan to move this weekend.

Misses Len and Becky Wall of Perryton were guests of Sharon Parks on Saturday.

Miss Suzanne Dixon spent part of the week visiting relatives in Vega.

Kaye Carter of Dumas was a recent guest in the home of her sister and family, Mr. and Mrs. Charles Reid. Sharon Carter, another sister who used to live in Morse, placed 2nd in the Miss Moore County contest at Dumas on Friday night.

Mrs. Rufus Graves and children spent part of the week visiting relatives in Follert. Graves is on maneuvers with the US Navy. The Graves have accepted positions with a school in Kansas and will be moving from the Morse community shortly.

A group of 4H boys and girls met at the park on Saturday for a work day. They succeeded in weeding and cleaning a portion of the park. Those helping were Johnny and Judy Scribner, Becky, Sam, Charis and Clifford Fleming, Carolyn Henderson and Wade Parks.

Earlier in the week Mrs. Mack Dortch and Travis Reisinger worked on the beauty spot and have it in shipshape fashion now. Also Mrs. Ella Parks was noted working at getting rid of the weeds. This is a community project and anyone who would like to pull or hoe a few weeds is most welcome.

Another improvement in the community is the work recently done on the football field. A number of men donated their services to reseed the field. H. B. Parks and Lloyd Poole furnished machinery and labor for the dirt work. Gerald Scribner put on the anhydrous ammonia and Earl Henderson rotavated the field prior to the planting of the grass.

Gary Robinson of Hollinsdayburg, Pa., is spending the summer with his grandmother Mrs. Mack Dortch. His brother, Richard, has recently joined the air force and he is stationed at Lackland Air

Force Base. The boys are sons of the late Billy Jean Dortch Robinson.

The Harold Flemings were dinner guests of the D. H. Kellys on Sunday. The Doyle Dortch family of Spearman, were guests of his mother, Mrs. Mack Dortch, on Sun.

Evelyn Kelly presented her 4-H Demonstration on "money management" to the Spearman HD club on Friday.

Miss Lucy Norman, daughter of Mr. and Mrs. L. J. Norman of Granite, Okla., and Frank Pittman, son of Mr. and Mrs. Erilis Pittman of Morse, were married Friday, June 4 at the home of her grandmother, Mrs. Ruth Wharton of Granite.

Attendants were Bill Pittman, brother of the groom, and Sandy Annis of Granite. Relatives and close friends were in attendance at the wedding.

Mr. Pittman has just completed her freshman year at Panhandle A&M at Goodwell and Mr. Pittman finished his sophomore year at Stillwater Okla.

The Pittmans will be at home at the family farm near Morse this summer and return to Stillwater in the fall where they will resume their studies.

BRIDES HONORED
Windy Acres, the home of Mr. and Mrs. Robert Carp and Mrs. Maudie Henderson, was the scene of a get acquainted coffee Wednesday honoring three recent brides of the area.

Honorees were Mrs. Dean Leib, Mrs. Britt Jarvis and Mrs. Frank Pittman.

The serving table was laid with a white linen cloth and centered with an arrangement of flowers and fruit. Three individual cutting boards were used as guest registers.

The guests were permitted to view the various antiques on display over the house.

Around 40 guests called during the receiving hours.

VBS CONCLUDED
The Morse Baptist church concluded a two weeks vacation Bible School on Friday night with a commencement program held at the church auditorium.

Each department presented numbers on the program and then parents were invited to the various classrooms to view the individual exhibits.

Rev. Charles Stackhouse

CAPPING CEREMONY - Reba Rhodes receives her cap from Registered Nurse Dickie Robinson during the ceremony Sunday honoring the future nurses. Joyce Lackey and Ruby Lair, look on. Xi Zeta Upsilon Chapter of Beta Sigma Phi sponsors the group and held the ceremony and tea Sunday.

Mr. and Mrs. Larry Dawson of Eagle Pass left for home Thursday of last week after visiting several days with her parents Mr. and Mrs. Paul Farren. Another daughter Mrs. H. B. Hunter and girls Jan, Jackie, Jo and Pat of Ponca City who came to visit with sister and parents left Tuesday of this week for her home. Pat and Jan stayed for a longer visit with their grandparents.

Carl Hughes entered Northwest Texas Hospital on Monday June 7 and underwent facial surgery on Tuesday. He is recuperating nicely.

stated there were 104 enrolled in the school and the average attendance was 92.

LIBRARY IMPROVED
The updating of the Morse School library, a project started by the Morse PTA this spring, is nearing completion. Mrs. Pete Cator, chairman of the library committee, contacted Mrs. Connie Preriks of Stinnett. She was employed by the Morse School Board to bring the library up to date and put it on the duo decimal system.

For the past two weeks volunteer workers of the PTA have met at the school to assist the librarian with the project. Work is expected to be completed this week.

HANSFORD HOSPITAL NEWS

In the hospital are Moore Jones, Bob Hays, Duphne Millner, Louise Thomas, Elva Sullivan, Mary Cato, Kenneth Schufeldt, Edith Ferguson, L. F. Cook, Claude Watkins, Imogene Mach, Carl Kizzlar Sr., Stamford McEuen, Mary Bennett.

Dismissed are Leta Harold, Gene Hall, Timmy Gaither, Irene Reed, Donhane Whitefield, Randy Moore, Felma Evans, Vernon Clemmons, Kathy Robinson, Betty Bocox, Doyle Hand, Trudy Goodheart and son, Billie Parris and son,

Eula Pierce, Lawrence McClellan, Maxie White, Tacoma Chase, Jane Tuinn, Ella Wright, Infant Barry Wayne Bocox, Pat Harris, Betty Lou Cochran, Charlene Jackson and daughter.

Future Readers of The Plainsman

Rogers Gets Report

Lake Meredith Recreation Facilities Being Studied

Congressman Walter Rogers will receive a preliminary report Tuesday from National Park Service officials on plans for development of public-use recreation facilities at Sanford Reservoir of the Canadian River Project.

Under legislation authored by Congressman Rogers and passed by the Congress last year, up to \$1.1 million will be spent to develop recreation facilities. The work is to be administered by the Interior Department after Congressional review and approval of plans.

Meanwhile, Congressman Rogers said "Good progress is being made in the Senate" on bills he introduced to name the reservoir "Lake Meredith" in honor of the late A. A. Meredith of Borger, and to establish the Alibates Flint Quarries and Texas Panhandle Pueblo Culture National Monument near the south rim of the lake. Both bills have passed the House.

Two bills which originated in the Irrigation and Reclamation Subcommittee, of which Congressman Rogers is chairman, will come before the full House of Representatives this week for a decision. Similar in character to legislation enabling construction of the Canadian River Project

the bills provide for construction of the Garrison Diversion Unit in the Missouri River system and the Auburn-Folsom South Unit of the Central California Project in Calif.

Also on the legislative schedule before the House this week is a measure to provide flood assistance in hard-hit midwestern states and a measure to establish a cabinet-rank Department of Housing and Urban Development.

The Congressman begins the week's work by presiding Monday over a session of the Irrigation and Reclamation Subcommittee as it considers water desalinization plans and programs. Monday afternoon, he will join other House and Senate conference committee members assigned by their respective houses of Congress to work out differences in House and Senate passed versions of the Federal Water Projects Recreation Act, a measure designed to provide uniform policies for projects being authorized.

are selling at moderate prices and there's a likelihood of even lower prices in the near future. Watermelon and honeydew supplies are increasing. Other good fruit choices are pineapples, bananas and juice oranges.

Beef prices are about the same as last week. Features will be found on chuck cuts, round and sirloin steaks and liver.

Pork specials vary from market, so check ads and meat counters before you make selections. Thrifty buys may be found on boneless pork butts, shoulder steaks and skinless franks.

Some markets are offering special prices on fryers, although wholesale prices are up slightly. Egg prices are attractive now, but an upward trend is expected in the next several weeks.

Mr. and Mrs. J. D. Helms and sons were in Houston recently where they visited in the Willis Harrison home and attended Mr. Harrison's graduation from Dental School, a Medical branch of the University of Texas. While there they attended a ball game at the new Astrodome and watched the Houston Astro's play the Milwaukee Braves.

Seasonal Buying Stretches Dollars

Buy goods during seasonal production peaks to get quality at its best--and at the time stretch your food dollar. Many locally-grown vegetables are coming to market now. The quality is good and the prices are more attractive than a few weeks ago.

There's an ample supply of snap beans, cucumbers, tomatoes, Bell peppers, hot peppers, eggplant, and new red potatoes. Head lettuce remains in the high price bracket.

Good buys also are to be found on carrots, fresh corn, radishes and green onions, says Mrs. Gwen Clyatt, Extension consumer marketing specialist.

Thundering Sounds of the West Recreates Historic Story of Area

A new kind of outdoor theatre, lying in a canyon at the base of a 600 foot bluff, will open in the Texas Panhandle on June 17, 1965. In opening it will draw visitors to the magnificently colored canyon at the most spectacular time of day and will lead them through the experiences of residents and visitors to this same spot during the past 40,000,000 years.

This theatre is the Pioneer Amphitheatre located in the Palo Duro Canyon State Park

at the head of the 126 mile Palo Duro Canyon.

The bluff of the canyon and the bowl of the theatre make an echo chamber, so that patrons seem to be inside of the sounds they hear. The acoustics are so perfect that a penny dropped anywhere on the stage may be heard in any seat and a production in this place is a new kind of sound experience for listeners.

Taking advantage of the unique character of sound in this canyon, the first summer

long production will be a show in life and light and sound, "Thundering Sounds of the West." Starting with the surf in the days when the vast Panhandle Prairie was a sea, continuing through the ages of swamp and veldt and landslide to its present form. Next the show will recreate the drums and flutes and calls and arrows of the Indian occupation the chants and horses neighing and guitars and guns of the Spanish exploration, and the songs and homely sounds of the cattle drivers and the ranchers and the settlers who finally found a way to settle in this land through storm and sun and thick and thin. The show ends with a blaze of light and sound and horses and men in a great finale.

The effects with light and sound are adapted from the French "Son Et Lumiere" technics, which were developed in the chateaux of the Loire Valley to bring historical sites to life. They create high drama with synchronized audio-visual systems of sound effects, lighting, music, dialogue and narration. They were inspired by a thunderstorm. One evening in the 1930's the curator of the chateau de Chambord in France stood in a field near the ornate castle and watched a thunderstorm around the building. He realized that it had never looked so magnificent and began to work on ways to recreate the effect.

The first use of this technic in the United States was in Independence Hall in Philadelphia. This opened on July 4th 1962. Since then there have been several other installations in this country.

The other sound and light shows have focused on the revelation of a man-made structure; the pyramids and sphinx in Egypt; the Fort at St Augustine, Florida; the Colosseum in Rome; the Battleship in North Carolina for example So far as we can discover,

HOT WEATHER--has not been very plentiful in Spearman thus far in June so the swimming pool hasn't been very crowded yet. These youngsters seem to be enjoying a splash anyway though.
Plainsman Photo

however, the Palo Duro Canyon story is the first use of these technics to reveal the story of an historic, natural location. An effective showing of this kind requires contrasts in height which are seldom found in nature, but which are the arresting key to the effects in the pioneer amphitheatre, the soaring cliffs at the rear of the stage.

This striking, unique theatre in a canyon was built by the people of the Panhandle of Texas with the cooperation of the State of Texas. They formed and worked through an organization called the Texas Panhandle Heritage Foundation and thousands of Plains residents helped in many ways to help forward its development.

In planning the theatre, the Board of the Texas Panhandle Heritage Foundation, was guided and advised by the distinguished playwright, Paul Green, whose magnificent documentaries of American

faith have moved so many who have seen The Lost Colony, The Common Glory, The Stephan Foster Story and other landmark shows which he has written, and whose new great drama girded with music and pageantry, The Cross and the Sword is opening in St. Augustine, Florida this month.

The Pioneer Amphitheatre in the Palo Duro Canyon has designed to accommodate the kind of tremendous spectacle Mr. Green writes and he is preparing a script which will be presented as soon as the accommodations in the theatre for a large cast have been finished. Meanwhile, the first production in the new building will be the sound and light show, opening this summer with a few live accents done with actors and an introductory set of scenes with people and motion as well.

"Thundering Sounds of the West" will run throughout the summer, opening on the seventeenth of June and closing September 6, Labor Day. It will not show on Tuesdays. Admission is \$1 for adults and 50¢ for children and seats for groups may be reserved at Box 268, Canyon, Texas.

Robert Novak and Pinky Sheets spent the weekend in New Mexico fishing. They report a good catch and brought home some beautiful Pike to prove their story.

Kitchen arithmetic: One-quarter pound of butter or margarine (one stick) makes eight tablespoons.

Brummett Recovering from Gas Poisoning

Farman druggist and an eye were hospitalized today recovering from asphyxiation in Spearman. Druggist was hospitalized in Spearman Tuesday.

Owner Orvil Brummett was seriously stricken and his wife, Darla Adkison was hospitalized. She was working in the back of the store.

Brummett said Wednesday morning that Brummett was working in his office in the back of the store. A fire started at the door of the store and Brummett was apparently giving carbon monoxide gas.

Brummett began feeling ill at 8 p.m. and by the time he was hospitalized he was nearly ill.

Failure of someone to get Miss Adkison when the store closed, probably the druggist's life, his aid.

Brummett told his wife he was ill at closing time, he was planning to just lock the store after closing time and go home in the back until Brummett came from a meeting.

However, when Miss Adkison did not have a ride home he took her home and then went on home. At home he tried to find a phone number to have one of his children call his wife at the church, but could not get the number.

He went next door to the Don Denham residence. He passed out just as Mrs. Denham opened the door. Mrs. Brummett arrived home at that time and with the help of another neighbor, they took Brummett to the hospital.

Miss Adkison was treated at Hansford Hospital Wednesday morning for gas poisoning.

Have you tried combining canned vegetables? Combine 1 can stewed tomatoes, 1 can drained cut or whole okra and season to taste. Turn into a casserole, top with packaged herb seasoned stuffing (1/2 cup stuffing tossed with 2 tablespoons melted butter). Bake 20 minutes in a moderate oven.

Cut melons in half; remove and cube meat. Mix melon cubes with halved strawberries or blueberries and a little lemon rind. Return to melon shells to serve.

CARD OF THANKS
We want to thank our many friends for their cards, flowers, food, and thoughtfulness during our loss.

Mr. and Mrs. Ray Messer Sherry and Billy

J. N. Dickinson and Mary Sue of Trinidad, Colo., came Friday and visited in the Gordon Parrish home. Mrs. Dickinson, who has been a guest in the Parrish home for the past week returned home with them on Tuesday morning.

Mrs. Frye Is Class Hostess

The Dorcas S. S. class of the First Baptist Church met Tuesday evening at 7:30 pm. at the church for their regular monthly meeting.

Mrs. Jerry Frye presided at the short business meeting after which the group enjoyed the film strip "Go ye and View the Land". This is Cotton John's film of his trip to India and the Holy Land.

The hostess Ann Frye served refreshments of doughnuts and coffee to Pat Denham, Pat Frances, Martha Straw, Melba Rook and Donna Helms.

ATTENTION: LADIES

Alaska has the highest ratio of males to females in the U.S.— 57 per cent male to 43 per cent female. For the nation as a whole the ratio is 49-51, with women predominating.

The first patent for false teeth in this country was issued in 1822 to C. M. Graham.

NEWS FROM

Your County Agent

ROBERT ADAMSON

Said the kind old lady to the Internal Revenue clerk: "I do hope you'll give my money to some nice country."

GRAIN SORGHUM
The rain has delayed some of the grain sorghum planting. You should be very careful about the selection of the hybrid you are going to plant now. I have information regarding the number of days to bloom on most of the hybrids you will want to plant. Please feel free to come by and check on this.

WHEAT RESIDUE
Wheat crop residue should be considered an asset rather than a liability. The advantages of leaving wheat residue on the soil is in maintenance or improvement of soil structure. This is reflected in better water intake rate, less runoff after rain and better soil tilth.

Under irrigated conditions figure on having about 180 pounds of residue for every bushel of wheat produced. A 40-bushel crop will produce about 3 1/2 tons of straw.

According to Jim Valentine Extension Soil Chemist at Lubbock, 3 1/2 tons of straw contains about 47 pounds of nitrogen, 12 pounds of phosphorus and 82 pounds of potash.

With good management these elements contribute to the nutritional requirements of the next crop.

Below are some ideas on residue management:

(1.) Leave part of the residue on the surface.
(2.) Decomposition of residue by soil micro-organisms is influenced by available nitrogen, temperature and moisture. Nitrogen should be worked into the soil, at least partially, for best effect.

(3.) Surface applied nitrogen on exposed residue cannot be expected to speed up the process and a portion can be lost to the atmosphere.

(4.) Decomposition slows down as soil temperature drops. It proceeds fastest when temperature is ideal for plant growth.

COUNTY 4-H CAMP
July 12-13-14-15 are the dates of the Hansford County 4-H Camp which will be held

at Aspen Park Guest Ranch in Red River, New Mexico. 4-H members should mark these dates on their calendar. Complete information as to cost, etc. will be mailed to the 4-H members in the next few days.

Tackitts Have Reunion In Colorado

There was a reunion of the Tackitt family at Durango, Colo., on June 12-13.

Those present were Lyndon and Juanita Lancaster of Florence, Colo.; Duane Lancaster of Colorado Springs; Mrs. F. C. Sumrall of Beaver Okla.; Jerry Don Sumrall, Doris and girls of Blythe, Calif.; Wade and Dorothy Tackitt, Mrs. Dennis Jones of Spearman; Felix and Zulu Tackitt of Coweell, Idaho; Allen Tackitt, Ruth and son of Farmington, New Mexico; Mrs. Jean Tackitt, who has been called back to service in Tokyo, and son of Clovis, N. M.; Mike Tackitt of Albuquerque, N.M.; and Mrs. Dorothy Laurd and five children of Farmington, N.M.

Weekend guests of Mr. and Mrs. J. D. Helms and boys were Mrs. Helms grandparents Mr. and Mrs. J. W. Brown of Long Beach, Calif., and her nephew Monte Harrison of Houston. On Monday Mrs. Helms took her grandparents to Allison where they will visit her parents Mr. and Mrs. Ray Brown.

Mary Ellen Novak a summer student at Panhandle A & M spent the weekend with her parents Mr. and Mrs. Robert Novak.

Mr. and Mrs. Jack Hamilton spent the weekend at Arnett, Okla., where they joined friends Mr. and Mrs. Jack Hart for a fishing and pleasure trip to Lake Vincent.

The Holt News

Connie Beck of Enid has spent a weeks vacation with her relatives, Mr. and Mrs. Owen Pendergraft and Mr. and Mrs. Richard Gaines and family. Mrs. Lillie Beck, Connie's mother from Enid came Sat., will also spend a few days visiting the Pendergrafts and Gaines.

Mr. B. C. Holt is visiting her daughters Mr. and Mrs. Arch Marshall, Mr. and Mrs. Charles Farrington of Houston.

Mr. and Mrs. Russell Baker of Cheyenne Wells, Colo., were Friday night guests of Mr and Mrs. C. W. Kirk. They are going to make the harvest in Texas.

Mrs. Maude Rosson has for sale a 1964 Travelaire air conditioner with portable stand.

Mr. and Mrs. Chas Davis were weekend guests of relatives in Tucumcari, N. M.

Mr. and Mrs. C. W. Kirk honored their granddaughter, Debra Reger on her 8th birthday with a party Saturday afternoon June 12. Gifts were given to the honoree and refreshments were served to Mrs. Lillie Beck and Connie of Enid Diane McCloy of Pringle, Mrs. Richard Gaines, Glenda and Peggy, Mr. and Mrs. Travis Reger and family, Mrs. Owen Pendergraft, Mr. and Mrs. C. W. Kirk and Maude Rosson.

Mrs. Bertha Jenkins was a Sunday afternoon caller of Mrs. Annie Harris and daughters of Morse.

Mr. and Mrs. Travis Reger and family visited Lake Meredith Sunday afternoon. It is filling up sooner than people expected.

Sunday dinner guests of the Ira Harbours were Mr. and Mrs. Bill Sloan of Dumas, Mr. and Mrs. Don Chisum and Danny of Stinnett, Mr. and Mrs. Dan Jackson and Timmy.

Mr. and Mrs. Doyle Jackson and Terry were weekend guests of her brother, Mr. and Mrs. Jimmy Galloway of Canton, Texas.

Mr. and Mrs. Claude Jackson spent Wednesday night visiting relatives in Mangum, Okla. Clyde Thompson returned home with them and now is visiting Mr. and Mrs. Nolan Holt and Larry.

Holt Community the past week got a little over 6 inches of precipitation.

The farmers are very anxious to get in the fields to plant feed and to harvest.

Services For Mrs. Weidener In Gruver

Funeral services for Mrs. Ora Lee Weidener, 77, were conducted at 2:30 p.m. Wednesday in the First Christian Church of Gruver.

Services were conducted by the Rev. J. W. Duke, pastor of the First Christian Church in Pampa and the Rev. Fred Pugh minister of the Gruver Christian Church. Burial was in the Gruver cemetery with Boxwell's in charge of arrangements.

Mrs. Weidener died at 3 pm Monday in Northwest Texas Hospital in Amarillo. She lived at 305 King in Gruver. She had lived in Gruver for 20 years.

Mrs. Weidener was born Oct 20, 1887 in Chilhowee, Mo.

Survivors are three nieces and a nephew. The nieces are Mrs. Clifford George, Mrs. Ted McClellan, and Mrs. Noble Watson; the nephew is Everett Sullins.

Pallbearers were Buddy Lowe, Bubby Gruver, Gordon Gross, Eddie Vaughn, Leon Reed and Tommy Joe Bergin.

Coach . . .

(Con't. from page 1)

lightweight group of linemen into a hardhitting offensive and defensive unit which held its own with all competition.

Taylor came to Spearman from Texas Western at El Paso where he played football. He is a native of Stamford and played on the championship teams there.

The departing coach said he had enjoyed working in Spearman and knew the Lynx would have a good season this year.

"I know the boys will work hard, and continue to hit".

Taylor and the former Miss Ruth Brown of Spearman were married this summer. She is a student in West Texas University and can continue to go to school by living in Amarillo.

Poise is that quality that enables you to buy a new pair of shoes while ignoring the hole in your sock.

Marriage Group

There will be 13.5 million Americans 20-24 years of age by the end of this year. This age is considered the marriage-family forming group.

Barbara Kitchens Is New Rainbow Worthy Advisor

In an impressive public installation Saturday, June 12 at 3 p.m. in the Masonic Hall Miss Barbara Kitchens, daughter of Mr. and Mrs. T. C. Kitchens, was installed as Worthy Advisor of the local Rainbow Assembly.

Jewell Turner was installing officer; Joyce Lackey, chaplain; Sandra Kitchens, recorder; Mary Brock, marshal; Blake Laramore, musician; and Karen Laramore, soloist. Mrs. Laramore and her daughter, of Pampa, are the Worthy Advisor's aunt and cousin.

Miss Kitchens presented corsages of blue and white to all the installing officers, the Mother Advisor, Fay Palmer, and the servers and helpers.

Barbara wore a floor-length white formal and a blue and white cymbidium corsage, a gift from her aunt, Mrs. Laramore. Mrs. Palmer also wore a white floor-length formal. Other officers all wore white semi-formals.

New officers besides Miss Kitchens are Cindy Henderson Assistant Worthy Advisor; Linda Hall, Hope; D'dee Col-lard, Faith; Sharon Archer, Recorder; Susan Uptergrove, Treasurer; Sheri Messer, Love De Ann Sheets, Religion; Carol Booth, Nature; Toni Hudson, Confidential Observer; and Della Reed, Outer Observer.

After her installation, the Worthy Advisor presented the Past Worthy Advisor, Toni Hudson, with her Past Worthy Advisor jewel. The Assembly presented Fay Palmer with her Mother Advisor pin.

Worthy Advisor Barbara Kitchens introduced her family including her parents and

sister Sandra; her grandmother Mrs. T. C. Kitchens, Sr., her aunt and cousin who attended from Pampa; and Mr. and Mrs. W. B. Neel of Pampa and Mrs. C. D. McCord of Borger.

The closing march was held following this, with the Rainbow Girls forming the traditional Bow and Cross. The Worthy Advisor read a Scripture from the 9th Chapter of Genesis and Karen Laramore sang "My Rainbow". After the service, Jewel Turner, Joyce Lackey and Mary Boyd presented the new Worthy Advisor with a book "The Underside of Heaven" and Toni Hudson presented each of her officers with the pin of her office.

The color scheme of blue and white was carried out in the refreshment table which was laid with a white lace cloth over blue and centered with an arrangement of blue and white flowers. Blue candles in crystal holders flanked the arrangement. A white sheet cake topped with an open Bible trimmed in blue, was served by Minnie Jones and Mary Boyd. The Mason in attendance was Roy Lee Uptergrove and Donna Boyd was registrar.

Advisory Board members are Marjorie Collard, chairman, Mary Brock, Preston Scott, Nina Hendricks, Don Hendricks, Hazel Wilbanks, Joyce Lackey, Ceril Batton, Coy Palmer and Dick Palmer.

Any girl living or visiting in this area who is a member of Rainbow Girls is invited to the meetings, at a new time on the second and fourth Thursdays of each month at

6:30 p.m. in the Masonic Hall.

The G. I. Browns went to Haviland, Kans., for the funeral of Dude's mother, Mrs. Opal Brown.

Several members of the Motorcycle Club went to Amarillo on Sunday for the races. This was the first run on a new track. Gerald Conner won 1st in the 100 CC class. Don Hendricks and J. Reed also rode in the races.

NEW

DEKALB

E-57

HYBRID Sorghum

Here's a fine "worldbeating" yield Breakthru Sorghum that really fills the bill. E-57 is one of DeKalb's NEW Bronze colored numbers that has superior yielding, standing and drought resistance power. Recommended for either dryland or irrigation farming and in 8 DeKalb Research Trials, it outyielded E-56a by an average of 13.9 percent. Resembles E-56a in height and maturity.

Planted by More Farmers Than Any Other Brand

"DEKALB" is a Registered Brand Name. Numbers are Variety Designations.
