Smith Accepts Chamber Post

200 Blood Donors Needed Thursday

The Red Cross Blood-mobile will be in Spearman next Thursday, July 28th, to secure blood for the Hansford Hospital, and the Viet Nam war effort. The quota for the Hansford County area is 200 pints of blood. Heading the drive is E.J. Copeland.

A kick-off breakfast was held Tuesday morning at 6:30 a.m., with films on processing and securing blood. Richard Strayer, Amarillo National Representative of the American Red Cross presented the program.

The entire program for Hansford County will be one of the most important civic projects held this year. An entire staff of Doctors and Nurses will be on hand at the Hansford County Home Demonstration room to help donors. The program will start at 9:00 a.m., and last until 2:00 p.m.

All persons between the ages of 18 through 59 years of age can give blood, if their health permits. If you have ever had infectious hepatitis, or polycythemia, you can not give blood.

For breakfast next Thursday it is suggested that you eat fruit, or fruit juices with generous amounts of sugar. Cream of wheat or oatmeal with sugar and trim milk, toast with jam, jelly or honey (no butter). For lunch, clear soups without fats, sandwiches, roast beef, chicken, lettuce, tomato, etc.

Attending the kick-off breakfast were E.J. Copeland, Seaborn M. Anderson, J.W. Gibner, Dr. Gregg, Billy Miller, Doug Connelly, J.B. Cooke, Edward Dear, Learrie Martin, Mrs. V.N. King, Mrs. E.J. Copeland, Mrs. Lura Belle Crawford, Mrs. Frank Mas-sad, Mrs. Mable Edwards, Mrs. Mary Lou Walker, and Mrs. Odis C. Roles.

A special plea is sent out to Gruver, where 100 donors are wanted, and Morse, where 50 donors are wanted. Due to the fact that so many of who plan to give, might not be able to, at least 300 donors are needed for next Thursday's drive.

Anyone wishing to give blood is urged to contact any of the persons who attended the kick-off breakfast, and they will take your name and set up the time schedule for Thursday.

Wayne B. (Red) Smith

An experienced Chamber of Commerce manager, who has specialized in Community Development and agriculture industry promotion has been hired as manager of the Spearman Chamber of Commerce.

Wayne B. (Red) Smith of Wichita Falls went to work in the local Chamber of Commerce Wednesday morning.

He has been manager of the Chambers of Commerce in Brownfield, Plainview and Big Springs. He was on the staff of the Wichita Falls Chamber before becoming a public relations man for a printing firm in Wichita Falls.

Smith said he accepted the Spearman job because he decided he wanted to return to being a Chamber manager. He had been in Chamber of Commerce work of 14 years.

At Wichita Falls Smith headed the community development and the agriculture departments of the Chamber of Commerce. In the agriculture department was the supervision of the Bridwell Soil Conservation program.

The Bridwell estate each year gives about \$5,000 in awards for outstanding soil conservation work. The Wichita Chamber supervises the program.

At Plainview Smith became well acquainted with the irrigated agriculture industry and was a leader in promoting agri-business in Hale County.

"There are projects being completed in Plainview now, that were started seven or eight years ago," Smith said. Some things take a long time, he commented, and myself and too many others get impatient and want to cut across to quick. Smith said he saw a bright future for the towns on the North

Plains and the irrigated farming industry. There is great potential here, he said.

A native of Paducah, Smith is a graduate of Clovis High School and Southeastern State College, Durant, Okla. He is a graduate of Southwestern Chamber of Commerce Institute.

He is a veteran of World War II, a former mayor of Sweetwater, a former Lion's Club President and a past Vice-President of Texas Chamber of Commerce Manager's Association.

His wife, Edith Jean, is a registered nurse, presently house supervisor of Bethania Hospital in Wichita Falls.

The couple have two daughters and a son. One daughter lives in Olney and the other is making her home with her parents while her husband is in Viet Nam. The son enrolls in Midwestern University in Wichita Falls this fall.

LL All-Stars Play Tonight

Spearman's Little League All-Stars will meet Fritch at 7:30 tonight in the first round of the area play-off in Fritch.

The winner of this game will play Canadian at 6 p.m. Fri. and the final will be at 7:30 p.m. Saturday.

Winner of this area play-off will be in the district play-off at Sunday July 25-26.

Teams in the area play-off are Spearman, Fritch, Canadian, Sunray and Dumas.

Spearman's team is coached by Bobby Joe Grayson and Wot-

Rain Teases Thirsty Spearman As Temperatures Surpass 100

Rain clouds continue to tease the Spearman area and Tuesday afternoon gave some re-

lief to the 100 plus degree temperatures which have been baking the area.

Spearman received an official .12 of an inch of moisture early Wednesday morning and it apparently was an earth shaking event.

According to Amarillo news reports an earth tremor was felt about 3 a.m. Wednesday over the Panhandle. It was felt in Borger and Amarillo. There have been no reports of it being felt in Spearman.

In the first 19 days of this month the temperature has reached or exceeded the 100 degree mark 12 days. Since July 12 the highest temperature has been 103 and the lowest high has been 97. The highest temperature of the month has been 104.

The first rain of the month was measured on July 12 when .12 was measured. On July 15 Mrs. Pat Cates, the official weather observer, measured .11. On the 19 the measurement was .02 and Wednesday morning the .12 was measured. This makes the month's total .43.

Sunday, Monday and Tuesday of this week the mercury passed 100. Sunday and Monday the highs were 103 and Tuesday it cooled to 102.

Forecast Picks Spearman 5th

"Texas Football" magazine, the annual summer forecast was kind to the Spearman Lynx this year and place them fifth in the eight team 1-AA district scramble.

Phillips is given the number one spot in the district race with Stinnett picked to give them a race. Dalhart is picked third, Sanford-Fritch fourth, Spearman fifth, Boys Ranch sixth, Shamrock seventh and Panhandle, the new-comer, on the end.

Phillips gets the top spot on the force of 16 returning lettermen with six defenders and six offensive starters back. The Blackhawks are rated small, but has quality both in the line and in the back-field.

Stinnett has 10 lettermen returning. Tackles Jesse Lindsey, 185, heads up the Stinnett line and quarterback Joe Shields is expected to be the standout in the Rattler back-field.

Dalhart apparently go the third position on past records. The Wolves have only three offensive starters and three defensive men returning. The gaps must be filled from a B-team that won only one game last year. Dalhart picked up a new line coach in Bill West, who has turned out some tough forward walls at

Panhandle, Canyon, Quanah and Knox City.

Sanford-Fritch was put in fourth place with nine regulars returning. Tackle John Packebush, 210, is rated at the big man up front and Eagles are supposed to have a convey of running backs.

Spearman is returning five offensive regulars and six defensive starters to go into the new team mold being prepared by new coach George Wright.

Quarterback Charles Shield-knight, 185, and tackle Randy Moore, 190, are rated as leaders by the magazine. Also mentioned are linemen Ronnie Gilbert, Monty Lusby and James Schnell and Harley Reeves. Backs Jerry Holton and Hal Shufeldt are put in the backfield by the writers.

Boys Ranch has only five lettermen returning and will be guided by a new quarterback, Kit Scarborough.

At Shamrock new coach Col-lie Huffman will have eight offensive and six defensive regulars returning.

Panhandle is coming into the AA competition with a new leader and untried players after a so-so season in A competition.

Spearman's three non-district foes, Gruver, and Sunray in 1-A and Canyon in

1-AA are picked up and down the scale.

Gruver is picked second in the district behind White Deer. The White Deer Bucks are given a chance at making another dash for the title this fall.

Gruver will be anchored in the line by Steve Butts, Ronnie Laxon, Jim Hoy and Jim Beck. Sam Arnold will lead the backfield with John Cooks and Don Kelly helping him. Gruver has only five lettermen returning.

Sunray is picked fourth behind Stratford. The Bobcats have eight lettermen returning for this year. Among the eight will be all-district guard Bill Freeman, 180.

New foe, Canyon, is picked at the bottom of district 1-AAA with only four starters and seven lettermen returning from a team that had a 3-7 record last year.

Leading the Eagles in the rebuilding year will be back Sherman Smith, a former Spearman boy.

These selections are all made early in the summer and are based mostly on past performances. The teams with the strong B and freshman teams of last year can make big differences when the actual headknocking begins.

Dr. Reeves Announces New Vocational Program

A new vocational education program, Industrial Cooperative Training, has been approved for the 1966-67 school team in Spearman High School. Dr. Bill Reeves, Superintendent, announced this week.

The new program is open to eleventh and twelfth grade students who are at least 16 years old, who have interest, aptitudes, ability and characteristics necessary for employment in a "skilled" occupation for which they will be in training.

Students must also have as their objective entrance into the full-time employment in the occupation upon completion of the training program.

This program is a cooperative relationship between employers of the community and the public school. Employers employ students during school in the afternoon for a minimum of 15 hours per week at a wage rate equitable for beginning young employees and provide them on-the-job training.

A teacher will supervise the program and employers will advise with this teacher on the instruction the student will need in the classroom.

The school provides students

with training directly related to the jobs in which they are part-time employed for a minimum of a 55-minute period of instruction each day for the duration of the program.

Ray Rushing of the state vocational instruction department was here this week to give final approval on the program and help the school begin planning the program.

Students earn two and possibly three credits for 175 hours of related instruction combined with 525 hours of supervised work experience per school year. Work during Saturdays and holidays is not considered supervised work experience.

Employers interested in cooperating in this program are asked to contact W.W. Smith in the counselor's office at the High School, phone 659-2584. Students also wanting to participate in the program are asked to contact Smith.

Smith as been appointed to be the instructor in the program. He has wide experience in teaching and administration and also vocational background in many trades.

Texas must have more than its share of pretty, well-dressed college girls, even though we do live way off down the from the center of things.

I noticed last week in the August issue of Glamour, their traditional "Ten Best Dressed College Girls" and among the 347 finalists there were 16 or 17 young women from various Texas colleges including small ones like Frank Phillips Junior College, Stephen F. Austin State College, Hardin-Simmons University, Sam Houston State College and Wayland Baptist College.

One of the top ten was a Texas girl, although Oklahoma gets credit for her because she's a student at Oklahoma University.

Just goes to show, Texans aren't all quite as itchy as some of us sounded on that national television program filmed down in the "hill country."

When I was on vacation a few weeks back, I enjoyed browsing through a college bookstore, and one of my purchases was Peg Bracken's "I Hate To Cook Book." It's very entertaining and has any number of quickie recipes that I'm going to try.

A good one I tried last week is called Cornish Pasties if you're English or Forfar Bridies, if you're a Scotsman. I couldn't go along with either name really. They're more like folded-over meat pastries to me, but they were very good, whatever you decide to call them, and the recipe makes four large servings.

Prepare a package of pastry mix and after rolling out, cut four circles the size of salad plates.

Mix 1/2 pound of ground beef, one medium size diced potato and one carrot, diced, a medium onion, chopped, or one tablespoon of minced onion and salt and pepper. Moistened with several tablespoons bouillon, any soup, canned gravy or sauce (I used beef broth).

Put a dollop of the mixture on each circle, then fold into half-moons, and seal the edges with a fork. Prick them and bake at 400 degrees for 25 minutes. Brush with egg white before baking for a shiny professional look.

If you've gotten down to here and still with me, I'll explain about this week's column.

Actually, I'm on vacation and shouldn't even be writing anything at all. So, I'm doing the nearest thing.

Marriage Solemnized In Westfield, N.J.

Mrs. DeWitt Clinton Peek of 552 Alden Avenue, Westfield, New Jersey, is announcing the marriage of her daughter, Barbara Newell, to Mr. Paul A. Loftin of Austin, Texas. The wedding, July 16, took place in the chapel of Saint Paul's Episcopal Church in Westfield.

The bride is the daughter of the late DeWitt Clinton Peek and the granddaughter of Dr. William T. Peek, an early-day resident of Westfield.

Mr. Loftin is the son of Mrs. A. F. Loftin of Spearman, Texas, and the late Rev. A. F. Loftin, a Baptist Minister of more than fifty years.

Dr. Robert Linsley, Associate Rector of Saint Paul's officiated at the Saturday morning ceremony. Mrs. William D. Peek, sister-in-law of the bride, was matron of honor. Best man was Theodore F. Trump of Panwood.

Mrs. Cummings Hosts HD Club

The Happy Homes Home Demonstration Club met on Thursday afternoon in the home of Mrs. Gordon Cummings for the July meeting.

Mrs. Cummings presided at the business in the absence of the president. The annual family ice cream social was planned for July 29 at the Home Demonstration room.

Mrs.endorf Schubert brought the program titled "Tender Lovin' Care for the Feet". Present for the meeting were Mmes. Schubert, Robert Adamson, Harold Groves, Thomas Reed, Richard Curtis and Gordon Cummings.

William D. Peek gave his sister in marriage.

Miss Mary Lindsay Peek, daughter of Mr. and Mrs. William D. Peek, was junior bridesmaid. Ushers were William D. Peek, Jr., and Benjamin T. and Malcolm Young of Babylon, Long Island, New York.

Following the ceremony, a reception was held in the home of the bride's Mother.

Mr. and Mrs. Loftin are spending a few days in New York City before returning to Austin, Texas, where they will make their home at the Regency.

Mrs. Loftin is a graduate of the Westfield schools and Middlebury College, Middlebury, Vermont. She also attended the School of Journalism at Syracuse University.

Mrs. Loftin is Director of Publications at Scientific Methods, Inc., an Austin-based organization recognized worldwide as an authority on the behavioral sciences. She is a member of the Zonta Club of Austin, the Alumnae Chapter of Delta Delta Delta in Austin, and the Betty Gilmer Guild of Saint David's Episcopal Church.

Mr. Loftin is a Senior Purchaser for the Texas State Board of Control. He is a veteran Texas newspaperman and former owner and publisher of the Panhandle Herald, Panhandle, Texas. He was also associated with The Herald in Perryton, Texas, and The Reporter, Spearman, Texas; Managing Editor, The Morning Press, Lawton, Oklahoma; Editor, The Army News during World War II at Fort Sill, Oklahoma; Director of Public Information of Fort Sill, Okla.; and more recently Director of Information of the Texas State Library.

Mr. and Mrs. Barclay Russell Clifford

Pipkin-Clifford Vows Exchanged

Miss Betty Loraine Pipkin became the bride of Barclay Russell Clifford Saturday, July 16 in the People's Chapel in Perryton, Texas.

Parents are Mr. and Mrs. John Pipkin of Spearman and Mr. and Mrs. Russell Clifford of Ingersoll, Ontario, Canada.

Rev. Marcus Adair of Canyon, Texas officiated at the double ring ceremony. The couple stood before an archway of lemon leaves flanked by two spiral candelabra. Baskets of gladiolas stood on either side of the platform and the aisle was decorated with candles.

Traditional wedding music was played by Mrs. Royce Grant of Canyon, Texas, who accompanied her husband who sang "Whither Thou Goest," "More", and "The Wedding Prayer." Miss Cloetta Fullbright gave the reading of the "Marriage Prayer."

The bride, given in marriage by her father, wore a formal gown of silk peau de soie and alenon lace. Lace formed the empire bodice and tiny buttons lined the back and fastened the long tapered lace sleeves. A self band with bow and front streamers created the empire waist. The bell shaped skirt was highlighted by a detachable circular chapel-length train. Her tiered elbow-length veil of illusion fell from a Swedish crown of lace and pearls and she carried a bouquet of phalaenopsis orchids with lily of the valley and stephanotis.

Mrs. Larry Stokes of Amarillo and Mrs. Tom Mayes of Greenville, S.C., served their sister as matrons of honor and Miss Karyn Clifford of Ingersoll, Ontario, sister of the bridegroom, was maid of honor. Bridesmaids were Miss Harriette Barefield of Atlanta, Georgia, and Miss Lee Green of Tucker, Georgia. Velrick Wilson, cousin of the bride, was flower girl and Willis Banks, cousin of the bride, was ring bearer.

The attendants wore floor-length gowns of gold chantilly lace and yellow maize chiffon. Each wore a yellow chin-length veil attached to a crown of yellow chiffon and lily of the valley.

Mr. Doug Millard of Beachville, Ontario served his cousin as best man. Groomsmen were Max Heeny of Ingersoll, Ontario, cousin of the groom, Richard Pipkin of Spearman,

brother of the bride, Larry Stokes of Amarillo, Byron Simpson of Tulsa, Okla., and J.E. James of Hardesty, Okla.

Mrs. Pipkin chose for her daughters wedding a floor-length willow green gown of cotton lace and crepe and white accessories.

Mrs. Clifford was attired in an original floor-length gown of lilac silk gorgette of Grecian design with matching headress and white accessories. Both mothers wore a white orchid.

Following the ceremony a reception was held. Member of the house party were Miss Joan Janzen, Miss Sandra Gidley, Miss Debbie Diehall and Miss Tinker Waybright.

The couple will make their home in Ingersoll, Ontario, Canada. The bride attended Bob Jones University in Greenville, S. C. for three years and will continue her education at the Royal Conservatory of Music in Canada. She is a member of Chi Sigma Phi. The groom attended Bob Jones University and is a member of Pi Epsilon Phi.

Out of town guests were Mr. and Mrs. R.J. Clifford and Karyn, Mr. and Mrs. Walter Armstrong, Mr. and Mrs. Carl Heeny, Mr. and Mrs. Doug Millard, Mr. and Mrs. Wilfred Millard, all from Ingersoll, Ontario, Canada; Mr. and Mrs. G.W. McPhee and Campbell McPhee of Montreal, Quebec, Canada; Mr. and Mrs. Clarence Paterson of Montreal, Quebec Canada; Mr. and Mrs. Alford Lacey of Pontiac, Michigan; Miss Kathleen Lacey of Hot Springs, Arkansas; Mrs. William Price and Nancy Price and Mrs. Ken Palmer of Port Stanley, Ontario, Canada; Mr. and Mrs. Charles Dale London also of Ontario, Can.; Mr. and Mrs. Le Roy Buckrell of Burgessville, Ontario, Can. Mr. and Mrs. Murray Clifford of Beachville, Ontario Can.; Mr. and Mrs. Leslie Banks and Mr. and Mrs. Hermon James of Hardesty, Okla.; Mr. and Mrs. Carl Banks of Berger; Mr. and Mrs. Clayton Stokes of Pampa; Mr. Dale Wilcox from Ohio.

Jim Steve, James, and Robbie Ownbey have returned home from Tech where they have been attending summer school. Jim Steve and James will return for the second session.

Mr. and Mrs. Bryce Waugh

Novak-Waugh United In Double Ring Ceremony

Miss Patricia Novak, daughter of Mr. and Mrs. Robert Novak of Spearman became the bride of Bryce Waugh, son of Mr. and Mrs. George Waugh of Buffalo, Okla., Saturday, July 16 at 2 p.m. in the home of the bride's parents.

The Rev. Dayle Schnelle performed the double-ring ceremony before an improvised altar decorated with jade palms and pink and white gladioli on a white archway.

Given in marriage by her father, the bride wore a white silk suit designed with three-quarter length lace sleeves. Her white satin hat had a short face veil and she carried white feathered carnations center with white gardenias, atop a white Bible.

Miss Pat Massad was the bride's maid of honor. She wore a pink chiffon dress with matching shoes. Her white satin hat had a half-veil and she carried a bouquet of white carnations.

Delbert Prophet of Buffalo, Okla. was best man.

Mrs. Novak, mother of the bride, wore an orange floral suit with bone accessories.

The bridegroom's mother, Mrs. Waugh, wore a navy blue dress with matching jacket and white accessories.

At the reception following the ceremony, the table was laid with a pink cloth with white net overlay and centered with a bouquet of pink asters. The white and pink three-tiered wedding cake was topped with a miniature bride and bridegroom and decorated with pink rosebuds. Lavena and Estella Waugh presided at the refreshment table.

When the couple left on their wedding trip to New Mexico, the bride wore a lime green nylon suit with white accessories.

The bride attended Spearman High School and the bridegroom is a junior at Panhandle A&M College in Guymon where he is also employed as a mechanic by Phillips 66. The couple will make their home in Guymon.

Hackley's Host Club Patio Supper Saturday

The Jonquil Flower Club members entertained their husbands on Saturday evening at 7 p.m. with a picnic supper on the patio of the Hack-

ley home. Co-hostesses were Mrs. Pete Fisher and Lorlene Hutchison.

A menu of fried chicken, baked beans, various salads, coffee, tea and ice cream were enjoyed by the group. Each table was centered with an arrangement of yellow mums.

Croquet and backyard golf were enjoyed after dinner. Attending were Messrs and Mmes. Garland Head, Jack McWhirter, John Trindle, Ravis Dvis, Bill Massie, Carl Archer, Pete Fisher, Clarence Renner, Dr. and Mrs. Hackley, Mrs. Lorlene Hutchison and Mrs. Jo McLaughlin.

Sam Graves' Have Guests

Recent guests of Mr. and Mrs. Sam Graves were their son and family Mr. and Mrs. Albert Graves and daughter Becky and Debbie of Raleigh, N. Carolina and Mr. and Mrs. Narril Wilson, Kim and Keith of Lubbock. On Wednesday of the week they went to Lake McClellan where they were met by Mr. and Mrs. Lewis Meers and Mr. and Mrs. H.L. Meers and sons Lewis, Ronnie and Monty of Pampa, the Rev. and Mrs. Roy King and Eulaine of McAllen, Tex. where all enjoyed camping, fishing and skiing. The Wilsons left for Lubbock Saturday but Albert and family remained until Monday before returning home.

Mr. and Mrs. E.G. Garrett, Mr. and Mrs. Kelley Garrett of Gruver and Mr. and Mrs. Tommie Lovett and Mike were Sunday guest of Mr. and Mrs. Carl Archer and Carla. All enjoyed home made ice cream in the afternoon.

Mrs. John Berry had as a weekend guest Mrs. Virginia Allen of Canyon.

Dr. Reeves said the school was fortunate to have a teacher with such a varied background already in the system to head the program.

Dr. Reeves pointed out that ICT training is designed primarily for students planning to go to work after finishing high school. However, he said it would not effect a student wanting to enter college. A student will have all of his basic required courses for graduation, the ICT training will only take the place of some electives during his junior and senior year.

Students in ICT will not be special students, but will be able to take part in all school activities that do not interfere with their supervised work schedule.

The family will live in Bartlesville, Okla.

State Adds 142 Oil And 43 Gas Wells

AUSTIN — The Railroad Commission reported Saturday that 142 oil wells and 43 gas wells were completed last week in Texas.

That raised the total oil well completions for the year to 4,117, compared with 3,795 a year ago, and gas well completions to 1,161, compared with 1,014 at this time in 1965.

The commission said 132 tests were plugged, including 73 dry holes.

Five wildcat oil discoveries were gauged—two in District 3, and one each in Districts 4, 7-B, and 8-A. Thirteen gas strikes were completed—six in District 4, three in District 2, two in District 8, and one each in Districts 3 and 9.

Spearman Lynxette coach Dean Weese and three of the seniors from his state championship team are in Duncanville this weekend for the annual Girls' Basketball coaching clinic and All-Star game.

Weese will lecture and coach in the school and the three girls will play in the All-Star game Saturday night.

Girls on the North All-Star team are All-State guard, Susan Hutchison, and all-district guard Robbie Ownbey and all-district forward Karen Gibson.

Weese will lecture at the coaching clinic on defense. He will be the offensive coach for the North squad. Bud Roberts of Tulsa will coach the defense.

This is the first time in many years that three girls from one school will be in the all-star game. Hutchison was selected by the state committee. Weese picked Gibson for offense and Roberts named Ownbey for defense.

Mr. and Mrs. M.W. Walker Celebrate 39th Anniversary

Mr. and Mrs. M.W. Walker of 211 Lonita Drive were honored with a party July 16 and 17 marking their 39th anniversary which was July 17.

The Walkers four children planned and carried out a complete surprise with a supper Saturday evening and dinner on Sunday.

Mr. and Mrs. James Walker

of Ft. Collins, Colorado came a couple of days early and managed to get his parents to leave the house while the other children came to get the table and food in place for the surprise.

The table was laid with a white cloth with a full white net overlay and centered with a two-tiered wedding cake flanked on either side with white tapers in crystal holders. White wedding bells completed the decoration.

Present for the anniversary were their four children and families. Mr. and Mrs. Dur-Sheets of Spearman, Mr. and Mrs. Milton Tyson of Amarillo, Mr. and Mrs. Marshall Walker of Abilene and Mr. and Mrs. James Walker of Ft. Collins, Colorado.

All of the family gathered at the M.W. Walkers Sunday morning and attended church together at the First Baptist, coming back to the parents home for dinner.

The Rev. Luther Berry returned to Spearman Monday evening after conducting a revival at Alba, Texas for the past week.

Mr. and Mrs. H.B. Emback and granddaughter, Nancy Lang of Phoenix, Arizona, spent the past weekend with Jane Meek, the Ray Martins and the Robert Meeks.

Guests last week of Mr. and Mrs. Johnnie Gaither and family were her parents, Mr. and Mrs. Ed Woods of Grover City, California and her sister Mr. and Mrs. Jack Miller of Pampa. On Sunday evening they all enjoyed a backyard cookout.

Wyoming ranks second among the states in uranium production, fifth in oil and ninth in natural gas. Its coal deposits could supply the entire United States for 300 years.

Worn-Down Broom For Shoe Scraper

You can make the best scraper out of an old worn-down broom. Have your husband cut the handle off so only about six inches is left. Then, push this into the ground near your back door — with only the broom stubble sticking out.

This can also be done near the utility room or mud room door — in an inconspicuous spot — and instruct your children to rub their shoes across it before entering. Even the littlest ones will be able to do it, and will think it is kind of fun.

Preserved Kumquats Aid Fruit Compote

Preserved kumquats (available in bottles) will help to make a fresh fruit compote delectable.

For the compote you might choose orange and grapefruit sections plus canned pineapple chunks.

Newsletter**

Brochures have just arrived from the Texas Panhandle Heritage Foundation about the Pioneer Amphitheatre in Palo Duro Canyon. This brochure also contains an order blank to make you reservations to see "Texas", a musical drama by Paul Green. If you would like one of these brochures come by the Chamber office, we will be glad to give you one.

The door to door solicitors are getting to be a real problem. Please ask the salesman to show his authorization from the City Hall and the Chamber of Commerce. If he does not have an authorization please call 659-3330 or 659-2524. This office will give the solicitor a form letter starting July 18. This will not be an endorsement. If more people could check on these solicitors they might be discouraged.

Don't forget the Retail Merchants meeting on August 4th. There will be more on this meeting in next weeks papers.

Presidnet Kenneth Evans and Margaret represented the Spearman Chamber of Commerce at the Stratford Chamber of Commerce Banquet last week. They had a real nice time. Seems as though the weather was a little warm.

The 16th Annual Texas Industrial Development Conference will be held Thursday and Friday, September 15-16 at College Station.

There will be a Texas Inventions Exposition in San Angelo on October 15-16.

The Texas Air Control Board will have a public hearing in Austin on August 29 at 9:00 a.m. regarding its rules and regulations with respect to hearing, testimony, etc. For more information on these meetings call the Chamber of Commerce office.

**Texas Releases
Colored Posters**

Austin, Texas, -- An old Chinese proverb, -- An old Chinese proverb, -- An old picture is worth a thousand words.

The Texas Highway Department believes it, and proved it today with the release of a set of spectacular new color posters to help tell the story of Texas' varied attractions.

Although they will no be available to individuals for personal use, the posters will be supplied free for display in airline, train and bus terminals, in the offices of travel agents, and at the sites of conventions and expositions where the impressive Texas vistas will be exposed to large numbers of passers-by.

The new posters depict color-saturated scenes at Caddo Lake State Park, an Indian at the Alabama-Coushatta Reservation, an auburn-haired Texas beauty inspecting richly-laden grapefruit trees in the Rio Grande Valley, and a glowing sunset on Texas' subtropical coast.

Along with those entirely new scenes, three popular earlier posters have been slightly revised and reprinted. They include the Alamo, a rodeo cowboy on a bucing horse, and magnificent Santa Elena Canyon in Big Bend National Park.

The seven newly-printed scenes will join two currently available posters which illustrate impressive El Capitan mountain in West Texas, and the sun-drenched beach of Padre Island.

In all, the posters represent another facet of more than three and one-half million pieces of printed Texas travel material which the Highway Department distributes free each year.

Take your problems to Church this week — millions leave them there!

the Word

"Thy word is a lamp unto my feet; and a light unto my path."
— Psalm 119:105

If you are a Christian, you are blessed with a great heritage. It is a heritage of truth and has nothing to do with imagination or myths. It is a truth that remains unchanged, no matter how many times someone attempts to rewrite or offers a "studied" translation.

This truth is the word of God. It is found in the Holy Bible. It is found in Ten Commandments, which form a guidepost for Christian living.

Accept this truth; it is useless to argue against it. Conscience and common sense will not permit you to be unaware. You fool no one, not even yourself, if you pretend to ignore or disbelieve.

Homemaking Notes

by Linda Webb
Home Demonstration Agent

News in foods!

It may not be too long before homemakers can buy frozen liquid eggs. In New York State they are already available to the food service industry in 5 and 10 pound packages. (A 5-pound package contains 50 eggs.)

The eggs, packed in polyethylene, defrost quickly in the refrigerator. The bags with a corner cut diagonally provide a perfect pouring spout.

What's in a Name? A lot--if the product has meat in it and has been shipped across a state line. The U.S.D.A., and you know the name accurately describes the product. "Curry Sauce with vegetables and beef" for example, indicates more sauce than anything else, a few vegetables and even less beef. Had the product been labeled "beef curry" it would have been the other way around.

Space-Saving Celery. First it was carrots that lost their tops, now it's celery. A recent U.S.D.A. marketing study shows that Florida producers could trim \$750,000 annually off their transportation bill by trimming 2 inches off the top of each stalk of celery. So, look for shorter celery at your supermarket. Because it's cheaper to ship, it might well be cheaper to buy.

One way to keep your food dollar from shrinking is to use all the food you buy. Throwing food away because it's spoiled, dried, or wilted does about the same thing to the food budget as tearing up dollar bills.

The extent of food spoilage and quality loss depends directly upon the quality of the food purchased and the way it's stored.

You can get a dollar's worth of food value for each dollar spent by following these pointers:

Temperature, light and air are the three important factors to consider when storing any foods. In general, low storage temperatures mean better flavor, texture, and nutritional value--even for canned foods.

Between the temperatures of 50 and 120 degrees F^o, bacteria will grow very rapidly in meat, milk products, poultry and egg dishes. If these foods stand at such temperatures for only four hours, they may develop dangerous toxins or bacteria that cause common food poisoning.

Don't let cooked food stand on the kitchen table after a meal refrigerate immediately. Use left-over meat within a week after refrigeration. Use foods cooked in gravy even sooner.

Store milk and milk products in covered containers in a clean, cold place. Milk should be the first thing back in the refrigerator after a meal because bacteria grow rapidly in milk at room temperatures.

Sort, wash and drain most fruits and vegetables and refrigerate as soon as drained. Berries are the exception. Store in the refrigerator without washing.

THE LAST NOTE: Who remembers the good old days when you used to change for a dollar instead of a dollar for change?

Mr. and Mrs. Harold Groves attended the Amarillo Gift Show at the Herring Hotel Saturday, July 16. Following the show, they visited Mrs. Homar Martin at Northwest Hospital. In the evening they went to Palo Duro Canyon and saw "Texas".

You feel good about it when you buy Savings Bonds

Savings Bonds are a great way to build a solid financial foundation for your child (or grandchild). It stands to reason. Every Bond you buy keeps growing right along with the child and becomes available for future, expensive needs. Important needs like education, marriage or a business of his own. Bonds not only grow—they work hard at insuring the family's future by insuring the future of the country. A big job that doesn't come easy. Buy Bonds at your bank or on the Payroll Savings Plan where you work. And see if you don't feel good about it. Your Uncle Sam will.

NOW—Savings Bonds Pay 4.15% Interest on New E and H Bonds you purchase has been raised to 4.15% when held to maturity. E Bonds mature faster—now in just 7 years. Your old Bonds will earn more, too. Savings Bonds are better to buy, and hold, than ever.

The Way I See It

God assaulted the world with His love. God in Christ came not to criticize you, but to help you. Christ is alive today--and so is His bride the church. The question we want to ask is do you as a Christian have close to this Savior? So many persons do not see the seriousness of sin. Oh, I don't just mean doing some wrong deeds. I mean rebellion against God by our thoughts and words and deeds. Sin is serious. Sin is that which breaks the bonds between God and us. Sin is a relationship thing. We don't see the consequences. Thus so many can say I will miss worshipping God; or why should I read the Bible? I'm living a good life. I don't try to harm anyone. We as Christians are called not to a life of escape from the world, but rather to make a positive witness of God's love in our lives. We are to be living examples of one whose faith is in the Lord. Are you trying to witness to Christ without being embarrassed by being too different? Does Jesus say to you "You act as if it cost me nothing to let you free from sin." Think of God's plan of love, His assault of love upon the world. We had to be a substitute for our rebellion, your evil thoughts, your laziness, your indifference. Jesus had to shed blood for your cursings, for your seeking other gods such as the god of money and things and goods that money

can buy. So many are caught up worshipping the god of mammon or things.

Think what it cost God to deliver you from sin. It was a love offering. It was for you personally. Are you acting as if it cost God nothing to set you free from guilt and condemnation?

Join me in praising God who has loved us. Join other Christians in living for our great God Triune who has, by the scandal of the cross, sought to free the world--yes you--from eternal condemnation. As in Christ we have the promises of life eternal with God. Thank you Jesus!

A & M REPORT

Nations Farmers Are Efficient

Are we running out of farmers and land? With the great decline in the number of farmers and ranchers what is going to happen to food production in the future?

These and similar questions are often asked of John McHaney, Extension economist at Texas A&M University and he has an answer. We've got plenty of both to take care of our needs for a mighty long time, he says.

The economist says people often overlook the scientific advances that have been made

through education and research in agricultural production and marketing. There is no reason to believe these advances will not continue in the future, perhaps at even a faster rate, he says. They also forget about the large number of acres that have gone under irrigation with much higher yields and more stable production. These projects have been developed, he adds, through the use of private

capital as well as government assistance. And finally, people overlook the fact that

local farmers no longer produce just for local consumption but for consumers in other parts of the nation or even the world.

Today, with our efficient farmers, efficient suppliers of production items and our expanding and efficient marketing system, one farm worker supplies farm products for 34 persons compared to 11 persons in 1940.

McHaney says crop production in the United States has increased 30 percent and livestock production 27 percent

SCALE MODEL of the Institute of Texan Cultures to be on display at HemisFair 1968, shows 365-foot long, 50-foot high concrete and glass structure designed to display films, slides and photomurals depicting the cultural history of Texas, from the earliest Indians to the present society. The Institute was conceived by Gov. John Connally to be of lasting value to Texans, beginning with the opening of HemisFair, an official World's Fair, on April 6, 1968 in San Antonio, Texas.

Griddle Too Hot?

The underside of a griddle cake won't look as evenly browned as the top side but the crown should be fairly evenly distributed. If the bottom of your griddle cakes are mainly white with a few scattered brown patches, your griddle is too hot.

Push It With Finger

To test yeast dough to see whether it has doubled, push your finger into it; if the dent remains, the dough has risen enough.

if we have people in this country in the future who eat poor diets or have empty stomachs it will be because they do not have the dollar needed to purchase food and not because of fewer farmers and a smaller land area in relation to the total population. We've got plenty of both, he emphasizes.

since 1950. Even with fewer farmers, production continues to increase making Americans the best fed in the world. And they eat for less. The economist believes that

SPOKEN WORDS HAVE A WAY OF BECOMING DISTORTED

If you've ever tried to track down a rumor, or unscramble a piece of gossip, you know how elusive is the spoken word! Or maybe you've noticed that you can't quite recall that funny quip by your favorite radio or TV comedian, yet you have no trouble quoting a joke you've read. It's a natural thing with all of us. That's why newspaper advertising gets such good results. It's there to read — in black and white (color too if you want it) and to refer back to, at your leisure.

Mrs. Davis Hosts Circle

The Pheleo Circle of the Christian Church met on Wednesday, July 13 in Fellowship Hall at 9:30 p.m.

Dorothy Haner, presided and called the meeting to order. The group decided to hold a rummage sale in Aug. A letter was read from the Koren Orphan, Jung Ja twelve years old, which Pheleo Circle is supporting.

Margaret Evans presented the program on Canada, introducing the Canadian study and also showed literature from their trip to Canada. Loydell Hollar gave the worship service.

Betty Jean Davis, hostess, served home made coffee cake and coffee to members Mmes. Hollar, Dorothy Longley, Dorothy Buzzard, Haner, Evans, Gwen Smith, and Mildred Schnelle.

The next meeting will be on Aug. 10 with Margaret Evans hostess.

Throughout the year, the U.S. Department of Interior's Bureau of Land Management auctions off thousands of small tracts unsuited for public development. Vacationers buy them for fishing, hunting and camping retreats. The land is within the government's 460 million acres of public-domain land mostly in 11 Western states and Alaska.

Add a little lemon juice to apricot preserves and use as a filling for sponge-cake layers.

Circle Meets in Boyd Home

The Aletha Fuller night circle met Monday evening in the home of Mrs. Granville Boyd.

The program "Study of Major Cults" was presented by Mrs. R.E. Bradford. Mrs. Granville conducted a short business session. A social hour was enjoyed

by the group at which time the birthdays of Mable Edwards and Mrs. V.N. King were observed with a birthday cake, coffee and tea.

Present were Mmes. Edwards, Lilly Hacker, Matilda Entekin, Cleo Taylor, King, Bradford, and Boyd.

**Farmers Claim
Tax as Credit**

Farmers and ranchmen will
not file a claim for refund of
Federal tax on gasoline used
on their farm and ranch as
they have done in the past
years. Instead, the refund of
Federal tax on gasoline used
on or after July 1, 1965 must
be claimed as a credit on
their annual income tax re-
turn.

This credit will first be
taken on the return for the
first full tax year beginning
after June 30, 1965. If the
return is filed on a calendar
year basis, the credit for gas-
oline used in the period from
July 1, 1965 through Decem-
ber 31, 1966.

The refund is claimed as
credit in a manner similar
to the credit for tax withheld
on wages.

Congressman Rogers Likes Safety Bill

Washington, D.C.--Congressman Walter Rogers, ranking majority member of the House Commerce Committee, said Saturday the auto safety bill now in the final stages of preparation by the Committee will contain "more workable and practical" provisions than the safety legislation recently passes by the Senate.

Congressman Rogers said the Commerce Committee could be expected to complete deliberations on the highly publicized and controversial legislation this week.

"The Committee is following the best legislative practice by making a thorough, exhaustive review of every section of the bill," Congressman Rogers said. "Throughout its long meetings on this matter, the Committee has been mindful of its heavy responsibility to the motoring public and to the millions of Americans who are employed by the auto industry and related business enterprises."

Congressman Rogers' schedule this week also calls for him to take part in continuing deliberations by the House Committee on Interior and Insular Affairs, on which he serves as second ranking majority member, on the proposed Lower Colorado River Basin Project Act.

Referred to the full Committee by the Subcommittee on Irrigation and Reclamation, the bill contains a provision Congressman Rogers, as chair-

man, had strongly advocated to include the Texas Panhandle and High Plains area in water resources planning to be undertaken.

Congressman Rogers said he is continuing to discuss the importance of this matter with his Committee colleagues to be certain the West Texas provision is included in the bill to be recommended to the House by the Committee.

Mrs. John Berry returned home on Thursday of last week after taking her granddaughters, Kimberly and Linda Berry to Clovis where they were met by their mother, Mrs. Mike Berry to take them to their home. The girls have spent the past 10 days visiting Mrs. Berry. While in Clovis Mrs. Berry visited her sister and family Mr. and Mrs. Robert Smith and with her mother Mrs. Frank Jones.

Mr. and Mrs. Jackie Dean DeArmond and children from Levelland are here visiting in the O.C. Raney home. Also visiting the Raney's are Mrs. Neil Grounds and 3 children of Tuscon, Arizona.

Mr. and Mrs. Frank Davis returned recently from a few days spent at Breckenridge, Col. with their daughter Mrs. A.J. Curtis at their cabin.

Enroute home they spent a couple of days in Red River.

Siefkin Rites Held

Funeral services for Larry Siefkin, husband of the former Pat Jones of Spearman, were conducted at 10 a.m. Monday in the First Christian Church of Borger.

Services were conducted by the Rev. Dale Hartner, pastor, officiating. Burial was in Hansford Cemetery under the direction of Simpson funeral home of Borger.

Mr. Siefkin died Saturday afternoon in Northwest Texas Hospital in Amarillo from injuries received when his horse apparently tripped and rolled over him last Thursday. He was roping calves.

Mr. Siefkin, 43, has lived in Phillips for 15 years. He was employed by Phillips Petroleum Co.

He is survived by his wife, a daughter, Vicki, of the home, his mother, Mrs. Emma Siefkin of Shattuck, Okla. His wife is the daughter of Mrs. R.Y. Jones of Gruver.

Pallbearers were L.D. Shultz, Paul Arthur, John Blanton, Joe Williamson, Don Deene, and W.B. Brittain. Honorary pallbearers were J.L. Harris, Ed Pierce, Hugh Haugh, O.L. Henson, Jr., Jack Riley and the Hutchinson County Sheriff's Posse.

Future Readers of The Plainsman

Mr. and Mrs. Bob Meek are the parents of a son, Gregory Allen, born at 10:47 a.m., Monday, July 18, in Hansford Hospital. He weighed 8 lbs., 8 1/2 ozs. The paternal grandmother is Mrs. Jane Meek and the maternal grandparents are Mr. and Mrs. Bob Driscoll.

Two Qualify For State Show

Two Spearman 4-H members qualified for the state 4-H Horse Show in San Antonio on Aug. 12-13.

Walter Murrell of Gruver and Wanda Greene of Spearman qualified for the state meet at the District horse show in Dumas last Thursday.

Walter Murrell showed the grand champion mare. Wanda Greene won the western pleasure riding event.

SS Class Hosts Party

The annual summer ice cream social of the Charity Sunday School class was July 19.

Those attending were Messrs. and Mrs. Glen Day, Ed Dear, Hershall Jones, Jerry Falls, Royce McIver, Bobby Joe Grayson, Roy L. Uptergrove, Ed-die Gates, and Betty Hazelwood and Millie Craig.

Mr. and Mrs. Sam Graves went to Lake Canton on Tuesday, going on to Oklahoma City before returning home on Thursday.

Mr. and Mrs. Buck Bullen and grandchildren of Erick, Okla., and Mr. and Mrs. H.A. Bullen of Williams, Calif., have been here visiting Mr. and Mrs. R.C. Stewart.

Tuesday, July 19, Robbie and Donna Ownbey left to go to Dallas where Robbie will participate in the All-Star game.

THE TALL TEXAN

Seldom has an idea been put forth in Spearman that has attracted as much attention as the proposed plan for making a shopping mall out of the Main Street of Spearman.

Although the plan has received lots of comment, it has not been overwhelmed with support. The Chamber of Commerce was quick to announce this week that the organization has nothing to do with the plan.

Several individuals who have been approached as prospective committeemen for working on the planning of the project and soliciting support have rejected the opportunity to serve.

Another problem has arisen to plague the project. Some of the large weeds that were to be used as shade trees for the project have been cut.

However, there are still a nice selection of shady spots on Main Street that will provide respite from the hot sun.

Planning is still going ahead on the project.

We hope that everyone who can spare a pint or two of blood will agree to donate to the blood drive.

The first planning meeting was a hasty affair, since local workers in the drive did not know the Red Cross people could be here until the night before the meeting.

More details are on the front page of the paper and there will be more in the Sunday edition of the Plainsman.

From his pedigree of work, we would say the Chamber of Commerce directors did a good job in getting "Red" Smith as the new manager.

He has the experience and seems to have the desire to really put the chamber and town on the move again.

Naturally, Smith is only a planner and leader, he can-

Miss Vernon Is Elected Officer

Miss Mary Francis "Fran" Vernon was recently installed as corresponding secretary of the Denver Legal Secretaries Association. Miss Vernon is the daughter of Mr. and Mrs. H.J. Vernon of Spearman. Fran has also been elected the delegate from the Denver chapter and State Representative of the Colorado Le-

gal Secretaries Association to attend the 15th annual convention of the National Association of Legal Secretaries (NALS).

Dubbed "Crystalvention," the convention will be held July 24-28 in Louisville, Kentucky, with National President Kitty Hawthorne of Waco, Texas, presiding. The convention theme will be "Action vs. Apathy, Escalation to Excellence-Hallmark of Legal Secretaries." There will be workshops centered around the subjects of "What Does the World See?" "Your Emo-

tions are Showing," and "Confidence in Careers through Education."

Important social events of the convention are a Bluegrass tour, a boat ride up the Ohio River on the Belle of Louisville, a paddle wheel river boat (with barbeque and dixie-land band), and Run for the Roses Banquet with guest speaker, Mr. Edward W. Kuhn, President of the American Bar Association.

Fran is employed by Henry & Adams, Attorneys, Denver, Colorado. She was formerly employed by Linn & Helms,
