Burn Victim Doing 'Remarkably Well'

By SYLVIA SIMS

Chris Hagerman acts like a normal eight-month-old.

He crawls, pulls up and is cutting teeth, according to his mother, and seems to up with his age level in development.

The only difference between him and other toddlers is that he was burned over 30 percent of his body in a car fire last September, has gone through several surgeries and pressure packs remain on his face and limbs.

The son of Mr. and Mrs. Steve Hagerman of Roscoe, the youngster spent 36 days in the Parkland Burn Center in Dallas after a car he was in caught on fire—apparently from an electrical short.

He was released from Parkland Oct. 8 after several surgeries. The most recent surgery was Nov. 20 for a cornea implant in his right eye, Mrs. Hagerman said. So far the operation is successful.

Although expected not to live, Chris has proved to be a remarkable little toddler. Doctors said he would never function normally, but he does. And there wasn't much hope that the cornea implant would work, but it did.

He was originally blinded by the fire that caused minor burns on his mother. The cornea implant is intended to give him useful vision in his right eye, and the doctors are considering an implant for his other eye, Mrs. Hagerman said.

Clear plastic pressure masks have been placed on his face to minimize scarring from the skin grafts there. Original grafts were made from a cadaver to prepare his body for taking grafts. Then skin was grafted from his scalp and more recently from his shoulders.

"Only your skin from your clavicle upwards has the blushing capability," Hagerman said, "so it is a different color than the rest of your body. That's why they could take it off of his head and shoulders."

The pressure masks should prevent scarring, she said, and will be used for about a year. Pressure dressings are also being used on his arms and legs.

"The burn doctors say he is much improved," Hagerman said. "I just wanted to let people know how he is doing. So many times I hear that someone thinks his fingers were charred off or he can't function. He's doing great. He's really remarkable."

The Bible God's Gift To Us

David V. Fultz, Evangelist, Church of Christ

There is a question that generally comes in the mind of an individual who commences to study the Bible as to how we got it. We wonder if we are dependent upon some man or group of men to give it to us and if so did they not change it to suit themselves? A careful study of this matter will increase our faith in God and in His word.

First I would like to call your attention to a few verses of scripture which will help us to better understand the purposes of the Bible in God's plan. In Matt. 24:35 Christ said, "Heaven and earth shall pass away, but my words shall not pass away." Hence from the lips of our Master we have assurance that His words will live forever, and they will be kept for all future generations. Then second Peter 1:3 states, "Grace to you and peace be multiplied in the knowledge unto us all things that pertain unto life and godliness, thought the knowledge of God and of Jesus our Lord; seeing that His divine power by virtue; whereby he hath granted unto us His precious and exceeding great promises; that through these ye may become partakers of the divine nature, having escaped from the corruption that is in this world." Thus we have two thoughts brought out, first, that Christ's word will never pass away, and that by His diving power all things which pertain unto life and godliness has been granted. God has Promised to Keep His Word and this He has done.

Since the purpose of God did to reveal Himself to man through His Word, John 1:1-14, and our faith in Him is to come by hearing, and hearing comes by the word of God, Romans 10:17 we must have it in our hands so we read it. When this

word of faith was once delivered to the Saints it was to last for all time. (Jude 2, 3) there must be no addition or subtraction for it is the complete revealed will of God to man. (2 Tim. 3:16-17). There are many solemn warnings given within its pages to keep man from altering it or changing it once he has read them. See Gal. 1:8-9; second John 9; Rev. 22:18-19; Duet. 4:1-2. Preachers are given such an awesome responsibility to faithfully proclaim it.

Next week we will note how the Bible has come to us.

The WIX/FFA Promotion

The Spearman, Texas Chapter of the Future Farmers of America, along with hundreds of other chapters across the United States, has joined forces with WIX filters, in a fundraising campaign to help the nation's 434,000 FFA members continue the proud tradition of American farming.

Beginning March 1, through May 31, local FFA members will be collecting WIX Farm Filter box tops from the farm community to redeem them through WIX at 20 cents apiece. Proceeds from the promotion, themed "Invest in the Future of Farming," will be donated to FFA chapters to fund additional learning opportunities and educational programs to help their members prepare for careers in farming.

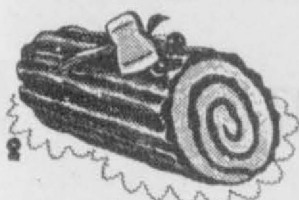

"The WIX/FFA promotion is a tremendous fundraising opportunity for the Spearman Chapter and FFA as a whole," said Chapter President Mark Garnet. "All our members will be participating in the venture, and we're confident the entire community will support our efforts."

The quilters here at Golden Spread Center are getting their new quilt together and should get it in the frames in the next week or two. They quilt every Monday from 2 till 5 p.m., and they'd welcome anyone who would like to come down and quilt with them. The sesquicentennial quilt is on display at the museum and if you haven't seen it we think you'll be very impressed with our ladies talent.

The future homemakers of America, from Spearman high school treated this establishment with a beautiful valentine cake, cookies, brownies & sandwiches Tuesday night, and any of you who wouldn't brave the incimate weather to come out missed some

Spearman artists to show work at library this month

Spearman artists Darlene Farris and Veleta Bowen will be the featured artists of the month at the Perry Memorial Library throughout February.

Mrs. Farris has been painting for one year, and Mrs. Bowen has painted for four years. Both favor working in oils, and like to paint animals more than other subjects. They have been taking lessons from Lometa Sparks in Spearman. "I've always wanted to paint," Mrs. Farris said. "Some friends of mine were taking classes and I asked if they had room for another one."

"It's been my lifelong dream to paint," Mrs. Bowen added. She

said she began to paint when her children got older, although she has been drawing since she was around five years old.

Mrs. Farris entered the Hansford County Fair last year and received a second place. Two years ago at the fair Mrs. Bowen received a second place. Two years ago at the fair Mrs. Bowen received a first and second place on her art, and last year received one first place and two third place ribbons.

Good friends for several years, they were classmates at Sunray high school, graduating in the same classes.

A drive-up teller at the First State Bank in Spearman, Mrs. Far-

ris' husband, LeRoy, is a probation officer in Perryton. They have three children, Terri Rosenquist of Spokane, Washington, Evette Layton of Gruver, and son, Darl, who is in the United States Army, stationed in Germany. They also have two grandchildren.

Mrs. Bowen is a homemaker, and her husband, Donald, is employed by Northern Natural Gas. They have four children, Larry of Lubbock, Terrie King of Spearman, Carrie Avila also of Spearman, and Ernest of Sigel, Pennsylvania. They also have seven grandchildren.

Artist of the Month is a project of Perryton's Sorosis Club.

TOP DRESS YOUR WHEAT NOW FOR MORE BUSHELS AT HARVEST

Liquid fertilizer, such as 28% UAN Solution, is priced as low as we have seen in years. A top dress application of liquid fertilizer has proven to be a cost effective method of increasing yields at harvest. Also herbicides, such as 2, 4-D or Glean can be applied right along with fertilizer. We cannot forecast how long fertilizer prices will remain at these levels, but you may want to seriously consider making a decision on your fertilizer needs as soon as possible, while there is plenty of time, product, and equipment available.

See your fertilizer specialist at the Perryton Equity.

THE LONER

You wonder how it got there . . . a sapling far from the forest. And grew . . . alone, untended, little-noticed. And flourished to stand like a sentinel against the horizon.

Maybe a tree understands, as sometimes man does not, the secret of God. We are never alone!

What we need He has provided. What we are to become He has designed. The beauty and majesty and grace that can emanate from one object, one creature, He has envisioned and made real . . . for all to share.

There is no loner.

But when we feel alone, then, more than ever, we are drawn to God and His Church. In faith, in friendship with others who believe, in service to those who need our affection and care—we discover how deeply and satisfyingly we belong.

To God a note of Thanks

By: Mrs. E.A. Greever

Friends when my name was called as one of the Hansford County elderly citizens at the Texas celebration in Gruver February 1st I should have told you my age, and since this I failed to do I will do so now.

I was born October 24, 1888, so on that date I was 97 years 3 months and 8 days. Speaking of age now let us read some rich Bible promises to the Elderly.

Psalm 71: 17-18; O God thou hast taught me from my youth and hitherto have I declared thy wondrous works. Now also when I am old and grey headed, O God forsake me not until I have showed Thy strength unto this generation and Thy power to everyone that is to come. Psalm 91:16 with long life will I satisfy Him and show Him my salvation. Isa. 46:4; And even to your old age I am He and even to hoar hairs will I carry you. I have made and I will bear, even I will carry and will deliver you.

Proverbs 16: 31; The hoary head is a crown of glory if it be found in the way of righteousness. Psalm 92:14; They shall still bring forth fruit in old age. They shall be fat and flourishing. Pro. 20: 29; The

glory of young men is their strength and the beauty of old men is the grey head. Proverbs 3:2 For length of days and long life and peace shall they add to thee. Psalm 23: 6; Surely goodness and mercy shall follow me all the days of my life and I will dwell in the house of the Lord forever.

Psalm 37:25; I have been young and now am old yet have I not seen the righteous forsaken nor His seed begging bread.

Heb. 13:5; Let your conversation be without covetousness and be content with such things as ye have for He hath said, "I will never leave the nor forsake thee. Psalm 121:7-8; The Lord shall preserve from all evil He shall preserve thy soul. The Lord shall preserve thy going and thy coming in from this time forth and even for evermore. Psalm 145:20; The Lord preserveth all them that love Him but all the wicked will He destroy.

Duet. 5:33; Ye shall walk in all the ways which the Lord your God hath commanded you that ye may live and that it may be well with you and that ye may prolong your days in the land which ye shall possess. Deut 6:2; That thou

mightest fear the Lord thy God to keep all his statutes and his commandments which I command thee and thy son and thy son's son, all the days of thy life and that thy days may be prolonged. Psalm 16: 8; I have set the Lord always before me because He is at my right hand I shall not be moved. Job 5:26 Thou shalt come to thy grave in a full age like as a shock of corn cometh in his season.

Psa. 34:12-13 What man is he that desireth life and loveth many days that he may see good? Keep thy tongue from evil and thy lips from speaking guile. Pro. 9:11 For by me thy days shall be multiplied and the years of thy life shall be increased. Pro. 10:27 The fear of the wicked shall be shortened. My dear reader friends today as I sit and write these precious promises from Gods holy word it seems I can not help but marvel and in amazement wonder of how he loved us. For what he has done is doing and has promised to give us through out Eternity. May God help us as we continue to live day after day, to have ears to really hear and a heart to receive. Praise his Great Holy Name.

CARD OF THANKS

The children of Doris M. Holland wish to express our gratitude for all the many kind expressions of sympathy shown to us during the home-going of our precious mother. We shall always miss her greatly, but your cards, flowers, food and visits, and especially your sharing your memories of her with us, has helped sustain us through this difficult time. Just as her household has risen up and called her blessed, so have the communities in which she lived and served and shared her life, and this response has been a great comfort to us and we thank-you all.

Among The Neighbors

Mrs. Gladys Watson and Lola Melton left Friday morning for Bossier City, Louisiana to attend the funeral of their brother, Joe Watson. He and his wife visited in Spearman last July. Other family members from Spearman who are attending the services are Mr. and Mrs. Jerry Bowling, Jody Robertson, Dixie Pool, Mr. and Mrs. Richard Melton and from Dalhart, Mr. and Mrs. Leroy Smallwood.

Mrs. H.M. Shedeck and other relatives are concerned about Loyd Rolan of Portales who is in the Albuquerque burn center. He is the son-in-law of the former Leona Shedeck. He was burned with steam at the gasohol plant at Portales where he is employed. The accident occurred more than a week ago and at this writing, he appears to be stabilized with skin grafts scheduled for next week.

Mrs. Mabel Edwards was delighted with a visit from her grandson last week. Paul Van

Cleve from Oregon was recently married and brought his bride to meet his Texas relatives. He is the son of the late Thora Jean (Edwards) and Same Van Cleve. Paul and his wife also visited in the home of Wayman and June Edwards and other relatives and friends. His father Sam has moved to Oregon.

Recent guests for a few days in the home of Mrs. Ruth Bryan were her sisters, Mrs. Julia Billingsley of Lubbock and Mrs. Mary Hazelwood of Ft. Worth. They also visited in the home of Mr. and Mrs. Ray Phelps.

Larry Hays of Eufala, Oklahoma and Mark Hays of Plainview, both former residents of Spearman, were here earlier in the week. They were enroute to Perryton to be with Floyd Hays. Floyd is very ill in the Ochiltree General Hospital, and all his family is with him. He has been in the Senior Village Nursing home until a few days ago when he was

hospitalized. ***** One of Spearman's favorite octogenarians observed his 87th birthday on Wednesday. Roy Jones, who just recently was released from Hansford Hospital after a bout with pneumonia was well-remembered by friends with candy, food and cards. His son was snowed in at Ruidosos, New Mexico. Roy is quite active, attends the Lions Club weekly, and in the early part of February, he served as cashier for the Methodist ground hog dinner as he has for many years.

***** Neighbors sort of shifted around this week when the Burt Williams moved into their new home at 1112 South Barkley. Mr. and Mrs. Buddy Witherspoon has moved into the home vacated by the Williams at 1120 S. Haney.

***** All the neighbors slipping, sliding and shivering during the last week felt that only in the movies somewhere the beaches were warm and sunny, the water blue and the skies cloudless. But for six Spearman couples, the trip to the Pacific Coast at a luxurious resort on the bay a few miles out of Manzanilla, Mexico, it was real. From last Saturday thru Wednesday, they were relaxing in the sun, playing golf, enjoying water sports and social entertainments. However, the relaxation was less evident on the flight down on Friday and the return on Thursday, due to the

unsettled weather conditions and fog which caused some delay in the flights. Those enjoying the short vacation were the Bob Hohertz, Perry Dixons, Kent Guthries, Louis Schnells, Jack Lasaters, and the Dub Wombles of Pringle.

Holt Extension Club Meets

Holt Extension Club met February 4th in the home of Mrs. David Harbour. The business meeting was presided over by Mary K. Harbour. During which was planned a Pot Luck Supper for March 1st at 6:30. Extension members invited everyone to join them for good and visiting.

Hutchinson County Agent Doug Steele gave the program on Trees. He talked about planting shade,

fruit and windbreak trees and the importance of watering, fertilizing, protecting from hot wind and disease. Doug said Honed Locust, Fruitless Mulberry and Russian Olive as well as Mohawk Pecan make good shade trees for this area. Those attending were: Audene Beck, Jo Ella Jones, Marie Harbour, Linda Jarvis Jackson, Mae Wofford, Mary K. Harbour and guest speaker Doug Steele and his nephew.

The Hansford Co. Chapter of the American Cancer Society

The Hansford Co. chapter of the American Cancer Society met Thursday, February 6th in the Hospitality Room of B. and B. Industries in Spearman. The meeting began with a luncheon at noon served by the Spearman ladies who were hosts for the February meeting. In the absence of Mozelle McClellan, Mary Tebeest took charge of the business. Clementine Renner read the minutes from the previous meeting in November. Committee reports were given and Jolene Thompson gave some information about brochures that could be printed containing various programs offered by the county to the public. These

would include such things by different organizations as Meals-On-Wheels, locations of these organizations and other material available from churches, Chamber Of Commerce etc. Due to the illness of several of our members and the field representative from Amarillo, a lot of our business had to be postponed. The next meeting will be March 6th, at B. and B. Hospitality Room in Spearman with the Gruver Ladies serving as hostess for the noon luncheon. Attending this meeting were: Mary Tebeest, Jolene Thompson, and Joy Henderson from Gruver. Clementine Renner and Fay Palmer attended from Spearman.
