Where There's A Will There's A Way

888 6555.

When huge brush fires flared up in 13 western states in July, 1985, The Salvation Army's mobile canteens were immediately called in to bring sandwiches, coffee and snacks to the firemen right on the raging fire lines. For some firemen, this was their first meal after battling the blaze for 24 continuous hours.

Many people who are thinking about writing a will—and those who have already done so—have learned that it's possible to leave money to support this and other worthwhile projects sponsored by The Salvation Army that helps millions of people each year. That money is used to sponsor activities that help people of every race, creed and economic background. Among those services are emergency lodging, missing persons bureau, day care, free employment service, residences for the aging, summer camps for children and more.

To learn more about how you can help other people to help themselves, even after you're gone, you should contact your lawyer. To learn more, you can send for a free brochure from the Army, which is one of the largest Christian charities in the world. The address is The Salvation Army National Headquarters, 799 Bloomfield Ave., Verora, NJ 07044.

#### Chamber Chatter

Dear Chamber Member:

With the new year right around the corner, you Chamber is making REAL RESOLUTIONS! New directors, new offices, new committees/task forces and YOU are sorely needed at 1987 comes into focus.

In October, you elected new directors, Don Townsen, Wirt Davis, and Larry Butler. Randall Sauer was appointed by the City Council to serve as Board of City Development representative. These 4 directors will serve three year terms. Chamber directors leaving the Board are: Martha Boyd, Rita Curtis, Jeff Beedy, Bob Boxwell and Bob Pearson-whose one year past president's term expires. New officers elected by the Board of Directors are: Bill Pittman-President, Lynanne Maize-1st VP, Scott Beddy-2nd VP and Don Townsen-Treasurer. Holdover directors are: Nancy Graves, Marilyn Cline, Ed Garner, Stan Cobb andMike Cudd. Helen Melton will also join the Board of Directors as Women's Division President.

ANNUAL BANQUET time is almost here, February 7, 7:00 p.m., Spearman High Cafeteria. Kenneth Wyatt from Tulia will be our guest speaker. Kenneth is an artist, author and after dinner speaker. I know you'll enjoy him! Many of you ask what does my chamber membership entitle me to? Beginning now, you will get reduced banquet tickets, - for Chamber members \$12.50 per person, for non members - \$15.00 per person.

With this coming year the chamber will see many changes. To enable this office to work harder for you as individual & business members, the chamber will no longer serve as a Local Service Agency for General Telephone. Don't panic! GTE assures us that they will keep this service here in town. The Chamber will continue to serve as the LSA until GTE locates another business that can serve as an agency for them. The main reason the Directors voted to discontinue the LSA at the Chamber office was simply to have an undivided Chamber. The Spearman Chamber of Commerce CAN make a difference in SPEAR MAN, TX.

Cheif of Police, Joe Raper has a copy of the video that many of you viewed at the crime program several weeks ago at his office. If you would like for your employees to see this video - call Joe today!

The Spearman Volunteer Fire Dept. has been trying to upgrade their services they would like to have your comments (good or bad) in order for them to do a better job for Spearman.

Enclosed with this newsletter is a pre-addressed post card. please take one minute, fill it out and put it in the mail. We need all replies as soon as

In November, the Directors held a program of work planning meeting. #### Hospital

Patients who were admitted in the Hansford Hospital are: Lanta Allred, Andy Rhodes, Margarite Marquez, Kelly Mahaney, Caci Shaeffer and Jewell Dawes.

Patients who were dismissed from the Hansford Hospital are: Shelia Whatley, I aul Gonzales, and Terrance Start Your New Year Right with Exercise

If you have never started a program of regular exercise or if you are an exercise "drop out", get into an exercise program at the "Y"! There is

a time and class for everyone. At 9:00 each morning Judy Davis teaches a high impact, high energy class which can be modified to accomodate beginners to advanced exercisers. A nursery is available. Judy has her CPR and is a certified fitness instructor.

At 12:00 each day Stephanie Crossland leads a similar class. This is ideal for the working woman who wants to exercise but still have her evenings free. Stephanie has her CPR and is certified.

At 4:15 on M, W, F, Wanda Archer

leads a modified high impact class. She teaches beginners how to make it into a safer low-impact routine. At 5:15 on W, F, she has a low-impact cold class for beginners, over weight people and those who, because of injuries, absolutely connot have any high impact on their feet, ankles, etc.

The heart rate gets up just as high as in the high impact classes, but the chance of injury is removed. On T, Th, at 5:30 she has a class that's different. It is a coed, power aerobics-weight lifting class. It is downstairs in the weight room and has the regular warm-up, about 20 minutes of modified high-impact, high energy aerobics

and 15 to 20 minutes of weight-lifting interspersed with an aerobic activity to keep the heart rate up in its working range for 35 to 40 minutes-extremely efficient fat-burning routine. Wanda is

CPR and fitness instructor certified. She also, once a month, uses calipers to measure the fat percentage of her students so they can see if they are exercising correctly to burn the most fat for fuel.

On M, T, Th at 5:30 and Sat. at 8:30, Beth Raper teaches high impact-high energy classes.

There is no excuse for anyone in Spearman to say they can't find time to exercise. Doctors say that low intensity-longer duration exercise burns fat more efficiently and this is the reason most of us exercise along with the desire to feel better & have much more energy.
