## Dignitaries Start Mule Train

### Board Hires Six Teachers

Six new teachers have been employed to fill vacancies in the Spearman Public School faculty.

The teachers were employed on the recommendation of Supt. James Bramlett by the School Board Tuesday night.

The teachers are Marlene Dietrich, William Fulton, Jr., Mary Ozmer, Mr. and Mrs. Eddie Mack Allen, and Mr. and Mrs. Marshall E. Benton.

Bramlett told the board that Fulton, a public school music teacher, has been offered contracts by Midland, Lubbock and Spearman. If he does not take the Spearman job, Bramlett has only one other applicant for the job.

The board voted to buy the Vocational Agriculture Department a pick-up to be used in the department. It will be purchased next fall.

Thirty students have already enrolled for Summer School in the high school classes. Principal Allen Alford was told to find out the number of grade school students interested in a remedial reading course. If enough students are interested such a course will be available this summer.

Spearman's Lynx Band will be marching in white uniforms with purple trim next fall. The contract for 150 new West Point style uniforms in white with purple trim was let Monday night to the Fruhauf Uniform Co. of Wichita, Kan.

The company is making the new uniforms for \$69.97 each, or a total cost of \$10,495.50.

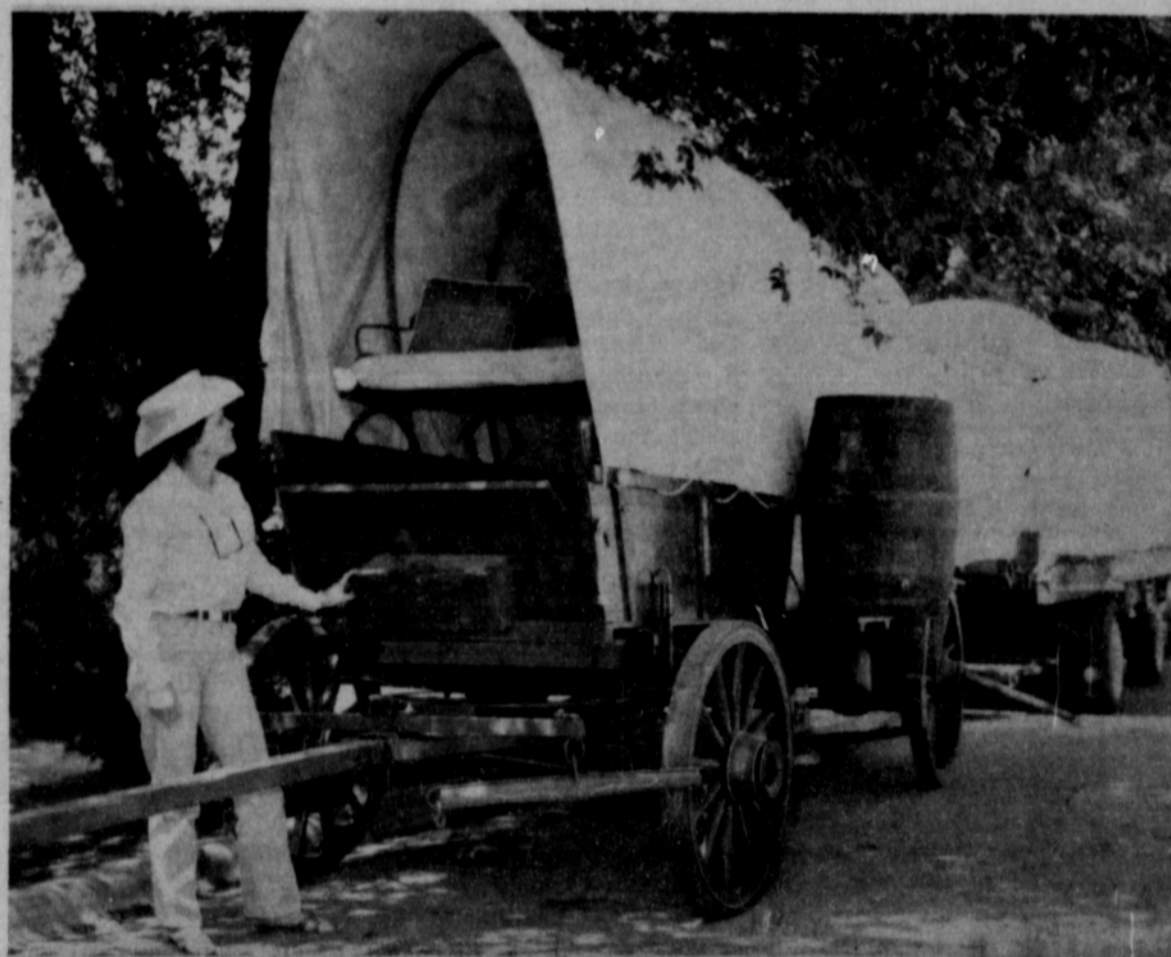

Two other companies, Saul Franks at \$10,425, and McDowell Bros. at \$10,404.00, were under the Fruhauf bid. However, the board felt the Fruhauf uniform was the best buy.

A budget of \$4,700 for the band was presented for next year. It was approved. Director Sam Watson and his assistant will have approximately 395 grade school and high school students in the band program next year.

Three men, all with boys in high school, asked the board why it refused to hear Enoch Estep's request for being rehired.

Two reasons were given. He had resigned earlier and the board had accepted that resignation. The board has a policy of not reopening hearings on resignations after the resignations have been accepted. The other reason given the three fathers was that Estep had not completed his requirements for a permanent Texas teacher's certificate.

Teachers who attended other than Texas schools must take a (Con't. on page 2.)

### Lt. Gov. Smith Here For Daybreak Send-off

Spearman's Rolling Plains Mule Train will roll out of town this morning after a daybreak send-off program and breakfast on the courthouse lawn.

The twenty-five wagon trains will roll over 400 miles before it reaches Graham and the PK Roundup Rodeo and Pioneer Celebration.

Lt. Gov. Preston Smith heads up a large list of dignitaries who are in town to join in the send-off for the train.

Fifty-seven persons from Jacksboro, Bryson, Graham, New Castle and Fort Belknap, Olney and Wichita Falls arrived in Spearman Wednesday afternoon to watch the train start.

Among the group was Henry Bryson, the rancher who last year drove 300 head of cattle from Bryson to Breckenridge, Ed Graham, Mayor of Graham and the great-grandson of the founder of Graham, Mrs. Ben G. O'Neal, widow of the late Senator, and President of the Fort Belknap Historical Society and Young County Pioneer Queen.

When the visitors arrived Wednesday afternoon they were met by a delegation of Spearmanites and welcomed to Spearman by Mayor Bob Vaughn, Chamber of Commerce President James Bramlett and Jaycee President J. D. Helms.

Judge Johnnie Lee introduced Lt. Gov. Smith.

Wednesday night the visitors were entertained with a dinner in Grunewald's Restaurant.

This morning the town was awakened at 5:30 a. m. with the sounding of the fire alarm. The Trail Day program began on the Courthouse lawn at 6 a. m.

Principal speaker for the morning program was Lt. Gov. Smith, who was introduced by Judge Johnnie Lee. Other speakers on the program were Senator Grady Hazelwood of Amarillo and Representative A. C. Hallmark of Dalhart.

The Rev. Luther Berry, pastor of the First Baptist Church, delivered the devotional. Mrs. Barton Riley led the large crowd in the "Cowboy's Prayer."

Music for the program was by the Martin Quartet, Bruce Ayres, and the Barkley Brothers.

Mayor Bob Vaughn and Chamber resident Bramlett wished the train good luck and thanked the train for all they are doing for Spearman.

The train will go from here to Borger, Panhandle, Claude, Clarendon, Memphis, Childress, Quanah, Vernon, Electra, Wichita Falls, Jacksboro, Loving, Olney, Fort Belknap and Graham.

The train will be a featured part of several celebrations in towns along the way.

There will be a Sunday Sunrise Service and Breakfast in Panhandle, Sunday, a three-day stop and celebration in Quanah. Here the train will participate in a frontier wedding and many other activities. This will be May 22-23 and 24.

The train will move on to Jacksboro for another Frontier Celebration and Dedication of old Fort Richardson on May 30-31. On June 4 the train will be in Fort Belknap for the dedication. Gov. John Connally will be there.

After two days rest and celebration, the train will make the final 10 miles to Graham and end the trip on June 7.

The train will be guests of the Graham Celebration through June 13.

It is estimated the train will start each day between 6 and 8 a. m. and stop each afternoon between 4 and 6 p. m. They expect to average about 25 miles per day.

The trip has been in the planning stages for approximately a year. It was conceived by Gerald Hoffman of Spearman and Charles E. Hipp of Graham.

Most of the wagons in the train are local people, but one does come from Wichita Falls. Jack Grace, oil man and rancher from Wichita Falls had a wagon built and put in the train. It will be driven by Fred Barry of Jacksboro.

### Williamson, Driscoll Named Valedictorian, Salutatorian

A boy moved into the scholastic winners circle this year at Spearman High School and took the valedictorian honors.

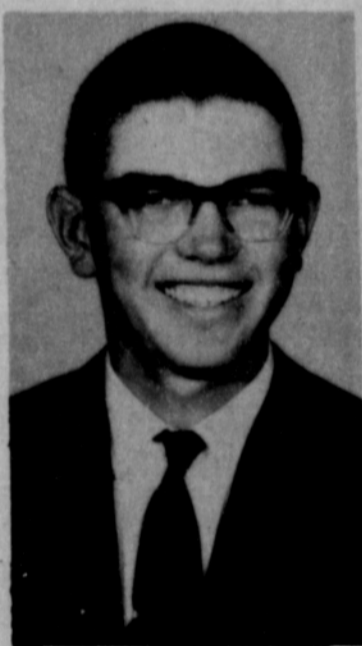

Burton Williamson, son of Mr. and Mrs. C. V. Williamson, of Spearman earned the honor with a three-year average of 94.97.

The Salutatorian honors were earned by Bonnie Driscoll with a 93.63 average for three years. She is the daughter of Mr. and Mrs. R. L. Driscoll of Spearman.

Williamson has been in the Spearman school for 12 years. He was salutatorian of his eighth grade graduating class. While in High School he has been a member of the annual staff, National Honor Society, Senior Class President, a member of the basketball team and tennis.

Williamson plans to attend Texas Tech and major in chemistry and math.

Miss Driscoll attended the New Hope school for eight years and Spearman High School for four. She has been drum major of the Lynx band for two years, a twirler for one year and has won sixteen medals as a soloist with the band. She is a member of the National Honor Society, newspaper staff, Student Council, Future Teachers, and choir.

### Barkley Cuts Pop Record

A Hansford County rancher, farmer and entertainer has just released a record that disc jockies are predicting will go to the top in the pop music field.

The record "Ooby-Dooby" by Rod and Wade was released this week and has already been picked as the pick hit of the week by Amarillo DJ's.

The record was recorded two weeks ago by Rod Barkley of Gruver and Wade Moore of (Con't. on page 2.)

Miss Driscoll plans to attend West Texas State University. She plans to enter the elementary education or music education fields.

The other honor students in the class are Jane Allen 91.62; Olo Crum, 91.37; Mary Ellen Barkley, 90.95; Rick Collins, 90.05; Darla Adkison, 90.04; Mac Crawford, 90. and Nan Sheets, 90.

### No Damage to M & M

A small oil fire in the wash rack of M&M Shamrock Service Station was put out with a chemical fire extinguisher Wednesday afternoon.

There was no damage done to the new metal building.

### George Bush, Republican Candidate To Speak Here

Republican Senatorial Candidate George Bush of Houston will be in Spearman at 2 p. m., Monday.

A meeting has been planned at that time at the Spearman Steakhouse. Bush will meet and speak to supporters. He will be

introduced by John Wilde. Bush was the leading candidate in the Republican Senatorial Primary. He will meet Jack Cox in the run-off and the winner will oppose Ralph Yarborough in the General Election in November.

# Salvation Army Drive To Be Held Here May 20

The annual fund campaign for the Salvation Army will be conducted Wednesday, May 20, according to Wayne Chapman, chairman of this year's fund drive. A kick-off breakfast for volunteer workers will be at 7:00 a. m.

All Salvation Army humanitarian services are handled on the local level by volunteers who serve without pay. Judge Johnnie C. Lee heads our service unit of the Salvation Army, assisted by citizens of Gruver and Spearman. The services available through the Salvation Army include help

for needy transient families, emergency relief for disaster victims, summer youth camps for boys, and rehabilitation centers in larger towns. Food and shelter for those in distress is always available.

Wayne Chapman said this year's fund drive will be fast and intense. The slogan of the Salvation Army is: "With heart to God and hand to mankind." Your financial help is needed in this great humanitarian service; won't you give generously when the local volunteer worker calls on you.

## Holland Will Graduate

Plainview. ---Jesse Lee Holland will be awarded the B. S. degree at the May 30 Commencement ceremonies at Wayland Baptist College.

Holland, 1958 graduate of Gruver High School, is the son of Mr. and Mrs. A. L. Holland, Goodwell, Okla.

At Wayland he has majored in physical education and minored in history. He is a member of the Physical Education Majors and Minors Club, Athletes for Christ, Texas Student Education Association, Circle K, Club. He has played on the Pioneer basketball team for four years and served in the Student Government Association one year as chairman of men's athletics. In 1961-62 he was chosen Campus Favorite and elected to Spinning Wheels, two outstanding honors.

Wayland Commencement ceremonies will be held at 10 a. m., May 30, at First Baptist Church, with Dr. James P. Cornette, president of West Texas State University, delivering the principal address. The Rev. Floyd C. Bradley, pastor of First Baptist Church, Floydada, and a Wayland trustee, will bring the spiritual challenge, says President Roy C. McClung. Other Com-

## New Machine Shop To Build In Industrial Area Here

Another new business will open soon in the Crawford Industrial area west of Spearman on the Gruver Highway.

Yancy Bros. of Borger have bought a business site from Cecil Crawford and will operate a machine shop. Construction

will begin soon on a 40x60' building. The firm expects to be in business in approximately one month. The two businessmen are not strangers to Spearman. Frank Yancy is married to the former Evelyn Reynolds of Spearman. George Yancy used to work in this area for the late Hix Wilbanks. Another building is nearing completion in the industrial area. Roy Lee Uptergrove will have his cabinet shop ready for use soon.

AROUND THE WORLD . . .

## Mrs. R. E. Lee Tells of Her Most Recent Tour

Editor's note: The following is the conclusion of an article begun last week concerning the recent world tour made by Mrs. R. E. Lee of Spearman.

"Venice of the East" is what Bangkok is called, because of the maze of canals connecting the city and countryside. The canals were crowded with boats when Mrs. Lee and the rest of the tour group made an early morning market tour.

"Here we saw the Royal barges used by the King and his household. These barges were used in 'The King and I' but the picture was banned in Bangkok because of some technical mistake that was made and it has never been seen here."

The people of Thailand are anxious to change the name back to Siam, according to Mrs. Lee. She said one thing about the country that surprised her was that there are so many Siamese cats there.

"We dearly loved Bangkok and our five-day stay here was all too short. One of the highlights of our visit was seeing a Thai boxing match. The boxers use their elbows, knees, fists and feet and there are 'no holds barred', but music is played all through the match."

The classical Thai dances the group saw here were artistically performed and in magnificent costumes, according to Mrs. Lee.

Calcutta, India's largest city, was the next stop. It is a city of temples, the most fa-

mous being the Temple of Jain where the altar is inlaid with diamonds and precious stones. Here again, there is no problem with thieves at the temples.

"We have sent wheat to India for years," stated Mrs. Lee, "and the people never receive most of it because they let the sacred cows eat it." The cows are never restrained or penned up in any way, so naturally they find their way to the wheat.

"I was curious about the sacred cows and found they are considered sacred because they give milk for the young."

From Calcutta, the group of 'friendly Texans' as they were known, traveled to New Delhi, a clean and well-planned city, the capital of India.

They drove to Agra to see one of the seven wonders of the world, the Taj Mahal. "This dream in marble was built by the Shah to enshrine the remains of his wife," Mrs. Lee stated.

"We saw the Taj Mahal in sunlight and returned to see it by the light of a full moon. It is truly fabulously beautiful."

Probably India's most important city is Bombay, a city of 4½ million where 12 different languages are spoken. The bay here is called a gateway.

When King George and Queen Mary visited here, they wanted a place for their ship, so it was dredged out to make an excellent bay.

In Bombay, the group visited Mahatma Gandhi's small two-

story house. "It is used now to promote his ideology and thought," Mrs. Lee commented.

The hanging gardens were next on the tour list and the Towers of Silence were visit-

ed by the group also. The Towers of Silence are where the dead are taken in Bombay.

"Professional pallbearers take the bodies up on the towers where vultures strip the bones," Mrs. Lee stated. The blood

drains into a vat and eventually is used for fertilizer.

Leaving Bombay, the travelers next went to Aden in Saudi Arabia on the way to Nairobi in South Africa.

"I never thought South Africa would be one of the places I wanted to visit," commented Mrs. Lee, "but it is so different and beautiful."

"Nairobi is a bustling city and the drive to Arusha showed us grassland that would be a ranchers paradise. The group took a Land Rover (British car) and went on a four-day seeing safari. They stayed at a hotel at Lake Manjara, located on a 120-mile crater where there are herds of all kinds of wild animals.

"We were all surprised at how we were out in the wilds of Africa one minute and the next at a beautiful motel."

You take a driver and a Forest Ranger when you go to see the wild animals. "We saw gazelles, impalas, zebras, water bucks, hyenas, baboons, lions, elephants, giraffes and birds of all kinds. The trip may have been tiring but it was worth every minute of it," Mrs. Lee concluded.

From Nairobi, Cairo, Egypt was the next sightseeing point. The group stayed at the El Borg Hotel situated on the Nile River. They went to the Pyramids, saw the Sphinx and took a camel ride.

"We visited the Mosques and went to the museum to see beautiful pieces from the Tomb of King Tut."

From there, Mrs. Lee said the next stop was Beirut, Lebanon, on the Mediterranean Sea. This country has a very colorful history and is, of course, famous for its Cedars of Lebanon.

Now there were only 14 tourists making the trip since many did not include the Holy Land on their agenda.

"We drove to Baalbeck where you find remains of a past civilization where people gathered to worship Bael, Jupiter, Bacchus and Venus. The International Festival was begun here in 1956. They have musicals and operas in the ruins."

Damascus, Syria was the next stop. Here the Texans walked down A Street Called Straight traveled by the Apostle Paul. They also visited the home of Ananias where Paul stayed and where his eyesight was restored.

"Jerusalem, Jordan is where the Arabs are now located," Mrs. Lee said. It is a cradle of three religions, Christianity, Moslem, and Judaism. "Here we visited the old Walled City, traveled the Way of the Cross to the Holy Sepulcher where Christ was crucified, and climbed the Mount of Olives.

"We traveled to Jericho where we saw ruins of the Good Samaritan Inn, visited the Dead Sea 1300 feet below sea level, went to Bethany to the home of Mary and Martha and visited the Tomb of Lazarus."

Then, the group saw Jerusalem, Israel. "Even though the Arabs and the Jews are not at war, there were certainly evidences of such-barbed wire entanglements, machine guns, etc.," Mrs. Lee remarked.

"Next we went to Hiafa, located on the Mediterranean, a land of milk and honey in direct contrast to Jordan. The

## Wedding Vows Solemnized In Presbyterian Church

Dell Mayhall, daughter of Mr. and Mrs. Henry Y. Cornelius, became the bride of Glen E. Rumley, son of Mr. and Mrs. Frank Atwell of Sterling, Ill. in a double ring ceremony performed in the First Presbyterian Church at 7 p. m., May 7. Rev. Everett H. Cain, Jr. officiated. Mrs. Max Baggerly played traditional wedding music on the organ preceding the ceremony.

Bouquets of large yellow and white shasta daisies decorated the church.

The bride wore an aqua blue street length dress with white accessories and carried a white Bible topped with a gardenia spray. Her only ornament was

a single pearl on a gold chain, a gift of the groom.

Her attendant, Lois Raymer, wore a long sleeved fitted dress of muted orange, beige and green and a white gardenia corsage.

Best man was Sam Cornelius, brother of the bride.

Following the wedding a small reception was held in the home of the bride's parents. The serving table was laid with a cut-work linen cloth and centered with a bouquet of small yellow daisies. Pink, green and yellow petit fours, decorated mints, nuts and coffee were served to 20 guests.

Mr. and Mrs. Rumley will be at home at the McLain Apts. following a wedding trip to Santa Fe, N. M.

Mrs. Rumley graduated from Spearman High School where she was a member of the honor society and was Miss Spearman High School of 1958. She attended Amarillo Junior College and was graduated from the Northwest Texas School of Nursing, where she was voted student nurse for 1961. She is presently employed as supervisor of nurses at Hansford Hospital.

Mr. Rumley graduated from Rock Falls High School of Rock Falls, Ill. He was a member of the armed forces for 7 years and during that time graduated from 4 technology schools. For 4 years he was in charge of the laboratory in a 500 bed hospital in Japan. He is now laboratory and X-ray technician at Hansford Hospital.

## Day By Day

Nelda Sheets' "Peanut Art Class", 16 students between the ages of five and 15, have work exhibited during the month of May in the Perryton library.

The Perryton newspaper has this to say about the class. "Several children's groups have already asked for special times to see the exhibit.

"The art students are in three classes and have one class period a week. Mrs. Sheets teaches them art history and they usually do a painting in connection with the period they are studying.

"The children are taught to paint their own ideas about a subject. Mrs. Sheets instructs them, but never "helps" them. Each child painting the same object expresses himself differently on the canvas.

"Mrs. Sheets instills an appreciation of the world about them and of each person as an individual also helping them become aware of beauty in nature and in common things.

"Mrs. Sheets believes that all children under 12 years of age are natural artists."

If you have seen the group's art on display at different times at the grade school cafeteria here in Spearman, you'll no doubt agree that they are doing some beautiful work. The exhibitors, five girls and 11 boys, are Meg Conrey, Becky McClellan, Kathy White, Bonnie Seymour, DeAnna Sheets, Stephen Sheets, Russel Witt, James Ray Lyon, Douglas and William Porter, Larry Williams, Ronnie Head, Billy Giles, Billy Pettitt, Mike Cudd and Randy Collard.

After such a long, drawn-out dry spell, even that little sprinkling of rain Sunday afternoon was wonderful. It may not have measured to be very beneficial but the wet pavement, the sound of thunder and that beautiful fresh smell were just like I remembered.

Gwen Barnes gave me another quickie recipe as I was having my groceries checked the other afternoon. It, again, is simple to make and turns out somewhat like brownies-really delicious!

### SURPRISE DESSERT

Put one can of any prepared, canned pie mix (I used cherry and Gwen used blueberry) in a greased 9" square pan. Sprinkle ½ box white cake mix over this, covering well. Cut up one stick of oleo and place over this. Top with one cup coconut and one cup chopped pecans. Bake 45 minutes at 375 degrees.

## Engagement Announced

Mr. and Mrs. Royse Morgan of Sunray are announcing the engagement and approaching marriage of their daughter, Brenda Janice to Mr. Billy Wayne Cox, son of Mr. and Mrs. W. H. Cox of Spearman. The wedding is planned for June 1 in the First Baptist Church of Sunray.

The bride-elect is a graduate of Sunray High School and is employed at Judy's House of Beauty. Mr. Cox is a graduate of Spearman High School and is employed by Ideal Food Store in Spearman. The couple will make their home in Spearman.

"There we visited the Acropolis and Parthenon and went to ancient Corinth where Paul preached."

From Athens, the travelers flew to London where they were at the Palladium to see "The Man In The Moon" within minutes after landing. "This is the beautiful part of going by jet," Mrs. Lee remarked, "you arrive refreshed and needn't miss a single thing due to a need to rest or freshen up."

"After a day of seeing London again, we boarded a plane to travel over 4,000 miles nonstop to Chicago and on home."

And, as Mary Lee, seasoned traveler, always says, "Traveling is wonderful but there's no place like home; I'm always ready to get back."

**Hillbilly Hootenanny Set After 8th Grade Banquet**

Bruce Ayres will be the Master of Ceremonies for the Hootenanny that will be held for all the eighth graders May 16 at 9 p. m. in connection with the annual banquet. The theme

for the hootenanny will be mountaineer so they are calling it a Hillbilly Hootenanny, complete with log cabin in the decorations and some of the entertainers will be dressed as hillbillies. It will be held in the school gymnasium under the supervision of eighth grade mothers and teachers.

Several groups from surrounding areas will be there, such as the Porterfield children of Gruver and Wade Parks of Morse, who will present a magic act. A hilarious evening of fun, food and fellowship is expected with participation by all the guests. Refreshments are being served and all eighth graders and guests are urged to come. Come directly to the gymnasium following the banquet.

**We drove 3,243 miles to make a point about our Super Turbine transmission**

**You can do it on the way to the grocery store**

Would we drive a Buick with a Super Turbine transmission\* all the way from Pasadena to New York City just to win Class C in the Mobil Economy Run?

Of course. And just in case anyone failed to get the message, we did it twice again. And won Class D and Class G. In all, Buick entered 4 classes, and won 3—more than any other make of car. (Remember when people used to think Buicks used a lot of gas?) Did we make our point about the Super

Turbine transmission? You bet.

Obviously you aren't planning to drive 3,243 miles to prove your new Buick is economical. And you can't expect to get as many miles per gallon as the experts in the Economy Run. Still, it is nice to know you can win the economy run around town. And the good looks prize at the same time. See your Buick dealer about it. No doubt he'll think of a number of other reasons to drive a Buick.

## THE WAY I SEE IT

Robert Cordes, Pastor Oslo Lutheran Church "The Day Dropped From The Calendar"

Is it possible to drop a day from the calendar? Yes, as easily as it is to add one. We've added Mother's Day, Labor Day, Memorial Day etc... and dropped Pentecost Sunday.

It's really not surprising that we find we have eliminated the third great Church festival, Christmas and Easter remain--but Pentecost? We live in a predominantly secularized society. A secularized society can "celebrate Christmas and Easter--but it can never do this with the third festival---Pentecost.

The unbeliever can listen to Christmas carols and give gifts and sing "Jingle Bells" or "Silent Night".

The skeptic or scoffer can load his home with jelly-beans, color eggs and decorate with fluffy bunnies.

But what can the unbeliever do with Pentecost---the giving of the Holy Spirit and the birthday or beginning of the Holy Christian Church?

There is something about Pentecost which separates the unbeliever from the believer. It is due to the very nature of the day.

Jesus ascended into heaven 40 days after Easter. He promised the Holy Spirit... a Spirit that would guide humans into all the Truth.

The Bible makes it clear no man can step from spiritual death (The natural state of man) to spiritual life unless he is brought to spiritual life by the Holy Spirit of God. (I Corinthians 2:14)

Spiritual life, the Bible insists, comes only as the Spirit works in us and leads us to see our sin and to guide us to Jesus Christ. "No man can say that Jesus is the Lord, but by the Holy Spirit." (I Corinthians 12:3)

Scripture teaches once a man has come to faith in Christ, the Holy Spirit is the one who keeps that person in the faith.

The Holy Spirit uses means to do His work---the Gospel and the Sacrament, Holy Baptism and the Lord's Supper.

Will you celebrate in a holy way Pentecost this Sunday May 17th? Or is a day dropped from your spiritual calendar? Come Holy Spirit, work in us!

## County Agent's Report

When you're through changing, you're through.

### WHEAT DISEASE TOUR

A wheat disease tour will be held here in the county, Tuesday, May 26, at 1:30 p. m. Dr. Robert Berry, Area Pathologist from Lubbock, will conduct this tour and show what Mosaic and Root Rot looks like, how it starts and answer any questions relating to wheat diseases.

### FOLIAR FEEDING

Fertilizer applied to the leaves of plants is sometimes more effective than when spread in the root zone in the conventional manner.

Though it is possible to supply only a small portion of the total nutrition needed by the plant in this manner, if a foliar fertilizer spray is applied at precisely the correct time, outstanding results can be obtained.

Research conducted to correct specific nutrient deficiencies and to provide nutrients at critical growth periods have proven beneficial. Almost all crops respond to a foliar spray of nitrogen, and show a slight response to phosphorus and potassium. Crops in many areas of the state respond to foliar application of certain micro-nutrients, like iron and zinc.

Probably the greatest value of foliar feeding plants would

be with crops where certain deficiencies can be corrected easily by spray treatments, where spraying is already an established practice, where there is a great demand for nutrients at a certain time; such as during flowering and fruiting.

Precautions for foliar applications include limiting the fertilizer salt content to two percent, because leaves can be damaged by high salt concentrations. Certain plants, especially strawberries, should not receive foliar sprays during the heavy blooming period.

For detailed information on the use of foliar fertilization, contact me for a copy of L-253, "Foliar Feeding of Plants."

### 4-H PROGRAM AT MORSE

Hansford County 4-H members, leaders and parents are invited to a special 4-H program sponsored by the Morse 4-H Clubs which will be held Saturday, May 16, at 7:30 p. m. in the Morse School Auditorium.

Pete Plank, from Hereford, will present a program on his recent visit to South America as an International Foreign Youth Exchange 4-H member. Pete will show slides and tell about his experiences during his 6 months visit. This will be a very interesting program.

## FFA Judging Teams End Year At Tech

The Spearman F. F. A. Judging Teams finished with their year of judging at the Tech Contests during the latter part of April. Most of the teams were made up of boys who were judging for their first time.

Although none of the Spearman teams qualified for the state judging contests, their placings at various contests were outstanding when compared to the number of teams they were competing.

The main contests which were entered were Tulia, Hereford, Amarillo, Canyon, Fort Worth, Lamar, Colo., Beaver, Okla., Lubbock and Abilene.

The Livestock Teams competed at almost all of the above contests and had good results at several, when judging at Tulia, the Team placed 5th in a field of 21 teams and Ralph Depew was 2nd high individual sheep judge.

During the Amarillo Show the Spearman grass judging team placed 12th in the contest and Larry Holt was 6th high individual. The district livestock contest was held at Pampa in March. Here again the team did exceptionally well by placing 2nd in District and 12th in the contest.

At the Canyon Judging Contests in April the chapter poultry team placed third in district and Ralph Depew was second high individual of the livestock judging contest. Also in April at the Tech judging

### Kennedy Portrait On Bond Issue

Savings Bond sales for the first three months of 1964 in Hansford County totaled \$40,799. Of this amount \$13,743 were purchased in March according to a report released by C. A. Gibner, Chairman of the Hansford county Savings Bonds Committee.

Sales in Texas for the first quarter of 1964 amounted to \$16,181,153, which represents 26.6% of the state goal of \$150,000,000.

"On May 1 the new \$75 Series E Savings Bond, bearing a portrait of the late President John F. Kennedy, went on sale. Beneath the portrait of Mr. Kennedy appears the words from his inaugural address, 'Ask not what your country can do for you, but ask what you can do for your country.'

"This new bond will fill a gap in the lower denomination range of Savings Bonds. The issue date of May 1 is also the twenty-third anniversary of the issuance of the first Series E Bond," Chairman Gibner reported.

contest, Richard Laird was high individual Jersey Judge in the various Dairy classes.

Members of the teams were: Poultry- Dean Coates, Jimmy McLeod and Wayne Cummings.

Grass-Larry Butts, Glenn Keim, Larry Holt, and Dave Clement.

Land-Steve Jordon, Larry Crooks, and Robert Hall.

Livestock-Lynn Buzzard, Ralph Depew, Mart Brillhart, and Richard Pipkin.
