

Lynx Band Awarded Superior Honor In UIL Competition

At the annual UIL Band Contest, the Spearman High School Lynx Band was awarded a 1st div. (Superior) rating for their fine performance of their 3 selected concert numbers. The contest was held on Thurs., March 20 at Panhandle High School and included 31 bands in classes B-A & AA. Judges for this event were Joe Rogers from New Braunfels High School, Larry Harris from Altus (Okla.) High School & Leslie Ross from Petersburg, High School.

Each of these 3 judges awarded the Lynx Band their highest award of a superior rating. Quotes from each judge included comments, "I enjoyed your performance. A lot of hard work done, by the students and director". "Congratulations

on a very fine performance. It was a pleasure to hear you." "Congratulations to your fine band on their performance."

This is a first time in the past six years that a concert band from Spearman has received superior ratings from each of the 3 judges.

The band also received a division 2 (excellent) rating for their performance in sight reading.

The band students & Mr. Kefer were all very proud of the superior rating as it represented a lot of hard work.

Out of the 31 bands in the competition only 5 received superior ratings from all 3 judges.

These five bands include Spearman, Sanford-Fritch, Panhandle, Tulia & Dalhart.

To Have 47th Annual Meeting

Consumers Sales Company will be having its 47th annual stockholders meeting March 25 at 4:30 p.m. at the junior high cafeteria in Spearman. The meal will be served by junior high cafeteria ladies.

The business meeting will follow the meal. Members will hear a report of business to date, and elect a new member to the Board of Directors for a 3 year term. Term will expire for Ray Phelps. All members and wives are urged to attend.

Present board members are Mike Garnett, president, Ray Phelps, John Trindle, secretary, Newell Allen and C. J. Renner.

Brother Dies

Mr. and Mrs. Richard Kingsley attended funeral services Friday at Cloviss for her brother, Herman W. Meyer, 64, who died Wednesday.

Services were held at 2 p.m. Friday at Seed Memorial Chapel in Cloviss with burial in Mission Garden of Memories.

Mr. Meyer was born in Ralston, Texas and moved to Cloviss when he was 18 years old. He was employed by Plains Vending Co. and was a member of the First Baptist Church.

Surviving are two daughters, five brothers, five sisters, five grandchildren and one great-grandchild.

Game & Fish Law Hearing

AUSTIN-- Texas Parks and Wildlife Department officials will conduct public hearings across the state during the last week of March to present proposed changes in laws affecting fish, game animals and fur-bearing animals during the 1975-76 seasons.

Department executive director Clayton Garrison emphasized that the hearings are the first step toward setting regulations for all counties under the regulatory authority of the Parks and Wildlife Commission and urged that all interested citizens take advantage of the opportunity to make known their opinions.

"Detailed reports of the hearings," said Garrison, "will be forwarded to the commission to be used when they consider changes in game and fish regulations prior to their April 28-29 meeting in Austin."

"Citizen participation at these hearings is essential if we are to establish meaningful fish and wildlife programs."

The Hansford County hearing will be March 28 at 7 p.m. at the County Courthouse in Spearman.

Bake Sale Planned

A Bake Sale will be held Wednesday, March 26th at Cut Rate Thriftway by the Sacred Heart Women's Guild.

Anyone wishing to make telephone orders for baked goods can do so by calling Mrs. Gus Renner at 659-2335 or Mrs. Don Schmehr at 659-2858.

Mr. and Mrs. Malcolm Kirkland of 3219A Park Row E. Arlington, Texas 76010, are the proud parents of a son born March 14, 1975. He weighed 7 lbs. and 7 oz. and has been named Paul Eugene. Welcoming him is a sister, Jana Mae, 2 years old.

Mrs. Kirkland is the former Mary Ellen Barkley. Maternal grandfather is Freeman Barkley and paternal grandparents are Mr. and Mrs. W. E. Kirkland, all of Spearman.

Mr. and Mrs. Donald Cates of Spearman are the parents of a girl born March 18 at Hansford Hospital. She weighed 7 lbs. 12 oz. and has been named Donetta Jean Cates.

Boy Scouts Troop 151 will be soliciting funds for the March of Dimes Tuesday evening through Sunday evening.

The drive was canceled two times due to bad weather and the county chairman Joe Dan Bryan has asked for the scouts to help out in the drive, and naturally the Scouts were glad to help out.

Walter Tyler Services Held

Funeral services were held at 3 p.m. Friday, March 21, 1975 in the First Baptist Church for Walter Clayton Tyler. Mrs. Tyler died Wednesday morning in Hansford Hospital.

The Rev. Lynn Turnbow, pastor of Fellowship Baptist Church officiated with burial in the Hol Cemetery by Boxwell Brothers Funeral Directors.

Mr. Tyler was born in Centerville, Iowa, and had lived in Spearman since 1943. He was a veteran of World War II and a retired painter.

Surviving are his widow, Lucille, a daughter, Mrs. Hazel Canady and a brother, Willie, both of Fort Worth. Casualties were A Earl Tucker, Clay Glander, Orvil Brummett, J.P. Vernon, Loyd Randall and Bruce Womble.

ALWAYS A GAMBLE

Other bargain convenience foods are frozen juices, especially the larger cans. Frozen orange concentrate is one of the cheapest forms of orange juice. Refrigerated canned biscuits are much less expensive than those baked at home. The date code insures freshness for consumers. But frozen breakfast foods such as waffles or biscuits cost more than homemade ones. More varieties of macaroni and seasoned rice as well as one dish skillet

Waka PTA News

"Bicycle Safety" given in the form of a rodeo by 6th, 7th, and 8th grade students of the Waka School was under direction of Leslie Stinson at the Waka PTA Monday at 7:30, March 17. Mr. Stinson gave the history of the bicycle. A pedal powered one made in France in 1866 followed with Safety Type in 1893. A 2 speed type wasn't made till 1960. He also gave the "do's" and "don'ts" for operating a bicycle safely. The PTA body retired to the outside where a rodeo ground was set up the children doing many safety pointers on their individual bikes.

The business meeting under direction of Mrs. David Wilson, was opened with prayer given by Waldo Buschman following with group singing of "Peter Cottontail" led by Susan Kelly.

Two delegates were elected to District Conference in Borger, April 14, and 15. These were Mrs. David Wilson and Mrs. J.R. Stump. Mrs. Waldo Buschman, chairman of the nominating committee offered the following slate of officers: Mrs. David Wilson, President; Richard Burger, Vice-President; Mrs. Leland Cook, Secretary; Leslie Stinson, Treasurer. A social hour followed the business meeting with the following serving refreshments. Mr. and Mrs. Bud Hearsh, Mr. and Mrs. Richard Burger, Mrs. Julio de la Cruz, Mrs. Raul Salinas.

During her first trip to the San Antonio Zoo, little Rosemary saw a peacock and exclaimed "Look Mom: this chicken is in bloom!"

Orville Latham, Weldon Green and Frank Pittman kept the records straight at the calf show last Saturday. Looking on was Betty Porter, J.C. Harris and Chalmers Porter. Thanks to all of these people for helping make the show a big success.

Nelle's News

Nelle Evans

We appreciate the donation of sandwiches and sloppy joes made by the home demonstration club ladies to the 4-H food sale. The 4-H'ers donated baked goods. This has been the best sale we've had.

Looks like we made around \$800. Of course expenses paid from 4-H funds continue to increase. County delegates to district electric camp in New Mexico, State 4-H Congress, ribbons and

banquet and party expenses all come from these funds every year.

Six Hansford County 4-H'ers competed in the District 4-H Food Show Saturday in Amarillo. All of them were County winners and we're proud of them. Gina L. Stinson, Vicki Henderson and Cindy Ivey all brought home red ribbons while Denise Doty, Kristi Hok and Karen Kenney earned blue ribbons. Competition at district is really tough and these girls represented our County well.

Blanche Soules will be working with me a month to train for her job in Stratford. We are proud to have her and she'll be a real asset to the Extension Service. When you're in the Courthouse drop by the office and meet her. Remember "Bake and

"Bake" days on March 21-22. Make your favorite recipe and share it with someone.

The cost of food is always a subject for discussion. What price will you pay for convenience? Foods with services added to the basic ingredients save time and trouble in home preparation. But this "bulk-in" labor-saving device may cost slightly more than "from scratch" foods.

On the plus side, some convenience foods enjoy such popularity and volume sales that they actually may cost less.

Some of the pie crust, cake, biscuit and cornbread mixes are sold in large enough volume that they may be a real bargain. These products may be as delicious as the homemade counterpart.

Frosting mixes, although more expensive, are fool-proof in flavor and texture.

FLOWERING VINES--

One way to add color and variety to your home landscape is with annual flowering vines, according to a landscape horticulturist for the Texas Agricultural Extension Service. All that is needed is a wooden lattice, woven wire fencing or string to support the plants. Among flowering vines that are attractive in home landscapes are morning glories, cathedral bells, moonflowers, nasturtiums, canary bird, gourds, cypress vines and black-eyed Susans.

Patterns Switch To Metric System Gifford-Hill & Co. Reports Record Earnings

COLLEGE STATION--- Homesewers may notice new information in pattern catalogs, on pattern guides and on patterns themselves, Beverly Rhoades, clothing specialist, noted this week. "Pattern companies include measurements in terms of meters and centimeters so that homesewers can get used to them if they change to the metric system becomes mandatory," the specialist with the Texas Agricultural Extension Service, the Texas A&M University System, explained. She pointed out that the greatest effect on the homesever may be psychological. For example, a 26-inch waist will be expressed as 66 centimeters.

"Perhaps the easiest way to learn the metric system is to visually estimate the lengths. For example, a meter is slightly more than 39 inches, or about 3 inches more than a yard," Miss Rhoades said. She suggested that homesewers begin obtaining measuring tools with metric markings. Tape measures, meter sticks and rulers are available. Also, pattern catalogs have conversion charts, she said.

"But there is one consolation to the shock of metric measurements--a homesever weighing 130 pounds will only weigh about 59 kilograms in metric expression," Miss Rhoades said.

DALLAS, TEXAS, March 10, 1975.... Gifford-Hill & Company, Inc. reported record earnings and sales for the fiscal year ended December 31, 1974, after giving effect to two accounting principle changes. John R. Hill Jr., President and Chief Executive Officer, said that 1974 net income of the Company, after two approximately offsetting accounting changes, was \$13,029,000 or \$3.08 per share, derived from consolidated sales volume of \$228,019,000. For 1973, reported net income was \$9,948,000 (\$2.36 per share) on sales of \$181,225,000. Had the investment credit change (discussed below) been in effect during 1973, net income would have been \$10,613,000 (\$2.52 per share).

Mr. Hill reported one of the accounting changes involved the method of accounting for investment tax credits which changed to the more widely used flow-through method because the flow-through method is more compatible with the economics of capital expenditures, since the investment credit is in substance a reduction of income taxes in the year of purchase. A cumulative effect on prior years' credit for this change in the amount of \$2,183,000

(\$3.52 per share) was recorded in 1974. Additionally, this change reduced the 1974 provision for income taxes by \$2,260,000 (\$.54 per share). The total effect of the change was to increase 1974 income by \$4,443,000 (\$1.06 per share). Mr. Hill stated the other accounting change, which largely offset the investment tax credit change, was the switch in the manner of determining cost of products sold, from First-In, First-Out or FIFO, to Last-In, First-Out or LIFO. This change had the effect of reducing inventory values (for most of the agricultural and industrial products and concrete pipe--approximately 70% of the company's inventories) at December 31, 1974, and certain other assets by approximately \$7,177,000 and net income by approximately \$3,931,000 (\$.93 per share). Further, he stated, the change from FIFO to LIFO results in a more accurate matching of current costs with current sales, and avoids overstating the reported profits as a result of inflation cost increases during the year.

In reviewing the financial results of the year, Mr. Hill explained that improvements in Gifford-Hill's Irrigation and Industrial products, truck transporta-

tion, pre-stressed building products, and cement operations more than offset flat or reduced results in some of the company's construction materials operations. Gifford-Hill shares of common stock are traded on the New York Stock Exchange under the symbol GFH.

SOYBEAN OUTLOOK-- Soybean prices are expected to be somewhat lower in 1975, but producers are planning to plant more acres, according to an agricultural economist for the Texas Agricultural Extension Service. Prices are expected to be in the \$6 per bushel range, down from record prices the past two years. In Texas acreage is expected to jump from 275,000 to 400,000 acres while the U.S. acreage is expected to jump some four million acres to a total of 57,106,000 acres. In Texas most new acres of soybeans will be in the Gulf Coast area where soybeans are now being planted in rotation with rice. U.S. consumption of soybeans should be down during 1975, but foreign demand is expected to be up.

Mr. and Mrs. Jack Atchison recently returned from a two week visit with their granddaughter, Diana Atchison of Dallas, Texas.

THE ARMY RESERVE. Agriculture Day Is March 24

COLLEGE STATION---
 The first Monday of spring -- March 24 -- will be observed as American Agriculture Day, and many citizens, farm and civic groups have planned local observances during the national event.

The central idea of American Agriculture Day is to get urban and rural people to think about the benefits they realize from agriculture. "Almost Everything Starts on the Farm" is the general theme of the observance.

"American Agriculture Day is designed to build a better platform of understanding with all segments of the food and fiber team, including that of production, processing and marketing," says Charles K. Baker, general marketing specialist with the Texas Agriculture Extension Service.

"Every hour of every day, consumers come in contact with food, fiber and other products that all start on a farm. For example, there's meat, poultry, dairy products, fruits and vegetables, cotton textiles, wool, corn and soybean, oils, wheat, peanuts, sugar, leather, pharmaceuticals -- almost everything you can think of starts on a farm in some way or another.

"Even cosmetics, soaps, candy, coffee, ink, rubber and cements are made with soybeans. And just about all the emergency and convenience foods trace back to the farms," Baker adds.

The wholesome food and improved fiber supplies raised by farmers and ranchers are the strength of America. And despite the problems besetting agriculture today, farmers will continue to meet the challenges of the seventies and beyond, Baker predicts.

He points out that virtually all production is still on the family farm. Corporate farms represent less than one-tenth of one per cent of America's 2.9 million farms, and output per man hour on the farm is over three times higher than just 20 years ago, for one farmer today produces enough food and fiber for about 60 persons at home and abroad.

American Agriculture Day is planned to supplement such events as national "Farm-City Week" and Food and Fiber Appreciation activities each November during the Thanksgiving season. American Agriculture Day was observed regionally in the past through the efforts of such groups as the National Agr-Marketing Association (NAMA), farm and urban groups, university leaders and others, Baker explains.

BITS OF THIS AND THAT

By Nita Stewart.

Was really nice Tuesday afternoon to have Mrs. Bert Briley visit with us. She told us she had lived in Spearman fifty-three years, coming to Spearman in 1922. She said Bert was in business almost fifty years. Mrs. Briley is a very interesting lady. We hope she comes back again some time.

Last weekend Mary Harmon went to Pampa, Vernon and also to Shamrock for their Shamrock Celebration Days. Mary sure is happy with her newer car she bought recently from Don Hergert. She left Friday

and returned on Monday night.

We sure are sorry to hear Barbara Miller and her son's Karl Dean and Victor are moving from Spearman to Alma, Nebraska where Barbara can be closer to her parents. We've had a pleasant relationship with Barbara for the past year since moving across the street from her. I know Edna Hays will be missing Barbara an awfully lot as she was always taking Edna out in the car to different places. Barbara has many friends who will have to see her leave.

Good Luck, Barbara and boys remember our prayers go with you.

We're still collecting cigarette packs (empty of course) for the crippled

children. We have collected several bags full already. remember if you've got the habit might as well do some good with the empty packs. We've had some real good response to our plea. Bring them by please.

Guess I'll have to go interview the help at Joe Traylor Ford and Excel as long as I did a story on Hergert Pontiac, Buick and GMC.

We welcome all comments on Tom Rauscher's statement about girls playing on little league. As you probably read in my last column, Mr. Rauscher is against it very much. I do know several girls have signed up to play already. Let hear from you on your opinions. We

will see that any letters on this matter sent to me Box 316 Spearman if they are signed will be published. In answer to Mr. Rauscher. Maybe we can even get Mr. Rauscher to write a letter himself explaining just how he feels and what he has in mind. Being a father of several sons. I wonder if you had had a daughter or two would you feel the same? Mr. Rauscher does have two daughters but none of baseball age.

Raymond Gilley stopped by Thursday and said quote "he's all for the girls playing little league" he said "they need to play sports also." There's our first reply to Mr. Tom Rauscher. How about someone replies.

Carla Russell stopped by.

She said "No daughter of hers would play, (if she had a daughter, that is) she'd be afraid her daughter would be hurt."

Ardella Rauscher wants to know what's wrong with girl's playing little league? Any answers for Ardella? How about that Tom!

Gary Wagner, hay hauler says quote "Its fine with him, his niece plays real good baseball. Thanks Gary."

Robert White son of Tommy White is all for girls playing little league but against them playing football. Thanks for your opinion Robert. Hope you get to feeling better.

Mary Crockett stopped by. She's for girls playing. Thanks Mary

Clarence Wagner says he feels it should be left like it was. Boys on one team and girls play against girls. Clarence has some daughters.

Donnie Hergert says he just likes playing with the girls.

Patty Burch says her daughter if old enough could play. Shes all for it.

Mike Tucker thinks its just fine for girls to be on the little league baseball teams.

Wayne Ellsworth said "If the girls are capable of keeping up with the boys I'm all for it."

Lets hear opinions from the folks who receive the paper out of town and state. Like Oregon, California, Nebraska, Tennessee and Colorado. Come on folks write.

Dave Stewart said "if he had a small daughter she couldnot play on a team with the boys. Girl's should have their own team."

Buddy Hopper says "If they want to play with the boys fine and they'll have to take their knocks just like the boys without griping."

Asked Jaunita Pierce how she felt about the girls joining little league. Jaunita said quote " Rosa is enough of a tom boy now without playing baseball with the boys." Thanks Jaunita.

Nancy Troll said she played baseball with boys when she was small and she was a better player than most boys.

Sorry I omitted John Schaffer as one of the boys who work at Hergert Pontiac Buick and GMC. Sorry John.

Remember those folks in the hospital.

Ford Wear, newcomer to Spearman and brother of Myrtle Burgess left Spearman Friday night to return to Kentucky. Ford told us he felt his ageing mother needed him close by to take care of her. While in Spearman, Ford worked at Spearman BI-Products.

Lets hope who ever replaces Ford, washes the trucks after each pickup like Ford did so the trucks didn't have that dead animal smell.

Good Luck, Ford. We will miss seeing you.

Both Dave and I were really glad to see Donnie Davis once again out of the hospital. Donnie had a bout with bronchitis.

Donna Gilley said she feels there will be lots of little girls who are liable to have hurt pride and get hurt. She's against it.

Mr. and Mrs. Ray Stewart of Denver, Colorado, arrived in Spearman Friday night to visit Ray's brother and wife Dave and Nita Stewart. We're always glad when Ray and Alice visit.

How about our fantastic weather this past week. Sun shining and all. It has just been great. Makes one want to get out and go fishing, boating etc.

We enjoyed (while working) a visit from Billy Miller. Thursday we're glad Billy has started writing his column "You Name It" again we enjoy reading what Billy writes. Maybe some day we can talk Sybil Miller

into writing her column again. Remember folks if you have any news for the paper contact myself at 2186 or Billy at 3434 we're always looking for stories so let us know when you have visitors or go on trips or a new baby or just anything. Give us a call or drop by.

To my gang in Tennessee your two boxes are on their way. Let us hear from you with some Tennessee news also you in California let us know how things are, out there so we can print it. Thanks

Go to the church of your choice but do try to go if possible. God Bless.

editor's letters

In regard to what was nothing more than a casual remark and turned into a major issue my opinion still stands. If the girls want to (or are forced to by unreasonable parents) play ball, let them get their own team and lay off the boys back. I'm sure you could get a sponsor out of the twelve or so girls there ought to be at least one parent to volunteer to coach.

You are not going to do either one boys or girls any good, morally, psychologically or otherwise. Just exactly what is the purpose? I myself have questioned maybe two dozen people without their knowledge of who I was and out of the ones who agreed on the girls issue I never did find a sane or sensible answer. On one occasion a woman being questioned stated she would let her girl play. When asked why she said and I quote "That's part of women's lib isn't it." Then she was further questioned by another woman by the way, what would you think of the team coming off the field and heading for the shower room. After all she wanted rights. Her mouth dropped about 3 yds. to the floor. She would not hear of this.

What is her version of Women's Lib. Sounds like its like taking the frosting off the cake and jamming the rest of it down someone else's throat whether they like it or not.

Another man was questioned who said "let them Play". Then he went on to say. "I would never coach a team like that. I used to coach and it was bad enough with just boys on the team. Now with

the girls it would be twice as bad." Why would an individual wish that on a volunteer.

Where will this whole thing end? With the little leagues? I doubt it. Maybe by next year Spearman can have the State Champions of the Flag football team. All we need is a couple girls to go out for football.

How about the Lynettes we were all proud of. I myself kept track of them from the beginning through the tournament. Supposing a half dozen boys want to join the team. What would you call the team.

Again I say lay off. The people who cry the loudest are mostly the ones who don't participate. Ask the boys, the coaches, referees and any of the rest who are directly involved. See what they have to say.

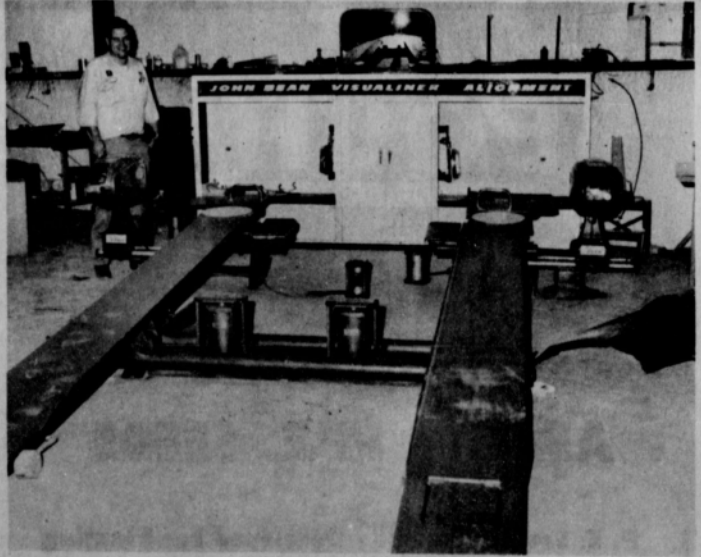

Sincerely,
Tom Rauscher

HANSFORD COUNTY SPELLING BEE WINNERS-left to right, Etta McBroom, county champion, senior division; Kirby Hargis, runner-up senior division; Sherry Greene, runner-up junior division, and Shelly Friemel, winner of the junior division. The bee was held Thursday and the winner Etta McBroom will compete in the regional bee to be held in April in Amarillo

Etta McBroom Wins County Spelling Bee

Shelly Friemel Junior Champ

The Hansford County Spelling Bee was conducted Thursday at Spearman Junior High. Etta McBroom, daughter of Mr. and Mrs. William McBroom, was named County Senior Champion. Second place honors went to Kirby Hargis, son of Mr. and Mrs. James Hargis. Kirby was the county champion last year, but in this year's contest missed spelling

artystry. Etta spelled artistry correctly and then spelled bounty to win the contest. In the junior division Shelly Friemel was the winner, with Sherry Greene in second place. Sherry missed "accord" and Shelly spelled it correctly and then spelled benefit correctly. Shelly is the daughter of Mr. and Mrs. Kenneth Friemel and Sherry is the daughter

of Mr. and Mrs. Jimmy Greene. Miss Dorothy Roden, high school librarian, was the pronouncer for the contest. Fifth and sixth graders that advance to the final round on Thursday in the bee were Sherry Greene, Shelly Strawn, Jim Harris, Brad Pope, Stacy DeWitt, David Hall, Roy Sheppard, Shelly Friemel, Donna Douglas, Scott Alford and Joe Ned Turner. Seventh and eighth graders

advancing to the finals were Etta McBroom, Kirby Hargis, Pat McKay, Tony Truelove, Mischele Smith, Vickie Kyler, Deanne Baker, Jay Comegys, and Ray Ortega. The senior division winner Etta McBroom will enter the Regional Bee which will be conducted in Amarillo on April 26 and will be competing with other area county champions. The bee is sponsored by Amarillo Globe-News and West Texas State University. There is no regional junior bee, but area winners are guests of Amarillo Globe-News and WTSU at a banquet on April 26 where they are presented with an award for their accomplishment.

YOU NAME IT!

I attended the meeting held at the Chamber of Commerce office last week concerning the re-opening of Pioneer Manor. A committee chairman and a committee has been appointed to work on this important segment of our town. Chairman of the Committee is Ray Phelps, who is very qualified and interested in re-opening the Pioneer Manor. Members of the committee are Pat Suterfield, Vice Chairman, Fontella McKee, Bob Farr, Fran Maupin, Mr. Ted McClellan, John Hutchison, and Mary Lou Wysong. The group will journey to Canadian next Wednesday to visit with the Abraham home in Canadian, which has a very fine organization. We will try and keep you informed on the action of this fine committee.

Last week-end I visited in DeLeon County, where my aunty who is 86 years old, is living in one of their pioneer homes. They have 70 patiers in this home, in a town half as big as Spearman. I did a little research on why some of the old folks homes are full, and some of them are not full. One of the big reasons is the fact that Hansford County is a relatively young county, still. We just don't have 70 old people who are needing a place to live. But, it is a known fact that we can make this home operate at a very efficient rate, if we can get at least 36 people staying in the home. And, we have learned that because of government regulations, the small pioneer homes, and hospitals are closing all over the country.

Mr. Didlake, who owns the Pioneer Manor in Hansford County, stated that it will only take \$25,000 to put this home in the very top shape; that is put in solid doors and a complete sprinkler system. It can be done for much less according to Didlake. So, the committee does have some facts and figures to go on, and we are waiting anxiously for their findings. Have you been watching the geese flying North lately?

Have you been watching the geese flying North lately? They are just coming over in squadrons, heading for the North country. Spring has truly arrived, and we can get ready for our annual Easter blizzard. Speaking of the weather, I visited with a rancher on the river over the week-end, and he says all of the springs are rising on the river, and several dry water holes are now full. He says when the water rises in the river bottoms that means we will have a lot of rain this spring. I sure hope he is right, because the wheat looks beautiful, and the temperature hit 84 degrees Thursday afternoon. The hottest spot in Texas was 87, so the country is having some delightfully warm weather.

I sure am proud of the Spearman high school band winning a superior rating in concert playing this year. I just knew that Lefty Kyler would win a first. Aggie joke of the week! Did you hear about the aggie that went to the Pizza Parlor and ordered a pizza. The man asked him if he wanted it cut in six or eight pieces, and he said six, I don't think I can eat eight!! Purchase slightly less than a full tank of gasoline to prevent overflow--and waste of fuel!

One County Accident Investigated

The Texas Highway Patrol investigated one accident on rural highway in Hansford County during the month of February, 1975, according to Sergeant C. E. Henderson, Highway Patrol supervisor of this area. These crashes resulted in no persons killed and one person injured. The rural traffic accident summary for this county during the first two months of 1975 shows a total of three accidents resulting in no persons killed and two persons injured. The rural traffic accident summary for the 60 counties of the Lubbock

Department of Public Safety Region for Feb., 1975, shows a total of 435 accidents resulting in 12 persons killed and 199 persons injured as compared to February, 1974, with 322 accidents resulting in ten persons killed and 208 persons injured. This was 113 more accidents, two more killed, and nine less injured in 1975 at the same period of time. The 12 traffic deaths for the month of February, 1975 occurred in the following counties: two in Potter; one each in Archer, Cochran, Collingsworth, Hale, Hookley, Hutchinson, Lubbock, Palo Pinto, Randall, and Wichita.

LYNX BAND TWIRLERS, bottom row, left to right, Shirley Abbott, Diane VanZandt, Debbie Sheppard, and back row, Rhonda Nelson, Kathy Garner, and Donna Boatwright received first place at a recent contest at WTSU.

Lynx Band Twirlers Take First Place Honors At Recent Contest

The Lynx band twirlers including Head Twirler Kathy Garner, Rhonda Nelson, Debbie Sheppard, Shirley Abbott, Donna Boatwright, & Diane VanZandt, took the highest awards given at a recent twirling contest at WTSU.

The contest, sponsored by the NBTA (National Baton Twirling Assoc.) was held on Sat., March 15,

The twirling assemble featuring all six Lynx band twirlers received the first place award for being the best twirling assemble in the entire competition. A twirling duet including Kathy Garner & Debbie Sheppard also took the 1st place award for the best twirling duet in the competition. Shirley Abbott also performed a twirling solo

& was also given a 1st place rating for being the best twirling soloist in the entire competition.

This event included twirlers from this entire area as well as groups from as far away as Oklahoma City & Lubbock.

The Lynx band twirlers are to be commended for their fine showing in this contest.

A contest of this kind features very hard judging & extremely keen competition, according to Mr. Kyler. All their many hours of hard work has certainly paid off. We are very proud of each one of them.

Mr. and Mrs. Elmer Ferrell of Cheyenne Wells, Colo. visited in the home of his brother, Mr. and Mrs. Eldon Ferrell last week.

SHIRLEY ABBOTT, won a 1st place rating for the best twirling soloist in the recent contest held at WTSU.

TEXAS TALK

By Vance Snider

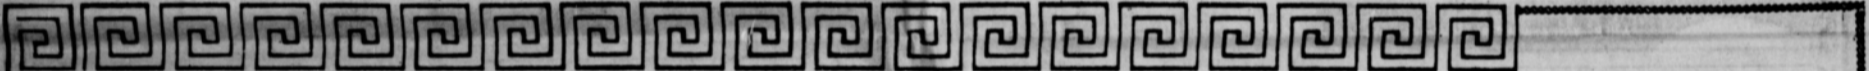

Outcrossing is a term used by a rancher friend the other day to describe a breeding system he utilizes for his cattle. What does the term mean?

A: Your friend most probably has a purebred herd since the term "outcrossing" refers to a system sometimes used by purebred breeders in which the herd bulls are mated with unrelated cows. Effect of this breeding method is to maintain the herd at a relatively pure genetic level. Although it works well in some cases, the system generally does little to improve the overall herd.

Linebreeding is a similar form of purebred breeding whereby all animals in the herd are mated to maintain close genetic relationships to a single outstanding animal. This tends to strengthen the particular animal's genetic influence in the overall herd. Therefore, the entire herd, after the second or third generation, shows many of the economically favorable characteristics of their outstanding ancestor.

Eta Alpha Chapter Meetings Held

Eta Alpha chapter of Delta Kappa Gamma held its March meeting at South Elementary. The program was under the direction of the Personal Growth and Services committee composed of Mrs. Tom Knighton, Mrs. Fred Gustin, and Mrs. Carlie Knight.

The members answered questions involving their meaningful experiences in teaching for the program topic, "What is Your Thing." Memorable and heartwarming experiences revealed involvement with the "lost" child, the child needing love or understanding. Consensus revealed that the teaching profession is a ever-changing kaleidoscopic profession, with each class each year providing a new and different experience. And the greatest pleasure involved the growth and love of the individual child.

Hostesses served a delicious chicken salad, crisp crackers, and home-made cookies. The hostesses were Mrs. Violet Igou, chairman, Mrs. Jess Brownlee, Mrs. E.N. Flatthers, Mrs. Albert Knox, Mrs. Roy Pennington, Mrs. Fred Zachary, Mrs. Ray Castle, and Mrs. Ray Bain.

Eta Alpha members attending the meeting from Perryton, Dazouzett, Follett, Booker, Spearman, and Gruver were Mrs. Ray Bain, Mrs. Henry Bechtold, Mrs. Cliff Beck, Mrs. Jess Brownlee, Mrs. Joe Chamption, Mrs. Norman Crum, Mrs. Thelma Davis, Mrs. Fred Gustin, Mrs. B. L. Hance, Mrs. Irene Hollister, Mrs. James Hoy, Mrs. Violet Igou, Mrs. A. M. Jehovah's Witnesses Plan Celebration

The Perryton congregation of Jehovah's Witnesses along with more than 34,500 congregations of Jehovah's Witnesses earth-wide will keep a highly important observance on March 27, 1975.

This very important memorial will commemorate the death of the most significant man ever to live on earth, Jesus Christ, and as stated at 2 Cor. 23-25 it is celebrated "In Remembrance" of him.

In obedience to the command of Jesus Christ that is recorded in the 22nd chapter of Luke, Verse 19 the Perryton congregation of Jehovah's Witnesses have arranged to hold the celebration at 7:30, on March 27. Joe Nixon will preside over this memorial celebration.

Last year 4,550,459 attended this occasion world-wide and the public is cordially invited to be among those attending the local celebration at the Perryton kingdom hall of Jehovah's Witnesses 701 South Colgate.

As at all meetings of Jehovah's Witnesses, seats will be free, no collection plate will be passed and a donation will not be asked for.

KVII Honors Becky Wheeler

Becky Wheeler, a Spearman High School Senior, has been named to the first annual KVII-TV Pro News Top Prep '75 Team. Miss Wheeler, a 5'6" guard, averaged five (5) steals and five (5) rebounds a game for the Lynxettes of Coach Ralph Newton. Miss Wheeler was slowed somewhat by a knee injury and surgery, but press clippings praised her as a wizard at ball advancement doing so 11.8 times a game. The three year starter is exceptionally mobile, a vicious competitor and a great leader. As an All-Stater her last two years in high school she helped the Lynxettes to a 42-15 combined record. In addition to being named to the Top Prep '75 Team she was All-Regional in 1973, All-District in 1974 and 1975, and was one of the pesky guards who helped the East waltz past the West in the 1975 All Star game in Amarillo.

Joining Miss Wheeler on the Top Prep '75 Team are guards Stacy Fisher of Vega, LaVern Carpenter of Muleshoe, Dalene Prescott of Stratford, and Denise Hamblen of Canyon. Deena Lowrance of Claude was selected as the swing forward-guard. In the forward court are Jill Rankin of Phillips, Sheri Haynes of McLean, D'Lynn Brown of Stratford, Eva Cheatham of Valley, and Robena Johnson of Canyon. Top Prep '75 girls were selected with the help of Dean Weese, Coach of the Wayland Flying Queens, Mrs. Pat Truelove, former All-American at Wayland, and Bill Webb, coordinator of the East-West All Star game in Amarillo. On Saturday, March 29, 1975, KVII-TV will air a special thirty (30) minute show announcing the "Top Preps of 1975". Eleven girls and ten boys have been named to the "Top Prep '75" squads.

Kay Reed To Tour Europe With McMurry Chanters

The McMurry College Chanters, directed by Dr. David Blackburn, will leave on Thursday, March 19, for a European tour which will return them to Abilene on March 30. Kay Reed of Spearman is one of the second sopranos. She is the daughter of Mr. and Mrs. Carl Reed. Blackburn and his 38 Europe-bound singers have mixed together a program which includes songs in German and English, spirituals, contemporary songs, Dixie melodies--and an original choral work by Dr. Macon Sumerlin, McMurry composer in residence. The Chanters' itinerary calls for them to make singing visits to Belgium, Germany, Switzerland, France and Holland. Their European programs will also include works by Flor Peeters, Heinrich Isaac, J.S. Bach, Brahms,

Carlton Young, Jean Berger, Robert Young, Eugene Burler, Lloyd Pfautsch, Norman Luboff, Walter Ehret, and Edward R. Hawkins. The Chanters party will leave Lubbock Friday, March 21, and arrive in Amsterdam, Netherland, Saturday. They will go to Heidelberg, Germany, Sunday, where the Chanters will sing at Mark Twain village, an Army Base, and for the second annual art festival there. Monday, they go to Lausanne, Switzerland, where they sing first in L'Aula in the Palais de Rumine of the University of Lausanne, and then Tuesday sing in Lausanne Cathedral. They go to France next, Paris and Versailles Wed. and Thursday. Friday they go to Belgium where they will sing in Brussels' Church of St. John, returning to Amsterdam Saturday and back to the U. S.

Boy Scout News

Den #6 met Thursday, March 20th in the home of Mrs. Earl Hillock. The boys worked on their projects. Refreshments were served by Eddie Hillock to members, Mark Guthrie, Dick Umphress, Greg Meek, Teddy Hillock, Timmy Rauscher and Den Mother, Mrs. Earl Hillock.

Next meeting will be March 27th in the home of Mrs. Hillock. Den #1 met Monday, March 17th in the home of Mrs. Burton Schubert. Discussion was held on the Pine Wood Derby and whittling cars. The boys also planted tomato seeds. Refreshments were served by Lee Schubert to members, Pat Tucker, Raymond Flores, Shawn English, and Den Mother, Mrs. Burton Schubert.

Next meeting will be March 24th in the home of Mrs. Schubert. Den #3 met Tuesday, March 18th in the home of Mrs. Hubert Smith. The boys practiced their song for the closing ceremony at the next Pack Meet and went over their electives. Danny Close brought one of his Scout projects and the group discussed it. Refreshments of cookies and kool-aid were served by Chuck Smith to members, John Cook, Danny Close, and Den Mother, Mrs. Hubert Smith. Next meeting will be March 25th in the home of Mrs. Gene Jenkins.

4-H-A Modern Day Success

COLLEGE STATION--- A quarter of a million young people can't be wrong! And 125,000 Texas boys and girls are part of the modern-day 4-H program. "As the nation's largest youth-serving organization, 4-H continues to provide educational experiences for young people in a variety of ways," says Miss Yvonne Garcia, 4-H and youth specialist for the Texas Agricultural Extension Service. Youth between the ages of 9 and 19 can learn new skills and interest in short-term project groups, clubs, camps, special interest groups and other activities. Fairs, contests, field trips and tours are also a part of every 4-H member's program. "With the help of 4-H volunteers, youth can select which projects they

want to learn and how they will learn them," notes the Texas A&M University System specialist. "Youth make their decision by considering time, available resources and their particular situation." Practicing good citizenship and developing leadership talents are important activities in 4-H. Public appearances, speeches, committee work and officer elections are just some of the ways 4-H'ers learn the important skills of decision-making, democratic behavior, social competence and self-esteem. "It's not all work either, 4-H means making new friends, going places, helping others and sharing talents, skills and hobbies," points out Miss Garcia. "Being a part of this action program is easy," she adds. "Young people can visit a local 4-H club meeting and talk to the volunteer leader about membership opportunities. Or they can call the local county Extension office which is usually located in the courthouse or agricultural building."

Historical Survey Committee Meets

The Hansford County Historical Survey Committee met February 14th, 1975 in the County Judge's office. The meeting was called to order by President, Olin Sheets. Minutes of the previous meeting and the treasurer's report were read and approved. John Hutchison reported that a contract to purchase the property at 30 S. Townsend had been obtained. This property is being considered for a museum. Mr. Hutchison also reported that the IRS clearance application is being held up until amendments are made to the articles of incorporation. As soon as the IRS Clearance is obtained the Hansford County Historical Survey Committee will welcome tax deductible donations toward a museum. Several pledges have been made at this time. Mrs. Olin Sheets, Rho Rho Sorority, Town and Country Home

Demonstration Club, Spearman Jaycee's, B. Joye Watson, and the Spearman Home Demonstration Club have already made donations.

Junior Troop #3 met Wed. March 19th in the Girl Scout House with leader, Mrs. Curtis Davis. The girls worked on their Indian Lore Badge and played at the Rocket Slide Park. Refreshments were served by D'Ann Cummings to members, Kellianne Bynum, Marietta Davis, Laurie Swann, and Teresa Morrison. Next meeting will be March 26th at the Scout House. Mr. and Mrs. Eldon Ferrell and Bro. Don Trollinger, who has been visiting them several days, attended the St. Patrick's Day celebration Saturday in Shamrock.

UMW NEWS

The Mary Martha Circle of the U.M.W. met Wed. March 19th at the First Methodist Church. Mrs. J. B. Buchanan presided over the meeting. The opening prayer and devotional was given by Mrs. Owen Mobley. Mrs. Bert Shoppard led the study of the third and fourth chapters of Jonah. Refreshments were served by Mrs. Owen Mobley to Mesdames: Roy Jones, Russell Townsend, Margaret Shebeck, J. E. Taylor, R. E. Lee, J. B. Buchanan, Sid Beck, P. A. Lyon, T. D. Sansing and Bert Shoppard. Next Circle meeting will be April 2nd at the church. Grantsmanship The American Cancer Society, now seeking your support during its April Crusade, supports research through a variety of grants. Some grants help the young investigator get started; others support specific research objectives; still others promote international research.
