DBITUARY

Maude Valet... Rosson was a member of the family of seven, the children of the late Mr, and Mrs. J. R. Kirk, ploneers to this area from Comanche, Texas. The Kirks came by covered wagon in 1913. Mrs. Kirk drove a wagon and Maude, then eight years of age, took care of her brother C. W. (Jake) then two years of age, and her sister Olive (Babe) then three months. An older brother, Dyrel (Pete) assisted his father in the duties that went a long with this mode of travel.

Maude attended college at Goodwell, Oklahoma from 1922-1926 and taught the first grades at the Holt School the 1926-1927 term. Ceril Batton was a teacher at

the Holt School with
Maude the same year.
The Holt school was the
largest school in Hutchinson County until 1926.
Holt was never an accredited school. In 1935
the district dissolved and
was consolidated with two
districts, the Spearman
Independent and the Pringle
Independent District.
Maude married Charles
David Rosson August 14,
1926 at the country home
of her parents, Mr. and
Ms. J. R. Kirk of the
Holt Community. They
settled on a farm near
her parents where they
resided their entire married life, and Maude continued to reside there
to her death.
Maude Valera Rosson
was born Feb. 9, 1905
at Comanche, Texas and
departed this life Feb. 2,
1976 at the Hi-Plains
Baptist Hospital, Amarillo,
Texas after a short illness.
She was preceded in death
by a brother and three
sisters, her two children,
Glenda Sue, age 12 in

Sept. 1952 and Lavonna
Ann. age 1 year in May
1945, and her husband
Charles David Rosson
passed away Nov. 6,
1956. A sister, Mrs. O.
K. Pendergraft and a
brother C. W. Kirk still
live in the Holt Community.
Maude was a member of
the First Baptist Church of
Spearman. She taught
Sunday School for years
at the Holt School House.
She sponsored a little
girl, Dee Dotson, at the
World Changers of Tulsa,
Oklahoma to her death
and left provisions to
assist her through college.
After the loss of her
family and the death of
her mother who passed
away in 1962, who had
required daily care for
some time prior to her
death, Maude was left
with time on her hands
and was grieving. Her
Aunt, Mrs. Bertha Jenkins,
managed to get her to
join her on a tour through
the East in 1964. That
seemed to fill a void in
"T life and from that

time on she planned and took a tour each year finding she saw new scenery and met many new people. Maude loved people and people loved her. To know Maude was to love her. Every man, woman a place she had made preparations for. We cherish her memory.

know Maude was to love her. Every man, woman and child she met loved her and enjoyed her cheery disposition. Maude experienced many hardships but took it with a smile. She was very active in the affairs of the community and was one who could be depended on to carry out any project that was under way. Maude, for years kept up with the news of the people of the community and served as reporter for the Holt News column in the Spearman Reporter until her death. She was Election Judge of the Holt Precinct for years.

years.
Maude will be missed here, but we like to think of her as a Sweet Angel in Heaven with her family,

The calf scramble, a feature of the show since 1942, was started to allow 4-H and FFA boys an opportunity to get started in the beef or dairy cattle business. Winners at each of the rodeo performances receive certificates to buy registered females which they bring back for judging at the next year's livestock show.

ACS Sets 1976 Goals

District 15 of the American Society goals for the ACS' April Crusade were announced, Glen Soderstrom, District 15 Executive committee Crusade chairman, chaired the important meeting held at the Hilton Inn in Amarillo with Mrs. Virginia Saucier of Borger and Tom Cambridge, president of the Potter County Society, key speakers at the noon luncheon held following the morning session.

Paramount note was the fact that 83,000 Panhandle residents will be affected by cancer in their lifetime with the disease touching one out of every four persons in District 15 which covers about 20 Panhandle counties including Hansford County. Heartening was the information offered by Jim Gardiner, State Legacy and Memorial chairman from Austin, who told that 4 percent of the acute leukemia patients are now being cured with chemotherapy and other advanc -

ed means. The 1976 Cancer Crusade goal for the Hansford Unit has been set at \$10, 700,00 of which \$4,000 is expected to be raised in special events; \$1,700 in Memorials; \$500 through Industry; and \$4,500 in residential

drives. Judge Johnny Lee is the Chairman of the Hansford Unit and Mrs. James Stedje, the Unit Crusade

Chairman.
Attending the meeting and representing the Hans-ford Unit at the February District 15 meeting were Mr. and Mrs. W. L. Maupin of Gruver.

Bits of This and That

Well, I managed to write two columns before I went back to the hospital once again, seems like Hansford Hospital is my home away from home, everyone at the hospital, though, are so very nice, the nuses are just so wonderful and of course, I just couldn't get along without Doctor Thomas, I have a lot of faith in him, maybe that's why I always seem to snap back so fast. The day I

was released, Billy Miller was in a bed in the hall outside of my door. I wheeled out and Billy wheeled out and Billy wheeled in to room 109. I know he's getting the same good treatment I got. By the way, Billy - Twinkletoes has her feelings hurt because room 109 doesn't call her, only wants TO TALK to the ad-man.

Many thanks to Lee McDade who helped Dave while I was in the hospital both Dave and myself think very highly of Lee, she's almost like a daughter to us.

They provide twenty-four hour, seven day a week coverage on channel 9 for motor assistance, weather, lost people, also Bill has organized the Tipton County CBers for close work with all

Dave and I are looking
for someone to take over

We sure were sorry to hear "Lonesome" George Young is in the hospital at Shattuck, Oklahoma where we hear he has undergone back surgery and is doing just fine. Thank you, Ed Thompson, for letting us know about

Sure was nice seeing Garland Hopper out.
Dave saw her at 7-11
Thursday night. Garland is doing much betrer but still sore all over. Bill is also feeling much better. Thank you, Garland, for calling to see how I was. I sure appreciate it. It's nice to have so many friends and Dave and I have sure made many friends and probably some enemies, since going into business.

God Bless everyone.

Postal Consumer Protection Week Designated

"The week of February 23-28 has been designated by Postmaster General Benjamin F. Ballar as Postal Consumer Protection Week to emphasize the importance of consumer protection and inform the public of its availability to users of the mail, "Postmaster Ray Robertson said today." The Postal Service provides safeguards in the transportation of mail, against mail fraud and false representation, and provides

ansportation of mail, against mail fraud and false representation, and provides assistance with mail-order and service problems, the Postmaster continued. Our consumer protection office of the Law Department, the Inspection Service, Consumer Protection Office and The Consumer Advocate, Working together these four departments resolve complaints of alleged mail-order swindles when postal customers fail to receive merchandise ordered, refunds promised or find that the service or product purchased is not as advertised. When a complaint is made, the Postal Service decides whether to investigate for possible commercial deception or to handle it informally as in cases where poor business practices are found to be the problem. Whatever the action, the customer is notified.

In cases where it is believed that false representation by mail exists, the Consumer Protection Office working with information obtained from

ice working with infor-mation obtained from postal inspectors initiates administrative proceedings to stop the mail in response to the alleged false repre-sentation.

to the alleged tase repre-sentation.

If it is found following administrative proceedings that the mails are being used to promote schemes to obtain money by mis-representation, the Judicial Officer issues a mail-stop

order which results in the return of all subsequent mail to the senders, unless it is clear that the correspondence has nothing to do with the scheme.

Where violation of the Mail Fraud Statute is indicated, postal inspectors refer the case to the appropriate U. S. Attorney for consideration of criminal prosecution.

The Consumer Advocate provides the consumer with a strong voice in postal management in cases of delayed or lost mail, non-receipt of mail order purchases or refunds, extension of rural routes, delivery schedules and employee conduct.

"If you have any problems with the mails, come in and talk with me or a postal inspector. We want to help," Postmaster Robertson added.

Make sure the pilot light on your gas stove is adjusted properly. It could be using more fuel than necessary.
