County Supports Republicans

Its over! And, the conservatives have learned a lesson that most preachers and employers could have told them before they started the campaign. A majority of the American people are not too interested in morality and a hard day's work.

In years to come Spearman will have district and even greater football championships. They will come because the program of quality coaching and hard work by the boys is producing more and more good players. Good, hard-working players and coaches produce champions. Our girls' basketball program proves that point.

These future championship teams will be remembered and called great. However, we hope when the great teams of Spearman are remembered, the team of 1964 will be remembered as the team who established the Lynx tradition of toughness, aggressiveness, never-quitting, and above all, sportsmanship.

This group of boys has traveled a long hard road from pushovers to contenders. In the two years prior to this fall, the Spearman Lynx struck fear in very few people. They were little, slow and inexperienced.

However, while others were running up the score with teams of seniors, the lowly freshmen and sophomores and juniors were taking their beatings, fighting hard and learning. They were learning well.

This year those lessons paid dividends. A boy who has been battling big juniors and seniors his entire career does not step back from anyone and he learns lots of tricks of the trade.

These years of training showed Saturday night in Phillips. When the qualifications of both the Spearman Lynx and Phillips Blackhawks were put side-by-side, there was no reason for the Lynx to stay on the field with the larger, and faster Hawks.

The Lynx stayed because they know paper qualifications mean little. It is the amount of desire inside those individual uniforms which makes the difference.

Very few people ever marvel at the foundations which hold the Empire State Building, Hoover Dam or other great structures, but without them there would be no great structure. People may forget the Lynx of 1964; but without the foundation and tradition they have made, there would be no future champions.

Some of the local Democrats have claimed credit for the long hoped for rain. However, Lloyd Buzzard tells us it is not rain, just Goldwater tears.

ART WORK — This sculpture work, on display at Hobi-Den, was done in the first class of sculpture done by Spearman art students. The two large heads were done by Instructor, Nelda Sheets. All the other work was done by grade school children in their first lesson.

Lynx Meet Dalhart Friday In Battle for Second Place

Second place in District 1-AA will be settled here Friday night when the fighting Spearman Lynx meet the big, rugged Dalhart Wolves at 8 p.m. Friday on Lynx field.

Although the Wolf offense is built around a grinding ground game, the contest will have to be rated a toss-up when past performances are compared.

Against common opponents both teams hold one-sided victories, except for Phillips. The league leading Blackhawks beat Dalhart 13 points and Spearman 12 points. Phillips used the same weapons to beat both teams. The long, break away run and the long pass, Phillips beat Dalhart 13-0 and Spearman 28-16.

Fullback Danny Bush, 214 pounds, is the heart of the Wolves offense. He has been joined recently by Mac Lock, a 205 pound wingback.

These two big boys run behind a big forward wall led by tackle Lynn Schultz, 182. From end to end the Wolf line averages 170 pounds, per man. Spearman scouts report that Dalhart does not have the overall team speed possessed by Phillips, but they can match or surpass the Lynx speed.

Dalhart was idle last week after losing to Phillips the week before.

Spearman came out of its greatest battle of the year against Phillips, with no serious injuries. Coach Don Seymour said Monday that all of his boys are ready to go against Dalhart.

Seymour said every member of the Lynx squad gave 110

percent all the time in the Phillips game and he was proud of their showing against the fine Phillips team.

Spearman will counter the Dalhart size with an outside running attack and aerial game that proved effective against the big Phillips defense.

Seymour unleashed a whole flock of capable receivers against the Blackhawks. Quarterbacks Johnny Crawford and Dave Clement proved very effective with the throwing

game. Aiding the passing game Saturday night was the vastly improved protection provided by the Lynx blockers. The passers were not hurried a single time by opposing linemen. In earlier games the protection had leaked badly and Crawford had to throw on the run or was dropped for numerous losses.

Both teams run the pro-style T formation offense.

Branch Office Application Denied Dumas Savings & Loan Group

The application by the North Plains Savings and Loan Association of Dumas to open a branch office here has been denied by the State Savings and Loan Commissioner.

The commission refused to let North Plains open an office here because at the present time Hansford County is being adequately served by both savings and for mortgage loan financing by the savings and loan associations operating in this area.

Commissioner James O. Gerst said evidence showed the branch office would result in excessive competition for the limited amount of mortgage loans available in this community, as well as the saving of the community, which would result in undue harm to the protesting association lo-

ated nearest to Spearman. The commissioner pointed out that the two protesting associations derive approximately \$500,000 each from the county. The applying association derives approximately \$300,000 from Hansford County, but expects to gain within the first year of operation an additional \$1 million in saving from the county. The applying association is presently paying dividends on a quarterly basis while the protesting associations are paying semi-annually. This would, also, result in undue harm to the nearest protesting association.

In the first eight months of 1964, 70.5 percent of the conventional mortgage loans made in the county were by savings and loan associations.

Hansford County voters chopped up the general election ballot like kindling wood Tuesday as they split the ticket for federal and state office holders.

This was a record voter turnout in the county and election

Three Alarms Answered

This Week

Spearman fire fighters have answered three alarms this week.

The department answered two alarms Halloween night.

The first alarm was at 6 p.m. at 307 Twelfth Street. A small fire in a kitchen damaged the one room of the house.

About 1:30 a.m. Sunday a vacant house owned by Bill Goule of Canadian caught fire. The house is in the 100 block of N. Hazelwood.

The house was burning all over when firemen got the call, but they were able to bring it under control before the house was destroyed.

About 4 a.m. Wednesday a small horse shed behind Mae Bretz's house at 316 N. Endicott burned. It was raining at the time the fire was discovered.

Two Shetland ponies were in the barn and corral. Mrs. Bretz said one of them was seriously burned. The other horse jumped out of the corral.

She said she believed her nine-year old boy and a playmate were in the barn late Tuesday and built a fire. They thought they put it out with water, Mrs. Bretz said, but there must have been some live coals left.

officials worked well into the night counting the long, split up ballots.

There were 2119 votes cast in the election. This included all 10 boxes and the absentee votes. The Republican margin this year was less than in 1960 when the county supported Dick Nixon.

This year the Goldwater-Miller ticket received 1195 votes, Johnson-Humphrey 860 and the Constitutional Party 3. In 1960, Nixon received 1322 and Kennedy 511. There were 1838 votes cast in 1960.

Republican George Bush received the largest majority of any candidate in the race. He beat Senator Ralph Yarborough 1365 to 685.

Bob Price, the Republican candidate for Representative of the 18th District, led Walter Rogers by only 300 votes in the county. He received 1198 and Rogers had 892.

In the other federal election Republican Bill Hayes beat Joe Pool for Congressman-at-Large 1096 to 884.

In state races the county supported the Democratic Party.

There were no contests in local or district election for the Democratic primary winners.

The three constitutional amendments carried in the county. Amendment one was approved 852 to 624. Amendment two 784 to 635 and Amendment three 852 to 669.

A complete breakdown of the voting by precincts and candidates is on the Plainsman vote board elsewhere in this issue of the paper.

City Joins Perryton In Action

The City of Spearman has agreed to join the City of Perryton in two legal actions to combat High Plains Natural Gas Company's request for a gas rate increase.

Monday night the Spearman City Council agreed to join Perryton in a Declaratory Suit for a judgment for the price increase.

Spearman is joining Perryton in an intervention suit already filed to stop High Plains from abandoning a transmission line used by the company between Texas and Oklahoma.

If the company could abandon that line it would no longer be in interstate commerce and subject to the Federal Power Commission control.

High Plains Natural Gas has requested a gas price increase from both Perryton and Spearman and both towns have refused. The company will now have to prove the need for an increase before the Texas Railway Commission.

Most of the other business was routine paying of bills, and receiving monthly reports from the police and fire departments.

Police officers investigated one burglary, five thefts and five reports of mischief during the month of October.

They also issued 25 traffic tickets, 62 warnings to minor

Inch of Moisture Is Welcomed Although It Halts Maize Harvest

Five Hurt In Wreck

That long hoped for inch and more of rain finally reached Hansford County Tuesday night and Wednesday and unofficial reports place the total well over one inch.

Weather observer, Mrs. Pat Cates said the official measurement at 7 a.m. Wednesday morning was .71 of an inch. Late Wednesday after-

noon the unofficial total was over 1.5 inches.

The rain came in wind driven drizzle and very little was expected to escape from the thirsty fields and pastures. Reports say the rain is rather general over the area.

This is the first rain in many months for the county. There was a total of .05 in two

showers in October.

The foul weather stopped maize harvest at approximately three-quarters completed.

Cowmen say the moisture will tie down much of the irrigated wheat that is up and will provide grazing this winter. One man said small cattle will probably jump two or three dollars locally.

The moisture is also expected to bring up the dryland wheat which has been dusted in and provide badly needed cover for the land this winter.

The value of the moisture cannot be estimated.

The woman motorist was trying to navigate a traffic jam. She rammmed the car in front of her, then tried to back and knocked down a pedestrian. Then she tried to move over to the curb and ran into a hydrant.

A policeman came up. "Okay, lady, let's see your license."

"Don't be silly," she groaned; "who'd give me a license?"

Five persons were injured in a car-pickup wreck at the highway intersection east of Morse at 3 p.m. Wednesday.

Injured in the accident were Mr. and Mrs. Burt Harrison and their teenage son, who all live 10 miles southwest of Morse, William Franklin Myrick, 35, 618 Hill, Amarillo and Efram Mamirez, 23, 2111 S. Arthur, Amarillo.

The Harrison family were brought to Spearman and after preliminary treatment were transferred to Northwest Texas Hospital in Amarillo.

The two Amarillo men were taken to North Plains Hospital in Borger where they were listed in serious condition Wednesday afternoon.

The examining physician in Spearman said Harrison received a fractured right elbow, possible other fractures and multiple lacerations and contusions. Mrs. Harrison received lacerations and contusions and possible fractures. Their condition was said to be fair when they left the Spearman hospital.

The son, his name was not known, was listed in good condition with minor injuries. The investigating highway

Of Interest to Women

Meet The Presidents—

New Club's Initiative Adds Spark To Local Civic Scene

One of Spearman's most civic-minded groups, the Business and Professional Women's Club, was begun here only six months ago, but under the leadership of its president, Mrs. Mae Bretz, the group has begun its first year with a remarkable record of leadership in worthwhile activities.

Among the B&PW accomplishments since it was organized in May, are hosting the opening of Pioneer Manor, Spearman's new home for senior citizens and helping with the Red Cross and Salvation Army Drives. Right now club members have accepted the job of collecting \$2,000 for the Chamber of Commerce Christmas decoration drive and this week's report shows that more than half of the amount has already been collected.

Mrs. Bretz, a native of Gruver, has a nine year old son, Louie, and a one year old step-grandson, Allen, who

lives in California. She and Louie live at 316 N. Endicott in Spearman, where Mrs. Bretz owns and operates The Hobl Den, a shop specializing in art supplies, hobby materials and western supplies.

Mrs. Bretz attended West Texas State University, Panhandle Agricultural and Mechanical College and Abilene Christian College, majoring in education.

"I enjoy art and music," commented Mrs. Bretz. "I have dabbled in painting since I took an art course in college, taking later one semester from artist Dord Fitz, also."

"The only award I have ever received," Mrs. Bretz said, "was an honorable mention for a painting I did in San Antonio and exhibited at the Witte Museum," she concluded.

Mae has had three years of piano lessons. "I'm a far cry from Liberace, but I love to play for my own enjoyment," she commented. She also enjoys horseback riding as a hobby, as one might suspect from the western atmosphere of the shop she runs.

The B&PW Club proposes to elevate the standards for women in business and in the professions, according to Mrs. Bretz. It seeks to promote an interest of business and professional women, to bring about an understanding among these women all over the na-

tion and to extend opportunities along lines of industrial, scientific and vocational activities to all of them.

On a local level, the B&PW Club is currently in the process of helping to get funds together for a small child who needs heart surgery. This project, along with many other worthwhile endeavors, has already given the club the reputation of being one of Spearman's leading civic groups.

Halloween Party Held

Becky McClellan, daughter of Mr. and Mrs. R.L. McClellan, and DeAnna Sheets, daughter of Mr. and Mrs. Willis Sheets, were co-hostesses to a Halloween party Friday night in the McClellan's garage.

The backyard and the garage were appropriately decorated for the occasion with such things as "ghosts" in the trees.

Various games were played and refreshments of orange punch, popcorn, apples, and individual cakes shaped like tombstones with each guest's name on his cake were served.

Thirty costumed boys and girls attended.

Miss Ricketts Is Girl Of The Month

Miss Gloria Ricketts has been selected as the Girl of the Month by the Kimberly Junior Woman's Study Club for the month of November.

Gloria is leading a very active life in Spearman High School this year. She is business manager for the Lynx Annual and the Lynx Claw. She has recently become a member of the Quill and Scroll, an international honorary society for journalists. She worked during the past summer selling ads for the 1965 Lynx Annual.

She was recently chosen to appear in Who's Who and is a member of the National Honor Society. She has been a member of FTA for the last two years and a member of the band. She is also a member of the Methodist Church.

Her hobbies are playing tennis, sewing, and reading. Last spring she was able to go to regional in tennis.

Gloria's plans for the future are to graduate and to attend Texas Tech in Lubbock next fall. She plans to major in secondary education.

Mrs. Crawford Is Guest Reviewer

Mrs. George Collard was hostess to the Book Club Monday, Oct. 26, in her home.

Mrs. Cecil Crawford, guest reviewer, reviewed "The Once and Future King" by T.H. White. Musical selections from "Camelot" were played in the background.

Attending were Mes. J.W. Gibner, C.J. Renner, Oscar Donnell, R.L. McClellan, Ralph Blodgett, Max Baggerly, Cecil Crawford and the hostess.

Mary Ellen Barkley, who attends Texas Tech, visited here last weekend with her parents, Mr. and Mrs. Freeman Barkley.

PRESIDENT—Mrs. Mae Bretz is serving as the first president of Spearman's new B&PW Club.

Farewell Coffee For Mrs. Holzer

Mrs. A.W. Holzer was honored with a farewell coffee by the members of the Wesley Bible Class Tuesday afternoon in the home of Mrs. Freeman B. Rkley.

The class presented Mrs. Holzer with an autographed copy of "Leaves of Gold."

Attending were Mes. O.C. Holt, T.C. Kitchens, Jr., Wayne Hutchison, Pope Gibner, John Berry, Bruce Sheets, J.R. Keim, Virgil Matthews, guests, Mrs. Ray Messer, Mrs. Frank T. Jones from Springdale, Ark., the honoree and the hostess.

Union Women Select Projects

Mae Floyd presided when the Missionary Women met recently at the Union Church.

The group decided on the following projects: Christmas treats for the Papago Indians of Arizona, Christmas offering to missionary families in Guatemala and Peru, and helping with furnishing of Midwest Bible College at Webb City, Mo.

Attending were Mes. Floyd, Fred Jones, B.J. Gannett, George Bollinger, Harold Bowen, Ernest Sluder, Ferguson, Davis, and Zina Longley.

Neighborhood Shower For Mrs. Rains

Mrs. Carl Rains, nee Cheryl Locke, was honored at a neighborhood bridal shower Friday afternoon in the home of Mrs. Lawrence Brown.

The serving table was covered with a white cloth and was centered with an arrangement of cut flowers.

Coffee and cookies were served to the guests by the hostesses.

Attending were Mes. W.J. Lewis, Ed Haner, Orville Brummett, Don Denham, James Pendergraft, John Miller, Gene Sparks, Danny Jackson, Kenneth Burch, Laird Locke, mother of the honoree, and the honoree.

Hostesses for the courtesy were Mes. Lawrence Brown and Don DeArmond.

Day by Day

As the last "paid political announcement" fades into the distance and we settle back to thinking of something besides politics, I can't help but repeat what Dr. Winfred Moore, pastor of the First Baptist Church of Amarillo, said Sunday concerning the elections.

"Whether the people elected are those for whom I voted or not, I will not let this election separate me from friends—especially in the city I love and where I live. My nation is bigger to me than both parties and all the candidates. My love and appreciation for the people of my city and area are too sincere for any political campaign to sever or disrupt. God grant that it may be true with each of us."

As someone said, for the average voter, ear-weary and eager for it all to end, a fitting epitaph for the 1964 campaign was provided when an aid to vice-presidential candidate Miller was asked if Miller planned any more speeches. The aid said: "No, it's all been said."

And so it has.

If you were one of many hundred fans in Phillips Saturday night, you were no doubt very proud of our team, even in defeat.

Spearman fans were delighted with their team's all-out effort and were loud in letting everyone know it.

I don't know whether a football team hears the roar of the crowd or not, but it certainly can't do any harm. It just might make the difference in two evenly matched teams like Dalhart and Spearman appear to be when you look at both team's scores with Phillips.

Now that I can rest my brain after considering candidates, issues and amendments, I've decided I'll be one of those people who get things done early. Like making fruit cakes and other sweets for the holidays while I'm not frantically looking for last minute gifts.

Here's a recipe for date fruit cake that I'm going to make real soon. It's from a favorite aunt of mine who has always had a special talent with delicious desserts, so I know it's good.

DATE FRUIT CAKE

1 1/2 lbs. pecans, 1 lb. dates and 1 lb. candied cherries, all left whole, 3/4 lb. candied pineapple, cut to size of thumb.
4 eggs 1/2 tsp. salt
1 cup flour 1/2 tsp. baking powder
1 cup sugar

Mix all the fruit and nuts. Sprinkle with 1/2 cup of the flour, mixing well. To the remaining 1/2 cup flour, add salt, baking powder and sugar and sift together. Break the eggs into this and mix well. Pour this batter over the fruit and nuts, mixing well with the hands.

Line either large tube pan or two loaf pans with foil, leaving ends and sides to fold over top. Pack dough in well. Bend foil over to cover. Cook at 250 degrees for two hours. To serve, slice thin with saw-edge knife.

Harbours Honored on Golden Anniversary

Mr. and Mrs. T.I. Harbour celebrated their golden wedding anniversary Sunday, Nov. 1 with a buffet dinner for the family in the ballroom of the Borger Hotel.

The family gathered around a large U-shaped table featuring an arrangement of yellow roses entwined with gold embossed ribbon with a large "50" medallion in the center. Individual bud vases with a yellow rose bud representing each child completed the table arrangement. The table was covered with white linen and set with white china trimmed in gold with gold flatware.

T.I. Harbour and Ollie Harmon were married at the home of the bride's parents in Ochiltree County. Mr. Harbour took his bride home to the farm in Hutchinson County where they lived in a half dug-out until their present home was completed. This land holds many wonderful memories for the children and is now a favorite spot for the grandchildren.

Present to honor their parents on their anniversary were all nine of the children and their families; Ira and Loree Harbour, Jean, Curtis and Ted of Stinnett, Ann and Bill Sloan of Dumas; Lewis and Rita Harbour and Linda of Spearman; Leota and Robin Giblin and Peggy of Morse, Jack and Carolyn Giblin of Guyton, Okla., Robbie and David Reid of Morse and their sons, Rex and Randy, who

are the only great grandchildren; Robert Harbour, Debbie and Phillip of Amarillo; Mary Nell and Gale Webster and Beverly of Dayton and Mike Webster of Stinnett; May Lee and Leroy Smith, Gary, Connie and

Larry Don of Perryton; Avis and Glenn Smith, Steve and Ricky of Dimmitt; Monty and Marie Harbour, David and Roy of Stinnett; Jerry and C.W. Johnson of Lynchburg, Virginia; a sister of Mr. Harbour, Mrs.

Vallie Leflet of Pampa, and Mr. and Mrs. Ed Doores of Farnsworth. Mrs. Doores attended the wedding fifty years ago.

Eighteen of the twenty-seven grandchildren were present.

CELEBRATE—Mr. and Mrs. T.I. Harbour (seated) are shown with their nine children as they celebrated their golden wedding anniversary Sunday with a dinner in the Borger Hotel. The children are (left to right) Leota Giblin of Morse, Mary Nell Webster of Dayton, Ohio, Jerry Johnson of Lynchburg, Virginia, May Lee Smith of Perryton, and Avis Smith of Dimmitt, back row (l to r) Monte of Stinnett, Lewis of Spearman, Robert of Amarillo and Ira of Stinnett.

\$18,090,200 Approved By State Highway Commission

The Texas Highway Commission today acted to protect the investment of Texas taxpayers in their 37,000-mile Farm and Ranch to Market Road system by approving \$18,090,200 for betterment in 1965.

A total of 3,305 miles of these all-weather roads will be improved under the 1965 Farm to Market Road Improvement Program to be executed in coming months by the Texas Highway Department.

Commission Chairman Herbert C. Petry, Jr. said traffic increase and heavier loads, coupled with the age of many of the rural roads in Texas, are big factors in the need for periodic "resoling" of many F-M roads.

Under the budget approved today, 353 F-M miles will be reconstructed with new grading, structures and surfacing, 338 miles will be widened, reconditioned and resurfaced; 679 miles will receive additional surfacing, and seal coat improvements will be made on

1,924 miles. Extensive bridge widening and shoulder improvement work is also included in the list of improvements scheduled for Farm to Market Roads under the 1965 program, Petry said.

Today's improvement budget was in addition to a \$23 million Farm to Market Road construction budget approved by the Commission in May for new FOM road construction.

The Highway Department will spend about \$22 million next year for routine maintenance--in addition to extensive betterment covered in today's action--on the F-M system.

Of the total completed F-M Road system in Texas, 33,560 miles are rural and 1,086 miles are within city limits. An additional 2,469

miles are under construction at this time or financed for construction in coming months.

Since 1948 the Texas Farm to Market Road system has grown from 3,060 miles to the designated system of about 37,000 miles today. An ultimate F-M system of 50,000 miles is envisioned for Texas by the Highway Commission.

Course. This course was taught by Dr. D.E. Hackley. Nine lessons two hours long were required to receive a diploma.

This course was recommended by Department of Defense, Office of Civil Defense, Department of Health, Education and Welfare, and Public Health Service.

It was sponsored by the Hansford County Home Demonstration Club.

Receiving diplomas were: Effie Hackley, Anne Archer, Mrs. Dick Hudson, Alta Townsend, Maylynn Schubert, Wanda Schubert, Dorothy Smith, Mary Faith Nollner, Frances Whitehead, Clyde Whitehead, Mrs. W.W. Smith, Ella Garnett, Dorothy Tackitt, and Johnnie C. Lee.

Womble Rites Held Monday In Stinnett

Services were held Monday, November 2, in the Stinnett High School Auditorium for Mrs. Mollie T. Womble, 88, a resident of Hutchinson County for more than 60 years. Rev. Marvin Menefee, pastor of the Lakeview Methodist Church of Dalhart officiated, assisted by the Rev. Dwayne Grimes of the First Christian Church of Stinnett.

Burial was in Lieb Cemetery under the direction of Minton Mortuary of Borger. Graveside services were conducted by the Order of the Eastern Star, Chapter 347, of which Mrs. Womble was a member.

Mrs. Womble, widow of the late Carson Womble, died Saturday night in Dalhart at the Coon Memorial Home where she had lived for the last two years.

Survivors include five sons, D.M., R.C. and A.C. of Morse, W.T. of Fritch and R. E. of Stinnett; four daughters, Mrs. Bette Lackey of Spearman, Mrs. Mae Board of Morse, Mrs. Lee Forester of Dalhart and Mrs. Irene Foster of Stinnett; brothers, Moss and Kellum Robinson of Cleburne; sisters, Mrs. Hettie Cheek and Mrs. Sudie Walker of Cleburne; 30 grandchildren, 50 great-grandchildren and two great-great-grandchildren.

The Jack Moran family spent the weekend visiting relatives in Blackwell, Tulsa, Vinita and Oklahoma City, Okla.

Mr. and Mrs. Bill Strawn and Shelly attended the homecoming game in Bovina Friday night and spent the weekend visiting with Mr. and Mrs. Vernon Estes and Mr. and Mrs. Norvil Strawn.

Homemaking Notes

by Linda Webb
Home Demonstration Agent

My thoughts are already being turned to Christmas, and although I don't want to rush the season, I'm sure you are beginning to shop and plan, too.

If you are like me, I always seem to be at a loss for gift ideas. I have found, though, that it is easy to spread a maximum amount of holiday cheer with a minimum amount of money through gifts that are pretty, yet practical.

Throw rugs made of fluffy chenille in holiday colors and designs can be used as welcome mats or as accent rugs in bedroom and bath. And, they can be laundered prior to storage.

Durable plastic dishes, featuring bright yuletide designs, make ideal "fill-in" sets for buffets and other holiday parties.

Decorated china, will delight any busy hostess whether it be party plates, punch bowl sets, china cups, or other nice accent pieces.

Glassware is almost always at a premium during the holiday season. Holiday designs on these make them extra special.

Trays, inexpensive but attractive plastic ones are tasteful gifts for informal service or for snack tables.

Table cloths and place mats are available in washable fabrics of bright colors and prints—a boon to the homemaker in a busy season when laundry piles up from other sources.

Aprons, towels and place mats can be homemade from fabric printed in gala designs. There is also a wide choice of ready-mades which are fun to show and to use.

The list goes on and on. Once you begin to look around, you will discover a world of original things from which to choose. Everybody wants something attractive but easy to keep clean.

One soothing word about holiday shopping. It's not the

PLANTS IN GOD'S GARDEN

Luther Burbank spent his life developing new types of plants and trees. For example, Burbank grew walnuts without the bitter taste they once had. He produced plums and apricots without seeds in the middle. He developed a dahlia without the bad odor for which dahlias were noted. He even grew a cactus that had no sharp thorns.

Luther Burbank didn't perform miracles. He studied plants and trees and used the power God had put into them. The plants didn't improve themselves. By applying certain laws the scientist gradually did away with some of the faults which made them less useful to man.

People too have faults. Some persons, like the walnut, are filled with bitterness. Some, like the cactus,

time and trouble. It's the aching feet that cause many women to denounce holiday shopping.

This year, start out with comfortable feet. Then more will be accomplished on each expedition. Begin now to get your feet in good condition so you can stand patiently to wait your turn in the sales line.

Although wearing comfortable shoes is the first item, considerable comfort can come from home treatment. Soak your feet in a hot soap-suds daily for as many minutes as you can spare and scrub them vigorously with a brush. Make a special softening "cream" by squishing up a handful of soap-suds and stirring in a tablespoon of baby oil. Use this mixture to massage red or calloused places on your feet. Rinse your feet with warm water, then with cool water, and dry them thoroughly. Put on clean hose and a change of shoes. You'll feel like a "new woman."

Try this routine before and after shopping. It does wonders for any disposition.

have a way of hurting other people. Others, like the plum, have hard hearts.

We hurt other people with our faults, but most of all we hurt God. And none of us can get rid of his faults by himself. Only God can do this for us.

We are like plants which God tends in His garden. He wants to take away our faults so we will be more useful to Him. Jesus says, "Every branch that does bear fruit He (God) prunes that it may bear more fruit." (John 15:2).

Do you know how God takes away our faults? He places them on Jesus. In exchange for our sins He gives us Christ's own goodness. That's the way God changes our bitterness to sweetness and our hard hearts to tender hearts.

We are like plants in God's garden. God, help us grow as a Christian that we can be more useful to You.

Mrs. Eleanor Reed returned Saturday night from a week's trip to visit Mr. and Mrs. Earl F. Pearson in Sanderson, Tex. While there the group also visited Del Rio and Brackville.

NOTICE OF SALE

THE STATE OF TEXAS
COUNTY OF HANSFORD

By virtue of an Order of Sale issued out of the Honorable District Court, 150th Judicial District of Texas, in and for Bexar County, Texas, on the 6th day of October, 1964 by the Clerk thereof, in the case of FIRST OF TEXAS CORPORATION VS C.W. WILSON ET AL. and being numbered F-155,909 on the docket of said Court, and to me, as Sheriff, directed and delivered, I will proceed to sell the hereinafter described tract of land to the highest bidder, for cash, between the hours of 10:00 A.M. and 4:00 o'clock P.M. on December 1, 1964, it being the first Tuesday of said month, at the Courthouse door of Hansford County, Texas, in the City of Spearman, Texas; said tract of land having been levied on by me on the 9th day of October 1964, and to be sold to satisfy a judgment rendered in the above described cause on the 4th day of November, 1963, and recorded in the Minutes of said Court in Volume 19, Pages 501-502. Said judgment was in favor of Plaintiff, FIRST OF TEXAS CORPORATION, establishing its debt for the sum of ONE THOUSAND FIVE HUNDRED TWO AND 77/100 (\$1,502.77) DOLLARS, with interest on the sum of NINE HUNDRED NINETY EIGHT AND 27/100 (\$998.27) DOLLARS at the rate of eight per cent (8%) per annum and interest on the sum of FIVE HUNDRED FOUR AND 50/100 (\$504.50) DOLLARS thereof at the rate of six per cent (6%) per annum from November 4, 1963, until paid, and all costs of suit, together with foreclosure against the Defendants, C.W. WILSON and ALVIN DIEHL, and all those claiming under said Defendants, whose claims originated since the filing of Plaintiff's Notice of Lis Pendens with the County Clerk of Hansford County, Texas, on the 30th day of September, 1963, of a certain lien securing Plaintiff's debt upon the following described property, to-wit:

Lots 11 and 12, Block 28, First Addition, to the City of Spearman, Hansford County, Texas;

Said Judgment and Order of Sale direct that the above described property be seized and sold as under execution in satisfaction of said judgment, and the proceeds of sale applied: First, to the satisfaction of all costs of court and sale; second, to the payment of said judgment in the amount of ONE THOUSAND FIVE HUNDRED TWO AND 77/100 (\$1,502.77) DOLLARS, together with interest that may be due thereon.

GIVEN UNDER MY HAND AND SEAL OF OFFICE on this, the 9th day of October, 1964.

LIVESTOCK SHORT COURSES
 A series of Livestock Short Courses will be held for cattlemen over the north plains area beginning Monday, Nov. 9. All cattlemen and other interested in cattle production are cordially invited to attend one or all of the meetings.

Speakers include: Bobby Joe Ragsdale, Extension Range Specialist-- "Range Management and Brush Control"; C. M. Patterson, Extension Veterinarian-- "Animal Health"; Dixon Hubbard, Area Extension Livestock Specialist-- "Commercial Cattle Feeding" and L. A. Maddox, Extension Livestock Specialist-- "Feeding the Cow and Calf".

The meeting will be held in Wheeler, McLean, Canyon and Dumas. Since Dumas is nearer, I will give the schedule for the meeting these which will be held at the Community Building beginning at 7:30. Nov. 9--Dixon Hubbard will present his program; Nov. 10--C. M. Patterson; Nov. 11--Bob Ragsdale; Nov. 12--L. A. Maddox.

If you plan to attend one or more of these meetings, please let me know before Monday, November 9.

4-H ACHIEVEMENT PROGRAM
 The public is reminded of the Hansford County 4-H Achievement Program which will be held in the Morse School Auditorium Saturday, Nov. 7 at 7:30 p. m.

SUSPENSION FENCING
 "Save with Suspension Fencing" is the title of a new leaflet now at the county agent's office. The leaflet tells how suspension fencing can cut fence costs in half and describes construction of this type of fencing.

Suspension fences are similar to other types of fences except distance between posts is about 100 feet. Such fences

work well for boundary, interior and crossfences, the county agent adds.

Another advantage of suspension fencing is its swaying action. This keeps cattle from becoming mixed between pastures and discourages fighting bulls.

The fences are easy to repair should a section be torn down. With suspension fences, only one or two posts need to be re-

A suspension fence is an excellent way to keep livestock in temporary or improved pasture while native grasses are being deferred. Copies of 1-627 are available at my office.

VITAMIN A INJECTIONS
 Since 1964 has been a very poor year for cattle on range in Texas, it may be necessary in some instances to supply breeding cows with additional vitamin A. Recently work conducted in Arizona by Lane indicates that per cent of calf crop and weaning weights of calves can be increased by supplying additional vitamin A. A total of 8 herds involving 2,200 cows were included in this experiment. One million I.U. of vitamin A and 100,000 I.U. of Vitamin D were injected per cow intraruminally. The cost of injecting vitamin A was about 25¢ per head.

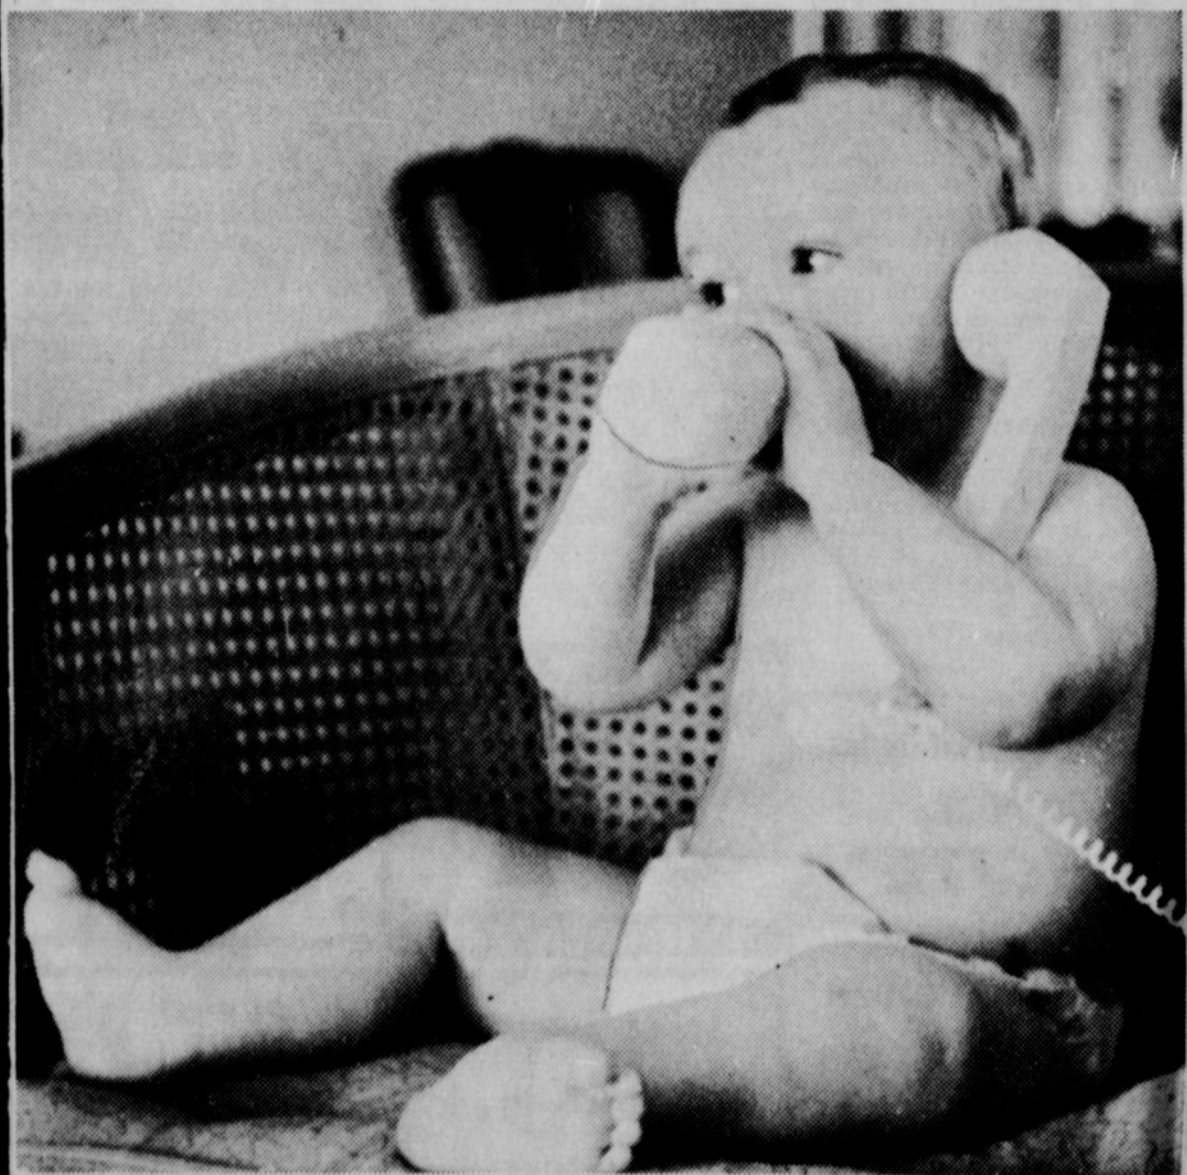

These Arizona workers found that vitamin A injections on yearling heifers that calved at two years of age produced calves that were 20 lbs. heavier at weaning than calves from the untreated heifers. When treatment was made prior to the breeding season, per cent of calf crop was boosted by 10%. When two-year-old heifers were treated, they produced calves that weighed 20 lbs. more compared to the previous season.

MYF and CYF Appreciate Help

The MYF and CYF members who collected money for CROP Thursday night wish to thank everyone for their cooperation in this drive.

The group collected \$293. After the drive the young people met at the First Christian Church for refreshments of candied apples, cookies, sandwiches, punch and fellowship.

Bro. and Mrs. Luther Berry are in Corpus Christi this week attending the State Baptist Convention.

My Neighbors Castor Oil Plant To Be Built At Plainview

"The coach doesn't understand me."

The dictionary is the only place where success comes before work.

The Baker Castor Oil Company, Bayonne, New Jersey, has announced plans for the construction of a new processing plant in the Plainview area. This will include facilities for crushing, refining and extracting, laboratories, office buildings, etc., to be operated by its subsidiary, The Baker Castor Oil Company of Texas.

The Texas High Plains annually produces 80 per cent of the castor beans grown in the nation. The crop has become increasingly popular the past several years, and the new plant will doubtless accelerate its popularity.

The Baker company was established in 1857 and its national headquarters, research and development laboratories, and executive offices are located in Bayonne, N. J. Manufacturing plants are in Bayonne and Los Angeles, and a far-flung system of sales offices and warehouses are maintained in principal cities around the country.

Baker is the world's oldest and largest processor of castor oil and produces some 200 chemical derivatives of castor oil which are used in a wide variety of industrial applications.

Castor oil is classified as a strategic war material by the Defense Department and it has long been the aim of this country to eliminate its dependence on foreign sources for an adequate supply of this material. In addition, the importance of encouraging the expansion of the United States has been recognized by the President's Commission on Increased Industrial Uses of Agricultural Products.

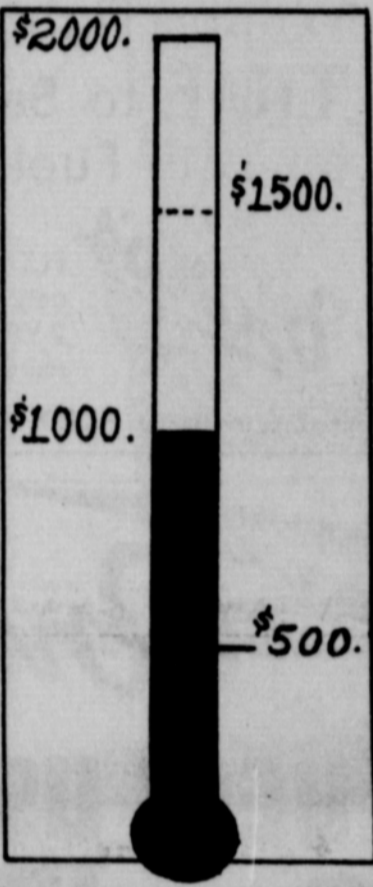

In the Commission Report to the Congress dated April 17, 1957, special emphasis was placed on increasing the planting of certain crops, including

castor beans, for the purpose of reducing the production of additional agricultural crop surpluses.

From the standpoint of military importance, castor oil and its derivatives are specified for use in such items as submarine sonar devices, electronic components of missiles, recoil mechanisms, hydraulic mechanisms, shock absorbers, camouflage paint, gasoline resistant hoses, greases, disinfectants, etc.

Sheets Wins Card of Thanks Art Award

A young Spearman artist placed third in the Second Annual State Citation Art Show in Amarillo last week.

Steve Sheets, son of Mr. and Mrs. Willis Sheets, placed third in the high school competition with a semi-abstract of band instruments.

The placing earned him a \$25 prize and his painting is eligible to be entered in the state competition in Austin later this year.

The show is sponsored by the Democratic Committee of the 31st Senatorial District.

Buddy Miller of Perryton won first place in the High School division.

Steve studies with his mother, Nelda Sheets, a local artist and teacher.

My heartfelt thanks go out to our neighbors, the Robert Halls, who awakened us at four Wednesday morning to tell us our barn was on fire and to save the life of one of our little shetlands. Thanks to the fire department and to the city policeman who went far beyond his call of duty to put the two little horses in the rodeo grounds, caring for them and protecting the safety of the public. All of this in the cold night rain.

Higher Education Night Scheduled Tuesday

Higher Education Night at Spearman High School will be held at 7 p.m., Nov. 10 in the school auditorium.

Representatives from 11 different colleges, trade and business schools will be there to talk to interested parents and students.

These representatives will discuss cost and financial help for going to school, the kind of school one should attend, advantages of attending colleges, trade schools and business schools, the type courses offered in different schools and how hard is some of the trade to learn.

Parents and students in grades 9-12 are invited to attend this meeting. Also parents from all surrounding schools are invited to attend

the meeting and talk to the representatives.

Larry Elms, President of the West Texas State University Student Body will challenge the students to pursue higher education. After his talk, the meeting will break up into group discussions with representatives.

Schools invited to attend include Panhandle A&M, West Texas State, Texas A&M, Lubbock Christian College, Wayland Baptist College, Oklahoma State University, Central Business College, Draughton's Business College, Oklahoma State Tech-Vocational School, Pampa College of Hair Dressing and Frank Phillips Jr. College.

Union Church Sets Revival

A four day revival meeting will be conducted in the Spearman Union Church beginning Nov. 11.

The meeting will be conducted by the Hunt Rudin Evangelistic Party through Nov. 15.

Church officials said this group was here in January and the church is happy to have them return.

Willard Cox has been charged with the burglary of the oil company. His bond was set at \$2,000 and he was released on bond.

Art Display In Hobi-Den

A display of children's sculpturing has been on display in the Hobi-Den for the past few weeks. The work was done by an art class taught by Mrs. Willis Sheets.

The Students were very successful with their work. They sculptured the work in quick hardening clay on their first lesson and then painted it in the second lesson.

All of the students have been in Mrs. Sheets' painting class for several months.

Students doing the work were: Meg Conrey, Becky McClellan, Billy Giles, Bonnie Seymour, DeAnna Sheets, Kathy White, Doug Porter, Willie Porter, Ronnie Head, Larry Williams, Randy Colard, Lynn Hohertz, James Ray Lyon and Brent Helms.

GOOD BLOCKING - Mike Morris (40) has a wave of blocking in front of him as he runs against Phillips. Blocking is Clayton Cochran (31), Johnny Crawford (11) and Ken Shufeldt. It will take this kind of work against Dalhart Friday night.

Road to Success Rocky For Great American

On the subject of politics, we ran across the following piece:

"A young man ran for the legislature and was badly swamped.

He next entered business, failed and spent seventeen years of his life paying up the debts of a worthless partner.

He was in love with a beautiful woman to whom he became engaged--then she died.

Entering politics again, he ran for Congress, and was badly defeated.

He then tried to get an appointment to the United States land office, but failed.

He became a candidate for vice-president, and was once more defeated.

One failure after another... bad failures... great setbacks. Then he became one of the greatest men in America: Abraham Lincoln.

FUNNYBONERS

From the Buffalo Courier Express: "At the Honolulu airport, the Scouts were met by girls who gave them flowered lies."

Fashion story in the Rochester (N. Y.) Democrat & Chronicle: "Last year at this time headlines blazed with news of the demise of the chemist. And, almost everyone agreed, especially the men, that it was good riddance."

From the Clovis (N. M.) News-Journal: "The bride-elect and her mother were in the deceiving line."

Legion Meet In Gruver

All World War I veterans will be honored at a dinner at the Fifth Zone meeting of the American Legion in the Memorial Building in Gruver, Tuesday, Nov. 10, 7:30 p.m.

The Sullivan R. Spivey Post No. 154 of Hansford County will be the hosts for the meeting.

Legion members and Auxiliary members from Legion posts in Follett, Darrouzett, Booker, Perryton, Canadian, Dalhart and Gruver will attend the meeting.

The Gruver auxiliary will serve the dinner.

All veterans of World War I, whether members of the Legion or not, are invited. Also, their wives, daughters and granddaughters are invited.

The Legion post is sending invitations to all veterans, but any veteran not receiving an invitation is asked to attend.

violators. The officers also picked up 21 dogs, two cats and one monkey during the month.

Owners claimed three of the dogs and the monkey was turned over to the Amarillo Children's zoo. The other animals were destroyed after being kept in the pound 10 days.

The fire department answered six fires in town and two in the country during the month.
